

## HOME TOWN Talk

By R. C. THOMAS

There probably will be another effort this spring and summer to get more of Winters "out of the mud." Last year's paving program saw many blocks of the city's streets paved, but there is much to be done to complete the job.

With spring only a few weeks away, it would be a good idea for people living on unpaved streets to begin to give some thought to a paving project—if they would like to have it done this year. There is of necessity much to be done before work can begin, and the quicker it is started the quicker we can get out of the mud.

The Street Department already is beginning to get all information together, and would appreciate those who would like to back such a project contact them as soon as possible.

February is a sort of "in-between" month, neither fish nor fowl, although the calendar indicates that it still is winter. We'll probably have a good bit of cold weather yet, and perhaps a good storm of one kind or another, but these past few days have been a warning that spring is just about upon us. The nights have been cold—in fact, Tuesday night the temperature dropped to the 20s—but the days have been nice.

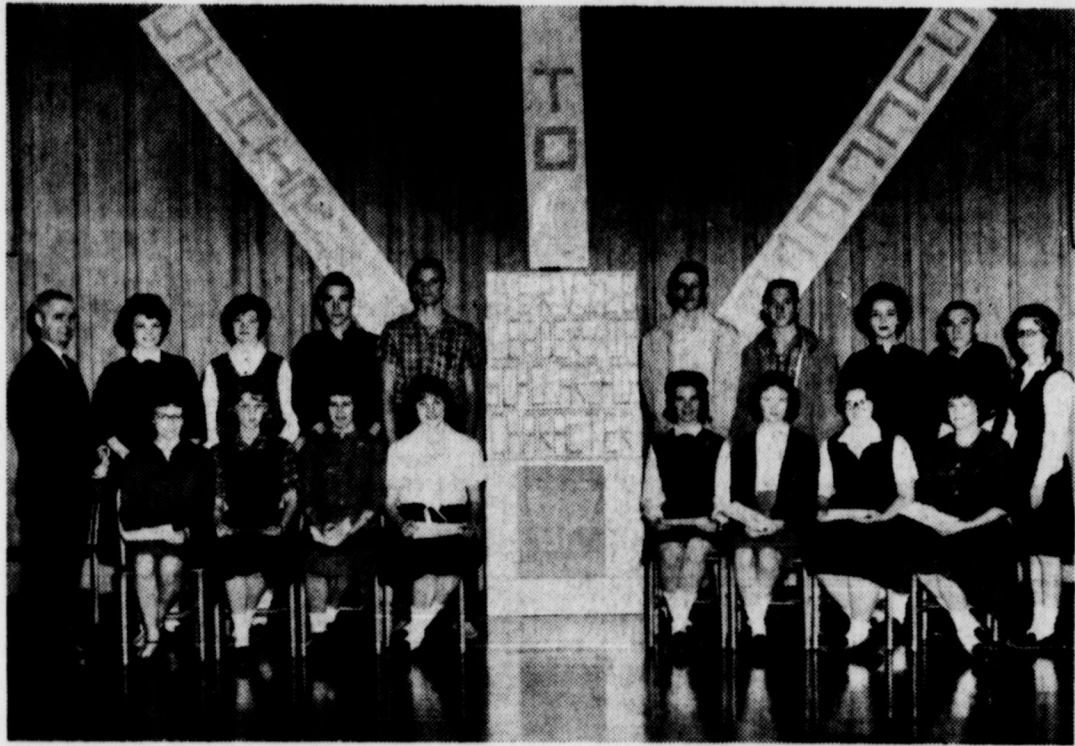

Perhaps one reason it seems later than it really is, not counting the nice weather we're having, is the fact that the primaries have been moved up to May, and candidates for county, district and state are already working the country... and everybody knows that candidates come out when the birds come back. As the weeks progress toward the May primary, the weather will get better and the country will be working alive with candidates. The entire population will be kept busy shaking hands... half shaking asking for votes, the other half being shook and asked to vote. And we'll all get a chance to meet people we didn't know existed, who come around once in four years or two years, as the case may be, and pretend to step down to the level with the rest of us common folk. It's all a big game, though, and thoroughly enjoyable... at least to those seeking to get a job for the next four years.

The weather has been real nice, and the tempo of outside activities has been increased. Such as golfing. Even in the face of some right chilly days and high winds, there have been some who have insisted on chasing a golf ball around the pasture at the Winters Country Club. There's a reason, though, for some of the most hardy to face those high winds. As Jack Harrison put it while he was teeing off into the high south wind the other day, he wants to stay in shape and keep in practice against the day he might be challenged by Arnie Palmer for "Challenge Golf."

Fishin' holes have attracted many, too. Reports are that the fish are biting, and most of the dyed-in-the-wool fishermen insist that they must get 'em while the getting is good... and size of the catch is not mentioned in public circles. Take a couple of earnest fishermen we know, for example. They bought a bunch of minnows the other afternoon and set out for a private and secret water hole for some fishing. They threw their hooks in, we understand, and began reeling in the fish. The only trouble, according to Bill Robinson, his fishing partner, Shorty Kirkham, paid no attention to where he was stowing his catch... and now they can't tell which are the minnows they bought for bait and which are the fish they caught.

Our old friend who scratches for a bare living in the red dirt of Bluff Creek says he's been so busy... if not downright terrified... reading all about the world situation, that he's not had time to work on promoting his new Bull Mouse political party. Of course the Feb. 3rd filing deadline slipped by him, but he said he wasn't paying any attention to that anyway. He plans for his party to ignore the regularly recognized and established parties, and work on its own. The real difficulty, he points out, is that possible candidates to wear the

## Seventeen Juniors Inducted Into National Honor Society At WHS

"Stairway To Success" provided the central theme for Winters High School's National Honor Society induction ceremonies Feb. 12, when 17 junior students were inducted.

Induction of the new members brought total local membership to 28, with eleven seniors. Large glittering letters at the back of the stage, spelling "STAIRWAY TO SUCCESS," made the theme of the program apparent. Each step of a stairway listed the qualifications an individual must attain before becoming a member of the National Honor Society. These are Leadership, Scholarship, Character and Service.

Speeches on the qualifications were given by old members of the Society. Each inductee was introduced and presented with

a membership card and certificate. New members of the Society included Elaine Paske, Larry Rives, Joyce Allen, Ann Bean, Barbara Belitz, Becky Brown, Michael Deike, Martha Hale, Judy Matthews, Donna Minzenmayer, Kenneth Onken, Chester Puckett, Linda Schroeder, Helen Simpson, Reid Stoecker, Mary Young and Zanette Moore.

Robert Christian, school principal, is sponsor of the Honor Society. Immediately following the induction ceremony, a luncheon was held in the Homemaking Cottage, honoring new members and their parents. The White covered table was arrayed with blue stairways and a centerpiece of yellow roses, the flower of the Society.

