Talk

Winters will go to the Tuesday to mark another in the process of self-government. They will elect a mayor and two aldermen, who will play important roles in the administration of the affairs of the City. The election, probably, is the most important in the whole pyramid, in that it is close to the people and is basic, affecting more than any other the stability and the right to choose for themselves who handle the business of the community.

Several weeks ago, when plans were beginning to be made for the upcoming City election, the Enterprise extended an invitation to all concerned to use the pages in presenting their views for the study of the candidates. There were to be no speeches, and space was without charge, because the paper believed that the candid attitudes of all candidates of paramount importance to voters in the selection of a mayor and two aldermen. There can be no criticism of the calling of the election, as it is a traditional in the publication. If, during the campaign, issues have been discussed, as such, no stand one way or the other have been treated with due courtesy and confidence felt at the start that it was necessary if the voters were to be informed and satisfied.

of unrestricted space accepted; candidates have voiced their opinions on the conduct of city government. Sometimes opinions and have been poles apart—but if it is a good thing, if two consistently think alike on one of them is not thinking, answers now rest on the count.

Enterprise strongly urged qualified voter to make a point to go to the polls, and vote his conviction. He can ask for more than then after this election is done with, let's all go to work and pull together for the progress of Winters be past—regardless of it. Because, in one sense, we, all win.

important as the City will be the School Board election, and the Senate Tuesday. Exercise diligence in these elections, men have this privilege.

people over at Italy—deserve more than glances for their action a few days. Standing hip-ribble of their tornado-torn town, where damages estimated at from \$500,000 they turned thumbs down for aid from the federal government.

Monday night's tornado hit, city council asked Editor of the Italy News to inform Rep. Olin Teague who had offered aid. Council authorizes me to offer of federal aid. We feel the federal aid in worse shape than suggest that any allocation for Italy be applied to the debt.

EASTER SUNRISE SERVICE SUNDAY

Sunrise Easter Services sponsored by the Youth Council of the First Baptist Church is the first special program to be presented by the several Winters churches on Easter Sunday.

The sunrise service will be held on the west side of the city lake east of Winters at 6 o'clock. The public is cordially invited to attend and refreshments of coffee, milk, orange juice and doughnuts will be served following the services.

"The Results of the Resurrection" will be the topic of the morning message at the First Baptist Church and special music will be presented by the choir, under the direction of Loyd Roberson. The choir will sing "Christ Arose" from the cantata, "Hosanna!" Mrs. L. H. Henslee will present the offertory, "I Walked Today Where Jesus Walked."

A special candlelight communion service was held at 7:30 p. m. on Maundy Thursday, March 30, at the First Methodist Church. On Friday, March 31, preaching services will be held at 7:30 p. m.

The Rev. Ray Elliott, pastor of the First Methodist Church, will deliver the special Easter message "He Is Risen," at the morning services and Barbara Boldin, soloist, will sing "Holy City," accompanied by Tamala Gans, organist.

Evening services will begin at 6:45 with the Methodist Youth Fellowship, followed by regular service at 7:30 p. m.

A Good Friday service will be held at the First Presbyterian Church at 7:30 p. m. March 31. This service will consist of scripture readings, prayers and hymns. The readings will be those which describe the events of the last night of Jesus' life with his disciples. The seven words of Jesus from the cross will be emphasized toward the close of the service.

On Easter Sunday, church school and morning service will be held at the regular times, 9:45 and 11 o'clock. The Resurrection of Jesus Christ will be the focal point of the service. "The Reversal of a Trend" will be given by the Rev. Leslie Ellison, pastor. The Lord's supper will be celebrated.

Holy Week observances by Our Lady of Mount Carmel Catholic Church began with masses at 7:30 and 10:30 a. m. on Palm Sunday. Blessing of the Palms were held before the 7:30 Mass. On Wednesday

Local School Board Vote Is Saturday

Voters in Winters Independent School District will elect two members to the Board of Trustees in an election here Saturday, April 1. Election will be held in the office of the chamber of commerce. Polls will be open from 8 a. m. to 6 p. m.

Up for re-election will be Raymond Lloyd and Audra L. Mitchell. They have no opponents. The term is for three years.

Also, voters will elect a Runnels County Trustee - At-Large. E. E. King, of Ballinger, is up for re-election to this office, and has no opposition.

Other members of the Winters School Board are E. E. Mathis, Jake Presley, John Norman, Milton Jackson and Homer Hudgins.

B. T. Gardner will be election judge in this school election, and Mrs. Grover Davis and Mrs. W. L. Graham will be clerks.

day of Holy Week confessions were heard from 4:00 to 6:00 and from 7:00 to 9:00 p. m. Mass and sermon on the Passion of Our Lord was conducted at 7:30 p. m.

Solemn Evening Mass of the Lord's Supper; Mandatum; Solemn Reposition of the Blessed Sacrament was held at 8 p. m. on Holy Thursday. Solemn Liturgical Prayers, Adoration of the Holy Cross and Holy Communion will be held at 7:30 p. m. on Good Friday.

Blessing of the New Fire, Paschal Candle, Baptismal Water, will be at 10:45 p. m. on Holy Saturday. High Mass of the Easter Vigil will be at midnight. Masses at 7:30 and 10:30 a. m. will be said on Easter Sunday.

St. John's Lutheran Church will observe Holy Week with a Good Friday morning service at 10 o'clock, commemorating the day Christendom recognizes as the one when Jesus Christ made an atonement for the sins of the world by His death on the cross. In the sermon, the congregation will continue its Passion Pilgrimage with the subject, "Beneath the Cross."

On Easter Sunday the Pilgrimage will be concluded with the subject, "In the Garden of Hope," commemorating the day Christendom recognizes as the one when Jesus arose from the dead. Special music for both services will be in charge of Serena Minzenmayer, organist, and Keith Ueckert, directing the choir in the anthem, "Alleluia! The Lord is Risen!"

With the beginning of a new quarter in the year, Sunday School will begin at 9 a. m. and worship at 10:10 a. m., half an hour earlier than during the winter months.

Blizzard Band Members Won 34 "First" Medals

Thirty-four first division medals were won by 35 members of the Blizzard Band competing in the University Interscholastic League solo and ensemble contest held at Abilene Christian College Saturday, March 25.

Students who won will be awarded a Blizzard Band Jacket at the Spring Concert.

Those winning were Tamala Gans, flute solo; Diane Buckner, saxophone solo and ensemble; David Smith, Mike Marks, Carolyn Huckaby, baritone ensemble; Cecile Nitsch, Don Adams, Collier Randolph, horn solos and ensemble; Sherry Stanford, horn ensemble; Charles Wetzel, Charles Bahlman, Wes Hays, cornet trio.

