Wolverines Lose To Strawn; Play Olden Tonight

The Carbon Wolverines were defeated by the Strawn Greyhounds by the close margin of 20-18 in a very exciting game in District 7-B six-man action in Strawn last Friday night.

Dale Jackson and Doug Bryant did the scoring for Carbon with Jackson making two touchdowns and Bryant 1.

Carbon now stands 1-1 in league play having won their first District game from Strawn.

Donald Hughes, son of Mr. and Mrs. Jimmy Hughes, sustained a severe knee injury in the first quarter of Friday night's game and was taken to the Eastland hospital where surgery was performed by a specialist of Fort Worth first of the week. It is regrettable that Donald will be out for the rest of the football season. Larry Stubblefield and Bobby Carlton received less injuries in the game, but it is hoped they will be able to play in the game with Olden here Thursday night at 7:30.

Pleasant Hill Club News

The Pleasant Hill Home Demonstration Club met in the home of Vergie Hale for their last meeting. The meeting was called to order by the president, Nettie Berry. The Club Motto and Prayer was led by Dora Schaefer. Members answered roll call with a favorite recipe. Devotional from the 23 Psalm was given by Willie Hines. Sharon Reeves, guest speaker, brought an interesting talk on Social Work.

Refreshments were served to Nettie Berry, Dora Schaefer, Edna Faye Harris, Shirley Tucker, Willie Hines, Joyce McGrahen and three visitors, Lucy Hagan, Arlene McCurry and Sharon Reeves by the hostess, Virgie Hale.

Clyde Campbell was honored on his birthday Monday with a supper in his home with the following attending: Mr. and Mrs. John Brown, Mr. and Mrs. Collin Campbell, Mr. and Mrs. Bernard Campbell, Mr. and Mrs. Arliss Pierce and Mr. and Mrs. Donald Lane of Cisco and Mr. and Mrs. Norris Shirey of Arizona.

Funeral Services For Mrs. Gilbert Held Sunday

Mrs. Hubbard (Bernice) Gilbert, 73, life-long Eastland County resident, died at 9 a. m. Saturday in Eastland Memorial Hospital after several months illness.

Funeral was held at 2:30 p. m. Sunday in the First United Methodist Church in Gorman, with Rev. Len Layne, pastor of Carbon Methodist Church and of the First United Methodist Church in Eastland, officiating.

Burial was in Carbon's Murray Memorial Cemetery under the direction of Higginbotham Funeral Home of Gorman.

Mrs. Gilbert was born Bernice Stubblefield July 5, 1896, and married Hubbard Gilbert May 13, 1921 in Carbon. The couple lived here until two years ago, when they moved to Gorman.

She was a member of the First United Methodist Church in Gorman.

Survivors include her husband; two daughters, Mrs. Jay (Marian) Craddock, Jr., of Colorado City, and Mrs. Truett (Toby) Guy of Oklahoma City; four grandchildren, two brothers, Dr. M. L. Stubblefield of Baird and Frank Stubblefield of Carbon; five sisters, Mrs. W. F. Gilbert of Spur, Mrs. H. W. Gilbert of Carbon, Mrs. Guy Dunham of Alvin, Mrs. H. B. Boswell of Austin and Mrs. C. B. Braden of Houston.

Pallbearers were Pat Guy, Glenn Justice, Jimmy Hughes, Bob Green, Bill Parr, Edgar Altom, Henry Hines and Dean Bennett.

The Friendly Fellows Sunday School Class were honorary pallbearers.

Bond Sales Total \$18,234 For September

H. M. Fentress, area chairman, announced today that the sale of United States Savings Bonds and Freedom Shares during the month of September totaled \$18,234 in Eastland County. Sales for the nine-month period were \$246,128 and this is 82 per cent of the county's 1969 goal of \$300,000.

September sales in Texas were \$14,480,583 as compared to \$13,508,678 during September of 1968 — an increase of 7 per cent year to date sales were \$134,118,669 — 78.8 per cent of the state's goal of \$170 million.

Over the nation, September investments of Bonds-Freedom Shares totaled \$351 million, with Freedom Shares accounting for \$30 million of the total, which was 27 per cent above September 1968 National sales. Sales for the nine-month period were \$3.6 billion for 74.6 per cent of the national goal of \$4,861,800,000.

