NUMBER 25

NEW STATION — Roy E. Young will host a Grand Opening celebration at his new Gulf Service Station on North Main St. Friday and Saturday. The recently completed station offers wide driveways, two enclosed lift bays, and enclosed wash bay, and large sales room. (Photo by Little)

New Gulf Station Formal Opening Friday, Saturday

After having occupied the old building on North Main Street for slightly more than 26 years, Roy E. Young's Gulf Service Station has completed the move into new quarters and will celebrate a Grand Opening Friday and Saturday of this week.

A big celebration is planned for the two days, according to Young, with gifts, favors and prizes for their customers and friends. Guests at the open house and grand opening may register during the two days, Young said, and a big drawing will be held Saturday at 9:30 p.m. to determine the winners. Four new tires, hundreds of gallons of gasoline and 5,000 Frontier Saving Stamps will be given to winners in the drawing. No purchase is necessary to take part in the drawing, it was pointed out, and winners will be notified by telephone.

Also, during the two-day activities, big search lights will be erected on the premises of the new station, with their beams to be visible for miles around. Young announced that the Grand Opening of his new station will be put on the "top shelf."

The new quarters of Young's Gulf Service were built to offer the most modern automobile service, Young said. It is a three-base station, with a 169-foot frontage on North Main Street. Wide driveways are an invitation to the motorist, and two lubrication and inspection lifts, and an enclosed washing bay have been built to offer the best in service. Also, an expansive sales room is available to offer space for a complete line

of tires, batteries and auto accessories. Young, the only Gulf dealer in Winters, took over the dealership in the old building on North Main in March of 1936. The old building, which was torn down after the new structure was completed, was built "in the Model T days," he said. It long ago outlived its usefulness, so a new building to house the service station was planned and built on the site, just south of where the old building stood. Young has invited all his friends and customers to visit his new Gulf Service Station during the Grand Opening celebration Friday and Saturday.

WILTON "HOOK" DAVIS
Layman Speaker

Mrs. Ray A. Hoyle To Conduct Group Leadership Course

Mrs. Ray A. Hoyle, executive director, Heart of Texas Girl Scout Council, will be in Winters Wednesday, October 17, to conduct the Group Leadership Course.

Girl Scout leaders from Winters, Coleman and Ballinger are taking the course. Each leader is asked to bring a sack lunch, notebook and pencil, and their Girl Scout books. The session will begin at 9:00 a.m. at the Winters Scout Hut. Monthly meeting of the Winters Girl Scout Association will be held on Monday night, October 22nd, at 7:30 in the basement of the Presbyterian Church.

Bradshaw Church Will Observe Layman's Day

Annual Layman's Day for the Bradshaw Baptist Church is scheduled for Sunday, Oct. 14, according to an announcement by the pastor, Charles Ashby. One of West Texas' outstanding Baptist laymen, Wilton "Hook" Davis, of Abilene, will be the speaker. The topic of Mr. Davis' message will be "If Men Go To Hell, Who cares?" Davis is an honor graduate of Hardin-Stimmons University where he was an outstanding football player. In 1949 he was named Little All American and received honorable mention as All-American halfback. He was selected by Collier's Magazine as All-Southwest halfback in 1948. He is vice president of the Citizens National Bank in Abilene and a past president of the Key City Kiwanis Club. Among his many civic activities, he has served as a board member and treasurer of the West Texas Girl Scouts Council, which covers this area. In addition to presenting the message at 11 a. m., Davis, who served as Director of Church Music at Calvary Baptist Church in Abilene for eleven years, will present special music. The Rev. Ashby extends an invitation to people in the Bradshaw Winters area to hear this outstanding Baptist layman.

Children's Clothing And Quilts Needed At C of C for Family

Mrs. E. B. Bedford, secretary of the Winters Chamber of Commerce, is making an appeal for a needy family of several children ranging in ages from one to sixteen years. Children's dresses, shoes, sweaters and garments of all kinds, including warm quilts are needed. "Anyone who has good used clothing their children have outgrown should take them to the Chamber of Commerce office as soon as possible as the need is desperate," Mrs. Bedford stated.

JUNIOR TWIRLERS — Shown are the Junior High School Twirlers, who perform at all Junior High School football games. They are, from top to bottom, Doris Snell, Marsha Hays, feature twirler, Betty White, Kay Orr, Teresa Meyer, and Bobbie Sue Gans, drum major. (Photo by Little)

Oral Polio Vaccine Will Be Given November 9-11

Winters' doctors announced this week that definite dates have been re-established for administering of the Sabin oral polio vaccine to residents of Winters and the surrounding communities.

The first of the series of three will be given Nov. 9 and 11, with the second on Dec. 14 and 16, and third on Jan. 18 and 20.

The first of the series will be Type I, with Type III in December and Type II in January. School children will receive their vaccine on Friday, Nov. 9, and pre-school children and adults will get the vaccine on Sunday, Nov. 11. The same schedule will be followed for the other two doses.

The first dates for the administration of the oral vaccine to fight polio was to have been Sept. 28 and 30, but due to a nationwide controversy over the possible effects of Type III of the series, the first scheduling was cancelled. Some medical sources recommended the administration of Type III to all children, and to adults in areas determined by authorities to be "epidemic" areas. It is understood that further study is being made of Type III. Many doctors over the country have announced their confidence in Type III, and have urged everyone to take it.

Administration of the oral vaccine will be at the Winters school cafeteria on the dates named. No charge will be made for the vaccine, although those taking the vaccine will be asked to donate what they can to help pay expenses. Twenty-five cents per dose has been established as the cost of the vaccine and associated expenses. However, it was pointed out that no one will be refused the vaccine, and everyone has been urged to make plans to get the protection, regardless of financial circumstances. The Winters Lions Club is sponsoring the drive in Winters, and will help in the administration of the oral vaccine.

Girl Scout Fund Drive Launched At Coffee Monday

The campaign to raise funds for the Winters Girl Scouts was kicked-off at a coffee Monday morning at Pierce's Cafeteria. Approximately 25 people attended the affair. Joyce Wilkerson, chairman of the drive, presided. The VFW Auxiliary is in charge of canvassing the business district, with Mrs. W. L. Collins as chairman. The Girl Scout Committee chairman for the drive and for Girl Scouting this year are Mrs. Collins, chairman; Mrs. C. T. Rives, vice chairman; Mrs. Pat Marks, registrar; Mrs. Wilkerson, finance; Mrs. Hubert Crenshaw, organization; Mrs. Wilkerson, training; and Mrs. Jack Hall, secretary.

The current fund drive will continue through Friday, it was announced. Campaign workers said that anyone not contacted may contact any member of the Girl Scout committee, VFW Auxiliary or Wilkerson.

Co-Captains Are Named For Rest Of Grid Season

Tommy Alfrey and Alvis Jackson, senior members of the Winters High School Blizzard football team, have been named co-captains for the remainder of the 1962 football season. Coach L. G. Wilson announced this week. Three game captains have been named each week for the five pre-conference games already played. Alfrey, who wears No. 10 jersey, is a first-string quarterback and Jackson, who wears No. 62, is a guard on the undefeated Blizzard football squad.

TO MARFA — Mr. and Mrs. Nolan Cave of Wingate and Mr. and Mrs. Bill Hamilton and children, Carole, John and Susan of Blackwell spent the week-end in Marfa. While there they attended open house on Sunday afternoon at the Methodist parsonage, honoring the Rev. and Mrs. Guy B. Birdwell on their Silver Wedding Anniversary. Rev. Birdwell is now serving his third year as pastor of the Marfa Methodist Church and is a former pastor of the Wingate Methodist Church.

