

# The Winters Enterprise

VOLUME XXI

WINTERS, RUNNELS COUNTY, TEXAS, FRIDAY OCTOBER 2, 1925

NUMBER 22

## Winters Vs. Baird In Grid Battle Today

BLIZZARDS MAKE THIRD START AGAINST STRONG TEAM FROM CALLAHAN CO.

The Blizzard eleven will meet the Baird eleven this afternoon at Ashley Park. This game will be the third game of the season for the Blizzards. Coach Smith stated that Bailey had been shifted from center to the backfield. He also said that Anthony was showing a great improvement at center and that G. Singleton had been shifted from a utility man to the backfield. Edwards is improving in his ability as field director, and Bartlett is doing some good drop-kicking.

Goodnight from Simmons is the Baird coach. He has a team that is going to give the Blizzards a fight for their lives. Baird has recently held Cross Plains to one touch down. However, our boys are practicing harder this week than ever before.

"I believe that we will win the game if we fight for it, but if we don't we will go down in another defeat" was the statement of Captain Knight. Mr. Smith confirmed this statement.

"We have to win this game and I believe we will," was the statement of ex-captain Fields.

If determination and self-confidence will win a football game we ought to win this one.

Mr. Robertson gave the boys a little encouragement the other morning when he said that if they would keep on trying to win a game he would keep trying to get married. If he has enough nerve to ask any girl to marry that "mug" of his, the boys certainly ought not to give up.

Following is the probable line-up of the local team for today's game:

No.	Name	Pos.	Yrs.	on Team
1	Knight, (c)	Tackle	3	3
4	Fields	Fullback	3	3
14	A. Neely	End	2	2
5	Deadman	Tackle	2	2
10	Key	Tackle	2	2
13	Nance	Center	2	2
23	Anthony	Center	2	2
Young	Center	2	2	2
3	Vancil	End	1	1
18	Bartlett	End	1	1
12	Bailey	Half	3	3
11	B. Neely	Half	2	2
2	R. Phillips	Half	3	3
17	Bedford	Half	1	1
16	Davis	Half	1	1
22	B. Phillips	Full	1	1
8	Robertson	Quarter	2	2
7	Edwards	Quarter	1	1
6	P. Barber	Guard	1	1
15	D. Barber	Guard	1	1
T. Barber	Guard	1	1	1
Singleton	Tackle	1	1	1
Campbell	Tackle	1	1	1
20	Mitchell	End	1	1
21	Ray Young	End	1	1
24	F. Fields	Half	1	1

Here's the name, position and number of years played on the team of the Baird squad:

Name and Pos.	Yrs. on Team
Roy, (c), Quarter	2
Short, Quarter	1
Morgan, Half	2
Bearden, Half	2
Dickey, Half	3
A. Nichols, Half	1
Betcher, Full	2
B. Nichols, Center	1
McGee, Center	1
Spencer, Guard	1
Crenshaw, Guard	1
Morrison, Guard	1
R. Nichols, Tackle	1
Perriman, Tackle	2
Simonds, Tackle	1
Molton, End	1
Hancock, End	1

### YIELD IS ESTIMATED AT FROM 13,440,000 TO 13,640,000 BALES

H. & B. Beer of New Orleans wired Jess Taylor & Co., Winters, Texas, the following:  
New Orleans, La., Oct. 1, 1925.  
—Market was under further pressure early due to a prominent New York Commission house estimating condition of September 29th at 54. Yield of 14,710,000 exclusive of linters.  
There were other estimates placing yield from 13,440,000 to 13,640,000.  
A sustaining feature was the prospects for unfavorable weather in the interior with possible rains, generally as advised received during the day of rains in Oklahoma, Texas, Arkansas, Tenn., Miss. and La., which would be detrimental to open cotton of which there is much especially in the northern half of belt.  
Another influence in late session was very large exports today over one quarter million bales and while they represent end of September clearances they were larger than yesterday, and month clearances of last year when they were 181,000.  
Exports today, 256,000 vs 6,000.  
Since Friday, 209,000 vs 290,000.  
Since August 1st, 1,315,000 vs 1,027,000.  
Already the exports have passed the one million bales by 25,000 bales.  
As to domestic trade especially in textile outlook very encouraging for present, and distant futures which assures a large consumption this side of the Atlantic also.  
One of the best posted men in the South just back from Europe is of the opinion Europe will take one million bales more than they did last year.—H. B.

### MR. AND MRS. FRANK WILLIAMS ENTERTAIN

On last Thursday evening, September 25, Mr. and Mrs. Frank Williams entertained the fire boys and their wives with a cleverly planned party at their lovely home.

The reception rooms, where tables were arranged for "42" and other games, were very attractively decorated in cut flowers and ferns placed here and there.

After a short business meeting of the fire boys, a very interesting program was carried out in which Mrs. Buford Owens furnished music on the piano while Mrs. Ruth Ramsel sang in her usual sweet manner, a quartet by Messrs. Neely, Duncan, McKissack and Mrs. Ruth Ramsel was very much enjoyed and Mrs. Walter Neely gave a very appropriate reading.

Ice cream and cake was served with dainty little paper hats as favors to the following: Messrs and Mesdames, M. R. Chapman, W. M. McKissack, Noel Reid, Jno. Hall Carl Davis, Preston Garrett, Lee Davis, E. A. Shepperd, Will Curry, Buford Owens, Homer Mosely, Carl Henslee, J. S. Neely, Walter Neely, Albert Spill, I. M. Preston, L. Daniels, Rev. and Mrs. Hal F. Smith, Mrs. Stewart, Mrs. Ruth Ramsel, Miss Foster, Messrs Oscar Taylor, Arthur Duncan, Ed Gee, Albert Roberts, little Miss Carl Ester Davis, Ima Gene Curry and Master Williams Preston.

**NOTICE**  
During the absence of Secretary Farrow, who is in Fort Worth, there will be an assistant in the office from 3 to 5 each afternoon. Those having business with the secretary of the Chamber of Commerce will take notice of this fact.—H. O. Jones, President.

### C. OF C. BAND GIVES CONCERT AT CREWS

Last Tuesday evening some twenty-five or more business men of Winters went out to Crews with the Chamber of Commerce Junior band rendered a most creditable concert under the direction of director Joe Ward.

Mr. Beck of Crews welcomed the delegation and spoke of the appreciation of the people of Crews for the visit of the band and boosters from Winters.

The attendance at this meeting was not what it should have been, Mr. Beck stated, owing to the fact that so many of the men folks were on their way to Winters with cotton, and we can vouch for the statement, as we met some ten or twelve cotton wagons on the road.

H. O. Jones, president of the Winters Chamber of Commerce, J. N. Key and others of the Winters delegation made short but interesting addresses, stating they were not out there trying to take trade from local merchants but stressed the importance of patronizing the home merchants, and extended an invitation to the Crews people to come to Winters for those things which could not be had from the local stores.

We had a good time and enjoyed the fellowship of our neighbors at Crews very much.

### S. S. CLASS TO ENTERTAIN NOON SUNDAY AT TINKLE PARK

The Men's Bible Class of the First Baptist church, has just reached the end of attendance contest between the White and Blue. This contest has been in progress several Sundays past and the side losing the contest has to entertain. The Blues lost the contest and will entertain at Tinkle Park next Sunday immediately after church service. The Committee for the Blues is sending out the following:

"Well, the summer is ended, the ninth inning has been played and the 'Blues' got gloriously stuck on their Sunday School contest.

"The proof of the pie" will be demonstrated by the eating which is going to take place in Tinkle Park Sunday, the 4th, 12:00 noon, immediately after church service. Come and bring your family, every one of them, and let's have a good time together. Incidentally, you had better come to the class Sunday morning.—Committee for the Blues."

Mrs. V. Vanzandt is assisting the force at Norman-Smith's

### SANITATION URGED TO CONTROL TYPHOID

In conversation with Dr. Fred Tinkle yesterday we learn there is quite a bit of typhoid fever scattered over this entire section, and the doctor stated that unless more perfect sanitation was maintained there would be quite a bit more.

Doctor Tinkle said that the city water was perfectly o. k., but the people should be very careful about using water from surface wells and that the sanitary personal drinking cup should be used at all times.

The doctor said the disease could very easily become general if the proper safeguards were not practiced rigidly and that all public camping places should be kept spotlessly clean. "With the proper safeguards," said Dr. Tinkle, "the situation can be controlled."

### "PEDDLERS AND AGENTS DO NOT DISTURB US"

The Winters Chamber of Commerce has had printed a little card in two colors which it is asking the housewives of the city to display at the front door of their homes. The card reads:

"Peddlers and Agents! We live in Winters and buy from our home merchants. Do not disturb us try to sell your wares. In your canvass pass up this house."

Here's a copy of the letter which is being sent out with the cards:

"Dear Madam: "May we not ask you to place the enclosed card by your front door as evidence of your loyalty to the best interest of Winters?"

"In new buildings and increasing expenditures we must provide for the children of our people. Our business men, together with all our citizens will help carry the school and civic burdens as we go on building a bigger and better town.

"Will ever a dollar that you spend with a peddler or agent at the door return to bless you and yours? If at any time you can not find in Winters goods or merchandise of the kind or price you wish will you not give some Winters firm an opportunity to get it for you? Will the agent or peddler ever give any of his time or money trying to get the street improved by your home, or trees planted, or adequate water secured? Does he care anything for Winters? YOU DO! All of us do!

"We thank you for this further evidence of your loyalty to your home town.

"Yours very truly,— Winters Chamber of Commerce."

### CARD OF THANKS

We wish to extend to one and all who were so kind to us during the illness of our dear daughter, Zella our heart felt thanks. Especially to the doctors, nurses and Bro. Bryan who worked so faithfully through her illness.

May God's richest blessings rest on each of you and when the death angel visits your home, we hope to be among those to say words of consolation.

Especially do we thank you for the beautiful floral offering.—Mr. and Mrs. J. P. Edwards and relatives.

