HOME TOWN Talk

By R. C. THOMAS

Well, the old Fatalistic Fifties have been given the gate, and we face a brand new decade, which may go down as the Sizzling Sixties. You can bet that in Texas, the new year will be sizzling, in the political column. What with the new deadline for filing for public office moved up to Feb. 1, state politicians are straining at the bit, eager to get their names on the dotted line. But so far, in the higher brackets, few have made their plans public. All are waiting for Governor Price Daniel to make his decision about running for re-election. After his announcement, the office seekers will flock to the filing windows like yellowjackets to a honeysuckle vine. The answer as to who will get stung is relative.

All kinds of predictions are being made for 1960. Roger Babson has predicted that in 1960, soap will sell for less, which may mean more soap sold. That's what we need—more soap, and fewer soap operas.

The following is a news item we clipped which had been published recently in the Johnson County (Ind.) News:

"A man about 46 years of age, giving the name of Joshua Copper-smith, has been arrested in New York for attempting to extort funds from ignorant and superstitious people by exhibiting a device which he says will convey the human voice any distance over metallic wires so that he will be heard by the listener at the other end.

"He calls the instrument a 'telephone' which is obviously intended to imitate the 'telegraph' and win the confidence of those who know the success of the latter instrument without understanding the principles on which it is based.

"Well-informed people know it is impossible to transmit the human voice over wires as may be done with dots and dashes and signals of the Morse Code, and that, were it possible to do so, the thing would be of no practical value.

"The authorities who apprehended the criminal are to be congratulated and it is hoped that his punishment will be prompt and fitting, that it may serve as an example to other conscientious schemers who enrich themselves at the expense of their fellow creatures."

Usually steer clear of making New Year's resolutions, but will break the habit and say this: We resolve, that in 1960, we will keep the gas tank on the lawn mower full at all times. It's nerve-wrecking to see the little woman get the monster out ready for us to use only to find the gas tank bone dry.

Regarding the news item above, it was first published in a Boston newspaper about 75 years ago.

We have just returned from a whirlwind 2000 mile trip, which has left us feeling like an unhooked unit on a roller coaster or the end man on a pop-the-whip game. Hit the highways in the midst of all the holiday traffic, and it seemed that the entire United States was on the move. The highways were clogged, and even the turnpikes, built to relieve the congestion, were full.

Will say this, though: Even in the face of predictions of great carnage on the highways, the areas we traveled were free of traffic tragedies—at the time we were on them. We saw few cases of outright disregard for the other people on the highways, for a change.

And a Happy New Year to you all.

IN KING HOME

Those visiting in the Elmer King home during the Christmas holidays were Mr. and Mrs. Buddy King, Diane and Sherry of Fort Worth; Mr. and Mrs. Buck Rogers and son Bobby Wilson, all of Colorado City; Mrs. Ethel Bell, Mr. and Mrs. Melvin Bell, all of Littlefield; Mr. and Mrs. Lenard Phillips, Bob King, all of Winograd and Mrs. Humpt Merks.

IN NICHOLS HOME

Mrs. J. D. Smith of Brownfield, Mr. and Mrs. C. E. Nichols and Charles of Sudan; Dr. and Mrs. E. N. Nichols and Bobby of Lubbock were holiday visitors in the home of Mr. and Mrs. H. M. Nichols.

Mike Jones In Top Twenty-Five Texas U. Students

Mike Jones, 19-year-old son of Mayor and Mrs. Harvey Dale Jones, was among the 25 students chosen as Junior Fellows at the University of Texas. The group includes the top one percent of all University of Texas freshmen.

As a means of identifying early students who have the most capacity for learning, the University selected the first group last spring. Mike was among this group of young intellectuals.

The program is designed not only to identify the most talented students, but also to give them the encouragement they might not otherwise get, said Dr. Otis A. Singletary, associate dean of the College of Arts and Sciences.

About 250 freshman students were selected as prospects for the honors group. They were chosen from high school records and university entrance examination scores.

Seventy-five were chosen for interviews after first semester grades were available.

Jones, who has indicated a desire to go to either Harvard or Yale law school, was one of ten fellows making all "A's" in the first semester. At the end of the spring semester he had 35 hours of "A" on his transcript.

Fellows have been awarded \$500 each in scholarships, half of which is paid by the University, and half provided by the Clark Foundation of Dallas, which has agreed to underwrite the scholarship program for the next two years.

Mike's leadership qualities were recognized in high school where he served as Student Council president. He is a member of the Texas Union Leadership Committee at the University. He was selected to attend a leadership seminar earlier this fall in which problems of both campus and world leadership were discussed.

Jones was valedictorian of his high school class, is a member of Phi Eta Sigma, honorary scholastic fraternity for freshmen men.

Two Business Firms North of Winters Burglarized Sunday

Triple "J" Store and E. E. Vaughan service station, two business firms north of Winters, were burglarized Sunday night. Burglars took approximately \$90 from the two stores.

A total of \$74 was taken from the Triple "J" Store, owned and operated by Buck Matthews and \$17 was taken from Vaughan service station.

The grocery store burglar was discovered about 7 a.m. Monday when an employee opened for business. Officers said a crow bar evidently had been used to pry open the front door. Burglars took \$54 from the safe, which was not locked, and \$20 from Mrs. Matthews purse which had been left in the store.

Vaughan discovered his robbery when he arrived for work about 7 a.m. A crow bar also had been used to pry open a side door and \$17 was taken from the cash register.

No merchandise was taken in either burglary.

Police Chief Lawrence Hennigan and Deputy Sheriff Johnny Wilson said that they believed the two burglaries were committed by the same party or parties.

Wilson discovered Sunday that the Chick Inn south of Winters had been entered and 50 pennies had been taken from the cash register.

Annual Census For Winters Schools To Begin January 1

Census of all scholastics between the ages of six and eighteen for the Winters Independent School District will begin on Friday, January 1, and will end on Saturday, January 30. Children to be included are all children who will be six years of age on or before next September 1, 1960, and who will not be eighteen years of age before next September 1, 1960. This includes all married people, college students, or students in school who will be under eighteen next September and all parents and/or guardians are urged to give the necessary information to the census takers when called upon.

