Winters Schools To Observe Public School Week Mar. 4-8

FTA MEETING — Kenneth L. Lewis, assistant professor of education at McMurry College, Abilene, was the principle speaker at a meeting of the Winters chapter of the Future Teachers of America last week. He is shown with Mrs. Charles Kruse Jr., a sponsor of the group. The other sponsor is Mrs. Eva Kelly. Kenneth Sneed, standing, is president of the Winters chapter of FTA. (Photo by Little).

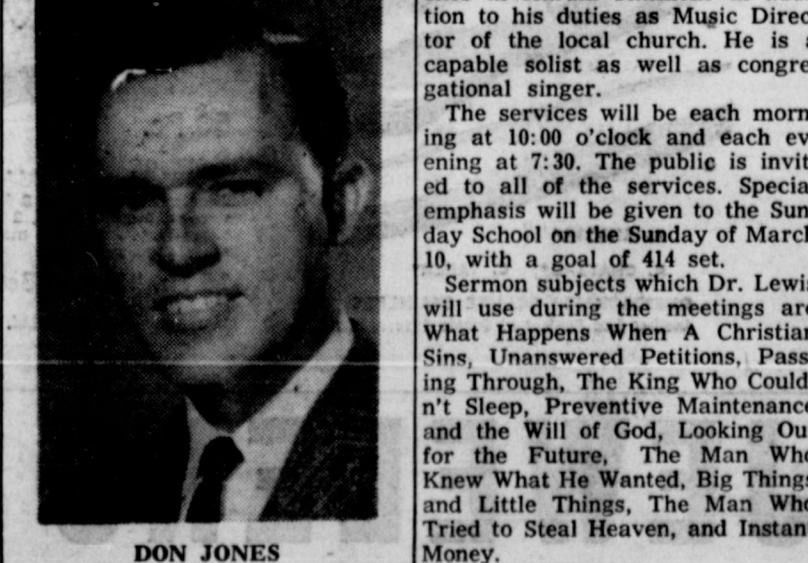

McMurry Professor Speaks To Winters Chapter of Future Teachers of America

Dr. Kenneth Lewis, Associate Professor of Education at McMurry College, was the speaker for the Alpha Chi Future Teachers of America Friday evening in the Winters High School Auditorium. Speaking on "Education in Other Lands", Dr. Lewis stressed the fact that if education does not fit the needs of society it is useless. Also, he said that education can be obtained through reading, traveling, and talking as well as through studying.

The speaker said, "In Asia teachers and students are far apart in their relationship. For instance, in India classes are lectures only," said Dr. Lewis. "Teachers are followed and imitated by their students as they utter gems of wisdom, and the more gems a student can quote the higher educated he is supposed to be. A diploma is a guarantee of a white collar job with respect and status. "Transportation is so poor in Autchara Pass in Alaska that all school supplies for next year must be ordered by February, and many people are educated by correspondence courses. "Russia forces more education on their youth," said Dr. Lewis. "At present, they have a 7 year elementary education that will be increased to 8 years. They offer a 2 year secondary education for those who are going to be white collar workers, and special training classes for all intelligent enough to specialize in various fields. Russia is so interested in education that there are many evening classes and correspondence courses for adults, who carry on full time jobs and go to school at night.

First Baptist Church Revival Will Run From March 3-10

The First Baptist Church will be engaged in a revival beginning Sunday March 3 through March 10, according to an announcement by Rev. B. T. Shoemaker, pastor. Dr. Lindell Harris, head of the Bible Department of Hardin-Simmons University, will be the evangelist. Don Jones will direct the music. Dr. Harris is a former missionary and has been with the Bible Department of Hardin-Simmons for several years. He has preached in most of the churches of this area, and has been in great demand as an evangelist. Mr. Jones is the Music Director of the First Baptist Church and teaches in Hardin Simmons in addition to his duties as Music Director of the local church. He is a capable soloist as well as congregational singer.

The services will be each morning at 10:00 o'clock and each evening at 7:30. The public is invited to all of the services. Special emphasis will be given to the Sunday School on the Sunday of March 10, with a goal of 414 set. Sermon subjects which Dr. Lewis will use during the meetings are What Happens When A Christian Sins, Unanswered Prayers, Passing Through, The King Who Couldn't Sleep, Preventive Maintenance and the Will of God, Looking Out for the Future, The Man Who Knew What He Wanted, Big Things and Little Things, The Man Who Tried to Steal Heaven, and Instant Money.

The Winters Independent Schools will participate in the state-wide observance of Texas Public School Week, March 4-8, James B. Nevins, superintendent, said this week.

All patrons of the Winters school district are urged and invited to visit their public schools during the week, as well as any other time and may visit any class they desire. Many parents have found classrooms to be crowded during the regular school day, it was pointed out. Because of that, and in order to give opportunity of better school inspection and student work examination, the Winters School has designated Tuesday night, March 5, for open house.

The program will begin with an American Heritage program presented by the high school National Honor Society in the high school auditorium at 7:30 p.m. The program will last approximately 30 minutes and all classrooms will be open immediately following this program.

The Winters Lions Club, in observance of Texas Public Schools Week, will move the weekly luncheon meeting to the school cafeteria on Tuesday at 12:15, for their annual school visitation.

The teachers' banquet has not been scheduled and plans are not complete at this time in order to avoid conflict with scheduled church meetings during this week.

All patrons of the Winters school district are urged to visit classrooms of their children and visit with the children's teachers and friends, Supt. Nevins said.