Rains Slow Cotton Harvest Progress

Heavy rains the first of the week put water over the spillway at the Winters lake, filled stuck tanks in the area, and forced a halt in cotton picking. Walbur Waggoner, Winters water superintendent, said water went over the spillway of the new lake about 4 o'clock Tuesday afternoon, following heavy rains over the watershed Monday and Tuesday.

Drivers to the road between Winters and Coleman reported that water dips on Highway 53 were running full Tuesday afternoon, but no reports of motorists being stalled have been received.

Winters proper received three inches of moisture over the two-day period, but other areas in North Runnels County reported more. A heavy rainfall east of town Tuesday afternoon was reported to have dumped about 4.5 inches within a short time. Monday's rain filled gauges to within 4 inches west of town, it was reported by some.

Library Benefit Stated for Showing At State Theatre

"The Flying Fontaines" a full length motion picture to be shown at the State Theatre Saturday October 20 at 10 a.m. will be the first in a series of fund-raising projects sponsored by the Dr. Culture Club to help support the Winters Public Library.

A circus drama, the "Flying Fontaines", in Eastman Color stars Joan Evans in a heart warming story of family life in the circus. Two color cartoons, "Roadrunner" and "Daffy Duck" will also be shown with this movie, which has been recommended for all members of the family.

The Winters Library has been in service to this community for nine years. Approximately one hundred families are members of the Library according to Myra Glover, librarian. The main purpose of the Junior Culture Club for the current year is to help support the public library. Other projects planned will be a booth at the Jaycee-Ettes Halloween Carnival and a book review schedule after the first of the year. The booth for the carnival was discussed at a called meeting at Pierce's Cafeteria Tuesday morning.

Advance tickets will be sold by members of the club, or purchased at the door. All proceeds will be given to Miss Glover to buy books and necessary equipment for the library.

VISITED AT NOLAN

Mrs. J. W. Yates and Miss Elsie Sanders were visitors Tuesday in the home of Mr. and Mrs. N. C. Egger at Nolan.

IN YATES HOME

Mr. and Mrs. Clyde Spain of Brownwood were visitors Sunday in the home of Mr. and Mrs. W. J. Yates.

The rains halted cotton picking, and some sources said it would take a few days of sunshine before pickers could get back in the fields. Winters gins, which had been going strong after a few days of sunny weather, were slowed down in processing of cotton. The three gins have reported only 2,513 bales ginned this season.

Cotton harvest so near Wednesday was ahead of the same period for 1961. On Oct. 27 last year, only 1,465 bales had been ginned by the three Winters gins.

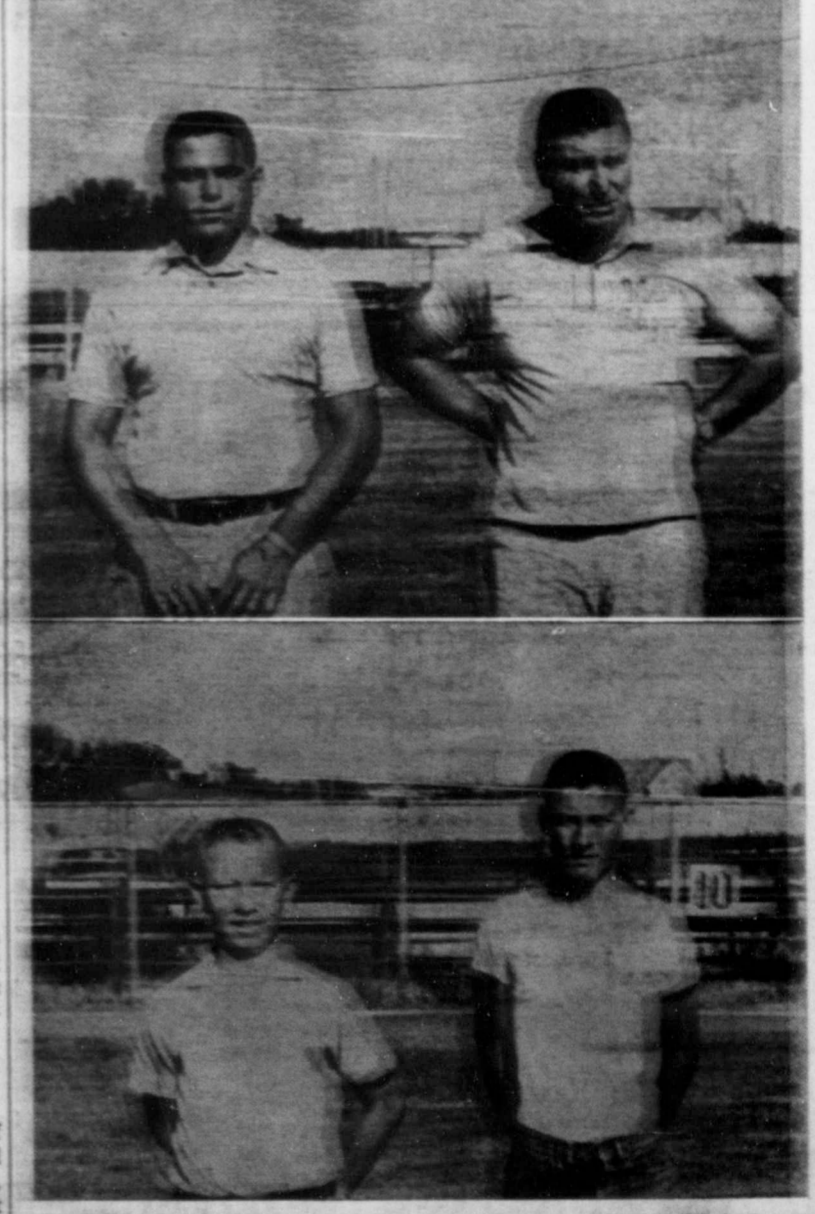

Heavy rains did not do much damage so far as knocking cotton out, some sources said, although the water did serve to lower the grade a little.

Many farmers of the area got their fall grain sowed before the rains hit this week. However, there still are many acres left to plant.

This year has been one of the wettest in the past four years. Through Tuesday, Oct. 9, a total of 29.7 inches (unofficial) has been recorded for this year. This is just a bit short of the total for 1959, for the same period, and more than the 29.1 inches recorded for 1960. The totals for the months through October for 1959-60 in the table below includes rainfall for the entire month. The 1962 records go through Oct. 10, only. More rain this month could push 1962 out ahead of 1959. No records are available for 1961.

	'59	'60	'61	'62
January	0.0	3.5	3.3	0.0

DO YOU REMEMBER?

From the Files of the Winters Enterprise

30 YEARS AGO

OCTOBER 14, 1932
 The Winters Blizzards' first Conference game was played that week with Santa Anna. They lost the game 7-0. The game was played at the Runnels County Fair.

The game to be played that night in 1932, was to be against the San Angelo Bobcats, Class A team. It was a non-conference game and the Blizzards did not expect to win but stated that they would put up a good fight.

Bowling was popular even then.

There were several teams in Winters including the Barbers team, Mechanics team, Groceriesmen's team and the Independent team.

The first Fall Sale in Winters was held at The Fair. Prices were said to have been unequaled.

The Runnels County Fair was going on at that time in 1932. There were parades, contests, and exhibits. A few women from Winters winning awards and ribbons in various departments were Mesdames J. M. Pyburn, Harold Henginger, F. C. Ueckert, Pete Davis, F. D. Gardner, H. E. White and

Ex-Blizzards Make Place On McMurry Football Team

Two ex-Winters High School Blizzard football players have gained berths on the McMurry College Indian team.