If any parent has not been contacted by January 21, please call PL4-3711 and arrangements will be made for contacting those not counted. Of a special need is the registration of students who will be entering school for the first time and this information is helpful and necessary in planning first grade classes next year. Students must be six years of age on or before September 1 to be counted and will need by September 1, a birth certificate to enter school.

Census trustees for the Winters School District will be Mrs. Violeta Smith, for the west half of the district; Mrs. Marvin Hambricht for the eastern half of the district; and Mrs. Z. B. Morgan, for those living within the city limits of Winters.

IN PUMPHREY HOME

Christmas visitors in the home of Mr. and Mrs. C. M. Pumphrey were their children, Mr. and Mrs. C. A. Lacy and daughter of O'Donnel, Mr. and Mrs. Gene Shields of Corpus Christi, Mr. and Mrs. Burl Dabney of De Leon, Mr. and Mrs. Bill Pumphrey and sons of Fort Worth, Mr. and Mrs. Randall Campbell of Hamilton.

Taxpayer Self-Help Urged By Revenue Service

Taxpayer self-help will again be urged by Internal Revenue Service during the income tax filing period from January 1 to April 15, Arthur E. Fogle, Jr., Administrative Officer of the Abilene office said today.

"Self-help", Mr. Fogle explained, "means that we ask the taxpayer to complete as much of his 1959 return as possible before asking our help. This saves the time of IRS people who, in turn, save taxpayers' money when interrupted from their routine duties of seeing that every taxpayer bears his share of the tax burden.

The Revenue representative revealed that many tax problems can be solved by studying the comprehensive instructions that accompany Federal income tax forms for 1959 or by telephoning the IRS number, OR-4-9146.

"Special taxpayer assistance day is every Monday, from 8:30 A.M. to 12:30 P.M. On that day," Mr. Fogle said, "we have a full crew aboard to give whatever individual or group help is needed."

The IRS office is located 289 Pine Street Abilene, Texas.

Church of Christ To Begin Building Addition in March

It has been announced that the new addition to the building of the Church of Christ in Winters will be under construction about March 1, 1960.

The elders of the congregation, John Curry, R. O. Hood, W. L. Johnson, H. L. Sanders, Mord Tucker, and Bill Wilson, have announced also that the work will be done by Paden Construction Company, with home offices in Cleburne, Texas. Paden Construction is an experienced company which specializes in church buildings and now has over 50 buildings under construction all across the nation. Their policy is to use local labor and buy from local businessmen as much as possible, while capitalizing upon their vast experience in this field.

The new addition, contrary to previous announcements, will be made to the rear of the existing structure, and follow present architectural lines and materials. It will bring the total seating capacity to over 500 in the auditorium, and add about seven classrooms for a total of fifteen classrooms.

IN SMITH HOME

Holiday visitors in the home of Mr. and Mrs. Buck Smith were Mr. and Mrs. B. W. Smith and daughter of Gainsville, Mr. and Mrs. Roy Austin of Mill Valley, California.

IN JEFFREYS HOME

Visitors during the holidays in the R. O. Jeffreys home were Mr. and Mrs. Pat Neil and daughter Kaye of Hereford; Mr. and Mrs. E. B. Caudle, Mr. and Mrs. A. E. Mayfield and children, Karen, Marsha, Randy and Becky, all of Odessa; Mr. and Mrs. Debo of Abilene; Mrs. D. L. Hendricks of Dallas.

Blizzardettes Won Anson Tournament Crown Recently

The Winters Blizzardettes handed Anson girls their first loss in 11 games, 39-34, to take the Anson Tournament Crown recently.

Getting off to a slow start, Winters was behind in the first quarter 5-6, with Rita Walker and Dorretha King leading the way and were ahead 19-10 at half-time.

Anson, trailing throughout the contest, made a desperate final period rally to pull within five points of Winters, but the Blizzardettes defense held as fading seconds turned into a mad scramble for a loose ball.

Winters (39)- Faubion, 3-5-12; King, 4-6-14; Walker, 6-1-13.

Anson (34) Holloway, 0-0-0; Hunt, 6-9-21; Bennett, 6-1-13.

In the first game Winters girls trimmed Cisco, 58-26, behind the 27 point production of Rita Walker. Jim Ned was the next team to fall, 56-42. Carolyn Faubion and Rita Walker were high with 21 points each.

Rita Walker, Lavera Williams and Kay Byrd were picked on the all tournament team.

The Blizzardettes will play in the Trent Tournament January 1-2. They will carry a 14-1 record into play with the one loss being to Anson.

Winners of Home Decor Contest Named Recently

The Rev. B. T. Shoemaker's display of the Bethlehem manger scene won first place in Winters' annual home decoration contest. He is pastor of the First Baptist Church and received an award of \$25.

Albert Meyer's roof scene of Santa, his sleigh and reindeers won second and Winters Rest Home, "Christmas Never Goes Away", won third. Awards of \$15 and \$10 were given for second and third. The rest home is operated by Mrs. L. L. Merrill.

Twelve houses entered the home decoration contest sponsored by the Winters Chamber of Commerce.

Roger W. Babson's

1960 PREDICTIONS

The Enterprise is again publishing Roger W. Babson's Business and Financial Forecast for 1960. The Forecast contains outstanding information and opinion covering such important topics as general business, commodity prices, taxes, trade, labor, inflation, farm outlook, stock market, real estate and politics.

This business and financial forecast for 1960 is called to the attention of readers because it is believed that everyone will find it of inestimable value. Babson, a pioneer in the field of business and financial statistics, enjoys an unusual record of accuracy in his annual forecasts. His score for 1959 was 84 percent accurate. Since 1940, when his score was 76 percent, Babson's forecasts have been over 80 percent correct. His highest percentage was 95 percent for his 1946 forecasts.

American business has no more inspiring personality than Roger W. Babson, internationally-known business commentator and investment adviser. An outstanding feature of his philosophy has been his lifelong insistence on the importance of both religion and advertising in business.

Born and reared in an old-fashioned atmosphere of hard work and hustle on a farm in Gloucester, Babson went to the Massachusetts Institute of Technology. Upon graduating, he turned instinctively to financial and business activities in which his father was engaged. His weekly releases are used by more than 400 newspapers and his financial reports by 20,000 corporations and estates. His research work is carried on by a large staff of experts.

