UNDERGROUND CABLE BEING

INSTALLED TO GIVE BETTER PHONE SERVICE

Machine in the process of laying telephone cable.

The Romain Telephone Company of Plains has constantly and persistently attempted to modernize and update the telephone service. This company was one of the first companies in this West Texas area to employ "dial telephone service." Their history from thence onward has been constant improvement.

At this time, the Romain Company has under construction a project which will greatly enhance the services to its patrons. A year ago, the Higginbotham area came under the Romain Telephone Company as a toll-free service. Under this new project, known as EAS or Extended Area Service, which is being contributed to by both Romain Telephone Company, and the General Telephone Company which now serves Denver City, Seagraves and Loop, Plains, Higginbotham and Denver City will be consolidated under one toll-free service.

To accomplish this feat, it was necessary to change from an overhead line service to a buried insulated cable system, which insulated the burying of approximately 180 miles of cable. The cable system extends from the Higginbotham area along highway 83 to approximately 6 miles West of Denver City where it meets the terminus of the General Telephone System. It also extends North through the Higginbotham area for a distance of 8 1/2 miles, where it will tie in with a buried cable extending from Plains 14 1/2 miles along highway 82.

The Plains cable system will extend south from Plains, approximately 9 miles along highway 214, where it will again join General Telephone System. The cable leaving Plains with 100 pairs of wires will connect 12 pairs of wires which will be used exclusively for the Higginbotham area. While much of this work is being contracted to the Brooks Construction Company of Shawnee, Oklahoma, many miles of the cable will be buried by Romain Telephone Company with their own equipment. The cable system will furnish tremendous advantages to the telephone patronage throughout the entire Romain System. It will eliminate 90% of the destruction of overhead lines and severance of communication caused by various forms of traffic, bird nests, broken insulators and cut lines caused by hunters, and eliminate static-electric interference and disturbance by overhead power lines. It virtually omits lightning hazards.

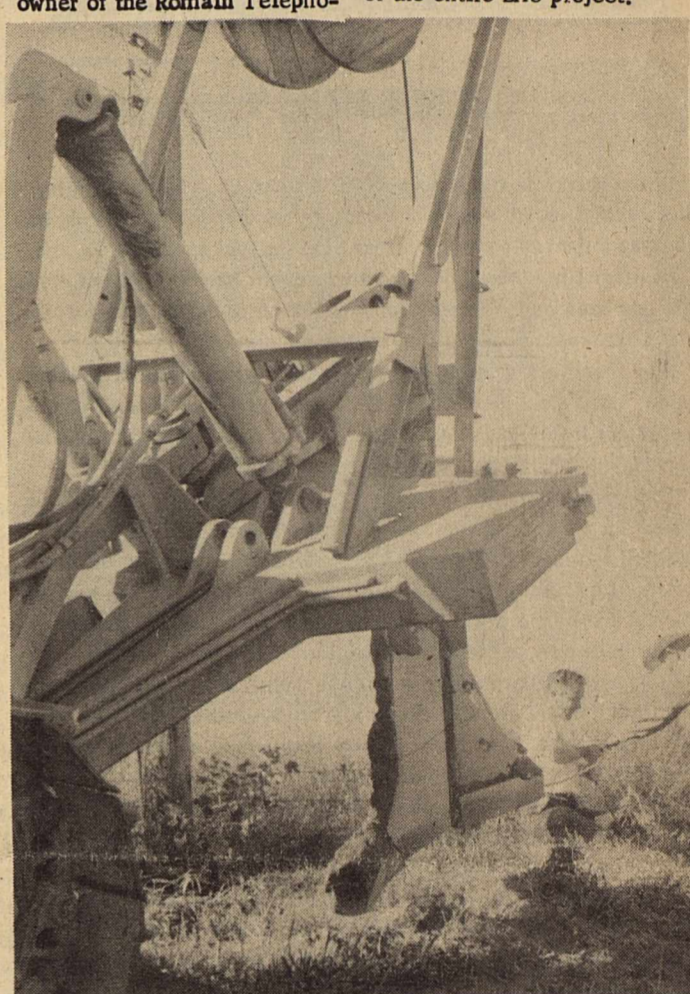

Under the new system, not more than four phones will be included on any one party line in the rural areas, and not more than two phones will be on the same line in the municipalities. Sound will be amplified by what is known as a "repeater" at each 4,500 feet of cable. Thus distance will have no effect on the audibility.

Besides the great advantages of faster service and better audibility, the toll-free system will be of great saving to the patrons of the entire extended service.

A very unique system of burying the cable has been employed. A large catipillar tractor carries a spool cable on the front of the tractor. The cable is carried over the tractor to a guide reel in the rear where it is fed into a heavy chisel plow pulled by the catipillar, and extends to the bottom of the cut made by the chisel where it is laid on the bottom

of the furrow and buried as the earth falls in, following the plow. All the work being done in one operation by this one machine.

The estimated cost of this extensive telephone service to the Romain Telephone Company is approximately \$1,500,000. Mr. Pierre St. Roman, owner of the Romain Telephone System, stated that he expects the Romain Company's portion of the project to be completed within the next three or four months, but that the completion of the entire EAS project may be as distant as the fall of 1970. Direct dialing of the entire area will be delayed until the completion of the entire EAS project.

PLAINS COWBOYS FALLS TO SUDAN HORNETS 70 - 22

After the fine football game witnessed in the Plains stadium on October 3rd in which Plains held the lead by 14 to 13 score, until the last thirty seconds of the game before losing to Tahoka 19 to 14, it was a disappointing aspect to see this swell bunch of youngsters thoroughly trounced by the Sudan Hornets last Friday night with a score of 70 to 22.

But once again this young team from Plains was matched against seasoned Juniors and Seniors. The Cowboys were put to a serious disadvantage when Richey Brantley, center, and Eddie Moore, right end, were removed from the game for knee injuries. To fill these vacancies, it was necessary for the Cowboys to move two freshmen into the line up. Neil Newsom was sent in as center and Joey Lowe was sent as quarterback; Gary Livesay, quarterback, was moved to half-back, and Shelley Simpson, half-back, was moved to

right end to replace Moore. With Tony Chandler already in the regular varsity lineup, this placed Plains in a position of having three young freshmen on the varsity lineup. While all three of these boys are outstanding players, it must be conceded that they are a bit young to contest experienced Juniors and seniors.