## Anson Tigers Take District Title But Drop Final Game To Winters

While the Anson Tigers, in their final bid for an undefeated season, were being trapped by the Winters Blizzard Friday night, the Stamford Bulldogs happily strung the Ballinger Bearcats out to dry, 76-55, to keep an undisputed grip on a second place in District 6-AA. The Blizzards, going into the game against the league leaders with a 4-6 record, followed Jimmy Adams, who scored 31 points during the evening, to mar the record of the Tigers.

49-41. Abner Shellman scored 15 for Anson. Anson's B boys took their game, 49-43 against Winters' B. Winters girls also won their match 46-44.

Meanwhile, up at Hamlin, the Pied Pipers were falling to Haskell's Indians, 62-54.

### FINAL STANDING

Anson 9-1  
Stamford 7-3  
Haskell 5-5  
Winters 4-6  
Hamlin 3-7  
Ballinger 2-8

## Filing Deadline March 7

# One Candidate For Alderman

Roy Austin, plant superintendent at Dry Manufacturing Co., Wednesday filed with the City Secretary as a candidate for alderman in the City Election called for April 7.

## Jimmy Smith Veeep of Tech FFA Chapter

Jimmy Smith of Winters, a student in Texas Technological College, Lubbock, has been elected vice president of the Tech chapter of the Future Farmers of America.

Winters is a graduate of Winters High School, and son of Mr. and Mrs. Ernest Smith. As a member of the Winters FFA chapter, he was active as an exhibitor at various stock shows.

## Post Office Closed All Day Saturday

The Winters Post Office will be closed all day Saturday, February 22nd. There will not be any city or rural delivery service.

Special Delivery mail will be delivered promptly. All incoming mail will be boxed. Outgoing mail in the letter drop by 9:00 a. m. will be dispatched.

Three places will be open on the City Council, with terms of office of three aldermen expiring this year. None of the retiring aldermen have made official announcement of their intentions to file for re-election.

Aldermen whose terms end in April are W. M. Hays, J. W. Bahlman and R. C. Thomas. Deadline for filing as a candidate for alderman in this election is March 7, 30 days prior to the election. It has been pointed out that qualified candidates for the office of alderman must obtain necessary filing information from the office of the City Secretary, and must file personally. Under the election laws, non-candidates cannot file the name of someone else as a candidate.

### DAUGHTER TO LLOYDS

Mr. and Mrs. Rodney Lloyd of Austin are the parents of a baby daughter, Stacey Deanne, born Monday. Mr. and Mrs. Raymond Lloyd were in Austin the first of the week and Mr. and Mrs. Cullen Johnson were here a few days this week and accompanied Mr. and Mrs. Raymond Lloyd to Austin.

### TO SAN ANTONIO

Mr. and Mrs. Bill Milliron were week end visitors in the home of their daughter, T-Sgt. and Mrs. Bob McClelland in San Antonio.

## Heart Fund Drive In Winters Area Still In Progress

The Heart Fund Drive, being sponsored locally by Winters Post of the Veterans of Foreign Wars and its Ladies Auxiliary, still is in progress, according to Mrs. W. L. Collins, chairman of the drive.

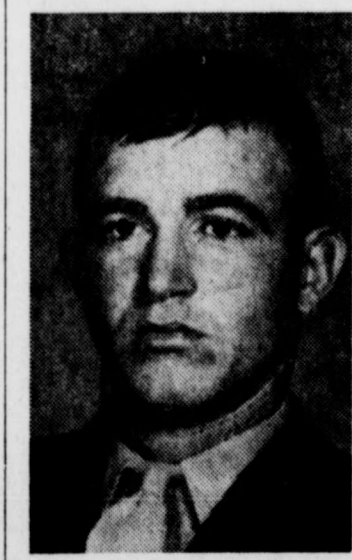

Although many people have been contacted in this drive, and others have sent in their contributions, Mrs. Collins said that there still are many who probably would like to contribute. She suggested that anyone who has not been contacted may send their donations to her at Box 612, Winters, with checks and money orders made payable to the Heart Association.

Mrs. Collins pointed out that the American Heart Association has been able to utilize money collected throughout the various Heart Fund Drives to finance a great amount of research in the treatment of heart disease. The most spectacular progress has been in the field of heart surgery and rehabilitation of people who were just recently regarded as hopeless cripples. However, due to the fact that local and district as well as State Heart Fund agencies keep certain percentages of money collected in each area, local needy citizens who meet certain qualifications will be able to be seen, examined and treatment instituted by representatives of the District Heart Associations. If more advanced medical or surgical treatment is needed, an effort will be made to direct the patient to the proper medical center.

Heart Fund sponsors here said that it is well for the local citizens to be aware of the fact that at least 40 to 50 percent of local contributions remain in the general area and help to finance treatment of this area rather than sent to other parts of the state or nation.

### IN BAKER HOME

Mrs. Lula Braatellen of San Angelo was a visitor in the home of Mrs. E. H. Baker the past week end and attended the World Day of Prayer meeting.

CPL. DAVID C. WHITLEY

Marine Corporal David C. Whitley, son of Mrs. William M. Whitley of Winters, is stationed at the Marine Corps Supply Center, Barstow, Calif. He is serving with Security Company, Headquarters Battalion.

A graduate of Winters High School, Whitley entered the service in September 1960.

## Ordinance Closes One Block of Majestic Street

An ordinance passed in special session by the Winters City Council Friday provides for the closing to traffic of one block on the west end of Majestic Street.

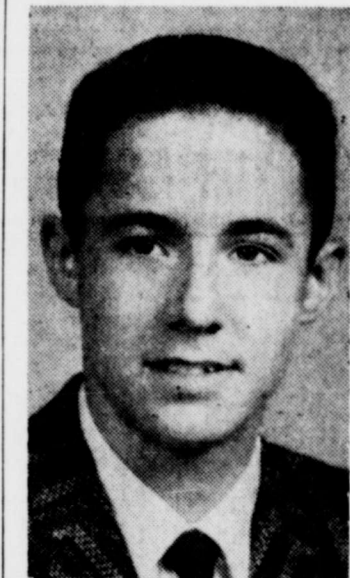

The one block of the street, which has had comparatively little traffic because of its location, was closed at the request of Pan-American Industries, whose factories and warehouses are located at the end of the street.

The street will be closed from the west side of the intersection with North Frisco Street to the east side of the intersection with Armbricht Street. The ordinance calls for closing of two blocks of the street. Actually, the block of Majestic from Sanders Street to Armbricht has been closed by resolution by the City Council several years ago, and part of Pan-American's factory is built across that portion. The only part of Majestic to be affected by this action by the City Council is one block, from Frisco to Sanders streets.

Also, one block of Sanders Street also was closed to traffic several years ago by resolution, and deadends at the manufacturing company's warehouse and loading dock facilities.

According to city officials, state statutes provide that in closing of street and alleys in this manner, consent must be obtained from all property owners whose property abuts the specified street. Consenting signatures of all property owners along the street for several blocks had been obtained by Pan-American, and were made a part of the petition presented to the City Council.

