James Valentine, Dr. Robert Metzger, Leo White and Lyndon Almand at meeting for local farmers on Crop production last week.

Crop Production Meeting

The Farmers and agribusiness people who attended the meeting last Thursday afternoon in the District Courtroom heard some interesting statements about soil fertility, crop management, and insect control. Mr. James Valentine, soil Chemist with the Texas Agriculture Extension Service, stated that commercial fertilizer, when properly used, could result in a one million dollar per year increase in the agricultural income of the county. His op-

inion was based on a survey made in Yoakum County in 1968 where he compared the acres producing crops with the total sales of fertilizer material. One 1968 demonstration was cited by Valentine which showed that 125 pounds of 16-20-0 increased cotton yield on the E. O. Winkles farm from 115 pounds of lint per acre up to 477 pounds. He further stated that most of the one million increase would come

Roping Club Meeting

A meeting of the Yoakum County Roping Club was held at the Courthouse, March 10th at 8:30 P. M., to discuss plans for 1969 and elect officers for the year.

The following officers were elected: President, Dick McGinty; Vice President, Billy Wynn; Secretary-Treasurer, Gene Bennett; Directors: Gene Phillips, Pat Henard, Tom Bowers, and Tommy McDonnell.

The meeting was called to order by the new Vice President, Billy Winn in the absence of the President, Dick McGinty.

Discussions were held about plans for the rodeo for 1969.

A motion was made by Pat Henard and seconded by Gene Phillips to lower admission to the Rodeo from \$1.50 to \$1.00 for adults, and from 75¢ to 50¢ for children, twelve years or younger.

Motion was made by Pat He-

nard that Red Whatley be contacted to see if he will put the show on the same way as he did last year with the exception of the number of stock that is necessary to put on a real good show. This year, the saddle Bronc will be eliminated, but the plans are to go ahead and have the bull dogging. The motion passed unanimously.

Plans will be started soon on talking up the 1969 show and make arrangements for advertisement; to recognize past queens and extend hospitality to them as has never been done before.

Possible Queen candidates were discussed and the following names were mentioned: Janalyn Lambeth, Legatha Bowns, Kathleen McGinty and Paula Blount.

A motion was made by Cla-

Livestock Association To Hold Meet

The annual meeting of the Yoakum County Livestock and Agriculture Improvement Association will be held on Thursday, March 20th at 8:00 P. M. in the District Courtroom.

The pictures taken at the 17th Annual Yoakum County Junior Fat Stock Show will be shown prior to the business meeting. All members of the organization are urged to attend and vote on all issues that are brought before the membership. Members are those who have paid the \$5.00 annual fee, and this year the girls in the queens contest collected dues from 262 people. Some additional memberships have been paid since that time and those wishing to become members will be able to join at the meeting.

This is the only meeting of the year where the entire membership is brought together. All other details are handled by an eleven man Board of Directors. Some of the business to be transacted at this meeting, in addition to the election of Directors, will be the donations to be made at the 1970 show and sale. These will include a heifer, a gilt and two ewe lambs to be given to the exhibitor of champion animals and the awards for showmanship. Other business will be called for from the membership, and it is believed there will be a discussion of some methods of improving the quality of the livestock in the show. Last year at the annual meeting, this same issue was brought up and the decision was made to eliminate the bottom ten percent of each class from the sale. It is likely that this issue will be brought up again, so everyone who has a view on this subject should be present and express his opinion.

The Plains State Bank will be handing out some checks to the exhibitors of the 1969 show, so all exhibitors are urged to be present and personally receive these cash awards. The 98 exhibitors will receive a total of \$307.00 premiums from the bank.

There will be a need for seven

LEGION 50TH ANNIVERSARY PROCLAMATION SIGNED. The American Legion was founded in Paris, France, March 15-17, 1919, and the organization is celebrating its Golden Anniversary of service to God and Country. Governor Preston Smith has signed a proclamation declaring March 1969, as American Legion

month in Texas and called on all citizens, business houses and organizations to join in commending the good works of the Legion for the past 50 years. Witnessing the signing at the State Capitol in Austin are Willis H. McGregor, left, Department Adjutant, Austin; Robert P. Walsh, Department Commander, San Antonio.

J.T. (Jake) Anderson Services

Funeral services for J.T. (Jake) Anderson, 58, are scheduled at 10:00 A.M. today in the Tokio Baptist Church. With Rev. Don Knight, pastor, officiating. Rev. Jim Mosley, pastor of the Plains First Baptist Church and Rev. Paul Riser of the Brownfield Foursquare Gospel Church will assist with the services.

Mr. Anderson, along time farmer and store operator at Tokio, passed away at 6:30 p.m. Sunday in the Lubbock Methodist Hospital. He had undergone major surgery Wednesday. Reports were that he was progressing well from the surgery when he was struck with a fatal massy heart attack Sunday evening.

Anderson moved to the Tokio community with his parents in 1924 from Admiral, Texas. He was married to the former Wilma Holland in Brownfield, Dec. 28, 1931.

The couple have operated the Anderson Grocery Store in Tokio since 1956.

In Addition to his wife he is survived by two sons, Duane of Diyarbukir, Turkey and Dero of Tokio; one daughter, Mrs. J.C. Chamblis of Plains; three brothers, Roy of Vealmore, Melvin of Big Springs, and Ted of Brown-

C Of C To Hold Meet Thursday

The Chamber of Commerce will meet Thursday evening March 14th, at Alma's Restaurant. The special menu offered this night will be an appetizing fish fry.

Immediately following the supper a special program is being offered. Mr. Harry G. West district manager for the National Federation of Independent Business, will speak on the subject of Interests of Private Enterprise. And its relationship to the local businessman. The showing of a very interesting film furnished by the Federation will be part of the program for this meeting.

It is felt that this program will be educational, informative and very constructive in furthering the purposes of the local Chamber. All members are urged to be present and take advantage of this special program.

WEATHER REPORT

The weather for the past week has been quite cold and unpleasant. However it has modified and more pleasant weather seems to be in store.

The temperatures for the past week are as follows:

High-63°
Low-13°
Average high-48.6°
Average low- 15.9°

TAX PROBLEMS

Over-taxation has always plagued mankind from the earliest existence for need of communal government. It has resulted in the downfall of rulers and governments from ages past. It has become of great importance and even great danger to the people of the United States. However, as we consider the problem from the local level, there is need for assessment of our taxation. It is only natural to complain of the situation at home first when we think of taxes. BUT when the taxes we pay are broken down and classified we find that a very small portion goes for the needs at home. What is the proportion of the city tax which goes to furnish the vital needs of the home as compared to the proportion paid to relieve poverty in Asia, research into the sex-life of the Ameobia or a trip to the moon which none of us at this time could possibly afford and few would desire?

There is a definite need for more money in the coffers of the City of Plains if the vital needs are to continue to be afforded. There is always the need of improvement and modernization if the City is to progress and the values of the homes are to be maintained and grow. The City is of great importance to the entire community. The tax burden is in part a burden of all those who share in the conveniences afforded by the City.

The most equitable tax that has ever been devised is the Sales Tax. Herein, all share and share alike. No one should expect to be entirely exempt from taxation. Those exempted become entirely disinterested yet more demanding.

With a city's sales tax, traveler and resident alike assist in affording the many privileges and conveniences furnished by the city. This prevents the necessity of increases in the property tax which discourages home ownership which should be the ultimate ambition of all residents of any community.

