OUR 39th YEAR

## PLAINS COWBOYS SUCCUMB TO COAHOMA BULLDOGS

Once again the Plains Cowboys suffered what appeared on the score board to be a whopping defeat when they met the Coahoma Bulldogs at Coahoma last Friday night, in the presence of approximately 1,000 spectators. The final score was 43 to 0. But when the facts and statistics are down, we find that the light and largely inexperienced team again played a very fine game in the face of tremendous odds.

First to be considered is the fact that Coahoma is rated as one of the top 2-A teams in the state. As Coach Martin of Plains expressed it, they are an exceptionally fine ball club. They are fast, quick, and very well drilled. They play a fine aerial game and when Plains stopped them on the ground, they immediately took to the air.

When John Lowe, Plains star ball carrier, was removed from the game with a severe knee injury early in the second quarter, Plains suffered a great loss. Attention was naturally concentrated on Gary Livesay, a Plains regular, who has attracted much attention with his broken field running, including a spectacular touch down on kick off in the game against Wink. Livesay was soon pinned down. This left the Cowboys with three freshmen, Joey Lowe, as quarterback, Tony Winn and Tony Chandler in the back field to carry the ball for Plains.

Although Plains was unsuccessful in moving the ball, they played a fine defensive game. Coahoma scored 33 of their points in the first half, but Plains succeeded in holking them to 10 points in the last half.

Plains suffered its severest setback, when four passes were intercepted. They had two fumbles and one blocked punt. Coahoma was able to turn these Plains misfortunes into great advantage. Substituting for the Plains Varsity were three freshmen, Neil Newsom, who was thoroughly initiated in varsity football when he substituted as center in the Seagraves game for Richy Brantley who was out with a knee injury; Andrew Ruiz and Lewis Howard, who had carried the ball well each time he had substituted in the back field.

Ace Hamm, sophomore and Clevey Kirby, junior, have made a fine showing each time they have entered the game.

Plains' more experienced players are in the line, which

perhaps is largely responsible for the fine defensive games that Plains have played. Jim Taylor continued with his good punting, punting five times for 20.2 yard average. All things considered, the Plains Cowboys played a good, hard fought game against a great team who had them outclassed from the start.

Statistics for the game are as follows: 20 yard line penetrations, Plains - 1 and Coahoma - 7; Yardage gained from scrimmage, Plains - 185 and Coahoma - 275; First downs, Plains - 9 and Coahoma - 16; Passes completed, Plains - 8 out of 21 tries and Coahoma - 9 out of 13.

Plains will meet O'Donnell at Plains Friday night, November 7th. Coach Warren was in high hopes for a victory for his Cowboys in this game.

LIONS CAMP MONTH—Governor Preston Smith proclaims November "Texas Lions Camp for Crippled Children Month" as Lions League President E. J. Grindstaff of Ballinger and Executive Director Frank Robertson of Kerrville watch in ceremonies in Austin.

### TEXAS LIONS' CAMP FOR CRIPPLED CHILDREN MONTH

AUSTIN--Governor Preston Smith has officially proclaimed November as "Texas Lions Camp for Crippled Children Month." Lions League President E. J. Grindstaff of Ballinger and Executive Director Frank Robertson were in Austin to accept the proclamation.

In his proclamation, Governor Smith stated:

"For 17 years, the Lions Camp for Crippled Children at Kerrville has provided two weeks of summer fun--without any cost whatsoever--to more than 11,000 blind, deaf, mute and crippled children of Texas."

"In recent years, through its Rehabilitation Program for the

adult blind, the Camp has helped more than 700 Texans to return to the sighted world as productive citizens."

"The Camp for children operates during the three summer months and the balance of the year is devoted to the adult training program."

"Lions is an international organization whose motto is, 'We Serve,' and the efforts of Texas Lions in behalf of crippled children, the deaf, the mute and the blind have contributed much to the welfare of these disadvantaged citizens of Texas."

"All citizens of Texas take great pride in this worthwhile project sponsored by the Lions Clubs of Texas."

### VETERANS DAY

This day, Veterans Day, November 11, 1969, was first observed as Armistice Day. Silence had fallen across Europe at 11:00 A.M. November 11, 1918, ending World War I. This is still a day of hope, fifty-one years having passed since that eventful day.

Over 41 1/2 million men represented the United States during this great conflict, World War I. Over 126,000 men would not be coming home, having paid the supreme sacrifice for their country. They were remembered in services beginning on November 11, 1921. In 1938, Armistice Day was the official name given this day of observation. In 1938 Congress proclaimed the date a legal public holiday.

The hopes and dreams of mankind were shattered just one year later, in 1939, when World War II began. America again responded to the challenge. Over 16 million men were called to forsake peaceful pursuits and bear arms for the protection of our allies.

Twice since that date, Americans have come to the aid of oppressed people, once in Korea, and now in Vietnam. When communist forces invaded Korea and South Vietnam, we came to the aid of those suffering people who had visions of living in a land that was free.

We Americans still maintain hope for peace in the world today, even though battles continue to rage in the jungles of Vietnam. We will not accept a peace of slavery, but a peace of honor and dignity.

As we observe Veterans Day 1969, we pause to remember the Tomb of the Unknown Soldier,

a symbol of all American fighting men who paid with their lives, that the living might enjoy enduring freedom. More than one million men have given their lives in this endeavor.

Veterans of all wars of the United States now number more than 39 million. Of this number, there are some 414,000 women veterans. There are more than 27 million of these veterans alive today. We have a tremendous responsibility and owe a great debt to these veterans who have given us our dearly cherished freedom.

To this very special group of Americans, we owe a pledge of assurance that we are worthy of the many sacrifices they have made and are making at this moment, in order that we may remain a free nation.

We face the future with confidence and hope that world peace will come because of the actions and deeds of our veterans of past wars and our men who fight today on the battlefields of Vietnam.

Today, Veterans Day, 1969, we salute those heroes of past wars and our fighting men of today, who are preserving our democracy. We honor those who died for freedom's sake, and we pledge to those who live that we will remember with reverence their contribution to our freedom.