Fred Austin, who started his football career with the Blizzards, is the No. 1 fullback on the Indian team. He is a 215-pound senior.

William Grissom, a McMurry sophomore, and former Winters Blizzard, is, according to the Indian mentors, "a promising sophomore."

Riley Marks.

25 YEARS AGO

OCTOBER 8, 1937

A fire in Hinds & Carlisle Gin caused approximately \$4,000 worth of damage. New equipment was installed immediately to continue ginning.

Margurite Duncan of Winters, was Duchess at the West Texas Fair in Abilene, in October of 1937.

A Cotton Committee to work for better cotton in Runnels County was organized in 1937. The Committee was composed of 16 men.

L. E. Hamilton, Fire Chief, displayed a check for \$50 given by Hands and Carlisle Gin to show their appreciation for the good work done by the Winters Volunteer Fire Department at the time of the fire in their gin.

On that date in 1937, 10,487 bales of cotton had been ginned here. Cotton was reported to be still coming in.

J. W. Coates, supervisor of Abilene district of the State Board of Liquor Control stated that action would be taken to make Runnels County "bone dry".

20 YEARS AGO

OCTOBER 9, 1942

The Blizzards lost the game that week to Brady 22-19. It was reported to be a thrilling and good game.

The Blizzards were to play Mozelle here that night.

In October of 1937, 24 Runnels Common schools opened Oct. 4 for the 1937-38 school term. School inspection was held Oct. 12.

On that date in 1942 the cotton season was reported not at its peak. However, 5,669 bales of cotton had been ginned.

An item in the old paper reported Winters to be overrun with rats. The Lions Club was organizing the town to fight the rats. A County-wide rat extermination was to begin Oct. 23.

That week was Fire Prevention Week in 1942. The Volunteer Fire Department gave a program at the school.

The Winters Band had 52 new members plus 45 old members. A few of them were Bobby Drake, James Hinds, W. G. Bedford and Wanda Yates.

The campaign for scrap iron was to be extended to Oct. 12. The committee for that campaign here was J. S. Bourn, J. D. Motley, and Wallace Martin.

Citizens were still asked by the United States to conserve rubber.

A Memorial Service was held at the Pumphrey Church for the 25 boys from that Community in the Armed Forces.

A few grocery prices of that year were, potatoes, 25 cents a pound, corn, one can 14 cents, coffee, 31 cents a pound, bacon, 39 cents a pound and roast, 25 cents a pound.

Even patterns for women's dresses were affected by the war. They were made to conserve materials. The farmers were urged to conserve seed because the cost of some seeds was rising.

County Historical Society Sets Date For Regular Meet

Runnels County Historical Survey committee met Sunday at 3 p.m. in the Ballinger Chamber of Commerce office.

Herman Giesecke, Jr., chairman, presided. The regular meeting time was set for 2 p.m. on the first Sunday of each month in the Ballinger C of C.

Mrs. Edgar Boelsche gave a report of the Runnels County Historical Society, of which she is president, and announced that she would meet with the Winters members at noon Wednesday in Winters.

Mrs. J. Dexter Eoff presented an application for a medallion made by the members of the First Presbyterian Church in Ballinger. The building of native stone was erected in 1888 and is in good condition. The application was approved and will be sent to the state for final approval.

The recommendation of the Texas State Historical Survey Committee that we undertake to mark every Civil War Veteran's grave in our county during the Texas Civil War Centennial and report the erection of all such markers to the TSHSC was accepted by the committee.

The Statewide Historical Heritage Meeting to be held in the Menger Hotel at San Antonio on Oct. 12-13 was announced. Registration will begin at 2:30 p.m. Friday in the Gay Nineties lobby.

Dr. Rupert N. Richardson of Abilene, president of TSHSC and of the Texas Historical Foundation will preside for the first general session held at 7:30 p.m. in the front of the Alamo. A reception given by the board of directors will follow in the Minuet room and on the patio. There will be sectional meetings on Saturday followed by a tour of the Alamo, a historic tour of San Antonio and close with an evening in Old San Antonio.

This meeting is under the auspices of the Texas State Program for Historical Preservation with the cooperating County Historical Survey Committees and County Historical Societies of 240 Texas counties and the local historic heritage organizations of many of these counties.

Regular Meeting Of Sub Deb Club Held Monday Night

Judy Smith was hostess for the regular meeting of the Sub Deb Club Monday evening in the home of Mr. and Mrs. Carl Baldwin.

Following a short business session Mary Young gave the program and scandal was read.

Refreshments were served to Ginger Gardner, Judy A. Smith, Susan Roberts, Mary Young, Louis Adami, Carolyn Scott, LaRoss Shepard, Sharon Denson, Linda White, Jan Byrd, Judy Williams, Judy Kettler, Sherry Stanford, Karen Kanpp, Mrs. Lois Davis, and Mrs. Virginia Brown.

The meeting was closed with the benediction.

Sans Souci Dinner Club Held Meeting In Leeman Home

Members of the Sans Souci Dinner Club were guests recently in the home of Mr. and Mrs. M. E. Leeman as hosts, Mr. and Mrs. Fred Young as co-hosts.

The serving table was laid with white cutwork linen and centered with an attractive arrangement of white carnations and greenery in a milk glass container.

Guests were seated at foursome tables also laid with linen. After dinner games of "42" were played.

All members of the club were present including Messers and Mesdames Harry Herman, Gattis Neely, George Poe, LaDell Davis, B. T. Gardner, Raymon Lloyd, W. F. Minzenmayer, the hosts and co-hosts.

WINGATE

(Delayed from last week)

Last Sunday Mr. and Mrs. Edwin Voss went to Mullen to visit her brother, Fritz Vogler. Mr. and Mrs. Rinnie Vogler and Mr. and Mrs. Miles and daughter were there. They are niece and nephew of Mrs. Voss.

In the Voss home Sunday night were Mr. and Mrs. Garland Briley and Bill of Abilene.

Grace Irvin of Sonora has been visiting her mother, Mrs. Harter. Clarice is also here for a visit.

Mr. and Mrs. Troy Carter of California came by Wingate last week and visited Mrs. Sanford and Mrs. Hancock. They were enroute to Midland to visit a brother, Loyd Carter and then on home.

The A. Dooleys visited in Hamilton Saturday with his mother.

Sandra Cowan student of H.S.U. spent the week end here with her parents, the Raymond Cowans.

Mrs. Mack Bullard is a surgical patient in Bronte Hospital.

Mrs. Vester Parrish is a medical patient in Winters Hospital.

Postmaster Clay Allen is in Chicago attending the National Postmaster's Convention.

Mr. and Mrs. Pat Prichard are attending a Commissioners Con-

vention in Dallas. The D. R. Heathcotts visited Mrs. Mack Bullard in Bronte Hospital Sunday.

T. K. Martin former band director of Wingate school took seriously ill Saturday and passed away Monday in Santa Anna where he lived and was band director of the school there. Mr. Martin was well known here as he and Mrs. Mar-

tin were closely associated with the school for several years. He has one daughter, Mrs. Anna. Several from the funeral.

Infant Grandson Of Local Residents Died In Abilene

Jeffrey Scott Mathes, infant son of Mr. and Mrs. Benjamin F. Mathes of Abilene, died at noon Wednesday at Hendrick Memorial Hospital, Abilene. The baby was born early Wednesday morning.

Graveside services were held at Babyland in Lakeview Cemetery in Winters at 3 p.m. Thursday, with the Rev. B. T. Shoemaker, pastor of the First Baptist Church, officiating. Services were under direction of Spill Funeral Home.

