Wayne E. Larsh Killed In Auto Accident Tuesday

Wayne Eugene Larsh, 42, superintendent for G. W. Strake Oil Company in Winters and a resident here for the past eight years, was killed Tuesday about 4:40 p.m. in an auto accident about four miles east of Robert Lee on State Highway 158.

Mr. Larsh died of injuries received when his car struck a truck loaded with pipe. Highway Patrolman Jerry Zachary of San Angelo stated that the pipe-laden truck, driven by Pete Garcia, was making a left turn on the Hayrick road when Larsh's 1956 Chevrolet rounded a curve and struck it.

The truck belonged to Texas Natural Gas Corporation of Tulsa, Oklahoma. The driver and a passenger, Douglas Smith, barely escaped injury as the impact hurled pipes into the back of the cab of the truck, the investigating patrolman stated.

Larsh was enroute to Sterling City to investigate an accident in which J. W. Martin, also of Winters, suffered second and third degree burns on his face and head in a field tank fire near Sterling City. Martin is field foreman for Strake Oil Company.

Mr. Larsh was born September 16, 1916 in Artesia, N. M., and moved to Pampa where he was reared and attended high school. He attended the University of Oklahoma, at Norman, Okla., and worked in the oil fields there. In 1943 he received his BS degree in engineering at Oregon State College.

During World War II, Mr. Larsh was in the Army Corps of Engineers, and served in Italy. Mr. Larsh was petroleum engineer for the Texas Company at Houma, La., from 1945 until 1948. He was married to the former Miss Marie Melancon on June 22, 1947. He joined the G. W. Strake Oil Company as an engineer and assistant superintendent in 1948. In 1951 he became general superintendent and moved to Winters from San Angelo.

He was an active member of the Presbyterian Church in Winters.

Funeral services were held here Thursday morning at 10 o'clock in Spill Memorial Chapel with the Rev. B. O. Wood, retired Presbyterian minister of San Angelo, officiating. The Rev. B. T. Shoemaker, pastor of the Winters First Baptist Church, assisted. The body was taken to Pampa by Spill Brothers' Ambulance and services will be held there at 10:30 a.m. Friday in the Dunkel-Carmichael funeral home. Burial will be in Pampa.

Survivors include his wife, two daughters, Gwen, 10, and Martha, 8, both of the home; his mother, Mrs. Iona Larsh of Pampa; two brothers, D. L. of Santa Anna, California and Harold of Norman, Oklahoma; three sisters, Mrs. J. A. Hurt of Odessa, Mrs. Gerald Adams and Miss Bernice Larsh, both of Pampa.

Jimmie W. Vinson Named Outstanding Airman for 6 Months

Airman First Class Jimmie W. Vinson, son of Mr. and Mrs. J. D. Vinson of Route 1, Winters Texas, was recently selected as the outstanding airman of his squadron for the six month period from July to December 1958. Airman Vinson is a Telephone Operator at RAF Station Brize Norton, England, with the Strategic Air Command's 7th Air Division.

Airman Vinson earned this distinction in his organization, the Operations Squadron of the 3920th Combat Support Group, on the merits of appearance, military bearing, and performance of his job. He graduated from the Winters High School in 1954, has been in the service for the past four and a half years, and is married to the former Miss Valerie Joy of Oxford, England.

J. W. Martin Burned In Oil Field Fire Tuesday Afternoon

J. W. Martin, field foreman for Strake Oil Co. of Winters, received third degree burns on his hands and second degree burns on his face Tuesday afternoon when an oil line broke and caught fire on a rig where he was working.

The accident happened on the Davis lease about 15 miles northeast of Sterling City. According to information received from the Winters office of Strake Oil Co., a crew was circulating an oil tank and lines when an oil hose broke and caused an explosion and fire. The force of the blast knocked Martin to the ground, and he escaped the center of the flames by crawling on his hands and knees.

Some of the other members of the crew were knocked down, but none of them received serious injuries. Other crew members were B. E. Baldwin, Gary Simpson and Monroe Boles.

Mr. Martin was transferred from the Sterling City Hospital to the Winters Municipal Tuesday evening.

MOD Drive In Winters Is Gaining Momentum

Fishing Rodeo Begins February 1; Will Run To June

One hundred fifty tagged fish have been released in the two Winters lakes for the Winters Sportsman Club Fishing Rodeo which begins February 1.

Several big prizes will be awarded winners in the Rodeo, which continues until June 30, according to J. W. Huddleston, secretary of the club. First prize will be a five and one-half horsepower outboard motor, donated by the club. Second prize is a pair of laminated water skis, donated by J. W. Phillips. Approximately 15 smaller prizes will be awarded.

The fisherman catching the fish with the highest numbered tag during the rodeo will win first prize; the second highest number, second prize. Other prizes will be awarded according to the number of the tag on the fish caught.

To be eligible to participate in the rodeo, fishermen catching tagged fish must be members of the Winters Sportsman Club, and must register fish with designated persons. Registration must be accomplished while the fish is fresh and with the tag still intact.

Tagged crappie, bass and channel cat have been released in the two lakes, according to Huddleston.

Fishermen catching tagged fish may register them with any of the following: Herman Baker Sr., Harrison Auto Parts, Speers & Phillips Boat and Motor dealers on West Dale, A. J. Wells, Lester Warlick, J. W. Huddleston, Jim Hamner, Herman Baker Jr., Chub Winton, T. Sprinkle.

Final plans and rules for the fishing rodeo were completed at a meeting of the Winters Sportsman Club Tuesday evening.

The club also decided to sell property owned by them at Oak Creek.

Eagle Scout Court Of Honor To Be Held February 2

Eagle Scout Court of Honor will be held at the Winters Schout Hut Monday, February 2, at 7:30 p.m. according to an announcement made this week.

Guest speaker will be Warren Dodson of Abilene, chief of police, who is an Eagle Scout and is interested in scouting.

Refreshments will be served and the public is cordially invited to attend.

The March of Dimes campaign in Winters was gaining momentum this week, following the balloon sale on the streets Saturday.

