Ex-Runnels County Woman Died In Houston Monday

Mrs. Lela Northington McAdams, 82, former resident of Winters, died at 3:30 p.m. Monday in the Methodist Hospital in Houston. She had been ill since Jan. 19.

Funeral was held at 2:30 p.m. Thursday in Newby-Davis Funeral Chapel at Ballinger with the Rev. R. B. Twitty, pastor of First Presbyterian Church U. S. officiating. Burial was in Evergreen Cemetery.

Mrs. McAdams was born March 2, 1881 at Buffalo Gap, the daughter of the late Mr. and Mrs. K. V. Northington Sr. They moved from Buffalo Gap to Abilene, where they lived for several years.

She was one of the three members of the first graduating class of the San Angelo High School. She taught school for a number of years.

Her parents moved to Ballinger in the early 1900's and she married John Q. McAdams in Ballinger, July 20, 1908. She lived in Winters for a time but made her home in Ballinger for 35 years before moving to Houston seven years ago.

Her father was in the real estate business in West Texas for many years.

She was a member of First Presbyterian U. S. Church in Ballinger and was active in club work and church work. She was a member of the Ballinger Shakespeare Club for many years. Her mother was president during the early years of the club, which was organized in 1896.

Survivors are one son, John Q. McAdams Jr., of Houston; two daughters, Mrs. George H. Moore of Houston and Miss Marjorie McAdams of Big Spring; one brother, Marshall Northington of Ballinger; one sister, Mrs. Henry G. Jones of Big Spring; five grandchildren and two great-grandchildren. Another brother, K. V. Northington Jr., former postmaster of Ballinger, died in 1961.

Brownie Troop Six Donated Book To Public Library

Brownie Troop 6 held the regular meeting Thursday February 28, at the Winters Public Library. Mrs. Douglas Cole read stories to the group.

During a short business session it was decided to donate a book to the library as a thank you gesture to all who bought cookies from the troop.

Jerrilyn Ward served nibbles to Delores Arnold, Brenda Blackerby, Becky Brown, Karla Brown, Lou Ann Cole, Susan Easterly, Vickie Gossett, Helen Tinney, Cecile Faye Sentz, Karla Hall, Dianne Sheppard, Patricia Hill and the leaders Mrs. Ed Hall and Mrs. Griff Brown.

Visitors were Miss Myra Glover, Susan Ward, Debbie Compton, Mrs. D. Cole, Mrs. Jerry Ward, Keith and Karen Hall.

The troop held another regular meeting at the Scout Hut Tuesday March 7, and decided not to meet on Thursday and count Tuesday as their regular meeting.

Mrs. Garland O'Dell presented the program on "social graces." Brenda Blackerby served petit fours and punch to Delores Arnold, Becky and Karla Brown, Lou Ann Cole, Susan Easterly, Sylvia Costella, Vickie Gossett, Karla Hall, Patricia Hill, Dianne Sheppard, Cecile Faye Sentz, Helen Tinney, Jerrilyn Ward, Mrs. O'Dell, Tony and Bryan, Mrs. Neut Blackerby and Kelly, Mrs. Ed Hall, Karen and Keith and Mrs. Griff Brown.

"The Pigeon That Took Rome" The funny side of wartime spying is explored in Paramount's new romantic comedy, "The Pigeon That Took Rome," which shows Thursday, Friday and Saturday at the State Theatre, with Charlton Heston and Elso Martinnelli in the starring roles and Harry Guardina, Baccaloni, Gabriel-

la Pallotta, Brian Donlevy and Marietto co-starred. The Melville Shavelson Panavision production, which was written for the screen and directed by Shavelson, is based on the best-selling novel, "The Easter Dinner" by Donald Downes. All the exterior shots of the picture were filmed in Rome to guarantee authenticity of background (if not of fact) in the telling of the misadventures of two American soldiers, totally untrained as spies, who are sent into the German-occupied city shortly before its liberation in 1944. Their mission: to send information back to their commander regarding the Nazi defenses. Before they accomplish this they become involved with the two lovely daughters of the leader of the Resistance organization with whom they are billeted and with whom they plot some mighty peculiar espionage endeavors.

