Bond Sales Total \$38,188 For April In Eastland County

April E and H Savings Bonds sales in Eastland County totaled \$38,188 according to Guy P. Parker, Chairman of the county Savings Bonds Committee.

Sales for the first four months of 1961 were \$193,705 which represents 37.3% of the county's 1961 goal.

"Savings Bonds are an investment in the future. For 20 years the Treasury Department sold bonds as a doorway to opportunity — a new home, college education, retirement, or some other dream of the future. But today the future itself is threatened. With the dawn of the missile age, the world is suddenly aware that one more war could be the last. The hope of the age is for peace — for some guarantee that there will be a future to look forward to. We must have PEACE POWER — the strength to keep the peace; the knowledge to make it lasting. Savings Bonds, in building economic stability, help strengthen America's peace power," Mr. Parker concluded.

ANNUAL PECAN FIELD DAY SET FRIDAY IN COUNTY

The Eastland County Pecan Growers Association will hold its annual Spring Field Day Friday, May 26, according to an announcement by H. W. Sims of Eastland, president.

The morning session to be held in the Eastland County courthouse, will hear pecan experts on management, pollination requirements, marketing, insect and disease control.

The field trip in the afternoon will be made to Sims' orchard in the Mangum Community and to "Hap" Jackson's orchard in the

Carbon Community.

Members of the association, organized in Cisco several years ago to improve and develop the pecan industry in the county, will make an orchard survey on the field trip in an effort to detect any insects and any diseases, Sims said.

A. W. Ware, Rising Star grower, will put on a spraying demonstration in the Jackson orchard, according to the report.

"Pecan growers from all adjoining counties are cordially invited to attend," Sims said.

SUMMER PRE-REGISTRATION TO BEGIN AT CJC MAY 29

Pre-registration for summer classes at Cisco Junior College will begin Monday, May 29, according to an announcement by E. W. Mince, Dean-Registrar.

Sessions of summer school will run from June 6 to July 14 and from July 17 through August 25. Classes will meet in the evenings from 6:45 to 10 p. m.

Courses planned include freshman English, American government, introduction to education, all on Monday and Thursday evenings. Tuesday and Friday classes will include algebra, American history, and sophomore English. Other courses may be added as the demand justifies.

The college office will be open from 8 a. m. to 4 p. m. Monday

through Friday and until noon on Saturday for those wishing to register for summer courses. On June 5 the office will also be open from 6:45 to 8 p. m. for registrants.

Both boys' and girls' dormitory facilities will be available, Mince said, but the cafeteria will not operate during the summer months.

Tuition and fees for summer classes are \$8.75 per semester hour. Room in the boys' dorm is \$20 per six-week term and girls' dormitory rooms are \$22.50 per six-weeks.

Any persons interested in enrolling or in additional information should contact the registrar's office.

Top Pecan Men Will Appear On County Program

Several top pecan authorities have accepted invitations to appear on the program of the Annual Spring Field Day of the Eastland County Pecan Growers Association in that City on May 26.

The field day is held each spring to keep growers abreast of the latest research findings on pecan management, varieties, markets, control of insects and diseases, and other topics, according to H. W. Sims, Eastland, President.

L. D. Romberg, U. S. Pecan Field Station, Brownwood, will discuss pollination requirements of some of the new varieties at the morning session at the courthouse, Sims said.

Others on the program at the morning session include B. G. Hancock, Horticulturist, and C. F. Garner, Entomologist, Agricultural Extension Service, A. and M. College.

A disease and insect survey will be made in Sims' orchard at Mangum, and at Hap Jackson's orchard at Carbon during the afternoon field trip, which will also include a spraying demonstration by A. W. Ware, Rising Star, in the Jackson orchard.

Vets Questions And Answers

Q — A young man of my acquaintance, the child of a World War Two friend, now deceased, is eligible for schooling under the War Orphans Education Act. He would, however, need some special program of education because of a disability. Does the law make provision for that type of training?

A — Yes. The law includes special restorative training to help eligible young men and women overcome the effects of disabilities.

Citation by Publication THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas — GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Eastland County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION THE STATE OF TEXAS TO:

J. R. (Jeff) Atwood, if living and the unknown heirs of the said J. R. (Jeff) Atwood, if dead, and the unknown heirs of the said unknown heirs, the unknown executors, guardians, administrators, and the legal representatives of the said J. R. (Jeff) Atwood, if dead, defendants.

Greeting: YOU ARE HEREBY COMMANDED to appear before the Honorable 91st District Court of Eastland County at the Court-house thereof, in Eastland, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 26th day of June A. D. 1961, to plaintiff's petition filed in said court, on the 28th day of March A. D. 1961, in this cause, numbered 23,365 on the docket of said court and

styled T. B. MCCracken IS, Plaintiff, vs.

Daniel Elmo Atwood, Jennie Atwood Brock, a feme sole, Mable Atwood, a widow, Roland Atwood, Douglas Atwood, a minor, Vendell Atwood, a minor, Opal Laverne Defibaugh, and husband Roy Defibaugh, Maxine Smith, and husband Floyd Smith, Marlin D. Atwood, Sallie Atwood, a widow, B. R. Atwood, Beulah May McGary, and husband Frank McGary, H. L. Atwood, T. E. Atwood, A. B. Atwood, C. B. Ciscoan Named To Draft Board Registrar Post

AUSTIN — Thelma Albright of Cisco has been appointed registrar for the Eastland-Stephens county draft board in the Cisco area.

Boys who reach the age of 18 can register in Cisco by calling on Mrs. Albright at the Chamber of Commerce during regular business hours.

A registrar is maintained in the area so that men will not have to travel to the draft board at Eastland.

Colonel Morris S. Swartz, state director of the draft system, expressed public appreciation of the services of Mrs. Albright.

"People of the Cisco area should appreciate the services she renders to them," Colonel Swartz said, "as she is doing the work without pay as a public service to her country."

All males are required to register under the draft law on their 18th birthday or within five days thereafter. Maximum penalties that can be applied for failure to register are \$10,000 fine, or five years in prison, or both.

Livestock Raisers Request Petitions

Those in the county who have been circulating the Brucellosis control petitions are requested to send them in according to Waverly Messengale, Eastland, President of the County Livestock Raisers Association, whose organization is sponsoring the clean-up of the disease in the county.

"Over 30 days have elapsed since we distributed and began to circulate the petitions and we need to get them back in to see if we have the required number," Messengale said.

At least 75% of the cattle owners owning 51% of the cattle in the county must sign the petition before the testing program can begin in the county it was explained.

Two dozen of the petitions were distributed at the mass meeting at the Eastland Auction

barn on the night of April 6th when Dr. J. B. Henderson, Texas Animal Health Commission, Coleman, explained the provisions of the law and the procedures to follow in order to get the testing work started in the county.
 Those having petitions are asked to mail them to Mr. Messengale at Route 2, Eastland, Texas.
