HOME TOWN Talk

By R. C. THOMAS

Think that, right in the middle of the dove hunting season, there would be the main reason for going outdoorsmen.

Well, the truth, dove hunting is incidental, especially for members of the Thinkers who are talking ground center Harrison's Auto Parts. Hunting serves only one purpose and that is to get hunters under foot and to whet appetites for the deer hunt which will be the main reason for going outdoorsmen within a few short weeks.

As you housewives want to get things done around the house, you'd better begin pulling out your sports magazines and your outdoor apparatus right now. It will be too late before the deer season starts—and you'll have to do it or get some of the most valuable training programs in progress in the community for several months has been the Candy Striper program. Much has been said about this project, but it is difficult to overplay the effects of this program. It will be of long standing—throughout the lives of those who have taken part—or part—in the training.

Stripers are so called because of the striped uniforms. In reality, they are the Hospital Volunteers. Volunteers work many long hours at Winters Municipal hospital, service they render cannot be emphasized. Because they have been able to take over the tasks ordinarily performed by regular staff members, they have relieved regular nurses so that these professional are able to devote more time to more important areas, in the hospital.

Candy Striper program at Winters hospital began only a few years ago. Since that time, girls have received training in the care of hospital patients, and have done what stands them in good stead for the remainder of their lives. Twenty girls made up the first class of Candy Stripers and these girls received public recognition in ceremonies last Friday.

They received their caps, and in this world of hospital work, one of the most important items in their careers.

They are required to be on duty for 50 hours during the course of their first step of training. This was not easy, because hours had to be made up into an already full schedule of school work, social obligations, and vacations. But they all did it. And the training received will be invaluable for their lives, whether they choose to enter the nursing profession or whether they choose to be just "housewives."

Junior Hospital Volunteer in Winters is unique. Under the regulations of the Texas Volunteer Association for Juniors, (continued on last page)

Winters' Will Open House Saturday Afternoon

A paint and wall papering, the latest addition to the business community, will open house from 2 to 5 Saturday, Mord Tucker, said this week.

Door prizes will be given during the drawing, no purchase necessary, and winners are not to be present at the drawing.

Mrs. Tucker have invited their friends and customers to this open house in their new business in the 100 South Main Street.

CANDY STRIPERS—This is the group of young ladies who completed more than the required number of hours as Junior Hospital Volunteers at Winters Municipal hospital, and received their caps in an impressive ceremony at the First Baptist Church last Friday night. Shown with them, in the center of the picture, are Mrs. W. L. Bean, R. N., an anesthetist and an on-call member of the staff of the hospital, and Mrs. Tommy Rougas, R. N., hospital

superintendent. In the Friday night capping ceremony, Bob Shoemaker played the processional and recessional, Dr. H. H. McCreight was master of ceremonies. The Rev. Ray Elliott gave the invocation, and the Rev. B. T. Shoemaker the benediction. Mike Jones, a second year medical student at the University of St. Louis Medical School, was the principal speaker. Miss Mary Jane Matthews, a former Candy Striper, gave a recitation. Capping was

done by Mrs. Bean and Mrs. Rougas. Members of the class of Candy Stripers, not in order in picture, were Doris Allen, Joyce Allen, Barbara Baldwin, Ann Bean, Becky Brown, Sarah Brown, Barbara Daniel, Leonia Daniel, Robbie Davidson, Sandra Griffin, Martha Hale, Floretta Jones, Judy Kettler, Sharon King, Karen Knapp, Beth Spill, Kathy Shaw, Betty White, Mary Jo White and Mary Young. Winters Municipal Light Plant Reports Big Increase In Electricity Production

For the second consecutive year a big increase in production of electricity for the three summer months has been reported by the superintendent of the Winters Municipal Light Plant.

N. D. Waggoner, superintendent, said that the extremely hot

and dry weather during these months was one of the primary reasons for the increase in production and consumption of electricity. This is because more people run air conditioners for longer periods of time during the hot, dry spells, he said. Also, it was indicated, additional installation of electrical appliances continue to increase the demand for electricity. Total production for the three months was 1,487,400 kilowatt hours.

Waggoner said that during the three months period, an additional 107,880 kilowatt hours of electricity was produced by the city-owned plant. July was the high month, and electricity produced and consumed during that period, was the cause for the increase. June and August production and consumption was slightly less than for the same months of the previous year, but were considerably more than for the same period two years ago.

Production and consumption for the three summer months of 1962 saw a 13.6 percent increase over 1961, according to the figures released by the Light Plant department.

For the three-year period, listing only the three summer months, production of electricity was tabulated as follows:

Additional use of water during the three summer months also was laid to the long dry spell, it was indicated by the City Water Department. This is due to the fact that people watered their lawns more before the summer rains in August, and evaporative air conditioners were in use for more hours during that period than is usually the case.

ELECTRICITY PRODUCTION (Kilowatt hours)			
	1961	1962	1963

Girl Scout Drive Will Begin September 18; Need More Volunteer Workers For Troop

The annual drive to raise funds for the Winters Girl Scout organization will begin Sept. 18, according to John Gardner, who has been named chairman of the fund campaign.

Volunteer workers, under the leadership of the chairman, will seek \$1000.00 to continue and expand Girl Scout activities for girls from seven to 17 years old in this area.

Mrs. W. L. Collins is chairman of the Winters Girl Scout Association.

Many more volunteer workers are needed to make this fund drive a success, Chairman Gardner said. Members of the Winters Post of the Veterans of Foreign Wars, and its Auxiliary, will assist in this drive, he said. Others who are interested in helping in this effort are asked to contact the

chairman. Workers will meet at the Scout Hut at 8:45 a. m., Sept. 18.