Besides the parents, the baby is survived by a sister, Julie Lynn 1 year; grandparents, Mr. and Mrs. Otis Bunch, and Mrs. Nina B. Puckett, and a great-grandmother, Mrs. Mae Hudson, all of Winters.

Forgiveness is a high quality and an exalted virtue.

AROUND THE 6AA FOOTBALL LOOP

Winters was the only one of the three undefeated teams of District 6-AA to play last Friday night, with Stamford and Hamlin resting. Ballinger and Haskell won their contests, but Anson, still in the cellar, lost to Seymour, 16-22.

By virtue of their hairbreadth win over Coleman, and with five games to the other two leaders' four, Winters has been raised to the No. 1 spot in the district. The Blizzards have scored 113 points to their opponents 17, in five games.

Stamford, with a 4-0 record, and a forfeit score of 161-0, faces a tough opponent this week, going to Snyder to take on a AAA team. This may be the toughest test for the Bulldogs this season.

The Blizzards rest this week, to give them a chance to rest up before entering district play against Haskell Oct. 19, and try to figure out what went wrong in their action against Coleman last Friday night at Coleman. Friday's outcome was the closest the Blizzards have come to disaster this season, and proved to be a wear and tear on the nerves of fans as well as players.

Ballinger clobbered Colorado City 32-15 Friday night, after trailing the wolves twice in the encounter. The Bearcats go against Coleman this week, and their'll probably be many fans from Winters in the Ballinger Stadium, because of an off-week at home. Ballinger has a 3-1-0 record for the season, with 92 points scored against opponents' 36.

Anson goes against Colorado City Friday night, at Anson. The AAA C-C Wolves already have been defeated by three 6-AA teams this year—Winters, 18-6, Stamford 43-0, Ballinger—32-15—so this contest may show the relative strength of the Tigers. They have a record of 1-2-1 for the pre-conference season, and have marked up only 52 points for opponents' 75.

Hamlin takes on Merkel this week, which should not be too much of a chore for the Pied Pipers. However, this close to district play, nerves may be edgy and over-confidence can dump an otherwise good team.

Haskell goes to Seagraves, way outside the district. Haskell has a 3-1-0 record, with 132 points to 38. They whipped Seymour 44-6, while Stamford beat Seymour 40-0. Anson lost to Seymour 16-22.

This will be the last week before all six teams of District 6-AA dip their toes into conference play. Starting Friday night of next week, anything can happen to rip the district wide open.

Runnels Baptist Association Set To Meet Oct. 15-16

The annual meeting of the Runnels Baptist Association will be held at Wingate Oct. 15-16.

The program will begin at 5:30 p.m. on Monday with Women's Missionary Union and board meetings. The program will continue all day Tuesday with the host church serving the noon meal. The Rev. Charles Meyers is pastor of the Wingate church.

BELGIAN HORSES STAR AT 1962 STATE FAIR

Mighty Belgian horses will be one equine attraction at the 1962 State Fair of Texas, Oct. 13 through 21. The huge draft horses—each weighing in at over 2,000 pounds—will appear in the spectacular Torchlight Parade of Nations. They will also be on view daily at the Dr. Belgian Horse Fair, part of the State Fair's new Circusland exhibit. Standing over 6 feet to the shoulder, the Belgians are descended from horses bred to carry the weight of medieval armor.

Winters Music Man All-Region Band Chairman

Robert R. Gans, director of the Winters High School Band, was recently elected chairman of the All-Region, All-State tryouts to be held at McMurry College January 5.

As chairman of the region, he will select tryout material, judges, and music for the evening concert by the select 115-piece band.

Each school in the region is allowed to have just a few members try out for this high honor, it was announced. Only those students who excel on their instruments are permitted to try out, and each candidate must be prepared to play all of the major and minor scales, plus material selected by the chairman, and all of the music to be performed at the evening concert.

A slate of judges, selected by the chairman, will decide membership in the All-Region Band. First chair players in the All-Region Band are selected to represent Region 2 at the All-State convention to be held in Houston in February.

Winters High School has sent a representative to All-State Band for the past three years. Tamala Gans, solo flutist, will try her fourth year this session.

Approximately 350 students will vie for places on the 115 piece All-Region Band. Only 10 students from all of Region 2, which has 74 schools, will be allowed to go to All-State.

All schools in the region concerned have been notified, and chairman Gans is now compiling a list of all eligible candidates for certification by the executive council.

Hospital Notes

(As of Thursday morning)

Mrs. Bobby Stagg and baby boy were dismissed Friday.

Mrs. W. A. Pace, medical patient, was dismissed Friday.

Troy Lee Childers, infant son of Mr. and Mrs. Roy Childers, was dismissed Friday.

Mrs. Robert Webb and baby girl were dismissed Friday.

Mrs. Anna Gerhart was transferred to Hendricks Memorial Hospital Saturday.

Mrs. Miri Horton and baby boy were dismissed Tuesday.

Mrs. W. H. Kornegay, medical patient, was dismissed Wednesday.

Mrs. W. D. Smith, of Wingate, is a medical patient.

Artie Bourne is a medical patient.

C. L. Davis is a medical patient.

1963 Chevrolet truck line

The new models, more efficient six-cylinder engines and a long list of improvements in the 1963 Chevrolet truck line. Other features include a new front axle and spring design in medium-duty series for excellent ride and durability; generally lighter, more maneuverable independent front wheel coil springing in light-duty models; stronger front sheet metal with four-point bending in close quarters on many models and improved light and sheet metal mounts for water-tight.

Congress Has Done Nothing To Boast About This Year

The Congress has done nothing to boast about this year. It will now be a field day for the communitarians to appraise its performance and its shortcom-

ings. It provides a variety of subsidies to both the affected industries and the people working in such plants or industries. But there were a few bright spots. While the deficit for the current fiscal year is estimated at about \$6 billion, if the Congress had approved all the requests made by the White House the annual deficit would be increased by at least \$6 billion additional. A book could be written about the many screw-ball proposals that were offered during the session. Here is one example: A bill passed the Senate, written by Arthur Goldberg, was approved by the House Labor Committee and the United States Committee, and passed in the House last week, which would have prohibited any child under the age of 18 to do farm work without being in the company of the child's family. The age was cut to 16, but it would still have been against the law for a 13-year-old boy to be hired by his neighbor to come over and gather up the eggs, milk a cow, or shell some corn! This monstrosity was blocked in the House.

If a bullet is fired in a horizontal position, it reaches the earth at the same time that one reaches the earth when dropped vertically from the muzzle of the gun. This is known as Newton's second law of motion.

On the moon a 30 pound person would weigh only 10 pounds. A pole vaulter who could vault 30 feet on earth could vault 40 feet on the moon.

An ounce bullet, going 3600 feet per second possesses sufficient energy to lift 2500 pounds one foot.

The ideal husband seems to be a law-abiding fellow that no other woman would take as a gift.

State Capital Highlights

Strong Side-Currents Growing Out Of Slant-Hole Drilling In East Texas

By Vern Sanford
Texas Press Association

With 12 indictments already returned in the East Texas slant-hole investigation, there are strong side-currents growing out of the East Texas scandals.

Rep. Charles Ballman of Borger and his fellow House investigators sent a preliminary report to Speaker James A. Turman and Gov. Price Daniel. They urged "immediate action" on eight changes in or additions to the criminal laws.

They also proposed that a procedure be set up to replace state officials who become ill and unable to handle their duties. This ob-

viously is a reference to Railroad Commissioner Ernest O. Thompson, who has been ill at his home at Amarillo for several months.

