NUMBER 28

NEW QUARTERS — Above is shown the remodeled building at 135 North Main now occupied by Western Auto. The business is owned by Mr. and Mrs. W. M. Hays, who recently moved the store from their old location one door north. They will hold their open house in the newly remodeled and redecorated and spacious store Saturday, October 14. ## Western Auto Open House In New Building Saturday

Western Auto Associate Store, owned and operated by W. M. (Wes) Hays, will hold open house in their new quarters Saturday, Oct. 14. Open house for all their friends and customers will be held all day in the new store, with refreshments served and favors given to all visitors.

This month is also the thirteenth anniversary for the Winters Western Auto Store. Hays opened the store here in October, 1948.

Several door prizes will be given in the afternoon, with a grand prize presented at 7 o'clock in the evening. Hays said that a drawing will be held each hour, beginning at 1 p. m. until 6 p. m. No purchase is required for the drawings, he said.

Western Auto Associate Store recently was moved one door south of the building they had occupied for several years. The new store, at 135 North Main, has been completely remodeled, with a new front and lots of glass, going along with the trend of remodeling which has been in effect in Winters for several months.

In the move, the store gained in sales floor space, and added much room for their shop department. There are 2418 square feet of space on the sales floor alone.

## Revival Begins October 15 At First Methodist

A fall revival meeting will begin at the Winters First Methodist Church Sunday, Oct. 15, the Rev. Ray Elliot, pastor, announced this week.

The Rev. Wallace J. Shelton, superintendent of the Brownwood District, will do the preaching at the revival. The Rev. Shelton has held pastorates in the First Methodist Church at Olney, the First Methodist Church in Waco, and the First Methodist Church in Mineral Wells.

Services during the revival will be held twice daily. A morning service will begin at 7 a. m., Monday through Friday, and will be day through Friday, and will be held over in time for those attending to get to school and to their businesses.

Evening services will begin at 7:30 o'clock. The public has been cordially invited to attend these services.

Hays said. The shop department, where tires are changed and other auto work done, contains 900 sq. feet. There are 900 square feet of storage space, and a new, modern office and accounting department. A new radio and television repair shop has been built, and larger and more accessible auto parts department has been developed. A larger lawn mower service section also is available.

The owner said that the added space afforded by the move into the new location has enabled the store to open a larger auto parts department, where a complete line of parts is available.

In laying out the new store, proven methods of departmentization were used. All items of merchandise have been displayed for the

## Conference Grid Games Scheduled To Begin At 7:30

All conference football games of District 7AA will begin at 7:30 p. m., it was announced this week. Pre-conference games have started at 8 o'clock.

The Winters-Ranger football game Friday night will be the first conference game of the season, and kick-off will be at 7:30. Blizzard fans are reminded that if they will purchase their reserve seat tickets in advance it will cost them only 25 cents for a reserve seat plus the general admission. However, if reserve seat tickets are bought at the gate, the cost will be 50 cents plus general admission.

School officials have said they would appreciate it if fans will purchase their reserve seat tickets here in Winters for all out-of-town games. By doing this, Winters can keep all of the reserved seat money, plus 50 percent of the general admission ticket money.

Throughout the season, football game tickets will go on sale each Wednesday morning at the school business office on a first come, first served basis.

convenience of the customer, with prices and descriptions of items shown to help buyers better serve themselves. All merchandise in a particular line is grouped together in the new departments.

Owner Hays said that every care has been taken to make this one of the most modern Western Auto Stores in the country, and the added space has allowed them to add many items, and some merchandise which they had not had room to display before the move.

Hays said that the move into their new store has taken a lot of work and time and he has expressed thanks to his customers for their thoughtfulness and consideration during the time the store has been in the process of moving.

The newly remodeled store is staffed by Mr. and Mrs. Hays, their two sons, Wes Jr., and Mike, and J. W. Allmand and Jim Simmer.

During the move they were assisted by several people, including Tommy Rougas, Cecil Hambricht, Mr. and Mrs. James Ash of the Norton community, Robert Carey, Judy Kettler, Evelyn Smith and Kathryn Hernandez.

The public has been invited to attend this open house of the Winters Western Auto and Associate Store Saturday.

## Dpty. Tax Collector Will Have Office In Winters

Travis Jordan, a deputy County Tax Collector, will have an office in Winters for the convenience of taxpayers living in this part of Runnels County, it has been announced.

The office will be located on the west side of the 100 block of North Main Street.

Jordan said he will collect county property, real and poll taxes.

## Ranger Here For League Tilt Friday

The Winters High School Blizzard football team will open the District 7-AA conference season here tonight (Friday) when they meet the Ranger Bulldogs.

The game tonight will begin at 7:30, as will all other conference games. Pre-conference games have started at 8 o'clock.

After whipping the Colorado City Wolves 8-0 in Colorado City last Saturday night, the Blizzards have climbed back up the rating ladder, and now are second only to Ballinger on the list. Both teams have a 3-3 record, but Ballinger is slightly out in front in the points scored column.

The Blizzards are gaining in stature daily in area double A ratings. Coach L. G. Wilson's team has tucked some pretty good wins under their belts, and have held some good teams to small gains in the six games played thus far.

They have their eye on the district cup, and will present a solid front to the rest of the 7-AA teams. The Winters High School team was the only one in the district to win a game last weekend. Coleman tied San Saba, but Ballinger lost to Lakeview 24-8. Winters won in the season's opener, 22-14. Cisco lost to Lamesa, 33-12.

The Blizzards' opponents for Friday night lost their game with Cross Plains last Friday night, 18-12. The Bulldogs have a season's record of 1-4-1. They have previously lost to Rotan, 41-20; tied Baird, 16-16; won over Eastland, 14-0; lost to DeLeon, 29-8; lost to Dublin, 22-20.

After Friday night's game the Blizzards will lay off for a week, and then will meet Coleman here Oct. 27 for the last home game of the season. They will play Cisco there on Nov. 3, and will go to Ballinger on Nov. 10.

## City of Winters Sued For \$2500 In Garbage Fee Fight

A. L. Crockett of Winters has filed suit in the Runnels County District Court for the 119th Judicial District, against the City of Winters, asking for an injunction to prevent the City from collecting or attempting to collect a service charge or garbage pick-up charge, or to discontinue other utility service upon non-payment for the garbage pick-up charges.

The case, listing A. L. Crockett as Plaintiff, and the City of Winters et al, as Defendants, was filed at the court house in Ballinger Friday, October 6. The law firm of Sonfield, King, Sonfield & Smith are attorneys for the Plaintiff.

The Mayor of the City of Winters, Harvey D. Jones, and Aldermen Ralph Lloyd, John G. Brown, O. B. Raper, J. E. Smith and Wesley Hays, and City Secretary Charles W. Hester, have been named defendants in this suit.

Defendants have been ordered to appear at 10 a. m. October 26.

In his Petition, Crockett has charged that on July 10, 1961, he had tendered to the City the sum of \$14.58 representing the amount due at such time for water and electrical service to his home. He further alleges that payment was refused and was returned to him, with such refusal based upon his failure and refusal to pay a sanitary sewer or garbage pick-up

charge. Upon his refusal, he charges, the City of Winters disconnected all public utilities, electricity and water, and further refused to pick up his garbage. Crockett alleges in his petition that he was "compelled before Defendants would reinstate such services to pay the said sanitary service charge, such payment, and subsequent payments, having been made under protest."

Crockett further charges that the "City is without legal authority to collect the sanitary service charge and is without legal authority to require (him) to pay same and to disconnect (him) from the said utility services furnished by the City and to refuse to pick up his garbage." He charges that he has been damaged in the "sum of \$2,500," because of these actions of the City of Winters, and asks for a temporary injunction and upon final trial a permanent injunction enjoining the City of Winters from levying and collecting or attempting to levy and collect any sanitary service charge or garbage pick-up charge.

The suit has resulted from a motion or resolution with respect to a sanitary service which was adopted by the City Council on May 16, 1960. The minutes of the Council meeting on that date show that "A motion was made by Alderman J. F. Richie and seconded

by Alderman Ralph Lloyd that a charge for sanitary service be charged as follows, beginning with June 1 (1960), billing residents \$1.00 business places \$2.00, and outside service \$2.00. The motion carried unanimously."