Wounded Steve McQueen and co-pilot Robert Wagner fight to keep their crippled B-17 alive in "The War Lover," new Arthur Hornblow production based on the John Hersey novel. The Columbia release also stars Shirley Anne Field. Shows Sunday, Monday and Tuesday at the State Theatre.

COME BACK, LITTLE PIGEONS! Shown above in a pigeon-chasing scene are four of the stars, left to right, Elsa Martinelli, Charlton Heston, Gabriella Pallotta and Harry Guardina, of Melville Shavelson's Panavision production, "The Pigeon That Took Rome," which is scheduled to show at the State Theatre Thursday, Friday and Saturday. Shavelson performed triple-threat versatility by writing, producing and directing the Paramount comedy spoof of World War II spying. Based on a best-selling novel by Donald Downes, the picture also stars Baccaloni, Marietto and Brian Donlevy.

STATE CAPITAL HIGHLIGHTS

Governor Proposes Sales Tax Include All Clothing, Farm Implements, Food

By Vern Sanford
Texas Press Association

Legislators have received two proposals for spending the state's money during the two years starting September 1.

One came from Gov. John Connally, the other from the House Appropriations Committee.

Governor Connally's suggestions marked the first time a new governor had tried to work out a budget after taking office. In his message he dealt in detail with 19 of the major state departments. These are mainly the ones over which the Legislature has direct control.

Connally trimmed fat out of some agencies to provide new money for others. His stress came on higher education. Here he suggested \$14,000,000 worth of salary increases for faculty members and more research and library facilities, as a means of holding good professors and attracting new ones.

To finance his program, Connally suggested that the "temporary" corporation franchise surtax, which has been extended twice before, be retained. It would provide about \$11,000,000 a year. He also suggested that the 1961

sales tax law be revised to begin taxing clothing under \$10, farm implements and all sales of food by restaurants, and to raise the sales tax on cars and trucks from 1.5 to 2 per cent.

Clothing tax proposal would bring in \$10,000,000 a year. Motor vehicle tax increase would provide \$2,500,000. Farm implements tax would run \$1,000,000.

Fire quickly developed from rural legislators over the proposed farm implements tax.

Both Connally and the House Appropriations Committee proposed expenditures totaling about \$3,100,000,000 during the coming two years.

Before Connally laid out his proposals to the Legislature, he invited Texas newspaper editors to Austin to show them how the state's complicated fiscal structure works. His "illustrated lecture" revealed that the Legislature has actual control over only 15 per cent of the \$3,100,000,000. Rest already is earmarked by constitutional and statutory provisions.

WILL FARMERS FOOT EDUCATION BOOST?

When Rep. Don Garrison of Houston spread before the House Revenue and Taxation committee his bill to boost the Available School Fund by \$3,000,000 a year, a spokesman for Texas farmers and ranchers registered a strong protest.

Garrison plans to get the additional \$3,000,000 by amending the state law that allows a 98 1-2 per cent exemption refund from the State Motor Fuel Tax for gasoline not consumed on the highways. His bill would cut the refund to 73 1-2 per cent.

That 25 per cent cut then would

be credited to the school fund.

Charles H. Huff of the Texas Farm Bureau said almost half of the new school fund money—about \$1,500,000 a year—"would be coming out of the pockets of farmers and ranchers."

They get motor fuel refunds of about \$5,700,000 a year—or 49.11 per cent of the usual total refunded. Much of their refund comes from motor fuel taxes paid on farm machinery.

Airlines and private plane owners, who get about 30 per cent of the refunds, would be the second biggest contributor to education under Garrison's bill.

Four members of the subcommittee named to study the bill are from ranch or farm country—Reps. George Cook of Odessa, Ben Barnes of DeLeon, William Davis of Midland, and James L. Slider of Naples. Rep. F. Lee Duggan Jr. of Houston is the fifth member.

HOUSE VACANCY ELECTION

As soon as government officials began recovering from the shock of the news of the sudden high-way death of Rep. James L. Lattimore of Corpus Christi, they began studying the election code to see what must be done about filling the seat he left vacant in the House of Representatives.

Customarily, if a vacancy occurs in the legislature when it's not in session, the governor leaves the calling of a special election up to local officials.

But since the 58th Legislature will be in regular session until May 27, Governor Connally is expected to move fast to provide Nueces County with a needed voice in legislation. A late-April election date has been predicted.