A major policy change would be revision of the old "marginal well law" which could be very important to many Texans, particularly in old oil areas.

Present law says that if an oil well cannot make as much as 20 barrels a day, it is a "marginal well" which must be exempt from shutdown days. Thus, a well producing 19 barrels a day will get an allowable of 570 barrels a month. But a well capable of making 1,000 barrels a day will be held to 160 barrels a month—20 barrels a day times eight producing days.

Committee recommended that marginal wells be held to the same monthly allowable as a non-marginal well in the same field.

Governor Daniel has been non-committal on the possibility of calling a special session of the Le-

gislatore to act on this and other current problem areas.

COMMISSION SHAKEUP

Texas Railroad Commission is under a reorganization study by the Texas Research League. Already changes in procedures are being put into effect.

Commissioners William J. Murray Jr. and Ben Ramsey named a committee of oilmen headed by James E. Russell of Abilene to advise on revision of rules and procedures which most admit had become too cumbersome and slow.

PADRE AND MADRE

Land Commissioner Jerry Sadler continues his battle against creation of the Padre Island National Seashore.

He has charged that oilmen bidding on state school leases in Laguna Madre did not make big cash bonus offers to the state because of passage of the Padre Island bill.

Sadler intends to oppose legislation to authorize sales of state land in Laguna Madre to the U. S. for the recreation area.

He has hired Captain William C. Russell of Fort Worth, recently retired as director of the Southwest Division of the Coast and Geodetic Survey, to survey the area along the Gulf.

Although the so-called "tidelands" law was passed in 1953, there has not been a settlement between Texas and the U. S. as

to where the exact boundary lies. Russell, whose life work has been in coastal surveying, will under take that chore.

It is made doubly hard because the line is supposed to be three marine leagues off the shore, as it was in 1848 when Texas entered the union. The shoreline has changed considerably in the intervening years.

BUSINESS PERKS UP

Texas business activity rose seven per cent in August over July. And eight per cent above that of August, 1961.

Bureau of Business Research of the University of Texas found this rosier picture in August, after two bad months of decline.

CASH ON HAND

While there has been lots of talk about the state government being in the red, it really never has been.

On August 31, when the fiscal year ended, the State Treasury had a cash balance of more than \$219,000,000.

Deficits have been recurring in one of the state's 380 or so funds—the General Revenue Fund. But the others always have cash balances.

Comptroller Robert Calvert gave Texans some charts. They show where \$1,300,000,000 went last year. Education took 41.01 cents of each dollar, highways took 28.50 cents, public welfare cost 16.29 cents, state hospitals and prisons cost 5.16 cents, and all the rest—Legislature, courts, administrative agencies and everything else—cost 9.04 cents of every dollar.

LAND SENTENCE

A third man's conviction from the veterans land scandals of the mid-1950's was affirmed by the Texas Court of Criminal Appeals.

He was B. R. Sheffield of Brady, who was found guilty by a Hill County jury of "uttering a false instrument" in the case of one of the 54 veterans whose rights were put together to buy a 10,000-acre ranch in Kinney County.

Previous convictions were on former Land Commissioner Bascom Giles and J. T. McLarty.

Sheffield recently paid back the Veterans Land Board, with interest the money he received for the land.

LOST PARK

Back in 1933, Joe Espy of Fort Davis gave the State 169 acres in the Davis Mountains, with a provision that if it were not developed for public recreation he would get it back.

The state failed to develop the land, so Espy sued to get it back. Trial court held that he was entitled to the land, and ordered it returned. The State Parks Board

is appealing. Espy said he would give it to the Parks Board again . . . if the Board will develop it as a park.

FEDERAL AID
Texas has received \$317,920 from

the U. S. Forest Service to be allocated to East Texas counties where four national forests are located.

Counties and schools in the forest areas get 25 per cent of the

Forest Service's income from forests, to help maintain school programs.

MOVIES

The movie industry is expected to have a record year for 1954. The National Motion Picture Producers and Distributors Association reports that the industry's total revenue for the year is expected to reach \$1.5 billion, a 10 percent increase over 1953. This growth is attributed to the success of several major films, including 'The Seven Year Itch', 'The Caddy', and 'The Band Wagon'.

Outdoors

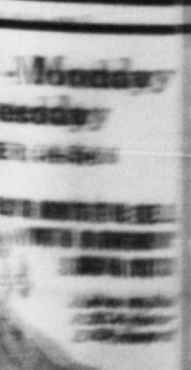

Many of the best outdoor spots in the city are being discovered by a new breed of hikers and campers. The rugged terrain of the city's parks and reserves is attracting more people than ever before. The city's Parks Department reports that the number of hikers and campers has increased by 25 percent in the last year. This is due to the city's efforts to improve its outdoor facilities and to the growing popularity of outdoor recreation.

Many Will Cross Water Here on New Bridge

The new bridge over the river will provide a vital link between the city and the surrounding areas. The bridge is expected to be completed by the end of the year. It will be a major improvement in the city's transportation system. The bridge will allow for easier access to the surrounding areas and will help to reduce traffic congestion in the city. The city's officials are confident that the bridge will be a great success.

Mrs. L. P. Skinner Guest Speaker At Literary and Service Club Thursday

Speaking on International affairs, Mrs. L. P. Skinner of Silsbee told of her 10-weeks trip around the world this summer to members and guests of the Literary and Service Club Thursday at a tea held in Fellowship Hall of the First Baptist Church.

Leaving Los Angeles in April with 30 other couples, Mr. and Mrs. Skinner went by plane to Japan which ordinarily takes 6 hours, but they ran into headwinds and had to stop at Wake Island for refueling. From Japan they went to Taiwan, to Hong Kong, to Thailand and then to Cairo, Egypt.

While in Egypt, Luxor and the Valley of the Kings were visited. "You will be glad to know that an American engineer is at work there and has found a way to divert the water so that the valley will not have to be flooded and the tombs lost," said Mrs. Skinner.

From Egypt the party flew to Beirut, Lebanon where they visited the cedars, and on to Amman, Jordan for an over land tour of the Holy Land. The Skinners also visited a girl in an orphanage whom they sponsor. The next stop was in Israel and from Tel Aviv to Athens, Greece.

After a 5 day boat tour of the Greek Islands, Vienna, Austria and the high Alps in Switzerland were visited. The party then went to Paris, France, and left for home from England on the Queen Elizabeth.

Mrs. Skinner spoke of the friendliness of the people, especially in Japan and India, and their desire for the children to have an education. She discussed the world's trouble spots and suggested that perhaps each could do his personal bit to promote better understanding. Mr. Skinner assisted in showing slides of their trip.

Mrs. Floyd Sims, president, Mrs. Earl Dorsett and Mrs. Skinner greeted guests.

The tea table was laid in white linen and featured a line arrangement of bronze mums and pom-poms in a brown usabata with accessories of oriental figurines. Mrs. Luther Minzenmayer and Mrs. Lawrence Jacob served.

Mrs. Loyd Roberson introduced the guest speaker. Hosts were Mrs. Dorsett and Mrs. E. E. Thormeyer. Forty-five attended. Out of town guests were Mrs. Tom King and Mrs. O. T. Toney of Abilene, and Mrs. Edgar Boelsche and Mrs. E. C. Grindstaff of Ballinger.

IN NELSON HOME

Capt. Minor Nelson and family from Castle AFB, California, have been visiting in the home of his mother, Mrs. A. M. Nelson. They are enroute to Goose Bay, Labrador, where he will be stationed.

Funeral Rites For Mrs. Van Logsden At Hugo, Oklahoma

Mrs. Van Logsden, 61, of Hugo, Oklahoma, former resident of Winters died Thursday at Tyler Medical Center, Tyler, Texas.