The City sales tax keeps a greater portion of the tax load at home where it is first needed. When the CITY flourishes there will be less interest as well as less need for "MOON" travel.

PLAINS REPAIRING

The face of Plains is being lifted. Through the efforts and interest of the Commissioners' Court the courthouse square is being given a new look. The over-coating of the pavement around the courthouse square and the conditioning of the streets will add much to the appearance of Plains. Plains folks are afforded many advantages by their residence here. We here at the paper are happy to be able to bring these items to mind from time to time.

THANKS, RAYMOND

Thanks to Commissioner Bookout for his consideration for the paper. After an assessment of the street out front he repaired the whole block. We now enjoy a new out look.

Water Supply Improvement

The importance of the sanitation of public water supply has been greatly stressed for many years and conditions are constantly being improved. However, the quality of the water has received little attention due to the fact that there was little to be done about it except in the selection of site of the supply. Therefore, in conditions such as exist in Plains where the source of quality water was so distant or completely unavailable the only method of improvement was the importation of water or the installation of individual softeners. The installation and maintenance cost often rendering this impractical.

In the effort to remove salt from water, a process called "desalination" and make it usable for human consumption, the E.I. DuPont De Nemours & Co., through their research, have discovered a process which not only desalinates the water but is capable of removing most of the undesirable minerals from hard and brackish water such as exists in the Plains water supply.

In the search for a proper location with proper conditions with which to work, the DuPont Co., discovered that need in Plains, Texas. Through the desire of this company for this location and the far-sightedness of the Plains City governing body, one of the greatest research projects of modern times will be conducted in conjunction with the regular water domestic water supply here in Plains.

The installation of the equipment for this project is nearing completion and soon Plains residents will, for the first time, have soft water in the home for their daily needs. It is difficult to evaluate the importance of this project to the residents of Plains. According to reports from the representatives of the Du Pont Company, this operation is the largest of its kind in the world, having 100,000 gallons capacity. This research project as it is observed throughout the world will place Plains in the list of places of great interest in World Research Science News.

Why No T.V. News ?

Some are asking, "WHY NO TV NEWS?" Our only response to this question is "WE HAVE NO SPONSOR", for this program at this time. This is a good opportunity for one of our customers who are in need of a live lead for their advertisement.

Though there are many guesses and speculations at the local level regarding costs of this project, from the official standpoint, the Du Pont Company has this to say: "Certainly because of the present large number of variables that influence costs, and because of the present status of development, the Company can make only a research stage estimate." It therefore must be concluded that the research to this time has proved that the cost is commensurate with the advantages afforded.

This is definitely a tremendous opportunity to be afforded any community, and Plains stands much advantage from being selected as the site for such notable research.

Letter To Editor

Dear Editor:

I hope you'll print this letter because I have something I want to say about the younger generation--my generation. My name is Estelle Hunter. I'm 18 years old and a senior in a high school of 800 students. I live in a small community on the outskirts of Columbus, Ohio. I'm National President of the Future Homemakers of America. I'm teenager and I'd like to tell you some things about my generation.

While a few of the rebellious and discontented are participating in riots, protest marches and destructive action, a large majority of us are spending our time volunteering for important community service work, studying, learning, preparing ourselves for the future. You don't hear much about us for we aren't violent, or drug addicts, or hell raisers. However, we, too, are concerned. We're concerned about those of our generation who are shouting obscenities and disgracing the American flag. We're concerned that the disturbance they cause has labeled all of us as "the hippy generation--the disrespectful teenagers--the unmannerly group."

In our organization of Future Homemakers of America alone, we have more than 600,000 teenagers who don't participate in riots or protest marches or set out to deliberately break the law. AND we are only one group. There are millions of young people like us who are practicing the principles of good citizenship, who are helping the underprivileged, who respect our parents and our teachers and think of the policeman on the corner as our friend. We don't get much publicity because we don't get into much trouble. We're too busy doing worthwhile things.

We believe it is time for us to being protesting the protestors. We believe it is time to

raise our voices loud enough to drown out the noise of the rebellious and the irresponsible. That's the reason the Future Homemakers of America selected FOCUS ON POSITIVE ACTION as the theme for our National FHA Week to encourage our FHA Chapters all over the country to carry out projects and activities during this week to give exposure to what youth is doing in a positive way to promote the principles of good citizenship and work toward the improvement of our society.

We want to concentrate on the positive. We want a piece of the action, yes, but we want it to be positive action with constructive results.

Future Homemakers of America as an organization encourages the development of a good family life, stimulates the study of home economics, and provides for wholesome individual and group recreation. It is an avenue for learning to assume responsibility and to develop leadership. It provides an opportunity to learn to know, to care, and to do the things that will make for better homes in a better America. By working toward these goals FHA members prepare themselves for the responsibilities that lie ahead as we become adult citizens.

During the week of March 23-29, which has been designated National FHA Week, our members across the country will stress constructive activities which show that we are dedicated to improving life in America as we move toward new horizons in the future.

Local high school chapters in more than 12,000 communities in the United States will be observing National FHA Week. Ask your readers to take a look at us, to get to know us, to find out about our activities and projects, and then to remember that there are millions of youth just like us in this country. Maybe this will help them ignore the hippies, the yuppies, the malcontents, and recognize that the great majority of the young people are concentrating on positive action.

Respectfully,
Estelle Hunter
National President
Future Homemakers
of America.

Editor Speaks:

We are highly appreciative of such fine letters. They allay panic and help us to realize that the majority of our students attend school for the purpose of obtaining an education. There is only a very small minority who are disinterested in any activities other than reeking havoc in our schools.

Watch for National FHA Week on March 23rd through the 29th.

State Line News

By Margaret Box

Mr. & Mrs. Dennis Huffman and children of California spent Monday and Monday night with her sister, Mrs. Terry Bacon and family. The Huffmans are moving to Fort Worth. They also visited her mother, Mrs. Bertie Davis, in Andrews.

Mr. & Mrs. Don Young, Choya Don and Donetta spent Tuesday night in the home of her parents, Mr. & Mrs. Otho Woods in Morton. They attended Mrs. Young's sister, Sandy's wedding Tuesday night.

Miss Sandy Woods and Mr. Alton Black were married in the home of the bride's parents, with both families attending. Mrs. Young was matron of honor for her sister, Sandy and Alton will make their home in Stanford.

Kimerly Box, daughter of Mr. & Mrs. Lee Roy Box, was quite ill the first of the week with sore throat.

Mr. Bayne Price has been a patient in the Yoakum County Hospital recently.

Mrs. Don Young and children went to Bledsoe Thursday afternoon to meet her brother, Clifton Woods from Morton, who is to spend the weekend with them.

Mrs. Terry Bacon and Mrs. Dorothy Anderson were hostesses Thursday night for the Fine Arts dinner meeting in the club room.

Mr. & Mrs. Ira Tidwell, Randy and Lyndyl spent Thursday night and Friday visiting relatives in Lubbock. They visited his mother, Mrs. Flossie Tidwell and her mother, Mrs. Gaylon.

Tracy and Donnell Welch of Plains spent the weekend with their grandparents, Mr. & Mrs. R. G. Hartman, while their parents, Mr. & Mrs. Kent Welch, attended the funeral of Kent's grandmother, Mrs. Coon, in Throckmorton with burial in Lamesa.

Mrs. H. C. Bevers of Brownfield visited her daughter, Mrs. R. G. Hartman, Thursday. Mrs. Bevers had been visiting her son, Joe, and family in Roswell.

