

PLAINS COWBOYS DOWN WINK WILDCATS 21 TO 14

1969 Cowboy Queen, Diane Fitzgerald, and her escort, Mike Nugent.

The Plains Cowboys came to the fore last Friday night when they out scored the Wink Wildcats 21 to 14 in a hard fought and indecisive game. The Cowboys entered the game with greatest determination of the season. No inclination of accepting defeat was shown by either team until the final whistle. The teams were evenly matched and it was a game of skill and ingenuity from start to finish.

The game started off with Wink receiving the kick off in their own end zone and the ball was put in play on the 20 yard line. Wink was soon forced to punt, when Plains obtained possession of the ball a march for the first touchdown of the game began. With a consistent pounding of the line by John Lowe and Gary Livesay and a successful pass from Joey Lowe and Jeff Isham for 30 yards, the Cowboys battled to the goal line where Lowe carried the ball over for the first

score. The kick was successful. The score remained 7 to 0 until late in the 2nd quarter when the Wildcats succeeded in carrying the ball for a touchdown and kicked the point and the game was tied at the half 7 to 7.

The Wildcats scored again in the 3rd quarter and with the score 14 to 7 in favor of Wink, the aspect was a bit dismal for the Plains folks as Plains prepared to receive the kick. The picture was suddenly changed when Gary Livesay received the ball and with the skill of a pro broke through the entire field and ran the kick-off for a touchdown.

The crowds went wild with excitement, but the game was not won, nor even tied as the kick for the extra points failed. At no time was the game in pandemonium and the two teams battled tenaciously until late in the fourth quarter when Plains gained possession of the ball, and with persistent drives

of Lowe, then Livesay and gain after gain Plains marched across the field. Livesay carried 10 yards for a first and ten and John Lowe ran 15 yards for the final touchdown of the game. With John Lowe back to kick for the extra point, Wink plowed through the line and covered Lowe. Unable to kick, Lowe took out around left end and successfully ran for the point making the score 21 to 14 for the Cowboys. Wink went to the air in several desperate attempts for a quick score before the final whistle but all were incomplete.

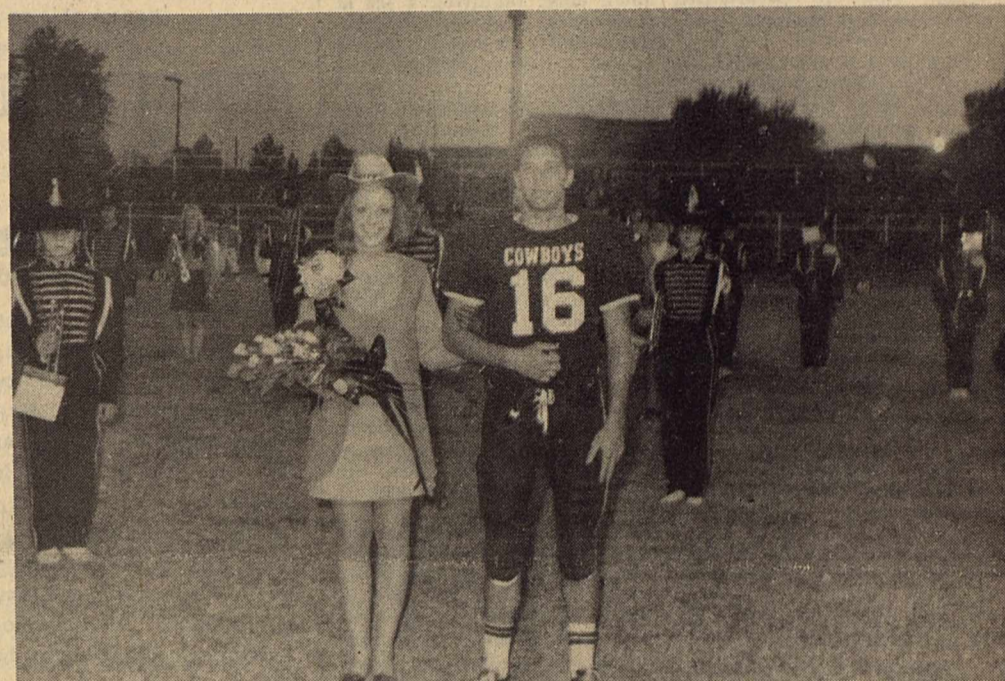

In viewing the statistics it will be noted that the Cowboys played an outstanding game. Plains had four 20 yard line penetrations to Wink's two. Plains

gained 263 yards to Wink's 141 from scrimmage. Plains made 15 first downs to Wink's 9. John Lowe carried 30 times for 130 yards and Livesay carried 21 times for 112 yards. Joey Lowe completed 1 of 3 passes for 20 yards.

Plains had many spectacular plays, exceptionally fine blocking and tackling. But the most outstanding play of the game was the kickoff return for 80 yards for a touchdown by Gary Livesay. This play is rarely experienced by any team. However, the Cowboys have succeeded in executing the play three times against their opponents this season.

Coach Warren and his assistants, Coach Martin and Coach McWhirter, are to be highly

commended for their fine progress in shaping the Plains Cowboys into a very fine functioning team, though suffering numerous defeats at the score board, the coaches have relentlessly worked and trained these boys and carried them to their first winning score last Saturday night at the Plains Homecoming. This team has battled unusual odds through out this season. It requires some mighty skillful coaching to constantly build a team and maintain the high morale displayed by the Cowboys. There will be more outstanding playing and perhaps some interesting surprises in store for this week as this fine little team travels to Coahoma to meet the Bulldogs on their own field Friday night.