Plains played a good defensive game and the Plains fighting spirit held throughout. Despite the fact that Plains was outclassed, some very outstanding plays were chalked up. Tony Chandler, on one play, made a fine 25 yard run around the left end, and with one second left on the clock in the first half, Tony Chandler received a 15 yard pass for the first touchdown for Plains. On viewing statistics, it is evident that the Cowboys played a better game than the score portrays.

John Lowe was again top ball carrier for the Cowboys with 87 yards in 23 carries.

Jimmy Taylor who is an outstanding tackler, and one who is always in on the play, is an exceptionally good kicker for a high school player and he distinguished himself again at Sudan with his fine punting. Taylor punted five times for an average of 33 yards. Many times Taylor has been seen to bring the Cowboys out of a tight with his high spiraling punts. He is deliberate and accurate.

Plains came back in the fourth quarter with Livesay and John Lowe driving the ball to the first down on the one-yard line, and Lewis Howard scored a touchdown with a one-yard plunge. Lowe swept into the end zone for the extra point, making the score 70 to 22.

Neil Newsom entered the game in the third quarter to replace Richey Brantley as center, who suffered a knee injury and was carried from the field. Newsom, who is a hard fighting player, filled the position well for the balance of the game. Joey Lowe, who entered the game in the fourth quarter as quarter back, displayed some of his outstanding passing ability.

The final score for Plains was racked up when the Lowe brothers went into to action and a 40 yard pass was completed by Joey Lowe to John Lowe, who carried the ball across the line for the final score.

The Plains Cowboys will be

faced with another well-experienced team when they meet Seagraves this coming Friday night. This will be homecoming night at Seagraves as well as a dedication of a brand-new stadium. Seagraves holds a rating of second place in the state for Class A teams, can be expected to be of high spirits and full of enthusiasm. This game will be a fight every inch of the way.

A new change in the Plains lineup will be necessitated by

FARM BUREAU BANQUET

Several representatives of the Yoakum County Farm Bureau are planning to attend the annual District 2 Leadership Appreciation Banquet October 21 in Lubbock, according to Tom Warren, county Farm Bureau president.

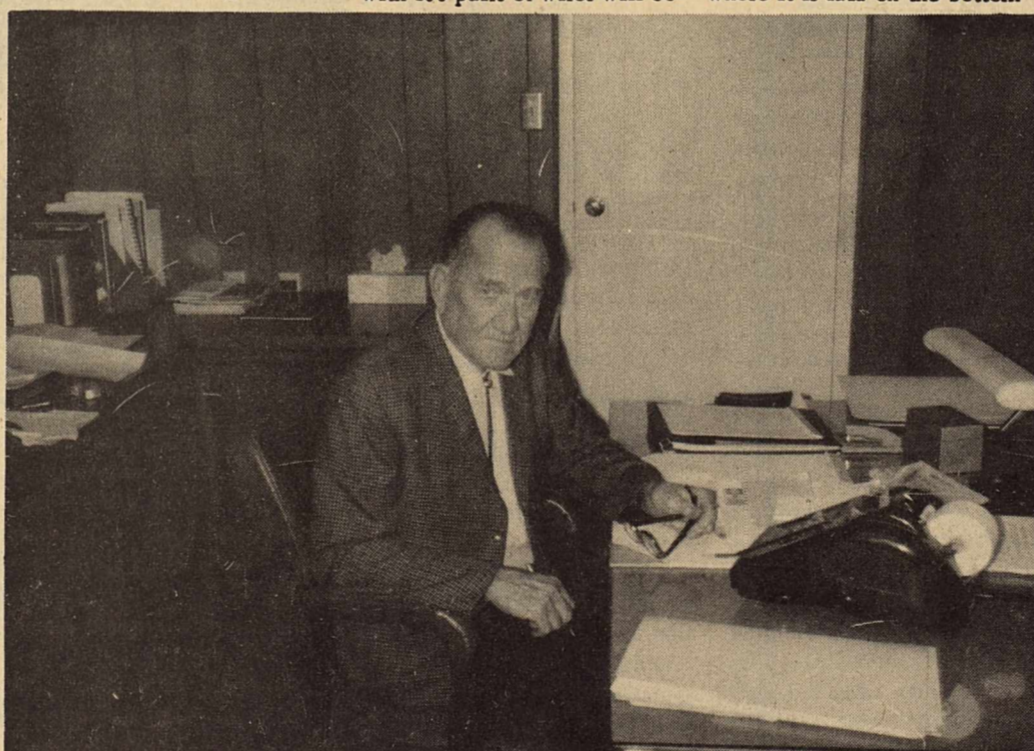

The meeting, to be held at 7 p. m. at the Koko Palace, will honor county Farm Bureau leaders in the district for their contribution to the organization's growth and success of its programs during the past year. Invited are all County Farm Bureau officers, board members, service agents, and their wives. The banquet will also kick off a membership clean-up campaign to be conducted during the final 10 days of the Farm Bureau fiscal year, according to H. L. (Hub) King of Brownfield, District 2 Texas Farm Bureau state director.

Principal speaker at the banquet will be Texas Commissioner of Agriculture John C.

See BANQUET Page 5

the two injuries suffered at Sudan. The two freshmen, Neil Newsom and Joey Lowe, who played their first varsity football at Sudan, will be in the starting lineup against Seagraves Friday night according to Cowboy coach, Jim Warren. Newsom will play center position and Lowe will again steer the Cowboys from a quarterback position. Livesay is a fine runner and some fine plays can be expected as he fills the half back position. Shelley Simpson, who has a knack for nailing the ball when in reach of it, can be expected to play a fine game from right end. With Joey Lowe as a fine passer in the quarterback position, a good aerial game can be expected.

A good turnout from Plains spectators can be expected for this first conference game.

Hugh Abercrombie

CITY HIRES ABERCROMBIE FOR CITY SECRETARY

Hugh Abercrombie, formerly of Cushing, Oklahoma, was hired by the City of Plains for the position of City Secretary. Mr. Abercrombie, who took up his duties on October 1st, fills the vacancy at the City Hall created by the resignation of Johnny Brown effective August 1st.

