## School's Financial Structure Studied

The Winters School Board, in recent meetings, has continued a study of the district tax structure in order to find ways and means of continuing and improving the present budget.

At a recent meeting, Texas Education Agency Consultants J. A. Anderson and M. B. Ellis met with the board to discuss the district's problems. A budget deficit has resulted due to (1) a decrease in oil values, (2) an increase in the local district's share of state money, (3) increase in teaching salaries, and (4) increased maintenance and operational costs.

Of all receipts received by the school annually, state money received accounts for approximately 60 percent of the total, and 63 percent of the remaining 40 percent is paid by local taxes. All school taxes are based on 40 percent of 1940 values and there have been no increases since 1953.

The school board has discussed three possible solutions to the problem:

(1) Curtail the educational program, reduce expenses by using fewer teachers and less equipment which in turn would give students in school an inferior education.

(2) Asking a board of equalization to re-adjust valuations equally on all properties (subject to school tax).

(3) Asking the people in the district to consider making a decision themselves by voting on Senate Bill 116 which would leave values the same and permit an increase in the tax rate.

There are two statutes governing the amount which a school district may levy. The first of these, Article 2784e, provides that a district may vote a maximum tax of \$1.50 on each \$100.00 of assessed valuation. Not more than 50 cents of the aggregate tax of the \$1.50 may be used for bond purposes. This statute has been in effect for many years and is the statute under which the Winters School operates.

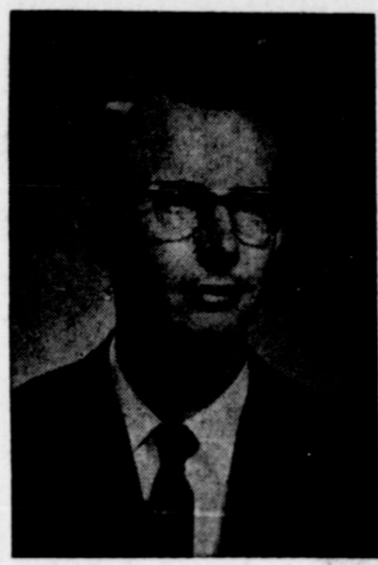

By vote of the qualified electorate, a school district may elect to operate under another statute, Article 2784e-1 (Senate Bill 116). This statute provides a maximum tax for maintenance and operation of \$1.50, but bases the amount of tax that can actually be levied for maintenance upon the amount of bonded debt of the district. If a school district's total bonded indebtedness does not exceed 7 percent of the assessed value of taxable property in the district, the maximum maintenance tax rate of \$1.50 per \$100.00 valuation may be levied. If the total bonded indebtedness is 8 percent of the assessed value, the maximum maintenance tax may be only \$1.40.

For each 1 percent or major fraction thereof, increase in the debt ratio, there must be a corresponding decrease of 10 cents in the maintenance tax.

Under this statute the tax for bond purposes is provided for over and above the maintenance tax. For bonds that are VOTED AFTER the adoption of the provisions of this article, the bond tax may be whatever amount is required to pay the interest and principal of the bonds. However, the district is limited in the amount of bonded debt which may be incurred.

A district may not issue bonds in excess of 10 percent of its assessed valuation. For bonds that were outstanding PRIOR to adoption of Article 2784e-1, a district is limited to a maximum tax of 50 cents, the limit that prevailed at the time the bonds were voted.

School board officials have pointed out that the problems now confronting the operation of the school are vital to the continued high quality education being offered to students in the Winters schools. They asked that if any group, club or interested citizen would like to have additional and detailed information, school representatives would appreciate the opportunity of meeting with them. Interested persons are asked to contact the school superintendent, James B. Nevins, on any question.

## Farm Management Short Course Set For December 4-8

A farm management short course for adult farmers and their wives will be held Dec. 4-8 under the sponsorship of the Winters High School Vocational Agriculture Department, according to James B. Nevins, superintendent, and Leland Robinson, teacher of vocational agriculture.

It is recognized that wives are often the "bookkeeper and manager," and they are especially invited to attend this course, the two school officials said.

The short course at Winters school is scheduled to begin Dec. 4 at 7:30 p. m. in the vocational agriculture building. Other meetings in the series of five will be held Dec. 5, 6, 7 and 8. During the dates the short course is in progress, Anderson will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Robinson.

Farmers interested in attending the short course should write or call the superintendent of schools, or Robinson. An enrollment fee of \$2.00 will be charged; no fee will be charged for wives accompanying their husbands. Farm Management Short Course Certificates will be presented to each farmer and-or wife who attends all the training sessions.

Anderson states that the short course will be adjusted to wishes and interests of farmers enrolled, but he expects to cover such subjects as agricultural outlook, keeping and using farm records, income tax management, how social security affects farmers, financing farm operations, and planning the use of farm resources.

Carl G. Anderson Jr., farm management specialist with the vocational agriculture division of the Texas Education Agency and the Department of Agricultural Economics and Sociology at Texas A. and M. College, will do the instructing in the course. He is quartered at Texas A. and M. College.

Anderson holds two college degrees in Agricultural Economics: a B. S. degree from Texas A. and M. and an M. S. from Louisiana State University. He conducted research in the field of farm management at LSU. In addition to college work and research work in farm management, Anderson has had several years of on-the-farm experience.

"Many farm management short courses in various parts of the state have been taught by Mr. Anderson, and all have met with outstanding success," according to Jake Payne, area supervisor of vocational agriculture, Stephenville. Arrangements for the adult (Continued on page 6)

## C. of C. Planning Activities For The Christmas Season

The kids will receive primary attention this year in activities slated for the Christmas holidays by the Chamber of Commerce. A Kiddies Christmas Parade and visits by Santa Claus have been scheduled to usher in the Yule season.

Chamber of Commerce officials said that the annual Christmas Parade, which has included floats and other attractions in past years, has been discontinued in favor of putting more emphasis on the Kiddies Parade.

But the grown-ups have not been forgotten. Chamber of Commerce spokesmen said. There will be drawings and other attractions to please the adult during the coming Christmas season, they said.

The Kiddies Christmas Parade has been set for Wednesday, De-

ember 6, with cash prizes to be offered for entries in the five separate divisions. The parade will be divided into groups for the best decorated bicycle, best decorated tricycle, best decorated wagon or miniature float, best individual costume, and for the group best depicting a Christmas theme.

The Chamber of Commerce is offering three prizes for each group, Mrs. B. B. Bedford, secretary of the organization and chairman for the Kiddies Parade, said. First prize in each division will be \$6; second, \$4, and third, \$2. Entrants must register at the Chamber of Commerce prior to the parade and receive numbers, it was pointed out.

Featured in the parade will be Santa Claus, riding in a pony-

drawn sleigh. The parade will be led by the Winters High School Blizzard Band.

The parade will form in the 100 block of West Parsonage on the day scheduled, and will start at 4 o'clock. From West Parsonage, the parade will move down Main Street to West State Street, turn west, and disperse.

Immediately following the parade, Santa Claus will go to the Chamber of Commerce office on West Dale where he will talk with the youngsters and hand out candy gifts.

Also planned for the pre-Christmas holidays will be a home decoration contest, participated in by any resident in Winters. Big cash prizes will be offered for the best decorated homes. Fifty dollars will be offered as first prize, with second and third prizes of \$35 and \$15.

Decorated homes will be judged on December 18. Residents who wish to enter this contest must register with the Chamber of Commerce office so that names and street addresses will be known to the judges. Deadline for entry in this contest is December 17.

Other attractions planned by the Chamber of Commerce for the Christmas season will be two big drawings to be held prior to the holidays. A total of \$100.00 will be given away at each drawing, it was announced. There will be five names drawn each day, with cash awards of \$50, \$25, \$10, \$10, and \$5 to be given away. Merchant members of the Chamber of Commerce will hand out tickets prior to the drawings. There will be no requirement to purchase any merchandise, it was pointed out. Anyone may register for the drawings, but winning ticket holders must be present to win.

The first drawing has been set for Saturday, December 16, and the second for Friday, December 22.

The Chamber of Commerce has invited the Wingate school band and the children of the Wingate community to participate in the Kiddies Parade.

## Winters High School Marching Band Will Take Part In UIL Contests Saturday

The Winters High School Blizzard Marching Band will participate in the Region University Interscholastic League Marching contests set for Saturday in San Angelo. About 70 bands will take part in the competition at San Angelo Stadium.