(Present at that meeting of the City Council were Mayor Harvey D. Jones, and Aldermen J. F. Richie, Ralph Lloyd, B. G. Bryant, O. B. Raper, and J. E. Smith, and City Secretary, Mrs. Roxie Floyd. Minutes of the meeting show that the vote was unanimous.)

Again, on May 16, 1961, the City Council adopted a motion or resolution as follows: "Ralph Lloyd made a motion to make the charge for garbage compulsory beginning with the June billing. J. G. Brown seconded the motion. Motion carried."

(Present at the above meeting of the City Council, according to the minutes of the meeting, were Mayor Jones, and Aldermen Richie, Smith, Lloyd and Brown. Alderman Raper was absent.)

On June 26, 1961, the City Council adopted a resolution as follows: "Concerning the acceptance of partial payments of utility bills, without paying the garbage charge, it was decided that no partial payments would be accepted."

(Present at the June 26, 1961, meeting were Mayor Jones, and Aldermen Smith, Lloyd, Raper, Richie and Brown.)

Mayor Jones told The Enterprise Wednesday that although each alderman had received a citation and had been named as a defendant in the suit, the suit "is really against the people of Winters."

Mayor Jones went on to say:

"I am sure that everyone who has kept abreast of the situation can recognize that this law suit is fraught with political implications. Recent advertisements published have agitated the garbage and sanitary charge question as well as water charges and taxes. The distressing and deplorable thing to me is that through some selfish ambitions of a few the entire city is made to suffer both the consequences and expense. I know that the members of the City Council have acted for the best interest of the entire citizenship in regard to health and sanitation and this effort to tear down the few accomplishments that have been made for the sake of gaining political advantage is to me almost inconceivable. The principal actors still prefer to stay on the sidelines and remain anonymous while someone else runs their defense. In any event, Mr. Crockett has every right to have what he believes to be a grievance adjudicated, even though it may be detrimental to the City, and I have every confidence that the court will in this case reach a just and adequate decision.

Members of the Council who were contacted said they had no comment to make on the subject. Councilman Ralph Lloyd and O. B. Raper could not be contacted prior to press time.

## Annual Boy Scout Drive Will Begin Tuesday Night

The annual Boy Scout drive will begin in Winters Tuesday, Oct. 17, with a kick-off supper at Pierce's Cafeteria at 7 p. m.

Ted Meyer has been named general chairman for the drive, with F. R. Anderson solicitation chairman, W. M. Hays is special prospect chairman, and Mrs. W. L. Collins will head the arrangements committee.

Special gift chairmen will be George Briley and Elzie Cox, and Gattis Neely, audit chairman. Mrs. Collins also will act as publicity chairman.

Among those who will work in the drive, Jerry Ward, Miss Neville Fisher and A. W. Libbe have been named crew majors. Expected to be present at the kick-off dinner are officers and members of the Chisholm Trail Council, from Abilene, and Winters, Scoutmaster J. D. Burnett and members of Troop 49 of Winters. The drive will begin immediately following the dinner.

## Crockett Ford Sales Will Participate In P, P & K Contest

James Crockett, manager of Crockett Ford Sales in Winters, said this week that his company is participating in the nationwide "Punt, Pass and Kick Contest" being sponsored by the Ford dealers of the country.

The contest is being held in cooperation with the National football league.

The contest will be held locally at Crockett Ford Sales at 10 a. m. Saturday. Prizes will be awarded Saturday.

Contestants will be divided into age groups, 6 through 16, with first, second and third prizes for each of the five groups. First prize in each group will be a football uniform; second prize, a football jacket; third prize, a football. Five uniforms, five football jackets, and five football will be given.

To enter the Saturday's contest, the Ford dealer said, each boy, 6 through 10 must be accompanied by his father or mother and sign the entry form. Boys will be competing against boys their own age in punting passing and place-kicking footballs. There is nothing to buy, and no entry fees, it was pointed out.

Several free gifts will be given to all who enter the contests, including a Punt, Pass and Kick Instruction Book, an official 1961 National Football League Guidebook, and a P. P. and K. Participants Badge for contestants to wear on their jackets, shirts or sweaters.

Dads (or mothers) of the community have been invited to bring their boys down to Crockett Ford Sales for the contest Saturday.

## VFW, Auxiliary Met In Eden Recently

A joint meeting of District 22 of the Veterans of Foreign Wars and the Ladies Auxiliary was held in Eden recently. James Crockett of Winters, District 22 commander, presided.

The welcome address was given by W. E. Selman, Post Commander at Eden, who introduced several Department of Texas officers.

Among the officers present were Mrs. Lynette Self of Rosenberg, Department of Texas Auxiliary president. Others were Mrs. James Crockett of Winters, District 22 Auxiliary president; Mrs. L. N. Kirkpatrick, Department Americanism chairman, of Eden; Miss Priscilla Webb of Monahans, Department Guard; Mrs. L. A. Marshall of San Angelo, Department Senior Vice President.

Mrs. Self spoke to the group on Membership, Community Service and Youth and You, which is her theme for the year.

The District Commander introduced the following officers: T. A. Parrish of Eden, Department VFW Week Chairman; L. N. Kirkpatrick, of Eden, Department Youth Chairman, and Johnnie McBroom of Canyon, Department of Texas Junior Vice Commander.

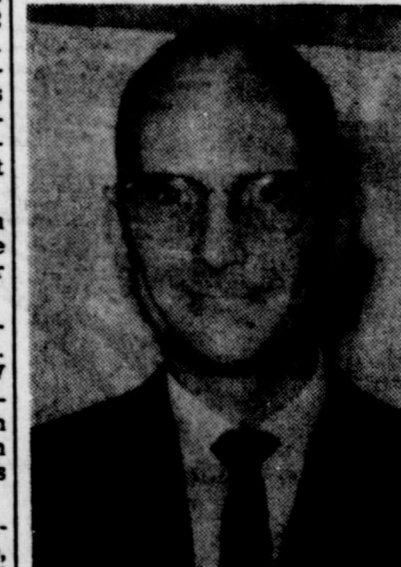

McBroom also spoke on membership and community service, and complimented the Winters post and auxiliary on their community service program for the year.

After the joint meeting, the two groups attended church services at the Methodist Church in Eden. In the afternoon the two groups met in separate business meetings.

## Van Whittenberg Will Head New Street Department

Van Whittenberg will head the newly created street department for the City of Winters, it was announced this week.

The street department recently was organized as a separate section within the framework of the City.

JOE WOLF

## Church of Christ Will Conduct Fall Meetings

Joe Wolf, minister of the Church of Christ at Bronte, will do the preaching at a series of fall meetings at the Winters Church of Christ, beginning Oct. 15 and continuing through Oct. 21.

Services will begin at 7:30 p. m. each evening during the series, Tom Holland, minister of the Winters church, said.

The public has been cordially invited to attend all these services.

### Many Reasons Are Behind High Unemployment in United States

Babson Park, Mass. Many people are puzzled when they see unemployment riding along at a high 7 percent of the labor force while employment keeps reaching one new peak after another. They see in this situation an indication that there is really the germ of a depression underlying the present recovery boom in business. The reasons for high unemployment in a time of top employment are, however, not that menacing. They are due to the natural population expansion and other related factors.

#### WHY UNEMPLOYMENT STAYS HIGH

For one thing, some producers and retailers are pricing themselves out of business. Many investors are of the opinion that labor is chiefly to blame here. But actually, each group in the economy wants more and tries to take in additional money by raising prices or wages. The result: Consumers buy fewer goods; merchants lay off clerks; manufacturers fire production workers. It is a vicious circle, with all groups helping to keep the spiral going. Taxes, too, can cause unemployment.

ment in a roundabout way. The levies for defense, social security, old-age pensions, foreign aid, farm subsidies, and roadbuilding are never-endingly heavy. Such taxes make many employers so angry they take it out on labor by reducing staffs.

Foreign imports are another issue. Lower pay in Japan, Italy, Germany, and other nations permits those countries to export to us all types of products at prices that our manufacturers cannot meet, even after import duties. But if we were to raise such duties, the nations would be alienated and would turn to Russia. Hence, almost every store is carrying some imported goods. When you purchase them, you are actually putting some American wageworkers out of a job.