Law states that the governor must call an election within 20 days. But it also provides that candidates must file 30 days before the election.

Last time a tragic death crippled the Legislature was on March 23, 1957, when the late Charlie Heitmann, representative from the Nacogdoches area, died. Gov. Price Daniel gave election notice on March 28 of that year. A new representative was elected in May in time to spend some three weeks with the 55th Legislature.

MINERAL ESTATE TAX PROPOSALS

Proposals to set up tax procedures on mineral estates, severed from the land, have been filed by Reps. Emmett Lack of Kountze and Clyde Haynes of Vidor.

Proposals are part of a package that should be favored by small-tract landowners and independent oil and gas producers.

One piece of the package is a constitutional amendment to increase the Railroad Commission from three to five members.

Second would give the Legislature the authority to "establish the duration of any interest in an undeveloped mineral estate."

Texas Landowners and Independent Oil & Gas Operators Association contends that some major oil companies hold onto undeveloped mineral interests for an unreasonable length of time.

Two other bills by Lack and Haynes are aimed at forcing development of mineral interests:

One provides that mineral interests would revert to the owner of surface land if no development attempt is made for 10 years.

Second provides for a county tax assessment of no less than \$5 an acre, if the mineral estate isn't developed.

Rep. Bob Bass of DeKalb proposes a 25-cent minimum tax assessment on each acre of undeveloped mineral estates.

STRONG SUPPORT FOR SCREWORM BILL

Rep. Jack Crain of Nocona had 50 co-signers lined up when he introduced a bill to provide \$2,840,837 as the State's matching share of the \$12,000,000 federal-state-private screwworm eradication program.

Since it is backed by Governor Connally's strong recommendation the bill should be off to a good start.

But the House Appropriations Committee didn't include a provision for screwworm eradication in its 300-plus page appropriations bill.

BLANKET HOSPITAL BILL

Last November, Texas voters decided to let the Legislature authorize the creation of hospital districts. Already many bills have been filed to create individual districts.

Now Rep. H. G. Wells of Tullia proposes legislation to give every county the right to create a hospital district within its own boundaries.

"Scene Changers" On Home Fashions Shown On Thursday

Many women of the Winters area attended "Scene Changers", an exciting new program on Home Fashions presented by the Literary and Service Club in the First Methodist Church Parlor Thursday afternoon.

Guests were greeted by Mrs. J. C. Jarrell and refreshments were served from a table laid with a hand drawn linen cloth, centered with cut flowers. Mrs. E. E. Thormeyer presided at the silver service, assisted by Mmes. H. A. Stanford and Max Lewis.

Mrs. Loyd Roberson was the commentator for the color slides from the Celanese Corporation of America. All the room settings were taken from the 200 settings at the National Design Center in New York City. These included "Scene Changers" for bedrooms, TV rooms, bathroom, dressing room, formal dining room, dining alcove and a dining pavilion opening onto a garden.

Mirrored walls were shown as a suggestion for enlarging small space. Unusual color combinations such as blue and green, or red

LICENSE PLATE PRICE HIKE ASKED

Sen. Criss Cole of Houston proposes to increase the annual motor vehicle registration fee by \$1 with the income going to our state parks.

If the Legislature approves Cole's license plate cost increase, the question will be submitted to voters at the general election of November, 1964.

MOTOR EXPRESS SERVICE PROPOSED

Sen. Franklin Spears of San Antonio has introduced a bill to expedite freight shipments in Texas.

Bill permits the creation of a special class of motor vehicle carriers to be known as "Restricted Motor Express Common Carriers."

and pink were pleasing. Scenes showing the treatment of odd-sized or misplaced windows were most helpful.

Dorothy Draper, Internationally famous designer for Color Consultant, and Ready-made Furnishings co-starred with Mrs. William C. Hammer, Director, Consumer Relations Celanese Fibers Company, in the selection and styling of fabrics color for the home.

Heidenheimer's had a display of Celanese drapery material with matching bedspreads and pillows. Quilted chintz, shower curtains, and bath sets were displayed for the bathroom. Other celanese fabrics were shown and the store gave a dress length as a door prize with Mrs. James C. Colburn being the lucky person.