Babson has probably done more than any other man to create among his millions of newspaper readers an interest in simple business problems, and to instill a broader vision in businessmen, enabling them to meet the ups-and-downs of the business cycle.

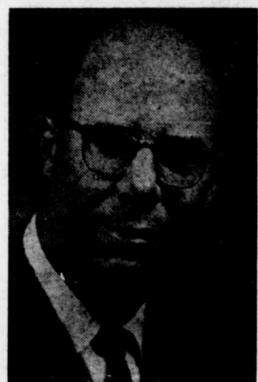

Babson's Business and Financial Forecast for 1960 follows:

1. Naturally, as I am just back from Moscow and Berlin, my first thoughts are what will happen to Berlin in 1960. My answer is definitely, "NOTHING WILL HAPPEN." Mr. K will make no more ultimatums; President Eisenhower will continue his peace talks. Therefore the Berlin situation will be just the same in 1960 and 1961 as it is today.

2. There will be no World War started between Russia and the United States in 1960. This does not mean that such a war will not come within 10 years; but just now neither country is ready for it. I am convinced of this after my recent visit to Moscow.

3. Airplane warfare with the dropping of bombs is a thing of the past. We are turning to rocketry with pinpoint precision. Our expensive air bases may gradually be vacated.

4. Moscow is Mr. K's "pride and joy." It is a beautiful city with broad streets and thousands of new apartment houses. Mr. K does not want it destroyed. Furthermore, he wants a reduction in armaments so that he will have money to raise the standard of living in Russia. I forecast he will

NEW COACH—Howard McChesney, above, is the new head football coach at Hardin - Simmons University. McChesney, 36, succeeds Sammy Baugh who left H-S U to coach the New York Titans of the new American Football League. The new Cowboy mentor graduated from Hardin-Simmons in 1950 after lettering four years each in football and baseball. He served as assistant coach at Winters High School four years, was an aide at Sul Ross one year, and has been on the H-SU coaching staff for four years.

have to do this in order to hold his power.

5. We first feared a "shooting war"; now we are in a "cold war"; but we will soon be in an "educational war." In 1960 the United States will expend far greater effort on education.

6. Along with the effort to improve education during 1960, I forecast that our teachers will be given a minimum salary of \$5,000 and that schools of all states will receive federal aid.

7. I forecast that instead of spending so much money on new school buildings, municipalities will give more attention to discipline, promotions, and sifting, and to the teaching of mathematics, physics, and chemistry in both grammar and high schools.

8. I forecast that some of those who have gone into business will seek teaching jobs, which will be a major force in postponing World War III. School teaching will be a part of our national defense.

9. The Russians are afraid of China, which I hope to visit again in 1960. Hence, I forecast that more friendly relations will develop between China and the United States during 1960.

10. Space travel to the moon is largely for propaganda purposes and to take our minds off of the military phases of rocketry, submarines, and breaking the earth's crust. Only the fear of retaliation will prevent the Russians from starting a world war.

Political Outlook

11. I will now forecast who the Republican candidates in 1960 will be—Nixon and Rockefeller.

12. The Democratic candidates cannot now be forecast. Senator Kennedy thinks he has the nomination "sewed up"; but Johnson and Symington, and even Stevenson, have large followings.

13. I forecast that relations with Russia will become far more important than the question of inflation.

14. The Republican slogan in 1960 will be, "It is always dangerous to swap horses going across a rapid stream." I therefore forecast that the Republicans will have at least a 50-50 chance of success in 1960.

15. In fact, on the basis of their slogan I look for a Republican victory, though with a very close margin.

16. I forecast no reduction in taxes of any consequence during 1960, though with a very close margin.

17. I predict that present defense expenditures will be reduced and the money spent on rocketry, submarines, breaking the earth's crust and education.

18. There will be very little reduction in foreign aid during 1960.

19. I forecast an attempt in 1960 to increase tariffs on goods imported from Germany, Italy, Japan, and other cheap labor countries.

20. I expect 1960 to be a "do-nothing" year for our Congress. Both parties will be working for continued prosperity.

Cost of Living

21. I forecast no substantial reduction in living costs during 1960.

22. The newly imported cheap, low-priced automobiles are here to stay. Their importation cannot be checked.

23. Electric power rates will be lowered in 1960.

24. Clothing should cost less in 1960. In fact, most textiles and plastics will sell for less in 1960.

25. Soap and all forms of washing powder will sell for less in 1960. This applies also to "wonder drugs" and other chemical products.

26. Cost of wooden homes—due to labor—will advance in price during 1960. Cement and modern machinery will displace bricklaying. Hence, there may not be much increase in the cost of building fireproof apartment houses.

buying such homes should depend upon a check from the North every month and not depend upon getting a job in Florida. Even today in Florida one person in ten is over 65 years of age.

Real Estate

31. The price of city real estate will depend upon its parking privileges. Wise municipal officials will pull down old two and three story buildings to make parking lots and municipal garages much more plentiful.

32. The above also applies to suburban real estate. I forecast that new suburban zoning laws will require houses to have vacant adjoining lots sufficient for present and future parking needs.

33. The demand for modern stores and for centrally located apartments will continue to increase during 1960.

34. I forecast that those building a "single" house for their own occupancy will also provide an apartment for rent.

35. I forecast that large commercial farms should be profitable in 1960; but many operators of small farms, not properly located for suburban growth, will sell to some adjoining farmers.

Mike Priddy Named Coleman District F. F. A. President

Mike Priddy, son of Mr. and Mrs. J. F. Priddy and a junior of the Winters High School, was recently elected president of the Coleman District of the Future Farmers of America.

Priddy, who is rated outstanding in vocational agriculture work in high school, is also an active exhibitor of livestock at various shows. He has won many grand and reserve champions with his registered Dorset sheep.

Last year he received one of the most coveted honors in national VA work when he had the grand champion Dorset ram at the Chicago International Livestock Exposition.

Mike also has beef calves, a cotton project, and sudan for pasturing his livestock.

He serves as vice president of the local chapter and is a member of the Junior Livestock Association of which he serves as treasurer and member of the board.

