MOVEMENT GETTING ORGANIZED — A blood bank of the people of Winters is being organized. It is not to have a bunch of blood on hand at all times, but only to have a bank of available donors, to be called on at any time.

A new idea locally, it has been for some time maintained by the Winters Volunteer Blood Bank. The department has a need and have a job. But because of the fact that when blood is out of town, and local donors are required to be on the basis of two pints a week, it can be understood that the supply can be exhausted. Too, a donor who gives blood more than three times as proposed, the new blood is not intended to be used in the existing programs, but to be used in the case of emergency.

The Winters Municipal Blood Bank would be set up in the hospital to be used in the community. It is planned as a blood bank for medical and dental use. The program will serve to distribute the calls on the available donors of great importance, in case of emergency.

Jack Durett will be fox dog judge, and Ernie Durett, ringmaster. Coon dog judge will be Runt Dill, and ringmaster, Scott Bailey.

The Glacier, High School Yearbook, Honors Principal Robert Christian

Winters High School 1961 Glacier, high school annual, was dedicated to Elementary School Principal Robert F. Christian at a special assembly program last week in the auditorium.

Cecile Nitsch, senior, daughter of Mrs. Hazel Nitsch and the late Mr. Nitsch, was selected as most representative girl, and John Jackson, son of Mr. and Mrs. Milton Jackson, most representative boy. These students were selected by the faculty of the high school, as outstanding in leadership, scholastics and other activities.

Christian is a graduate of Slidell High School, near Denton. He served in the Army during World War II and received his bachelor of arts degree from North Texas State College in 1950, with a masters degree in education. In 1950, he accepted the position of coach and teacher with the Winters Schools and has served as principal since 1957. He is married to the former Charlene Parrish, daughter of District Judge and Mrs. O. L. Parrish of Ballinger, and they have two small sons, Kris and Keven.

Miss Nitsch is a member of the Blizzard Band, National Honor Society and was selected the girl of the year by the Daughters of the American Revolution, Tom Green Chapter, San Angelo.

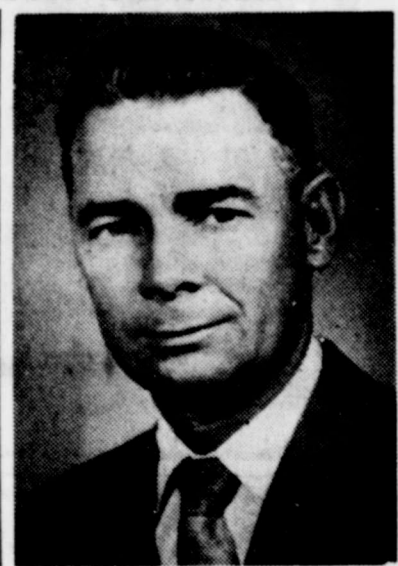

Jackson is active in Future Farmers of America, president of the Student Council and a member of the National Honor Society.

A special feature of the annual, and new this year, is the selection of Mr. and Miss Winters High School. William Grissom and Evelyn Hudgins were given these titles and share a full page picture in the book.

Another highlight of the program was the presentation, by annual sponsor Weldon Middleton, of award medals to the current staff and the announcement of the new staff members for next year, to replace the graduating seniors.

Officers this year were editor, Collier Randolph, junior, son of Mr. and Mrs. James Randolph; assistant editor, Miss Nitsch, senior; business manager, Nancy Norman, daughter of John Norman also a senior; assistant business manager, Tamala Gans, a sophomore, daughter of Mr. and Mrs. Robert Gans; feature editor, Marta Davidson, a junior, daughter of Mr. and Mrs. Pete Davidson; sports editor, Bob Shoemaker, junior, son of the Rev. and Mrs. B. T. Shoemaker; photographer, Don Adams, son of Mr. and Mrs. Adams, of Wingate.

New members of the staff are

BOB CHRISTIAN
Jerry Sneed, son of Mr. and Mrs. G. W. Sneed, and Robin Middleton, son of Mr. and Mrs. Weldon Middleton.

Others honored by the 1961 Glacier were Sharon Johnson, Glacier Queen; Frances Saunders, and James Williams, Senior Favorites; Jerry Dunn and Jaye Henley, Junior Favorites; La Ross Shepard and Alvis Jackson, Sophomore Favorites; Steve Grissom and Linda Easterly, Freshman Favorites. Blizzard King and Queen, Kenneth Crowe and Evelyn Hudgins; FHA Sweetheart, James Williams; FFA Sweetheart, Sharon Johnson, and the chapter Queens, Leonia Daniel and Jan Byrd.

Southside Baptist Begins Revival Sunday, April 23

The Rev. Virgil James, pastor, will do the preaching for the annual spring revival at the Southside Baptist Church beginning Sunday, April 23, and continuing through Sunday, April 30.

Mr. and Mrs. Gerald Qualls, students of Hardin - Simmons U. in Abilene, will be in charge of the music.

Services will be held each evening with prayer services beginning at 7:30 and evening services at 8 o'clock.

The public is cordially invited to attend these services.

The young people of the church will meet Saturday, April 22, at 7:30 p. m. at the church and will go to the lake for supper and fellowship.

Runnels TSTA To Meet April 24 In Ballinger

Runnels County Chapter of Texas State Teachers Association will meet April 24, at 7:30 p. m. in the Ballinger auditorium.

Officers for the coming year will be elected. Jackie Canada, daughter of Mr. and Mrs. Bill Canada, of Ballinger, will provide the music program for the meeting.

Dr. McDonald Held will be the main speaker. Dr. Held is the son of a Baptist minister and is a graduate of Mexia High School, Baylor University and Northwestern University. He holds the A. M. and Ph. D. degrees from Northwestern University, Furman University as well as degrees from other institutions. He went to Howard Payne as professor of speech and chairman of the speech arts department in the fall of 1955. For the past three years he has served as general chairman of the Howard Payne College Democracy in Action program, which last year received the top award nationally from the Freedoms Foundation of Valley Forge for a campus program.

Singing At Drasco Baptist Slated Sunday

A singing at the Drasco Baptist Church will be held next Sunday, April 23, from 2 until 4 p. m., according to an announcement made this week.

A singing will be held the fourth Sunday of each month at Drasco and the surrounding communities are invited. The public is also cordially invited to attend.