Fredric Poe, March of Dimes chairman for Winters, reported that \$313 was collected from the balloon sale Saturday. Another \$40 was collected from coffee sales which were donated by Main Drug Co., Smith Drug Co., Acapulco Cafe and the Cowboy Cafe.

The Mother's March has not been completed, and a canvass of the business section has not been made.

Naomi Busher Named WHS Homemaker of Tomorrow Recently

Naomi Busher, daughter of Mr. and Mrs. Cullen Busher, was recently named the 1959 Homemaker of Tomorrow at Winters High School. She received the highest score on the homemaker's test taken December 2.

Miss Busher received a home-making pin which represents the slogan, "Home is Where the Heart Is." Her examination paper will be entered in competition with those of other school winners in the state, to name the state Homemaker of Tomorrow.

The test is designed and judged by Science Research Associates.

ATTENDED FUNERAL

Mr. and Mrs. W. L. Porter went to Aspermont Sunday to attend the funeral of his nephew, Bill Day. The body was brought to McBee Cemetery near Tuscola for burial. Other relatives who attended the funeral were Mr. and Mrs. Bernice M. Porter of Abilene, Mr. and Mrs. J. Edgar Porter of Crews.

VISITED MOTHER

G. L. Seitz of Bakersfield, California visited his mother, Mrs. George Seitz the past weekend. Mr. Seitz was transacting business in Texas.

HOME TOWN Talk

By R. C. THOMAS

In a release from Dun & Bradstreet, which is being published this week, it is interesting to note that Winters is the only town in Runnels County which is holding its own. Every other town in the county, according to Dun & Bradstreet, has lost in the number of business establishments during the past year. This includes only manufacturers, wholesalers and retailers, and does not include some of the service and professional businesses such as beauty and barber shops and real estate dealers.

Also, the report does not make mention of the great growth of the businesses which have been listed; the expansion of facilities such as warehouses and extensive remodeling, which would reflect a much more impressive and continued healthy business condition. For example, the erection of additional cotton warehouses; step-up in production by manufacturers and new factory building to house an ever-growing industry.

And then there are the remodeling projects undertaken by established firms, still a reflection of continued growth.

Yet to come are planned remodeling projects, and enlargements of present facilities of many firms. Within the next few months, according to several businessmen, Winters will experience more and more progress in the way of remodeling and expansion.

All these things which have been accomplished—the expansion and remodeling which has kept Winters the leading town in the county; the plans "in the mill" for future improvement—didn't "just happen." They are the direct result of long-range planning and work; and a faith in the business climate of Winters. Winters could easily die on the vine, as so many others of the so-called "small towns," were it not for the foresight and determination and faith of the many progressive businessmen and manufacturers in the town.

Just a few days ago we were privileged to see a letter from a former resident in which he said he had a "warm spot in my heart for Winters," and would like to see much remodeling and the like in the town. We can say only that he should keep his eyes on the town—watch it grow.

"Unique" is the word we would use in describing the ad for Heidenheimer's this week. A "White Elephant Sale" is something unusual, and we think you'll get a lot of enjoyment from reading the ad; and we know you will get a lot of bargains when you take advantage of the sale.

A sign under the tellers' windows at the Winters State Bank promoting the March of Dimes is unique in that there are many dime-size holes in each letter into which dimes can be inserted. This is a novel way of advertising the annual March of Dimes campaign, and at the same time provide a means for anyone to donate their dimes without fuss and bother.

When we were up by the bank Wednesday afternoon, there was still plenty of room to insert dimes in the sign. This drive for funds is one of the most worthy; so when you go up by the bank, slip a dime into a letter and help complete the sign. It's one of the few places where a dime really carries its weight.

In addition, there are also many

Business Men's Bible Class to Hold Chili Supper Friday Night

A chili supper for all members, wives and guests of the Business Mens Bible Class of the First Baptist Church will be held Friday evening at 7 o'clock in the Fellowship Hall of the church.

The class was divided into two groups to compete in an attendance contest. The group headed by Ernest Smith was winner and the group led by Tom O. Carrol won the consolation prize. The losing group will play host to the winners.

The planning committee for the affair is composed of Grover Davis, Earl Dorsett and Russell Mote.

JOHNNY KEY

Poem by Winters Student Picked For Anthology

Johnny Key, son of Mr. and Mrs. John G. Key Jr. and a Winters High School senior, has had a poem published in the National Anthology of High School Poetry, "Young America Sings." His poems have also been chosen by the American Poetry Society to be published in Songs of Youth.

This is the third consecutive year Johnny has had poems published in the National Anthology of High School Poetry.

"Comes the Spring," Johnny's latest poem, has been accepted for both anthologies. It was sent in by Mrs. Myrtle Frazier, WHS librarian. Last year his poem, "So Ends the Year," won honors, and during his sophomore year he received recognition with the poem "Destiny."

Johnny is active in several organizations, being band captain, reporter of the Quill and Scroll, president of Authors Anonymous, and assistant editor of the Gale high school newspaper.

About 250 friends of P. L. and Jack Harrison visited their new auto parts store during open house last Friday. Harrison's recently moved their store three doors south on Main Street, into a completely remodeled building. In a drawing during the open house, C. E. Sullivan, Tip McKnight and Jack Patton won men's wrist watches.

G. W. Sneed Won Trip to John Deere Tractor Works

G. W. Sneed, manager of the Mansell Bros. implement store here, was one of the dealers who qualified for a free trip to the John Deere Tractor plants in Iowa and Illinois last week. He returned home Thursday of last week.

Mr. Sneed was one of the dealers and salesmen who took part in one of the biggest airflights ever held by farm equipment manufacturer. During the course of the winter more than 2000 dealers and salesmen of John Deere tractors and farm equipment will be flown to Waterloo, Iowa; Dubuque, Iowa and Moline, Illinois in chartered 58-passenger United Airlines planes with their wives for three-day all-expense tours.

The salesmen and dealers were awarded the tours for exceeding their quota of sales of 1958 tractors. Mr. Sneed was with the group which flew to Waterloo, Iowa Sunday January 18, and left Moline, Illinois for the return trip Thursday.

Band Mothers Club Sponsored Game Party January 29

Band Mothers Club sponsored a forty-two game party Thursday night, January 29, in the Band Hall at 7:30 o'clock.

