### Coming Attractions At Local Movies

#### "The Adventures of Huckleberry Finn"

Mark Twain's "The Adventures of Huckleberry Finn," one of the great literary classics of all time, has been brought to the screen by Metro-Goldwyn-Mayer with all the excitement, humor and atmospheric color of Twain's famous story of the rousing adventures of an all-American boy and a runaway slave on the Mississippi River.

Samuel Goldwyn, Jr., who produced the picture, assembled a perfect cast to portray the characters known and beloved by youngsters and adults alike all over the world.

Seen as Huck is 13-year-old Eddie Hodges, who scored in the Broadway musical, "The Music Man," and followed with a hit on the screen in "A Hole in the Head." He won the part after more than 500 applicants had been interviewed.

Playing Jim, the runaway slave, is Archie Moore, world's light heavyweight boxing champion who makes his acting debut in the film and now adds to his laurels as the most surprising star "discovery" of the year.

"The Adventures of Huckleberry Finn" opens Friday and Saturday at the State Theatre.

#### "Wake Me When It's Over"

The king-sized comedy sensation of the year, Mervyn LeRoy's CinemaScope Deluxe color production "Wake Me When It's Over," a Twentieth Century-Fox release starring Ernie Kovacs, Dick Shawn, Margo Moore, Jack Warden and Nobu McCarthy opens Sunday and Monday at the State Theatre.

It's no fun making fun for other people, for the actual creation of a comedy is extremely hard work as Mervyn LeRoy has often pointed out. "An onion can make people cry," said the veteran producer-director, "but there isn't any vegetable that can make them laugh."

There may not be a vegetable that will send people into gales of laughter but "Wake Me When It's Over" will more than do the job. LeRoy, whose productions of "Mister Roberts" and "No Time For Sergeants" are still listed as two of Hollywood's funniest pic-

tures has put into "Wake Me When It's Over" just the right combination of incongruity, zaniness and pathos that should put it high on the all-time "laugh list."

#### "Battle Cry"

Warner Bros.' production of "Battle Cry," in WarnerColor and CinemaScope, opens Saturday only at the Fiesta Drive-In Theatre.

Based on Leon Uris' best-selling novel, "Battle Cry," a re-release, follows closely Uris' book dealing with the loves and longings of a group of young Marines during World War II. It stars Van Heflin, Aldo Ray, Mona Freeman, Nancy Olson, James Whitmore, Raymond Massey, Tab Hunter, Dorothy Malone and Anne Francis.

The film version of the sensational novel was prepared for motion picture presentation by the author himself, Leon Uris, all the passion of the book is said to be preserved in the film as well as the memorable moments of history in which the Marines helped pave the road to victory in the war. Uris' novel and screenplay are based on personal experiences. As a Marine private, he saw duty at Guadalcanal, Tarawa and Saipan.

#### "Land of the Pharaohs"

Howard Hawks fabulous production, "Land of the Pharaohs," re-issued by Warner Bros., opens Sunday only at the Fiesta Drive-In Theatre. Spectacularly filmed in CinemaScope and WarnerColor boasts a cast of 11,500 people of 19 different nationalities. The stars are Jack Hawkins, Joan Collins, Dewey Martin and Alexis Minotis.

The gigantic production tells the fabled tale of a barbarous love that left Egypt's greatest pyramid as its wondrous landmark. It is the story of the pharaoh who used 100,000 workers and 30 years to erect one of the seven great wonders of the world.

All the exterior shots for "Land of the Pharaohs" were made in Egypt, from Aswan 500 miles up the Nile to the crocodile country around Khartoum in the Sudan. Several weeks were spent at the Cheops Pyramid, greatest in all Egypt, where authentic scenes were filmed in and around the tremendous stone wonder.

headpieces were trimmed with seed pearls and they carried bouquets of white carnations with foliage accents.

Given in marriage by her father, the bride wore a wedding gown of chantilly lace and tulle fashioned with a fitted bodice, scalloped sabrina neckline accented with iridescent sequins and seed pearls, long sleeves tapering to a petal point over the wrist. The voluminous skirt featured vertical panels of lace at the sides and appliques of lace on tulle giving a tiered effect in front and back of the skirt which formed a chapel train. Her veil of silk illusion fell from a pearl crown and she carried a bouquet of white roses and stephanotis.