The City of Plains is fortunate in securing the services of one so capable as Hugh Abercrombie. He had just completed a short-termed service

for the H-B Construction Company of Sterling, Colorado, in which he was supervising the laying of pipe line and furnishing gas to irrigation wells while operating out of Seminole, Texas. While living in Seminole, Mr. and Mrs. Abercrombie became so enhanced with West Texas that they did not wish to return to Oklahoma. For many years, the Abercrombies have worked in many parts of the United States and when the job was com-

pleted, they returned to Cushing to make that their home. But this time, Hugh said he guessed that he became hard headed and intended to stay in West Texas. The position in Plains was the solution to this problem.

Like many who follow the transient type of work in pipe line construction, Mr. and Mrs. Abercrombie have tired of the continuous moving from place to place as this type of work demands, decided on a

more settled position. In 1956, Mr. Abercrombie started his own construction company and installed gas pipelines and gas distribution systems in Colorado, Kansas, Iowa, Illinois and Missouri. In the ensuing years, the company installed gas pipeline connections at Homestead Air Force Base in Florida, Oceana Naval Air Station in Virginia, Robbins Air Force Base in Georgia, Holloman Air Force Base in New Mexico, as well as a large co-

ntract for Shell Oil Company in El Paso, which connected their plant to the Southern Pacific Pipeline Pump Station. Mr. Abercrombie closed down his pipeline construction company in 1968. With the extended experience in installing distribution systems in many cities and with the business acumen necessary for operating a successful business of this size, Mr. Abercrombie will be found quite capable of coping with the problems of the City of Plains.

While living in Cushing, Oklahoma, Mr. Abercrombie served 6 years on the City Council, was president of the Chamber of Commerce, was president of the Rotary Club, and served as post commander of the American Legion, a 11 of which denote sincere interest in the civic affairs where he resides.

Mr. and Mrs. Abercrombie moved their lovely trailer home to Plains last Saturday and will reside at 902 Avenue C.

Plains folks heartily welcome these fine people to this community.

TO SELL BLIND-MADE PRODUCTS

Mr. John McConnell today praised the Plains Lions Club for its efforts to help the blind citizens of Texas to help themselves through a community-wide sale of blind-made products. "It is most heartening to see the Lions of Plains devote so much time and effort to such a worthy project. "We are cooperating to the fullest to help the Lions make this year's Broom Sale their biggest and best yet." Lion

WEATHER REPORT

Each year when the first frost appears, pencils are sharpened and computers are put to work in an effort to estimate the terrific damage caused by the early and untimely frost. Memories are short and due to the customary warm and summerlike weather which so often follows the first frost on the plains, the actual dates of the appearance of this crop killer are forgotten. Perhaps a small amount of data on the subject will tend to prompt memories and console those whom feel abused by the wrath of Mother Nature.

The average date for the first frost in this area is October 16th. According to U. S. Weather Bureau reports. This year of 1969 was three days earlier than the average but not as severe as the two years previous.

The coldest temperature recorded at the U. S. Weather Station in Plains was 28° on the 13th and 14th. In 1967, frost was experienced with a temperature of 35° on the 16th of October and frost and freezing temperatures continued through the 22nd with a low of 31°. In 1968, the first frost appeared on the 17th with a reading of 28° and continuing through the 20th with the thermometer dipping to 23° with much ice.

So as we consult the records, we find that the huge damages calculated by the computers, are more of an estimate of what might have happened than an actual loss if Mother Nature could be persuaded to alter her laws to coincide with the wishes of the great people of West Texas.

The following is the report from the Plains Weather Station for the past week.

High-----	89°
High average-----	71°
Low-----	28°

FARM BUREAU ANNUAL MEETING

The Yoakum County Farm Bureau Directors set October 23rd as the date for the Farm Bureau's Annual Meeting. The meeting will be in the District Courtroom at 8 p. m. Refreshments will be served. Election of 5 Directors will be held. Those whose terms are expiring are: T. A. Elmore, Billy J. Smith, Jerome Head, James Williams, and Bruce White.

All members are urged to attend.

TSA MOGA CLUB

Wednesday, October 15th, was a distressing day in our history - with much to much opposition to our President's foreign policy and to our system of government. Because of this, the Tsamoga Study Club and many interested persons held a similar demonstration; but with a definite difference. Their picket read: "We're behind Mr. President". They said that had kept silent long enough - that our system was a good system of government, and regardless of your political standing - we must stand behind our President. They were making their stand - not for war - but for their president.

ANARCHY

Never before in the history of the United States has anarchy, treason and sedition been so condoned as it is today. Never has the patriotism of so many of our citizens sunken so low an ebb.

At other times when concentrated dissent has been shown, there has been at least some form of reason or definite issue in sight demanding recognition by the government.

The dissenters of today have no particular cause to centralize upon, but a general dissatisfaction with the present form of government which has so ably served us throughout our entire history.

Though the War in Viet Nam is being centered upon as the cause for the moratorium today, it is not a true cause. If the war were to come to an end momentarily, which is an impossibility, the dissenters would immediately seize upon some other theme and pursue it fervently, regardless of how flimsy it be.

The dissenters of today are resisters of discipline in any form. Regardless of what might be offered them, they would refuse to conform. They are a confused and irresponsible pack who have no idea of what they desire or how they would utilize it if they had it. These people are a dangerous class of people. They are easily swayed and misled and are being used by groups who are thoroughly organized for the purpose of overthrowing the government of the United States.

This condition has come about by the lacadasical attitude and disinterest of the loyal citizenry of this country. While the loyal majority have slept, the corrupt and disloyal minority have been permitted to thrive. The principal excuse that is being offered for the deteriorated condition existing today, is that the supreme court has robbed the populace of a defense.

Every loyal citizen who is concerned about the present condition should ask himself when he last contacted a legislator concerning anything about governmental affairs. When has he expressed his disfavor of governmental activities other than over a cup of coffee with his neighbor? How attentive has he been to civic clubs and how often has he expressed himself at these meetings?