Bands will compete for superior ratings in precision drill, required maneuvers, oral and silent commands and general inspection.

The Winters band, under direction of Robert Gans, will take the field about 2:28 p. m.

Other schools which will compete in the same division with Winters include Comanche, Ranger, Hamlin, Haskell, Stamford, Coleman, Cisco, De Leon, Brady and Ballinger. These are all AA school bands.

In addition to the marching contest, some 500 twirlers and marionettes will compete for the first rating.

Twirlers from Winters will be Marcene Matthies, Pam Bedford, Tamala Gans, Russell Bedford, Barbara Baldwin, Mary Young, Judy Matthews, Bobbie Sue Gans, Jeannie Hood, Jon Fuller, Marsha Hays, Kay Gardner and Cindy Coward.

No admission will be charged for the UIL event, and the public is invited.

## Special Thanksgiving Services Planned At First Methodist

A special city-wide Thanksgiving service has been planned at the Winters First Methodist Church for next Wednesday, Nov. 22. Services will begin at 7:30, and several churches of the community will participate.

The Rev. H. K. Flathmann, pastor of the St. John's Lutheran Church, will be the speaker for the services.

The public has been invited to attend these Thanksgiving services.

## VISITORS FROM WACO

T-Sgt. and Mrs. Bob McClelland and little daughter, Debra from Waco attended the Winters - Ballinger football game Friday night and spent the weekend with their parents, Mr. and Mrs. J. A. McClelland of Ballinger and Mr. and Mrs. Bill Milliam of Winters.

## Winters Chamber of Commerce Will Elect Five Directors For Two Years

New directors of the Winters Chamber of Commerce will be elected between now and December 5, it was announced this week. Postcard ballots were sent out Thursday to all members of the Chamber of Commerce, listing those members who have said they will serve on the board if elected.

Chamber of Commerce officials have asked that all postcards be returned by December 5 so that results of the election can be made known at the scheduled meeting of the present board.

Listed on the postcard ballot as candidates for the board are M. G. Middlebrook, F. R. Anderson, Jerry Ward, J. W. Bahlman, James West, Bill Bell, Pat Patterson, P. L. Harrison, Ellis Zane Moore, Clarence Alfrey, William D. Parish.

The five candidates receiving the highest number of votes will be declared elected. New board members will serve for two years. They will take office February 1, following the annual Chamber of Commerce banquet in January.

Outgoing members of the board are T. L. Hatler, Bob Loyd, Russell Mote, Harry Herman and Jno. W. Norman.

Hold-over directors, who have another year to serve, are A. W. Libbe, president, and Harry London, Walker Tatum, Ted Meyer, and Mord Tucker.

## Abilene Minister To Hold Evening Service For Presbyterians

The Rev. Floyd Kinser of Abilene will conduct the evening service at the First Presbyterian Church Sunday November 19, it has been announced. There will be no 11 o'clock worship service Sunday morning, but Sunday School will be held as usual, it was announced by officials of the church.

The evening service will begin at 5:30 o'clock Sunday afternoon. Following the evening service the Rev. Kinser will serve as moderator for a congregational meeting to discuss contacting a pastor for the church.

Members of the church are urged to be present for these important meetings.

## District Commander Made Official Visit To Winters VFW Post

James Crockett of Winters, Commander of District 22 of the Department of Texas, Veterans of Foreign Wars, made an official visit to Winters Post 9133 Monday. Commander Crockett spoke to the group on their membership program.

W. L. Collins, District 22 Inspector, accompanied the commander on his official visit, and inspected the Quartermaster's books and made a report to the Department of Texas Headquarters.

C. C. Paske, commander of the local post, presided for the business meeting, and gave a report on the various activities participated in by the post membership on Veterans Day. He complimented the business men of Winters for displaying the flag on that day.

The American Heritage program which is sponsored by the VFW and its Auxiliary in the Winters schools for November, is "We Believe in the Dignity of Work."

Present for the meeting were Paske, Crockett, Collins, A. N. Crowley, George F. Lloyd, C. H. Harrell, D. W. Giles and Ted Meyer.

## TO HOMECOMING

Mrs. Ted Nichols was in Hillsboro, Thursday, attending the homecoming of her high school class.

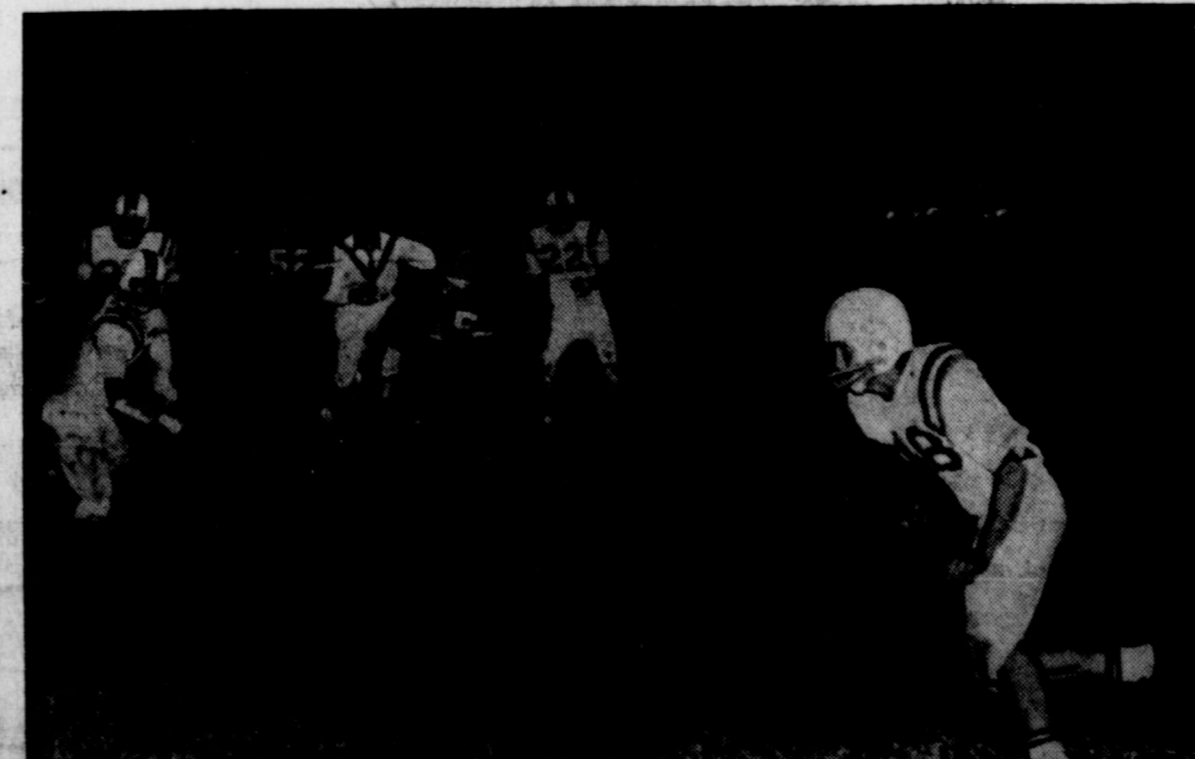

## Cage Season Open, Winters Met Novice

With the 1961-62 basketball season barely underway, the Winters High School girls A and B teams met the Novice girls here Thursday night, Nov. 16.

The next games scheduled will be after the Thanksgiving holidays, on November 28, when the boys' and girls' teams will play the Merkel teams on the Winters gym floor. Game time will be 6:30 p. m.

## HONORED ON BIRTHDAY

Mrs. Joe Nitsch was honored on her birthday Sunday at a dinner given by her sister, Mrs. T. O. Williams in Ballinger. Those present were Mrs. Nitsch and her children, Kenny, Larry and Nancy of Winters, and Mr. and Mrs. Williams.

## School's Financial Structure Studied

The Winters School Board, in recent meetings, has continued a study of the district tax structure in order to find ways and means of continuing and improving the present budget.

At a recent meeting, Texas Education Agency Consultants J. A. Anderson and M. B. Ellis met with the board to discuss the district's problems. A budget deficit has resulted due to (1) a decrease in oil values, (2) an increase in the local district's share of state money, (3) increase in teaching salaries, and (4) increased maintenance and operational costs.