Immediately following the ceremony, a reception was held in the parlor of the church. The bride's table, laid with white over blue, featured a three tiered wedding cake. Darlene Sneed presided at the register. Mrs. Lonnie Brock and Mrs. Durwood Hallman, both of Lubbock, alternated in adeling punch from a silver punch bowl and Mrs. Bud Hale of Lamesa and Jean Sneed of Winters served the wedding cake. Table appointments were of silver and crystal.

For a wedding trip to New Mexico, the bride wore a camel tan suit with matching accessories. Her corsage was of white roses.

The bride is a graduate of Winters High School and Texas Technological College in Lubbock where she will teach. The bridegroom, a graduate of Haskell High School, attended Texas Tech and is now assistant credit manager for Lubbock Auto Company. The couple will reside at 709 Avenue R in Lubbock.

### BRADSHAW NEWS

"No nation could preserve its freedom in the midst of continual war."—James Madison.

Jeffery Hale of Ballinger was a visitor Sunday morning at the Church of Christ.

At the morning services at the Drasco Baptist church were Glen Taylor and Eve Almstead of Houston. At the night services were Linda Allen of Abilene; Mr. and Mrs. Rual Woodfin of Pumphrey and Mr. and Mrs. Houston Woodfin, of Weatherby, Arizona.

God's Hand in History is the subject for next Sunday's Sunday School Lesson. Illustration: "Not long ago the common penny appeared with a new design. On the back of the coin, opposite the portrait of Abraham Lincoln, there is now an engraving of the state of Washington. On this design there is a secret mark that scarcely one person in a thousand would ever notice.

At the extreme right at the base of the monument are the initial letters 'F. G.' They are so small that only people who look very closely will ever see them. They are the initials of Frank Gasparro, the engraver of the coin. All our other coins have similar initials. The men who made our coins left their marks for those who knew where to look for them.

God, the great Designer and Creator of the universe, has left His mark on all His works. When people look closely they can see His hand in what He has done. We see God's wisdom in His laws that govern the stars and planets and everything else He has made. We can also see His divine plan and purpose slowly working through the pages of human history.

People often do not obey God's laws or follow His plans. They misuse and waste God's gifts to them as they often misuse and waste their money. But whatever men may do, God still works for the creation of better lives and a better world. We must study His plan and seek to know His will so that we can work with Him in His mighty tasks."

## Warns About Child Labor Law

Farmers who hire workers for harvesting fall crops were reminded today that the Federal Fair Labor Standards Act sets a 16-year age minimum for the employment of children in agriculture during school hours.

The reminder came from Regional Director William J. Rogers of the U. S. Department of Labor's Wage and Hour and Public Contracts Division here, the agency which administers this law.

"Today and in the foreseeable future, the need for youngsters to meet even higher educational standards is beyond question," he said. "The child's chance for success in later years can depend on whether he enrolls in school this fall."

Mr. Rogers pointed out that children may lawfully work on farms before and after school hours or on weekends, but that their place is in the classroom when school is in session in the school district where the child is currently living.

"The law protects the children of migratory workers as well as local children," he said. "The only exception to the law is the child working exclusively for his parents or guardian."

An age certificate showing that the youngster is at least 16 is the best protection the farmer can have against inadvertent violation. In Texas, these certificates are available, as a public service, from local Texas Employment Commission offices.

He added that the Federal child labor law applies to farmers who engage in interstate commerce or ship their products in interstate commerce, either directly or to firms who ship them across state lines in their original form or as an ingredient of another product.

People who plan for their future usually succeed better than those who do not, but there is no law which requires you to make such plans.

## US Army Recruiting Offers Travel To Men Enlisting Now

The US Army Recruiting Service offers travel to young men enlisting during the month of September, Sgt. Leonard M. Evans local Army Recruiter announced today.

Your travel is guaranteed under a unique new Army program called "Choose it Yourself," which allows you to choose assignment to either of two major geographical areas covering most of the Free World. Under this pro-

gram you can choose to serve in the Far East where we have units in Japan, Korea, Guam, and the Philippines; or you can choose Europe where personnel are stationed in Germany, France, and Italy. "No matter which area you choose the travel experience you'll gain there is bound to be exciting," the Sgt. said.

Also under this program, young men may choose to train in Infantry, Armor, Field Artillery and be assured of schooling or on the job training in any of these three vocational fields will prepare you for a position in the Army's national defense program.