### THOROBRED COTTON-BREEDING INDUSTRIES

Have been requested to ask the people who are growing stalks in the contest inaugurated earlier in the year to take their selections to be entered in the contest to the Runnels County Fair at Ballinger to be judged for the premiums offered, to-wit:

\$50.00 for the best three stalks.  
25.00 for the second best three stalks.  
15.00 for the third best three stalks.  
10.00 for the fourth best three stalks.

Mr. C. W. Lehberg, County Agricultural Agent, has kindly agreed to appoint judges and supervise the judging.

All parties are requested to attach their name to their group of stalks in sealed envelope.

Checks for the above named premiums will be filled out for the first, second, third, and fourth in the proper amount and given to the judges who will fill in the winners' name and deliver them immediately after judging.

The Fair Association will inform us as to which day will suit their convenience and we will announce same in next week's Enterprise.

### DAVIS-PATRICK SECURES NASH AND AJAX AGENCY

M. S. Patrick, of the Davis-Patrick Motor Co., returned Wednesday from Dallas where he made arrangements for his firm to handle the Nash and Ajax Automobiles, and bought two new Nashes home with him, one of which has already been sold.

In speaking of the new Nash models, Mr. Patrick said:

"The superior character of Nash manufacturing has never before been more vividly demonstrated than in these new Special Six and Advanced models.

"Enriched throughout with qualities formerly associated only with the costliest cars, they represent a far stride forward in the development of motor car style, design and construction.

"The finely modeled new Nash-Seaman bodies are swung smartly near to the road, imparting a pleasing effect of length and lowness.

"Definitely emphasizing this same effect and contributing materially to their customer-built look is the new French-type roof and the body molding.

"The roof construction, which is exclusive to Nash among all American cars, has a low forward sweep that is both graceful and distinctive.

"The neatly beveled body molding travels in a long flowing line from the radiator and completely encircles the body."

### FARROW RECUPERATING IN FORT WORTH, TEXAS

J. E. Farrow, secretary of the local Chamber of Commerce, left Wednesday of this week for Fort Worth and will enter a sanitarium where he will attempt to regain his health.

Mr. Farrow had doctors here and at Abilene give him a thorough examination and at both places the doctors told him that he must take a rest; that there was nothing the matter with him except that he had been working a high tension so long that his nervous system demanded complete rest for some two weeks.

Mr. Farrow has been in Winters something like two months and has made many life-long friends here who will regret very much to learn of his breakdown, but will, with the Enterprise, hope that this short vacation will completely restore his health and that he will come back to his work with renewed energy.

In Secretary Farrow there is no doubt in everybody's mind but what we have the right man in the right place.

### City to Call Election to Convert Short Time Warrants to Forty-Year Bonds

The city of Winters has some thirty-five thousand dollars of short time warrants upon which a high rate of interest is being paid and in order to meet its present outstanding obligations something is going to have to be done immediately or the city will be unable to meet its bills in 1926.

The tax rate necessary to take care of the present indebtedness in 1926 will have to be \$1.75, and the legal limit is \$1.50, therefore for 1926 the rate will be 25c above the constitutional limit.

It is proposed to call an election to convert these \$35,000 short time high interest-bearing warrants into low interest-bearing 40-year bonds which would relieve the present situation and probably leave us in shape to vote some \$100,000 bonds for permanent and adequate water works.

The engineers of the Etrod Engineering Co. of Dallas, are now making a survey of our possibilities in securing a permanent water supply and their findings and recommendations will be published in this paper next week.

### DAILY RECEIPT AVERAGE 350 BALES ACCORDING TO REPORTS FROM LOCAL GIN

A report from the seven gins of the city at a late hour yesterday afternoon shows that to date 5,659 bales had been ginned distributed among the gins as follows:

Kornegay, round	3,562
Square	252
Farmers Gin No. 1	2,033
Farmers Gin No. 2	230
Reid & Hinds	1,159
Williams & Miller	394
Runnels County Gin	750
	544

### LIONS CLUB TO RAISE MONEY FOR HI SCHOOL FOOTBALL TEAM

The Lions Club met at the noon hour at the Methodist church last Tuesday where the Methodist ladies served a most tempting plate to some thirty members and one visitor.

After the luncheon the club appointed Dr. R. C. Maddox, V. Vanzandt and Albert Spill to raise some hundred and fifty dollars with which to pay the expenses of the high school football team, incurred while in the training camp.

The matter of placing in all school rooms of our school a framed copy of the Lions Moral Code for youths was placed in the hands of the following committee: Judge R. T. Thornton, H. W. Lynn and Prof. A. H. Smith.

Mr. Berhens of Abilene was a guest of Bert E. Low, and made quite an interesting talk on Texas as compared to other States which he had visited this summer, saying Winters was the best town in the best section in the best state in the Union.

Rev. Gid J. Bryan was appointed as toastmaster for the next meeting.

The club was then dismissed and went in a body to the Queen Theatre where, through the courtesy of Mr. Hodge, the local manager, they viewed a special 2 reel advertising film.

### ABILENE & SOUTHERN PROVIDES MORE SWITCHING SPACE

The Abilene & Southern railroad, to care for their increasing business, is laying about one-fourth of a mile of switch.

The new switch will run parallel with the station. This will afford a great convenience in the loading and unloading of freight from box cars.

Mr. and Mrs. R. L. Labenske, Wallace and E. B. Labenske were visitors in Austin for the past weekend.

THE BIG CLASSIC

The worlds baseball classic opens at Pittsburgh Wednesday, Oct. 7, when the Pittsburgh Pirates will fight it out with the champion Washington Senators for premier baseball honors. The series will bring together two of the most interesting teams in baseball and a real treat is promised. Pete has again presented Washington with the American League crown. A fighting bunch this, and the leadership of its youthful manager, "Bucky" Harris, is at all times superb. Many fans are lending support to Washington, because it is the team of Walter Johnson, one of the most beloved men in baseball today. Fans are happy to see the great pitcher afforded another opportunity to cover himself with glory in a world series. Both the Senators and Pirates have played some phenomenal ball during the past few weeks. As the teams are so closely matched, individual daring are speed will likely decide the issue when they cross bats next week.

COMMUNITY INSTITUTION

The newspaper's place in every progressive community is significantly stressed by the experience in a small town in a bordering state. The weekly of the town discontinued publication. After being a few

months paperless, it is reported that the business men of the town got together and guaranteed the editor such support that publication has been resumed.

The local newspaper is different from any other business, in that it is a community affair. It is for service to all the people, and not for any individual. It takes the people to make a good local newspaper, and without the help and support and co-operation of the people no one can run a successful newspaper.

The Enterprise aims to assist in every way possible in the upbuilding of Winters and community and we earnestly seek the unbiased support and co-operation of all who are interested in like manner.

ALL OUR OWN

Lieut.-Com. John Phillip Sousa, the March King, hale and hearty, has passed his seventy-second birthday. He took a brass band, which made the nation one vast following of his leadership, and with it he aided a nation's conversion to good music. We here in the United States appreciate Sousa, and always have, and let it be hoped that we will go on for many years appreciating him. Sousa and his band have broken all Canadian records for band attendance in Western Canada in their present tour of that country. He has been to all of us as a reservoir, lasting, refreshing, stimulating, available. Sousa is an all-artist and we admire him and love him.

KEEP IN TOUCH

Parents can do a great work for good in this community during the coming months if they will co-operate with the schools and keep in touch with the efforts teachers are making in behalf of their children. And thus come closer to the real problems the school officials have to face. The teachers will do their share, but parental responsibility can not be shifted.

LOW COST OF RIDING

Reports from various sections of the country seem to prove that the average price of gasoline to the consumer is now lower than at any time since the war. It is this that helps the ordinary motorist to bear bravely under the raids made by the various States in the form of a gasoline tax. The low cost of rolling over our beloved country is rather attractive.

PATHS OF GLORY

The first girl to swim the English Channel may not be a Jane Adams or a Florence Nightingale, but she is sure to get her picture in the paper, costume and all.

A SHELL GAME

Although they are handled with care, the railroads break more than a million dollars worth of eggs every year during the process of transportation. The egg industry seems to be exactly what it is cracked up to be.

UP IN THE AIR

If Congress gets to investigating the air service the average citizen will presume it to be hot air.

USES PHONOGRAPH TO TALK TO CHEVROLET SALESMEN

A unique address to more than 20,000 members of the Chevrolet selling organizations scattered thru-out the United States was achieved recently by R. H. Grant, general sales manager of the Chevrolet Motor company.

Mr. Grant announced the opening of the Chevrolet fall selling campaign by means of duplicate phonograph records which reproduced his voice in the show room of every Chevrolet dealer.

Under Mr. Grant's direction the phonographic address plan worked out smoothly to complete success.

In each of the thousands of Chevrolet salesrooms was gathered at exactly the same hour an interested group of salesmen. Their ranks were augmented by numerous members of the Chevrolet organization not directly interested in selling, who attended because of curiosity over the novelty of the meeting.

At a previously established "zero hour" the thousands of records were started simultaneously and Mr.

Senior League 8:45 p. m.  
Preaching 7:45 p. m.

Whoever you are, you are invited to worship with us.

"Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind."

"Thou shalt love thy neighbor as thyself."

Grants voice was heard in every state of the Union.

"The present selling campaign, the most ambitious in Chevrolet history, is of such importance that I wished to attend personally every meeting of every sales group," said Mr. Grant. "This being impossible, I chose the best substitute — the phonograph."

"Thus every salesman received a personal message by which he was informed of all the campaign details. Through this campaign and because of the gratifying sales volume of recent months, I expect that Chevrolet will do a record fall business."

ATE TOO FAST

South Carolinian Took Black-Draught For Indigestion, and Says He Could Soon Eat Anything.

Ballentine, S. C.—Mr. W. B. Bouknight, of this place, gave the following account of his use of Theford's Black-Draught.

