## HOME TOWN

# Talk

By B. C. THOMAS

New street signs are beginning to sprout along some of Winters' streets, and many houses in town are getting their new numbers, as a result of a concentrated effort by members of the Chamber of Commerce and city officials.

Most of the steel posts have been installed at intersections, and all signs have been put up on East Truitt Street. City officials expect the other streets in town to be completely marked within a few days.

Tab Hatler, who heads the committee on the house numbering project, has received the new numbers, and many of them have been put up. There remains a lot of work to be done in re-numbering the houses, according to Hatler, and volunteer help is needed to complete the job.

Regarding the house numbering, there has been some confusion among residents, according to Mayor Harvey D. Jones. A completely new system of numbering is being used, with a new map of the city. Many house numbers have been changed from the number previously used, it was said. The new numbers issued for each house will be the official numbers, city officials said, and the new map has been okayed by the state insurance department.

Volunteer help will be used to put up the numbers, and residents have been asked to indicate the location where they wish the numbers to be put up. Of course, if a home-owner desires to get his own numbers, that will be permissible, the house numbering committee said. Numbers furnished by the Chamber of Commerce are aluminum, individual numbers, to be nailed to the house or structure.

Re-numbering every house in town will be a tremendous undertaking, but with the patience and cooperation of everyone, the job should be completed without too many hitches.

Some months ago, a drive was started to collect money with which to purchase the street signs. The Chamber of Commerce was to furnish some, the City agreed to foot part of the bill, and residents were asked to chip in and help in the project. There are no provisions in the city budget to purchase the signs, according to officials. More money is needed for this project, and now that street signs are finally being put up, it was hoped that residents would begin their donations again to help pay for the markers.

If you haven't helped out with your two dollars yet, you may leave it at the Chamber of Commerce office or the office of the City Secretary.

It was bound to happen! With do-gooders and would-be dictators crusading for controls on what we read, eat and the way we live, it comes as no great shock to read that in Mobile, Alabama, the controllers have put a restriction on the size of heels women can wear on their shoes. We're just waiting for the final regulation—that of controlling the rest of the heels.

Last week we went against the general predictions, and of course it cost us a loss in our football game predictions. We figured Oklahoma just might sneak up on Texas, but the game went the way others had predicted. Out of the other nine games, we ended up with one tie, the Florida - Rice game, which we'll have to call a miss, which gave us eight right out of ten.

Affraid this week's games are going to upset the buggy, though, because the season's getting deeper, and upsets will become more common. But here we go again, for what it's worth:

- Texas over Arkansas.
- Texas Tech over Baylor.
- Tulsa over Hardin-Simmons.
- Houston over Oklahoma State.
- SMU over Rice.
- TCU over Texas A. & M.
- ACC over Howard Payne.
- Oklahoma over Missouri.
- Navy over Miami.
- Air Force over Oregon.

The effects of the three-month-old steel strike are beginning to spread across the country like a cancerous growth, and if the final settlement turns out the way it is really expected, and the steel workers get a big raise and other benefits, we can all expect to start digging into our pockets to make up for the ultimate increase in prices on most products. Meanwhile, many businesses not even remotely connected with the strikers will be damaged. And the public pays the bill.

CAROLYN GOTTSCHALK

## Carolyn Gottschalk To Model At State 4-H Dress Review

Carolyn Gottschalk, daughter of Mr. and Mrs. Carl Gottschalk and Rannels County 4-H club girl, will represent District 7, at the State 4-H dress review in the Women's Building on the State Fair grounds in Dallas. Shows will be presented at 10 a.m. and 11:30 a.m. Saturday, October 17. Miss Gottschalk was accompanied to Dallas by Miss Ollie Chenoweth, Rannels County Home Demonstration Agent.

Registration for the State Dress Review will be held Thursday in Hotel Adolphus and Friday will be spent modeling for judges, posing for pictures, radio recordings, and other dress review activities.

Miss Gottschalk scored 122 points out of a possible 125 at the dress review held at West Texas Fair in Abilene August 5. The girls were judged on the basis of good appearance, planning and construction of their garments and their overall work in 4-H club activities aside from clothing.

Miss Gottschalk will model a red princess wool and nylon sheath completely lined with dyed to match red batiste which won first in District 4-H dress review in Abilene. The dress features a rolled collar which dips into a V in the back, short sleeves and a back vent. Her accessories will be (Continued on page 7)

## D. Waggoner Gave Welcome At Hill Fireman Meeting

D. Waggoner, Chief of Winters Volunteer Fire Department and second vice president of the Hill Country Firemen's Association, gave the welcome at a meeting of the association held Saturday in Brady.

Those from Winters who attended were Mr. and Mrs. Carson Easterly, Mr. and Mrs. Neal Chambliss, Jerry and Celia, Mr. and Mrs. W. D. Waggoner and Bruce, Chief and Mrs. D. Waggoner and Jerry, Mrs. Jerry B. Whitlow, Kay Whitlow and Sandra Griffin.

A business session was held Saturday morning, contests were conducted in the afternoon and a banquet was held Saturday night. The group chose Ballinger as site of the April convention and Eldorado for the fall meeting next October.

Mason Lankford of Arlington, a past president of the Texas Firemen's Association, and now a member of the State Firemen's Pension Committee, was principal speaker during the morning.

Mrs. W. D. Waggoner, president of the Hill Country Firemen's Auxiliary, presided for the luncheon for members of the auxiliary and Mrs. Carson Easterly and Mrs. Jerry B. Whitlow won door prizes at the meeting.

Brownwood was the big winner in the contests. Complete results included:

Six man pumper race—1. Brownwood, 24.8 seconds; 2. (tie) Eldorado and Ballinger, 25 flat; 4. Winters, 26.2.

Three-man pumper race—1. Brownwood, 12.1; 2. Coleman, 12.5; 3. Winters, 13.7.

One-man race—1 Jack Sneed of Coleman 14; 2. Brownwood, 15; 3. Eldorado, 16.2.

Ladies nozzle race—1. Miss Dorothy Piel of Ballinger, 3.8; 2. (tie) Mrs. W. D. Waggoner of Winters, Mrs. Dorothy Carnes of Coleman and Mrs. Marie Mills of Coleman, all 4.

