country. It's been around since the very birth of the nation, and very possibly could have been handled by George Washington and others who laid the foundation for these United States

Made of four-plate silver, the butter dish is designed with a false bottom with a hole through which water could be drained from the butter. There are two holders on the side for a fork, which has been lost in some past year.

The dish was the property of William McKendree (1757-1835) the 1960 cotton crop. who was an adjutant on Washington's staff during the Revolutionary War. McKendree was Elliott's grandmother's mother's father's brother, and was born in King William County, Virginia. Following the Revolutionary War, he became a preacher in the new Methodist Church, and eventually became the first native American bishop of the church, and the third bishop of the church. McKendree founded McKendree College, and McKendree Chapel in Cape Girardeau, Missouri, in 1806, said to be the oldest Protestant building west of the Mississippi.

The butter dish was handed down in the family, throughout the years sources raise those predictions to remaining in the possession of the preacher of the family. The silver dish is tarnished now, and no one

coming a serious matter to stockmen and farmers who would like The Rev. Ray Elliott, pastor of to get oats in the ground, but has the Winters Methodist Church, has progressed cotton picking. Some a butter dish, which, if able to stockmen are reporting a shortage communicate, could relate first of water for livestock and pastures hand some of the history of this need moisture. Also, farmers who need moisture to plant oats are waiting it out.

However, the cotton gins have been busy as the cotton has opened under the hot, dry sun. To

Ginned to Date:

Winters had ginned 1767 bales from

Wednesday noon, Winters gins had reported a total of 1767 bales already ginned, with prospects that another two weeks will see heavy increase in ginning.

Runnels County farmers are experiencing a good yield, according to C. T. Parker, county agent. There are a few spots in the county where the cotton did not receive rain at the right times, cutting down the yield considerably, Parker said, but he predicted a county-wide average of one-third to one-half bale per acre. He had predicted a total of 30,000 bales for Runnels County, but said some 40,000 bales.

As yet there is no serious shortage of hands, Parker said.

Many farmers of the county are waiting on the harvest, with plans to defoliate and mechanically strip Wilson has posted a rating board their cotton, the county agent said. in the dressing room at Blizzard The high cost of manually picking stadium. On it he has listed the the cotton is said to be a big reason for using the mechanical strippers, Parker indicated. He also that mechanical stripping said should not lower the grade of the cotton if care is taken.

Blizzards Travel To Albany Friday Nite

Winters Schools Will Dismiss 3 p. m. Friday, Sept 23

The Winters Schools will dismiss at 3 p. m. on Friday, September 23, in order that buses may return and leave at 4:30 for Albany. The group will stop in Abilene at 5:30 at the Dixie Pig restaurant and reach Albany in time for the game that night.

Police Chief In 120 MPH Chase **Wednesday Morn**

arrest of an Abilene man following an unsuccessful attempt by the Winters police to apprehend a speeder here early Wednesday, Police Chief Lawrence Hennigan said the man will be charged with speeding and resisting arrest.

Hennigan said he was sitting in patrol car in downtown Winters about 2 o'clock Wednesday morning when he saw a speeding car traveling north on Main Street. He gave chase, and said that he clocked the speed at 100 miles per hour within the city limits. The police car followed the speeder onto the highway, going about 120 miles per hour. At one point, about eight miles north of Winters, the policeman tried to halt the speeding car, but the other driver "tried 1960 squad. to run me off the road," as the chief of police put it.

Hennigan was unable to stop the car, but did get the license numher, and radioed the Abilene police and requested the apprehension and arrest of the driver.

TEACHING IN GERMANY -Adolph Gottschalk, son of Mr. and Mrs. Hans Gottschalk, has arrived in Germany and is teaching in the Kaiserslauten American High School. He left the States August 14, by plane, and since his arrival has made a sight-seeing trip to Paris, France, according to infor-mation received by his parents.

FROM BIG SPRING

wins and one loss on the record book for this season, take to the road Friday night for a tilt with Albany at Albany.

After the 30-12 drubbing at the hands of the Brady Bulldogs last Friday night, the Blizzards will be out to regain their stature around the circuit.