Pan-American Industries is planning extensive building and enlarging of facilities in the area, according to officers of the company. Some of that work has already been started, it was stated.

JERREL ELLIOTT

## Jerrel Elliott Will Travel With McMurtry Singers

Jerrel Elliott of Winters, and a member of the McMurtry College Chanters, an A Cappella Group, will be with the group on their nine-day spring tour when they perform 12 concerts in 11 Texas cities and communities Feb. 22 through Mar. 1. They will travel a distance ranging from Corpus Christi to Fort Worth and Galveston to Hamlin while on the nine-day tour.

Jerrel, a freshman on McMurtry Campus, is a physics major and a math minor. A 1963 graduate of Winters High School, he was a member of Chilly Winds and Snowflakes, both choral singing groups. He is the son of Rev. and Mrs. Ray Elliott, 705 West State. The Chanters will sing music representative of four centuries of choral art including some of the greatest choral anthems ever written. While on tour the McMurtry students will perform in churches and schools in Austin, Victoria, Corpus Christi, Beeville, Galveston, Beaumont, Waco, Fort Worth, Munday, Hamlin, and Curoe.

### TO DALLAS SHOW

Mr. and Mrs. Floyd Grant attended the winter and spring Gift and Jewelry Show in Dallas the past week end, personally selecting gifts for the Blossom Show.

MIKE JONES  
... to Hawaii

## Mike Jones Will Study Medicine In Honolulu

Mike Jones, son of Mr. and Mrs. Harvey D. Jones of Winters, and a student at the Washington University School of Medicine, St. Louis, has been selected as an Extern at St. Francis Hospital in Honolulu, Hawaii, for a combination of surgical and medical study. He will live in the hospital where he will also work and study.

Travel expenses by jet aircraft will be paid to Hawaii in June and he will return in September.

The term "extern" is used for a medical student who has not completed his studies.

Selection of students by the hospital is made from applications and upon recommendation. Mike is a second year student at Washington University Medical School, and is a graduate of the University of Texas.

St. Francis Hospital in Honolulu is a general hospital of 260 beds and 24 bassinets, and is conducted by the Sisters of St. Francis, Syracuse, N. Y. The hospital is attended by 525 physicians, over one-half of whom are specialists.

Mike will visit his parents in Winters on his way from St. Louis to Honolulu.

## King and Queen Picked During Sweetheart Event

Randall Boles and Gala Beall were named King and Queen of the Intermediate Sweetheart banquet held in Fellowship Hall of the First Baptist Church Friday night.

Miss Beall is the daughter of Mr. and Mrs. G. K. Beall and Randall is the son of Mr. and Mrs. Monroe Boles. Both young people were presented Bibles.

The banquet theme was "Sweetheart in Paris," and the Rev. B. T. Shoemaker, pastor, was the speaker. His subject was "If You Love Life," and he told the group that if they really loved life they would make it beautiful for themselves as well as for those around them.

Marlene Brown, soloist, was accompanied by Mrs. Earl Dorsett. Mrs. George Poe presented slides of Paris and described some of the places.

Elzie Cox gave the invocation and Wilma C. Davis was master of ceremonies.

Mothers who served were Mmes. J. C. Hodnett, J. T. Sprinkle, Eldridge Cox, Carl Pendergrass, G. K. Beall, Monroe Boles and Kenneth Simpson.

## Top Girls' Cage Teams Will Play Here Thursday

Two of the State's top girls' basketball teams in 1-A classification will meet on the floor of the Winters school gymnasium next Thursday night.

The Baird High School girls' team, which is ranked No. 1 in the state, will meet the girls' team from Rock Springs in a practice game beginning at 8 p. m. Rock Springs girls also are rated high in 1-A division.

Basketball fans will have a chance to see some of the state's top girls' basketball talent in this game, which will have no bearing on the eventual record for either team. Admission will be 25 cents and 50 cents.

# City Council Buys New Fire Truck

Winters City Council, in the second regular meeting of the month Monday night, voted to purchase a new fire truck for the city.

The new truck will be an addition to the city's fire department, to give the department three good trucks. There also is an old truck which is used in emergencies, besides an emergency vehicle purchased several years ago through popular subscription.

Need for a new truck was outlined by a special committee from the Winters Volunteer Fire Department organization. They contended that with present equipment, there was much risk involved when fire equipment was called to fires in the county. They also pointed out that present equipment is not adequate for making country trips.

The new fire-fighting apparatus will be acquired from the Boardman Company, manufacturers of fire equipment. It will be mounted on a cab-forward Chevrolet truck to be purchased from Waddell Chevrolet Co. of Winters. The new truck will have a 500-gallon capacity water tank, with special equipment to pump water while the truck is in motion. Also, equipment will be such that it can be interchanged with that on present trucks, it was explained.

Overall cost of the fire truck and equipment will be \$12,462.24. Contract with the company will call for delivery of the fire truck within 130 days, city officials said.

Also Monday night, the Council voted to purchase six straight chairs for use in rooms at the Winters Municipal Hospital, and three arm chairs for use at the hospital.

Monday's meeting was the second regular monthly meeting, and reports were heard from all departments of the city. Street Superintendent Van Whittenburg reported that his department is making a survey of all streets within the city with an eye toward another seal-coating project for this

spring and summer. Also, he said, plans will be drawn up for beginning new paving projects if property owners on unpaved streets desire to have paving done this year. Last year, many blocks of new paving was done, in addition to seal-coating of several existing paved streets.

Residents who desire to have paving done this year have been asked to contact the Street Department for further information.

City Council also approved a project to attempt to eliminate an undesirable condition on the south end of Park Lane, in Parkview addition. Because of the way the street was built, and due to the structure of the land in the area, water draining from most of Park Lane and Laurel Drive in the addition runs to the south end of the street, and cannot be released. Recommendations were that a deep ditch, five feet wide, 14 feet deep and 26 feet long, be dug at the south end of the street, and filled with rock. It was hoped that the 26-foot depth would allow runoff water to seep into the water sand. The City will furnish equipment and dig the ditch, with Gayle Gardner, who has built some homes in that area, furnishing the rock for the fill.

## Year's Rainfall Over 4 Inches

Total rainfall for the first six weeks of 1964 is one-tenth of an inch over the four inch mark, according to unofficial measurements.

This is 2.8 inches more than was received for the first two months of 1963, and more than that measured for 1962, but slightly below that of the two preceding years.

A total of 1.9 inch of moisture was received in Winters during January with 2.2 inches received up to Wednesday of this week for February.

## Runnels County Home Demonstration Council Meeting Held In Ballinger

Regular meeting of the Runnels County Home Demonstration Council was held Feb. 14th in the home of Miss Louise Decker. The meeting was called to order by the Council chairman, Mrs. Calton Smith. Mrs. Pete H. Quattrini, of the Olfen Club was in charge of recreation.

