Heart 'o Texas Girls Scout Council Meeting

Approximately 175 Girl Scout delegates, board members, leaders, and friends of Girl Scouting attended the 19-county Heart of Texas Girl Scout Council's Annual Meeting in Breckenridge recently.

Girl Scouting—A Promise in Action" was the theme of the meeting. The principle speaker, Rev. Richard L. Russell, minister of the Breckenridge First Christian Church, spoke on the importance of girls living up to their Girl Scout promise. He told the group that a Scout's promise to love God and country, to help other people at all times gave girls a needed sense of patriotism, of civic responsibility, and devotion to service.

The program opened with selections by the Breckenridge Boy's Choir, directed by J. B. Brantley with Mrs. Gwen Dean at the piano. This choir sang with the Youth Choir at the White House in April, 1961 and has been invited to perform at the World's Fair in July, 1964.

The coveted Girl Scout statuette was presented to Mrs. Carl H. Whalen of Weatherford by Mrs. Roscoe Langford, council president. Mrs. Whalen was cited for her 10 years outstanding service as a troop leader, and her service as district chairman, and board member. Certificates of appreciation were awarded Mrs. John Clark of Breckenridge and I. B. Hand of Weatherford.

Fourteen Curved Bar awards were presented girls from throughout the council by Mrs. A. C. Robbins of Stephenville, former president of the council. Also, Mrs. Robbins awarded 10-year pins to Mrs. Wesley Howell and Mr. George Roberts of Mineral Wells, Mrs. Earl Tomlinson of Lampasas, Mrs. Carl Whalen and ten girls from troop No. 6, Weatherford.

The travel plaque, which is

awarded each year to the town traveling the furthest and having the most people present, was given to Weatherford. Mrs. Donald Cole, Community Chairman, accepted the plaque for Weatherford.

Another outstanding part of the program was a panel of Senior Scouts who had attended National Girl Scout events during the past year. Mrs. John Clark of Breckenridge was moderator for the panel and the six participating Seniors told of events attended, how they were helped by their communities, and how they planned to use the experiences to help other girls who might someday want to participate in such events. Girls making up the panel were: Cathy Tomlinson, All-States representative from Lampasas; Carol Roan, All-States representative from Weatherford; Anita Mallory and Gwyneth Hobson, Senior representatives to the National Convention from Weatherford; Judy Biggs, Our Cabana representative from

Brownwood; and Marcia Merritt, mounted troop representative from Weatherford.

Mrs. Roscoe Langford, council president, presided over the business meeting which preceded the dinner meeting.

Officers and board members were elected for new two-year terms and included the following: Charles Lamkin, Jr., 2nd vice-president, Brownwood; Tom Dunn, Treasurer, Brownwood; Mrs. Earl Tomlinson, District II Chairman, Lampasas; I. F. Bay, Member-at-Large, Brownwood; Mrs. John W. Clark, Personnel Chairman, Breckenridge; Elmo Ledbetter, Camp Chairman, Brownwood; and H. A. Swanson, Member-at-Large, Breckenridge.

New members elected to the Council's Nominating Committee included Mrs. Robert Bohning, Lampasas; Mrs. Donald Cole, Weatherford; Roscoe Langford, Lampasas; and Mrs.

Lester Simmons, Brownwood.

Drive For a SAFE HOLIDAY

DEAR MOTORIST:

Our hearty best wishes for a Merry Christmas and Happy New Year to you and your family!

Yuletide is drivetime for the entire family. Time for visiting friends... for picking up the family Christmas tree... for looking at neighborhood Christmas decorations... perhaps for taking a trip to share the holidays with loved ones. These are the warm, full days of cheer... enjoyment... relaxation.

May we suggest you discuss the six driving tips below with your family? Resolve to DRIVE FOR A SAFE HOLIDAY and make your motoring this season the safest and most enjoyable ever.

ALLOW ENOUGH TIME. Whether going downtown or on a trip, allow time to avoid feeling rushed. On long trips make frequent stops. Arrive relaxed.

HAVE YOUR CAR CHECKED. Drive with good tires and properly adjusted brakes. Make sure lights, turn signals and windshield wipers function properly.