### BAND BOOSTER'S NEWS

The Band Booster's meet Monday night with 15 members present. It was decided that they would sell "Fruit Cakes" for their Christmas project. These are a Butter Batter Cake baked by the Manor Baking Company of Dallas. They weigh 2 pounds and will sell for \$4.25. You will want to get your cake early for the Holiday's ahead.

We will be taking orders for "Snug Bugs" until December 10th. If anyone is interested in one as a Christmas Present you can call Mrs. R. M. Carothers at 456-4131, or any Band Booster.

The next meeting will be on December 1st, in the Band Hall at 7 p.m.

Handmade gifts, linens, and the finest of fine arts will be available. A grab bag for the children and BINGO for all will be enjoyed. A Veteran's Box will be handy to receive gifts for the Christmas Store at the Veteran's Hospital in Big Spring. We have been complimented repeatedly on this Box, said to be the most generous received at the Hospital.

At nine o'clock the lucky ticket will be drawn for the Chest O' Plenty. Come out and enjoy a happy time and contribute to this worthy community project, we promise you a lively evening of pleasure and profit.

### ADULT BASIC EDUCATION

by Frank Ramos

Almost a year has gone by since we started the A-B-E program with the Spanish speaking people in this county. We have come to face some difficulties, which without the help of those who have cared for these people, we couldn't have gone as long as we have. There are so many people that have helped that it would be impossible to name them all.

I have learned one thing, and that is if you have something to say, say it. This program needs to go on to a higher scale. A better program to better the people. We have a great country, a great state and a wonderful county. Education has been the greatest contribution to all this. Let's make a better community through the channel of education. No one is to old to learn.

Destiny has robbed the poor of an education. Opportunity has given you education. Share that opportunity and help change destiny. Then, people can learn to read and write, and feel that they too are part of this community and have the responsibility of being that part of an American, regardless of Race, Religion or Creed.

### AN INVITATION TO ANNUAL BAZAAR

The Tsa Mo Ga Club, in keeping with the Year's study theme, "Woman, and Her World," will hold the annual Bazaar on Saturday Evening, November 8th, beginning at 6 o'clock at the Cafeteria in the Plains School. Everyone is urged to attend, there will be fun and food for all. "Shop the WORLD," is the Bazaar Theme. A complete meal will be served from ports around the world, Mexico, China, Italy, Hawaii, France, Turkey and Grand Ole' U.S.A. Club members are to be dressed in costume.

There will be bargains galore!

### YOAKUM COUNTY FARMERS UNION

The Yoakum County Farmers' Union met Monday night, October 3rd in the clubroom. Officers elected for 1970 are Lowrey; 1st Vice President - I. as follows: President - Carl L. Smith; 2nd Vice President - Roy Lowrey; and Secretary - Treasurer - Tommy Elmore. Delegates to the State meeting are I. L. Smith, Melvin Lowrey. Alternate delegates are Mrs. I. L. Smith and Mrs. Carl Lowrey.

Next meeting will be the 4th Monday in November.

It was voted to give a prize of \$50 for each member that signs up 20 or more new members, \$15 for second prize and \$10 for third prize. If no one signs up 20 members the highest number gets the \$15 and the second gets \$10.

Robert Henard, Associate County Agent with New Mexico State University Extension Service, will give the program at the Plains Lions Club on November 6th at their regular meeting. The program will be about the youth program that has been developed by the extension service in Lea County.

### AN INVITATION TO ANNUAL BAZAAR

The increase in price support payment is due to the parity price being higher. This payment will be made on 65% of the allotment. The national allotment is 6% higher in 1970 than it was in 1969. The national cotton yield is down, possibly as much as 50 pounds per acre.

Mr. and Mrs. Overton left Plains Wednesday in order to drive by Whitesboro to visit Mrs. Overton's mother. They also drove through Van Alstyne and while there, stopped at the Newspaper office and visited with Mr. Casey and Sylvia Casey, nee McGinty.

The event that made Mr. Overton the happiest was that while he was obtaining his birth certificate, he found out that he was younger than he had thought - by two days.

### YOAKUM COUNTY FARMERS UNION

There will be a CHILI SUPPER FRIDAY NIGHT, NOVEMBER 7th, SPONSORED BY THE BAND BOOSTERS. THE TIME IS 5:30 TO 7:30, IN THE SCHOOL CAFETERIA. EVERYONE IS ENCOURAGED TO COME BY AND EAT CHILI BEFORE GOING TO THE GAME. ADULTS WILL BE \$1.00 AND CHILDREN \$.50.

## CITY WATER PLANT OPERATING AGAIN

Don Laverantz and Dave Moyes, specialists for the "Permassep" division of the Du Pont Company were in Plains this week. As many know, Don has been in charge of operations at the Du Pont desalination plant here in Plains since the first inception. Mr. Moyes assisted in the installation of some of the equipment.

The operation of the plant has been interrupted for the past month because of the necessity of cleaning and repairing of the storage tank and the installation of a new pump in the city well at the plant.

Mr. Laverantz and Mr. Moyes flew here from the company headquarters at Wilmington, Delaware and with the assistance of Lester Hanks of Denver City have been putting the plant back into operation.

Mr. Hanks came to work in

Plains with the Brown & McKeen construction Co. when the first ground was broke for the construction of the building for the Du Pont Plant. When the construction was completed he continued on for Du Pont throughout the installation of the equipment and starting up of the plant. He is the only man that has been on the project throughout every phase of the plant. Lester is expected to be at the plant for another month or so. Laverantz and Moyes flew back to Wilmington last Friday.

Before leaving Mr. Laverantz reported that the plant was back in full operation and operating at full capacity. Plains is now ready for the winter season with the finest water in its history with soft water at the tap for every one patronizing the city water system.

## COW CAUSES WRECK

A serious accident occurred four and one half miles north of Plains on highway 214 last Saturday evening November 1st.

Dr. Nathaniel Lee Dubberly and wife of Haggerman, New Mexico were traveling south on highway 214, when they collided with a cow which had wandered onto the highway. The cow was killed and the car came to a stop in the field on the east side of the roadway after skidding about 280 feet and heading back north without overturning.

