

HOME TOWN

Talk

By R. C. THOMAS

Several months ago, Winters, along with several other Texas cities, was included on a "blacklist" by the Mexican Ministry of Foreign Relations. In essence, this inclusion of Winters on the "list" meant that Mexican nationals and persons of Mexican descent, seeking work, would bypass the town. In such instance, it could have caused some added expense and time to farmers during cotton picking time.

We don't know whether the presence of Winters on the "blacklist" caused any trouble locally; if so, such was not brought to our attention. However, Mayor Harvey D. Jones, upon being informed of the position of the city, immediately started working to have Winters removed from the list, and contacted everyone who in any way could have done something about it.

The latest word he received regarding the matter was from the Good Neighbor Commission, Austin, and should close the chapter: It was a letter from Glenn E. Garrett, executive director of the commission, and said, in part, "My latest communication from the Ambassador of the United States in Mexico . . . discloses that your city has been removed from the list in the records of the Mexican Ministry of Foreign Relations."

As we have said, the inclusion of Winters on the "blacklist" may not have caused one iota of trouble or expense to anyone—we have no way of knowing. But the questionable publicity attached was by no means of value to this city. A "couldn't care less" attitude could have had more far-reaching effects than any of us care to guess. However, with a little effort, the matter has been cleared up.

When we first saw Heidenheimer's ad copy this week, we thought someone had maybe popped a cork. They seem to be running down the quality of their merchandise. They call it "Cats and Dogs" or white elephant sale. Items are priced ridiculously low and the descriptions are very unusual. For instance, trying to sell boys' dress shirts, they say "Here is a bargain for the little fellow that does not have anything to say about what he wears anyway." They've warned that if all this stuff doesn't sell, the Winters dump grounds are going to be piled high.

Read the other day about a chap by the name of Sir Edmond Hillary who is in the United States to try to get someone to go to Asia with him to find the "Abominable Snowman." We think he's probably picked the wrong year: everyone's going to be too busy trying to find a presidential nominee.

Speaking of the nomination, we thought that Adlai Stevenson would have announced by this time. Perhaps he's waiting until he gets a hole in his shoe before he goes "on camera" again.

City mail delivery may be a reality in Winters in the Spring. Postmaster Rankin Pace said as soon as the numbering of the houses is completed, the final wheels will start turning to get house delivery here.

The chamber of commerce ran out of numbers, which they were giving to residents, and according to information, more have been ordered.

So you may be able to have your mail delivered to your door in May (?) or June (?)

Pace also said an open house celebration in the new post office building probably will be held sometime in February.

Homemaking Dept. To Be Open On Wednesday, Thursday

Homemaking Department Sewing Laboratory will be opened on Wednesday and Thursday from 10:30 a.m. until 12:30 p.m. Any Adult wishing to sew may use the equipment.

Mrs. Bishop's short cut methods and any other text that the students use will be available. Individual help will also be available for those desiring assistance.

Science Show Scheduled February 4 At Local School; WTU Is Sponsor

"Adventures In Science," the General Electric traveling stage show will be presented at Winters High School on February 4 under the local sponsorship of the West Texas Utilities Company, it has been announced by Homer Hudgins, local manager.

As the successor to the world-famous "House Of Magic" the present "Adventures In Science" show is designed to alert students to the challenges of the space age. Two lecturers from the New York offices are traveling with the show and through the sponsorship of WTU are presenting it to high schools in Winters.

The program is made up of a series of scientific demonstrations showing the progress and development which made possible our entry into outer space and suggests ways in which today's students can take similar advantages of their educational opportunities in order to make similar progress in any field.

It is designed to supplement the work of teachers, guidance counselors and an over-all effort to stimulate and encourage young people to plan for their own careers.

"Adventures In Science" is a part of a continuing program on the part of the West Texas Utilities Company and General Electric to alert students to the importance of thinking about their future.

This year two teams of showmen are presenting this program for high schools in four different sections of the United States and an international unit is appearing

J. D. Jordan Will Be Guest Speaker For TFWC Workshop

J. D. Jordan, area fieldman for Texas Farm Bureau, will be guest speaker for the luncheon following the morning session of District 6, Texas Federation of Women's Clubs Workshop to be held Saturday, January 30, at the First Methodist Church. Members of the Winters Diversity Club will serve as hostesses.

Lectures Begin February 8 At Church of Christ

Annual winter lecture of the Church of Christ in Winters have been planned for February 8 through the 12th with lectures each evening at the building at 7 p.m.

These lectures, to which the public is invited, annually feature outstanding speakers from near-by areas, with a different speaker each night of the five day event. This year speakers are from Coleman, Abilene, San Angelo, Abilene and Lubbock, and all of them will be making their first appearance in Winters.

Among the speakers is Joe Foy, a prominent lawyer in the Southwest with offices in San Angelo, who will close the series with his lecture, "I Am Debtor." Other speakers and their subjects will include Austin Siburt of Coleman, speaking on "Playing in the Marketplace"; Leroy Carver of Abilene, "Every Christian, A Teacher"; Dwain Evans of Lubbock, on "What Does Jesus Mean to You"; and LeMoine Lewis of Abilene, "Grow in the Grace and Knowledge of the Lord." Carver, Evans, and Siburt are all evangelists with Churches of Christ, and Lewis is a teacher in the Bible department at Abilene Christian College where he recently returned after completing his doctorate at Harvard University.

Ballinger Man Is Candidate For Representative

Bill Moore, of Ballinger, has filed his announcement with Homer Hudgins, County Chairman of the Democratic Executive Committee, as a candidate for Representative of this district, it was announced this week.

Mr. Moore will have a formal announcement in all the newspapers of the district next week. He is well known in this section and has served as Mayor of Ballinger for 12 years.

REV. HENRY MAYER

Rev. Henry Mayer Will Speak Sunday At Lutheran Church

Rev. Henry W. Mayer, D. D., Missionary of the American Lutheran Church to India will speak at St. John's Lutheran Church in Winters, Texas on Sunday, January 31st. He will address the Sunday School at the 9:30 a.m. study hour, and bring the message during the worship period beginning at 10:40 a.m.

Dr. Mayer is a graduate of Luther College and Seminary, St. Paul, Minnesota. He and Mrs. Mayer first went to India in 1925. They have three sons, the oldest of whom, Rev. Joel Mayer, is also serving as a missionary in India.

In recognition of his outstanding service as a missionary, Wartburg Seminary, Dubuque, Iowa, conferred an honorary Doctor of Divinity Degree on Missionary Mayer in the spring of 1957. During the years which Dr. Mayer has served as missionary in India he has been active in the organization and development of the South Andhra Lutheran Church, now an indigenous, daughter church of the American Lutheran Mission in India, which has a baptized membership of approximately 13,000. Twenty-one ordained Indian pastors serve the Church's program, along with twenty-two American missionaries including their wives.

Rev. Henry Flathmann, pastor of St. John's Lutheran Church in Winters stated that the public is cordially invited to hear Dr. Mayer when he speaks there Sunday January 31 at 9:30 and 10:40 a. m. a.m.

Farm Bureau To Open Office In Winters Feb. 10

The Runnels County Farm Bureau will open an office in Winters beginning Feb. 10, according to an announcement following the regular meeting of the board of directors Jan. 21.

The Winters office will be located in the Farm Equipment building, and will be open on Wednesdays, the announcement said. The Ballinger office will remain open on Monday, Tuesday, Thursday and Friday. The Bureau secretary, Patti McDaniel, will be in the Winters office to assist organization members.

At the January 21 meeting, M. L. Dobbins, president, discussed the national convention of the Farm Bureau in Chicago. The board accepted the resignation of Freddie Bredemeyer, Winters, as first vice president. Alfred Multer of Olven will assume the duties of first vice president and chairman of the membership committee.

The vacancy of second vice president will be filled by C. L. Howell, Ballinger, who is serving his second term as a director. The vacancy of a director from Precinct 2 will be filled by B. B. Campbell of Hatchell.

Jim Wilburn Speaks In Special Series At Perryton

Jim Wilburn, local evangelist with the Church of Christ, is currently speaking in a special series of lectures with the Church of Christ in Perryton, Texas. The series began Monday, January 25, and is slated to continue through February 3, with Wilburn speaking twice each day.

Mr. Wilburn has spoken in Perryton on several occasions previous to this, and the church there helped to back his work while he spent five years in Wisconsin starting a new congregation there from 1953 to 1958, before returning to Winters. He will also take part in a similar effort in April in Pecos Texas.

Two Students From Winters To Travel With Concert Band

Two students from Winters will be with the Texas Lutheran College concert band when they make their annual tour in January and February.

They are Altus Ueckert, a senior music education major, and Keith Ueckert, a senior pre-theological student. Altus, daughter of Mr. and Mrs. Ellis Ueckert, plays clarinet while her brother Keith plays trombone in the 60-piece concert band which will tour 5 states and perform 15 concerts.

First stop on the tour includes Rosenberg, Jan. 28, while the final concert is scheduled for Cuero, Feb. 7. Other stops include Hamshire, Beaumont, Lake Charles, La. New Orleans, Panama City, Fla., Orange, Ganado, Port Lavac, Refugio, Woodboro, El Campo, and Yoakum.