Of all receipts received by the school annually, state money received accounts for approximately 60 percent of the total, and 63 percent of the remaining 40 percent is paid by local taxes. All school taxes are based on 40 percent of 1940 values and there have been no increases since 1953.

The school board has discussed three possible solutions to the problem:

(1) Curtail the educational program, reduce expenses by using fewer teachers and less equipment which in turn would give students in school an inferior education.

(2) Asking a board of equalization to re-adjust valuations equally on all properties (subject to school tax).

(3) Asking the people in the district to consider making a decision themselves by voting on Senate Bill 116 which would leave values the same and permit an increase in the tax rate.

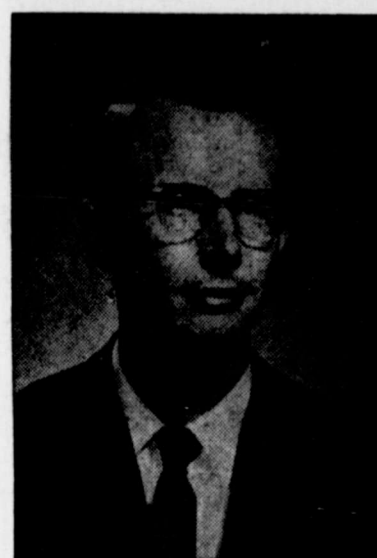

There are two statutes governing the amount which a school district may levy. The first of these, Article 2784e, provides that a district may vote a maximum tax of \$1.50 on each \$100.00 of assessed valuation. Not more than 50 cents of the aggregate tax of the \$1.50 may be used for bond purposes. This statute has been in effect for many years and is the statute under which the Winters School operates.

By vote of the qualified electorate, a school district may elect to operate under another statute, Article 2784e-1 (Senate Bill 116). This statute provides a maximum tax for maintenance and operation of \$1.50, but bases the amount of tax that can actually be levied for maintenance upon the amount of bonded debt of the district. If a school district's total bonded indebtedness does not exceed 7 percent of the assessed value of taxable property in the district, the maximum maintenance tax rate of \$1.50 per \$100.00 valuation may be levied. If the total bonded indebtedness is 8 percent of the assessed value, the maximum maintenance tax may be only \$1.40.

For each 1 percent or major fraction thereof, increase in the debt ratio, there must be a corresponding decrease of 10 cents in the maintenance tax.

Under this statute the tax for bond purposes is provided for over and above the maintenance tax. For bonds that are VOTED AFTER the adoption of the provisions of this article, the bond tax may be whatever amount is required to pay the interest and principal of the bonds. However, the district is limited in the amount of bonded debt which may be incurred.

A district may not issue bonds in excess of 10 percent of its assessed valuation. For bonds that were outstanding PRIOR to adoption of Article 2784e-1, a district is limited to a maximum tax of 50 cents, the limit that prevailed at the time the bonds were voted. School board officials have pointed out that the problems now confronting the operation of the school are vital to the continued high quality education being offered to students in the Winters schools. They asked that if any group, club or interested citizen would like to have additional and detailed information, school representatives would appreciate the opportunity of meeting with them. Interested persons are asked to contact the school superintendent, James B. Nevins, on any question.

## Farm Management Short Course Set For December 4-8

A farm management short course for adult farmers and their wives will be held Dec. 4-8 under the sponsorship of the Winters High School Vocational Agriculture Department, according to James B. Nevins, superintendent, and Leland Robinson, teacher of vocational agriculture.

It is recognized that wives are often the "bookkeeper and manager," and they are especially invited to attend this course, the two school officials said.

The short course at Winters school is scheduled to begin Dec. 4 at 7:30 p. m. in the vocational agriculture building. Other meetings in the series of five will be held Dec. 5, 6, 7 and 8. During the dates the short course is in progress, Anderson will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Robinson.

Farmers interested in attending the short course should write or call the superintendent of schools, or Robinson. An enrollment fee of \$2.00 will be charged; no fee will be charged for wives accompanying their husbands. Farm Management Short Course Certificates will be presented to each farmer and/or wife who attends all the training sessions.

Anderson states that the short course will be adjusted to wishes and interests of farmers enrolled, but he expects to cover such subjects as agricultural outlook, keeping and using farm records, income tax management, how social security affects farmers, financing farm operations, and planning the use of farm resources.

Carl G. Anderson Jr., farm management specialist with the vocational agriculture division of the Texas Education Agency and the Department of Agricultural Economics and Sociology at Texas A. and M. College, will do the instructing in the course. He is quartered at Texas A. and M. College.

Anderson holds two college degrees in Agricultural Economics: a B. S. degree from Texas A. and M. and an M. S. from Louisiana State University. He conducted research in the field of farm management at LSU. In addition to college work and research work in farm management, Anderson has had several years of on-the-farm experience.

"Many farm management short courses in various parts of the state have been taught by Mr. Anderson, and all have met with outstanding success," according to Jake Payne, area supervisor of vocational agriculture, Stephenville. Arrangements for the adult (Continued on page 6)

## C. of C. Planning Activities For The Christmas Season

The kids will receive primary attention this year in activities slated for the Christmas holidays by the Chamber of Commerce. A Kiddies Christmas Parade and visits by Santa Claus have been scheduled to usher in the Yule season.

Also planned for the pre-Christmas holidays will be a home-decoration contest, participated in by any resident in Winters. Big cash prizes will be offered for the best decorated homes. Fifty dollars will be offered as first prize, with second and third prizes of \$35 and \$15.

Decorated homes will be judged on December 18. Residents who wish to enter this contest must register with the Chamber of Commerce office so that names and street addresses will be known to the judges. Deadline for entry in this contest is December 17.

Other attractions planned by the Chamber of Commerce for the Christmas season will be two big drawings to be held prior to the holidays. A total of \$100.00 will be given away at each drawing, it was announced. There will be five names drawn each day, with cash awards of \$50, \$25, \$10, \$10, and \$5 to be given away. Merchant members of the Chamber of Commerce will hand out tickets prior to the drawings. There will be no requirement to purchase any merchandise, it was pointed out. Anyone may register for the drawings, but winning ticket holders must be present to win.

The first drawing has been set for Saturday, December 16, and the second for Friday, December 22.

The Chamber of Commerce has invited the Wingate school band and the children of the Wingate community to participate in the Kiddies Parade.

## Winters High School Marching Band Will Take Part In UIL Contests Saturday

## WINTERS SCHOOLS WILL CLOSE 22ND FOR HOLIDAYS

Winters schools will close Wednesday, Nov. 22, for the Thanksgiving holidays, James B. Nevins, superintendent, announced this week.

School will be dismissed at 3 p. m. on that date, and buses will make regular runs immediately after school is out. Regular classes will resume on Monday, Nov. 27.

## Runnels County Cancer Unit Raised 95% of Quota

Four Winters citizens were added to the board of directors at the regular meeting Tuesday evening of the Runnels County unit of the American Cancer Society held at the Chamber of Commerce in Ballinger. They were Mr. and Mrs. Homer Hodge, Mrs. J. W. Bahlman and Mrs. W. E. Little.

It was announced that the unit was third in the 178 county West Texas district in the fund campaign, raising 95 percent of its quota. It was forth in the total amount raised.

Winters and the north end of the county exceeded their pro rata share of the county's quota. Homer Hodge was chairman of the drive in Winters and this section.

Plans were made for a comprehensive program in January. Programs have been arranged to be presented for the Parent-Teacher Association in January, high school and others connected with schools in February, Home Demonstration Clubs at their regular meetings, and the Ballinger Rotary Club and the Woman's Club at dates to be chosen later.

Announcement was made that memorial gifts can be sent to Mrs. Caddo Wright, to Jim Miller at Pierce - Bailey Drug or mailed to the Cancer Society in care of Ballinger Post Office.

The annual state meeting will be held in Fort Worth on Dec. 7 and 8, and the unit expects to send representatives.

## ROGER BABSON SAYS

### Canadian Business Follows Pattern Set By Conditions In United States

Babson Park, Mass., Nov. 16. In these perilous times, it is a joy for me to discuss our nearest neighbor, Canada. A line more than 3,000 miles long separates us, and there is not a gun or any other form of "wall" or defense on this very long line between us and Canada. This certainly shows that some form of nuclear disarmament should be possible for all the world.

#### Canadian Business Follows U. S. Business

Canada is now enjoying a gradual recovery from the mild recession of a year ago. Industrial activity has turned upward, although to a modest extent. Canadian business, however, is subject to intense competition caused by overcapacity and a corresponding pressure upon prices and profits.