Proceeds from the affair will be used by the Winters Bands and the public has been cordially invited to attend.

RETURNED HOME

Mr. and Mrs. Bill Walker returned home Friday after spending two weeks visiting friends in Los Angeles, San Diego and El Centro, California. Enroute to California, they visited with his sister, Mrs. Shorty Foster in El Paso and with an aunt in Phoenix, Arizona.

According to Dun & Bradstreet

Winters Is Only Runnels Town Not Showing Loss

Statistics released today by Mr. A. J. Hemphill, manager of the Fort Worth office of Dun & Bradstreet, Inc., reflect a decrease in the number of business firms in Runnels County during the past five years. Figures obtained from a physical count of the Dun & Bradstreet Reference Book for January, 1959, totaled 311 manufacturers, wholesalers, and retailers in this area as compared to 322 listings in 1954—a decrease of 3 percent for the period.

The Reference Book, incidentally, lists only manufacturers, wholesalers and retailers. It does not include some of the service and professional businesses such as beauty and barber shops and stock and real estate brokers. Thus, the figures for businesses in Runnels County would actually be higher than the 311 quoted.

Hemphill also added that during the past year, 205 changes were made in the Reference Book listings of Runnels County businesses, including names added, deleted, and changes in rating of continuing businesses. The Reference Book contains approximately three million business listings for over 50,000 communities in the United States. It is published every sixty days to keep listings current.

During the past sixty days, nearly 70,000 new names were added and nearly 65,000 names were removed. Credit ratings were changed during the period on more than 110,000 business concerns.

Using the Dun & Bradstreet Reference Book listings as a guide, it is interesting to review what has happened in the four principal Runnels County communities during the past year:

Reference Book Listings	1954	1959	Pct. Inc.
Miles	26	25	-4%
Rowena	20	17	-15%
Ballinger	155	143	-8%
Winters	117	117	—

As one phase in revising credit ratings and keeping them up-to-date, every year the credit reporting agency writes to all businesses who are listed in the Reference Book to request their balance sheets. Hemphill says that this letter speeds up the flow and processing of some of the facts on which credit ratings are based.

"More than 95 percent of all commercial transactions in the U. S. are made on credit terms," he added. "The purpose of the Reference Book is to help businessmen in any part of the country make prompt and accurate credit

decisions to ship or sell to businessmen in any other part of the country."

The credit rating is one of the key factors in approving orders to ship or sell. The rating consists of two symbols. The first, a letter of the alphabet, indicates financial strength or tangible net worth of the business. The second symbol is a number. It reflects a composite appraisal of the background, operations, financial stability, and payment record.

Each Reference Book listing, which includes the rating, is a condensed summary of the information contained in the Dun and Bradstreet credit report. The report includes a history of the business (who owns it, who runs it, and how long it has been operating); a description of what the business does and how it does it; a financial section which usually includes the latest financial statement; and a record of how the concern pays its bills.

While credit reports are primarily used by businessmen who want to evaluate the credit risk before shipping or selling, insurance underwriters also use credit reports to review risks, rates and coverage for fire and other types of insurance.

Texas Lawmakers Face Age-Old Problem: Where To Get More Money?

By VERN SANFORD

Texas lawmakers face the old "chicken or egg" problem as they move into the session's main issue—money.

Is it best to decide first how much the state must spend to keep its various programs going and then scrape up tax money to cover them? Or should the tax take be set first and the pie sliced up accordingly?

Thus far, both problems are being juggled at the same time. Already the mathematical acrobatics are spreading jitters among spectators — both appropriation seekers and tax worriers.

Governor's Prescription

Gov. Price Daniel is prescribing a two-pronged, \$210,000,000 plan to cure state fiscal ailments. First prong is to raise \$85,000,000 to pay off the debt expected in the general revenue fund by the end of this fiscal year. Second prong is to raise \$72,800,000 a year (\$145,600,000 for the next biennium) to cover spending from the general revenue fund.

Sources for this money would include: (1) a natural gas severance tax, (2) an increase in levies on motor vehicle sales, tobacco

and corporation franchises and (3) unclaimed bank deposits, insurance policies and property, which the state would take over.

Governor Daniel increased his previously recommended budget by nearly \$20,000,000 to include appropriations for retiring state bonds, providing medical care for people on welfare rolls, a driver education program and advertising for tourists and industry.

Total two-year spending from general revenue would be \$330,000,000.

Smaller Pie

Compared to the governor's proposal, the Legislative Budget Board's recommendation for general revenue fund spending looks modest—only \$285,000,000.

Though the Board's spending would be nearly \$45,000,000 less than the governor's, it would still be some \$4,600,000 higher than the 1958-59 appropriation.

Budget Board suggests slight increases for the judicial system, executive and administrative departments, hospitals and special schools, public schools and highways. Small cuts were recommended for junior colleges and higher education.

Spending from all funds for state government would total \$2,357,347,479.

Seeligson Plan

Rep. Frates S. Seeligson of San Antonio has prepared an extensive plan to overhaul and beef up the state's tax collecting. Topping the list would be a 1.5

per cent sales tax with food, feed and fertilizer exempted. It would bring an estimated \$67,000,000 annually.

Another Seeligson bill would re- codify present tax laws. It would do away with some regarded as obsolete (such as on clock peddlers, street cars) and others called inequitable (on chain stores, stock transfers, radio, TV, cosmetics, etc.) Same bill would eliminate certain exemptions and revise other taxes, mostly upward, on motor vehicle, tobacco and liquor sales. Net gain from the revision would be a \$11,500,000 a year gain in revenue.

Like Daniel, Seeligson recommends that the state take over unclaimed money and property. Seeligson was vice chairman of the State Tax Study Commission that spent the between-sessions months working on tax problems.

Fair Warning

Governor Daniel and Lt. Gov. Ben Ramsey both declared at their inaugural that they have sympathetic hearts for Texas taxpayers.

Governor Daniel proposed greater efficiency and economy by combining some of the 175 separate agencies and 213 special accounts operated by the state.

Ramsey promised there would be "no stringing up of the unfortunate taxpayer by the heels to shake out enough money to give everyone everything he wants."