A hamburger supper was enjoyed by those attending the Gladia Youth Center Saturday night. A program given by Robert Henard, Associate County Agent of Lea County, showed a film of 4-H projects in New Mexico and Lea County. James Duffey, 4-H Council President, showed slides of his 4-H trip to Chicago in November. He is also a \$600. 4-H scholarship winner. After the program, a Gladia 4-H Club was organized with Mr. & Mrs. Lee Roy Box as leaders. James Duffey conducted the club until

officers were elected. The officers are: Alice Harris, President, Thommy Guy Box, Vice President, Lebeth Box, Sec.-Treasurer, Jimmy Athison, reporter, Jimmy Pate, recreation leader, Dicky Hartman, council delegate. The club will meet the 4th Saturday night at 7:30 New Mexico time each month. Members joining were; Alice Harris, Tommy Guy Box, Lebeth Box, Dicky Hartman, Jimmy Pate, Jimmy Atkinson, Bonnie Sue Atkinson, Roy Rena, and Robbie Bradford & Shelly Frazier. Other boys and girls in the area who are ten years and older are urged to join. The families attending Saturday night were; Mr. & Mrs. Tom Box and Tommy Guy, Mrs. Grace Hughes, Mrs. R. G. Hartman and Dicky and Tracy Welch, Mr. & Mrs. Irby Harris and Alice, Mrs. Clark Jones and children, Mrs. Ruth Pate and Jimmy, Mr. & Mrs. Marvin Frazier, Shelly, Sharlot and Steve, Frank Griffin and children, Mr. & Mrs. John Brooks,

Mr. & Mrs. Roy Brooks, Reggie and Shaye, Mr. & Mrs. Lee Roy Box, Lebeth and Kimberly. Special guests were Mr. & Mrs. Robert Henard and Francis, James Duffy, all of Lovington, and Wyte Warren of Lubbock.

Mr. & Mrs. Hollis Harris visited Mr. & Mrs. Tom Box Sunday afternoon. Other visitors were Mr. & Mrs. Lee Roy Box & girls, and Mrs. Grace Hughes.

Mr. & Mrs. Don Young and children visited her parents, Mr. & Mrs. Otho Wood and family in Morton. Mr. & Mrs. Alton Black of Stamford were also visiting her parents.

Graveside Services Held For Hutchinson

Denver City-- Graveside services for Albert F. Hutchinson, 86, was held at 1:30 p.m. Sunday in the Denver City Memorial Park with the Rev. C.J. McQuillen, pastor of the Trinity Baptist Church officiating. Bur-

Local Resident's

Mother Passes Away

The mother of Mrs. Alma Been and Mrs. Martin Welch of Plains passed away Friday, March 7th in the Throckmorton Hospital.

Graveside rites for Mrs. Lillie Coon, 86, were held at the Lamesa cemetery. Officiating was Rev. A.R. Washburn of Throckmorton. Mrs. Coon and the late Mr. C. D. Coon lived at Lamesa from 1917 to 1946 when they moved to Throckmorton.

Survivors include six sons, H. A. of Midland; M. I. of Dallas; R. A. of Odessa; H. B. of Tucson, Arizona; Pete of Olney, and Nelson of Seminole, and three daughters, Mrs. Lillian Hudson of Throckmorton; Mrs. Travis Been and Mrs. Martin Welch, both of Plains.

Local Resident's

Brother Passes Away

The brother of Rev. H.A. Tarkington, pastor of the Assembly of God Church in Plains, passed away Friday, Feb. 28 in Mexie.

Services were held Sunday, March 2, for L.B. Tarkington, 72, in Mexie.

Mr. Tarkington had been a resident of Mexie for 47 years. He died of a heart attack Friday.

Survivors include his wife, 2 daughters, 2 sisters, 2 brothers and 7 grandchildren.

Funeral was directed by Singleton Funeral Home.

Hutchinson, a retired carpenter and former resident of Palestine, died Friday in Brownfield General Hospital following a brief illness. He had live at the Plains Nursing Home for the last 2 years.

Survivors include his wife, Lillie; of Sugarland, a step-daughter, Mrs. Dorothy Hardy of Sugarland; a sister, Mrs. R.M. Mahoney of Wichita Falls; and two grandchildren.

To Celebrate Silver

Wedding Anniversary

The children of Mr. & Mrs. Barron Blair request your presence at the 25th Wedding Anniversary, Sunday, March 16th, 1969 from 3:00 to 5:00 o'clock P. M., at the courthouse club room. Gifts have been selected at Streetman's Department Store, Cogburn-Young Hardward, and Moore-Oden, Inc. All friends are cordially invited.

Fine Arts Club Meeting

The Plains Fine Arts Club met in regular session on Thursday night, March 6th, in the club room, with Mrs. Clifford Anderson and Mrs. Terry Bacon serving as hostesses. A very fine meal was enjoyed by 18 members and 2 guests.

The Music Federation Collect was led by President, Mrs. Gayle Craft, followed by the song entitled "Funiculi-Funicula", accompanied by Mrs. Darrell Lindsey on the piano.

Roll call and reading of the minutes was read by Mrs. Jack Palmer in the absence of Mrs. Cordell Huddleston. Treasurer's report was given by Mrs. Bob Loe.

The club then proceeded to the Methodist Church where Mrs. G. W. Cleveland introduced the guest for the evening, Mrs. M. A. Watts of Lubbock.

Mrs. Watts, an accomplished Harpist, explained to the club how the Harp is built and played. She then played four selections on the very rare and beautiful instrument.

Mrs. H. E. Barnes gave the "Hymn of the month" story after which the club sang, "Christian! Does Thou See Them?"

A very fine evening was enjoyed by all.

Club Adjourned.

Tennis News

On Monday March 10-12 tennis players went to Denver City for a tennis match-nine matches were completed Plains won 5 of the nine matches. Our boys and girls are shaping up. We expect to win the district and on to regional then State.

Tuesday March 11 we have a return engagement with the lads and lasses of Seagraves.

On March 15th we journey to Lubbock to take on Lubbock Christian College P.E. classes in an encounter.

Voc. Ag News

The Vocational Agriculture boys took part in the District Judging at Tahoka Tuesday, March 11.

The team members were:

1. Mike Wilkins
2. Mike Hughes
3. John R. Robertson
4. Morris Rushing

Wayne Box and Reg Trout judged with the team at San Angelo, but could not attend the contest at Tahoka, so Bit and Morris filled in as alternates.

The team judged steers, heifers, ewes, lambs, barrows, and gilts. The contest was good practice for the Area Contest in Lubbock. In a later contest the boys will also have to grade twenty head of cattle.

The boys won District at this judging with a score of 1,078. Mike Wilkins won 1st place and Mike Hughes won 3rd place.

Spelling Bee

The Yoakum County Spelling Bee was held in Plains on March 6, at 2:00 p.m. The following contestants from Plains and Denver City contested for first place: Jeff Gentry and Rene' Houck, Plains; and David Gillis and Susan Hanks, Denver City.

The results were David Gillis-first; Jeff Gentry-second; Rene' Houck-third; Susan Hanks-fourth. Susan Hanks from Denver City will serve as the alternate; this will make it more convenient for the school involved.

The following people helped with the Spelling Bee; John M. Nance, Plains Jr. High Principal and director; Mrs. Georgia Vickers, judge; Mrs. Upton; judge, and Mrs. Lela Warren, pronouncer.