Today when such people as cabinet members, congressmen, government officials and men who have boasted of their statesmanship in the past, join in with the inane and the shiftless and the militants who are dedicated to the overthrow of government, in efforts to thwart the regular procedures of our government, it is time for the loyal citizens to rise up in opposition by calling on our officials for definite action against these agitators and demonstrators. If the supreme court cannot find sufficient cause in our constitution to prosecute these individuals as has always been done in the past, it may be necessary to institute a new court. We may not agree with the policies of the administration, but there is one thing that all loyal citizens must agree upon and though the administration may be changed, this government must not be changed. No not even tampered with.

GOOD SPORTSMANSHIP

Good sportsmanship is a quality that is always appreciated and highly respected in all forms of sports. It is taught to the students of our schools with as much fervor, perhaps as the rules of the game. It is also inculcated in the rules of our various sports events. Quite unavoidable, on rare occasions due to the heat of excitement and over enthusiasm for the game, a player will loose his temper and become involved in unsportsmanlike actions. Such incidents are regrettable, but soon forgotten by the players in the process of the game.

What is far more regrettable is when the spectators traveling to a game take up such incidents and display themselves by antagonizing the officials and the opposing teams with raucous and abusive calls and accusations. No official can call all of the errors in a game. But by the same token, few spectators understand completely all of the rules of the games. Many good citizens, however, become overly excited and assume the position of official judges.

The behavior of the spectators of any school or community reflect the quality of the folks of that community. A few unthoughtful individuals can easily bring embarrassment and reproach to the entire crowd attending a game. It behooves each and every one attending the football games to exercise a bit of control and consider a moment before criticizing and reviling either the officials or the opposition.

We hope to hear no more reports such as we have been receiving from our local folks regarding the unsportsmanship displayed in a few isolated cases at the game at Sudan last week. Plains people are fine people and wish to be accepted and respected as such where ever they go. A little thoughtfulness and consideration for others is all that is required.

CHATS

WITH

THE PUBLISHER

"There never has been, there isn't now and there never will be, any race or people on the earth fit to serve as masters over their fellow men."

Franklin D. Roosevelt

I was surely happy to see many flags flying in our City of Plains on Wednesday, the day of the moratorium. Flags were flying at the courthouse, post office, newspaper office, Curry Pharmacy, schools and a number of other business houses.

The news, full of marches, protests, riots, is very frightening at times. These things, in my opinion, are only leading us straight into a Communist government. These "Peace Lovers" of the moratorium and the appeasers are asking for a complete defeat of our troops in Viet Nam. How any true blooded American can have such motives in beyond my understanding, and I can't keep from wondering what our country is coming to when such high officials as U.S. Secretary of Defense Laird, former Vice President Hubert Humphrey, and our own U.S. Senator Ralph Yarborough are in favor of such anarchical practices. The moratorium march exposes the state of lawlessness and political disorder that our nation has fallen into.

I am not in full agreement with everything our government does and I have disagreed many times, but not to the extent of its overthrow as the leaders of the moratorium are. In fact, I have stated many times that if I am going to fight, I will fight with everything I possess. I have never been in favor of only half-way doing any job, regardless of what it happens to be. Any job worth doing, is worth putting every fiber of your strength into it.

If I am going to turn the other cheek, I will also do that to the fullest extent, and then be man enough to take what comes my way.

The flags flying in the West Texas breeze throughout the City of Plains gave me great encouragement that we are not pacifist and appeasers to the extent that we are willing to see our country turned over to mobs, gangsters or despots.

The question has been asked a number of times as to why the flag at the courthouse is flying at half mast. The answer is quite simple. Some juveniles have seen to it that the rope holding the flag has been broken. The first time, it was deliberately cut, and the county purchased new rope, hired a man with a large truck and tall ladder to climb to the top of the mast to install the rope. Since that time, it has been broken a number of times.

At this writing, the county is again going to the expense of putting in new rope and it is hoped that whoever the juveniles may be, that something or someone awakens in them a desire to honor and respect our U.S. flag, which stands for "freedom of the people, by the people, and for the people."

Hatred is a low and degrading emotion and is so poisonous that no man is strong enough to use it safely. The hatred we think we are directing against some person or thing or system has a devilish way of turning back upon us. When we seek revenge, we administer slow poison to ourselves. When we administer love and affection, it is astonishing what magical results we obtain.

Thomas Drier

HIGHWAY PATROLMEN BUSY

While crime appears to be at a low ebb throughout Yoakum County, intoxication continues to be a plague. State Highway Patrolmen, Larry Hood and Joe Cos, were responsible for the arrest of two "driving while intoxicated" cases this weekend. Dee Langford of Farmington, New Mexico, was arrested for DWI on Thursday last week, and Francisco Brobo Perez of Denver City was arrested Saturday for DWI. Both men, when brought before County Judge Gene H. Bennett, pleaded guilty and were assessed a fine of \$100.00 plus court costs of \$42.00, three day jail sentence, and put on probation for one year and license suspension was withheld under terms of the probation.

Not all patrolman's work is routine work. While they are schooled and trained in all types of police work and well prepared to handle the hard cases of crime, they are sometimes moved with compassion for some of the cases they are compelled to handle. Such was the case last Saturday night when Patrolmen Hood and Cox came upon a car nine miles west of Plains on Highway 82 in which they found four juveniles, ranging in age from 13 through 17. The younger boys were completely passed out from intoxication and the two older boys were well intoxicated according to police reports.

The unpleasantness of this case occurred when it was necessary to bring the boys to the courthouse, contact their parents and expose them to the condition of their children. No one would cherish such a task, not even an experienced police officer. No parents can keep their child under complete surveillance, nor should they be expected to. However, anyone furnishing beverages and laying temptation before juveniles are lacking in decency and proper respect for humanity and when apprehended should be thoroughly chastised to the full extent of the law. Since such individuals are so lacking in responsibility, they are very difficult to seek out and apprehend. Such contributions to delinquency of minors is undeserving of defense from either friend or relative. Such practices cannot be condoned.

The State Line Home Demonstration Club cooked and served a French dinner to the Turner H. D. Club Friday in the clubroom in Plains. There were 12 guests, 5 children and 8 members present with Mrs. Joe Thompson agent.

WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles
After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at druggists. See how fast it can help you.

LETTERS TO EDITOR

Dear Sir:

I am a Vietnam veteran trying to make ends meet under the GI Bill. Allowances under the current law are woefully inadequate as both the cost of living and education have skyrocketed since the rates were set several years ago.