8 Lettermen Return To WHS Track Team

Eight lettermen, five of them seniors, with a total of 15 years of letters in track, will represent Winters High School in track competition this year. The returning lettermen are Tommy Young, tri-captain, 2 years, senior; Dan Roberts, tri-captain, 2 years, senior; Eugene Mathis, tri-captain, 2 years, senior; Steve Grissom, 2 years, junior; Donald Parker, 2 years, junior; Ronald Kraatz, 2 years, junior; Wayne Bailey, 1 year, senior; and Adolpho Arroyo, 2 years, senior.

A tight schedule faces the Blizzard track squad this year, with 10 events planned. The highlight of the season will be a planned Blizzard Relays event for April 13, if the new cinder track now under construction is completed in time. In that event, area B, A and AA, and regional qualifiers will compete.

Other members of the 1963 Winters track squad are: James Burleson, senior; Glenn Awalt, junior; Dick Young, junior; Louis Simpson, junior; Mike Mitchell, junior; Larry Awalt, sophomore; Denny Aldridge, sophomore; Van Spill, sophomore.

Also, Gary Young, sophomore; Douglas Hart, sophomore; Larry Rives, sophomore; Hank McCreight, sophomore; Randall Sprinkle, sophomore; Richard Shade, sophomore; Mike Patterson, sophomore; Johnny Mathis, sophomore; Jimmy Adams, sophomore.

1963 TRACK SCHEDULE
March 2—Iowa Park
March 9—Possum Kingdom Relays, Graham.
March 16—Brady Relays.
March 23—Hale Center Invitational.
March 29-30—San Angelo Relays.
April 6—District 6-AA, Abilene.
April 13—Blizzard Relays, Area B, A, AA, Regional Qualifiers.
April 20—Regional AA meet, Lubbock.
April 27—McMurry Invitational.
May 3-4—State meet.

Filing Deadlines Drawing Near

Deadline dates for anyone planning to file as a candidate for the School Board or for the City Council are drawing near. Deadline for the school board candidates is March 6; deadline for city council is March 2.

The City Council election will be held Tuesday, April 2. Election to name School Board members will be Saturday, April 6.

IN LITTLE HOME
Harvey Edward Little, student in Texas University at Austin spent the first of the week in the home of his parents, Mr. and Mrs. W. E. Little.

Winters Churches Will Observe World Prayer Day

Three of Winters' churches will participate in a combined program in observance of the World Day of Prayer, Friday, March 1. Services will be held in the First Presbyterian Church at 2:30 p.m., with members of the First Methodist Church, St. John's Lutheran Church and the First Presbyterian Church taking part.

Mrs. W. W. Parramore will have charge of the program, which is prepared by the United Church Women.

The World Day of Prayer, observed on the first Friday in Lent, is sponsored by the women of the major Protestant and Orthodox churches. Prayer and thanksgiving for the world-wide mission of the church have been its primary purpose. Basically the same service is used by groups in approximately 150 countries, providing an extraordinary opportunity for fellowship at a deep level with Christians all over the world.

Scouts Hold Rifle Meet In Winters Sunday Afternoon

More than 60 Cub Scouts, Boy Scouts and Explorers participated in the third annual Southern District Boy Scout rifle meet at Winters Sportsman's Club range here Sunday, with Coleman and Winters taking top honors in the competition.

In the Boy Scout division Troop 49 of Winters was second in the shoot. Troop 21 of Coleman was first, with Troop III of Coleman third.

Post 49 of Winters was the only entrant in the Explorer division. Pack 21 of Coleman won the Cub division over Pack 26 of Coleman and Pack 27 of Clyde.

Wesley M. Hays of Winters was range officer for the shoot, and Bill Anderson was registrar. Billy Wayne Hardin of Sweetwater was Scout executive in charge of the shoot.

Post 49 of Winters, the host organization, was in charge of setting up the range. Working on this project were Gary Holmes, Bob Jones, Jimmy Burnett, Butch Grant and Mike Hays.

Entrants came from Valeria, Clyde, Coleman and Winters.

Mrs. D. L. Gunn Gets Certificate Of Achievement

Mrs. Wauldean Gunn, whose husband, S-Gt. D. L. Gunn, is stationed at Fort Sam Houston in San Antonio, was awarded the certificate of achievement by Col. Fredric Cook in recognition of outstanding ability as program director of the Fort Sam Houston Summer Recreation program. She is named "Youth Counselor of the Quarter."

The certificate of achievement reads: "In recognition of outstanding ability, service and leadership as Program Director of the Fort Sam Houston Summer Recreation program, she is named 'Youth Counselor of the Quarter' for the period 1 October to 31 December 1962."

"Mrs. Gunn has been active in the Summer Recreation Program for the past three years. She has voluntarily and carefully planned details of each annual program during the entire preceding year, giving freely of her initiative, ideas, organizational ability, and executive director, several hundred Fort Sam Houston children have been able to learn many new arts and skills, through organized and directed play. The effectiveness and value of the program has received favorable comments from the parents of children concerned and civilians in the San Antonio Area. She has been active in civilian church activities and a full-time teacher in the Fort Sam Houston kindergarten.

"Mrs. Gunn's unselfish devotion to the welfare and development of Fort Sam Houston children is worthy of recognition and commendation."

Mrs. Gunn is the daughter of Mr. and Mrs. W. J. Yates and will be remembered here as Wauldean Yates.

Phone Co. Accepts City Rate Proposal

Negotiations, which began about a year ago, between the City of Winters and the Southwestern States Telephone Co., for an increase in the base rates charged to telephone subscribers in Winters, came to an end Monday night.