Services were held at 10:30 o'clock Saturday morning in the Coffey Chapel with the Rev. H. Alton Webb, officiating. Burial was in Mount Olivet Cemetery in Hugo, Oklahoma.

Mrs. Logsden and her family had lived in Winters until moving to Hugo, Oklahoma in 1946. She was born March 4, 1901, at Hope, Arkansas. She was a member of the First Baptist Church.

Survivors include two daughters, Mrs. Kathryn Anderson of Hugo, and Mrs. Virginia Oldham of Saudi Arabia; her mother, Mrs. Claudia Chambless of Hugo; two brothers, A. R. Chambless of Hugo and Clyde Chambless of Robstown, Texas; two sisters, Mrs. Warren Clowers and Mrs. Carl Jumper, both of Tyler, and one granddaughter.

"British Hong Kong" Study Subject For WSCS Tuesday

The British Colony of Hong Kong was the study for the Woman's Society of Christian Service which met in the First Methodist Church Tuesday.

Mrs. F. R. Anderson, program leader, reviewed its history and compared it to the other countries on the rim of Asia. Mrs. H. O. Abbott gave a vivid description of the country and people. She also described their industry, commerce, tourist resorts and government. A report on the rapid growth of churches of all denominations was given by Mrs. J. D. Vinson. A film entitled "Man On The Doorstep," which was produced in Hong Kong by the Methodist Committee on Overseas Relief, was shown by Mrs. Sam Jones.

Mrs. W. W. Parramore conducted the worship period and dismissed the meeting with prayer.

Those present were Mesdames J. D. Vinson, Gattis Neely, M. L. Dobbins, Garland Shook, H. O. Abbott, George Rosson, August Vater, W. W. Parramore, Jim Edwards, Thad Taylor, C. R. Willey, Elmo Mayhew, Frank Mitchell, D. A. Dobbins, Sam Jones, W. T. Stanley, F. R. Anderson and Miss Frances Stricklin.

Brownie Troop 1 Met At Scout Hut Thursday Afternoon

Brownie Troop 1, met at the Scout Hut Thursday afternoon for their regular meeting. Brenda Blackerby was hostess for the day and served nibbles.

Each girl answered the roll call with what she wanted to do in Brownies this year.

Present were Delores Awalt, Brenda Blackerby, Becky Brown, Carla Brown, Sylvia Costello, Susan Easterly, Vickie Gossett, Joyce Hamilton, Karla Hall, Patricia Hill, Dianne Sheppard, Cecilie Sentez, Becky Torries,

Helen Tinney, Jerrilyn Ward, their leaders, Mrs. Griff Brown and Mrs. Jack Hall. They were assisted by Lester Tinney and Mrs. Newt Blackerby.

VISITED IN DALLAS

Mr. and Mrs. Joe Irvin were week end house guests of Mr. and Mrs. Jack Davis in Dallas, and attended the rehearsal dinner and wedding of their daughter, Carole Eileen, to Aubrey Downing Keith.

CARD OF THANKS

With deepest gratitude we extend this word of thanks for the many kind acts of sympathy, expressed by thoughtful friends. Your kindnesses have meant much to us. Dr. J. W. Dixon and family. Itp

WINGATE NEWS

Mr. and Mrs. Edwin Voss attended the funeral of Mrs. Burrs in Robert Lee Cemetery, mother-in-law of Vonner Voss. They also visited their children in San Angelo and attended the parade there Sunday.

Mr. and Mrs. Elmer King visited in Colorado City recently in the home of their daughter Mrs. Buck Rodgers and Mr. Rodgers.

Mrs. W. D. Smith is a patient in the Winters Hospital. Mr. and Mrs. Charley Smith of Clovis are here at her bedside.

Mr. and Mrs. David Bryan attended the Manning Reunion at Pearl Sunday. The late Mrs. M. T. Hensley was a Manning before her marriage.

Clarice Irvin is visiting her mother Mrs. Grace Irvin in Sonora. Saturday visitors in the John Gannaway home were the W. W. Wheat and D. R. Heithcotts.

Mr. and Mrs. Ammon Slinger and Mr. and Mrs. Memory Hunter were hit by a car as they came from their farm near Shep. None were seriously injured. Mrs. Slinger was hospitalized.

Dale Sewing Club Held Meeting Tues. In Stoecker Home

Mrs. Carroll Stoecker was hostess for the Dale Sewing Club in her home Tuesday when the group quitted a quilt for the hostess.

Refreshments were served to Mesdames Charles Adami, Carl Baldwin, Lloyd Compton, Bill Mayo, Clarence Hambright, Walter Kruse, Tip McKnight, I. W. Rogers, August Stoecker, Ernest Thormeyer, Jack Whittenberg, Miss Effie Lehman, Miss Emma Henniger and a visitor, Mrs. Newt Stoecker.

The club will meet in the home of Mrs. C. E. Whitmire on October 23rd.

Mrs. Dub Thomas and Betty have returned from Oklahoma where they attended the Funeral of her mother.

On the occasion of her 84th birthday Granny Slinger was honored with a surprise party in her home with Mrs. Boo Byrd and Mrs. B. H. Denson as hostesses. Assisting were Mrs. Flora Slinger and Mrs. Darence Vick. Happy Birthday was sung as guests arrived. Gifts were opened after which Granny blew out the candles on her cake and refreshments were served to Mrs. Myrtle Allen, Mrs. Dixie Shivers, Mrs. Tilda Johnson, Mrs. Leonard Phillips, Mrs. W. T. Holder, Mrs. John Byrd, Mrs. Flossie Kirkland, Mrs. W. W. Wheat, Mrs. J. W. Allen, Von Byrd, Dennice Adams, Mrs. D. Vick and hostesses Mrs. Boo Byrd, Mrs. B. H. Denson and Mrs. Flora Slinger.

Mrs. Don Marks Was Hostess For Chat And Sew Club Tues.

Mrs. Don Marks was hostess Tuesday, October 2, for the regular meeting of the Chat and Sew Club. Hand work was done for the hostess and secret pal gifts were exchanged and new names drawn.

Refreshments were served to Mesdames Billy Burton, Alvis Jobe, Carson Easterly, Louis Ernst, Ed Donica, Lonnie Burton, J. A. Henderson, B.D. Jobe, Richard Geeler, Don Marks, and Alfred Heckler. The next meeting will be held in the home of Mrs. O. D. Bradford Tuesday October 16.

FRON SAN ANTONIO

J. T. Irvin of San Antonio spent several days last week in the home of his son, Mr. and Mrs. Joe Irvin.

Mrs. R. D. Collins Was Hostess For Dorcas Class Thurs.

Members of the Dorcas Sunday School Class of the First Baptist Church met Thursday evening at 7:30 o'clock in the home of Mr. and Mrs. R. D. Collins with Mrs. Collins as hostess.

The opening prayer was given by Mrs. Claud Hart and Mrs. Collins, president of the class, presided for the short business session. Mrs. Loucile Roberts gave the devotional taken from Matthew: 28. Mrs. Roberts, also, gave a very interesting report of the Southern Baptist Convention which was held in San Francisco summer.

As a diversion for Mrs. Collins conducted an interesting Bible quiz which closed the meeting.

Those present were R. L. Hollingshead, M. C. Wilbanks, W. C. T. Hart, W. E. Sowell, Grover Davis, et al. D. B. Thornton, son, Loucile Roberts, Adoo and the hostess.

