## CHAMBER OF COMMERCE HAS A PLAN TO AID IN COTTON GATHERING

The directors of the Chamber of Commerce held an interesting meeting Wednesday morning at the office of the organization. As a means of systematizing the work of the Chamber of Commerce for the year, its activities will be largely distributed through and handled by standing committees. Each committee has for its chairman a member of the board of directors, who will complete his committee by the appointment of two members from the membership and these will have active responsibility for the matters which properly come under their committee assignment and each committee will report to and work in harmony with the entire board. These standing committees are as follows: Agriculture, membership and finance, roads, city improvements, reception and entertainment, trade extension. The chairmen of these committees were appointed and ready for publication in the next issue of the Enterprise.

The President is general chairman of all these committees and the Secretary a member of each of them. A membership banquet was set to be held the evening of September 6th, and its arrangement and program will be handled by the committee on reception and entertainment.

A plan for handling the cotton picking and farm labor help required in this section so that an orderly placing of pickers in quantities desired to those who wish the service, in the interest of those needing workers and those needing work, was discussed and an immediate effort to effect a co-operative service will be made.

## J. S. NEELY ENTERTAINS THE FIRE BOYS

The Winters Fire Department members, their wives and sweethearts, the city officials and a number of other guests were given a most delightful evening Thursday by Mr. J. S. Neely at his country home eight miles out.

At eight o'clock the guests to the number of more than a hundred assembled by the side of the large lake which forms the water supply for Mr. Neely's irrigation farm, and many of the visitors donned bathing suits and indulged in a cool swim. Then, following an invocation by Rev. Gid J. Bryan, a feast of iced melons and delicious cantaloupes filled with ice cream was served. Secretary J. E. Farrow, representing the visitors paid a brief tribute of appreciation to Mr. Neely and his family for their friendship and courtesy. I was a happy illustration of the fact that in the Winters community the ties of friendship, co-operation and mutual interest have no dividing lines of town and country, but that instead we are all neighbors together. It was an evening not soon to be forgotten by those in attendance.

## Installs Apparatus to Refresh Vegetables

The "M" System Grocery, always neat and keen to get the latest improvements has just installed an apparatus that keeps their vegetables and fruits fresh. A number of small pipes, with a tiny nozzle, distributes a fine mist, and this settles on the vegetables and fruits like dew, thus keeping them crisp and fresh just as if they had just come from the garden.

## Miss Mary Neely Weds Okla. Man

In the freshness of the early Sabbath morning at the First Methodist church there was solemnized at 7:30 August 16, the wedding of Miss Mary Essie Neely and Mr. J. Gilmer Capps, of Tipton, Oklahoma, Rev. Gid J. Bryan, the pastor, performing the beautiful and impressive ring ceremony.

The marriage was the culmination of a romance which began several years ago when the couple were high school students in Snyder, Oklahoma.

For the occasion the church was beautifully decorated in ferns and cut flowers, artistically arranged in vases and lovely baskets to form a pretty setting for the ceremony.

Preceding the ceremony, Miss Clara Pringle sang "I Love You Truly," with piano accompaniment by Mrs. Faris Callan, who also gave as the processional Lohengrin's wedding march.

Misses Susie Downing, Alice Jones and Carrie Flynt were the bridesmaids and were beautifully costumed in gowns of pastel shades, carrying lovely arm bouquets of roses and ferns tied with maline, while Messrs Sidney, Carroll and James Neely, cousins of the bride, were groomsmen. Miss Lavera Neely, sister of the bride, as maid-of-honor was dressed in a lovely rose printed georgette and Mrs. Ollie Bell Patrick as matron-of-honor, also wore a rose printed georgette, both carrying bouquets of roses and ferns, maline tied. Master Lawrence Jennings, with the dignity of a prince, was ring-bearer and dainty little Miss Carl Lee Henslee was the flower girl.

The bride entering with her father who gave her in marriage was met at the altar by the groom, accompanied by Mr. Turney Neely, brother of the bride, as best man. She was beautifully dressed in a lovely blue crepe satin ensemble suit, edged in ermine with hat and accessories to match, carrying a lovely bouquet of Brides roses and Maiden Hair ferns.

Mrs. Capps is the daughter of Mr. and Mrs. Walter Neely and has lived here a number of years. She is a consistent Christian and a faithful worker in the church and has done a great work as superintendent of the League and organized the Campfire here. She was a graduate of the 1918 class, of Snyder, Okla., high school, teaching at that place the following year, also taught in Winters high school two years and one year at Drasco.

She was an honor graduate of Texas Woman's College for the past year, accomplishing four years work in three years and taught in the Masonic school one half term and also voted as the most religious girl in T. W. C. the past year.

The groom is a son of Mr. and Mrs. J. H. Capps, prominent stock farmer of Tipton, Oklahoma, holding the responsible position of business manager of the farm and newly erected gin. He is a man of sterling character and good moral habits and comes of an old and highly esteemed family.

Out-of-town guests here to attend the wedding were, Misses Susie Downing, Wichita Falls; Alice Jones, Chico; Onavi Wyatt, Nugent; Sue B. Mann, Fort Worth; Ilda Elrod, Fort Worth; Claudine Smalley, Lubbock; and Mrs. Minnie Mayhew of Brownwood, Mr. and Mrs. Robt. White, Ballinger and Mr. and Mrs. Roy Baker of Southland.

After a tour of several days, Mr. and Mrs. Capps will be at home at Tipton, Oklahoma.

Misses Lela Mae Lloyd and Christine McDuff were visitors in Abilene last Wednesday.