"Just after I married I had indigestion. Working out, I got in the habit of eating fast, for which I soon paid by having a tight, bloated feeling after meals. This made me very uncomfortable. I would feel stupid and drowsy, didn't feel like working. I was told it was indigestion. Some one recommended Black-Draught and I took it after meals. I soon could eat anything any time.

"I use it for colds and biliousness and it will knock out a cold and carry away the bile better and quicker than any liver medicine I have ever found."

Eating too fast, too much, or faulty chewing of your food, often causes discomfort after meals. A pinch of Black-Draught, washed down with a swallow of water, will help to bring prompt relief. Bloating sensations, eructations, bad breath and other common symptoms of indigestion have disappeared after Black-Draught has been taken for several days. NC-164

Industry is Doing the World's Work

—The people who know most about industry are those who are in industry. In addition to knowing about industry people who are in the public service industry know about the interest that all the rest of the people have in that industry.

—The public utility industry—for instance the service of West Texas Telephone Co., is peculiar in that it can do well only as the people served by it do well. It is an essential service, and experience has shown that an industry which is affected with a public interest serves well only through co-operation between the service and the people served.

—The spirit of co-operation for the benefit of both the service and those served is the spirit that inspires this company to look always to the welfare of its customers and of the community it serves.

### BIG ANNIVERSARY AND REMOVAL SALE AT SKAGGS SATURDAY

The J. M. Skaggs Dry Goods company is celebrating their 17th birthday in Winters by putting on their great removal and unloading sale. J. M. Skaggs opened his doors in Winters for business seventeen years ago with small stock and limited capital and by hard work and economical management the store has shown a nice increase in volume of business and he has hammered his way on and up till today this stock would invoice around a hundred thousand dollars, so in launching this great sale, said Mr. Skaggs, "there is an overpowering impulse upon us to thank everybody over again for their whole-hearted cooperation during these years we have labored hard to merit your most liberal patronage, and during this sale we are going to show our appreciation to our friends and customers by offering you good, clean, standard new fall and winter merchandise at prices you will be glad to pay.

"Great economies are now being offered in the celebration of our 17th birthday. In offering and launching this tremendous sale to the people it is very pleasant to remember the broad basis and honest, fair dealing upon which this institution was founded, of which every individual, though he was a buyer or seller, was an integral part. No man who knows what he is talking about, if he is honest, will say that the management of this business ever willingly mistreated a customer or employee. However humble, every man, woman and child was given a square deal. The strong received no more than their dues and the weak no less, the rich what was theirs and the poor were not denied their own. Even handed justice was extended to one and all by this store regardless of his place, position or power. Upon these lines and upon this basis this great sale is launched, and will be conducted under the store management, giving the people of Winters and Runnels county and this trade territory an opportunity to buy up their fall and winter needs at a tremendous saving. To every man, woman and child within fifty miles of Winters, we extend an invitation to visit this great sale, an epoch in mercantile annals to be forever marked as the great economy event of the era. It is the desire of the management of this institution to impress upon the mind of every individual that this great sale is not of the ordinary type but is a legitimate, bona fide period of bargain giving wherein the people receive the benefit. We do not want to insult the intelligence of the people by ridiculous statements, but are setting forth for the consideration of every individual a clear and concise statement of facts and figures that will appeal to one and all alike. Each day will witness a throng of buyers eagerly buying their needs from a stock that stands out pre-eminently as one of the very best in this part of the country. The quality is guaranteed. Thus this tremendous sale. Mighty is its saving; colossal, stupendous in the undertaking. The effect of this great sale will be felt in the most remote section. We now remind you of the values being offered in the celebration of our 17th birthday.

#### BILL BOOSTER SAYS

"TEAMWORK IS WHAT COUNTS! WHEN THE PEOPLE IN A TOWN DROP THEIR FEUDS AND PETTY JEALOUSY TO PULL TOGETHER, THAT TOWN IS GOING TO GET SOMEWHERE! THE MOTTO OF THE THREE MUSKETEERS IS A GOOD ONE FOR OUR TOWN, 'ONE FOR ALL AND ALL FOR ONE.'"

### SPARKLING COMEDY DRAMA AT QUEEN

"How Baxter Butted in," the new Warner Classic of the screen that will be the feature attraction at the Queen Theatre, Wednesday and Thursday, Oct. 7 and 8 is a droll comedy of a shy young man who becomes involved in the drama of love, intrigue and the struggle for existence.

Matt Moore and Dorothy Devore have been chosen by Warner Bros. to enact the leading roles of Henry Baxter and Beulah Dyer, both members of the "want ad" department of a rapidly declining newspaper. Henry Baxter is an abnormally diffident and retiring chap, who lives a grand and glorious existence in his day-dreams rather than in real life. He loves Beulah, but is too overcome by his own inferiority to declare himself to her, until circumstances saddle him with the care and expense of his brother's wife and two children, which crushes Henry's last tiny bit of confidence and finally breaks down his health. When he recovers and is able to face the world again, he finds himself a hero of wide-flung fame, with Beulah his adoring slave.

The U. S. leads in motor deaths.

for your most liberal patronage during these years that have come and gone."

The Enterprise wishes to call your attention to the big, two-page advertisement in this issue calling attention to his great birthday and removal sale.

### "THE TEXAS BEARCAT" AT QUEEN SATURDAY

Toby's Country Store is back in town tonight at the Queen Theatre. This is the fourth appearance of this attraction at the Queen and there is two more Friday nights yet to be played in filling the six week's engagement. The following merchants are co-operating in the country store:

Westex Ice Cream, City Drug Co., Coupland's Variety Store, Star Bakery, The Hub Dry Goods Co., Midway Barber Shop, Campbell's Cafe, Coca-Cola Bottling Works, Hoover Motor Co., Krauss Dry Goods Co., West Texas Utilities Co., "M" System, Clements Hardware Co.

### TOBY'S COUNTRY STORE AT THE QUEEN TONIGHT

Western productions make good virile fare for the jaded appetites of theatergoers today. When these out-door stories are sufficiently well embroidered with comedy and romance they usually appeal to theatergoers of all classes. And such a production is "The Texas Bearcat" in which Bob Custer, the Texas boy, comes again to this community at the Queen Theatre, Saturday, Oct. 2.

Bob is swiftly coming to the fore in his field of Western action productions. His new one shows a fine understanding of his work, a virile, he-man to his characterization. It has what such a production must al-

ways have—movement. A bright feature of the production is little blonde haired Sally Rand, who was recently featured in Cecil De Mille's "The Golden Bed" and Paul Bern's "The Dress Maker from Paris." Miss Rand, who is a recruit from vaudeville, is said to be one of the most beautiful girls on the screen today.

### OPENS AUTOMOBILE PARKING STATION

E. M. Baker has opened a commercial parking station on the square opposite First Methodist church. The entire big lot is well fenced and lighted. A nominal charge of 25c per day will be charged, and will afford convenience to Motorists who come to Winters.

Mrs. L. P. Burkhoiter and Mr. Royce McMillan of Hillsboro, after a pleasant visit in the home of her sister, Mrs. T. B. Young, returned home Thursday.

Very few dirigibles die of old age.

## Makes Night Driving SAFE

### The Controllable Beam on the Better Buick

Night driving strain, the blind insecurity when you dim to keep glare out of the eyes of an approaching driver—both have been eliminated by the Controllable Beam Headlight, a feature of the Better Buick.

Daytime visibility every inch of the way! Bright light all the time! A simple control on the steering wheel lowers the beam when you near another car.

And this is only one of many 1926 improvements which Buick engineering has given to the Better Buick. 75 horsepower and more; Duotone in Duco finish; Triple Sealed Valve-in-Head engine; light-pedal-pressure clutch; approved mechanical 4-wheel brakes; and many other exclusive advancements now make the Better Buick the better car to own and drive.

**Wingate**

Mrs. Sam Eason returned Tuesday to his home near Abemath after visiting relatives here.

Mrs. Elmer McFarland returned to her home here Tuesday from a pleasant visit with her parents, Mr. and Mrs. James Barron at Ballinger. She was accompanied home by her sister, Miss Demma Barron.

Mr. and Mrs. Clyde Dunn and sons, were visitors at the fair at Abilene on Wednesday.

W. M. Horsely, principal of the school at Wingate last session was here visiting friends last week, being the guests in the home of Mr. and Mrs. S. W. Modisette.

Mr. and Mrs. B. J. Smith attended the fair at Abilene last Wednesday.

Miss Eura Sherrod was an Abilene visitor last Friday.

Bill Nobles employed by Vaughan Harris, had the misfortune to have one of his ears bitten off by a mule last week. Rather a funny accident to hear about, but I imagine not so funny to the unfortunate boy. Dr. Shook, attending physician says the wound is healing all right but of course the young man will be disfigured for life.

Mr. and Mrs. J. B. Moore visited the Abilene fair last Friday.

We were not in need of a rain but we got a fine one Wednesday night all the same.

Mrs. J. D. Dunn was visiting her sister in Abilene several days last week.

Miss Blanche Rowland of Sylvester visited her sister, Mrs. J. B. Miller, here last week.

Misses Ava and Ryma Guin of Ballinger were Sunday guests in the home of their brother, I. F. Guin and family.

Mr. and Mrs. Mack Wallace Whigham were Wingate visitors last Sunday.

Mrs. Mollie Smith of Abilene was visiting her parents, Mr. and Mrs. W. V. Denson Sunday.

Mr. Mrs. Clyde Wigham and family of Winters were visiting relatives in Wingate Sunday.

Clyde Ragsdale and Ray Cox and Miss Agnes Ragsdale went to Abilene Sunday to carry Miss Cleo Blackwell back to her school work at Simmons University. Miss Blackwell spent the week-end with her parents, Mr. and Mrs. Cleo Blackwell.

Mr. and Mrs. Clifford Rowland and Claude Rowland were week-end visitors here to friends and relatives.

Mr. and Mrs. McShan of Ballinger were week-end guests of Mr. and Mrs. M. T. Hensley last week.