Senator Ralph Yarborough, who claims to be the veterans friend, has been sitting on a House passed bill since August 5th to raise the rates by about 27%. He has publically complained about the lack of participation of Vietnam veterans in the GI education pro-

gram--and yet when he has a chance to do something about the biggest stumbling block standing in the way of greater participation, he does nothing. Why doesn't Senator Yarborough get his Committee together and act? He has already killed chances for our getting a raise during the first semester and hasn't shown much interest in getting help for us during the next.

I'm enclosing a recent editorial from Army Times which explains the problem in detail. I hope all Texas GI's will write Senator Yarborough and tell him to get with it! His inaction is disgusting.

Sincerely,
George C. Hacker

INVITATION**

Mr. and Mrs. James H. Railway request the honor of your presence at the marriage of their daughter, Alice Faye to Mr. Tommy Blount, son of Mr. and Mrs. G. T. Blount, on Sunday the nineteenth of October nineteen hundred sixty-nine at two-thirty in the afternoon at the Cactus Drive Church of Christ in Levelland, Texas.

There will be a reception following the wedding.

STORYHOUR

Those reading to our little ones this week were Karen Willis and Lynda Whitley. A special thanks to these two lovely girls. With a smile like these girls have the little ones couldn't keep from wanting to get close to them and listen to their lovely stories. Our little listeners this week were Russell and Doug Warren, Johnny Sole-sbee, Michael Houck (Big Mike he is called by all his friends), Shawn Barnett, Teddy Willis, Denny Cogburn, Ginger Nance,

Lori Mosely, Judy Cogburn, Selanie and Natalie Streetman, Becky Willis, Charmaine Cox, Latrice and Wanda Pickett, Christie Barron, Rona Teaff, and Penci McRae.

The libraries little listeners are the cutest ones and they bring anyone looking on enjoyment from the eager, happiness of each little one. Storyhour is each Thursday morning at 9:30 a.m. Stories are told and read by Plains Junior High 7th grade students from Mrs. Leila Warren's reading classes. All pre-schoolers are invited to attend this program.

BLUE SAGE 4-H INSTALLATION; l-r Kreig Blount, program chairman, Debbie Addison, treasure, Sherri Pippin Vice-President, Mrs. Jesse Dearing, Installing Officer, Donna Cheatham, President Gay Mosley, Secretary, Melvin Dearing Council Delegate, Dianne Redwine, Reporter, Chris Winn, (not pictured) song leader.

BLUE SAGE 4-H MEETS

Melvin Dearing called the meeting to order. Debbie Addison called the role and led singing. Melvin Dearing led the 4-H motto. Timmy Addi-

son led the Pledge to the flag. Mrs. Velma Dearing installed officers. The officers installed were Donna Jo Cheatham, President; Sherrie Pippin, Vice-President; Gay Mosley, Secretary; Debbie Addison, Treasurer; Melvin Dearing, Council Delegate; Chris Winn, Song Leader; Diane Redwine, Reporter; and Kreig Blount, Program Chairman.

We talked about how to ma-

ke money and community projects. The Committee is: Debbie Addison, Sherrie Pippin, and Steve Jones.

Following the meeting, the club had their Halloween Party. Refreshments were served by Marvin Dearing and Sherrie Pippin. Donna Jo Cheatham and Melvin Dearing were in charge of decorations. Debbie Addison and Gay Mosley had charge of recreation.

**GUN LAW DEFINED
BY IRS OFFICIAL**

Dallas, Texas--"The Gun Control Act of 1968 was passed by Congress to help Federal, State and local law enforcement officials in their fight against crime and violence," Carl Booth, IRS Alcohol, Tobacco and Firearms Chief Special Investigator for Texas said today, adding that it was in no way intended to hinder the activities of hunters and sportsmen.

As an example, Mr. Booth said hunters and sportsmen can purchase ammunition in any state, and likewise can carry their own firearms across a state line as long as they are not convicted felons, or under in-

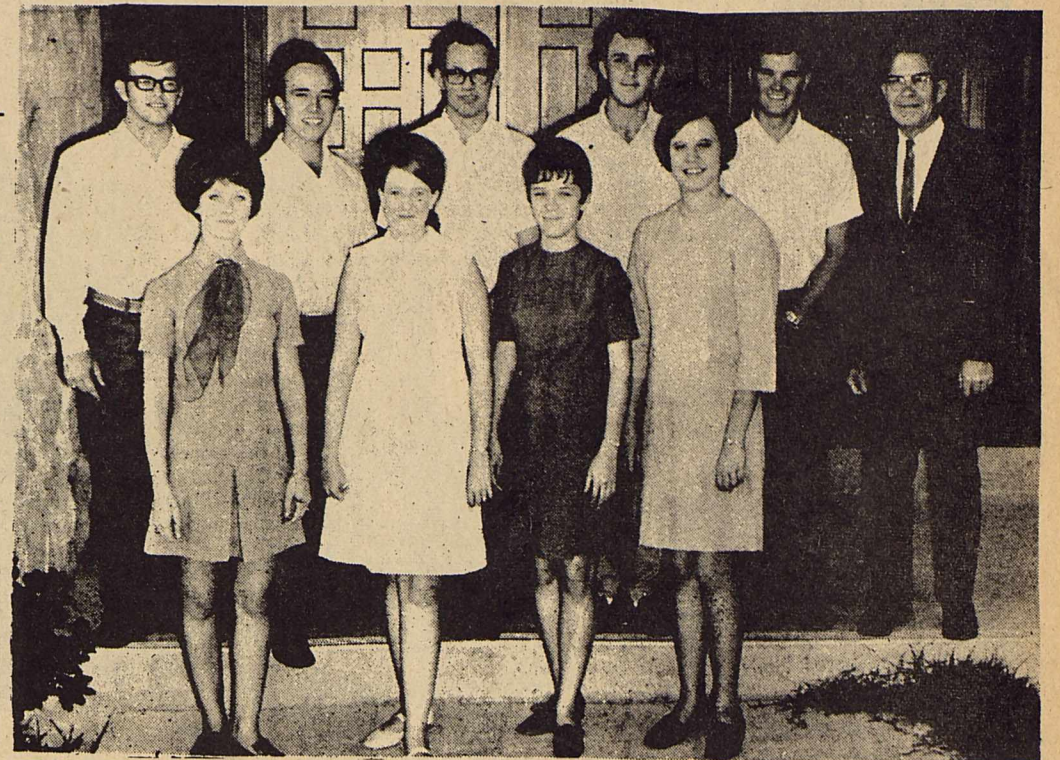

dictment for a felony; fugitives from justice; unlawful users of drugs; or mental incompetents.