YOAKUM COUNTY WILL HAVE LOCAL OFFICE OF OEO

The Yoakum County Program Building Committee is sponsoring a community-action program in the county with the support of the Commissioner's Court.

A meeting of the Interim Steering Committee met Thursday, October 23rd at 2:00 p. m., in the Commissioner's Courtroom at the county courthouse. The purpose of the meeting was to take the first steps toward organizing and getting a program in operation in Yoakum County. This committee is to serve temporarily until the final committee is accepted. Art York was in charge of the meeting acting as chairman in the absence of Judge Gene Bennett.

To put the program in action, the steering committee elected Judge Gene Bennett as chairman of the program. He was further authorized to appoint three committees necessary for the operation of the program. A budget committee, which will operate as a

Ways-and-Means Committee, is to formulate a budget and distribution thereof in order to capture the money which has been made available for Yoakum County by the Office of Equal Opportunity, which will amount to between five and eight thousand dollars.

Mr. Maders and Mr. Tiner from the Office of Equal Opportunity in Lubbock met with the Steering Committee. These men outlined the community action program and offered guide lines for the local organization.

A building committee will be appointed for securing building facilities for a center from which the community action committee will operate. Also to be appointed is a By-Laws Committee which will formulate the By Laws governing the operation of the local organization.

A survey will begin immediately to gather information in the poor areas of the community as to the needs of the people, and what programs they want and will participate in. This survey also serves a valuable purpose in informing the people about these programs which the local committee will bring into the community to help relieve some of the problems of the poor and disadvantaged.

Local people will be employed to do the survey work. The committee voted to hold the next meeting at the county Courthouse on November 13th.

The names of the various committeemen may be obtained from the chairman, Judge Gene Bennett.

NOTICE

The Plains Band Boosters will meet Monday night November 3rd at 7 p.m. in the Band Hall. Every member is encouraged to attend if at all possible.

We would like to take this opportunity to thank everyone that has purchased a Snuggub from the Band Boosters. We can say they were a success and it was you the people that made it that way. Thank you again and we appreciate it very much.

We'll see you Monday night!!

YOAKUM COUNTY FARMERS UNION

The Yoakum County Farmers Union will have its annual meeting Monday, November 3rd at 8:00 p.m. in the club room at Plains. Officers and delegates

to the State meeting will be elected. The State meeting will be at the Windsor Hotel in Abilene December 4 to 6.

All members are urged to attend.

LOOK OUT FOR GOBLINS!

AUSTIN, October 27 - They are small, swift, and turn up in the most unexpected places on Halloween night. And while they may be fearsome to look at, actually they're the ones most likely to get hurt, not the victims of their boisterous threats of "Trick or Treat!"

Texas motorists are urged to keep a watchful eye out for the youthful spooks on October 31. Absorbed in their fun, the youngsters, disguised as pirates or witches or ghosts, forget safety rules and may carelessly dart out into dimly lighted streets.

Parents are also reminded to be sure their trick or treaters are dressed in fireproof costumes.

TRICK OR TREATERS

In order to support the Plains Cowboys as they go out of town to play Coahoma, we would like to suggest that the residents of Plains be prepared for Trick or Treat Saturday night as well as Friday night. This way, we can support our football team and the children may still go Trick or Treating and attend the ballgame.

It has been reported that this practice is being employed in other surrounding areas.

U.S. SAVING BONDS

Mr. D.P. Moothed, chairman of the Yoakum County Savings Bonds Committee, announced today that the sale of United States Savings Bonds and Freedom Shares during the month of September totaled \$5,632 in Yoakum County. Sales for the nine-month period were \$27,417 and this is 69% of the county's 1969 goal of \$40,000.

September sales in Texas were \$14,480,583 as compared to \$13,508,678 during September of 1968--an increase of 7 per-

cent. Costumes may be flameproofed by dipping them into three quarts of warm water, seven ounces of borax and three ounces of boric acid.

Children should never carry jack-o-lanterns lighted with candles - battery powered lights are safer.

All costumes should be made of light colored materials with reflective materials in easily seen locations. Masks and costumes should be well fitted to prevent tripping and blocked vision.

Texas Safety Association says Halloween is a night of fun for youngsters of all ages, but can quickly turn into a tragedy if adults are not aware of the dangers.

NEW BUSINESS

The Grayson Electric Company of Eunice, New Mexico who operates an industrial electrical business have extended their business to include Tatum, New Mexico and Plains, Texas. Grayson Electric are an old and well experienced company that has been in operation in Eunice since 1949. They are bonded, insured and licensed electricians.

Besides offering service on a contract basis, the company will offer their service to the people of Plains for individual installations and repair. It will not include any appliance repair.

Grayson Electric has secured the old Bronco Gas building at 1301 Brownfield Road across from the Pic and Pay Grocery. Mr. J. T. Murphree, who will be in charge of both the Tatum and Plains offices, stated that within the next few days the company would have a service man in Plains and furnish a 24 hour service to this area. He also stated that the building would be redone and given a new front. Mrs. Calvin Morgan has been employed for the position of secretary in the new business.

HEARING ON PROPOSED JUNIOR COLLEGE

At 1:30 on November 5th, a public meeting will be held in the Community room of the Yoakum County State Bank in Denver City at which time a four-man sub-committee of the State Coordinating Board will meet with the tax payers for the purpose of a hearing on the proposed public Junior College for Yoakum County.