Quite a few Wingate men had to

**"FEWER FIRES MEAN GREATER PROSPERITY"**

Fire prevention week, Oct. 4 to 10 Stop fires before they start. Fires can be prevented; the focuses attention on this. It is the time to start stopping fires—to begin a campaign lasting 52 weeks in the year.

A cow in Mrs. O'Leary's barn kicked a lantern that started the great Chicago fire of October 9, 1871. The 54th anniversary of this Fire Prevention Week, 1925. Mrs. O'Leary's cow is symbolic of our everyday carelessness which costs annually 15,000 lives and a half billion dollars.

Most fires are positively preventable. We only need apply existing engineering knowledge, or plain common sense. There is no excuse for a fire starting, or once started, spreading beyond the place where it starts.

Fire Prevention Week is set aside to think and act, on preventing, restricting and extinguishing fires.

"But why should I be concerned about fires?" perhaps you say, "my house and property are insured."

Yes, and your butcher, baker and candlestick maker also carry insurance on their property—on their stores and stocks of goods. Everything you buy is insured in every step of its route from producer to consumer. In the price of a suit of clothes, a pound of meat, or a loaf of bread, is concealed a tax which is your share of what is paid to replace what fire destroyed.

The insurance company, taking the premium money it collects, distributes it to persons who lose by fire. Last year over \$600,000,000 was lost by fire in the United States and Canada. Of course this, you paid approximately \$5.00. If all the direct losses are also included, such as the incalculable loss due to interruption of business, overhead costs in insurance and upkeep expenses on fire protection facilities,

go to Ballinger Monday. Some on the jury, some as witnesses in cases. Among the ones going were, J. W. Allen, C. L. Harter, B. J. Smith, M. T. Hensley and A. C. Shaw.

Messdames Bill Dean, B. J. Smith and Geo. Sietz went to Ballinger Monday to carry Russell Sietz who left on the afternoon train for Galveston, where he will enter on his final year's work in Pharmacy, at the Texas University. He will stop over in Belton to visit his aunt, M. S. Horsley and family a short time.

the individual burden becomes at least twice the above figure.

Besides the financial considerations, fire killed 15,000 people last year, caused untold suffering, unemployment and business failures.

Insurance money may rebuild your house. But how about the lives of your family, your home, your family treasures, and your job?

All may be destroyed by fire. Why gamble with these, your priceless possessions?

While the fire loss impoverishes us as a nation every fire is itself local and must be attacked locally.

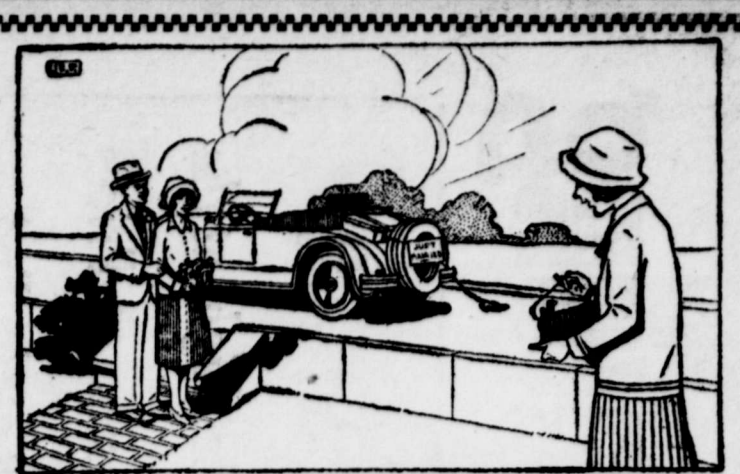

We have three lines of attack against fire, first, preventing it from starting, second, preventing it from spreading, and third, putting it out.

We have control over the physical factors which cause and spread fire. We throw matches and cigaret ends around promiscuously, we are careless with hazardous materials, we build flimsy houses that burn readily, we leave our cities wide open to conflagrations, not providing any areas of superior construction as barriers to them; and we are content to let our fire departments get along as best they can, under equipment and undermanned.

In Fire Prevention Week we should take steps to clean up hazards in our community; to develop care with matches and smokes; to enact ordinances to provide for better building construction and for improvements in the fire and water departments. A clean-up will take care of such hazards as are immediately and easily remediable and while development of careful habits and improvements in the physical make-up of the community will provide its future salvation from fire. Yours truly,—J. J. Timminus, State Fire Marshal.

**"THE TEN COMMANDMENTS" WILL LIVE FOREVER**

Some books are read, and then thrown away. Some pictures are seen, and then forgotten. The life of an ordinary movie—the society drama or comedy, is about two years. Classics of literature like "Hamlet" and Emerson's "Essay on Compensation" live throughout generations and are read again and again. "The Ten Commandments" has a theme so great, a sweep so large, and is so elaborately produced that it is one of the small group of films which will never die. As a fine book can be read over and over again, so a picture like this can be looked at more than once without losing its flavor. Cecil B. DeMille's masterpiece will be shown at the Queen Theatre soon.

**We Carry a Complete Line of the Genuine Eastman Kodaks and Films**

Now that you are selling your cotton let us fit you up in a Kodak. Nothing will give more pleasure to the family. As you look over the album in after years, nothing will give you more pleasure than to look over the family and children in their different stages of life. We have from the \$2.75 Box Brownie to the \$35.00 folding Kodak.

# Skaggs Dry Goods Co's Big Removal and Unloading

Sale Opens

SATURDAY MORNING, OCTOBER 3rd

And Lasts Until This Stock Has Been Reduced

Seventy-Five Per Cent

# SALE

A \$100,000.00 STOCK

To Be Thrown On the Market Right at the Opening of the Fall Season, at Prices You Would Only Expect at the End of the Season.

Nothing Charged, No Exchanges, No Take Back. Every Sale Must Be Final When Goods Are Wrapped and Handed to Customer. Our Reason For This—We Cannot Afford to Charge Goods at These Prices For in Many Instances You Will Be Buying at Less Than Wholesale Cost Today.

Thousands of Thrifty People Will be Benefited! If You Claim to be Keen, Economical and Shrewd It Will Pay You to Come to This Great Cut-Price Removal and Unloading Sale!

