NUMBER 26

GAME CAPTAINS — The above three members of the Winters Blizzards will be Game Captains for the football game tonight against Brady. They are, left to right, Dan Roberts, Mike Bedford and Tommy Young. Kickoff time for tonight's game will be 8 o'clock.

Blizzards To Meet Brady Here Tonite

After polishing off their first two opponents, the Winters High School Blizzard football team will take on the Brady Bulldogs for the second home game of the season Friday night. Traditionally, a meet with Brady has always been a nerve-racker, and tonight's encounter promises to be no less. In the words of one close to the game preparations, this probably will be one of the toughest games of the season.

Winters has come away loser against Brady for several years, but hope to change the picture tonight. They're in tip-top shape, with no injuries to speak of to hold them back. Alan Benson, a guard, is out with a slight injury, but otherwise the team is ready to go, Coach L. G. Wilson said.

Signal-calling duties probably will be shared by Tommy Alfrey and Adolpho Arroyo in Friday night's game. Both first-string QBs have shown some outstanding field generalship qualities this season, and have been clicking hand-and-cleat with backfield strategy unsurpassed by few AA squads.

Brady will come to Winters with two defeats on their record for this season, and are not likely to take a third beating lying down. If they're squeaked this week, it will be after the battle. They were laced low by Ballinger two weeks ago in an 18-0 shutout for an opener, and then were edged out by Lake View 25-22 last week.

Charles Bradshaw, fullback for the Brady squad, and the only regular backfield man returning from last year, will be in the spotlight for action Friday night. Also, W. L. Mooring, a halfback who runs the 100 in 9:8, will be a man to watch.

Brady has been playing a balanced air-ground game, with ground-work getting the edge just a bit. They've got speed in the backfield, and are a tough, revengeful team, not out for kicks but for results. Their ability to score is evidenced by their total against Lake View, and the fact that two TDs were called back in that encounter.

The Blizzards, coming along well in the air as well as on the ground, will be prepared to meet Brady head-on. The locals also have a revengeful attitude when it comes to Brady—they've got a string of losses from previous years, and are determined to cut short the string.

Willis Poe, 69, who suffered a fractured vertebra and a neck injury as a result of an auto accident Saturday, was reported to be slowly improving although he will be hospitalized for several weeks. In addition to the back and neck injury he had a severe cut on the neck and ear.

Mr. Poe, manager of the Midway Hotel on South Main Street, was enroute to San Angelo with his granddaughter, Linda O'Rear when he hit loose gravel near the Winters Country Club and lost control of the car. The car hit three or four highway poles before coming to a stop.

Mr. Poe and his granddaughter were brought to the hotel in Winters by a passing motorist and then to the Municipal Hospital where Miss O'Rear was treated for minor bruises and released.

Mr. Poe was transferred to St. John's Hospital in San Angelo where his condition was reported as "not serious".

Last year's game saw Brady quadruple the Big Blue team 24-6.

PROBABLE STARTERS

Coach Wilson probably will start the following on offense Friday night:

Ends—Mike Mitchell and Johnny Hopper.

Tackles—Eugene Mathis and Dan Roberts.

Guards—Alvis Jackson and Tommy Burton.

Center—Wayne Bailey or Roland Tekel.

QB—Alfrey
FB—Grisson
HB—Aldridge and Young.

On a defensive starting lineup are likely to be:

Guards—Johnny Mathis and Mike Patterson.

Tackles—Johnny Hopper and Tommy Burton.

Ends—Alvis Jackson and Denry Aldridge.

Linebackers—Mike Mitchell and Eugene Mathis or Wayne Bailey.

Halfback—Donald Parker and Adolpho Arroyo.

Safety—Mike Bedford or Tommy Young.

Two member teams of District 6-AA not only are at the top of the pole in the district, but have received statewide recognition.

The Stamford Bulldogs and the Winters Blizzards are one and two in district standings, and have been picked as favorites by two Grid Ranking columns in daily newspapers. The Fort Worth Star-Telegram placed the Blizzards in the No. 6 spot in State AA standing, with Stamford and Hamlin in No. 7 and 8, respectively. The Dallas News poll picked Stamford as the No. 6 AA team in the state, with Winters in the No. 10 slot.

The Hamlin Pied Pipers have come from a pre-season bottom spot, in the opinion of those who judge such things, and are now standing No. 3 below Stamford and Winters. The Pipers have a 2-0 record for the season, racking up 32 points against opponents' 10.

Stamford has a 2-0 record, with 78 points against opponents' 0, while the Blizzards have won both their games this season, scoring 38 against opponents' 6.

Haskell has a 1-1 record, with a score tally of 66 to 30; Ballinger has a 1-1 record, with score of 18 to 7.

Anson, trailing the pack, lost 1 and tied 1, totaling 14 points to opponents' 33.

Still in pre-conference play, 6-AA teams go for their third game Friday night, in a schedule that looks like this:

Albany at Anson
Hamlin at Spur
Seymour at Stamford
Brady at Winters.

Haskell and Ballinger have an off week.

Country Club Tourney Sunday

A "best ball" golf tournament has been scheduled for Sunday afternoon.

Registration will begin at 1 p. m., with tee-off time 1:30 p. m. Deadline for registration will be 2 p. m.

H. M. Nichols and Billy Ray Chapman are chairmen of the tournament.

Central and West Texas Photogs Met Here Sunday

A. R. Hodges of Dallas, president of the Dallas Professional Photographers Association and former member of the board of directors of the Texas Professional Photographers Association, was guest speaker for a meeting of the Central and West Texas Photographers Society hosted by the Eddie Littles at their home here on Sunday afternoon.

Hodges presented a program on Techniques in Making Candid Wedding Photographs. Mr. and Mrs. Ronald Hill served as models for the program.