Primary Program Slated Friday Nite

Spring program for Winters Primary School, under the direction of Mrs. Dorothy Akins, will be presented Friday, April 21, at 7:30 p. m. in the high school auditorium.

The program entitled "Let Freedom Ring," is an original song-story written by Mrs. Akins. It is in harmony with the American Heritage program which the Winters schools have emphasized this year. "Let Freedom Ring" takes some of the freedom principles which American people enjoy and shows how a child understands those principles.

Michael Emmert is the narrator for the song-story and each freedom is represented by a girl who will be dressed as the Statue of Liberty. Freedom of Privacy is Zola Ruth Crowley; freedom of speech, Janis May; freedom of travel, Phyllis Smith; freedom from want, Rita Watkins; freedom to work in ones chosen profession, Dianne Snell; freedom of worship, Cynthia West; freedom from fear, Pamela Smith and freedom of the government as a protector, Debra Carroll.

The program will present songs which represent those freedoms. Songs will be sung about the home and its family members, a parade, traveling freely from place to place, attending a circus, hiking through the countryside, playing in a park, attending church, growing up, our flag and our country.

These songs will be sung by 85 children dressed in costumes representative of their songs, plus choruses of singers.

The public is invited to attend this program.

Elementary, Junior High Bands to Present Spring Concert Thurs.

Approximately 126 Elementary and Junior High band students will participate in the annual spring concert scheduled for Thursday, April 27, at 7:30 p. m., in the high school auditorium. The bands are under the direction of Robert R. Gans.

The program will feature the fifth, sixth and junior high instrumental students in a program of band music designed for all ages.

Junior High students will receive awards earned during the year.

There will be no charge for this concert and the public is invited to attend.

Winters Students To Attend Americanism Seminar April 14-15

Three students and their sponsor from Winters High School were among approximately 50 high school leaders from across the state who attended by invitation the second weekend seminar in Americanism held at Howard Payne College this year.

Attending from Winters High School were A. L. Mitchell, Collier Randolph and Jerry Dunn, and their sponsor, Mrs. Eva Kelley.

The seminar was held Friday and Saturday, the final two days of the program that has won Howard Payne a top award from the Freedoms Foundation at Valley Forge.

The high school students heard and saw three DIA Week programs—an address by Lebanon's Dr. Charles Malik, former president of the United Nations General Assembly; a concert by the United States Air Force Band and its Singing Sergeants, and a parade of military and school bands, military equipment and patriotic floats. They also saw the Air Force 80-foot Thor - Discoverer missile on display for the week.

In addition, the high school students had a special seminar with Dr. Malik, as well as their own programs and discussion sessions centered around their seminar theme, "Youth Looks at Freedom."

Roger Babson Says

Unexpected Events Always Cause Changes in the Stock Market

Babson Park, Mass. —After my fifty years of study of the stock market, I tender a list of signs for the culmination of a bull market, and offer an important final conclusion.

Watch Wall Street Statistics

1. I like to notice the number of shareholders of the larger corporations. When the number of shareholders begins to decline, it means to me that we are nearing the end of the bull market . . . that the insiders are selling out.

2. I watch the level of brokers' loans and the degree of market activity. There is a steady rise in both of these preceding the culmination of a bull market.

3. I like to watch the published percentage of total borrowing by members of the New York Stock Exchange. When it is 6 percent or more, the stock market is in a vulnerable position.

Stock Prices and Money Rates

4. A prolonged period of tight money with low bond prices and large stock transactions usually points to the termination of a bull market. Of course now, with President Kennedy attempting to control the money market, this situation is not so significant.

5. Although the Dow-Jones Averages may continue to go up for

some time before the bull market culminates, this does not mean that the stocks you hold will go up any further. Therefore the table of New Lows which appear in the daily newspapers should be watched and compared with the general averages.

Bond Prices vs. Stock Prices

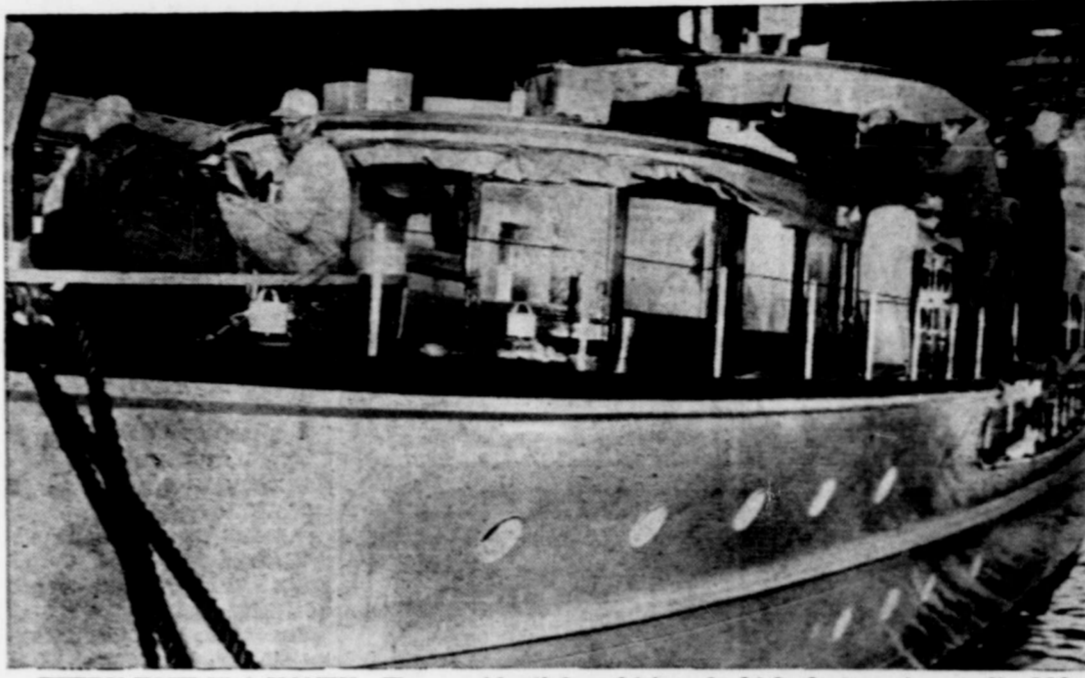

6. Never wait until the movement in the stock market appears on the front page of your daily newspaper. The newspaper's city editor determines when the stock market news should appear on the front page. It is always well to be acquainted with that man and find out how he stands with his holdings.