GO JET-SMOOTH '63 CHEVROLET - IT'S EXCITING!

smooths bumps better than a bulldozer

If all roads were superhighways, Chevrolet's remarkably smooth and silent ride might be just another luxury. But as most town and country roads will demonstrate, this is one Chevrolet advantage that's mighty easy to get excited about. (The way those four deep-coil springs put the kibosh on bumps, you'd almost think Chevrolet was working for the highway commission.) The '63 Bel Air, Biscayne and Impala are equally easy going on upkeep. Brakes are self-adjusting. New Delectron generator re-charge battery life. Even the rocket panels on the Body by Fisher are self-washing and ventilating to cut down on rust. Your dealer's waiting to tell you lots more.

CHEVROLET

ROGER BABSON

Big Bargains Can Be Had In Trips To England and the Continent

Almost everything sells for a little more today than ever before; but there is one marked exception. I refer to trips to England, Ireland and the Continent. The competition of airplane travel has raised havoc with the steamship companies. Hence the competition has reduced rates and will reduce them further this fall and winter.

Round-the-World Trips

Clerks and other employees with a month's vacation are now buying tickets to go round the world as readily as they formerly went on a camping trip to our National Parks. These tickets can be bought on the installment plan with a small down payment.

The cheapest trips are in cargo steamers, which are limited to twelve passengers. Such trips, however, take several months and do not run on stated schedules. They do provide attractive state-rooms and good food. Trips around the world by air cost about \$1,000. Those making a trip to South America had better not bother with cargo ships or air-planes but take one of the regular passenger steamships from New York and return. These lines give excellent service and cost, for a couple (2 in a stateroom), about \$2,000; and they take about two months. Remember, it is summer in South America while it is winter in the United States.

The Grace Line sails from New York south through the Panama Canal and down the West Coast to Valparaiso, Chile and return. This takes around 50 days and costs nearly \$1,000 per person — two in a stateroom. The Moore-McCormack Lines sail south from New York down the East Coast, including Brazil and Argentina. This trip does not take so long a time and therefore costs less. Persons desiring to do so can go south by the Grace Line, cross the Andes and go on to the East Coast by rail, and come back by the Moore-McCormack Lines. Such persons can buy a round-trip ticket as the two lines work together in a friendly manner. Neither line goes around the Horn.

Most Popular Trips By Air

Take an airplane from your home city direct to San Francisco. Then, with a short stopover in Honolulu you can go directly to Tokyo, Japan. Here you may take a train through Japan and take your airplane again to Hong Kong. (You cannot now stop at Shanghai or any communist Chinese ports.) Hong Kong is very interesting although you should have a guide there. Your next stop could be Manila (P. I.); and then Bangkok, Calcutta, Bombay, Cairo, Athens, Rome, Paris, London, and New York. A great trip — it makes me want to take it by just writing about it.

As I understand it, the ticket you buy is interchangeable for a plane on any line, at any time, provided you get back within a specified period—say one or two months. Before leaving, there are many things for you to do in addition to getting a satisfactory passport. You must take many vaccinations against various diseases. Hence, it is better to buy your ticket from a regular travel agency in or near the city where you live.

I think the airplane ticket would cost about \$1300 plus tax. In addition you should carry enough travelers' checks to pay for the nights you are ashore, say \$500 more for one month. Consult your travel agency on these details.

Romance Of Such A Trip

I have been to Europe many times, including Russia and the satellite countries — also Japan and China, Africa, and all the countries of South America; but I have not yet taken an airplane trip "around the world." It is something you can talk about before you go, and long after you return. Only about one U. S. citizen out of 5,000 takes this trip. You meet and make interesting friends and can learn more than you

would in a year at any Liberal Arts College or State University. I am recommending it as a safe and profitable investment, perhaps the best investment for one who has never traveled much.

IT'S THE LAW—IN TEXAS

There is an alternative to bankruptcy. Relief from constant harassment by creditors and threats of suits and garnishment of bank accounts can be found by the filing of a Wage Earner's Plan in the federal district court under Chapter XIII of the Bankruptcy Act.

A debtor can request the court to stop all suits and garnishments during a three-year period while he pays into the court each month sufficient money to satisfy all of his debts over this extended period of time.

A Wage Earner's Plan has certain advantages over bankruptcy: There is no stigma of having avoided one's debts. Every creditor is paid in full.

A debtor is taught, under court supervision, to reserve a certain amount of each pay day to go to his creditors; and he is not allowed to purchase anything on credit during the time the plan is in effect.

A debtor is allowed to keep his mortgaged property unless the court decides it is too expensive for his income.

A person who has filed bankruptcy within six years and is again being pressed by his creditors, may file a Wage Earner's Plan. The law does not permit him to go into bankruptcy within this six-year period.

It is also possible to pay less than the full amount of one's debts.

If a debtor simply does not have enough money to live on and still pay his obligations in full, it is possible to pay 50 or 60 per cent of the amount he owes to each creditor and then receive a discharge of the balance by the court after the Wage Earner's Plan is completed.

The debtor pays enough to the court trustee over a three-year period to cover all his debts, court costs and attorney's fees. Most plans provide that interest be cut off as of the date the petition is filed in court; and a debtor may save enough on interest to cover the costs.

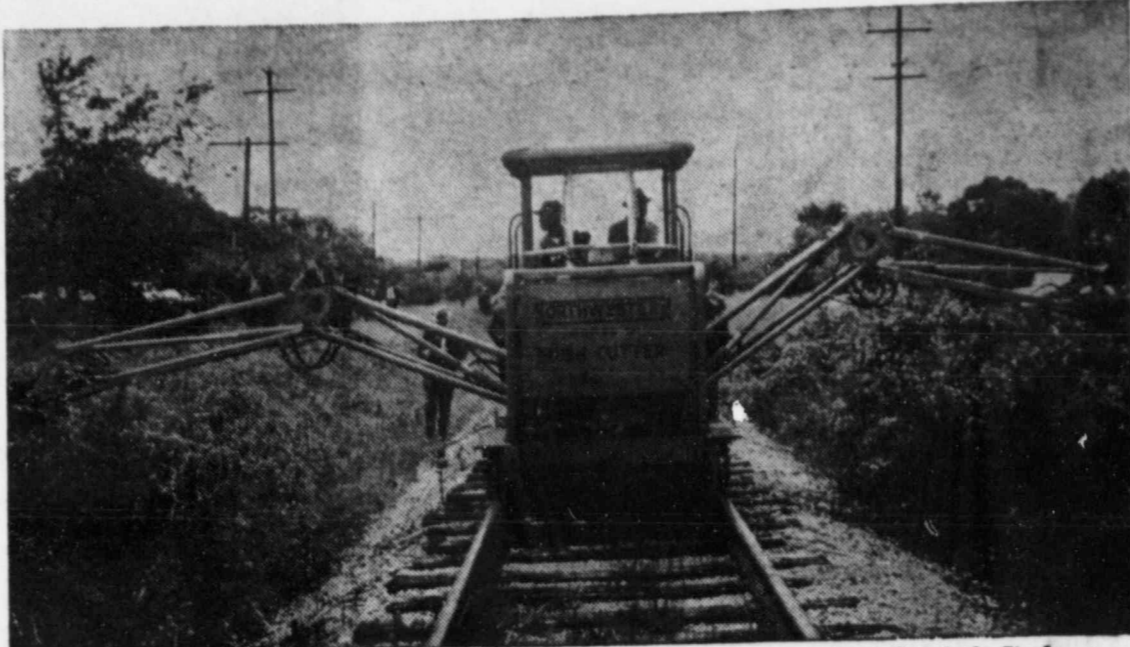

In Kansas City, Kansas there are 2,000 active Wage Earners' Plans. In Birmingham, Alabama, there are over 7,000 plans in effect. These proceedings are relatively unknown in Texas, and few persons are presently taking advantage of Wage Earners' Plans.