Finally, many of our manufacturers are either building plants abroad in low-wage countries or are adopting automation. Retailers construct huge supermarkets, install self-service. These changes, of course, throw more wageworkers out of employment.

#### CURBING LABOR COSTS

Labor costs are one of the biggest headaches for management. When they go soaring year after year, it becomes necessary for employers to cut back personnel totals in order to keep a safe margin of profit. Chiefly responsible for the exorbitant advances in wage rates are union leaders, who have to win big raises for their members in order to keep their own jobs (many union leaders make \$20,000 or more). Such leaders can force the workers they represent to agree to unwanted strikes and unreasonable pay demands by a standing vote. Hence, Congress could help workers and consumers — and basic employment — by passing a law making

all strike votes subject to secret ballot.

The U. S. Department of Justice should be urged to prevent monopolies in advance by discouraging unnecessary consolidations. Such combines, usually to raise prices or cut production costs, nearly always mean layoffs for some. Would it not be fair for stockholders to allow a period of time — agreed on in advance — after a consolidation before raising prices or discharging any employees?

#### SHORTER WORK WEEK NO CURE-ALL

It would seem simple to cut back unemployment by reducing the workweek to 35 hours, but here we have the danger of encouraging more foreign imports.

It would help the employment situation greatly if more workers took advantage of social security and retired at 65. This would apply, too, for older employers and company officials. There might be a substantial reduction in unemployment in the younger age bracket if more young men and women were sent to college.

In conclusion, it is my feeling that the fundamental difficulty lies in the fact that both our employers and our workers are "at war" with those of other nations. Until the pay rates and working conditions of foreign workers are brought up to healthy and reasonable levels, the economic battle will be an uneven one. Meanwhile, we must all abide by the Golden Rule and avoid economic violence on the home front; strikes are too often only legalized wars.

### Dorcas SS Class Met Thursday In R. D. Collins Home

Members of the Dorcas SS School Class met Thursday evening in the home of Mrs. R. D. Collins. Mrs. C. T. Hart led the opening prayer, and Mrs. Collins presided for the meeting.

The new year books were completed and the devotional, "The Second Coming of Christ," taken from Matt. 24 and 2 Thes. 3rd chapter was given by Mrs. Loucille Roberts. She also closed the meeting with prayer.

Refreshments were served to Mesdames J. D. Sowell, Grover Davis, Pete Davis, Linda Evans, A. L. Crockett, T. E. McAdoo, W. E. Coley, D. B. Thornton, Alma Witkoski, Loucille Roberts, C. T. Hart, R. D. Collins, and W. R. Kennedy.

## YWA Council Of Runnels Baptists Met In Ballinger

Young Woman's Auxiliary Council Meeting of the Runnels Baptist Association was held Tuesday evening in the Seventh Street Baptist Church of Ballinger.

Theme of the program was "Give of Your Best to The Master." Dortha Montgomery presided for the council business meeting. Officers elected for the new year were: Dortha Montgomery, Seventh St. Ballinger, president; Carolyn Scott, Winters First Church, vice president; Helen Whitlock, Paint Rock, treasurer; Darlene McWright, Winters Southside, mission study chairman; Sue Coleman, Miles, prayer chairman; Carolyn Sheppard, Ballinger First Church, stewardship chairman; Cecilia Clark, Seventh St. Ballinger, music committee and pianist; and Virgie James, Winters Southside, song leader.

"What's New in Y. W. A." was given by Mrs. W. D. Shores of Novice, the Associational Director.

The room was lighted by candles and featured Halloween decorations designed and made by the Seventh Street Y. W. A. and their counselor, Mrs. Billy Crews.

The meeting was closed with prayer. Churches represented were Seventh Street, Ballinger, Content, Paint Rock, First Church of Winters, and Southside of Winters.

Games were played and refreshments served. Others present were Jo Ann and Janice Green of Seventh St. Ballinger; Wanda Powers, Greta Riddle, and Mrs. Ed. Cheek, counselor, Winters First Church; Mrs. Evelyn Galden, Mrs. Joyce Herridge, counselor, Paint Rock, Noleta James, Linda Eoff, Dorothy Norman, Sandra Griffin, Verna Powers, and Helen Lisso, Winters Southside.

## Are You Buying A New Car

New auto models are now on display. They represent a remarkable record of mechanical progress since the first autos came on the market in the late 1890's. Since that time over 2,000 makes have been offered to the public. But now only few survive.

The day has passed when you could buy a new car for \$500 or \$600. But low-cost bank financing makes it easy to buy a model of today which costs more and is worth more. Many now prefer the bank plan for its economy, absence of red tape, time saving features, and greater convenience.

Choose the plan for financing as carefully as you select your car. Try the bank way. Our costs are low — with us you may insure with a home agency.

# TIPS for OUTDOORSMEN

Do you own a pistol? If so, chances are you've violated the law. Furthermore you could be fined from \$100 to \$500, or jailed for one month to one year.

Sure, I know you're not the criminal type. But as far as the law reads, anyone who owns a pistol evidently must be so regarded. Actually, just owning a pistol and keeping it on your own premises isn't against the law. In fact the law says you can even bring it home from the store where you bought it and not be fined or jailed. Yep, you can also take it to the hock shop to sell it. But that's about where the privilege ends.

Unfortunately, a gun kept at home for self protection isn't much good unless you know how to shoot it. Most of us being city folks, and with cities frowning on our blasting away in our back yards, we must head for the country to get in some target practice. That's probably our first step into the criminal-type class.

The law just doesn't recognize your right to fire a pistol, unless you're on your own land. This is so even though you may have permission from the man on whose land you wish to shoot. Texas courts actually have held that carrying a pistol while hunting is a violation of the law. Target shooting is no exception, either, so don't get the idea you're safe in that respect.

Even if you're on an approved city target range you're violating the Texas law unless you are a militiaman or peace officer in the actual discharge of your official duty.

If you're an off duty policeman and have a pistol in your possession you too could be violating the penal statute.

Biggest exception to the law is the recognition of one's right to carry a pistol while traveling.

But, Texas courts get somewhat shortsighted on just what is traveling, too. They don't recognize that you're traveling unless your trip is long enough to require you to be away from home overnight. Big test is whether your destination is far enough from your home that you'd have to remain away overnight.

They're pretty cautious about the route you take, too. They judge the distance, not by the route you follow, but by the most direct or most commonly used route. Kinda rough on salesmen.

I'm no lawyer, but it seems to me that if you lived in the city and wanted to do some target practice, or fire that little desk drawer pistol, you'd have to drive at least a day's distance, whatever that may be, from home. But to be on the safe side, be sure you've taken the shortest or most traveled route. And don't go hunting with that pistol while you're enroute to or at your destination.

Sounds ridiculous doesn't it? Well it does to me, too. Luckily this is a Texas law and not a federal law. Our country was founded on the right of the public to bear arms. It's own security may some day depend on the populace being armed and proficient enough to use these arms.

I know there are problems in designing laws that will enable the police agencies to control the so called "criminal element." But I still think that there's a better solution available than branding us as "criminals" if we merely wish to partake of the sport of plinking, varminting with pistols, or participating in tournament shooting matches with pistols.

Surely there is a better answer. I hope that some day our Texas legislators find the answer.

**Two Guns in One**  
On the subject of shooting, you'll be interested in this. Mossberg has come out with a 7-shot, clip magazine, bolt action, Model 340 TR rifle that actually is two guns in one. It is both a plinking rifle and a trap-shooting shotgun in .22 caliber.

Reason it can shoot both rifle and shot shells is its smooth bore barrel is designed to hold two interchangeable, 3 1/2-inch adapter tubes.

One tube is rifled. The other is smooth bore. These screw down into the muzzle where they are out of sight except when you look right at the muzzle end.

With the gun and two adapters, comes a belt loop target carrier that holds 20 miniature clay targets and a hand trap for throwing the targets.