Mrs. W. F. Lowe, of Heidenheimer's, was present to answer questions concerning materials and Ready Made Draperies and Bedspreads.

UNION PACIFIC supplements its revenues from its well-balanced rail freight business with income from oil and gas production, and dividends from extensive investments—both rail and non-rail. Numerous parcels of land are owned in California, Colorado, Wyoming, and elsewhere.

NORTHERN PACIFIC serves the Pacific Northwest and the northern tier of states. Freight is diversified among manufactured goods, crops, forest products, oils, minerals. Land grants total over 2 million acres.

CANADIAN PACIFIC RAILWAY combines a vast transportation empire with a virtual kingdom of natural resources. Its transportation system spans from Asia to Europe, and includes steamship, air, and truck lines; plus hotels and a telecommunication system. Its natural resources include 51 per cent control of CONSOLIDATED MINING & SMELTING COMPANY, ownership of 1 million acres of land, and mineral rights to about another 10 million acres, mostly in Alberta.

Steel Companies
The steel industry also is under the pressure of rising labor

LITTLE DOLL—When a little girl wants to pretend she's just like mom these days, not only are lipstick and high heels a must, but a wig is included also. Amanda Northcote, of London, England, right, feels top of twin sister Vanessa's head and notes that wigs are kind of stiff.

costs. Nevertheless, the fundamental nature of this industry enables steel companies to increase their earnings.

The largest steel producer in the world is U. S. STEEL. The scope of its activities extends into mining, shipping, metals fabrication, and the production and distribution of cement and nitrogenous chemicals. Other properties provide manganese, coal, and limestone. Increasing emphasis is being placed upon taconite mining and facilities. Estimated domestic iron ore reserves are close to 1 billion tons in the Lake Superior region and in Alabama and Utah. Company holds foreign reserves of over 1 billion tons in Canada and Venezuela.

REPUBLIC STEEL is another domestic steel producer, specializing in alloys and stainless steel. Reserves of iron ore and coal are sizeable. Republic owns 50 percent of Reserve Mining Company, which supplies a large portion of its iron ore needs in the form of taconite pellets. It also holds an interest in Iron Ore Company of Canada. A considerable amount of money is spent for research, emphasizing heat-resistant high-tenacity steel products for missiles and rockets.

BETHLEHEM STEEL CORPORATION constitutes the nation's second largest integrated steel producer. In 1962 ingot production came to 14.7 million tons, or about 15 per cent of the industry output. Light steel products recently accounted for about 65 percent of sales. Company is also the largest U. S. shipbuilder. Capital expenditures in 1962 amounted to \$193 million, with \$373 million additional authorized on December 31, 1962 and about as much again scheduled through 1965. Company has increased output of pelletized high-grade ores and has extensive iron ore, coal, and limestone reserves.

CLEVELAND CLIFF IRON MINES should also be included in my list. In addition to its own properties it has large interests in other steel companies, and railroad and fleet transportation connections.

Taxpayers Are Responsible For Return Entries

Ellis Campbell, Jr. of Internal Revenue, has reminded taxpayers that they are responsible under law for all entries and supporting documents in their Federal tax returns, no matter who prepares the return.

The tax advisor, whether he is an Internal Revenue employee or a private practitioner, can rely only upon the information furnished by the taxpayer. His primary purpose is the transfer of information from the taxpayer to the proper places on the tax form.

Taxpayers seeking professional help should review last year's return and read current instructions before gathering information for the advisor. Frequently, a deduction or item of income is missed because the advisor was not furnished the necessary information by the taxpayer.

Regardless of who prepared the return, the responsibility for filing the return and liability for any underpayment, interest and possible penalties are the taxpayer's.

deduled through 1965. Company has increased output of pelletized high-grade ores and has extensive iron ore, coal, and limestone reserves.

CLEVELAND CLIFF IRON MINES should also be included in my list. In addition to its own properties it has large interests in other steel companies, and railroad and fleet transportation connections.

Funeral Rites For R. L. Howard Held At Baptist Church

Funeral service for R. L. Howard, 66, was held at the First Baptist Church Sunday afternoon at 2:00 o'clock, with the Rev. B. T. Shoemaker, pastor of the church, officiating. He was assisted by the Rev. Virgil James, pastor of the Southside Baptist Church.