The band, which has developed into one of the finest small college concert bands in the Southwest under the direction of M. A. Myquist, will make the tour in chartered busses.

Burglars Entered Ray Tire Company Friday Night

Burglars entered Ray Tire Co. Friday night and took several dollars in change, \$7-\$8 worth of stamps, a set of keys and a flashlight, according to Ray Caskey, owner and operator of the company.

The burglary was discovered Saturday morning when Caskey opened the store. He said the burglars entered the building through a window in the southeast corner of the building, which was broken.

The money taken was from a soft drink machine. A roll of three and four cent stamps was also taken.

The burglary was investigated by Chief of Police Lawrence Hennigan, Deputy Sheriffs Johnny Wilson and Eskell Powell.

Mr. and Mrs. Earl Roach were in Dallas last week attending the Furniture Mart and personally selected new merchandise for the Roach Electric and Furniture.

Polio Campaign Is Making Progress

The total amount collected in Winters in the current March of Dimes campaign had not been determined by mid-week, because many different phases of the drive had not been completed and reports made.

Yet to be completed were the collection of the canisters in business houses around town, the coffee money donations, and the Mothers' March.

The Mothers' March was to have been completed Thursday evening, and several businesses have offered the donation of all money received for coffee Saturday. The Main Drug, Smith Drug, Pierce's Cafeteria and the Cowboy Cafe will donate all money spent by customers for coffee on Saturday.

Payne's Laundry will contribute all receipts of January 30 to the March of Dimes.

One thousand balloons were sold between 2 and 5:30 p. m. Saturday netting \$220 for the March of Dimes. Members of the Winters High School Chapter of Future Homemakers of America handled the sale under the direction of Miss Marie Maughan, homemaking teacher.

R. D. Cathey made arrangements for the balloon sale, which was originally scheduled to begin Saturday morning, but was put off until the afternoon because of inclement weather.

Winters Students Receive Commissions At A. & M. Jan. 23

Three students from Winters received their baccalaureate degrees at the January 23 graduation at A & M College. They were Wendell J. Hogan, Agricultural Education; Glynn Dale Hill, Agricultural Educational and Perry Wayne Pierce, Physical Education.

They were among the cadets receiving commissions. Major General Lewis S. Griffing, deputy commander for reserve forces of the Fourth Army, addressed the cadets and also presented the commissions.

Hogan, a son of Mr. and Mrs. M. H. Hogan, was commissioned, second Lieutenant, Armored; Hill, son of Mr. and Mrs. O. C. Hill, second Lieutenant, Infantry.

Among those who were at A & M to attend the commissioning exercises at Guion Hall Saturday were Mr. and Mrs. M. H. Hogan and daughter, Judy, Mrs. James Torrence and daughter, Dorothy of Merkel; Mrs. O. H. Lowery and daughter Darlene of New Home and O. C. Hill.

Wendell Hogan will enter the service March 15 and Pierce, a son of Mr. and Mrs. C. W. Pierce, will begin his teaching career in the Sweetwater School system.

Winters Blizzards, Cisco Loboos, Tied For First Place In District 7-AA

By Billy Lynn Little

The Winters Blizzards, led by Captains Sammy Albro and Jimmy Smith, moved into a tie for first place in District 7-AA Tuesday as they downed the Cisco Loboos 40-38 in what might have been the most thrilling finish to basketball game played in Blizzards yard in recent years.

The Blizzards, set on upsetting the district leading Loboos, led all the way until, with 20 seconds remaining, Cisco's Martin Green dropped two free throws, tying the score at 38-38. The Blizzards brought the ball down hurriedly, and in the turmoil of the moment, lost it.

The Loboos raced back down court. Delbert Schaefer, Lobo high for the night with 11, cut loose with one of his long two-hand-set shots, but was off the mark. The Blizzards came away with the rebound, and only five seconds were left as Albro began a pilgrimage to the opposite basket.

About midway in the back court, as the senior forward made his was up court. Green fouled him. After a brief time-out, Albro and the Blizzards went onto the court.

Walker Tatum is supervising the collection canisters placed in several business houses. The Rev. Leslie Ellison has contacted the drug stores and cafes to make arrangements for the coffee sale contributions.

J. B. Nevins and Ted Meyer are canvassing the business section of Winters in behalf of the March of Dimes.

Homer Hudgins is chairman of the campaign to raise funds in the March of Dimes.

In addition to polio, the National Polio Foundation, to which some of the funds will go, has added research on arthritis and birth defects.

PAT PRITCHARD

Pat Pritchard Announced For Commissioner Pre. 3

To the voters of Precinct 3, of Runnels County: I wish to announce that I will be a candidate for your commissioner.

I know this job is a great responsibility which requires a lot of time. If elected this job will come first and I will do my best to carry out the duties of the office.

I will try to see each and every one of you before the election. If I should miss anyone, please take this announcement as a personal request to each of you for your consideration and if possible your support.

In 1928, at the age of six, Pat Pritchard, with his parents, brother and sister, moved to Runnels County and settled one mile west of Wingate. He graduated from Wingate High School in 1941, and has been engaged in farming near Wilmeth and Wingate since that time with the exception of 3 years he served in the U. S. Navy during World War II. He is 37 years of age.

He was married in 1940 to the former Maxine Heathcott of Wingate. They have 5 children, four of them attending school. One boy and one girl are attending Winters High School and the other two are in the Wingate School system. I will appreciate the vote and influence of each of you.

Pat Pritchard

The big disc on the wall was stopped with less than one second left. Sammy, as relaxed as if he were at a tea party, dropped his two free throws and the game was won.

Throughout the game the upset kept looming as the Blizzards jumped to an 8-4 first quarter lead, stretched it a point to 19-14 at half-time, and gained another point 27-21 at the close of the third period.

Little Jimmy Smith played an excellent defensive game, while dropping in 11 points and making seven of seven free throws. William Grissom led the Blue with 12, and Albro dropped 10.

In the "B" game, Coach Don Edwards' squad defeated Cisco 39-36. Joel Butts led Winters with 13, followed by Roy Buchanan with 10.

Coach Jerry English's boys are now 4-1 in district play, having lost only to Coleman. Cisco is also 4-1.

The Blizzards travel to Ranger tonight (Friday) to do battle with the upset minded Bulldogs. Next Tuesday night is the rematch with the Bearcats in Ballinger, which should prove a crucial game.

ROGER BABSON SAYS—

Wall Street Confused; Showing Fear of Threatened Seizure of Steel Stocks

Wall Street friends of mine who were bullish a few months ago, then later advised caution, now write me that they are "confused."

RUSSIA'S TEMPORARY SUCCESS

People who have visited Berlin, East Germany, Warsaw, and Moscow come back with this feeling:—Although Communism and Mr. K. will probably go out of existence, yet the campaign to gradually eliminate private property is something you should not overlook. All over Europe tendencies in this direction are observed. What is now going on in Cuba is a reflection of what we see in Italy, France, and even West Germany. This tendency is beginning to confuse Wall Street, even the most bullish. They still feel, however, that if the evils of labor unions and inflation could be checked, then 1960 might see even higher stock market prices than have yet been reached.

LAND VS. STOCKS AND BONDS

It is true that in the history of most land seizures and confiscations of tangible property the land has usually been returned to the original owners. But where private property has been confiscated and then covered by large state-owned or municipal-owned apartment houses, as in Warsaw and Moscow, return of the land seems almost impossible. In short, there is a good chance that the sugar lands of Cuba which have been taken from American corporations will be returned to them so long as they remain farm land and are not built upon.

Wall Street, however, does not know whether it would be possible to return to their rightful owners the stocks and bonds which may someday be confiscated. No one knows, as not enough confiscations of stocks and bonds have occurred to provide the answer. A "hedge against inflation" may not be too

hard to obtain; but a "hedge against confiscation" is a much more difficult matter.

1960 STOCK MARKET VERY IMPORTANT

I now see no possibility of such confiscation here; but the very thought of it may be a reason for softening stock prices. The sellers of stocks certainly appear more anxious to sell than the buyers are to buy. This is what the Street calls a technical reaction. The Dow-Jones Industrial Average was about 600 a year ago. It reached a high of 678 in August and another high of 685 on January 5, 1960. Then it began to slide off and is now fluttering around 650. No one knows whether we are yet in a real bear market; but investors should surely sell enough stocks now to get out of debt.

The American people are much like a flock of sheep. When a few leaders jump over a wall, the majority feel obliged to follow. This especially applies to Congressmen, who should be our real stabilizers; too many of them, however, think they must "follow the leaders" in order to be re-elected. For this reason, I sincerely hope that both the stock market and general business will continue good until after the November elections. Otherwise both Republicans and Democrats may make promises which could lead to seizure of the voting power of certain securities. This must be avoided at all hazards.

WHY WAS THE STEEL STRIKE FINALLY SETTLED?

Frankly, it was because of labor's threat to have the Federal Government seize the voting power of the steel stocks. Although confiscation of certain stocks and bonds may come someday, what Wall Street now fears is that union labor may try to force a transfer of the voting power of the big steel, motor, and certain other stocks over to the Federal Government and gain for labor direct representation on the boards of directors. The next step would be the confiscation of the voting powers of the big mutual funds and life insurance companies.