7. The relation between stocks and bonds is worth watching. As a rule, bonds begin to decline first. As long as the bond yields are falling, there need be little fear of the bull market's culminating.

8. All the talk about mergers, consolidations, etc., should be read. Naturally, the directors of a company are in the best position to get earnings news. As long as the company is earning good money and its prospects are good, directors are not interested in consolidations or mergers. Hence, these news items about consolidations may be good signals that a

bull market is culminating. In the case of the death of a large stockholder, this is usually a signal that the stock will sell off.

When you make up your mind that the bull market is culminating, you should not be too anxious to get out at the top. When deciding to sell, enter an order to sell "at a fair market," rather than at a fixed price. Remember that the large brokerage houses always balance the relative number of orders to buy or sell and the prices at which the orders are to be executed. As these brokers compare notes, when they go out to lunch, the game is stacked against those who are depending on "fixed" selling orders.

Conclusion: In the long run, we must not forget Sir Isaac Newton's "Law of Action and Reaction," pronounced in 1687 and translated into English in 1729. Since the beginning of time, every period of prosperity has gone too far and has been followed by a period of reaction. When we were on the gold basis, the investor could forecast this change; but now we are on a political basis instead. President Kennedy, the Federal Reserve, and Congress can extend the present bull market—but they are simply delaying

LONE STAR AGRICULTURE

Will U. S. farmers in 1975 be able to provide food, feed, and fiber for a third greater population than today's? Can they meet bigger domestic needs and also provide exports to other nations? A probable "yes" to both ques-

tions was the conclusion reached by two economists, R. O. Rogers and G. T. Barton, in a recent appraisal of our crop production potential. This is just part of a larger study by the USDA to assess the job of agriculture and agricultural research in meeting future needs.

Findings indicate the challenge to farmers in 1975 will not be a lack of resources, but how to allocate them to achieve a better balance between production and market demand. This challenge, the economists believe, calls for research on more efficient use of all resources within agriculture and more effective resource adjustment between agriculture and non-

farm sectors of the economy. To provide a basis for their analysis, the researchers made several assumptions, including: (1) A 1975 population of 230 million; (2) exports near the high level of 1956; (3) an increase of 10 percent in livestock - feeding efficiency; and (4) economic and other conditions favorable to adoption by farmers of improved practices and higher farm production.

Total demand for farm products, including a moderate increase in per capita consumption plus exports, was projected at 35 percent greater in 1975 than in 1956-58. The needed increase in livestock (45 percent) would be considerably greater than in crops (25 percent). This is due largely to the tendency for consumption of livestock products to rise with income, and to the projected increase in livestock - feeding efficiency.

Projections on production included two levels of yield per harvested acre for each major crop:

(1) Economic attainable yield, or that likely through greater use of present technology. This yield level takes into account limitations on management, materials, equipment, and capital, as well as past rates of adopting technology. (2) Economic maximum yield, or that which could be attained with full efficient, and economic application of present technology.

Analysis indicates that economic attainable yields would provide a 20-percent increase in average crop production per harvested acre above 1956-58. This is not enough to meet 1975 demands, an-

Select Fence Posts With Care
A mile of good fence costs about \$500, and a major investment is the posts. For this reason, advises Bill Smith, a forester, posts need to be selected with care.

Commercial pressure - pine posts provide a service at the lowest cost of effective life of the fence. Some landowners may think their fencing costs by the treatment of pine fence posts. Their own timberlands in the thinnings, he said.

The recommended procedure for home-treatment is phenol. This chemical may be used with fuel oil to make a solution in which the posts are soaked and can be used only on pine.

Make certain, he says, that posts from these woods are a high percentage of the total otherwise they are a poor investment.

farmers would require an additional million acres (net).

Additional acres would be needed for feed grains (10 million), hay (5 million), and cotton (1 million).

Fewer acres would be needed for food grains (4 million), and crops (1 million), and potatoes and sweet potatoes (1 million). Potatoes require about the same amount in 1956-58.

A DAY TO REMEMBER

Some great battles are almost forgotten, for they were not decisive. But the Battle of San Jacinto was a definite turning point. It marked for our great state the beginning of a new and brighter era.

Those who fought against aggression, on April 21st, 1836, left us a sacred trust. It is for us to safeguard our freedom whether the destructive forces come from without or within. By preserving American ideals we honor the heroes of bygone years whose valor shaped the course of history.

Estella Bredemeyer Hostess For Evening Circle Monday

Miss Estella Bredemeyer served as hostess for the regular meeting of the Evening Circle of St. John's Lutheran Church Monday in her home, with ten members present.

The meeting opened with the hymn, "O Jesus I Have Promised" with Mrs. Jerry Holle giving the devotions taken from Luke 6:27-31. Mrs. L. R. Hoppe presented the Bible study, "How Shall I Pray, When Others Fail Me?", taken from Exodus 32:7-14 and 30-35, and Numbers 12:1-16.

Miss Minnie Belitz, vice president, presided for the business session and the minutes were read and approved. Response to roll call was favorite Bible verses. Miss Bredemeyer gave the worship offering meditation for April. A new project was discussed and the circle voted to compile a new cook book which will be for sale in the near future.

Refreshments were served to Mrs. James Burson and Mrs. Bill Bredemeyer, visitors, Mesdames Willis Whittenberg, H. K. Flathmann, Jerry Holle, Henry Minzenmayer, Grady Byers, Frank Carter, Henry Witte, L. R. Hoppe, and Miss Minnie Belitz.

WINTERS NEWSLETTER
**Should Consider
Space Flight In
Light Perspective**
Congressman O. C. Fisher

Both House and Senate in the past week, New Frontiers is on tap for this and the tempo is due to be up in the weeks immediately ahead. The Senate has tackled minimum wage bill, and a committee of Both House and Senate members will work out compromise. Then it will be up to the president to accept or disapprove as reported.

Russians have made a big splash about their spaceman who orbited the earth a couple of times at 17,000 miles per hour. It is a great and spectacular achievement, but its significance should be considered in perspective. Russia is breaking travel records. One Communist went into orbit—and 3 million got out through West Germany.