For some time Canada has been a leading trading country, surpassed only by the United States, the United Kingdom, and West Germany. In the year 1961, export markets have accounted for about 15 per cent of Canada's national output. The United States currently exports only 4 per cent of its output. As a result, the Canadian dollar fluctuates, and right now is worth less than the American dollar.

#### Canada and the European Common Market

Concern has arisen that Canada's trading position may be hampered by the European Common Market. The great postwar impulse for multi-lateral trade in the Geneva Agreement on Tariffs and Trade is changing in favor of general trading blocs. The European Common Market may develop into a new nation that could rival the population, production, and power of even the United States.

I believe Canada should examine carefully the above possibilities, and consider some form of association with Western Europe. Perhaps it should join this European Common Market, a move which might eventually influence the United States to join. This could result in a North Atlantic Trading Area of great strength to the "free world."

Canada and Prevailing Wages  
Many in Canada feel that joining the Common Market would result in lower wages for Canada, in view of the lower wages prevailing in Europe. However, efficient workers can demand and secure high wages. I further believe that such a united front would do much to prevent Communism from working further westward.

We cannot have everything we want in this world, and we must have a spirit of "give and take"—economically, as well as militarily and politically. Also, Europeans should realize that only by including Canada can Western Europe extend its trading borders to the Common Market. The very talk makes me very optimistic.

Canada and Natural Resources  
Canada can supply Western Europe with oil, iron, copper, asbestos, sulphur, aluminum, nickel, pulp and paper products, and even fishery products. One of the first projects may be to build a pipeline for crude oil from Western Canada to Montreal. Relations with Venezuela are now being cultivated by the United States. How this will affect Canada's oil prospects is an open question.

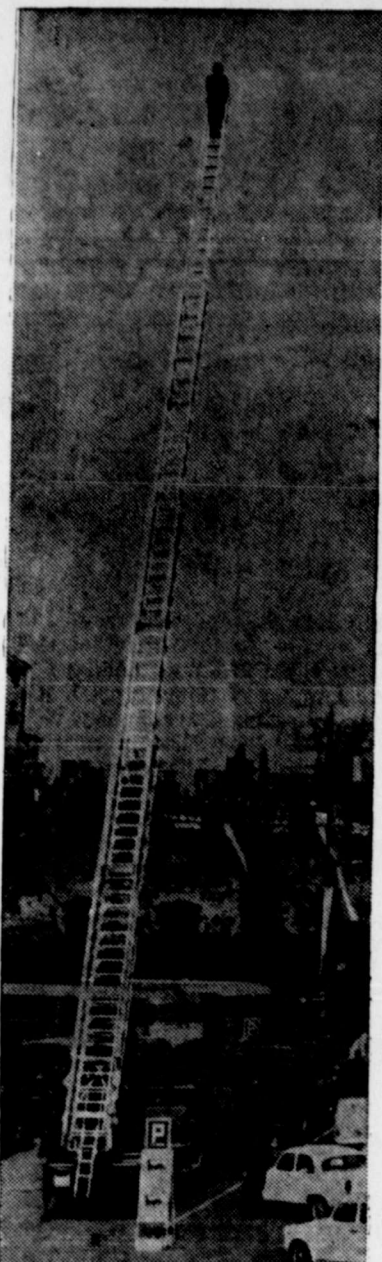

Thus far, large sums of money have gone from the United States into Canada to help develop these natural resources. Very little of Canada's imported money has been for industrial goods, but mostly for investments or speculations in Canada's natural resources.

#### Outlook For the Future

Factories may be built and go to decay; machinery may become obsolete; trade routes may change; but, at the worst, Canada's natural resources cannot be destroyed even though their exploitation may taper off for a few years. This means that Canada would profit from inflation, and investments there could be a good hedge for those who are fearful of inflation.

In closing, let me remind readers that Canada's economic growth has taken only about fifty years; and with her present political, social, and economic structure, this excellent growth should continue. Hence, businessmen and investors should be optimistic about the future of Canada, even with radically changing world conditions.

Natives who beat drums to beat off evil spirits are objects of scorn to smart American motorists who blow horns to break up traffic jams.

#### Baldwin's Indian Battle

An interesting thing about touring Texas is the exciting history you can learn from our highway markers.

If you'll take the time to read the markers that dot our highways you'll find it as exciting as reading an action packed novel.

Who's imagination would not be carried away with this marker 17 miles south of Pampa in the Panhandle (Gray County)? It reads "In this vicinity Lieutenant Frank D. Baldwin, commanding two companies of United States Troops, attacked a large band of Indians and rescued two white girl captives, November 8, 1874."

## Specialist Outlines Factors For Best Turkey Buys

Thanksgiving and Christmas are only a few weeks away, and consumer interest in turkeys is probably greater now than at any other season. F. Z. Beanblossom, extension poultry marketing specialist, says there are three things a homemaker should consider before buying a turkey.

The first consideration should be the size of turkey to buy. This will depend largely on the number of people to be served and on the reaction of the family to leftovers. In order to give each person a generous portion, about 3-4 pound of ready-cook turkey will be needed for each, explains the specialist.

After deciding on the size of bird, quality should be the next consideration. Best quality birds, which are designated Grade A, will have an even covering of fat over the entire body. They will also be broad-breasted with bulging thighs and large drumsticks. Turkeys with these qualities have a maximum meat to bone ratio, thus giving more edible meat per dollar spent. Birds without blemishes, such as torn skin or bruises, should be selected.

The third consideration should be the grade and inspection identifications. The tags are usually found on the wings. If the bird has a tag which reads, "Inspected for Wholesomeness by USDA," it means the turkey was processed in a plant which is under the USDA inspection program. If a tag, reads USDA Grade A, you will know the bird was given this quality rating by a USDA grader in the processing plant, explains Beanblossom.

If homemakers will consider these factors before buying a turkey, they will get a bird that will make a beautiful and delicious centerpiece for Thanksgiving or Christmas tables, says Beanblossom.

## Voting Delegates Of Runnels County Attend FB Meeting

Voting delegates from the Runnels County Farm Bureau are attending the State Farm Bureau convention in Galveston. They are Hugo Vogelsang, president; D. E. Forgey, vice president; Ben J. Frerick, C. L. Howell, Eddie Voelker, Marion Hays, Mr. and Mrs. S. S. Childers.

J. F. Droll, service agent, received a special invitation to attend the meeting and be present at the recognition program but was unable to leave due to illness. Miss Shirley Ehrig, Runnels County Farm Bureau queen, was also unable to attend.

The Runnels FB is one of the counties being recognized in the special program for counties exceeding their quota in the 1961 membership drive. Presidents of each county organization in this program will carry banners bearing the county's name and the number of members for 1961.

Others attending the convention are Mrs. Hugo Vogelsang, Mrs. D. E. Forgey, Mrs. Ben J. Frerick, Mrs. C. L. Howell, Mrs. Eddie Voelker, and Mrs. Ralph Vancil, Runnels FB secretary.

# Steady Population Growth

When farm surpluses are a major problem, it is hard to believe that the time may come when there will not be enough of many things. But a look ahead indicates that in future years the situation may be reversed and then there may be shortages.

It is estimated that by 1975 the United States will have a population of 175 million. Our 5,300,000 farmers will be called upon to feed more people. The greater demand for all farm products will then solve the surplus problem—also the price problem. There are dynamic factors which make the future of agriculture secure.

We give particular attention to banking needs of farmers and stockmen. They find understanding service and ready co-operation here.

### Home Demo Council Met Last Friday At Court House

Eighteen members from ten clubs attended the November meeting of the Runnels County Home Demonstration Council last Friday at the court house. Miss Ollie Chenoweth, county agent, also was present. Mrs. M. R. Petrie presided for the meeting. The 1962 Club Yearbook will be dedicated to Miss Chenoweth, it was announced.

A letter was read from the chairman of the Abilene State School Trust Fund asking Home Demonstration clubs to consider sponsoring mentally retarded students by a monthly donation for soft drinks and candy, especially for those without family ties.

Miss Chenoweth announced that Runnels County Gold Star Girl Beatrice Urbanek, will attend the District 4-H Gold Star Awards banquet Dec. 13 at San Angelo, sponsored by West Texas Utilities Co. The Runnels County Gold Star Boy and the agents, Miss Chenoweth and C. T. Parker, will also attend.