Ladies pumper race—1. Winters, 21; 2. Coleman, 27.5; 3. Eden, 41.8. 4. Mason, 46.

Men's water polo—1. Brownwood, 2. Eldorado.

Ladies water polo—1. Eden. 2. Winters.

Children's water polo—1. Ballinger. 2. Winters.

Those from Winters who participated in the six-man pumper race included D. Waggoner, Bruce Waggoner, Carson Easterly, Neal Chambliss, Jerry Chambliss and Kay Whitlow; three-man race, D. Waggoner, Neal Chambliss and Carson Easterly.

Ladies pumper race included Mrs. W. D. Waggoner, Mrs. D. Waggoner, Mrs. Carson Easterly, Mrs. Neal Chambliss, Mrs. Jerry B. Whitlow and Sandra Griffin; ladies water polo, Mrs. D. Waggoner and Sandra Griffin.

Sandra Griffin and Jerry Chambliss participated in the children's water polo.

### FROM MARFA

Mr. and Mrs. Scott Peevey of Marfa visited Monday with her sister, Mrs. C. P. Alfrey, and Mr. Alfrey.

GOALWARD — Dalton Attaway, Blizzards fullback, plunges through the line for the first Winters counter in the game last Friday against the Colorado City Wolves. At the left, ready to help in interference, is David Burton, No. 62. At right is No. 83, James Williams, end.

## Story Published In Baptist Standard By Charles Poe

"Classmate of George W. Truett" is the title of a feature story, written by Charles Poe, which was published in the October 14 issue of the Baptist Standard. The story is one often told by a local woman, Mrs. Ella Ritch of incidents in her youth when she attended the same school with the late George W. Truett.

The story in part reads, "Although she has seen 91 summers, Mrs. Ella Ritch is as young in heart and gay in spirit as when she attended school with George W. Truett. Mrs. Ritch told the reporter that she was 11 and George was 13 when she first attended the Hayesville academy of North Carolina.

"Our family and the Truettts were long time friends and one of the boys was named for my father, Harvey Davidson," she said. She remembers the entire Truett family spoke clearly and distinctly because the deafness of one of the boys, Charles Spurgeon, who taught himself lip reading.

"She was present when Dr. Truett was converted in the Baptist Church house in Clay County. 'He was a good speaker and debater and even then I recognized a great career was in store for him. The last time I saw George was at an association at the Peach Tree Baptist Church in North Carolina,' she recalls.

Mrs. Ritch, a pioneer resident of Winters, has been a member of the Methodist Church for 38 years and is still active in the work of the church and a regular attendant.

## Bill Minzenmayer Elected Secretary Rannels SC District

The Board of Supervisors of the Rannels Soil Conservation District elected officers for the coming year at their regular meeting Friday. Arthur Eggemeyer was elected chairman, Kirby Robinson, vice-chairman; Bill Minzenmayer, secretary and Jake Presley and H. Gieseche, Jr., members.

The board approved conservation plans number 920, Travis Jordan, Winters, and 921, Charles Halfmann, Rt. 1, Rowena.

The board holds its regular meetings on the second Friday of each month at 2 p. m. at Ballinger. Anyone who would like to meet with the board is cordially invited.

The board also made plans to assist the directors of the Valley Creek Water Control District in holding a series of educational meetings. These meetings will be held at Wingate, October 27; Hylton, November 3, and Valley View, November 10.

## Abilene Man to Speak At Lions Club Oct. 20

Robert Hayes of Abilene, central area chairman of the oil information committee of Humble Oil Co., will speak at the regular luncheon of the Winters Lions Club Tuesday, Oct. 20, it has been announced.

Mr. Hayes will speak on the subject "Who Benefits On Percentage Depletion?"

### IN GERHART HOME

## Billy Howard Injured In Auto Accident

Billy Ray Howard, 28, of Winters, is in Hendrick Memorial Hospital, Abilene, with a compound, depressed fracture of the skull and other body injuries following an accident sometime Tuesday night on the highway north of Winters.

Howard was returning from Abilene where he is employed by the Abilene Glass & Mirror Co., when his car went out of control, narrowly missed a bridge, knocked down two guard posts, and plunged off the left side of the road. The car shot 47 feet through the air from the top of the roadbank, according to officers, before hitting the ground. It bounced up, jumped another 27 feet, across a small creek, and crashed into the opposite bank headon.

The rear of the car settled into shallow water, the front end on the bank, right side up.

Apparently, from the bloody interior of the car, Howard lay in the wreckage for some time, probably unconscious. About 6 or 7 a. m. Wednesday, he managed to crawl back across the creek, and up the bank to the road.

An unidentified motorist found Howard early Wednesday morning, and took him to the Winters hospital. From there he was transferred to Hendrick hospital in Abilene.

The wrecked 1959 Ford left only scanty tracks leading off the highway, and the wreckage could not be seen by passing motorists. When Deputy Sheriff Eskell Powell went to investigate after Howard was found, he said he overshoot the crash scene three or four miles before finding it.

At last report, Howard was doing as well as could be expected, and was considered in good condition.

### FROM ROBSTOWN

Mr. and Mrs. Walter Brian of Robstown are visiting with relatives and friends in Winters.

# Blizzards To Play Ranger Friday Nite

The Winters Blizzards get their feet wet in the District 7-AA poll Friday night when they play host to the Ranger Bulldogs on Blizzards Field.

The Bulldogs will be attempting to pull themselves out of the district cellar Friday night; they have lost three games and won two this year. The Blizzards have chalked up a score of three wins and two losses.

According to pre-game information, the Ranger team runs a pro-type offense, with ends split wide, and a halfback in the slot. They depend on passes a great deal. The Bulldogs' offense is built around the passing and running of 165-pound quarterback Anderson, who was a starter last season. They will field about three returning starters.

## Revival Begins Sunday At Crews Methodist Church

Fall revival services will begin at the Crews Methodist Church Sunday night, October 18, and continue through Sunday October 25, according to an announcement made this week.

Rev. Howard Johnson, pastor, will do the preaching and Will Matthas, long-time resident of Crews, will conduct the song service.

Prayer services will be held each evening at 7 o'clock with preaching and song services beginning at 7:30 and the public is cordially invited to attend.