Bill Harman To Run For Re-Election As Commissioner

To the Voters of Precinct No. 3: Dear Friends:

I want to express my sincere appreciation to you for the honor you have bestowed upon me in electing me as your commissioner during my tenure in office and announce to you that I will be a candidate for re-election in the coming election.

It has been a privilege and pleasure to serve you during my tenure of office. I have tried very hard to make you a good commissioner, keeping in mind that my responsibility to our precinct came first. However, it has been my purpose to serve all the people of the county in what ever capacity I could.

During my tenure in office, our county has built more farm-to-market roads than any other county in this part of West Texas. This has been done with the cooperation of the commissioner's court and the Highway Department. I believe that has contributed to the friendly relationship existing between the court and the highway department. I assure you that I will continue to work for improvement of our farm roads and the improvement of our county roads. I shall also strive to keep the county's machinery in good condition, thereby making it possible to maintain our roads in the best manner possible.

The experience I have gained in the administration of the county's road system and its finances will place me in position to serve you better in the future. Therefore I earnestly solicit your vote and influence in the coming election. It is my purpose to see each of you personally however, should I fail to see you between now and election day, please consider this a personal appeal for your wholehearted support.

Yours truly,
Bill Harman

IN CROWELL

Mr. and Mrs. H. L. Speer spent the Christmas holidays in Crowell visiting in the home of Mr. and Mrs. Leon Speer and their daughters Mary Sue and Sherti.

O. F. Henderson, Retired Farmer, Died Sunday

Otis Finis Henderson 78, retired farmer, died early Sunday morning at his home in Winters. He had been in ill health for several months, however, he and his wife spent Christmas with their children in Hobbs, New Mexico. They returned to Winters Saturday evening.

Mr. Henderson was born February 23, 1881 in Johnson County, Texas near Cleburne. In 1903 the family moved to Oklahoma where he farmed until 1913 when the family moved to Taylor County. He was married to Elma Eager on February 7, 1918 in Abilene. The couple lived in Taylor County for several years later moving south of Baird where the family lived until 1947 and they moved to Hamby community. Mr. and Mrs. Henderson moved to Winters on Thanksgiving day of this year.

Mr. Henderson was an active farmer until his retirement last year and also was active in community work. He was a member of the Hamby Church of Christ.

Funeral services were held Tuesday morning at 10:30 in the Hamby Church of Christ with Bobby Key, minister of Miami, Oklahoma, officiating. Jim Wilburn, minister of the local Church of Christ, assisted and burial was in the Hamby cemetery under the direction of Spill Funeral Home of Winters. Pallbearers were George Mims, Jeff Mims, Homer Schrimsher, Cloise Clemmer, Bob Manly and Elbert Key.

Survivors include his wife, Mrs. Elma Henderson of Winters; three sons, Floyd E. of Glendale, Arizona; Otis W. of Hobbs, New Mexico; and Leslie W. of Cortez, Colorado; three brothers, W. N. Henderson of Abilene; G. H. Henderson of El Reno, Oklahoma; and Ernest D. Henderson of Long Island, New York; and nine grandchildren.

Mr. and Mrs. E. G. Bridwell Celebrated Golden Wedding Anniversary Dec. 27

Mr. and Mrs. E. G. Bridwell celebrated their golden wedding anniversary Sunday, December 27, at an open house in the home of Mr. and Mrs. J. B. Whitlow.

Mrs. Whitlow greeted the guests and introduced the honoree's son and daughter-in-law, Mr. and Mrs. Milford Bridwell of Fort Worth. Mr. and Mrs. Keith Bridwell of Fort Worth, grandson of the honored couple, were unable to attend.

Carolyn Nelson presided at the guest book where approximately 120 persons registered.

The tea table laid with bronze linen featured an arrangement of bronze mums in a golden bell. Mrs. Creighton Stanley ladeled the punch and Mrs. W. E. Brown served cake.

Other members of the house-party were Mesdames J. R. Gallaway, W. E. Modisett, Sam Russell, B. J. Emmert, Henry Butts, J. T. Parker, Earnest Haupt, E. J. Nitsch, and O. H. Green.

Mrs. Bridwell, the former Lula Stevens, was born March 14, 1888 in Little Rock Arkansas and came to Collin County when she was 18 months old. Mr. Bridwell was

born March 8, 1884 in Gadson, Alabama and came to Collin County with his parents when he was eight months old.

They both attended the Copeville school and later both families moved to Hunt County. The Stevens then moved to Hobart, Oklahoma and the Bridwells moved to Runnels County in 1906.

The couple was married December 26, 1909 in Hobart, Oklahoma in the home of her parents. They came by train to Runnels County where they farmed until 1917. The couple moved to Denton for three years and returned to Runnels County in 1920 where they have made their home since that time.

Mr. Bridwell farmed until 13 years ago when he became custodian of the Winters Elementary School. They moved to Winters seven years ago.

Mrs. Bridwell has done practical nursing, worked in the school cafeteria for 10 years and assisted Mr. Bridwell for 1-2 years in the elementary building. She retired two years ago. They are members of the First Baptist Church.

Former Residents Celebrated 50th Anniversary

Mr. and Mrs. Everett Moreland of Midland, former residents of Winters, celebrated their 50th wedding anniversary Friday December 25, in the home of their daughter and son-in-law, Mr. and Mrs. Charlie Rumbaugh in Odessa.

The refreshment table at the Rumbaugh home was laid with white linen and centered with an arrangement of gold mums and the numerals "50." A three tiered wedding cake was decorated with white and gold and daughters of the honored couple served dinner.

The couple's family include Mr. and Mrs. J. L. Carroll, San Angelo; Mr. and Mrs. Charlie Rumbaugh; Mr. and Mrs. Travis Moreland, Mr. and Mrs. Wilbert Kuck, all of Odessa, Mr. and Mrs. Clark Moreland, Mr. and Mrs. Jack Ridwell, all of Midland, and seven grandchildren. All children and grandchildren were present for the occasion.

Mr. and Mrs. Moreland were married at the home of her mother, the late Mrs. Pearl Clark. Before her marriage, Mrs. Moreland was Eldean Clark, daughter of the late Mr. and Mrs. Bud Clark, pioneer rancher and farmer of Runnels County. Mr. Moreland came to Winters from Bell County about 1900.