Charles Rutherford Assumes Duties With First State Bank

Charles Rutherford has assumed his duties as vice-president of the First State Bank of Rising Star.

Mr. Rutherford, a partner for many years in the building materials firm of Rutherford and Steel Co., retains his interest in that Company but will not be active in its management.

George Steel, the other partner, will manage the company. Andrew Jackson, a former employee of Rutherford and Steel Co. has rejoined the firm to assist Mr. Steel in its operation.

Mrs. Frank Hudler continues as cashier and bookkeeper.

IT HAS BEEN

BY VADA ARNOLD

Among the first settlers of the Sipe Springs community were W. L. D. Whitesides from Arkansas who arrived in this new country in December 1869. One month later his wife, Fannie, and her father and mother, Mr. and Mrs. Cullpepper Plott, and their two sons, Elias and John Plott, joined Mr. Whitesides. During the summer of 1871 George O'Neal built a box house south of Sipe Springs. Lumber for the house was hauled by ox wagons from Hearne, Texas. The summer of 1870 brought a number of new settlers including families of Sam Percifield, Jess Thurman, Cal Watkins and J. J. Smith. Single young men were M. T. Leonard, Ike and Bill Snow. In the fall J. L. Dewey and family and James Buckmaster, James Murphy and Mrs. Martin Murphy "pitched" tents in the new community. M. W. Hall, Tom Hale and wife, Capt. and Mrs. Childress and children, John Falls and Bill Shultz moved in.

The first house built in Sipe Springs was a double log house owned and built by Cal Watkins. Sam Percifield built a log house under a big live-oak tree on the site of the Sipe Springs High School (of later years). Other settlers followed in building more homes.

As settlers moved into the area they felt the need of church services. Rev. James Buckmaster a United Brethren minister moved in and in a short time he organized a Sunday School. With the help of a number of citizens a picket school house was built. Split log benches were made and church services were held. In this same crude log building the first school was taught by William Jude. He taught at fall time. In this log building many people received their first learning and spiritual training.

M. W. Hall operated one of the early day business concerns in Sipe Springs, a General Merchandise Store in a part picket and part log house. Mr. Hall kept a freight wagon on the road to Waco hauling merchandise. Housewives frequently waited for the Hall freight wagon to come in before they could get sugar to bake their Sunday Cake. House of "rawhide" lumber hauled from Waco, in this house Mr. Anderson ran a Mercantile store for a number

of years. Others who had businesses were Sebe Roach, D. M. Jacobs and a Mr. Stamey. Tom Miller opened the first Drug Store. There was a saw mill, and a grist mill run by Lawrence Woods. Tom Yantis had a flour mill. Sipe Springs was once the milling center and ginning center of west Texas. People hauled their cotton and grain for miles and miles to be processed.

Among early day doctors were Dr. Ross, Dr. Hammock, Dr. Cloud, Dr. Crawford, Dr. Roach, Dr. Davis, Dr. Burrows, Dr. Westbrook and Dr. Marks.

E. W. Sublett was the first Justice of the Peace. Once there were two couples who wanted to be married the same hour in opposite directions from town. Mr. Sublett deputized a man to marry one couple while he read the ceremony for the other.

M. T. Leonard, an old timer, built the first cook stoves that were used by house wives in Sipe Springs. The women were as proud of the stoves built by Mr. Leonard of rock and mud in one corner of the house as modern women are of gleaming white electric and gas ranges.

John English and Miss Florence Sublett were the first couple to be married at Sipe Springs. The wedding was held in 1873 at the little picket school house. Their marriage license to be issued in Comanche County.

Early citizens of this community were law abiding, fun loving people. For play days they loved foot races, baseball games, horse and mule races and play parties in the homes of the area. There was never a dull moment. Whether at work, at play or watching for Indians, a company of Minute Men was organized for protection of the citizens from Indian raids.

Mid June of 1898 brought a hard freeze. Corn was "in silk and tassel" and was frozen to the ground on June 9.

Sipe Springs residents were

WE TURN the calendar to face November — a month which brings us face to face with such delights as deer season, finals in football contests, Thanksgiving and four pay days if you're paid weekly. It is a month of benefit dinners, candy sales and a bonanza for those folks who do their Christmas shopping early. To express it in the title of a recent hit song, "Don't See Me No Signs of Loneliness Here."