## Pentecostal Church Begins Youth Revival

Youth revival will begin Sunday night October 18, at 7:30 in the Pentecostal Church of God, according to Rev. William Covey, pastor.

Rev. John Edward Pierce, 17, evangelist of Clifton, will do the preaching and Rev. Covey will conduct the song services.

Prayer services will be held each morning at 10 o'clock and preaching will be held at 7:30 p.m. The public is cordially invited to attend.

## High School First Six Weeks Honor Roll

Sixteen students of Winters High School are listed on the first six weeks honor roll, according to Rodney Cathey, principal.

They are:

Ninth grade: Judy Smith, Jane Matthews, Carolyn Scott, Bernard Adams.

Tenth grade: Marcene Matthies, Bob Shoemaker, Collier Randolph, Jimmy Johnson.

Eleventh grade: Diann Roper, Jean Seals, Cecile Nitsch.

Twelfth grade: Dorretha King, Nancy Roberts, Carol Smith, Edna Mayfield, Toni Johnson.

## Cotton Report

Winters gins showed a total of 1,819 bales of cotton ginned by Thursday morning, according to a check of the three gins, Glenn, Davidson and Citizens.

The two teams have not played the same teams this year, so comparisons of records offer no hint as to the outcome of the game Friday night. However, Winters has been picked to win over the district cellar-bound Ranger team. Ranger is coached by Ace Prescott, in his first year with the Bulldogs.

In a hard-fought game last year, the Bulldogs won over the Blizzards 20-14. In 1957, the Ranger boys won district and bi-district, but were defeated by Winters.

Coach W. T. Stapler's Blizzards have been dogged by injuries all week, which may slow them up in the first district encounter. Jerry Dunnam, quarterback injured an ankle in the Colorado City game last week, and has been unable to work out this week. His presence on the starting lineup Friday night is doubtful.

George Scott, center, has been suffering with bruised ribs, but may see action Friday.

Bruce Waggoner, a substitute line backer, injured a hand in practice this week, and may be out for the game with Ranger. And David Whitley, starting line backer, is hampered by injured knees. It is doubtful if he will play against Ranger.

Even though the rain Tuesday slowed practice, a lot of time has been spent on pass defense, Stapler said. This will be the area of danger in Friday's game, he indicated.

Probable starters for the competition with Ranger are: Grissom and Guy, half back; Attaway, fullback; Caskey, quarterback; Williams and Smith, ends; Mathes and Burton, tackles; Bolden and Dietz, guards. If George Scott center is out of the starting lineup, a complete shakeup will take place to move men into other positions, Coach Stapler said.

Other district competition will see Cisco at Ballinger, and Coleman at Eastland.

## Bank Deposits Show Increase In Six Months

Deposits in the Winters State Bank, as of October 6, show an increase of \$62,691.57 over the deposits as of June 10, 1959, according to the statement of condition, published this week by the bank.

The quarterly bank call indicates the \$3,856,122.79 on deposit in the Winters State bank, on October 6. Deposits on June 10, 1959 were \$3,793,431.22.

The "call for condition" is made in every three-month period by State and Federal banking authorities.

**"European Manufacturers Competing With Each Other For U. S. Business"**

Last night I sat in the lounge of the Grand Hotel with representatives of prominent American corporations who were here in the beautiful city of Stockholm to spend the week end. Their chief subject of discussion was what will happen to U. S. labor as a result of increasing imports from Europe.

**EUROPEAN INDUSTRY**  
Every one of these men is leaving tremendous orders for machine parts which will be sent to the U. S. and assembled into consumer products now being manu-

factured in the United States. They classify all the way from bicycles to motorboats, with automobiles, of course, leading the way. Surely new autos made in the U. S. will not stop the flow of new cars coming from Europe. Today I saw a new Dauphine car selling in Paris for \$835 (with U. S. models priced from about \$950-\$1100). (These are Renault built).

Not only are the European Common Market and Outer Seven countries competing with the United States, but they are compet-

The Ford Falcon, first of America's new-size cars, represents a "breakthrough" in automotive design that may materially alter the future of the automobile industry. The Falcon Ford shown here is more than two feet shorter and three-quarters of a ton lighter than a standard 1959 Ford. Yet, the Falcon is a six-passenger car, with interior roominess approximating that of standard models.

ing with each other to give our U. S. manufacturers both higher quality and lower prices. These European manufacturers pay eighty cents to one dollar per hour for skilled male employees and from sixty cents to seventy-five cents per hour for female employees, who apparently can do the work just as well. Executives who would secure annual salaries of \$25,000 per year in the U. S. receive only about \$5,000 here in Europe. They, moreover, are very able men.

**MORE MODERN MACHINERY BEING USED IN EUROPE**

It is not only a difference of wages, but also of spirit and ambition of the workers and of the models of the machinery used. Recently, I had dinner in Halmstad, Sweden at the lovely home of the Swedish manufacturer of razor blades for the Schick-Edson razor, which I personally use. He is making and wrapping these blades on new high-speed machines not yet introduced in the U. S. Incidentally, I am told that the "Gripsholm," the newest passenger ship now sailing the Atlantic Ocean, was constructed in Italy, furnished in France, all with money raised in Sweden.

**WHAT ABOUT LABOR UNIONS?**  
Many in the U. S. think that Europe has no labor unions. This is not true. All the countries have labor unions and, I am told, this even applies to Russia. The fact also is that the labor leaders who operate these unions are intelligent and reasonable. They are sometimes government appointed. These unions are subject to the same laws and taxes to which the management associations are subject.

The main difference between the European unions and those in the U. S. is that labor leaders and union members in the U. S. appear to have very little interest in

either their employers or the consumers who are to use their products. In Europe these labor leaders and members are anxious for their employers to make fair profits and for the consumers to enjoy their products. This difference is the main reason why U. S. manufacturers are buying so many parts in Europe to put into products to sell in the U. S., and are even making the entire products to sell in Europe and various countries abroad.

**WHAT ABOUT TARIFFS?**

All these U. S. manufacturers who are visiting Europe—at least those whom I meet—are griping against our State Department in Washington. They claim that our State Department is even rude to them, telling them that if they cannot compete with Europe in manufacturing costs they had better "sell out" and "retire from business." Of course, what our manufacturers want is higher tariffs. Our State Department tells our U. S. manufacturers that such higher tariffs would eventually result in World War III.