Gardner called attention to the increasing need for youth programs today when young people are spending so much of their time away from home and when they have so much more leisure time on their hands. "I have accepted the chairmanship of this campaign," Gardner said, "because I believe that the Girl Scout program provides the best opportunity for girls of our city to acquire the fundamentals of American citizenship."

"Through Girl Scouting," Gardner asserted, "girls enjoy wholesome recreation, for rewarding friendships, develop practical skills and healthy attitudes that may well determine the direction their lives will take."

Patricia Emmert To Receive Degree In May From SHSC

Patricia Emmert, daughter of Mrs. Geneva Emmert and the late J. H. Emmert of Winters, has completed her practicing teaching at Pershing Junior High in Houston.

Miss Emmert whose major areas of study are English, French and Secondary Education, will receive her Bachelor of Arts degree in May from Sam Houston State College at Huntsville. She is a native of Winters and began her high school education in the local schools.

Lazy "N" Ponies From Winters Take Top Honors

The six-pony liberty act from the Lazy N Stables, owned by John W. Norman of Winters, opened the registered and grade Shetland pony show Sunday at the Ashton Pony Farm on the old Anson Road northwest of Abilene. Then the alternate black and white ponies put the Winters stables out front and stayed for the remainder of the registered show.

Thirty-five ponies were entered in the show. Norman's Lazy N Topper's Dream was picked as the model stallion, and Sis Oracle as the model mare.

Topper's Dream went on to win the grand championship of the stallion classes and Sis Oracle was the champion mare.

Other ponies from Norman's Lazy N Stables were: Stallions foaled in 1961 (shod): 1. Lazy N Topper's Dream. Mares foaled 1961 (shod): Sis Oracle. Mares foaled in 1960 or before (shod): Lazy N Oracle Dream. Norman was exhibiting his ponies at the West Texas Fair in Abilene this week.

Alderman-Cave Co. Making Additions To Mill Operation

Calculated to increase production and offer more rapid customer delivery of feeds, new finished feed holding bins and raw material bins are now under construction at Alderman-Cave Milling & Grain Co., the most recent addition to the steadily expanding feed and grain company.

Plans call for construction of eight 10-ton finished feed holding bins. Called batching bins, the new construction will enable continuous manufacture of feed pellets in bulk by the mill, instead of necessary shut-downs or sacking of pellets when there is no truck under the present hoppers. Ray Alderman, manager of the company, said that night operators will be able to fill all batching bins prior to the arrival of delivery trucks, and will not be forced to sack feed they mill on the night shift. He said when a truck pulls under the batching bins, it can be loaded out in three minutes whereas in the present operation, pellets come directly from the pellet machines into the trucks.

The eight bins, with a capacity of 10-tons each, will increase efficiency in the plant and make delivery of finished feeds faster. At present there are three pellet machines in operation in the mill.

Also, construction of raw ingredient bins, with 100-ton capacity, is underway. This new construction will enable the company to keep on hand much more grain and other feed ingredients than is presently the case. Present raw material capacity is 150 tons, and additional supplies are kept in boxcars on the railroad siding. Under the present set-up, when different materials are needed, boxcars must be moved to unloading positions adjacent to the mill. This will be eliminated with the addition of the new bins. All ingredients will be moved about the mill automatically, controlled from a central console in the mill.

Riza Manufacturing Co. of Cleburne is installing the new equipment.

Alderman said these latest additions to the milling operation will make for better service to their livestock feeding customers in the area.

"Jet" Chapman To Hamlin As Assistant Store Manager

Billy Ray "Jet" Chapman, who has been employed at Heidenheimer's store in Winters for about six years, moved this week to Hamlin where he will assume the duties of assistant manager of Heidenheimer's Hamlin store.

David Casey, also a former resident of Winters, is manager of the Hamlin store.

Mr. and Mrs. Chapman and son moved this week to Hamlin. Chapman is a graduate of Winters High School where he was a member of the Blizzard football team. He has been active in the Winters Volunteer Fire Department, and in the Little League baseball association. He has been, for several years, manager of one of the Little League teams which have been called the "Jets." He also has been a member of the Winters Lions Club, and is a member of the Winters Country Club.

Mrs. Chapman has been owner and manager of the Winters Retail Credit Bureau. This business is being taken over by Mrs. David Carroll.

879 Bales of Cotton Have Been Received

Winters cotton warehouse reported the middle of Wednesday afternoon that a total of 879 bales of cotton from the 1963 crop had been received by that company since the beginning of the season.

This cotton is received from two gins in Winters, and two in Wingate.

BRADY TICKETS ON SALE WED.

Reserved seat tickets for the Winters-Brady football game, to be played Sept. 21 in Brady, will go on sale at the Winters School business office next Wednesday. Reserved tickets for this game will be \$1.50, it was announced, with the Winters school retaining 50 cents on each ticket sold here. Fans are urged to obtain their tickets prior to leaving for Brady next week.

Blizzards Travel To Mason Friday Nite

GAME CAPTAINS—Steve Grisson and Alan Benson

Steve Grisson and Alan Benson will be game captains of the Winters High School Blizzards squad when they go after Mason Friday night for the second game of the season, a pre-conference event. Grisson, who is wearing No. 4 in the picture, sports the No. 40 number in game play, and is a senior. A fullback, tipping the scales at 166, Grisson is a 3-year letterman. Benson, with No. 32 practice jersey, wears No. 63 in play, and is a 186-pound senior guard. He is a 1-year letterman.

SCHOOLS DISMISS FRIDAY AT 2:30

In order to have buses available for the trip to Mason for the football game, the Winters schools will dismiss at 2:30 Friday afternoon, Sept. 13. Buses will make regular routes at that time.

