1992 Property Tax Rates in PLAINS ISD

This notice concerns 1992 property tax rates for PLAINS ISD. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:

| | | |
|----------------------------------|----|----------------|
| Last year's operating taxes..... | \$ | 1,927,997.30 |
| Last year's debt taxes..... | \$ | 0.00 |
| Last year's total taxes..... | \$ | 1,927,997.30 |
| Last year's tax base..... | \$ | 813,500,972.00 |
| Last year's total tax rate..... | \$ | 0.237000/\$100 |

This year's effective tax rate:

| | | |
|--|----|----------------|
| Last year's adjusted taxes..... | \$ | 1,757,215.13 |
| (after subtracting taxes on lost property) | | |
| / This year's adjusted tax base..... | \$ | 697,955,060.00 |
| (after subtracting value of new property) | | |
| = This year's effective tax rate..... | \$ | 0.251766/\$100 |

| | | |
|--|----|----------------|
| x 1.03=maximum rate unless unit publishes notices and holds hearing..... | \$ | 0.259318/\$100 |
|--|----|----------------|

This year's rollback tax rate:

| | | |
|--|----|----------------|
| Last year's adjusted operating taxes (after subtracting taxes on lost property)..... | \$ | 1,757,215.13 |
| / This year's adjusted tax base..... | \$ | 697,955,060.00 |
| = This year's effective operating rate..... | \$ | 0.251766/\$100 |
| x 1.08(or add .08 for schools)=this year's maximum operating rate..... | \$ | 0.331766/\$100 |
| + This year's debt rate..... | \$ | /\$100 |
| = This year's rollback rate before adjustment..... | \$ | 0.331766/\$100 |
| + Rate to recoup lost state funds..... | \$ | /\$100 |
| = Adjusted rollback rate..... | \$ | 0.331766/\$100 |

| | | |
|----------------------------------|----|----------------|
| = This year's rollback rate..... | \$ | 0.331766/\$100 |
|----------------------------------|----|----------------|

SCHEDULE A: Unencumbered Fund Balances

The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

| Type of Property Tax Fund | Balance |
|---------------------------|-------------|
| GENERAL OPERATING | \$50,000.00 |
| | \$. |
| | \$. |

SCHEDULE B: 1992 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

| Description of Debt | Principal or Contract Payment to be Paid | Interest to be Paid | Other Amounts to be Paid | Total Payment |
|--|--|---------------------|--------------------------|---------------|
| Total required for 1992 debt service | | | | \$0.00 |
| - Amount (if any) paid from funds listed in Schedule A | | | | \$0.00 |
| - Excess collections last year | | | | \$0.00 |
| = Total to be paid from taxes in 1992 | | | | \$0.00 |
| + Amount added in anticipation that the unit will collect 99% of its taxes in 1992 | | | | \$0.00 |
| = Total Debt Service Levy | | | | \$0.00 |

LETTER TO HOUSEHOLDS (Multi-Child Meals) NATIONAL SCHOOL LUNCH PROGRAM/SCHOOL BREAKFAST PROGRAM

Dear Parent or Guardian:

The Plains Independent School District takes part in the National School Lunch Program/Breakfast Program. Meals are served every school day and all Plains I.S.D. students receive free meals from our cafeteria, however, Plains I.S.D. may be reimbursed for meals served to children from families who qualify under the stated guidelines.

In order to claim reimbursement for these meals, a completed application form must be on file for each ELIGIBLE child. If your child/children would qualify for free or reduced price meals, please complete the application form and return it to the school as soon as possible.

HOW TO APPLY

If you now get food stamps or AFDC for the child you are applying for, the application must have the child's name, a food stamp or AFDC case number for that child, and the signature of an adult household member.

If you are applying for a foster child, the application must have the child's name, the child's "personal use" income, and an adult signature.

If you do not list a food stamp or AFDC case number for the child you are applying for, then the application must have the child's name, the names all household members, the amount of income each person got last month and where it came from, the signature of an adult household member and that adult's social security number or the word "none" if the adult does not have a social security number.