This program is offered in addition to the normal enlistment programs given by the US Army Re-

cruiting Service. "Young men who enlist during September," the Sgt. said, "will be given eight weeks of basic training, then eight weeks of advance training before traveling to the overseas area of their choice." Men who are interested in travel under the Army's Choose it Yourself program may see Sgt. Evans at the Chamber of Commerce each Thursday, from 3:30-4:30 p.m., or they may call him collect at OR 2-5665, Abilene.

Going?

A familiar sight . . . men with briefcases daily throng airports all over the nation, winging their way from one place to another. But where, really, are they going?

In this busy age of appointments, rush hours, and summit meetings, we search for success, for more money, for a better future, for a variety of things. Yet, like so many mid-twentieth century Americans, the harder we seek the less we find.

We need a job, a purpose, a home, a family. But also, we need a church. We need to go into that church to reaffirm our faith both in God and in our fellow beings. Only then does our quest — and our ultimate destination — begin to make sense.

**THE CHURCH FOR ALL . . .  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**Give School Kids A "Brake" Says Safety Expert**

With more than 2,250,000 children attending Texas schools this September, motorists were being urged to adjust their driving habits accordingly by J. O. Musick, General Manager of the Texas Safety Association.

"Give a brake to our youngsters when nearing a school," he urged. "It is very appropriate for us to pause at this time of the year when children begin their training to prepare themselves for life, that we prepare ourselves through better driving habits to make it possible for them to live," Musick said.

Almost 200,000 youngsters full of anxiety will be going to school for the first time and will be a particular hazard from a safety standpoint. Although there is a tendency to think in terms of youngsters entering school for the first time, each age level has its particular safety hazards.

"While we have 200,000 starting school, there is another 115,000 reaching driving age. Congestion around Junior High Schools and High Schools is presenting greater traffic hazards each year," Musick pointed out.

Elementary schools will show a total enrollment of approximately 1,598,000. Children on bicycles present a particular hazard around these schools.

Parents were urged not to send children to school without going over basic safety precautions such as cross streets only at intersections and on direction of the Safety Patrol, ride bicycles on the right hand side of the road and move in the same manner direction as automobiles, use hand signals when riding bicycles, walk facing (or on the left hand side) traffic; and above all else, "Don't turn your youngster loose behind a ton of steel and bolts unless you can depend on him to obey traffic laws, exercise reasonable judgment and has in his possession a valid driver's license," Musick cautioned.

While parents are cautioning children about traffic problems, they owe it to the children to examine their own driving habits. "One of the best safety devices we know of is a child who watches the speedometer while his parents drive," Musick declared. "Whenever you have a child in the car with you, drive as if you were teaching him to drive — because you are," he said.

The white collar class is usually the first to feel the pinch of the high cost of living; this was so in the Twenties, but the white collar class hasn't done much about it.

**Lawanna J. Atkins and Rodney F. Lloyd Wed In College Church of Christ, Abilene**

The Chapel of College Church of Christ in Abilene was the setting of a candlelight ceremony Friday, August 26, at 7 p.m. for Lawanna Jane Atkins, daughter of I. F. Atkins of Amarillo and Mrs. Evelyn Eubank of Dallas, and Rodney Frederick Lloyd, son of Mr. and Mrs. Raymon Lloyd of Winters.

Bill Johnson, associate minister of College Church of Christ, officiated for the double ring ceremony before an altar adorned with baskets of white gladioli and chrysanthemums interspersed with candelabras holding lighted white tapers, banked with palms of emerald foliage.

Marty Hooper directed the quintet who sang "Because," "I Love You Truly," "Through the Years," "Be With Us Lord," "Wedding March" and "O Perfect Love for the Recessional."

Kenneth Lloyd served his brother as best man and groomsmen were Mike Jones of Winters, and Ronald Huddleston of Fort Worth. Tommy Mayhew of Winters and Jerry Bradford of Ranger were ushers.

Miss Martha Lloyd, sister of the groom, was maid of honor and bridesmaids were Misses Peggy White of Austin, the bride's college roommate, and Barbara Smith of Baytown. They wore identical mint green cotton satin sheath dresses overlaid with nylon organza forming bouffant skirts. Wide cummerbunds and heels of matching cotton satin accented the ensemble. Their hats were mint green pearl encrusted flower headpieces with circular tulle veils. They carried cascades of crown daisies and waxed English ivy leaves.