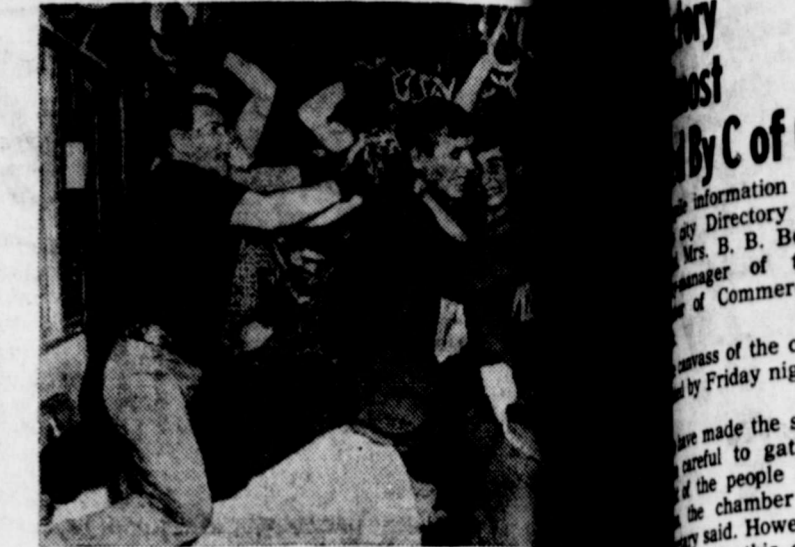

Best trap of all, however, is Mossberg's Spring Trap. It costs extra, but it's a corker. It can be either hand held, mounted to a stationary post or table, or mounted right on the rifle barrel.

I say this is "best" because it answers a big problem of many would-be target shooters. That problem is the availability of an assistant or target thrower. Lots of men would shoot clay pigeons, now and then, if they had someone to throw the targets.

On the other hand they don't do enough shooting to justify the purchase of clay pigeon equipment that's self operating. Miniature clay target shooting is mighty exciting too. As the effective range of the .22 long rifle shot cartridge with No. 12 shot is a mere 50 feet, you have to get on that target quickly.

Youngsters love it, as there's no recoil and the targets "blow up" when hit. Daddy loves it because both targets and ammo cost less and the short shells makes it safer and easier to find a suitable shooting range.

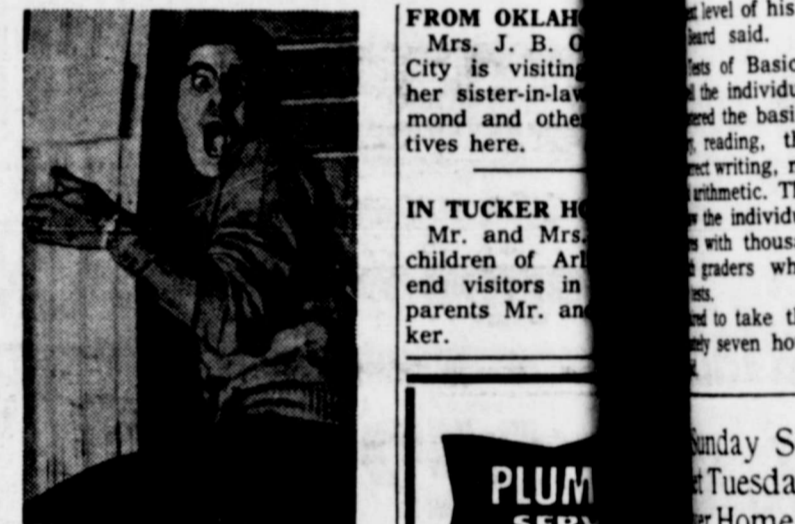

And two days before he left office, Adams named one Marbury a justice of peace in Washington, D. C., one of the land's lowest judgeships.

As an assistant district attorney investigating the murder of a teen-aged boy, Burt Lancaster is badly beaten by hoodlums wielding chains in this exciting scene from "The Young and the Rubidious" Wednesday. Dina Merrill co-star with United Artists.

Anthony Hall (right) and Bill Smith engage in an exciting duel in a scene from "Atlantis, the Lost Continent," George Pa'l's latest science-fiction drama about a continent believed to have been released, filmed in color, also stars.

As writer producer, director and star, Jerry Lewis dominates "The Ladies Man," new Paramount technical comedy now showing at the State Theatre. Helen Traubel and Pat Stanley, discovered by Lewis in the cast of the Broadway success "Fiorello!," co-star.

### New Members of Band Mothers Club Were Honored At Tea

Annual Band Mothers' Tea for new members was held in the home - making cottage Tuesday afternoon, with the social committee acting as hostesses. Mrs. J. W. Bahlman, president welcomed the guests, and invited them into the serving room.

The polished table was laid with brown lace, and featured a cornucopia with gold sprayed vegetables and fall colored leaves. Mrs. J. D. Burnett and Mrs. Wade White alternated at the crystal punchbowl.

James Nevins, superintendent of Winters Schools, spoke to the group concerning the budget problems

of the school. Mr. Nevins explained that several factors have effected the budget, and that the people of Winters will be faced with the problem of raising more money if the schools are to continue to operate at the high rate of efficiency that has been their custom. He stated that Winters carries nine more teachers than better be able to teach the Winters children.

A short business meeting was held after the program. Hostesses were Mes. J. D. Burnett, Wade White, Joe Kozelsky, and Ted Meyer. Forty ladies, Mr. Nevins, and Bob Gans, band director, attended.

### Sharon Johnson Named Winters FFA Sweetheart

Sharon Johnson, 16 daughter of Mr. and Mrs. Leo Johnson, was elected sweetheart of the Winters chapter of Future Farmers of America Tuesday night.

Gwyn Caskey and June Puckett were elected chapter queens. Miss Puckett is a freshman, and Miss Caskey is a sophomore in Winters High School.

The new sweetheart will represent the Winters chapter at the district sweetheart contest at Coleman in December. Date of the contest is yet to be set.

Miss Johnson is a junior and this is her second year as FFA sweetheart. She is a cheerleader and a class officer.

Jeryl Priddy, FFA president, was master of ceremonies during the program, and FFA advisor Lon McDonald conducted the meeting and sweetheart election.

### Two Students Of Texas University Elected Officers

Granville Doyle Long and Johnny Rollins Pope, University of Texas students from Winters, have been elected officers of the fourth-year class of the College of Pharmacy.

Long, who will serve as vice president, is a member of Phi Delta Chi, national pharmacy fraternity, and the Longhorn Pharmaceutical Association, and has been a representative to the Student Assembly. He is the son of Mr. and Mrs. C. C. Long, 505 Heights.

is the son of Mr. and Mrs. Royce Pope.

### Ens. James Bourn Undergoing Pre-Flight Training

Undergoing pre-flight training at the Naval School of Pre-Flight, Naval Air Station, Pensacola Fla., is Navy Ens. James S. Bourn, son of Mr. and Mrs. J. S. Bourn of Winters, Texas.

The school provides training in the naval profession and related aeronautical subjects, moral, mental and physical development, and military indoctrination.

**STATE CAPITOL HIGHLIGHTS**

**Legislative Group To Make Study Of Problems Concerning State of Texas**

By Vern Sanford  
Texas Press Association

Three members of the House of Representatives and two state senators were named by Sen. Bruce A. Reagan of Corpus Christi as a Subject Matter Committee to determine which of 25 suggested interim studies shall be made by the Texas Legislative Council.

Reagan is President pro-tem of the Senate and presided at the first meeting of the new Legislative Council. He and Sen. James A. Turman speaker of the House of Representatives are ex-officio members of the Subject Matter Committee. Turman is chairman; Reagan vice chairman.

Designated membership on the committee were Senators Preston Smith of Lubbock and George Moffett of Chillicothe. House members appointed were Representative C. W. Pearcy of Temple; Sam Collins of Newton; and Alonzo Jamison of Denton.

During the three 1961 sessions

of the Legislature, 25 resolutions were passed calling for special studies by the council. Of these 25 twelve were concurrent resolutions approved by both House and Senate. The remaining 13 originated in the House.

Among the 25 topics under consideration for special study were:

- Coordination of Health and Welfare Services of the State.
- Space Utilization by Institutions of Higher Education.
- Election Code Revision.
- Non-constitutional duties of the Attorney General.
- Opinion Authority of the Attorney General.
- Laws Relating to Wild Life Resources of the State.
- Teacher Certification.
- Laws Based on Population Classification.
- State Hospitals and Special Schools.
- Health Accident and Hospitalization Insurance Claims.
- The Judicial System of Texas.