All buses going to Mason will leave at 3:45 p. m., with a planned arrival in Mason at approximately 7:20.

IN MOTE HOME

Mrs. C. R. Kennedy of Sulphur Springs is visiting in the home of her daughter, Mrs. C. R. Mote and Mr. Mote.

GOALWARD—Denny Aldridge, Winters Blizzards quarterback,

After safely tucking the opening game of the season under their belts (Winters 22, Colorado City 8), the Winters High School Blizzards take to the road Friday night, on the prowl for more material with which they hope to build the 1963 glory road to a repeat of last year's performance.

The 1962 District 6-AA champions take on another group of district champions, Mason, who won the championship of 18-AA last year.

Coming out of the Colorado City game with no injuries, the Big Blue team will field, according to the coaching staff, a team which found their equilibrium in the opener and are ready for the season to get underway in earnest.

Coach L. G. Wilson said that in the Colorado City game, many of the Blizzards fielded were playing their first time with the varsity squad. The first game served to take the rough edges off their action on the field, and they are expected to make a showing Friday night.

However, they will go to Mason with one man out of the lineup which faced Colorado City. Johnny Mathis, a first string notable tackle, was laid up with a minor shoulder injury during practice this week, and will be out of the Mason game. But, to balance this loss, Hank McCreight, who suffered an injured knee in the Cisco scrimmage, will suit up and be ready for action Friday night. Coaches feel that a full-strength, well-balanced squad, both offensively and defensively, will make the trip to Mason.

Fans who plan to follow the Blizzards to Mason have been advised that a stretch of road from Menard to Mason is under repair and construction, and if that route is taken, care should be taken, and enough time allowed to reach Mason in plenty of time for the kick-off. It was pointed out that the best route, under the circumstances, would be by way of Brady.

Mason is the favored team to win the pennant in 18-AA this year. Six regular fieldmen are returning to the Mason lineup, and reports are that the squad is a smooth working machine. They defeated Lake View 30-8 last week. Last year, that central Texas group won their district competition and lost to Rockdale by only two points. Rockdale went on to the state finals, it will be recalled.

LEGAL NOTICE

AN ORDINANCE TO LEVY TAX ON AND TO LICENSE OWNERS AND OPERATORS OF BILLIARD TABLES, AND TO SUPERVISE, REGULATE AND CONTROL ANY PERSON, FIRM, ASSOCIATION OF PERSONS, OR CORPORATION, OWNING OR OPERATING A BILLIARD TABLE WITHIN THE INCORPORATED LIMITS OF THE CITY OF WINTERS, TEXAS, AND TO FIX PENALTIES FOR VIOLATION THEREOF; AND SUSPENDING THE RULE REQUIRING ORDINANCES TO BE READ UPON THREE SEPARATE DAYS.

BE IT ORDAINED by the City Council of the City of Winters, Texas:

Section 1. Definition
Billiard Table is hereby defined by reference to the definition thereof as contained in H. B. No. 39, Acts 1963, of 58th Legislature, Regular Session, to be shown as Section 10 of Article 19.01 of Vernon's Ann. Statutes.

Section 2. License
Any person, firm, association of persons, or corporation, desiring to own or operate a Billiard Table within the incorporated limits of the City of Winters, Texas, will be granted a license to do so, subject to the rules and regulations herein provided.

Section 3. Application for License
Any person, firm, association of persons, or corporation desiring license to operate Billiard Tables within the incorporated limits of the City of Winters, Texas, shall submit to the City Council of Winters, a written application, verified by affidavit, showing therein the location of the intended operation, a description of the premises of such operation with reference to the items pertinent to the rules and regulations herein provided, and a description of the plans for operation of such premises, so as to show whether or not the said premises and plans for operation thereof will comply with the rules and regulations herein provided.

Section 4. Issuance of Application, or Rejection Thereof
Any such application shall be heard and considered by the City Council at its next regular meeting after five days from the filing of said application in the office of the City Secretary; provided, however, any billiard hall in legal operation upon the effective date of this act shall not be required to meet the five (5) day waiting period, or such application may be considered and heard by said City Council sooner at a regular meeting or any special meeting if the City Council shall adopt a resolution to waive said requirement of filing for five days before the meeting. On such hearing, if the City Council finds that the physical condition of the premises and the proposed plans for operation thereof comply with the rules and regulations herein provided, the said Council shall adopt a resolution authorizing the City Secretary of Winters, Texas, to issue the license applied for on form to be hereafter approved by the City Council. But if on such hearing the City Council should find that the said premises and the plans for operation thereof do not or will not comply with the rules and regulations herein provided, then the City Council shall refuse to issue said license.

Section 5. Tax
A tax of \$2.50 per table is hereby levied and ordered to be assessed upon any person, association of persons, firm, corporation and every other organization, owning and operating one or more Billiard Tables for profit within the corporate limits of the City of Winters, Texas, save and except religious, charitable or education organizations, and to be collected for the calendar year in which a license may be granted by the City of Winters, Texas, and for each year thereafter until it be otherwise provided. Such tax is to be paid to the City Secretary as the tax collector for the City of Winters, Texas. Tax for the year in which the license may be issued shall be payable at time of issuance of said license; and thereafter, the tax shall be payable on or before January 31st of the year for which such tax shall be due and payable.