Following is the rate schedule for telephone service in Winters, including present rates, first company proposal, last company proposal, and the City's offer, which will become effective March 16. All rates are plus 10 percent Federal excise tax.

| | Present Rate | First Request | Last Request | New Rate |
|-----------------------|--------------|---------------|--------------|----------|
| Business, one-party | \$8.00 | \$11.00 | \$9.50 | \$9.00 |
| Business, two-party | 6.50 | 9.00 | 8.25 | 7.50 |
| Business extension | 1.50 | 1.75 | 1.75 | 1.75 |
| Residence, one-party | 5.00 | 6.00 | 5.75 | 5.50 |
| Residence, two-party | 4.00 | 5.00 | 4.75 | 4.50 |
| Residence, four-party | 3.00 | 5.00 | 3.75 | 3.50 |
| Residence extension | 1.00 | 1.15 | 1.25 | 1.25 |

Members of the City Council and representatives of the telephone company met at the City Hall Monday night, and the telephone company accepted the last counter-proposal for a rate increase submitted by the City.

Rates will be increased only slightly over present charges, and will become effective with the next billing period, March 16. Total increase, for all classes of service in Winters, will amount to only \$8,427.00 annually, based on the number of stations reported on June 25, 1961. The company originally had asked for an increase which would have amounted to \$18,957.60, a difference of \$10,530.60. Some classes of service would have been increased as much as 37 percent under the original proposal by the company.

During the several months of negotiations, the telephone company had made several proposals, which were not acceptable to the City, with the City asking for additional information to support such requests. Finally, several weeks ago, the City made a counter-proposal, which was accepted by the telephone company Monday night. This was the first proposal made by the city in the several months discussions.

During first meetings between representatives of the telephone company and members of the City Council, the company pointed out that state statute provided that they be allowed a "fair rate of return" on their reported investment. The company claims a total investment of \$296,001.11 for local telephone service in Winters. This excludes, according to the company, the facilities which are maintained in Winters for the exclusive use of toll calls originating in Winters or coming in to Winters.

The company claimed a net return of 4.32 percent on their investment, based on the old rates, and their original request would have increased this to 7.28 percent. Their latest proposal, as of Feb. 13 this year, would have increased their return to 6.21 percent. Percentage of return for the rate proposed by the City, and

accepted by the company, would be 5.64.

The telephone company reports an income of \$61,284.00 under the present rates; the increased rates will bring this total to \$69,711.00, based on the previously listed number of stations in Winters. Company officials said there has been some increase in the number of telephones here since the base adjustment date of June 25, 1961.

City officials, in refusing to go beyond their counter-proposal, said they felt that their proposals were more in line with rates now being

Tricking A Squirrel
 Many squirrel hunters in Texas use dogs to rout out their game. If you hunt this way, here is a trick that will get a treed squirrel to show itself every time.

Carry a number of small dog biscuits with you that have been dipped in beef broth the night before. When a bushy-tail is treed and sticks to the far side of the tree, let dog smell biscuit, then chunk it to other side of tree.

Dog will go after biscuit and squirrel will scamper around tree to where you can shoot it.

Big Question: Does Success Depend More On Education Or On Experience

I am writing this column in Florida overlooking a beautiful garden of snapdragons. The stalks are about three feet high and the blossoms seven inches above the stalks. They are in eight different colors. Yet they have the same soil, the same water, and the same sunshine.

What An Agricultural Expert Tells Me

I had lunch today with a government expert of the Agricultural Department. I asked him what caused the difference in the size and color of these snapdragon blossoms. He said that the care which they received from my gardener made some difference; but that fundamentally it was a question of inheritance.

We agreed that the different stalks of the snapdragons might be compared with young people going to school. For some time while at school they may not show their different tendencies. However, one child may be smarter than another, just as one stalk appears to grow more than another. He stated that life is basic, whether in the tiny snapdragon seed, or in the "seed" entering the mother's womb and fertilized by the father. The basic elements, whether of a plant or of a human being, are known as DNA and RNA, which are abbreviations for the life-giving chemicals.

What About DNA And RNA?

I then asked this agricultural expert if the law of inheritance applies equally to snapdragons and high school graduates seeking further education, and he replied that the same laws of inheritance do apply. This probably means that a large percentage of young people should not go to college, as in such cases it is a waste of good time.

Applying the DNA and RNA forces to college work is very important. Assuming that too many young people go to college anyway, they should give specific consideration to what line of education they are adapted for. This is very largely neglected today both by the colleges and by the parents.

What About Government Scholarships?

I believe in scholarships to help deserving young people who know what they are fitted for and who are earnestly seeking that goal, whether it is science, medicine, law or some trade. I do not object to carpenters, electricians, or bricklayers getting the high wages

they do. Admiral Rickover, who forced the Navy to become interested in atomic submarines, is reported to have said that educational experts and good teachers should be paid more than most Congressmen now serving in Washington.

He claims that education of young people is now "topsy-turvy" and that our voters should recognize this sad fact. Certainly, scholarships are now given out too freely. The young person's aptitudes should be considered carefully and the scholarships should be given only for the education of the student in the direction for which he or she is fitted.

Scholarships And Politics

Unless the above scholarship policy is followed, Government aid to education may do more harm than good. This applies to the building of fancy schools, and government aid to colleges. There are too many "brass hats" amongst college professors, as there are in the Navy and Army.

This scholarship program would not rule out higher education for children whose parents are anxious to have their youngsters get college diplomas, irrespective of their adaptability. They could still be sent to private schools and colleges to graduate and go into some business or profession for which they are not fitted. This is done today; and should always be possible.

Instinct And Experience

Two final questions for us all to consider are these: (1) For our children, does success depend more on education or upon natural instinct and experience? (2) Are they naturally lazy or are they ambitious?