Given in marriage by her father, the bride wore a formal wedding gown of imported ivory peau de soie fashioned with a sweetheart neckline, cap sleeves with tiny tucks and basque waist with princess lines. Small bows accented the tucks in front of the skirt which extended into a chapel train. Her veil of illusion was attached to peau de soie headpiece forming a bow with streamers embroidered with seed pearls. She carried a cascade of cymbidium orchids encircled with gladiolus.

She wore the traditional something old, new, borrowed and blue and a diamond drop, a gift of the groom.

Immediately following the ceremony, a reception was held in the parlor of Nelson Hall on the campus of Abilene Christian College.

The bride's table was laid with a skirted net cloth over mint green showered with matching ribbon attached at the corners with mint green satin bows. The table was centered with an epergne candelabra holding the attendant's bouquets. Tommy Mayhew played piano selections throughout the reception hours and Miss Darla Gloff of Clifton presided at the register. Other members of the houseparty were Mrs. Larry Kelso of Abilene and Mrs. Robert Jacobs of Midland.

For a wedding trip to Carlsbad Caverns and other points of interest in New Mexico, the bride wore a heather green imported silk suit with black accessories. Her hat of roses was a blending shade of green and her corsage was two cymbidium orchids.

The bride, a 1959 graduate of Lovelady High School, is a sophomore at Abilene Christian College where she is a member of the Kitten Klub. It's an art lover's paradise. But you really don't have to be an art lover to enjoy the Indian Pictographs drawn on the rock cliffs of Indian Shelter Cliff.

This pictorial cliff is located about 25 miles north of Fredericksburg—near Doss, Texas—and close to the scenic old Lange's Water Mill.

Take your camera with you, as you'll want to remember this trip.

We all knew Texas was big but we didn't know it was so old until the discovery of the Midland Skull in 1954.

Scientists estimated this human skull, found in a prehistoric water hole, to be over 12,000 years old. This may be the oldest skull ever discovered on earth. If so, it means that human beings lived in the Ice Age with the huge Mammoths.

### Nancy Minzenmayer Became Bride Of David V. Heinritz Sunday Afternoon

In a candlelight ceremony Sunday afternoon at St. John's Lutheran Church Nancy Ann Minzenmayer, daughter of Mr. and Mrs. A. C. Minzenmayer of Winters, became the bride of David Vernon Heinritz, son of Mr. and Mrs. T. E. Heinritz of Appleton, Wisconsin.

The Rev. Henry Flathmann, pastor, officiated for the double ring ceremony before an altar decorated with baskets of white gladiolus and branch candelabras holding white candles. An arrangement of gladiolus and white candles were on the organ.

Miss Emma Henniger, organist, played wedding music and accompanied Mrs. Johnny Wilson, soloist. Myra Minzenmayer, sister of the bride and Anna Gottschalk, were junior bridesmaids and candlelighters.

Dave Joranson of Appleton, Wisconsin, served as best man and groomsmen were Ted Pfeiffer, Arthur Sander of Columbus, Ohio and Leo Minzenmayer, brother of the bride. Ushers were Roy Minzenmayer, brother of the bride, Charles Simpson and Bobby Bredemeyer, both cousins of the bride.

Nan Elaine Heinritz of Appleton, Wisconsin, sister of the groom, was maid of honor and Mrs. Arthur Sander of Columbus, Ohio, sister of the bride, was matron of honor. Bridesmaids were Carolyn Gottschalk, Ann Presley, both of Winters, Vicki Porter of Randolph A. F. B., Carolyn Holan, Amarillo and Nelda Helms of Clifton.

They wore identical dresses of light pink schiffli embroidered organza over white taffeta styled with scooped necklines, short sleeves, bouffant skirts, pink satin cummerbund and sashes. They wore picture hats and carried colonial bouquets of pink carnations.

Given in marriage by her father, the bride wore a floor-length bridal gown of tulle and lace over taffeta fashioned with a fitted bodice encrusted with seed pearls and sequins, scooped neckline with tiny scalloped edging and long sleeves extending to a point over the wrist. The waistline extended to a point in the front and the bouffant skirt featured three tiers of tulle edged by wide scalloped lace. She carried a white Bible topped with a single white orchid surrounded by feathered carnations and lilies of the valley.