Also, Pamela Bedford, bass clarinet and ensemble; Doris Rice, Deanna Kozelsky, La Ross Sheppard, clarinet ensemble; Marcene Matthes, bass clarinet and ensemble; Jerry Snead, trombone solo; Russell Bedford, Beverly Huddleston, Ray Hornbuckle, Jaye Henley, saxophone ensemble; Bob Shoemaker, Jerrell Elliott, Coylene Riddle, clarinet trio; Charlotte Dooley, oboe solo.

Winters Schools Dismiss Thursday For Easter Holidays

The Winters Schools will dismiss Thursday at 4 p. m. and will observe Friday, March 31, as an Easter holiday, according to an announcement from the superintendent's office.

This holiday was scheduled by the board in the official calendar and will be observed as scheduled with school resuming on Monday, April 3.

Mayor and Two Aldermen Will Be Elected Tuesday

Election Tuesday, April 4, To Select U. S. Senator

Voters will have a wide choice of selection in the election of a United States Senator next Tuesday, April 4. There are 71 candidates on the ballot seeking the post vacated by the resignation of Vice President Lyndon B. Johnson and filled in the interim by William Blakeley.

Locally, two polling places will be open, as in all state and national elections. Voters in Precinct 7 will vote at the office of the Chamber of Commerce. Polling place for Precinct 26 will be in the Winters fire station. At the same time, voting in the City election will take place at the fire station.

Polls for the Senate election will open at 8 a. m. and close at 7 p. m. C. S. Jackson will be election judge in Precinct 7, with clerks, Mrs. Grover Davis, Mrs. Leslie Graham, Ralph Osborne, Ed Ryan and Mrs. C. G. Meeks.

T. H. Worthington will hold the election in Precinct 26, and will be assisted by V. A. White, W. T. Billups, Mrs. W. T. Billups, Mrs. Rufus Smith, Mrs. T. H. Worthington and Wilma C. Davis.

TO MERKEL

Mr. and Mrs. Arthur Bates visited in Merkel Sunday afternoon with Mr. and Mrs. Hershell Price.

REV. WILSON WOOD

Rev. Wilson Wood To Conduct Revival At Baptist Church

The Rev. Wilson Wood, pastor of the Southside Baptist Church of Wichita Falls, will be the evangelist for the annual spring revival at the First Baptist Church beginning Sunday, April 2 and continuing through Sunday, March 9, according to the Rev. B. T. Shoemaker, pastor.

Don Daylor of Abilene will serve as music director. Services will be held each day at 10 a. m. and 7:30 p. m.

Several weeks of political maneuvering will be climaxed next Tuesday, April 4, in the City Election, when a mayor and two aldermen will be elected.

Polls will be at the City Hall, opening at 8 a. m. and closing at 7 p. m.

Local politics have hit a lively tempo the past several weeks, with two candidates seeking the post of mayor, and a slate of five candidates up for the two seats on the city council.

Mayor Harvey D. Jones is seeking re-election to that office. His opponent is George W. Poe, an ex-mayor.

In the race for alderman, two incumbents whose terms expire this year are seeking re-election. They are joined in the race by three other candidates.

Candidates for alderman, in the order in which they appear on the ballot, are: A. C. Ernst, T. A. Smith, B. G. Bryant, Ralph Lloyd and J. Griffin Brown. Bryant and Lloyd are seeking re-election. Smith is a former mayor, and Brown and Ernst are newcomers to the political field. Only two out of the five will be elected.

Winters Jaycees and Jayceettes will furnish transportation for voters who wish to go to the polls for either the City Election or the Senatorial election next Tuesday.

Headquarters for the special transportation group of the organizations will be at West's Terrace Service on South Main Street. The telephone company will add a special telephone line, James West, president of the Jaycees, said.

Persons desiring transportation to the polls may call PL4-1182 or PL4-9630. Two or three cars will be on dispatch for the purpose, it was announced.

Something new has been added for this year's city elections. In place of the open tables which have been used by voters in past elections, the city has built new voting booths to be used the first time in Tuesday's voting. There will be places for eight persons at one time to vote, with each table or voting desk semi-partitioned for privacy. In the past, open tables have been utilized by voters marking their ballots.

Voting in the U. S. Senatorial race for voters in Precinct 26, on the same day in the same building with the city election.

Election judges for the City Election will be Dr. Don B. Bedford, J. C. Wilkerson, and Hans Gerhart. Clerks will be Mrs. Anna Mae Cox and Mrs. Louise Collins.

There will be only one voting place for all voters in the City Election.

Officials had no way of estimating the number of voters who will turn out for this City Election. The County Tax Collector's office reports that 644 poll taxes and 13 exemptions had been issued for Precincts 7 and 26. However, the number of voters who reside within the city limits of the City of Winters is not separated from the total of the two precincts. Only those within the city limits will vote in this election.

Spring Working At Crews Cemetery

A spring working in the Crews Cemetery will be held Friday, April 8, according to an announcement made this week.

All concerned are urged to be present.

Letters To The Editor

Poe Answers Letter From Jones

To The Editor:
The Honorable Mayor has blown his top!

Such words as "opponent" or "candidate" should not offend anyone during a political campaign and I am sorry that I referred to the Honorable Mayor Jones as an "opponent" if he does not feel that he is opposing my election. Regardless of our candidacy, he says he cannot let the false as well as the misleading charges go unchallenged. Neither can I!

No. 1. I feel that the Honorable Mayor needs help in interpreting what I said about unpaid water and light bills. I did not give a specified amount of delinquent light and water bills, but did give some figures regarding the unpaid light and water bills, the total for the two, Sept. 30, 1958, being \$21,527.46 and on Sept. 30, 1960, \$41,656.7. This shows an increase in these two accounts alone of \$20,129.32. I did not specify any certain delinquent amount of bills, but I did say these utility bills that had accumulated since April of 1959 were alarming to me and I reiterate that statement. Furthermore, such should be alarming to every citizen of Winters.

No. 2. The Honorable Mayor quoted me as saying that there was approximately \$26,000 in the general fund April 1, 1959 and I appreciate his admitting that I was correct. But he did not tell you when he said "We stretched the \$26,000 to cover the balance of the year and did not create a deficit" that approximately \$1,000 per month was paid into the gen- (Continued on page 4)

Mrs. Floyd Indorses Poe For Mayor

The Winters Enterprise To The Editor:

For 36 years I served as City Secretary. Since I have been retired from this work I have no axe to grind. I have been personally distressed, however, over the statement that there had been "No effort to collect taxes or to trace down people who live out of town but who owe city taxes" and "that some of these taxes have been allowed to ride since 1911."