Print competition featured photographs of groups, and the first place award went to Little for a portrait of the F.F.A. sweetheart and queens. Second place was won by Ronnie Howard of Big Spring for a portrait of three small children. Frank Homme of Breckenridge placed third with a portrait of four sub teen age children.

Following the program, sandwiches, dips, cookies, and watermelon were served buffet style. Martha Turk, studio receptionist, assisted with hostess duties.

Approximately 30 guests from Cisco, Breckenridge, Abilene, Big Spring, San Angelo, and Dallas were present for the meeting.

Wet Fields Are Causing Cotton Picking Slowdown

Showers within the past few days and dew-saturated fields every morning have kept harvest of the 1962 cotton crop at a snail's pace.

Up to Wednesday afternoon, only 629 bales of cotton had been processed by Winters gins.

Farmers, pickers and ginners are anxiously waiting for a few days of hot sunshine to condition fields for picking. There also has been expressed a fear that pickers would move on to other areas if the cotton is not ready in this area soon.

Lab Technician Employed At Winters Hospital

Mrs. E. E. Richardson of Ballinger has been employed on a temporary basis as a laboratory technician at Winters Municipal Hospital. She began work Monday.

Mrs. Richardson is a Registered Technician, having completed laboratory training at Scott-White Hospital, Temple.

She worked as a technician for Dr. C. T. Rives in Winters a few years ago, and has also worked at Ballinger Clinic and at the clinic in San Angelo.

FRESHMAN AT STATE U

Mrs. J. P. Davidson accompanied her daughter, Marta, to Austin on Thursday. Miss Davidson is a freshman at the University of Texas.

TO RANGER

Charles Horton entered Ranger Junior College for his first term in college. He will major in Business Administration. He is the son of Mr. and Mrs. Earl Horton.

Explorer Post Is Reactivated By Winters Scouts

Reactivation of Explorer Post No. 49 was completed Tuesday night when Scouts and Scout leaders met in the W. M. Hays home.

Nine Scouts reorganized the Post, which has been inactive during the past few years, and elected officers. They also planned overnight campouts and other Explorer activities.

Members of the reactivated Explorer Post are Dick Young, Jimmy Burnett, Bob Jones, Mike Hays, Ricky Robinson, Gary Holmes, Butch Grant and Alan Benson. Advisors of the group are W. M. Hays and Dr. Tommy Russell.

Dick Young was elected president of the Post, and Jimmy Burnett, vice president. Other officers include Bob Jones, secretary; Mike Hays, treasurer; Ricky Robinson, quartermaster; and Gary Holmes and Butch Grant, cabinet representatives.

The group plans an overnight camping trip to Hord's Creek Lake on Sept. 29, and a Southern District Round Table to be held in Winters Oct. 2.

On Oct. 14, the Southern District Explorer rifle meet will be held at Winters lake.

On Nov. 10-11, the Winters group will attend a council camporee, and plan a Spelunker trip to Sonora Caverns in December.

All boys of Explorer age have been urged to attend the next regular Explorer meeting to be held on the second Tuesday in October.

Businessmen Met To Discuss Plans For Christmas

Several Winters businessmen met Tuesday morning at 6:30 at Pierce's Cafeteria to discuss a Christmas program for this year.

The meeting was sponsored by the Winters Chamber of Commerce and conducted by the retail trades committee chairman, Harry London.

Those attending discussed several phases of a proposed program, but no definite plans were made. Committee members named to work on the project will continue study, and make a report and recommendations at a later date.

VISITS IN ALICE

Mrs. Ira Brannon was called to Alice Monday by the serious illness of her nephew, W. E. Seitt, Jr. who was hurt in a car accident about two weeks ago.

Postpone Type III; I, II Are Scheduled

The Type III Sabine polio immunization program scheduled here for Sept. 28 and Sept. 30 has been postponed, it was announced this week by Winters doctors.

However, Type I, which is scheduled for Nov. 9 and 11, and Type II, for January will be given as planned.

Postponement of administration of Type III vaccine is a result of a report that this particular type of vaccine may have been the cause of a few cases of polio in adults discovered after the vaccine was given in Canada.

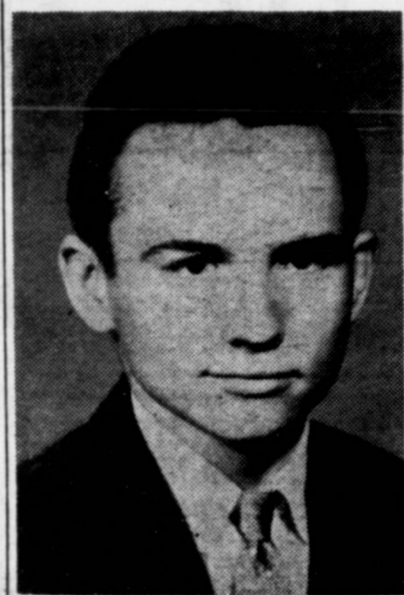

The U. S. Public Health Service has recommended a temporary halt in the use of Type III oral polio vaccine for adults, but urged that Types I and II continue to be given to persons of all ages.

The Health Service Committee also recommended that Type III still be used for school-age and preschool children, and for adults in polio epidemic areas.

Winters is among many Texas cities which have postponed the immunization program as a result of the report. Some of the areas had planned for the first vaccine in the three-stage program for last Sunday, but cancelled after the report was received from Washington.

Most cities in the area had planned a one-day program for each type of the vaccine. Winters had planned two days for each type, enabling school children to receive the vaccine on a Friday and preschool children and adults on the following Sunday. The schedule for Types I and II will remain the same as previously announced, with children on Friday and adults on Sunday.

The local polio immunization program is being sponsored by the Winters Lions Club. Winters planners also were following the example of many other Texas cities, urging everyone to take the vaccine, with no demand made for payment, but asking that everyone make a contribution. It is being stressed that no one will be refused the vaccine, regardless of circumstances and whether they make a contribution.