Added Ramsey, "I refuse to admit that the success of a legislative session, or an administration, depends solely on the amount of money it can spend."

No Pay, No Work

House and Senate agreed easily on an automatic shut-off of the regular session at 6 p.m. May 12, but had more difficulty deciding where to get their salary money.

House members shied from a Senate plan to take from a surplus in the fund to aid the permanently and totally disabled. (Future campaign fodder, for sure, reasoned representatives.)

Instead, they proposed borrowing from the Insurance Department Building fund. Both houses agreed to tap the drivers license fund.

A definite adjournment resolution this early in the session is unprecedented in recent legislative history. So is a session of only 120 days, the period for which legislators can be paid. Both are regarded as reflecting disgruntlement over the defeat of the legislative pay raise amendment last fall.

Already three new pay raise proposals have been introduced: (1) to pay \$50 a day for 50 days, (2) \$40 a day for 120 days, \$20 a day thereafter and (3) \$4,200 a year. Present scale is \$25 a day for 120 days only.

Flood Begins

Dozens of new bills— and old bills dusted off—are flowing into legislative hoppers. Already introduced or ready for introduction are measures that would:

TAX GROSS RECEIPTS of manufacturers and importers of manufactured products, by Rep. Jerry Sadler of Percilla, estimated by author to raise \$400,000,000 a year.

REVISE JUVENILE LAWS to allow prosecution of youths, 16 and over, for felonies, by Reps. Joe Ed Winfree, Houston, and Ben D. Sudderth, Gustine.

GIVE REA COOPS the right for 10 years to build and operate lines in an area annexed by a city, to be sponsored by Rep. Alonzo W. Jamison of Denton.

REQUIRE A TWO-THIRDS VOTE of both houses to pass a tax measure, a constitutional amendment proposed by Rep. Bill Jones, Dallas.

CARD OF THANKS

I wish to express my sincere thanks to my many friends and neighbors who were so kind and thoughtful during my recent stay in the hospital and since I have returned to my daughter's home in Ballinger. Your cards, visits, and beautiful flowers were deeply appreciated. May God bless you as my constant prayer. Mrs. V. P. Rice

WSCS Held Monthly Business Session Tuesday Morning

Womans Society of Christian Service held their monthly business session Tuesday morning in the Church parlor with Mrs. Sam Jones, president, presiding.

Mrs. Jones announced that the district meeting of the WSCS will be held in Bangs February 19, at 9:30 with sack lunch scheduled. The annual conference will be held in Brownwood March 17, and World Day of Prayer will be held at St. John's Lutheran Church Friday, February 13, at 2:30 p.m.

Mrs. Jones appointed Mesdames E. L. Craig, Gattis Neely, D. A. Dobbins, W. W. Parramore, H. W. Richardson and Frank Mitchell to serve on the nominating committee.

Mrs. Jones read the WSCS goals and Mrs. Frank Mitchell was program leader. Mrs. Aug Vater gave the devotional taken from Isaiah 2:2-24 closing with prayer. The group sang "Beneath the Cross of Jesus," and Mrs. M. E. Leeman gave the introduction of the current Bible study to be held in Circles during the month of March.

Mrs. Leeman emphasized the importance of the book and Mrs. Parramore commented on the authorship and Isaiah's message as applicable to the twentieth century.

All circles will meet next Tuesday with the Ruth Circle meeting in the home of Mrs. G. W. Comegies at 9 a. m. The Mary Martha Circle will meet with Mrs. Aug Vater at 9 a. m. and the Susie Baker Circle will meet in the church parlor at 11 a. m. for a luncheon.

Brownie Troop 10 Held Regular Meet Monday Afternoon

Brownie Troop 10 held their regular meeting Monday afternoon at the scout hut. The girls went into patrols and began studying the tenfoot requirements, the laws and the Girl Scout promise. Scrapbooks were the main interest and the girls made a trifold for each scrapbook with the Girl Scout emblem in gold glitter to emphasize the promise.

Trail blazing was studied and each girl is to draw a map of the trail from the scout hut to her home. The group decided to take a field trip soon to learn more about trails and nature. The girls will go to one of the leaders home for a meeting to practice and pass the requirements of making beds and setting tables.

Troop No. 7 has volunteered to meet with the troop on February 9, and teach them the flag ceremony. Linda Balke, a senior scout, has volunteered her services to her sister scouts. She will attend the next meeting to teach the girls the song, "Girl Scouts Together."

The date for the investiture service was set for April 20, at the city hall. The leaders asked the girls not to buy uniforms until September. For the investiture ceremony the girls will wear a dark skirt and a white blouse. The families of the girls in Troop 10 are invited to attend this affair.

A Troop 10 "family" weiner roast will be held at the scout hut Friday, March 20, at 7:30 o'clock weather permitting.

Plans were made for crafts which will be in the booth at the Display Show to be held Saturday afternoon, May 16.

All members of Troop 10 were presented and Marsha Hays and Barbara Satterwhite served nibbles.

Roger Babson Discusses:

Predicting the Stock Market Trend Is Impossible Task For Any One

The readers of this column really want to know whether stocks will go up further and, if so, how much further. The fact is that nobody knows and any answer is a mere guess. I, however, am absolutely unbiased in my answer. I have never accepted a commission for the sale of a share of stock or a bond, nor have I ever borrowed a penny!

My Personal Investments

My personal holdings are now about one third in cash, one third in short-term bonds, and one third in a well-diversified list of common stocks. Therefore, whatever the market does is okay with me. Forgive the above personal ref-

erence; but I want to guarantee readers that this week's release is absolutely unbiased.

Moreover, I am not blaming brokers for usually being bullish. They have wages, rents, and private wire costs to pay; and they find that 80 percent of their customers will trade only on the "up side." Therefore, they must be bullish or get out of the business. Magazine writers and radio news commentators know they can get their material accepted most readily by being bullish. Surely the bureaucrats in Washington know they can keep their jobs only by holding their tongues or by being optimists. I do not blame any of

these; they must eat! I merely want my readers to take "with several grains of salt" what they hear and read today about the stock market outlook.