"That a delinquent tax roll has been made and placed in the hands of attorneys for collection," is also the statement of our present mayor. The delinquent roll referred to have been in the making for more than 30 years. Since I was the secretary, beginning in 1925, I feel that I should explain what has been done. Soon after my employment we began work on a delinquent tax roll and that work had continued until the time I left the office.

With the coming of the railroad to Winters in 1909 there was a celebration which many people from other towns attended. Some of them bought lots in the east section of town, known as College View Heights, and a few bought lots in other additions. Some of these people left addresses, some did not and never returned.

In 1919 the legislature passed a law remitting delinquent taxes on all real estate property up to an amount of \$100.00. In 1925 when a delinquent tax roll went into the making we found much of College View Heights now referred to as the Crouch ad- (Continued on page 4)

Richie Blasts Former Administration

The Editor The Winters Enterprise

The following are observations I have made during my first year as your councilman. The first unpleasant task your present mayor and council were confronted with was to arrange satisfactory terms with the "bonding company" to convert "Time Warrants," in the amount of \$129,000, used to make additions to the light plant into tax bonds. This obligation was incurred by the previous administration. I was very disappointed in the "questionable" method of handling this deal. The net result was—"your tax obligation was increased by the above amount without referendum."

I have observed that considerable amounts of money have been expended each year for repairs and patch work which results in no permanent or visible improvement to our city and often times this expenditure has to be repeated. Such repairs are not questioned as I am sure they are needed, but it just points out the lack of foresight and planning. Your present mayor and council have a completed study by a reputable engineering firm on file for improvements to our streets, sewer system, and water system which, if followed, will result in some real and lasting benefits and allow our city to grow as it should.

Then it was found that far too many delinquent taxes were allowed without sufficient measures taken to collect them. Positive action is now being taken to bring all delinquent taxes up to date. It is (Continued on page 4)

Jones Grateful For Help of Friends

March 29, 1961 To My Friends, the Citizens of the Winters Community:

I would like to take this opportunity to express to you my sincere and heartfelt thanks for the many offers of help, words of encouragement, and expressions of confidence. I wish you could know the feeling of deep gratitude these things create. It has far more than repaid me for any slight service I may have rendered.

I feel that most of you have by this time reached your decision as to your choice in the election, and this is as it should be. The worthiness of any issue or charge brought at this late date without opportunity for study or reply is subject to doubt. I have tried to present to you fairly and openly my theory of government and I have tried to answer honestly and without reservation any question propounded to me up to this time as I will still try to do, but the time has now grown short for fair consideration.

I have not conducted a "hand-shaking" campaign nor have I come to ask you for your vote. I feel that every man and woman has the right to his or her choice without obligation. I have offered my services if you feel that I am qualified to serve you, and I will do the very best that I can. Most of you know me well enough to know I am happy to serve where and when I can.

I now ask that you go to the polls on April 4 and vote your honest conviction without fear or prejudice. I have enough confidence (Continued on page 4)

Senate Education Committee Approved \$800 A Year Raise for School Teachers

By VERN SANFORD
 Texas Press Association

Texas Senate demonstrated its faith in the future by passing an appropriation bill without having the money to meet the obligations. It calls for spending \$2,496,685 during the next two years. It does not include teacher pay raises or medical care for the aged. Senators agreed that they needed to know how much new money could be raised before making decisions on these.

The measure calls for spending \$376,000,000 from the already-overdrawn general revenue fund. That's \$103,000,000 more than the comptroller's estimate of general

fund revenue for the next two years. This \$103,000,000 plus a deficit that is expected to be about \$63,000,000 at the end of this biennium, adds up to \$166,000,000 in new revenue that would be needed to put the Senate appropriation bill into effect, as it is now.

PANEL OKAYS TEACHER RAISE

Senate Education Committee approved the Hale-Aikin school improvement program which includes an across-the-board \$800 a year raise for public school teachers.

Sen. A. M. Aikin Jr. of Paris, sponsor, said he would not ask for floor passage of the school measure until the general appropriation bill has been passed as well as a tax bill that would provide money for it.

Hale-Aikin program would cost the state about \$72,000,000 a year and local districts about \$18,000,000 a year. It would set the mini-

HORSES LOSE RACE

Before a gallery packed with church people, Rep. V. E. (Red) Berry gave up the fight for a proposed constitutional amendment to legalize horse racing.

House vote against the measure was 143-to-5. Berry, seeing he did not have enough votes for passage, signaled his supporters to vote against it. This, he said, would avoid "putting them on the spot" for a lost cause.

Berry still hopes to get a referendum on the 1962 general election ballot to indicate public opinion on racing and parimutuel betting.

MILK BILL "SKIMMED"

One of the most controversial bills of the session, the milk importation measure, was passed by the House by voice vote.

But before passage, opponents' amendments had skimmed off the cream of the bill the dairymen wanted.

As passed by the Senate, the bill would bar out-of-state milk from Texas unless a Texas inspector certified he had personal knowledge the milk was produced under standards as high as those required in Texas.

Amendments took out the "personal knowledge" phrase and provided the milk could be imported on the certification of out-of-state health authorities after a Texas authority had found the out-of-state producer to be meeting acceptable standards.

Battle is not over since the differences between the House and Senate versions of the bill will have to be worked out.

TAXES DEBATED

House Revenue and Taxation Committee is exploring the possibility of raising money through a corporate income tax.

Testimony was heard on two bills. One by Rep. Tony Koriath of Sherman would repeal the present corporate franchise tax (for a loss of \$48,000,000 a year) and substitute a three percent corporate income tax (for a gain of approximately \$96,000,000 a year).

Also heard was a bill by Rep. Maco Stewart of Galveston which would levy a 10 percent corporate income tax, repeal the oil well servicing tax and reduce the sulphur tax.

A bill to provide for a \$1 charge for taking a state driver's license examination was passed by committee and sent to the House. It would raise an estimated \$1,250,000 a year.

Meanwhile, Speaker James Turman, addressing a teachers' group said he felt Texas was close to resorting to the "last resort"—sales or income taxes.

CAMPAIGN LIMIT PASSED

Senate passed 26-to-4 a bill that would limit to \$25,000 the spending of any one candidate in a race for the U. S. Senate.

Sen. Martin Dies Jr. of Lufkin is sponsor of the bill. Limit would apply to money spent for newspaper, radio or television advertising with the candidate's knowledge. All other means of advertising would be exempted.

Attorney general would be responsible for enforcement.