No serious injury was suffered by either the doctor or his wife. However, Mrs. Dubberly's face was blooded and her nose bruised when she was thrown against the dash of the car.

Deputy Sheriff Bob McDonnell who investigated the accident, reported that the 1969 Oldsmobile car could possibly be called a total wreck. The deputy furnished transportation for Dr. and Mrs. Dubberly to Plains, where they were met by friends from Artesia, New Mexico, who carried them back home.

Deputy McDonnell stated that at present no one had come forth to lay claim to the cow involved in the accident, and that no brand was found to identify the owner.

## NEW TAX FORM

Tax Man Sam Sez

If you don't know about the new income tax form, you will shortly after January 1st. Internal Revenue Service has issued a fact sheet on the new form 1040. Here are some of the facts.

The new 1040 not only replaces the card form 1040A, but also the old 1040 form. The new form is a one page basic form to which schedules can be added to cover any tax situation. IRS says that 77 million returns will be filed for this year--1969. An estimated 31 million will use only one page. Another 22 million returns will consist of the new one-page form and one additional attachment. Thus about 75% of all the 1969 income tax returns will require only one or two pages. IRS assures taxpayers who formerly filed the little card form 1040A that the new form will not complicate filing nor require additional information of them. The new form simply provides a different place for the information that should actually be easier to use. The good tax folks feel that the new form will help 1040A filers take advantage of all the deductions available to them, especially those who overpaid their income taxes because they were not aware of, or could not take advantage of, the various tax benefits available to them. Internal Revenue gave the problem long and thorough study before they changed the tax form. Let's hope it will make the job easier and save us a few bucks.

## STOLEN CREDIT CARDS AID TO CAR THIEF

DALLAS -- Stolen oil company credit cards often prove to be of great value to car thieves, according to the National Automobile Theft Bureau (NATB).

C. C. Benson, manager of NATB's southwestern division, says that stolen gasoline credit cards often provide an excellent means of false identification for the car thief.

The credit cards enable him to buy gasoline, oil, tires, etc. for the stolen automobile and they can also be used to cash checks and for payment for motel lodgings and food.

The NATB official warned automobile owners never to leave their credit cards in their cars, to keep accurate records of the serial numbers of all credit cards, to consult with their insurance agents about credit card insurance and to promptly notify the oil companies and their insurance companies if credit cards are lost or stolen.

## REMEMBER DEADLINE FOR GETTING NEWS IN IS TUESDAY NOON, PLEASE TRY TO GET IT IN BY THIS TIME.

## WEATHER REPORT

The Plains area farmers were treated to another scare from the weather maker last Saturday when the cold front blew in with some very blustery action. However, after some snow that melted as it fell and light precipitation Saturday night, sunny weather has prevailed. This is a treat for all after the persistent muggy weather of the past few weeks.

High for the week----- 68°  
High average----- 59°  
Low for the week----- 27°  
Low average----- 29°  
Precipitation----- .16"

## LIVESTOCK REPORTS FROM RANCHERS AND FARMERS NEEDED

by Leo L. White, CAA

During the last half of November some 40,000 Texas ranchers and farmers will receive a livestock survey questionnaire from Cary Palmer, State Statistician for the Texas Crop and Livestock Reporting Service.

**EDITORIALS**

It has not been our policy to print the full contents of the letters we receive from our legislators. One reason for this is that frequently the real meat of the subject matter is overshadowed by an extolling of the virtues of the writer and the letter takes on the aspects of a campaign speech. To extricate the worthy information which is often of vital importance to our readers from the 'egoism' some times destroys the substance of the article.

However we find the information in the following letter of such importance that it justifies printing in full context.

**FROM THE OFFICE OF  
CONGRESSMAN JAMES M. COLLINS  
GUN CONTROL**

By a vote of 65-16 the Senate has overwhelmingly acted on behalf of the American sportsman and hunter by exempting rifle and shotgun ammunition from the record-keeping requirements of the 1968 Gun Control Act.

The recently passed legislation is similar to a bill I introduced on February 18, 1969. Due to opposition within the House Judiciary Committee, my bill has not come before the House. The Senate has taken the lead to remove the penalizing restrictions of the 1968 Gun Control Act. It is now time for the House to act favorably on my bill. However, my bill goes one step farther than the recently passed Senate legislation.

My bill will exempt purchasers of .22-calibre rifle ammunition from the record-keeping requirements. In a compromise move, the Senate failed to lift the restriction on this type of ammunition.

.22-calibre rifle ammunition is the most commonly used. However, sportsmen and hunters will still be required to give the dealer their names, ages, addresses, drivers' license numbers and other information when they purchase .22-calibre rifle ammunition. This ban must be lifted.

Sportsmen and hunters do not commit criminal acts of violence. The 1968 Gun Control Act places cumbersome burdens on the lawabiding citizen but does little to crackdown on the criminals and their illegal, violent activity. Our priorities must be placed on capturing and prosecuting the criminal, not on penalizing the sportsman.

**FOREIGN AID**

During this inflationary period the American position on foreign aid give-away programs must be closely scrutinized and analyzed. Can the U.S. survive indefinitely as a strong nation if we continue dissipating our resources and giving away our wealth to nations all over the world?

Since January 1, 1969, new budget request for additional foreign aid have totaled \$10,528 billion.

There is a \$18,708 billion in unexpended balances which Congress has appropriated. So far it has not been spent. Yet now there are requests for an additional \$10 billion Congressional appropriation. If all new requests are approved by Congress the total funds available new and from prior years, will amount to \$29,236 billion.

The NET cost of the foreign aid program from 1946-1969 including interest on what the U.S. has borrowed to give away, amounts to \$128,583 billion. U.S. wealth has been distributed among the entire 3 1/2 billion world population, with the exception of 36 million people.

Since 1946, the United States has spent \$128,583 billion in foreign aid. U.S. gold holdings have been reduced from \$22,879 billion to \$10,367 billion. Our balance-of-payments situation has increasingly grown more serious. The U.S. has sent to foreign nations \$36,896 billion more than those same nations have returned to us. The U.S. public debt has risen to \$57,081 billion more than the COMBINED public debt of ALL other nations in the world.

