## Will Get More Federal Aid In Lunch Program

COLLEGE STATION, Aug. 8. — Texas public schools will get about 22 percent more funds from the U. S. Department of Agriculture than last year to serve noon-day meals under the National School Lunch Program.

This announcement was received today by Dr. J. W. Edgar, Commissioner of Education, Texas Education Agency.

First quarter allocation of this money will be made to Texas this month, according to John J. Slaughter, chief, southwest food distribution division, Dallas.

This office of the Agricultural Marketing Service deals with the states in this region on the National School Lunch Program.

Slaughter explained that the 22 percent increase in the Texas allotment was the result of an increase of \$16,700,000 over last year's appropriation by Congress.

Federal funds are shared by the states on the basis of the number of children between the ages of 5 and 17, inclusive, and the need for assistance in the state as indicated by the relation of the per capita income of the United States to that of the state.

Slaughter praised the Texas Educational Agency for the way it has developed and administered the school lunch program.

**Curried Rice and Tuna Make a Tasty and Thrifty Filling for Luscious Tomatoes**

Rice brings together the deep sea goodness of tuna fish and the Oriental excitement of curry in this versatile main dish. The curry powder contributes exotic flavor and intriguing color enhanced by the bits of green pepper and the brilliant red of the tomatoes.

Served piping hot from the oven or cold and refreshing on a bed of greens, this "something special" for the family is also something quick and easy for Monday fix.

**INGREDIENTS:**  
8 medium sized ripe tomatoes  
4 tablespoons minced onion  
2 tablespoons minced green pepper  
4 tablespoons butter or margarine  
1 7-ounce can tuna fish  
2 cups cooked rice  
1 teaspoon curry powder  
1/4 teaspoon salt  
1/8 teaspoon pepper  
1/2 cup water

**PREPARING THE FLUFFY WHITE RICE:** To make 3 liberal cups of fluffy rice, put 1 cup of uncooked rice, 2 cups of cold water and 1 teaspoon of salt into a 2 quart saucepan and bring to a vigorous boil. Turn the heat as low as possible. Cover saucepan with a lid and simmer for 15 minutes.

**METHOD:** Peel tomatoes easily by scalding, plunging into cold water and then peeling. Slice off stem end of tomatoes. Carefully scoop out pulp. Cook onion and green pepper in the butter or margarine until tender. Add the tuna fish, rice, curry powder, salt, pepper and water. Mix thoroughly. Fill the tomatoes with the tuna and rice mixture and bake at 350° F. about 15 minutes or until the tomatoes are tender. Serve hot. Garnish with green pepper rings if desired.

For a cool and refreshing salad, chill the tomatoes after they are stuffed and serve on salad greens.

This recipe makes 8 servings or 3 cups of the curried tuna and rice mixture.