**FM ROAD BUILDING PLAN**

State Highway Chairman Herbert Petry Jr. of Carrizo Springs completed one major assignment for Gov. Price Daniel but has a tougher one ahead.

Petry and Daniel worked out agreement with the Texas County Judges and Commissioners Association under which the Farm-to-market road building program will be modified along lines long advocated by the Texas Good Roads Association and the Highway Commission.

But now the plan has to be sold to the powerful Texas Farm Bureau at its convention in Galveston November 13-15.

Governor Daniel Vetoed the \$15,000,000 appropriation for farm-to-market road construction from general revenue for the year starting next September 1, saying it was time to settle the question of rural road maintenance. He got together a committee of road-minded people.

County Judges and Commissioners agreed to this plan — pay for about \$17,000,000 of the present \$18,000,000 cost of maintaining rural roads out of the \$50,000,000 now going to FM road construction. They also agreed to build a total of 50,000 miles of FM roads, instead of the 35,000 miles now set as unofficial goal. Present mileage—34,000.

**COURT OPENS**

Appellate courts opened their fall terms, handing down dozens of decisions.

Key case of great importance was decision in suit of Key Western Insurance Co. of Abilene against the Board of Insurance, from both insurance and legal points of view.

Here the Supreme Court upheld a new requirement that appeals from decisions of the Board of Insurance on approvals of life insurance policies must be tried "de novo" or "anew" rather than accepting the old rule that an administrative agency is to be upheld if its decisions was not arbitrary or capricious.

Of major importance also was award of \$139,250 to the City of Graham for damage done its sewage treatment plant by backing up of water of the Brazos River Authority's Possum Kingdom Dam. Case goes back for retrial of whether Graham can collect for damage to its water plant.

**PADRE STUDY**

Gov. Price Daniel got together his special committee to study the idea advanced by Land Commissioner Jerry Sadler to make Padre Island a state park instead of a national seashore area.

Sadler, a member of the committee, did not get word about the meeting and was not present.

State Parks Board Chairman J. Carter King of Albany, said the whole appropriation of the board for the next two years would not scratch the surface of making Padre into a state seashore area. King is worried about the 74 presently designated state parks.

Daniel asked the study committee to have a recommendation ready in time for the winter special session of the Legislature to take policy action on the state vs. federal issue.

Daniel feels Padre should be dedi-

cated as a public area, by one means or another.

**ORPHAN'S RANCH**  
Orphans at the Corsicana State Home got a 4,180-acre ranch on the Lampasas River under a Supreme Court decision on the will of the late Mrs. Parrie Haynes of Bell County.

Other heirs contested, but the court turned the ranch to the Texas Youth Council, which runs the orphan's home. Atty. Gen. Will Wilson, who handled the defense of the will, said there is talk of making the ranch an outdoor branch of the Corsicana school.

**WHERE TO GO**

Big events of Texas Communities during the winter and spring months are advertised in the State Highway Department's "Texas Calendar of Events," just out.

Folder listing fairs, rodeos, dozens of other events is available free from the Travel Division of the Highway Department as a part of its travel promotion work.

**INSURANCE CLAIMS RISE**

Insurance spokesmen estimate that \$5,000,000 already has been paid out on windstorm insurance policies. Rate of payment of claims will reach 20,000, a week soon, William J. Harding, coordinator of the Texas Joint Loss Catastrophe Plan, said.

Harding, speaking for fire and casualty insurance companies, said much misinformation has been given out on insurance coverage. He declared that policies are being interpreted after Carla just as they always have — that damage from wave wash or flooding has never been covered by Texas standard insurance policies.

**CLUB TAXES**

First month of collections of the new tax on private clubs by the Texas Liquor Control Board saw the tax take total \$414,612.

**PHOTOGENIC**—Lilly, a 450-pound hippo, gives out with a heap of no expression. The animal was sold by the New York Central Park Zoo to a circus.

Tax is about \$2 per member, so indicated membership of the 472 licensed clubs is 207,306. Veterans and fraternal clubs are exempt from the tax.

First headache for Liquor Administrator Coke Stevenson Jr. from the club license law was on the question of bingo. This game has supported many such clubs.

Stevenson decided to let "local option" rule. If local law enforcement officials allow school, civic, church and other organizations to run bingo games, private clubs can too.

**BUSINESS BETTER**

Texas business perked up in August. University of Texas Bureau of Business Research said new sales tax, taking effect September 1, accounted in part for August activity hitting all-time high.

September figures are expected to be badly out of kilter because of the slowdown in industrial and nearly all activity on the Gulf Coast during and after the hurricane.

**CONSTITUTION**

Talk continues about revising the 1876 Texas Constitution.

Texas League of Women Voters, unable to get legislative support for its pet project of constitutional revision, got an ally in U. S. Rep. Jim Wright, speaking to university of Texas Young Democrats.

Wright said that for too long "we have patched new pieces of cloth onto an old garment." He also

advocated streamlining administrative agencies. Lines the Hoover Commission recommended for federal agencies. Legislators objecting to that complete revamp result in far more error in the present piece-meal

### Belts to City Thursday

G. Wilson's Blizzards Colorado City Wolves fought for an 8-0 win, and the number two spot in the ratings.

The wins and three losses, now are second only to Bearcats, who have a won-loss record of 10-1. The Blizzards, who were unable to make any yardage in 4 plays, took over on their own 47, before losing the game.

Caskey, Winters' quarterback, was called on Denny Aldridge from that point, and carried seven yards. Tomlinson carried the next two plays, a total of three, all of which was just inside the measure. Aldridge

was given a chance for inches, but took five yards to C-C's 48, as the first quarter ended.

Three plays with Adolpho Arroyo, Young, and Caskey, were ineffective, as the Wolves pushed in on the plays, moving Winters back to their own 47. Back to punt, Caskey chose to run, and moved to the C-C 38 for enough yardage; however, a penalty was called against Winters, and Colorado City owned the ball for four tries.

The four tries proved to be too few, as Eugene Mathis and Alvis Jackson spearheaded the Winters defense. Latimer again punted, this time down to Winters' 28.

Steve Grissom carried the ball to the 32, and again to the 35. Young was stopped cold at the line of scrimmage, and Caskey booted out to the Wolves' 36.

With five minutes and 41 seconds left in the half, C-C came up with their first down of the evening, as Ken Northcutt carried to the 45 and Latimer kept to the 48. Northcutt was given another opportunity, and moved from his own 48 to Winters' 43, for another first. QB Latimer faded back and passed, with Steve Hillhouse as the intended receiver, but Tommy Young moved in and intercepted for Winters on Winters' 42.

Two carries each by Grissom and Aldridge moved the ball into C-City's end of the field on the 47. Grissom rolled off left guard, and got loose to the four yard line. Jim Womack, 140 pound back, was the only man able to touch him, and hit him with a flying tackle from behind.

One minute and four seconds remained in the half as Winters had first down and goal to go from the four. Young called for one, then repeated for one more, moving to the 2. Grissom moved to the one, and on fourth down and one to go for the TD, Grissom took the ball, and was lifted into the air and stopped by the entire wolf team. After taking over on their own one, C-City had moved out to the ten as the first half ended.

Early in the third quarter Winters fans may have thought they were viewing a film of the Winters-Hamlin game, as for the second week in a row, Adolpho Arroyo intercepted a pass to set up the TD drive for the Blizzards. The pass was intended for Latimer, who had moved from the QB slot to Fullback. Arroyo moved in under the ball on the Wolves' 33 and carried down to the five before being hit. Caskey kept for two, and Grissom was stopped at the line of scrimmage. Aldridge, on a pitchout, went wide around right end for the only TD of the game, with 6:45 left in the third. A pitchout, Caskey to Young, was good for the extra two points, and Winters had the final score, 8-0.

After the kick-off, Colorado City was unable to move the ball and punted to Winters' 49. Grissom called for 5, and Aldridge moved for 5, but a penalty nullified the play. A pass was completed for 3, Caskey to Aldridge. Caskey, way back to pass again, was smothered on the 33, from where he punted to C-City's 41. A Wolf tried to grab the ball, but missed, and Roy Clark came up with it, giving the Blizzards new life on the Wolf 41.