The Law of Chance

Now, what do I know?—Many years ago I took a course at the Massachusetts Institute of Technology which discussed "chance." This was later followed by studies in "Relativity" by Dr. Einstein. Briefly this law of chance means that nothing is fixed, or sure, or certain.

Everything we do must be based upon guesses. The secret of health, happiness, and prosperity is to make the right guesses and then have the self-control and persistence to follow through on these guesses.

Now let us apply this law of chance to the stock market. There is no basis for any banker, broker, or financial writer to tell you that the stock market is definitely going up or going down. Honest, intelligent, and experienced investment advisors will tell you that the chances are 60-50, or 50-50, or 40-60, or 30-70 that the market is going up. They will not hedge or straddle; they can honestly be bullish or bearish. But they will talk in terms of chance and not be imperial.

What About Special Stocks?

I recently asked the president of one of America's ten largest companies why it is so difficult to get him to give an opinion on his own stock. He replied: "Because I know that for every buyer of my stock, there must be a seller. These buyers and sellers know little about my company, yet they determine the price of its stock. But this is not all. The stock goes up when the buyers are more anxious to buy than the sellers are to sell, and vice versa."

The above means that the price of an individual stock depends upon the impatience of the public to buy or to sell it. Impatience truly controls the price of every stock. The total average of this impatience determines the Dow Jones Averages and all the other stock indexes. That is why no IBM or other machine can make a true forecast. Even accountants and statisticians are only morticians, exhuming and dissecting the past. They can only guess as to the moods of the people, which determine whether stocks are going up or down.

In order that readers may not think I am dodging or evading the main question, I will say that the chances are 60-40 that stocks will go down considerably in 1959. Hence, the chances are in favor of those with the patience to wait longer before buying stocks for profit.

LET'S TALK LIVESTOCK

Cattle, Calves Open Week With Advances

By TED GOULDY

Cattle and calves were active and prices were fully steady to stronger. Some sales of cows and calves ruled 25 to 50 cents higher and stocker and feeder cattle and calves were very active at unevenly strong to higher rates. About a dozen loads of fed steers cleared at strong prices.

Good and choice slaughter steers and yearlings sold from \$25 to \$28, the higher figure for some handy-weight heifers. Medium and lower grades sold from \$18 to \$25. Fat canners and cutters drew \$14 to \$19, a few shells under \$14. Bulls sold mostly from \$18 to \$23.50 for slaughter purposes, with odd head to \$24. Some lightweight stocker bulls sold to \$28.

Good and choice slaughter calves bulked at \$25.50, and fancy light weights were quoted to \$30. Medium and plain butcher sorts sold from \$22 to \$25, and cull and common sorts sold from \$17 to \$22.

Good and choice stocker steer calves drew \$30 to \$33.50, and heifer calves of comparable kinds sold from \$30 down. Stocker steer yearlings ranged from \$30 downward.

Hogs Hold After Slow Start Monday

Hogs opened 25 cents or more lower and closed about steady with the close last week. Choice butcher hogs ranged from \$17.25 to \$17.50, a few to \$17.75, with weights at the top prices usually falling in the 195-240 pound bracket. Pigs weighing from 130 to 155 pounds sold at \$15 to \$16.50. Sows sold from \$13 to \$15.

Sheep, Lambs Open in Strong Trade

In the sheep division, trade was fully steady to strong and spots were unevenly 25 to 50 cents higher, quality considered, on both slaughter and feeder lambs. Good and choice slaughter lambs drew \$16 to \$17, both woolled and shorn lambs achieving the top figure. Good and choice feeder lambs cashed at \$16 to \$18, the top figure on some over 90-pound lambs which carried a percentage of ewes. Yearling and two-year-old muttons sold at \$13 to \$15. Slaughter ewes and goats ranged from \$7.50 to \$8.50.

Stocker Sale Schedule At Fort Worth Set

Special stocker and feeder cattle sale dates were announced for the Fort Worth Livestock Market

by Manager Ted Gouldy of the Market Institute, this week, and for the first time in more than 30 years the cattle will be offered for sale by auction in some of these events.

In the 1920's a series of special stocker sales at the market were staged and in these events the cattle were sold by auction and by private treaty. Since that time trading has been all at private treaty on the yards at Fort Worth except for horses and mules.

Gouldy reported, "At a meeting of the Board of Directors of the Fort Worth Market Institute, dates and rules for the special stocker and feeder sales for 1959 were discussed. It was again pointed out that there had been numerous requests from patrons of these special sales in the past that Fort Worth offer them an auction sale."

"These patrons of the Fort Worth market expressed the view that numerous of their friends and neighbors would like to patronize these special sales but they preferred a special sale by auction. Spokesmen for the Texas Angus Association and the Texas Hereford Association, co-sponsors on some of the events, have informed us that many of their people would like to patronize the sales if we would provide an auction."

"Our members feel that in view of this obvious desire for this type of sale, we should arrange some auction sales for their convenience and use."

First special sale will be held on March 5, 1959. The sale will be open to all breeds and all ages, and will be primarily designed to offer a special market day for the owners of cattle for sale in the early Spring and for buyers seeking replacements for the summer pasture season or feedlot replacements.

Other special sales include three double header shows and sales in co-sponsorship with the Texas Hereford Association and the Texas Angus Association. In these two-day sales the Herefords sell on Thursday and Angus sell on Friday. Each of these two-day sales will also consist of a show and trophies will be awarded the winners in the various classes.

J.O.Y. SS Class Met Recently In Coward Home

J.O.Y. Sunday School Class of the First Baptist Church met recently for their business meeting and social in the home of Mrs. Lillian Coward.

Mrs. Carlos McWright gave the devotional and Mrs. B. T. Shoemaker led in prayer.

A pink and blue shower was given for Mrs. G. W. Sneed and guests registered in a book shaped as a baby book trimmed with lace.

Refreshments of decorated cake and coffee were served to Mesdames Carlos McWright, B. T. Shoemaker, J. T. Randolph, Kenneth Sneed, Marvin Seals, Russell Mote, G. W. Sneed, Monroe Boles,

A. L. Coward and a visitor, Mrs. Jack Pierce.

When people begin to praise you to your face, it might be a good idea to begin an investigation of yourself.

