A Service Of Carols And Can'tos

Carbon First Baptist Church will have a specialuletide program on Wednesday night, Dec. 21. The program will consist of carols, the Christmas Story on filmstrip and a candlelight service with a Christmas meditation by the pastor.

Frank Park, the music director of the church, will be in charge of the carols. We are expecting every member and many visitors for this Christmas program.

Immediately after the program the church will have a Christmas tree for adults and children and Santa will be there.

The program begins at 7 p. m.

Southern Ass'n. Accepts CJC As Full Member

Cisco Junior College has completed its probationary period of three years and is now a full-fledged member of the Southern Association of Colleges and Secondary Schools, according to information received this week by President Grady Hogue.

The local college was accepted as a member three years ago and required to make extensive reports and to undergo annual inspection during that period.

"Having met all standards of the highly respected SACSS, we have been accepted as a member without conditions," Mr. Hogue said. "This is a considerable honor that we very much appreciate. It means that students may enroll with the knowledge that their credits will be recognized anywhere."

30 Ponds Stocked With Fish During Year By SCS Men

Some 30 ponds located on 25 farms and ranches in the Rising Star area have been stocked with bass, channel cat and blue gill fish this year through the assistance of the Upper Leon and Brown Mills Soil Conservation Districts, according to a report by USDA soil conservationists.

The fish, delivered in June from the Bureau of Fisheries and Wildlife hatcheries at Burnet, are usually large enough to keep after they spawn, in 10 to 12 months. Bass and channel cat will weigh 1½ pounds and blue gills six ounces within a year if turned loose as fingerlings in a good fish habitat.

Ponds stocked this year average one half surface acre with an average yearly yield of 100 Continued on last page

Methodists Plan Christmas Program

The annual Christmas program of the Methodist Church will be Sunday evening, December 1. The Children's Department will present the program. There will be a Christmas tree and an exchange of gifts.

Everyone welcome.

Native Seedling Pecans To Draw Extra Premiums

Extra cash premiums will be paid on the top native seedling nuts exhibited at the 8th Annual Eastland County Pecan Show in Cisco on December 14 and 15th, it was announced today by Hank Sims, Eastland, president of the County Pecan Growers Association.

Sims' organization, with the Cisco Chamber of Commerce, are jointly sponsoring the affair which also includes a pecan bake show and a pecan queen contest.

An extra \$25.00 has been made available, through a voluntary contribution, for the owners of the winning entries of nuts in both the named and the unnamed native seedling nuts, commonly called "natives," in the pecan growers jargon.

In both divisions the extra prizes are \$6 for first, \$4 for second and \$2.50 for third.

Entries from any nurseries are prohibited for the above prizes. The named seedling is a nut that bears some resemblance to its probable parent, an improved or papershell variety. The unnamed native seedling is one that does not bear any resemblance to any so-called improved or papershell variety.

The above is in addition to the regular premium of \$1 for first and 75c for second place in both divisions.

The National Pecan Shellers and Processors Association, Chicago, will award a trophy to both the grand champion seedling and the grand champion improved variety.

Basketball News

The Carbon Wolverines both boys and girls played in the Rising Star tournament last weekend and both teams defeated Scranton in their first game of the tournament, but our girls were eliminated by a strong Santa Anna team. Our boys defeated Ranger to play in the finals against Rising Star in the last game Saturday night, Rising Star winning by the close score of 40 to 36. The winners pulled ahead in the final two minutes of the game. Our entire team played well on defense and Larry Morrow was high scorer with 16 points. Morrow was also named on the All-Tourney team for Carbon.

On Thursday of last week the Carbon Wolverines defeated Cross Plains in the local gym. The girls defeated Cross Plains by a close 40 to 41 in a very exciting game. Ruby Hull and Kay McDaniel were high scorers for Carbon with 20 and 17 points respectively. The Carbon boys defeated Cross Plains 54 to 44. Larry Morrow was high point man with 24. Bill Sandlin had 10 and Cates 9.

Both high school teams will play in the Gorman Tournament this week.

School To Dismiss For Holidays

Supt. Travis Spence announced this week that the Carbon schools will dismiss Thursday, December 22, for Christmas and New Year holidays and classes will be resumed January 2.

A dinner of turkey and dressing and all the trimmings will be served at the cafeteria Dec. 22 for 50c per person.

Donna Jane Pugh Selected As Queen Of County Pecan Show

Attention was focused on the annual County Pecan Show and Bake Sale Monday night with the crowning of Miss Donna Jane Pugh of Eastland as Queen of the Eastland County Pecan Growers Association. She was chosen for the honor from among 15 area girls at the annual Queen Contest held at 7:30 p. m. Monday in the Cisco Junior College auditorium and attended by some 200 area residents.

The daughter of Mr. and Mrs. John S. Pugh, Miss Pugh represented the Eastland Future Farmers of America at the beauty contest. Selection of the 17-year old girl as Pecan Queen was announced by 1st Lt. Roger W. McCausland, a B-47 co-pilot from Dyess AFB. After the selection was made, Hank Sims of Eastland, president of the ECPGA, removed the crown from the head of Miss Loretta Whitehead, last year's Queen, and presented it to the new Queen. Mr. Sims also presented Miss Pugh with a bouquet of American Beauty Roses.

Runner-up of the contest was Miss Carol McMoy, 16, daughter of Mr. and Mrs. H. B. McMoy of Eastland. Miss McMoy represented the Eastland Chamber of Commerce. Announcement of Miss McMoy's selection as runner-up was made by 1st Lt. Arthur J. Sorenson, Jr., a B-47 navigator. Other contest judges were: Julian C. Burns, a maintenance engineer, and Robert M. Ellington, a mechanical engineer.