Finally, I ask what will happen to Florida, California, and other states to which retired people are now flocking if our corporations are so handicapped by labor unions and inflated costs that they can make no money with which to pay into pensions? Those who are already retired, of course, have nothing to fear; the corporations have deposited enough money in trust companies to fully protect employees who are already retired. Both insurance policies and insurance stocks should be safe investments. These will be protected by Congress, whoever holds the voting powers of the stocks.

Health Letter

A recent minor outbreak of trichinosis southwest of Austin points out the need for increased attention to this disease among pork loving Texans.

Several persons experienced symptoms of trichinosis, including fever, swelling of the eyes, muscle pains and tenderness, and eosinophilia (the presence of certain cells in the blood).

Specialists from the Laboratory Section of the Texas State Department of Health were called upon for assistance.

After careful questioning to determine whether the victims had eaten pork, plus intensive laboratory analyses of specimens, trichinosis was identified as the cause.

Trichinosis is difficult to diagnose since it resembles other physical disorders such as typhoid fever, meningitis, influenza, and heart trouble.

Studies indicate that many people are infested with trichinae (the tiny worms that cause the disease), but never know it. Laboratory tests of blood specimens taken during illness or convalescence may confirm clinical diagnosis.

The principal way that the disease is transmitted to man is by eating insufficiently cooked meat, mainly pork.

Hogs ordinarily get the parasites from eating raw garbage containing trichinae-infested pork scraps or occasionally by eating rats.

All garbage fed to hogs should be thoroughly cooked and intensive rat eradication programs carried on in hog production areas. However, complete control among hogs seems difficult to maintain.

The only sure way to prevent the occurrence of the disease in humans is to carefully cook all pork products—this includes hams, sausages, and bacon which are not pre-cooked.

A safe rule-of-thumb for preparing pork is to cook it until you cannot see any pink meat. Cook all pork and pork products thoroughly, until the meat is white clear through.

Although not often fatal, trichinosis can seriously debilitate a mature adult and ruin the general health of children or infants. (A weekly feature of the Public Health Education Division, Texas State Department of Health.)

1960 Should Be Good Year To Seed Pastures

This should be a good year to seed pastures, states Bill Minzenmayer, Supervisor of Runnels Soil Conservation District. There is lots of moisture and much of it is stored down deep where it will do the most good, he added.

Grass seed prices are favorable, and considerable progress has been made in the production of seed from desirable adapted grass species, said Cecil L. Drake of the local Soil Conservation Service. Care in preparation of a seedbed, proper planting methods, and good management of the young seedlings will usually result in good stands.

Seedbeds resulting from some degree of soil disturbance are necessary. Pitting, chiseling, mechanical control of brush by tree dozing, or rootplowing accomplish satisfactory soil disturbance. Planting methods will vary with local conditions. Where possible, a grass seed drill should be used. Most rootplowing equipment is equipped with grass seed boxes

which will do the job. As a last resort, broadcasting seed in disturbed areas and in brush piles usually result in fair stands.

All livestock should be removed from newly seeded pastures. These pastures should be deferred for a full growing season or until the grasses are well established.

When selecting your grass seed, take a lesson from nature and plant a mixture. Little bluestem, big bluestem, sideoats grama, plains brome, green sprangletop, Buffalograss, cotton-top and Canada wildrye are found in most of the better pastures in this District. K. R. bluestem and blue panic, though not native to this area, do well here.

MRS. HOMER DANE GRANT JR.

Mary Linda Bunker and Dane Grant Jr., Wed In Candlelight Ceremony Sunday

In a candlelight ceremony at the First Christian Church in Breckenridge, Mary Linda Bunker, daughter of Mr. and Mrs. W. M. Bunker of Winters, became the bride of Homer Dane Grant Jr., son of Mr. and Mrs. Homer D. Grant of Lubbock, Sunday afternoon at 5 o'clock.

The Rev. Alan Lynch officiated for the double ring ceremony. Wedding music was furnished by First Christian Church Choir, under the direction of Robert Poer.

Dennis Atkins and J. Collier Adams, both of Lubbock were candlelighters and Roy Thomas Grimes of Lubbock was best man. Groomsmen were Larry Hanners, Grey Lewis, John Pittman and Herb McCullough, all of Lubbock.

Miss Barbara Bunker of San Angelo, sister of the bride, was maid of honor and Mrs. Sherman A. Maley of Fort Worth, also sister of the bride, was matron of honor. Bridesmaids were Sherre Smith, Abilene; Kathy White, Lubbock; Mrs. Rob Brown, Throckmorton.

The bride's attendants wore identical electric blue satin street-length dresses fashioned with bateau necklines and empire bodices. The bell-skirted gowns featured lantern sleeves accented with tiny bows at the shoulders. Matching electric blue bandeaus completed the ensembles.

Given in marriage by her father, the bride wore an original flower-like gown of bridal taffeta designed with petal neckline and featured cap sleeves complemented by long formal gloves. The princess bodice was enhanced by appliques of Alencon lace re-embroidered with sequins and mock pearls. This same design graced the full skirt, edged in bias folds which formed a chapel-length train. Her veil of silk illusion fell from a lace cap banded in strands of pearls dotted with sequins.

A reception was held in the First Christian Church in Breckenridge and members of the houseparty were Miss Carolyn Dorsey, Lubbock; Miss Peggy Miller, Dallas; Miss Diane Emmons, Breckenridge; Mrs. G. G. Payne, Norman, Oklahoma; Mrs. J. T. Dunlap, Dallas and Miss Sally Miller, La Marque.

For traveling the bride wore a beige herringbone tweed silk suit with honey-colored hat and accessories.

The bride will graduate in May from Texas Tech where she is secretary of the Student Body, past president of Delta Delta Delta. The bridegroom is a 1957 graduate of Texas, past president of Phi Delta Theta and is employed with Lubbock National Bank in Lubbock where the couple will make their home.

MR. AND MRS. JACK HARRISON

Mr. and Mrs. Jack Harrison Observed 25th Wedding Anniversary Sunday

Mr. and Mrs. Jack Harrison observed their twenty-fifth wedding anniversary Sunday January 24, with an open house at their home from 3:30 until 5:30 p.m.

Mr. and Mrs. Guy Turner, Jr., Mr. and Mrs. Earl Sneed, all of Fluvanna; Mrs. Ione Green of Snyder; Mr. and Mrs. W. C. Sneed of Abilene; Mr. and Mrs. Artie Sneed of Breckenridge, brothers and sisters of Mrs. Harrison, served as hosts.

Mrs. P. L. Harrison and the honored couple greeted the guests and Mrs. Ione Green presided at the register.

The tea table, laid with pink net over matching taffeta featured a decorated wedding cake. Other appointments were of silver and

milk glass. Mrs. Guy Turner ladelled punch from a milk glass punch bowl and Mrs. G. W. Sneed poured coffee from a silver. Mrs. Artie Sneed and Mrs. Earl Sneed assisted in serving.

Mr. and Mrs. Harrison were married January 19, 1935 in San Angelo and have lived in Winters since that time.

Mrs. Harrison, the former Gaylene Sneed, was born October 19, 1913 at Wingate, the daughter of C. R. Sneed and the late Mrs. Sneed. She attended schools in Scurry County and Shep. She moved with her parents to a farm east of Winters in 1935.

Mrs. Harrison was employed with Higginbotham Brothers for several years, co-owner of the

Mrs. Hal Dry Elected President of Junior Culture Club

Mrs. Hal Dry was elected president of the Junior Culture Club at a meeting held Thursday afternoon in the home of Mr. and Mrs. Jim Vague. Mrs. Fletcher Graham served as co-hostess.

Other officers elected were Mrs. W. F. Byrns, vice president; Mrs. J. E. Hinds, recording secretary; Mrs. Henry Richardson, treasurer; Mrs. Robert Christian, parliamentarian; Mrs. Fletcher Graham, historian; Mrs. Rodney Cathey, federation counselor.

Mrs. J. E. Roye, vice president, presided for the business session and Mrs. W. T. Billups, club mother, led in prayer. The resignation of Mrs. Robert Christian as club president was read and accepted. Mrs. J. E. Roye, will serve as president for the remainder of the club year and Mrs. Hal Dry will serve as vice president.

Mrs. Henry Richardson read a report on the progress of the City Library from Myra Glover, librarian. She also read a thank you note from the West Texas Rehabilitation Center expressing their appreciation for the donation and the Christmas gift received from Mrs. W. T. Billups.

Mrs. Robert Christian gave a report on the Easter Seal Workshop held in Abilene last week. The Junior Culture Club and the Literary and Service Club plan to co-sponsor the Easter Seal Drive in the Winters area.

Mrs. Hal Dry introduced the program "For a Bright, New Future." Mrs. John Griffin gave "Chemical Additives in Foods". She stated that the recent cranberry incident brought to the consumer attention to the existence of the federal food, drug and cosmetic act. She said that all America is more conscious of what growers and packers do to our food before it is ready for our consumption. By reading the labels on food before purchasing them the public can protect itself against chemical and color additives that may be harmful to them.