The honored couple have lived near Winters most of their married life. In 1942, they bought a farm and ranch near Midland where they are making their home.

THANKS TO FIREMEN
We wish to express our sincere appreciation to the members of the Winters Volunteer Fire Department for the prompt response in answering the call when our home caught fire recently. Although our home was not destroyed it was badly damaged.

We shall always remember your kindness and efforts in helping extinguish the blaze.

IN HAMBRIGHT HOME
Visitors in the C. H. Hambright home were Mr. and Mrs. M. C. Boynton and Kenneth of Odessa, Mrs. Don Patterson of Fort Worth, A3-C Troyce Hambright, who is stationed at Sheppard AFB in Wichita Falls.

RETURNED HOME
Mrs. Wilford Sanders and girls left Wednesday for their home in Jal, New Mexico after visiting in the Fred Wood home and with Mrs. J. S. Sanders and Elsie Lee.

Former Resident, Family, Injured In Car Accident

Mr. and Mrs. J. C. Eager, Jr., and children, of Lubbock, former residents of Winters, were injured when their car struck the abutment of a bridge near Raton, New Mexico. They received emergency treatment at Rotan and returned Sunday to their home in Lubbock.

The Eager family were enroute to Denver, Colorado Christmas Day to spend the holidays with their daughter, Mr. and Mrs. Charles Wood. Mrs. Wood will be remembered here as Delora Eager.

All of the family received minor injuries and Mr. Eager had his nose and several ribs broken. His wife and one child received minor back injuries and a daughter minor neck injury.

The car was a total loss, according to Mr. Eager, who called his parents here.

Civilization is a movement and not a condition, a voyage, and not a harbor.

Funeral services for Mrs. Grover C. Murphy, 67, of Wingate were held Thursday afternoon at 2:00 o'clock in Spill Memorial Chapel with the Rev. Virgil James, pastor of the Southside Baptist Church, officiating. Burial was in the Wilmeth cemetery.

Mrs. Murphy died Tuesday at 7 a.m. in Winters Municipal Hospital where she was admitted Monday. She had been in ill health with arthritis for several years.

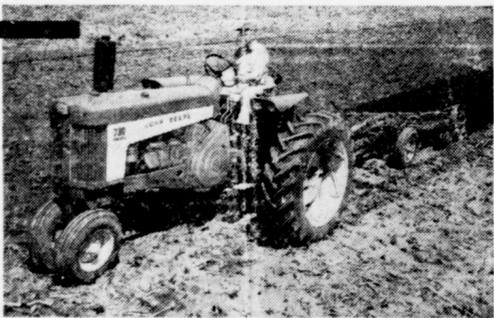

A native Texan, Mrs. Murphy was born Nellie Lee Kelsay on July 23, 1892, in Collin County and moved to Runnels County near Ballinger in 1912. She was married on May 25, 1914 in Ballinger and was a member of the Wilmeth Baptist Church.

Surviving are the husband; three sons, G. W. Murphy of Big Spring, Frank Matthews of Ballinger, and Raymond Matthews of Santo Monica, Calif.; a daughter, Mrs. Ed Phoels of Winters; three sisters, Mrs. Vera Stooksberry of Littlefield, Mrs. Willie Witcher of Littlefield, Mrs. Annie Kisser of Cedar Ridge, Colo.; a brother, Ed Kelsay of Littlefield; 11 grandchildren and three great-grandchildren.

RETURNED TO DALLAS

Helen Love Smith returned Monday to Dallas after spending the Christmas holidays with her parents, Mr. and Mrs. A. D. Smith. Other holiday visitors in the Smith home were Mr. and Mrs. E. L. Stephens, Sherry Faye and Terry Lynn of Stephenville.

Yvette Gibbs of Lubbock was a visitor at the Drasco Methodist services Sunday morning, December 21, the church gave a social at the church and presented gifts to Pastor and Mrs. David Benningfield. Ice cream and cake were served.

A program by the church and Sunday school was given along with a Christmas tree December 20, at the Moro Baptist Church.

Pioneers for Christ is the subject for next Sunday's Sunday School lesson. Illustration, "Jamestown in Virginia is the honored site of the first permanent English settlement in America. When the heroic pioneers landed on the coast, they hung a sail between some trees and with rough logs for benches made an outdoor chapel where they could worship and have a Communion service.

As they built crude huts of sticks and mud, they made one larger building to be their church. Soon after they raised a permanent church of brick. The other early buildings perished, but visitors today can see the partly ruined tower of this original brick church. It is not only a sacred religious shrine, but is an outstanding patriotic landmark, for the first representative legislative assembly in America convened in this church in 1916.

Christian pioneers founded this nation according to what they believed to be the teachings of the Bible. These people made Christianity the foundation of America. Special days next week are for

State Capitol Highlights:

Tax and Tideland Made Some of the Headlines For An Eventful 1959

By Vern Sanford
Texas Press Association
As the year draws to a close, it's hard to look backward for looking forward to what so many are sure will be the "silver-lined sixties."

But 1959 was an eventful year. Some of the biggest Texas headlines centered on these happenings:

SPEAKER'S RACE: Suspense became almost unbearable in a hard-fought, down-to-the-wire speaker's race. Waggoner Carr won a second term, 79-71, over challenger Joe Burkett. Now the race is on again with Reps. Wade Spilman of McAllen and James Turman of Guber contending for the job in '61.

TAX BILL—It took a marathon meeting of the Legislature—from January until August—before agreement could be reached on a \$185,000,000 new tax bill. Lawmakers faced, not only the need to cover a \$2,418,000,000 budget for the 1959-61 biennium, but a dismaying \$65,000,000 deficit.

Biggest bones of contention were two of Gov. Price Daniel's key proposals: the abandoned property tax, which did not pass; and the severance beneficiary tax on natural gas, which did. Three-fourths of the new revenue comes from selective sales taxes. A number of old sales levies, on autos, cigarettes and liquor, were upped. New ones, including furs, jewelry, air conditioners, phonographs, hotel and motel rentals, were added.