One final thought: Parents can take out insurance which will great-

Time To Take Grass Inventory, Says RSCD Supervisor

"Spring is just around the corner", states Bill Minzenmayer, supervisor of the Runnels Soil Conservation District. "Soon grass will be greening up, and we will have forgotten about the snow and ice", continues Minzenmayer.

"We should be making plans to check our pastures for Proper Use during the next 30 days", replies Cecil L. Drake, with the Soil Conservation Service. "Any rancher, who is sufficiently interested to do this, is on the road to good pasture improvement". According to Drake, "checking Proper Use is merely taking a grass inventory. From this inventory, you can tell what you now have, and what you can expect in the near future.

Proper Use is controlling grazing so that not more than 50 percent of the annual growth of the major forage species is removed. "Why? This degree of use maintains and improves vigor and results in high production". It also permits the accumulation of litter and much so necessary for soil and water conservation, explains Drake.

Checking Proper Use is not difficult. One must know his grasses, and pasture. He will need to determine a key site. This is an area of the pasture which produces an important part of the forage. Not undergrazed, or overgrazed, just about an average area, according to Drake.

Next, we select a key species. This will vary with the condition of the pasture, but should be the one which produces the major part of the forage. For example, you

will probably select red grama or hairy tridens as key species in many of our poor condition pastures. Buffalograss and curlymesquite may be the key grass in fair condition pastures. When in good condition, the key grass will usually be sideoats grama. If you are fortunate and have an excellent pasture, look to your bluestems for your key species.

Drake says check your pasture and get the story. Do something about it; if overgrazing, cull out some of your stock; if undergrazing, add a few. Many pastures in this District are producing less than 1,000 pounds of grass per acre. Yet, they have the capacity

"Convicts 4"

Nimble wits guide fang and claw in the now violent, now hilarious feud between imprisoned men and their keepers in the salty "Convicts 4," showing Friday and Saturday at the State Theatre.

Based on a true story and racy with actual incident, the picture has Ben Gazzara, Ray Walston, Sammy Davis, Jr., and Timothy Carey as the embattled convicts of the title, and Stuart Whitman, Rod Steiger, and Broderick Crawford as the lords of the opposition, sworn to hold them in the prison the underworld calls "Siberia"—Dannemora in upstate New York.

Vincent Price is a frequent prison "visitor," and Jack Kruschen (the doctor of "The Apartment") is the immigrant father of the killer Gazzara plays, with singer Dottie Stevens and Carmen Phillips as the females involved.

A high spot is the grand project of Gazzara and Walston to dig a tunnel 400 feet to freedom, with Walston doing the dirty work and Gazzara scattering the dirt over the prison grounds through pin-

holes in his pockets while the keepers, knowing something's up, try to sniff out the plot before it's too late.

"The Sad Sack"

Perfectly cast as the world-famed cartoon character, "The Sad Sack," Jerry Lewis reaches his all-time peak of hilarity in the Hal Wallis produced laughfest that shows Friday and Saturday at the State Theatre. Using every facet of his mastery of the comic art to bring to life George Baker's hapless misfit G.I., Jerry is a scream in a screamingly funny movie. So completely is he the fumbling private with the pathetic desire to do right and the uncanny talent for doing wrong, you might think the character was invented expressly for him.

As Sad Sack Jerry wreaks havoc against friend and foe on two continents in the riotous Edmund Beloin, Nate Monaster screenplay, with a host of able comics portray his reluctant victims to create an uproaring Army world.

"The Manchurian Candidate"

"The Manchurian Candidate," starring Frank Sinatra, Laurence Harvey and Janet Leigh, shows Sunday, Monday and Tuesday at the State Theatre, through United Artists release. Written for the screen by George Axelrod (who co-produced with director John Frankenheimer) the suspense drama is based upon the highly controversial novel by Richard Condon. Angela Lansbury, Henry Silva and James Gregory co-star in the exciting tale of Washington espionage and political intrigue.

As in the book, the film chronicles the experiences of a heel (Harvey) whose Achilles heel is a personality weakness resulting from utter domination by his mother, Angela Lansbury. Returning from a medal-of-honor winner, Harvey has no way of knowing that he is really a remote-controlled tool of the Communists who had captured him. It is Frank Sinatra who finally uncovers the terror and the national menace implicit in this one man, and who leads the chase to prevent disaster.

Mrs. Marvin Traylor Hostess for Dale Sewing Club Tuesday

A quilt was quilted for the hostess when the Dale Sewing Club met Tuesday in the home of Mr. and Mrs. Marvin Traylor.

Mary Martha Circle Of WSCS Met Tuesday Morning

Mary Martha Circle of the Woman's Society of Christian Service of the First Methodist Church met Tuesday morning in the home of Mr. and Mrs. W. T. Stanley to continue the study of the book "Who Cares?"

Mrs. H. O. Abbott led the opening prayer and gave the devotion from the book of Timothy. The "Problems of Aging and Handicapped Persons" were presented by Mesdames C. R. Willey, D. A. Dobbins, Sam Jones and M. L. Dobbins. All members expressed their ideas in the discussion period.

The meeting was dismissed with prayer by Mrs. Abbott.

The hostess served coffee and cookies to Mesdames C. R. Willey, Sam Jones, M. L. Dobbins, Garland Shook, D. A. Dobbins, George Rossz and H. O. Abbott.

Mrs. Bill Hill Hosted Gleaners SS Class

Mrs. Bill Hill was hostess for the regular business and social meeting of the Gleaners Sunday School class of the Southside Baptist Church in her home Thursday.

The devotional and prayer was given by Mrs. Hill and a short business discussion was held.

Those present were Mesdames John Grohman, Virgil James, Pete Eoff, C. D. Wright, Winford Reel and Mrs. Hill.