The Winters high school team will go into the Albany game weakened somewhat by the loss of Joel Butts, who has carried considerable weight in previous games. Butts suffered a broken collar bone in practice Monday, and will be laid up for several weeks, according to Coach L. G. Wilson. This is the first serious injury inflicted on the Blizzards this season, although there have been several minor injuries. John Jackson, Rodney Butts, Eugene Mathis and Tommy Alfrey are limping with minor bruises and injuries, but are expected to be on the field Friday night.

Tommy Webb, big guard, who has been out of action because of an eye injury this season, will be in the line-up Friday night against Albany

The District 10-A Albany team, which lost only twice and went to the quarter-finals in 1959, has been placed at the top of the heap in area A team ratings. Olney slapped them down 20-12 in the season opener, but Albany came back with a 22-0 win over Merkel, and then trounced Wylie 55-8. Earlier reports indicated 7 starters and 18 lettermen returning to Albany's

Winters still is sitting in the No. 5 spot in area AA ratings, and third in district rating behind Coleman and Ballinger. Hamlin, with whom the Blizzards tangle the following week, is the No. 1 team in area AA ratings thus far.

The Blizzards, who are developing into a "never let down" team. with fire right up to the wire, are playing one game at a time, but with an eye on the upcoming district fight.

Although changes may occur before the starting gun at Albany Friday night, Coach Wilson's starting offense lineup will probably look like this: Crowe and Roy Clark, E: Clanton and Mathis or John Jackson, T; Knapp, C; PeeWee Williams and Tommy Webb, G; Caskey, OB: William Grissom, FB: Tommy Young, LH, and Vernon Poe, RH.

For a defensive lineup, Wilson probably will pick: Jackson and Williams, G; Webb and Knapp, T; Mitchell and Steve Crissom, E: William Grissom and Alvis Jackson, linebackers; Dunn and Caskey, HB; Crowe, safety.

H. C. Satterwhite **Named Chairman of Girl Scout Drive**

H. C. Satterwhite has been named chairman of the Girl Scout Fund Drive scheduled to open October 3, 1960 throughout Winters, it was announced by Mrs. Clem Rozmen, chairman fo the Winters Girl Scout Association.

Volunteer workers, under the leadership of Mr. Satterwhite will seek \$1020.00 to continue and expand Scout activities for girls from seven to seventeen years old in this area.

"I have accepted the chairmanture Farmers of America Chapter ship of this campaign", Mr. Satwound up a week of showing with terwhite said, "because I believe several boys placing very high in that the Girl Scout program provides the best opportunity for girls of our city to acquire the Mike Priddy had the highest fundamentals of American citi-

For really fast, clean harvesting of stripper cotton, you just can't go wrong with the new John Deere 77 Stripper.

You can wade right through the heaviest irrigated cotton. You can work at speeds up to 6 mph. You save more cotton, and put less trash in the trailer.

The 77 has a new auger and paddle

system which keeps cotton moving into wide conveyors. Positive chain drive keeps you going. Open rod grates drop trash on the ground. Sealed bearings eliminate greasing.

We know this equipment can cut costs for you. Stop in or give us a call, and let's talk it over.

By Vern Sanford

Keeping up with neighbor Jones is a problem.

But keeping up with the multitude of manufacturers of the various and sundry items for outdoorsmen is many times more difficult. It's expensive, too!

There must be a million different products designed especially for those who fish, hunt, swim, ski, hike, go boating, or just plain

And - friend wife contends that we already have most of these

But the little woman is wrong there. She doesn't know the half ful! of it-in fact even a fraction of it. There are millions of items we tackle box cleaned up, hooks shardon't have! Trouble with her is pened, rod carefully checked, reel that she's looking at the multi- oiled and new line installed? tude of canceled checks . . . and comparing them with the small you in the way of a successful bank balance.

However, she is right in many your preparedness. Nothing is respects. Looking back I find that more disgusting than to arrive at I do buy nearly every lure that's a choice fishing spot only to disadvertised in the local newspaper. cover that you failed to bring Also I've purchased most of the along your favorite lures, or your rods and reels that have been best rod and reel. "specialed" in the press. My re-sistance always weakens when a sheet handy—just to be sure nothstore runs one of those "introduc- ing is overlooked. "special-price" offers. I'm a sucker for such deals. If Boyt case. It looks just like a

In fact the wife remarked just the other day, that if I didn't quit saving money that way we'd soon be broke. "We just can't afford to save any more," she warned.

