Miss Gardner heaped praise on the four girls who played in guard positions. Their defensive play, combined with the fast work of the forwards, made for a thrilling, championship - styled basketball game, she said.

In Tuesday night's bi-district contest, Lou Awalt paced Winters with 37 points.

The Blizzardettes led Granbury at the end of the first period, 18-16, and the game was deadlocked, 32-32, at halftime. The local girls dropped behind the Granbury team at the end of the third quarter, 47-50, but a 20-point surge in the final quarter put them out front to sack the contest.

Saturday Deadline For Filing For City Offices

Saturday, March 4, is the deadline for filing as a candidate for city office. The City Secretary's office will be open until noon Saturday, to receive any certificates.

After that the city hall said, persons wishing to file can contact Mayor Harvey D. Jones, who will be available to accept certificates until midnight, March 4.

In the city election, which prom ises to become warm prior to election date, five candidates have filed for two vacancies on the city council, and two candidates are up for mayor. Ralph Lloyd and Barney Bryant, incumbent aldermen, are running for re-election, and Griff Brown, T. A. Smith and A. C. Ernst have filed as candidates. Mayor Harvey D. Jones has filed for re-election to that office. His opponent is George Poe. In the middle of the week, there were prospects that other candidates might file, but no one has definite-

ly taken that step.

Mayor Jones last Saturday signed the official order calling for the ed the ornical order caning for the election, set for April 4, and named election judges and clerks. Judges will be Dr. Don B. Bedford, J. C. Wilkerson and Hans Gerhart. Clerks will be Mrs. Anna Mae Cox and Mrs. Louise Collins. Balloting will take place at the city hall.

ASC Office Seeks Information On **Feed Grain**

The Runnels County ASC office has been requested to secure cergrain farm in the county, to be used in connection with the new feed grain program, it was announced this week.

At this time, the county ASC of fice does not have detailed information on the feed grain program, they pointed out, but hope to have more information in the very near

The ASC office made this announcement: "If grain sorghum, oats, barley or field corn was planted on your farm in 1959 or are issued. 1960, it will be necessary for you to submit the number of acres devoted to each crop produced on those years and sign Form CSS-532. We must have this information whether you plan to participate in the program or not and the signing of the form does not obligate thanks to the citizens of Winters you in any way as the program is to be on a voluntary basis. Community committeemen will

be located at the following places on March 8, 9, and 10, for the pur pose of assisting farmers in executing Form CSS-532, it was announced. Community A: Rowena at the

Fire Station. Community B: Ballinger in the ounty court room.

Community C: Wilmeth. Community D: Winters, at the Chamber of Commerce.

All offices will be open from 8 a. m. to 5 p. m. on the dates specified. Also, it was announced by the

county ASC office, letters are being mailed to each feed grain farmer in Runnels County with instructions as to which place each farmer will go to give the needed information. The county ASC committee has asked that farmers not go to the local ASC office during this sign-up period as the papers will be in the designated locations. "Since the county office has on-

ly a short time to complete this operation, we are asking that every feed grain farmer make it a date to go to the designated place on one of the three dates mentioned," ASC spokesmen said.

Bicycle Tags Will Be Issued Saturday

With safety instructions and exams behind them, Winters' bicy- hew and Mrs. Abbott w tain information on each feed cle riders will receive their registration cards and tags Saturday, March 4, at the Scout Hut.

> Safety instructions and exams were given Monday at the school Winters police department will be in charge of inspecting bicycles and issuing tags Saturday. Charge for registration will be fifty cents per bicycle. All bicycles will be inspected for safety features brakes, reflectors, lights, etc.-by members of the police department before registration cards and tags

> Club will assist the police department in issuing registration cards. Spokesmen for the Junior Culture Club, which spearheaded the drive for bicycle safety measures in Winters, expressed a vote of for their cooperation in this project. The Club conceived the idea and sponsored enactment of the bicycle safety ordinance by the City Council last year. Main concern, it was pointed out, was the education of young bicycle riders on safety rules and regulations.