Further, Mr. Booth said hunters, sportsmen, competitive shooters, or anyone legally using a gun in a state other than his home state can acquire another firearm if his rifle or shotgun is lost, stolen, or becomes inoperative.

He said the law requires only that the buyer in these circumstances make out an affidavit for the dealer's records, and provide the dealer with the title of the chief law enforcement officer in the locality where he lives.

Refreshments were served by Susan Stroup, Nelda Haines, and Shelly Williams.

The same cotton cloth can be finished to appear as chintz, gingham, moire, denim, matelasse, or pique.

NEW OFFICERS OF THE BSU. The Baptist Student Unions new officers are, front row, l-r, Gwen Beam, freshman from Klondike, social chairman; Barbara West freshman from Brownfield, secretary; Karen Dunn, freshman from Levelland, devotional and enlistment chairman; and Gail Wilcher, freshman from Klondike, mission chairman. Back row, l-r, Gary Joe Smith, sophomore from Plains, President; Ronald Matthews, freshman from Levelland, music chairman; Richy Richerson, sophomore from Levelland, publicity chairman; Clifford Trull, sophomore from Crosbyton, enlistment chairman; J. V. Cohom, freshman from Klondike, vice-president; and Fred Blake, pastor of Trinity Baptist Church in Levelland. Officers were elected at the September 23, meeting of the BSU. An up coming event for the BSU members is the convention to be held in Dallas, October 17-19.

**SPC SOPHOMORE
CLASS ELECTS
OFFICERS**

The Sophomore class of South Plains College has elected new officers for the 1969 and 70 year. This will be their final year at South Plains College.

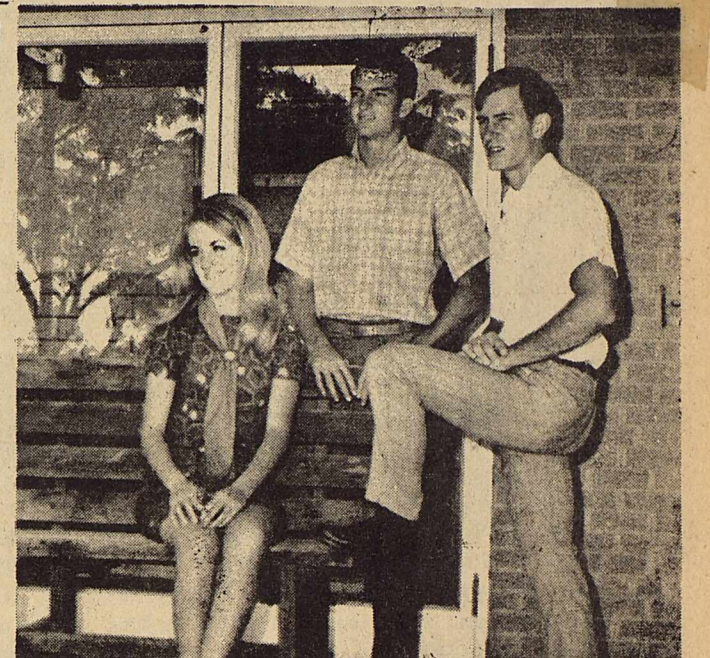

Representing the class as President will be Steve Brashear of Levelland. Steve is a pre-engineering major. He was a member of the SPC baseball team and intramural program his freshman year.

Gregg Jones of Plains, will represent the class as vice-President. Gregg is a physical education major, he was also active in intramural sports his freshman year.

Secretary-treasurer is Belva Gainer of Whiteface. She is an elementary education major. Miss Gainer was a member of the Tex-Anns her freshman year, secretary of Student Education Association this year as well as last year, and one of the fifteen outstanding women on campus.

VISITORS

Don Weed of High Point, N. C. was home attending funeral services for his nephew, Larry Wayne Carter. Don is the son of Mr. & Mrs. Weed. Don is sports writer for the High Point Enterprise. Also

SOPHOMORE OFFICERS FOR SOUTH PLAINS COLLEGE are, l-r, Belva Gainer of Whiteface, secretary-treasurer; Steve Brashear of Levelland, president; and Gregg Jones of Plains, vice-president. These students will lead their class through their final year at SPC. They will represent their class at Student council meetings and various campus functions. Elections were held in the Student Union Building with Student Council members manning the secret ballot pole.

here were Mrs. Weeds mother Mrs. Annie Hubson, her sister Mrs. Louise Cline, both of Lubbock, her nephew and family, Mike Cline of San Antonio and Mrs. Carl Russell and Kay of Lubbock.

Mrs. Ray Bearden, Mrs. Alfred Bearden and girls, Mrs. C. C. Perkins, Mrs. Carl Lowrey, Mrs. Charles Williams and Shelley, Mrs. Lydia Gass, Mrs. T. J. Miller and Glenda Fay, Mrs. Dortha Gray, Mary Sudduth and Edith Worsham attended the District Sew It With Cotton Contest Saturday at Levelland. Mrs. Gass, Mrs. Bearden, Mrs. Gass, Glenda Fay Miller, Mary Sudduth, Shelley Williams and Kathy Bearden were 1st place winners and Mrs. Gass and Shelley Williams were 2nd place winners.

LUCKY CLOVER 4-H INSTALLATION OF OFFICERS; New officers are L-R Carolyn Richardson - Reporter, Tommy Guy Box - Council Delegate, Mrs. Margaret Box - Installation Officer, Brenda Perkins - President, La Gaytha Thompson - secretary, Bayne Bacon - Vice President, Tammy Bacon - Song Leader and (not pictured) Dicky Hartman - treasurer.