During fiscal 1970, the foreign aid program will be operating in 99 nations and 5 territories of the world with 51,000 people on the payroll. There are 4,408 projects and sub-projects scattered across the face of the earth. Not a single foreign aid project suffered as much as a \$1 reduction because of the limitation imposed by the Revenue and Expenditure Control Act of 1968. However, many similar projects in the United States were closed down during fiscal 1969 for lack of funds.

Such vat expenditures to other countries should stop. Private foreign investment can and should take over the tasks now reformed by foreign aid. Private investments would encourage the growth of private industry in developing nations and help steer them away from socialism or communism. Only hard work by developing nations will in the long run provide a solution to their problems.

**PUBLISHER**

The sign on the door of Opportunity Reads: "Push,"

It is now hunting season and a number of men from one end of Yoakum County to the other have been on deer hunts. Some with good results and others came back without even seeing a black bear. Our County Judge, Gene Bennett, has returned from a week end deer hunting trip in Grants, New Mexico, but without a deer. He said, "You must see one before you can shoot at him." County Commissioner, Johnnie Fitzgerald, plans to go hunting this week end down around Fredericksburg, Texas Surely hope nothing interferes with his plans and that he returns home with a big buck.

Others are on fishing trips, among them Mr. and Mrs. W.S. Wagley of Wagley Upholstery, and Mr. Foye Powell, and perhaps others that have not been reported. Good luck to everyone.

We kind of chuckled to ourselves as we opened an armed forces dispatch here at the office the other day. The contents of the envelope weren't of the kind to bring smiles. But what did ignite a chuckle were those words printed where you and I would normally place a stamp: "postage and fees paid, Department of the Navy." Wouldn't it be better if it read: "Postage and fees paid for by the taxpayers of the United States."

The Average person forms an opinion by adding to a small measure of information a dash of imagination and a large quantity of prejudice, shaking well with emotion.

There is one agency, the Federal Bureau of Investigation, that has no illusions about the type of campus disorders that caused more than \$3 million of damage to colleges and universities between September, 1968 and April, 1969. Mr. J. Edgar Hoover, the director of the FBI reports, "Those who rally to the support of the New Left and participate in activities championed by SDS do so under no illusion. The issues are now clear. . . The youthful idealism of 'participatory democracy,' so frequently espoused by SDS while striving for student approval, has been cast aside. The Marxist dogma is in full command. SDS now calls for outright revolution.

"Inasmuch as breaking the law is a customary part of revolutionary tactics, many enforcement agencies will become involved in campus strife. In most instances, the nature and degree of involvement will depend on whether school authorities desire to protect their institutions and the rights of the majority of students who would rather study than riot, or forsake their responsibilities and give into mob rule."

There is a great difference between the right word and the word that is almost right. For instance, you can call a woman a kitten, but not a cat; a chicken, but not a hen; a duck, but not a goose; a vision, but not a sight.

Grandad saved his first dollar in a ten cent frame. Now, the frame is worth a dollar, and the dollar is worth ten cents.

**AROUND THE COUNTY  
WITH OUR SHERIFF**

Deputy Sheriff Bob McDonnell said "He had it Friday night". Sheriff Joe Deaton was out of town and so was the Denver City Deputy, Wayne Carter. Deputy Bob said he kept the highway hot between the two cities trying his best to keep up with the vandalism that the young children of Yoakum County were doing on Halloween night. Even though most of the children go out for treats, there are always a few who had rather trick. Although not much damage was done. . . mostly writing on windows of different business houses, but some of the language used was very improper.

Deputy Bob was called on Tuesday morning to investigate a car accident between the Chief of Police in Denver City, Arthur N. Mason, and Mrs. Virginia B. Slentz. Mrs. Slentz had pulled up in front of the police department and as she was backing out on Avenue B, Chief Mason had turned the corner on the same street. He saw what was going on and stopped in the middle of the street. Mrs. Slentz was looking toward the right, to see that no cars were coming and forgot to look in the back, backing and hitting the Police Chief's car on the left front bumper. Approximately \$200.00 worth of damage to Mrs. Slentz's car, but the Police Chief only had some paint scratched on his front fender.

The rest of the time was spent on minor incidents such as fast driving, failures to stop at stop signs and improper starting.

Oh yes, Plains almost had a doctor, not because he wanted to stop in Plains but because he ran into a cow on the highway which you have already read about on the front page. But wouldn't it have been nice if we could have kept him long enough to have interested him in living in Plains. He was on his way to Morton to see about settling there. Unfortunately for us, some friends came by just after he had checked into a motel and he left immediately without giving us a chance to talk to him. Deputy Bob was extra nice to him, but forgot to tell him that he was badly needed in Plains, perhaps more so than in Morton.

**HALLOWEEN**

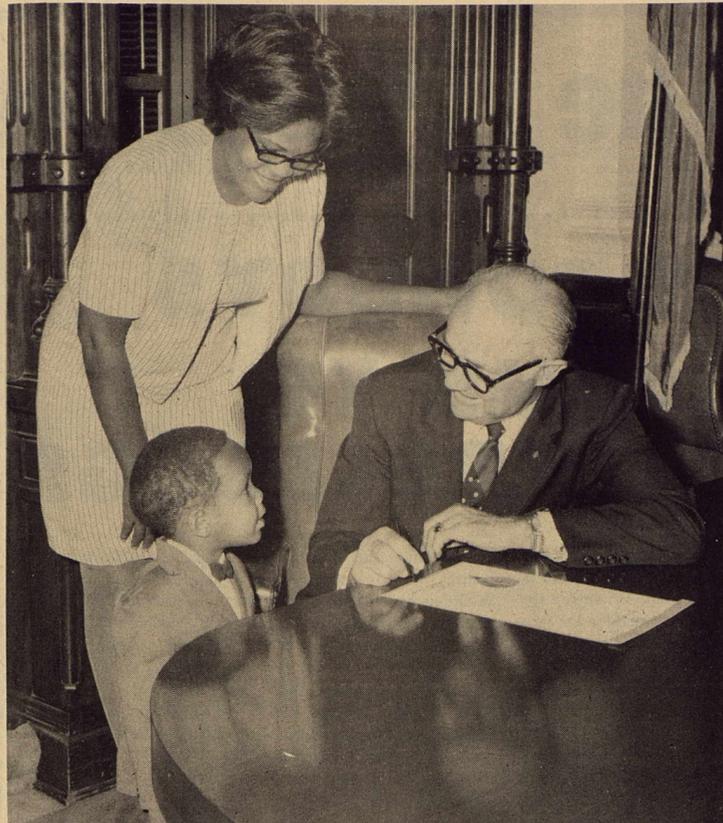

The "goblins" that were out last Friday night were a dandy and orderly bunch of little fellows. It is always a pleasure to entertain these youngsters and help them with their celebration. Though we had many callers at our house there was no window smearing nor disturbing of property. We have heard this comment from other residents also.