Mrs. Hal Dry gave "A Report on Our Water Supply" and stated that early Winters residents had a few privately owned water wells that they used. Later a pipe line was laid from the old Winters lake. After drought and no water, Winters voted a bond for the new lake on the Coleman highway. Modern methods assure us of sanitary supply at a reasonable rate with no fear of drought.

The club Valentine dinner will be held at the Homemaking Cottage February 12 at 7:30 p.m.

Refreshments were served from a linen laid table centered with an arrangement of tea roses. Those present were Mesdames R. J. Bauer, W. F. Byrns, Rodney Cathy, Robert Christian, Hal Dry, John Griffin, J. E. Hinds, Wendell Holmes, Earl Little, Henry Richardson, J. E. Roye, Jim Wilburn, Jerry Ward, W. T. Billups, one visitor, Mrs. Judd Miller and the hostesses.

Goal Diggers Met In Buckner Home Monday Evening

Goal Diggers Club held their regular meeting Monday evening in the home of Mr. and Mrs. E. Y. Buckner with their daughter Diane serving as hostess.

Diane Buckner, president, presided for the business session and Nona Davidson called roll. Scandal was read, refreshments were served and the benediction was repeated in unison.

Members present were Jere Merck, Marta Davidson, Pat Turner, Coylene Riddle, Pam Bedford, Diane Buckner, Sandra Cowan, Nellie Lacy, Mona Davidson, Marcene Matthis, Virginia Foster, Cecile Nitsch, Jaye Henely, Jean Mayo, Lynn Kruse, Mrs. S. B. Parks and Mrs. Ed Cheek.

Blossom Shop and at the present time she is employed with Slay and Grant Cotton Office.

She is an active member of the First Baptist Church, Winters Garden Club and other civic organizations. Mrs. Harrison is serving as president of the Texas Firemen's Auxiliary. She has also held other state and district offices of the organization.

Mr. Harrison was born February 14, 1909, the son of Mrs. A. C. Harrison and the late Mr. Harrison, pioneer residents of Winters. He has lived in Winters all his life, and attended Winters schools. He was employed with Jackson City Bakery, Edwards Auto Parts and Meads Bakery. In 1944, Mr. Harrison and his nephew, P. L. Harrison, opened Harrison Auto Parts located on South Main in Winters.

Mr. Harrison is a member of the First Baptist Church, Sportsman Club, Winters Country Club and other civic organizations. He is a member of the Winters Volunteer Fire Department and received a 15 year service pin from the department in August of 1958.

Approximately 70 attended and out of town guests were from Ranger, Breckenridge, Abilene, Snyder, Fluvanna, Littlefield, and Roswell, N. M.

MRS. ROGER RAY SPILLERS

Carolyn Elizabeth Roth, Former Resident, Married In Bulverde December 22

Miss Carolyn Elizabeth Roth, daughter of Rev. and Mrs. C. N. Roth of Bulverde, former residents of Winters, and Roger Ray Spillers, son of Mr. and Mrs. M. R. Spillers of San Antonio, exchanged wedding vows December 22, at 8 p.m. in St. Paul's Lutheran Church in Bulverde.

Officiating for the double ring ceremony was the bride's father, Rev. C. N. Roth, with Altus Ueckert of Winters at the organ.

Mrs. Bill Lange Jr. of Columbus, Ohio, sister of the bride, was matron of honor. Jeanette Roth of Bulverde, also sister of the bride, and Patricia Holmes of San Antonio were bridesmaids. They wore identical dresses of brown silk and carried a bouquet of green spider mums.

Clarence Hamel of San Antonio, cousin of the bridegroom, served as best man and groomsmen were Robert Lutton and Lionel Gregory,

both of San Antonio. The bride wore a wedding dress of champagne satin of pure silk with a touch of matching re-embroidered Alencon lace trimmed with seed pearls. The molded bodice was styled with long tapered sleeves and the softly pleated ballerina length skirt featured a front center panel of lace appliques. Her waist-length veil of champagne illusion fell from a circlet of pearlized orange blossoms and she carried a cascade bouquet of ivory rosebuds, stephanotis and ivy.

A reception was held in the church parsonage immediately following the ceremony.

Those from Winters who attended the wedding were Mr. and Mrs. Charles Adams and their two daughters, Eleanor and Edwina, who live in San Antonio and Keith Ueckert, a student of Texas Lutheran.

Literary, Service Met Thursday In Fredric Poe Home

Literary and Service Club met Thursday afternoon in the home of Mr. and Mrs. Fredric Poe with Mrs. W. D. Sanders sharing hostess duties with Mrs. Poe.

Mrs. M. G. Middlebrook gave the opening prayer and Mrs. H. K. Flathmann presided for the business session. Response to roll call was "A Soviet Industry." Mrs. Charles Kruse introduced the program "The Technological, Scientific and Economic Progress in the U. S. S. R."

Mrs. W. T. Stapler gave "Agriculture in Russia Today." She stated that sixty percent of the farm workers are women in Russia. She also stated that production in Russia is on the increase.

Mrs. B. T. Shoemaker gave "Foreign Trade of the U. S. S. R." She stated that Russia's primary aim is to surpass capitalistic countries and that Kruschev expects to beat the west and destroy its way of life through competition.

Mrs. L. E. Ellison told of the "Progress in Science in the Soviet Union" and said that Russia encourages scientists by making them a very privileged group. They are given luxuries far above the average Russian citizen.

Those present were Mesdames E. L. Craig, John Davis, Earl Dorsett, L. E. Ellison, Jerry English, H. K. Flathmann, Sallie Gray, Lee Harrison, J. C. Jarrell, Charles Kruse Jr., M. G. Middlebrook, Weldon Minzenmayer, Russell Mote, H. M. Nichols, Fredric Poe, Roberson, B. T. Shoemaker, W. T. James Randolph, Roy Riggs, Loyd Stapler, and Claude Tatum.

BRADSHAW NEWS

TENSE CONFLICT—Killer Dennis Hopper threatens the lovely Yvonne Craig, while Pat Wayne protects her in this scene from C. V. Whitney's Technicolor production, "The Young Land," a Colum-

bia Pictures' release. Dan O'Herrily is also starred in this tale of early California, coming to the State Theatre Thursday, Friday and Saturday.

Amusements Coming to Local Theatres

AT THE STATE THEATRE

"THE YOUNG LAND"

"The Young Land," C. V. Whitney's major Technicolor production, the third in his American Series, is a powerful drama of the fight for law and order and the establishment of American justice in the wild and lawless young land of California, just after its acquisition from Mexico in 1848. There is a bigness and lusty vitality in the exciting film which probes a most colorful and seldom explored phase of our national history.

"The Young Land" also answers the film industry's loud cry for new talent with three brilliant young stars. Pat Wayne, handsome son of actor John Wayne; Dennis Hopper, the young actor who distinguished himself as Rock Hudson's son in "Giant"; and Yvonne Craig, a lovely ballerina making her film debut, deliver superb performances that more than amply justify Whitney's choice of them in the picture.

"THE RETURN OF THE FLY"

The resounding success of Twentieth Century-Fox's "The Fly," last season's gigantic horror sensation which played to packed audience houses across the land, has been followed by an even

more terrifying thriller, "The Return of the Fly," which opens on Friday and Saturday at the State Theatre.

"The Return of the Fly," tells of the efforts of the son of the original Dr. Delambre, Price's brother, to complete the research into atomic matter transference which had led to his father's ghastly death.

How the same dread fate which took the father stalks the son and his beautiful girl and the members of his immediate family is frighteningly and realistically told in the masterfully made film.

"HOUND-DOG MAN"

"Hound-Dog Man," Jerry Wald's Cinema Scope, De Luxe Color production for Twentieth Century-Fox, which introduces to the screen the 16-year-old rock'n roll singing sensation Fabian, will have its local premiere on Sunday and Monday at the State Theatre. The dramatic story of the backwoods, adapted from Fred Gipson's classic novel of the same name, also stars Stuart Whitman in the title role, Carol Lynley, overnight star of "Blue Denim," another rock'n roller, 13-year-old Dobbie "Pink Shoelaces" Stevens,

"Don't do anything unless it prompts you to be better."—

Dr. John W. HOLLAND

The night services Sunday at the Methodist church were given over to a Laywoman's program consisting of a sing-song and a talk, "What I Expect of My Pastor," by Mrs. Nora Ledbetter. Josie and Frances Stricklin of Drasco were visitors.

Sunday morning at the Drasco Baptist church, between Sunday School and church services the Adult Ladies' Class, The King's Messengers, represented the class with a vocal solo by Mrs. I. W. Taylor with Barbara Sneed at the piano. After services Sunday night in the recreation room the young people put on a program for the adults. A question and answer program with the title "The Gold Rush."

Nancy Daniel of Winters and A-2c David Dobbins, who is to report to Fairchild Air Force Base Washington, Feb. 4, were visitors Sunday morning at the Drasco Methodist church.

The subject for next Sunday's Sunday School Lesson is: "The Demand for Repentance and Faith."—Meditation: "Someone has well said that in the gospel God gives us all that He has, and then demands all that we are. Repentance means that we acknowledge that we have been wrong and that we are abandoning our rebellion against God in a complete surrender to His terms. Faith means that we cast ourselves on His mercy, trusting Him to receive us and to make us His own."