The sub-committee members are Chairman Harvey Weil, Attorney with the law firm of Kleberg and Weil of Corpus Christi; Harry Provente, editor and chief of Newspapers, Inc. of Waco, Texas; Walter Bassano, owner of the Paris News, Paris, Texas; and O.H. Elliott, Dean at Tilston College in Austin, Texas.

This meeting is open to everyone who is interested in either the pros or cons of the proposed college. The meeting will include an open forum session which will afford an opportunity for questions and discussions of interested individuals.

This meeting is of great importance to tax payers of Yoakum County. The purpose of this hearing is to obtain facts and opinions at the local level to be used in aiding the coordinating board in reaching a decision in regards to the feasibility of a Junior College for this area. At this time, the coordinating board has been petitioned by a minimum number of tax payers for a permit for a college and a bond election for \$1,800,000.00 for the construction of the facilities of said college, plus a levy of an ad valorem tax not to exceed 60¢ per \$100.00 of appraised valuation for the operation of the college.

Anyone wishing to express an opinion of this proposition will be afforded the opportunity at this meeting.

WRECK ON HIGHWAY 82

A severe wreck occurred about 7:20 p. m. on highway 82 approximately 1/4 mile east of the state line. It has been reported that a 1967 Chevrolet car owned by the Cardinal Chemical was parked at the side of the road by the drilling rig which is operating there. A 1966 Chevrolet car owned and driven by James Spurlock traveling east ran into the rear of the parked car as he attempted to pass a tank on its right side. Severe damage was incurred to both cars. There were no passengers in the parked car. All four passengers in the Spurlock car were hospitalized.

SETS QUAIL SEASON

AUSTIN--The Texas Parks and Wildlife Commission in a regular quarterly meeting here last week set quail hunting seasons and bag limits for 207 counties under regulatory authority of the Texas Parks and Wildlife Department.

Basically, the hunting seasons and bag limits will remain the same as last year except in the 67 counties in the Permian Basin and Possum Kingdom Regulatory Districts where the season will continue an extra 15 days through February 15 1970. Last year's season ended on January 31st.

Quail seasons and bag limits by regulatory district are as follows:

PERMIAN BASIN REGULATORY DISTRICT -- Andrews, Borden, Cochran, Coke, Crosby, Dawson, Ector, Fisher, Gaines, Garza, Glasscock, Haskell, Hockley, Howard, Irian, Jones, Kent, Knox, Lubbock, Lynn, Martin, Midland, Mitchell, Nolan, Reagan, Runnels,

GAS RATE HIKE OPPOSED

A resolution was passed by the City Council at the Tuesday night session opposing the proposed raise in the gas rates to the customers of the El Paso Natural Gas Company. The Plains councilmen objected to the raise on the grounds that it would compel the city to also raise their rates to the local users which is not at all desirable at this time. Many cities in the surrounding area have also raised their objections. Bids for a new pick-up for the water Department were opened and Gentry Ford and Mercury of Levelland were found to be the low bidders with seven other companies participating in the bidding. The Gentry bid was accepted. The council also passed a motion to have the 1956 Chevrolet fire truck restored to workable condition.

Correspondence with Senators Towers and Yarborough in regards to the tax reform bill before the United States Senate was recommended. A group insurance policy presented by the Etna Life Insurance Company for City employees was adopted.

WEATHER REPORT

The clearing and warming trend at the last of the week was soon dispelled and heavy rainfall and muddy weather have ensued this week without definite evidence of a let up. Which all adds up to a very gloomy outlook for the farmer.

Temperatures and rainfall for the week were as follows:
High-----73°
High average-----52°
Low-----35°
Low average-----40°
Precipitation, 4 days - 2.78"

The Shoe Pinches

It is interesting that George Meany, head of AFL-CIO in a recent interview took the position the only way out of the inflation mess is government price and wage controls.

Perhaps it is not beyond the realm of possibility that union leaders have been receiving many complaints from their members on the high cost of living, and mounting taxes.

But Meany got himself rather boxed in. Unlike some, he could not lay the blame off to Vietnam, as to secure the support of a previous administration he took a strong stand supporting the war.

It is significant that only a few years ago the auto workers won from Detroit contracts that increased pay scales not on the basis of increased productivity, but on the increases in the cost of living.

In a special survey, the National Federation of Independent Business found that paper work, filling out the endless forms demanded by government bureaus at all levels, was costing small business alone one and three quarter billions of dollars per year.

The present slough of inflation is due almost entirely to excessive government spending. Big bureaucracy and big budgets go together.

Organized labor has fought for the National Labor Relations Board, a bigger Social Security System, a Fair Employment Practices Commission and a host of other items considered progressive.

For government expenditures exert a two way force for inflation. The classic one is that when government competes for

loans on the money market, money becomes expensive.

But when government lays down rules requiring a lot of time taken away from productive activity, prices are bound to rise. Union regulations have also increased costs of production substantially, in a manner no way connected with wages paid.

It is significant that only a few years ago the auto workers won from Detroit contracts that increased pay scales not on the basis of increased productivity, but on the increases in the cost of living.

In a special survey, the National Federation of Independent Business found that paper work, filling out the endless forms demanded by government bureaus at all levels, was costing small business alone one and three quarter billions of dollars per year.

The cost of all this activity, plus that demanded by the labor leaders, become a major part of the costs of producing goods and services which are passed on to the consumer.

Bureaucracy, either government or labor, kills the goose that lays the golden eggs as neatly as the chopping block hatchet.

