Junior League Girls Dribblers Win Tournament At Chillicothe

by Peggy Squyres

Plains supported their basketball teams in full force at Chillicothe and it paid off! The All-Star girls had eight dads, 19 moms, seven grandpas, 10 grandmothers and one great-grandmother, Edna Chambliss, who did not miss a play. Plains fans had the greatest distance to travel and the largest cheering section at any game, including the match against the host. All of the girls appreciate all the love and support they received.

The Junior League's first game was Friday, May 19 at 2:15 p.m. Plains defeated Crowell in the first round 47-10. High point girl was Robin Squyres with 21; Tessa St. Romain scored 10; and Kyley Bearden, 6. The game was played in 100 degree temperature in a gym that had no air-conditioning.

The Major League drew a bye and did not play until 7:15 p.m. Friday night. Plains was defeated by their host Chillicothe, 31-23. Bellen Coronado scored 8 points and Amber Bryan scored 4 in their losing game.

The Junior League met Chillicothe in the second round at 8 a.m. Saturday. Plains thumped their host 48-17. Robin Squyres and Kyley Bearden each scored 15 points to lead the team to victory. Shyloh Winn added 8 points and Tessa St. Romain, 6.

The Major League played Whiteface in a 9:15 a.m. game Saturday. For the second time in a week, Plains defeated Whiteface, 23-9. Amber Bryan scored 9 points to tie the opponents effort; Bellen Coronado and Stacey Jones both added 6. The Majors met Highland Park in the afternoon game. At the end of a hard-fought game, Plains came out on the short end, 24-19. Misty Willet led the scoring with 10; Jennifer Earnest scored 6. Plains Major League All-Stars finished in third place. Chillicothe went on to defeat Highland Park in the finals for first place.

In the Championship game, Plains Junior League faced some familiar faces, but the outcome was the same. Plains pulled out all the stops as they defeated the Whiteface All-Stars 50-14. Robin Squyres led her team with 28 points; Kyley Bearden scored 10 and Tessa St. Romain and Bridget Bernal each added 6.

Tony Winn, Rickey Bearden and Joel Lowe all agreed that this was the

most "coachable" team they had worked with.

NATIONALS HERE WE COME!

The League will try to schedule a couple of scrimmages for the girls between now and June 8 when the National Tournament begins in Brownfield. The last word received had Plains' first game set for Thursday, June 8 at 9:45 p.m. in the big gym at the Brownfield Middle School.

Plains will scrimmage Brownfield this Friday, May 26 at 6:30 p.m. in that gym. Brownfield will return the scrimmage at a later date.

Karla Kaye Parrish Wed In Carrollton Ceremony

Karla Kaye Parrish and Jay Colt Weesner exchanged wedding vows March 11 in Trinity Heights Baptist Church in Carrollton. Officiating the double ring ceremony was the Rev. Jerry Clements.

Parents of the couple are Mr. and Mrs. Goldman E. Parrish of Carrollton and Kity and Charlie Grover of Garland and Larry and Beverly Weesner of Frankston. The groom is the grandson of Sue and Bill Russell of Temple, former residents of Plains.

Given in marriage by her father, Goldman Parrish, the bride wore a white floor-length dress layered with organza and lace and featuring a cathedral length train. She carried a bouquet of white roses and white carnations, accented with pink and featuring cascading greenery.

Serving as Matron of Honor was Kathy Manix of Kenner, La., twin sister of the bride. Bridesmaids were Jana Sue Weesner of Dallas, sister of the groom; and Toni Putman of Pensacola, Fl., cousin of the bride.

Ron Jones of Carrollton served as Best Man. Attendants, who also served as ushers were Steve Beavers of Gar-

land and Everett Parrish of Chicago, Ill., brother of the bride.

Attendants' dresses were floor length rose and aqua lame, accented with layered ruffles in the back. They carried white carnations accented with pink.

Groomsmen wore black tuxedos with matching aqua lame ties and cummerbunds.

Special music was provided by Everette Parrish, soloist, with guitar accompaniment.

For her daughter's wedding Mrs. Parrish chose an aqua-colored lace dress over white satin. Mrs. Graves, mother of the groom, chose a shell pink dress and Mrs. Weesner, step-mother, chose a dark turquoise silk dress.

A reception at the church followed the ceremony. Finger sandwiches, ham, cheeses and smoked chicken wings were served by Sonya Lumsden, groom's step-sister and Cheryl Mayo, the groom's cousin.

A three-tiered whipped cream and strawberries wedding cake was served.

For a wedding trip to Lake Tahoe, Nev., the bride wore a white, medium-

length, lacy dress with red sash. She added red pumps and a red rose corsage.

The bride has a B.B.A. degree from the University of North Texas and is employed as a computer operator for the Department of Justice.

From The Superintendent's Desk

Dean Andrews

Our Board of Trustees adopted a Drug-Free Schools and Communities Plan last month. Public Law 100-297 mandated that all schools in the United States would adopt such a plan.

In support of the law, Plains I.S.D. has joined with fifty-eight other school districts to form a Drug-Free Schools and Communities Cooperative sponsored by the Education Service Center, Region XVII. As a member of the cooperative, services which might otherwise have been too costly, can now be provided. These services include media support, inservice programs, curriculum materials, consultants, coordination of support services, and technical assistance to individual school districts.

Representatives from such fields as law enforcement and community and other groups with expertise in the field of drug abuse education and prevention are selected to provide coordination and to avoid duplication of efforts. Our representatives to the Regional Council are L.J. Sanders and Arlon Alexander.

Drug prevention emphasis is included in our school curriculum throughout the entire year with major emphasis, including projects and activities, during the first week of October.

As an indication of the effectiveness of the programs implemented in our schools, our objective is to reduce the number of drug-related incidences occurring in our schools, on our campuses, during any school related activity on or off campus, and in our community. Our goal is to have no student use of illicit drugs. Until this goal is realized, drug prevention programs will continue to be implemented. After the first year of implementation, the decision to continue the program or to investigate other approaches will depend upon the documentation collected by the administrators and/or the recommendation of the total staff.