Section 6. Rules and Regulations
(a) Places of business governed by this ordinance shall be located only on the ground floor of any building within the incorporated limits of the City of Winters, Texas, and shall not be located on the second or any other floors than the ground floor of any building.
(b) No place of business governed by this ordinance shall have any partition wall or walls cutting the building into two or more rooms (small office room and wash room excepted) so that all business operations shall be contained within only one room of such building.
(c) Places of business governed by this ordinance shall be closed on Sundays.
(d) Places of business governed by this ordinance shall be open not earlier than 8:00 A. M., and not later than 11:00 P. M., Central Standard Time.
(e) Places of business governed by this ordinance shall not allow persons under eighteen (18) years of age to play any game therein, nor enter upon the premises unless accompanied by parent or guard-

ian or written permission from one of the parents of each person be first obtained.

(f) Places of business governed by this ordinance shall not permit gambling in said premises.

(g) Places of business governed by this ordinance shall not permit consumption of intoxicating liquor (including beer) on said premises.

(h) It shall be the duty of every owner, keeper, or operator of places of business governed by this ordinance, to keep good order within the same, and to prevent all persons who may be on the premises from disturbing the peace and tranquility of the premises and/or the neighborhood by cries, songs or any noise or disturbance whatever.

(i) Any peace officer, and any representative of the City Council of Winters, shall have the right to enter and inspect the premises of any business governed by this ordinance at any time during the hours said premises may be opened for operation.

(j) Any license issued under this ordinance is not transferable except with permission of the City Council being first secured.

Section 7. Penalties
In case of violation of any of the regulations and rules herein provided, in the opinion of the Mayor of the City of Winters, the Mayor may, upon complaint, or upon his own motion, revoke any license which may have been issued under this ordinance; provided, if any person is aggrieved by such action of the Mayor, he may appeal such revocation to the City Council of Winters. Said Council shall hear such appeal within ten days after written notice of such appeal shall have been filed with the City Secretary of the City of Winters.

Section 8. Severability Clause
If any section, subsection, paragraph, sentence, clause, phrase or word in this ordinance, or application thereof to any person or circumstances is held invalid, such holding shall not affect the validity of the remaining portions of this ordinance, and the City Council hereby declares it would have passed such remaining portions despite such invalidity.

Section 9. Repeal of Conflicting Ordinances
All ordinances and parts of ordinances in conflict herewith are hereby expressly repealed; but nothing herein shall be construed as repealing any of the ordinances or parts of ordinances not in conflict herewith.

Section 10. Declaring an Emergency, and Suspending Rules
The rule requiring that ordinances shall be read on three separate days is hereby suspended; and this ordinance shall be in full force and effect from and after its having been approved and published, and it is so ordered.

Passed and approved on the 3rd day of September, 1963.

AN ORDINANCE TO REGULATE THE ERECTION, CONSTRUCTION, ENLARGEMENT, ALTERATION, REPAIR, MOVING, REMOVAL, CONVERSION, DEMOLITION, OCCUPANCY, EQUIPMENT, USE, HEIGHT, AREA AND MAINTENANCE OF BUILDINGS OR STRUCTURES IN THE CITY OF WINTERS, TEXAS, PROVIDING FOR THE ISSUANCE OF PERMITS AND COLLECTION OF FEES THEREFOR; DECLARING AND ESTABLISHING FIRE DISTRICTS; PROVIDING PENALTIES FOR THE VIOLATION THEREOF AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT THEREWITH.

BE IT ORDAINED by the City Council of the City of Winters, Texas, as follows:

SECTION ONE: That the Southern Standard Building Code, (1960-1961), revision which shall include Southern Standard Gas Code, Part II, Southern Standard Plumbing Code, Part III, Southern Standard Housing Code, Part IV, a copy of which has this day been exhibited to and approved by the City Council of the City of Winters, Texas, be and the same is hereby adopted and declared operative as of the 6th day of August, 1963, and binding within the corporate limits of said City of Winters, Texas, and the police jurisdiction thereof.

SECTION TWO: The City Secretary of the City of Winters, Texas, is hereby authorized, directed and empowered to insert at the appropriate place therein a certificate to the effect that said Code is an official publication of building laws, ordinances and resolutions passed and adopted by the City Council of the City of Winters, Texas, and that said publication in book form of said building ordinance, laws and resolutions affecting said City of Winters, Texas, by authority and under direction of the City Council of said City of Winters, Texas, is to be and become effective as the building laws and ordinances of said City.

SECTION THREE: This ordinance shall be cumulative of all other Building ordinances or regulations of the City of Winters, Texas, unless in conflict with the terms of said ordinances and regulations, in which case the terms of this ordinance shall prevail.

SECTION FOUR: The rule that

ordinances be read at three consecutive meetings is hereby suspended and this ordinance shall be in force and effect from and after its passage, approval, and publication.

SECTION FIVE: All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

SECTION SIX: If any section, or part of any section, or paragraph, or part of any paragraph, or sentence, or part of any sentence, of this ordinance is declared invalid or unconstitutional for any reason, it shall not be held to invalidate or impair the validity, force or effect of any other section or sections, or part of a section, or paragraph, or part of a paragraph, or sentence, or part of a sentence of this ordinance.

SECTION SEVEN: The fact that the City of Winters, Texas, does not have an ordinance regulating building codes in the City of Winters, Texas, and needs such an ordinance in order to protect the health and welfare of the citizens of the City of Winters, creates an urgency and imperative public necessity that this ordinance be enacted as an emergency measure, and be in full force and effect upon its passage, and it is so enacted.

PASSED AND APPROVED this 6th Day of August, A. D., 1963.

Recently, in our service area...

\$28,000,000 has been spent for industrial construction

\$27,000,000 has been spent for commercial construction

PLUS

\$34 MILLION

... which has been spent for civic improvements.

Previously published figures of industrial and commercial construction in our service area are now boosted by the addition of another huge sum. Recent civic improvement expenditures by cities and counties amount to \$34,000,000, exclusive of any State or Federal improvements.