A first down, with Aldridge and Young each claiming five, moved the Blizzards to the 30. On the first play of the fourth quarter, the Blizzards lost the ball to C-City on downs at the Blizzards 22.

The only Wolf threat came late in the fourth quarter, when a sustained drive of 8 plays moved the Wolves from their own 35 to Winters 20. Latimer taking the ball on the 37, on third down with six needed, went back to pass and was in bad trouble as the Blizzards line moved in. What looked like an attempt to ground the ball, he tossed into the air, and Northcutt moved in to accept the pigskin. With most of the Blizzards already on Latimer, Northcutt had a clean path to the goal, except for Grissom, who made the tackle on the 20. Only

MRS. ARCHIE RALPH AUSTIN

### Barbara Jean Hord and Archie Ralph Austin Wed In Winters Church Saturday

Marriage vows were repeated at twilight Saturday October 7, at the St. John's Lutheran Church uniting Barbara Jean Hord, daughter of Mr. and Mrs. W. M. Hord, and Archie Ralph Austin, with the pastor, the Rev. H. K. Flathmann, officiating, for the double ring ceremony. The groom is the son of Mr. and Mrs. J. R. Austin.

The altar was decorated with vases of gladiolus and baskets of white gladiolus and tall floor candles holding white tapers forming the setting where the couple stood to repeat their vows. Pews were marked with orchid satin ribbon.

Wedding music was played by Miss Emma Henniger, who also accompanied Barbara Bolden to sing "The Lord's Prayer" and "Because."

The bride, given in marriage by her father, wore a ballerina-length gown of lace over taffeta fashioned with a three-tiered bouffant skirt with scalloped edging. The basque bodice extended to a point at the waist and scallop of lace formed the portrait neckline. The long sleeves extended to a point at the wrist. Her veil of illusion fell from a garland of lace outlined with pearls and she carried a crescent-shaped bouquet of white roses and a white orchid.

For something old she carried a handkerchief which belonged to her grandmother Hubach and something new, a pearl necklace, a gift from the groom.

Candle lighters and ushers were David Burton and J. B. Guy, Jr. Lisenell Brown, cousin of the bride, was flower girl and Ronnie Wayne Hord, nephew of the bride, was ring bearer.

Jim Austin served his brother as best man, Jimmy Smith of San Angelo, L. G. Traylor of Houston were groomsmen.

Mrs. Corine Oliver of Nolan was her sister's matron of honor. Bridesmaids were Suzann Hipp of Bronte and Glenda Folsom of Wingate.

The matron of honor wore a dress of deep orchid polished cotton with a bateau neckline and a basque bodice extending to a point at the waistline. A white hat caught her veil and she carried a colonial bouquet.

Bridesmaids wore dresses in lighter orchid and designed similar to the matron of honor's dress. They wore feathered hats and carried colonial arrangements of yellow roses.

### Ladies' Aid Circle Met In Lutheran Ed. Building

Ladies Aid Circle of the St. Johns Lutheran Church met Thursday, at 2 p. m., in the Lutheran Educational Building. Mrs. W. F. Minzenmayer presided and Mrs. Ellis Ueckert was in charge of the program. She also gave the scripture reading.

The group sang "O Master, Let Me Walk With Thee," with Mrs. Ellis Ueckert at the piano. Mrs. Fritz Dieke led the Bible study, "How Often Shall I Pray?" Mrs. Erwin Ueckert sang a solo, "Then Jesus Came," honoring those having birthdays in October. She was accompanied by Mrs. W. F. Minzenmayer, pianist. Offering meditation was given by Mrs. Bill Aherns.

Hostesses were Mesdames E. E. Thormeyer, Ellis Ueckert, Erwin Ueckert, Norbert Ueckert. There were 42 members and several visitors present.

### Mrs. Whitmire Hostess For Sewing Club

Mrs. C. E. Whitmire was hostess for the Dale Sewing Club when they met recently in her home. A quilt was made for Mrs. Whitmire.

Officers elected for the coming year are—Mrs. Wilbur Phelps, president; Mrs. Bill Mayo and Mrs. Ernest Thormeyer, flower committee; and Mrs. Ernest Smith, reporter.

Refreshments were served to Mesdames Charlie Adami, Lloyd Compton, Clifton Davis, Reese Jones, Walter Kruse, August Stoecker, Wilbur Phelps, Ernest Smith, C. E. Whitmire, Jack Whittemburg, Ernest Thormeyer, Herman Spill, August Pheffer, Tip McKnight, W. I. Rogers, and a visitor Mrs. Smelley.

Next regular meeting will be October 26th, in the home of Mrs. Clifton Davis.

### FROM SNYDER

Mr. and Mrs. W. F. Woolsey and children of Snyder were weekend guests in the home of her parents, Mr. and Mrs. Lee Little.

Poultrymen who try to cut production costs by buying a cheap feed may end up losing money, says Dr. C. W. Deyoe of the Texas A & M Poultry Science Department. A cheap feed may result in lowered production and therefore, an increase rather than a decrease in the cost of producing a dozen eggs. The only safe way to reduce feed costs, says Deyoe, is to feed the ration which is most economical while still meeting the laying bird's requirements for energy, protein, vitamins and minerals.

### Junior GA's Met Thursday Afternoon At Baptist Church

"Guessing Backwards" was the program title when the Junior Girl's Auxiliary of the First Baptist Church met Thursday afternoon at the church.

Five girls participating in the program were Carolyn Blake, as Mike McKay from Alaska; Janice Pierce, as King Timi from Nigeria; Phyllis Smith, as Dalal from Israel; Pamela Smith, as Lupe, a Navajo Indian; and Debra Carroll as Cecilia, from Brazil. The decorations were furnished by Mrs. Loyd Roberson.

Sandra Blake served refreshments to the leaders, Mesdames Ray Laughon, Jessie Bailey, and David Carroll, members Sheila Kraatz, Sandra Crockett, Linda Musick, Charlotte Morrison, Betty Knight, Jerri Guy, and two guests Mrs. W. J. Yates and Mrs. Buck Smith.

### 1:57 left in the game, and all of their time-out periods used up, C-City drove to the Winters three as the gun sounded.

**Legislative Group To Make Study Of Problems Concerning State of Texas**

By Vern Sanford  
Texas Press Association

Three members of the House of Representatives and two state senators were named by Sen. Bruce A. Reagan of Corpus Christi as a Subject Matter Committee to determine which of 25 suggested interim studies shall be made by the Texas Legislative Council.

Reagan is President pro-tem of the Senate and presided at the first meeting of the new Legislative Council. He and Sen. James A. Turman speaker of the House of Representatives are ex-officio members of the Subject Matter Committee. Turman is chairman; Reagan vice chairman.

Designated membership on the committee were Senators Preston Smith of Lubbock and George Moffett of Chillicothe. House members appointed were Representative C. W. Pearcy of Temple; Sam Collins of Newton; and Alonzo Jamison of Denton.

During the three 1961 sessions

of the Legislature, 25 resolutions were passed calling for special studies by the council. Of these 25 twelve were concurrent resolutions approved by both House and Senate. The remaining 13 originated in the House.

Among the 25 topics under consideration for special study were: Coordination of Health and Welfare Services of the State.

Space Utilization by Institutions of Higher Education.

Election Code Revision.

Non-constitutional duties of the Attorney General.

Opinion Authority of the Attorney General.

Laws Relating to Wild Life Resources of the State.

Teacher Certification.

Laws Based on Population Classification.

State Hospitals and Special Schools.

Health Accident and Hospitalization Insurance Claims.

The Judicial System of Texas.

**FM ROAD BUILDING PLAN**

State Highway Chairman Herbert Petry Jr. of Carrizo Springs completed one major assignment for Gov. Price Daniel but has a tougher one ahead.

Petry and Daniel worked out an agreement with the Texas County Judges and Commissioners Association under which the Farm-to-market road building program will be modified along lines long advocated by the Texas Good Roads Association and the Highway Commission.

But now the plan has to be sold to the powerful Texas Farm Bureau at its convention in Galveston November 13-15.

Governor Daniel vetoed the \$15,000,000 appropriation for farm-to-market road construction from general revenue for the year starting next September 1, saying it was time to settle the question of rural road maintenance. He got together a committee of road-minded people.

