**School Board Meets Monday**

School board members in their regular meeting Monday evening adopted a resolution to execute full and final releases to finalize settlement of the school district's claims against U.S. Gypsum and W.R. Grace in settlement of the asbestos law suit.

Administrators reported on various areas of the 1986-87 Annual Performance Report. Larry Devitt presented information concerning the Resource Center and curriculum; Robert Parks gave information concerning athletics and UIL; John Nance, elementary curriculum; Arlon Alexander, student achievement; Jimmy Conner, athletics, UIL literary and discipline management; and Dean Andrews, information concerning finance, personnel, food service, maintenance and transportation.

The report was accepted as presented.

In other action, the board opened and considered the bids for the purchase of a 1988 Chevrolet Caprice. Modern Chevrolet of Lubbock submitted the accepted bid of \$13,228. No bids were received on the parking lot paving, therefore no action was taken.

November bills were approved for payment. Superintendent Andrews gave financial reports for general operations, cafeteria, tax and transportation areas.

**German Student Spends Christmas With McDonnells**

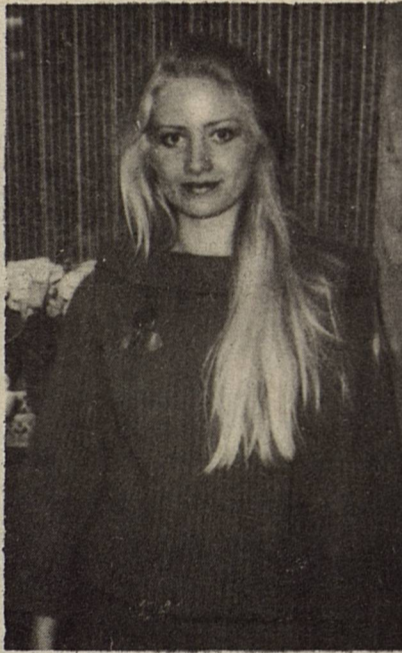

Christiane (Chris) Hormann of Wolfsburg, West Germany is visiting this week in Plains, a guest in the home of Latrell and Little Bob McDonnell. She is attending the University of Texas at Austin, where she met Pam.

"I love Texas," she exclaims. "The people are wonderful...so friendly and helpful. And I love the wide open spaces, we don't have anything like this in Germany!"

Miss Hormann has a two semester Fulbright Scholarship. Her home university is Gottingen, West Germany, where she studies English and French. She plans to become a language teacher.

Her father is an engineer with Volkswagen and her mother is a language teacher. She has a younger brother, Andy, 19.

"What I really came to Texas for" she admits, "was to see cowboys, cattle, oilfields and, of course, the people in the 'Friendship State'. And I have found some really good friends already!"

# Plains Independent School District

## From The Superintendent's Desk

DEAN ANDREWS

I would like to share with you some of the basic information concerning our schools. We who live in Plains, think that everyone knows all about our district but I have received cards and letters not only expressing appreciation for the information shared in these articles, but also asking to know even more about our school district. In an effort to better inform our community, I will be taking information from the 1986-87 Annual Performance Report for the next few weeks. The Annual Performance Report is approved by our Board of Trustees and submitted to the Texas Education Agency each Fall.

1986-87

### Overview - Plains Independent School District

The Plains Independent School District encompasses 599 square miles in Yoakum County. The district is fully accredited by the Texas Education Agency. A quality education is provided for students in kindergarten through twelfth grade. Serving an approximate population of 1450 residents, the district strives to provide a variety of opportunities and involvement for the entire community. Adult, vocational, and special education programs are offered to those who have various needs.

Plains Independent School District is governed by a seven-member Board of Trustees who are elected at-large with either two or three members being elected annually. Regular board meetings are held on the second Monday of each month in the administration building board room. The public is invited and encouraged to attend.

Our band hall, a large addition to the existing field house, and a V.E.H. classroom were completed in 1982 at a cost of \$642,000.00.

Our football stadium will seat 1800 and is one of the finest in our area. The bleachers and press box were completely renovated in 1980. The athletic football field and track has a value in excess of \$250,000.00. A new polyurethane track was installed in 1987 at a cost of \$159,000.00.

Romans 12:3-8 reads "For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think, but to think soberly, according as God hath dealt to every man the measure of faith. For as we have many members in one body, and all members have not the same office; so we, being many, are one body in Christ, and every one members one of another. Having then gifts differing according to the grace that is given us, whether prophecy, let us prophesy according to the proportion of faith; or ministry, let us wait on our ministering; or he that teacheth, on teaching; or he that exhorteth, on exhortation; he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness."