This figure is more evidence of growth — big growth — in the area we serve. Moreover, when we say that this Center of the Southwest is in one of the Nation's fastest growing regions, the statement is backed by facts.

It is another reason why we are convinced that our service area — the Center of the Southwest — faces GROWTH UNLIMITED in the months and years ahead.

MOVIES

"California", American International's "California" is a swashbuckling adventure thriller of the last frontier of America and the efforts of its frontiersmen to gain freedom from foreign domination.

"House of the Damned," High tension, suspense, surprise, shock and terror lie behind the fifty doors of "House of the Damned," 20th Century-Fox release, starring Ronald Foster, Merry Anders, Richard Crane and Erika Peters, which shows Friday and Saturday at the State Theatre.

"Giant," Elizabeth Taylor, Rock Hudson and James Dean are topcast in the George Stevens production of "Giant," the Warner Bros. release showing Sunday and Monday at the State Theatre. The screen classic, telling an epic tale of the tumultuous development of a Texas Dynasty, is based on the best-selling novel by Edna Ferber. Stevens won an Academy Award for his direction of "Giant," which also stars Jane Withers, Chill Wills, Mercedes McCambridge and Sal Mineo and introduces Carroll Baker.

"Spartacus," The vibrant era of pagan Rome in the last century before Christ is re-created in all its turbulence, excitement and splendor in "Spartacus," the epic motion picture—winner of four Academy Awards—

which shows on an exclusive engagement Saturday and Sunday at the Fiesta Drive-In Theatre.

Starring Kirk Douglas, Laurence Olivier, Jean Simmons, Charles Laughton, Peter Ustinov, John Gavin and Tony Curtis, "Spartacus" brings to the screen the famed story of the gladiator-rebels, led by the heroic Spartacus, who shook Imperial Rome to its foundations and nearly brought about the extinction of that despotic power.

Council Approves Pool Hall Operation In City of Winters

In the regular monthly meeting of the Winters City Council last Tuesday night, the council passed and approved an ordinance permitting open operation of pool or billiard halls within the city limits of Winters.

In addition to granting permission to persons and groups to operate pool halls within the city, the ordinance, which is being published this week, includes several strict rules and regulations which will govern owners in the operation of the businesses.

Open operation of pool and billiard halls has been illegal in the State of Texas for several years. There have been many which operated as private clubs, however. The 58th State Legislature passed a bill last spring legalizing the operation of pool halls, H.B. 38, which became effective August 23. Under provisions of the bill, cities and towns were given the authority to regulate and control such businesses within corporate limits.

Members of the City council, for several months since the passage of the bill by the Legislature, have been discussing the possibility of passing an ordinance regulating the operation of pool halls in Winters. Council members have said that as the new law had been interpreted to them, the Legislature had made pool halls legal, and the absence of any city ordinance would permit open operation within the city, with fewer controls being maintained by the city. It was explained that the legalizing of pool halls would permit open operation within the area in any event, and councilmen explained that in view of such conditions, it would be to the benefit of the City of Winters to open it up and by ordinance, place certain restrictions on operation. The ordinance was passed unanimously by the four members of the council present, J. W. Bahl-

man, W. M. Hays, E. E. Dodson and R. C. Thomas. J. C. Jarrell is on vacation, and was not present at the meeting.

Under provisions of the ordinance, any person, firm or association desiring to operate a pool or billiard hall within the city limits must obtain a permit from the City. A tax of \$2.50 per table per year is levied on the owner or operator; this is half the state tax levied by the State, and is the maximum permitted under the new law.

Other provisions of the ordinance state that building housing pool halls must not be partitioned in any manner, except for supply

and rest rooms, and all areas must be in one room. The ordinance also states that places of business may only from 8 a. m. until 11 p. m. and must be closed on Sunday. It places the responsibility for orderly operation upon the owner. No person under 18 years of age will be allowed to play, or even to enter, unless accompanied by a parent or guardian, or his possession written permission signed by the parent.

Violation of any of the provisions of the ordinance cause for closing of any establishment of this nature.

Rural Carriers Are Distributing Survey Cards

Rural mail carriers out of the Winters post office began distributing 1963 Acreage Survey Cards to patrons on their routes about Sept. 12. Rankin Pace, postmaster, announced this week. The Post Office Department assists USDA in making this survey this year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1963.

To be sure this community is well represented in the survey, Postmaster Pace urged each patron receiving a card to fill it out and return it to his mail box. Rural mail carriers working on this project are W. S. Cooke, route 1; Ray Hollingshead, route 2; Weldon L. Collins, route 3; and W. E. Little, route 4.

Pentecostal Church Of God To Begin Revival On Sunday

Parents' Night At Elementary School Big Success

"Parents' Night" at Elementary School was most successful under George M. Beard, principal, and that there were 306 parents present. This represents 48 percent of the total number of families represented, he also said that 48 percent of the three elementary schools were present.

Beard said that 306 parents were present. The special night was held at the elementary building, Sept. 9, beginning at 7:30 p. m. and ending at 9:00 p. m. The meeting was held in the gymnasium and was held in three different times for the different classes, tea, and the scope of subject, grading and reporting homework, attendance, and can help, parent-teacher conferences, room visits, methods and goals for the school year.

Stovall Family Held Reunion Sunday

Fifty-four descendants of the late Mr. and Mrs. Henry Stovall were present for the annual family reunion Sunday in the VFW Hall in San Angelo.

The oldest relative present was David Stovall of Dallas who is 74; the youngest, Kimberly Ann Wolff, 4 months, representing the fifth generation of the Stovall family. Traveling the longest distance was Barbara Bolden of Cleveland, Ohio.