Approximately two hundred and fifty people were present to witness the contest. Next year the contest will be held in Denver City.

Track News

The Plains Cowboy track team took 3rd place at the Wink meet March 8th with 58 1/3 points. Ranking took 1st with 86 points, and Van Horn 2nd with 80 points.

Other schools entering were Coahoma - 56 1/2, Seagraves - 36, Wink - 26, and O'Donnell-20 points.

Those from Plains taking part in this meet were: Cox, Kennedy, Randall, and Liles placing 3rd in Sprint Relay; Kennedy, 2nd, 880 run; Lowe 1st, 120 HH; Lowe, 1st, 330 I H; Brian, 4th, mile; Jones, Randall, Lowe & Kennedy, 3rd, mile relay; Nugent, 120 HH; Cox, Liles & Raines, 100 yd. dash; Simpson & Raines, 440 yd. dash; Randall and Nugent, 330 I H; Liles and Cox, 220 yd. dash; Kerby, 880 yd. dash; and Ruiz, mile run.

A good job was done by all that attended. GO STATE!

The Cowboys have a young team this year, and are running three Freshmen with the varsity. They are Ronnie Raines, Andrew Ruiz and Shelly Simpson.

Goof Sophs that have shown great improvement over last year are Lynn Cox, in the sprints, and Gary Randall in the Hurdles and the mile Realy team.

Jim Taylor and Mike Nugent have made a great deal of improvement in their hurdling form and speed. John Lowe, another Jr. has the top time in this area for the 330 IH in a fine time of 41.3 as posted at Wink last week-end.

Seniors that have shown improvement are Gary Liles in the Sprints, Russell Jones, who led off the 3rd place mile relay at Wink, and Bill Kennedy a fine 880 man and anker man for the mile relay.

We have about twenty boys running track this spring, and we carry about 16 each week to track meets. We also have a Freshman Track Team that has about 12 members. They have scored well in their first two meets at Wink and Eunice.

The Varsity will go to Hale Center this weekend., Coahoma March 22; Our Cowboy relays, March 28; Andrews, April 4th; District at Wink, April 11, and the Regional Meet at Lubbock April 18 & 19.

Boys running track every day are: Russell Jones, Billy Spencer, Billy Kennedy, Gary Liles, Bobby Haines, Tommy Crawford, John Lowe, Mike Nugent, Jim Taylor, Mike Hughes, Jerry Brian, Jeff Isham, Lynn Cox, Gary Randall, Gary Livesay, Eddie Moore, Redemeos Flores, Clevey Kerby, Charles Fisher, Ronnie Raines, Shelly Simpson, Lewis Howard, Manual Ramus, Rickey Brantley, Bobby Clark, Charles Murph, Mike Cox, Ace Hamm, Keven Guetersloh, James Stewart, Andrew Ruiz and David Bamett.

All our boys are working hard either in track, golf, or in our season weight lifting program. We have 51 boys working with every desire to improve, and be-

come a better athlete each day. The boys have worked long and hard, but are finally understanding what they are working for. Many of our boys in our weight program have gained 12 to 15 lbs. since football season, and are moving better than ever. This happens after much hard work and determination. We the coaching staff, are very proud of the progress these boys have made this year. We can see a brighter tomorrow, because of the work these boys, or men we should call them, have done today.

Band News

On March 8th, 19 members of the band participated in Region 6 Solo and Ensemble contest at Lee Highschool in Midland, Texas.

At this contest, Earl Krieg received a superior rating on his Baritone Solo; Carolyn Whitley received an excellent rating on her flute solo; Billy Kennedy, Bobby Haines, and Jerry Brian received excellent rating on their cornet trio, and Billy Kennedy, Russell Jones, and Lance Smith received an excellent rating on their Brass quartet.

Additional Ensembles were a flute quartet, Carolyn Whitley, Debbie Chadwick, Phyllis Krieg, and D'Linda Loyd; a Clarinet quartet, Jana Strickland, Joyce Warren, Sue Cleveland, Linda Reecer, and Nancy Harkey; a Clarinet quartet, Pam Harrelson, Susan Simpson, Sharon Upton, and Debbie Cox.

The Cowby Band has three extra rehearsals scheduled for this week, and next week. They will be March 11th at 8:00 P.M., March 13th at 7:00 P.M., and March 20th at 6:30 P.M.

The March 13th rehearsal will be conducted by a guest clinician, Mr. Floren Thompson, Director of bands at Eastern New Mexico University.

On March 21st, the band will be in V.I.L. competition at Crane, Texas. They will perform the concert number, "A Santa Cecelia March", "Four Sketches" and "Aria For Winds". They will be judged by a panel of three

judges. In addition to being judged in concert, the band will also be judged in Sight Reading.

Cowgirls Take Lamesa

The Plains Cowgirls defeated Lamesa on Monday, March 10th. The scores were:

B team - 15 to 10, 15 to 10

A team- 15 to 6, 15 to 6

"A" team season record is 13 wins with 2 losses; "B" team season record is 3 wins with 4 lost. "A" team losses were to Midland Lee, and there is a possibility of playing Lee again at Howard County College in the finals.

The defending champs of the tournament is Phillips, whom Plains could meet in semi-finals. This is third time Plains has entered the Howard County Tourney. They won first in 1964, and 3rd in 1965.

FHA News

There will be 16 girls from the Plains F.H.A. Chapter traveling to Big Spring for the Annual F. - H.A. Area II Meeting.

This meeting will last two days March 15th and 15th. It will be entertaining as well as educational. Also during this meeting, next years F.H.A. Area II officers will be elected.

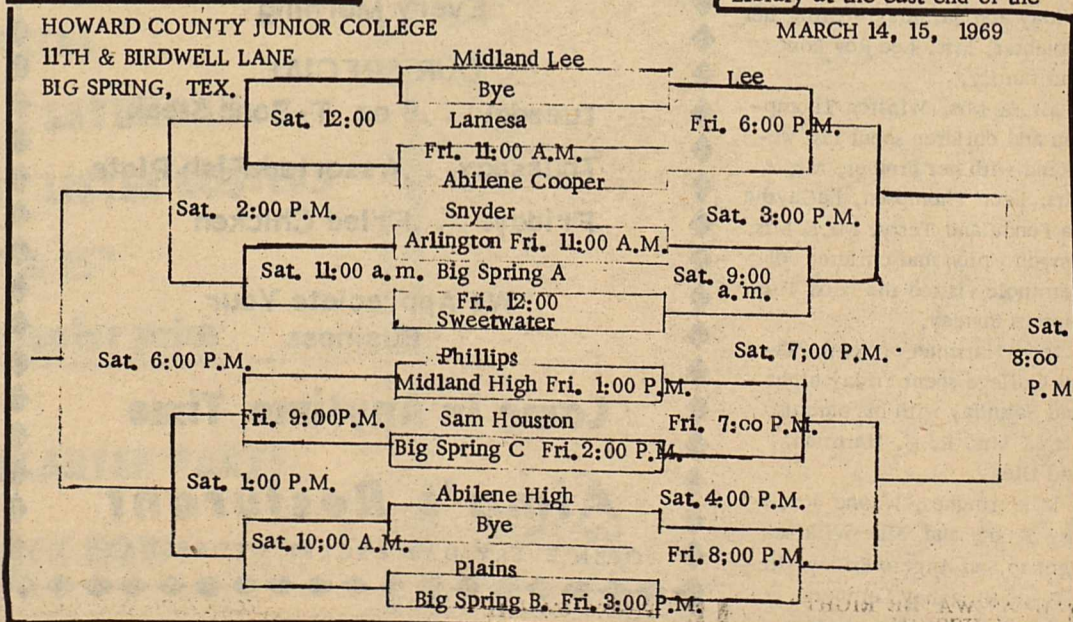

Caroline Wilmeth is running for an office and will give a speech on some phase of F.H.A.