HE LOBBIES FOR CHRISTMAS SEALS -- Young Calvin Thompson, Jr. of Austin speaks to his governor about Christmas Seals from a first-hand knowledge of the disease which provoked the venerable Seal campaign -- tuberculosis. Calvin's mother was hospitalized with the disease but is now back at work though she continues to take anti-TB medication. Calvin was found to have tuberculosis infection, and doctors placed him on the medication to prevent his becoming tuberculous. Governor Preston Smith, who is Honorary Christmas Seal Chairman for Texas, asked Calvin and Mrs. Thompson to witness his signing a proclamation of Christmas Seal Days in Texas for the Texas Tuberculosis and Respiratory Disease Association.

**UNCLE SAM'S  
SELECTIVE SERVICE**

**QUESTIONS & ANSWERS**

Editor's note: Below are questions now being asked at draft boards. The answers are by Colonel Morris S. Schwartz, State Selective Service Director, 209 W. Ninth Street, Austin, Texas 78701. He will welcome your questions.

Q--Recently I telephoned some information to my draft board about a physical problem I have had for years. Today I obtained written evidence from my doctor. Should I mail that evidence to the local board, and if I do, will the board relate it to my earlier call?

A--Yes, you should mail the documentary material to your board at once, along with a letter which relates it to your earlier phone call. It is important to remember that whenever you give oral information to your board, you should always immediately follow it up in writing.

Q--I have been ordered to report for induction. Will it be all right for me to take my

We regret that we even suggested a continuation of the celebration through Saturday night. We had no trick or treaters but the window smearees were out. Now, we know that at we have the finest bunch of school kids that can be found anywhere. They are good clean sports and it would be difficult to convince us that any of these young folks were involved in any of the foul writings that were found on many of the windows in town Saturday morning. Good decent folks are just above this kind of 'hippie' filth. Those who participate in such degradations are not worthy of recognition in the Plains social life. A little devilry may be excusable but smut and filth are despicable.

**WARTS  
DISSOLVE AWAY!**

Warts are caused by viruses. Removed by amazing Compound W!

Compound W® contains two medicines widely used by doctors in treating virus-caused warts. A few colorless drops of Compound W, used as directed, can dissolve away warts in just days. No cutting, no burning, no pain. Remember: warts are caused by viruses—removed by fast-acting Compound W.

car with me to the reception or training center?

A--It is not advisable. Facilities to care for privately owned vehicles at reception and training centers are limited, and the Department of the Army advises that you will have little opportunity, if any, to use your car. You may also have a problem of disposing of it when you are ordered away from the center, in case travel by private conveyance is not authorized.

Q--Where may I obtain information on court cases involving the draft?

A--A recently revised publication entitled, "Legal Aspects of Selective Service," may be purchased from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402, for \$1.

Q--My friend and I registered at the local draft board last week. Afterward my friend told me his father is on the draft board. What about a father deciding on drafting his own son?

A--The father is disqualified from participating in any local board actions concerning his son. The regulations provide that no member of a local board shall act on any case of any man who is his first cousin or closer relation, either by blood, marriage, or adoption.

Q--I was a full-time college student until recently when my doctor hospitalized me for what he said might be several months. May I keep my I-I-S Student classification since I plan to re-enter college on my recovery?

A--No. You should inform your local board at once that you are no longer in school. When you re-enter college you may again request a I-I-S if you are pursuing a full-time course of study.

Q--My neighbor's son, an outstanding athlete, has not been inducted. He claims he is not physically qualified. How do you explain this?

**STAY AWAKE ITCHING?**

Let doctor's formula stop it. Zemo speeds soothing relief to externally caused itching of eczema, minor rashes, skin irritations, non-poisonous insect bites. Desensitizes nerve endings. Kills millions of surface germs, aids healing. "De-itch" skin with Zemo, Liquid or Ointment. Quick relief, or your money back!

A--The Selective Service System does not set the standards for military induction or make the determination of whether a registrant is qualified and acceptable to the Armed Forces. This determination is made by the Armed Forces at the Armed Forces Examining and Entrance Stations, under standards prescribed by the Secretary of Defense.

Canada's coldest temperature was 81 degrees below zero F., recorded at Snag, Yukon Territory. On the hottest day, a sizzling 113 degrees F. registered on thermometers in Midale and Yellow Grass, Saskatchewan.

The Plains Elementary School presented a Halloween Program last Friday, October 31. Taking part were grades 1-4. Each grade sang several Halloween songs.

The program was enjoyed by all parents and visitors who attended. The program was under the direction of the music teacher, Mrs. John Thomas.

Students taking part in the morning program are as follows: L-R 5th grade - Angela Teaff; 6th grade - Donna Cheatham; 5th grade - Brad Crump; 7th grade - Ernest Jones; 8th grade - Joe Ruiz; and 7th grade - Lou Ann Fisher.