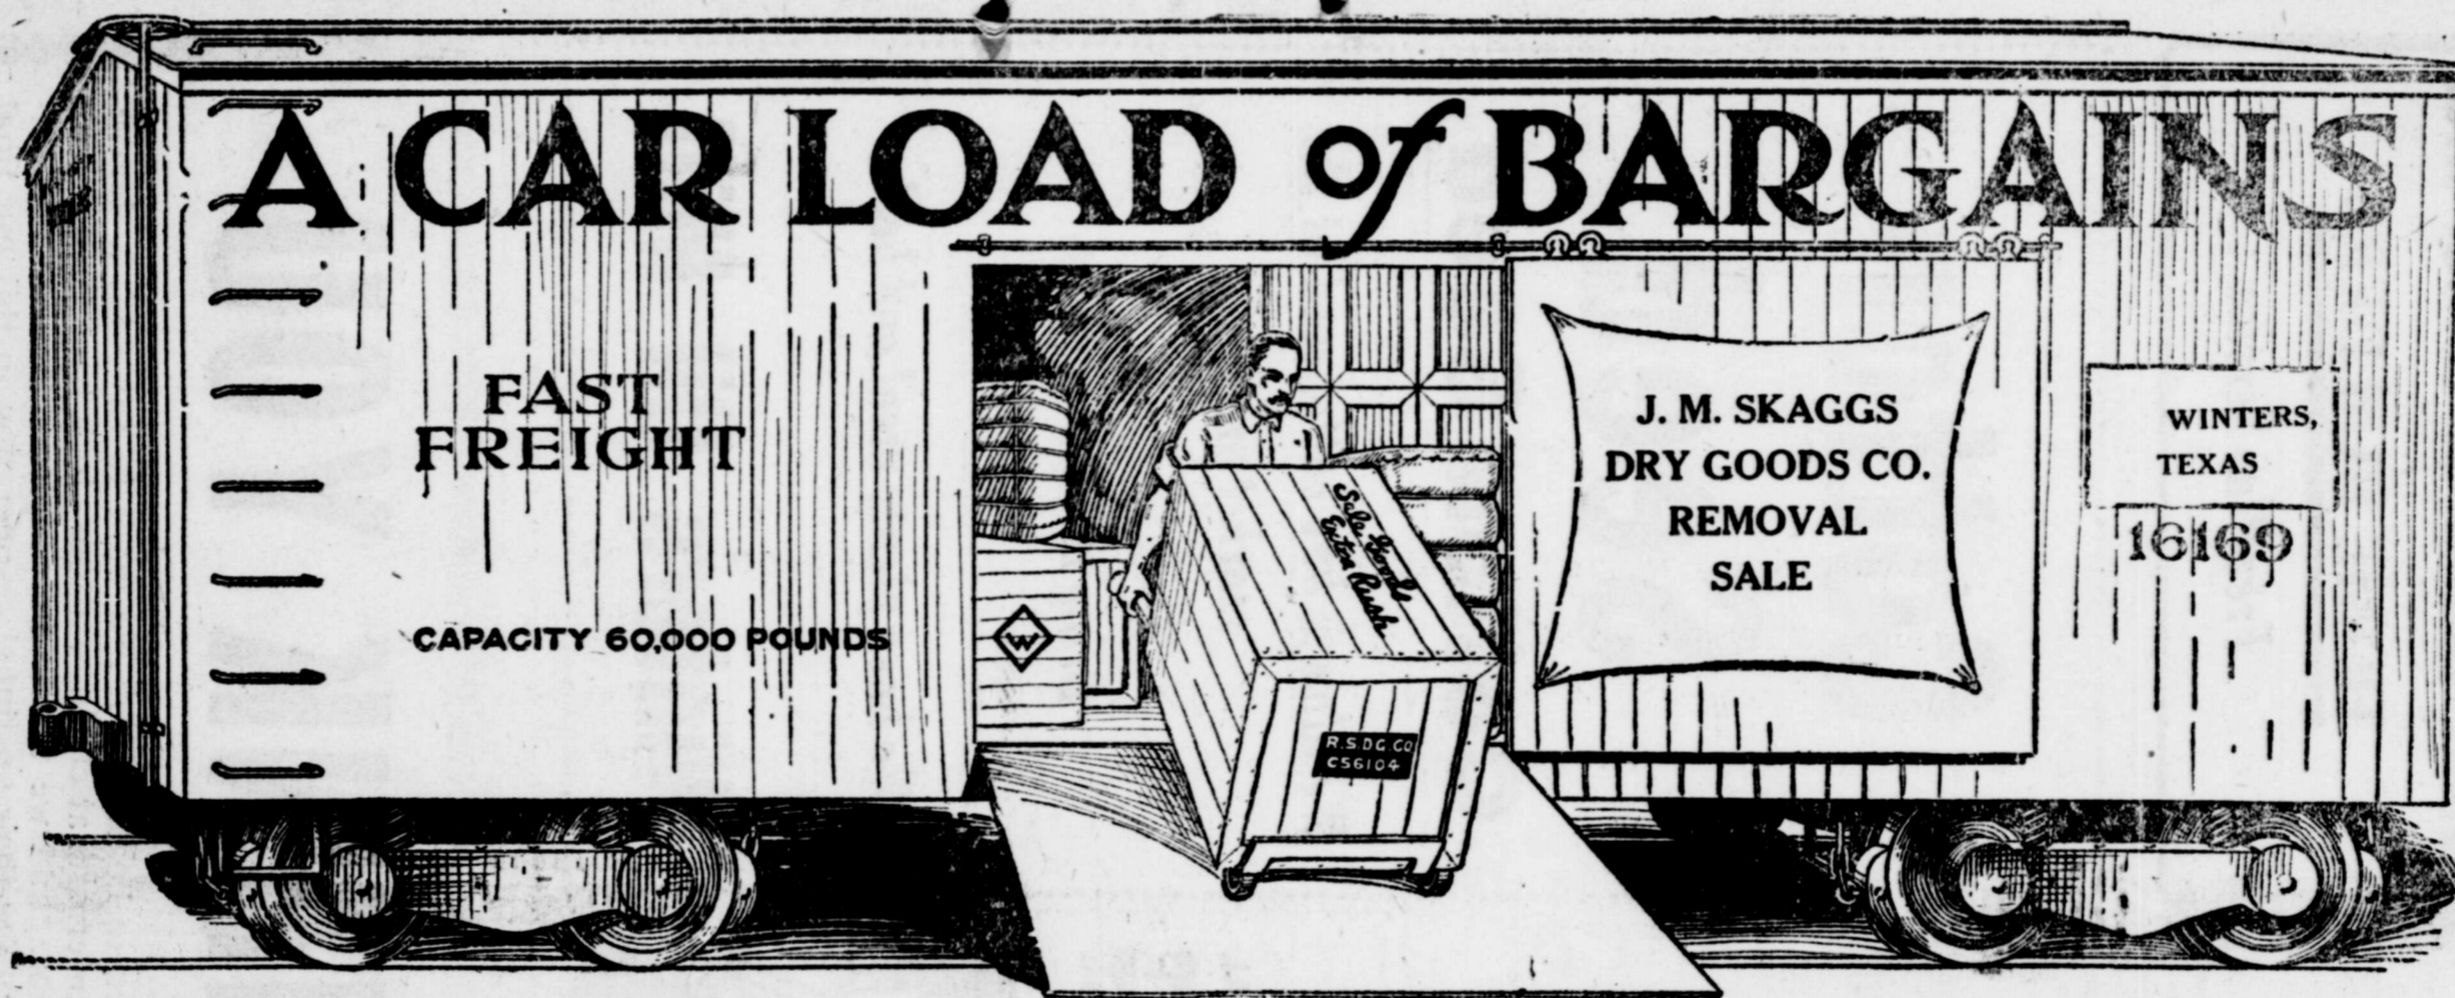

Seventeen years ago J. M. Skaggs landed in Winters with a small stock and limited capital. Since that time he has hammered his way on and up until his stock would invoice around a Hundred Thousand Dollars or more. He has not moved since he has been here and would not move now but he has bought the W. P. Hawkins building and has given up the lease he now has on his present location, so on January 1, 1926, he will move to his new location and continue in the Dry Goods business, but there are many changes to be made as Mr. Skaggs expects to close out some lines entirely that he now carries, so this move and change means this stock must be reduced seventy-five per cent during this Sale in order to accomplish the desired end in view. We realize that we must Slaughter the Prices and unload and remember this is one of the largest and most up-to-date New Fall and Winter Stocks in this section of the country. No junk to offer. This entire stock was bought from good, reputable concerns in the East, all standard brands and makes and will measure up to the standard both in Quality and Style and of course the prices will be under any and all competition. Come and Keep Coming!

STORE CLOSED to the World All Day Thursday and Friday, October 1st and 2nd, to arrange stock and MARK ALL GOODS DOWN. Open Saturday Morning, October 3rd, For Instant Selling. Be on time and get the pick and choice of the stock. Every Morning means choice of the stock. Come early and stay late. It's Sure Enough Bargain Day at the Big Store

WINTERS, TEXAS

## NATIONAL FIRE PREVENTION WEEK, OCT. 4-10

Seldom does the editorial page "scoop" the news columns. This is an exception. A tremendous disaster occurred today. Property valued at \$1,466,744.44 was wiped out and forty-one persons lost their lives by fire. The destruction proceeded continuously through the 24 hours; every hour \$61,115.60—every minute \$1,018.58—every second \$16.97 was wiped out.

This is another way of stating what the National Board of Fire Underwriters, the highest authority on the subject, tells us—namely, that our national annual fire-loss is \$555,372,782.

What this means may be comprehended from a few comparisons. Our annual production of gold and silver is \$193,119,741—less than one-fifth of our annual fire loss. As a people, we produced wealth of \$1,000,287,000 in our 1922 corn crop; but we wasted more than 28 per cent of that amount by fire. Our 1922 cotton crop amounted to \$1,192,461,000; our fire loss was 44 per cent of that sum. In 1923 we paid our government internal revenues, excluding income and inheritance taxes totaling \$309,015,050. We were burned by fire the same year more than half again as much as Uncle Sam collected in these revenues.

What is the cause of this loss? Fire department chiefs, insurance actuaries and other experts tell us that 75 per cent of our fires are partly or wholly preventable, the results of one form or another of carelessness. Carelessness is certainly to be denounced. But it is a delusion to think that the time ever will come when it will not be necessary to forestall the results of carelessness.

The fundamental cause of combustion is combustibility. And the way to forestall the results of carelessness is to build fire-safe. We must either admit that we "build to burn," or accept the challenge of the new slogan "Build Fire-Safe."

It is possible for the average home builder to accept this challenge. The development of modern building materials makes it possible for even the most modest home to be built fire-safe. For instance, fire, fireproof gypsum wallboard may be used in place of highly inflammable pulp, paper or fibre wallboards. A fireproof sheathing of non-metallic mineral may be used as a sheathing or stucco backing to protect the wood studding of the frame. A fireproof gypsum lath may be substituted for tinder-like wood lath.

These are only examples of the protection offered the home-builder by the modern materials manufactured. Gypsum is only one of several non-metallic minerals that may be used to encase and protect the wooden parts of a building. Portland cement concrete, asbestos, slate, terra cotta, lime and other mineral compositions also make it possible to build fire safe—economically.

This is the lesson of National Fire Prevention Week. The National Conference on Home Building, which met recently in Chicago, went on record as "according preference to fire-resistant methods and materials

## PROCLAMATION BY THE GOVERNOR OF THE STATE OF TEXAS

The attention of the nation is being invited to Fire Prevention Week, a week in October, during which the people are asked to exercise especial caution in preventing fires. A glance at the appalling losses in life and property as a result of fires during the past year ought to be sufficient to line every citizen up in support of this campaign.

Last year 15,000 persons were burned to death in the United States and over 16,000 suffered injuries as a result of fire. Over 80 per cent of these people were of the dependent class—mothers, children, the sick and afflicted in hospitals and institutions. In a majority of cases calamity entered these homes needlessly, for statistics show that 87 per cent of fires are preventable.

Property valued at \$549,910,659. went up in smoke in 1924, the greatest fire loss in the history of the nation. This is an average of \$1,505,500.00 per day, or \$1,044.00 every minute. Every four minute flames deprive some family of a home.

Every dollar burned is wasted utterly gone. And who pays the loss? The citizen taxpayer. Property burned may be insured and the loss partially met by the insurance company, but eventually every dollar that fire licks up is paid by the ultimate consumer—the taxpayer.

It is an impossible task adequately to estimate the economic loss resulting from fire. It includes loss of business, unfilled contracts, annihilation of sales forces; unemployment—stops the paycheck of the family bread-winner.

It is said that the fire loss in the United States are at times greater than the average in European countries. Does this mean that we are that much less considerate of our lives and property than are the people of foreign lands? If it does

in the construction of American homes and dwellings." What the experts advise the public can adopt. "Build Fire-Safe" not only means a reduction of our \$555,372,782 annual fire loss; it means fundamental and economical insurance to the life and property of every home builder.

then surely the time has come to call a halt.

The most prolific causes of fire are carelessness in the handling of matches, cigars, cigarettes, defective flues and chimneys and defective electrical wiring equipment. But throughout it all the outstanding cause is carelessness.

It is a terrific indictment against a nation to say that through utter carelessness thousands of its citizens and more than half a billion of its property have gone in a single year into the greedy maw of that consuming monster—fire. But the records seem to be clear.

