SCHOOL BUS SAFETY . . . Sheriff Dee Clements points to the sign on the back of a Muleshoe School Bus that definitely says vehicles must stop while the bus is loading or unloading pupils

Superintendent Neal Dillman has been getting more and more reports of motorists not stopping for the busses. It is against the Texas law to pass a school bus from either direction when the bus is stopped and the flashers are on. Bus drivers are authorized to turn in car tag numbers of any violators and then the drivers can file charges on the guilty party. Many tickets have already been given to various motorists in this area here lately.

Mules Are Handed First Season Defeat

Friday the 13th evidently cast its spell on the Muleshoe Mules Friday night as they lost their first game of the season to the Morton Indians. The final score was 27-20. The previously undefeated Mules apparently had their minds somewhere else when the Morton Indians romped over them. Morton had not won a game all season.

With three seconds left in the game, a Morton player hauled in a misguided Long pass and ran 65 yards for the capping Morton Touchdown. The homecoming Morton crowd ran onto the field with three seconds to play, preventing the extra point attempt. The Mules ran for 298 yards rushing, while the Indians ran for 286. In the passing game, Morton did not gain a yard in passing while Muleshoe gained 45 yards. Next week the Mules go into conference play with the Dumas Demons here in Muleshoe.

The 1972 school term is now into the second six weeks period and many "grown-ups" still haven't learned not to pass school busses. Neal Dillman, Superintendent of Schools, is quite concerned about the lack of judgement some people use when coming upon a school bus. The bus drivers have reported a jump in the number of motorists not stopping for the school bus unloading or loading school children during the day. In 1971, the 62nd legislature passed a new law concerning motorists and school busses. The state law states that in both city and rural areas, motorists moving both directions on the same roadway with a school bus are required to stop and REMAIN stopped as long as the flashing lights on the bus are in operation. The old law required drivers to stop for a school bus, but could then proceed around it at a speed of not more than 10 miles per hour. This law does not require those vehicles on another roadway of a divided highway to stop, and

stops are not required if the bus has stopped in a loading zone of a controlled access highway where pedestrians are not permitted to cross. Provisions of this law will be strictly enforced to afford maximum protection to the school children of Texas. Dillman pointed out that "Due to the fact that there are more and more violations being reported, the school and parents should be concerned with the safety of our youngsters. We have no alternative but to file on the offenders when they break the law". School bus drivers have the authority to take down tag numbers from vehicles that break this law and to turn them in to the law enforcement officials. These drivers can also file charges on the offender who would then be liable for a fine or other lawful punishment. People can not be too careful when it comes to protecting the lives most precious to us -- our children. Remember to stop and stay stopped, whether meeting or passing a stopped school bus unloading or loading students, until the flashing lights are turned off and bus moves on.

Briscoe Will Be Main Speaker At Farm Bureau Convention

HOUSTON -- Democratic gubernatorial nominee Dolph Briscoe of Uvalde will be the principal speaker at the 39th annual convention of the Texas Farm Bureau to be held here Nov. 12-15. He will speak at the general session on Monday morning, Nov. 13. Some 1,500 delegates and guests are expected to attend the convention where TFB programs and policies for 1973 on state issues will be formulated and recommendations to the American Farm Bureau Federation on national matters will be made. The convention will get underway with the traditional Vesper Service on Sunday evening, Nov. 12. Minister R. J. Weber of the Zion Lutheran Church near Brenham has been invited to speak at the Vesper Service. He was recently named Texas Rural Minister of the Year by the Extension Service. Other Sunday evening activities will include the Discussion Meet for Farm Bureau youth and the Young People's Talent Find. Representatives of these two activities will be selected to participate in the national-level Discussion Meet and Talent Find at the AFBF annual meeting in Los Angeles in December. A ladies luncheon will be held at noon on Monday, Nov. 13. A natural fibers style show will be presented under the auspices of the Texas Department of Agriculture using the same models and apparel as that demonstrated at the state fair. District caucuses will be held that afternoon. The number of special conferences on commodities and other matters of interest to Farm Bureau members has been increased this year. Added are conferences on Cotton, Rice, and one on Wheat and Feed Grains. Other conferences, which will be held on Monday afternoon, Nov. 13, and Tuesday morning, Nov. 14, include Community Services, Young Farmers and Ranchers, Field Crops, Dairy, Research and Education, Natural Resources, Livestock, Services, Poultry, Farm Labor, and Women in Farm Bureau. The annual queen contest will be held on Monday evening with 12 contestants competing. The winner will reign throughout 1973 and will receive funds to defray the expenses of her and a matron escort attending the AFBF convention. A voting delegate breakfast will be held Tuesday morning, Nov. 14. Some 1,000 voting delegates from 206 county Farm Bureaus are expected to attend this year's annual convention. The policy making session will begin at 10:30 a.m. Tuesday, Nov. 14 and lasts through-out Wednesday, Nov. 15. A banquet and dance are scheduled for Tuesday evening. The convention will wind up with election of directors in even-numbered districts and the state president by the voting delegates. The current president is J. T. (Red) Woodson of Fannin County. All convention activities will be in the Rice Hotel with the exception of the queen contest which will be held in the Music Hall.

King Attends SPACE Meeting

Glen King, manager of the Muleshoe Chamber of Commerce and Agriculture, attended the meeting of the South Plains Association of Chamber Executives Wednesday in Lamesa at the Lamesa Chamber of Commerce Office. King serves as secretary in the association. Others attending were Earl Barley, president, Slaton; Art Roberts, vice-president, Ralls; Dick Moseley, Lubbock; Bill Payne, Littlefield; Bill Flynn, Floydada; and Don Crawford of Tulsa. The program for the meeting was brought by Mosely on legislative affairs. The association is trying to get the South Plains Chamber, Perm Panhandle Chamber and the Permian Basin Chamber to attend a three-area meeting to decide what the group needs to do and what they want from the legislators in Austin. They are also planning a big West Texas area meeting with all of the chambers represented along with the state legislators. At the meeting the group will discuss their ideas on the following ten areas: Texas Water Plan, Industrial Development Revenue Sharing, Tourists, School Fund, State Income Tax, Pollution, Right to Work, Welfare, General Taxes and Insurance.

Cannon AFB Schedules Open House

CANNON AFB, N.M., Oct. 11--The gates of Cannon AFB, N.M. will be thrown open to the public at 10 a.m. Oct. 26 for the base's annual Open House for the base's annual Open House. Aircraft displays and several demonstrations are scheduled for the day, the high point of which will be a performance by the U.S. Air Force Aerial Demonstration Team, The Thunderbirds. During this demonstration, the air will be charged with flashing red, white and blue aircraft. First, the four planes of the Thunderbirds will appear in a diamond formation, their wings overlapped six feet. Over their roll, the pilots never letting their aircraft move out of alignment. Their task is to demonstrate the capabilities of modern fighter aircraft and the ultimate in precision formation flying. As the pilots complete their diamond maneuver, the Thunderbirds will fly in a V-formation. The Thunderbirds will be held in the Music Hall.