Special days next week are for: Enoch Johnson and Fred Bedford

and Arthur O'Connell.

In addition to being the vehicle for Fabian's acting debut "Hound-Dog Man," director Don Siegel's first picture for Fox, also gives the Fabulous one a chance to sing five rock'n roll songs, especially scored for him.

On location at the Fox Malibu ranch in front of motion picture cameras for the first time in his life, Fabian showed such a natural aptitude for acting that Producer Jerry Wald was prompted to say: "This boy doesn't ever have to sing again, his future as an actor is assured."

In the Fred Gipson and Winston Miller script, he plays the part of Clint, a ranch hand, who learns that there comes a time in every man's life when he must learn life's values on his own. He also points out that sometimes his idols aren't everything that they're cracked up to be.

In town last week were: Mr. and Mrs. Jerrell Walker of Abilene;

LONE STAR AGRICULTURE

Expansion of the Texas Certified Seed Program is such that it has prompted the Texas Department of Agriculture to plan a new seed laboratory for East Texas, construction of which will begin in Tyler about March 15.

Texas has not taken the lead from California as the nation's top producing state for certified seeds. Texas acreage dedicated to the production of certified seed is now in the neighborhood of 200,000 acres, while California's certified seed acreage has dropped about 16,000 acres, from 178,296 acres to 161,297 acres.

The Texas Certified Seed Program is a voluntary program. Farmers or individuals apply voluntarily for inspection of their acreage and they must meet all of the requirements necessary for the Foundation Registration and Certification Classification.

The Texas Department of Agriculture used some 55 inspectors in 1959, who inspected around 200,000 acres of 20 different field crops consisting of 190 different varieties. An average of 2-1-2 inspections was made on each field, and in 1959 the department issued more than 250,000 Foundation and Registered tags and more than 2,000,000 Certified tags.

This service is paid for by those making application for certification, without cost to the tax-

Mr. and Mrs. Howard Hurt and Barney Sheppard of Shep; J. C. Belew of Drasco; W. O. Wheelless of Pumphrey; Mr. and Mrs. J. F. Nevins of Lawn; F. W. Rodgers of route 2, Winters; Jerry Wayne and Jimmy Lynn Dunman of Winters; Charles Adams of route 2, Winters; James Mitchell of Drasco; Mr. and Mrs. Rondel Taylor of Abilene; J. C. Cooper of Winters, route 4; Mr. and Mrs. Lloyd Bailey of Ballinger; Buck Smith of Winters; Mr. and Mrs. Will Allred and Ruby of Caps and Hugh Baker of Winters.

Mrs. Calwyn Walters and Ricky of Seagraves attended the morning services at the Moro Baptist church.

Rev. and Mrs. W. S. Armstrong and Betty and Richard Grun had Sunday dinner with the Bruce Webbs at Moro.

Mr. and Mrs. Lloyd Bailey of Ballinger visited Saturday afternoon with Mrs. Lovey Bailey.

Rev. and Mrs. Ralph Cooper and Brenda of Putnam visited the first of this week with the Frank Simp-

son. In 1959, the department took in a total of \$193,485 for services rendered to seed producers and spent \$181,781 to provide these services and certifications.

A field upon which application for inspection is made must show evidence of good management. The Texas Department of Agriculture approved inspector must inspect for isolation varietal purity, other crop diseases, weed and noxious weeds. The field must meet high standards for each of these factors. Seed eligible under the Certification Program must pass high laboratory standards for purity, other crop seed inert matter, weed seed, noxious weed seed, and germination.

The Texas Department of Ag-

riculture inspector draws official seed samples from tagged Foundation, Registered and Certified seed for testing by the department's seed laboratories as a further means of checking to see that such seed meets with seed certification standards.

Runnels County TB Association Met In Ballinger Thursday

The Runnels County Tuberculosis Association met Thursday evening at the Acapulco Cafe in Ballinger. Mrs. Aurelia Webb of Ballinger, treasurer of the association, was nominated as the president-elect. She also was elected representative director to the Texas Tuberculosis Association board. Mrs. Webb and Mrs. Bill Harris were elected as delegates to represent the group at the annual Texas Tuberculosis Association meeting to be held March 24-26 in Abilene. Mrs. Fred Young and Mrs. W. I. Dixon, Winters, were elected alternate delegates. Alvin Holbrook, president of the organization, will also attend the meeting in Abilene. During the meeting, a financial report was given stating that the association had a balance of \$2,759.77. Mrs. Bill Harris, executive secretary, reported that the Christmas Seal sale receipts in Runnels County amount to \$1,987.05, however all receipts have not been turned in. Christmas seal and bond sale receipts should be turned in by March 31. Mrs. Fred Young, county school nurse, stated that the patch testing program will be held in all schools in the county for the first and fifth grades.

"Glacier Queen" To Be Chosen At Winters Hi School

Students of Winters High School Friday will select the girl from the school to be named "Glacier Queen of 1960". Each class is sponsoring a candidate and the girl receiving the most votes will be selected as "Glacier Queen," and will have a full page picture in the Winters High School 1960 annual yearbook. Bobbie Howard is representing the freshman class, and the candidate from the sophomore class is Coylene Riddle. Evelyn Hudgins is the junior class candidate, and Carol Ann Smith is the senior class nominee. Lake Waxahachie, a new addition to Texas' chain of manmade lakes, already is producing 3 to 5-pound blacks, 1 to 2 1/2 pound crappies, and 1 1/2 to 3-pound channel cats, according to John I. Gernagness, game warden at Grand Prairie. The new 640 acre lake was completed and filled in 1957, and is located on South Prong Creek in Ellis County south of Waxahachie. It is controlled by that city. Shortly after the lake's completion, the Game and Fish Commission stocked it with 60,000 black bass. Sometime later, an additional 30,000 blacks were released. Because of the protection provided by the people of Ellis County and Waxahachie, the fish had a chance to grow unmolested. On April 1, 1958, the lake was opened to fishing and immediately produced some nice strings of bass. A lake officer and patrol boat help to promote and enforce the water safety laws on the lake. Such facilities as a cafe, boat rentals, bait houses, picnic grounds, and stores have been established for the service and convenience of fishermen and campers. The South Prong Creek and Chambers Creek watersheds provide a constant supply of water for the newly constructed lake. IN BAKER HOME Visitors in the E. H. Winters Blizzards Defeated Eastland 41-40 Friday Night

By Billy Lynn Little

The Winters Blizzards took over undisputed title to second place in District 7-AA as they downed the tree-top tall Eastland Mavericks 41-40 in a do-or-die victory in Eastland Friday night.

The Mavericks average well over six feet in height, but little men William Grissom and Jerry Dunnam, who both stand 5-10, provided free throws which proved the difference.

The Blizzards took and 11-10 first quarter lead, but Eastland led 24-21 at the half and widened the margin to 33-29 going into the fourth period. With starter Jimmy Smith going out on fouls in the third quarter, Coach Jerry English pulled Walter Kraatz from his bench as the final period began. As time slipped away from the Blue, they kept chopping at the Eastland lead and finally tied the score at 38-38 with about two minutes and 30 seconds left.

Eastland brought the ball down court, shot, missed, and the Blizzards got the rebound. Eastland's Mickey Garner fouled Grissom and he dropped the first free throw, giving the Blizzards the lead for the first time since the first quarter. His second shot missed, and a line violation gave the Mavericks possession.

Sammy Albro, Blizzard co-captain, making a desperate try to intercept a long pass fouled John Wilson, Maverick guard crashing him against the brick wall of the gym. Wilson's free throw bounced wide and Grissom came away with the rebound, and called time out.

Coach English again went to his bench, sending in sharpshooter Jerry Dunn. Only a minute and 40 seconds remained on the clock as the Blizzards went into a stall trying to run out the clock. With 53 seconds left, Wilson fouled Dunnam.

The husky senior fired twice and both free throws ripped the cords. The Blizzards led 41-38 as the Mavericks brought the ball down court and Otis Green, the big man, hit a jump shot, but only nine seconds were left and Winters had won.

Grissom was high with 18; Pee Wee Williams chunked in nine.

In the "B" game, Winters won 44-38. Rodney Butts was high with 13, and Raymond Lusk had 13 for the losers.

Seven WHS Students Have Writing Efforts Accepted

Seven students of Winters High School have received certificates of acceptance for publication of essays and poems.

Students who wrote essays published in the National Anthology of High School Essays were Eva Benson, Karen Foster, Edna Mayfield and Billy Pumphrey.

Those having poems published were Peggy Oats, Willie Kraatz, David Whitley, and Edna Mayfield.

Blizzardettes Melt Coleman Girls 50-43 Here Thursday Nite

Winters Blizzardettes melted the Coleman Bluecats 50-43 here Thursday night. The Bluecats led 9-7 at the end of the first quarter and at the half Coleman still held the lead 20-18.

During the third quarter the Blizzardettes came to life, and with Rita Walker leading the way, they moved to a 35-29 margin. In the fourth quarter both teams were fighting for the lead. The lead board ran up 15 points for Winters and 14 for Coleman.

Winters now holds a record of

4-0 in District play, the Blizzardettes play Cisco Thursday to try to up the record to 5 wins and no losses. Coleman's record in district is 2-1.