Large merchandisers such as Sears, Roebuck and Co. are making big profits importing finished household products from all European countries and also from Japan. They want tariffs kept low. They praise our State Department for their present stand. Therefore, my conclusion is that present tariff relations will continue and will result in much more unemployment in the U. S. This, however,

should teach us all a good lesson—both wageworkers and employers; it may be a "blessing in disguise."

**Intermediate GA Held Meeting In Boles Home Friday**

"Come As You Are" meeting of the Girl's Auxiliary of the First Baptist Church was held Friday morning at 9 o'clock in the home of Mr. and Mrs. M. W. Boles.

The lesson on "Hong Kong" was conducted by Mrs. Fredric Poe. Those present were Ann Riddle, Russell Bedford, Gretta Riddle, Patsy Winton, Kathryn Clark, Virginia Sullivan, Betty Shoemaker, Zanette Moore. The leaders present were Mrs. Fredric Poe and Mrs. W. M. Boles.

## Breezes Defeated Bear-Kittens 34-0 Thursday Evening

Winters Breezes 8th grade football team defeated Ballinger's Bear-Kittens 8th grade Thursday evening at Bearcat stadium.

Winters won the toss and Steve Grissom received Ballinger's kick and returned it to their 30 yard line. With nice carries by Wayne Poe and Mike Briley, passed from Adolfo Arroyo to Walter Butler was incomplete. A quarterback sneak by Arroyo, set up Winters first touchdown. The try for extra points failed and Winters was in the lead 6-0.

Ballinger took Grissom's kick on their 20 and made two successive first downs but fumbled the ball on their 44, Mike Mitchell recovered for Winters. In order, Briley, Grissom and Robin Middleton carried to their own 17-yard line. From there, Steve Grissom raked up the touchdown; Poe failed to go over for the two points. Score at the end of the first quarter was 12-0.

Soon after the kick-off, Ballinger fumbled again with a Winters recovery. Grissom and Poe made a touchdown each, but for naught because of Winters' penalties. After a fumble recovered for a gain, the Breezes found themselves on the Ballinger 42 with fourth and three coming up.

Poe, on a nice run, made a first on his 28 and Arroyo accounted for another first on the 12. Poe over tackle made nine yards and there the ball was fumbled with Ballinger taking possession. After failing to make a first, the Bear-kittens attempted a punt which was blocked by Winters and covered on their 8-yard line. Grissom made the touchdown on the next play and Arroyo made a successful try for two points.

A Winters kick to Ballinger went to the 23, Dick Young made an outstanding block. Half-time ended with Ballinger on their 43 and the score Winters 20-Ballinger 0.

The third quarter began with an exchange of kicks. Charles Bahlman made a key block that enabled Poe to haul the ball to the Winters 5. From there, on a lateral that was fumbled, Ballinger took over. On the first play they lost the ball to Winters on the 4 yard line. From that point Arroyo scores and two points were added by Middleton. Now the Breezes led 28-0.

The fourth quarter was highlighted with an exchange of fumbles, nice carries by Grissom, Briley and Middleton and a touchdown by Poe that didn't count because of a penalty. However, the last touchdown was added by Steve Grissom from his 10. Middleton's try for two failed.

The game ended with Ballinger in possession on their 46. Final score Winters 34-Ballinger 0.

This week the Breezes meet Coleman here. The first game of three begins at 5:30 p.m. Thursday.

## Texas Tops States In '59 Farm Income

Texas farmers realized a net income of \$1,001.5 million from farming in 1958, \$474.6 million more than in 1957. Estimates prepared by the Agricultural Marketing Service show that Texas ranks 1st among the states in realized net farm income.

Realized net is the income farm operators have to spend after paying their production expenses.

Average realized net income per farm in Texas amounted to \$3,430 in 1958, compared with \$1,774 in the preceding year. The Texas farm operators ranked 17th among the states in realized net income per farm.

Farm operators in Texas built up inventories of crops and livestock in 1958 by \$46.4 million. When realized net income is adjusted to allow for the change in inventories, the total net farm income of Texas operators was \$1,047.9 million. It was \$719.1 million in 1957.

Cash receipts from sales of farm commodities yielded Texas farmers \$2,372.6 million in 1958 compared with \$1,702 million in 1957. Government payments to farmers totaled \$122.2 million, \$9.5 million more than in the preceding year. The gross farm income of Texas farmers amounted to \$2,684.3 million in 1958, a loss of \$697.7 million from 1957. Gross income includes cash receipts and government payments plus allowances for the value of food and fuel produced and consumed on the farm and the rental value of the farm dwelling.

Production expenses of Texas farm operators rose from \$1,459.7 million in 1957 to \$1,682.8 million in 1958. Production expenses are subtracted from gross income to obtain realized net income.

### Local Garden Club Members Attended District Convention

Representing the Winters Garden Club at the District 8 Garden Club fall convention in Abilene last Thursday were Mesdames C. W. Maves, delegate; Mrs. O. D. Bradford, District 8 second vice-governor; Mrs. A. W. Libbe, acting local president in the absence of the president, Mrs. Floyd Sims; Mrs. Arrie Sharp, Mrs. John Minzenmayer and Mrs. J. B. Gladden.

Mrs. Libbe reported at the meeting the Winters Garden Club had purchased 100 of the plant directories for this territory.

Mrs. Frank G. Harmon of Dallas, state president, addressed the approximately 240 women. She told the group "When you increase the beauty of your city and neighborhood, you reflect beauty and courage in your looking glass."

Mrs. Harmon told of the headquarters building in Fort Worth for the Texas Garden Clubs, Inc., which will be ready for use in November.

Mrs. George A. Stephen of Abilene, district governor, presided

and called for reports from the 18 district committee chairmen. Mrs. Henry Horn of Del Rio, first vice governor of District 8, reported on the National Convention to be held in Houston in May.

Mrs. O. D. Bradford of Winters announced future convention dates. The Sweetwater Garden Club will host the spring district meeting March 22; the 1960 fall meeting will be held in Ozona, date to be announced later. The 1961 spring meeting will be in Coleman with the Coleman Garden Club, Town and Country Club of Coleman and Mountain City Club of Santa Anna as hosts.

Mrs. Dora Smith of Abilene, club program chairman of district also gave her report.