Country Auction Will Open Here Friday

The Country Furniture Auction, owned by Tom Flowers, will be opening in Muleshoe on Friday, October 20. The recently built, all steel, 60 foot by 80 foot building is nearing completion and consignments are now being taken. All kinds of household items and furniture will be sold. The new auction is located two miles west of Muleshoe on the Clovis highway at Tom Flowers' place. Ken Martin will manage the Country Auction and Tom Flowers will be the auctioneer. Auctions will be held each first and third Friday night each month beginning October 20. Flowers will also be holding farm equipment auctions on the third Friday of each month.

Local Men To Attend Conservation Meeting

Seven local men will be in Houston this week attending the Annual State Meeting of Soil and Water Conservation District Directors on October 17-19. The Democratic nominees for governor and Lieutenant Governor will attend. Bill Hobby will be the honored guest at the Tuesday night buffet reception and Dolph Briscoe will be the speaker at the banquet on Wednesday evening. Representing the Blackwater Valley Soil and Water Conservation District will be the following Bailey County resident: W. L. Welch of Maple, W. Lewis Scoggins of Muleshoe, E. M. Ross Goodwin of Muleshoe, District Director of the High Plains Underground Water Conservation District No. 1 will be at the Houston meeting. Goodwin will also attend the third annual Cloudtop Conference on October 16 in Dallas. This is the third in a series of conferences on weather modification in the southern plains region.

Chamber Corner Former Local Resident Promoted

The Muleshoe Chamber of Commerce and Agriculture has printed 100 leaflets that will inform the public as to what the local chamber office is doing, and has done in the past. "Did you know that the Muleshoe Chamber of Commerce and Agriculture had its Annual Chamber Banquet in January with Dr. Kenneth McFarland as guest speaker? . . . entertained several special groups of out-of-town visitors and gained some good advertisement for Muleshoe throughout the nation? . . . established an Agriculture Committee to help promote agricultural products in our area? . . . assisted the Muleshoe Area Public Library in their open house? . . . was presented a special plaque by Governor Preston Smith in the Governor's Community Achievement Program which is now on display at the Mule Memorial Site? . . . sponsored a Tourist of the Week program for the summer months . . . helped coordinate the July Fourth program? . . . sponsored four area Teacher Appreciation Banquets, assisted by the Rotary Club, Lions and Jaycees? . . . sent out data all over the States? . . . continued using the S.O.S. warning system for local merchants to minimize losses as a result of shoplifting or swindling? . . . furnished badges for meetings and seminars held in Muleshoe? . . .

Monroe Lee, a graduate civil engineer, has been made Chief Project Manager for the Dallas District of Henry C. Beck Company, according to Henry C. Beck, Jr., president. Lee received his B.S. and M.S. degrees in civil engineering from Texas Tech University in 1964 and 1965 respectively. After graduation, he formed a partnership with his father's construction company, M. E. Lee and Son of Muleshoe. Joining Henry C. Beck Company in the fall of 1968, he has served as Field Engineer, Estimator and Project Manager. He was Project Manager for construction of North Park Mall Shopping Center, Joplin, Missouri; O'Hare Northwest Office Park, Des Plaines, Illinois; and Stemmons Empire Building, Dallas. In announcing the appointment, Beck stated: "The experience and knowledge of Monroe Lee will be available to any Project Manager in the Central Division and the Company will be able to direct executive level responsibility into each project more effectively". Mr. and Mrs. M. E. Lee of Muleshoe and the brother of Mrs. Ronald Ivey of Lubbock. Lee is a graduate of Muleshoe High School.

School Board Will Meet

The Muleshoe Independent School District Board of Trustees will have a regular board meeting Monday night, October 16, beginning at 8 p.m. The board will hear and consider approval of the Audit Report for the 1971-72 fiscal year. The audit will be presented by Williams and Merritt, C.P.A. On the agenda also will be the current financial report; consider the approval of the preliminary application for foundation funds for 1972-73; review and discuss the 1972-73 estimated official budget; hear the current enrollment report and compare it with last year; discuss bus inventory and requisition the next year, 1973-74; hear and discuss reports sent to the state and federal agencies; hear, study and consider the adoption of a board policy to release teachers due to loss of enrollment and/or reduction of funding of special or federal programs; and discuss information received about the liability of schools for Rodeo Club Activities.

State Voter Rights Committee Formed

Austin--Sometimes a vote is not a vote--and that's what a group of concerned citizens have set about changing for the Presidential election, Tuesday, Nov. 7. In the past, there have been instances when a vote has been disregarded, even when the intent was clear, because of a minor technicality. This, then, is not in the interest of the voter and his rights--so action has been taken. A State Voter Rights Committee has been formed, with an El Paso attorney, Alan V. Rash, at the head. "The preservation of voter rights is greatly dependent on voter information," Rash said, "and where this is needed, and we can contribute, it will be done." Rash said a statewide system of voter rights groups will be established. "Our approach will not be to intimidate or threaten," he said, "merely to serve as a conscience when necessary, a control where needed, an investigator if required." "Our total mission will be to head off the illegal manipulation of votes which is easily possible, through the conspiracy of a group of people at the polling places." Election supervisors will be appointed under the authority of the Texas Election Code. These individuals will go through a training program, and be available throughout the day of election in case of question. Information regarding voter rights may be obtained by writing "Voter Rights Program," 730 Littlefield Building, Austin, Tx 78701.