Following the ceremony, a reception was held in the church parlors. The bride's table, laid

with white lace over pink linen, was centered with the bridesmaids bouquets and pink candles. Members of the houseparty were Mesdames Herman Bredemeyer, Carl Gottschalk, W. F. Gerhart, Hans Gottschalk, W. F. Minzenmayer, E. R. Wessels, Edward Gottschalk, Adolph Ernst, and Jake Presley.

Mrs. Minzenmayer presided at the register and Mrs. W. F. Gerhart ladeled punch from a crystal punch bowl. Mrs. Edward Gottschalk poured coffee from a silver service and Mrs. Bredemeyer served a separated three tiered wedding cake topped with a miniature heart encircling two wedding rings.

For a wedding trip to Colorado, the bride wore a blue two-piece knit suit and a white feathered hat. Her accessories were navy and white. She wore the orchid from her bouquet and a single strand of seed pearls which had belonged to the groom's great grandmother.

The bride, a graduate of Norton High School, attended Texas Lutheran College in Seguin and McMurry College in Abilene. She plans to complete her degree at Wisconsin State College. The bridegroom, a graduate of Appleton High School, attended the University of Wisconsin and Texas Lutheran College. He will be employed as a laboratory technician in Appleton, Wisconsin where the couple will make their home.

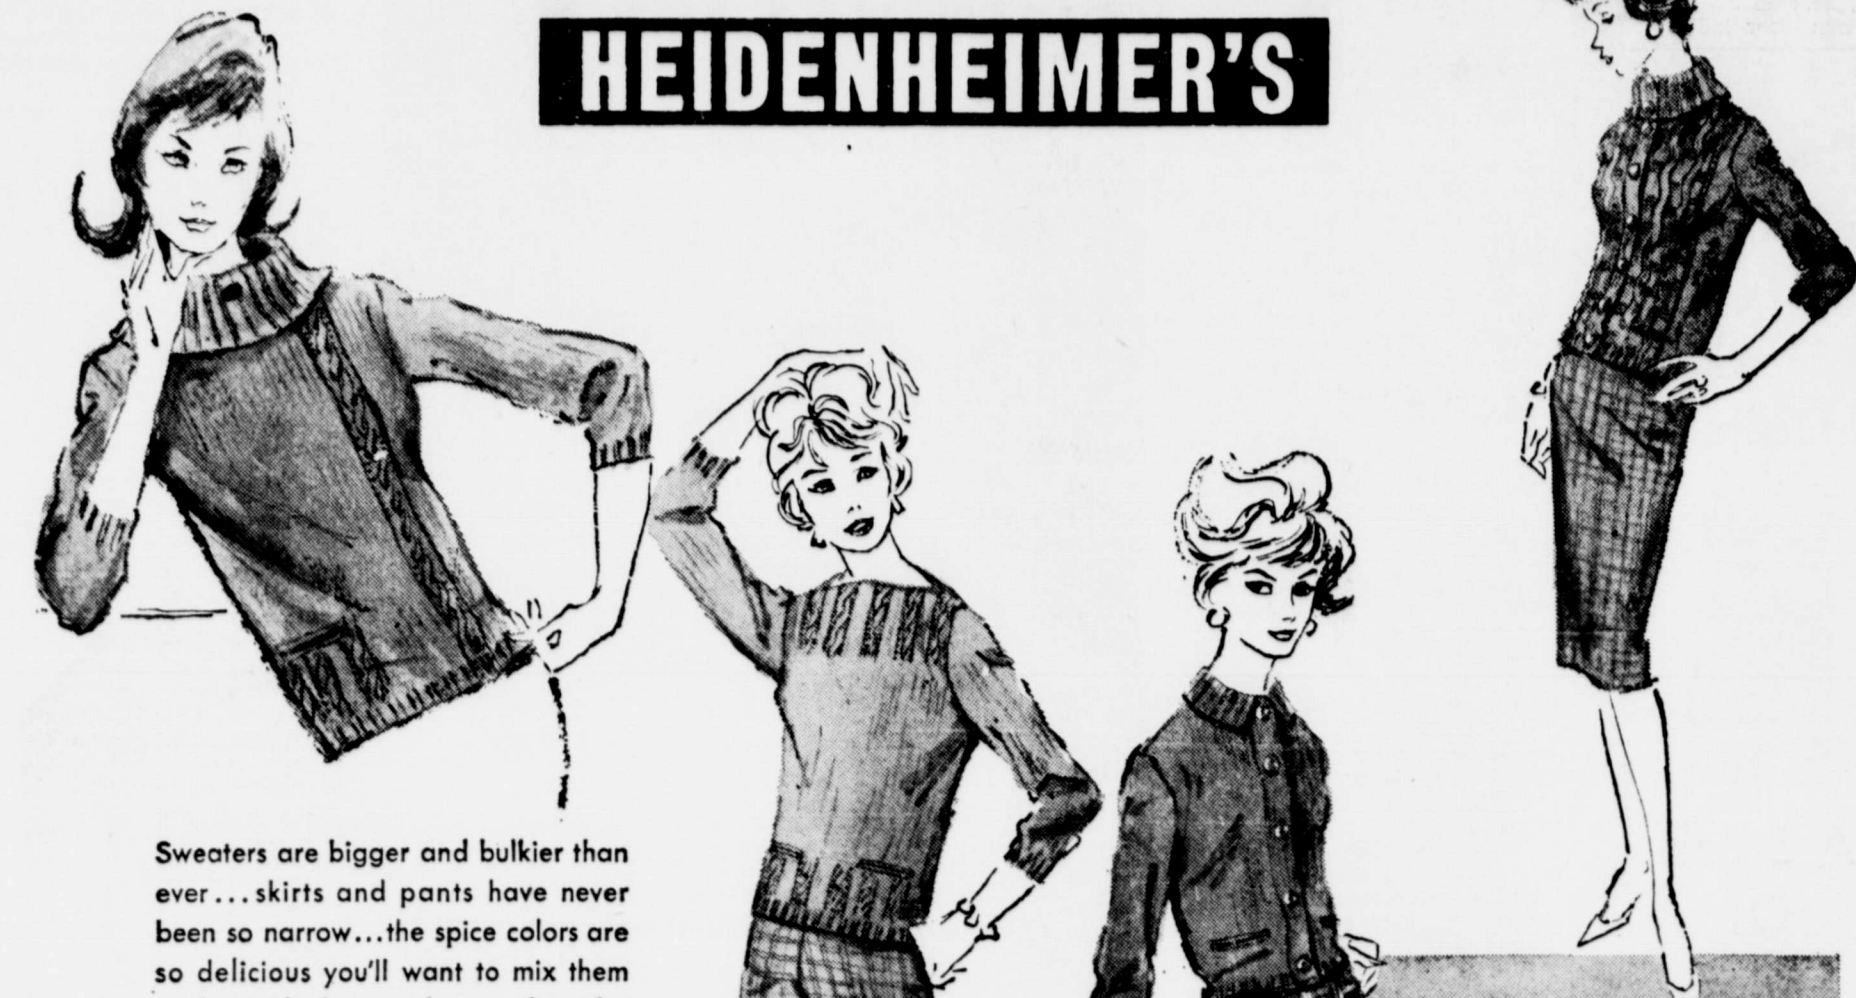

The bride's parents hosted the rehearsal dinner Saturday evening at their home. Carolyn Gottschalk served as hostess for the bridesmaids tea Saturday afternoon in the home of her parents, Mr. and Mrs. Carl Gottschalk.

The groom's parents were hosts for a luncheon Sunday at Pierce's Cafeteria for members of the wedding party and out-of-town guests.

Dinner was served following the wedding on the lawn at the home of the bride's parents, Mr. and Mrs. A. C. Minzenmayer.

Out-of-town guests who attended the wedding were Mr. and Mrs. T. E. Heinritz and Nan, David Joranson, all of Appleton, Wisconsin; Mrs. E. E. Albrecht, Yoakum; Elba Ahrens, Hallettsville; and Vicki Porter and Ted Pfeiffer, both of San Antonio; Carolyn Holan, Amarillo; Nelda Helms, Crawford; Mr. and Mrs. Arthur Sander, Columbus, Ohio; Mr. and Mrs. Anton Ahrens and Edgar Ahrens, Mr. and Mrs. Henry Ahrens, Wesley, Robert and Kathy, Mr. and Mrs. Bill Klas, Mrs. R.
