Volume 50

Carbon, Eastland County, Texas, Thursday, September 14, 1961

Number 28

Local News In Brief

Eldon and Gene Maynard visited their brother, Cotten Maynard, and family of Odessa last week.

Mr. and Mrs. Ernest Burns of Copperas Cove visited his sister Mrs. Mary Phillips, this week.

Mr. and Mrs. Glenn Justice, Mr. and Mrs. Cyrus Justice, Mr. and Mrs. Pat Mosley, Mr. and Mrs. John Love and daughter, Loresta, and Mrs. Ellen Justice were in Stephenville Saturday night to attend the Farm Bureau Queen contest held in the High School Auditorium.

Mr. and Mrs. Mack Stubblefield were in Blake Saturday to attend funeral services of Mr. Lewis Hawkins who passed away in a Brownwood Hospital Friday. He was the father of Rev. Cullen Hawkins of Pasadena; brother-in-law of Mrs. Stubblefield, Rev. and Mrs. Hawkins and Glenn Ford and family of Austin spent Saturday night in the Stubblefield home.

J. L. Maynard, son of Mr. and Mrs. Melvin Maynard, had a narrow escape while on Army Maneuvers in Louisiana last week when a live artillery simulator exploded near him. He sustained a severe leg injury and was taken to the hospital but is improving now at the home of his parents near Carbon.

Miss Ann Mangum, who is doing student practice teaching in Bonham Elementary School, visited her mother Mrs. Bernice Mangum, last weekend. She was accompanied by a friend, Emma Richardson of Odessa. Both will enter McMurry College, Abilene for the fall semester and both are seniors.

Mr. and Mrs. John Black of Dallas spent last Friday with her grandparents, Mr. and Mrs. J. E. Ramsey.

Mr. and Mrs. Glen Cleveland and children of Midland visited her parents, Mr. and Mrs. C. L. Rogers, last weekend.

Dr. and Mrs. M. L. Stubblefield of Baird visited Mr. and Mrs. T. J. Stubblefield Sunday afternoon.

Edward Clark of Lubbock and Mr. and Mrs. Herman Weatherby of Eastland visited Mrs. Wade Clark last week. They all attended the birthday celebration of her brother J. T. (Doc) Hamlett, of Rising Star last Thursday.

Mr. and Mrs. J. T. Capers and Mr. and Mrs. Jimmie Jefferies of Fort Worth visited Mrs. J. T. Clement and Mr. and Mrs. W. M. Dunn last Thursday.

Mrs. Oscar Treadway of Eastland visited Mr. and Mrs. Dan Boatwright, last Friday.

Charles Morgan and family who have been living in Fort Worth have moved to the H. R. Gilbert farm south-west of Carbon where they plan to make their home.

While on a hunting trip Monday morning Ike Traylor and Carroll Hogan, with their dogs, killed a large bobcat near the Melvin Maynard farm. It is always good news to farmers and cattlemen to hear of one of these animals being destroyed since they are very destructive to livestock.

Mr. and Mrs. G. L. Brown of Los Alamos, N. M. visited her sister, Mrs. Everett Martin, and family last week.

Mr. and Mrs. C. A. McDaniel were in Stephenville Sunday where they took their daughter Kay, who is enrolled in John Tarelton College. Others from here attending John Tarelton are Pat Guy, Gene Woods and Jerry May.

Mr. and Mrs. C. C. Gilbert returned home Tuesday from a vacation trip to the Ozark Mountain.

Mr. and Mrs. Everett Martin attended the funeral of her aunt Mrs. Doc Hutton, in Rising Star Wednesday.

B. C. Mitchells Are Honored On 25th Anniversary

Mr. and Mrs. Bernice K. Mitchell of Mineral Wells honored her parents, Mr. and Mrs. B. C. Mitchell of Route one, Carbon, with a surprise silver anniversary dinner on Sunday, Sept. 10. The Mitchells will celebrate their 25th anniversary Sept. 11.

The dining table was laid with a silver and white cloth. A white cake topped by a silver "25" centered the table balanced on each end by silver candlesticks containing white candles. In the living room, the television was topped by a centerpiece of Greenery fashioned into an archway and sprinkled with lilies-of-the-valley. From the archway hung white glittered bells held by a white and silver bow.