FB Prexy Requests Price Support

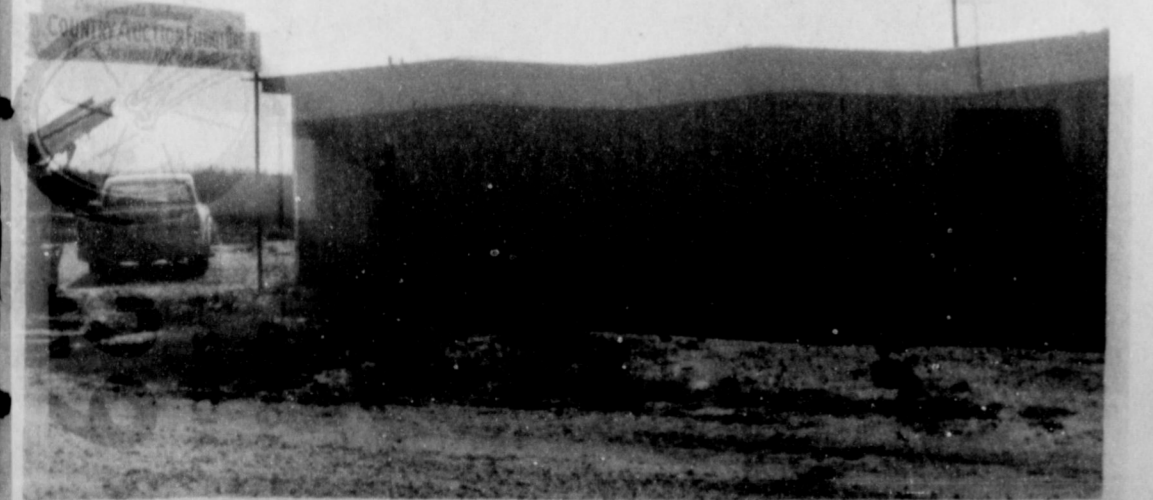

WACO--Texas Farm Bureau President J. T. (Red) Woodson on Oct. 3 requested Agriculture Secretary Earl Butz to authorize a price support program for cottonseed to assist in the marketing of this year's crop. Present farm legislation provides authority for such price supports, but the program is not now operative. "Cotton producers are having problems with marketing their 1972 crop," Woodson wired Secretary Butz. "In addition to the depressed market for fiber, the price to farmers for cottonseed appears to be out of line when compared to the cost of cottonseed meal for livestock

LONG GAINS YARDAGE . . . Quarterback Don Long was responsible for all three scores Friday night in the game with the Morton Indians. Long ran in two scores himself and then hauled in a 35 yard bomb to Joe Elizarraraz for a TD. The Mules were handed their first defeat of the season and the Indians came up with their first win. The final score was 27-20 in favor of the Indians. Next week, Muleshoe takes on Dumas here for the first conference game.

COUNTRY AUCTION TO OPEN . . . Tom Flowers will open the new Country Furniture Auction on Friday, October 20. The new building is located two miles west of Muleshoe on the Clovis highway. Auctions will be held on the first and third Fridays of each month featuring all kinds of household items and furniture.

Students Receive Cooperative Part-Time Training At MHS

Students in Cooperative Part-Time Training spend an hour each school day in class receiving instructions in the occupation for which they are training and three hours each school day at a training station.

Cooperative Part-Time Training prepares high school youth for useful employment in approved off-farm agricultural occupations of their choice. Two years of Cooperative Part-Time Training is possible by cooperation between local schools and agricultural related enterprises.

The student's qualifications are that he must be sixteen years old and must be in the eleventh or twelfth grade. He must have consent of his parents and be capable of becoming a competent worker. A student must have an interest in and a vocational need for such training.

Boys enrolled in the Muleshoe High School Cooperative Training program with their employers are: Rex Black-Black

Jonice Killough looks determined to run through the blockade of Green Hornets. The Green Hornets beat the Purple People Eaters 20-8.

FTA Powder Puff Football Game Held

by Kathleen Jennings

Monday night at Benny Douglass Stadium, a big upset was brought about by the Green Hornets as they defeated the Purple People-Eaters 20-8.

The Hornets got off to an early start in the first quarter with a touchdown, and they never lost their lead. Again in the second quarter, the Hornets scored, but the two point conversion failed.

There was no scoring in the third quarter, but each team scored a touchdown in the fourth quarter, each with successful two point conversions.

Scoring for the Hornets were Jolie Carpenter with one touchdown and Brenda St. Clair with two touchdowns. Jolie scored the Hornets' only conversion of the game.

Jonice Killough scored the People-Eaters only touchdown and Donna Grimsley ran the two point conversion.

Leading groundgainers for the Hornets were Brenda St. Clair with 64 yards and Jolie Carpenter with 48 yards. Jonice Killough was leading groundgainer for the People-Eaters with 77 yards, and Donna Grimsley had 60 yards.

Referees for the game were Mr. Gist, Rex Black, and Mike Carpenter. Cheerleaders were Jacky Bruton, Eddie Elington, Eddie Perry, Larry Puckett, Gary Merriott, James Cook, James Clayton, Danny Brown, and Ken Bales. All of these people did a real fine job Monday night.

At halftime, favorites from each team were crowned. Nominees for the Hornets were Boyd McCamish, Benny Cousatte, and Gene Rogers. Benny Cousatte was crowned King by the Hornet quarterback, Jolie Carpenter.

The Purple People-Eaters nominated Raymond Davenport, Preston Wilson, Bill Tanner, and Danny Blaylock. Sharon Kelton crowned Danny Blaylock as King.

The Future Teachers Chapter wishes to express its deep appreciation to all those people who helped make the tenth annual Powder Puff Football Game a tremendous success.

Charlie Vela Snares 'Player Of The Week'

by Bill Tanner

Charlie Vela, a senior at MHS, was named the Amarillo Globe-News "Player of the Week." The Mule offensive guard played a big part in opening holes for the running backs. Charlie also played a big role in his defensive efforts when he made eight unassisted tackles and six assisted tackles.

According to Fred Hedgecock, the 170-pounder led the blocking on two of the Mules touchdowns and made the holes for a lot of David Wheat's 218 yards. He played fifth consecutive victory, a 27 to 12 verdict over top rated, undefeated Portales.

David Wheat, Ronnie Parker, and Delmer Bleeker also received recognition for their efforts in Friday's game.

Congratulations to these players for their outstanding performance against the Rams!

NHS Selects Honor Students Of The Month

The National Honor Society sponsors Honor Students of the Month from each class.

The faculty of MHS selects these students of the Month and their pictures are placed on the bulletin board in the front hall.

Honor students for October are Senior Tracy Cowan, Junior Gayla Hooten, Sophomore Prisca Young, and Freshmen Lashelle Lewis. Congratulations!

Teacher Association To Hold Fall Meeting

The Muleshoe Chapter of the Texas State Teachers Association will have its fall meeting on Tuesday, October 17, 1972 at 7:30 p.m. The membership of the professional association will meet in the High School Cafeteria to hear Roger De los Santos, who is a field representative of the state headquarters of the Texas State Teachers Association in Austin.

De los Santos will speak on the subject of Human Relations. Race relations will be one aspect of his speech. Mr. De los Santos has a wide range of experience in the field of human relations and the teaching profession which qualifies him to speak to other professionals.

The local membership of the Texas State Teachers Association is concerned with not only human relations but with every aspect of our society and especially those that affect the children in our schools.

In this regard the local association is constantly attempting to improve its ability to face the social problems of our society. In addition to the attempts by the association, individual teachers are constantly improving their personal understanding of all developments in their fields of instruction in order to assure the best education possible for their students.

The membership of the local chapter will be attending the District 17 meeting on October 27, 1972, in Lubbock. The winter meeting of the local association will be held on February 20, 1973; and the annual Public Relations Banquet will be held on April 12, 1973. The speaker for the banquet this year will be Mr. Johnny Clar, Superintendent of the Goose Creek Independent School District and President-Elect of the Texas State Teacher Association.