Jr. High Track

The 7th, 8th, and 9th grade track teams participated in the small school division of the Eunice, New Mexico Track Meet last Saturday. The 7th grade team finished 5th in the meet with a total of 26 points. The 8th grade finished 3rd in the meet with 46 points. The 9th grade finished 5th in the meet with 18 points.

Tony Chandler broke the record in the High Jump and set a new mark of 5'6" in the 8th grade division.

Science Fair

The Plains Junior High Science Fair will be held Friday, March 15, 1969, under the direction of Mr. John Hinton. Grades competing in this Fair are fifth through eighth.

Trophies will be awarded for the two best projects entered in the Fair. Ribbons will be awarded to the fourth through first place winners of the following groups: general science, earth and space, physics, and biology.

The projects will be displayed in the seventh and eighth grade science lab and the Junior high Library at the east end of the

Presenting:

The PRIDE OF PLAINS

WHAT IS THE PRIDE OF PLAINS?

It is the same pride that exists in every community. A pride in those things most closely connected to our homes. As this pride is concentrated in our home town, our interests become localized and there is a greater appreciation for the many advantages afforded here in our local community.

Consider for a moment the conditions that would exist if we had to travel 15 or 20 miles for every need of the home, each time we needed banking services or some medicine for the family. The expense of sending our children to a distant town and maintaining them there for the need of an education would deprive many of a deserved education. How discouraging it would be as well as inconvenient to be forced to travel across several counties to consult with our county officials. Many have experienced the inconvenience of traveling far for simple needs. Yet when the need is not particularly vital the imagination is exaggerated and the overwhelming advantages of far away places tempt us to overlook the many things of great importance here at home. NEVER LET THE PRIDE OF PLAINS SAG. THE LOSS OF COMMUNITY PRIDE RESULTS IN LOSS OF HOME PRIDE.

PUBLIC NOTICE

PUBLIC NOTICE OF THE REQUIREMENT FOR RECORDATION AND LIMITATION OF CERTAIN CLAIMS OF WATER RIGHTS.

Notice is here given as required by Section 4 of the Water Rights Adjudication Act of 1967 (Article 7542a, Vernon's Civil Statutes) that all claims of riparian water rights, all claims under Article 7500a, Revised Civil Statutes of Texas, 1925, to impound, divert or use public waters for other than domestic and livestock purposes for which no permit has been issued, all claims of water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended, and all other claims of water rights other than claims under permits and certified filings, must be recorded with the Texas Water Rights Commission. Section 4 does not apply to use of water for domestic and livestock purposes as the same is defined by Commission Rules.

On or before September 1, 1969, every person claiming any water right to which Section 4 applies shall file with the Commission a sworn statement setting forth the nature of the claim of water right. Claims to which the Section applies shall be recognized only if valid under existing law and only to the extent of actual application of water to beneficial use without waste during any calendar year from 1963 to 1967, inclusive. However, in any case where any claimant of a riparian right has prior to August 28, 1967, commenced or completed the construction of works designed to apply a greater quantity of water to beneficial use, such right shall be recognized to the extent of the maximum amount of water actually applied to beneficial use without waste during any calendar year from 1963 to 1970, inclusive; provided an additional sworn statement is filed on or before July 1, 1971. Failure to file the sworn statement or statements in substantial compliance with Section 4 shall extinguish and bar any claim of water right to which the Section applies.

Instructions and forms for recording claims may be obtained without cost from the Texas Water Rights Commission, P. O. Box 12396, Capitol Station, Austin, Texas 78711.

4-H CLUB News

ude Bowers that every local member buy tickets from the Roping Club Queen candidate. David Box seconded the motion and further added that when the tickets are passed out on the first roping night, if members do not take tickets, they won't get to rope.

Motion was made by Tom Bowers and Seconded by Pat Henard to buy 20 steers and 20 calves for 1969, and to make arrangements with the Plains State Bank to borrow the money to buy the cattle and feed for the season. Motion passed unanimously.

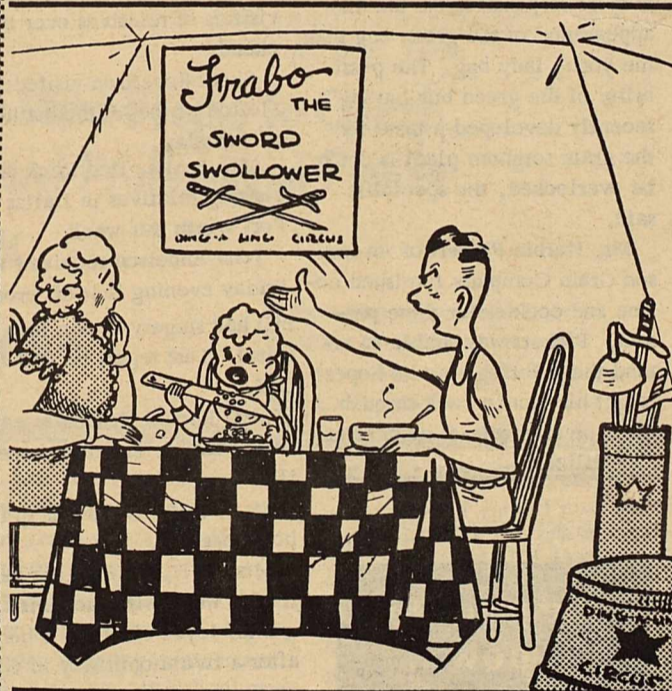

It was called to the attention of the members that it was urgent to contact Red Whatley for this years rodeo; make arrangements for buckles, saddle, barbecue, and printing of posters for advertisement, to buy steers and calves now, then soon after that to have another meeting with the Lions Club and Chamber of Commerce to make further plans. Motion was made to adjourn. Seconded by David Box.

The Lucky Clover 4-H Club would like to thank everyone who helped make the Livestock Show possible. We would also like to thank Mrs. White for keeping the rest rooms clean.

The Lucky Clover 4-H Club held their meeting Monday, March 10, in the Clubroom. The meeting was called to order by Tommy Box. Denise Newson led the Pledge to the Flag. Dana Willis led the 4-H Motto and Pledge. A Devotional was given by Andy Richardson. LaGatha Thompson led the song "Home on the Range." Kathleen McGinty served as program chairman. Patrolman Joe Cox presented a program on Bicycle Safety. After some quiz games led by Brad Crump, refreshment were served by Susan Stroop, Barbara Skinner, Nelda Haynes, and Susie Skinner.

We wish to thank Patrolman Joe Cox for taking the time to come and bring us such a fine program.

PLAINS, TEXAS

CROP PRODUCTION
FROM PAGE 1

from the use of fertilizer material on dryland grain sorghum. This is the crop that involves more acres and where producers are not using much plant food material.

Dr. Robert Metzger, Extension Service Agronomist, had some interesting information on planting rates for grain sorghum. Under dryland conditions, one and one-half pounds of seed per acre produced the highest yields at the Research Center tests in 1968. Planting rates in this experiment ranged from three-fourths of a pound to ten pounds per acre and two hybrids were used. One and one-half pounds per acre gave a spacing of one plant per foot in forty-inch rows.