SIGNALS CHANGED—Though it was primarily a "tax session," Legislature passed a number of other laws with wide public effect. Political primaries and conventions will be held in May and June, instead of July and August. Boat owners must register their craft, observe certain safety regulations. City firemen and policemen won shorter hours, and city administrative officials grumblingly juggled their budgets to meet the extra cost. Truckers finally passed a bill they'd been pushing for some years to raise the truck load limit from 58,400 to 72,000 pounds.

TEACHER PAY—Question of whether a fourth special session should be called to raise money to increase teachers' salaries was posed but not answered in '59. Governor Daniel said he would leave it to the people to decide. Thus far the decision is not known, except that the governor said if he calls a session, it will not begin until after the Feb. 1 filing deadline for public office.

TIDELANDS—Texas officials went before the U. S. Supreme Court again to fight for state ownership of the tidelands. Texas claims it owns the submerged lands for 10 1-2 miles out. U. S. Attorney General says state ownership extends only three miles. High

MR. AND MRS. TOM O. CARROLL (Photo by Parker)

Tom O. Carrolls Celebrate Fiftieth Wedding Anniversary at Open House

Open house honoring Mr. and Mrs. Tom O. Carroll on their 50th wedding anniversary was held Sunday, December 27, in the home of their son and daughter-in-law, Mr. and Mrs. David Carroll.

Other hosts for the open house were the four daughters of the couple and their husbands, Mr. and Mrs. E. A. Williams of Gruver, Mr. and Mrs. Harry Denges of Vega, Mr. and Mrs. A. H. Edwards of Lubbock, Mr. and Mrs. Royce Gamble of Fort Worth. The couples' twelve grandchildren were also present for the occasion.

Mr. and Mrs. David Carroll assisted their parents in greeting the guests and Alyce Edwards, granddaughter, presided at the register.

The tea table, laid with lace over gold, was centered with an arrangement of white glittered wedding bells and gold mums in a white satin arch trimmed with net ruffles. Appointments were of milk glass. Day Nell Williams and Barbara Edwards, both granddaughters of the honorees, presided at the tea table.

Mrs. Carroll, the former Allie Inman, was born March 28, 1891 in Williamson County and came to Runnels County in 1906 with her parents. Unable to attend public school because of her eyes, Mrs. Carroll entered the blind institute in Austin when she was 11 and attended for six years. Her eyes were treated and she became able to see when she was 15.

Mr. Carroll was born October 15, 1886 in Travis County and moved to Williamson County in 1904. On November 8, 1908, he moved to Winters and hauled freight from Ballinger to Winters with a wagon and team. He says he thinks he hauled enough material by himself to build the town of Winters.

On December 12, 1909, Mr. and Mrs. Carroll drove up to the house of the Rev. J. H. Tyer (first house east of the hospital on Truett Street) and the minister married them while they sat in the buggy.

The couple continued to farm for many years, although Mr. Carroll did other work to help tide them over during a drouth. Working until 2 or 3 o'clock on the

farm, Mr. Carroll would haul gravel with a team until midnight. He has been employed with Sims Oil Company for the past nine years but continues to farm between showers, he says, having raised five bales of cotton on nine acres this year.

He served as trustee of the Franklin school for eleven years and both are members of the First Baptist Church. His hobby is playing dominoes.

Three children of the couple are deceased, two sons, Bennie Lee 6, died in 1919, and Otis, 6, died in 1922. One daughter, Mildred, 13, died in 1934.

Approximately 115 attended the affair and out of town guests were from Sweetwater, Abilene, Midland, Bradshaw, Norton and New Mexico. T. B. Inman of Portales, N. M., only brother of Mrs. Carroll planned to attend but became ill and had to return home.

Jackie Cox Feted At Birthday Party In W. J. Yates Home

Jackie Cox was honored on his seventh birthday at a party Wednesday afternoon in the home of his grandparents, Mr. and Mrs. W. J. Yates.

Games were played and refreshments of cake and ice cream were served to Alton Pierce, Judy and Jay Hodnett, Ronnie and Gary Wilson, Terry, Randy and Brenda Awalt, Jerri Cox and the honoree.

Statewide Conference For County Judges, Commissioners Set

The second statewide County Judges' and Commissioners' Conference is scheduled for Texas A & M Memorial Student Center, February 14-16, 1960. The Texas Agricultural Extension Service and the County Judges' and Commissioners' Association of Texas are again co-sponsoring the conference.

V. G. Young, state agricultural agent, and President C. Y. Johnson, of the sponsoring organizations, point out that the program has been planned to bring specific ideas and methods to those attending in order to aid them in their service to the public. The response from last year's participants, say the leaders, formed the basis for planning the 1960 conference program.

One of last year's most popular presentations was made by Judge J. C. Davis, Jr., assistant attorney general, Austin. He will lead a discussion on the 1960 program covering legislation passed by the 56th Texas Legislature affecting county officials.

Such important topics as the use of herbicides and chemicals for weed and grass control on road right-of-ways; records as a part of a good machinery maintenance program; bond elections and issues; refinancing and appraising and negotiating problems will be discussed.

Another expected highlight of the conference will be a mock land condemnation trial by members of the Attorney General's staff.

Registration for the conference will begin at 1 p.m. on February 14 and the formal program at 8:30 a.m. on February 15. The conferences will have lunch on the 15th with the A & M Cadet corps and the evening program will include a smorgasbord and entertainment by the Singing Cadets. The conference is due to adjourn on the afternoon of February 16.

APPRECIATION

We deeply appreciate the liberal response to our appeal for contributions of toys and books which were collected by the Blue Northern Library Club to be distributed to children at Christmas. Also we wish to express our thanks to the student council for the \$5.00 cash donation.

A total of 115 packages were wrapped and given to children of needy families. The Blue Northern Library Club has decided to make an annual affair of the project. Mrs. Myrtle Frazier, sponsor.

Now Is Good Time For Inspection of Field Terraces

"Now is a good time for inspection and maintenance of field terraces" states James Glynn of the local Soil Conservation Service. He says, "All terraces should have at least one maintenance plowing each year to keep the system effective".

Consideration should be given to the need for building up any low areas in the terrace ridges. These usually occur as a result of settling or from pulling equipment across the terraces when entering or leaving the field. All needed fills should be made before the terraces are plowed for maintenance. The fills can be made with a Fresno or farm scraper. The regular maintenance plowing of the terrace ridge should be performed by back furrowing toward the ridge. This land should be varied each year so that the dead furrows do not fall in the same place.