The state convention will be held in Dallas in April and the National Convention in Houston in May 1960. For that session District 8, will be in charge of a luncheon, "Down Mexico Way."

#### RECEIVES PROMOTION

Lee Roy Mosley, formerly of Winters, has been appointed regional manager of CIT in New York, where he will have charge of about twelve districts. He is the son of Mrs. Homer Mosley of New York, and the late Homer Mosley of Winters, and a nephew of Mrs. Joe Baker of Winters.

### Amusements Coming to Local Theatres

"THE FIVE PENNIES," After 15 years of film-making, Danny Kaye has found a happy middle ground between comedy and drama by playing both in his new Paramount production, "The Five Pennies," which arrives Sunday, Monday, Tuesday at the State Theatre. In the Technicolor film Danny has an opportunity to combine the serious and the humorous—plus the musical—facets of his talent in a way to make this the most memorable of all his motion pictures.

"The Five Pennies" also stars Barbara Bel Geddes, Louis Armstrong, Harry Gold, Bob Crosby and jazz pianist-leader Bobby Troup. It tells the dramatic, personal story of famed cornetist "Red" Nichols, and it recreates the jazz music popularized by his band, The Five Pennies. The script, by Director Melville Shavelson and Producer Jack Rose, gives Kaye the opportunity to play poignant drama when tragedy strikes his family; to sing tricky lyrics as only he can; and to do his inimitable dance and comic routines.

#### "SOME CAME RUNNING,"

With Frank Sinatra, Dean Martin, Shirley MacLaine, Martha Hyer, Arthur Kennedy and Nancy Gates heading a topflight cast, "Some Came Running," the best-selling novel by James Jones, author of "From Here to Eternity," has been brought to the screen by MGM as one of the year's most dramatic motion pictures.

Laid in a small mid-western town of America in the post-war era, the story begins with the return of Dave Hirsh to Parkman, Illinois, after his Army discharge and then depicts what happens to him, to two girls who fall under his spell, and to a varied assortment of other citizens and temporary residents of Parkman.

Frank Sinatra, who won an Academy Award for his portrayal in "From Here to Eternity," plays the new James Jones hero, a man with conflicting personality facets. Dave Hirsh is a writer who has had two novels published but whose lack of commercial success has discouraged him about finishing his third book. He is also a man who likes liquor, fight, gambling and girls.

The two girls who come into his life in Parkman are of widely contrasting natures. Ginny (Shirley MacLaine) is a good-natured, illiterate girl of easygoing morals, who is wildly in love with Dave; Gwen (Martha Hyer) is an instructor at the local college, first drawn toward Dave because of her admiration for his writing, then finding herself against her will in a romantic involvement.

#### "RIDE A CROOKED TRAIL,"

War hero Audie Murphy may well be the world's bravest man, but he still trembles whenever a screenplay calls for him to kiss a girl, an assignment he is called upon to execute with enthusiasm in partnership with the Irish-Italian beauty Gia Scala in Universal-International's Color-Cinema-Scope drama, "Ride a Crooked Trail," opening next Saturday at the Fiesta Drive-In Theatre.

Audie, who is cast as an outlaw forced to masquerade as town marshal, has a number of torrid love scenes with Miss Scala, who portrays a light o' love Creole beauty out of Audie's past. And to make things worse for the kiss-timid Audie, he had never even met Gia before the picture began shooting.

Murphy has created for himself a unique place in the annals of outdoor movie adventure dramas with such pictures as "Night Passage," "Kansas Raiders," "The Duel At Silver Creek" and others. But his first important non-Western was one of the most successful and most widely acclaimed pictures ever filmed, the unique accomplishment of having Audie re-enact his own story "To Hell and Back." That was the account of the fabulous exploits that earned Murphy the record of being the most decorated soldier of World War II, receiving 23 decorations and the Congressional Medal of Honor, killing 240 Nazi soldiers and miraculously living through wounds from a bursting mortar shell, an artillery shell and a sniper's bullet.

#### "THESE THOUSAND HILLS"

Pulitzer Prize winner A. B. Guthrie, Jr.'s, mighty saga of the far western frontier, "These Thousand Hills," will receive its local premiere Thursday, Friday, and Saturday at the State Theatre. The Twentieth Century-Fox Cinema-Scope, De Luxe Color production is one of the most authentic Western stories ever filmed and stars Don Murray, Richard Egan, Lee Remick, Patricia Owens and Stuart Whitman.

One of a great Western trilogy by the author, "These Thousand Hills," written for the screen by Alfred Hayes, chronicles the adventures of a young cowboy who drifts into an Oregon town with a huge cattle herd. He stays on to become a respected citizen and finally gambles his position in the defense of a loose woman who befriended him in his early days.

Produced by David Weisbart and directed by Richard Fleischer, the picture casts Murray in the lead role as the young cowman. The part is a marked change in

### Annual Seated Tea For Band Mothers Club Held Tuesday

Mrs. Wes Hays, president, greeted the guests at the annual seated tea for members of the Band Mothers Club Tuesday afternoon at the Band Hall.

The tea table, laid with white damask, was centered with an autumn arrangement featuring a horn-of-plenty. Table appointments were of silver and crystal. Mrs. Kenneth Cook poured coffee from a silver service and Mrs. Wendell Holmes and Mrs. J. E. Smith assisted in serving.

Mrs. Hays presided for a short business session and announced that Mrs. Ray Cowan had been appointed secretary and Mrs. Bill Craven, reporter. Mrs. Wayne Bedford gave a treasurer's report.

Robert Gans, band director, discussed the future of the band and how many students would participate in the organization in years to come.

Approximately forty attended.

result in a net loss to the producer. Such facts lead to the conclusion that the broiler producer is more interested in net profit than in maximum feed conversion. Couch says the average profitable feed conversion for a broiler producer under present optimum conditions should be a three pound broiler produced efficiently for not more than seven pounds of feed.

He adds that there is no question but that the addition of micro-nutrients to feed formulas have made it possible for the broiler producer to obtain the maximum results which are possible under present day conditions.

## Diversity Club Held Meeting In Billups Home

Communication and Community Affairs, was the topic for the program given Thursday October 8, when the Diversity Club met in the home of Mr. and Mrs. W. T. Billups.