If the bill should be finally passed and take effect before the present special senatorial race is over it could put a lid on spending of candidates in the runoff campaign next month.

FIREMEN'S BILL KILLED

House killed by a 73-to-66 vote a bill that would have set up a procedure for arbitration of wage-and-hour disputes between firemen and city governments.

Passage was urged by firemen but opposed by city officials.

Bill would have provided for an arbitration board and if necessary an election once a year to consider firemen's requests. Supporters contended it would have enabled firemen and city officials to settle their problems on the local level instead of battling before the Legislature, as in years past.

Opponents objected to the possibility of frequent, costly elections and argued that it would give firemen a privilege not enjoyed by other city employees.

"KID" DRIVERS TARGET

House Highways Committee is considering a bill that would take 14-year-olds off the road—as drivers of cars or motor scooters.

Rep. Maco Stewart, sponsor, urged the measure to "take the cars out of junior high school... and get the student's minds on their books." His measure would raise the minimum age at which a driver's license may be issued from 14 to 15 years and would set up the same licensing requirements for motor scooters. In some towns youngsters of 12 and 13 are allowed to ride motor scooters.

A motor scooter seller objected on grounds that many working youngsters, such as newspaper carrier boys, needed scooters for their jobs.

WASHINGTON NEWSLETTER—

House Approved Watered-Down Wage Limit Bill

By Congressman O. C. Fisher
 Aside from the vote on packing the Rules Committee, the House approved the first major legislation of the session last week when it passed a bill to increase the minimum wage and extend its coverage.

It was a watered-down version of the bill which had Administration backing. The latter would have upped the minimum from the present \$1 to \$1.25 an hour and would have extended its coverage to 4.3 additional workers covering retail and services enterprises.

But in the version approved, the hourly raise for those already covered would be from the present \$1 to \$1.15. The bill extends coverage to about 1.2 million in retail businesses. The wage floor for newly covered workers would be set at \$1 with no time-and-a-half provision for overtime work.

Only businesses with five or more outlets in two or more states would be covered, and branches of chains grossing less than \$250,000 a year would be exempt.

The administration bill, sponsored by James Roosevelt and Adam

Clayton Powell, would, according to a mass of evidence presented during hearings, have forced several hundred thousand workers out of jobs. The version adopted will, of course, have much less impact upon the economy.

Letters To The Editor

Letter From Poe--

(Continued from page 1)

I fund from sewer charges — which would make a total for the ten months period not \$26,000 — \$33,000. So, this is the reason could operate without showing deficit.

No. 3. Now, concerning the Honorable Mayor's lengthy report in regards to audits, I wish to state it I was not mayor during his tenure to the first audit, and during the years referred to while was in office, he was a member of the council in 1955, and at any time all the books were open for inspection. He seemed very pleased with our tenure of office and that time and no discrepancy could be found at any time, so he could not have any regrets at referring to auditors' reports. He gives you all the statements as to why there was not an audit in 1959. Since my last letter to the editor I have learned why there was not an audit. Upon the mayor's recommendation to the council the books were not audited in 1959. If the reports showed such or management why did he not want an auditor's opinion so he could start making changes that would help the condition instead of waiting until 1960? I am glad he accepts the blame for the inadequacies that showed up in the 1960 audit for they are really worse than any previous auditor's report.

No. 4. The Honorable Mayor said that I misquoted him as to the issue in this election. I believe in calling "a spade" a spade. I know he said it was the light plant, but that is his way of bringing the West Texas Utilities franchise into this city election. May I state that the franchise could be extended but it cannot be renewed until it expires, which in the case of the West Texas Utilities in 1967. I do not expect to be mayor by 1967 and regardless of who he is, he will not have a vote except in the case of a tie. Personally, I want it understood by all Winters citizens that I am not for running any business, or any individual, out of town, regardless of who has accused me of such. But I will state that if I am elected your mayor, I will work for the City of Winters 100 percent, although I do not own stock in the city light plant, of which I have been accused, any more than any other citizen. All property owners are stockholders in the city light plant and

all citizens benefit from its revenue! Why do we not hear complaints regarding the city's handling of other utility holdings such as water, sewage, and hospital?

Now comes the "corker", so says the Honorable Mayor — Yes, I attended the council and congratulated them for not extending the franchise of the West Texas Utilities, which at that time had seven more years to run. If they wanted a 43 year franchise instead of a 30 year, why didn't they ask for it in 1917 when the franchise was granted? I might answer the question by saying that in 1917 they did not know what the circumstances might be 43 or 50 years later. Neither do we, in this rapidly changing world, know what six years will bring. So, why jump ahead of ourselves with an extension of franchise when a renewal in 1967 would probably be much more pertinent?

One thing the Honorable Mayor did not tell you was that he, his administrative assistant, all councilmen, except A. B. Spill, and a representative from the Winters Enterprise attended a dinner at Pierce's Cafeteria to discuss with Mr. Cal Young, president of West Texas Utilities, and Homer Hudgins, local manager, the extension of their franchise. This was in December of 1960, prior to the regular council meeting later in the month when they petitioned the city council for an extension of the franchise. Your guess as to who paid the bill for the dinner is as good as mine!

No. 5. Regarding the remarks of His Honor, the mayor, concerning the Telephone Company switching their service to the city light plant, I wish to give you an accurate record of what actually happened. Mr. John D. Allen, at that time division manager of the West Texas Division of the Southwestern States Telephone Company, told me in a private conference early in 1956 before the telephone building was one-fourth completed that he would give the City of Winters their business. I assured him that the City Light Plant could handle it in a satisfactory manner. At this point, I called Mr. Buckner in and Mr. Allen gave him a blue print so he could start installation of necessary transformers to handle this business. May I say in behalf of Mr. John D. Allen, that I have never dealt with a more honest and upright man, and that I did not hear him make the remark that he would wait until Harvey D. Jones was off the council before

he repeated his request for a rate increase.

No. 6. I DO THANK THE Honorable Mayor again as quoting me to be correct on the ordinance that went into effect on or about July 15, 1955, imposing the same gross receipts tax on all utilities.

No. 7. Your ex-mayor did not expect the present mayor to agree to his statement that without the Federal government and the Roosevelt administration that 90 percent of the rural people would still be burning kerosene lamps. This step which he referred to as forward progress was the REA which would not have come into being without the Roosevelt administration. I am sure he never used a kerosene lamp and doesn't know what he missed!

No. 8. The ex-mayor did not insinuate that the Honorable Mayor is against freedom from government control any more than any other citizen is, so long as it is not helping us. And if he is so bitterly opposed to FHA house loans why did he ever condescend to build even two FHA financed homes? He says in eleven years he has built approximately 82 homes, with 80 of them being non-FHA financed. Just how were these 80 financed?