Mrs. E. F. Vogelsang, County THDA chairman, gave a report and Mrs. Lyle Currie gave an interesting account of her trip to the National Home Demonstration Council Convention.

Miss Chenoweth will conduct a training school in December for all club officers. They will be notified of the exact date.

The upcoming Livestock Show, on Jan. 19-20, 1962, was discussed. Council and club members will have charge of the concessions, by which money will be raised for council projects.

The annual Christmas Council luncheon will be held at the Winters clubhouse on Thursday, Dec. 7, at 12 noon. All 1961-62 council members will attend the luncheon and any club member may attend by paying her fee. Mrs. E. F. Vogelsang, vice chairman, will be in charge of the program.

Programs presented the past month have been on Making Handcream and deodorant, Table Decorations, Managing Your Family's Food, Covering Shoes, and Recreation.

Crews, Norton and Friendly Neighbors clubs sent cookies and candy to the Abilene State Hospital for their annual Halloween party. All clubs have set a date for a Christmas party for members and their families.

Ballinger club activities included a turkey dinner on Nov. 7 in the home of Mr. and Mrs. Lyle Currie in honor of Miss Chenoweth. Also a report on the Latin American Citizenship School by Mrs. Drury Hathaway, and a \$5 donation to the Runnels County TB Association.

Friendly Neighbors club reported a demonstration on making Christmas candles, and plastic wreaths and handkerchief and hose bags.

A demonstration on making plastic flowers was given to the Rowena Club. For a Christmas project they will make pajamas for a number of Sanatorium patients.

Popcorn pillows and other gift items were made by the South Ballinger Club at a recent meeting.

Winters club women have completed a tree and shrub planting project.

Members of the Norton Club helped with the school homecoming celebration. A member of their community, Patti Gregor, was selected for the Good Citizenship Award in a contest conducted by the Daughters of the American Revolution. She also received a \$30 award as second place winner in the State Electric contest.

Two clubs made money the past month by feeding the Lions Clubs. Twenty four guests have attended club meetings since the last council report.

### Mrs. W. D. Sanders Was Hostess For WSCS Circle Meeting

Mrs. W. D. Sanders served as hostess in her home Tuesday morning to the Win-Some Circle of the Woman's Society of Christian Service of the First Methodist Church.

As the guests arrived coffee and cookies were served to Mesdames D. A. Dobbins, Elmo Mayhew, W. W. Parramore, J. D. Vinson, E. H. Baker, E. L. Crockett, H. O. Abbott, Sam Jones, George Rosson and Miss Frances Strickland.

Mrs. J. D. Vinson, circle chairman, presided for the business session and Mrs. E. H. Baker gave the opening prayer.

Mrs. W. W. Parramore, program leader, discussed "The Household of God." A report on "The World Council of Churches," was given by Mrs. Sam Jones.

The meeting adjourned with a silent prayer for a better understanding between all nations.

The handsome young man the studio chose to work with her, John Saxon, was affable and extremely considerate. The director, Harry Keller, is the same man who mentored her work in "Tammy Tell Me True," the Universal-International color picture in which she co-stars with John Gavin.

### Winters 4-H Club Regular Meeting In City Hall

Winters 4-H Club held their regular meeting Nov. 3 in the City Hall. The club president, John Sims, presided for the business meeting and a report was made on the club's Spook House at the Halloween Carnival.

Members discussed the purchase of 4-H Club jackets but will make a final decision at a later meeting. They also discussed the livestock projects for the members.

F. G. Brown, assistant county agent, showed slides of show calves and explained to members how to judge the calves.

Anyone nine years or over who is interested in the 4-H is invited to attend the meetings the first Thursday of each month at 7:30 in the City Hall.

Refreshments were served to members, John Sims, Gary Jacob, Dennis McBeth, Mike Kozelsky, John Gomez, Butch Spill, Allen Hart, Paul Gomez, Hudon White, Andy Schwertner, Michael O'Dell, Calvin Jackson, Rodney Faubion, David Gray, Bob Colburn, Janet Schwertner, and Mr. and Mrs. Chester McBeth, Mrs. J. ## MOVIES

### "Two Rode Together"

John Ford, whose Academy Award-winning Western, "Stagecoach," remains a highwater mark for ambitious directors to shoot at, joins forces in "Two Rode Together," with such old Western hands as James Stewart and Richard Widmark. Pretty Shirley Jones also stars in the new Ford production, a Columbia release due Friday and Saturday at the State Theatre. Filmed in Eastman Color, "Two Rode Together" co-stars Linda Cristal, Andy Devine and John McIntire.

### "Thief of Baghdad"

Steve Reeves, the biceps-flaxing star of "Hercules" and "Morgan the Pirate," can now be seen swinging an Arabian scimitar in Joseph E. Levine's adventure spectacle, "Thief of Baghdad," opening Sunday at the State Theatre.

The muscular movie hero plays the title role in the MGM release and again demonstrates his derring-do through such feats as fighting off a forest of man-devouring trees, pole-vaulting over a harem wall and wrestling a giant crab under the sea.

For Reeves, such activity is all in a day's work. He has yet to star in a movie where he was not required to put his 200 pounds of brawn to strenuous use. In "Hercules," he battled such adversaries as a wild boar and a mad bull. In "Morgan the Pirate," he almost singlehandedly overpowered several well-defended Spanish bastions.

### "Tammy Tell Me True"

Sandra Dee, who stars in the title role of "Tammy Tell Me True" which opens Wednesday at the State Theatre, reveals—now that her screen career shines so bright—

Her first picture since her "Elmer Gantry" Academy Award, Shirley Jones stars with James Stewart, above, and Richard Widmark in "Two Rode Together," John Ford's Eastman Color production for Columbia . . . showing at the State Theatre Friday and Saturday.

## TO SOUTH TEXAS

The Rev. Ray Elliott, pastor of the First Methodist Church, and D. A. Dobbins left Monday for a few days fishing on the coast at Rockport. They were joined on the trip by the Rev. S. A. Baker of Mansfield.

## CARD OF THANKS

The recent bereavement which has visited our home has brought to us a greater appreciation of our friends. Such kindnesses and neighborly thoughtfulness can never be forgotten. To the blood donors, and to those who brought food, and flowers, and for the cards, we wish to say "thank you."

We wish also to express our sincerest thanks to Dr. Rives and the nurses who cared for him. May God bless each of you in the prayer of the Children of S. T. Polk.

## CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful. May we be a comfort in your time of need is the wish of Mrs. W. A. Puckett and family. 1tp

## CARD OF THANKS

To all the friends and neighbors who were so thoughtful at our time of sorrow, the family of Kenny Wilkerson wish to express our gratitude. Especially do we appreciate the comforting words and acts of kindness, the food that was brought and the beautiful floral offering. ## Funeral Rites For Mrs. Huffhines Set For 2 p. m. Friday

Mrs. J. W. Huffhines, 85, resident of Winters since 1904, died Wednesday night at 10:10 o'clock at the Merrill Rest Home. She had been ill for the past year and in a serious condition the past two weeks.

Native of Arkansas, Mrs. Huffhines was born Mary Matilda Robertson at Hope, Oct. 27, 1875. She came to Texas with her parents at the age of two, settling in Brownwood. Later the family moved to Nolanville and she was married there to William Huffhines Oct. 12, 1891. The family moved to Winters in 1904 and the couple owned and operated the City Hotel until 1924. They moved to a farm east of Winters where she lived until 1937, when she and her son Ernest moved on a farm south of Winters. At the death of her son in 1948, she moved back to Winters.

Mr. Huffhines died in 1935, and a son, Jim Huffhines, well-known lumber dealer in Winters and Abilene, died in 1956. Also a daughter preceded her mother in death.

Mrs. Huffhines was a member of the First Baptist Church and the Eastern Star.

Surviving are a daughter - in-law, Mrs. J. A. Huffhines of Abilene; two sisters, Mrs. Clara Pearce of Los Angeles, Calif.; Mrs. Ruth Hensley of Canby, Ore., several nieces and nephews.

Funeral services will be held Friday afternoon at 2 o'clock at Spill Memorial Chapel with the Rev. B. T. Shoemaker, pastor of the First Baptist Church, officiating. Burial will be in the Fairview Cemetery.