Therefore, I, Miriam A. Ferguson, Governor of Texas, do hereby proclaim October 4th to 10th, A. D. 1925, Fire Prevention Week, in Texas, and do particularly urge that all property within this State give particular attention during this week toward cleaning their premises, removing and correcting all the fire hazards. Danger lurks in every neglected pile of rubbish and disorder is an almost invariable sign of fire hazard. We should start our campaign by cleaning our own premises within and without. A well systematized and executed cleanup campaign is indispensable to Fire Prevention Week, and there can be no more opportune time to investigate the conflagration danger, the efficiency of the public fire protection and to examine existing fire protection and fire prevention ordinances with the view to proposing additional measures for general safety.

In order that this work be made effective, and that more good may be accomplished, I urge that members of the City Government, the Fire Chief, City Fire Marshal, the Press, Woman's Clubs, Fire Insurance Agents, Chamber of Commerce, School Officials and Teachers, Ministerial Association, Boy Scouts, Merchant's Association, Civic Organization, Fraternal Organizations, all of which being hereby concerned about the welfare of their community, contribute their time during Fire Prevention Week, towards bettering their conditions and help-

ing to stamp out their portion of this awful fire waste.

I furthermore urge that all theatres, schools, public halls, asylums, hotels, private institutions, homes and all places of assembly be carefully inspected during this week, looking to the elimination of all fire hazards.

I call on the Mayors of all cities, towns and villages, to issue and publish their proclamation, calling to the attention of our people the importance of Fire Prevention Week, and requesting strict observance of same.

Let us all work and resolve that we will co-operate with the State and City Fire Marshals, in keeping down fire, and that we will lend our moral support to our public officers in running down incendiaries and stamping out the crime of Arson.

Let this be the week when we shall all catch a new vision of our individual duties with regard to the fire waste problem and agree to help in every way to minimize its evil results.

In testimony hereof, I underwrite my name and cause the seal of the State to be affixed hereon at my office, in the City of Austin, Texas, this 11th day of September, A. D. 1925.—Miriam A. Ferguson, Governor of Texas, Emma Grigsby Meharg, Secretary of State.

### J. M. SKAGGS IS HIGHEST BIDDER ON FORD

The 1925 model Ford touring car that was sold to the highest bidder by Nance-Brown Motor Co., went to J. M. Skaggs. It is stated that bids on this car were brisk, and several hundred people turned in their bids which was deposited in a sealed box.

36-piece Dinner Set; Gold Band with dainty design of baskets and flowers, special price, \$7.48.—Coup-land's Variety Store.

Time to lay in the coal.

## LOVES WINTERS AND HER PEOPLE

Lockney, Texas, Sept., 25.—Winters Enterprise, Winters, Texas Dear Mr. Hill: I have been intending to come back to Winters for a day or two ever since we left three weeks ago, but got up here in this wet country and can't get away.

The people of Winters and the surrounding country are very dear to

me and wherever I go shall always consider Winters home.

The big hearted people and spirit that has built Winters is going to continue to make it much greater in the future and I shall take great pleasure

Start my subscription and if you in your progress in the future. have them send papers from Sept. 1st and a statement for one year and I'll send you check. Thanking you I am, your very truly.—J. W. Monroe.

New York is Al Smith's now.

# THANK YOU

We are not given to boasting but we want to say with a degree of modesty, that our efforts at closing out our stock have been all we expected and more, and we thank the people of Winters and surrounding country for their unstinted co-operation in this our final Quit Business Sale in Winters. We have yet hundreds of good values that we shall offer from day to day until this stock is all sold for we are very sincere in our efforts to quit the present business and we are not going to let cost enter into the transaction but will make prices with but one object in view, and that object is to get out as soon as possible.

Be sure and visit our store every time you are in town for we will have new prices and new merchandise to offer you every day.

Sincerely

## W. P. Hawkins & Co.

The W. H. S. Weekly has no name this edition, therefore, will not be included in volume 1. Students of W. H. S. we want you to drop your suggestion for a name in the ballot box next week. The reward for the best name will be a years subscription to our monthly magazine. This will be put out by practically the same staff, and will encourage literary efforts of the students. The magazine and the weekly news which will appear in the Enterprise each week will bear the same name.

Publicity develops a high born spirit; it will mean untold value to ole Winters "Hi"—are you for it? Then back it with yourself.

**MR. LOW REWARDS ETHELETE**

Mr. Low has promised the athlete making the highest grades a seventeen jewel watch. Mr. Low stated that it was not a gift of his institution but just a gift from Bert E. Low.

It is hoped that every athlete in high school who aspires to attain a goal in fields other than athletics alone, has firmly vowed in his heart that he will win the watch.

Mr. Low has always been a great friend of high school athletics and he is now giving this watch to prove to the boys that he is for high grades as well as for the athletics.

The entire school wishes to thank Mr. Low for his gift and for his interest in the school at large. We believe that the one who wins the watch will truly have to make high grades.

**ORATORICAL AND DEBATING CLUB ORGANIZED**

The high school will organize an "Oratorical and Debating Club" next week for the purpose of studying poems and orations. They are planning on doing some fine work this year, Miss Myrtle O. Barber being their coach. The tryout is to be staged before organization.

Only those who are interested are to be members in this club. Each interested pupil is now preparing a five minute speech which they will have to deliver before they will be admitted to membership. The tryout for membership will start October 6, the talks are to be based on literature national or historical events, or the life of some great man.

**BUSINESS MEN VISIT CHAPEL**

Messrs. Garrett, S. H. Nance, Clements, Hickman, Owens, Norman, Bert Low, Dr. Tinkle, Hill and Dr. Maddox were visitors of the High School at the chapel period last Monday morning. Each of these men made interesting speeches about our school and our football team.

We were very glad indeed to have with us these business men to show us that they are interested in our school and also in athletics. That they are willing to do all they can for us and each member of their group made enthusiastic speeches for our football team, gave them all the encouragement possible for the game we were to play on Tuesday, September 22 at the Abilene fair with Anson. They all said they were going up there and help win the game by yelling for the boys.—Lavena Collingsworth.

**P. T. A. MEETING IS SUCCESSFUL**

The P. T. A. met Tuesday afternoon with fifty members present. Mrs. Deffabaugh's room won first place in the membership drive, having

about thirty-five dollars and Miss Lora Farnsworth's room took second place with fourteen dollars.

The following program proved both helpful and interesting:  
 "The purpose of a P. T. A."—Mrs. Pyburn.

"Reasons for a P. T. A."—Mrs. Van H. Piercy.

"Relations of P. T. A. to the Community"—Rev. Hal F. Smith.

"Our Present Conditions"—Supt. A. H. Smith.

"Aims of P. T. A. for 1925-26"—Mrs. Dixon.

After the program, delicious punch and cake was served to all present.

**SENIOR CLASS ORGANIZATION**

The Senior class was organized

Monday with an enrollment of over forty, which is the largest Senior class that Winters has ever had.

Mrs. Jackson was elected sponsor and the following officers were elected:

President, Turney Neely; Vice-President, Lavena Collingsworth; Secretary and Treasurer, Bendena Spill.

The class rings have already been selected, but the order was delayed on account of the class not being organized.

**SENIORS GIVE PROGRAM IN CHAPEL**

The Seniors opened the literary activities of the year with a splendid program in chapel Wednesday morning. This is a precedent which will be followed by the various classes from week to week.

The program follows:

(Continued on next page)

Mrs. J. W. Elliott returned from the Baptist sanitarium at Abilene Sunday, where she underwent an operation some weeks since. Friends will be please to learn that she is doing nicely.

Judge and Mrs. R. T. Thornton returned home from Kansas City

last Monday, where they had been visiting relatives for some two or three weeks.

George B. Estridge of Ballinger was in the city the past week-end in the interest of his brass gun ramrod. He was on his way home from the fair at Abilene. Mr. Es-

tridge is one of the original settlers of the Ballinger townsite and we enjoyed his visit very much.

Before Amundsen makes his next attempt at a polar flight, he might send an advance party to grade a landing field on the ice.

## Home For Sale

## Mrs. Ed P. Eason

Winters, Texas

## Peoples Rights Contested

Dear Reader: Don't you believe that you should have as much right to choose your doctor as you do to choose your church or your religion? If so, read on.

The state and county medical societies of Texas have threatened through newspapers and radio broadcasting to repeatedly prosecute every chiropractor until they are driven out of the State. The wholesale arrest and prosecution of Runnels County chiropractors on the charge of "practicing medicine without a license" proves that they are attempting to carry out their threats, which is equivalent to telling you and hundreds of thousands of other good people of Texas, to "take our dope or die."

You are told that we can obtain a license by passing a state board medical examination the same as medical doctors do, which reminds us of a statement made by a prominent Ohio Judge on this subject, "That a chiropractor taking an examination before a medical board would have about as much chance for justice as a canary bird would have before a jury of tom cats."

### \$500.00 REWARD

To doctors, lawyers, officials, or individuals, who believe our reason for not obtaining licenses is due to stubbornness, incompetency, or expense, we offer a reward of \$500.00 to the one who can tell us how or where we can take a chiropractic examination and obtain a chiropractic license in the state of Texas.

The legislative bodies of thirty-two states have established a three year educational standard and provided for the examination and licensing of chiropractors. The chiropractors in Texas have repeatedly asked for legal recognition and the same standard as in other states and our article in next weeks paper will tell who has always prevented it. Watch for it.

It is your fight, good people, to see that your right to choose your doctor when sick is not taken away from you.

## SEVERAL NEW SENIORS

Among many new students in high school this year are several seniors. Lawrence Allison, Odelle Sloan, Clifford Lehman, Merle and Pete Nance, Raymond Jennings, Ida Mae Smith and Ethel Holdridge are all new seniors and are already adding a valuable spirit to the senior class.

There will be some news next week on the High School Orchestra.

## SENIORS OF '25 AND WHERE THEY ARE

Mr. George Key who is attending Shriners Institute at Kerrville is doing nicely in all of his work except Spanish. He said the teacher told him, in Spanish, to close the door, and he had to study about fifteen minutes before he found out what the teacher had said.