FARMERS GATHER TO HELP NEIGHBOR IN DISTRESS

When sickness and death came into the home of Lonnie Allcorn, a farmer living in the Crews section, 10 miles west of Winters, he got considerably behind with his cotton crop, so the big-hearted people of that section gathered at his farm and chopped off his cotton for him. As the above photo shows, there were some fifty or sixty participated in this good deed.

## Freeman Home From St. Louis Markets

Ben Freeman, of Freeman's Dry Goods store, reached home the first of the week from St. Louis where he had been for the past week buying goods for the fall season. Mr. Freeman says he found market conditions good and that he didn't fail to take advantage of the fact. He says he picked up many bargain buy which will be reflected in the prices he intends making to his customers.

## H. O. Jones Returns From Eastern Markets

Mr. H. O. Jones of the Farmers Mercantile Co., returned home the first of the week from the Eastern markets where he had been buying and selecting goods for the new season. Mr. Jones says he believes he made some very good buys and the new goods are arriving and being unpacked every day.

"H. O.," as he is familiarly called by his many friends, says that during his absence he visited in a number of towns and almost invariably he was invited out to see the town's water supply, bathing pools, etc., and that instead of having water on the brain, he has water on his heart, meaning that the most important item in the feature progress of Winters was an adequate water supply. Mr. Jones says he's going to keep right on agitating the water problem until some solution of the problem is found.

Owen Ingram of Abilene was a business visitor here for a few days the past week.

J. I. Duffey and wife returned Tuesday from a visit in Comanche, Carlton and other places.

## Skaggs Return From the Eastern Markets

Mr. and Mrs. J. M. Skaggs returned the latter part of the past week from the Eastern market centers where they spent some two weeks selecting and buying new fall goods for their store here.

Mr. Skaggs says he bought more goods for the coming season than he ever did before; that the new goods are being unboxed and displayed now, and that early selections should now be made while the stock is complete.

## W. E. Hickman Back From Eastern Markets

Mr. and Mrs. W. E. Hickman returned last Friday from Dallas where they visited the wholesale houses and bought new fall and winter merchandise for their store.

Mr. Hickman says he bought a better quality, better selection and larger stock than he has ever carried before, and all the newest things in ready-to-wear, millinery, footwear, men's furnishings, and a beautiful line of piece goods, which are arriving daily and the prices are very reasonable.

Mr. Hickman was assisted in buying wearing apparel for women, by Mrs. Hickman and they invite the trade to come in and see the newest things for fall and winter.

D. H. McCaughan of Santa Anna and Drew McCaughan of Brownwood are visiting in the home of W. B. McCaughan and family.

Mr. and Mrs. John Q. McAdams returned home the latter part of the past week from a most enjoyable vacation spent in El Paso and the mountains of New Mexico.

## FIRST BALE OF 1925 COTTON CROP RECEIVED HERE YESTERDAY

Yesterday afternoon about three o'clock the first bale of the 1925 cotton crop arrived in Winters. The bale was raised on the D. J. Goetz place seven miles southeast of town by Frank Tuentez. There were 1140 pounds of seed cotton and the bale weighed 401 pounds. The ginning, which was done by the Farmers Gin Co. No. 2, was donated, and a suitable premium is being raised for Mr. Tuentez.

The bale which graded strict middling, was bought by H. O. Jones of the Farmers Mercantile Co., the price paid being 25c per pound.

About one hour later C. Kornegay's gin received the second bale of the season, brought in by G. A. Prucer, who lives about 4 1-2 miles southeast of town. There were 1370 pounds of seed cotton and the bale weighed 441 pounds.

The owner of the bale has a bid from C. Kornegay of 25 cents per pound but had not accepted at the time of going to press.

We understand that the Chamber of Commerce is making up a premium which will be divided 60-40 between the owners of the first and second bale respectively.

## LARGE SQUAD EXPECTED TO REPORT FOR FOOTBALL

The enthusiasm for the local football training camp has been increasing through this week as the time for the departure for Oak Creek draws near. Blankets, cots, towels and camping outfits are being collected with much interest mingled with guesses concerning the stores of the coming season. Thoughts are being turned to the greatest of scholastic sports, while some have already been training off surplus weight by cross country running.

Some may doubt the wisdom of such an enterprise and claims that too much stress is being put upon athletics but a glance at the work of high school students during seasons of high enthusiasm in school contests and seasons when no contest were being played will prove that a better grade of class room work is done under the former conditions. Then pre-season training tends to get the new off the game so that the very important first days of school may have better attention upon the part of both student and teacher.

When Coach C. R. Smith blows the whistle for the first practice in the McCowan pasture, August 24, he expects about thirty anxious, husky, red blooded American boys to answer the call. In the group will be boys who have come up together through the grades, boys who have dropped out for various reasons but have realized their mistake and are returning to school and boys who are with the great family of Winters students for the first time, all working for a common cause and the great sport.

The club wisely selected Gerald Knight to captain and lead the squad. He will be well supported by J. Fields, Robertson, R. Phillips, Bailey, Dedman, Anthony, Jones, Key and Young, all of last years team. The absence of the Neely brothers will be keenly felt during the camp but they are working and training every day and will be in fine shape when school starts.

Among the new men who are expected to report are Greer, Nance, L. Edwards, Vancil, F. Fields, W. Phillips, and the three Barber brothers, Mitchell, Robert and Duncan, Bedford, Campbell, Bartlett and others. Any others who live near Winters or expect to enter the local high school will be expected to be on hand Monday, August 24 at Mitchell's Filling Station at 7:30 a. m.

The boys will be well sheltered, and carefully looked after. Work will begin at 5 a. m. and continue until about 8:30 then rest will be in order until about 4 p. m. when the afternoon practice will begin, in this way they will be well protected from the heat. Both Coach Smith and Principle Robertson will look after the boys during the entire time. Visitors will be welcome from 4 to 6 p. m.