The next meeting of the class will be March 21 in the home of Rev. and Mrs. Virgil James.

Jade is a green material found in talc, or magnesium silicate.

Belligerent when they first meet, Sammy Davis, Jr. (with cap) eventually becomes friendly with Ben Gazzara, his cell-mate, in Allied Artists' "Convicts 4," story of prison intrigue laced with humor, showing Friday and Saturday at the State Theatre.

Ernest Waddell, 69, Brother of Winters Man, Died Sunday

Funeral for Ernest C. Waddell, 69, retired Putnam postmaster, was held at 2:30 p. m. Tuesday at Wylie-Godfrey Funeral Chapel in Baird. Mr. Waddell died Sunday in the Big Spring Veterans Hospital after a long illness. Officiating was the Rev. Bill Crawford, pastor of Cisco East Side Methodist Church, assisted by the Rev. Stan Bevins, pastor of Putnam Baptist Church. Burial was in Ross Cemetery. The Masonic lodge conducted graveside rites and provided pallbearers.

Mr. Waddell was a brother of John F. Waddell of Winters. Ernest C. Waddell was born in Whitewright, Tex., Aug. 25, 1894, and moved to Abilene in about 1908. He went overseas during World War I, serving with the U. S. Army. He was married to Aura Clinton April 4, 1924, in Eastland, and moved to Putnam in 1926. He worked for the Humble Co. prior to going to work for the post office. Mr. Waddell was postmaster at Putnam for 29 years, and retired last Aug. 31. A graduate of Abilene High School, he attended the University of Arkansas. He was a member of the Baptist Church and affiliated with the Masonic Lodge.

Survivors beside his wife are a daughter, Aura Francis Waddell of Dallas; one son, Clinton of Putnam; one grandson; two brothers, Vernon P. of Houston and John F. of Winters; one sister, Mrs. Vona Scarborough of Houston.

Methodist Young People Attend Fellowship Event

The Brownwood District Methodist Youth Fellowship met in First Methodist Church, Ballinger, for their annual Sweetheart Banquet Monday evening (Feb. 18th) with 210 people attending. Churches represented included Ballinger, Bangs, Blanket, Brownwood First Methodist and Brownwood Central, Coleman First Methodist Church and Coleman Trinity, Comanche, DeLeon, May, Mullin, Norton, Santa Anna, and Winters.

The decorations were made by the young people of the local MYF, assisted by Mrs. Dankworth and Mrs. Eldon Holley. The banquet tables were laid in white covers with red crepe paper streamers entwined down the center of each table accented with red carnations placed around the red candles in crystal holders. The centerpiece were made of red and white styro-foam hearts decorated with red carnations. Red and white heart shaped program folders were in keeping of the setting. Main emphasis was placed upon the state for completing the Sweetheart theme. Here the background was formed by a white fence with red flowers entwined among the pickets. A huge white heart sprinkled with red flowers centered the stage for the presentation of each Sweetheart. The various churches had their own sweetheart and her escort. The Ballinger Sweetheart was Miss Janabeth Conner escorted by Wendel Underwood while the Winters Sweetheart was Miss Rosalene Scott escorted by Jerrell Elliott. Miss Dena Holley of Ballinger presented soft organ music carrying out the "sweetheart" songs during the presentations.

60 Attended FB Dinner Thursday

About 60 persons attended the victory dinner of the Runnels County Farm Bureau, following the annual membership drive. Hugo Vongelsang, president of the Runnels County FB, was master of ceremonies.

It was reported that 73 new members had been added to the county FB organization during the drive. Mrs. I. W. Conway was the most successful in signing up members, with 22; C. L. Howell and J. B. Terry Sr. were second with 19 each, and F. W. Brede-meyer third with 13 new members. Several workers had 5, 3 and 2 new members. The quota for the year is 870 with a goal of 885 members.

C. T. Parker Jr., Runnels County Agent, was introduced and spoke on the salt water pollution problem in this county and of the work that is being done to correct it.

Entertainment was furnished by Misses Linda Melton, Sherry Holstead, Carol Stubblefield and Kathy Flannagan singing several vocal numbers. Mrs. Maurine Earnshaw gave a recitation.

Class of 1964 To Take National Merit Tests

The National Merit Scholarship Qualifying Test will be administered to all members of this year's junior class in Winters High School, Robert Christian, principal, said this week. The test will be given at 9 a.m. Tuesday, March 5.

Students who will graduate from Winters High School in 1964 and enter college in the same calendar year must take the tests for scholarship consideration in the 1963-64 Merit Program.

To receive consideration, the student must take the test when it is offered in his school. A fee of \$1, payable on the day of the test, is required.

Awards in the Merit Program are granted on the basis of intellectual merit, but student financial needs determine the amount of individual stipends. The stipends are renewable each year without further testing.

A student's performance on the qualifying test also provides him with information that is useful in career planning or in selecting courses in high school and college, Christian said.

After the test, each participating student receives an interpretive folder prepared by Science Research Associates, the testing agency, that reports individual test results for comparison with scores of high school students across the country. Thus, Christian said, students can learn more about their educational strengths and weaknesses—whether or not they plan to attend college.

In addition to the awards made by the National Merit Scholarship Corporation, about 150 business corporations, foundations, and individuals give scholarships through the Merit Program. A considerable number of other scholarship agencies utilize the services of NMSC in awarding their scholarships.

NMSC was established in 1955 through grants from the Ford Foundation and the Carnegie Corporation of New York. An additional Ford Foundation grant to extend the Merit Program through 1970 was announced in April, 1962. In the period 1956-62, nearly 6000 students have received Merit Scholarship awards and thousands of other high-scoring students have been assisted in obtaining financial aid from other sources.