Undesirable Brush Is Harmful To Rangeland Plants In Soil District

H. Gieseche, Jr., Chariman of the Runnels Soil Conservation District, stated that there are 127,210 acres of rangeland in the district with ten percent or more brush on it. He said that this was revealed in a recent conservation needs inventory of the district. Undesirable brush competes with our range plants for much needed moisture. It takes 2500 pounds of water to produce one pound of mesquite where as it takes only 500 pounds of water to produce one pound of sideoats grama grass.

James Glynn, of the local Soil Conservation Service, said that a number of brush control methods have been used with varying degrees of success. Some of the methods that have been used are aerial spraying, basal oiling and spraying, mechanical and hand grubbing and rootplowing.

Glynn stated that research data and field experience have shown that the treatment given the land following brush control has a lot to do with the success of the operation. Some of the practices

that should be considered following brush control are range reseeding and a full growing season rest.

Joe B. Wilson, Rt. 1 Winters, and W. A. Mitchell, Rt. 1, Winters, have included brush control, range reseeding and full growing season's deferment in their conservation plan.

Blizzards Lose To Championship Reaching Cisco

By Billy Lynn Little

Cisco's Loboos, reaching for another 7AA championship this year, defeated the Winters Blizzards 70-56 in Cisco Tuesday night.

It seems to be the fate of the Blizzards to catch every team red-hot—the highest any Cisco player had scored in any district contest until now was 14; Tuesday, Randall Hess dropped 18, Milton King, 17, and John Adams, 16.

The only bright spot in the Blizzards loss was Ricky Grissom who hit 30 points—8 field goals, and 14 free throws, raising his district point total to 125 for 5 games. Grissom, now leading the district in scoring, has a season average of 19 points per game. Charles Currey hit 13, holding his season at 13 points per game.

Cisco took the B game 34-30. Winters' Gary Onken hit 14 and Lynn Traylor nailed 7. Martin Green had 13 for the winners.

The key verse to next Sunday's Sunday School Lesson is: "Render therefore unto Caesar the things which be Caesar's, and unto God the things which be God's.—Luke 20:25. The illustration: "There is a place for Christians in politics. When a Christian renders unto Caesar the things that are Caesar's" he does so on the basis that he puts God first.

Wilberforce, a member of the British Parliament, was converted in the evangelical movement of the late eighteenth century. He thought of giving up politics, but by remaining in Parliament he was able to secure the passage of a bill that abolished the slave trade in the British Empire. Courageous Christians can make their influence felt in the political world."

Funeral Services For J. W. Matthews Here Wednesday

Funeral services for J. F. Matthews, 73, longtime resident of Wingate and Shep Community, were held Wednesday afternoon at 2 o'clock in Spill Memorial Chapel. The Rev. Dan Gaines of Abilene officiated and burial was in the Shep Cemetery.

Mr. Matthews suffered a heart attack at his home Monday evening and died enroute to the Bronte Hospital. He had been in failing health for several months.

A native Texan, Mr. Matthews was born April 26, 1884, in Falls County and was married to the former Mrs. Dora Cousins. In 1906, the couple located in the Shep community, where Mr. Matthews farmed. The family moved to Fort Worth in 1918, and lived in Eastland County before moving back to the South Taylor vicinity. They had been living in Wingate for the past ten or twelve years, where Mr. Matthews was caretaker of the Wingate Cemetery until two years ago when his health began to fail and he retired.

He was a member of the Baptist Church and the Winters Odd Fellows Lodge.

Survivors include his wife, two daughters, Mrs. Gracie Foster of Tulare, California and Mrs. Oma Lee Kline of Corpus Christi; two step daughters, Mrs. Euta Homer of Red Wood City, California and Mrs. Cecil Brook of Corpus Christi; two sons, W. F. Matthews of San Angelo and Chester Matthews of Andrews, two sisters, Mrs. Pink Self of Shep and Mrs. Sam Self of Goldthwaite; twenty-two grandchildren and several great grandchildren.

A son, Jack, passed away eleven years ago and another son, J. F. died in early childhood.

Palbearers were Ed Kinard, Rube Guin, Leck Byrd, Leon Walker, Homer Foster, Jim Patton, Jack Patton and Duncan Hensley.

Mrs. Earl Dorsett New President of Triple Four Club

Mrs. Earl Dorsett was elected president of the Triple Four Club at a meeting held Friday evening in the home of Mr. and Mrs. Truett Billups.

Other officers elected were Mrs. Jesse Wetzel, vice-president; Mrs. James Glenn, secretary and treasurer and Mrs. Charles Chapman, reporter.

Red rosebuds were featured on foursome tables and games of forty-two were played after a dessert course was served.

Mr. and Mrs. M. D. Johnston were welcomed as new members.

Those present were Dr. and Mrs. J. W. Dixon, Messrs and Mesdames Jesse Wetzel, Earl Dorsett, Grover Davis, James Glenn, E. R. Little, J. W. Bahlman and M. D. Johnston.

Brownie Troop No. 1 Made Comic Books At Meeting Friday

Comic books were made by members of Brownie Troop No. 1 when they met at the Scout Hut on Friday afternoon for their weekly session. Mrs. Walker Tatum and Mrs. R. G. Cooper directed the meeting.

A beautiful red satin heart outlined with lace and inscribed "To Brenda" was made for the back of the book to be sent to Brenda Wright. During the meeting the girls pasted cartoons on heart shaped pages to complete the book. A similar book will be made for the craft display.

Nibbles were served by Roselyn Massey and Eileen Faubion to Carolyn Blake, Glenda Cooper, Sandra Crockett, Jean Mostad, Kay Lynn Rives, Sandra Reed, Babs Tatum and Mary Lou Wilkerson and the leaders Mrs. Tatum and Mrs. Cooper. Visitors were Mrs. N. L. Faubion and Mrs. J. C. Wilkerson, troop mothers, Rodney Faubion and Jimmy Wilkerson.

FROM S. CAROLINA

Mr. and Mrs. W. J. Morgan of Columbia, South Carolina and their daughter, Marilyn, student of SMU in Dallas, were weekend visitors in the home of Mrs. Carl Henselee and other relatives. Mr. Morgan and Marilyn went to Dallas Sunday and Mrs. Morgan remained for a longer visit with her mother. She joined her family in Dallas Tuesday.

