Betty Sue Wessels and Milton George Ehlers Set June 16 Wedding Date

Mr. and Mrs. C. W. Wessels are announcing the engagement and approaching marriage of their daughter, Betty Sue, to Milton George Ehlers, son of Mr. and Mrs. Herbert Ehlers of Wilson.

The wedding will take place on Saturday evening, June 16, at 7:30 p. m., at St. John's Lutheran Church.

No invitations will be sent, but all friends and relatives are invited to the wedding and to the reception which will follow.

Miss Wessels is a 1961 graduate of Winters High School and of Childers Beauty School in Midland.

Mr. Ehlers is a graduate of Wilson High School and is a senior at South Plains College in Levelland.

Dr. and Mrs. Tommy Russell tistry, Prosthetics and Pedodonand Jeffrey attended the 82nd an- tia. Communist Cuba Poses Threat To United States

By Congressman O. C. Fisher

Fidel Castro's latest defiance done long ago but wasn't. From the of civilized decency was his ran-standpoint of our national securisom demand for the release of ty this country can ill afford to the 1176 men captured last April stand by and allow the com-17 at the Bay of Pigs. Castro has munists to make an armed camp, conducted a propaganda trial and with rockets, missiles and subsentenced each of the patriots to marine bases, etc., only 60 miles Walt Disney used the narration 30 years at hard labor. But if off our shores. method of enhancing the charms \$62 million can be raised, the prisoners will be exchanged for that roe Doctrine?

Here is a brand of trafficking in IN MAPES HOME human beings that belongs to the dark ages. The incident serves to Rome, Georgia, are here for a chosen the smallest creature in remind us that Castro is after all two month visit in the home of nothing but a common bandit. This Mr. and Mrs. Melvin Mapes and picture opens with a voice singing Havana tyrant was let out of pri- other relatives and friends. When You Wish Upon a Star." As son within 15 months after he the camera trucks in closer, the had sought to overthrow the Batisaudience sees a dapper little crick- ta regime. But now, with the shoe et sitting on top of some books, on the other foot, he metes out singing. As the song stops, the 30-year sentences to rebel patriots, cricket starts talking to the au- and then seeks to extort money for their liberation.

If the United Nations is interested in such repulsive conduct, then here would be a chance for it to at Well, I didn't either, but I do least condemn such debauchery, now. Of course, I'm just a cricket, and let the world know that the UN singing my way from hearth to is interested in human rights and does not condone international banditry. UN silence in the face of such conduct is another evidence of its weakness and inept-

Then the cricket begins to relate the wonderful adventures of 'Pinocchio." However, as the story begins to unfold, the narration drops, and the audience sees the story as it really happened. Then, from time to time, Mr. Jiminy political office, subject to action Cricket picks up his narration and the film ends as it begins-with Jiminy. He is now admiring his new 18 karat gold badge which reads, "Official Conscience."

"Pinocchio" is presented as a Buena Vista release showing Sunday and Monday at the State Thea-

MORE

than a convenience

When you pay bills with bank checks, the time-saving convenience is a big consideration. But this is only one of the advantages. An account here is the basis for a valuable banking connection which will be more helpful to you, through all future years.

A good balance in your account fortifies you against any regular or unexpected expense, and it helps to build your credit. Here you can have a safe storehouse for dollars you wish to hold-subject to your call-for any future need.

A bank account is a modern essential for every individual and for every family. And, beyond the account itself, are many other benefits which you will value more as days and years go by.

Approximately 200 prints were chosen for exhibition at the convention from more than 2,000 submitted by photographers from five states - Texas, Oklahoma, New Mexico, Arkansas and Louisiana-by qualified judges who hold Master of Photography degrees

Both of the Littles served on convention committees, and he has been named to serve on a national committee for the convention which will meet in Dallas in the summer of 1963.

Mr. and Mrs. Little were accompanied to Oklahoma City for the four day convention by their receptionist, Miss Martha Turk.

op's Palace which was built in 1786 and the ultramodern, controversial Purisima Church. They visited the Cathedral of Monterrey, founded in 1781, both Saturday night and Easter morning during mass. Individually, students toured the local markets, campuses of the Monterrey Institute of Technology and the University of the State of Nuevo Leon, and the first Baptist church in Latin America gathering information for feature stories. Plans were made but students were unable to make arrangements to ride the world's longest, fastest cable car which Saddle Mountain, the city's known landmark. Sunday afternoon the group attended a bulling the Monterrey Bullring. now travels over 6,000 feet up States Monday morning after a short stop at the Nuevo Laredo market. In San Antonio several nembers of the class toured the Star Brewery and the famous Buckhorn Hall of Horns on