The simple fact is that the Soviet satellite program has been going on for eight years before we did anything. The gap is now closed, and we are now a part of them in some areas of development.

Cleaning Covering On Foam Rubber
By Oille Chenoweth

Much of the newer furniture is cushioned with foam rubber and upholstered with fabric. Women are asking if the fabric can be cleaned at home without damage to the foam rubber.

The answer is, Yes. It can be cleaned. Just be sure you use a safe cleaning agent.

Select your cleaning agent by considering first, the nature of the stain, next the type of fabric, and lastly the effect of the cleaning agent on foam rubber.

Soaps, detergents, glycerine, denatured alcohol, benzene, carbon tetrachloride, sodium hydrosulfite, sodium thiosulfate and a weak solution of ammonia are acceptable as cleaning agents as far as the foam rubber is concerned. Carbon tetrachloride and cleaning fluids containing carbon-tetrachloride should be used very sparingly, as it is a rubber solvent.

Normal rubbing of the outside on tight or fixed seats will not harm the foam rubber cushion. Foam rubber is tender when wet but its normal strength returns when dry.

Cleaning agents that do have a harmful effect on foam rubber are of the bleaching and oxidizing types. The following are not recommended: vinegar, turpentine, acetone, chlorine, hydrogen peroxide, oxalic acid and sodium perborate.

Anyhow, we have plenty of time to get our astronauts into space, and contribute many times in the future to man's conquest of the unknown. But we must move firmly and speedily, because there can be military as well as scientific meaning to this penetration of space business.

"Double-Six" Club Met Friday Night In Floyd Sims Home

Mr. and Mrs. Floyd Sims served as hosts for the "Double Six" Forty-Two Club recently in their home.

A salad dinner was served buffet style from a table laid with green linen. An arrangement of purple iris centered the dining table.

Mrs. E. F. Albro won high for the ladies in forty-two and L. E. Jacob, high for the men. Mrs. Buford Baldwin and Mrs. Albro won bingo prizes.

Those present were Messrs and Mesdames E. F. Albro, L. E. Jacob, Buford Baldwin, Hudon White and Mr. and Mrs. Luther Minzenmayer, guests.

FRYING ADDS 30 CALORIES

One egg, poached or soft-cooked with no butter or fat, has 80 calories; but fry that egg or scramble it with milk and butter, and the caloric value rises to 110! To-basco offers a lively seasoning, and is especially recommended for salt-free dieters. It has no calories, no sodium.

SPARE THE FLOOR

When moving furniture, slip a rug under the piece to be moved, then pull the rug. The floor will not be scratched.

HOUSEHOLD HINTS—

Over half a million new cases of cancer will be diagnosed this year, the American Cancer Society predicts. All adults are urged to have an annual health checkup and to support the Society's April Crusade.

There's nothing the matter with you. All you need is a tonic. You're three weeks ahead with your night life and two weeks behind in your sleep.

The vernal, or spring, equinox, arrived this year on March 20, at 3:30 P. M., Eastern Standard Time. At that moment, the sun appears to pass the earth's equator on its way north for the summer; and winter is, officially dead.

Bill Covington Accidentally Shot Saturday Evening

Bill Covington, 28, a mechanic for Crockett Ford Sales, who was accidentally shot in the abdomen with a .22 caliber pistol Saturday evening, is reported to be in satisfactory condition in the Shannon Hospital in San Angelo.

The accident occurred Saturday while Covington and two of his friends were doing target practice about eight miles south of Winters. He was taken to Winters Municipal Hospital and transferred to the Shannon Hospital to undergo possible surgery.

Covington said he had unloaded his pistol but had missed one bullet and when he started to put it in his belt the pistol discharged.

Pink and Blue Shower Given Tuesday For Kelly Lynne Thomas

A pink and blue shower honoring Kelly Lynne Thomas, new daughter of Mr. and Mrs. R. C. Thomas, was given Wednesday afternoon from 2 to 3 o'clock in the home of Mr. and Mrs. Griffin Brown.

Other hostesses were Mesdames W. B. Williams, Bill Bean, W. M. Hays, Bill Craven and J. R. Vague. Mrs. Brown greeted the guests and Mrs. W. M. Hays presided at the register.

The tea table, laid with white linen, was centered with a pink baby cradle holding an arrangement of roses. Mrs. Bean ladled frosted lime punch from a crystal punch bowl and Mrs. Vague served decorated angel squares. Arrangements of spring flowers were used at vantage points throughout the party rooms. Mrs. Williams showed gifts.

ATTENDED FUNERAL

Mr. and Mrs. Arthur Bates attended the funeral of Mr. Bates' cousin, Mrs. Lee Benningfield, the former Mellie Virden, Sunday at Goldthwaite.

Number Organized Rural Communities On the Increase

Two hundred forty-one rural communities are participating in this year's Texas Community Improvement Program, reports Reagan Brown, extension sociologist. The program is sponsored jointly by the electric utilities companies operating in Texas and the Texas Agricultural Extension Service. A total of more than 9,000 families, representing all sections of Texas, are participating, says Brown.

Brown says the object of the program is better homes on better farms in better communities. Competing communities will be vying for a share of the awards to

be distributed on a district and state basis.

Communities entered in the program are making progress in increasing and managing family income, improving health conditions and services, improving the farm and the home, and encouraging social participating. Each community, however, chooses its own goals based on its individual need.

All competing communities will be judged on the progress they have made in the twelve month period ending March 31, 1961. During April and May, district and state judging will be conducted and all interested persons are invited to participate in the community tours that will be conducted in various localities.

Brown says that as you drive up

and down Texas highways, you will be able to recognize many of the communities participating in this program by the signs placed at their boundaries.

TO ABILENE

Mr. and Mrs. M. L. Guy spent Sunday in Abilene visiting in the home of Mr. and Mrs. John Sowerder.

Compromise makes a good umbrella, but a poor roof; it is a temporary expedient, often wise in party politics, almost sure to be unwise in statesmanship. — James Russell Lowell.