CARD OF THANKS

We want to thank each and every one of the business men and all the wonderful people of Winters who have been so kind and thoughtful during the long illness of my husband. Especially do we wish to thank you for the \$220.10 which was donated to us by the 145 individuals and business houses. May God bless each and every one of you is our prayer. Mr. and Mrs. Loyd Black and son Kenneth. 1tp

Mrs. Roy Young Gave Program at Diversity Club

"Accomplishments of Federation" was the topic of discussion by Mrs. Roy Young when the Diversity Club met in the home of Mrs. Karla Melson last Thursday.

Mrs. Young told the group, "It is interesting to know that the total membership of State Federations is 841,334 and of that number, Texas has a membership of 26,870."

She gave many reasons why every woman should belong to a federated club, and added, "By the strength of cooperation it affords a tremendous force for bringing about those things which all women desire for the betterment of life in their communities, their state and the world."

The new constitution and by-laws were read by Mrs. W. T. Billups, after which a thorough discussion was carried on by other members of the revision committee. The new constitution was unanimously accepted by the club members.

Mrs. C. R. Kendrick, chairman of the nominating committee, presented the names of the new officers for the club and Mrs. W. B. Middleton was re-elected president. Other officers elected were Mrs. Neal Oakes, vice president; Mrs. Clarence Ledbetter, recording secretary; Mrs. Noel Reid, treasurer; Mrs. J. W. Dixon, parliamentarian and critic; Mrs. Sam Jones, federation counselor and Mrs. W. T. Billups, historian.

The club members agreed to participate in the local March of Dimes drive and Mrs. James Glenn was named chairman of the group. Mrs. Z. I. Hale was elected as the club's candidate for "teacher of the year."

Those present were Mesdames W. T. Billups, W. M. Bunger, J. W. Dixon, James Glenn, Z. I. Hale, Sam Jones, C. R. Kendrick, Clarence Ledbetter, M. E. Leeman, John Q. McAdams, Karla Melson, Weldon Middleton, Neal Oakes, Noel Reid, Earl Roach, Loucille Roberts, Fred Young and Roy Young.

Sylvia Schroeder Honored At Gift Tea Saturday

Pre-nuptial courtesy for Sylvia Schroeder, bride-elect of Frank M. Richie, was a gift tea Saturday afternoon in the parlor of St. John's Lutheran Church.

Hostesses for the affair were Mesdames L. R. Hoppe, L. E. Jacob, Charles Kruse Jr., H. A. Minzenmayer, George Pruser Jr., Floyd Sims, Walter Spill, Charlie West, Willis Whittenberg and Misses Minnie Beltz and Estella Bredemeyer.

Mrs. Kruse greeted the guests and introduced the honoree, her mother, Mrs. Erwin Schroeder and Mrs. J. F. Richie, mother of the prospective bridegroom.

The tea table laid with pink linen was centered with an arrangement of pink roses. Mrs. Sims and Mrs. Spill alternated in pouring coffee and tea from a silver service and other table appointments were of silver.

Mrs. Kruse and Mrs. Spill presented the gifts to the honoree. Approximately seventy-five attended.

Cub Scout News

The Webelos held their regular meeting Thursday evening at the scout hut. Charles Yust, assistant leader, was in charge of the opening ceremony with all members taking part. The boys learned how to build a fire without matches. They used flint, and a file to build their fires.

Bill Craven, leader, served refreshments to Rickey Robinson, Mike Hays, David Brown, Charles Yust, and Johnny Craven, a visitor.

Cub Scouts of Den 5 met Monday afternoon and made a tour of the Winters Enterprise, where they saw various printing machines in operation.

Ronnie Reel served refreshments to Doug McSwain, Larry Kelly, Paul Wappler, Jay Davidson, Charles Duncan and den mothers, Mrs. W. C. Reel and Mrs. Floyd Duncan.

The next meeting for the Cub Scouts of Den 5 will be Wednesday afternoon at 4 o'clock at the scout hut.

CARD OF THANKS

I would like to take this opportunity to say thanks for the kindness shown me during my recent illness and stay in the hospital. For the beautiful flowers, gifts, cards and visits I enjoyed so much.

I also want to thank Dr. McCreight, the nurses, Mrs. Traylor and Mose. My parents join me in saying "thanks a million" for everything. May God bless each of you. Reta Fuller. 1tp

Blizzards Drop Game to Scruppy Eastland, 51-49

Eastland defeated the Blizzardards here Friday night in the first overtime, 51-49.

After a see-saw battle in the three minute affair, with 2 seconds on the clock, Jimmy Largent stole the ball and drove in for a Blizzard lay-up—seemingly winning the game. But back down court the officials had called a foul on Buddy Mathes. Largent's bucket was ruled void, and a short moment of confusion resulted while the officials and three Eastland players tried to decide who was fouled. It was finally decided that Otis Green, who totaled 14 points for the night, should have the gift shot. Green sank both shots, and the Blizzardards only had time to pass in before the buzzer sounded.

The score was tied 49-49 at the end of regulation play.

The last 5 points Eastland made were from the charity line.

The Blizzardards' Rickey Grissom nailed 19 points. Charles Currey hit 13 for the Blizzardards, and Larry Hollis dumped 18 for Eastland.

Eastland won the B game 38-27. Joel Butts, Junior Highboy moved up to B team action, hit 8 points for Winters. Jerry Dunn, another Junior High ace, dropped 7. J. Wilson had 12 for the victors.

ATTENDED FUNERAL

T. O. Carroll left Wednesday to attend the funeral of his half-brother, G. W. Townsend, who died at his home in Austin early Wednesday morning. Mr. Townsend farmed in the Franklin community from 1917 to 1930, before moving to Austin. Burial was in Austin.

New License Plates Will Go On Sale In County February 2

New license plates for 1959 will go on sale in all county court-houses February 2, State Highway Engineer D. C. Greer announced today. The plates will be the reverse of 1958's, and will have black letters and numerals on a white background.