Miss Ruby Nell Roberts is attending Simmons University and she is delighted with her work.

Misses Lottie and Glee Ingram are now living in Abilene where they are attending Simmons University.

Miss Jaunita Pentecost is attending McMurray College. She says

college life is fine, until you get homesick.

Miss Truby Mosely, who is living in Plainview, is attending Wayland College with her brother, L. G. Mosely.

Mr. Alfred Lamotte, who was valedictorian last year, is attending Abilene Christian College.

Miss Charlie Graham is a student in Simmons University where she is enjoying college life to the utmost.

Miss Ruby Wimberly is also a student in Simmons University. Ruby is capable of accomplishing a great work and we are sure she will.

Mr. George Poe left the latter part of the week for Georgetown, where he will enter Southwestern.

Miss Louise Poe, who is attending Simmons University, reports that she enjoys all of her work, but she is thinking of majoring in English. We are still sure Louise will succeed.

Mr. Bailey McCaughan left Sunday morning for Dallas where he will study Pharmacy at Baylor Medical College.

Misses Emma and Ruth Baldwin are attending McMurray College. They are enjoying their work very much.

Mrs. Emily Parks, better known as Miss Emily Bailey finished her school work this summer with an M. R. S. degree. We wish for Emily all of the happiness that married life holds for her.

Mr. Oral Toney, from Buffalo Gap is a student in McMurray College.

## PERSONALS

Miss Ruby Nell Roberts, a graduate of Winters High School, who is now a freshman in Simmons Uni-

versity, was a visitor in school Monday morning.

Miss Louise Poe, who is also a former graduate, and is now a freshman in Simmons University, was a visitor in school Monday morning.

We are very glad to report that little Raymond Cooke, who has been seriously ill with typhoid fever is better and we hope to see him in school again before very long.

Mr. Taylor, the representative from the Southwestern Engraving Co., was here again Monday. The Seniors purchased their rings from this company.

We are very glad to report that George Key, a graduate and football star from Winters is attending Shriners Institute at Kerrville, Texas. Jumbo succeeded in making the first team and played in their first game with Main Avenue. Everyone will remember how Jumbo was hurt in the game between Winters and McMurray last year. In this first game with Main-Avenue, he had the grave misfortune to get his back hurt again, only worse. The doctors informed him that he would not be able to play football any more. We are all very sorry for Jumbo because he was just beginning to enjoy his college work. However we are very glad that he is able to be back in school again.

## GOOD BUNCH OF FISH

The Freshmen were given a warm reception Wednesday morning. A large number of other hi school boys were on the south side of the campus with belts ready and two long lines formed. The freshmen were induced to run the gauntlet which required a great deal of courage, but they took it like the true sports they are and we give to them a hearty welcome to our dear old hall.

## JOKES

Mrs. Jackson—"Tell me what you know about the age of Elizabeth."  
 Henry—(sleepily) "She'll be nineteen next week."

Mrs. Jackson—"I mended the hole in your trousers pocket last night after you had gone to bed. Now am I not a thoughtful wife?"  
 Mr. J.—"Well-er-yes, you are thoughtful enough. But how did you discover the hole in my pocket?"

Mr. Smith—"Now John G., where did you get that chewing gum? Tell me the truth."  
 John G.—"I don't want to tell the truth teacher and I don't want to lie."

Mr. Smith—"Don't you dare be imprudent to me. Tell me at once where you got that chewing gum."  
 John G.—"Under your desk."

Miss Mitchell—"When did Caesar die?"  
 Jack Callan—"44 A. B."  
 Miss Mitchell—"A. B. don't you mean B. C.?"  
 Jack—"No, mam, 44 A. B. forty-four years after birth."

"Girls are prettier than boys," said J. D. Robertson.  
 "Why naturally," replied Marie H. "No! Artificially!"

Gerald Knight—"Mr. Robertson may I go home?"  
 Mr. Robertson—"Why?"  
 Gerald K.—"I poured sulphuric acid on my trousers and they are evaporating."

Mr. Smith was talking to his preps about how beneficial certain books were. He turned to V. Marie S. and asked, "What books has helped you most this year?"  
 V. Marie without hesitation replied, "Dad's check book."

## ORGANIZATION OF STAFF

For the past two weeks, with the aid of Miss Barber, a few members of the student body organized a staff for a monthly High School magazine.

A contest will be put on and to the one submitting the best title will be awarded with one years subscription to the magazine.

Mr. Turney Neely was appointed Business Manager and will take charge of a campaign to be held for obtaining yearly subscriptions and advertisements.

The magazine will consist of editorials, social activities, short stories, sport news and jokes. The weekly news and personals will be in the Winters Enterprise.

If the entire student body, as well as the business men will co-operate with us, the magazine will be a wonderful success.

The magazine will add greatly to

the publicity of our school, to obtaining the additional credits we lack in having a complete affiliation. Come on boys, let us make it a success.

## W. H. S. PEP SQUAD

Winters high school has one of the best pep squads anywhere. It is under the direction of Miss Ruth Jones. Those chosen as official student leaders are Leon Campbell, Marie Griffin and Lawrence Allison, one of our new seniors.

A pep squad like this should mean worlds in "Keeping the Win in Winters" and keeping the pepper hot along the sidelines.

Mr. and Mrs. W. L. Poe were visitors to the West Texas Fair at Abilene Shriners Day, Friday of last week, returning home Saturday. They report the Shriners had a big time and they enjoyed it very much.

Miss Myrie Pack of Post City, is doing relief stenographic work at the First National Bank in the absence of Miss Christine McDuff, who is ill.

A Rev. Mr. Ledwig is giving a series of lectures on Catholicism at Tinkle Park this week. We understand fair crowds have been attending.

Messrs. J. C. Meredith and J. W. Patterson were in Bronte and Robert Lee Wednesday on business connected with the Mutual Aid Association.

W. W. Crowson of route 2, is in the local sanitarium recovering from an operation. We understand Mr. Crowson is doing nicely.

## SALES SHOW NEW FORD IS POPULAR

Every day new evidence comes in of the popularity of the improved Ford cars.

It is not only expressed in the crowds which fill dealer show rooms all over the country and the groups which pause to inspect the cars wherever they appear on the streets nor alone in the thousands of orders being booked for immediate delivery, but also in orders entered for future delivery.

Probably the best index to future deliveries of these cars is found in enrollments in the Ford Weekly Purchase Plan, which have shown a remarkable increase since the cars made their appearance.

This increase was first noticed the last ten days in August, during which the announcement of the cars was made. In that period enrollments

## Appreciation

Is a wonderful word; a most commendable attribute in any person or institution. There are bigger, finer and more pretensions banks, but we do not believe any have deeper appreciation, or strive harder to prove this appreciation than this fast growing National Bank. Growing we are, and there is a reason for this growth. Ask your neighbor, he knows and will tell you.

10 per cent is the legal rate of interest in Texas. If you paid more here it is a mistake, and we will gladly correct it.

under the plan reached a total of 13,167 and in the ten days following, the first in September, the number of new purchases under the plan totaled 16,054.

Those enrolled under the plan at the time the improved cars were announced all benefited by the change, for they will receive new types and will be given preference when they desire delivery of cars.

More than 175,000 are now enrolled under the plan and with others coming in at the rate of 1,600 a day it will not be long before the enrollment list will exceed 200,000.

Those who are ordering cars under the plan at the present time for the most part contemplate delivery either during the coming holiday season or for early spring next year.

## An Open Challenge!

**Check the New Oakland—point by point—against any car in the field**

Inspect the smart, low-slung, beaded Fisher Body. Examine the ultra-modern chassis. Study the advanced features. Note that these include **Ally Cleaner, Oil Filter, Four-wheel brakes and the Harmonic Balancer**, an exclusive feature which renders the Oakland engine unmatched in freedom from vibration.

Then drive the car and in one thrilling ride learn its great performance advantages—advantages made all the more remarkable by the new prices \$70 to \$350 lower. **Q Proof** of superiority is in the car itself. All we ask is that you see it—drive it—and compare it point by point with any automobile in the field.

The Coach

Touring Car . . . \$1095 (Old Price \$1095)	Sedan . . . \$1195 (Old Price \$1545)
Coach . . . \$1095 (Old Price \$1215)	Landau Sedan . . . \$1295 (Old Price \$1645)
London Coupe . . . \$1345 (Old Price \$1295)	

All prices at factory — General Motors Time Payment Plan, hereafter the lowest in the industry, have been made still lower. We can now make you as much as \$40 to \$50 in your down payment cost.

If it is a White Sewing Machine you want, see Spill Bros.

**TWO DALLAS WOMEN DEAD FROM AUTO ACCIDENT**

Dallas, Texas, Sept. 25.—Two Dallas women died here today from injuries in an auto accident that occurred some time ago.

Mrs. H. C. Weaver, 58, well-known insurance woman of Texas, died as the result of a blow on the head when an automobile in which she was riding struck a bad place in the road. Her head struck a cross-piece, bracing the top.

Miss Lida Lamar, 25, an employee of the Federal Reserve Bank here, died following injury received when she was crushed against a wall by a truck, said to have leaped a curve.—Dallas News.

Mrs. Lamar was the daughter of Mr. and Mrs. W. D. Lamar, who made Winters their home several years ago. Mr. Lamar is a half-brother of W. P. Hawkins of this city and during his residence here was associated with Mr. Hawkins in business. Friends will regret to learn of the young lady's tragic death.

**Harmony News**

Mr. John Hester died Sept. 25th, 7 a. m. with typhoid fever he was only sick about two weeks. We extend our sympathy to the bereaved family and loved ones. May God comfort them in their great sorrow.

Mr. and Mrs. R. A. Bishop visited Mrs. Howard Wheelers Sunday afternoon.

Mr. and Mrs. Walter Dean of Pumphrey visited the latter's parents, Mr. and Mrs. D. S. Moore Saturday night and Sunday.