Eddie Little Gets Photography Award

Eddie Little, Winters photographer, has been awarded two more merits toward his Master of Photography degree by the Professional Photographers of America.

Little received the award for serving as print judge at the recent convention of the Professional Photographers Association of New Mexico, held in Albuquerque.

The panel of judges was made up of photographers from Texas, Oklahoma, Nebraska and Colorado. Members were selected on the basis of being considered experts in their field. Little was one of three men from Texas chosen to judge.

Approximately 200 prints made by New Mexico photographers were selected from a large number submitted. The public display of winning prints was placed in the Cole Hotel in Albuquerque.

Mrs. Little accompanied her husband to New Mexico. They returned to Winters last week end.

Heart Association To Select New Name For Organization

Selection of a new name for the San Angelo Heart Association, a fifteen county area heart association, has been announced by the president, Dr. Dwain Dodson.

Interested persons from Runnels County are requested to submit a name suitable for this association to the local Heart Fund chairman, Mrs. Louise Collins of Winters, Box 612 by March 15.

The counties included in the area organization are Coke, Coleman, Concho, Crockett, Irion, Kimbrell, Mason, Menard, McCulloch, Reagan, Runnels, Schleicher, Sterling, Sutton and Tom Green.

Blizzards Drop Bi-District Tilt To Seymour, 63-53

The Winters High School Blizzard basketball team held the high ground against Seymour for the first two periods in the bi-district basketball battle Tuesday night in Abilene, and trailed by a solitary point at the third. But superior height finally overcame the Big Blue cagers in the fourth period, and the Panthers went ahead to take the game 63-53.

The win for Seymour puts them in the running in the Region I-AA tourney slated for Saturday at Lubbock.

Herbie Russell, outside shooter for the Blizzards, tied with Leonard Peters of Seymour, for top-scoring honors, sinking 20 points.

Ronnie Dunnam sacked 17 for Winters and Sneed sank the ball for 9. Bedford was credited with 2 points, and Young with 5.

The Blizzards hit the floor running in the first quarter, and built up a 7-0 lead before Seymour realized what had happened, and took a 16-9 lead at the end of the first period.

Tommy Young hit the first five points for Winters, and Sneed added a counter for the Blizzards before Seymour bagged their first two-pointer.

The superior height of Panther guards prevented the Blizzards from getting a second chance on throws early in the game, but it made very little difference while the Winters cagers were running hot and the Panthers cold. However, when the Blizzards slowed down, the difference in inches began to take a toll.

The Panthers started to slip up from behind in the second quarter, after Winters' Dunnam doubled the score for the Big Blue at 18-9 on a pair of free throws.

Sneed and Russell each hit the basket to put Winters 22-14 in front, and then a shot by Seymour's Joe Ross sent the Panthers ahead, 25-24, with 35 seconds left in the half.

Russell then took two free tosses, to up the score to 26-25 for Winters with 28 seconds left. A jump shot by Peters put Seymour ahead, 27-26, with 11 seconds remaining.

Then Dunnam hit the hoop as the buzzer sounded to give Winters a halftime margin of 28-27. Seymour went ahead for good with 42-41 at the end of the third quarter, after a series of tie scores, 31-31, 33-33, 35-35 and 37-37.

The Panthers came out strong in the fourth, building up a five-point advantage. Winters sliced it to three at 46-43 and 48-45, but the Seymour cagers moved out six points ahead at 51-45 and then 53-49, but Seymour added up the counters for 59-49 before Russell was able to score for Winters with 1:27 left in the game.

Peters of Seymour made it 61-51 and then two free tosses left the final winning counter on the board for the Panthers, 63-51, with 18 seconds left. Dunnam did the last honors for Winters.

The Blizzards had ten basketball games wiped off their schedule due to the trip all the way to Class AA state semi-finals in football. They wound up the short cage season with a 15-5 record. In District 6-AA, they marked up a 8-2 record, with a play-off against Anson for the honor of representing the district in bi-district.

Winters High School Students Will Take NED Test Next Week

All ninth and tenth grade students in Winters High School will be given the National Educational Development test next week, Robert Christian, high school principal, announced this week. Cost of the test is \$1.00 per student.

The National Educational Development Tests are specifically designed to help the students understand some of their educational strengths and weaknesses, Christian said. Taking these tests will give the student an opportunity to learn how well he has developed certain fundamental skills and understandings that are basic to his success in life, he said.

The skills measured in the NEDT are fundamental, basic intellectual skills. English Usage, Mathematics Usage, Social Studies Reading, Natural Sciences Reading and Word Usage are the skills included on the test.

BRADSHAW NEWS

"True happiness is to understand our duties toward God and man . . ." Seneca.

Visitors at the night services at the Methodist Church Sunday were Carol Aldridge and Jim Smith of McMurry. Jim preached.

Visitors at the morning services at the Moro Baptist Church were Dianne and Ava Lois Allmand of Lawn. They sang the morning special which was "Mansion Over The Hill Top." Mrs. J. W. Allmand was at the piano. The special for the night services was "Rock of Ages Hide Thou Me," sung by Mrs. Jack Bedford and Clyde Reid and Mrs. Allmand was at the piano.

Carl Nowlin, Sherry Ward, Keith Griffith and Amye Justice all of Har-din-Simmons attended the morning and night services at the

Drasco Baptist Church. Carl lead the singing and Keith delivered the sermon for the morning services. They exchanged places for the night services. For the night special Carl and Sherry sang with Mrs. Dick Bishop at the piano. Following the night services a Fellowship gathering for the young people was held at the L. Q. Sneed home with Mrs. Robert Conner and Mrs. Sneed as hostesses. Attending were Carl Nowlin, Sherry Ward, Keith Griffith, Amye Justice, Clifford Lewis, Anda and Danna Bishop, Donna England, Randall Conner, Lewis Sneed. Cold drinks and cookies were served.