Special roll call was given by Mrs. J. W. Dixon on a "City Event." She told of the new post-office opening date and gave a description of the new building.

Reports of the district board meeting which was held in Abilene October 6 and 7, were given by those attending who were Mrs. W. B. Middleton, Mrs. Clarence Ledbetter, Mrs. W. T. Billups and Mrs. Sam Jones.

The Communications Department of the General Federation was discussed by Mrs. Fred Young who stated, "Because communication is such a vital part of

our world today, it is important that all people realize the tremendous impact this media has on our daily lives. We are asked to be more alert as to what is being presented to the public through all forms of communications."

There are five elements which make news—what, where, when, why and who, Mrs. Young pointed out. "Federated Club news is community news and work of local clubs is a part of community life. The importance of radio and TV to our daily life was stressed. They reach into the homes of all races, all faiths, all educational and cultural levels," Mrs. Young said.

Among the hundreds of national and international problems which beset our world today, there is above all one thing which contributes most to the cause of them and that is our failure to communicate to the rest of the world our best image. The importance of Hollywood films on our lives was stressed by Mrs. Young.

It has been said that film has provided massive global com-

## Funeral Rites For Chella E. Coe Held In Plainview Tues.

Funeral services for Chella Elizabeth Coe, three month old daughter of Mr. and Mrs. Benton Coe of Plainview, were conducted Tuesday morning, October 6, at 10 o'clock.

Dr. J. H. Crawford, pastor of

the Plainview First Methodist Church, officiated in the rites at the graveside in Memorial Park.

The baby died Sunday October 4, in a Fort Worth hospital. The parents were enroute to Dallas where they were taking the infant for treatment when she became critically ill at Fort Worth. Lemons Funeral Home was in charge of arrangements.

Besides the parents, survivors are one brother, Colin; two sisters, Suzanne and Nancy; the grandparents, Mr. and Mrs. Joe Ashley of Plainview, former residents of Winters, and Mr. and Mrs. John Coe of Muleshoe.

Mrs. Benton Coe is the former Ruby Nell Ashley.

FROM TEXAS UNIVERSITY  
Gray Gardner, student of Texas University in Austin, spent the week end visiting in the home of his parents, Mr. and Mrs. John Gardner.

Ulcers are caused not so much by what you eat as by what's eating you.

## Blizzards Chill Colorado City 16-12 Friday

By Billy Lynn Little

There's an old saying that you win ball games on extra points and free throws—and the Winters Blizzards certainly proved this to be true as they downed the Colorado City Wolves in C-City Friday night.

The Wolves, coached by former Wintersite Otis Holiday, drew first blood on the initial play in the second quarter, climaxing a 61 yard drive to the Winters one. Quarterback Jay Shimer shoved in for paydirt, and C-City led 6-0. The Blizzards stopped the extra point try, and raged back with a 62-yard touchdown march. Halfbacks Joel Butts and Junior Guy, along with fullback Dalton Attaway, drove to the Wolves' eight yard line.

From there left halfback William Grissom smashed to the 6, and Attaway rumbled to paydirt. The big fullback also crashed over for the all-important two points, giving the Blizzards an 8-6 lead. After a scoreless third quarter, C-City struck again with around 6 minutes remaining in the game. It was Shimer again who put the Wolves in the lead, but once more the extra points try failed.

With about 5 minutes remaining, Attaway took the kick-off out to the Blizzard 46.

Here quarterback Jerry Dunnam took command, highlighting a 54 yard drive with a brilliant bootleg around right end, moving the ball to the Wolves' 4. Guy smacked to the 1, and Dunnam followed the Blizzard line over on a keeper. Attaway again drove for the extra points, and with only a few minutes left, the Blue led 16-12.

The Blizzards best ground-gainer was an off-tackle slant by right halfback Guy, and Attaway's big barrel through the center.

Coach W. T. Stapler unveiled a quarterback almost equal in skill to the fine senior Dunnam, in sophomore Johnny Caskey. Caskey ran the team well during the first part of the game when Dunnam suffered a minor leg injury.

Big Tommy Webb, a 220-pound junior, has done fine work on defense, and Eugene Mathis, a 205-pound freshman, looked exceptionally fine in his starting role.

The Blizzards open district play with a 3-2 record, against Ranger Friday night at Blizzard field.

### Home Town Talk—

(Continued from page 1)  
 With the rank and file working man in better shape than ever before, and conditions increasing all the time, it is a little sickening to hear some of the big labor leaders crying about the "exploitation of the working man" by business.

Our farmer friend, who scratches for a bare living on a red dirt farm on Bluff creek, says he has unionized his operations. That is, he likes to pretend he gets listened to when he complains for higher income. He says he keeps two sets of books on his farming operations. One set is for the actual record; the other is a little game he thought up to save his inflation-crimped pocket. Every time a major strike occurs, like the present steel strike, and an increase in prices results, he adds a theoretical increase to the prices he gets for the farm products he raises and sells. According to that set of books, he has been rolling in profits the past few years.

The only trouble, he said, his wife got to examining the books a while back, and got hold of the wrong set. She immediately took off for town and bought a new kitchen apron. He's had a hard time explaining. Says he's got to stop his little project, or keep his extra set of books out behind the barn.

Members present were Nellie Lacy, Marta Davidson, Nona Davidson, Cecile Nitsch, Sandra Hord, Barbara Sneed, Jean Mayo, Eva Benson, Virginia Foster, Marcene Mathis, Jaye Henley, Diane Buckner, Coulene Riddle, Pat Turner, Pam Bedford, and Mrs. Ed Cheek, sponsor.

### Jane Bryan Honored At Gift Tea Saturday In Hal Dry Home

Jane Bryan, bride elect of Jerrel Walker of Abilene, was complimented with a gift tea Saturday afternoon in the home of Mr. and Mrs. Hal Dry, hostesses were Mesdames H. A. Bryan, Kirby Robinson, Floyd Sims, J. P. Hutton, and Misses Volene Bryan, Patty and Frances Gregor.

Mrs. Dry greeted the guests and introduced the honoree, her mother, Mrs. Laurence Bryan, and Mrs. Leon Walker of Bradshaw, mother of the prospective bridegroom. Miss Volene Bryan registered guests in a white leather

bride's book.