All the Council committee recommendations were read and approved.

A letter of thanks for Christmas gifts was read from the Abilene State Hospital. It was voted to continue to send cookies on holidays to the Abilene State Hospital.

Miss Decker announced there will be a planning meeting in Bandera on March 4th for the T.H.D.A. Chairman, Council chairman, Miss Decker and any other club member that wishes to go. Club members must let Miss Decker know by Feb. 22 if they are going.

Also announced was the County 4-H Favorite Food show April 4th at the Community center, open to the public around 4 p. m.

Delegates selected to go to the district meeting in Kerrville May 7th, were Mrs. B. M.

Batts, Mrs. Earl Chapman, and Mrs. Lyle Currie.

The club exchange meetings for March and April were selected, with East Ballinger visiting with Norton, Friendly Neighbors with Olfen, Crews with Rowena, Bethel with South Ballinger, and Ballinger with Winters in March and then in April the schedule will be reversed.

Refreshments of cake and coffee were served to 15 members and 4 visitors. The next meeting will be March 13 in the Conference Room of the Courthouse.

## "Graceful Living" Discussed By Literary Service

A panel discussion, "Graceful Living In a Home," was the program presented at the meeting of the Literary and Service Club last Thursday in the home of Mrs. H. A. Stanford.

The program was presented by Mrs. M. G. Middlebrook, who acted as narrator.

"Good Decorating" was presented by Mrs. Floyd; "Meal Planning," by Mrs. J. C. Jarrell and Mrs. Max Lewis talked on "Home Management."

Mrs. E. E. Thormeyer, president, presided, and Mrs. T. H. Worthington led the club in prayer.

Those present were Meses. Frank Denton, T. H. Worthington, E. E. Thormeyer, H. A. Stanford, Floyd Sims, Floyd Roberson, M. G. Middlebrook, Max Lewis, J. C. Jarrell, and A. W. Holick.

## WASHINGTON NEWSLETTER:

### Politics Blamed For Passage of Civil Rights Bill

By Congressman O. C. Fisher

The constitution got some shaggy treatment last week in the House. By a Republican-liberal coalition, a so-called civil rights bill was approved by a lopsided majority of 290 to 130. 80 per cent of the Republicans voted for it, 20 per cent of them against it. Liberal Democrats mustered 61 per cent for, with the conservative Democrats accounting for the 39 per cent in opposition.

Seventeen Texans voted "No" four (Henry Gonzales of San Antonio, Albert Thomas of Houston, Jake Pickle of Austin, and Jack Brooks of Beaumont) voted for it.

Riding the wave of a massive emotional drive, spearheaded by NAACP, CIO's COPE, and the left-wing ADA, the liberal-radical element in the House formed a solid alliance with the Republicans to ram the bill through.

Although no one can foresee what the Supreme Court as presently constituted will hold, the best lawyers in the country firmly believe that at least four of the nine provisions in the bill are contrary to the Constitution. But it was not merit that ruled; politics and emotionalism had a field day. Had the issue been decided by secret vote, it was estimated by seasoned observers the bill would not have received 50 votes.

The Senate is almost certain to either block the bill or water it down. Many of the House supporters are hoping so.

Proponents insist that only compulsion and jails will help promote job opportunities and better race relations for the Negroes. They scorn the approach of good will and understanding.

The bill even restricts the right of local police to quell disturbances. It would enable the federal government to prosecute a local policeman for arresting a Negro who sits down (or perhaps even lies down) in a private business and refuses to move! No jury trial would be allowed—the Republican-liberal coalition having defeated an amendment to permit a jury trial. Adam Clayton Powell claims he wrote most of the bill.

The bill permits a Negro to choose any particular motel he desires for lodging, giving the Negro the choice; but the same bill denies the motel keeper the same right—that is, to decide who he may choose for his guests.

If an alleged act of discrimination is committed by a local policeman, school, contractor, etc., the bill allows a federal bureaucrat in Washington, of his own volition and discretion, to order all federal funds allotted to that state stopped. This could include school lunch, social security, wool incentives, SCS payments, veterans pensions, old age assistance, etc. And there would be no jury trial! Not even Castro has ever been treated like that by our government.

The bill is a grab for federal power, unparalleled in American history.

SEN. DORSEY HARDEMAN ... for re-election

## Sen. D. Hardeman Is A Candidate For Re-Election

Dorsey B. Hardeman of San Angelo has announced his candidacy for re-election as State Senator from the 25th District.

Senator Hardeman has been a member of the Senate since 1947 and has served as Chairman or member of all major Standing Committees of the Senate, as well as on many important special and interim committees. He is presently Chairman of the influential Jurisprudence Committee, of which he has served as Chairman, and is a member of the Legislative Budget Board, on which he has served for twelve years. Senator Hardeman is recognized as being one of the three most powerful members of the 58th Legislature, along with the Speaker of the House and the Lieutenant Governor, who presides in the Senate. Senator Hardeman was elected President Pro Tempore of the Senate and served as acting Governor of the State on December 3, 1954, during the absence of then Governor, Allan Shivers, and Lieutenant Governor, Ben Ramsey.

Senator Hardeman is respected by his colleagues as an authority on constitutional law and Texas and American history.

Only five other persons currently hold this honor. Senator Hardeman also has been awarded the Distinguished Service Medal by the Texas Heritage Foundation in recognition of "Distinguished and Meritorious Public Service in Preserving the Texas Heritage."

Mr. Hardeman is married to the former Geneva Moore, daughter of the late Lawrence Moore and Mrs. Moore of Schleicher County, Texas. They have two young sons, Mark and Bryan, attending public school in San Angelo. Mr. and Mrs. Hardeman are members of the Church of Christ.

Senator Hardeman, a lawyer, is a partner with Earl W. Smith and Joe H. Foy in the law firm of Hardeman, Smith & Foy in San Angelo.

Mr. Hardeman is a former

Mayor of San Angelo and former State Representative, which latter office he resigned and volunteered as a private in the Air Force in November, 1942. He attended Officer Candidate School and upon graduation received a commission in the Judge Advocate General's Department and was assigned to the 2nd Air Force. He later was aide to Major-General U. G. Ent and was honorably discharged with the rank of Captain in February, 1946.

Senator Hardeman is a native of Tennessee and came to San Angelo in 1932, where he has since resided. He is a Democrat and holds membership in the Sons of the American Revolution, Sons of the Republic of Texas, Sons of the Confederate Veterans and the American Legion.

In his announcement, Senator Hardeman said:

"As a candidate for re-election to the office of State Senator, I respectfully solicit the support and votes of all the people of the twenty counties comprising the 25th Senatorial District. I shall try to see as many, personally, as I am able during the campaign."

"My record in office has been made on the basis of my deep and abiding respect for the principles of our Constitution and for conservative and economical government. This is not a 'single-issue' office. It involves numerous matters of vital importance to Texas and to the 25th District."