"Worship and Work" is the subject for next Sunday's Sunday School Lesson. The memory selection is: Jesus said to them, "My food is to do the will of Him who sent Me, and to accomplish His work." John 4:34. The following is by Thomas A. Langford. How does our worship affect our work? There is no use asking this question if we do not truly worship. This is the first requirement—love God! Prayer is the discipline of life that focuses us upon God and leads to communion with Him.

In worship we sense both the compulsion to serve and, equally important, the power to serve. The strength derived in worship makes it possible for us to come again and again to the tasks given to us. First we wait before God. Then we accept our tasks and receive the ability to go to our homes, our jobs, and our neighbors with the spirit of Christ.

TEXAS INDEPENDENCE DAY

Battles are great, not because of the number of men who participated, but because of their significance and because brave men fought for some cause or principle for which they were ready to give their lives.

This year on the 127th Anniversary of the battle of The Alamo we call to mind the courageous deeds of those who stood almost to the last man in one of the most epic battles of history. They were few in number, and they fought against great odds, but they won eternal fame.

The fight for independence never ends. Today, and always, we must guard against the forces from within and from without which imperil our liberty and our right to live as free men in a land of free institutions.

Mrs. W. E. Puckett Honored On Her 80th Birthday At Her Home Sunday

Mrs. W. E. Puckett, known as Miss Mollie, was honored on the occasion of her 80th birthday with a reception held at her home on Sunday.

Hosting the event were her two daughters, Mrs. Eunice Simons and Mrs. J. B. Denson of Wilmett. A granddaughter, Sharon Denson, served the birthday cake and punch from a lace laid tea table which featured an arrangement of white mums.

Among the 135 guests who registered were a 78-year-old friend, of Lubbock, Mrs. Willie Ensor, whom she has known for 54 years, and a sister-in-law, Mrs. Beulah Partlow, 84 years old, of Abilene. A foster son, J. E. Ensor and Mrs. Ensor of Dallas were also present.

Mrs. Puckett plans to attend Mrs. Ensor's birthday party on March 8 and Mrs. Partlow's on March 11.

The former Mollie Law was born in Williamson County, near Taylor on February 22, 1883, and moved with her parents to Runnels County, settling near Pumphrey in December of 1899. She was married to Mr. Puckett in February, 1901, and they bought a farm near Wingate where they lived for many years. Mr. Puckett died on Dec. 24, 1938 and Mrs. Puckett moved to Winters in 1942.

Her greatest hobby is visiting, especially her 8 grandchildren and 15 great grandchildren. And while there her time is spent in crocheting house shoes and making "tea cakes" or cookies. She has been known to bake cookies at 10 o'clock at night if the supply is exhausted and there is a demand.

Literary, Service Club Meeting Held In Sims Home

"Table Settings and Appropriate Decorations" was the theme of the program when the Literary and Service Club met Thursday in the home of Mr. and Mrs. Floyd Sims.

Mrs. Sims was in charge of tables set with china, silver and centerpieces to suit the occasion, either casual or formal.

During the business session Mrs. Thormeyer and Mrs. Hoick were elected delegates to the District meeting of Federated Clubs in Ozone March 25 and 26.

The Club discussed the Spring Fashion Show "Buds and Blossoms" to be presented in the High School Auditorium on the night of March 13.

Those present for the meeting were Mesdames Loyd Roberson, Martin Middlebrook, Ernest Thormeyer, A. W. Hoick, H. A. Stanford, Earl Dorsett, Mrs. Sims and a visitor, Mrs. Choate.

Nan Wright Circle Met In Neely Home Tuesday, Feb. 26

Nan Wright Circle of the First Methodist Church met in the home of Mrs. Gattis Neely, Tuesday at 9 a.m. Circle chairman, Mrs. Frank Mitchell presided.

Mrs. J. D. Vinson gave the devotion reading scriptures from I Timothy. The study led by Mrs. Parramore was "Who Cares" and an open discussion was held on "Care for the Aged." Parts of program were given by Mrs. Elmo Mayhew, "And You Visited Me"; and Mrs. Parramore gave "And I Have To Give Something."

The meeting was dismissed with a prayer by Mrs. F. R. Anderson. Coffee was served to Mesdames C. E. Briley, Francis Strickland, F. R. Anderson, E. L. Crockett, A. Vater, Clarence Hambright, J. D. Vinson, G. E. Wilson, W. W. Parramore, W. E. Mayhew, Frank Mitchell and Gattis Neely.

Fan Club Organized For Recording Artist

A Fan Club has been started for Davy O'Connor of Kewanee, Illinois Young Country and Western recording artist. Davy is married to the former Mariene Smith of Route 3, Winters.

Since the release of his latest recording "5 Steps Behind" for an Abilene small record company many song publishers and writers have widely acclaimed his different and smooth manly singing style, and have predicted that he will be the next real big country and western recording star.

The President of the Davy O'Connor Fan Club is Brenda Crum, 309 Sparta St., Wataga, Illinois, and area people interested in joining it can write to her.

Adams-Robbins Wedding Vows Repeated In Collinsville Recently

Mr. and Mrs. Herman Ray Adams are making their home in College Station following a wedding trip to points in Oklahoma. The couple was married in the Miller Memorial Church at Collinsville.

The bride is the former Miss Alice Robbins, daughter of Mr. and Mrs. J. W. Robbins of Collinsville. Mr. Adams is the son of Mr. and Mrs. Herman J. Adams of Winters.