Towns represented were San Angelo, Winters, Dallas, Corpus Christi, Houston, Odessa, and Cleveland, Ohio.

Clarence Todd of San Angelo, president of the organization, presided for the business meeting and it was decided to meet at the same place next year on Labor Day week end.

Young Farmers' Meet Set For Tuesday

A meeting for young farmers of the area is being scheduled for next Tuesday, Sept. 17, at 7:30 in the vo-ag building on the Winters High School Campus, according to Lon McDonald, vo-ag teacher.

Purpose of the meeting is to organize a Young Farmers group, to be affiliated with the state-wide organization.

Sponsored by the Texas Education Agency, the organization's aim is to help young farmers of the community in their problems and to promote a liaison between the farmers and the commercial and business community.

All active farmers between high school age and 35 years are invited to attend this organizational meeting.

County TB Unit Will Hold Meeting On September 19

DO YOU REMEMBER?

From the Files of the Winters Enterprise

30 YEARS AGO

September, 1933
Jim Flynt, district game warden, placed 3,750 fish in the city lake. The collection consisted of 1,100 bass, 300 cat, 550 goggle-eye perch and 1,800 brim. Some of the bass measured four inches in length. The lake was closed to fishing by the council and reopened the following spring, making the city lake a good fishing area.

Do you remember when any lady in need of a curl in her hair could get a permanent wave at the beauty shop for only \$1.50.

Children under school age were accepted at the Winters schools. Tuition was \$3.00 per month, cash in advance. Miss Thelma Ardis Cole was selected as the teacher.

In a meeting of the 1933 Blizzard football team, Weldon Sullivan, playing an end position, was elected captain of the Blizzard team for the season and Jesse Clay, a half back was chosen as co-captain. The scheduled games for the Blizzards to play were Abilene, Colorado, Santa Anna, San Angelo, Merkel, Coleman, Bangs and Ballinger.

Remember when there was a Tung Kung Club in existence?

25 YEARS AGO

September, 1938
Winters Lions Club voted to raise funds for band uniforms, it was announced by George C. Hill, chairman of the funds raising committee.

Blizzard Coach Amon Johnston made a very interesting talk at the regular Lions luncheon, on "Prospects of the Blizzards for the approaching season." Other programs presented were "What we expect of a new Football Coach," by George C. Hill, "What I think of what you Expect," by Monroe McCarty, who was the assistant coach.

The average income of the South's middleclass families totaled \$905.00. Half of the families received more and the other half received less.

Universities and Colleges claimed 34 Winters young people. Misses Carl Lesta Davis and June Marshall, Texas Wesleyan College; Terrell Davis, T. W. C.; Lawrence Jennings, Buddy Ramel, and Sedic Poe, Texas A & M; Wayne Stark and Wade White, senior year in Cadet Corps.

Cecil Wood, Howard Payne College; Charles Gardner, Texas Technological College; Miss Mary Perkins, Miss Lela Mae Estes, Trinity University; Ruby Nell Mosley, Hardin-Simmons; Mary Virden, Mildred and Lila Mae Smith, H-SU; Clois Mapes, Texas Technological College; Mary Hey, Doris Reid, Selma Chapmond and Shirley Cole returned to Abilene Christian.

Miss Anita Maddox and Mary Maddox, Lady of the Lake; Mandy Lee Smith, Baylor University; C. S. Jackson Jr., University of Missouri; Jane Oliver, C. I. A.; Merle Clark, Loretto College; Kendall Mullin, University of Texas; Homer J. Hodge Jr., University of Texas; Travis Smith, Medical branch of the University of Texas; Vivian Cryer, McMurry; and Myra Nell Hamor transferred from Mary Hardin-Baylor to Hardin-Simmons.

20 YEARS AGO

September, 1943
The Rev. Sid Anderson, brother of Lanham Brown and a former resident of Winters, baptised General Chiang Chi Sheck. The Rev. Anderson was a missionary in China who returned to the United States on the Gripsholm in an ex-

change of Nationals. Mrs. Anderson was also a missionary in China but had returned with her son to America, three years previous to her husband's return, so that their son might complete his education.

R. V. Hardegree was superintendent of the Winters schools and announced the school opening unusually large. The total enrollment was 711 with 293 in high school, 212 in elementary, 206 in primary school.

The school faculty suffered some last minute resignations. Miss Lucy Kittrell, who was to teach first grade, resigned to care for her mother in Cisco. Miss Verna Mae Wilkinson teacher of speech and English in high school, resigned to accept a position in the Fort Worth schools and James B. Nevins, band director, resigned to become an instructor at Harmon Field in Ballinger.

Miss Opal Hunt, correspondent for the Bradshaw news today and also 20 years ago, sent into the office of the Winters Enterprise, an article written by Miss Vivian Irvin, former resident of Bradshaw, giving ten points on how she could help win the war. Quoting Miss Irvin on one of her ten points—"I can drop a nickel in my 'book bank' every day instead of drinking a 'coke', and at the end of a year add 50 cents to the sum therein and buy a war bond. It might be the bond that would buy the bullet that would be in the gun of any one of our boys when they face a Jap and desperately need one more bullet to finish the job."

FROM NEW MEXICO

Mr. and Mrs. Gary Worthington of Clovis, New Mexico are visiting in the home of his parents, Mr. and Mrs. T. H. Worthington, who accompanied them to Austin for a weekend visit with Mr. and Mrs. T. H. Worthington Jr.

FROM LUBBOCK

Blizzards Clip Colorado City

The 1962 State Class AA semi-finalists, better known as the Big Blue Blizzards of Winters High School, opened their 1963 season at home Saturday night against AAA Colorado City.