INCOME CHART

| Household Size | Annual | Monthly | Weekly |

| add..... | +4,403..... | +367..... | +85 |

Verification: Your eligibility may be checked at any time during the school year. School officials may ask you to send papers showing that your children should get free or reduced price meals.

Fair Hearing: You may talk to school officials if you do not agree with the school's decision on your application or the results of verification. You may also ask for a fair hearing. You may do this by calling or writing:

Name Pete Simmons, Superintendent Phone 806-456-7401
Address P.O. Box 479 Plains, TX 79355

Reporting Changes: If your children get free or reduced price meals because of your income, you must tell the school if your household size decreases or your income increases by more than \$50 per month or \$600 per year. If your children get meals because you get food stamps or AFDC, you must tell the school when you are not getting AFDC or food stamps for them. You may then fill out another application giving income information.

Confidentiality: School officials use the information on the application only to decide if your children should get free or reduced price meals.

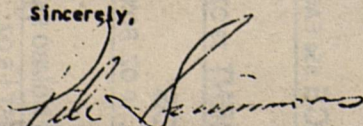

Reapplication: You may apply for meals anytime during the school year. If you are not eligible now but have a change in status, like a decrease in household income, an increase in household size, become unemployed or get food stamps or AFDC for your children, you may then complete an application.

Handicapped: Meal substitutions at no additional cost for children who meet the definition of "handicapped" will be served, provided a physician has submitted a statement attesting to this fact and prescribing a substitute.

IN THE OPERATION OF THE CHILD FEEDING PROGRAMS, NO CHILD WILL BE DISCRIMINATED AGAINST BECAUSE OF RACE, SEX, COLOR, NATIONAL ORIGIN, AGE OR HANDICAP. IF YOU BELIEVE YOU HAVE BEEN DISCRIMINATED AGAINST, WRITE IMMEDIATELY TO THE SECRETARY OF AGRICULTURE, WASHINGTON, D. C. 20250.

We will let you know when your application is approved or denied.

Sincerely,

Pete Simmons

Julie Hancock of Denver City 4-H Club Wins \$500 JCPenney Shopping Spree

Over 100 youth from across Texas demonstrated their sewing or their comparison shopping skills at the Texas 4-H Fashion Show held Aug. 1 in Houston.

Dear Editor

To the classes of '72 and '73: I want to thank you for including me in your class reunion, even though I did not graduate from Plains High. I enjoyed every bit of this weekend - especially seeing friends I haven't seen since elementary school. A special treat was seeing Mr. and Mrs. Harvey. Mr. Harvey looked the same as he did the day I checked into first grade in 1962! My graduating class in Austin had 518 graduates and I cannot recall the name of even one. Some of my dearest and best friends are in Plains and I want to extend a special thank you to Cyndy Koncaba and Kay Guetersloh for remembering me - I had a blast!

s/Connie Brown Fletcher
Denver City, TX

Among the participants in the "Fashions on Parade" fashion show was Julie Hancock of Denver City, who competed in the Buying Division in the Daywear Category. Julie modeled a pink and white plaid skirt and blouse that she purchased. The blouse was accented with a white embroidered collar. She chose this ensemble after comparing dresses of similar design and quality.

Joan Chandler, Yoakum County Extension Agent-HE, said the fashion show is just one of the educational activities of the total 4-H clothing program. Youngsters can participate either by modeling personally designed garments or by modeling items they bought after comparison shopping.

"In addition to learning sewing or shopping skills, the youth develop poise and grooming skills by modeling in public fashion shows," she said. Julie will have an opportunity to develop her clothing comparison shopping skills even more as a result of the contest. She was one of three participants who won a \$500 shopping spree

at JCPenney as a result of a drawing held the first evening in Houston.

Clothing skills are taught by volunteer adult leaders or older 4-H members supervised by a county Extension agent. More than 9,000 Texas youth participated in clothing projects this year.