Mule's Tale

Salutes Coaches

Friday, October 6, was declared National Coaches Day by President Nixon. It was a day dedicated to those men and women who contribute so much to the growth and development of students from elementary through high school.

MHS is proud of the fact that it has some of the most dedicated and hardworking coaches in the area. The Mules Tale Staff joins MHS in honoring Coaches Hedgecock, Didway, Stout, Schroeder, and Graves and in saying "Thanks for a job well done for the school and for each individual student."

Art Club Makes Plans For Carnival

by Randy Williams

The Art Club met in room 14 during orientation on Tuesday, October 10. Plans were made for the Halloween Carnival.

Rhonda Stevenson was chosen as Halloween Carnival Queen candidate. Karen Hamilton and Randy Williams were appointed campaign managers.

The Art Club will have a raffle for a painting donated by Mrs. Black. The chances are 25 cents each.

The carnival will be held in the bus barn at the high school on October 28. Buy a chance and support the Art Department.

Jerry Hodge Thespian Best Of MHS

This week Thespian Troupe 714 selected Jerry Hodge as "Best of MHS." Jerry is 16 and the son of Mr. and Mrs. James Hodge of Route 5, Box 131, Muleshoe. The Junior is active in football, FFA, and Speech I.

Jerry plays tackle for the fighting Mules. He was also honored last week as Amarillo Globe News "Player of the Week." Jerry offered the following comment concerning football:

"I think we are going to have the best season Muleshoe has ever had." Congratulations to an outstanding student of Muleshoe High School.

Student Council Sponsors Annual Twirp Week

by Kelly St. Clair

Last week, the Student Council sponsored twirp week. This is the time when every girl chooses her date. However, certain rules must be followed or else you'll wind up in Kangaroo Court. No one would want that to happen, now would they?

Student Council is sponsoring the Tumblers this month. This acrobatic program will be held in the high school gym. The Council has ordered decals to sell with "Muleshoe High School" and a Mighty Mule on them.

There will be a concession stand at the Speech Tournament on October 21. The Student Council District Convention will also be held December 2 at Muleshoe.

David Wheat Tacks Up Another Honor

by Bill Tanner

David Wheat, tailback for the Mighty Mules captured another honor for his performance against the Portales Rams. David was named KGNC Channel 4 "Player of the Week".

The 175 pound Junior scampered for 218 steps on 36 carries as the Mules kept their win streak alive at five with a 27 to 12 victory. David is presently leading the district in scoring as he added 19 points in the game against the Rams onto his race.

Congratulations on a fine game in a fine season.

FHA Roseblossom Chapter Meets

by Marcia Rudd

On October 10, the Sophomore chapter of FHA met in the clothing department and discussed FHA sweater and emblem and their membership pins. The officers met and discussed their uniforms. The sweaters are \$10.95 and the pins are different prices according to the kind ordered.

Coaches

In the Mules victory over the Portales Rams, the Mules proved to be a well-disciplined team by overcoming early mistakes in the game. On the Mules first TD drive, they were forced into a second and twenty-five situation. However the Mules stayed on the ground to keep their drive alive. This is the type of team discipline needed to overcome mistakes.

Charlie Vela was named the AAA Player of the Week for his defensive play which consisted of six unassisted tackles and five assists. David Wheat was named KGNC Back of the Week as he scored three TDs and gained over 218 yards in rushing. George Mitchell has been one of the Mules most consistent players. The Mules were forced to move Mitchell to fullback early in the season and then back into the line with the return of Jerald Bara. George is a very versatile player and scored high on offense. George was close behind Vela on defense with five unassisted

Gene Bray and Dickie Hunter exhibited livestock at the Tri-State Fair in Amarillo this week. Tress King Bars owned by Gene Bray won first place in all Age Western Pleasure, winning \$74.00. Since Bray is still recuperating from an earlier accident, Jim Pearson exhibited the horse. Dickie Hunter won a third place and a fourth place on geldings.

Ruth Ramm wins second in youth division at the Panhandle South Plains Fair at Lubbock.

Legislature Will Consider Hunting License Increase

AUSTIN -- A moderate increase in hunting and fishing license fees, a reduced-rate combination license and changes in several license-exempt groups are among provisions of three bills placed before the Sixty-Second Legislature, fourth called session.

One of the bills introduced by Sen. Tom Creighton of Mineral Wells calls for a resident combination hunting and fishing license at a fee of \$8.75. The others authorize the Texas Parks and Wildlife Department to raise the fishing license fee (resident and non-resident) from the present \$2.15 to \$5.25, and the resident hunting license fee from \$3.15 to \$5.25. Non-resident hunting licenses would be increased from \$25 to \$50.25.

Fishing licenses would be required of all persons ages 12 to 64. At present, fishing licenses are not required for youngsters under 17.

Previously exempt persons fishing with trotline, throw line or ordinary pole with line having no reel or other winding device in the county of residence would be required to have

licenses under the proposed bill. Another change specifies that persons or family members fishing in artificial lakes or ponds on their own property are not required to have fishing licenses, "...providing such lake or pond has never been stocked with fish by the Texas Parks and Wildlife Department."

Hunting licenses, under the other bill, would be required of all persons except those over 65 years of age. Presently, persons under 17 are exempt.

The same bill deletes hunting license exemptions presently provided for persons hunting on land on which they reside. Exempt hunters over 65 would be required to pay \$1.25 for a special license to hunt deer and turkey.

Also eliminated in the hunting license bill would be the present non-resident migratory waterfowl license issued on a reciprocal basis only for \$10. Remaining in the proposed bill is that it stands under present law would be the \$5 non-resident migratory bird license.

If approved by the legislature, this would be the first rate in-

crease since 1957. Fees at that time were \$2.15 for hunting licenses and \$1.65 for fishing licenses.

The first hunting licenses were sold in 1909 for \$1.65. In 1927, a \$1 license was first required to fish with an artificial lure.

All of the revenue from such license sales goes into Special Game and Fish Fund No. 9 which supports the Texas Agricultural Extension Service. "However, the harvest operation is critical and each year losses are high.

The Texas A&M University specialist notes that harvest losses generally average about three bushels of soybeans per acre. "Proper harvesting could cut these losses by at least two-thirds. At current prices, that's almost \$7 an acre."

The first step in getting off to a good harvest is to check the moisture content of the beans, points out Hodges. When the moisture level reaches 13 percent, it's time to start com-

Soybean Picture Good, But Watch Harvesting

COLLEGE STATION--The soybean picture across Texas looks good as the crop moves toward maturity. Some 210,000 acres are expected to be harvested this year and recent prices are up near the \$3.40 per bushel level. Per acre yields should be in the 27 or 28 bushel range.