I feel that I have refuted the statements that I have been accused of by Mayor Jones. And now I should like to state some figures which speak for themselves. The administrative costs of the City of Winters, according to the figures of the audits are:

- 1957—\$10,350.12
- 1958— 10,723.36
- 1959— 12,189.62
- 1960— 19,988.98

The Honorable Mayor would have you believe that this increase of almost \$7,000 in one year was the extra cost in efficiency of operating business in the city hall. This is just not the case, only more people were put on the payroll. In his statement to Don Oliver, State Editor for the Abilene Reporter-News, appearing Thursday morning, March 23, 1961, he said that in the past the affairs of the city had been conducted in a "pop corn stand operation for a million dollar business". With the expenses increasing, should Jones be elected he will be operating a pop corn stand business with no corn to pop!

For the taxpayers benefit he says that some delinquent taxes have been allowed to ride since 1911, with no effort to collect them or locate people who moved away owing taxes. This is untrue. I do not have records at my disposal. Neither His Honor, the mayor, nor I was responsible for taxes at such a time nor many years later. But I do know that during the 1940's the school, city, and county joined in a collection of delinquent taxes. Since Mrs. Floyd was the only one employed in the city office at this time, the school agreed to bid the property in and taxes were settled for city, school and county.

I agree with the Honorable Harvey Dale Jones that we do have a good town and we want to keep it progressive and make it a city that each citizen can be proud of. I am sorry that he had to admit being unkind in his remarks about me. I consider him a friend of long standing and regardless of who wins this election, I still expect to continue our friendship and trust that we will work together for city efficiency and the betterment of our community.

Your ex-mayor and agreeing to be your next mayor,
GEORGE W. POE.

Mrs. Floyd Indorses-

(Continued from page 1)
dition, on the unrendered roll, and some lots in other additions also unrendered.

When the late George C. Hill was mayor (1931-33) he and the council decided on a delinquent tax collection program. C. C. Sessions of Ballinger was hired as attorney to collect the taxes. The plan, due to the depression was lenient as possible; that current taxes and a pro rata share of delinquent taxes be paid each month, which was credited on the tax roll and also in the journal. Efforts were made to locate property owners. Records of these transactions are in the city office.

Most of the 40's were devoted to delinquent tax collections. Early in this period the school instituted a delinquent tax collection and the city and county joined in the program. Mr. Hampton was attorney for the collections, several suits were filed on some known and some unknown property owners. There being three taxing units with two of them in the city, it was decided that one of the units should bid in the tax suits that were still unpaid. Because of my heavy work for the city, as I was the only one in the office, the school bid the property in and most of the taxes were settled. All delinquent taxes were not paid as it is hardly possible to collect 100 percent.

Most of the College View Heights addition was without owners. Several people indicated they were interested in getting a tax title to a certain part of this addition. The taxing units were agreeable to the

idea which would get the property on the active tax roll. A local attorney worked out the project, over a period of months, and most of this addition is now on the known tax roll. There is still unknown property in the city, however.

Every year that Mike Boyd was tax assessor we checked our tax rolls against his. The same was true during Dalton Crockett's tenure of office.

I could not refrain from making this statement, not because I was city secretary, but that you might remember your former mayor and aldermen were not sitting idly by, but were working for the best interests of "The Best Little Town in West Texas." Since none of us is infallible errors could be made.

I wish to thank the citizens of Winters for their support and confidence during my tenure of office. I would not want them to think that I had betrayed their confidence by shirking the duties of the office. Tho' I served under every mayor since 1925 until February of this year, I can conscientiously say that none was more efficient than George Poe and I have every confidence in his ability to handle the mayor's work. I commend him to you!

MRS. ROXIE FLOYD

Letter From Richie--

(Continued from page 1)
gratifying to note that some \$14,000 was collected without any legal action; however, legal action is being finalized to complete this project. Also too many other accounts were allowed to become delinquent without proper steps taken to collect. Remedial action has been taken to correct this deficiency.

Let there be no mistake, our city government is "big business," requiring well qualified officials

as well as operating personnel to handle efficiently. Our records on the active tax roll. A local attorney worked out the project, over a period of months, and most of this addition is now on the known tax roll. There is still unknown property in the city, however.

I would like to comment briefly on "Audit Reports." Audit Reports were made and are filed each year through 1958 at which time it was decided to make them each 2 years. I reviewed previous audit reports which pointed out glaring errors in methods as well as figures. This includes the 1959-60 audit report. For the 1959-60 Audit Report I have insisted and your mayor and other councilmen have agreed that every error in figures and procedures be corrected. This has been done. Audit Reports are expensive and useful only if you follow them and make the adjustments that are pointed out.

The 1960 Audit Report shows that all departments are operating in the black, however, some are not as strong as I feel they should be but are improving and by careful planning and operation will continue to improve. The reason I point this out is our current bond obligations through 1981. As of October 1, our bonded indebtedness was a high \$376,000. The payments are graduated from \$32,000 in 1961 to a high of \$55,000 for the years 1972 and 1973 with the final payment in 1981 of \$27,000. In the past I have been very skeptical of our loose handling of elections. Your present City Officials have taken the necessary steps to insure a secret ballot in the coming election.

I strongly urge that every eligible voter carefully weigh the qualification of each candidate and go to the polls on April 4th and cast your ballot for the person you think best qualified to handle the affairs of our city with prudence and wisdom.
J. F. RICHIE

in our system and in our people to believe your choice will be the right one. Whatever the outcome, I hope you will accept the result in good faith and support to the fullest the will of the majority as only our democratic form of government allows us to do. I ask that regardless of the outcome our differences be put aside on April 5 and that we all unite to make our town and our community a better place to live, and to this principle I pledge myself.
These are my true and prayerful sentiments.
Sincerely,
HARVEY D. JONES.

Jennie Allen Saturday In Seminole Hospital

Jennie Jane Allen, 64, resident of Wingers and Mrs. Mollie D. Smith of Wingers died Saturday morning in the Seminole Hospital. She suffered a heart attack and was admitted to the hospital where she was until March 21, when she was moved to the Seminole Hospital. She was born February 17, 1897, in Bell County, Texas. She was married to Mr. and Mrs. W. L. Allen in 1910. She was a member of the Wingers Church of Christ. She died at 3 o'clock in the afternoon.

Former Resident Died Friday In Coleman Hospital

Mrs. Sam W. Cooper, 77, of Coleman, former resident of Wingers, died Friday at the Over-all Memorial Hospital in Coleman after a long illness. She was born February 23, 1884, in Llano, Texas. She was married to Sam W. Cooper May 9, 1906 in Fisher County, Texas. She was the former Frances A. Thomas. Mr. Cooper was secretary of the Wingers Chamber of Commerce before moving to Coleman in 1932.