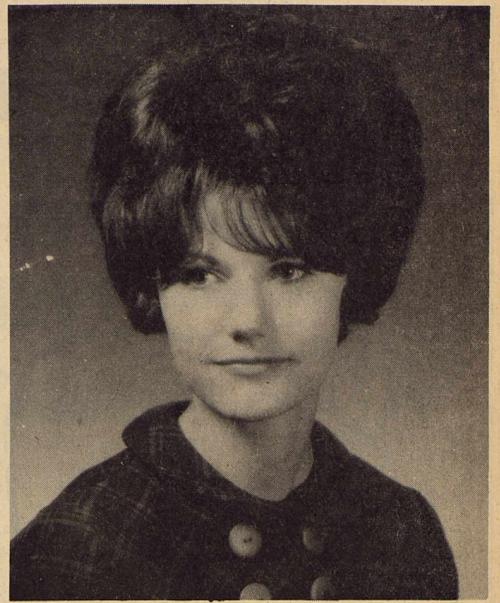

### DAILY MORNING PROGRAM PRESENTED

One of the most enjoyable activities at the Plains Junior High School is the Daily Morning Program. Every homeroom is responsible for giving the program for one week. With the help of teachers, students plan and present these presentations. The themes of the presentations are usually patriotic, informative, spiritual or humorous.

At the beginning all students stand and pledge allegiance to the flag as it is led by one of the pupils on the program. Following the pledge, the students present a poem, reading informative paragraph or other material prepared. Special programs are given for special holidays. The program is concluded with a thought for the day.

### SCHOOL MENU

- Monday, 10th
  - Barbecue On Bun
  - Diced Potato Salad
  - Sliced Tomato & Lettuce

Mr. and Mrs. W. C. Wilmeth announce the approaching marriage of their daughter, Kathy Jean Wilmeth, to Jerry Don Cowart. He is the son of Mr. and Mrs. Bill Nokes. Jerry is in the Air Force, stationed at Biloxi, Mississippi, where they plan to reside. The couple will be married on November 15th at 7:30 p. m. at the First Baptist Church in Plains. Everyone is invited to attend.

### WEDDING SHOWER SET

There will be a bridal shower honoring Kathy Wilmeth, bride-elect of Jerry Cowart, on Thursday, November 13th, at the clubroom from 4 to 6 p. m. Everyone is cordially invited to attend. Hostesses, Mr. & Mrs. M. E. Welch and Mr. & Mrs. R. G. Hartman

Words cannot express our sincere appreciation for the words of encouragement, sympathy cards and the food during the loss of our little grandson Lavon Ray Welch.

**FIVE SCORE YEARS** — Mrs. Minnie (Welch) Harris is pictured with her children and her birthday cake as she observed her 100th birthday Friday with open house in her home at 1016 East Hill. Pictured with her are, from left, Mrs. Dona George of San Antonio, Mrs. G. V. (Lera) Ellis of 718 East Broadway, Mrs. J. P. (Norma Dell) White of Plains, Otho J. Welch of Austin, Mrs. N. L. (Ruth) Brandon of Breckenridge, and Mrs. Roy (Ellen) Collier of 1204 East Buckley. The cake did have 100 candles; however, they just lit those on the top layer.

#### HOT CHOCOLATE WEATHER

It's hot chocolate weather and we thought you might like this easy recipe for a long lasting winter's supply. The recipe is as follows:

1 box of powdered milk (12 qt. box)

1 jar of Coffee-mate or Pream (11 oz. jar)

1 1/2 lbs. of Nestle's Quick (1 - 1 lb. box & 1 - 8 oz. box)

1 1/2 lbs. of Powdered Sugar (1 1/2 boxes)

Mix well. This mixture will fill two 3 pound coffee cans. To use - heat water and add 2 to 3 heaping teaspoons of this hot chocolate mixture to a cup of the hot water. The amount of the mixture added depends on your personal taste, whether you like your chocolate strong or weak.

#### FAMILY GET TOGETHER

The home of Mr. & Mrs. W. F. Upton was the scene of a family get together Sunday Nov. 2nd.

Honored guest was Airman Rosemary Upton, of Tyndall Air Force Base, Panama City, Florida, who was home on leave. She was stationed at Keesler Air Force Base, Biloxi, Miss.

Those attending were Mr. & Mrs. John Upton, Mr. & Mrs. Wayne Upton and children all of Seminole. Mr. & Mrs. Charles Upton and daughter of Tokio, Mr. & Mrs. Johnny Hillhouse of Plains, Mr. & Mrs. William Worsham and daughter of Tokio and her sister Mrs. Lucille Palmer of Hector Ark., Mr. & Mrs. Ray Hughtell and children of Brownfield, Mr. & Mrs. Virgle Hughtell and boys, Mr. & Mrs. Eugene Hughtell and children, Mrs. Gary Aubrey and daughter all of Lubbock and Miss Nelma Lynne Gandy of Tahoka.

#### STORY HOUR

by Latrell McDonnell

Those reading for the story-hour this Thursday were Mike Payne and Stephen Green. Those listening to Mike and Stephen were Teddy and Becky Willis, Michael Houck, Michael Davis, Russel and Doug Warren, Nicky Hanna, Denise, Judy and Susie Cogburn, Selanie and Natalie Streeman, Rhonda Teaf, Debra and Charmaine Cox, Latrice and Wanda Pickett, Ginger Nance and Christie Barron. All the children were wearing Halloween costumes and has a contest to determine who had the scariest one.

### PAPERBACKS ACCEPTED AT LIBRARY

by Latrell McDonnell

There are paperbacks in the library. These paperbacks are on a shelf in the back of the library and can be traded. If you have paperbacks you have read, you may bring them in to the library and trade for some you have not read. This is an exchange of paperbacks and is used by many people. Also, if you have paperbacks you would like to get rid of just bring them in and the library will be glad to have these books. The library does reserve the right to use what they can and so away with what they cannot use.

GLEND A HENDERSON  
**TEXAS FARM BUREAU QUEEN CANDIDATE**

Miss Glenda Henderson of Lubbock County will represent District 2 in the state finals for the 1969 Texas Farm Bureau queen contest November 17 in San Antonio. The 18-year-old daughter of Mr. & Mrs. Herb Henderson of Wolforth was selected to represent this area during recent district eliminations.

At the state contest, which will be held in conjunction with the 36th annual convention for the Texas Farm Bureau, Miss Henderson will compete with 12 other district winners for the state title. The winner will receive \$500 to cover expenses for herself and a matron escort to attend the American Farm Bureau Federation convention in December in Washington, D. C.