"This could mean some good profits from the 1972 crop," points out R. J. Hodges, agronomist with the Texas Agricultural Extension Service. "However, the harvest operation is critical and each year losses are high.

The Texas A&M University specialist notes that harvest losses generally average about three bushels of soybeans per acre. "Proper harvesting could cut these losses by at least two-thirds. At current prices, that's almost \$7 an acre."

The first step in getting off to a good harvest is to check the moisture content of the beans, points out Hodges. When the moisture level reaches 13 percent, it's time to start com-

a ground speed of 2 1/2 to 3 miles per hour. Reel speed should run deep enough in the beans to control the stalks and should be 6 to 12 inches ahead of the cutterbar.

"Harvesting during the early morning when the straw is damp from dew can reduce shatter losses," explains Hodges. "Under such conditions, the combine's cylinder speed should be increased (800 rpm's for a 22-inch cylinder)."

Slower cylinder speeds will reduce the number of cracked

beans. The agronomist suggests a close check of the operator's manual to determine initial settings for the cylinder speed and concave spacing.

"Once the harvesting operation starts, a close field check is important to determine losses," suggests Hodges. "A loss of four beans per square foot is equal to about one bushel per acre. Of course, it's important to check pre-harvest losses."

For extra profits from your soybean crop this year, the agronomist advises adjusting the combine properly, checking the moisture level of the crop, and then beginning the harvest operation at a slow pace, "A little extra time spent in the

field can mean more dollars at the marketplace."

Time, we remind you, is the most precious possession; do not waste your supply.

Fire Ant Invasion Continues

COLLEGE STATION--The imported fire ant, small in size but packing a powerful sting, is continuing its march through Texas.

And as infestations are discovered, quarantines are being imposed by the U.S. Department of Agriculture in an attempt to contain the fire ants and to treat infested areas.

Five new counties were recently placed under federal quarantine--Nueces, Smith, Trinity, Victoria and Walker. Other counties under state or federal quarantine include Angelina, Austin, Bexar, Brazoria, Chambers, Collin, Colorado, Dallas, Denton, Fort Bend, Galveston, Gregg, Grimes, Hardin, Harris, Harrison, Jasper, Jefferson, Liberty, Montgomery, Nacogoches, Newton, Orange, Panola, Polk, Rusk, Sabine, San Augustine, San Jacinto, Shelby, Tarrant, Tyler, Waller and Wharton.

Officials of the USDA's Animal and Plant Health Inspection Service (APHIS) are treating infested areas as well as materials that might harbor fire ants and thereby be transported into uninfested locations. Nurserymen, soil-moving equipment contractors and many others are cooperating in the effort.

The quarantine is designed to prevent the ants from spreading long distances by restricting the movement of articles that might harbor the, says Reed Gree, entomologist with

the Texas Agricultural Extension Service.

Regulated articles include soil, plants with roots, grass sod, hay and straw, logs and wood, and used soil-moving equipment. These items cannot legally be transported from infested to uninfested areas until they have been inspected, treated if necessary, and certified to be "pest free" by a federal or state inspector, notes the Texas A&M University specialist.

Green points out that fire ants are a nuisance in both rural and urban areas. Invasion by the imported fire ant into lawns, pastures, hay meadows, parks, schoolyards and recreational areas is annoying and causes unsightly damage. The most significant agricultural losses are reduced efficiency of labor and farm machinery -- losses which are hard to assess in dollars. Fire ant mounds damage machinery, prevent mowing operations and reduce the value of land in heavily infested areas.

Texas A&M University was recently awarded a three-year USDA grant of \$120,000 to study the fire ant problem in Texas. According to Green, work is presently under way on biological control of fire ants through the use of pheromones and hormones. Survey

techniques by remote sensing and the use of infrared photography to detect infested areas are also being evaluated.

The cooperation of all agricultural producers, landowners, nurserymen, soil-moving contractors and others engaged in transporting any of the regulated articles is essential to suppress the spread of fire ants, emphasizes the entomologist.

The president of the 130,000 member farm organization urged Butz "to exercise your authority to offer a price support program for cottonseed to producers in order to provide more orderly marketing for the 1972 crop."

If the Secretary decides to provide supports for this commodity, he is required by law to set the price support at a level that is competitive with other oilseed crops.

Texas cotton farmers received an average of \$44 per ton for their cottonseed in late September, according to the USDA. This amounts to 52.6 percent of parity.

Miss Darling, Gable Wed In Double Ring Ceremony

Miss Evelyn Kay Darling and Billy Carl Gable pledged double ring vows in the Lazbuddie Church of Christ on Thursday, October 12, at 8 p.m. Andy Rogers, minister of the church, officiated.

Parents of the couple are Mr. and Mrs. Duane Darling and Mr. and Mrs. Bill Gable, all of Route 1, Muleshoe.

The couple stood before a wedding arch flanked by candleabra holding yellow candles and baskets of yellow mums.

Charles Turner, organist, provided musical selections including "The Lord's Prayer", "The Hawaiian Wedding Song", "Bridal Chorus", "Let It Be Me", "Theme from Love Story", "Theme from Romeo and Juliet", and the "Wedding March".

Mrs. Darrell Thompson of Friona served her sister as matron of honor. Cheryl Gable of Lubbock, sister of the groom, was maid of honor. Bridesmaids were Candace Gable, sister of the groom and Arnelia Moseley of Lazbuddie. The attendants wore floor length dresses of charmlight crepe featuring sheer sleeves and scoop necks. They wore shoulder length veils attached to bows made of the same material as the dresses. The matron of honor's attire was gold and she carried a bouquet of gold mums. The other attendants wore yellow and carried long stemmed yellow mums.

Jan Rogers of Lazbuddie was flower girl. She wore an empire style dress of yellow charmlight crepe styled with sheer sleeves. She carried a basket of rose petals.

Candlelighters were Andy Rogers Jr. of Lazbuddie and Bobby Thompson of Friona, nephew of the bride.

Lee Gable served his brother as best man. Groomsmen were Bobby Bouldin of Lubbock. Ushers were Lee Embry of Muleshoe, and Terry Darling of Amarillo, brother of the bride.

Escorted and given in marriage by her father, the bride wore a formal gown of ivory peau de soie enhanced with peraled hand clipped Chantilly lace overlaying the roll-front collar which dipped to a low V effect in the back and repeated at the wrists of the long fitted sleeves. Tiny fabric buttons closed the back of the gown and wrists of the sleeves. The cage back of the Regal gown flowed into a Chapel length train which featured a pearled ivory lace bonnet-hat adorned with a peau de soie bow which held a Chapel length split veil of imported illusion. She carried a cascading bouquet of yellow mums and English ivy. For something old the bride wore her aunt's baby ring, which is 71 years old. Her wedding attire was new and she borrowed earrings from her mother. She wore the traditional blue garter and pennies in her shoe minted in the years of their births.