Mrs. Cooper was a member of the First Baptist Church in Coleman. Funeral services were held Sunday afternoon at 2 o'clock in the Memorial Chapel in Coleman. The Rev. Lester O. Probst, pastor of the First Baptist Church, officiated and burial was in the Coleman Cemetery. Survivors include her husband; three sons, Clarence of Lubbock, Carroll of Arlington, and Charles of Coleman; one daughter, Mrs. Fred Garrett of Coleman; a brother, Dee S. Thomas of Fort Stockton; one sister, Mrs. Jennie Ezell of Globe, Ariz.; six grandchildren and five great-grandchildren.

Chancel Guild Held Monthly Meeting In Church Parsonage

Chancel Guild of St. John's Lutheran Church held their regular monthly meeting March 23, at 7:30 at the parsonage, with Mrs. A. W. Stoecker, president, presiding. Mrs. Stoecker also led the opening prayer. Mrs. T. F. Hantsche led the group in the topic of the month, "Floral Decorations in the Church." A round table discussion was held and roll call was answered with scripture verses. Mrs. Ellis Ueckert read the minutes and Mrs. L. Ernst gave the treasurer's report. Several committee reports were given and work on the new red pariments was distributed and started. The group closed with "The Lord's Prayer."

Mrs. L. R. Hoppe and Mrs. Bill Hoppe served refreshments to thirteen members. Men are so self-satisfied, complains a woman reader, that they refuse to try anything new, fearing that they might like it.

USE DULL COLORED SINKERS
New sinkers fresh out of the tackle store often have a shine or glitter. Put them out in the weather a few days so the shine will be lost. A shiny sinker can lead to a fish striking at the sinker rather than the bait or lure.

CLEAN HOOKS AFTER USE
Clean and dry your fish hooks after use. Scraps of bait that may stick and harden on the hook make it difficult to bed the hook in a fish. A bait-clogged barb often will result in the hook failing to catch.

Answers To Richie Survey Still Coming

Answers to the question on the J. F. Richie "public opinion" postcard survey, which has been going on for the past few days, continue to come in, although the peak has about been reached.

Richie, a member of the Winters City Council, who conducted the survey or poll, said that out of about 900 postcards sent to residents of Winters several days ago, 496 have been mailed back by the addressees. Forty of the cards were returned by the post office because addressees no longer live in Winters.

The question which citizens were asked to answer was "Do you favor or renewing West Texas Utilities Franchise?"
By Wednesday afternoon of this week, 449 cards had been returned, marked "yes;" 47 had been returned marked "no." Richie said that the answers indicate that 90.5 percent of the residents of Winters are in favor of extending the operating franchise to the utility company, while 9.5 percent were against such action.

Richie has another year to serve on his present term as alderman. He said he financed the taking of the poll himself and conducted it on his own initiative, "in order to determine the wishes of the people." He indicated that such a large percentage of return on the total number of cards sent out was evidence that the residents of Winters are vitally interested in the affairs of their city.

Eighth Grade Tracksters Are First In Meet

The Winters eighth grade track team, under the leadership and coaching of Ed Cheek, copped first place in the eighth grade division of the track meet in Sweetwater Saturday. Competing against teams from about 25 other schools, the Winters boys went to the top with a total of 23 points.

In the 440-yard relay, the Winters team placed first. Team members were Van Spill, Reid Stoecker, Gary Young and Johnny Merrill. The same team also won second place in the 880-yard relay event.

Van Spill won first place in the 220-yard dash event in that division, and Mike Patterson placed second in discus.

In the seventh grade division of the Sweetwater meet, the Winters seventh graders ran away with second place, piling up a total of 25 points.

Mike Holloway ran up a score of 14 points for second high point man in the seventh grade division of the meet. He was first in broad jump, second in high jump; second in the 50-yard dash event.

Green was third in the 100-yard dash event.
A relay team of Deming, Kettler, Puckett and Green was second in the 220-yard relay, and the team of Green, Kettler, Puckett and Holloway was second in 440-yard relay competition.

DELEGATE FROM TEXAS U.
Harvey Edward Little, son of Mr. and Mrs. Eddie Little, was one of the delegates from the University of Texas to the Southwestern Journalism Congress held in Abilene last week. He served as voting delegate at Southwestern Student Press Club meeting, delegates in Texas, Louisiana, Oklahoma and Arkansas make up the congress and its affiliate, the Southwestern Student Press Club.

WHS Track Team Placed Second In Hamlin Event

The Winters High School track team ran up a total of 106 1-2 points Saturday to place second in the Hamlin Relays held at Hardin-Simmons University in Abilene. Tommy Young, with 24 points, was third high individual in the meet.

Young won first place in the broadjump event, soaring 20 feet 5 inches. Kerwyn Knapp was first in high jump, clearing the bar at 5 feet 6 inches.

A. L. Mitchell won first place in the mile run event, breaking the record for this particular event with a time of 4:52. Ronald Kraatz was sixth in this event.

Edward Pope won second place in high jump competition.

In the high hurdle event, William Grissom placed third, and Tommy Young, fourth. Tommy Young also placed third in the low hurdles.

Steve Grissom was fourth man in the 220-yard dash, and Roy Clark was second, and Robert Marks fifth in the 440-yard dash.

The Winters team of Steve Grissom, Roy Clark, Dan Roberts and Robert Marks won fourth place in the 440-yard relay event.

Donald Parker placed third in the 880-yard run, with Adolpho Arroyo, fourth, and Jimmy Kettler, sixth.

In the Mile relay, the Winters team came in second. Team members were Young, Grissom, Clark and Marks.

The Winters High School tracksters will compete in the Third Annual San Angelo Relays Friday and Saturday, March 31 and April 1, in San Angelo. They will go against 16 other teams in Division II of the relays. Participating in this division will be teams from

HOME DEMONSTRATION— Choose Colors Wisely For Home Redecorating

By **OLLIE CHENOWETH**
Co. Home Demonstration Agent
Thinking of doing some painting, papering, or refinishing this spring or summer? If so, choose colors for a reason—to get the special effects that you may want and, at the same time, provide a comfortable, pleasant background for everyday living.

Begin by analyzing the room. Its use, shape and exposure will determine colors best suited.

Decide how you want the room to look. Will it be light and gay, restful or dramatic? Do you want it to be predominantly warm or cool?