Mr. Lyndon Almand, area Entomologist with the Texas Agricultural Extension Service, made some interesting statements about the control of beet army works and green bugs. He would not predict any bad infestation of these insects for 1970, but neither would he predict that they would not occur in heavy populations again this year. Almand says there is a tiny wasp that uses the body of the green bug as a place to lay eggs and that this beneficial insect is the farmer's best friend during heavy infestations of green bug. The wasp is more responsible for the disappearance of the green bug than the young lady bug. The possibility of the green bug having recently developed a taste for the grain sorghum plant is not to be overlooked, the specialist said.

Mr. Herbie Pickett of Anderson Grain Company furnished coffee and cookies for those present. Pickett was unable to attend the meeting, but he hopes to get his money back through the increased sale of commercial fertilizer.

Hudson County in New Jersey encompasses only 45 square miles.

directors to be elected during the business meeting. Six will be elected to serve a two-year term and one will be elected to fill the vacancy created by the death of Mr. Bill Gray. The four directors who have one more year to serve are: Ty Field, Dr. Berry Squyres, Gene Bennett, and Kenneth Blount. Another item that will likely be brought before the membership at this annual meeting is rules and regulations for the 1970 show. Rule changes will be made at the first meeting of the Board of Directors following the annual meeting and they will consider any suggestions made at the annual meeting of the membership. Because of the very successful show and sale held last month, it is expected that the 1970 event will attract exhibitors and more animals.

Mr. & Mrs. R. E. Clark of Hobbs had lunch Sunday with Mr. & Mrs. Skeet Robertson. Mrs. Clark is the former Mary Hassell.

Bro. & Mrs. Shirley Curry & children of Shamrock, were visitors of relatives over the weekend.

Skeet Robertson visited Mr. Melton at the Methodist hospital Saturday.

Mr. & Mrs. Dee Keck are visiting relatives in Dallas and Fort Worth this week.

John Anderson received word Friday evening that his brother Bill had surgery in San Jose hospital. Last report he was doing O.K.

Mrs. Rhonal Teaff was called to Graham. Her father is very ill.

Mr. D. H. Kerby was in Lubbock Monday.

Mrs. J. H. Daniels has been ill this week with Bronchitis.

Mrs. Joyce Shifflett is home after a five month stay in Gillette, Wyoming with her husband, Amos. He is employed by

Monday night supper guests of Mr. & Mrs. Clyde Trout were their son Cote, student at Texas Tech, Miss Shusri Srinakornthai, exchange student from Thailand, Probal Roy, exchange student from India, and Miss Shirley Jarembo, student from Texas Tech.

Mr. & Mrs. Ray Bearden, Rickkey, and Rhonda, visited Mrs. Bearden's grandmother, Mrs. Nellie Clanahan, and her grandfather and wife, Mr. & Mrs. Clyde Perkins and other relatives in Olney. They visited Ray's aunt and uncle, Mr. & Mrs. George Kennedy at Aspermont over the weekend.

Mr. & Mrs. Alvis Milstead, Bro. & Mrs. Don Knight, Mr. & Mrs. Claude Addison, and Mr. & Mrs. Lewis Waters in Lubbock Saturday night to hear Bob Harrington.

Neal Parks filled the pulpit at Clauene Sunday in the absence of their pastor.

Tatem Construction Company there.

Alma Lynn McGinty, Norelle Sloan, and Mrs. J. V. Been attended funeral services for Mrs. Coon in Lamesa Saturday.

Mrs. Geo. Cleveland is a patient in Denver City hospital. Mrs. Mable Camp has been moved from the Methodist hospital to the Seagraves clinic.

FORGIVENESS

“Recompense to no man evil for evil. Provide things honest in the sight of all men.”

Romans 12:17

So many of us play out the depictions of old, pain-filled memories again and again in our lives. However, when we wipe out the past by giving up the hate-filled grudges that have haunted our hearts, we light the dark corners of our lives and release our creative powers for untold good. The pain we unwittingly inflict upon ourselves by carrying bitterness and rancor in our hearts is the cause of nearly all human misery. Nearly all destructive manifestations can be traced back to lack of forgiveness. Nothing is more destructive than refusing to forgive ourselves or another for some misdeed.

“While God waits for His temple to be built of love, men bring stones.”

REVIVAL

STATE LINE BAPTIST CHURCH

REV. VANCE ZINN OF FLOYDADA
PREACHER

LOREN GAYLE, OF BRONCO WILL
LEAD THE SINGING

BOBBY FIELD WILL PLAY THE
PIANO.

REV. VANCE ZINN
GOD'S GOSPEL GIANT

EVERYONE IS INVITED TO ATTEND THIS REVIVAL SERVICE. COME AND BRING YOUR FAMILY AND A FRIEND. ALL IS WELCOME. SERVICES ARE MARCH 14, 15, 16, and MARCH 21, 22, and 23 AT 7:30 P.M. SATURDAY MORNING SERVICES ARE AT 10:00 A.M. EVERYONE COME OUT AND ENJOY THESE WONDERFUL SERVICES.

Revival

The State Line Baptist Church invites all to attend the revival services this weekend and next weekend. Rev. Vance Zinn of Floydada will be doing the preaching. Brother Zinn, who is also a singer, has pastored churches in New Mexico and Texas, has preached numerous revivals. Some of Bro. Zinn's sermons will be sermons in song. At present he is teaching school in Floydada. This is your opportunity to hear a spirit filled man use his talents for the Lord.

Rev. H.A. Tarkington, pastor of the Assembly of God Church in Plains, will bring his guitar and begin the Friday night services with two special numbers at 7:30.

All churches in the vicinity have been invited. Pastors have been contacted, members of churches that do not have pastors have been contacted,

everyone is invited to attend these revival services.

Mr. Loren Gayle will be leading the music.

Services are March 14, 15 and 16, and 21, 22, and 23 at 7:30. Saturday morning services at 10:00 a.m. Sunday School at 10:00 a.m. Preaching at 11:00. Training Union at 6:30 and Preaching at 7:30.

GIVE TO THE MARCH OF DIMES

Wauson - Poe

Wedding Announced

R. B. Wauson and Alma Poe will be wed March 15th, 1969 at 9:00 P.M. in the First Baptist Church of Plains.

Everyone is invited to attend. Following the wedding, a reception will be held in the fellowship hall.

ADVICE NOT TAKEN
PORT ELIZABETH. South Africa (AP) The letters sprang out in bold type from the program of a cancer therapy symposium at Livingstone Hospital: THIS IS A CANCER SYMPOSIUM. NO SMOKING.

Medical men and women sat quietly through smokeless discussions. But as soon as there was a break for meals or refreshments out came the cigarettes and pipes.

Courthouse News

The Honorable Commissioners Court met in regular session, March 10th, 1969 following members present: Judge Gene H. Bennett, Commissioner Vance Brown, Commissioner H. C. Cotten, Commissioner Raymond Bookout, Commissioner Johnnie Fitzgerald, and Ruby Heald, County Clerk & Ex-Officio Clerk of the Commissioners Court.

A motion was made by Commissioner Brown and seconded by Commissioner Fitzgerald that all the reports of the county officials be approved.

Other official business consisted of the following:

The fee of Paul New was approved for representation of J. C. Griffin for District Court Cause

#391.

The bond of Thomason Construction Company, Inc., be approved for the amount of \$85,000. to the United States Fidelity & Guaranty Company;

Bids were accepted from Lamasa Printing Company, Inc., in the amount of \$600.00 for a calculator for the County Auditor's office.