The delegates are expected to recommend to the American Farm Bureau Federation Convention the kind of farm program they think farmers should have when the present program, the Agricultural Act of 1965, expires in 1970.

They will also consider recommendations of a special committee created earlier this year to study the need for changes in the organization's by-laws. The committee's recommendations were presented to county Farm Bureau presidents at a meeting in August in Austin so that they could be considered in the county annual meetings.

Farm Bureau's development process begins on the county level with adoption of county policies and recommendations on state and national issues. A 40-member TFB resolutions committee will meet in San Antonio the week prior to the convention to draft tentative resolutions from among the hundreds of recommendations sent in from counties.

Registration will get under way at 2 p. m. Sunday, Nov. 16, in the Convention Center Theater lobby. A Discussion Meet

THE EDITOR

Mrs. Joe Curry of Curry Pharmacy of Plains, Texas, was hospitalized last Friday and underwent minor surgery for the removal of two metal stitches from the inner abdominal lining which had been left from a former operation two years ago, according to a report from Mr. Joe Curry. Mrs. Curry returned to her home Monday and at the last report she was recovering nicely.

Wet weather and slick ground were responsible for an unexpected and painful accident Saturday at noon, which resulted in a broken leg for Gene Smith a local resident and evening operator at the Plains Light Plant.

Gene was helping Pat Henard work cattle at the Henard ranch. While guarding a gate as Pat cut the herd, a cow turned back and as Gene's horse made a quick attempt to head the cow, all four feet slipped from under him and he fell flat to the ground, pinning Gene's leg beneath him. All work was immediately suspended and Pat took Gene to the Yoakum County Hospital where he was found to have a very badly broken shin bone.

Mrs. E. M. (Skeet) Robertson suffered a very painful injury Monday morning about 11 o'clock when she fell at the Post Office door as she went for her mail. A rising from the fall, she proceeded on to the Hawkins' Grocery Store and reported for work, where she met Skeet who was awaiting her arrival.

RAINS HALT COTTON HARVEST

The Brownfield area cotton harvest was just getting under way when heavy rains halted all operations, according to D. R. Lewallen, in charge of the Brownfield Cotton Classing Office of the USDA.

Samples received at the Brownfield office had reached a seasonal high last Monday when the adverse weather halted the harvest. See RAINS Page 3

Mr. and Mrs. Tommy Blount

WEDDING VOWS EXCHANGED

Miss Alice Faye Railey became the bride of Tommy Glen Blount in a double ring ceremony at 2:30 Sunday evening, October 19th in the Cactus Drive Church of Christ in Levelland. Shirley Curry, minister of the Church of Christ in Winfield, Kansas, conducted the ceremony.

Mr. and Mrs. James H. Railey of 110 House Ave., Levelland, are the parents of the bride. The bridegroom is the son of Mr. and Mrs. G. T. Blount of Plains.

Escorted to the altar by her father, the bride wore a formal length empire A-line gown of white crepe with lace and beads on the flare sleeves and the bottom of the dress and train. Her veil had a head piece of a three layer daisy. She carried a white Bible covered with a bouquet of a white cascade of camation.

Her bridesmaids were Mrs. Vickie Railey of Lubbock, her sister-in-law and Mrs. Ned McGann of Levelland, a friend. They wore street length empire dresses of moss green crepe and carried white pom-pom trimmed with green. Others in the wedding included Miss Beverly Jones of Idalou and Miss Shirley Reynolds of Levelland as servers at the reception and Miss Laura Wilson of Levelland registered guests.

Fred Blount of Midland, brother of the groom, served as best man and Robert Jones of Odessa served as groomsman. Guests were seated by Ricky Railey, brother of the bride, and Bobby McGann of Levelland, a friend of the couple.

The couple received guests at a reception in the Fellowship building at the Church before leaving for Ruidoso, New Mexico for a honeymoon.

The bride is a 1967 graduate of Levelland High School and attended South Plains College for two years. She is employed by J. C. Penny Co. in Levelland. The groom is a 1967 graduate of Plains High School and attended South Plains College for two years. He will begin work November the first for the Texas Highway Department at Levelland. The couple reside at 103 House Ave., Levelland, Texas.

★ Studie Thompson CHDA Says...

Spanish explorers brought the peach with them when they came to America.

But peaches actually are thought to have originated in China. The Chinese grew peaches more than 4,000 years ago. From China they traveled to southwest Asia. Later travelers carried peaches to the Mediterranean.

In the 18th and 19th centuries, peaches were grown in this country mainly for making peach brandy. However, as transportation facilities improved, other varieties were cultivated in larger quantities for fresh eating.

Peaches are found in almost every state in the Union. They need a slight, short freeze in the winter, but they cannot withstand a constant low temperature.

California has the highest production of clingstone peaches which are grown mainly for canning. Current stocks of canned cling peaches are record large.

Try a Peachy Turkey Platter. It's a good way to make use of leftover turkey. Drizzle canned cling peach halves with honey and broil until nipped with bronze. Garnish with watercress. Serve alongside a hot gilette gravy-topped roast turkey sandwich.

Favorite Peach Salad. This peach and turkey duo is company-perfect and truly family satisfying. Place canned peach halves on fresh salad greens. Add a scoop of turkey salad, a topknot of mayonnaise--and it's ready to serve.

Keep peaches in mind for variety of luncheon salads. They add luster to eating enjoyment. Peaches and Sherbet are a

"natural" salad team. Nestle a drained peach half into a bed of shredded lettuce, with the cut side up. Then add a generous scoop of pineapple, raspberry, orange or lime sherbet. This makes a refreshingly tasty salad you will want to serve often.