A good color plan has few colors, usually no more than two or three—in different values and intensities. The best color schemes grow from a dark color, a light color and a bright color. Black, white and grey are not considered colors, but are often used to give a needed accent of light or dark.

Choose your favorite color as you do not need to consider the color or colors of furnishings which you must keep. Or select a picture or print which has your chosen colors and plan your color scheme from that.

Good proportion of the different colors is important. This means that your color scheme will be definitely dark or light and that either warm or cool colors will predominate. Proportions of 60 percent of area for one color, 30 percent for a second color and 10 percent for accent, insure good proportion.

When you place the colors in a room, choose the color for the largest areas first—floor covering, walls and large upholstered pieces. In most cases, these should be your most livable colors, or colors that are greyed in intensity. Next, choose colors for small upholstery and the window treatment. This treatment may be a blend of the room colors, or match or contrast with the walls. Lastly, choose your colors for accessories and small areas—pillows, lamps, ash trays, etc. Usually this accent color is the brightest color.

ATTENDED WEDDING

Mr. and Mrs. Sid Anderson and son Bobby of Dallas attended the wedding of his niece, Sidney Ann Edwards to Wendell Kemp Sunday afternoon at 3 o'clock at the First Methodist Church in Sweetwater. Bobby Anderson was one of the groomsmen of the wedding.

KEEP OIL OFF HOOKS

Never use oil on hooks or store hooks in containers with oily rags. The oil is hard to clean from the hook, and an oily hook will cause live bait to die quickly.

Hints On Protein Supplements Offered

Feeds which supply low cost protein and low cost energy are matters of real concern to beef producers. Grain is considered the cheapest energy source, and protein supplements should be chosen on the basis of their protein content and cost. U. D. Thompson, extension animal husbandman, says that anyone considering the purchase of a supplemental protein feed for beef

The Winters Enterprise, Winters, Texas, Friday, May 11, 1961

cattle should note the price per 100 pounds, the percentage of crude protein supplied by the oil seed protein meals, percentage of equivalent protein from non-protein nitrogen, and the crude fat and fiber content. The higher fiber content feeds should be cheaper than others.

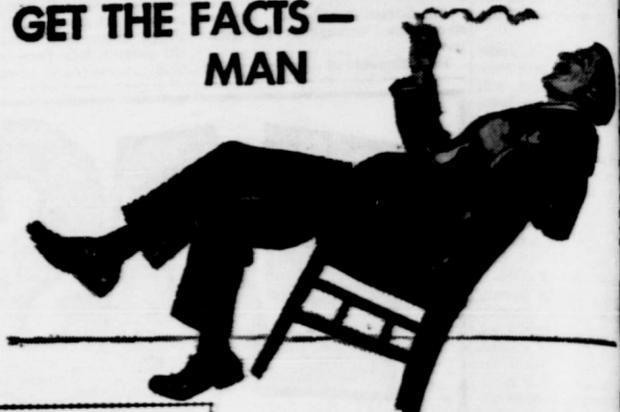

Determine cost of crude protein on a per pound basis, says Thompson. Divide price per cwt. by percent protein: as cottonseed meal

41 percent at \$3.50 divided by 40 percent = .875. Urea 28 percent protein at \$2.50 divided by 28 percent = .893.

Mr. and Mrs. Charlie Nall of Winters were at the Sunday morning services at the Drasco Methodist Church.

The key verse to next Sunday's Sunday School Lesson is: Jesus said to them again, "Peace be with you. As the Father has sent me, even so I send you." —John 20:21. The meditation is by Harold H. Find. As Christians we live under Divine orders.

Jesus was keenly aware that the authority for His ministry and mission did not derive from Himself but from a higher source, God. Jesus, too, was under Divine orders! In one post-Resurrection appearance, He declared this fact to the disciples: "As the Father has sent Me, even so I send you."

The Crucifixion brought an abrupt end to Jesus' earthly ministry. There remained only one important task before He returned to the Father—the commissioning of the disciples to continue His work in the world.

But this commission was not intended merely for those few who were gathered in the Upper Room; it is, rather, the commission under which all of Christ's followers live in the ever-constant present. Under the Divine orders of the living Christ we are able to meet the challenge of each new day, confident that, in the light of His love and the power of His might, we carry out the work which He has commissioned us to do.

Mr. and Mrs. Adron Hale attended the morning services Sunday at the Norton Church of Christ.

HEALTH LETTER— Diphtheria Strikes Down 95 In January, February

Diphtheria managed to strike down 95 young Texans in January and February, State Health Department records show, despite the fact that measures for controlling it are well-known and effective.

The 1960 toll reached 239. That's 76 cases above the 5 year median, and 63 cases more than were reported during the previous year.

While worrisome to state and local health officials, the 1960 figure is by no means a record, even for recent years, but it is highly significant when individual cases are studied: 164 of the victims had had no immunizing shots whatever, and 3 had been inadequately immunized. Only 16 had received the full course of protective shots.

Therein lies a basic truth concerning communicable diseases and their control: outbreaks are products of neglected immunizations.

Other parts of the world are having similar flare-ups. An outbreak is reportedly in progress in Santiago, Chile.

Is diphtheria dangerous? Certain types can be quickly lethal. In some epidemics the death rate may reach as high as 12 percent, but it is more commonly two to five percent.

In communities where immunizations have been neglected, studies show that about one-fourth of all cases and one-half of all deaths are among children under five. On the other hand, when childhood immunizations have been adequate but reinforcing shots neglected, older persons are more often the victims.

Diphtheria today is probably the same disease which cut down

great numbers of children in Egypt during the second century and faithfully described by learned men of that early day.

Its germs characteristically invade the body's mucous membranes—usually in the throat. They remain localized but grow and multiply and exude a poison which produces typical symptoms.

Recovery from one attack of diphtheria usually, but not always, confers an immunity against a second attack.

The only effective control against the disease is active immunization of whole populations, on schedules advised by family physicians. Reinforcing shots are essential during pre-school years, desirable on entrance into school, and optional throughout school life and early adulthood.

FRESHENING UP PLUGS

In a round of particularly fast fishing with fish that have sharp teeth, your plugs may become quite battle-scarred. Carry along small bottles of model - airplane paint to touch them up.

The paint will dry in a matter of seconds.

CLEANING METAL SPOONS

Metal spoons should be cleaned at home with non-abrasive cleaners.

But if you should need to polish a spoon while fishing, do this: Shred a cigarette and wet the tobacco. Rub the wet tobacco on the spoon with your fingers, and soon the bright shine will return.

KEEP TACKLE BOX IN SHADE

Keep your tackle box in the shade on extremely hot days.