LUCKY CLOVER 4-H MEETS

The Lucky Clover 4-H Club met Monday, October 13th in the clubroom at 4:15 p.m. with 26 members present. The three new members enrolled were: Melonie Milsap, Melonie Milsap and Teresa Howell. We had two visitors at the meeting.

Tommy Guy Box, president, called the meeting to order. Brenda Perkins led the group with the pledge of allegiance to the flag. Susan Stroup led the 4-H Club Motto and Pledge. Tommy Box led the club

in the prayer. La Gaytha Thompson led the son, America The Beautiful.

Troy Wilkins, program chairman, introduced the installation service of candle light. The new officers installed were: Brenda Perkins, president; Bayne Bacon, vice president; Lay Gaytha Thompson, secretary; Dicky Hartman, treasurer; Tammy Bacon, song leader; Carolyn Richardson, reporter; and Tommy Guy Box, council delegate. Carolyn Richardson was the recreation

chairman.

The next meeting will be the 4-H Awards program Saturday night, November 15, 1969 in the school cafeteria. All families are invited. The Christmas party was planned for December 8th with a gift ex-

Plains Jr. High Principle, John Nance, announced that students from the 5th grade making the honor roll for the 1st six weeks with A's and B's are Debbie Jo Brian, Carol Carothers, Brad Crump, Teresa Howell, Mat Williams, Chris Blundell, Scott Chandler, Ron Craft, and Nelda Haines. Those with all A's are Bradley Palmer and Susan Stroup.

John Nance announced that students from the 6th grade making the honor roll for the 1st six weeks with A's and B's are Ernest Castillo, Mary Perez, Mary Martinez, Bradley Ancinec, Patti Gililand, Dicky Hartman, David Madden, Donnay Gay Miller, Geraldine Murphey, Rhonda Trotot, Donna Cheatham, Steve Jones and Brenda Perkins. Those making all A's were Teresa Ann Johnson and Dana Willis.

John Nance announced that students from the 7th grade making the honor roll for the 1st six weeks with A's and B's are Rickey Earden, Ceth Lewis, Edith Worsham, Paula Blount, Karen Willis, Diana Gonzales and Jan Hanna. Those making all A's are Paula Crump, Lynda Whitley and Debbie Madden.

John Nance announced that students from the 8th grade making the honor roll for the 1st six weeks with A's and B's are Steve Barnes, Stephenia Green, Jeanetha Wemken, Shelley Williams, Evaristo Flores, Jeff Gentry, Randy Haines, Cheryl Johnson, Rudy Ramos and Joe Ruiz. Those making all A's are Bobby Blundell and Cynthia Jones.

was Wranglers 6, Pirates 6.

When the second half started it seemed as if neither the Wranglers or the Pirates were going to do anything. The second half went rapidly. As soon as one quarter was starting, it seemed as if it was already over. The second half was scoreless. Neither team was able to make another touchdown.

The final score was Wranglers 6, Pirates 6. Statistics are as follows: Wranglers - 11 first downs and 2 penalties; Pirates - 4 first downs and 1 penalty.

The Plains 7th Grade defeated the Cooper Pirates by a score of 16-0. The Wranglers defense again held their opponents to no points.

The defense recovered one fumble. The offense scored on an end run by Weldon Nelms which covered 35 yards. Then, Ceth Lewis added the extra points on an end run. The next score came on an end run by Alfredo Guerra which covered 10 yards and capped a drive which covered 30 yards after a recovered fumble. The Wranglers made another touchdown, but was called back because of a penalty. With no time left, the Wranglers ran a boot-leg and got it to the one yard line but the time had run out.

The Wranglers next game will be against O'Donnell. It will be played at the Cowboy Field. The game will be October 23rd at 5:00 p.m.

The Wranglers are very glad to see the great support people are giving them. We want everyone who can to go and give support to all the games played by the Wranglers and the Cowboys.

TEXAS STATE TEACHERS CONVENTION SET

SAN ANTONIO--Governor Preston Smith will be a featured speaker when some 8,000 members and guest of the Texas State Teachers Association hold their 91st annual convention Oct. 23-25 in the San Antonio Convention Center.

Other speakers will include Sam M. Lambert, executive secretary of the National Education Association; and Charles D. Holleyman, superintendent of schools, Mustang, Oklahoma.

Supt. Harold H. Hitt of the San Antonio Independent Sch-

ool District will welcome his fellow TSTA members to the Convention Center, located in the shadow of the Hemis Fair "Tower of the Americas" and a few blocks from the historic Alamo in downtown San Antonio.

Supt. Claude A. Heam, Jr. of the Randolph Air Force Base ISD, San Antonio and president of TSTA, will preside at the three general sessions. Also on the program will be Jewell Harris, president elect; L. P. Sturgeon, executive secretary; and Antoinette Miller, immediate past president Wayne King and his orchestra will provide special music for the third general session in the 10,000-seat arena of the convention center.

Climax of the convention will be the Saturday meeting of TSTA's 1,288-member House of Delegates, composed of voting delegates from local associations throughout

the state, which will discuss and act on proposed new policies, changes in the constitution, and other business.

LIONS From Page 1

D. N. Taylor, Chairman of the drive, announced that plans have been made and the Brown Sale will be held on Thursday, October 16th, 1969. The truck loaded with all kinds of household cleaning aids will be located in front of the Courthouse Square from 7:30 a. m. to 6:00 p. m. Lions will make house-to-house calls from 4:00 to 6:00 p. m.

The Gladiola 4-H Club met Saturday afternoon to work on record books as they were due at the agent's office Monday. Those attending were Mrs. Marvin Frazier and Shelly, Mrs. Tom Box and Tommy Guy, Mrs. Lee Roy Box, Lebeth and Kimberly, Mrs. R. G. Hartman and Dicky, Mrs. Clark Jones,

Jimmy and Bonnie Sue Atkinson and Mrs. Frazier, John and Floyd.

Mr. and Mrs. Royce Kelley visited their son, Danny, at Texas Tech Saturday and attended the Tech and A & M game.

Mrs. A. F. Kelley celebrated her birthday Wednesday, October 8th. Her son and his family, Mr. and Mrs. Royce Kelley and Charles of Brownfield took her a birthday cake to help her celebrate.

Make your reservations now by clipping this and sending it to one of the women mentioned above.