Mrs. C. Kornegay, Miss Loyle, Mrs. J. D. Newton and Buck will leave for Granview and Dallas for a few days visit.

## Local Dentists Attend Association at Brownwood

Dr. F. J. Brophy and R. C. Maddox returned the first of the week from Brownwood where they attended the meeting of the Northwest Tex. Dental association which met in that city last Friday and Saturday. They report a good attendance at the meeting and an enjoyable and profitable gathering. There were some sixty dentists in attendance. The next convention of the dentists is to be held in Abilene.

P. S. Stark of Sterling, is in the city, a guest in the home of his son, P. J. Stark.

## Baptist to Give Reception for the Watts

Arrangements and plans are now underway for a reception to be given at the First Baptist church next Monday evening at eight o'clock, honoring Mr. J. C. Watts, former superintendent of the Sunday school, and Mrs. Watts, who was a teacher in the school. These good people have returned from a vacation spent in Arkansas, where they also visited with relatives, and immediately upon their arrival here they moved to Drasco, where Prof. Watts will teach school the coming term. Mr. Watts has just completed two successful terms in the office of Secretary of the local Chamber of Commerce and friends here are loath to give up this good family as citizens of Winters, but rejoice in the fact that they are still to be citizens of Runnels county and remain in our immediate territory.

All members of the Baptist congregation are invited and expected to attend this reception. Refreshments will be served.

## Krauss Left N. Y. For Home Tuesday

Mr. A. Krauss, who has been in New York buying goods for his fine large stores, wires us that he left for home last Tuesday evening. Mr. Krauss is a close buyer and, in making selections for his five large stores, we are sure was able to command many concessions, due to his immense quantity buying, and the new season's goods are arriving daily.

Following is the telegram: "New York, N. Y., August 18, 1925.—Winters Enterprise, Winters Texas: Leaving New York tonight, homeward after being here three weeks, buying for our five stores. I am glad to get home again, away from this push and tumble world and meet the friendly faces again. Regards to everyone. With best wishes.—Krauss."

Messrs. W. L. Poe, H. B. Poe and Wiley Rainwater returned the latter part of the past week from Hamlin and Stamford. W. L. Poe bought land close to Hamlin.

## FIRST CHRISTIAN SUNDAY SCHOOL ANNOUNCEMENT

The First Christian Church Sunday school will meet at the Alexander building on West Dale street for the next two Sundays.

Miss Lucy Harrell returned Thursday from Huntsville, where she has been attending summer school.

#### SAY IT WITH TYPE

"Say it with type—flowers die." This clever adaptation of a familiar catch phrase catches our eye as we glance over the pages of a newspaper. Good advice to folks who have something to offer the public. Say it with type, and the bigger and oftener, the better.

#### NO RELIEF FOR IT

Conferences recently were held at the Treasury Department in Washington on the subject of how to make the dollar bill last longer. They are not unique. Conferences are being held daily in many homes on the same subject. The life of a dollar bill is a topic of perennial domestic discussion. It has been debated by millions of experts in currency longevity.

The Treasury experts are talking about the physical dollar bill which now lasts about seven months. The domestic experts are talking about the fiscal unit which lasts about as many hours. The same dollar bill provides matter for numerous family conferences as it passes to and fro. Every family group that considers the endurance of the bill adds to its frailty.

Certainly there is no relief of the situation through the issue of silver dollars. That was tried some time ago, but the experiment failed. The spending public simply would not take them. The one dollar bill is the most popular form of currency with the mass of the people and the Treasury Department might as well make provision for supplying it in sufficient quantities to supply the demand.

husband and wife, and must be answered sooner or later one way or the other. Owning a home is not such a difficult matter as it appears to some. Like many other things in life, it consists chiefly in determination—making up your mind that you will have one. Owning one's home stimulates one's self regard and supplies the driving motive for other undertakings. One of the most important decisions any young man can make, after he has found his job and lifemate, is to own his home.

### Playing With Souls to Be at Queen Next Week

"Playing with Souls," the Ince-First National feature which will be screened at the Queen Theatre, Monday and Tuesday, August 24 and 25, embraces a theme rarely touched in movies.

The drama springs from the crumbling of family ties and reaches a climax when the family unity of father-mother-son relationship is restored.

The family trio are made up of: A millionaire father absorbed in dollar-chasing.

A frivolous mother who tries to stay young forever.

A son brought up on money instead of on love.

The climatic scenes are reached when the boy, believing himself nameless and beyond the pale of the pure and beautiful girl he loves, is rapidly hurrying his life away in the clutches of a heartless chorus girl in the Paris night life.

During this mad whirl he encounters both his father and mother, but recognizes neither. But the sight of his helplessness brings them to a realization of the terrible cost of their neglect, and the work of rebuilding the disrupted home begins.

The Thomas H. Ince Corporation, which filmed the picture for First National, has given it a series of elaborate and vivid settings, particularly in the sequences showing the magnificent and picturesque resorts of Parisian gayety.

We are glad to report Miss Fred Bridwell, who was operated on one day the past week at the local sanitarium, is doing nicely.

### Dearborn Independent to Accept Advertising

A change in the policy of Henry Ford's publication, the Dearborn Independent, was announced today. Advertising will be accepted beginning with the October 3, 1925 issue of the Magazines.

The Dearborn Independent has not carried a line of paid advertising since it has been the property of Mr. Ford and the change in policy reflects a growing feeling on the part of the public to expect as a buying guide a certain amount of advertising in magazines of its choice.