IN JAMES HOME

Sunday visitors in the home of Rev. and Mrs. Virgil James were his mother, Mrs. Nola James, and his brother, Mr. and Mrs. J. B. James, Linda and Bernice of San Angelo; and Nola Faye Perkins of Fort Worth.

Money cannot buy a clear conscience; square dealing is the price tag.

IN PECOS

Mr. and Mrs. Charles Chapman spent Christmas with Mr. and Mrs. Carter Chapman and Janet in Pecos.

IN SNEED HOME

Jean and Bobby Sneed, students of Texas Tech in Lubbock, spent the Christmas holidays in the home of their parents, Mr. and Mrs. L. Q. Sneed.

TO SWEETWATER

Marie Hill of Wichita Falls, who had been visiting in the home of her mother, Mrs. George C. Hill, left Thursday for a few days visit with Marie Haney in Sweetwater before returning to Wichita Falls.

HOLIDAY VISITORS

Holiday visitors in the home of Mr. and Mrs. J. C. Martin were Mr. and Mrs. Kermit Gebert, Karl, Karen, and Kathy of Prentiss, Mrs. Fred Frost, Wayne, Paul and Mark of Odessa.

RETURNED HOME

Buster Merck, A. O. Merck, Elton Merck, Mrs. L. B. Merck and Mrs. Wayland Scott returned home Monday, December 22 from Tulare, California where they attended the funeral of W. A. Merck.

Amusements Coming to Local Theatres

AT THE STATE THEATRE

"The Blue Angel," Jack Cummings', CinemaScope, De Luxe Color production of the famed story of a wanton night club entertainer who ruins the life of a repressed professor, starring Curt Jurgens, Europe's most sensational leading man, and Swedish beauty May Britt, will have its local premiere on Sunday and Monday at the State Theatre.

The Twentieth Century-Fox release also features Theodore Bikel, noted international actor and popular folk singer in a key role.

Miss Britt, was discovered for American films by Twentieth Century-Fox executive producer Buddy Adler when he saw her in a small role in "War and Peace."

Adler asked director Jean Negulesco to make a test of her in Europe, and on the basis of this test she was given the role of Marlon Brando's love interest in "The Young Lions."

Prior to her discovery, Miss Britt worked as a photographer's assistant in her native Stockholm where she was recruited by Italian Producer Carlo Ponti for a role in a film he was then making.

In all, Miss Britt made eleven motion pictures in Italy before her discovery by Adler. Following her role in "The Young Lions," she played the female lead in "The Hunters."

In "The Blue Angel," Miss Britt emerges as a star in her own right playing the role of a seductress which is expected to launch her as one of Hollywood's top stars. Starring opposite Miss Britt is Curt Jurgens, who made his American motion picture debut in Twentieth Century-Fox's "The Enemy Below," and followed this with a starring role in "The Inn of the Sixth Happiness."

**THE CHURCH FOR ALL . . .
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Psalms	90	1-2
Monday	Psalms	77	13-14
Tuesday	Philippians	2	12-13
Wednesday	John	15	10-12
Thursday	Psalms	1	1-3
Friday	Ephesians	5	1-2
Saturday	Romans	9	35-39

Come January first, you're going to get a present . . . a glorious present of 365 bright, uncluttered days.

What you do with them is largely up to you. Each day of the year is now a blank page in the notebook of your life — and only you can fill it.

Don't clutter up the first page by making a lot of useless resolutions. Instead — spend that time by going to church.

Turn to God the first day of the year, and stay with Him. Put your faith in Him, and in His church. With His help, you can make this year the finest one you've ever lived.

INSURANCE . . . Your Best Protection!

1960 Predictions

(Continued from page 1)

36. Small farms on well-drained land and near enough to a city for future suburban developments should be held. I forecast such farms should some day sell for triple their present price.

37. Seashore property should be held. The government can print more bonds and corporations can split and declare stock dividends to make more stocks; but only God can make seashore property.

38. I forecast that real estate taxes will increase during 1960. Wise are property owners who make their rentals "PLUS ANNUAL TAXES."

39. As the Russians gradually move westward like a glacier, taking ownership of all property, wise people in Europe will sell their present property and businesses and move to the United States.

40. I forecast that revolutions in mining will continue during 1960, and you may find that you are living on a valuable iron deposit, if not on a gold mine!

Investment Outlook

41. For the first time in the 40 years that I have been preparing these Annual Outlooks, I shall not take a position on the Dow-Jones Average for 1960. I am, however, inclined to believe that the stock market in general will hold up at least until after the election. Then there may come a break, whichever party wins the election next November.

42. I forecast 1960 will be the year to buy good bonds. United States Government Bonds yielding 5 percent are a great bargain. Anyone buying them is bound to make money. I also like all non-taxable bonds and also some taxable but convertible bonds.

43. I forecast some chemical stocks will still be a buy in 1960, although they yield little income and are good only as growth stocks.

44. There will be failures by the thousands among those companies now issuing electronics stocks. Electronics issues have become a popular fad. There is also unemployment ahead for many who are now working in electronics factories.

45. I forecast that the stocks of electric power companies, but not those of large cities, will be in greater demand in 1960.

46. Of all stocks, I forecast that United Fruit may be most in demand in 1960.

47. I predict that only a few railroads will be popular during 1960, such as Canadian Pacific, Union Pacific, Northern Pacific, and perhaps Southern Pacific and

Atchison. I am bearish on Pennsylvania Railroad, New York Central, New Haven, and all short lines except for the Norfolk & Western, my "pet gravity road." I also fear a short railroad strike.

48. Failures will continue to increase during 1960.

49. I forecast that the huge national roadbuilding program will give an uplift to business as it progresses.

50. There will be no marked changes in money rates during 1960. Inflation will gradually continue, but may not be serious during 1960.

The best investment policy during 1960 will continue to be a well-diversified portfolio with one third in stocks for possible growth profits, one-third in bonds for safety and income, and one-third in cash in order to have funds available for investment in the severe and sudden drop in the stock market which will come some day.