HERBERT M. HARRELL

Son of Former Resident To Enter Med School

Herbert Martin Harrell, son of H. H. (Bert) Harrell, former Winters and now of Orlando, Fla., will enter Johns Hopkins University pre-medical school in Baltimore, Md., this month.

He is a nephew of Mrs. Ila Aflerbach and Tom and Claude Harrell of Winters.

Winters Pony Wins In Shetland Show

Danny, a Shetland stallion owned by John W. Norman of Winters, was judged grand champion stallion when Grade Halter classes of the Shetland Pony Division were judged Friday night at the West Texas Fair in Abilene. The pony also was judge first in model stallions.

Norman also showed Dollie, a Winters Shetland mare, to second place in the Model Mare judging. Norman's Danny also was judged first in the Stallion 1960 class.

CHAMPION — Darrell Colburn, left, and Ronald Colburn show the Hampshire boar which was judged Grand Champion at the West Texas Fair in Abilene last week. They are sons of Mr. and Mrs. Douglas Colburn.

CHAMPION—Richard Schwartz, 9, son of Mr. and Mrs. Raymond Schwartz, showed this gilt to the Grand Championship in the Hampshire Gilt class at the West Texas Fair. This is Richard's first year to exhibit livestock.

VFW and Auxiliary Will Again Sponsor "Heritage" Program

Announcement has been made that the Winters Post 9193 of the Veterans of Foreign Wars, and the Ladies Auxiliary, will again sponsor an American Heritage program once a month in the Winters Elementary School. The program will be continued for the entire school year.

First program will be entitled "We Believe in the Dignity and Freedom of the Individual." In announcing the sponsorship of the program, VFW spokesmen said, "Freedom has no meaning except as it applies to the individual. This is the cornerstone, the foundation, of all our other beliefs in a person's right to lead his own life, to speak for himself, to choose and change his leaders."

Winters Boys Win Ribbons With Stock At West Texas Fair

Several local boys, members of Winters High School chapter of Future Farmers of America, and 4-H, won top awards showing their livestock at the West Texas Fair in Abilene last week.

A total of 24 sheep, 14 goats and 11 hogs were entered in the Abilene livestock events by Winters boys.

Jeryl and Mike Priddy showed the champion and reserve champion Dorset ram in both the Junior and Open show, and also won several first, second and third place ribbons in the Dorset sheep show.

John Jackson showed the Champion billy and nannie of the Junior Show and Alvis Jackson showed the reserve champion nannies of the Junior Show.

Also, the three Jackson boys won several other ribbons in the various classes in both the Junior and Open Goat Show.

Michael and Edwin Deike placed third in the Senior Poland China Sow class, and Kenneth Adams placed second in the Senior Hampshire Sow class.

Ronald and Derrell Colburn showed their hogs to first place in both the junior and senior Hampshire Boar classes, and also placed second in the Junior Gilt class and third and fifth in the Barrow class, in the Hampshire class.

Richard Schwartz showed to first and third in the Junior Gilt class, and also showed the Champion Hampshire female.

BRADSHAW NEWS

"Earnestness is the devotion of all the faculties." C. N. Bovee. Mrs. Dale Eppler and son Donnie Joe of San Antonio were visitors Sunday morning at the Baptist services.

Wednesday night of last week at the Baptist Church their pastor, Charles Ashby was ordained. Pastor W. I. Taylor was moderator. Dr. Ray Ellis, instructor of Bible at Hardin-Simmons gave the sermon. Other ministers featuring in the services were Rev. L. L. Trotter, District Missionary of District 7, of Abilene and Rev. Lester Carter of Abilene. George Ashby of Denton and father of Charles, gave the ordination prayer. Deacons present were Robert Conner and Albert Lewis of Drasco, Bill Williams and Brazil Riddle of Ovalo, Barney Gibbs, A. D. Jackson and Billie McCasland. Following the services a fellowship meeting was held and refreshments of doughnuts, coffee and punch.

Visitors Sunday morning at the Methodist Sunday School were Mrs. Donnie Oaks and Susan of Winters, Rev. and Mrs. A. J. Jones of Abilene. Mrs. Oaks sang the special, "How Great Thou Art," with her sister, Kay Orr at the piano.

Mike, Shirley and Sue Bedford of Abilene and John Henry Butler of Ballinger were visitors Sunday morning at the Moro Baptist Church. The special was, "Do You Know My Jesus," sung by Pastor and Mrs. Jack Bedford and Mike Bedford with Mrs. J. W. Allmand at the piano. Mrs. W. L. Rogers of Waco was a visitor at the night services and the special was by Pastor and Mrs. Jack Bedford and Clyde Reid with Mrs. Allmand at the piano. The number was, "He'll Understand."

The scripture for next Sunday's Sunday School Lesson is found in Malachi 2:1, 2, 4-10; 3:14. The following is by Amos John Traver: Malachi may be either the name of the prophet or a description of his mission. Literally Malachi means "my Messenger." All we know of him is gleaned from his book. He seems to have been a simple, God-fearing representative of the common people who believed sincerely that right would eventually be rewarded and injustice punished. Some time must have elapsed after the rebuilding of the temple, time in which the first enthusiasm of the returned captives had cooled. It was his mission to rekindle the fires of faith.

Special days next week are for: Mr. and Mrs. Reed McMillan a wedding anniversary the 23rd; Sharon Walden, Beverly Williams, Williams, Frances Hale Bryan and a wedding anniversary for Mr. and Mrs. J. A. Sneed the 24th; Mrs. Hattie Powell, Ervin Hicks, W. T. Faircloth and a wedding anniversary for Mr. and Mrs. Horace Abbott the 25th; Kelly Kirby, Mrs. Dallas Graham, Denny Aldridge and James Robert McMillan the 26th; Teresia Williams, Mrs. E. J. Reid and Oscar Edwards the 27th; Mrs. Boyd Reece, Joe Bill Thomas, Mrs. Plem Lail and Lloyd Bailey the 28th.