"Many controversial issues have arisen during my tenure which have been met with courage and due deliberation and with the best interests of my State, and this District, ever in mind."

"Legislation of local interest to the various counties of the district has been handled with dispatch, as is well known by the Representatives and the people of those several counties."

"My experience and the seniority I have attained will enable me to continue effective representation of the District and the State."

"On such record, I submit my bid for re-election with the pledge to continue my support of constructive, progressive and Constitutional measures."

### Women Golfers Met At Country Club Tuesday Morning

Eleven women of the Winters Golf Association met Tuesday morning at the Winters Country Club.

Some good rounds were turned in regardless of the high winds. Every one enjoyed the round, wind and all, especially Mrs. Wade White, who won a prize for low putts.

The greens are playing ex-tremely well and are in fine condition.

All beginners interested in playing golf are invited to be out next Tuesday morning at 10:30 o'clock.

A luncheon will be given re-gardless of the weather. Mem-bers are looking forward to a real nice day and some low rounds of golf.

### Mrs. Lora Coupland Hosted Garden Club Meeting Thursday

Winters Garden Club met in the home of Mrs. Lora Coup-land Thursday afternoon for the regular session.

Mrs. E. J. Redman presided and the program was con-ducted by Mrs. C. T. Rives Sr.

Topics of study were "Use of Trees and Shrubs of Garden Design" and "Nature Birds of Texas" were given by Mrs. Louis Hord.

Mrs. Redman reminded the group that the spring District Convention would be held in San Angelo March 5 and urged all members to attend. Mrs. Louis Hord is delegate and Mrs. O. D. Bradford is alternate.

The door prize was won by Mrs. Redman and refreshments were served to Mesdames E. J. Redman, C. T. Rives Sr., Louis Hord, E. L. Bryan, the hostess and a visitor, Mrs. Ralph Os-borne.

### Alpha Chi FTA Chapter Plans Civic Club Project

Members of Alpha Chi Chap-ter of Future Teachers of America held their regular meeting Tuesday, February 18, in the Winters High School auditorium with Dick Young, chapter president, in charge.

Paul Jones delivered the in-vo-cation.

The program consisted of a panel discussion of the subject "Pedagogic Facts." Andy Simpson acted as moderator for the group. Topics discussed included the following:

"Preparation for a Richer Life," by Robbie S. Davidson; "Wanted: A Productive Life," by Louis Simpson; "Tomor-row's Teachers Today," by Jan Johnson; and "A Teacher Is Born," by Zanette Moore.

During the business session the members voted to elect by majority decision the most de-serving senior chapter member. The recipient will receive a \$25 scholarship which will be made payable to an approved college of his choice and will be ap-plied only to the furtherance of his education.

To finance the project, the members have agreed upon a new concept in fund raising. They will sell family-size pack-ages of toothbrushes, thereby performing a civic service by encouraging better dental care through regular daily cleanli-ness. Such an enterprise will benefit both the community and the club.

Forty-five members and the two sponsors, Mrs. Charles Kruse Jr., and Mrs. Eva J. Kelly, were present.

### Land of Romance Is Setting For Banquet Friday

Selection of Becky Knight and Kenneth Mansell as sweet-hearts at the Valentine banquet at the Southside Baptist Church Friday evening, was made on the basis of attendance at Sun-day School and Training Union. They were presented by Doyle Newcomb.

Becky is the daughter of Mr. and Mrs. C. R. Knight and Kenneth is the son of Mr. and Mrs. A. L. Mansell.

"Land of Romance" was the setting for the banquet in the Fellowship Hall at the church.

"Sweethearts Through the Years" was directed by Mrs. Doyle Newcomb with Deanna Kozelsky as soloist and Donny Buchanan pianist. A duet was sung by Betty Knight and Den-nis Parish. Scenes of sweet-hearts from school days on down to old age was presented against a heart background. The stage was framed in small lacy white hearts centered with red pom poms.

Tom McMillan of Abilene, missionary home on furlough from Keyna, Africa, was the speaker.

Leroy McGallion was master of ceremonies and the in-vo-cation was given by Glenn Young. Bill Parish gave the dismissal prayer.

Mrs. C. R. Knight was chair-man of the committee in charge of preparing the meal and Mrs. Bill Parish was in charge of the decorating committee.

### Methodist WSCS Met Tuesday In Church Parlor

Woman's Society of Christian Service met in the parlor Tues-day morning for the conclusion of the study on the work of the Woman's Society and Woman's Division.

Mrs. C. R. Willey presided and the opening prayer was given by Mrs. H. O. Abbott.

Mrs. Abbott gave an eval-u-ation of the preceding program.

Mrs. Frank Mitchell led the study and discussion, a short business session was conducted and the meeting adjourned with prayer by Miss Frances Strick-lin.

Approximately 19 members were present.

The circles will meet in the homes next week.

#### Folling the Rabbit

If you jump a cottontail rabbit and miss your shot, don't give up the chase. A little strategy will put him in your sights again. Watch the direc-tion the rabbit takes. Then travel in a wide circle and ap-proach the spot, where the bunny disappeared, from the opposite direction. There's a good chance then that you'll get another shot.

If you pursue the cottontail straight on, the wise old rabbit will stay hidden until you give up. But the new approach will send him scampering into the open.

## Runnels Co. SCD Enters Annual Goodyear Event

Runnels Soil (and Water) Conservation District has entered the 18th Annual Goodyear competition to select the nation's top 52 conservation districts, according to H. Giesecke, Ballinger, district chairman.

Activities of the district will be weighed against the performance of other districts in the state in determining the outstanding district in the annual event sponsored by The Goodyear Tire & Rubber Company of Akron, Ohio.

Key agricultural leaders will serve as judges and will select the state winner. Soil Conservation efforts from January 1, 1964 through December 31, 1964 will be considered.

Grand award for the 52 districts selected nationally will be an expense paid, work-study trip to Arizona in December, 1965, for one member of the district governing body and the outstanding farmer-cooperator in each winning district. The 104 men selected will be guests at Goodyear Farms, a 14,000 acre general farm operation near Phoenix.

Runnels district has taken part in the competition 5 times in the past, and was named the state's first district in 1962. District supervisors are H. Giesecke, Jr., Arthur Eggenmeyer, Kirby Robinson, Bill Minzenmayer and Jake Presley.

Giesecke said the district's outstanding cooperator will be selected from among the 900 farm operators enrolled in the district program. Nationally, about 1,800,000 farmers in 2,900 districts will be eligible for the grand award trip.

## Japanese Theme Used At Banquet For MYF Group

see World War III as a nuclear war.

The Kremlin may have no religious principles, but the Russian people do have brains. They know that a World War III based on nuclear attack would be a devastating loss to them as well as to us. Many young Americans talk in favor of "coexistence." They appear to believe that we of the United States will gradually become more socialistic, while Russia will become more capitalistic. This may be true; but to attempt to conduct such an experiment would be like trying to mix oil and water. Such a mixture depends upon constant agitation; this would mean continual small wars such as are now being carried on in Vietnam and other Southeast Asian nations. We have tried this "coexistence" in Korea for many years, but with no success.