OLD PAPER LASTED LONGER

Many books 100 years old or more still are in readable condition, while volumes 20 to 50 years old have pages that crumble at the touch. That, according to the Quarterly Bulletin of the Corn Industries Research Foundation, is because good books published before 1870 had pages of linen or cotton rag paper, while newer books used cheaper wood pulp. However, authors once again can expect their prose to be deathless — new uses of corn starch, sulfate, sulfite and soda pulps in paper making produce fibers resistant to atmospheric attack.

WANTED
a home in 1981

Kids just naturally grow up . . . and they do it fast. The kids the age of the little girl in our picture will be wanting a home in 1981. We hope she has a home (run by electricity, of course) in 1981 and that her home life is a happy one. We also hope she has something else as well — a strong, free nation — where she has a right to get ahead under her own steam and will always be secure!

Investor-owned companies, like West Texas Utilities Company, are working hard to see that this little girl's "wants" come true in 1981. Each year, WTU spends thousands of dollars and uses thousands of man-hours planning ahead to be sure we can supply the ever increasing demands for electric energy. In a private enterprise nation, this is our job! We are going to do a good job for our little girl.

AT HOME TODAY

In our little girl's home today, she can enjoy electric living at a very economical cost. For instance—the average family, served by WTU, can cook a complete meal for less than 3¢ with a modern electric range. If you are not using an electric range, you owe it to your "little girl" to investigate this modern method of cooking today.

West Texas Utilities Company an investor owned company

Why is the Ford Galaxie head and shoulders above all the imitators?

'61 Ford Galaxie, like all Fords, is available with the Thunderbird 292 V-8 engine that won the low-price V-8 class in this year's Mobilgas Economy Run—averaging 21.3 miles per gallon!

Because it's beautifully built to take care of itself!

Frankly, we're tickled to see so many other cars trying to latch on to the styling trend started by Galaxie. But they can't copy that Thunderbird roofline—any more than they can match Galaxie's Thunderbird luxury and handling.

What's more, Galaxie is the fine car built to cut your operating costs—by being beautifully built to take care of itself! For example, you can go 30,000 miles without a lubrication. And when you compare price, you find that Galaxie costs several hundred dollars less than some cars that give you less. Challenging statement? We're here to prove it—today.

Here's how the '61 Ford takes care of itself!

- Lubricates itself—You go 30,000 miles between chassis lubrications (which cost only about \$4.50 and take about 20 minutes).
- Cleans its own oil—You go 4,000 miles between oil changes with Ford's Full-Flow oil filter (which filters better through fibers).
- Adjusts its own brakes—New Trunk Size brakes adjust themselves—automatically.
- Guards its own muffler—Ford mufflers are double-wrapped and aluminum to last three times as long as ordinary mufflers.
- Protects its own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.
- Takes care of its own finish—Just wash and clean Ford's new Diamond Lustre Finish and it will continue to glisten like new, it never needs waxing.

What the Consumer Pays and the Farmer Gets

Farmers got lower prices for their 1960 produce than for that produced in 1947, but consumers paid substantially more for the foods, according to a research report issued recently by the USD.

Where did this extra money consumers spent go? It was taken up by increases in marketing costs for wages, containers, freight rates, fuel, depreciation, rents, advertising, taxes and other costs. Marketer's profits as a percentage of the consumer's dollar showed no decided trend, but their total profits were up.

Although food prices were higher in 1960 than in 1947, the consumer could purchase more food with an hour's wages. This is possible because personal incomes have risen considerably faster than food prices. For example, an hour's work in 1960 would buy 2.5 pounds of beef compared to 1.9 pounds in 1947.

Retail prices of food rose less than prices for all commodities and services, the study showed. Food prices since 1947 are up about one-sixth, but the Consumer Price Index has risen more than one-fourth. Relatively, therefore, food is a bargain for consumers when compared to the total of their other expenditures. Since marketing costs rose faster than the Consumer Price Index, the slower rise in food prices was due entirely to the lower prices paid to farmers.

In 1960, the farmer received only 39 cents of the dollar spent by the consumer for food, the study showed. The remaining 61 cents went to pay marketing charges. The farmer's 39 cents in 1960 compares with 51 cents he received in 1947 and with 32 cents in the depression years of 1932-33.

To Sam's consternation, he finds the girl married to somebody else, and, in an effort to save his partner from heart-break, decides to pick up a curvaceous beauty named Michelle (Capucine) in a Seattle honky-tonk and bring her back to Nome as a substitute bride-to-be.

So begins a bitter-friendly contest for the love of this high-spirited wench, a rivalry complicated by still another suitor, George's

Mother of Local Resident Died in Ballinger

Mrs. W. F. Atnipp, 83, of Ballinger, resident of Runnels County since 1905 and mother of Mrs. Bud Beauty of Winters, died at 12:30 a. m. Monday in Stewart Rest Home in Ballinger after a three-year illness.

Born Lena May Wiley June 20, 1877 in Warren County, Tenn., she came to Texas as a child. She married W. F. Atnipp July 17, 1895 at Bogota. The couple moved to Runnels County from Red River County.

Mrs. Atnipp was a member of the Presbyterian Church.

Funeral services were held Tuesday at 10:30 a. m. at Newby-Davis Chapel in Ballinger. The Rev. Leslie Ellison, pastor of Winters Presbyterian Church, officiated, and burial was in the Old Runnels Cemetery.

Grain Producer Urged To Study Feed Grain Program Provisions

Grain producers should carefully weigh the advantages and disadvantages of the recently announced feed grain program and apply them to their own situations before making a decision on whether or not to participate. According to Texas Agricultural Extension Service economists, there is only one best way to make the determinations—take a pencil and paper and do some figuring. Figure the gains and losses that might be expected to result from participation or non-participation in the program.

Survivors include three sons, Horace of Ballinger, Alvin and Jack, both of San Angelo; two daughters, Mrs. Aubrey Smith of Ballinger and Mrs. Bud Beauty of Winters; one brother, R. L. Wiley of Ballinger; 15 grandchildren, 20 great-grandchildren and four great-great-grandchildren.

the effect of the program on net farm income may depend on several factors. The farmer who participates may earn extra income from some or all of the following sources: payments for diverting corn or grain sorghum acreages into conservation uses; higher support prices for grain sold under the program and earnings from labor saved and put to other uses. In addition, there may be savings in out-of-pocket costs which would have been spent for producing and harvesting corn and or grain sorghum from the diverted acres.