WINGATE NEWS

Patricia Kay Wood and Elsey Malloy Bryant Married At Crews Sept. 15

Marriage vows were exchanged in a double ring ceremony at the Crews Methodist Church Saturday September 15, at 7 o'clock in the evening, uniting Patricia Kay Wood and Elsey Malloy Bryant. Parents of the bride are Mr. and Mrs. M. L. Wood of Crews and the bridegrooms parents are Mr. and Mrs. Connie Bryant of Ballinger.

The Rev. Bill Gibson officiated for the ceremony before the altar decorated with baskets of white gladioluses with fern and candelabras holding lighted tapers. Bows of ribbon marked the pews and were on the altar rail.

Mrs. Floyd Sims of Winters, organist, played nuptial music and accompanied J. W. Bahlman, who sang "Because" and the "Lord's Prayer".

Candlelighters were Bobbie Wood sister of the bride and Ronnie Walters, of Fort Worth, cousin of the bride.

Dennis Damron of Abilene, cousin of the groom, was best man and Jackie Parker of Ballinger served as groomsmen. Ushers were Alton Hiller of Abilene and Jimmy Brantley of Fort Worth.

Miss Edna Mayfield was maid of honor and Mrs. Alton Hiller of Abilene was bridesmaid. They wore identical sheath dresses of powder blue, matching pill box hats and carried colonial bouquets of carnations.

Given in marriage by her father, the bride wore a ballerna-length gown of chantilly lace over satin fashioned with a scalloped neckline. The skirt of satin featured panels of lace. Her finger tip veil of tulle fell from a tiara studded with seed pearls and she carried an orchid atop a white Bible. Her jewelry was a bracelet belonging

to her grandmother which she wore at her wedding.

The reception which followed immediately after the ceremony was held in the church annex.

Serving in the house party were Mrs. G. C. Wolters of Fort Worth, Mrs. C. J. Huffman of Temple, Mrs. Bill Brantley of Fort Worth, Mrs. Effie Dietz of Crews, aunts of the bride; Mrs. Andy Riddle, of Abilene, aunt of the groom; Mrs. Don Mincey, Mrs. L. C. Fuller, Mrs. V. E. Fisher, Misses Karen and Barbara Brantley of Fort Worth, cousins of the bride.

For her wedding trip the bride changed to a two-piece beige linen dress with black and beige accessories.

The bride is a graduate of Winters High School and Nixon-Clay Business College in Austin. The groom is a graduate of Ballinger High School and is now with the U. S. Army in Abilene.

Mr. and Mrs. Bryant will be at home at 718 South 13th Street in Abilene.

Mr. and Mrs. Kenneth Kump, cousins of the bridegroom, hosted the rehearsal dinner.

E. F. Edwards Died In Ballinger, Was Former Resident

E. F. (Babe) Edwards, 54, former resident of Winters, died at 5 a.m. Tuesday at his home in Ballinger following an illness of several years.

He was born January 29, 1908 in Winters and had lived here until 1957 when he moved to Ballinger. He was engaged in farming until 1931 when he and his late brother, Gay Edwards, opened the Edwards Parts store on North Main Street in Winters and later opened a similiar business in Ballinger. After the death of his brother he closed the store here and with his family moved to Ballinger. He was married at Winters August 27, 1928, to Polly Tyler of Miles.

Mr. Edwards was a member of the I.O.O.F. Lodge and a deacon in the First Presbyterian Church, U.S. in Ballinger.

Funeral services were held Wednesday afternoon at 2 o'clock at the First Presbyterian Church in Ballinger with the pastor, the Rev. Fred Campbell, officiating. Interment was in the Fairview Cemetery in Winters.

Surviving are his wife; two sons, E. F. Jr., a student in Texas Tech in Lubbock, and Jon of Ballinger. He is also survived by one sister, Mrs. Marguerite Gipson of Gilmer.

Funeral services were held Wednesday afternoon at 5 o'clock at Babyland at Lakeview Cemetery with the Rev. Robert Kneibelsburger, pastor of Mt. Carmel Catholic Church, officiating, under the direction of Spill Funeral Home.

Announces New Truck Line Road List Of Improvements

weight, more efficient power, addition of four-cylinder engine suspension reduction, favorable ride, durability, capacity, and new tailored for special applications offered in the truck line.

Shear-type sheet metal and rear body mount on most models to provide softer over-all ride and improved durability of cabs and components.

Alternating current generators standard equipment on all but Corvair 95 series.

Positive crankcase ventilation system and improved exhaust system durability on all models.

Fuller Roadranger transmission available on heavy-duty diesels and all models with 409 cu. in. gas engine.

The Engine Story

The new engines are of overhead-valve design, precisioncast for reduced weight and with internal reinforcements to assure rigidity and durability. A particularly important feature is use of main bearings between each crankshaft arm, resulting in exceptional rigidity, durability, smoothness and quiet operation.

The 292 cu. in. engine incorporates additional durability features for heavy-duty use. They include forged steel crankshaft, aluminum inlet valves, stellite-faced exhaust valves equipped with rotators, and heavy-duty premium-alloy bearings.

The four-cylinder engine will be used only in 1-2-ton forward control models. The 230 six will replace the 235.5 cu. in. six in all former applications, except four-wheel drive models, and similarly the 292 will replace the 261 six.

Chassis and Suspension Improvements

Independent front suspension, its unexcelled riding qualities, is retained in light-duty conventional models, but coil springs replace torsion bars formerly used. A notable innovation in light-duty rear suspension are 2-stage coil springs which combine driver comfort, cargo cushioning, and high-load capacity in one unit.

In medium- and heavy-duty models, combining the excellent riding qualities of variable-rate spring with a solid axle provides a rugged, stable suspension with high-load capacity and eminently satisfactory ride.

Frames

A ladder-type, channel frame is new in most 1-2 and 3-4-ton models. Stronger side rails and more crossmembers also increase rigidity and durability.