43 4-H Awards to Be Presented at Banquet

Other clubs will elect officers during the next month.

4-H'er Lynne Pippen did well showing her animal at the State Fair in Dallas.

Nimrod Willing Workers 4-H club celebrated Halloween on October 18 with a Pot Luck Stew Supper. It was quite a colorful occasion with members and adults dressing as goblins and ghosts!

Each 4-H club member should be thinking of a project that he or she wishes to have this year. The only requirement for one to be a member in 4-H is to have a project. This can be any learning experience that one is interested in. 4-H'ers should discuss possibilities of projects with their parents and 4-H leaders.

4-H members throughout the county are looking forward to the highlights of the year in 4-H — the annual County 4-H

Awards banquet. Several special awards will be given to members and adult leaders. Hopefully all of the 4-H members and parents in the county will attend. The theme is "Come Fly With Me."

4-H girls will soon be working on Foods projects. Leaders will be trained during the first part of November.

The 4-H year begins January first. New officers for each club will take office at that time. Cisco 4-H club elected Kathy Boyd as president. Gorman 4-H club elected Brenda Browder as their vesp. Nimrod Willing Workers will keep the officers they elected in May.

One of the best ways to make a long story short is to have the person about whom you are talking, drop in.

ACP Practices Completion Due By End of Year

All soil and water conservation measures being installed by farmers under the 1969 Agricultural Conservation Program (ACP) must be substantially completed by the end of the year, according to Robert G. Lyerla, Chairman of the Eastland County Agricultural Stabilization and Conservation (ASC) Commit-

tee. He urged farmers to complete their conservation work as soon as possible. "Sometimes a man will plan to get the work done in November or December, and then bad weather holds him up. First thing you know it's New Years Day the ACP work isn't finished, and the ASC Committee can't approve the Federal share of the costs," Chairman Lyerla said.

He also reminded farmers that whenever a request for costshares under the ACP is approved, the ASC Committee sets a completion date for the practice. If a farmer is

unable to report the conservation practice completed by the date set, he should request a time extension and explain why it is needed.

In any case, said Mr. Lyerla, the ASC County Committee cannot extend the time allowed for completion beyond December 31 for requests approved under the 1969 ACP.

Under the ACP, the Federal government shares with farmers and reaches the costs of conservation practices needed in the public interest. Farmer requests for cost-sharing are administered by the ASC County Committee.

joyful when the railroad came in 1910. During 1918-19 there was the oil boom and the town took on new life and growth, but the oil boom was over and the two banks failed during 1920-21.

People settled back to profitable farming and cattle raising.

Today there is little to prove that one day Sipe Springs was an outstanding commercial center of this section, but many of the people whose ancestors settled the area still live there, glad to be alive and partake of their heritage.

How Lone Star Gas help you get rid of wrinkles?

We know all wrinkles are not due to aging. Some are due to drying. And dryers. Some dryers affect clothes the way sun affects skin. They not only dry out moisture. They bake in wrinkles. Even in permanent press. But gas dryers are more sensitive to your family's clothing. And more sympathetic to your work load. Most new gas dryers have a special cool-down cycle that turns off the heat before your clothes become overheated. That means your clothes have fewer wrinkles. And you have less ironing. You also have less expensive utility bills. Because gas dries for about a penny a load. See your gas appliance dealer or Lone Star Gas Company. Find out how to take it a little easier. And avoid wrinkles.

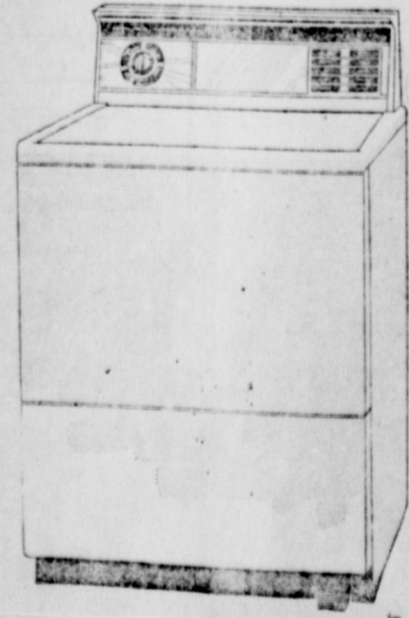

For the loves of your life