Defense for Winters helped to pave the way for the victory Thursday. Outstanding defense players were Lavera Williams, Ruth Ann Spill and Kay Byrd. Reta Walker led the team by scoring 23 points and Dorretha King and Carolyn Fabion trailed with ten points each.

FROM LUBBOCK

Buddy Ramsel of Lubbock, former resident of Winters, spent Monday afternoon visiting with Mr. and Mrs. R. D. Collins, Mr. and Mrs. Ralph Lloyd and other friends in Winters.

NEWS OF THE WORLD TOLD IN PICTURES

MOON'S HIDDEN HEMISPHERE—At right is the first photo released by the Soviets showing the hemisphere of the moon that hitherto has been hidden from man's eyes. The photo was taken remotely from the Russian satellite Lunik III, and relayed automatically to a receiving station in the Soviet Union. Russian astronomers have named many of the newly discovered craters, seas (believed to be dry), and mountains. At left is a conventional telescopic photo of the moon. Overlapping section of the Russian photograph is indicated by dotted lines. Previously named landmarks are indicated on both photos in italics. New Russian names on the "hidden" side are generally to the right of the dotted line.

THUNDERING HERD—At the crack of the starter's gun, 251 runners from 49 schools strike out across the wet golf course at Michigan State University, Lansing. They were competing in the four-mile NCAA cross-country meet. Winner was Al Lawrence, of Australia, a sophomore at University of Houston. His time was 20:35.7.

ANYONE FOR TENNIS?—Huge 100-foot diameter space balloon is inflated at the National Aeronautics and Space Administration's Langley Research Center, Va. Made of thin plastic coated with aluminum, the ball may be used as earth satellite or for flight to the moon. Its highly reflective surface could be seen easily from earth. Note size of worker nearby.

SPACEMAN'S BEST PAL—Dressed in a space suit, a Russian astronaut enters a pressure chamber in Moscow accompanied by a dog, also dressed for space travel. They are testing effects of simulated flight on the human and canine body.

FROGLIKE—Resembling a frog straddling a bus, this is a model of the proposed British Westland helicopter. Designed to provide a three-way lift, the odd whirlybird can be used as an aerial crane, short-haul transport or carrier for utility pods.

PARALLEL PARKING—A parking jam fills every inch of space in front of this London, England, store window. The carriages with their occupants wait for mothers to make their purchases.

LIGHT UP BEN'S FACE—Behind one of the four faces of London's famed Big Ben, workers Eric Lucas, top, and Sid Harbour install one of the 56 fluorescent-type lighting fixtures which will illuminate the massive clock for the first time since 1954. The fixtures are replacing the ordinary electric bulbs previously used.

DOWN WE GO—With this blimp-shaped vessel, "Trieste," scientists hope to probe deeper yet into the ocean's canyons. Designed by French deep sea experts Auguste and Son Jacques Piccard, the device is being lifted onto a freighter at San Diego, Calif., for a voyage to the 35,000-foot Marianas Trench in the Pacific.

JUST LIKE BABY—Soroya, a three-month-old otter, takes her formula of milk, cod liver oil, and powdered baby food from owner Emil Liers of Homer, Minn., a famous otter raiser.

TEACHER'S PET?—This car belongs to a driving school in Rome, Italy. The couple in the back seat seem to be learning something about the clutch.

CLIFF DWELLERS—Residents of five San Francisco, Calif., apartment houses were evacuated after a landslide into the site of a 16-story building.

State Capitol Highlights:

Liveliest Interest In Texas Politics Is Focused On Legislative Campaigns

By—Vern Sanford

With the filing deadline (Feb. 1) drawing near, the political ring is filling with hats—most of them unfamiliar to Texas voters.

"Since there's to be no wholesale re-shuffling among top state offices, liveliest interest is focused on legislative campaigns.

Texas Legislative Service's compilation on legislative races indicates about six of the senators running for re-election have opposition or prospects of opposition. Usually the opponents include a representative from the senator's district.

New faces have entered the races in more than 50 of the House districts. In 19 of these the present representative is not a candidate for re-election.

Besides the usual preponderance of lawyers, there are a number of school teachers and former school teachers among the newcomers.

Campaign platforms rest mainly on these issues:

- (1) Betterment of schools and improvement of teachers' salaries.
- (2) Revamping or doing away with the new merit plan auto insurance rates.
- (3) Providing medical payments for persons on the welfare rolls and raising old age pensions.
- (4) Enacting stiffer highway safety laws.
- (5) Developing a comprehensive statewide water program.
- (6) Solving the state's fiscal problems. This is generally covered in some broad, fairly vague statement, such as "modernizing

the state tax system," "eliminating unnecessary expenditures" or "finding an equitable method of taxation."

Enough's Enough

Presidents of Texas' tax-supported colleges and universities have come out against adding any more schools to the state's higher education system.

Their reasons, (1) we've got enough already and (2) there isn't enough state money to go around.

University of Houston is seeking admission. Its case will be heard by the Commission on Higher Education in April. Commission will report to the Legislature, which makes final decision, in 1961.

Del Mar College of Corpus Christi, a municipally-supported junior college, would like to follow the course of Arlington College and become a state-supported four-year college.

Council of State College Presidents joined unanimously in a statement that to add more schools to the state system now or in the near future would be "a grave mistake."

Texas, said the Council, supports more colleges and universities, and contributes to the support of more junior colleges (32) than any state except California.

Ninety-five per cent of our people live within 100 miles of a state college now, the Council advises.

Children's Aid Reform Urged

Texas' aid to dependent children program seems to be creating more of the same social ills it was supposed to alleviate.

This is the verdict of the Texas Research League after a two-year study made at the request of the State Welfare Department.

It seems that these abandoned children—those whom the parents refuse to support, or can't—often grow up to have children they too won't or can't support.

Welfare workers are seeing more and more second and third generation cases, said the League.

League recommends re-shaping the whole program to put the emphasis on rehabilitation. At present, says the League, the program does little or nothing to help families help themselves or to get at the problems that caused them to be in need in the first place.

ADC payments go to about 105,000 persons in Texas—80,000 children and 25,000 parents. Cost: \$21,000,000 a year, of which 80 per cent is federal money.

WASHINGTON NEWSLETTER

In Spite of Apalling Tragedies, Air Travel Continues Safest Means

By Cong. O. C. Fisher

POLITICS AND PLANE CRASHES claimed head-line attention in Washington last week. A meeting of the Democratic National Committee, giving candidates a chance to put their best foot forward, attracted high political brass from every State in the Union.

With Congress taking a close look at the alarming number of commercial airline tragedies, methods of tightening safety and security methods were being explored. But even at that it was announced that airline fatality last year was only .68 persons per million passenger miles. The railroad rate was .26, but for commercial highway and taxi travel it was 2.3 persons per million passenger miles.

ON THE POLITICAL front, Senator Lyndon Johnson had a good week. In Brooklyn the Senator was the honored guest at a rally attended by 62 Democratic county leaders of New York State and members of that State's Democratic committee.

OLD KING COTTON, the South's traditional "cash crop", is feeling the effects of increased foreign competition. As world production

has increased, U. S. producers have had to cut acreage drastically and have in effect been called on to make the supply adjustment for the entire world. From 1949 through 1955, the U. S. Decreased production 2.5 million bales, while during that same period other countries increased their production by more than 7.5 million bales. Some phases of our foreign aid has encouraged this.

SPEAKING OF FOREIGN AID, it is reported the U. S. is preparing to purchase 438,000 pounds of wool tops (processed wool) for Korea, and is asking for bids. I have urged that if such acquisition is undertaken our American mills be give top priority.

THIS BEING INCOME TAX-paying time, Internal Revenue has informed me it has three bulletins which are supposed to help prepare returns, available at the Government Printing Office, Washington 25, D. C. at 40 cents a copy. Entitled **YOUR FEDERAL INCOME TAX, TAX GUIDE FOR SMALL BUSINESS, AND TAX GUIDE FOR FARMERS**, the pamphlets are replete with guidelines for figuring deductible items, depreciation allowances, etc.

A special law covers the expenses of members of the Legislative Council and Legislative Budget Board. They may be reimbursed for the actual cost of meals, rooms and other expenses incidental to this work.

Regular pay for state employees traveling on state business is \$9 per day and 8 cents a mile.

Big Business

Texas General Land Office, sometimes described as "the biggest real estate agency in Texas," did a land office business during 1959.

Land Office, which is the management and collection agency for the state's public lands, took in \$60,583,603 in the past year. This came from oil and gas royalties, bonuses, grazing rentals, etc.

Main beneficiaries were the public school permanent fund and the University permanent fund. In addition, 18 other funds received deposits.

Land Commissioner Bill Allcorn said 384 veterans paid off their land loans, bringing in \$2,352,767 that can be used for more veterans' loans.

Segregation Suit Sidestepped

Dallas is in a bind between a federal court order to desegregate its schools and a state law prohibiting desegregation without a local option election.

State Supreme Court has refused to overturn a lower court ruling that Dallas was not entitled to a court order freeing it from the effects of the state's anti-integration law. A law passed in 1957 says that a school district that integrates without a local option election shall lose its state aid. For Dallas this would be some \$2,600,000 a year.