County Judges and Commissioners agreed to this plan — pay for about \$17,000,000 of the present \$18,000,000 cost of maintaining rural roads out of the \$50,000,000 now going to FM road construction. They also agreed to build a total of 50,000 miles of FM roads, instead of the 35,000 miles now set as unofficial goal. Present mileage—34,000.

**COURT OPENS**

Appellate courts opened their fall terms, handing down dozens of decisions.

Key case of great importance was decision in suit of Key Western Insurance Co. of Abilene against the Board of Insurance, from both insurance and legal points of view.

Here the Supreme Court upheld a new requirement that appeals from decisions of the Board of Insurance on approvals of life insurance policies must be tried "de novo" or "anew" rather than accepting the old rule that an administrative agency is to be upheld if its decisions was not arbitrary or capricious.

Of major importance also was award of \$139,250 to the City of Graham for damage done its sewage treatment plant by backing up of water of the Brazos River Authority's Possum Kingdom Dam. Case goes back for retrial of whether Graham can collect for damage to its water plant.

**PADRE STUDY**

Gov. Price Daniel got together his special committee to study the idea advanced by Land Commissioner Jerry Sadler to make Padre Island a state park instead of a national seashore area.

Sadler, a member of the committee, did not get word about the meeting and was not present.

State Parks Board Chairman J. Carter King of Albany, said the whole appropriation of the board for the next two years would not scratch the surface of making Padre into a state seashore area. King is worried about the 74 presently designated state parks.

Daniel asked the study committee to have a recommendation ready in time for the winter special session of the Legislature to take policy action on the state vs. federal issue.

Daniel feels Padre should be dedi-

cated as a public area, by one means or another.

**ORPHAN'S RANCH**

Orphans at the Corsicana State Home got a 4,180-acre ranch on the Lampasas River under a Supreme Court decision on the will of the late Mrs. Parrie Haynes of Bell County.

Other heirs contested, but the court turned the ranch to the Texas Youth Council, which runs the orphan's home. Atty. Gen. Will Wilson, who handled the defense of the will, said there is talk of making the ranch an outdoor branch of the Corsicana school.

**WHERE TO GO**

Big events of Texas Communities during the winter and spring months are advertised in the State Highway Department's "Texas Calendar of Events," just out.

Folder listing fairs, rodeos, dozens of other events is available free from the Travel Division of the Highway Department as a part of its travel promotion work.

**INSURANCE CLAIMS RISE**

Insurance spokesmen estimate that \$5,000,000 already has been paid out on windstorm insurance policies. Rate of payment of claims will reach 20,000, a week soon, William J. Harding, coordinator of the Texas Joint Loss Catastrophe Plan, said.

Harding, speaking for fire and casualty insurance companies, said much misinformation has been given out on insurance coverage. He declared that policies are being interpreted after Carla just as they always have — that damage from wave wash or flooding has never been covered by Texas standard insurance policies.

**CLUB TAXES**

First month of collections of the new tax on private clubs by the Texas Liquor Control Board saw the tax take total \$414,612.

**PHOTOGENIC**—Lilly, a 450-pound hippo, gives out with a heap of no expression. The animal was sold by the New York Central Park Zoo to a circus.

Tax is about \$2 per member, so indicated membership of the 472 licensed clubs is 207,306. Veterans and fraternal clubs are exempt from the tax.

First headache for Liquor Administrator Coke Stevenson Jr. from the club license law was on the question of bingo. This game has supported many such clubs.

Stevenson decided to let "local option" rule. If local law enforcement officials allow school, civic, church and other organizations to run bingo games, private clubs can too.

**BUSINESS BETTER**

Texas business perked up in August. University of Texas Bureau of Business Research said new sales tax, taking effect September 1, accounted in part for August activity hitting all-time high.

September figures are expected to be badly out of kilter because of the slowdown in industrial and nearly all activity on the Gulf Coast during and after the hurricane.

**CONSTITUTION**

Talk continues about revising the 1876 Texas Constitution.

Texas League of Women Voters, unable to get legislative support for its pet project of constitutional revision, got an ally in U. S. Rep. Jim Wright, speaking to university of Texas Young Democrats.

Wright said that for too long "we have patched new pieces of cloth onto an old garment." He also

advocated streamlining administrative agencies lines the Hoover Commission recommended for federal

### Belts City Friday

Wilson's Blizzards Colorado City Wolves for an 8-0 win, and the number two spot in the ratings. The four tries proved to be too few, as Eugene Mathis and Alvis Jackson spearheaded the Winters defense. Latimer again punted, this time down to Winters' 28.

Steve Grissom carried the ball to the 32, and again to the 35. Young was stopped cold at the line of scrimmage, and Caskey booted out to the Wolves' 36.

With five minutes and 41 seconds left in the half, C-C came up with their first down of the evening, as Ken Northcutt carried to the 45 and Latimer kept to the 48. Northcutt was given another opportunity, and moved from his own 48 to Winters' 43, for another first. QB Latimer faded back and passed, with Steve Hillhouse as the intended receiver, but Tommy Young moved in and intercepted for Winters on Winters' 42.

Two carries each by Grissom and Aldridge moved the ball into C-City's end of the field on the 47. Grissom rolled off left guard, and got loose to the four yard line. Jim Womack, 140 pound back, was the only man able to touch him, and hit him with a flying tackle from behind.

One minute and four seconds remained in the half as Winters had first down and goal to go from the four. Young called for one, then repeated for one more, moving to the 2. Grissom moved to the one, and on fourth down and one to go for the TD, Grissom took the ball, and was lifted into the air and stopped by the entire wolf team. After taking over on their own one, C-City had moved out to the ten as the first half ended.

Early in the third quarter Winters fans may have thought they were viewing a film of the Winters-Hamlin game, as for the second week in a row, Adolpho Arroyo intercepted a pass to set up the TD drive for the Blizzards. The pass was intended for Latimer, who had moved from the QB slot to Fullback. Arroyo moved in under the ball on the Wolves' 33 and carried down to the five before being hit. Caskey kept for two, and Grissom was stopped at the line of scrimmage. Aldridge, on a pitchout, went wide around right end for the only TD of the game, with 6:45 left in the third. A pitchout, Caskey to Young, was good for the extra two points, and Winters had the final score, 8-0.

After the kick-off, Colorado City was unable to move the ball and punted to Winters' 49. Grissom called for 5, and Aldridge moved for 5, but a penalty nullified the play. A pass was completed for 3, Caskey to Aldridge. Caskey, way back to pass again, was smothered on the 33, from where he punted to C-City's 41. A Wolf tried to grab the ball, but missed, and Roy Clark came up with it, giving the Blizzards new life on the Wolf 41.

A first down, with Aldridge and Young each claiming five, moved the Blizzards to the 30. On the first play of the fourth quarter, the Blizzards lost the ball to C-City on downs at the Blizzards' 22.

The only Wolf threat came late in the fourth quarter, when a sustained drive of 8 plays moved the Wolves from their own 35 to Winters 20. Latimer taking the ball on the 37, on third down with six needed, went back to pass and was in bad trouble as the Blizzard line moved in. What looked like an attempt to ground the ball, he tossed into the air, and Northcutt moved in to accept the pigskin. With most of the Blizzards already on Latimer, Northcutt had a clean path to the goal, except for Grissom, who made the tackle on the 20. Only

was given a chance for inches, but took five yards to C-C's 48, as the first quarter ended.

Three plays with Adolpho Arroyo, Young, and Caskey, were ineffective, as the Wolves pushed in on the plays, moving Winters back to their own 47. Back to punt, Caskey chose to run, and moved to the C-C 38 for enough yardage; however, a penalty was called against Winters, and Colorado City owned the ball for four tries.

MRS. ARCHIE RALPH AUSTIN

### Barbara Jean Hord and Archie Ralph Austin Wed In Winters Church Saturday

Marriage vows were repeated at twilight Saturday October 7, at the St. John's Lutheran Church uniting Barbara Jean Hord, daughter of Mr. and Mrs. W. M. Hord, and Archie Ralph Austin, with the pastor, the Rev. H. K. Flathmann, officiating, for the double ring ceremony. The groom is the son of Mr. and Mrs. J. R. Austin.