Casketbearers will be Bill Hoppe, Gus Voss, Sam Wood, Merrick Spill, Sam Cook, Gattis Neely, Buford Baldwin, and Ray Hood Wilbanks.

## TO DENVER

Mrs. Kenneth Vinson left Thursday for Denver, Colorado, where she will join her husband, who is in the Air Force Training School. She was accompanied by his parents, Mr. and Mrs. J. D. Vinson.

## SON IS BORN

Mr. and Mrs. Robert Stathem of Shreveport, Louisiana, are the parents of a baby boy born, Oct. 31. His name is Darryl Lane and they have a daughter, Teri, who is three years old. Mrs. Stathem is the former Adalene Williams, daughter of Mr. and Mrs. A. T. Williams.

Mr. and Mrs. Williams returned home recently after spending a few days in the Stathem home.

## Diversity Club Had Meeting At Ledbetter Home At Bradshaw

"The Way of the First American" was the theme of the program given at the meeting of the Diversity Club held Thursday in the home of Mr. and Mrs. Clarence Ledbetter, east of Bradshaw.

The roll call response was a silver shower for the Winters Library.

Mrs. Ledbetter gave "The Federal Policy Views of the American Indian, in which she emphasized that the tribal economic and social development projects reflect a strong desire to preserve their present communities and be given every chance to succeed and to fertilize similar ideas on other reservations. These small beginnings represent the most vigorous growth in many years of the Indians desire to undertake a number of self-help actions, and if these are truly nurtured by government agencies charged with guarding the Indian interest, the end product may astonish us all," Mrs. Ledbetter said.

"His Economic Resources" was the topic given by Mrs. C. R. Bellis, who stated "The Indians in their peaceful pursuits have adjusted themselves to the American Way of Life by becoming farmers, loggers, ranchers, nurses, artists, plumbers, clerks, ministers, policemen, and soldiers, thereby contributing to the economy of the state as well as the nation."

Mrs. Sam Jones gave "Man's Magic Medicine," and discussed how medicine could overcome the superstitions of the Indians.

Mrs. J. E. Smith closed the program with prayer.

Mrs. Ledbetter served refreshments to the members, Mmes. C. R. Bellis, W. T. Billups, Z. I. Hale, Sam Jones, H. B. Livingston, Earl Roach, Loucille Roberts, J. E. Smith, Fred Young and Roy Young.

## Winters Garden Club Flower Show Saturday, Sunday

Winters Garden Club will have their Flower Show, Saturday and Sunday in the home of Mr. and Mrs. E. L. Bryan, 412 North Main.

There will be no charge and everyone is invited to call between the hours of 2 till 6 o'clock.

The theme of the flower show is "Way Out." There is an invitational class for non-members and anyone wishing to do so call Mrs. E. J. Redman, flower show chairman; Mrs. O. D. Bradford, classification chairman; Mrs. E. L. Bryan, staging and property chairman; Mrs. Harless Butts, or Mrs. John Grohman, clerks.

Some of the titles of the entries are "A Little Bit of Heaven, The Big Dipper, Milky Way, and the North Star".

## Band Director Gans Explains Place of Band

"It is our job, not only in the music department, but all over the school system, to expect the very best of each and every child," Winters High School Band Director Robert Gans told members of the Band Mothers Club in a regular meeting of the organization Tuesday at the Blizzard Band Hall.

Director Gans went on to say that "A child capable of high grades is sometimes satisfied with only a passing grade, unless he is encouraged to do everything he does to the best of his ability." He added, "In the band program, we urge each member to not just get by, but to strive toward the very best."

Mrs. J. W. Bahlman, president of the band mothers organization, presided at a short business session. It was announced that the Blizzard Band will attend the UIL Marching Contest in San Angelo Saturday. The band will march at approximately 2:28 at Central Stadium.

Mrs. Bahlman asked that members attend the marching contest and support the band.

A film strip of the marching band at the Ballinger football game was shown to approximately twenty ladies present.

**STATE CAPITOL HIGHLIGHTS**

**State-Wide Speaking Tours Are Setting Pace For Upcoming Primary**

By VERN SANFORD  
Texas Press Association

With filing deadline for state offices more than two months away, the State Capital already is taking on that political campaign atmosphere.

Announcements for office, state-wide speaking tours, and fund raising dinner plans are setting the stage for the upcoming campaigns.

Only announced candidate for governor, thus far, has been Jack Cox of Breckenridge. Cox will be running in the Republican primary.

As yet, no formal announcement has been made by any Democrat. But the field of probable candidates is growing daily.

Formal announcements by three senators for the lieutenant's governor's race assures warm competition for the place left open when Ben Ramsey moved to the Railroad Commission.

Sen. Jerrard Secrest of Temple, Sen. Bob Baker of Houston, and Sen. Preston Smith of Lubbock are the announced candidates. There is likely to be GOP opposition for this post as well as at least one other Democrat.

One thing certain now is that there will be stiff competition for those primary votes on May 5.

**CAPITOL VALUE**

For years, the huge red granite State Capitol, which was paid for with 3,000,000 acres of West Texas

land, has been carried on the state's books at a value of \$131.50. Board of Control has appraised the Capitol at \$9,948,391. They valued the land on which it is located at \$5,143,623. It's not for sale for the total of \$15,092,014. But at least it's on the books right, now.

Incidentally, the old Capitol is getting a refurbishing. Workmen are replacing cracked and splintered panels in the hallways, and removing the old varnish. It will come out lighter and brighter.

**NEW LAWS**

Atty. Gen. Will Wilson quickly plugged one possible loophole in the "Blue Law."

He advised Dist. Atty. Henry Wade of Dallas that a corporation owning two or more stores must close them the same day. One can't open Saturday and the other Sunday. Nor can a store accept orders by phone in advance to be delivered on Sunday.

Wilson also is busy interpreting other new laws, among them the one requiring holders of property for others, except banks, to report it to the state when the owner hasn't been around for seven years.

He advised Treasurer Jesse James that an oil company which holds royalties outside Texas on oil produced in Texas does not have to report it to the State of Texas except that amount held for persons whose last known address was in Texas.

The attorney general expects so much work out of this new law that he set up a special division to handle it.

In another opinion, Wilson held that wiretapping to record phone conversations is not illegal in Texas.

**THIRD ROUND**

In the next few weeks, Gov. Price Daniel will have completed his third round of appointments.

Most of the state's operations are directed by 3 or 9-member boards, appointed for six-year overlapping terms.

These appointments are made to more than 140 state boards and commissions.

Latest appointments include: David B. Irons, Dallas; Dr. Horace Cromer, Austin; Mrs. H. E. Hutt, Corpus Christi; and Howard Tellepsen, Houston, to the Board for State Hospitals and Special Schools; Max Starcke, Austin, and Harry Hornby, Uvalde, to the State Parks Board; and Sam G. Wood, and Hatton W. Simpson, Tyler, to the State Board of Pharmacy.

**WATER POLLUTION BOARD**

Governor Daniel named former Rep. Sam Wohlford, Stratford; J. S. Hudnall, Tyler, and C. G. Shigley, Freeport, as public members on the new State Water Pollution Control Board.

Board of Water Engineers Chairman Joe D. Carter, State Health Commissioner J. E. Peavy, M. D., and Game & Fish Executive Secretary Howard Dodgen, or their alternates, will complete the board.

In the future, no one may discharge waste of any kind into or adjacent to the public waters of Texas, or the Gulf of Mexico, without a permit from this board.

Unfortunately, this board was handed a big job but no operating money. Governor Daniel will ask the Legislature, as a special session in January, to provide expense money for it.

**SHORT SNORTS**

Starting January 1, the State Welfare Department will begin paying medical, hospital and nursing home bills for the 225,000 needy aged on the old-age assistance rolls. Program will cost about \$12,000,000 in state money in the coming 20 months. Federal dollars match the state's.

Governor Daniel has reactivated the Governor's Committee for the White House Conference on the Aging, to resume its study for the problems of the aging. Sen. Crawford Martin of Hillsboro was re-named chairman.

The first month's payments under the new natural gas tax totaled \$356,481, but \$306,532 of it was paid under protest. Gas pipelines have brought suit to kill the new tax.

Income from the first 90,780 reports received by Comptroller Robert S. Calvert was \$7,206,727. Calvert thinks it will be February, when the first full quarter's sales tax is collected, before he can tell whether it will yield the estimated \$319,000,000 in two years.