Before a capacity crowd, the Blizzards were unable to display the brilliant offense and impassable defense evident as the 1962 season progressed, but were on the job to capitalize on three big miscues of C-C for a 22-8 victory.

Several potential "new" stars were given a chance to shine in the game, which on paper (statistics-wise) were very close indeed. To name a few, end Donald Parker, who seemed to have a magnetic grip; quarterback Denny Aldridge, whose ball-handling ability improved with each play; quarterback Jimmy Adams; center Chester Puckett, and on defense, Richard "Big Daddy" Shade, who is Big Blue personified.

After receiving the kick-off, the Wolves moved in 8 plays to the 17, but as a fourth down pass fell incomplete, relinquished the ball to the Blizzards.

Aldridge carried for the first three yards gained by the Blizzards, to the 20. He then passed to Parker for 10 more yards, and a first down. Carries by Van Spill, Aldridge, and Larry Awalt, plus a 5-yard penalty against C-C, moved the ball to the 41. With only 6 yards gained in 3 plays, however, Parker punted on fourth down to the C-C 6-yard line.

The Wolves moved to the 21 in three plays before making their first big mistake of the evening, and were pummed on with vigor. They fumbled on the 21, and Chester Puckett claimed the ball for the Blizzards, setting up the first TD of the evening, early in the second quarter, 8 plays later.

Alternating his three backs, Steve Grissom, Spill and Awalt, Aldridge guided the Blizzards to the 4 before taking the ball himself for a trip around left end for the tally. Aldridge rolled off left guard for the extra 2.

The Blizzard score seemed to awaken the Wolves. They marched 70 yards, with Dale Walker doing most of the work, for their TD, 6 minutes and 45 seconds later. Fullback Rodger Proctor claimed the score from the one, and Walker made it 8-8 with 4:10 left in the first half.

Seconds before the half ended, the Blizzards had worked their way from their own 35 to the C-C 5-yard line, only to be stopped cold by a stone wall of red jerseys. As the half ended, the Wolves had moved to the 12-yard line.

Late in the third quarter the Wolves again fumbled to set up another Blizzard score. This fumble came after the C-C boys had moved from their own 20 to the Winters 32 in a forced march, spearheaded by Big Walker. As the ball rolled loose, Roger O'Neal and "Big Daddy" Shade left little doubt as to who had landed on the wild ball.

From the 34, Aldridge passed to Awalt for 16 yards. He then carried from the 50 for 4, before passing 25 yards to Parker. Grissom called for 5 yards to the 21, and a C-C penalty carried to the 11. Aldridge moved to the 6. Grissom on to the 3, and Aldridge drove into the end zone as the clock stood at 9:21 left to play. The score was 15-8 after Parker received an Aldridge pass for the extra 2.

Just one play later a C-C pass was intercepted by Puckett on the

Winters 32 to set up the third Blizzard TD.

Aldridge took to the air, but two attempts to hit Awalt in the flat went incomplete, so ground work was the rule, with Grissom, who had been shut-in most of the evening by the Wolf defense, Spill and Awalt moving to the 4 in 5 plays. Here the Blizzards received a 15-yard penalty. Moved back to the 19, Aldridge carried to the 12, Grissom ate up two more yards to the 10. With third down and goal from the 10, Aldridge hit Awalt with a pass for the final score. A kick-try for the extra point was wide.

With 4:32 left to play the Blizzards had their final play. As if to wind up in fine style, the Wolves fumbled just one more time, giving Shade a chance to come up with the ball.

Final score, 22-8, with a final word from the crowd: "This is just the way we started last year—maybe."

Carl Gottschalk Attended Bureau Dairy Meet Sept. 9-10

Carl Gottschalk, a dairy farmer of Route 3, Winters, left Waco Sunday morning with a group of Texas dairymen to attend the Farm Bureau National Dairy Conference in Kansas City, Mo., Sept. 9-10.

The conference was planned as a work conference for State FB board members, and members who are dairymen. They identified and examined problems in the industry and considered their solution.

Objectives of the conference were to discuss current and anticipated development in the dairy industry, exchange information of dairy farmers' problems and opportunities, and to stimulate ideas and develop suggestions for activities that will enable FB to be more effective in helping dairy farmers solve their problems, it was pointed out.

General chairman of the conference was William E. Bensley, dairy farmer-president of the New York Farm Bureau and chairman of the FB National Dairy Advisory committee.

Another Drive Underway In Congress To Increase Government Workers' Pay

By Congressman O. C. Fisher
Another Drive to increase salaries of government employees is under way. Committee hearings are now being held, following a special message from the President recommending a general increase across the board, with a few substantial raises. This proposal follows recommendations made by a 12-man advisory panel, appointed by the President.

Under this plan, Cabinet Members would get \$50,000 a year; Members of the House and Senate, \$35,000; and Supreme Court Justices, the Vice President and the Speaker of the House would receive \$60,000 a year.

I am opposed to any such increases this year. It will be recalled that there was a very substantial general increase for government employees last year, costing about \$1.2 billion per year in addition to what was previously paid. Faced with a \$10 billion deficit this year, it hardly makes sense to talk about pay increases now. It would seem to be much more appropriate for the Congress to think in terms of reducing costs of government, tightening our belts, and making a concerted effort to achieve a balanced bud-

get.
In June of 1962, the President appointed a special group, headed by a lawyer named Gerhard A. Gesell, to study racial problems in the military. On June 21, of this year that group filed a report that has raised grave concern among many people. Already the Secretary of Defense has indicated the Gesell recommendations will be put into effect.

Under this controversial proposal, a military base commander would have the authority to prohibit any of those under his command to visit or trade in business establishments in nearby communities which were allegedly practicing racial discrimination. Such business places could be declared "off-limits" for all such military personnel, whether on duty or off duty.