However, advertising in the Dear-

born Independent is to be kept within certain definite limits. Under the new policy the magazine is to be increased in size from 32 pages to 48 pages but the amount of space available in each issue will be only thirty-three and a third per cent of the total space inside, or, in the 48 page magazine only 16 pages will carry advertisements, exclusive of covers. This rule is said to be unique in the publishing field. Other requirements are made relative to the kind and nature of advertising which will be acceptable.

The Dearborn Independent, then a small country weekly newspaper, was acquired by Mr. Ford in 1918. All paid advertising was dropped and the paper changed to a sixteen page magazine. In May of this year, with the installation of new presses, the magazine was increased to 32 pages of standard size. The Dearborn Independent, since becoming a Ford property, has become one of the most widely discussed publications in the world. It is distributed to over 600,000 paid subscribers.

Quality Merchandise for Every Possible Need

**Simmons U. Session Starts Wednesday, Sept. 16**

The remarkable growth and development of West Texas during the past thirty-five years has no parallel in the development of Simmons University which passed this year from the college to university class. This school had its beginning in 1891. At that time the entire west was a vast cow country undeveloped and sparsely settled. The men who were responsible for the launching of Simmons were rugged pioneers who foresaw the possibilities for the building of a great empire in the west, and it was their dream to build along with this empire a great denominational school.

Like the great west, for the first ten years Simmons College, then only an academy in reality, had many bitter struggles and setbacks. The annual enrollment was less than one hundred. In 1902 Dr. O. H. Cooper, one of the outstanding educators became president and during the six years of his administration the enrollment increased from 189 to 340, and the property and endowment increased fourfold.

In 1909 the present president, Dr. J. D. Sandefer, assumed management of the institution. He had a vision of a great West and a great university, and he has spent these sixteen years in carrying out his ideals. That his faith in West Texas and a great university were not misplaced is indicated by the fact that this section of Texas has developed into the greatest section of the entire state. With this development Simmons has always kept pace. The school goes into the university field of education with a plant valued at about one million dollars and an endowment of nearly a half million.

On the beautiful forty-acre campus there stands nine modern and modernly equipped buildings, including a large auditorium and administration building, one of the largest and best equipped science buildings in the state, a \$100,000 fine arts building, two large girls' dormitories, a large gymnasium with swimming pool, basketball court and other equipment for the physical development of students. The most recent additions to the campus is a \$150,000 men's dormitory being completed this summer and a modern fireproof library building. Twelve hundred and sixty-eight students enrolled last year and the indications are now that this number will be exceeded during the coming year.

The thirty-fourth annual session of Simmons University begins Wednesday, September 16. A faculty of forty-two trained Christian men and women have been selected to help guide the destinies of the hundreds of sons and daughters of West Texas who will attend the institution this year.

The summer session of Simmons University closed on August 19. Thirty-six students were candidates for graduation in this class, making over one hundred graduates from the institution for the year. The fall term of the university will begin September 16 and a record-breaking attendance is expected.

**San Angelo Man Opens Tailor Shop**

M. Fairstn of San Angelo has opened a tailor shop, dry goods, ladies' ready-to-wear and men's wear store in the Hodge building formerly occupied by Cleveland & Son. Mr. Fairstn will make a specialty of men's tailoring, making all suits in his store here.

J. W. Patterson and family left Wednesday for Plainview where they will spend a week or ten days visiting with relatives. Both Mr. and Mrs. Patterson's people reside in Plainview.

**LAND FOR SALE**

I have for sale in the Winters territory, a 241 acre farm, of which 190 acres is in fine state of cultivation with more first class land, good five-room house with out buildings, well of good inexhaustible water in the yard, a three room tenant house, pastures are exceptionally fine grass one adjoining the home place and one the tenant house; to see the present growing crop on this farm shows what it is. If you want a home, a place to rent for a source of revenue and sell for an increase in value it is worth your while to see this. Address owner, box 274, Talpa, Texas.

So you'll have it when you really need it. When cold weather comes, everybody wants his coal—and you can't tell how long you'll have to wait for your supply. Make sure of having it by placing your order now.

**Chevrolet Makes Economical Trip**

Los Angeles to Detroit at a total cost of \$22.29.

That is what it costs in a Chevrolet according to Joseph L. Rogers, Hollywood, and A. V. Gallan, Los Angeles, insurance men who recently made a trip of 3,104 miles at an expense of 44.20 for gasoline, oil and food or seven-tenths of a cent per man per mile.

The Chevrolet used was a sedan owned by Mr. Gallan. It had been driven only 630 miles before they decided to make a vacation tour to the Detroit home of Mr. Roger's brother, Clifford W. Rogers.

Alternating at the wheel, they made the trip in five days and 18 hours, only a day and one half longer than the time of the transcontinental flyer which travel a much shorter distance due to the winding of the motor roads.

The tourists gave no particular thought either to the speed or economy of the trip until they were questioned in Detroit by the manager of a Chevrolet service station where they stopped on arrival to change the crank case oil. He induced them to visit W. S. Knudson, president of the Chevrolet Motor Company, General Motor Building. After inspection and driving the car, Mr. Knudson pronounced it in excellent mechanical condition.

"The trip was in no sense a stunt," said Mr. Rogers. "We had no accidents except a puncture, the repair of which incidentally is included in the expense budget. Our only adventure was finding two Indian children nearly dead of thirst on a lonely stretch of desert road in New Mexico. They fell on their knees when we gave them a bottle of water."

Editor W. H. Carter of the Killeen Herald and Henderson Norman, also of Killeen, were in the city a few days the first of the week, enroute to the plains. While in the city Mr. Carter was a visitor in this office and we enjoyed our chat with him very much.

W. W. Oliver, manager of the Main Drug Co., was quite ill a day or two the first of the week, but friends will be please to learn he is up again.

