Word for the wise

"Nothing comes free. Nothing is accidental. The more you dig, the deeper the hole, and the deeper the hole, the more water in the well. The child plucks the fruit from a tree the grandparent planted. If there is no tree, there is nothing for the child to pick. If an entire generation thinks only of itself, what will be left? Even if we are not around to pick the fruit, we have the responsibility to plant the trees. Sacrifice is the ultimate form of altruism." ~ Kim Woo-Choong, chm. world's 43rd largest corporation.

Child Passenger Safety Week Proclaimed Feb. 8-14 In Texas

The week of Feb. 8-14 is Child Passenger Safety Awareness Week. According to Joan Chandler, Yoakum County Extension Agent-HE, several state agencies have worked together to plan a statewide campaign to emphasize the need for children to ride in car safety seats, boosters seats or safety belts.

Motor vehicle accidents continue to be the number one cause of death and serious injury for children birth to age four. In the rural areas of Texas, the child safety restraint usage rate only averages 19%.

You can protect your child, and yourself, by making sure everyone rides buckled up. Hopefully you and

your children have the safety habit of buckling up on every ride. If not, this week will be a good time to adopt the habit. Remember, it's really not a choice, it's our law.

If you would like more information on child safety seat usage, call the Yoakum County Extension Office at 456-2263. Information is available in both English and Spanish.

Middle row, Samantha Blake, Jacob Lester, Kristy McClure, Yancey House and Sonia Avila. Bottom row, Marte Pierce, Tessa St. Romain and Casey Forbus.

'The Class with Class' to perform Monday, Feb. 15

by Mary Morales

This year on Monday, Feb. 15 at 7 p.m., "The Class With Class" will be presenting "Plains Perfect Performances" in which the students of Mrs. Kay Pittman's 8A reading class will have worked hard and long to prepare.

The class includes Sonia Avila, Kyley Bearden, Samantha Blake, Casey Forbus, Kristi Guetersloh, Yancey House, Jacob Lester, Kristy McClure, Mary Morales, Marte Pierce, Lyndi Rowe, Robin Squyres, Tessa St. Romain, Nefali Fierro and Manuel Villarreal.

The students decided to invite guests from the community. They voted on Bill May, Jerry Diaz, Ray Bearden, Melba Crutcher and Bill Wright. Mrs. Pittman decided to challenge her pupil's minds this year and she succeeded. It's going to be a day in their lives that they will never forget.

Each individual has to prepare a show for themselves, create programs and tickets, sell the tickets, write newspaper articles and radio scripts, and last, but certainly not least - perform.

They're learning organization, promptness and thinking skills in this one project. They work hard every day whether it be on posters, ads or the show.

The money raised will go to Dusty Bryan, so it will be for a great cause.

The Plains High School Auditorium will be transformed to a masterpiece of art. The show includes poetry, singing, dancing, lip synchronizing and piano playing. It's worth the dollar for the ticket and your time, so please cooperate with us and join us in our quest for success.