Basis for opposition stems from the belief that the military should not have responsibilities not connected with training for our national security. The attempt to mix the military into enforcement of social customs would be a dangerous departure from the whole concept of military preparedness, and could do serious harm to our defense efforts.

AROUND THE 6-AA FOOTBALL LOOP

District 6-AA remains intact, following the weekend entry into the West Central Texas football wars, with each team in the district winning their opener.

Marking up a total of 154 points against 63 for their opponents, the six teams in the district once again called attention to the fact that 6-AA will be a hard-riding, hard-scrapping group of football squads this year.

As a result of action Friday and Saturday nights, state rankings, as reported by the Fort Worth Star-Telegram, took on a different appearance. Winters and Ballinger moved up one notch, to places No. 3 and 4, respectively, and Stamford entered the lineup in No. 5 position. The fact that there are three teams out of 6-AA in the total 10 in the high ranking lineup indicates the respect sports writers have for the brand of football played in this district.

The Winters Blizzards, defending champions of the district, waited until Saturday night to stage their opener, dittoing their last year's defeat of the Colorado City Wolves. The Big Blue drew first blood in the second period, with the Wolves coming back to tie the score 8-8 at halftime. The second half, the Blizzards took advantage of some breaks, and made some breaks for themselves, to wrap up the game 22-8. Winters was the only team in the district to step up a class and take on a 3-A team last weekend. In last year's opener, the Blizzards defeated C-C 18-6. Winters plays at Mason Friday night.

Ballinger upset Brady's applecart Friday night, nudging the Bulldogs 28-24 in an opening thriller at Brady. The Bearcats went ahead 14 points, then lost their advantage, and later came back to take the long end of the stick, with a 76-yard drive in the fourth period. Last year, the Bearcats whipped the Bulldogs 18-0. They take on San Saba at Ballinger this week.

Stamford showed reason for concern on the part of area footballers Friday night, blanking highly ranked Quanah 21-0, and gaining for themselves a notch on the S-T high ranking honor list. The Bulldogs racked up 201 yards rushing against 159 for Quanah. Last year Stamford whipped the Indians 34-0. This week, Stamford hosts Cisco.

The Haskell Indians rolled over Seymour Friday night, 33-18, with a whopping 258 to 105 yards rushing edge over the Panthers. Haskell made only 80 yards passing, to Seymour's 148, completing 6 of 12. Seymour completed 10 of 18. Last year, Haskell killed Seymour 44-6. Haskell will play at Clyde Friday night.

A field goal in the fourth quarter kept Anson in the 6-AA winning lineup. For a while, it appeared that the two teams would duplicate last year's 6-6 standoff, until Quarterback Dennis Cooley toed a 3-pointer from the 13 yard line early in the fourth quarter, to keep the Tigers in the headlines. Anson takes on Iowa Park at home this week.

Hamlin, with a 41-7 win over the Rotan Yellowhammers from District 6-A, was the high point scorer for 6-AA this weekend. The Pied Pipers rolled over Rotan with 320 yards rushing against 183, and wrapped up 16 first downs while the Yellowhammers could eke out only 3. Hamlin beat Rotan 12-10 last year. The Pipers will play Childress in Hamlin this week.

CARD OF THANKS

We wish to express our sincere appreciation for every kindness which was shown us during our long stay in the hospital. To the many friends who sent cards, letters and for the visits, to Brother Shoemaker for his visit and his prayers, to the doctor, the nursing staff and the dietitian at the hospital, we extend a special thanks for the many kind deeds shown me and my mother, Mrs. Burrus.

We are both at home now and it is our prayer that God will bless each one who had a part in our recovery. My wife joins us in saying thanks to each of you. W. H. Schwartz. 1tp

MR. AND MRS. NOBLE LYNN FAUBION JR.

Winters Man With Peace Corps Married In Santo Domingo, Dominican Republic

Amantina Ordonez of Santo Domingo, and Noble Lynn Faubion Jr., of Winters were married in the home of the bride in Santo Domingo, Dominican Republic at 7:30 o'clock August 17, according to information received by the groom's parents, Mr. and Mrs. N. L. Faubion of the Crews Community.

The bride is a daughter of Fern-min Ordonez and Rosa E. Ordonez of Santo Domingo.

The groom is attached to the United States Peace Corps and has been in the service since 1962. He was stationed at Puerto Rico 4 months for training and then assigned to the Dominican Republic.

Home Town Talk--

(Continued from page 1)
The local program is one of only two in the state which is in progress without an organized Senior Volunteer program in the same hospital. This is a result of a special amendment adopted by the State association about three months ago.

Girls taking training in the Candy Striper program must receive much credit for their interest and hard work. But the community would be lacking in responsibility if they failed to give proper credit to those persons who are primarily responsible for the inauguration of the program. Too little has been said about these sponsors, because they have preferred to remain in the background.

Three women of Winters took it upon themselves to get this program started, spending long hours—and in one instance, a big part of a vacation period—to get the project approved and to help the enrollees. They saw the need for such a program in Winters, and left no stone unturned in their efforts to put it over. They faced many obstacles, but with a determination which is paramount among people who get things done, they sat in the audience Friday night and saw the first results of their labors.

Mrs. H. H. McCreight, Mrs. Kenneth Knapp and Mrs. Buford Baldwin are the sponsors of this program. One of them, Mrs.

Knapp, spent a good part of her vacation time, personally visiting officials of the state organization in an effort to get local project approved. They have spent much time doing duty hours for the program. They have nothing more than the joy of working with these girls to see the fruits of their labor. The community owes a gratitude to these women.