Rep For Zone 4, Runnels SCD, Named Oct. 2

Last Tuesday night, October 2, the landowners of subdivision number 4 of the Runnels Soil Conservation District, re-elected Bill Minzenmayer of Route 1, Winters, as their supervisor. He will represent all the landowners of Zone 4 on the Board of Supervisors of the District.

The landowners present elected Hugo Vogelsang of Rt. 3, Winters, election chairman; Erwin Schroeder of Rt. 4, Winters, election secretary, and Sam P. Wood, of Rt. 1, Winters, and Hosea White of Rt. 4, Winters, election tally clerks. These men then held the election.

The first thing a business man must learn to do is to face the facts, ugly though they be.

GRASS CROPPER—Here is a mechanical grass hopper with a one track mind. Its long hydraulically operated arms can extend up to 21 feet on either side to cut down tree limbs and small brush which often encroach on tracks. It is shown in Eau Claire, Wis.

WHS Students To See Film, Hear Auto Safety Talk

Students of Winters school will have an opportunity at 1:15 p.m. Oct. 16 to see for themselves how the false impression and sense of security that a driver of a modern automobile gets, can and does, often lead into the danger zone and trouble, when they participate in a series of driving tests James B. Nevins, superintendent, said today.

The tests, which will be in two parts, will be given under the direction of Joe Smetana, Director of Safety of the Texas Farm Bureau Safety Department.

The first section will be a short talk on traffic safety and the showing of the much-talked-about movie "Death On The Highway", while the second will be a demonstration on the street in front of the school.

High point of the demonstration will come when driving tests are made with various students and faculty members in the specially equipped car. An electric detonator which is mounted on the front bumper of the car will fire yellow paint bullets to indicate the distance required to stop the car in an emergency.

The driver being tested will be signalled to stop by the report of the first shell. The second will be fired automatically when the brake is applied and the third when the car halts. Distance between the spots of paint will be measured to determine the reaction and braking distances.

Tests will be limited to 20, 30, and 40 mile per hour speeds because of the danger of making emergency stops at higher speeds. Police officers will be used as drivers in the high speed tests.

Extension Classes Now Being Held In Winters' School

Approximately 26 teacher-students are involved in two extension classes sponsored by Hardin-Simmons University in the Winters schools.

The two courses being offered are "Techniques in Teaching Reading," and "Guidance in Today's School," and will provide three semester hours for credit to students.

The "Guidance" course is being instructed by Dr. W. E. Bowden, head of the education department at Hardin-Simmons. Mrs. Howard is the instructor in the "Reading" course.

Teacher students taking the two courses are from Winters and Bronite, with one from the Comanche school system.

Classes are held in the Elementary School, each Monday evening from 6:30 to 9:30.

Authors Anonymous Discuss Yearbook At Meeting Tuesday

Authors Anonymous held a meeting Tuesday at Pierce's Cafeteria and discussed the yearbooks. A yearbook committee was appointed and the new members elected were Joanie Fuller, Sally Patterson, Barbara Belitz, and Mike Hays.

Ronald Kraatz gave the program which consisted of reading the various essays, poems and short stories. These were voted upon and the winner of essays on "Why Teacher's Pay Should be Raised" by Judy Matthews.

The winner of the short stories was "The Final Diagnosis" by Jane Matthews. "Poem Number One" by Alan Benson was voted winner in the poem section.

Life isn't so hard for the man on guard.

HEALTH LETTER

The irreplaceable gift of sight is being lost to one American every 20 minutes.

If that figure, estimated by the National Society for the Prevention of Blindness, holds true for all population segments of the nation, it means four Texans are blinded every day.

September is Sight - saving month throughout the land.

Even as you read this, some man, woman, or child is standing on the brink of permanent darkness, about to join the 392,500 other Americans who are already enduring the bleak enormity of blindness.

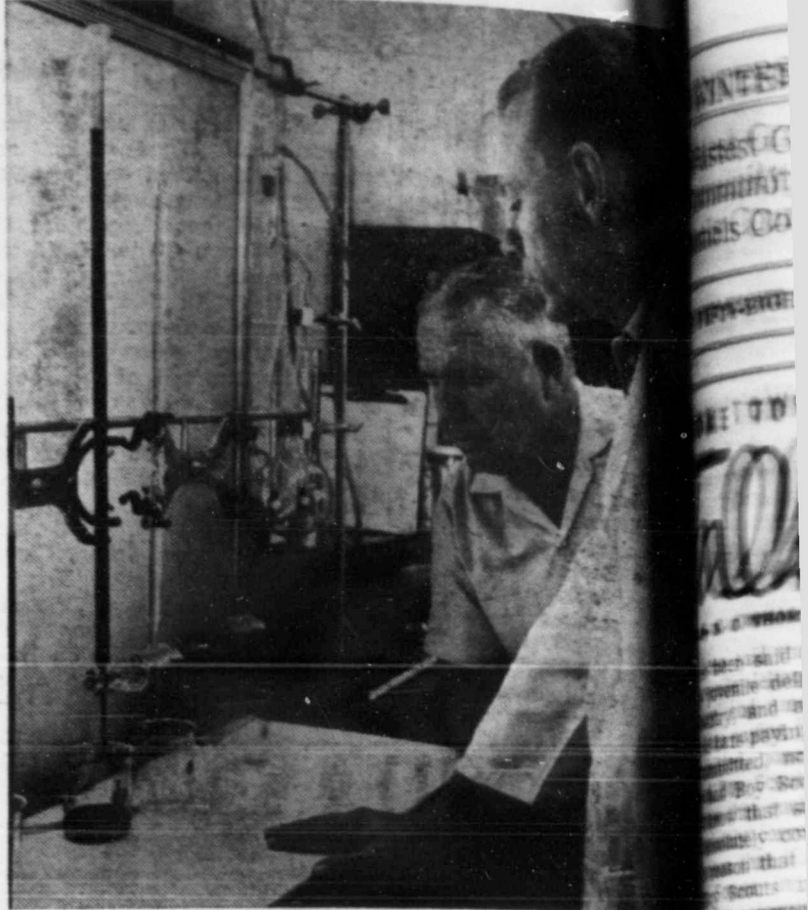

What causes blindness? There

are two major contributing factors: disease and accidents. Neglect exaggerates both of these.

Blindness brought on through neglect really is no worse than that caused by an accident or disease. But somehow it seems worse. It's so unnecessary.

If all children were given a thorough eye examination prior to entering school for the first time, and if all visual defects were corrected or placed under treatment at that time, a major step in the prevention of blindness in childhood would be taken. One of every four school children are said to need some form of eye care.

But a single examination is not enough. A child grows quickly. His eyes, like every other body organ, are constantly changing. Sometimes the change is for the worse.

OIL FIELD CHEMISTRY — Chemist Rex Hammack tests samples taken from a Runnels County well to find out if the well will respond to stimulation. The intent onlooker is the Halliburton Company's Winters fieldman, Floyd Hamilton. The laboratory, located in Abilene, is said to be Central

Texas' largest lab for services, and is being expanded by the company. The lab is equipped with scientific instruments ranging from consistometers to pumps, and is used by the service organization for analysis and original research on gas wells.

At least half of all cases of blindness occurring from year to year could be prevented through use of the sight-saving knowledge at hand. For example, some 300,000 industrial eye injuries occur

every year. The mere use of glasses would cut the figure in half.

Chance takers disappear frequently.