The tea table, laid with lace, was centered with a bridal arrangement featuring a miniature bride and wedding bells. White tapers in crystal holders were at either side. Appointments were of silver and crystal. Miss Frances Gregor served a three-tiered bridal cake and Miss Patty Gregor ladeled punch from a crystal punch bowl. Floral arrangements of white and yellow were used at vantage points throughout the party rooms. Mrs. Rod Chandler showed the gifts.

Approximately forty called during the afternoon.

PARK IN THE SHADE AND TRADE

By Vern Sanford

This is the time of the year when the outdoorsman has to make up his mind whether he wants to hunt or to fish.

Some people are lucky enough to do both—and on the same trip. There is no better time than right now for top-water fishing. Dove season is on, too. Later

there will be ducks and squirrels to add to the list. In some parts of the state there will be deer hunting during a part of the quail season.

So this is that time of the year when the outdoorsman can go hunting and kill his limit of game; go angling and catch his limit of fish; or do both on the same trip. Man, that's living!

As for fishing in fresh water, right now is the time for some good top-water plugging for bass, or bugging for pan fish. Big bass have been playing coy with top-water plugs during the hot summer months. Recent rains, however, have moved in fresh water and more vegetative food for the minnows. As these minnows move along the shore to eat, the bass move in to eat them.

That's the time to toss a top-water plug!

You have your choice of many good top-water lures. They come in all sizes, shapes and colors. You can take your pick.

One thing you must remember, however, is that the bass is the final chooser. If he likes what you toss him, you've caught his fancy and a fish. If he doesn't like it, then all you have is another pretty lure for the tackle box.

Right now a shad or perch-colored lure is just about as good as you can offer. And of course for color there is nothing better than the old, reliable standby of black and white.

The water you fish in may also affect the choice of your lures. For instance, if there is a lot of moss, you'll want something that won't hang. This could be a plug that rides over the top of the moss with the hook up. Or it may be a spoon with a piece of pork chunk.

If you are fishing in moss, use a heavy line—one that is strong enough to pull your plug, and possibly your fish, out of the thick moss.

Moss fishing can pay off, but it is no place for light, monofilament line or a lure with a gang of hooks on the bottom side.

On the other hand, you may be fishing along a log-covered bank or near a sandy point jutting out into the water. Here you will want a good plug of the chuggar-type, or perhaps a cigar-shaped lure with a spinner either fore or aft.

Lay the lure in a good spot, work it slowly, and if there is a bass around he'll likely take it.

Fall bass are better fighters than summer bass. Some of them are right proud of their acrobatics. Fact of the matter is—there's no thrill like a dancing bass.

Of course, you don't have to limit yourself to bass. This time of the year crappie fishing is good, especially with lights at night.

## WINGATE

Mr. and Mrs. Wooley Hall of Matador have been visiting his parents Mr. and Mrs. Daricek of Wingate.

Mr. and Mrs. Leon Adams of Odessa were week end visitors with his parents the Leroy Adams and her parents the Bill Gramms of Winters.

John Green has been a patient in the Winters Municipal Hospital this week, but has returned home.

Mrs. Harvey Medlock and girls came back from Oklahoma this week end to move their furniture there. They had gone there to work a few months ago. While here they visited in the Dud Thomas home.

Mr. and Mrs. C. J. Cornett spent Sunday with her parents Mr. and Mrs. J. E. Virden in the Wilmeth community.

Mr. and Mrs. W. F. Matthews and boys of San Angelo visited in the W. W. Wheat home Sunday afternoon.

With the Tom Holders Sunday were Mr. and Mrs. Roy Holder of Arlington, the Dean Holders and Red Huckabys of Abilene, Mrs. Flossie Kirkland and Sol Doggett.

Mr. and Mrs. Dessie Denson, son of Mr. and Mrs. B. H. Denson of Wingate, are visiting his parents here. They have recently returned from Venezuela and will be stationed in the states now.

And white bass some call 'em "sandies") also like the lights on a fall evening.

There's hardly a lake in Texas today that doesn't have a big white bass population. The limit is 25 per day, and they are fun to catch.

Don't overlook the pan fish. Nearly every impoundment in Texas is overstocked with them. There are all kinds, shapes and colors. Many of them are long enough to interest any fisherman, whether he uses a worm or a popping bug.

Worm fishing, incidentally, is far from being a lost art. You can find that out easily around any fishing pier or floating dock.

Many persons who fish with worms, fish from boats. Usually they fish at the base of trees that are standing in the water, or at brush piles.

There are many baited holes for perch.

Just the other day, at Oak Creek Lodge near Sweetwater, we watched an elderly couple worm fishing from a boat tied up under a big tree. We were told that they kept that hole baited with stale bread or corn shocks, and that they take perch by the hundreds.

Naturally, most floating docks are located over baited fishing holes.

Some fishermen, where shooting on the lake is not prohibited, take along their guns in their boats. When they get to an area where sunflowers cover the bank, they leave their boats and get back into the mesquite brush for doves.

Again, however, permission should be obtained before any shooting is done.

It's not a good idea to take a 22 rifle in the boat. Occasionally, one might be used for shooting a squirrel, or even killing a snake. However, a 22 is dangerous on water and should not be fired where there is any chance of a ricochet.

It must be remembered, too, that nothing makes a fisherman quite as uneasy as a 22 rifle being fired in his vicinity.

With wildlife on the move, on the land and in the water, there is plenty of outdoor activity for everyone. Load the family into the car and enjoy these wonderful fall months.

## Thelma A. Casey Met With Runnels County HD Council

Miss Thelma A. Casey of San Angelo, District 7 Agent, met with Runnels County Home Demonstration Council members and Miss Ollie Chenoweth, county agent, in the courthouse conference room Friday, October 9 at 2 o'clock.

Council officers elected for 1960 were Mrs. Marion Hays, chairman; Mrs. M. R. Petrie, vice chairman; Mrs. Neuman Smith, secretary; Mrs. Archie Wallace, treasurer. Mrs. J. L. Ohlhausen

Walter Johnson of Blackwell and brother of Dee Johnson of Wingate passed away Sunday night and funeral services were held Tuesday.

Mrs. M. T. Hensley was surprised with a sunshine bag this week when several of her friends sent packages.