On the other hand, they say farmers going into the program should take into account such losses as the costs of plowing up corn or grain sorghum already planted; costs of maintaining acres diverted to conservation uses; costs of extra livestock feed which might have to be purchased to replace production from diverted acres or sold under the program and the reduced income from corn and or grain sorghum as a result of the reduced acreage.

The economists suggest that

every farmer do some checking on the items listed and others which may apply to his particular farm to see how his earnings might be affected. The expected gains from participating in the program should be totaled along with losses in income that might occur. Simple subtraction will show the net gain or loss that can be expected. The economists point out that only cost and return items affected by the feed grain program should be considered and these may involve other items of the farm business besides the corn and or grain sorghum enterprises.

Another advantage which should be seriously considered, say the economists, is the insurance phase of the program. Participating in the program will insure income even though the corn or grain sorghum crop is a failure. There may also be savings in production credit needed because of the advance cash payments allowed under the program and future crop yields may be improved as a result of conservation practices carried out on the diverted acres.

Runnels County HD Council Met Friday At Court House

Mrs. M. R. Petrie presided for the April meeting of the Runnels County Home Demonstration Council which was held Friday afternoon in the conference room at the courthouse.

Ten clubs with 21 members represented at the meeting with Miss Ollie Chenoweth, Runnels County Home Demonstration Agent, as a guest.

Mrs. Clyde Simmons read a letter of resignation from Mrs. Archie Wallace, civil defense chairman, which was accepted by the council. Miss Chenoweth announced a recreation training school for Friday, April 28 at 2 p. m. in the conference room at the courthouse. Two members from each club will attend.

The 4-H committee chairman reported that all clubs have started work on their major projects, clothing and food. A total of 19 new adult leaders have volunteered to work with the regular 4-H leaders in presenting the programs to the 4-H clubs in their respective communities; four for the Norton Girls' Club, six for the Rowena club and nine for the Olfen club.

Programs presented the past month have been on "Fancy Sandwiches and Cookies," and "Keeping Young While Your Work." All clubs have completed the March exchange programs. Other activities include making cancer bandages, sending get-well cards to a patient at Hendrick Hospital, preparing meals for a bereaved family, sending Easter eggs to the children at Abilene State Hospital, home and yard improvements, holding a bake sale and selling greeting cards. Several club women are writing histories of different communities in cooperation with the Texas Heritage committee of Ballinger Women's Club.

Crews Club will participate in the Rural Neighborhood Improvement contest on Thursday, April 27. A \$500 4-H Club donation was reported by the South Ballinger Club.

Thirteen guests have attended club meetings since the last council report and 26 HD club women and Miss Chenoweth attended the District 7 convention at Coleman April 13.

Following adjournment, Patti Greger and Sheila Jones, 4-H Club girls from Norton, who will be contestants in the April 22 4-H contest in San Angelo presented an electrical demonstration using three types of bulbs and showing the tasks they can perform for the homemaker, and on the farm. Safety precautions were stressed in using heat-lamps, for fire prevention.

Former Winters Man Awarded \$3000 At Ford Assembly Plant

Benton P. Neely, Dallas Ford Assembly Plant employee, and a former resident of Winters, has been paid a \$3,000 award under the company's Employee Suggestion program, according to an item appearing in the Dallas Ford News. It is the first maximum award to a Dallas employee since the program was inaugurated in 1948.

The award came as a result of a suggestion made by Neely, stock status clerk, whose suggestion recommended that one-candlepower lamps be replaced with lower-priced two-candlepower lamps on the instrument panel. The change was aimed primarily at eliminating confusion in usage of the two bulbs. Tests made by engineering in Detroit proved the validity of the idea.

Neely had waited a long time for the suggestion to pay off and was completely surprised when the check presentation was made. He has been a Ford employee since August 1945, and resides in Garland.

Mr. Neely, who was reared in Winters, is the son of the late J. S. Neely and a brother of Gattis Neely of this city.

Library Students Observed National Library Week

Observing National Library Week, thirteen student librarians from Winters High School were on a trip to Abilene Tuesday afternoon as their main activity.

Myrtle Frazier, librarian, W. M. Hord, Mrs. R. W. and Mrs. B. M. Grenweige accompanied the group.

The student librarians visited McMurry College and Hardin University libraries on Monday afternoon, ate supper at a cafeteria, then toured the Abilene Public Library and the Abilene Christian College Library.

Student librarians making the trip were Elizabeth Grenweige, Jacque Nelson, Jeannette Lewis, Iris Vogler, Glenda Folsom, Suzanne Hipp, Barbara Hord, Deloris Foster, Brenda Parrish, Gwen Caskey, Judy Wearden, Linda Balke and Lela Mae Guy.

Mrs. Z. I. Hale Gave Program At Diversity Club

Mrs. Z. I. Hale presented the program, "Explore with Books," at the regular meeting of the Diversity Club held Thursday afternoon in the home of Mrs. C. R. Bellis.

Mrs. W. B. Middleton presided for the business session and response to roll call was "a good book." The club voted to make a donation to the American Cancer Society Crusade.

Refreshments were served from a linen-laid table centered with a spring arrangement.

Those present were Mesdames W. T. Billups, Z. I. Hale, S. M. Jones, C. R. Kendrick, Clarence Ledbetter, H. B. Livingston, W. B. Middleton, Noel Reid, Earl Roach, Louelle Roberts, Fred Young and G. E. Wilson.

Mrs. E. Sheppard Guest Speaker At T & C Garden Club

Mrs. Elmer Sheppard of Ballinger was guest speaker at a salad luncheon for members of the Town and Country Garden Club held recently in the home of Mr. and Mrs. George Briley.

Mrs. Sheppard showed slides of many different kinds of flowers, trees and hillsides of European countries, including Holland, Denmark, France, Switzerland and Belgium. The slides were made on a recent European tour when Mrs. Sheppard and a group of friends toured Europe.

Mrs. R. L. Briley, president, presided for a brief business session and Mrs. R. L. Briley and Mrs. Floyd Sims were elected as delegates to represent the Town and Country Garden Club of Winters at the state convention to be held in Odessa May 25.