The leaders are now planning to train girls in their troops in procedures for conducting the sale. The cookie sale sponsored by

the Heart of Texas Girls Scout year. It will finance maintenance and further development of the council's Camp Wood Lake or Lake Brownwood,

Mrs. Patrick T. McGowan Brownwood is chairman of the 1961 cookie committee for the council. Other members of this committee are Mrs. Fay Looney, treasurer; and Mrs. Ray. A. Hoyle staff adviser.

Cookie sale in each city within the council will be directed by a community cookie chairman. The community cookie chairman here is Mrs. Clifford Hill.

The Heart of Texas council takes in scout troops from Ballinger, Brady, Breckenridge, Cisco Clyde, Coleman, Eastland, Gold-Jacksboro Graham, thwaite. Lampasas, Mineral Wells, Stephenville, Weatherford, Winters and Brownwood.

Winters scout leaders who have completed the training course are Mrs. George R. Hill, Mrs. Luther Smith, Mrs. Curtis Mayo, Mrs. Ray Wilbanks, Mrs. James Brown, Mrs. Freddie Morrison, Mrs. Gary Simpson, Mrs. Mary Warlick, Mrs. Robert Kraatz.

Camp Wood Lake is being built almost entirely with cookie sale funds-money raised by the scouts themselves. In fact, scout officials estimate 95 percent of the money spent in developing the camp has come from cookie sales.

Two of the original four units planned for the camp have been completed to date. Included in each unit are seven to nine tent frames, a shower house, and a unit shelter which is used for program activities and shelter in case of inclement weather. A dining hall with accomodations for 100 people was opened for the first time in 1959. A troop camp building is open for camping throughout the year.

A new and modern infirmary with facilities for treating minor accidents or illness among campers is also a feature of the camp. Included in this building are nurses' quarters, ward room, isolation ward, and a small kitchen. Another new building is the fiveroom caretaker's home.

Future plans-which will depend upon the success of the cookie sales-are for one or more additional units, a craft house which may be used for storage when

At present the camp may accomodate 56 campers per week. Six sessions of camp are conducted each summer for scouts in the council. Approximately \$60,000 has been spent on development of

TEXAS INDEPENDENCE DAY

Dear to every Texan is the word "Liberty". It is for this our native sons have many times fought and died. This month as we pause to observe Texas Independence Day our great commonwealth is in its second century of growth and progress.

Though our state is vast in size those who live within its borders are bound together by a pioneer spirit and a fortitude which are a heritage from olden days. We are proud of our accomplishments, for here is found the best in life that America gives. It is a state where a man's opportunities are only limited by his vision and ability. Friendliness and helpfulness are characteristics of the people. It is a place

April 17 Deadline For Filing Annual Report For Social Security

You know that April 17, 1961, is the deadline for filing 1960 income tax returns. But do you know that this date is also a deadline for a social security beneficiary to file an annual report of earnings, reminded Floyd B. Ellington, District Manager of the San Angelo Social Security Office.

If you earned more than \$1,200 during 1960, you must file a report of your earnings with the Social 17, 1961. Even if you earned over \$1,200 you are entitled to receive benefits for any months in which you did not earn over \$100. If you were in business for yourself in 1960, you are entitled to receive checks for months in which you did not actively engage in your business. You must file this report to receive the payments.

You do not have to file a report if you did not earn over \$1,200 in 1960, or if you were over age 72 the entire year, Ellington said.

All beneficiaries recently received a postcard with their social security check, which can be used to get a report form. If you need Gold bear arrow points: Bill help with this report, contact your local social security office at San Angelo. If a report should be made you may lose additional benefits, Ellington cautioned, for failure to report on time.

City Council, in session Monday night, decided to install such a device at some location in town, probably in the vicinity of the water plant. Once the meter is in operation, it will no longer be permissible for haulers to draw water from either of the lakes, city officials pointed out.

Also, at the Monday night meetng, Mrs. Sam Walker was employed as a clerk by the city. The Council also agreed to employ Miss tary's office.

City Council also decided Monday night to "crack down" on delinquent utility bills. According to the City Secretary's office, all persons who allow utility bills to go without payment for 30 days will be cut off. Three notices will be sent out prior to discontinuance, warned city officials. Also, city spokesmen said, if utilities are discontinued, a re-connection charge
