

HOME TOWN Talk

By R. C. THOMAS

It's almost time for the annual Spring Clean-Up Drive. Committees of the Winters Chamber of Commerce and City officials are working to draw up plans for a drive which will include a complete clean-up of the Winters community.

No dates have been set as yet, but an announcement should come within a very few days. So, residents of Winters should begin to give some thought to getting ready for the drive. There is much to be done, and several days will be needed to properly do the job. Much of it can be done in advance, if property owners will do their part by getting their own premises cleaned up and trash and rubbish gathered in anticipation of the drive.

There's been a lot of hullabaloo these past few days over the first issue of the new "John F. Kennedy" half dollars. In many places, banks which have received the first issue of the new coins have been swamped by "first issue" collectors and others who have wanted to purchase the new money. In some places, it has been necessary to place a limit on the number of the new coins which one person could purchase, the demand has been so great. Long lines have formed at banks in many localities, with people anxious to get the new coin. This, in spite of the announcement that many millions of the new half dollars will be issued in the very near future.

There is no bedrock explanation for the wholesale demand for the coin, except that many collectors want them for "conversation pieces," and that there is a lot of sentiment connected with the new issue.

Winters State Bank this week received 1000 of the new coins, but the fever has not hit locally, so there has been no appreciable "run" on the bank.

A contest currently being conducted by Western Auto Associate Store has caused quite a few ripples. It's a contest made to order for avid fishermen, and others—and probably there are many people who haven't cracked an encyclopedia in years who have suddenly turned to the "fish" section. In the series, contestants are asked to identify pictures of fish... and it ain't the easiest thing to do. But it can be done, Wes Hays says, if the proper reference sources are consulted.

We tried it, but, being a bent-pin fisherman, found that even though the fish shown are more or less common to those who keep up with such things, it was necessary to consult references. To our amazement we found, for example, that there are several different kinds of trout.

We've thought of conducting some kind of contest, say to pick the biggest fish, or the best fish story, or something of the sort. Thought perhaps we'd offer as a prize a personally engraved spoon. Which reminds us of another peculiar fact: to us, a spoon is a spoon... but to a fisherman, a spoon is a fish hook. Which only goes to prove how the English language can get all tangled up.

We like this one: To err is human, but when the eraser wears out before the pencil, you're overdoing it.

When you get too old to dream, better check up on your social security benefits.

When all else seems to elude, it's always safe to fall back on the weather. Good rains of last week added to an already good picture for this year. Total now stands at 6.8 inches.

In this "missile" age, anything out of the ordinary always gets a lot of attention. So it was last Saturday evening. We received several calls from people who had spotted something in the sky over Winters. All decided it was a weather balloon of some sort, but the way it hung, almost motionless, with the rays of the lowering sun hitting it, there was created an almost eerie speculation. Long and silvery, at first it looked like a parachute which had not completely opened—and

WHS Bandmen Win 47 First Division Medals

Forty-six members of the Winters High School band entered 30 unit events in the Regional University Interscholastic League Solo and Ensemble contests in Brownwood Saturday, and came away with 26 first divisions in individual playing and 47 medals in individual competition, with no Winters band member placing lower than second place.

The regional event had 3000 musicians from 64 towns competing against a standard of musical proficiency. All first place winners win UIL medals.

Many of the Winters students entered two events and came away from the Brownwood contests with two awards.

The Winters High School Band is under the direction of Robert R. Gans.

First division medal winners in two events were:

Mary Young, flute solo and flute ensemble; Bobbie Sue Gans, bassoon solo, contra bass clarinet solo; Louise Adami, two clarinet ensembles; Linda Schwartz, two clarinet ensembles; Katy Dunn, bass clarinet solo and clarinet ensemble.

Also, Linda Lloyd, two clarinet ensembles; Marsha Hays, two clarinet ensembles; Mike Magee, sax solo and sax quartet; Judy Smith, sax solo and sax quartet; Sandra Griffin, two flute ensembles; Zanette Moore, oboe solo and woodwind ensemble; Karen Knapp, bass clarinet solo and clarinet ensemble; Jeannie Hood, sax solo and sax quartet; Pat Winton, two flute quartets.

Single medal winners were: Russell Bedford, sax solo; Charles Bahlman, cornet quartet; Byron Anderson, bass solo; Dan Gardner, bass solo; Don Buchanan, bass solo; Mike Griffin, bass solo; Carolyn Phelps, clarinet ensemble; Sylvia Tinney, clarinet ensemble; Tom Griffin, brass quartet; Mike Hays, brass quartet; Jim Burnett, French horn solo.