A salad luncheon was served to Mrs. D. L. Moreland of Coleman, Mesdames George Rosson, Howard Worthington, Floyd Sims, R. L. Briley, L. G. Wilson and De Aun, Robert Everett, F. C. Mills, and three visitors, Mrs. Elmer Sheppard and Mrs. E. L. Rampy of Ballinger and Mrs. Bud Eoff.

Firemen's Auxiliary Met Thursday In Townsend Home

Winters Firemen's Auxiliary met Thursday evening in the home of Mr. and Mrs. John Townsend for a tacky party. Mrs. Bobby Hatcher shared hostess duties with Mrs. Townsend.

Mrs. Bobby Hatcher and Mrs. Joyce Wilkerson won prizes for being the tackiest. Games and tricks were played during the evening.

Refreshments were served to Mesdames Dick Leslie, Ira Brannon, Carson Easterly, Jack Harrison, J. C. Jarrell, Martin Middlebrook, A. B. Spill, Ernest Thormeyer, Wilbur Waggoner, Dee Waggoner, and Joyce Wilkerson. Door prizes were won by Mrs. Thormeyer, Mrs. Easterly and Mrs. Jarrell.

San Souci Dinner Club Met Tuesday In Leeman Home

San Souci Dinner Club met Tuesday evening in the home of Mr. and Mrs. M. E. Leeman with Mr. and Mrs. Gattis Neely serving as co-hosts.

Dinner was served from a linen-laid table centered with an arrangement of roses in a silver bowl. Spring flowers were used at vantage points throughout the party rooms.

Following dinner, games of forty-two were played.

Those present were Mrs. Frances Campbell, Mrs. Noel Reid and John Norman, guests; Messrs and Mesdames Fred Young, W. F. Minzenmayer, James Randolph, Raymon Lloyd, George Poe, Harry Herman, Ladell Davis, members.

MR. AND MRS. JAMES W. ADCOCK

Lela Mae Guy Became Bride Of James W. Adcock Saturday Evening

In a candlelight ceremony Saturday in the Missionary Baptist Church in Wingate, Lela Mae Guy, daughter of Mr. and Mrs. W. B. Guy of Wingate, became the bride of James William Adcock, son of Mr. and Mrs. Oran Adcock of Odessa.

The Rev. Woodrow McHugh, pastor of Vincent Baptist Church, officiated for the double ring ceremony. Mrs. W. W. Wheat, pianist, presented nuptial music and accompanied Gens. Wheat, soloist.

Nancy Guy of Abilene, niece of the bride and Larry Adcock of Odessa, brother of the bridegroom, were cardlighters. Ushers were Dewaine Adcock of Odessa, brother of the bridegroom and Bobby Crumford of Midland. J. B. Guy Jr. of Winters was groomsmen.

Honor attendants were Margaret Guy of Winters, niece of the bride, and Tommy Cranford of Midland, cousin of the bridegroom. Martha Marks of Winters was bridesmaid.

Bridal attendants wore pale blue street length dresses styled with fitted bodice, round neckline, cap sleeves and full skirts. They wore matching half hats and wrist-length gloves and carried bouquets of blue carnations.

Given in marriage by her father,

the bride wore a street length sheath of white imported lace over satin fashioned with a fitted bodice, round neckline and three-quarter length sleeves. Her fingertip veil of tulle fell from a tiara of seed pearls and she carried a bouquet of carnations and lilies of the valley atop a white Bible.

Following the ceremony a reception was held in the fellowship hall of the church. Members of the house party were Donna Minor, Mrs. Levi Robinson and Arlene McCartney.

For a wedding trip to Midland, the bride wore a blue embroidered cotton sheath with white accessories.

The bride is a senior in Winters High School where she is a member of Future Homemakers of America, Library Club, Quill and Scroll and the Blizzard Band. She is exchange editor of The Gale, school newspaper.

The bridegroom graduated from Odessa High School where he was a member of the football team. He is stationed with the U. S. Army in Germany where his bride will join him in about three months.

The bridegroom's parents were hosts for the rehearsal dinner Friday evening in Wingate Cafeteria.

"April Showers" Theme Of Mother, Daughter Banquet

"April Showers" was the theme used in decorations at the annual Mother-Daughter banquet of the Winters Chapter of Future Homemakers of America held Friday evening at the school cafeteria.

Miniature umbrellas and pastel colored daisies decorated the tables.

Nancy Norman, toastmistress, welcomed the guests and Mrs. Harry Herman, chapter mother, gave the response. Mrs. Homer Hodge Jr. presented the program.

FHA Degrees of Achievement were presented by Jean Mayo and Nancy Norman. Future Homemakers receiving the Junior Degree were: Betty White, Eris Vogler, Kay Bullard, Norma Wade, Connie Willborn, Charlotte Dooley, Andra Bishop, Nicki Eoff, Sonja Modisett, and Carolyn Helm. Chapter Degrees of Achievement were presented to Rosalene Scott and Dickie Hale.

Nancy Norman, FHA chapter president, was announced as the FHA Girl-of-the-Year. Members elect the FHA Girl - of - the - Year based on her interest and helpfulness to FHA and its work during the school year.

Installation of officers for 1961-62 was also a part of the banquet program. Future Homemakers installed as new chapter officers were: Pam Bedford, president;

Nancy Norman Honoree At Senior Banquet Monday

Naming Nancy Norman as honoree, the members of the 1960-61 senior class of Winters High School were given a banquet Monday night, April 17, at Pierce Cafeteria dining room by her father, Jno. W. Norman.

The dining area was decorated in traditional blue and white and the table was arranged in the shape of an "H". At the back of the speaker's table styrofoam letters announced "Seniors" and manikins dressed in caps and gowns graced each corner of the room. Place cards were double-face mirrors and graduation caps in pastel blue completed the plate favors.

Bulletin boards with WHS on the walls held baby pictures of class members and as each guest entered they were given score cards with numbers to correspond to the number of a picture and each picture was to be identified.

Steve Norman was introduced in a fake "Magic Made Easy" presentation and due to a sprained wrist was unable to present his complete program.

Cecil M. Hunter was discovered in the group and was introduced as an applicant for the high school principal in the local school. He was actually a professional comedian of Tulsa, Okla., who kept the group entertained with laughter the entire evening.