Burial was in Lakeview Cemetery, under the direction of Spill Funeral Home.

Mr. Howard died at 6:10 Friday morning in the Winters Municipal Hospital where he had been a patient for the past few weeks.

Native of Texas, Mr. Howard, was born June 18, 1896 at Beauty. He married Elizabeth Price November 3, 1916 at Sweetwater. The couple moved to Winters in 1935, from Hico, and he was employed for several years as a night-watchman for the city of Winters.

Later he was a guard at Winters Manufacturing Company and the Atlas Missile site east of town until his retirement about two years ago.

Surviving are his wife; two sons, Shirley and Bill of Winters; three daughters, Miss Helen Howard, Mrs. W. E. Clift, both of Abilene and Mrs. Dee Belew of Odessa; a sister, Mrs. Jimmie Lovell of Hico; six grandchildren and five great grandchildren. A son, Earl Howard, died here in 1951.

Pallbearers were Ben Aldridge of San Angelo, Don Atkins of Balingier, Herman Baker Sr., Bob Loyd, Joyce Wilkerson, Dr. Henry McCreight, Ralph Burns, Guy Seals, Johnny Wilson and Joe Baker all of Winters.

Winters VA Teacher Married At Mason Saturday, March 2

Marriage vows were repeated Saturday morning March 2, in the First Methodist Church in Mason, uniting Mrs. Brenda Grimsley Stephenson, daughter of Mr. and Mrs. B. F. Grimsley, and Mr. Kenneth Durst of Winters.

The bridegroom is the son of Mr. and Mrs. Wilbur Durst of Mason.

The Rev. Joe Ader, pastor of the church, performed the double ring ceremony at 11 o'clock before an altar flanked by tall baskets filled with yellow gladioli.

Wedding music was presented by Mrs. Arch Carter, organist.

The bride's dress was spring green silk shantung with lace bodice, scooped neckline and three-quarter length sleeves. She wore a matching head dress with a short veil and carried a bouquet of white orchid surrounded by lilies of the valley.

Mrs. Bobby Don Durst was matron of honor. She chose a silk shantung dress of sunshine yellow and carried a nosegay of miniature yellow roses.

Arlee Leifeste of A. & M. College, cousin of the groom, was best man.

Following the ceremony luncheon was served at the Hill Top Diner to the wedding party, relatives and a few close friends.

The bride is a Mason High School graduate and attended San Angelo Junior College. She has been employed for two years as office deputy in the Mason County Sheriff's office.

Mr. Durst graduated from Mason High School and A. & M. College. He is a member of the Winters High School faculty, teaching vocational agriculture.

Following a short wedding trip, Mr. and Mrs. Durst and Jeffrey Lee, age two years, are residing in their new home on Hamilton Street in Winters.

The bride was honored at several pre-nuptial social affairs in Mason.

JUST LIKE OLD MAN RIVER

Buy a truck that does its work without yellowing all the time, buy a "new reliable" Chevrolet.

You have to take care of it; it's a machine. But Chevrolet's full-time activity. The clear idea is that Chevrolet works for you, not vice versa.

The way to build such a truck is to put more quality into it. For example, Chevrolet doesn't build one type of suspension system for all sizes of trucks. Chevrolet designs suspension systems to fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense?

Conventional pickups have double-wall construction in cabs, doors, lower side panels. Roofs are insulated. Body floors are select wood, not metal. Tailgate chains are wrapped in rubber. If you'd like to examine or drive a new '63 Chevrolet truck, just call us. We'll be right over.

Winters, Texas

Dr. J. W. Dixon, Longtime Area Doctor, Succumbs

Dr. J. W. Dixon Sr., 83, North Runnels County physician for many years, died at 12:30 p.m. Tuesday in Winters Municipal Hospital. He had been hospitalized since Dec. 18.

Funeral services were held at 10 a. m. Thursday at the First Baptist Church, with the pastor, the Rev. B. T. Shoemaker, officiating, assisted by the Rev. W. T. Hamor of Abilene. Burial was in Fairview Cemetery, under direction of Spill Funeral Home.

Dr. Dixon was born in Viola, Ark., July 13, 1879. He was married to Mary Elizabeth Longley June 19, 1910, in Amarillo, and the couple lived for one year at the XIT ranch headquarters at Bovina. They then moved to Wingate, where he practiced medicine until 1921, when they moved to Winters.