In medium- and heavy-duty series, straight channel section frame, with side rail gauge thickness increased appreciably in most models afford a gain in beam strength.

CARD OF THANKS

We wish to express our sincerest thanks to the friends and relatives for the many kindnesses shown me while I was a patient in the Veterans Hospital at Big Spring and since I have returned home. My wife joins me in expressing thanks to our pastor, the Rev. Elliott for his kindness and to those who sent the beautiful cards, flowers and for the visits. H. L. Parks. tp

Funeral Rites For Rev. J. D. Lamkin Held In Oklahoma

Funeral services for Rev. J. D. Lamkin, 80, were held Saturday at 3:30 p.m. in Oklahoma. Rev. Lamkin died in Oklahoma City at 6 p.m. Thursday following a long illness.

Born Sept. 11, 1882, in Dimmitt County near Carrizo Springs, he attended school at Carrizo Springs and Uvalde before entering Simmons College (now Hardin-Simmons University) in Abilene.

Following completion of his studies at the Baptist college, he began pastoring at churches in Texas and Oklahoma, including some Abilene churches.

In 1910, he married Mary Clayton in Abilene. In 1916 he and his family moved to Oklahoma, where he continued preaching until his retirement about 25 years ago.

Survivors include his wife; four sons; several grandchildren; a brother John Lamkin of Winters; and a sister; Miss Mary Lamkin of Winters.

Burial was in an Oklahoma Cemetery.

Lt. J. T. Craig Will Take Part In USAF '62 Fighter Meet

First Lt. James T. Craig, a native of Winters, is one of 18 top pilots entered in the U. S. Air Force's 1962 William Tell Tactical Fighter Weapons Meet being held Sept. 15-22 at Nellis AFB, Nevada.

William Tell 62 is a rigid test of the ability of tactical fighter pilots and their supersonic aircraft to do the job for which they constantly train. The competition will include both high explosive and simulated nuclear target complexes. To provide a true test of combat proficiency, the ground targets will be replicas of those which could be expected on wartime strike tactical missions. Pilots will take off for unknown targets, and will be directed to intercept and destroy a given target in a specific location.

Presently assigned to the 4th Tactical Fighter Wing at Seymour Johnson AFB, N.C., Lt. Craig is the son of Mrs. L. M. Baum of 2417 Marsalis, Abilene, Texas. He has logged more than 1400 hours in jet aircraft and 300 of which has been in the F-105.

A fairly safe axiom to follow is to get out of debt and stay out of debt.

Here's why Martha puts laundry in the freezer

A woman's work, especially the ironing, is never done. Sometimes Martha just has to take time out for shopping or visiting during the day. But sprinkled clothes can't be left to sour or mildew! So Martha pops them into a plastic bag and into the freezer they go. When she gets back, they'll be ready for her to start ironing again. Isn't it amazing how many ways women have learned to use flameless electricity to make living better... and, it costs so little, you can use lots of it.

FREEZER TIP... Sprinkle your clothes and place in Freezer for about 10 minutes and they will be ready for ironing.

Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN... TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Round trip from Detroit to the end of the Baja Peninsula is over 8,000 miles.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

QUALITY TRUCKS COST LESS

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Diversity Club Opens Club Year At Luncheon

Honorary Life Memberships were presented to two members when the Diversity Club held the initial meeting of the new Club year at the President's luncheon Thursday in the home of Mr. and Mrs. Sam D. Jones.

Following the president's greeting, Mrs. Jones introduced and welcomed two new members, Mrs. Edgar Graham and Mrs. Elmo Mayhew, also a guest, Mrs. Raymond Walston.

Mrs. Jones presented Mrs. J. W. Dixon, charter member of the club, and Mrs. John Q. McAdams, Honorary Life Memberships in acknowledgement of their many years service to the club. Mrs. Dixon was unable to attend.

The club will observe Federation Day on September 20, in a joint meeting with the Literary and Service and Junior Culture Clubs, in the home of Mr. and Mrs. Floyd Sims, honoring Mrs. A. G. Lee of DeLeon, the Heart of Texas District president.

Those present were Mesdames C. R. Bellis, W. T. Billups, Edgar Graham, Sam Jones, C. R. Kendrick, Clarence Ledbetter, Elmo Mayhew, John Q. McAdams, Earl Roach, Loucile Roberts, J. E. Smith, Fred Young, Roy Young, Raymond Walston and G. E. Wilson.

Mary Lou Wilkerson Honored On Her 12th Birthday Sept. 12

Mary Lou Wilkerson was honored on her twelfth birthday, September 12th, with a record party at the home of her parents, Mr. and Mrs. J. C. Wilkerson.

The girls listened to the record player and a contest "Name That Tune" was held with Babs Tatum and Jean Mostad naming the most tunes correctly.

After being divided into two groups the guests acted out the title of familiar songs. Prizes of bubble gum was then given with Jolinda Hall receiving the lucky piece and being named the disc jockey.

Twelve yellow candles lighted the birthday cake, that resembled a record. The cake was decorated with yellow roses and the title of the record cake was "Happy Birthday".

Refreshments of cup cakes and frosted 7-Up were served to Kay Lynn Rives, Jill Matthews, Debbie Lloyd, Shelih Kraatz, Babs Tatum, Cynthia Pinkerton, Jo Nell Simmons, Jolinda Hall, Sandra Crockett, Jean Mostad, Ann Walston, Jeri Guy, Glenda Cooper, Pauline Rozmen, Carolyn Brown, Cheryl Beard, Mary Lou, Jim and Joe Wilkerson, Mrs. Albert Sykes, Mrs. Charles F. Bailey of Ballinger and Buzz Leathers of Fort Worth.