A reception followed the ceremony in the fellowship hall of the church. The serving table was centered with an artificial bridal bouquet of yellow roses and lace made by the bride's sister. The traditional tiered wedding cake and yellow punch were served from crystal and silver appointments. Presiding at the serving table were Mrs. Lee Gable, sister-in-law of the groom, and Mrs. Danny Noble, cousin of the groom.

Guests were registered by LaDonna Caldwell. Special guests were the groom's grandparents, Mr. and Mrs. H. M. Gable of Muleshoe.

For travel the bride chose a yellow and beige knit pantsuit accented with jeweled trim. Gold accessories and a yellow Cymbidium orchid corsage completed her attire.

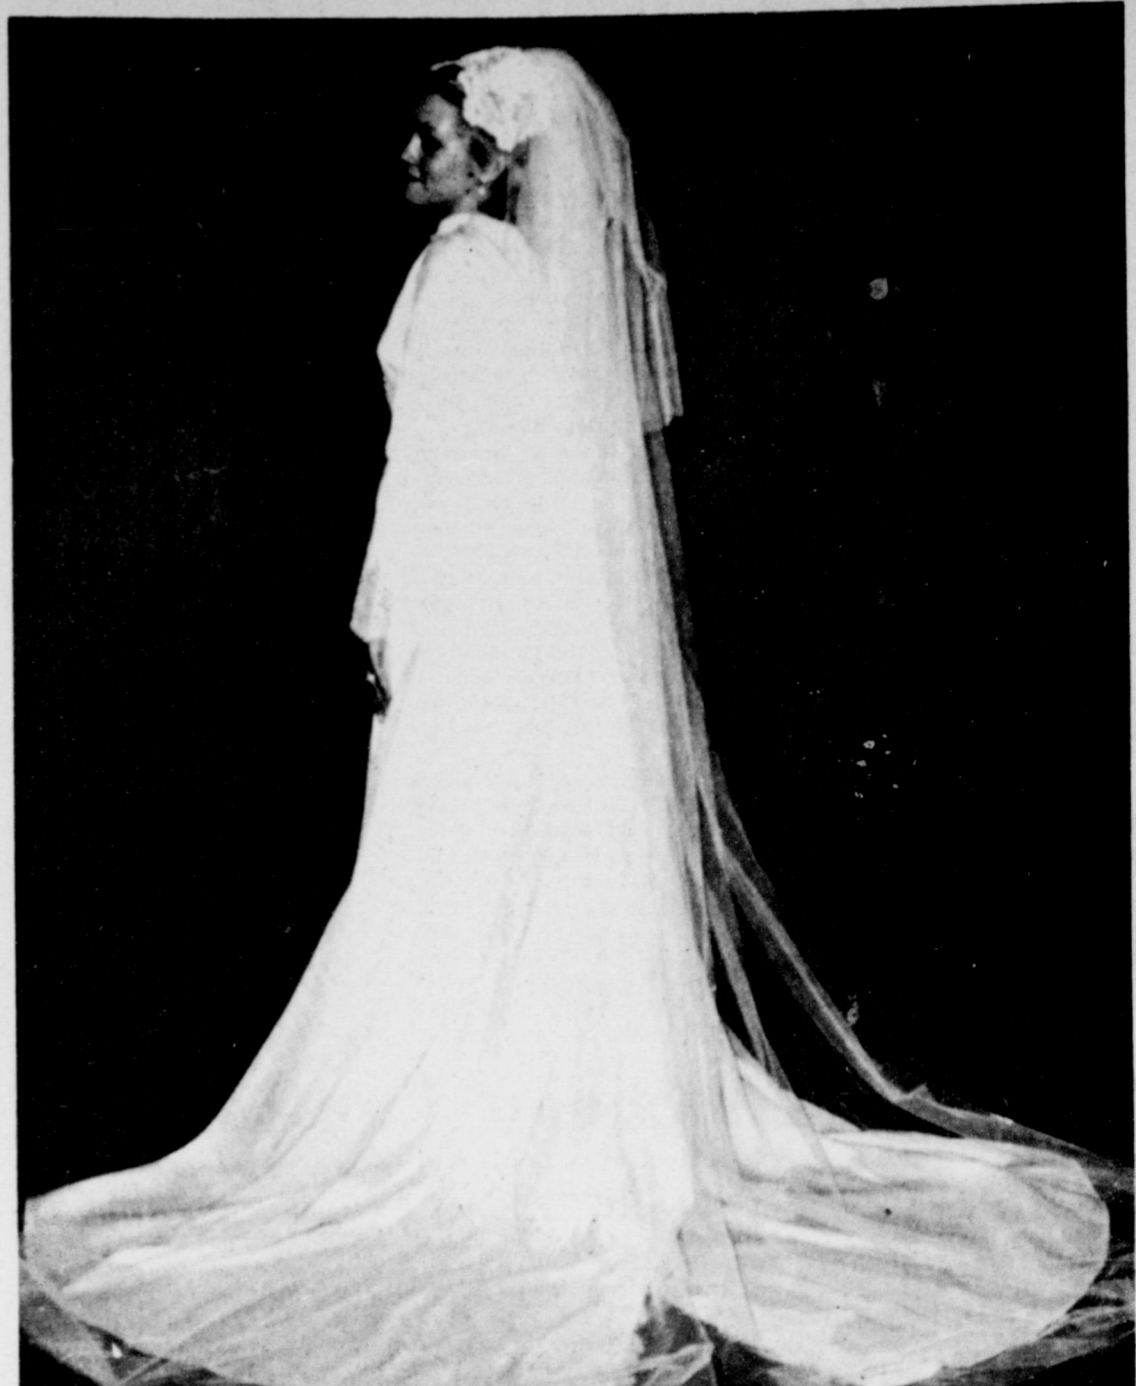

The couple will be at home at Route 1, Muleshoe, where the groom is engaged in farming.

Mrs. Gable is a 1971 graduate of Lazbuddie High School and attended Lubbock Christian College.

Mrs. Gable, a 1969 Muleshoe High School graduate, attended South Plains College in Levelland.

The rehearsal dinner was hosted in the home of the groom's parents on Tuesday night, October 10.

Out of town guests attending the ceremony were Mr. and Mrs. Orville Houser, Mr. and Mrs. Mike Chaney, Mr. and Mrs. Dale Houlette, John S. and Maxine Thompson, all of Friona; Mr. and Mrs. Hira Clevering of Portales, N.M.; and Mrs. Alvin Owens of Willa, Okla.

In Fashion

Time was when every young woman, who was properly brought up, knew how to embroider linens, collars and cuffs, etc. This art is revived and many of the new garments are being hand embroidered. Imported blouses and dresses are in the shops but the cost is much less if one does the fancy work, oneself.