Those attending were members of the senior class and Miss Freddie Gardner, Mrs. R. J. Bauer, Rev. and Mrs. B. T. Shoemaker, Messrs. and Mesdames James B. Nevins, Rodney D. Cathey, Jerry Durgan, Weldon Middleton, Joe May, Audra L. Mitchell, Homer

The People vs Cancer

WHY did I volunteer as Honorary Education Chairman American Cancer Society's 1961 Crusade? Because I had and had to face it in all its hard reality. I am glad I did not. Over the years I had helped in the fight against cancer in the best way, but not in the vital, urgent, way I have. It seemed so remote, so impossible.

Now, as a volunteer, I am in the front line. I have come to know a lot about cancer. They are the lifeblood of the American Cancer Society. There are about 2,000,000 people in this country who are fighting for you — and for your sons and daughters for all time.

Many are people who, like myself, have cancer. And who out of personal knowledge know what they can do.

The great volunteer army of the American Cancer Society does a lot more than life-saving facts about cancer. This army gives comfort, assistance to the afflicted, mans offices without pay, collects needed for research, education and services.

Or at least, that is my experience. To the point of being I now never miss an opportunity to give my troubled heart facts about cancer. I tell them they have the cancer and you may be saved; don't act and you will surely die.

Every time I talk to a volunteer, I am struck by the determination to do something productive for mankind. What more can we do? Join in the fight against cancer.

In this climate, the House postponed floor action on the general sales tax measure by Reps. John Allen of Longview and Forrest Harding of San Angelo.

Governor Daniel urged compromise through a "package" bill. Ingredients for the package, he said, might be gotten from Rep. George Hinson's omnibus tax bill and Rep. Ben Atwell's selective sales tax measure.

SENATE COOL TO TAX

With less than bubbling enthusiasm, Senate State Affairs began hearing on the first tax bill sent over by the House.

Senators listened with seeming sympathy to witnesses who criticized the bill's provision for a revised franchise tax formula and a gift tax.

Under the Ballman bill's broad caption, the Senate could add extensively to its revenue-raising features, but most observers doubt the Senate will be eager to seize the initiative at this stage.

CAMPAIGN LIMIT KILLED

A bill to limit campaign expenditures to \$25,000 in a race for the U. S. senate or congressman at large was killed by the House, 83-50.

Sen. Martin Dies Jr. of Lufkin was sponsor of the bill which passed the Senate.

Supporters of the measure said that as things are "a rich man can buy his way into office." Opponents said the limit was unrealistic and that a newcomer to politics could never become known with such restrictions on a statewide race.

INSURANCE CHANGE FLOUNDERS

Sen. Grady Hazlewood's bill to set ground rules for the state's merit rating auto insurance has had at least a temporary set-back.

Prior to this action, the State Board of Insurance announced extensive changes in the rating plan, effective August 1. Such violations as running a red light or stop sign, illegal passing or turning, negligent collision and breaking of drivers' license restrictions were removed from the list of actions causing a driver to pay higher insurance rates.

Senator Hazlewood was not satisfied with the changes. He criticized the removal of red light running from the list and the keeping of penalties for speeding, no matter how slight.

FREIGHT RATE BILL PASSED

A bill to simplify rate settings for railroads and truckers was passed on second reading by the House.

CONSOLIDATION PAYMENTS OKAYED

A bill designed to encourage consolidation of school districts received final Senate passage.

JEFFERSON REPORT "BLOWS IN"

Release of the House General Investigating Committee's report on its study of vice in Jefferson County blew the lid off along smoldering controversy.

Mrs. L. H. Henslee Will Attend WTU Women's Institute

More than 150 WTU women personnel from the 50 county service area will be in Abilene on April 21, to attend the Seventh Annual West Texas Utilities Women's Institute.

This event is attended each year by women employees of WTU, employed as secretaries, stenographers, cashiers bookkeepers and clerks.

Mrs. L. H. Henslee of the Winters office will attend.

Mary Jo Craig, secretary to vice president J. F. Longley is general chairman of this year's meeting.

The morning session will begin with registration at 8:30 at Lytle Shores Auditorium. Appearing on the morning program will be Mary

Report accused Atty. Gen. Will Wilson of failing to follow up vigorously on reports to him of flourishing prostitution and rackets in the Beaumont-Port Arthur area.

It also criticized Liquor Control Board Administrator Coke Stevenson Jr. for merely demoting an agent accused of failing to stop liquor law violations by private clubs in Jefferson County.

House committee completed its study last year and was automatically dissolved at the beginning of this session, but the report was delayed.

Wilson hotly denied that he had failed or refused to take any action within the power and scope of his office. He said the criticism of him was "politically motivated" by Rep. Tom James of Dallas, vice chairman of the committee.

Meanwhile, the House - rather wearily, perhaps - voted against a bill that would set up House and Senate investigating committees every session, as a matter of law. Better, they decided, to establish such committees by resolution when special circumstances seem to warrant.

HOURS CUT APPROVED

A bill to cut the work week of state hospital employees from 44 to 40 hours was voted out unanimously by the Senate Committee on State Departments and Institutions.

Jo Craig, J. F. Longley, J. C. Crowmover, assistant secretary and assistant treasurer; Paula Roberts of the Rate Department; Maxine Rice, secretary to vice president S. B. Phillips, and a panel composed of ten WTU women with Mary Ann Ruwwe as moderator.

Appearing on the program during the afternoon session will be Dan Jones Castles, advertising manager; Eudora Hawkins, WTU Women's Representative; a cashier panel discussion moderated by Durwood Chalker, and another panel discussion on "Selling Kilowatt Hours," with Louise Mohr serving as moderator.

The evening session will be held in the ballroom of the Wooten Hotel. Following the invocation, greetings will be brought by Sue Barr, secretary to Abilene district manager, Frank Hobbs. Following the dinner and the introduction of guests, Cal Young will speak to the group.

Pvt. Hambright Assigned To El Paso

Army Pvt. Donald W. Hambright, whose wife, Sherri, lives at 2520 Westbrook St., Fort Worth, was assigned to the staff of William Beaumont General Hospital in El Paso April 8.

Hambright, a medical corpsman at the hospital, entered the Army in October 1960 and completed basic combat training at Ft. Hood Tex.

The 23-year-old soldier, son of Mr. and Mrs. Clarence H. Hambright, 500 E. Bowen St., is a 1955 graduate of Winters High School. He attended Texas Wesleyan College.