Blizzards Blast Mason Punchers 20-0 Friday Night

The "all new" Blizzard football
 team continued their hard-hitting
 type of football here Friday night
 in their first home game, against
 Mason. Mason's Punchers, picked
 by several daily papers to win
 district 18-AA over Brady and San
 Saba, bowed to the mighty Big
 Blue 20-0.

Coach L. G. Wilson and his
 coaching staff have a team this
 year that still makes mistakes (3
 fumbles lost) but which is able to
 overcome those mistakes, and never
 quit hustling. These boys come
 out of the huddle ready and able
 to meet all comers, and ready
 they were Friday as Mason re-
 ceived the kick-off. After three
 tries, Mason was forced to kick
 out.

The Big Blue claimed their first
 first down (total of 14 for the even-
 ing) in three plays with Denny Al-
 dridge claiming 9 yards, and Steve
 Grisson, 3. With Aldridge and Gris-
 som moving 4 more yards, QB
 Tommy Alfrey attempted a pass,
 but it fell incomplete, and the able
 toe of Donald Parker kicked to
 the Mason 24.

Mason called on their outstand-
 ing backs Tubby Johnson and Dale
 Gipson for carries, but again was
 forced to kick on the fourth.

Adolpho Arroyo, who traded out
 all evening as QB with Alfrey,
 ran the ball back some 20 yards
 to the middle stripe for Winters.
 With Alfrey back in as QB, he hit
 HB Tommy Young with a pass
 good for 45 yards to the Mason
 5, but on the first play from the
 5, the first big mistake by Win-
 ters occurred—a fumble, recover-
 ed by Mason.

Taking the ball from their own
 3, Mason made their only sustain-
 ed drive of the game as they went
 to the Winters 37 in 14 plays, but
 lost the ball on down.

After taking the ball on their
 own 38, the Blizzards put their
 TD machinery in gear, as Alfrey
 and Young claimed 26 yards on a
 pass. Grisson, Aldridge and Young
 moved down to the Mason 34. A-
 gain, a pass to Young, this time
 by Arroyo; taking the ball to the
 Mason 1, Young was hit hard, and
 fumbled.

Mason recovered the ball, and
 on the first play the big Blizzard
 line move in hard and fast, knock-
 ing the ball loose. Guard Tommy
 Burton recovered in the end zone,
 perhaps making him the only
 guard in the state responsible for
 a TD. The try for extra points
 was not successful, and with 7:09
 left in the half, Winters led 6-0.

Mason owned the ball only 4
 plays, and the Blizzards were off
 again for the goal line. Moving
 from their own 49 to the 2 in 11
 plays with Grisson and Aldridge
 doing yeoman duty, Aldridge mov-
 ed across the double stripe from the
 2 for the second TD with only 36
 seconds left in the half. Arroyo
 carried around right end for the
 extra 2 points.

The third quarter was again all
 Blizzards, as they moved to the
 Mason 2, but hampered with a
 penalty, lost the ball on downs.
 In the middle of the fourth quar-
 ter, after receiving a fourth-down
 kick from the Blizzards, the Pun-
 chers attempted an aerial, and FB
 Donnie Gibbs moved in for an in-
 terception and ran back 24 yards,
 setting up Winters' third TD, from
 the Mason 35.

Aldridge, Grisson and Young
 moved to the 5, before Young rol-
 led off left guard from the 5 for
 the TD. Try for extra points was
 unsuccessful, and the final score
 of 20-0 held for the next 2:04 left
 in the game.

Mason threw 4 incomplete pas-
 ses, and again Winters owned the
 ball, with 53 seconds on the clock,
 as the field turned which with clean
 jerseys as the freshman boys took
 over to run the clock out with a
 5-yard run, as another Young, Gary
 this time, carried to the Mason
 42. It was Winters all the way,
 as the closest Mason came to the
 Blizzard goal was the 24-yard line,
 early in the fourth quarter.

Yards gained honors for the
 Blizzard-Puncher game went to:
 Aldridge, 50 in 13 tries.
 Grisson, 48 in 16.
 Young, 27 in 7.
 Arroyo, 11 in 2.

DO YOU REMEMBER?

From the Files of the Winters Enterprise

30 YEARS AGO

SEPTEMBER 9, 1932
A new grocery store was open in Winters in 1932. It was called Sam Behringer's Cash Grocery and was located on East Dale.

The schools and Superintendent Smith reported an increase in enrollment in 1932 over the past year. Mr. Walter Gerhart and Miss Alvina Belitz were issued a marriage license in September of that year.

Do you remember the "Swapping Day" I wrote about earlier. I was just looking over some ads in the old papers on that subject and came across a few that are rather comical. "Swap, Dry cow for cow giving milk" and "Swap, Battery set R.C.A. radio for anything a poor man can use."

25 YEARS AGO

SEPTEMBER 10, 1937
The City of Winters with N. C. Terry as police chief, announced that the time had come for traffic violators to pay for their crimes. They began giving tickets instead of the red courtesy tags.

College students don't feel bad. Even in 1937 the "kids" had to go back to school. A few of them were, Anita Maddox, Ernest Jennings, C. S. Jackson Jr. Terrell Davis and Merrick Spill.

In 1937 the City was trying to add a 50 cent sewage charge on local water bills to increase operating funds. As of Thursday, September 9, 1937, 1849 bales of cotton had been ginned by local gins. That year as now, the rains had slowed them down a bit.

The Lions Club was trying to start a paving project for Winters Streets. Japan was invading China and

the threat of America being drawn into the war hung heavy in the air.

20 YEARS AGO

SEPTEMBER 1, 1942
The Winters High School Band took part in the scrap metal drive in 1942 by parading through town and then gathering up scrap metal. In 1942, cottonseed, ton, sold for \$46.00, Maize, \$13.00, eggs, 28 cents and cream 39 cents.

Hunters! In 1942 the bag limit on doves was 10 per day.

Peanut oil was being used for both civilian and military purposes. It was said to be a new U. S. weapon.