Conclusion

The three handicaps to American business in 1960 will be increasing installment purchases, the unfair demands of labor union leaders, and President Eisenhower's physical condition. The three hopes for America are our churches, our schools, and our praying parents.

Farm Bureau Urges Members To Observe Youth Power Week

A copy of the official memorandum by Governor Price Daniel has been furnished the office of the Runnels County Farm Bureau with the hope that the proclamation issued by the governor will be endorsed by every member of the county organization.

In the proclamation the governor states, "the health and fitness of our youth, founded upon an adequate understanding of nutrition, is one of our most vital resources."

"An important requisite for a sound body and mind is an adequate, balanced diet composed of nutritive foods available to the public in abundance. The success and energy which characterizes the people of Texas is based in great part on the high quality and diversity of our food supply."

"The youth power Committee of Texas is contributing effectively to the goal of youth development for future leaders by awakening an interest among our teenagers in the importance of good nutrition, proper diet, and better eating habits. This program will be of lasting benefit to all citizens of our state."

"THEREFORE I, as Governor of Texas, do hereby designate the week of January 3-9, 1960 as Youth Power Week in Texas, and urge that this week be dedicated to a stocktaking of the nutritional needs of every family, and further urge that our physicians, nutritionists, educators, youth and civic organizations take special efforts to call public attention to the importance of an adequate, nutritious, and balanced diet to the greater well-being of the people of our State."

Golden Wedding Anniversary Observed By Mr. and Mrs. John Minzenmayer

Observing their golden wedding anniversary, Mr. and Mrs. John Minzenmayer held open house at their home 4 miles southeast of Winters, Sunday afternoon between the hours, 2:00 to 5:00 o'clock.

Mr. and Mrs. Herbert Minzenmayer, Sr., of Ballinger, son and daughter-in-law of the couple assisted in entertaining the guests. Their grandson and his wife, Mr. and Mrs. Herbert Minzenmayer, Jr., of Ballinger and their two daughters were also present.

Johnny, another son of the couple died in January 1941. His two daughters, Jerrie of Austin and Mrs. Vernon Smith of San Angelo and her two small daughters of San Angelo were unable to attend.

Mrs. O. D. Bradford greeted the guests and presented the honored couple, Mrs. Herbert Minzenmayer, Jr. registered approximately 100 friends and relatives who called. Among them were Mrs. Charlie Ernst and Mrs. Minnie Minzenmayer, sister-in-law, who knew the John Minzenmayers before they were married.

The tea table laid in lace featured a three-tiered wedding cake topped with wedding bells. Appointments were of milk glass with gold trim and gold mums, white carnations and Bells of Ireland, sprayed in gold, were used at vantage points in the reception rooms. Mrs. Johnny Wilson, Mrs. Raymond Kurtz and Mrs. Herbert Minzenmayer, Sr., alternated in serving.

Mrs. Minzenmayer, the former Olga Andrae, was born May 17, 1891 in Klein Yena, Germany and came to the United States with her parents at the age of six. The family settled at Pflugerville in Travis County and came to Runnels County in a covered wagon in 1898 and established a home in the Cochran Community where a brother still farms. Her sisters and brothers are Mrs. Martha Sellers, Walter and Bill Andrae

Seventh Year Begins At Winters Public Library in January

January begins the seventh year of operation for the Winters Public Library. To begin the new year there is a reduced price in membership fees. A family membership is ordinarily \$2.00 a year or \$1.00 for six months but all membership cards purchased in the month of January will be half price. Due to the increase in the cost of books the six months membership will be \$1.25 after January.

The library was opened to the public seven years ago with about 900 books of which most were donated by the library in Abilene. When the library was first opened there wasn't any support other than a small membership fee. It was not long until the Literary and Service, Diversity, Home Demonstration and Junior Culture Clubs began to support the library so that it could continue in Winters.

Today the library has 3200 books and last year 300 books were added to the library. One hundred and thirty-two of these books were bought by the library, the Ballinger Public Library recently donated books and other books were donated by clubs and individuals.

Cash donations were recently made by Mr. and Mrs. W. B. Middleton, Mr. and Mrs. Loyd Roberson, Mr. and Mrs. Raymond Lloyd, Mr. and Mrs. Ralph Lloyd, Mrs. W. P. Lloyd, Mr. and Mrs. Roger Robinson. New books were bought with these donations.

The library is open every Thursday and Saturday afternoons from 2 until 5 o'clock.

all of Winters and Albert Andrae of Knox City.

Mr. Minzenmayer was born in Toledo, Ohio August 5, 1883 and moved to Texas with his parents when he was one year old. The family made the trip in a covered wagon, locating in Travis County. He became an orphan when he was 16 years old and traveled from place to place for work and came to Runnels County in 1909.

The couple met at a Fourth of July picnic given on the creek at the Bill Bredemeyer place where they were having a platform dance. Mr. Minzenmayer was working in San Angelo at the time. They were married, December 29, 1909 and have lived at their present farm home for forty-four years which they own.

Both are members of the St. John's Lutheran Church. She is an active member of the Winters Garden Club and her hobby is making quilts. For 20 years she has been giving a rolling pin to each young person who marries and invites her to their wedding. She buys them by the half dozen since it is cheaper.

New State Law On Trailers Does Not Apply to Farmers

Farmers do not have to comply with a new state law requiring title certification on trailers of 4,000 pounds gross weight or more when the trailers are used for hauling their own farm produce to market.

This reminder was given local farmers this week by M. L. Dobbins president of the Runnels County Farm Bureau, who said many law exempts carriers of farm produce.

The law, which was passed by the 56th Legislature during its regular session this year, requires issuance of certificates of title on all trailers having an unloaded weight in excess of 4,000 pounds and semi-trailers with a gross weight of excess of 4,000 pounds. The Texas Farm Bureau was successful in getting an amendment to the law exempting vehicles used by their owners for transporting their own farm produce to market, the county F B leader explained. He said the exemption does not apply when such products are being transported for hire.

The Farm Bureau president said the local county organization has information on the new law, and others passed by the 56th Legislature, in its file copies of the Austin Newsletter, a weekly publication issued by the Texas Farm Bureau legislative department while the Legislature was in session and also in a Legislative Report prepared by the TFB legislative department following the close of the 56th Legislature, regular session.