Greer stated that four and one-half million motor vehicle registrations were bought by Texans in 1958. "Don't be at the end of that long line. Get your vehicle registered early," Greer urged. "The registration deadline is April 1, but we hope car and truck owners will put on the new plates as soon as possible."

Greer stressed the importance of registering all automobiles and trucks in the home county of the vehicle owner.

"Take your certificate of title and your last year's registration receipt to the tax collector in your home county. Penalty for improper registration of a vehicle can be as much as \$200. Don't risk an illegal registration. Remember, too, that a portion of all registration fees stays in your home county to benefit your local community."

New 1959 license plates for the north end of Runnels County may be secured at the Jno. W. Norman Insurance office in Winters.

Sonic Booms Causing Some Stir In Capitol

By Congressman O. C. Fisher
Those sonic booms, which have broken windows and cracked plaster on walls, are presently receiving top attention by the Air Force and scientists. A joint meeting is being planned which will include Air Force, CAA, and jet manufacturers, to study the problem.

Instead of improving, we are told there will probably be more booms in the future because we are just moving into the supersonic age. Giant B-58s will soon be stationed at Abilene, and that means more booms. And within 10 years commercial airliners will be flying across the continent at supersonic speeds. That means still more booms.

Contrary to popular opinion the boom sound is heard more than one time. It begins when the plane exceeds the speed of sound (at 750 MPH), and a similar shock sound will be heard by all who are within its range as it moved along. In other words, if the plane goes into the supersonic speed at Santa Anna, where the first boom is heard, a similar boom will be heard at Junction seconds later as it shoots its way over the latter city, and another boom from the same plane will be heard at Uvalde minutes later as it moves over that city—assuming it is still maintaining supersonic speed, etc.

ENORMOUS SAVINGS!
WHITE ELEPHANT Sale!

Boys' Knit Shirts
Boys' long sleeve Knit Shirts, Sizes 4 to 12. Special purchase of 198 shirts. Sale price \$1.00 each.

Boys' Flannel Shirts
It's getting to be a sad note when you can't sell a boy's regular \$2.98 flannel dress shirt for \$1.98, but they did not move. So how about tempting you with a \$1.49 price for boys' sizes 6 to 16?

Boys' Biballs
Corduroys or Gabardines. Sizes 1 to 6. These were \$2.98 values, but somehow did not sell. If you want 'em at \$1.00 pair, come in early.

Boys' Outing Pajamas
Regular \$2.98 quality. They didn't sell. We'll be glad to clean them out at \$1.00 each.

Ladies' Short Coats
Most of these coats were bought to be sold as SETS with matching slim jims, skirts, blouses, but the slim jims, skirts and blouses sold out leaving us "STUCK" with these... They were \$12.95—How about taking one off of our hands at \$5.00 each

Ladies' Coats
Here is a group of ladies' all-wool coats that have just about "had it!" We started them at \$19.95 but sales were slow so they were reduced to \$10.00 — We don't know what to do with the balance so how about BUYING one at \$7.99?

Quilted Cottons
Another hot item in piece goods at times; however, it very much looks like we got stuck this time. We picked at least 6 patterns wrong for as for some reason they have not sold. However, we even think that these will sell at 69c yard.

Ladies' Blouses
We don't know what to do with these blouses... we have marked them down two or three times and they are still here... Every time we buy six we still have one left — You might call this a one-of-a-kind sale... You will find values to \$4.95 for only \$1.97 each!

Men's Dress Shoes
We can't wear them all — the patterns are good (we don't know why.) Anyway at \$10.95 we still got 'em. They are here in sizes 6 to 12 and if you can find a pair you will have you can have them for five bucks...

Men's Jackets
Men are getting as style minded as women. They did not take these jackets at \$10.95 (I guess because of style.) For \$5.00 you will get a nice jacket... if you come to Heidenheimer's today.

Women's Hats
Boy are these white elephants or maybe even pink! We are afraid to carry them over till next fall as they might get worse. We had 'em at \$2.98 to \$6.95 but you can now take your pick at 77c!

Men's Suits
We cannot figure how these get so far out of date in such a very few years as most of these are still under school age. We can fit everybody out of this small group but the truth is that the selection is rather "puny." Anyway, these sold as high as \$39.95 and you can now take your pick for \$10.

Woolens
54-inch woolens. These plaids sold slow last year and maybe slower this year. We are getting tired of looking at them. We tried to sell them at \$2.98 and then for \$1.98 but they are still here... If you like them you can have them for 99c per yard during this WHITE ELEPHANT SALE!

Ladies' Dresses
Here are a few dresses that we bought from the best sources we know of — the styles look good to us still but we must have bought too many or something as they are still here — There are dresses that usually will sell up to \$19.95 — Maybe you won't like them either but if you do the PRICE IS RIGHT — \$5.99 each.

Children's Shoes
It's time to wake up — We thought just because they were Red Gooses that they would sell but we were fooled again... We offered them at \$5.95 but for some reason they would not move. How about \$2.99 if you are bargain minded...

Cannon Fitted Sheets
We "goofed" again on this one. We thought "no iron" was such a magic name that anything would sell if it had the "no iron" label. It is true that these have more permanent whiteness, are odor free and dry faster, but the customer says "who irons sheets anyway!" These are available in 81 x 108 or double fitted and sell most places at \$2.98—They should sell good at \$1.98.

Men's Slacks
They were a terrific item in our after Christmas Sale these 100% wool slacks. You took the best ones but we still have some left if we happen to have your size. In fact we are afraid that we are "STUCK" with these... If you will take a pair or two of the ones that we have left at \$2.99 we will fix the cuff FREE for you...

Boys' Jacket
We selected these fine Car Coats and Suburban Coats from the best makers in the country for our \$9.95 to \$14.95 coats. How wrong we were! Do you want them at \$5.00 each now? In all sizes up to 18.

Children's Flannel Sleepers
The one good item in the whole White Elephant Sale! They were a sell out the last shipment. Sizes 1 to 4, now only \$1.00 pair.

Ladies' Pajamas
Honest to goodness we thought these were good even at \$2.98 but most every person turns up her nose when we show 'em so now we are disgusted too. They are mostly short sleeves and short legs but some long legs included... If they don't sell out at 98c per pair we predict the trash man may get a surprise...