There's a merchant in our town whose name is Dan. He has three

whose name is Dan. He has three stores. Biggest is a general mer-

going to write about them.

She's a pretty clever gal, that it of carrying a spare—we did get woman. When I came in from a to do a bit of fishing with the boys. recent visit to Dan's-with two or three of about every type of lure an extra rod and reel, just in that Dan had "specialed" . . . case. Reels do burn out, you know. there was a big signed greeted Lines do rot, eventually. And rods

Now I tell Dan to come out to he runs out of anything—and remy place on the lake, anytime

Anyway if you haven't been reading in this column lately, anything about the latest in everything outdoorwise, that's the reason. But chances are we'll be hark again as soon as the storm blows HERE MONDAY NIGHT

over—just like any avid angler.
ALWAYS CARRY A SPARE Hookey season is with us again. If you don't know what we mean then you've never skipped school

kids of 20, ever 40 years ago. And they're definitely smarter!

Anyway it's not their fault that, when school doors open, fishing gets better. But it sure does.

However, one doesn't have to cut school to get in some good fishing. There is plenty of time on week-ends. And if there's fishing water close by, many an angler finds it possible, and profitable, to get in a few hours of early morning casting before reporting to work

Don't overlook the fact that fish bite late in the evening too. Anyway-fall fishing is wonder-

Are you ready for it? Got the

What the fall months mean to season depends a great deal on

We keep our rod and I can save money I'll buy most anything.

gun case, but instead of a gun it holds a two-piece spinning or cast-

whose name is Dan. He has three stores. Biggest is a general merchandise type of store, but it stresses things for the sportsman . . . everything from tees to tents. He's a big buyer and sells at a small margin of profit. Every time he runs an ad his store swarms with customers. Usually I'm one of them.

a day or good fishing.

But, even then it's wise to open the cases before you leave home and give 'em the ole double-check. We know, because we just flat failed to do it only a few days ago. So there we were right on top-of the ole fishing hole . . . with everything and everybody ready to fish—except yours truly. We had everything with us including

of them.

I keep our fishing and hunting gear, as well as our boating extras, in a small storeroom in our fishing shack on the lake. I'll admit the room is pretty well packed.

My wife has complained lustily and long about my buying too many outdoors items. My "excuse" has been that I have to keep up-to-date on the products if I'm good habit. We always take along a spare outfit. Luckily Boyt case number two was fully equipped.

number two was fully equipped.

But, she found a way to put a stop to all this "foolishness" . . . as she calls it.

We had to forego the pleasure of trying out that beautiful new Garcia rod. But thanks to our hab-Moral of this story is-take along

me over the storage room door.

Emblazoned in huge letters was

—"Dan's No. 4."

That ended it. I took the hint.

So, play it safe. Take along a spare R and R whenever and wherever you go fishing.

Mr. and Mrs. Albert Stell of Brownfield were overnight visi-tors Monday in the home of Mrs. J. T. Stell.

Maybe we shouldn't be giving the youngsters ideas. They get blamed for enough nowadays. But we'll lay you 2 to 1 they are 10 times better behaved than the RETURNED HOME

Mrs. D. W. Williams, who has been a surgical pateint in a Ballinger hospital, returned home Monday and is convalescing nicely.

Baker gave a report on the general conference held in Denver. Mrs. Frank Mitchell conducted a quiz on the first chapter of the new study, "One World, One Mission." Mrs. Baker led the closing prayer.

Those present were Mesdames Sam Jones, Pat Patterson, W. T. Stanley, August Vater, Carl Baldwin, E. H. Baker, Louisa Johnson,

The Mary Martha Circle met in with them. the home of Mrs. D. A. Dobbins with Mrs. J. D. Vinson presiding. Mrs. Ella Ritch led the opening prayer and Mrs. Garland Shook gave the devotional, "God Calls." Mrs. W. W. Parramore gave the introduction to the new study, 'One World, One Mission," and Mrs. R. P. Weeks gave a newspaper report, "SS Hope - Seaborne." Mrs. Gattis Neely led the closing prayer.

Those present were Mesdames J. Poe, Lee Herman, Ella Ritch, Jerry English, Gattis Neely, R. P. Weeks, J. E. Roye, N. C. Hinds, Garland Shook, Bob Hatcher, George Rosson, Elmo Mayhew, W. Parramore, J. D. Vinson and D. A. Dobbins.