The U. S. announced that a more strict meat ration was in order but not strict enough to bring hardships to anyone.

I noticed a small article and I think it would fit just as well today as it did 20 years ago. It is "Nowadays so many people need sympathy that you shouldn't waste any on yourself."

Men. In 1942 you could buy a "good looking" dress shoe for just \$6.95.

Another scrap metal drive was underway in Winters that month with Guy Gannaway as chairman. Proceeds were to go to the local American Red Cross for use in war work.

CARD OF THANKS

We want to thank our friends and neighbors so much for their visits while I was in the hospital in Sweetwater. For the flowers, cards, gifts, visits and food brought in since I have been home. May God bless each of you. Mr. and Mrs. Wilburn Phelps and Carolyn. tp

Campaign Underway To Get Passage Of Water Conservation Amendment

By Vern Sanford
Texas Press Association

A campaign to pass the water conservation amendment on which Texans will vote this November (No. 4 on the ballot) got under way at a meeting of the State-wide Water Committee in Austin. Committee is composed of just about everybody who is interested in water conservation and development.

Proposed amendment would permit the State Water Development Board to acquire storage space in reservoirs built either by local or Federal agencies and conserve storm and flood waters for beneficial uses.

Gov. Price Daniel addressed the meeting and thanked the committee for its "dedicated efforts" in promoting Texas' water program.

John Vandertulip, the State Water Commission's chief engineer, reported on the broad plan for meeting the State's water needs in 1980. Marvin Nichols of Fort Worth, chairman of the Development Board, discussed the lending program through which water projects have been financed. And Joe Carter, chairman of the Water Commission, explained the proposed amendment in detail and emphasized the need for its approval.

The Statewide committee urged its members to back the amendment and approved the Water Commission's proposed budget. It also commended Governor Daniel for his "courageous, bold and dynamic leadership" in bringing about "the greatest and most comprehensive water resources conservation and development program in the history of Texas."

Ben Carpenter of Dallas was named chairman of the finance committee for the conservation amendment campaign.

TICK SURVEY

The U. S. Department of Agriculture has turned up five kinds of ticks which are suspect as fever carriers in a survey currently being conducted in Texas.

The Lone Star tick, believed a carrier of Rocky Mountain spotted fever, Q fever and tularemia and also a transmitter of Bullis fever and tick paralysis, has been found in Robertson, Rusk, Colorado, Medina, Kerr, Comal, Nueces, Karnes, Harris and Hays Counties.

The Cayenne tick, found only in South Texas and a producer or transmitter of Q fever, has been discovered in Kenedy County.

The Gulf Coast tick, blamed for tick paralysis, has shown up in Washington County while its imitator (amblyomma imitator), rarely seen in the U. S., was found in Nueces County.

The spinose ear tick (only soft tick of the five), suspected in Q fever and anthrax, has been identified in Randall, Wichita and Comal Counties.

TRAFFIC SAFETY WEEK

Governor Daniel expressed "deep concern over the dangerous upward trend in traffic deaths among Texas high school and college students," as he proclaimed September 17-21, as fifth annual Texas School Traffic Safety Week.

He noted, however, that the 25 Texas traffic deaths in the 3-day Labor Day holiday were the second lowest toll since 1951.

EXPORTS

Texans can start thinking of themselves as exporters in big style.

Nobody had counted it up before, but now the University of Texas Bureau of Business Research finds that Texas is exporting to foreign countries \$837,000,000 worth of manufactured products, \$446,000,000 of agricultural products and \$31,000,000 of other products, mainly sulphur, salt, talc and fishery products.

Petroleum exports came to \$177,000,000 and chemicals to \$247,000,000—showing how the petrochemical industry has turned Texas' sales of oil abroad from a raw to a manufactured product.

SCHOOLS

The men and women who run the schools—board members and administrators—come to Austin on September 30 for their annual conventions. They plan searching looks at the problems of schools,

many of which sum up into five letters—M-O-N-E-Y.

Overhaul of the ad valorem tax system was proposed by a series of clinics held by schoolmen earlier this year.

Problems of textbook selection and teaching Americanism will be aired.

The textbook panel will review recent criticisms, as well as prospective legislation which may be recommended by a study committee.

BLONDE HOUSE

The Texas House of Representatives is becoming a blonde.

Eleven coats of varnish, applied over the years since 1888, have been peeled off the oak woodwork in the House chamber. Earlier, workmen had done the same peeling job on paneling on the ground floor of the Capitol.

Beauty of the original wood was thus restored. So a new light blond look has taken over the Capitol.

Lower Chamber also is getting new flooring and carpets. The House gallery, where so many Texans have sat in hard chairs watching legislation move through the House, is getting new upholstered chairs to make the taxpayers more comfortable. Rep. Will Smith of Beaumont, whose Rules Committee chairmanship puts him in a general supervisory position on the work of the State Board of Control, thinks it will be finished by November.

OLD FOLKS

Board for State Hospitals and Special Schools, faced with a report that 3,000 of its "patients" in state mental hospitals aren't sick—but just old—will ask the Legislature to do something about it.

Reports indicate county judges are "committing" aged persons to state hospitals mainly because they and their families can't care for them.

Board suggests the State pay part of the cost of placing such persons in privately-owned nursing homes. Sons and daughters would be required to pay the balance. Problem is one of welfare, rather than psychiatry, says the Board. "We now have older persons crowding facilities that are supposed to be used for the mentally ill."

WHAT IT COSTS

Texans who pay taxes to the state government got an idea of what the new school and welfare programs are costing when Comptroller Robert S. Calvert added up costs for the fiscal year which ended August 3.

State aid to public schools and colleges came to \$533,541,099, up nearly \$100,000,000 over the \$431,974,434 of the previous year. Welfare spending went up from \$188,875,904 to \$212,765,629. Increased Federal aid for welfare paid most of the increase.

Highway construction and maintenance totaled \$371,870,298. This is about the same as the previous year.