Court adjourned. There were no criminal cases filed in the County Court this last week, which speaks well for our county as a whole.

Marriage license were issued to Jose Molina and Maria Edena Moreno from Roswell, N. Mex.

More than 27.2 million women were working in 1967. They comprise about one-third of the nation's working force.

Anita Graham Has Surgery

Anita Graham, daughter of Mr. & Mrs. R. H. (Buster) Graham, was operated on Monday morning at the Methodist Hospital in Lubbock. Reports are that she is recovering satisfactorily at this time.

Adult Basic Education

A night school for Spanish speaking People has been described as a place for providing the traditional elementary skills in reading, writing and arithmetic to those adults who did not acquire them during their childhood, but who have the innate capacity to acquire them.

The goals of adult basic education are the same as those of any educational program; To help the individual, in his growth toward maturity, to achieve: (1) Self-realization; (2) Economic efficiency; (3) Human relationships; (4) Civic responsibility.

This will be a community project, and you as a friend or as an employer can help.

The place will be at the Elementary School every Thursday, starting today. 7:30 has been set as the time.

Mrs. Smith Honored

Mrs. W.E. Smith was honored on her 80th birthday with a surprise birthday dinner, Sunday, March 9, 1969 in the Club Room. Spring colors of yellow and green were used in the decorations.

Children, grandchildren, great-grandchildren and friends greeted Mrs. Smith with singing "Happy Birthday" as she entered the door.

Mrs. Smith was wished a happy birthday by her family and friends from Plains, Lubbock, Breckenridge, Brownfield, Scheitz, and Crawford.

Home Demonstration

The Yoakum Co. Home Demonstration Council met Tuesday, March 2, with Mrs. R.L. Rucher presiding. There were 13 members and the agent present. Mrs. Gerome Head was acting secretary.

Club reports were given by all four clubs. Mrs. John Dale Curtis gave the financial report and the report on the livestock show. Mrs. Tom Box T.H.D.A. chairman, gave the report on the District II Convention in Denver City, April 24. Mrs. John Dale Curtis gave the Foods Committee report for the Dist. Convention.

Yoakum County voting delegates to the Dist. Convention are Margaret Box, Faye White, and Pat Curtis. Alternate is Mary Ann Avery.

Federal Land Bank Meeting

Mr. Hugh Hansen of Cochran County has just returned from Houston where he attended the annual Stockholders' Meeting of The Federal Land Bank. The meeting was attended by representative from 73 Federal Land Bank Associations located throughout Texas. About 450 persons attended.

Delegates, alternates, and guests heard President Herbert H. Decker give the annual report and addresses by W. R. Poage, Representative from the 11th

Congressional District of Texas and Mr. Arthur A. Smith, Senior Vice President and Economist with the First National Bank in Dallas. The Federal Land Bank of Houston makes long-term loans on farm and ranch property at the lowest interest cost consistent with sound business practices. Five times in 52-year history of the System the billed interest rate on loans outstanding has been voluntarily reduced.

The Federal Land Bank Association of Levelland makes and services loans in Hockley, Cochran, Terry & Yoakum Counties. Members of the board of directors are L. F. Schoenrock,

Leon Lawson, and J. F. Steele from Levelland, Hugh Hansen from Morton, and G. I. Sims of Brownfield. Others attend-

ing the meeting from this area were Joe Breed of Levelland, Manager of the Levelland Association, and J. F. Steele. - Joe Breed, Manager

A Penny for Plains

THE FAIREST OF THEM ALL

THE FAIREST WAY TO GO

Until now, the tax on homeowners has been the only primary source of revenue for Plains. It is only fair to shift some of your burden to those who receive city services but have been presenting you with the whole bill.

IT MAY NOT COST YOU A CENT

There is NO TAX on groceries, medicines, home and rent payments, gasoline, tobacco products and work clothes, for example. The tax applies only to those luxury items now being collected in the 3% state sales tax. Merchants like it because there is no increased paperwork, the state does all the computations and returns Plains share to the city.

SATURDAY, April 5

News From Tatum

Tatum Needs

The more often we visit TATUM the more we are impressed with the need for a news media at the local level. We are impressed also with the interest of the folks here in the efforts of the Plains Review to furnish this service. The reader interest is very good as noted by the disappearance of the papers from the stands in the business places where the papers have been furnished free of charge.

The paper can be of little value to the community without NEWS, LOTS OF NEWS. To the daily newspaper this must be "BIG NEWS, of events from far and wide.

The Weekly Newspaper affords a means of telling the neighbors what each of us are doing; what the children are doing at school; the coming events of the local clubs and organizations as well as the results. This all goes to constitute the weekly news. It is a service not available through other sources except by conversation.

The local businesses need for the weekly paper is to let folks know what they have to market and something of the prices at which they sell. Advertising is as important to the merchant as it is to the publisher. Neither can afford to operate without advertisements. Professional services need to have their name before the public so that those needing these services may know where to go for them.

Subscriptions to the paper are very important. They not only help to defray postal expenses but also furnish the publisher an assessment of reader interest and the merchant an assessment of the type of advertisement needed for his customers.

The big need of your Weekly Paper is "NEWS, SUBSCRIPTIONS AND ADVERTISING.

Thanks,
The Editor,

Chamber of Commerce Hold Annual Banquet

Mr. Ferrel Caster was Master of Ceremonies for the Annual Banquet of the Chamber of Commerce. Dr. Doyle Riley, D.D. led the invocation.

Mr. Caster introduced visitors from Lovington, Hobbs and Plains, and then introduced the outgoing officers and directors.

The introduction of the new officers and directors for 1969 were; Dr. Doyle Riley, President; W.S. Clary, Vice-President; and Dorothy Bess, Secretary and Treasurer. Directors are Dess Sawyer, Mildred Jones, Gilbert Pfeiffer and Thurman Felts.

Mr. Caster told of the work that was being done in Tatum in behalf of the March of Dimes at the present time. He stated that Tatum has always raised as much money and many times more per capita than other places. The Tatum Schools at one time was the largest money raiser per capita than any place in the United States.

Mrs. Dess Sawyer asked to make a special announcement, and she did by leading the diners in a Happy Birthday greeting to Mr. Neil Jones.

Mr. Caster told of the hard work Mrs. Mildred Jones, the outgoing president had done toward working up more interest in the Tatum Chamber of Commerce. One of the many things was the

was leaving his church and upon being asked the reason, he answered: "Illness and fatigue." One man, feeling very sorry for the pastor, went to the church board and asked if it was correct that the pastor was leaving because of illness and fatigue. "Yes," answered the church member, "that is absolutely correct, we are sick and tired of him.

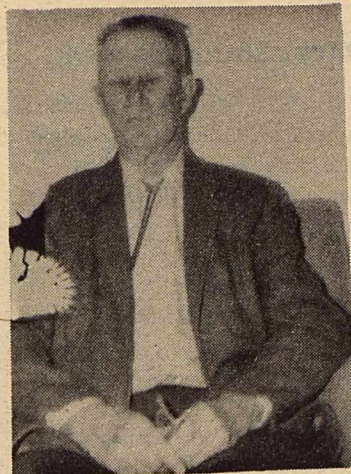

Dr. Riley, the new president, in his welcome speech, told this story: A pastor was leaving his church and as he was leaving a large crowd had gathered. One man not knowing the reason for the crowd asked: "What is this crowd doing here?" A member of the church answered: "To welcome the departure of our pastor."