Sub Deb Club Met Monday Night In Robert Gans Home

Regular meeting of the Sub Deb Club was held Monday, Sept. 19, in the home of Mr. and Mrs. Robert Gans, with their daughter, Tamala serving as hostess.

New members were initiated and the club voted to have a cake sale Saturday, Sept. 24.

Members present were Marion Ray Chapman. Burrows, Judy Kettler, Diann Roper, Janel Gerhart, Deanna Kozelsky, Karen Foster, Sondra FROM LUBBOCK

WMU Circles Met In Brannon Home

The Mildred Crabtree circle of the First Baptist Church WMU met Tuesday in the home of the circle Circles of the Woman's Society chairman, Mrs. Ira Brannon. Mrs. for the day. Minutes of the previous meeting were read and members present answered roll call. Mrs. J. F. Ritchie presided for the business meeting when the committee reports were given. All members were urged to visit members of the extension circle. Mrs. Brannon reminded the women that this was the last meeting of the Associational Year; and since circle names and members are changed at the beginning of the new year, this was her last time to preside as chairman of the Mildred Crabtree Circle. She expressed her appreciation for the privilege of working with the members of her circle as well as the pleasure that Frank Mitchell and W. D. Sanders. had been hers in her association

Mrs. Minnie Mitchell who was in charge of the program, reminded the group that the theme for the Mrs. J. Crockett charge of the program, reminded quarter has been "Sharing Possessions" before presenting the program of the day, "Beyond the Women taking part were Tithe." Mrs. Richie, Mrs. Wavne Sims. Mrs. C. E. Whitmire and Mrs. Joe

Others present for the meeting were Mrs. H. E. Height and Mrs. J. N. Clark.

Mrs. S. B. Parks was hostess for the meeting of the Jane Martin Circle. Mrs. George Poe, vicepresident of the WMU, read the prayer calendar and Mrs. D. B. Robertson led the opening prayer. Mrs. Jake Smith, circle chairman, presided, as well as being in charge of the program.

The Elaine Hancock Circle met in the home of Mrs. Earl Little to study the book, "Woman's Mis- president of Auxiliary 1815. sionary Union." Those presenting the book were Mrs. Little, Mrs. David Carroll, Mrs. Bobby Drake, Mrs. Jack Pierce, and Mrs. Dalvin Awalt. A salad luncheon was also an enjoyable part of the day's activities. New members of the Circle present for the study were Mrs. Loyd Elliot and Mrs. Billy

Mrs. Bragg of the Crews Methodist Church taught the lesson.

"What is Real Religion?" is the subject for next Sunday's Sunday School Lesson. Meditation: 'Church work is not merely carrying on the church as an institution. Real participation in Christian service means more than bustling busyness. It means helping at the hurt places as Jesus did. Let a churchman ask himself, 'Do I and plan on paper than to go directly to the need of someone?' If some of the creative energy now used in running church organizations could be sent straight to the human needs in the first place, these organizations would take

'Our Club" Topic Of Program At Goal Diggers Meet

"Our Club" was the topic of the program presented by Diane Buckner, Cecile Nitsch, and Virginia Foster at the regular meeting of the Goal Diggers Club held Monday evening in the R. E. Cowan home with their daughter, Sandra, serving as hostess.

The group voted to have a rummage sale Saturday, October 1, and if anyone has something they would like to give the club, please call PL4-5311 and someone will pick them up.

Refreshments were served to Nancy Norman, Pam Bedford, Marcene Matthies, Jave Henley Sandra Cowan, Margaret Stoecker, Virginia Foster, Eugenia Voss, Barbara Sneed, Cecile Nitsch, Jere Merck, Marta Davidson, Lynann Kruse, Diane Buckner, Parks and Coylene Riddle.

Wednesday Study Circle Met In Lutheran Church

Wednesday Study Circle met Wednesday in the parlor of St. John's Lutheran Church. Mrs. R. C. Kurtz, Jr., presided for the business session and the group voted not to have a regular meeting in December.

Mrs. R. C. Jr. Kurtz, and Mrs. R. T. O'Dell presented the devotions and the group sang "Sweet Hour of Prayer" and "Even Me."