Miss Henderson, a Freshman High School Senior, is active in Future Teachers, Future Homemakers, Annual Staff, and Student Council. Glenda is also serving as a cheerleader and President of the Dramatics Club. Honors she has received include FFA Sweetheart, All-District basketball player, and Homecoming Queen.

The queen candidate enjoys sewing, cooking, and water skiing. After high school she plans to further her education in college.

Miss Henderson is 5'7" tall and has dark brown hair and brown eyes.

That's what many a plastic bag might say if it could talk, for ingenious home economists are coming up with a delightful variety of jobs that the "Glad" plastic bags can do.

Are you weary of stocking snags when the bureau drawer catches your hosiery? Match up your pairs, roll them lightly and pop them in a transparent Glad Bag where you can see which shade you want to wear without handling all your fragile nylons.

Your bracelets and necklace jewelry all jumbled and tangled in a top drawer? Give them top drawer treatment. Make your bracelets glad in one bag and your pearls and beads in another. They'll never tangle again.

See BAG Page 5

BAG From Page 3

**CONSERVATION**

The world's only flock of wild whopping cranes is on the way from breeding grounds in northern Canada to their winter home on the Amasas National Wildlife Refuge on the Texas Gulf Coast, according to Regional Director William T. Krummes of the Bureau of Sport Fisheries and Wildlife.

Five adult whoopers have arrived on the Aransas Refuge, and two adults and one juvenile bird were seen on the Salt Plains National Wildlife Refuge in Oklahoma, Krummes said.

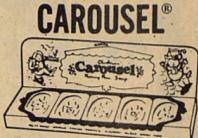

Every year, conservationists across the nation eagerly await news of the big white birds, who are waging a gallant fight for survival. In the fall of 1941, only 15 cranes arrived at Aransas. Under strict protection, their numbers have gradually increased until they reached a high point of 51 birds in 1968, Krummes stated.

Whoopers are about five feet tall, with red-crowned heads and black wing tips. Juvenile birds have an orange or buff coloring until their second year. The twenty pound birds fly with their long necks and feet extended. "Again this year, the Department of the Interior will try to keep the public informed as to the progress of the dangerous 2,000 mile migration, and the birds need the cooperation of all people if they are to win their fight against extinction," Krummes said.

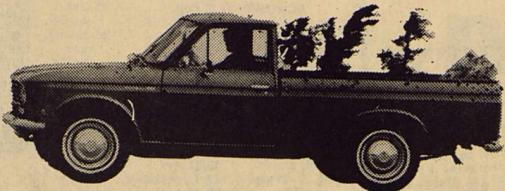

Your curlers, too, in one large plastic container, and all your bobby pins in a small one, prevent bedroom bedlam when it's possible to simply haul out on top of the dressing room table exactly what you want when you want it. No more jamming pins in your fingers floundering in a dish of assorted bobby pins or clips! An open container catches everything that's loose! Glad bags can be tied and tidy, as well as transparently truthful concerning containment therein.

When it's in the bag your spirits are glad and your bedroom is no longer sad or disordered.

**NOTICE**

**OPEN ADMISSIONS POLICY STATEMENT FOR A NURSING HOME**

It is the policy of the Plains Nursing Home to admit and to treat all patients without regard to race, color, or national origin. The same requirements for admission are applied to all, and patients are assigned within the nursing home without regard to race, color, or national origin. There is no distinction in eligibility for, or in the manner of providing, any patient service provided by or through the nursing home. All facilities of the nursing home are available without distinction to all patients and visitors regardless of

race, color, or national origin. All persons and organizations that have occasion either to refer patients for admission or recommend the Plains Nursing Home are advised to do so without regard to the patient's race, color, or national origin. Also there are no restrictions in the hiring of the personnel, or in the uses of the facilities by the personnel because of race color, or national origin.

Published in the Plains Review on October 29, 1969 and November 5, 1969.

**PURELY LOCAL**

By Jewell Anderson

Mr. and Mrs. Perry Anthony recently spent a ten day vacation fishing at Lake Texoma. They visited Mr. and Mrs. Clyde Anthony and Mrs. Lucy Anthony at Calera, Oklahoma, and Mr. and Mrs. Gene Huff and children at Richardson. They also attended two Dallas football games.

Mrs. Amos Sheffelt and daughter, Wanda Clevinger of Lovington visited relatives in Amarillo last week.

Mr. and Mrs. Earl Robertson and children of Lubbock were here over the weekend.

Mr. and Mrs. Jimmy Kirby of Lubbock were here for homecoming last weekend.

Mr. and Mrs. G. T. Blount and children, Mr. and Mrs. Geroge Blount, Mr. and Mrs. Kenneth Blount, Mr. and Mrs. Fred Blount of Midland and Mr. and Mrs. Tommy Blount of Levelland were in Santa Anna over the weekend to help G. T.'s mother celebrate her 87th birthday. There were about 65 relatives there.

Mrs. W. L. McClellan, Mr. and Mrs. John Anderson, Mr. and Mrs. Roy Edwards and girls and Marie Grisham and Helen were in Sundown Sunday for a birthday dinner for John Anderson at the home of Mr. and Mrs. Hollis Wolfenbarger.

Mr. and Mrs. James Doggett of Levelland visited Mr. and Mrs. Slim Smith one night last week.

Mr. and Mrs. Kenneth Godwin of Brownfield visited friends here Saturday.

Mr. and Mrs. Tom Morgan of Ft. Sumner, New Mexico visited their son, Calvin, and family over the weekend.

Ray Strickland took his parents, Mr. and Mrs. C. L. Strickland, of Levelland to Snyder Saturday. Ray's brother-

uis Millsap and family in Lovington Friday night.

Mr. and Mrs. John Shelton of Midland visited Mr. and Mrs. Bayne Price Saturday.

Roy D. Guetersloh was taken to the Yoakum County Hospital Tuesday night for observation and returned home Thursday.

Alton Felts returned home after surgery in the Veteran's Hospital in Big Spring about a month ago.

Mrs. Tom Sims went to Amarillo last Friday week to visit her sister, Mrs. Rankin. Her brother, Mr. and Mrs. Ed Brewster of California were also there. She returned Sunday.

