Several persons who are past the social security retirement age (62 for women, 65 for men) are failing to claim their money because of a misunderstanding, according to R. R. Tuley, Jr., Abilene district manager for the Social Security Administration. He added that the 1960 Amendments made significant change in the retirement test. As before, benefits are payable for any month the insured person earns no more than \$100.00 in wages and is not very active in self employment, no matter how high the annual earnings, and are due for all months in the calendar year if earnings are not over \$1200.00.

He gave these examples: Mr. A is 67 and his wife is 62. He is due \$100.00 retirement benefit and she is due \$37.50. He is still regularly employed at \$200.00 per month. Under the 1960 Amendments they can be paid \$600.00 in social security benefits.

Mr. B is 65 and still earning \$150.00 per month. His social security benefit is \$75.00 per month. Even though he works all of 1961 at \$150.00 per month, he can still be paid \$450.00 in social security checks. If he had a wife and child also due payments, the three of them could collect \$1086.00 in social security checks.

Miss C is 62 years old and now earning \$1750.00 net profit per year from her music studio. Her social security benefit, based on earlier and higher earnings, is \$80.00 per month. She can collect \$560 in social security benefits in 1961.

But none of the three persons described above can be paid any social security checks until a claim is filed. A representative of the Abilene office will be in Cisco at Chamber of Commerce, on Wednesday June 14 & 28, 10:00 a. m. Tuley suggests all interested persons past retirement age check into this matter now, so that no checks will be missed that could be paid if a claim were filed.

Governor Urges Drivers To Use Extra Caution

ANSTIN — Governor Price Daniel said today that "every Texas driver owes it to himself, his family, his passengers and his State to make certain that he is not involved in a traffic crash at any time, but more especially during the crowded Fourth of July period."

The Texas Department of Transportation said that the official death toll for the Fourth of July holiday is 12. "If a traffic crash or accidental death will be counted, will be observed from 12:01 a. m. to 11:59 p. m., Tuesday, July 4, making it a one-day holiday."

"But I feel fairly certain," the Governor added, "that Texas highways will carry an unusual amount of traffic also on July 1, 2 and 3, immediately preceding the national Independence Day observances. So again we appeal to all drivers to exercise unusual caution and to drive carefully and legally."

The governor said the average daily traffic toll in Texas was nearly seven a day in 1959 and just over six a day in 1960. In the light of records for the one-day Fourth of July holidays in 1956, when 12 were killed, and in 1957, when 15 were traffic victims, Governor Daniel added, "it is quite possible that the normal average could be doubled on the Fourth, and this we want to prevent."

The governor has asked all state and local law enforcement

John Dunn Buried At Nico Wed.

John H. Dunn, 71, a longtime resident of Eastland County, was buried Wednesday in Claritte cemetery in Hico. He had been a resident of the Mangum community for many years before moving to Eastland and later to the home of a daughter in Dayton because of ill health.

Mr. Dunn was married to Mrs. M. of Arizona and Clarence W. of Oregon, and two daughters, Mrs. Jane Cochell of California and Mrs. Joan Casey of Dayton.

officials to "maintain steady pressure particularly on persons involved in speed too great for conditions and driving while drinking, and against all drivers who either cannot or will not drive safely and legally."

In 1956, when the DPS predicted 11 traffic deaths, 12 persons died. In 1957, with a prediction of 10 deaths totalled 15. In the last nine years, Fourth of July traffic death have been fewer than predicted only three times. Two of those better years, 1958 and 1960, followed strenuous statewide campaigns staged under the governor's sponsorship, in cooperation with state and local law enforcement agencies and civic groups.

Pleasant Hill Club Meets On June 16th

The Pleasant Hill Home Demonstration Club met in the home of Mrs. Lilly Wragg on Friday, June 16, at 2 p. m.

Mrs. Virgie Hale, president, called the meeting to order. Mrs. Jessie Mangum led the group in repeating motto, pledge and prayer. A devotional was brought by Mrs. Wragg. She read James 1:22-25.

Roll call was answered with "what I can do to help a 4-H member."

Minutes and treasurer's report was read by secretary-treasurer Mrs. Jessie Mangum.

Routine business was transacted and a short discussion was held on "ways and means" of raising funds for financing the club. Plans were made for a field day soon for studying and collecting grasses and wild flowers. Seeds are now maturing. Some would like a wild flower garden.

After the meeting adjourned, a refreshment plate was served to members present, Mrs. Hale, Mrs. Mangum, Mrs. Hageman, and Mrs. Wragg.

The next meeting will be July 7 in the home of Mrs. Ruth Liv-