In all, the state spent \$1,307,623,666, up \$115,000,000 from the previous year.

RECORD YEAR

The State Securities Board closed a record fiscal year, having registered more than \$375,000,000 in securities in that period. Forty-one permits to sell \$35,958,648 in securities were issued in August, Commissioner William M. King has reported.

The Board, now five years old, has registered in excess of \$1,000,000,000 in securities.

BATTLE LOOMS

Changes in criminal court procedure being proposed for the next legislature by a State Bar committee are in for rough sledding.

Dist. Judge A. R. Stout of Waxahachie has announced his intention to carry his protests to the Legislature if the State Bar's proposals are introduced in January.

Judge Stout asserts that defense attorneys are dominating the committee's proposed court changes. He further stated that the Legislature would do better to adopt

recommendations previously made by a committee on law enforcement.

1900 HURRICANE STORY

Gov. Price Daniel and a group of prominent Austinites got together early this month to do some reminiscing about the 1900 hurricane which destroyed Galveston.

September marks the 62nd anniversary of that big and disastrous blow.

One casualty of that hurricane was the South Texas Baptist College at Waller, the school which the Governor's father was attending.

Mrs. Stuart Purcell presented the Governor with a photo of the 1900 graduating class, of which M. P. Daniel was a member.

BANKERS FIGHT

A new organization, Association of Texas State Chartered Banks, has been formed to fight for preservation of the dual banking system and the independence of state banks.

P. B. (Jack) Garrett, vice-chairman of the board of the Texas Bank and Trust Company of Dallas was elected president of the new association.

ROSY PICTURE

Austin and Dallas have the best employment pictures in Texas.

Texas Employment Commission says the two cities had only 3.7 per cent unemployed of the total labor force during July, the month covered in the latest report.

This 3.7 per centage also compares most favorably to the overall Texas average of 4.9 per cent.

SCHOOL BUS PASSING

Texas Department of Public Safety says it will crack down this year on motorists who illegally pass a school bus stopped to take on or discharge children.

State law requires the driver of any vehicle to stop upon approach from either direction any school bus which has stopped on the high-

"The Underwater City"

Man's exploration of the world beneath the sea and the construction for human habitation, of "The Underwater City," is the theme of the Neptune Production for Columbia release showing Thursday, Friday and Saturday at the State Theatre. Filmed in Fantascope, the underwater adventure co-stars William Lundigan and Julie Adams; Roy Roberts and Carl Benton Reid are featured.

The sea has always challenged man's imagination. Now, "The Underwater City" is said to go beyond mere exploration by the skin diver, the oceanographer and the submariner, to reveal a future in which man can make his home at the bottom of the sea.

William Lundigan, who returns to the screen from television where he was active in such shows as "Climax" and "Men in Space," plays a construction engineer who builds the first world's underwater city for famed oceanographer Reid. Miss Adams, as Reid's niece, also is an enthusiast of the underwater project; her association with Lundigan eventually blossoms into romance. Roberts plays the construction boss.

"The Shakedown"

A danger alert for girls who seek glamour via the model school and "art" photo route is sounded in "The Shakedown," movie expose of criminal big business due Thursday Friday and Saturday at the State Theatre. The Universal-International release dealing with infamous aspects of modern day racketeering, stars screen newcomers Terence Morgan, Hazel Court, Robert Beatty and Sheila Buxton.

Filmed as a serious warning to teenagers and young women lured by high-sounding promises of "glorification," the picture reportedly spares no punches in unmasking the fakery that exists among black-market "art" photo syndicates.

"Merrill's Marauders"

Jeff Chandler, Ty Hardin, Peter Brown, Will Hutchins and Andrew Duggan got the workout of their lives filming Warner Bros.' Tech-

nicolor production of "Merrill's Marauders" in the Philippine jungles.

Twenty-four hours after their arrival in Manila for the film, which shows Sunday, Monday and Tuesday at the State Theatre, they were sent on a "conditioning" forced march of 20 miles.

Because of the inaccessibility of the terrain selected for the filming of the action and suspense-packed war story, only equipment and top production crew members were ferried to the site by helicopter. "It's the most rugged country I've ever seen," commented Duggan, who actually served in China and Burma during World War II. "And I never thought I'd be eating out of a mess kit again."

But mess kits were the only eating utensils the cast used during eight weeks of location filming as they lived very much as Merrill's famed infantrymen had done. Their food was air-dropped to them and prepared in field kitchens. At night they bedded down in bedrolls in pup tents. They were ordered not to shave.

In some scenes they actually hacked their way through virgin jungle and waded chin-deep in leech and snake-infested swamps.

Farmers Must Keep Record of Farm Workers

Farmers must keep a record of their farm workers and of crew leaders, advises Floyd B. Ellington, manager of the San Angelo District Social Security office.

Ellington points out that farmers must report and pay taxes if a worker earns \$150 or more in cash in a year, or if a worker works on 20 days or more during the year for any amount of cash paid on a time basis (hour, day, week). The employer tax and the employee tax are each 3 1/4 percent, for a total of 6 1/2 percent of wages. These earnings are reported on Internal Revenue Form 943. Ellington adds that farmers must also report the name, permanent address, and employer's identification number on Page 2 of Form 293 of any crew leader working for them.

As General Merrill, Jeff Chandler, scene from the Warner Bros. Technicolor production of "Merrill's Marauders," showing Sunday, Monday and Tuesday at the State Theatre. Producer Milton Sperling

If you see someone looking completely tired and dragged out, he has probably just been away on a vacation rest trip.

Crooked path is the shortest way to the penitentiary.

Other people do not see the same person you see before the mirror.

The world is as large as the range of one's interests.

Nobody is dumb where money is concerned.

and Director Samuel Fuller based their screenplay on Charlton Ogburn, Jr.'s, widely acclaimed account of Merrill and his men. The war drama was filmed on rugged Philippine locations.