USE SEAT BELTS. They help save lives, prevent injuries. Seconds will buckle a belt; a flick of the wrist will release it. Use them whenever and wherever you drive or ride.

BE ALERT TO HAZARDS. Adjust your driving to road, traffic and weather conditions. Give yourself and others an extra margin of safety.

USE COURTESY ABUNDANTLY. Everywhere—at intersections, while passing or being passed, at night when your headlights are on high beam—"Make Courtesy Your Code of the Road." It pays!

FOLLOW THE RULES OF THE ROAD. Signs, signals and road markings are your guides to a safe, enjoyable drive around town or on a long trip.

Our best wishes for safe and pleasant holiday motoring for you and your family this Christmas season.

Cordially,

WADDELL CHEVROLET CO.

Christmas Tree Started In 16th Century Germany

The Christmas Tree! Today we regard it as a central decoration for our season's festivities... a focal point around which our loved ones gather. Why, the Tree just seems as if it always belonged to the Christmas celebration! Yet, we find that this cheery heartwarmer

has not really been with us so very long after all.

The Christmas Tree originated in 16th century Germany from where this beautiful folk-tale of its beginning comes.

A poor wood-cutter, his wife and son lived deep in the forest. One stormy Christmas Eve while they were enjoying their simple fare, they heard knocking at the door.

When they opened it they found a cold and hungry little boy outside. The family welcomed the tattered stranger, shared their frugal meal with

him, and their young son Hans insisted on giving up his own bed to the pitiful child.

In the morning, the family was awakened by the singing of angels and looking for their young guest they found he was none other than the Child Jesus!

"I have accepted your gifts, and here is Mine to you," He said as He broke off a branch from a fir tree and set it in the ground. This shall always bear its fruit at Christmas, and you will always have abundance!"

To Martin Luther has been attributed the first putting of lights on the tree.

One evening, the story goes, Martin was inspired by the stars' reflection on the snow-laden branches of a tree. Wishing to recreate for his family the beauty he had seen, he brought home a small tree and affixed lighted candles to the branches.

Because of the linkage with Luther, the custom of the Christmas Tree spread more rapidly in Protestant areas, but we find it all over Europe by the 1890s.

The use of the Christmas Tree first came to our shores during the American Revolution with the Germans.

Christian tradition has endowed the Tree with rich significance. It is an evergreen, symbol of eternal life, and the lights

are to be reminders that the Babe in the manger is the Light of the world.

Today in more than two-thirds of U. S. homes, as well as throughout Christendom, the Christmas Tree is a happy part of the Holiday tradition!

Bayberry candies, which are said to foretell good luck for the coming year if they burn bright at Christmas, were first made by early settlers in America. They dipped bayberry branches in wax and burned them during the holidays.

Texas is the leading agricultural state in the nation.

G. W. Sneed, Local John Deere Man, Cited By Company

G. W. Sneed of Winters, was honored during a trip Dec. 8th to 12th, awarded to John Deere dealership personnel by the John Deere Company in recognition of outstanding tractor sales achievement.

Sneed, who is associated with Mansell Bros. of Winters, visited John Deere factories at Waterloo and Dubuque, Iowa

and Moline, Illinois. He also attended a schedule of special events held at the three locations.

Sneed was selected for the trip, called "Flite 63," as a result of his contribution to the excellent tractor sales record made by the local firm during the past year.

DRIVER MUST HEED SAFETY RULES

Even in a car that is mechanically perfect, the driver also must heed the rules of safe driving—especially in winter. The Texas Safety Association urges you to reduce speed, allow more distance between moving vehicles, and make your starts and stops gradually, and signal turning intentions.

First Christmas In America In 1856

The first "true" Christmas in America was celebrated three-hundred and forty-four years ago, in Jamestown.

But the first time a Christian ever spent a Christmas in the new world was in 1492 when Christopher Columbus' ship was wrecked on the island of Bohio, Haiti. On December 6, St. Nicholas Day, an island chief sent Columbus and his crew food enough for a good meal.

Captain Smith was the first man to spend Christmas on the soil of the Colonies. At that time, he was a captive of Powhatan an Indian chief.

That first significant Christmas was held in 1619. It was the first December there had been women settlers.