Mrs. Merle Wright and Mrs. Fred Mabry served as hostess and those present were Mesdames R. T. O'-Dell, Delbert Kruse, H. K. Flathmann, Dick Dunlap, Fred Mabry, Merle Wright, George Pruser, Jr., Edward Bredemeyer and Jerry

Chat and Sew Club Met Recently In

Alvis Jobe Home Chat and Sew Club held their regular meeting recently in the home of Mr. and Mrs. Alvis Jobe. Ouilt blocks were made for the hostess. Club pals were revealed and new names were drawn. Those present were Mesdames Johnny Pierce, C. W. Mayes, C. Busher, Olga George, A. Z. Sharp, B. D. Jobe, Carson Easterly, John Grohman, W. L. Burton, Ed Donica, a new member, Mrs. Dan Gresham and a visitor, Mrs. Dorothy

Blackwood. The next meeting will be held in the home of Mr. and Mrs. C. Busher.

Runnels Teacher Committee Met In Ballinger

The legislative committee of Runnels County Texas State Teachers Association unit met Monday at the Bonham Elemtary School in Ballinger.

Sites and dates for the meetings were set and approved. The first meeting will be held Oct. 24, in Winters, and the unit will meet February 27, and April 24, in Ball-

Committees appointed were W. Elkins of Ballinger, chairman, E. Caskey, Ballinger, Rodney Cathey, Winters, A. Dooley, Wingate, H. Porter, Norton, J. Pennington, Miles, Mrs. E. E. Lisso, Rowena, membership; Robert Gans, Winters, public relations; and Mrs. Corrine Buckner, Winters, program committee.

Those present were W. E. Elkins, Ballinger; D. Coleman, Miles; Mrs. Corrine Buckner, Robert Christian, Robert Gans, all of Winters; J. Pennington, Miles; and Mrs. Wilma Bartlett, Ballinger.

U. S. Marine Corps security detachments guard United States property at legations, embassies and consulates all over the world.

The old believe everything; the middle-aged suspect everything, the young know everything.

TO HOUSTON

Mr. and Mrs. Paul Gerlach accompanied their daughter, Mrs. Jimmy Kruse and baby to Houson where she boarded a plane for Germany to join her husband who is in the service with the US forces. Before returning the Gerlachs vacationed in Galveston.

CARD OF THANKS

We wish to express our appreciation for your thoughtfulness at the loss of our home. Thank you for the lovely gifts, donations and food. Also we wish to thank the fireman and men who are helping us to rebuild. May God bless each of you and may we some day repay your kindness. The Bill Hendrix Family

Blizzards Drop Game To Brady Friday 30-12

fell from the unbeaten list when of the Junior Culture Club held they met the Brady Bulldogs here Friday night. Brady continued a Mrs. J. R. Vague. Mrs. James jinx of running over Winters, as Hinds shared hostess duties with they racked up an impressive 30 Mrs. Vague. to 12 win, that started some years ago. However, usually several son pointed out that this musical Blizzards are sidelined for a few play will be the last for the team weeks after the annual Brady of Rodgers and Hammerstein blast; this time they sustained no since the death of Oscar Hammerserious injuries.

Rodney Butts, playing with his broken hand received in the Anson in New York on November 16, 1959 be held Sept. 29 in the Henry Rich- Use Enterprise Classified Adsi game, kicked off for Winters. Harry Bowden took the runback, and Brady began their first touchdown drive on their own 41 yard line, and in three plays, a handoff by quarterback Charles Reynolds to Jimmy Hill, another handoff to Bowden, and a keeper by Reynolds, gave them their first down. Three more handoffs by Reynolds, one to Gene Henderson, twice to Hill, took them to Winters' 36. Reynolds continued his effective handoffs, one to Hill, then used a pitchout to Henderson who went for seven yards, making it third down and 2 yards to go. The Winters line opened up in the middle to let Bowden through for a 28 yard scamper to the goal line. The pass for extra points was incomplete - Reynolds to Knox Trammel, and the score was Brady 6. Winters 0.

Winters' first try on the offensive after the kickoff was from their own 29 yard line. Quarterback Johnny Caskey gave Vernon Poe the first assignment, and he came through with 6 yards. William Grissom then made 2 around left, but Joel Butts was stopped at the line of scrimmage. Grissom was called on to kick out-for 58 yards. Brady, backed up against their own goal line, chose to kick out, giving Winters the ball on Brady's 40. Two plays were run, and offsides was called against Brady, giving Winters their first first down. The ball went over to Brady on the next series, and after a few plays from scrimmage the quarter ended.