The Rev. Hugh E. Newsome Jr. officiated before an altar banked with palms and tall candelabra. The bridal aisle was marked by white satin bows. Mrs. Leslie Bud of Collinsville, pianist accompanied Mrs. Ben Meith of Glen Rose who sang "O Promise Me" and "The Lord's Prayer."

The bride was given in marriage by her father. She wore a formal gown of white satin fashioned with a scoop neckline and long sleeves tapered to points at the wrist. Tiny covered buttons fastened the back of the bodice and the bell-shaped skirt, accented by a tier of scallops, extending into a chapel-length train.

Her shoulder length veil fell from a princess crown of seed pearls. She carried a white Bible with a white orchid bouquet showered with love knots.

Mrs. Larry Brookshire, cousin of the bride, was matron of honor and Miss Loreta McWhorter was bridesmaid. Mrs. Brookshire wore a dress of sea blue satin designed with scoop neckline, brief sleeves and a semi-bell shaped skirt. The bridesmaid wore a dress of pale blue satin of similar design and both carried bouquets of blue carnations with white satin streamers.

Tonya Ann Moore of Abilene, niece of the bride groom, and Dolores Ann Robbins, sister of the bride, were flower girls. They wore identical dresses of baby blue satin trimmed in lace.

Teddy Bigham of Winters was best man and James Schroeder of Winters was groomsman. Pete Sosebee of Abilene, nephew of the bridegroom, and Michael and Johnny Robbins, brothers of the bride, were ushers. Mike Sosebee of Abilene and Ronald Robbins, brother of the bride, were candle lighters. Reginald Robbins, brother of the bride, was ring bearer.

A reception was held in the educational building of the church. The bride's table was laid in a white cloth over blue linen centered with an arrangement of white carnations and a miniature bride.

Miss Mary Ann Huffler of Honey Grove presided at the punch bowl and Miss Beth King served the four-tiered wedding cake. Miss Alice Robbins of Sherman, aunt of the bride, registered the guests.

Mrs. Adams has been employed by the General Telephone Company and Mr. Adams is working toward a master's degree in Biochemistry at Texas A & M College.

a National Seashore of Padre Island. But the Harlingen representative's bill passed by a 126-19 vote. A slightly-different version of this proposal, one by Sen. Bruce Reagan of Corpus Christi, already had passed the Senate. It is expected that the first bill to get committee approval by the other chamber will go to a joint conference committee. Some coastal legislators were hoping the matter will be settled in time for April consideration by Congress, where appropriations must be made to finance the purchase of privately-owned land on the island.

COUNTY BUILDING HIKE OKAYED

A bill by Rep. Vernon Beckham of Denison, designed to solve a local problem, may prove helpful for rural counties.

It would allow county commissioners' courts to spend up to \$200,000 for county buildings outside the county seats. Present law limits this expenditure to \$150,000. Bill was passed by the House, 143-0.

County seat of Grayson County is Sherman. But Denison—in the same county—is almost as big and as busy. Therefore an adjunct county courthouse building is under construction there. Building and property costs have risen so that the Denison courthouse can't be finished until the increase is authorized.

COMMITTEES BUSY

Senate and House committees have accomplished quite a bit—either by positive or negative action—to settle some legislative issues.

They have given a green light to a bill to raise the age ceiling from 14 to 16 on the state's program of aid to dependent children (an effort to keep needy children in school).

Given a friendly reception to the bill by Rep. W. H. Miller of Houston to require seat belt anchors in all new cars sold in Texas.

Given cool reception to a series of Senate-proposed constitutional amendments and bills designed to revise—and eventually eliminate—the state property tax, and leave it to local units of government.

Approved a Senate bill to set up a new school for mentally-retarded children in Corpus Christi. Another bill to create a similar school somewhere west of the 100th meridian in West Texas is set for a Senate committee hearing on March 20.

BUDGET HEARINGS

In two quiet rooms in the Capitol and one in the Sam Houston State Office Building, budget hearings are grinding toward an end by the Senate Finance and House Appropriations committees, and by Governor Connally's budget staff.

These groups have the most influence on how the state's \$3,000,000 income will be spent in the two years starting September 1.

Their figuring will determine whether the hearings by the House Revenue and Tax committee eventually will turn into serious consideration of bills for sales tax revisions.

It's very likely that the first bill to increase taxes will be one revising the exemption on outer clothing under \$10, and other items, to raise sales tax revenue by \$10,000,000 a year.

COURT RULES ON SAFETY LAW

Col. Homer Garrison Jr., director of the State Department of Public Safety, cautioned drivers of publicly-owned vehicles that they must comply with the provisions of the state's responsibility law.

Garrison said that a recent ruling by the Waco Court of Civil Appeals confirmed the fact that the law must be complied with by drivers of publicly-owned vehicles. The safety responsibility law requires everyone involved in an accident to show his ability to pay for damages caused to others.

This can be done by purchasing a liability insurance policy by obtaining written releases from damaged persons; or by depositing cash in the amount of damages with the Department of Public Safety.

House Committee on Insurance has approved a bill by Rep. Robert Fairchild of Center which would strengthen and stiffen the safety responsibility law. Under this bill, if anyone failed to prove financial responsibility, the DPS could take his driver's license, as well as his car license plates.

GOVERNOR'S APPOINTMENTS

Governor Connally has made these new appointments: Everett Fulham of Lubbock has been named to the State Securities Board.

Appointed to the Board of Regents of State Teachers Colleges are Clayton Heare, Amarillo; Otis Lock, Lufkin; and Dr. Jose San Martin, San Antonio.