Mrs. Johnny James and sons of Odessa spent from Friday to Sunday with her dad, Tom Sims. She attended the home-

coming activities.

Mr. and Mrs. Clark Jones and sons and Bonnie Sue Atkinson were supper guests Friday night in the home of Mr. and Mrs. Lee Roy Box and girls.

Mr. and Mrs. Hayden Box went to Coleman Saturday to attend her parents, Mr. and Mrs. A. J. Walton's, 60th wedding anniversary reception in their home. Mrs. Box's brother, Mr. and Mrs. Arthur Walton of Atlanta, Georgia, were there. They returned home on Sunday.

**SUBMARINE VETERANS PLAN REUNION**

AUSTIN---The Submarine Veterans of WWII will hold their 1970 State Convention in Bandera, Texas, on May 29, 30, and 31.

The veterans meet annually amid gala entertainment to visit, tell stories, and honor those of their ranks who did not return.

Having only one membership requirement--that you be a WWII submarine veteran--the organization is strictly a pleasure group which has no axe to grind, no political goals, no civic works, and no money raising--except a scholarship fund for children of sub vets.

Harold White, Vice Commander of the group, points out, "We are trying to contact all WWII sub vets--crewmen and relief men. I would like anyone having knowledge of any of these people to contact me; Harold White, Rt. 1 Box 105, Bandera, Texas 78003."

In looking for a record turnout in 1970, White says, "We hope all the old pig boat boys will come and meet their old shipmates and have some real fun."

### LIVE 'n LAFF

"I HOPE SOME POLICEMAN STOPS YOUR WIFE AND GIVES HER A TICKET FOR SPEEDING WHEN SHE'S HURRYING HOME TO FIX YOUR SUPPER!"

### FARMERS UNION MEMBERSHIP WEEK

Governor Preston Smith has proclaimed the week of November 10-15 "Farmers Union Membership Week". In announcing the proclamation, the Governor acknowledged a prosperous agriculture is vital to the economic well-being of Texas. He pointed out that Farmers Union is the oldest fa-

rm organization in Texas, having been founded in Texas in 1902, and he recognized the growth of the state organization.

Texas Farmers Union is the fastest growing organization among the affiliates in the National Farmers Union and is considered the fastest growing general farm organization in Texas.

During the week of November 10-15, Texas Farmers Union will join the other states in the National Farmers Union in launching a nationwide membership campaign. The objective of the program is to enroll thousands of farmers and ranchers as new members in the Farmers Union.

A planeload of Nebraska and Kansas farmers will arrive in Amarillo on the Farmers Union Convair plane November 10 to participate in an areawide membership effort. "Flying Organizers" will be hosted in the homes of farm families in Hartley, Oldham, Deaf Smith, Potter, Randall, Carson, Armstrong and Swisher counties. They will be involved in a two-day membership campaign that will be climaxed by a victory barbecue at 7:00 p.m. on Wednesday, November 13, at the Junior Livestock Barn in Canyon, sponsored by the Randall County Farmers Union.

Similar membership programs have been planned for other areas of the state with the objective of enrolling 1,000 new farm and ranch members in Texas Farmers Union during the week-long membership drive.

National Farmers Union is coordinating the program which will involve most states from the Canadian border to Texas. A contingent of the group arriving in Amarillo will go to New Mexico to do membership work. Membership activities will be in progress in most of the midwestern states and in several states in the northeast.

The planet Venus, target of current Soviet space probes, glows brilliantly in March. Only the sun and moon outshine it.

### SIXTY-SIXTH ANNUAL CONVENTION

Abilene will host the Sixty-sixth Annual Convention of Texas Farmers Union December 4-6. According to the officials of the statewide general farm organization, the fact that the Rolling Plains is generally referred to as "Farmers Union Country" assures a large attendance and the "biggest convention in the organization's history." The convention headquarters will be the Windsor Hotel.

An array of interesting speakers and an activity-packed program awaits those farm and ranch families who will attend the convention this year. The convention will give priority attention to adopting a state program to guide the policy direction of the organization during the coming year. The first draft of the proposed program, composed of resolutions from the 120 chartered county organizations, will be written by a drafting committee that will meet prior to the convention.

State officers for 1970 and delegates to the National Farmers Union Convention will be elected by secret ballot from nominations made on the floor of the convention. The National Farmers Union Convention will be held in Denver in March.

### ELIMINATE ELECTRICAL HAZARDS

COLLEGE STATION-- The misuse of electricity or using defective wiring and equipment can be costly, cautions W. S. Allen, Texas A&M University Extension agricultural engineer. Many fires are caused by such carelessness, he adds. Here are questions, posed by the engineer, covering electrical hazards often found in the home.

--Is the right fuse (15 amps for lighting circuits) in use? Do you use a new fuse, never

Cotton goods were prohibited in England in 1712. Grey cloth is cotton cloth in a rough, unfinished state.

substitutes, when one blows? --Do you use extension cords within safe limits of the capacity? Safe limit for the most commonly used lamp cord is 500 watts. --Are extension and appliance cords replaced immediately whenever insulation shows signs of fraying or cracking? Do you see that cords are never run under rugs or hooked over nails? --Are appliances checked periodically to be sure they are in good operating condition and taken out of service for repair or replacement at the first sign of trouble? --Is your TV antenna installed where it cannot fall across power lines, and is it equipped with a properly grounded lightning arrester? If there are "no" answers on the list, take corrective measures immediately. Allen advises.

Agriculture and the Statistical Reporting Service, U. S. D. A., to provide a program of county estimates for Texas.

In Texas there are 254 counties and each farmer in each county is an important part of the State's agriculture. Their reports are needed to provide accurate estimates for Texas cattle, hogs and chickens.

Another survey on sheep and goat will be made in late December.

Each farmer in Yoakum County is urged to fill out his questionnaire carefully and return it promptly in the self-addressed envelope to the Agricultural Statistician. This will do much to provide the accurate data needed for the State.

County data bulletins for 1968 are now available by writing the Texas Crop and Livestock Reporting Service, Box 70, Austin, or by writing John C. White, Texas Commissioner of Agriculture, P. O. Drawer BB, Capitol Station, Austin.