COUNTY TREASURER'S REPORT

IN THE MATTER OF COUNTY FINANCES COMMISSIONERS' COURT, YOAKUM COUNTY, TEXAS, In Regular Session

IN THE HANDS OF WILDA OVERTREET,

Treasurer of Yoakum County, Texas

October Term, 1969

WE, THE UNDERSIGNED, as County Commissioners within and for said Yoakum County, and the Hon. Gene H. Bennett, county Judge of said Yoakum County, constituting the entire Commissioners' Court of said County, and each one of us, do hereby certify that on this, the 13th day of October A. D. 1969, at a regular term of our said Court, we have compared and examined the report of Wilda Overstreet Treasurer of said County, for the period beginning on the 1st day of July A. D. 1969 and ending on the 30th day of September A. D. 1969, and finding the same correct have caused an order to be entered upon the minutes of the Commissioners' Court of said County, stating the approval of said Treasurer's Report by our said Court, which said order recites separately the amount received and paid out of each fund by said County Treasurer since his last report to this Court, and for and during the time covered by his present report, and the balance of each fund remaining in said Treasurer's hands on the said 30th day of September A. D. 1969, and have ordered the proper credits to be made in the accounts of said County Treasurer, in accordance with said order as required by Articles 1636-1637, Chapter 1, Title 34 of the Revised Statutes of Texas, 1925.

And we, and each of us, further certify that we have actually and fully inspected and counted all the actual cash and assets in hands of the said Treasurer belonging to Yoakum County at the close of the examination of said Treasurer's Report, on this the 13th day of October A. D. 1969, and find the same to be as follows, to wit:

STATEMENT OF BALANCES

Henry May

SWCD DIRECTOR ELECTED

Henry S. May was elected Director for Zone 1 the Southeast part of the Yoakum SWCD on Oct. 6, at an election held at the Sligo community house. May replaces E. W. New who has served the past five years as Director for the area. Henry is 49 years old, married lives in Denver City and farms Northeast of that town. He operates a section of land most of which is in cultivation 440 acres is irrigated and 220 is dry

cropland. He runs a small herd of beef cows, grazing Bermuda, native grass and temporary pasture on cropland. He has served on the Farmers Home Administration committee, is a member of the Denver City Chamber of Commerce, Rotary Club and has served as President of both clubs. He is a member of the Methodist church and on the official board of his church. He has a degree in Chemistry from the Uni-

versity of South Carolina and is a world war II veteran.

He has completed a conservation plan on his farm and also carried out a Great Plains Conservation Program contract installing underground PIPE to re-organize his irrigation system and planted grass for cattle pasture.

He is a strong believer in Conservation especially Soil protection, Crop rotation and Crop Residue Management.

needed from farmers receiving questionnaires to provide accurate estimates for Texas crops.

We urge each farmer to fill out his questionnaire carefully and return it promptly in the self-addressed envelope to the Agricultural Statistician. This will do much to provide the accurate data needed for the state.

County data bulletins for 1968 are now available by writing the Texas Crop and Livestock Reporting Service, Box 70, Austin, or by writing John C. White, Texas Commissioner of Agriculture, Post Office Drawer BB, Capitol Station, Austin, Texas.

BANQUET From Page 1

White of Austin. "Commissioner White is an internationally-recognized agricultural leader and will give us an informative and inspirational presentation," King said.

District 2 includes 17 organized county Farm Bureaus in the South Plains area which had a total membership in 1968 of 11,787. The organized county Farm Bureaus and their 1968 membership are: Bailey, 625; Briscoe, 206; Castro, 524; Cochran, 490; Crosby, 320; Dickens, 292; Floyd, 666; Hale, 1,320; Hockley, 866; Lamb, 1,006; Lubbock, 1,517; Lynn, 951; Motley, 152; Pammel, 537; Swisher, 729; Terry, 1,329; and Yoakum, 260.

Words cannot express our thanks for all the many, many prayers, thoughts, food and loving deeds and gifts. All we can say is God has enriched our lives and blessed our hearts. Your intercessory prayers have comforted and sustained us in our sorrow. May God bless each one of you for your kindness to us at the loss of our beloved first born son, Larry Wayne.

Lose 10 lbs. in 10 days on Grapefruit Diet

DIET OF THE STARS

HOLLYWOOD, CALIF. (Special) — This is the revolutionary grapefruit diet that everyone is suddenly talking about. Thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S.

Because this diet really works. We have testimonials reporting on its success. If you follow it exactly, you should lose 10 pounds in 10 days. No weight loss in the first four days but you will suddenly drop 5 pounds on the 5th day. Thereafter lose one pound a day until the 10th day. Then you will lose 1 1/2 pounds every two days until you get down to your proper weight. Best of all, there will be no hunger pangs. Revised and enlarged, this diet lets you stuff yourself with formerly "forbidden" foods, such as steaks trimmed with fat, roast or fried chicken, gravies, mayonnaise, lobster swimming in butter, bacon fats, sausages and scrambled eggs and still lose weight. The secret behind this "quick weight loss" diet is simple. Fat does not form fat. And the grapefruit juice in this diet acts as a catalyst (the "trigger"), to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose unalightly fat and excess body fluids. A copy of this startling successful diet can be obtained by sending \$2 to

MOVIELAND DIET PLAN
1417 S. Robertson Suite 8
L. A. Calif. 90035

Money-back guarantee. If after trying the diet you have not lost 7 pounds in the first seven days, another 6 pounds in the next 7 days, and 1 1/2 pounds every two days thereafter, simply return the diet plan and your \$2 will be refunded promptly and without argument. Tear out this message as a reminder. Decide now to regain the trim attractive figure of your youth.

ALL YOU HAVE TO DO TO BE ELIGIBLE FOR CASH PRIZES IS TO read over carefully all the ads on this page and circle the team that you think will win or if you think they will tie circle both teams and write the scores on the tie breaker game. You may enter as many times as you like. Each official football page may only be used once. For additional entries buy extra copies of the Plains Review. Only official entry forms on this page are valid. Buy the Plains Review and enter now. THE DEADLINE FOR GETTING YOUR ENTRY IN IS FRIDAY AT 5:00 P. M. AT THE PLAINS REVIEW OFFICE. THERE WILL NOT BE ANY BOXES AROUND TOWN.