Mr. and Mrs. George Oberman have moved to Abilene, where Mr. Oberman has accepted a position with the Chrysler automobile agency in that city. Mr. Oberman for the past few months was a member of the sales department of the Kilpatrick Motor Co. of this city.

Mr. and Mrs. A. P. Jordan spent the week-end in San Angelo, visiting friends and relatives.

Misses Georgia and Anna Brosig of Lowake visited at the home of Mr. and Mrs. J. D. Goetz last Sunday. Mr. and Mrs. Artie Bourne and daughter, Miss Gladys, have returned to their home in Winters after a visit with relatives.—Killeen Herald.

## Wingate

Wingate never misses a chance to advertise. When we learned that the Ballinger Booster Club would be here for lunch on Wednesday, 12th a move was started at once to give the Boosters and the people of this community a free feed. So a committee of three was appointed to get the meat and see to the barbecuing of same. The result was a fine dinner of good tender barbecue, light bread, pickles, coffee and son-of-a-gun, of which some 200 or 250 people partook. The booster club consisted of 100 or 125 people, both men and women. A good "Turkey-in-the-Straw" band accompanied the crowd and furnished good music.

Dr. Shook, Wingate's speaker, received much applause, both long and loud. He told of the merits of Wingate, including the good stores, the two fine gins, the good farming district, the pretty girls and fine boys. Mr. Dorsey of Ballinger responded with another fine speech. The Ballinger fair was well advertised and folks in general had a good time. We heartily welcomed the boosters and hope they will come to see us again next year. A hard rain came up just as the majority of the people were through eating, but that didn't dampen the spirits of our loyal citizens and the proceedings went right on.

Mr. and Mrs. Clifford Rowland of Sylvester have been spending several days with relatives here. Clifford is getting about on crutches, recovering from a broken leg, which he received some two weeks ago while playing ball at Crosbyton.

Mr. and Mrs. George Miller, Guyrene and Cuttie Mott were Brownwood visitors last week.

T. O. Rowland of Sylvester, was in the city last week.

O. C. Parish from up in Taylor county has bought a house and lot here in Wingate from T. P. Childers. Wingate welcomes Mr. Parish and family to this fine little town to make their future home.

Mr. Childers has bought some land in the famous Rio Grande Valley district and is disposing of some of his property here. J. D. Clements, son-in-law of Mr. Childers has moved with his family to the valley to take charge of the land Mr. Childers bought there.

Mr. and Mrs. I. N. Phillips and two daughters have returned from a visit up around Hugo and Smithville Okla.

Miss Pauline Pruitt returned home Thursday from a three weeks visit to her sister, Mrs. Fred Greene at Hearne, Texas.

Miss Lucile Smith, niece of W. J. Smith and Mrs. George Sietz, came in from Weatherford Sunday to visit with relatives here.

Lonnie Hancock and Lloyd Perry returned Friday from their vacation at Corpus Christi and other points.

Mr. M. D. Hall left Friday for Greenville for a visit to his mother and brother.

E. E. Whitfield opened his new barber shop on the west side of south Main street the middle of this week. Wingate now boasts of two barber shops.

Mrs. Jim Barron of Ballinger spent last week with her daughter, Mrs. E. L. McFarlane.

Leo Middleton and family of San Antonio arrived Friday to visit Mrs. Middleton's mother, Mrs. J. A. Gannoway, and other relatives.

Mr. and Mrs. W. O. Woods and family were Winters visitors Sunday.

The Baptist revival meeting here is being well attended. The pastor Rev. Smith is conducting the meeting. Mrs. Douglas Shaffed has charge of the song service. There has been a number of conversions additions to the church, but we will give a more definite report after the meeting closes next Sunday night.

Mr. and Mrs. Will Barrette and son, Joe, were visitors in Winters Sunday.

Mr. Porter Gannoway from Hemleigh is visiting his mother, Mrs. J. A. Gannoway and other relatives here.

Mr. Audrey Spear left Monday for his home below Dallas after a visit here to relatives.

The Wingate baseball team played Angelo last Sunday on the Angelo diamond at the end of the ninth inning the score was a tie being 3 to 3. They played the tenth inning and Angelo scored. Our boys are contemplating taking the honors there next Sunday.

George Miller, County Commissioner and family left Sunday for a visit to Stanton.

Messrs. Troy and Lloyd Carter, Sam and Russel Sietz and Mrs. Bill Dean spent the day in Abilene Sunday.

Miss Syble Denson and Douglas Shaffer of this place were united in the holy bonds of matrimony here last Saturday night.

A host of Wingate people have been attending the Christian meeting in Winters the past two weeks.

Misses Ilene and Elizabeth Smith and A. J. Smith of Winters were all in Wingate Sunday.

Lonnie Hancock went to Fluvanna last Sunday to take John Cathey and Lloyd Perry and wife home after a long visit here.

Add Miller and family have returned to their home at Roswell, New Mexico, after a visit here to relatives.

Messrs. Frank, Porter and Lee Gannoway, all of Abilene, were visiting in Wingate Sunday.

Miss Effie Dugger of Olney came in Friday for a visit to her brother, Mr. J. F. Dugger and sister, Mrs. Riley Howard.

Rev. E. E. Smith of this place began a protracted meeting at Harmony, Sunday.

Mrs. A. N. Cason and son arrived here Sunday from Littlefield to visit Mrs. Cason's parents, Mr. and Mrs. Geo. Blackwell.

Mr. and Mrs. Geo. Sietz, Mr. and Mrs. B. J. Smith, Pattie and Berkley Smith, spent the day Sunday with A. L. Smith and family at Winters. There were only twenty-one there for dinner and more came in the

afternoon. Mr. and Mrs. A. J. Smith and children of Anson, Mr. and Mrs. H. Len Smith of Abilene and Mr. and Mrs. George Lloyd of Pumphrey were among the visitors.