The very next year the Puritans began their fight to abolish the celebration, as they held it to be frivolous and pagan. In 1659, a law was enacted making the celebration of Christmas illegal.

It was twenty-seven years later, in Boston that the first legal Christmas celebration was held. Then in 1856, the Day was made a legal holiday in the state.

During the period that Christmas was outlawed, the Dutch settlers had gone ahead with their festivities, and it is mainly to them that we owe thanks for keeping many Christmas tradi-

tions alive in this country.

The Germans together with the Dutch introduced to this country most of the "trappings" of our secular Christmas celebrations . . . holly, decorated evergreen trees, the inspiration for our Santa Claus, many carols, and other things as well.

In a nation as young as ours, as large as ours, and populated by so many different nationalities, races and religious sects, it is difficult to pinpoint the "American" Christmas. It has changed a good deal in the past three-hundred and forty-four years, and differs in many regions.

But in nearly all places in our country, Christmas is the time for family gatherings, for exchanging gifts, for worshipping in our churches—to give our thanks for God's Gift.

Young Girl's Gift

The legend of the Christmas Rose says that a little girl followed the shepherds as they journeyed to the manger in Bethlehem. But she was sad because the shepherds had gifts for Christ, and she had none. Then as she fell further and further behind the shepherds, suddenly an angel appeared and scattered the white roses at her feet. She gathered them up and took them to the little Lord Jesus as her gift. When He touched them, the petals became suffused with pink.

OUR WISH
May the Christmas story, filled with the wonder of God's overwhelming love for us, unfold more and more in your own lives to bring you great joy!

Many Attracted To Holy Land

Jerusalem and the Holy Land at this time of the year attract thousands of Christians from throughout the world. In Bethlehem they find the Church of the Nativity, traditional scene of the birth of Christ.

From the Mount of Olives, where Jesus prayed and wept over Jerusalem, visitors can see the great beauty of the Holy City.

Near Jerusalem is the Garden of Gethsemane where Jesus prayed the night before he was killed. The tomb of Mary, mother of Christ, is close by.

In Jerusalem is the Church of the Holy Sepulchre, erected over the place where Christ was crucified and buried.

And these are but a few of the many shrines and Holy places to be visited.

There is no business anywhere that cannot be improved by attention and hard work.

Tom Turkey Is All-American

If asked to name the traditional main dish for the Christmas Feast, most Americans would say "turkey." But "Tom" is not the center of attraction anywhere.

The goose rates high in Scandinavian countries along with a number of other meats and fish. The French, Irish, Germans and Hollanders also look with favor on the goose.

In Sweden, a suckling pig generally dominates the Smorgasbord; Latin countries select lamb, and the Englishman prefers roast beef.

SEAT BELTS SAVE LIVES

Seat belts are a year around protection for sudden stops or in case of a traffic accident. The Texas Safety Association reports that the occupant of a car who can remain in his seat in an emergency situation stands a better chance of survival than if he is thrown forward or out.

"Sharing, Caring And Giving" Was L-S Program

"Sharing, Caring, Giving," was the theme of the program when members of the Literary and Service Club met in the home of Mrs. Floyd Sims Thursday afternoon of last week.

Mrs. Charles Kruse Jr. led the Club Collect, and group singing was accompanied by Mrs. Floyd Sims at the organ. The yearbook committee presented a Christmas quiz on the customs of other countries. A unique Christmas story was presented by Mrs. H. M. Nichols.

A monetary Christmas gift was presented by the members to Miss Myra Glover, librarian at the Winters Public Library.

Mrs. Frank Denton was accepted as a new member of the club.

Present were Meses. H. M. Nichols, E. E. Worthington, E.

E. Thormeyer, H. A. Stanford, Floyd Sims, Loyd Robertson, Max Lewis, Charles Kruse Jr., A. W. Holck and Miss Glover.

The Carpenter

By Mary C. Remler

Our six-year-old came home with Sunday School about a month before Christmas, and informed us that he wanted to make us a present, but he would like to get permission to use some of his dad's tools. Cliff had been teaching Phillip to use some of the basic tools, so they discussed the matter, and it seemed that a saw and a hammer would be all the tools necessary, so permission was granted.