Capes continue to be popular. Some are knitted and others are fashioned of fabrics. They may be wide and long or short.

One of the new sweaters is very long—about halfway to the knees with patch pockets and a belt.

New Mexico Artist Presents Program To Art Association

The Muleshoe Art Association met Tuesday, October 10, in the community room of the Muleshoe State Bank.

Rene Hutton, president, presided over the business meeting. Mrs. Hutton suggested that all bills be turned in to the treasurer, Pauline Jamison, so that the books could be brought up to date.

It was announced that the yearbook programs for the year can be obtained by the members from Ruth Hammock.

Members are invited to hang paintings in the South Plains Mall in Lubbock on February 14. It was decided to let the Lubbock Circuit Show hang paintings at the Corral Restaurant during November.

At the white elephant sale a stretch canvas was won by Rene Hutton.

Mattie Hicks introduced the speaker, Dale Hamlett, assistant art professor at Eastern New Mexico University. Hamlett teaches in all media. He demonstrated in water color.

Hamlett's paintings have been selected to be in the Rocky Mountains Federation Show which will circulate in eight states for the next two years.

Hamlett won the watercolor purchase prize in the New Mexico State Fair in Albuquerque in 1970. He has had 14 one man shows in New Mexico. He was one of five to represent the state in traveling watercolor exhibition of Rocky Mountain States Inc. Watercolor Show earlier this year. His biography appeared in Who's Who in Art in the 1971-72 edition.

Paintings by Hamlett have been shown across the U.S. and in many private collections. Two of Hamlett's watercolor paintings have been selected for display in the 23rd annual Grand Prix International Exhibition of Paintings in Deauville, France. During the summer of this year the paintings were

shown in Deauville and these paintings will tour French and Portuguese ports before going on to Dakar, West Africa, Casablanca, Morocco, and Geneva, Italy. In mid-December the watercolors will hang in the Palace of Fine Arts in Rome.

Four guests, Betty Parkman, Ada Murrain, Jean Landers and Rosemary Pool, attended the meeting.

The Art Association welcomed three new members, Elfrida McGehee, Barbara Hugg and Ethel Allison.

Members attending were Ruth Hammock, Gladys Darsey, Almata McGuire, Ann McGlaun, Rene Hutton, Juaree Smallwood, Mattie Hicks, Dana Arnold, Sybil

TOPS Hold Weekly Meeting

The Muleshoe TOPS Chapter No. 34 met Thursday, October 12, with 28 members present.

Final plans for the TOPS Area Recognition Day were discussed. The table decorations will be fall vegetables and the other decorations will be crops of the fall harvest.

For the first time there was a tie for the Queen of the Week. Sharing the honor were Lucille Harp and Aurora Mata. First runnerup was Linda Vinson and second runnerup was Earnestine Vernon.

The meeting dismissed with the singing of the Good-night song.

NEW MEMBER . . . Mrs. Richard Loter was welcomed as a new member of the Llano Estacado Civic Club at a meeting held Tuesday night.

Llano Estacado Club Plans Harvest Hoedown

The Llano Estacado Civic Club met Tuesday, October 10, in the First National Bank community room. The meal was served by Mrs. Jerry Gleason and Mrs. Mike Miller.

Mrs. Lee Kimbrough, president, called the meeting to order and introduced the guest, Mrs. Jim Barnes.

Mrs. Johnny Collins and Mrs. R. D. Angeley are making a new scrapbook for the club. New leather has been bought for the cover.

The Club will have a Christmas float in the Christmas Parade and will also invite the bands in surrounding towns to march in the parade.

The Llano Estacado Civic Club Harvest Hoedown will be held November 11 at the VFW Hall featuring Tiny Lyn and his band. Tickets are on sale from any club member at \$7.50 per couple.

Mrs. Henry Stoneham reported on how Llano Estacado could take part in beautifying an area of the new park by planting trees

or putting in playground equipment.

The meeting was closed with an inspirational thought taken from the Lubbock Avalanche Journal's Country Parson. It was presented by Mrs. Jim Tucker.

Members attending were Mrs. R. D. Angeley, Mrs. Ronnie Black, Mrs. Jerry Gleason, Mrs. Lee Kimbrough, Mrs. Mike Miller, Mrs. Johnny Collins, Mrs. Henry Stoneham, Mrs. Jim Tucker, Mrs. Wayne Peterson, Mrs. Ricky Barrett, and Mrs. Richard Loter.

Want the look of a professional paint job for your ceiling? Accomplish this by painting across the width -- rather than the length -- of the room, says the National Paint and Coatings Association. This enables you to begin the second lap before the first is dry, so lap marks will not occur to mar the final effect.

After considerable research, centering around the old files of the Journal the question of when Muleshoe last defeated Sudan finally has been answered. Woodie Lambert, ex-great halfback for Muleshoe of about 1937 vintage, had been asked to furnish information. He phoned his old coach, C. R. Stevens of Amherst, who was hazy about it.

Woody and the Journal force spent quite a while digging into it Tuesday night.

We came across the story on the issue of Thursday, October 5, 1939. On the previous Friday Muleshoe had won from Sudan 18-0 and so far as we can learn, without going through further files and accepting the general idea that it was about that year, this was the last time Muleshoe won over Sudan until last Friday night, October 10, when the Mules emerged the victors, 13-6. We found these names and information on their playing positions: Clayton Hill, left end; Alwyn Chitwood, left tackle; L. D. Vaughn, left guard; Wiley Baker, center; James Warren, right guard; Dee Chitwood, right tackle; Martin Oliver, right end; Claude Riley, quarterback; Dick Standefer, halfback; Sam Long, half-

back and Wayne Haun, fullback. Woodie played on the team that featured Delbert Parsons, Don Moore, Charles Long, and many others well known here. They defeated Sudan 46-0 in 1937 and the 1938 team repeated. The 1939 team got the last win until 1952.

The great team of 1938 won the district and bi district championships. They were properly feted in a fine banquet. On this team starters included Benny Taylor, center; Weldon Brooks Winn, right end; Hopper Ivy, left end; Dick Standefer, fullback; Lester Hammons, halfback; Martin Oliver, halfback; Alwyn Chitwood, left guard; Clayton Hill, right guard; Johnny Tucker, right tackle; and Claude Riley, quarterback.

30 Years Ago

Local big game hunters have been very successful this season. A grand total of game brought back to Muleshoe, as of Wednesday, was two elk, nine deer, one donkey and four jack rabbits. The hunters, in two parties, went up to the Colorado deer and elk country, and were gone from four to ten days.

One group, with Morris Childers, Irvin St. Clair, Rudolph Weidubush, James St. Clair of Morton, and George Runyon of Earth, brought back the elk. These were bagged by Weidubush and Runyon.