He remained active in the medical profession until his retirement a few years ago. Mrs. Dixon died Oct. 2, 1962.

Dr. Dixon was a member of the First Baptist Church, the Winters Masonic Lodge, a charter member of the Winters Lions Club, chairman of the board of directors of the Winters State Bank, and a past president of the Chamber of Commerce.

Survivors include four sons, Henry of Cuyahoga Falls, Ohio; Dr. J. W. Dixon Jr., of Waco, Harold of Dickinson and Gerald of Concord, Tenn.; eight grandchildren; two half-sisters, Mrs. Oscar Robinson of Long Beach, Calif., and Mrs. Floyd Morrison of Greer.

Pallbearers were Duncan Hensley, Rev. Ray Elliott, C. C. Benson, Gattis Neely, Raymon Lloyd, D. W. Williams, Truitt Billups and C. R. Kendrick.

Honorary pallbearers were Dr. C. T. Rives, Dr. H. H. McCreight, Dr. T. V. Jennings, members of the board of directors of the Winters State Bank and deacons of the First Baptist Church.

Little Honored By West Texas Photographers

Eddie Little, local photographer, was honored by members of the Central and West Texas Professional Photographers Society at an area meeting in Abilene on Sunday.

Little, who was instrumental in organizing the association and who served as its first president, holding that office in 1957 and in 1958, was awarded a past president's plaque in honor of his services. Little is now serving as a director of the organization and is also a member of the board of directors of the Texas Professional Photographers' Association. He is one of the five men in the state who have been given the National Award by the Professional Photographers of America for outstanding work and service.

The annual print award for 1962 was also presented to Little by the current president, Frank Homme of Breckenridge. Winner of the print award is determined by comparing points for top prints displayed at meetings during the year. Runners-up were Homme, and Frank Brandon of Big Spring.

Others receiving past president's plaques were Hugh Capps of Coleman, 1959; Jim Bean of San Angelo, 1960; George Etz of Sweetwater, 1961; and Henry Cole of Abilene, 1962.

Subject of print competition, the first of the 1963 series, was a portrait of two children under ten years of age. Winners were Homme, Brandon, and Little, who used a picture of Guy and Phil Gosh of Houston, grandsons of Mr. and Mrs. Herman Spill.

John C. Maxwell of Hobbs, New Mexico, presented a program on "Portraits of Men." He stressed the importance of making quality prints of outstanding men in the community.

Approximately 50 photographers and their wives from Breckenridge, Cisco, Goldthwaite, Ballinger, San Angelo, Big Spring, Sweetwater, Stamford, Abilene and Winters were present for the meeting.

Home Town Talk--

(Continued from page 1)
... while maintaining an academic standing second to none. The Winters schools have the enviable reputation of being among the best in the state.

What would seem to be a total disregard for the public's right to know what their elected public officials are up to, is mirrored in the action taken by a State Senate committee recently when they killed a proposal to require all legislative proceedings to be opened to the public. As a Houston publisher told the committee in hearings, "The people's best defense against the unwise and capricious use of power of any sort is the right to scrutinize the actions of those who exercise that power."

All of which prompts our old friend out on Bluff Creek to comment that many elected officials may feel that what little information on their activities is allowed to leak out causes enough trouble that if the public really knew everything, it would create havoc for someone at the polls next election time.

Winters Woman Will Attend WTU Women's Institute

Mrs. Marvel Hensiee of the Winters office of the West Texas Utilities Co. will be among the more than 150 WTU women personnel from the 50 county service area who will be in Abilene March 15 to attend the ninth annual West Texas Utilities Women's Institute. "Look of Freedom" will be the theme of the 1963 Institute.

This event is attended each year by women employees of WTU, employed as secretaries, stenographers, cashiers, bookkeepers and clerks.

Mary Jo Craig, Secretary to Vice President J. F. Longley, is General Chairman of this year's meeting. Morning Session Chairman is Mildred Williams, bookkeeper from Stamford. Afternoon session chairman is Helen Hampton, cashier and bookkeeper from Marfa. Evening Session Chairman is Alice Bracy, clerk-secretary, Childress.