Such secrecy! Phillip had a small worktable of his own in the basement, and he kept his project on this, covered with a cloth. Naturally, Cliff and I did some speculating about it. Since Phillip had been "building" I had received a couple of presents that had taken all of my ingenuity to find what they really were, before I committed a faux pas, and guessed wrong. Like the time I almost said,

"What a nice footstool." That would have been disastrous. Before I shamed myself forever, Phillip informed me, Turn it up right, Mother. It couldn't hold books that way."

A few days before Christmas, Phillip's Aunt Cissie came over with a package for him, which I wasn't allowed to see. She took it to the basement, and put it on his table. She did tell me that she thought we were going to be right proud of Phillip.

Cliff and I were getting really curious now, and were anxious for Phillip to bring his gift up and put it under the tree, which we had put up a couple of days before. Of course, it wasn't Christmas Eve, but we had set the tree up because there was going to be so much to do at the last minute.

This year Phillip was in the Christmas pageant at church, so he was a busy little man. When his package didn't show up under the tree Christmas Eve, we just knew he hadn't had time to finish it. I knew how dreadfully disappointed he would be, but he didn't mention it, so neither did we.

Phillip was always the first one up on Christmas morning, and this year was no exception. He came to our bedroom door, and saw that I was awake. He was so excited. Mother, don't you and Dad come down until I call. It won't be long." I thought, oh, good, he got it finished.

When he called, Cliff and I went right down. When we came into the living room, I didn't see his gift at first, because I was looking for a package. Then we both saw it. A stable. It was complete, with straw on the floor, and the Christ Child in a manger, with Mary and Joseph beside Him. There were even animals in the back and the Wise Men bearing gifts standing in the entrance. I couldn't keep the tears back. I was so proud and happy. In those days, the little statues, that are so common today, were very rarely seen in the home. For a six-year-old, Phillip had done a remarkable job. Aunt Cissie had found, and contrib-

That was over twenty-five years ago, and it has been under our tree every Christmas since then. This year Phillip will have a son of his own, so this year it will be the first time our tree will not have the stable under it. God has been very good to us every year since the Holy Family has shared our Christmas, and may God bless Phillip and his loved ones, as He has blessed ours.

Holiday Greetings

Down through the centuries the Star of Bethlehem sheds its light. The Christmas spirit—as exemplified by good will and thoughtfulness for others is one of the fine and permanent things in a changed and ever-changing world.

Christmas is the anniversary of the greatest event in history, and it is the day of days. Its outward symbols may not be the same as in bygone years, but its deeper meaning is as eternal as time itself. The more happiness we give the more we have.

All of us here at The Winters State Bank wish you a Very Merry Christmas.

"The Young and the Brave," Taut, suspenseful adventure, down-to-earth characterizations by a group of some of Hollywood's best-known actors, plus a performance you will find hard to forget by a seven-year-old newcomer and his K-9 dog pal—these are the ingredients which make for compelling, hard-hitting entertainment in MetroGoldwyn-Mayer's new action-drama. "The Young and the Brave," showing Friday and Saturday at the State Theatre.

The cast, headed by Rory Calhoun and William Bendix, co-stars Richard Jaeckel, Richard Arlen and John Agar, with the top played by Manuel Padilla. This remarkably talented youngster made an auspicious screen debut as the youngest of the Tijuana ragamuffins in "Dime With a Halo" and now has a role of incisive dramatic power as a Korean boy who joins a group of American soldiers trying to make their way back to their own lines after escaping from a North Korean prison camp.

Christmas foods. Think of Mince pie, plum pudding, was-sail bowl, egg nog, turkey, boar's head, and you have just begun!

Then there's the history of bells, the Star, decorations that go on the tree, cards, seals, stockings—the significance of animals to the Holy Season—how to say "Merry Christmas" in every language — the names of "Christmas towns"—an explanation of "Advent" and the "Twelfth Night". And much, much more.

Legends which have grown up around such things as—"how the holly tree got its red berries"—"how weeds turned into poinsettias" — "why candles must be burned in windows on Christmas Eve" — etc., not only take pages to tell in one version but there are usually several versions of each story.

But—it is these stories, legends, myths and descriptions and use of the Christmas customs which add so much richness and beauty to this season in which we celebrate that most beautiful of events: the Birth of Jesus in Bethlehem.