Misses Cora, Ola and Cecil Smithson returned to their home near Sylvester last Sunday after a visit of several weeks here among relatives and friends.

Mrs. Cleare and daughter, Dorothy Faye of Houston are visiting Mr. and Mrs. J. B. Moore and other relatives here.

Mrs. Will Dodson, daughter of Mr. and Mrs. J. D. Dunn came down from Lamesa Sunday for a visit. Her children are with her.

Mrs. Jewett Smith of Winters visited her mother, Mrs. C. P. Pruitt last week.

The erection of the new school building is progressing nicely. It is beginning to take on the looks of a house now and everyone is anxiously awaiting the day when it will be finished.

Misses Rubye Hensley and Eura Sherrod were Abilene visitors last Sunday.

F. F. Merritt, local telephone man, and his brother were business visitors to Lubbock last week.

E. N. Dean went to Lubbock last Sunday to see his son, Bill Dean.

Mr. and Mrs. Elza Renfro from Dora were visiting Mrs. Renfro's parents, Mr. and Mrs. N. F. Smithson last week.

Gordon Ashby of Winters was a Wingate visitor Sunday.

Dr. W. R. Shook, his son, Morris, and Calvin Rogers returned from Sweetwater Sunday, where they were called last week by illness of Dr. Shook's father.

Mr. and Mrs. M. T. Hensley returned home last Monday after a weeks visit at Lubbock, Floydada and Lakeview.

R. L. Collingsworth of Greenville, Texas, is here this week, a guest in the home of his brother, R. I. Collingsworth.

Miss Lillie Green of Lake Charles La., has returned home after an extended visit in the home of her sister, Mrs. M. B. Jones.

## Short Course at Bradshaw Had Good Attendance

Bradshaw, Aug. 18.—The Farmers' Short Course for this year closed Wednesday evening was a grand success from every point of view. Over 300 farmers and their wives representing fourteen different towns and communities enrolled, with about 95 per cent attendance.

The school was presided over by Mr. J. R. Masterson, Taylor County Farm Agent, and who had charge of the Boys' and Girls' Clubs and the Maize Club work. Mr. G. W. Owens, District Manager of the A. & M. Extension Department, had charge of the Farm Department, and Mr. J. Lynn Thomas, Dairy Expert of the A. & M. College, had charge of the Dairy Department. Miss Helen Hubbard Swift, District Home Demonstrator and Miss Eula Mae Key, County Home Demonstrator of Runnels county, had charge of the Home Demonstration department, assisted by several of the Girls' Home Demonstration Club of Runnels County.

On the last day of the Short Course, a Dairy Club was organized and thirty boys and girls joined. A dairy expert of the A. & M. College will be sent next week to the Jersey farms over the State to select Jersey heifers for these club members. The Bank of Bradshaw has a plan of assisting the boys and girls in financing this project, and it is hoped that within a few years the dairy business will not only be greatly promoted, but that the scrub cattle of this country will be banished and real dairy cattle put in their place.

In joint session, just before adjourning, the members of the Short Course, voted for our Commissioners' Court to employ a County Farm Agent and a Home Demonstration Agent.

## The Lower Rio Grande Valley of Texas

Where is it and what is it? It is situated in the extreme southern part of Texas, and embraces the greater part of the counties of, Hidalgo, Willacy and Cameron.

There is no soil more fertile and no climate more equitable in the entire state of Texas. Farming is carried on the year round. Staple crops of cotton, corn, alfalfa, etc. are grown during the summer months. In the Fall and Winters, from December to April is the time for growing Winter vegetable crops for northern markets. Last season 13000 cars were shipped, valued at more than six million dollars.

The orange and grapefruit industry has become of considerable importance, more than 500 cars being shipped last season. Marketing conditions are excellent.

Buyers from cotton to carrots are located in every town. The producer sell to the local buyers. The valley marketing associations have brought this about. They keep in daily contact with the northern and eastern markets.

The Missouri-Pacific and the Southern-Pacific Railroads are now engaged in ex-

tending their lines in the valley, thus giving ample railroad facilities. Valley lands can still be bought at a reasonable price.

We are handling lands in the Raymondville district of Willacy county, forty-eight miles north of Brownsville. This is what is called the new part of the Rio Grande Valley. This section is not being irrigated, the average annual rain fall being 25.7 inches. The soil is the same as in other parts of the valley with the exception of Willacy county, being underlaid with a clay sub-soil.

The county farm agents report on the 1925 cotton crop is an average of three-fourths of a bale per acre for the entire county. Much of this cotton was grown on land that had already produced a paying winter crop of onions or other vegetables this year.

Unimproved land is selling around \$100 per acre. We arrange trips to the valley at a very low cost to those interested. For further information see—Walter Neely at his office or H. Meers at Tourist Hotel. Respectfully,—Texas thas thas thas htha

# Social Activities

## Mr. and Mrs. C. S. Jackson Entertain

One of the most delightful social occasions of the week was a "Japanese Garden Party" at the home of Mr. and Mrs. C. S. Jackson when they were at home to a number of friends last Friday evening.

The lawn presented a beautiful scene, being lighted with Japanese lanterns and six tables for "42" were attractively arranged, with score pads and tally cards hand painted in Japanese designs.

In a cut for prizes Mrs. Pyburn and Mr. Paul Holcomb drew the lucky numbers and were presented beautiful hand-painted plaster chrome Japanese plaques.

A refreshment plate of frozen fruit salad, loaf cake, grape punch, candy and wafers was passed to Messrs. and Mesdames L. E. Low, J. H. Rhoden, Horace Hawkins, Carl Hensle, J. H. Robinson, Jr., H. H. Marshall, J. M. Pyburn, A. H. Smith, Geo. C. Hill and Dr. and Mrs. Dixon, Mrs. F. J. Brophy, Miss Josephine Heavenhill, and Paul Holcomb.

