## From The Superintendent's Desk

DEAN ANDREWS

I want to congratulate our students who participated in the U.I.L. State Meet Literary contest. Micah Stowe, son of Mr. and Mrs. Gary Stowe, and Shane McMinn, son of Mr. and Mrs. Larry McMinn were state state champions in the calculator and number sense contests. Joe Harris, son of Mr. and Mrs. Archie Harris, and Chad Guetersloh, son of Mr. and Mrs. David Guetersloh also participated in the state meet and represented our school very well.

Nancy Jimenez will be competing in the State track meet in the 1600 meter and the 3200 meter events. This ninety pound freshman has an eighty-five pound heart.

Our Industrial Arts program took nine students to Waco, and three individuals won state honors with their projects. Vonda Fitzgerald, daughter of Mr. and Mrs. Venum Fitzgerald, Eve Flores, daughter of Mr. and Mrs. Martin Flores, and Jesse Flores, son of Mr. and Mrs. Joe Flores.

We have had more students to excel in more areas this year than in any previous year. Our students have been outstanding in athletics, literary competition, music and vocational areas. We have shown tremendous gains in our academic test scores and this is most important. Our students today are better prepared for the future than any group that have previously graduated.

This week we announced the valedictorian and salutatorian for the Class of '87. Martha Morales, daughter of Mr. and Mrs. Angel Morales, is valedictorian, and Ruth Ann Diaz, daughter of Mr. and Mrs. Raymond Diaz, is salutatorian. These two young ladies are most deserving and I congratulate them and their families for this outstanding accomplishment.

PLAINS JUNIOR HIGH CHEERLEADERS recently elected are left to right, Kemi Cobb, Darce Pierce, Brandy Lester, Jo Lena Powell, Ashlee Winn and Carmaleta Pope.

### In Memory of

Dora, Abel & Alice Rios

There are no words to express the joy and happiness Dora, Abel and Alice Rios put into everyone's life. They made each day full of life and always unpredictable. I'm sure God has his reasons and purposes for taking their lives. I know they are in a better place now, and we will be too, someday. He knows that we are sad, but He also knows that we loved them very much and that now they are in a land full of peace and happiness.

So down this long road of life, we walked partly with Dora, Abel and Alice, while now we think we are walking without them, we are not really without. For they are Angels with golden wings watching over us in this cruel and wicked world.

Each and every one of us, from family to friends, loved them greatly with all our hearts and we always will.

### I Thessalonians 4:13-18

Brothers, we do not want you to be ignorant about those who sleep, or to grieve like the rest of men, who have no hope. We believe that Jesus died and rose again and so we believe that God will bring with Jesus those who sleep in Him. According to the Lord's own word, we tell you that we who are still alive, who are left till the coming of the Lord, will certainly not precede those who have fallen asleep. For the Lord Himself will come down from Heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. Therefore encourage each other with these words.

—New International Version Bible

## Challenge Made To Residents

Residents along First Street are challenging other residents of Plains to participate in an "Adopt A Street" project to help keep the city clean and attractive.

The following resolution was adopted by the residents of First Street.

Dear Residents:

Plains residents are aware of the effort to make our town a cleaner place to reside. Let's "Adopt Our First Street" as a project. Several of the town's organizations have adopted the State Highway program called "Adopt A Highway" east of Plains. There is so much traffic traveling down first street and many are out of town visitors. Let's resolve to keep our street and the north bar ditch clean, by cleaning it at least once a month.

Thanks for making our street much cleaner in appearance. Your participation in this project will be greatly appreciated.

Sincerely, Jim Warrens