What About Cuba?

Russia's method of obtaining countries by infiltration is clearly shown by what she is now doing in Cuba. No shots have been fired, yet Russia today is in control of Cuba, Cuba is only 90 miles from Florida where I dictated this weekly column. The next step is for Russia to try to jump over to Central and South America. The great country of Brazil is nearly ready to turn communistic.

Communism would make useless all of our present insurance. In other words, communism would wipe out the value of whatever insurance we are depending upon, as well as the value of the land which we are also depending upon. Therefore, I cannot close this column on insurance without issuing a special warning against the infiltration of communism, which is creeping into this country and gaining control by indirect methods rather than through warfare.

## Stork Shower In Rodgers Home Given For Mrs. Murray

Pastel shades of pink were used in decorations at the home of Mr. and Mrs. Dennis Rodgers, 402 Pierce Street, Saturday afternoon for a stork shower honoring Mrs. O. J. Murray.

Hostesses for the occasion were Mesdames Rodgers, Robert Miller, James Gehrels, Bill Simpson, and Bobby Blackwood.

The table laid with pink linen was centered with an arrangement of pink roses. Appointments were of crystal. Mrs. Bobby Blackwood presided at the table and ladeled punch.

It's love and laughs, plus a bit of larceny, with Lee Remick and James Garner in Metro-Goldwyn-Mayer's "The Wheeler Dealers," a hilarious spoof of Wall Street, lady brokers and a con man who takes both for a ride! Phil

Harris, Chill Wills, Jim Backus, Louis Nye, John Astin, Elliott Reid and Patricia Crowley co-star in the new Panavision and color comedy. Showing Sunday, Monday and Tuesday at the State Theatre.

## MOVIES

**"The Wheeler Dealers."**  
What is a Wheeler Dealer? He's a man who knows you don't go wheeling and dealing for money—you do it for fun. Money is just the way to keep score.

And FUN is exactly what you'll get when you see "The Wheeler Dealers," which will show Sunday, Monday and Tuesday at the State Theatre. Metro-Goldwyn-Mayer's hilarious spoof of a wheeler-dealing Texan who takes over Wall Street and a career girl who takes over the Texan.

Lee Remick in her first comedy, following on her Academy nomination portrayal in "Days of Wine and Roses," plays Molly Thatcher, the girl who is interested in figures. James Garner is Henry Tyron who is interested in hers. Co-starred are Phil Harris, Chill Wills, Jim Backus, Louis Nye, John Astin, Elliott Reid and Patricia Crowley as Eloise, Molly's roommate who has her own smiling way of getting a raise.

## State Capital Highlights— Texas Candidates Losing No Time In Starting Roughhouse Campaigns

By—Vern Sanford  
Texas Press Association

It used to be the dogwood blooms which set off politics in Texas. But the Legislature changed that when it moved primaries to May and June.

So, Texas candidates are losing no time in getting down to roughhouse campaigning.

Gov. John Connally and his rival for the Democratic nomination, Don Yarborough, spoke to the AFL-CIO Committee on Political Education, but neither asked for endorsement.

Labor made no endorsements in races for state offices. Instead, it centered its interest on Washington. It gave strong support to President Lyndon Johnson and Senator Ralph W. Yarborough and to the re-election of Texas Congressmen who support the Johnson program. It urged union members to help defeat Congressmen who do not support the LBJ administration.

Republican candidate for U. S. Senate George Bush complained that COPE failed to invite Republicans to its meeting. John Van Cronkhite of Dallas announced his withdrawal from the Senate race after what he called "unbelievable pressure."

Former District Attorney Dan Sullivan of Andrews provided the upset of the session. COPE leaders recommended that the group support former Sen. Robert W. Baker of Houston for the statewide Congressional seat now held by Rep. Joe Pool. Sullivan made a speech that sold many delegates, and when it came to a showdown, the roll call vote was 139-139. As a result, COPE endorsed no one for the place.

### PETTICOAT POLITICIANS

A look at the roster of Democratic candidates for the legislature shows 404 contestants for 150 seats in the House of Representatives, with 13 of these women and three women are among the 83 House candidates on the Republican side of the ledger.

Two of the 16 female candidates are incumbents—Miss Maud Isaacs of El Paso and Mrs. Myra Banfield of Rosenberg.

Texas also boasts a woman state senator, Mrs. Neveille Colson of Navasota. She is a veteran with 24 years' service in the House and Senate. However, Senator Colson drew a four-year term last year and is not up for re-election.

History shows that women have had scant success in state elections. One notable exception is the late Miriam A. Ferguson, governor of the state from 1925 to 1927 and from 1933 to 1935.

Whether their luck will be better in legislative races in 1964—a leap year—remains to be seen. It may be significant to note that as of January, 1964, the number of Texas women aged 21 and over was estimated to be a little more than 3,000,000, while their male counterparts were estimated to number less than 3,000,000.

### FREE VOTER REGISTRATION CONTINUES

Registration of voters who want to qualify for free votes in federal elections will continue through March 7. County tax collectors are issuing the free receipts which may be obtained through March 7. County tax collectors are issuing the free receipts which may be obtained by direct personal or mail application.

Holders of the free registrations cannot vote in state or local races, in constitutional amendment or bond elections—only for president, vice president, U. S. senator, U. S. representative and congressman-at-large.

State attorneys emphasize, however, that the free registration receipts are good for primary elections, the November general election and any special election involving federal offices during the coming year. In other words, those who have them can vote in their party primary for senator, congressman and congressman-at-large or in any special election for these offices, as well as the general election.

Voters over 60 in cities of 10,000 or more population who did not get their poll tax exemptions before the January 31 deadline cannot qualify for special registration. Over-age voters in smaller cities need no certificate of any kind.

### RECORD VOTE PREDICTED

Although the official compilation of poll tax payment and exemption certificates is not due from State Comptroller Robert Calvert until the first of April, many county tax assessor-collectors have stated they expect the number of qualified voters to exceed 1960's 2,594,000.

This prediction does not take into account registrations of those voters who cast ballots

in federal races only. Registration for federal certificates seems to be going slow, but poll-tax registration also ran slow until the last week in January.

A statement by Pat O'Keefe, executive director of the State Democratic Committee, indicated that interest in voter registration seems lightest in rural areas.

Republican party officials have not hazarded a guess on the score, but are hoping to get 300,000 Texans to cast ballots in their May 2 primary. Total of 1962 GOP primary participants was 135,000.

### EMPLOYMENT

Statistics just released by the Texas Employment Commission show that the employment figure for December was a record high for non-farm employees, . . . 3,305,600. . . an increase of 26,500 over November.

ber. This figure was 67,600 above the jobholder total for December, 1962.