Mrs. T. H. Hill of Ballinger spent the week end with her daughters, and also attended church at Crews. Mrs. Cora Lewis has a position with the Winters Bargain house in Winters.

We are glad to report Mrs. Roy Pumphrey improving after being real sick last week.

Mr. Travis Cummings returned home last week from Slaton where he had been working the past two months.

Mr. and Mrs. Bishop, Mr. and Mrs. Kirkendall and Mrs. Dunn of Crews visited in the Tunnell home one day last week.

Mr. and Mrs. D. S. Moore and Mr. and Mrs. Walter Dean visited Mr. and Mrs. Fletcher Engleman Sunday.

Mrs. D. W. Yeager and daughter, Miss Muta and Mrs. Jim Tunnell visited Mrs. Howard Wheelers Sunday morning. Mrs. Wheelers being very sick.

New Fall Furniture arriving daily at—Spill Bros.

It takes only one vote to pass a good resolution.

Mrs. W. W. Carson of the San Angelo Business College, accompanied by Mrs. Couch spent Saturday morning in Winters in the interest of that institution. Mrs. Carson has charge of the school and is also one of the teachers. She has had many years of teaching and business experience and this summer took special work at Berkley, Calif., in the University, and returns with the full determination of using only the best methods in preparing young men and women for business life. She is a splendid type of christian womanhood, and takes a personal interest in every student, and has been a great factor in ennobling and enriching the young lives with whom she has come in contact.

**MRS. J. H. RHODEN AND MISS LOYLE KORNEGAY HOSTESSES TO LITERARY AND SERVICE CLUB**

On Thursday afternoon of last week Miss Loyle Kornegay and Mrs. J. H. Rhoden were hostesses at the Kornegay home to the Literary and Service Club in the first social meeting of the year. The occasion was an attractively arranged progressive "42" party, in which the club colors, green and white, were featured in the appointments.

Upon entrance the guests were served refreshing punch, after which many merry and spirited games of "42" were played. In the cuts for table favors Mrs. Brophy, Mrs. Gaston, Mrs. McAdams, Mrs. Sanders,

and Mrs. E. M. Hall were lucky and received quaint little simian figures symbolic of the ancient motto "Fear no evil, see no evil, speak no evil."

At the close of the games the hostesses, assisted by Mrs. C. Kornegay, served a delicious course with hot tea.

Special guests on this enjoyable occasion were Mesdames C. S. Jackson, Marvin Patrick, R. K. Russell, and E. M. Hall. Club members present were Mesdames Brophy, Gaston, Hickman, Holcomb, H. O. Jones, L. E. Low, Bert E. Low, McAdams, Harris Mullin, Walter Oliver, W. D. Sanders, Shepperd, Skaggs, A. H. Smith, and Miss Gladys Oliver.

"Young Bob" will be the youngest U. S. senator.

**SURPRISE HANDKERCHIEF SHOWER HONORING MRS. LARKIN SPEER**

The home of Dr. and Mrs. W. D. Sanders was a scene of rare loveliness Thursday evening, when Miss Carrie Flynt and Mrs. Dewey Speer were hostesses to a surprise handkerchief shower honoring Mrs. Larkin Speer, before her departure for Washington, D. C., where she will make her home.

The guests were assembled and chatting gayly when Mrs. Larkin Speer was ushered in by Mrs. Horace Hawkins and immediately the handkerchiefs were showered upon her.

A delightful refreshment course was served and he guests were invited to join in a Theatre party.

Those enjoying Mrs. Saunders delightful hospitality were Mesdames Larkin Speer, J. H. Rhoden, Carl Davis, Horace Hawkins, P. G. Garrett, M. S. Patrick, Dewey Speer, Roy Powell, O. C. Williams, Hart Phillips, Misses Pauline Dunn, Laura Farnsworth, Loyle Kornegay and Carrie Flynt.

**WIDE AWAKE B. Y. P. U. ENTERTAINED**

Quite elaborate preparations were made at the First Baptist church last Saturday at 4 o'clock when the wide awake B. Y. P. U. under the leadership of Miss Ella Gilmore entertained those who were leaving and the new ones who were coming in.

The reception rooms presented a pleasing effect decorated in pink and white with ferns and cut flowers tastefully arranged.

One hour was spent in playing games of various kinds, much to the enjoyment of the twenty one children present.

Dainty place cards were passed and each child found their places at the table and an iced course was served consisting of pink ice cream and white cake, after which the following program was rendered.

- Song—B. Y. P. U.
- Piano Solo—Anna Lee Cobb.
- Reading—Ruth Patterson.
- Solo—Katherine Hill.
- Reading—Pauline Hinds.
- Piano Solo—Felda Howell.
- Reading—Anna Lee Cobb.
- Song—B. Y. P. U.
- Piano Solo—Karleen Low.
- Reading—Louise Branham.

**BAPTIST W. M. S. ENJOY PROGRAM**

The Baptist Woman's Missionary Society met at the church Monday, September 28, and enjoyed a program in Royal Service, the subject being "Stewardship of Time and Personality."

Mrs. Leslie Alexander gave an interesting talk on "Has God a Plan for My Life?" and Mrs. Bradley rendered the topic on "Tithers of Time" and as a conclusion of the program, Mrs. Patterson made discussion of subject.

During a short business meeting it was decided to pay part of expenses to educate a Chinese girl in America.

Closing prayer was led by Mrs. J. L. Pumphrey.

**PRESBYTERIAN SENIOR C. E. WILL MEET**

The Presbyterian Senior Christian Endeavor will meet at the church Sunday, October 4, at seven o'clock. Scripture reading will be found in Matthew 5, 13-20. The subject "Community" is one we hope all members will be especially interested in and will be present.

**ZELDA EDWARDS PASSES AWAY**

One of the saddest deaths it has ever been the duty of the Enterprise to chronicle was that of Elva Zelda Edwards, the only daughter of Mr. and Mrs. James P. Edwards. She was born September 8, 1912 and died September 29, 1925.

Zelda was a sweet tempered little girl and enjoyed a host of little friends and was adored in her home and by her friends. Her sunny nature endeared her to all those who were so fortunate as to know her. She was a true Christian and a devout member of the Methodist church, and every promise of the scriptures may be claimed by the grief stricken loved ones for their comfort in their hour of deepest sorrow.

Funeral services conducted by Rev. Gid J. Bryan, were held at the Methodist church at ten o'clock Wednesday morning and interment was made in the Old Cemetery. The floral offering was beautiful and her

**SUNDAY SCHOOL TEACHER, MRS. A. H. SMITH**

and her class and her school mates were all present at the funeral and occupied front seats, and also brought a lovely floral offering.

There is no language which is able to soften the heart-ache and loneliness of those left behind, yet there is comfort for every heartthrob of pain in the presence of the great Comforter who was sent into the world to keep His people until He comes again.

Besides her heart-broken parents she leaves two grandmothers, one grandfather and two great grand parents, Mr. and Mrs. Helderman who are eighty seven years old. Those attending the funeral from out of town were Mr. and Mrs. Grady Phillips of Lamesa and Mrs. Robert Bishop of Abilene.

The Enterprise extends sincerest sympathy to the grief stricken loved ones.

**MRS. MITCHELL BURIED HERE TUES**

Mrs. Lizzie Mitchell, wife of L. M. Mitchell of the Pumphrey community was stricken with typhoid fever about three weeks ago and contracted pneumonia three days prior to her death which occurred October 1, 1925. As soon as it was discovered that she had typhoid fever a trained nurse was secured and the efficient services of physicians together with loving hands of relatives and friends did all within their power to relieve suffering and prolong life, but God in His Infinite love saw fit to call her to that Heavenly home.

She leaves a bereaved husband, two daughters and one son, Zora, Ila and Audrey L.

She was born at Belton, Texas, July 27, 1882, was happily married to M. L. Mitchell, December 27, 1900. She accepted faith in her blessed Savior in the summer of 1905, and has ever since live a beautiful Christian life. It has truly been said of her that "she lived for others."

Those present at her bedside in her last hours were her parents, J. R. Yancy, of Killeen, her mother in feeble health was unable to be here, three brothers, John, Frank and Percy Yancy of Killeen and her only sister, Mrs. J. H. Mitchell and children, Mr. and Mrs. W. A. Mitchell and son of Lockney, Texas, Mr. and Mrs. J. H. Mosely and family and Mr. and Mrs. Joe Baker, Mr. and Mrs. Owen Ingram of Abilene, who have been closely associated with the family for some eighteen years besides a host of other friends of the surrounding communities.

Rev. Jno. Riddle of Fort Worth, pastor of the Drasco Baptist church and Bro. W. I. Dunn who was her former pastor for ten years at Pumphrey, conducted the services at the Winters Baptist church at three thirty, October 1, and inter-

ment was made at Fairview Cemetery.

Beautiful tributes of love and respect were shown by deeds of kindness, words of comfort and lovely floral offerings. A full account will be given in the next issue of the Enterprise.

The pall bearers were John Yancy, Frank Yancy, Percy Yancy, W. S. Mitchell, W. A. Mitchell, and T. B. Mitchell.

The bereaved husband, children and relatives have the sincerest sympathy of many friends.

Mr. and Mrs. A. O. Bartlett and children of Ballinger spent Sunday with his parents, Mr. and Mrs. D. E. Bartlett.

Mr. and Mrs. E. V. Bateman of Ballinger were guests in the home of Mrs. Horace Hawkins last Saturday.

Mrs. Leonard Lee of Coleman was a guest in the home of Mr. and Mrs. R. E. Wall.

Miss Mary Mount has accepted a position in the bookkeeping department of Clements Hardware Co. Miss Mount is quite experienced in her line of work and will be of valuable assistance to this popular institution.

Miss Rosa Poe was a guest in the home of Mr. and Mrs. S. T. Poe R. R. Wall the past week.

Accidents on land and sea show that man has yet much to learn before claiming the "conquest of the air."

South Africa reports a diamond rush, Washington and Pittsburgh also are preparing for one.