A federal court ordered Dallas schools in 1955 to integrate "with all deliberate speed."

Elbert L. Morris At Training Area In Southern Germany

Army Specialist Four Elbert L. Morris, 26, son of Mr. and Mrs. Oley E. Morris, Route 2, Wingate, Texas is scheduled to participate with other personnel from the 246th Transportation Company in Exercise Winter Shield at the Grafenwohr-Hohenfels training area in southern Germany Feb. 1-7.

Winter Shield, an annual winter maneuver designed to determine the combat readiness of Seventh Army troops, will provide realistic training under simulated combat conditions. The exercise will involve 60,000 troops and will mark the first time in history that major units of the new German Army will participate jointly with U. S. ground forces in a field exercise.

Specialist Morris, an aircraft mechanic in the company in Augsburg, entered the Army in January 1953 and was stationed at Fort Eustis, Va., before arriving overseas on this tour of duty in March 1959.

Before entering the Army, Morris was employed by McCallen Variety Store, San Angelo. He is a 1952 graduate of Hobbs High School. His wife, Naomi, is with him in Germany.

Pork and Oranges Head USDA's Plentiful Foods

Abundant supplies of pork, oranges and orange products are in prospect for February.

These are the featured items on the U. S. Department of Agriculture's list of plentiful foods this month, according to the Texas Agricultural Extension Service, College Station.

Also plentiful in February will be broiler-fryers, lamb, lard, eggs and peanuts and peanut products.

Other fruits and vegetables on the list are cabbage, carrots, sweet potatoes, onions, grapefruit, cranberry products and raisins.

This is the season when many fresh fruits and vegetables are being harvested in Texas orchards and gardens. The state's orange crop is the best since the big freeze of nine years ago—36 percent larger than last year, according to estimates of the Agricultural Marketing Service.

Menu planners will find it to

their advantage to serve these foods often because plentiful and in-season because plentiful and greater economy and more choice for quality.

There's nothing like a new car—and no new car like a Chevrolet. This is the Impala Sport Coupe!

GO '60 GO CHEVY!

NOW—THE CAR THAT STARTS THE SIXTIES WITH SO MUCH THAT'S NEW, SO MUCH THAT'S DIFFERENT ...AND SETS THE PACE WITH LOWER PRICES!

Chevrolet speaks of the Sixties like no other car—with a broad accent on spaciousness, stirring new concepts in styling and strong emphasis on spirit and thrif.

Step inside this superlative '60 and look at the worlds of room around you: head room, hip room, shoulder-squaring room. Note how Chevrolet's engineers have further flattened and narrowed the transmission tunnel to give the middle man more foot room. Chevrolet's greater roominess is inside where you want it—not outside in useless body overhang.

You'll find economy teamed with performance in a new standard V8, engineered to deliver up to 10% more miles for every gallon, or the strapping Hi-Thrift 6.

And riding comfort in the new one is a never-ending treat, thanks to Full Coil spring suspension. There are also thicker, newly designed body mounts that filter noise and vibration to the vanishing point, more rigid frame and many other engineering advances.

But you'll have to drive the Sixty sizzler yourself—that's the clincher.

Why not see your Chevrolet dealer now—for a drive and the happy details on Chevy's new lower prices.

The Doggondest Sale! Samples!

We Don't Want 'em! You Can Have 'em... at GIVE AWAY PRICES!

TIGHTS
These tights are "Cadillac" quality at "Ford" prices. They are made from the best super stretch yarn available... with the arrival of REAL winter it is time to buy! 4-6x children's, 7-10 girls, 11-14 teens, women's, all at \$1.00.

DECORATOR PILLOWS
These have been moved around so much trying to sell them that we can't find them and probably you cannot either, but if you do you will get a fair deal at 59c each.

Challis Baby Doll PAJAMAS
Just figure how ridiculous—nice, warm material, long sleeves, but real SHORT legs. Fashion says they are just the stuff but we didn't sell 'em too good! We tried at \$3.95—now \$1.98.

FLANNEL GOWNS
We have 51 of these left mostly for the big size gals... \$1.98 and \$2.98 was the asking price, now the selling price is \$1.00

Challis GOWNS and DUSTERS
They are real nice to finish the winter in and you might even find a gown to match the duster, but we doubt it. Anyway, you may want to try because these sold originally at \$4.95 and are now \$1.98.

BED JACKETS
Most of you have forgotten what a bed jacket looks like as we haven't had TOO many calls—however, here is a lot that sold as high as \$4.95 each, that you can take your choice of for only \$1.00.

CHILDREN'S GOWNS, DUSTERS, PAJAMAS
Here is a clean up of 1959 mistakes—challis, flannels and nylon—\$1.00 each.

BOYS' CORDUROY OVERALLS
Even the girls will wear these—regular \$2.98 corduroy overalls for 1/2 price!

BOYS' FLANNEL ROBES
Boys just flat-out had rather not wear a robe but if mother wants him to have one now is the chance—only 10 left at \$1.00 each.

MEN'S BELTS
We have about 20 of these belts that have the names on them—they are regular \$2.50 belts—why don't you check them—we will be glad to get a dollar for them—maybe even you can find your name.

INTERWOVEN SETS
These Interwoven tie and sock sets would be 3 years old next Christmas. We hope they aren't here then. Anyway they were \$2.95 per set for matching tie and sock. Take your pick for \$1.00 per set of 2!

HEAVY SPORT SHIRTS
Wool-like sport shirts that sold for \$7.95. Every year we decide in January to never buy this number again, but it seems we always do—55% wool, 45% orlon in nice warm plaids for outdoor wear—\$2.98 each.

KNIT SPORT SHIRTS
Every man likes KNIT SPORT SHIRTS but not with LONG sleeves. Well these have long sleeves. If you will help us out once again on this we promise NEVER again will we buy them. Values up to \$4.95 for \$1.69 each or your choice of 3 for only \$5! If you can use at all, take 3!

GIRLS' CAN CANS
They have been hanging so long that the white ones are beginning to take on the color of the new beiges that are popular this year. We had 'em at \$5.95, but sure would like it if you will hang them awhile at \$1.00.

BOYS' DRESS SHIRTS
Here is a bargain for the little fellow that does not have anything to say about what he wears anyway. We have 13 long sleeve French cuff shirts left at \$1.00 each.

72 INCH NYLON NET
We promise... never again will we buy bargains in nets—even the holes in this net has holes in it... 20 colors to pick from at 19c yard.

BETTER PIECE GOODS
We sold PLENTY of this but now have the cats and dogs left. Regular \$1.98 goods we reduced to 1/2 price—you can now have it at 49c or 1/2 of 1/2!

ONE TABLE PIECE GOODS
The worst patterns of all the goods that we bought in 1959—we had great plans for some of this goods at \$1.00 per yard but alas it looks like two bits now on this 25c counter!

ELECTRIC BLANKETS
With their two year guarantee these electric blankets were our number one seller ever since our blanket lay-away sale last May, but this shipment came in too late for 1959 and too early for 1960 so out they go we HOPE at \$10.98 each for the regular size single control.

ASSORTED LINENS AND SETS
It pays to save a dollar for a rainy day but maybe you are the type that when you save, it always clouds up and rains. It's up to you. We have 3 festive luncheon sets that were \$4.95 and 20 towel sets that were \$1.98... your choice now only \$1.00.

Ladies' Stretch SLIPPER SOX
These were good for Xmas selling at \$1.00 per pair, but we only have 12 left—One size is supposed to fit everyone—how about a try at 49c.

COVERALLS
Boys' hickory stripe coveralls and they buy them for the girls also... Sanforized with a zipper... \$1.49 pair. Sizes 1 to 6.

BOYS LOAFER SOX
Nine pairs of these \$1.00 loafer sox left — ivy league, foam stretch with cushion sole 39c pair.

MEN'S SUITS
We picked these suits out as the ones we most wanted to sell at \$19.95 from our stock of suits up to \$49.95... We want to sell them worse now. How about \$15.00 for the suit of your choice.

MEN'S WESTERN HATS
So—you need one of these cowboy 3- and 3 1/2-inch brim hats. We thought the darker colors would be good as they wouldn't get dirty so easy, but evidently the wearer thought not, so we still have them. If you want a \$12.50 to \$20.00 hat RIGHT, we will take \$3.98 for your choice of these!

FLANNEL SPORT SHIRTS
They're worth it—we think—but what we think is not what counts. If you don't buy them this ad and all our efforts to sell them is NO GOOD. Anyway these are flannel shirts just like we sold so many of in 1958—now why didn't we sell them in 1959. We can't tell you but maybe you had just as soon not care, because you can now buy these \$2.98 and \$3.98 shirts for \$1.69 or three for five dollars!

MEN'S DRESS SHIRTS
Stuck again! Stetson (of the John B. Stetson Hat family) came out with a line of shirts that were supposed to be real good with long staple cotton, etc., and sell for \$5.00 each. REAL FINE DRESS SHIRTS! We bought 10 dozen in irregulars and they stand to be our worst buy of 1959... In the first place most of them are blue and the sleeves are never the right length for selling. We have sweetened the stack with a few Arrows — (\$4.00 shirts) and you can have your choice for \$1.69. Better yet, how about taking three of them for only \$5.00.