Late in the second quarter after six first downs, beginning on their own 6 yard line, Brady called on Reynolds to pass to Brantley Foster for 13 yards and their second TD. Reynolds went across on a keeper for the extra two-score with 1:03 left in the half. Brady 14, Win-

Winters received the second chapter kickoff, but failed to make a first after Poe carried for 1, and Grissom made five before he kicked on the fourth down. With the ball on Brady's 4-, the second play, 155-pound back Henderson got loose and ran 46 yards, being pulled down by Jerry Dunn on the Winters 8. Again on the second down, Reynolds went over for the TD. A handoff from Reynolds to Hill was successfull, making the

score 22-0, all Brady. After Brady's Williams kicked off, beginning on the 26 in Winters territory, Steve Grissom took a handoff for 7; Butts carried for 1; and William Grissom carried for 5 more. A pass from Caskey to Kenneth Crowe made for 58 yards, putting the Big Blue on Brady's 15. Another round of end runs moved Winters to the 4, as Grissom was sent around right guard for the TD. The try for extra points was Grissom again around the right but was no good. With 5:13 left in the third quarter, Winters 6, Brady 22.

Brady opened the fourth with a show on Winters' 11 yard line. With fourth down and 6 to go, they tried a pass that was incomplete, and Winters took over on their own 11. Three plays produced only 3 yards for the Blizzards, and Grissom was called on to kick out. On the first play for Brady on Winters' 49, Hill fumbled and Johnny Caskey recovered. He then tried three pass plays, the third intended for Butts, but intercepted by Brady's Reynolds. With six plays including three laterals, Brady moved the ball to Winters' 15. Another lateral to Hill produced the TD, making the score 28-6 with 7:23 in the game. The pass to Trammel found him in the clear, behind the goal line, so the

score ran on up to 30-6.

After the kickoff Winters took to the air. Caskey pitched out to Poe who threw to Crowe for the first down. Caskey to Williams, incomplete; Caskey on a draw to Grissom for 2; Caskey pitched out to Grissom who passed, intending for Crowe, but Kidd intercepted for Brady's second interception. On the second play, a handoff to Hen-derson was fumbled and Steve Grissom recovered for Winters. From their own 21, Poe made 9 on a handoff and a pass to Crowe was completed on Brady's 46. Two more first downs were made with handoffs and short passes putting Winters on Brady's 19. Caskey passed to Crowe from there for Winters' second touchdown. The try for extra points was incomplete, with the score Brady 30-Winters 12, with 2:27 left to play. Brady ran out the clock with ground plays after the kickoff.

William Grissom made 90 yards on 19 carries in the game against

St. John's Evening Circle Met Monday In Pruser Home

Evening Circle of St. John's Lutheran Church met Monday evening in the George Pruser Jr. home with Mrs. Pruser serving as hos-

The meeting opened with the group singing the hymn, "In the Hour of Trial." Mrs. L. E. Jacob led the devotions and Miss Minnie Belitz presented the topic, "The Arrest and Trial," taken from the

gospel of Mark 14-15. Mrs. L. R. Hoppe presided for the business session, Miss Estella Bredemeyer read the minutes and Miss Belitz gave a treasurer's report. Following a general discussion, Mrs. Charles Kruse Jr. gave an interesting report on the American Lutheran Church Women's Convention that she attended in Austin.

The meeting closed with the group repeating the Lord's Pray-

Members present were Mes dames Willis Whittenberg, L. R. Hoppe, Dick Dunlap, L. E. Jacob, A. N. Crowley, H. K. Flathmann, Charles Kruse Jr., Edward Bredemeyer, Jerry Holle, George Pruser, Jr., Henry Witte, Grady Byers and Misses Estella Bredemeyer and Minnie Belitz.

The next month's meeting will be held in the L. R. Hoppe home.

CARD OF THANKS

We are sincerely grateful to friends and neighbors for their many kind acts of sympathy during our sad bereavement. Our appreciation cannot be adequately expressed. A special thanks to Dr. H. H. McCreight and the nurses for their services. For your flowers, cards and the food that was brought and served, we are deeply grateful. Jewel Allen and fam-

Morning Shave or Night-time Shower...