### POPULATION PICTURE

Although the State Health Department reported an "uninterrupted decline" in the Texas birth rate per 1,000 population between 1956 and 1962, the state's population continues to rise.

Births in 1962 totaled 244,069. New settlers moving in from other states accounted for a 200,000 increase, helping to make the population pass the 10 million mark last year. But at the same time the number of deaths for one year reached an all-time high of 81,118.

Heart disease was the leading cause of death, accounting for 33 per cent; cancer was second with 15 per cent; apoplexy, third with 12 per cent of the deaths; and accidents of all kinds, fourth with seven per cent.

**APPOINTMENT BY POPULAR VOTE**  
Governor Connally, who

must make some 850 appointments during his current two-year term of office, decided to let local voters make the decision for him on appointment of a judge for the 100th judicial district.

This district, which embraces Carson, Hall, Donley, Childress and Collingsworth counties, lost its judge with the death of Judge Gribble's term. He said, "Since the election is reasonably close at hand, it is my view that the voters should have the opportunity to select a judge of their choosing."

### COURT SPEAKS

Supreme Court set arguments for March 18 on a Corpus Christi case testing whether the new Sabbath closing laws can be circumvented by "emergency" purchases.

Nueces County District Attorney Sam L. Jones Jr. pushed the appeal from a Fourth Court of Civil Appeals decision that Shoppers World, Inc. of Corpus Christi complied with the law banning sales of certain items on the Sabbath when it required purchasers to sign certificates

## HOSPITAL NOTES

Patients in Winters Municipal Hospital Wednesday of this week were:

Mrs. T. B. Young, Mrs. Fritz Redman, Mrs. Jimmy Austin and baby girl.

Mike Davis, Mrs. Edgar Porter and Susan Ward were dismissed last Thursday.

Mrs. Lee Sheppard was dismissed Sunday.

Mrs. M. A. Patterson, Mrs. Sadie White, Shirley Howard, Mrs. W. P. Haney and baby girl, Mrs. J. M. Price, Mrs. Will Mathis, and Frank Haines were dismissed Monday.

Virginia Smith was dismissed Tuesday.

C. G. Meeks and Mrs. Della Satterwhite were dismissed Wednesday.

Deaths of "emergency" before buying.

However, Jones maintains that the certificates amount to a subterfuge, when more than 200 so-called "emergencies" arise on an average Sunday.

### SHELL SUIT THROWN OUT

Texas oyster fishermen cannot sustain a lawsuit to nullify the State Parks and Wildlife Commission order permitting shell dredging close to live oyster reefs in Trinity and Galveston Bays.

So ruled District Judge Jack Roberts in agreeing with the position taken by the attorney general's office that the oystermen have no vested interest in oysters belonging to the state. Therefore, they cannot appeal the commission order.

Grasshoppers can leap 10 times as high as they are long.

# BRADSHAW

"It is one of the beautiful compensations of life that no man can sincerely try to help another without helping himself." —G. Bailey.

For the night special at the Drasco Baptist Church Donna England, Jeanette Lewis and Randall Conner sang a number with Dana Bishop at the piano.

For the morning special at the Moro Baptist Church Clyde Reid, Mr. and Mrs. Calwyn Walters sang O. What A Saviour! with Mrs. J. W. Allmand at the piano. For the night special Pastor and Mrs. Bob Griffith sang Open Thine Eyes, with Mrs. Allmand at the piano.

The subject for next Sunday's International Sunday School Lesson is Simon and the Repentant Woman. The scripture is taken from Luke 7:36-50. The memory selection is: "In Him we have redemption through His blood, the forgiveness of sins."

**PATTERNS FOR PROGRESS**

**TOURISM ... its value to you**

WTU is proud to be a part of your community

America is on the road... going places... seeing things. Texas had 9.6 million out-of-state visitors in 1963 who spent \$471 million plus \$25 million in direct state taxes. As an example in WTU territory, more than 100,000 last year visited Big Bend National Park (pictured above).

A mere eight tourist cars a day that stop in a community is the equivalent of an added \$100,000 annual payroll. Travel and tourism in Texas will grow even faster because of vastly increasing tourist promotion on both the state and local level. This makes tourism of value to every community in the WTU service area, and one of our major economic factors.

Many communities are benefiting from tourism as one of the important PATTERNS FOR PROGRESS. These communities are:

1. Developing tourist attractions (even a rodeo or county fair is a "tourist attraction").
2. Building facilities to care for tourists and other travelers no matter where they are headed (Alpine's Ponderosa Restaurant, pictured left, is one of many such facilities).
3. Creating facilities for the growing number of business and family non-vacationing travelers who fill the highways day after day.

That is why we suggest that you evaluate the importance of tourism to you, and consider seriously how your community can benefit from it.

## Patriot and President

The fact that Washington was our first president would have perpetuated his name, but he was gifted with many other admirable qualities which marked him for leadership. His stature looms larger with the passing of the years.

Though forty-five years of his life were spent in the service of his country, the greatest thing he did was to leave to all succeeding generations an example of courage, patriotism and unselfish devotion to the public welfare which is outstanding in the pages of history.

Born in 1732, this February 22nd is the 232nd anniversary of his birth.

Texas' boom in man-made lakes has opened many new frontiers for the outdoorsman.

But perhaps the least-known pastime of all is skin diving. This is a fascinating sport and one that is learned easily. It opens many new and exciting hobbies, such as spearfishing, underwater photography or just exploring along the floor of a lake.

Although interest in skin diving has grown tremendously within the last few years, it is not a learn-it-yourself sport. No would-be diver should attempt it without first becoming thoroughly familiar with basic diving fundamentals, the equipment used and his physical capabilities.

Skin diving includes both snorkel and SCUBA diving. The first requires only a face mask, swim fins and a snorkel tube. It is the way most divers get started.

SCUBA diving, which gets its name from Self Contained Underwater Breathing Apparatus, requires quite a bit of equipment, including an air tank and the necessary attachments.

The tank or lung is strapped to the diver's back. Air is passed through a regulator, tubes and mouthpiece. The regulator on the tank reduces the air pressure to a comfortable breathing level. Exhaled air passes through a flutter valve and produces the familiar bubbles seen on the surface.

Advantage of SCUBA diving is that it allows the diver to remain under surface for long periods of time and permits him to dive to greater depths. Any attempt to learn SCUBA diving merely by reading a newspaper article, magazine story or for that matter an instruction book, would be foolhardy. Learn the sport under the guidance of an expert skin diver.

In areas where organized instruction courses are not available, it is often possible to contact an individual who is qualified and willing to act as an instructor. Several skin diving clubs have been formed in Texas and most of the major cities.

have one.

Before you even think about taking up skin diving, consider your physical condition. Age is seldom a factor but people with heart or chronic respiratory ailments should not become skin divers. It is a rather rigorous sport and should be attempted only by people in reasonably good health.