Laura Henson, daughter of Mr. and Mrs. Bill Henson, had her tonsils removed in the Bronte hospital last week. She has returned home and is doing nicely. Mr. and Mrs. J. W. Allen, Mrs. Hardy Bryan and daughter, Mrs. Elward Rodgers attended church in Abilene Sunday.

Mrs. Medlock and girls of Oklahoma visited in the B. Folsom home this week. The Folsoms visited Laura Henson in the Bronte Hospital this week.

Mary and Ann Sunderman returned to their home in Cleburne after visiting their grandparents, Mr. and Mrs. J. W. Allen.

was appointed council reporter.

Committee chairman elected were Mrs. B. M. Batts, year-book; Mrs. Ed Farley Jr. finance; Mrs. J. L. Ohlhausen, education; Mrs. Alvin Spreen, citizenship; Mrs. Ralph Russell, civil defense; Mrs. Frank Gregor, health and safety; Mrs. Clyde Simmons, recreation and Mrs. William Urganek, 4-H.

Committee chairman gave their annual reports on projects sponsored by the committees. Those of special interest included a program on civil defense given by Mrs. Grace Martin, co-ordinator of Women's Civil Defense, and the education committee exhibit at the West Texas Fair in Abilene. Club presidents also gave their

yearly works report on extension work as presented by Miss Chenoweth and participation in THDA programs.

Council also took an active part in prevailing upon congressmen and senators to enact into law the passage of enrichment of Cornmeal and Grits, a staple food of low income families.

## IN HARTER HOME

Gary Harter, student of the University of Texas in Austin, spent the week end visiting in the home of his parents, Mr. and Mrs. Troy Harter.

You are doing a wonderful job every time you contribute to another's enjoyment and happiness.

**Purpose of New Auto Insurance Law To Make Traffic Violators Pay Bill**

By Vern Sanford

Under the new system worked out by the State Board of Insurance, a driver's auto insurance premiums will be raised or lowered according to his driving record. Each accident or ticket for a moving traffic violation puts a "black mark" on the driver's record and moves his insurance premiums up a notch.

In the congested streets of the larger cities, one wrong move, even if unintentional, often brings a ticket or a crumpled fender or both. In most small towns, the local lawman is not usually too exercised if one of his friends and neighbors makes a U-turn on the main street.

Purpose of the plan is to put the biggest part of the burden for insurance payments on the people who bring on the most damage and expense. People who have a history of numerous traffic violations, according to Department of Public Safety statistics, are the ones who have the most accidents.

It is also hoped, of course, that the plan will encourage careful driving with its cash incentive.

Drivers with no record of an accident or violation for the past three years will get a 20 per cent reduction in their insurance rates. Drivers with one point against them will pay current rates.

Those with from one to five points against them will pay increased rates on a sliding scale, and those with six or more points will pay through the nose—double rates.

Some activities will be very expensive, point-wise. Drunken driving, hit-and-run driving and negligent homicide will cost four points. An accident with damage over \$25 brings two points; running a red light, only one point.

In most cases, the effect of a violation on insurance premiums will hurt the pocketbook worse than the usual fines.

Still At It—For the umpteenth time, Texas' high-powered legal talent has gone to Washington to do battle for the state's tidelands before the United States Supreme Court.

Gov. Price Daniel and Atty. Gen. Will Wilson head the team presenting Texas' claim that it owns the submerged lands for three leagues—or nearly 10 miles—into the Gulf. Federal attorneys argue that the state owns the land only three miles out.

Former Supreme Court Justice James P. Hart and J. Chrys

Dougherty, a former assistant attorney general, also went to Washington to join in the presentation.

Other Gulf Coast states which are "in the same boat" with Texas on the tidelands issue are also participating in the now historic struggle.

Saunders Asks Re-trial — Former Insurance Commissioner J. Byron Saunders is asking for a new trial of the prejury charges against him.

Saunders was convicted in an Austin district court and sentenced to two years in prison. He was accused of having lied to a legislative investigating committee as to why the now bankrupt ICT Insurance Co. paid him \$7,000 while insurance commissioner. Saunders contended the money was payment for his interest in oil royalties on a piece of property he sold the company.

It is the first time in the history of the state that a person has been charged with prejury as a result of statements to a legislative committee. Saunders' attorneys have vowed to take it all the way to the U. S. Supreme Court if necessary.

Panel On Aging—Sen. Crawford Martin of Hillsboro has been named to head the Governor's Conference on Aging.

This group will study problems of elderly people and take the state's report to the 1961 White House Conference on Aging.

Also named by Gov. Daniel to the panel are State Welfare Commissioner John Winters; State Health Commissioner J. E. Peavy; State Employment Commissioner Perry Brown; Dr. C. J. Ruilman, state director of mental health and hospitals; and Jess Irwin, the governor's budget director. Also, Mrs. William B. Ruggles, Herbert Shore and Eldred Thomas, all of Dallas.

Gibbs Re-Called—Joe P. Gibbs has, for the third time, been tapped to join the high command of the State Board of Insurance.

Gibbs was appointed by Gov. Daniel to succeed Board Member David B. Irons who will leave Nov. 1 to join a Dallas law firm. Irons said his resignation was not triggered by the Department's recent difficulties with the Legislature which cut salaries of top officials.

Gibbs served as an insurance commissioner from 1941 to 1952 as an appointee of Govs. W. Lee O'Daniel and Beauford Jester. He served again from 1957 through February, 1958, after Gov. Daniel made appointments to an entirely new, reorganized board.

More Appointments—Other new appointees announced by Gov. Daniel are:

To the State Finance Commission: Lacy Boggess of Fort Worth, W. B. Russell of De Kalb and Walter Taylor of Tuscola.

To the board of Texas Southern University: Dr. W. R. Banks of Prairie View.

To the Seed and Plant Board: Owen Gilbreath and Arthur Young of Lubbock, Emmett Harper of Martindale, Heino Staffel Jr. of Austin and C. B. Godbey of College Station.

As chief justice of the Seventh Court of Civil Appeals, Amarillo: James G. Denton of Lubbock. Howard Davison of Lubbock was named to serve Denton's unexpired term as judge of the 98th district court at Lubbock.

Hospitals, Colleges A-Building—With a new fiscal year begun, state boards and agencies are busy making plans for building programs.