Mr. James E. Powell showed picture and gave the history of the New Mexico Junior College located at Hobbs, New Mexico. The college district contains 3600 square miles. This was followed by a program given by the New Mexico Junior College Choir of 17 members. Their first number was "Hi, Neighbor," followed by a medley of songs from the "South Pacific" movie, and closing with the hymn "One God". The singing was superb and a more enjoyable program could not have been chosen.

Mr. Ferrel Caster was presented with the "Citizen of the Year Award."

Benediction was made by Mr. W.S. Clary.

A breeze of two knots (two nautical miles an hour) can form ripples in water.

ALBERT ELLIS

J.H. Hale Peach

Some people wonder where and how fruits such as apples, peaches and other fruit get their names.

Albert Ellis who lives in Tatum, is a second cousin of Jasper Hale the old Editor of the Yokum County Newspaper, now known as the Plains review that was published several years ago up to his death. He died a few years ago at the age of 94.

Years ago a first cousin of the old editor named J.H. Hale, was in the state of Washington and found a peach tree in the corner of an old zig zag rail fence. The tree had ripe peaches at the time that were so large and beautiful and delicious. J.H. Hale himself from a fruit county S.W. Missouri and N.W. Arkansas had never seen a peach like this. So he took some of the peaches to a large nursery to see what the name of the peach was. And they too at the nursery had

never seen a peach like that and did not know or have a name for it. So they told Hale we will call it the J.H. Hale Peach and the grafting and budding of the J.H. Hale peach was started from the tree in the corner of the old rail fence.

Albert Ellis' mother was named Hale and a first cousin to Jasper the old editor and to J.H. Hale.

If you have never eaten a J.H. Hale peach or seen an old rail fence you have missed a lot.

Coming Events

There will be a singing at the Community Building in Tatum on Sunday, March 16th, beginning at 2:00 P.M. Everyone who enjoys singing, or loves to hear good singing are invited to attend.

The March of Dimes Dance will be the night of March 29th. Beautiful prizes may be seen at the bank in Tatum that will be given away that night at a drawing. The prizes are: First prize, Colored TV; Second an old antique clock; third, and oil painting valued at \$500.00; fourth, a deer rifle; fifth, a set of flat silver ware, and sixth, a silver water pitcher.

THREE-JOB OSKAR

NEW YORK (AP) Oskar Werner will produce, direct and star in "So Love Returns," a romantic drama based on Robert Nathan's novel. Nathan will write the screenplay, with the film scheduled to go into production for Cinema Center Films next spring in Europe.

BLIND TEEN FITS RIGHT IN SLATEDALE, Pa. (AP)

Like most 14-year-olds, Bonnie Blose likes to rollerskate, ice skate, bowl, ride a bike and swim. But for her doing these things represents a real achievement because she is blind.

The determined girl attends Slatington High School and keeps up with her sighted classmates, who guide her through the halls to classes.

All her textbooks are printed in Braille and members of the National Honor Society have volunteered to read library books to her. She is in the business education curriculum and earns above-average grades.

SPORTS AFIELD

By Ted Kesting

During winter, ruffed grouse sometimes bury themselves in the snow to escape from foxes or other pursuers. — SPORTS AFIELD.

The reason the 20-gauge shotgun has become so popular on the upland scene: It is light and handles with a crisp, sure feeling; the standard ammunition is light, easy to carry and plenty powerful for small game; and the two- and three-quarter-inch magnum and three-inch magnum loads give the 20 as much sack as a standard 12-gauge load, when needed.—SPORTS AFIELD.

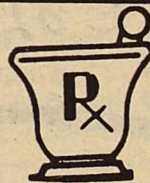

When bass fishing, does it really pay to make more than one cast into a spot that looks good? You'd better believe it! The real experts sometimes will work a single spot with as many as 25 casts.—SPORTS AFIELD.

A New Type Of Crop?

COLLEGE STATION, Feb. 27- A "Weed" native to Europe, is being given close observation here at Texas A&M University as a possible oil crop for use in making plastic and fine lubrication oil for jets and certain space equipment.

Dr. Eli L. Whitely, associate professor in the Soil and Crop Sciences Department and project leader of the research study conducted by the Texas Agricultural Experiment Station, noted that the new crop, Brassica, is well-suited to Texas climate and may make a good winter crop.

Brassica has seeds which are high in eurcic acid. Research here is concerned with about six or seven species of the plant and many uses may be found for the crop.

ABC Rodeo

LUBBOCK-- Kathy Crowe, former Texas Tech student and currently one of the Nation's Top Feminine Trick riders, will join actor Fess Parker in the spotlight at the 27th annual ABC Rodeo scheduled here March 19-22, officials announced today.

Miss Crowe and Parker, television's Daniel Boone, will appear at all four performances, slated at 8 P.M. daily in Municipal Coliseum.

More than 150 of the nation's top cowboys--including many of last year's national champions and several current leading money winners--are expected to try for prizes totaling an estimated \$12,000, including purses and add money.

Actor Wilbur Plaugher, who oftens competes in the arena, will return as rodeo clown and Clem McSpadden, Oklahoma Legislator, will be back as announcer.

Other entertainment will include J.W. Stokes and his trick roping, according to rodeo chairman Charles Perry.

Reserved seat tickets are priced at \$4.00 and \$3.00. General admission tickets are \$2.50 for adults and \$1.75 for students. Children 12 years and younger will be admitted for \$1.25.

Tickets may be obtained at Rodeo Headquarters in Pioneer Hotel, or at Brooks, Furr's, Piggly Wiggly, United and Safeway Supermarkets, all western wear stores and at Tech Drug.

Elra Beutler and Son of Elk City, Okla., will produce the rodeo.

A parade, scheduled at 4 p. m. on March 19, officially will launch the rodeo's four-day run. Don Workman is parade chairman.

Proceeds from ABC Rodeo are used to finance youth activities.

"The species we are working with now have a high eurcic acid content in the seeds and the oil should make a good market. Rape oil, also a Brassica, although lower in the acid content, is being imported from Canada now, and with a more steady supply possible industry may gear for higher usages of the oil," Whitely said.

It may be possible that the plant, which resembles mustard greens, can be used as human food. Whitely pointed out that one species being used for research seems to be resistant

to downy mildew.

"Yields of about 2000 pounds per acre will be needed to make the crop worth cultivating. At present the potential is about 3000 pounds, and with breeding work it may be possible to hit 3500 pounds."

"Harvesting of the pods containing the oil-rich seeds can be done with a combine. It seems possible that Brassica may bring five to seven cents a pound, and the market will be more stable if we can develop an oil crop suitable for industrial use on a widescale," the researcher added.

Taxman Sam Sez:

The good tax folks have a problem this year. IRS's change to computer operations requires that all income tax returns be sent to the IRS Service Center in Austin, Texas this year. Many taxpayers don't believe their instructions. They don't believe the radio and television folks when they tell them to send their tax returns to Austin, and they don't believe the newspaper stories. Several thousand of these good folks have delayed

their refund and the processing of their tax return. They mailed their return to the District. Percentagewise there aren't many of these folks. But, there is no point in their wasting their time and IRS time by sending their tax return to the wrong place. The thing to do is to send that form 1040 straight down to Austin so that computer can go right to work on it. You can use the envelope IRS sent you. The tax folks at the district offices are not mad at you. They are still in business, but they can't process your tax return.