Fruited Roast Chicken. Add 1/2 cup raisins to every 1 1/2 cups of your favorite bread stuffing. Stuff and roast the chicken as usual. Twenty minutes before serving time place drained, canned peach halves on a piece of aluminum foil and put into the roasting pan. Serve chicken on a warmed platter garnished with the heated peaches.

Deep Dish Pie - Fill a well-buttered one-quart casserole about 3/4 full of drained canned peach slices, stir cornstarch into 1/2 of the syrup and pour over peach slices. Sprinkle generously with cinnamon. Sift together 1/2 cup flour, 1/2 cup sugar and a pinch of salt. Cut 1/4 cup butter or margarine into dry ingredients until mixture is mealy. Sprinkle over peaches and use back of spoon to smooth. Cut four air holes in dough. Bake 15 minutes at 450 degrees F. Then reduce temperature to 375 degrees and continue baking 20 to 25 minutes longer -- or until top is crisp. Serve warm or cold.

Pie-Perfect. Prepare one package of coconut cream pudding and pie filling mix according to package instructions and pour into prepared graham cracker pie shell. Chill. Press canned peach slices into pudding mixture so they form a spiral effect. Sprinkle with flaked coconut. Cut into wedges and serve.

WEDDING VOWS PLEDGED

Double ring vows were exchanged by Miss Carmen Moreno and Joe Vasquez at 3:00 p. m. Saturday, October 25th in the

First Baptist Church of Plains. The Rev. Frank Ramos officiated.

Parent of the bride is Mr. Manuel Moreno of Plains. Parents of the groom are Mr. and Mrs. Steve Vasquez of Plains. Giv-

ing in marriage by her father, the bride wore a floor length gown of white satin trimmed with lace, and a floor length train, also, trimmed with lace.

The brides' attendants were dressed in yellow satin brocade dresses. Margaret Liles played the organ and Punk Culwell soloist provided wedding music.

The couple will make their home here in Plains.

TSA MO GA CLUB HONORS SENIOR CITIZENS

Members of the Tsa Mo Ga Club honored the Senior Citizens of the community with a salad supper at the Club House at a regular meeting on Monday evening. Hostesses for the supper were Mrs. Norelle Sloan, Mrs. Robert Chambliss and Mrs. Raymond Bokout. Guests attending were Mrs. Grace Hughes, Mrs. Mattie Chambers, Mrs. Lois Yates, Mrs. T. E. Coke, Mrs. Nona Trout, Mrs. H. F. Barnes, Mrs. Lucy Been, Mrs. E. B. Teague, Mrs. T. E. Payne, Sr., Mrs. Maud Cook of Oklahoma City and Mrs. Mabel Field Greathouse.

The program on Fine Arts was opened with the quote, "Happiness comes from keeping constructively busy; creative hobbies are the keys to happy leisure hours and retirement years." Mrs. J. W. Moore, Jr., acted as program chairman. Mrs. Edmund Vickers gave the invocation. A lavish exhibit of works of Art by Senior Citizens and Club members was explained by Mrs. Moore. A fitting tribute to the honored guests was given by Mrs. Wayne Davis who read the poem "Mother" written by Temple Bailey. Mrs. T. E. Payne, Sr., who is ninety-one years young and a Charter Member of the Club, responded to the tribute in her usual gracious manner. Mrs. Ty Field and Mrs. A. B. Carpenter, members of the Farm Bureau

World Tour, gave travel talks and showed treasures from Around the World. Added interest was an exhibit of Arts and Crafts from Turkey, explained by a club member, Mrs. J. C. Chambliss. Her brother, Duane Anderson, an employee of Haliburton Oil Company, has lived in Turkey for the past four years. Mr. Anderson presently is at home in Tokio awaiting reservations for orders to Port Elizabeth, South Africa. Plans for the Annual Bazaar were completed and announced by Mrs. P. W. St. Romain, Finance Chairman of the Club. The Bazaar will be held on Saturday evening, November 8th, at 6 o'clock in the High School Cafeteria. Foods from around the world will be served. The public is invited to enjoy a full meal at a nominal cost.

The chance ticket on the Chest of Plenty will be drawn at nine o'clock. All Club members were reminded to pick up their tickets, to put the gift

in the Chest, which is on exhibit at Moore-Odens, to bring gifts for the White Elephant Sale and Grab Bag. Mrs. St. Romain called a meeting for all Bazaar Committees to meet on Sunday afternoon, November 2nd, at 3 o'clock at the Cafeteria. These committees are the Social Committee, the Finance Committee, and those listed in the Yearbook for 816

Dishes from Foreign Lands. There will also be a Veterans' Christmas Box, for the hospital patients of the Big Spring Veterans Hospital, at the Bazaar. Make a gift to these soldiers who have served and protected you.

Thirteen hundred samples were classed at the Brownfield office last week, bringing the total classed to 2,583 bales.

Middling made up 32 per cent of the total classed at Brownfield last week, Strict Low Middling 40 per cent, Middling Light Spotted 13 per cent, and Strict Low Middling Light Spotted 5 per cent.

Most of the early harvest cotton in the Brownfield area has been machine picked, and long staple varieties made up a large percentage of the total classed.

Eighty-six per cent of the Brownfield area cotton stapled 1-inch and longer last week and 62 per cent stapled 1-1/8 and longer.

Micronaire continued to be very high. Ninety-six per cent "miked" in the premium category of 3.5 to 4.9.