## Dr. Jennings Honored on Birthday

On last Saturday, August 16, Mrs. T. V. Jennings entertained the doctors and druggists with a dinner in honor of the birthday of Dr. Jennings.

This delightful occasion was a complete surprise to the doctor who knew nothing of the quietly planned dinner, being purposely detained at the office by those who were wise to the surprise so the guests might arrive first, and he was somewhat surprised when he found so many cars parked in front of his home.

The doctor was the recipient of several nice gifts, being presented by doctors and druggists of each drug store, who went in together and bought nice gifts.

The menu consisted of fried chicken, peas, creamed potatoes, fruit salad, potato chips, pickles, olives, hot rolls, ice tea, angel food cake and ice cream.

The guest list included, Dr's Dixon, Kieves, Tinkle, Saunders, and Messrs. Frank Paxton, Noel Read, Ralph Lloyd, Luther Owens, Buford Owens, Paul Holcomb and Walter Oliver.

## The Martha Class Entertained

Mesdames C. G. Meeks and W. C. Quindler were hostesses to the Martha Sunday school class when they met in business and social meeting at the home of Mrs. Meeks last Wednesday.

The reception rooms were beautifully decorated in the class colors of pink and green with ferns and flowers artistically arranged. The dining room was especially lovely with the punch bowl gracefully placed in the center of the table, which was tastefully decorated in festoons of pink and green crepe paper, and each guest was served punch as they entered.

The meeting was called to order by the president, Mrs. Jake Davidson, for a short business meeting in which many items of business were discussed. The class prayer and aim was repeated by the class and good reports were given by the officers.

During the social hour several contests were enjoyed and fortunes told in peanut shells and Mrs. Mitchell drew the lucky peanut, which was number thirteen and won the prize. Mrs. Leslie Alexander gave an interesting and appropriate reading.

The class have adopted the "peanut sister" plan for the purpose of increasing the attendance to the class and each member present brought a gift for their peanut sister and many exclamations of delight were heard as the gifts were opened.

The class colors were carried out in the dainty refreshments served to Mesdames Hickman, Bruton, Evans, Thornton, Davidson, Alexander, Eakin, Mitchell, Davis, Harrison, Hill, Unfred and Misses Carrie Mae Smith, and Thelma Unsell.

## First Christian Church Ladies Aid

an interesting work meeting. The devotional was led by Mrs. Anthony.

Each committee reported plans completed for the revival meeting to begin Wednesday night, August 19. The next meeting will be a social and devotional meeting with Mrs. J. Q. Lankford next Monday, August 24.

## Baptist W. M. S. Had Meeting

The Woman's Missionary Society of the First Baptist church met Monday, August 17, at the church with a good attendance.

Mrs. S. E. Hunt led the devotional, followed by several sentence prayers. Devotional short business meeting several committees were appointed, after which Mrs. Stephens taught the Mission study on "The Child and America's Future," which completes the book.

## Methodist W. M. S.

The Methodist Woman's Missionary Society met with very good attendance at the church at 5 o'clock, Monday, August 17.

The devotional was led by Mrs. Stevens followed by the song, "Higher Ground," and "Nearer My God to Thee," with Scripture reading and prayer by Mrs. Garrett.

The subject of the Missionary lesson was "Law Observance," which was conducted by Mrs. Strother.

The opening talk by Mrs. Strother was "A Warning to the American People," followed by a talk by Mrs. Stevens on "Confession of a Prohibitionist," and talk by Mrs. Swartz on "The Political Battle."

The closing prayer was led by Mrs. Swartz.

## Swimming Party at Tinkle Beach

Quite a number of young ladies enjoyed a swimming party at Tinkle Beach last Friday, August 14. After the swim, supper was spread and very much enjoyed.

Those present at this outing were Misses Vopai Willie Lois Young, Gladys Oliver, Christine McDuff, Julia Garrett and Mesdames Carl Davis, L. Daniels and Ruth Ramsel.

Mrs. E. A. Shepperd is in Roscoe, Texas, visiting with friends and relatives.

## Presbyterian Woman's Auxiliary Will Meet

The Woman's Auxiliary of the Presbyterian church will meet at the home of Mrs. U. S. Heavenhill, Monday, August 24.

## 25,000 Children Will Attend the West Texas Fair

Plans have been completed for making public school day at the West Texas Fair this year the biggest in its history. Every public school in Taylor county and adjoining counties will be furnished with a ticket free of charge, which will permit him or her to the Fair grounds on this day, which is Tuesday, September 22. The program for Public School Day includes two football games, one between Anson and Winters and the other between Abilene and Stamford. All of the exhibit halls, Agriculture, Livestock, Poultry and Manufacturing will be open. The famous Gold Medal Carnival will add zest and color with unlimited amusement on the Midway.

The West Texas Fair officials invite correspondence with school children or school trustees with reference to the distribution of tickets for that day. They are absolutely free to public school pupils. The dates of the Fair are from September 21 to 26, and Public School Day is Tuesday, September 22.

Miss Mildred Dameron of Abilene visited Mrs. M. M. Snelling last week.

R. T. Weese of Abilene is in Winters transacting business and visiting relatives.

Paul Graham has recently bought the Donham home in the east part of town. Mr. Graham and family will make that their home in the future.

Rev. Gid J. Bryan and family left Monday for a two week's visit at Winslow, Arkansas.

R. F. Morten and family of Glen Rose, who were the guests of R. E. Bacon and family, returned home Tuesday.

Miss Carrie Mae Smith from Foreney, Texas is a guest in the home of her aunt, Mrs. W. C. Quindlen.