**NEWEST IN COMPACTS**—A tiny, unsinkable dinghy, weighing only 20 pounds, is the newest thing in water transportation. Made in Dayton, Ohio, for sportsmen, it's 7½ feet long.

**CLEANER CARS**—Designed to make the task of washing and polishing the family car a faster job, this automatic turbine-driven brush made its bow at the International Auto Show at Frankfurt, West Germany. Water pressure from an ordinary garden hose causes the brush to rotate.

**FREEDOM OF FAITH**—Amid several hundred Christian churches and a Moslem mosque on the island of Taiwan sits the world's largest Buddha. The 72-foot-high structure is located on top of Pa Kau Shan mountain near Chang Hau in the southern part of the island. It is seven feet taller than the 65-foot-high famed Buddha of Nara, Japan.

**Kenny Wilkerson Died Friday In Car Accident**

Kenneth Noah Wilderson, 21, died Friday night at 9:45, from injuries received in a car accident about 2 miles north of Ballinger. He attended the Ballinger-Winters Football game and was returning to Winters when he lost control of his 1957 Oldsmobile on a curve. The automobile overturned throwing him against the pavement.

Funeral services were held Sunday afternoon at 2 o'clock at the First Methodist Church with the Rev. Ray Elliott, pastor, officiating. Interment was in the Lakeview Cemetery, under the direction of Spill Funeral Home.

Native of Winters, Kenneth was born November 6, 1940, the son of Mr. and Mrs. Loyd Wilkerson. (Mr. Wilkerson is a pioneer barber of Winters.) He graduated from Winters High School in 1959 and later attended San Angelo College in San Angelo. He discontinued his studies in mid-semester last year and went to work for an oil company for whom he worked until September. He had reentered the San Angelo College where he was a sophomore.

Survivors besides his parents are one brother, Joyce of Winters; one sister, Mrs. Arthur Watkins of Ballinger, and several uncles and aunts.

Pallbearers were Jimmie Smith,

Patsy Jean Williams, bride-elect of Bobby James Staggs, was honored with a bridal shower, Nov. 6, in the home of Mrs. William Covey, 218 N. Melwood. Co-hostesses were Mrs. Robert Kraatz Sr., Mrs. David Gossett, and Mrs. Jack Davis Sr.

Mrs. Covey greeted the guests and Mrs. Kraatz was at the register.

The bride elect's chosen colors of red and white were used throughout the home. Bouquets of red roses and white fern were placed in the living room.

The table was laid with a white linen cloth and red roses, white chrysanthemums, green fern, with a red bow of ribbon with the couple's name and wedding date printed in silver, were arranged around the punch bowl.

Approximately thirty guests registered.

**South Side YWA's Met Wednesday At the Church**

South Side Baptist YWA's met Wednesday at the church with the president Linda Eoff, presiding. Kay Bullard opened the meeting with prayer.

Plans were made for the "Week of Prayer" and Kay Bullard was named chairman. "New Missions—How and Why" was the title of the program given by Helen Lisso. Kay Bullard read the Prayer Calendar and Darlene McWright closed the meeting with a prayer.

Those present were Linda Eoff, Dorothy Norman, Kay Bullard, Helen Lisso and Darlene McWright.

### Test Suggested For Slumping Milk Production

Reports reaching Shannon Carpenter, area extension dairy specialist, indicate that some dairymen have noted a drop in milk production from individual cows in the herd. Several factors may be contributing to the decrease, Carpenter said.

The fall feeding of hay may have been started too late to head off the milk production slump. A cow milking through the summer on pasture and grain ration depletes her body, and the cow and pasture both run out of gas about the same time, Carpenter explained. The cow, therefore, is going dry regardless of a rushed up hay feeding program started too late, he said.

Cows freshening in the fall have conditioned their bodies with a dry period and may produce a constant flow of milk for a period of time even when feed nutrient intake is a little low, the specialist advised.

The protein level of the grain ration could be a factor in the drop and should be checked. To do this, Carpenter suggested that the milk produced in one day from at least four cows, fresh not less than 60 days, be weighed. Then, add cottonseed meal or some other protein supplement to their feed at the rate of one pound for each eight pounds of feed. After five days, he said to again weigh the milk from the same cows to measure the change in milk flow. An increase of one pound or more per cow per day indicates that the protein level in the ration for the herd should be raised, Carpenter said.

For a double check, he suggested the milk produced by four cows of equal ability from the herd remaining on the regular ration be weighed. The production of these cows will remain about the same or decline slightly if the increased protein was responsible for the increased milk production from the other cows checked, Carpenter said.

### JOY Sunday School Class Met Tuesday In Moore Home

J. O. Y. Sunday School class of the First Baptist Church met Tuesday evening in the home of Mrs. Ellis Moore.

Mrs. Eldridge Cox presided for the business meeting, and Mrs. S. P. Parks gave the opening prayer. The class decided to prepare a Thanksgiving basket for a needy family and also to collect used clothing for needy families as a class project.

Miss Jeannine Poe gave the devotional, and Mrs. J. T. Randolph gave the closing prayer.

Members present were Mmes. S. P. Parks, Ted Meyer, Ellis Moore, J. T. Randolph, W. O. Webb, Eldridge Cox, J. T. Sprinkle, Kenneth Sneed, G. W. Sneed and a visitor, Miss Jeannine Poe.

### CARD OF THANKS

This is the best method I know to say thank you to the many friends who have been so thoughtful and kind during these shut-in days. Your visits, cards, food, flowers and prayers have helped so much. If such comes to you I trust I can be the same to you. My husband also says thanks. Mrs. J. R. Woodfin. 1tp

### Mastitis To Get Major Attention At Dairy Short Course

Mastitis, the most common and costly disease of dairy cows, will get major attention at the upcoming Dairyman's Short Course, November 30-December 1 at Texas A & M College.

A. M. Meekma, extension dairy specialist, says the economic loss to dairymen from mastitis is tremendous. It reduces milk production by permanent damage to the cow's udder and may result in lowering the butterfat content of milk from infected cows by as much as 20 percent. Because of mastitis, Meekma points out, many good cows have become unprofitable for dairy purposes, and medication and veterinary costs continue to increase.

Discussions at this year's Short Course are expected to show new light on the problem, according

to Meekma. Three members of the now famous California mastitis team, Dr. Kenneth G. McKay, W. C. Faribank and D. M. Gray, have been assigned the entire morning session of the second day of the Short Course. Emphasis will be on mastitis prevention rather than cure and such subjects as "The California Mastitis Control Program, Effects of Mastitis on Solids-Not-Fat and Engineering Concepts of Mechanical Milking" will be discussed. Dr. McKay is making a return appearance in Texas. He was a featured speaker on the 1959 Short Course program.

All Texans interested in the future of the State's dairy industry have a special invitation to attend and participate in the annual meeting. Meekma adds that local county agents can supply detailed information on the Short Course and suggests that dairymen make plans now to attend.

### Cortez Marriage Solemnized at Church Sunday Morning

Weddings were repeated in a massive ceremony at 10 o'clock Sunday morning at Mount Catholic Church, uniting (Mrs. Betty) Aguilar and Jose Cortez. The bride is the daughter of Mr. and Mrs. Miguel Cortez and Mrs. Jake Cortez, parents of the groom.

Robert Kneblesburger, organist presented the music.

Mrs. Cortez, sister of the bride, was maid of honor, Reyes of Ballinger was bridesmaid, sisters of the bride were Jujano, Mickey Marade De La Cruz, Cecilia and Sofia De La Cruz of Winters.

Mr. and Mike Kozelsky, groomsmen. Flower girl was the bride's sister, the ring bearers were Jimmie and Debbie Cortez.

Ray Cortez, brothers of the groom, were ushers.

Other guests were Richard Lopez Torres, Paul Trevino, Martinez, Herman Hernandez De La Cruz and family of San Antonio.

The marriage by her father, the bride chose a gown of champagne and tulle with fitted bodice and bouffant skirt. The neckline was outlined with sequins and pearls; the sleeves were long and tapered.

The bride was accented with pearls and held her fingertip veil with a blue illusion. She carried a bouquet of white carnations.

The maid of honor wore a dress

of white satin with fitted bodice, low rounded neckline, long sleeves and pleated skirt. Her accessories were white and she carried white carnations.

Bridesmaids' attire, fashioned like that of the maid of honor, was red.