Another party, with Ray Griffiths, Jes Osborn, O'Neal Rockey, Dr. A. E. Lewis, Roy Jordan, Gil Wollard, Roy White and Garvin Thorne brought in five deer.

Some grand -- or at least tall -- stories have been told about the hunting. We would like to give the public some of them here, but conditions beyond our control prevent it at this time. All were agreed, however, that Ray Griffiths is high score man, as he brought in one of largest deer ever seen in Colorado -- it was alleged.

The first cotton ginning report of the 1942 season was issued Tuesday and show that 220 bales were ginned in Bailey County from the 1942 crop prior to October 1.

Bank Employee Pleads Guilty To Embezzlement

Jesse Alvis Bryant, 36, a former Muleshoe State Bank employee, pleaded guilty to an embezzlement charge Thursday in U.S. District Court in Lubbock.
 The guilty plea of the bank officer was to four counts of embezzlement and making false entry on bank records. He had been accused of taking some \$3,000 and making false entries on various accounts.

What Does It Take To Build A Church?

Perhaps you glance at the church on the corner once in a while and wonder what it would be like to visit during a service. What is it that draws those people to that particular building every week? What built that church?
 The only possible answer is—the love of God. Their love of God prompted them to sacrifice and give so that the sanctuary might be built. The love of God compels them to meet there with others who serve Him. Their love of God compels them to "go, and tell others".
 We pray that you will be drawn to such a church this week and that you will align yourself with it. You can help build it into something even better.

Nursing Home News
by Myrtle Guinn

Mrs. Emmanuel's granddaughter, Caroline, and her little girl, Laurel, came for a visit with her. Mrs. Emmanuel's daughter, Dorothy, and her husband have gone fishing.

Mrs. Gerry Kennedy and Mrs. Dorothy Green were among four ladies of the Auxiliary who came Tuesday to give shampoos, hair sets, etc. While here, they also gave each of us a refreshing drink of orange juice or cranberry juice. I just don't see how we ever could do without these ladies. They do so many thoughtful and helpful things.

I don't want to fail mentioning the lovely new colored TV that the Hospital Auxiliary bought and had put in the Day Room. We are all enjoying it so much and want to express our daily thanks for your kindness and thoughtfulness. We are also enjoying the Halloween decorations on the mirrors and around the room.

Rev. Bybee whose home is in Lubbock, comes each weekend to fill the pulpit at the Nazarene Church. He also comes to the Home for a visit with us. We are always glad to visit with him.

On Wednesday morning, early, who should come in but our little Penny with news that she was going to Clovis, N.M. and would take some of us along. Among those who enjoyed the trip were Mrs. Jackson, Mrs. Brown, Mrs. Hawkins, and Mrs. Guinn. Thanks again, Penny.

A new laundry room is being prepared in part of the storage room. It will house the washer and dryer. This is being partitioned off to make room for these. The laundry room will be finished soon. Henry seems to be doing a "bang up" job with his hammer. Several men have been working on the project.

Mrs. Emmanuel fell and injured her foot so she is in bed. It was x-rayed but we haven't learned if there were any broken bones or not.

Mrs. Edward Ineram of Farwell visited Marie Ingram on Friday. Mrs. Ingram is Marie's cousin.

Mrs. Stevens, who has been ill, is feeling better and is able to come to the table to eat. We are so glad she is better.

NEW BABY PICTURES . . . Mrs. Gene McGlaun, right a member of the Muleshoe Hospital and Nursing Home Auxiliary, is pictured with Mrs. Gerald Prater and infant daughter, Marla D'Anne, after a picture of the new born was taken in the nursery at West Plains Memorial Hospital. Members of the Auxiliary are now taking pictures of each infant born at the Hospital. The pictures, in folders, will be available to the parents at a cost of \$2 each.

Mrs. Louise Green came by and got her mother, Mrs. Sham of Progress, and both of them visited us for awhile. Mrs. Green works in the Hospital in Clovis. She formerly worked here. We miss her and were glad to see her and her mother.

Mr. and Mrs. Leon Lewis came Monday to visit his mother, Mrs. Lewis.

Mrs. Mae Provence comes each day to see her mother, Mrs. Sein.

Jeanie McVickers comes each day to visit her mother who is bedfast.

Visiting Mrs. Perry Monday were her daughters, Mrs. Martin of Littlefield; Mr. and Mrs. Timmons and her granddaughter, Mrs. Dorothy St. Clair.

A while back we were wishing for screens to keep out the flies. Now they are so numerous we are about at the "stage of the Game" to wish for a fly swatter for each hand. They are about to take over, I do believe.

Mrs. Cross, Mrs. Bennett, Mrs. Sloan and Mrs. Hulse were taken for a drive to the game reserve and on to Enochs on Wednesday afternoon.

We would like to say thanks to Mrs. Dan Atkins, our supervisor, for her thoughtfulness and kindness shown to each one of us every day. Not only is she kind and considerate to us, but to all the LVN's and Nurses Aides, and there is always harmony and understanding toward all. Again we say thank you, Ruby. We all love you very much indeed.

Tressie had as visitors Wednesday her sister, Mrs. Robinson, and Aunt Bessie.

Our thanks goes out to W. H. Smith of DeLeon for a big box of persimmons. They are delicious. Some of us had never tasted persimmons before.

There comes to my mind a simple five letter word that just might brighten the day for someone we meet. The word is "Smile", and along with a cheery "hello" they might be a bigger help than we realize at the time. I know it will make you feel better, just by greeting someone you know whose burden might not be light. It costs so little to smile and ask "How are you?", for aren't we all children of God, and "God is love".

Mrs. Wilterding's son, Jack Wilterding, came up and spent the weekend with her, returned Cole of the First Christian Church called on her on Friday.

Mrs. Jackson was among those who called on Mrs. Lewis Sunday.

Mrs. Hawkins spent the weekend in the home of her daughter, Mr. and Mrs. Coppedge.

Tressie's sister, Mrs. Clara Bell Crain, came to see Tressie Thursday. Tressie's sisters each come in to see her several times a week. While here Mrs. Crain (who is one of the Pink Ladies of the Auxiliary) helped serve us juices to drink.

Mrs. Dorothy Brock just came in to see her mother, Mrs. Emmamel, and she reported that the doctor had found no bones were broken in Mrs. Em-

manuel's foot, which is good news.

Mrs. Bonnie Haberer visited Mrs. Wilterding Tuesday.

Mrs. Wynona Jordan and Mrs. Frank Hunt called on Mrs. Brown Wednesday.

Make hand cleanup easier after gardening or painting! The National Paint and Coatings Association suggests rubbing a light coat of raw linseed oil on your hands before starting. Be careful not to rub the oil into cuts, and dab off any excess oil. When the work is finished, grime, dirt and paint will wash off with soap and water.