WESTERN SHIRTS
If you think you'll be dressed up in one of these you've another think coming. They have been unpinned and tried on, taken home on approval and brought back. Since they were \$5 shirts we figured the possibilities and thought they might go at \$2.98.

LASSO WESTERN COATS
It's true that Lasso is the finest name in all wool Western Coats but these must be the worst of the lot... they did not sell at a pre-ticketed price of \$32.95... How about \$19.95. We have 4 corduroy western coats left, and the same styles as above, priced at \$13.95.

NYLON JACKETS
Men's size reversible jackets of 100% Nylon. They are washable and — well, there are lots of things that we would like to say about these as we really would like to sell them... Take a look—\$12.95 values \$7.49.

MEN'S ROBES
For you guys who flop in front of the TV set in just about any garb — one of these draped around you and you will find the little woman will keep the coffee cup all filled up for you! \$7.95 values, now \$3.98 and \$9.95 values \$4.98.

COVERALLS
Boys' hickory stripe coveralls and they buy them for the girls also... Sanforized with a zipper... \$1.49 pair. Sizes 1 to 6.

MEN'S SWEATERS
Our worst error in the sweater department. They used to sell real good but NO MORE. Men's long sleeve 100% orlon slipover sweaters, \$2.49 each.

BOYS' SWEATERS
We just bought too many of these—the style is good and the price is wonderful. Sleeveless orlon low holer styles, in all colors \$1.98.

Boys' Flannel SPORT SHIRTS
Wash and wear flannel sport shirts. Sizes 1 to 16. Kinda skimpy cut but just buy them one size bigger, only \$1.00 each.

MEN'S SPORT SOX
You asked and asked for 100% wool sox but now that we bought some fine Interwoven sox of \$2.50 quality in irregulars to sell for \$1.50 you did not take them. We don't want to keep these wool sox over so why don't you take them by the box at only 79c pair.

ACCESSORIES
Yes, sir, the final sale on costume jewelry (earscrews, bracelets, and pins). Some match and some don't. Handbag with cigarette lighters, evening bags (5 left) ear muffs, fur collars, wool scarfs and stoles. Take your pick (if any) 1/2 price!

LADIES' SWEATERS
Ladies Banlon (real luxury fabrics) Slipovers. These are nice but we have so few left that we would like to sell all of these. \$4.98 values \$1.98.

CARDIGAN SWEATERS
One group of ladies' orlon cardigan sweaters and we have sneaked in a few better sweaters in this lot. Take your pick \$2.98 each.

BETTER SWEATER GROUP
Ladies' jewel trimmed sweaters, 3 beige and 5 white, 2 catalinas—regular \$12.95 and the cats and dogs from our pre-holiday line of fine sweaters by Bobbie Brooks, Supreme, Donovan and Pendleton. One table \$5.00 each.

CHILDREN'S CLOSE-OUTS
There isn't anything left that you'll be particularly happy to have but if the kid is growing like a weed and just really needs something for the balance of the season, you might buy anything on this table for \$1.00. Your choice of corduroy jackets, knit skirts, corduroy slacks, orlon T shirts.

COVERALLS
Here is a lot of misses' coveralls with full length zipper that were priced to start at \$3.98—you will find the fabrics of twills and corduroys—maybe you can use a pair or two at only \$2.49. On second thought we'll throw 5 pairs of Dotty Dans (\$5.95) coveralls in the lot.

CHILDREN'S SLEEPERS
We hope it isn't too late! We want to clear out and start 1960 with a new sleeper. Take your pick of our entire lot, \$1.00 per pair. Sizes 1 to 4.

Ladies' Fleece Cotton T-SHIRTS
These 100% cotton shirts have crew necks and are stitched with contrasting stitching, have two pockets and are long sleeves—they may not look so hot but these cold days and for garden work, yard work, and fishing, they should be good all year long. While 3 dozen last \$1.00 each.

KNIT T SHIRTS
Here is a lot of ladies T Shirts that are just fine and most of them or their kind sold for \$3-95 each. Do you wonder what's wrong with them. They are practically all in size "large." If you can use the size, how about \$1.00 each.

CHILDREN'S SWEATERS
We need to clear this group out. Nothing wrong, just need the space. Orlon and bulky cardigans \$1.99 each.

CHILDREN'S DRESS COATS
Very, very few dress coats did we sell this season. They all wanted car coats. You can take our word that any coat in the house can now be bought at less than wholesale cost. See them to believe.

LADIES' COATS
The Final! There always has to be the final reduction! Here it is! Don't wait any more or there won't be any left! Four all-weather coats, two knit coats, 2 velvet coats, 1 faille coat, 3 poplin coats, 6 100% wool jackets and 7 plaid Pendleton style jackets. You can't pick them any worse than we did. Your choice \$5.00 each.

CAR COATS
You "can't hardly" get car coats like this any more. Six better coats that sold for \$39.95, only \$15.00; 2 black car coats with knit trimmed collar and velcro closures and 2 all wool flannels. Your pick at \$10.00 each.

LADIES' VESTS
4 Bobbie Brooks plaids, 2 Aspen solids and 5 solid colors—Some of these sold as high as \$8.95. They must have been for looks. I don't see how these could be so necessary for warmth. Anyway if you differ in your opinion you can have your choice of these for only \$2.98.

LADIES' SLACK SETS
Two only of these fancy velveteen slack sets... real hot for Xmas but what can you do with them now. The slacks are black and the blouse white, with the same embroidered motif. 1 to 9 and 1 to 11. Why talk more. Do you want a set for \$5.00.

PENDLETON JACKETS
These are not the ones you are thinking about. These are solid color P. K. Jackets (just a little shorter) in red flannel, 100% wool by Pendleton. Two of them have knit collars and two have plain collars. \$25.00 values. Our price now \$10.00 each.

WOOL SKIRTS
We have an entire rack of these but that does not make them any better. You will find plaid flannels, velveteens, solid colors and quilted styles. Again we are overstocked on the big sizes. Take your pick \$5.00 each.

SHEETS
Double bedsize LONGWEAR fitted Bed Sheets, 100% cotton. Save two-thirds time in making the bed by using fitted sheets. \$1.29 each.

BROWN DOMESTIC
E. & W. FIRST CHOICE, good quality brown domestic, medium weight that usually sells for 29c per yard, now 5 yards for \$1.00.

LADIES' ROBES
These seven robes are the long type while most of our customers want the shorter length. They have been tried on so much that they actually look shop worn but \$5.00 each for these quilted robes should move them.

CHILDREN'S DRESSES
Those dresses you gave to the church rummage sale probably looked better than these. We have gone through a hectic season and in trying to be different and up to date on styles probably went overboard. Maybe just as well if you skip this rack of children's dresses at 1/2 price and less!

LADIES' SUITS
Do you ever get tired of wearing something for a long time. Well, we are sick and tired of these suits. Some of them are real bad so we have added some of the better suits to the group hoping to find someone that will buy by price alone and take one of these. The price is real, real low. If you are in the store this week please SEE these. Maybe if you don't like them you can tell the neighbor, she might want one!

Winters' Breezes SWEAT SHIRTS
Warm, cozy white sweatshirts with collar, zipper front, printed "Winters' Breezes" 1/2 Price!

BRUSHED RAYON GOWN
Only 3 of these \$5.00 gowns left—real luxury fabrics—You will be lucky to get one of these for \$1.98.

Pendleton SPORT SHIRTS
The quality is SUPREME. We have seven left—3 medium, 3 large, 1 XL, \$8.95 each.

LADIES' DRESSES
These are the culls from the season. We are not going to tell you that they are the hottest styles in town, but hope you can find something or some use for some of them at only \$5.00 each.

LADIES' DRESS SHOES
Talk about tough — they are "tougher than a boot"—to sell that is. The final wind-up of a big dress shoe season. If the size is right the width is usually too wide or too narrow. Anyway, we must try to get these out of the way to make room for new spring shoes. Want a pair at 1/2 price.

HOODED SWEAT SHIRTS
You could not buy one anywhere before Christmas as they were all sold out at \$2.98, but we have a new shipment in men's sizes. Buy them for now and next year also at \$1.98.

COWBOY BOOTS
We have our odds and ends of Cowboy Boots now grouped at new low prices. One group \$13.88 and one group at \$17.88.

TOWELS
We bought a group of salesman's samples and odd lots. We sold all the better ones and have the smaller ones left. If you need some face towels you can pick them right now at five for \$1.00.

TOWELS
Large size towels that were bought for a 79c promotion. We thought enough of them to buy 100 dozen. We now have too many left so if you are in the need of bath towels of big size and good weight, be sure to see these, 47c each.

EVENING DRESSES
Just a few of these left that were sold as high as \$19.95. If you would like a new one for any occasion, how about one of these for \$5.00.

WOOL GLOVES
One big table of gloves left in children's and women's... Do not expect them to be the best at only 79c.

HOODED SWEAT SHIRTS
We have only 4 of these left. If you can use one this late you may have it for only \$1.49.

MEN'S SWEAT SHIRTS
12 only of these men's zipper sweat shirts left. They have a collar, too. Regular \$1.98. Take 'em quick at \$1.00 each.