Your Flameless Electric Water Heater Gives You Round The Clock Hot Water

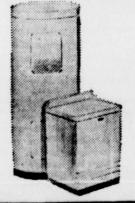

Whatever the time of day - wherever your need for hot water - you'll always have all the hot water you want, when you heat water with flameless electricity.

There's never any work or worry. Just turn the tap, and there's a steady stream of really hot water—enough for your entire family's needs.

The electric water heater is one modern appliance you can install — and then forget! It's completely automatic and dependable - clean as your flameless electric light equipped with thermostatic controls that see to it that you'll enjoy round-the-clock round-the-house HOT water!

A FRIGIDAIRE Electric WATER HEATER

IS ASSURANCE OF QUALITY

Your Assurance of Quality-The Frigidaire One-Year Warranty and Nine-Year Protection Plan is your assurance of quality. Whichever model you buy-Imperial or DeLuxe – it's protected against tank failure for 10 years. The entire Water Heater, including electrical controls, is covered by the One-Year Warranty. And under the Protection Plan, the tank is fully warranted for an additional four years after expiration of the first-year warranty, with a liberal allowance granted if replacement of the tank is necessary in the sixth through tenth year.

Your Flameless Electric Water Heater Can Be Installed Most Anywhere It's Safe!

Four Constitutional Amendments To Be Voted On In General Election

Texas Press Association

With all the hoopla over the national elections, many Texans may get to the polls Nov. 8 before they realize they have other important decisions to make that day.

Four proposed amendments to the Texas Constitution will be voted on at the general election. Voting to approve or reject alterations in the state's basic law is one of the most important responsibilities a voter has. It is the 3 1-2 percent on bonds issued hereaverage citizen's one and only opportunity to participate directly in the lawmaking process.

Here, in brief, are the proposed amendments (in the order they will appear on the ballot) and what they would do:

Amendment One; Would authorize creation of special hospital districts in Lamar County, Hidalgo County and Commissioners Precinct No. 4 of Comanche County.

Approval of this amendment would not actually create these hospital districts, but would give local voters authority to do so in a local election.

Amendments such as this one, which apply only to the areas specifically mentioned, usually are passed on the grounds that they

give local voters authority to take care of local affairs. Since it is permissive rather than mandatory local voters can decide for themselves whether they want to carry it through.

Some argue against such amendments on the grounds that such details as this should not be added to an already overly - long Constitution.

Amendment Two; Would permit a rate of interest not to exceed after for the benefit of the Veterans Land Fund. Present constitutional ceiling is 3 percent.

Veterans Land Board is authorized by law to sell bonds and use the money from these sales to buy land which is re-sold to qualified Texas veterans. Law provided for the sale of \$200,000,000 in bonds, but the Board has not been able to sell the last \$62,500,000 of these bonds because, in today's market, 3 percent interest does not make them an attractive investment.

Financial experts think that to 3 1-2 percent should be sufficient to make the bonds salable

again. Amendment Three: Would change the pay scale of members

PUPPY LOVE-His love of animals led Tony Canterbury, 9, of Muskogee, Okla., to crawl through a narrow drainage pipe after he heard these five part-coyote pups whimpering. The pups had declined to come out of the pipe under a Leavenworth, Kan., street intersection.

raising the permitted interest rate of the Legislature to give them September and October are ex would limit regular sessions to 140 half of that for November and days (present limit is 120 days). December. Lawmakers would receive \$12 a day for each day of a 140-day regular session plus \$12 a day for each day of a 30-day special call-

> At present, legislators receive ceeds the late Gus Farrar. ed session. They receive no pay with the Land Office since 1948. . in years the Legislature does not U. S. Dept. of Agriculture has pre-

of the round trip between his home and Austin once each session.

This amendment is essentially sent arrangement and the constitutional change proposed in 1958. Last time the proposal was for annual salaries of \$7,500 and no per diem. It also provided for annual session which, many think, contributed to its defeat.

Proponents of the current plan say that it will make it possible for better qualified people to serve in the Legislature without having to make so much of a personal financial sacrifice to do so.

Opponents argue that it will create "professional legislators." They contend that it is better for the lawmaker to have another job in private life to keep him closer to the problems of the people.