A reception in the church parlor followed the ceremony. Members of the bridal party served in the houseparty.

Both the bride and bridegroom attended Winters schools. Cortez is employed by Dry Manufacturing Co.

After a wedding trip, the couple will reside at 209 W. Pierce St.

For traveling, the bride wore a beige wool suit with slim skirt and short jacket with rounded collar and three-quarter length sleeves, a beige pillbox hat and gold accessories.

## Blizzards Lose Final Game To Ballinger Bearcats

The hopes of a district championship for the Winters Blizzards were smashed by the Ballinger Bearcats at Bearcat Field Friday night, but not before the Blizzards had shown some of the power and determination that had carried them against stiff competition all season. Played before a more than capacity crowd, estimated at 4,000, Winters won the toss and elected to receive the opening kickoff. QB Johnny Caskey gave the ball to Tommy Young for the first play, and Young moved from his own 38 to the 40. Steve Grissom and Denny Aldridge also handled the ball in the first series but the Blizzards were forced to punt on fourth down. After the Bearcats had also been forced to punt, the Blizzards began their second offensive try on their own 22. Young and Grissom carried in three plays to the Winters 38 and a first down. A jump pass from Caskey intended for Herbie Russell fell incomplete. Grissom carried twice to the 41, before Caskey punted out to the Ballinger 18. Phil Turner, Ballinger QB and fullback Jim Slaughter claimed Ballinger's first down to the Ballinger 37. However, the Winters line tightened up as the Bearcats were forced to punt out. With the ball on their own 30, the Blizzards claimed the longest run in the game, as Caskey, on a quarterback sneak, moved for 50 yards down the middle of the field. Only fleet-footed Gary Brown of Ballinger was able to snag him from behind, on the Ballinger 20. Caskey again tried the jump pass to Russell, but the ball rolled free. Young carried to the 17. Taking the snap from center Wayne Bailey, Caskey pitched out to Adolpho Arroyo, who passed to Young, deep in the right side of the end zone for Winters touchdown. The try for extra points with only 28 seconds left in the first quarter was not good, and the score was 6-0 in favor of the Blizzards. The Bearcats were not to be denied, however, as they began their drive on the Ballinger 40. Turner moved up the middle to the 44. A 25 yard pass play, Turner to Larry Clark was finally stopped on the Winters 31 as Aldridge moved in behind Clark for the tackle. From the 31, Slaughter and Turner moved on the ground to the Winters 17. However, a pass, as for all the TD's, Turner to Johnny Renfro, was needed for the touchdown play. The try for extra points was not good, and the score was tied 6-6 with 10:19 left in the second quarter. Winters claimed a first down as Young moved from the Winters 37 to the Ballinger 48. Grissom carried for three. A long pass from Caskey, intended for Tommy Young on the Ballinger 20, was intercepted by big Grant Lee, and he returned to the Winters 41, setting up the next Ballinger tally. Turner hit Clark to the Winters 33, where Arroyo forced him out of bounds. Eight ground plays and two incomplete passes from Ballinger on the Winters 10 yard line, with fourth down and ten needed, due to a penalty. Turner moved back and hitting Clark deep in the end zone for the second and final Ballinger TD. The try for extra points was an attempted kick. Alvis Jackson moved in and blocked the try. With 3:15 left in the second quarter, the score was Ballinger 12 and Winters 6.

Two outstanding plays by tackle Eugene Mathis highlighted the 3rd quarter, as twice the Bearcats fumbled, and Mathis came up with the ball, however, the Blizzards were unable to get past the Ballinger 17 any time during the third quarter. Early in the fourth quarter the Bearcats were forced to punt from their own 25. The Blizzards claimed two quick first downs with runs by Young and Caskey, plus a 14 yard forward pass completed from Tommy Alfrey to Russell. On the Ballinger 48, they were held for no gain on two tries. Alfrey, back to pass was stopped by Slaughter, and the Blizzards punted to the Ballinger 21. With the clock running out, and ahead on the score board, the Bearcats stayed close to the ground. Up to their own 32, the backfield fumbled.

Mike Bedford recovered on the 37 for the third lost fumble of the Ballinger team. Caskey and Grissom moved to the 32 in three plays. Caskey completed a pass to Russell to the 26 with 1:35 left in the game. Again Caskey threw, this time to Aldridge, good for a net of one yard.

With seconds left on the clock, Caskey attempted to pass, but was covered up back to the 37, as the Ballinger team poured on the heat. Alfrey replaced Caskey as QB, getting a pass off, only to see it fall incomplete. Caskey came back in as his team was on the Ballinger 46, with fourth down and approximately 30 yards needed for the first. Again the Blizzards line was unable to hold up the steaming Bearcats, as they tackled Caskey before he was able to get the ball into the air. The Ballinger Bearcats had just time to line up as the clock ran out, and gave Ballinger the 7-AA championship with a 4-0 district record. Already there has been some talk in Winters about "just wait 'til next year."

Surviving are his wife; three sons, W. C. of San Angelo and Homer and W. J., both of Winters; three daughters, Mrs. Herbert Minzenmayer and Mrs. Lyle Winters, both of Ballinger, and Mrs. Hudon White of Winters; four brothers, Joe of Fort Worth, Robert and George of Winters and Grady of Sweetwater; four sisters, Mrs. J. W. Skinner of Dallas, Mrs. D. L. Moreland of Coleman, and Mrs. Florence Branham and Mrs. F. C. Mills, both of Winters; 12 grandchildren and five great-grandchildren. Pallbearers were Pete Davidson, David Carroll, Floyd Sims, Eddie Voelker, John Onken and Ted, Bud and Pete Eoff.

He married Eunice Branham July 24, 1914. She died in 1941. In 1956 he married Mrs. Lula Tappee in Ballinger.

Mr. Briley had been in ill health the past year and seriously ill for two weeks.

Burial was in North View Cemetery under direction of Newby-Davis Funeral Home of Ballinger.

Mr. Briley was born March 7, 1894 at Long Branch in Panola County. He moved to Runnels County in 1902 and farmed near Winters until moving into Winters and three years ago, moving to Ballinger.

During the business session plans were discussed for a "Fall Festival and Tasting Tea," to be held Dec. 5, in the home of Mr. and Mrs. Floyd Sims. Members are to bring their favorite candies, cookies and other Christmas dainties with the recipes to be sold.

Christmas decorations and gifts will be on display for sale by the club members at the tea.

Mrs. Frank Mitchell read an invitation from Mrs. Austin E. Erwin of Coleman inviting the Town and Country Garden Club Members to attend the flower show to be held in the Coleman Armory Nov. 18, from 3 to 7 p. m.

Mrs. A. N. Blackeby, Mrs. J. D. Aldredge and Mrs. Wiley Hancock were elected to membership.

Two demonstrations on dried arrangements using okra, maize, pampas grass, grapes, pine cones and pomegranites were given by Mrs. Floyd Sims. She stressed the importance of line creations in arrangements.

Refreshments were served to Mesdames Frank Mitchell, George Rosson, Bud Eoff, George Briley, Wayne Bedford, L. G. Wilson, F. C. Mills, Floyd Sims and the new members, Mesdames Blackbery, Aldredge and Hancock.

The balance between pride in past achievements and consciousness of present shortcomings is difficult to strike.

## ARE YOU PLANNING- PICTURES FOR CHRISTMAS GIFTS??

If so, don't forget our deadline on Christmas sittings is Saturday, December 9. After that date, we can take no more sittings until after Christmas - with the exceptions of emergency pictures.

We cannot promise any pictures made after December 9 out for Christmas, as we can take only pictures that could not be made at any other time after that date—until after December 25.

If you have not made your appointment, do so as soon as possible. We can take only a limited number of sittings, as some days are already filled.

We do not want to disappoint anyone, and there are only three weeks left, so please check on appointments at once.

straight steer for meat lovers!

only GAS gives you flame-kissed steaks and roasts... and no smoke!

Open the door to a gas broiler and take out your steaks... flame-browned outside, tender and juicy inside. You get the aroma—but not the smoke! With gas, you keep the oven door closed and let the flame consume the smoke. Meat lovers also appreciate the automatic meat thermometer on new gas ranges—to cook roasts to perfection! And the automatic self-basting rotisserie gives you evenly-browned, moist, delicious results every time. Isn't it time to treat yourself to the flavoring flame of a modern gas range? Buy today!