Fiber strength, of Pressley, of these early bales was also very high. Ninety-six per cent of the samples tested last week were in the desirable range of 80,000 pounds and above.

Prices ranged from \$2.50 per bale over the loan for the lower grades.

Prices for the most predominant qualities were: Strict Low Middling 15/16 - 18.50, Strict Low Middling 31/32 - 19.

10, Strict Low Middling 1-inch - 20.05, Strict Low Middling Light Spotted 15/16 - 17.75, Strict Low Middling Light Spotted 31/32 - 18.35, and Strict Low Middling Light Spotted 1-inch - 18.90.

Prices paid farmers for cottonseed ranged from \$37.00 to \$40.00 per ton.

TEXAS LEGION CONVENTION

Big Spring, October 28th, Legionnaires and Auxiliary members from the 19th District of The American Legion assembled here on Saturday and Sunday, October 25-26, for their annual fall convention.

Registration opened on Saturday at 1 p. m. at the Settles Hotel. There was a Rehabilitation session at 4 p. m. for the Legion and Auxiliary with Fred H. Ray, Jr., of Waco, Department Service Officer, in charge.

The social hour took place at the Home of Post No. 355 at 5 p. m. A banquet for both The American Legion and Auxiliary commenced at 6:30 p. m. at the Post Home with District Commander G. C. McKinzie of Lubbock calling the meeting to order. Post No. 355 Color Guard had charge of colors and the invocation was given by District Chaplain Sa-

ul Williams. The Mayor gave the address of welcome. Featured speaker at the banquet was Gen. Walter Staudt, Chief of Staff of the Texas Air National Guard. The dance was from 9 until 12:00 midnight, followed by a midnight breakfast at 12:01 a. m., all at the Post Home.

Activities got under way on Sunday with a Commander's and Adjutants' breakfast (dutch) at 7 a. m. at the Settles Hotel. Registration was resumed at the hotel at 8 a. m.

At 9:15 a. m. at the Post Home there was a joint Memorial Service with Chaplain Williams in charge.

Lunch was served at 12:00 Noon at the Post Home to all registered delegates and guests.

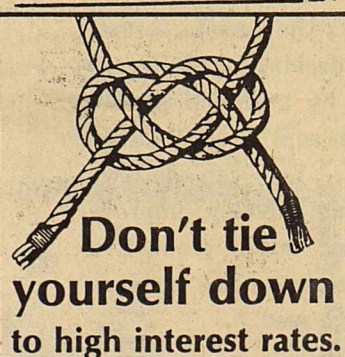

At 1:15 p. m. the Legion and Auxiliary held their separate business sessions with Commander McKinzie presiding over the Legion meeting. Department Vice Commander Rosaire Brodeur of El Paso addressed the meeting. Past Department Commander Charlie Maisel of Odessa and 16th District Commander Austin White of Midland brought greetings. Committee reports were heard and membership program discussed.

FORMER RESIDENT CELEBRATES 91st BIRTHDAY

Mr. C. S. Padgett of Levelland celebrated his 91st birthday Sunday, October 19th, with members of his family at the Spot Restuarant. Relatives from different parts of the state attended, including three daughters, Mrs. Quata Clements, Mrs. Beatrice Cox and Mrs. Mozelle Power.

Mr. and Mrs. Padgett ran a hotel in Plains for a number of years but later moved to Levelland, where they purchased a hotel and renamed it the "Padgett Hotel." Mrs. Padgett passed away a number of years ago but Mr. Padgett is still owner of the hotel.

RECEPTION FOR EX-VOLLEYBALL PLAYERS

During the Homecoming Activities, the 1970 Cowgirl Volleyball Teams and coach, Miss Wanda Armstrong, honored all ex-volleyball players with a reception Saturday afternoon in the gymnasium foyer. The volleyball girls are hoping to make the reception an annual Homecoming event. The Cowgirls also presented to Robert J. Field a pair of Adidas volleyball shoes which the 1969 Cowgirl teams autographed in appreciation of his untiring efforts in officiating, work-outs, and support of the girls during his high school career. Robert is now a member of the Dallas YMCA men's volleyball team which plans to attend the 1970 National Volleyball Tournament in Honolulu, Hawaii. The girls are hoping Robert will wear his shoes throughout the 1970 season all the way to Hawaii.

Ex-Volleyballers attending the reception from out of town were Charlene Gayle from T. C. U. in Fort Worth; Shirley Proctor of Ft. Worth; Kay Ellison of Eunice; Jan James of Odessa; Jewell Lee, San Angelo; Roynel Wiggins, Roswell; Annie Jackson, Artesia; Sarah Jane Field, Bronco; Sarah K. Burrus of Bronco; Jana Naylor of El Paso; Joyce Warren of S. P. C. in Levelland; Mrs. Charles Scott of Sylvester; Carol Lackey of Brownfield; Caroline Wilmeth of Tech in Lubbock; Georgia Goertz of Littlefield; and Frances Upton of Tokio. The volleyball players attending from Plains were Crip Herd, Nita Williams, Linda Huddleston, Sonnie Stevens, Maurcene Phillips, Latrell McDonnell and Betty Rushing. Other special guests included Mr. and Mrs. D. N. Taylor and Mr. and Mrs. G. D. Kennedy.