Skin diving is governed by several easily learned common sense rules. Perhaps the most important piece of advice a beginner should remember is never dive alone. Skin diving is safer and a lot more fun when the buddy system is used.

Once you have mastered the basic diving techniques, a whole new world will be opened to you.

Perhaps your cup of tea is spearfishing. This is a fascinating sport which requires stealth and a good shooting eye. In a way, it is hunting underwater. Texas permits only the taking of rough fish like gar and carp by skin diving.

The diver is equipped with a spring-type gun which drives a spear with tremendous force. Flipping quietly through the water, the diver approaches as close as possible to his quarry, aims and lets fire.

After your elementary education in nearby lakes, maybe you would like to try something bigger and more demanding. Many inland divers head to the coast occasionally to try their skill at spearing the salt-water species.

A favorite spot for hunting is around one of the many oil wells lying off the Texas coast. Often the diver will find a huge jewfish lurking there.

A diver who tangles with a 200-pound-plus jewfish will have a real tussle. Several divers often team up to try and bring these huge fish to the surface.

Divers are called on occasionally to aid in underwater searches. They look for valuable articles which have been accidentally dropped into the water. Also for the bodies of drowned persons.

Sometimes parties are organized to travel to far-away places—like the coast of Mexico, Florida or the Bahamas—to explore colorful underwater reefs.

Anyway you take it, skin diving is a fascinating, exciting pastime.

## Bill Miller, WHS Graduate, Will Jump In Madison Square Garden Track Event

Bill Miller, the NAIA broad jump champion, will be leaping with the "big boys" Saturday night as the former McMurry College star competes in the National AAU Indoor Meet in New York City's Madison Square Gardens.

Miller, with the Ft. Worth and Dallas Indoor Meet championships to his credit this season, will have another crack at the world's leading broad jumper, Olympian Ralph Boston, formerly of Tennessee A. and I.

Miller is a graduate of Winters High School, class of 1959, and now is a teacher in the Abilene School system. He is the son of Mr. and Mrs. William M. Miller.

While at Winters High School, he lettered four years each in football, basketball, and track. He was president of his class during his junior and senior years, and was State AA broad-jump champion in 1959. He was voted the best all-around high school athlete in Winters in 1959.

The smallest of the four United States broad jumpers with 26-feet plus leaps on record, Miller lost to Boston in the Lubbock Indoor Meet as the Winters native scratched by two inches on a tremendous 26-2 1/2 jump that eclipsed Boston's winning leap of 25-7. Miller's best legitimate jump was 25-1 1/2, good enough for second place with another Olympian, Anthony Watson, taking third place with a 23-10 3/4 mark.

Miller won the Ft. Worth and Dallas Indoor meets this year with jumps of 23-11 1/4 and 25-1 3/4 respectively.

It's a long way to New York, but the road to Tokyo and the 1964 Olympics seems endless to Miller and the flock of Olympic hopefuls that share a common dream—a berth on the United States Olympic team.

"It's going to be the longest track season ever," Boston told Miller following Lubbock's indoor meet. "But kid, I'll see you in Tokyo."

## Roger Babson Says—More and More Services Are Demanded From Local Governments

Babson Park, Mass. — Most citizens are deeply interested in the federal tax cut now on its way through Congress. But almost every commentator—in the newspapers, on the radio, and on TV—points out the fact that while federal taxes will be reduced, state and local taxes will continue to climb substantially.

**Behind Community Tax Boosts**  
Most supplies, materials, and services which your city must buy cost more today than ever before. More is demanded, and—sad but true—more is wasted. These are the reasons your city fathers have to hike local tax levies. I often feel, however, that many methods of holding down community expenditures are ignored, while fresh sources of revenue are not used to the full. For example, higher tax rates might not be necessary if your locality were adding a sufficient number of economically stable families. Most cities thus expanding should be able to raise enough tax money from the addition of new property to prevent the necessity of increasing the rate of taxation. Why shouldn't the existing sections which are experiencing the big growth pay the advanced costs?

City and town workers' pay generally has increased because of rising living costs; but it is fair to compare these wages with those of production workers in industrial plants where output has increased almost as much as pay rates? I think not. In a good many cases town employees have not upped their productivity, and some are perhaps even goldbricking on their jobs. Lots of such workers couldn't get work in industry. Who would hire them?

**Welfare Aid Costs**  
You can see, in localities where the welfare rolls are made public, that the NET cost of honest old-age assistance and other charity work is not exceptionally burdensome. The Federal Government and the State reimburse the local treasurer for most of these expenditures. More important, most of the money remains in the business stream of the community. Even after paying the required taxes for welfare outlays, most merchants, landlords, and service dealers are better off in terms of net financial results. Along with having the satisfaction of helping deserving people, they benefit, in turn, from the expenditures of these people.

**Schools And Highways**  
I have expressed myself many times on school costs. We may as well face the fact that we parents have turned over most of the job of bringing up our children to school teachers, baby sitters, and TV. We should be ashamed of ourselves for

Miller, who will travel on an airliner, plans to leave Abilene Friday and return Sunday. He is making the trip by himself. "The meet in New York will show me how I stand with rest of the broad jumpers in the country," Miller said.

Miller ranks high with the United States' broad jumpers. The January issue of the "Track and Field News" lists Miller as No. 3 in the nation and No. 5 in the world.

"I'm going to stick to broad jumping this year," Miller explained, when asked if he planned to compete in the 100-yard dash and the hop, step and jump events.

After the New York meet, Miller plans to concentrate mostly on conditioning instead of entering other meets. "I've only been jumping at meets this year, not in practice. The season is so long that it'd be easy to 'burn out' before summer."

"The big meet for me will be in New Jersey the last week end in June," Miller explained. "It (National AAU Meet) is the only meet in which I can qualify to be considered for the Olympic team."

"The top six in the AAU meet will compete with the top six NCAA jumpers and the winner of the Armed Forces meet at the New York City Olympic trials. In September, the best jumpers of the Olympic trials will jump in Los Angeles, with the top three eventually getting berths on the Olympic team."

The other three broad jumpers with leaps of 26-feet plus are all bigger than Miller, especially Boston, who towers over "little Bill Miller."

The measurements of the other three 26-plus jumpers are: Boston, 6-2, 175-pounds; Darrell Horn, 6-0, 170; and Clifton Mayfield, 6-0, 160. Miller is 5-10 and weighs 145-pounds.

Miller won the NALA title last year with Mayfield placing second. Mayfield, jumping for Central Ohio State, won the NCAA title and Miller finished second with the best jump of his career, 26-4 3/4.

## Home Town Talk--

buttons of Bull Mouse have all been too busy fishing or golfing and he can't get them to stand still long enough to listen to his proposed platform. Comes a few days of non-golfing-fishing weather, though, and he'll get them cornered down at the Watering Hole, and really get his campaign underway. There's a lot of political fodder down there, he says, and when he gets them all strained and sorted, he should come up with a real hard-to-beat slate.