Prolonged exposure to heat can cause a plastic tackle box to warp. The interior of a metal tackle box can get extremely hot, and plastic lures stored within often will warp enough to spoil their action.

THE CORRECT SOLUTION

A famous engineer once said that real engineering skill was to do a difficult job so simply that after it was done some bystander might remark, "That's easy, how else could you do it?"

Many financial problems seem easy after they have been solved but the correct and only real solution may have been arrived at only after consultation with someone who has had specialized experience in money management. Modern society is so organized that one can profit, if he will, by utilizing the experience of others.

Our job is to be helpful in finding a solution to difficult financial problems.

Mrs. Livingston Presented Program At Diversity Club

Mrs. H. B. Livingston presented the program, "Twelve Women of Distinction in American Art," at the regular meeting of the Diversity Club held Thursday afternoon in the home of Mr. and Mrs. Sam Jones.

Mrs. Livingston stated that in the art-filled centuries of the past, women rarely took up serious careers as painters or sculptors. Of the daring few who did, barely a handful achieved any lasting stature. In America where, during the 19th Century, every well-bred young lady learned to while away idle moments painting pious scenes and sedate still life, art as a profession was left to men. Today the picture has changed. A sizeable and remarkable group of young women are resolutely at work and their art is being sought by leading museums, galleries and collectors.

Twelve women of distinction in American art included in Mrs. Livingston's talk were Lauren Ford, Georgia O'Keefe, Mrs. Anna Mary Robertson, Miss Margit Varga, Miss Greenwood, Doris Rosenthal, Jane Peterson, Gladys Rockmore Davis, Peggy Bacon, Doris Lee, Isabel Bishop and Rice Pereira.

Mrs. Roy Young, president, presided for the business session and reports were given by Mrs. Loucille Roberts, Federation counselor and Mrs. J. E. Smith, conservation department chairman.

Mrs. Young presented the awards that were won by the club at the Heart of Texas convention held in San Angelo last week. The awards were a first in the safety division of the Public Affairs Department and a second in the International Affairs Department.

Mrs. Young, a delegate, Mrs. Sam Jones, Mrs. Earl Roach and Mrs. W. B. Middleton attended the convention.

Those present were Mesdames C. R. Bellis, W. T. Billups, Z. I. Hale, Sam Jones, Clarence Ledbetter, H. B. Livingston, Noel Reid Earl Roach, Loucille Roberts, J. E. Smith, Roy Young and G. E. Wilson.

Mrs. Lynn Billups Complimented At Gift Tea Tuesday

Complimenting Mrs. Lynn Billups, the former Diana Sue Beavers of Ballinger before her marriage March 18, was a gift tea held Tuesday afternoon from 4 until 5:30 o'clock in the home of Mr. and Mrs. P. L. Harrison at 215 Paloma.

Sharing hostess duties with Mrs. Harrison were Mesdames Marvin Bedford, W.D. Waggoner, W.F. Byrns, W. B. Middleton, Earl Dorsett, Clarence Ledbetter, Fred Young, Wilma C. Davis, Robert Christian, D. C. Robertson and V. E. Colburn.

Mrs. Harrison greeted the guests and introduced the honoree, her mother, Mrs. W. R. Beaver of Ballinger, Mrs. W. T. Billups, mother of the bridegroom and Mrs. J. J. Schneider of Glen Cove, grandmother of the bride.

Mrs. Robert Christian presided at the register and Mrs. Fred Young directed the guests to the tea table which was laid with white cutwork linen centered with an arrangement of pink carnations and white gladiolus in a milk glass container. Mrs. W. B. Middleton poured coffee from a silver service and Mrs. W. D. Waggoner assisted in serving.

Mrs. Clarence Ledbetter and Mrs. Marvin Bedford showed the gifts.

fight back, and then on its own initiative begin the long task of pulling itself out of the mire by its own bootstraps. Mirrored in the actions of the people of Italy are the qualities of self-determination which are so necessary in the continuation of a free people. There's a lesson to be learned here—if we but heed it.

THANKS
to express our appreciation to all our Wingers and Winters for their deeds, expressions of the food brought in and floral offerings given at the home of our mother, Mrs. W. L. Billings, Schariene, W. L. Walter, Jerri Lynn. etc

WINGATE

NOTICE
A Girl Scout board meeting will be held Monday, April 3, from 1:30 until 3 p. m. in the home of Mrs. Clem Rozmen. All members are urged to attend.

IN SMITH HOME
Mr. and Mrs. Sam M. Smith of Plainview spent Friday visiting in the home of his mother, Mrs. Katie A. Smith.

Mrs. Owen Parrish, who has been a patient in Winters Municipal Hospital, has been dismissed and is at home.
Mrs. Joe Tucker and Cynda spent Monday with Mrs. Dud Thomas.
Mrs. W. D. Smith had dinner Sunday with her granddaughter, the Survern O'Dells.
Wingate Band students entered seven solos in a contest held in

Abilene Saturday. Students and sponsors went on W. W. Wheat's bus. Those participating were Johnny Pat Beck, Kathy Dunn, Sharon King, all played saxophone solos and won second place; Skipper Pittman, cornet, second; Velma Bullard, clarinet, third place; Diane Huckaby, clarinet, second place; Kenneth Patton, bass horn, second place. Mrs. Wheat was the accompanist and David Benningfield is band director. Other parents who accompanied the group to Abilene were Mrs. Jim King

and Mrs. Ray Dunn.
Mrs. Tennie Allen, a former resident of Wingate and daughter of the late Mr. and Mrs. W. N. Denison, died in a Seminole Hospital Saturday where she had been transferred from Bronte Hospital to be near her daughter. Burial was in the Wingate Cemetery Sunday.
Friends and relatives who attended the funeral were Mr. and Mrs. C. R. Richardson, Odessa; Exa Landers, the Shafer boys, all

of Abilene; Mr. and Mrs. Ralph Irvin, John and Elva Huber, Oleta Harris and children, all of San Angelo; Marion Denison, Killeen; Mr. and Mrs. Winfred Cathey, Monahan; Tell Denison, Roscoe; Lavern Tony, Indian Gap; Mr. and Mrs. Dug Shafer, Bobby Harris and Randall Lusk.
The Clyde Dunns have just returned from a fishing trip.
Mr. and Mrs. F. N. Robinson, who live southwest of Wingate, recently completed their new home and have moved in. They were

surprised with a home Saturday night. Home Messers, and Messers, Low, Hays Doggett, George Cathey, Jack Patton, M. B. Broadstreet, Butch and Jack Pritchard, Mrs. Wallace.
After opening a box of gifts, refreshments, punch and coffee were approximately 50 people.