The altar was decorated with vases of Gladiolus and baskets of white gladiolus and tall floor candles. The bride wore a white tulle and tulle gown with a three-tiered bouffant skirt with scalloped edging. The basque bodice extended to a point at the waist and scallop of lace formed the portrait neckline. The long sleeves extended to a point at the wrist. Her veil of illusion fell from a garland of lace outlined with pearls and she carried a crescent-shaped bouquet of white roses and a white orchid.

For something old she carried a handkerchief which belonged to her grandmother Hubach and something new, a pearl necklace, a gift from the groom. Candle lighters and ushers were David Burton and J. B. Guy, Jr. Lisenell Brown, cousin of the bride, was flower girl and Ronnie Wayne Hord, nephew of the bride, was ring bearer.

Jim Austin served his brother as best man, Jimmy Smith of San Angelo, L. G. Traylor of Houston were groomsmen. Mrs. Corine Oliver of Nolan was her sister's matron of honor. Bridesmaids were Suzann Hipp of Bronte and Glenda Folsom of Wingate.

The matron of honor wore a dress of deep orchid polished cotton with a bateau neckline and a basque bodice extending to a point at the waistline. A white hat caught her veil and she carried a colonial bouquet. Bridesmaids wore dresses in lighter orchid and designed similar to the matron of honor's dress. They wore feathered hats and carried colonial arrangements of yellow roses.

Serving in the house party at Junior GA's Met Thursday Afternoon At Baptist Church "Guessing Backwards" was the program title when the Junior Girl's Auxiliary of the First Baptist Church met Thursday afternoon at the church.

Five girls participating in the program were Carolyn Blake, as Mike McKay from Alaska; Janice Pierce, as King Timi from Nigeria; Phyllis Smith, as Dalal from Israel; Pamela Smith, as Lupe, a Navajo Indian; and Debra Carroll as Cecilia, from Brazil. The decorations were furnished by Mrs. Loyd Robertson.

Sandra Blake served refreshments to the leaders, Mesdames Ray Laughon, Jessie Bailey, and David Carroll, members. Sheila Krantz, Sandra Crockett, Linda Missick, Charlotte Morrison, Betty Knight, Jerri Guy, and two guests Mrs. W. J. Yates and Mrs. Buck Smith.

1:57 left in the game, and all of their time-out periods used up, C-City drove to the Winters three as the gun sounded.

At the reception held in the Educational Building of the church were Mrs. Serena Ueckert, Mrs. W. F. Minzenmayer, Mrs. Charles Kruse Jr. and Estella Bredemeyer. For the wedding trip the bride chose a beige suit of imported silk with black accessories.

The bride was graduated from Winters High School in 1961. She was a member of the Gale staff, Library Club and Future Homemakers of America. The bridegroom was graduated from Winters High School in 1960. He was a member of the Future Farmers of America. He is employed by Pool Well Servicing Co.

The parents of the bride groom hosted the rehearsal dinner at the church.

### "Ladies' Man"

According to Jerry Lewis, one way to get a movie role that's made to order for you is to write the script yourself—and that's exactly what the comedian did, in collaboration with Bill Richmond. The result is his new Technicolor comedy for Paramount, "The Ladies' Man," now showing at the State Theatre. In addition, Lewis touched all the other creative bases by also serving as producer and director.

Jerry, of course, plays the title role—a bashful, young woman-hater who is the only male employee in a Hollywood boarding house populated exclusively by beautiful, young girls. Lending assistance to the star are former Metropolitan Opera singer Helen Traubel, newcomer Pat Stanley and 31 talented beauties. There are guest star performances by Buddy Lester, George Raft and Harry James and His Band.

### "The Four Skulls of Jonathan Drake"

A chiller-diller of the first order is slated Friday Night at the State Theatre. It is "The Four Skulls of Jonathan Drake" and tells a terrifying story of an ancient curse that originated in the jungles of South America. The picture combines the thrills of ancient mystery rites with the excitement of modern police detection.

Starring in "The Four Skulls of Jonathan Drake" are Edward Franz, Valerie French, Grant Richards and Henry Daniell. Orville H. Hampton wrote the screen play which Edward L. Cahn directed. The picture, a United Artists release, was produced by Robert E. Kent.

### "The Plunders"

Four young cowboys ride into Trail City at dusk on their way home from a cattle drive to Kansas. They drink the saloonkeeper's whiskey and tell him they can't pay. The sheriff is conciliatory. They grow bolder. The townsfolk keep appeasing them. And what began with a trifle explodes in a crisis for themselves and the whole community.

"The Plunders" comes to the State Saturday.

### "Atlantis, the Lost Continent,"

Scientific facts give validity to the fascinating theory that a vast continent spanned the Atlantic Ocean more than 20,000 centuries ago and later, through cataclysmic forces, was destroyed and disappeared into the depths of the ocean.

Academy Award-winning producer-director George Pal, a master hand at science-fiction films, now depicts this continent and its amazingly advanced civilization in Metro-Goldwyn-Mayer's "Atlantis, the Lost Continent," a spectacular picture in wide-screen and color.

The film introduces a new romantic team in Anthony Hall, handsome, young leading man making his film debut, and another newcomer, lovely Joyce Taylor. Also starred is John Dall.

The mightiest force was by Mrs. Earvine Carey and Clyde Reid, "I Must Tell Jesus," with Mrs. J. W. Allmand at the piano. The same group featured in the special for the night services and the number was "I need the Prayers of Those I Love."

Carl Nowlin of Hardin-Simmons is the new music director for the Drasco Baptist Church. He sang specials at the morning and night services with Mrs. Dick Bishop at the piano.

The key verse to next Sunday's Sunday School Lesson is—Love the Lord your God with all your heart, with all your soul, with all your mind.—Matt. 22:37. Someone has said—"How we can ever come to be challenged by so fantastic a demand is quite inconceivable."

The following is by Jose Miguez Bonino—We may certainly understand that God should be loved; we may even wish and decide to love Him—but how can we love Him wholly, and love Him purely, and love Him spontaneously? An old church council put the answer in these terms: "To love God is absolutely His own gift. He Himself, who loves without being loved, gave us the power to love Him."

And five centuries before, John said it even more clearly and simply: "We love, because He first loved us."

Special days next week are for: Mrs. Odas Claxton, Kenneth Sneed, Mrs. Pairlee Griffith, Mrs. J. D. Harrison, O. L. Hicks and Mike Smith the 15th; John Parker and Mrs. Will Allred the 16th; Mrs. Billie McCasland and Mary Alice Webb the 17th; Mrs. Joe Buchanan and Melinda Mills the 18th; a wedding anniversary for Mr. and Mrs. Mansfield Foster the 19th; Mrs. Sallie Smith, Debby and Patty Saunders, John Cecil Lilly and Micheal Cary the 20th; Elsie Lee Sanders and Mrs. Bud Busher the 21st.

Pastor Jerry and Mrs. Henson had Sunday dinner with the A. D.

Jacksons and supper with the Billie McCaslands.

Pastor Jack Bedford and family had Sunday dinner and supper with the Russell Gruns at Moro.

## CHEVROLET

### '62 CHEVROLET JOBMASTER TRUCKS WITH NEW High Torque Power!

Here's new High Torque power for every weight class—light, medium and heavy... the most powerful engines in Chevrolet history... sure saving power and dependability for every job!

There are plenty of powerful reasons for Chevy superiority. High torque reasons. Reasons that range all the way from a mighty new High Torque 409 V8\* for heavies, right down to the thrifty Sixes... including the High Torque 261 Six\* that's available for the first time in light-duties.

Loads of other reasons, too. Like the new work styling with downward-sloping hoods that let drivers see up to 10½ feet more of the road directly ahead. Like Chevrolet's proved independent Front Suspension for even smoother riding, easier working trucks. Like the heavier duty hypoid rear axles for middleweights and the rugged new I-beam front axles\* (8,000- or 11,000-lb. capacity) available for extra-tough jobs on Series 80 heavyweights. Like the longer lived mufflers. Like the work-proved Corvair 95's (2 pickups and a panel) that haul up to 1,900 lbs. of payload with low-cost dependability and sure rear-engine traction.
