From The Superintendent's Desk

Our students in grades three, five and nine, have taken the Texas Assessment of Basic Skills test and the results are now in our school.

The 66th Texas Legislature (1979) passed Senate Bill 350 which amended Section 16.176 of the Texas Education Code to provide compensatory instructional services for educationally disadvantaged children. The Texas Education Agency was directed to adopt and administer appropriate criterion-referenced assessment instruments designed to assess basic skills in mathematics, reading, and writing for all students in grades 3, 5 and 9. House Bill 723, passed by the 68th Legislature in 1983, further required that students who fail to demonstrate mastery of the exit level competencies in the 9th grade "shall retake the assessment instrument each year the assessment instrument is administered." Students with a physical or mental impairment or a learning disability may be exempt from taking the tests.

To carry out the law, committees of Texas educators, including teachers, principals, curriculum specialists, education service center staff members and university professors were convened in Austin to work with the Texas Education Agency in reviewing and refining previously developed essential objectives and measurement specifications for reading and mathematics. A committee of Texas Education Agency and school district specialists from across the state was formed to identify essential objectives for writing and to develop appropriate measurement specifications. Criterion-referenced tests for Grade 5 and exit level were completed in the fall of 1979 and the first annual cycle of assessment testing was conducted in February and March of 1980. Criterion-referenced tests for Grade 3 were completed in 1980 and administered for the first time in 1981. The sixth assessment cycle was conducted in February of 1985.

We invite parents of students in grades 3, 5 and 9 to contact the student's principal or Mr. Alexander, to discuss their child's test score. The overall test scores are good and we congratulate each student for their accomplishments.

Honors Given Mrs. StRomain For 50 Years Volunteer Work

The GFWC Tsa Mo Ga Study Clubhouse was the setting for an anniversary celebration honoring Mary Jo StRomain for her fifty years of volunteer service.

The youngest daughter of the late Murphy and Lillian Luna, pioneer family and founder of Plains, Yoakum County, Mary Jo started her career in federation at the age of 16 and has been a dedicated member of GFWC Tsa Mo Ga Club and Caprock District each year thereafter, totalling 50 years of volunteer service. Mary Jo, her mother, and her sister, Wilma have all been charter members of the Tsa Mo Ga Chapter of Federation.

Mary Jo continues to work diligently in Federation. At present, Mary Jo serves as chairman of the Sesquicentennial Committee for Plains and has spent many hours compiling a history book for Yoakum County in celebration of the 150 years.

Mary Jo's grandmother was the first death recorded in Yoakum County and because of her demise, Mr. Luna donated five acres of land to be used for the first cemetery for Plains.

Mary Jo and her husband, Pierre, share many interests. The StRomains started the Romain Telephone Company in the early forties and only recently retired from the business world. They have been active in the building of the new Catholic Church, where they are members. Mary Jo also shares in Pete's interest in Lions Club and has accompanied him many times to Lions Club International.

Traveling is another mutual interest for Mary Jo and Pete, which they do extensively. They have had the honor of having stood in the presence of the Pope outside the Vatican in Rome. Last year, they had the pleasure of boarding the

famous Concorde and flying to Paris, France.

A film was compiled and completed by James Smith, Resource Center director, with assistance from student, Paul Kennedy. Billie Blundell served as program director.

There were many personalities presented in the film, explaining the contribution the Luna family has made in the settling of Plains. Mrs. R.B. (Sit) Jones made the introduction to the film and served as narrator.

A cake, decorated with pink and white icing, with "Congratulations, Mary Jo" written atop, was served to approximately 35 members and guests, by hostess, Zereta Winn. Pink and white napkins and a matching floral arrangement completed the table setting. Ham Salad was also served.

A "Roast of Mary Jo" was also held in fun, and completed the evening meeting. In this comedy routine, the gossip girls from Hee Haw, were portrayed by Pat Livengood, Charlotte Palmer, Kathy Jones, Debra Crump, Toni Jones and Sherry McGinty; Claudia Curtis was "the Fat Lady"; Sarah Jane Field became Minnie Pearl and Louise Goehry played the part of Phyllis Diller.

Bridge players talk of "trumps" because an early version of the game (around the 16th century) was called *Triumph*.

Senior Citizens

I had this week's report all figured out with a great big congratulations to all the mothers who received flowers, cards, and lots of special attention from the kids on Mothers Day...then I read Erma Bombeck's column this morning, and I just wonder which Mom I am. I'd like to think I'm the "Mother's Day Card" sort, but I sure do relate to Erma's mom. Maybe in-between the kids will find a slot for me and let me keep my cards and gifts. When I try to define a Mother I remember the memorial Denver City's editor wrote about his mom last year. That's the kind of mother I'd like to be, and the memory I'd like to leave with my kids. Oh! being a mother is such a responsibility, and honor.

Friday the 17th is birthday night. Be sure and plan to be with us at 6 p.m. Call Mary or Pat at 592-8000 and let them know about your birthday and if you plan to attend, so that we can have you a pretty corsage. Our birthday nights are special. So come on down and bring a friend. We invite all to drop by the Center and view the birthday pictures we have posted. Last Friday we had 34 attend our group. Mrs. Trice brought three guests. We are always happy to have visitors.

The afghan was won by Billie O'Neal. We are happy for her.

Russell Banks is back from having surgery in Lubbock. Hope all our sick people are soon up and about.

Our sympathy to Juanita Moore and her family on the death of Perry. He was one of our board members and was a great help to the Center. Also our sympathy to the family of Mrs. Kennedy. She was a much loved lady.

Turkey and Dressing Day is coming soon. Be sure and register ahead so enough food can be prepared. Mary asks that everyone try to call in early on days they plan to be at the Center for lunch. See ya next time, *Smitty*