If the amendment is passed, a Texas legislator would receive for his two-year term of office minimum pay of \$9,600. In other states, the pay for a two-year term ranges from \$200 in New Hampshire to \$15,000 in New York. Average is about \$3,600.

Amendment 4: Would give the Legislature authority to classify loans and lenders, to license and regulate lenders, to define what part of the charge made on loans should be considered interest and to fix the maximum rate of interest which should be charged.

This is generally known as the 'anti-loan shark" amendment and is being supported by a blue ribbon committee of citizens from over the state.

At present the Constitution provides that the maximum rate of interest shall be 10 percent. This is widely, almost universally, violated by the small loan industry, usually through additional charges besides the interest-"handling charges, service charges," etc.

Attorney General's department investigations have turned up cases of flagrant abuses by loan companies, making charges that totaled altogether as much as 300 percent of the amount loaned. On the other hand, the investogators themselves admit that a loan company making short-term, high-risk personal loans cannot stay in the black on 10 percent.

If this amendment is passed, it will be up to the Legislature to decide what is a fair charge. Even those legislators who voted for this proposal admit they dread the prospect of having to decide what rates are fair.

HIGHWAY SLOWDOWN DUE Public highway work in Texas will be cut back about one-half for the months of November and December, the State Highway Department announces.

This is a seasonal drop, according to State Highway Engineer DeWitt C. Greer. Spring and summer are the "Rush season" for highway work because the weather is good. They are also the months when revenue from gaso-

Another theory called for an amendment to the Constitutional which would not only license and regulate lenders, but would also remove the Constitutional limitation on legal interest rates. At the present time it is pegged by the Texas Constitution at ten per cent.

Amendment No. 4 is a response to the second approach. If passed it will license and regulate lenders, remove the present Constitutional limitation on interest rates, and place the fixing of maximum interest rates in the hands of the Legislature.

Stored Grains May Require **Fumigation**

Grains cannot be stored and then forgotten. Insects such as the rice weevil and Angoumois grain moth may infest the grain in the field, and infested grain may be brought into storage. C. F. Garner and R. L. Ridgway, extension entomoligists, say that fumigation is the best protection against insect damage to stored grain.

Several fumigants are effective for killing stored grain insects, the specialists continue. They are formulated as various combinations, and are sold by companies under different trade names.

When applying liquid fumigants, the storer should be careful to spray the entire surface of the grain. Fumigant application may be accomplished with hand pump sprayer for small quantities of grain, or with some form of power operated sprayer for larger amounts. The bin should be closed after the fumigant is applied, and it should not be opened for at least 24 hours-preferably 4 or days. As a safety precaution, at least two men should be present when the fumigants are being applied, the specialists continue.

Garner and Ridgway suggest that anyone planning fumigation contact the local county agent. He can supply specific information for the particular situation, and he can also offer valuable suggestions and advice.

Runnels SCD Exhibit Won Place at Fair

"Runnels Soil Conservation Disrict displayed an exhibit at the West Texas Fair last week in Abilene, according to Arthur Eggemeyer, board chairman. He explained that the exhibit was a typical GPCP plan, including time schedule, contract and estimated cost shares. The exhibit also displayed photographs of untreated and treated land under the pro-

Eggemeyer said the exhibit won fourth place in competition with colleges and other agriculture ex-

Don't argue-just stop talking.

Now Is Time To Plant Pastures

"These cool mornings remind us that winter will be here soon,' states Bill Minzenmayer, supervisor of the Runnels Soil Conservation District. "Before long we will be hauling feed to the cows," continues Minzenmayer.

"Why not plant some temporary pasture," suggests Cecil L. Drake of the Soil Conservation ing reduces productivity. Service. "Small grains, such as well and furnish considerable grazing." It would be wise to consider the following principles before planting your temporary pasture:

Select a crop adapted to soil conditions and moisture limita-

Plant an acreage which will be sufficient to fill your needs in poor or average years.

For higher yields use commercial fertilizer.

Plant on time so plants can get growth before cold weather.

Do not graze too early - give plants a chance to get strong, vigorous root system set in ground. Do not overgraze-close graz-

In spring allow to recover oats, barley, and wheat will do growth and plow under as a green manure crop. Or pull off and mature a grain crop.