The afternoon was spent in eating cake and homemade ice cream and visiting. Attending were Mr. and Mrs. R. F. Mitchell of Carbon, Mr. and Mrs. J. D. Ghormley and John Carl of Throckmorton, Billy Mitchell of Route One, Carbon, Ricky and Keith Mitchell of Mineral Wells, the honorees and the hosts.

Results Given In 4-H Record Book District Contest

Results have just been announced in the District 4-H Record Contest 4-Hrs enter record books in the field which they have concentrated their efforts. Each county may enter only one record book in each awards program; however, there are several different programs.

These record books are taken to Stephenville and they are judged against record books from the other 19 counties in District 8.

The 4-H members from Eastland County who placed were: senior division, Texas Sheep, Wool, Goat and Mohair, Sharon Donham from Rising Star, 4th place. Her record book will be sent to be judged in the State Contest. Junior division beef Awards, Carl Stroebel of Nimrod won 2nd place; Junior division Texas sheep, wool, goat and mohair division, Mary Clark of Morton Valley won 4th place.

According to information from the county extension office, this was a very competitive contest. The 4-Hers who placed in this contest did a very good job and are to be congratulated.

Farm Bureau To Have Board Meet

The monthly Eastland County Farm Bureau Directors meeting will be held at 6 p.m. Thursday, Sept. 14, at the farm bureau office in Eastland. Color slides made at the Queen's Contest will be shown. All directors were urged to attend.

A meeting on Policy Development was held Thursday, Sept. 7, in the farm bureau office in Eastland.

Membership in the Eastland County Farm Bureau is growing, it was reported. Five new members joined in August. Fifty-nine new members or renewals are needed to reach the yearly quota before the fiscal year closes October 31.

New members of the Farm Bureau are Mr. and Mrs. Nick Grey and Mr. and Mrs. R. H. Dunning of Cisco, Mr. and Mrs. Alton Perrin of Ranger, Mr. and Mrs. Gerald Ables, and Mr. and Mrs. Otto Coleman of Eastland.

Grade School Football Here Tuesday Night

The Carbon grade school football team will play Strawn here next Tuesday night at 7:30. The game with Moran last Tuesday night was called off on account of bad weather.

TES Power Extends

A 95-mile section of Texas Electric Service Company's new 338 mile transmission "tie-line" between Fort Worth and the Permian Basin area of West Texas now has been put into operation, it was announced this week by Beeman Fisher, president and general manager of the company.

The part of the line now in use is between Fort Worth and Graham. The section between Graham and Big Spring is under construction. The entire line, supported by steel towers designed and made in Texas, is scheduled to go into operation by May, 1962. Odessa is the western terminus of the line.

The Texas Electric line, to operate initially at 138,000 volts, is designed for ultimate operation at 345,000 volts. The line will become part of the power system of the company which now includes a network of 69,000 and 138,000 volt lines and eight large steam-

Extra Point Gives Talpa Win By One Point Over Wolverines

Talpa-Centennial scored two touch-downs in the first half here Thursday night and converted following the second to edge Carbon's Wolverines, 19-12, in a six-man football game.

The victory was Talpa's second straight and the loss gives Carbon an 0-2 record.

Talpa scored first in the game when halfback Roger Baines sprinted 19 yards in the opening quarter and added its winning TD in the second period when end James Maedgen ran 35 yards with a pass. Bob Hale kicked the all-important extra point.

The entire team showed im-

provement over their first game on defense. Charley Stephenson and Jerry Lasater were outstanding defensive players. Marvin Cates and Eddie Frasier were outstanding players on offense.

Eddie Frasier scored both T D's for Carbon. The first TD was a pass play from Cates to Frasier and the second TD was a pass play, Cates to James Arnold and on the next play Frasier scampered through the center for 13 yards.

Their journey to Sidney Thursday night, Sept. 14 for their first away from home game of the season.

ANNUAL COUNTY PECAN TOUR IS SCHEDULED FOR SEPTEMBER 22

Plans for the annual county pecan tour to be held on September 22 have already been completed, according to Kank Sims, president of the Eastland County Pecan Growers Association, sponsors of the affair.