## Winters Public Schools Preparing For Fall Term

School opens on Monday morning, September 7th. High school registration will take place Friday and Saturday morning, September 4th and 5th.

The board has added Miss Vera Wilson of Temple, to the grade faculty. This selection completes the grade faculty.

The Winters Public Schools are adding and installing this week something over \$1,000 worth of new chemistry equipment, consisting of three tables with lockers, etc. This equipment is sufficiently large to care for twenty-four students at a time and is equipment not usually found in schools the size of ours, being an exact duplicate of the equipment used in the Abilene public schools.

Two new departments being equipped for this term are the sewing and commercial departments, which are being fitted with new equipment. The commercial department, which is in charge of D. S. Mitchell, had to be located in the library, owing to the lack of room.

The entire school plant is being rearranged and given a thorough renovating and the grounds will come in for their part of the cleaning and leveling before the coming term starts.

There is no doubt in our mind but that in Prof. A. H. Smith, superintendent, the school board has the right man in the right place and in every undertaking he advances for the upbuilding and progress of our greatest asset, our schools, he should have the hearty co-operation and assistance of our entire citizenship in putting it over.

## PROGRAM

Following is the program to be carried out at the Methodist Woman's Missionary Society, which meets August 24, at 5 o'clock:

Devotional—Mrs. Minnie Bedford.  
"A sisterhood of Mother's Caring for the Children"—Mrs. S. H. Nance.  
Vocal Solo—Mrs. Horace Hawkins.  
Sharing Where Woman's Work is Never Done—Mrs. W. D. Saunders.  
Piano Solo—Mrs. Chas. Chapman.  
"The Miracle of Money"—Mrs. Lucian Huntsman.

## CHURCH OF CHRIST

Lady Says She Took Cardui and Never Saw Such Improvement—Was So Weak Couldn't Stand.

Weathersby, Miss.—Mrs. James M. Hall of this place, writes that she was "getting weaker all the time" when Cardui, the woman's tonic, was first brought to her attention. After she had taken Cardui a while, she writes that she "never did see such an improvement."

"I suffered all the time and had pains all over," says Mrs. Hall. "I was so weak I could not stand. My skin was cold and flabby. I did not have any color. I had always been a very active woman—used to outdoor exercise, walking and going where I pleased, and to get down, not able to get myself a drink, was indeed a hardship."

"Nothing seemed to help me, till I began on Cardui. The first bottle seemed to strengthen me, and I sent for five more. By the time I had taken these, I was on my feet, going around, doing my work, gained in health and strength."

"I took two more bottles, and I am well and strong. Can work my garden. I haven't had any more sickness."

## Queen Theatre

Radiating progress and industry the Queen Theatre is one of the most important factors in the commercial life—in the way of offering entertainment to the people of Winters and vicinity. The Queen Theatre is under the management of J. H. Hodge, and is one of a chain of Theatres owned by the Hodge's. Mr. Hodge above all possesses showmanship—exerts showmanship in selecting and buying pictures, and the operation of a better Theatre. His policy of giving the Theatre-goers a varied program is demonstrated in the selection of such pictures as, "Chickie," "The Ten Commandments," "Street of Forgotten Men" and numbers of others that have just been released, and all have a record of being the biggest and finest productions that can be purchased, and are pictures that rank ace high.

Just recently the Queen management purchased the Mission, and with this purchase, it gave them a greater buying power, and this combined with their already purchasing power, places them in a position to get first-run and newest films.

In a previous statement by the management of these Theatres they state that it is their intention to present at all times, pictures of finest screen entertainment and latest releases and to maintain the high standard of screen entertainment at both houses and expect to exert every faculty to this end.

**MONDAY—**  
 W. M. S. will meet at the church at 4 o'clock and study the last chapter and take examination on the book "The Child and America's Future."

G. A. will meet Monday afternoon at 4 o'clock with Mrs. Bert E. Low. A very interesting program has been arranged and some matter of business is to be taken up so we are anxious that all of the members be present.

Next Monday evening at 8 o'clock the Singing school, which was schedule to have started last week, will open. There will be singing with rudiments taught. O. L. Caldwell will have complete charge of instructions. Everybody is invited to attend.

The community singing at the Baptist church was well attended last Sunday. A nine piece orchestra was an added feature to the afternoon program that was greatly enjoyed and appreciated. Don't forget that the First Sunday in September is time for this event to be repeated and lets overflow the building with people and music.

**"WOOD SALE"**

**Winters State Bank To Be Listed In the Bankers' Journal**

The following paragraphs are taken from a letter to Mr. John Q. McAdams, cashier of the Winters State Bank, from the publisher of the Southern Bankers' Journal at Fort Worth, relative to listing of the Winters institution in that publication as a "Roll of Honor Bank."

"Never in the history of Texas banking has the question, 'What are Texas' strongest banks?' been so important as at the present time.

"For the purpose of answering this question in a way that will bring both honor and profit to these strong banks, we proposed to publish each month, in the Southwestern Bankers' Journal, a permanent 'Roll of Honor page.'"

"On this page, will be prominently listed only the few Texas banks whose Surplus and Undivided Profits are equal to, or greater than their Capital. Your institution is now a 'Roll of Honor Bank,' and according to our figures has a Capital of \$50,000, and a Surplus and Undivided Profits of \$61,036.

"This is a matter of pride and profit to you and your bank, therefore your institution should be listed on the Southwestern Bankers' Journal 'Roll of Honor Page.' This listing will bring you increased business in collections, and requests for credit information and other business items from Banks and Bankers throughout the country." Very truly Yours,—H. Lawson Hetherwick, Editor and Publisher.