WINNERS OF DISPLAYS

The Student Council would like to recognize the winners of the display contest which was held at Plains High School during the past week. 1st place went to the F. H. A. with their display of a miniature football field which showed the predicted outcome of the Saturday night game. 2nd place went to the Junior Class with their display of a giant cowboy hat. 3rd place went to the Cowboy Band with their display of a miniature proddure of the crowning of the Home-

coming Queen welcoming the Exes. We would like to thank all the classes and organizations for contributing to the display contest as it showed lots of school spirit. The Student Council would also like to thank Moore and Oden for supplying the model which was used for the crowning of the Homecoming Queen display, and we would also like to thank Jean Walker Vest for contributing her time as artist of the second of the two displays by the Student Council.

RAINY WEATHER IS READING WEATHER

by Latrell McDonnell
If this rainy weather has given you the (blaaaas), just beat it down to the library on the courthouse square and get you a good book. This is just what our little storyhour listeners are doing. The library has books to interest any age, and they try to have a well rounded reading interest. Should you want a special book just

ask and the library will try to get the book for you. All libraries are participating in a book loan program and it is possible to borrow most books a patron needs.

Our storyhour readers this week were Estella Ramos and La Gaytha Thompson. The girls read to Becky and Teddy Willis, Shaun Barnett, Christy Barron, Michael and Rene Davis, Michael Houck, Nicky Hanna, Doug and Russell Warren. A special thank you for all those weathering the rain and coming to storyhour. Storyhour is held each Thursday morning from 9:30 to 10:30 a.m. All pre-schoolers are invited to attend.

EX-STUDENT BARBECUE A SUCCESS

The Ex-Student Association's supper Saturday, October 25th was a huge success. 175 people attended and enjoyed the meal of barbecue and all the trimmings. The food was furnished by the local merchants. Cakes and pies were baked by the local women.

The Ex-Student Association would like to express their appreciation to all the women and merchants for helping make the supper possible.

After the football game the Ex-Student Association met at Alma's for coffee and a good old fashioned visit. There were 100 people present who enjoyed visiting with old friends.

New officers were elected at this get together. They are Ja-

Discussion concerned Student Council representatives. The organization also decided that meeting times would be twice each month, every other Tuesday, at 7 p.m. in the classroom of the Texan Dome. The first Tuesday night would be a business meeting and a film. It was agreed upon that the secretary should put up signs and make announcements before each meeting of the club.

Coach W. A. Wise opened the meeting of the South Plains College Physical Education Majors club with the election of officers for the year 1969-70, Dale Underwood of Idalou was elected as president; Laquita Hargrove, vice president; Shirley Madry, secretary-treasurer; and Gregg Jones, reporter.

Nov. 3 is the next scheduled PE Majors Club meeting. Dick Palmer, President; Dick McGinty, Vice-President; Ned a Chambliss, Secretary; Nita Williams, Treasurer; and Sonnie Stephens, Reporter.

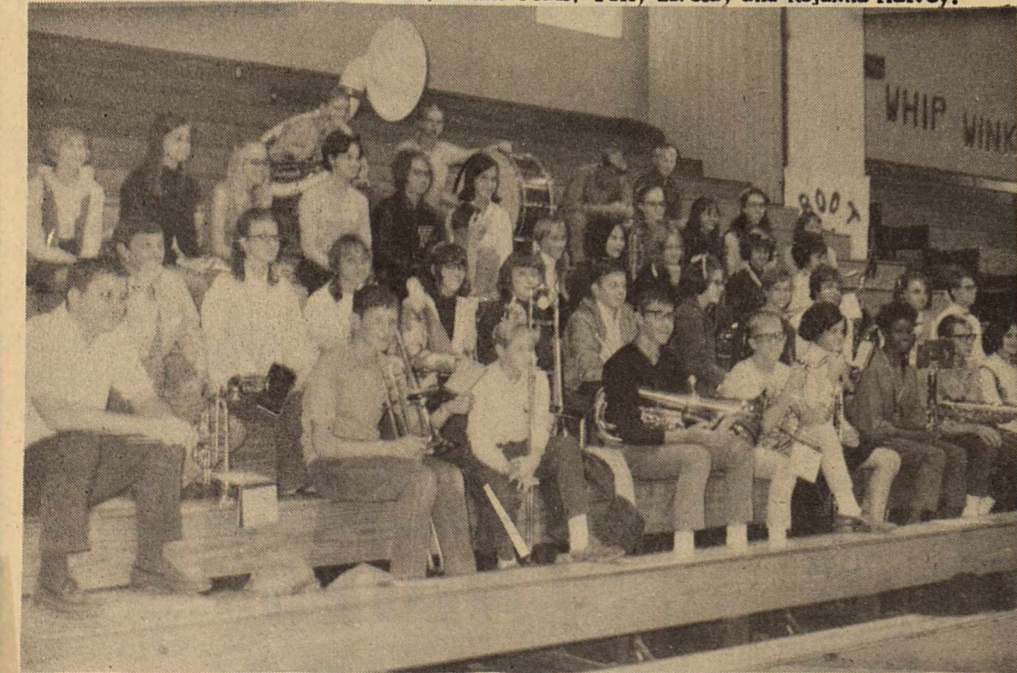

Backstage members of the 6th grade Halloween program.

The Plains F.H.A. Chapter hosted a Homecoming Tea honoring ex-students. It was held in the homemaking livingroom Friday, October 24th from 1 to 4 p.m. Those attending were from the classes of 1927 through 1969. They included Dick McGinty, Sidney Murphy, Mrs. Lois McGinty, Mrs. Bobby Field, Mrs. Pat Henard, Billie Zoe McGravey, Betty Rushing, Mrs. Jack Palmer, Jack Palmer, Jim Warren, Sheila Stephens, Mrs. Cordell Huddleston, Eddie Lee, Jewel Lee Ward, Charlene Gayle and Robert Field. We would like to thank these exes for making our Homecoming Tea a success.