Those attending from the north end of the county are invited to assemble at the truck stop, west of Cisco on Highway 80, at 8:30 o'clock on the above date. Sims said. Those from the south portion may assemble at the old Pioneer School House.

First scheduled stop for those participating will be at the late C. E. Smith orchard at Pioneer, now owned and operated by Leon Daniels.

Other orchards in that area to be visited, prior to lunch and a business session at a Rising Star Cafe, include those of Doss Alexander, C. T. Barton, and M. H. Montford. Mr. Montford purchased the old Hughes orchard between Pioneer and Rising Star several months ago.

The group from there will then go to the W. V. Fenter orchard. Fenter bought the late Dr. Allen orchard. He is from Montana.

After the lunch and business session at Rising Star, the group will then inspect the big crop of pecans in the southwest part of Rising Star.

Besides the members, anyone interested in the growing of pecans was invited and urged to make the tour.

This is an annual affair, and has been held continuously since County Agent J. M. Cooper started it several years ago.

Other officers of the pecan associations besides Sims include Doss Alexander, Pioneer, and

18 More Students Register For Fall Session At CJC

Eighteen students registered at Cisco Junior College Monday to bring the total of pre-registrants for the fall semester to 111, according to E. W. Mince, dean. The pre-registration period will continue through September 9, to give local students an opportunity to enroll before the rush of official registration begins September 11, Mr. Mince said.

Freshman orientation will be held on September 13 and 14, with classes beginning September 15.

Those who registered Monday, August 28, included the following:
Freshman — Patsy Crowder, Linda Curry, Roger Lamb, Rex Miller, Ronnie Prickett, Eddie Snyder, and Paddy Wright, all of Cisco; Richard Arnold and Joe Paul May, Carbon; Suzanne Butler, Eastland; and Mrs. Nell West, Rising Star.

Sophomores — Weaver Callaway, Charles Cross, Sue Davis, Harris Miller, and Harold Weiser, all of Cisco; Grady Scott, Cross Plains; and Pat Wilson, Sweetwater.

ADDING A ROOM?

PLAN NOW FOR CAREFREE WINTER COMFORT

WITH **FLAMELESS ELECTRIC HEAT!**

Does adding a new room to your home mean expensive alterations to your present heating system? If so, built-in electric wall panel heaters offer a practical and economical solution. Easy to install and relatively low in cost, these units take up no living space and provide clean, healthful, even warmth at the flip of a switch. Automatic thermostatic control gives you the exact temperature you want, when you want it, without affecting the temperatures in other rooms in your home. For additional information about electric wall panel heaters and other types of electric heating equipment, telephone us or visit our

No Change Seen In Inductions By Area Draft Board

No change in the Eastland County draft induction call is expected, it was reported by Mrs. Jewell Reaves, clerk of Texas Local Board 36, although the calls for physicals have tripled.

Two were called for induction and 10 for physicals during August. This month, 18 will be called for physicals and two will be inducted.

The physical call is expected to remain the same, but an increase is expected in the draft call, according to Mrs. Reaves.

All young men are required to keep the draft board advised of address changes. All youths are required by law to register for the draft immediately after reaching 18 years of age.

The dahlia is named for the Swedish botanist Dahl.

A coulometer is an instrument for measuring the amount of electricity passing through a circuit.

TES

Continued from first page electric power plants. The power output of these plants, which are located at Fort Worth, Wichita Falls, Graham, Eastland, Colorado City and Menabans, is controlled at a central dispatching center that makes use of a micro wave communication and electronic control system. Texas Electric will build an extension of the new 345,000 volt line from Fort Worth to a point east of Grand Prairie, where in 1964 it will interconnect with a similar line which will more firmly connect the power systems of Texas Electric, Texas Power and Light Company, Dallas Power & Light Company and Houston Lighting and Power Company. The four-company transmission line project, Fisher said, will bring about one of the nation's largest and strongest reservoirs of power. The power plants of these companies have a total of 6 million kilowatts power generation capability.

This project is an example of how electric power companies in the nation are working to interconnect power systems and further strengthen transmission facilities to benefit electric service customers by making possible improved efficiency and economy of operation.

Fisher pointed out that, although the United States has only a third of the area of the Soviet Union, this country has about five times as many miles of transmission lines as that of Russia.