All of the other contestants were named princesses of the Eastland County Pecan Show. They are: Sue Burns, Yvonne Green, Norma Jean Watson, Lorene Lewis, Lanette Clark, Carolyn Cawley, Annita Joyce Duncan, Jonell Fonville, Norma Gayle Emfinger, Christina Stroebel, Reich, Jill Ann Watkins, and Lottie Ables.

Style Show

The Style Show was held Tuesday night in the high school auditorium with girls modeling the dresses they had made in Home-making. The models were all from the second year class and the dresses were all very beautiful.

Mary Elizabeth Been was spokesman for the group. The freshman girls, seventh and eighth grade girls and boys, and several high school boys acted as carolers and sang several Christmas songs. Laverne Lee, Kathy Sandlin and Jerry Jordan sang "Nuttin For Christmas" and the program was closed with the carolers, models and Santa's helpers singing "I Wish You A Merry Christmas".

Reporter, Jerry Jordan

Mrs. Peggy Gallagher, chairman of the Queen Contest, arranged for a program of entertainment to be presented for the Queen and her princesses.

The program included musical entertainment by the CHS Specials — James Stanley Webb, Jimmy Jeffercoat, Bert Thackerson and Terry Bostick; vocal numbers presented by Judy Kay Slaughter, pantomime acts by Shirley Witte, and tap and jazz dance routines performed by Peggy Hailey.

Anton White, as chairman of the agricultural committee of the Cisco Chamber of Commerce, officially opened the beauty show with the welcoming of visitors and introduced the master of ceremonies — Bob Elliot.

Co-chairmen of the program and arrangements committee were Mrs. Jack Whitehead and Mrs. George Owens. Ted Waters was in charge of the stage setting, and Rachael Hatley and Sherry Heyser served as ushers and passed out program.

Page girls, Kathy Abbott and Jerri Rice opened the doors for the Queens entrance and parade onto the stage as Mrs. Larry Shoemaker played a musical salute to the contestants.

Spokesmen for the Chamber of Commerce considered the beauty contest "a tremendous success." The CofC and the Eastland County Pecan Growers Association are co-sponsors of the annual Pecan Show and Bake Sale.

Social Security Changes Provide Funds For Many

Social Security benefits may now be paid to survivors of workers who died before January 1, 1940, if the worker had at least a year and a half of social security work after January 1, 1937, when he died, says H. W. Weatherly, Field Representative for this county for the Social Security Administration.

Before the social security amendments of 1960, no monthly benefits were payable to the survivors of a worker who died before 1940.

Under new law, if the worker had social security credit for at least a year and a half, benefits may now be payable to his widow (and dependent mother) if age 62 or older, to his dependent father at age 65, and to his disabled children if they became disabled before they reached age 18. This is true even if the family had collected the "lump sum" at the time the family bread winner died.

For further information regarding this new provision, get in touch with Mr. Weatherly when he is next in or near your community. He will be at Cisco on Wednesday, Dec. 7 & 21st at the Chamber of Commerce at 10:00 a. m. o'clock.

Vets Questions And Answers

Q -- I am in my sophomore year at college under the Korean GI Bill and entitled to additional VA allowance because I recently married. What kind of evidence of my marriage must I submit to VA in requesting the additional allowance?

A -- Send VA a certified copy of the public record or the church record of your marriage. Either one will do, but you must send one or the other. A certified copy is a true copy which bears the seal and signature of the one who keeps the records in the church

or court.

Q -- Is the War Orphans Education program just a college program? I am eligible for training but don't want to go to college.

A -- No. In addition to classroom work leading to a college degree, the War Orphans Education program provides opportunity for training in a wide variety of schools below the college level -- technical institutes, business schools, some vocational or trade schools, normal schools, institutions offering training in medical and related fields, and junior colleges.

Roasting the Turkey

Today's high quality birds make it easy for even the inexperienced to have excellent results. If the turkey purchased carries specific instructions for handling and cooking (on the wrapper or insert sheet), follow those recommendations. True roasting is slow cooking by dry heat on a rack in an open pan. And no water, no cover nor searing is required. Variations of this method also give satisfactory results. Whatever the method, always complete roasting in one continuous cooking period.

Follow these simple steps for open-pan, low-heat roasting . . .

1. Have bird completely clean. Rinse with cold water. Pat dry.
2. Preheat oven to 325 degrees F (slow).
3. Rub cavity of bird lightly with salt. Do not salt, if stuffed.
4. Fill wishbone area (neck) with stuffing, if used.
5. Fasten neck skin to back with skewer.
6. Stuff cavity lightly, if stuffing is used.
7. Push drumsticks under band of skin at tail; or tie them to tail.
8. Place turkey on rack in roasting pan. Brush skin with fat. Place in oven.
9. If desired, baste or brush occasionally with pan drippings — especially any dry areas. Baste quickly in order not to lose oven heat. When turkey is 2/3 done, cut cord or band of skin at drumsticks.
10. Continue roasting until done. Turkey is done when meat at thickest part of drumstick feels very soft when pressed with protected fingers.

This timetable is a guide to the approximate total time.

Timetable — 325° F (slow) Oven

Ready-to-cook	For Stuffed
Weight	Turkeys*
6 to 8 lb.	3 1/2 to 4 hours
8 to 12 lb.	4 to 4 1/2 hours
12 to 16 lb.	4 1/2 to 5 1/2 hours
16 to 20 lb.	5 1/2 to 7 hours
20 to 24 lb.	7 to 8 1/2 hours

*Shorten time 1/2 to 1 1/2 hours for unstuffed turkeys . . . the shorter time for birds up to 12 pounds and the longer time for birds over 12 pounds.