Refreshments of cookies, sandwiches, punch and coffee were served. Pictured above are: L-R Elaine Felts, Miss Rogers, homemaking teacher, Debbie Holly, Pam Peterson, Toni Perkins, Rene Hendricks, Donna Seals, Terry Livesay and Rojana Harvey.

THE CORNERSTONE

OF YOUR COTTON PROGRAM

a special message for the cotton producer who wants to make more money

Are we exaggerating? Giving too much credit to the least cost item in your entire cotton production program? University researchers don't think so. Their studies show that quality of planting seed definitely affects net profit; that most "farmer saved" seed is decidedly inferior to pure seedstock, by as much as 116 pounds of lint an acre in some cases. Think about it. You can do two things to make more money: improve your product and lower production costs. The only common link between the two is quality seed.

There is no excuse for planting poor quality seed when you can get both guaranteed quality seed and supply in one economical package. You get both through SEED BANK, the

unique service provided by your own cooperative, Growers Seed Association. Growers has enough top quality, proven and tested seed to plant hundreds of thousands of cotton acres. Decide on the variety you want, apply at your local coop gin or elevator, receive your bank certificate and forget about it. Your seed will be ready next spring. Growers guarantees it in writing. Seed can also be custom treated.

But sign up now to be assured of the variety you want and the amount you need. Seed are sold first come, first serve, and the early freeze has created an unusually strong demand for planting seed. See your local coop for top quality JOHNNY COT-TONSEED brand seed.

WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles
After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEK usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEK at drug-gists. See how fast it can help you.

OPEN ADMISSIONS POLICY STATEMENT FOR A NURSING HOME

It is the policy of the Plains Nursing Home to admit and to treat all patients without regard to race, color, or national origin. The same requirements for admission are applied to all, and patients are assigned within the nursing home without regard to race, color, or national origin. There is no distinction in eligibility for, or in the manner of providing, any patient service provided by or through the nursing home. All facilities of the nursing home are available without distinction to all patients and visitors regardless of race, color, or national origin. All persons and organizations that have occasion either to refer patients for admission or recommend the Plains Nursing Home are advised to do so without regard to the patient's race, color, or national origin. Also there are no restrictions in the hiring of the personnel, or in the uses of the facilities by the personnel because of race color, or national origin. Published in the Plains Review on October 29, 1969 and November 5, 1969.

Robert A. Long of the Sligo community used forage sorghum last year to hold his top soil. This year he has several hundred acres of the same, as well as small grain sown for cover. What have you for cover on your land?

SWCD

by C. Murrell Thompson
The greater the challenge the greater the men who accept it. The more hazardous the farming the better farmers are needed to farm. With two weeks of rain at harvest time, it takes great courage to still say I am a farmer and more, it takes a good Banker

to stay with the farmer thru such times of stress. The rancher of course never did get enough rain or good calves for that matter. Enough of the weather talk, the question on the soil and water conservationist's mind is WHAT will the farmer or rancher do now that has all this moisture? Can we conserve moisture from now until next growing season? My answer is a sounding YES. Sure some of it will be lost by drying and leaching but not all provided there is cover on the land. CROP RESIDUE MANAGEMENT Our most valuable soil and moisture conservation practice can get the job done economically and good if WE will but let it work for us. It cost money to spread and break and drag and pack and bed and knife when we could leave the residue (stalks) and in the spring plow and plant all in one operation. This may be new to some but Minimum Tillage is coming just as sure as the tractor did. It is economical, safe, sound soil and water conservation on our sandy soils that need a little help we can give. Several new applications have been made this week for assistance in soil and water

conservation under the Great Plains Conservation Program. They are O. M. Stewart, James Warren, O. S. Hicks, J. A. Fox, Lela O. Barnes, A. B. Carpenter and M. L. Cooper. We do not know just when Congress will release funds that we may begin work on new contracts, but we will be ready with plans worked out by local land owners and operators when they do.

Raccoons will eat almost anything, but their favorite food includes frogs, crayfish, crabs, oysters, insects or berries, with green corn a special treat.

COTTON PROJECTED YIELDS AND ALLOTMENTS ANNOUNCED FOR STATES; The U. S. Department of Agriculture announced October 17th, revised State acreage allotments for the 1970 crop of upland cotton. Also announced were State projected yields.

The new State acreage allotments result from the USDA announcement October 15 that the national acreage allotment for 1970 upland cotton had been increased from the 16 million acres set earlier to the new allotment of 17 million acres. The increase was brought about by declining 1969 crop prospects.

Figures on the State projected yields, released October 17th, average out to the 500 pound-per-acre national yield announced on October 15. The State yields are apportioned among cotton-growing counties and are used in calculating price-support payments under the cotton program.

The national projected yield is down 45 pounds per acre from last year and reflects the failure of cotton yields to realize levels expected on the basis of trends a few years ago. Other details of the 1970 upland cotton program--such as price support loan and payment levels--will be announced later. The county allotment and projected yield is expected sometime in November.

The upland cotton allotment for Texas has been announced at 7,247,488 acres and this compares to 6,835,134 for the 1969 program. The 1970 cotton projected yield for the state is 395 pounds. DOMESTIC ACREAGE ALLOTMENT: For 1970 the farm domestic allotment has been set at 65 percent of the farm acreage allotment, the same as under the 1969 program.