Also, Betty Mills, flute ensemble; Sally Spill, flute ensemble; Beth Spill, sax quartet; Deanna Kozelsky, woodwind ensemble; Ivan Smith, brass quartet; Jan Byrd, flute ensemble; Ida Martin, sax quartet.

Second place winners were: Carmen Esquivel, clarinet; Judy Matthews, saxophone; Ginger Gerhart, Saxophone; Keith Sutton, cornet; Richard Cook, cornet; Jim Armstrong, cornet; John Denson, trombone; John Patterson, trombone; Sherry Stanford, French horn; Charlotte Dooley, oboe.

Church of Christ At Wingate Begins Meeting Friday

Bill Gipson of Ballinger will be the speaker for the Gospel meeting to be held at the Church of Christ in Wingate, beginning Friday April 3, and continuing through Sunday April 5, according to announcement.

Services will begin at 10:30 o'clock Sunday morning and at 6:00 p. m. week-day services will be held at 7:30 o'clock.

The public is cordially invited to attend.

Dedication Set For Sunday At Local Church of God

Dedication of the new building for the Pentecostal Church of God, 610 North Cryer, has been set for Sunday March 29, it has been announced.

An all-day service with dinner at the church has been planned. Visitors are expected from Lubbock, Coleman, Austin and other places, according to the pastor, A. G. Farris.

Service will be held at the regular morning hour and the afternoon service will begin at 2:00 o'clock.

The public is cordially invited to attend.

Easter Egg Hunt Sunday At VFW

V.F.W. Post Auxiliary will sponsor an Easter Egg Hunt at the City Park Sunday afternoon March 29, at 2:00 o'clock, according to Mrs. James Crockett.

All children of veterans are invited.

IT'S SPRING... and nothing can dramatize that fact in a better way than a pretty girl in a pretty setting. Winters' "Spring Girl" is Linda Lloyd, daughter of Mr. and Mrs. George F. Lloyd. This picture was taken by Eddie Little.

Many Are Expected At Wilmeth Homecoming

There probably will be much swapping of tales of long ago when many old timers and former residents of Wilmeth gather for their homecoming Easter Sunday. There already is an indication that many people who were reared in the community and who at one time lived there will be in attendance.

Homecoming will begin with special community services at the Wilmeth Baptist Church, which was organized as the Mazeland Baptist Church in 1906. Contrary to some reports, these services will not be for church members alone, but will be a part of the community homecoming celebration.

Also, there has been a change in speakers for the morning services at the Baptist Church. The Rev. Lester Lee Vinson of Fort Worth, a former pastor of the Wilmeth church, will be the principal speaker. Dr. Virtus Gideon, of the Baptist Seminary in Fort Worth, had originally been scheduled to speak Sunday morning, but because of unforeseen circumstances will not be able to attend, it was announced.

The Rev. Vinson is presently with the Baptist Home Mission Board in Fort Worth.

Following the community services in the church, beginning at 10 a. m., a basket lunch will be served at noon.

MAZELAND SCHOOL

During the early 1900s, school in the Mazeland-Wilmeth community was held in an old barnlike building. Tom Martin was one of the first teachers; others were Dock Pierce, W. D. Bond, Bennie Maddox, O. L. Parish, J. N. Key, Rose McDonald, L. S. and Julia Bird, Robert White, W. C. McCarver, Maggie Crockett, Mollie Slaughter, W. R. Kennedy, Ila Seay, Anna Bell Hash, Mrs. Homes Phillips, A. G. Kseing, Marcene Gooch, Alice Janice Lela Rampy, Mrs. Fairbetter, Agnes Harris, Mr. Hancock.

Mazeland became County School District No. 22 in 1907, and a bond election was held to build a new school house. In 1911 the new Mazeland School was built, a two-story building, with two rooms on the ground floor and two rooms on the second floor. The Woodmen of the World organization used the second floor facilities for their meetings.

Many activities were held in that building. It was a popular site for box suppers and socials, with programs of some kind at least once a month. Programs included presentations by the Literary Society, debates, spelling bees, school drills, Christmas programs. Christmas was a happy time, and a community Christmas tree was the center of activity in the school building.

Some of the very early settlers who worked to make the community a worthwhile place to live, by giving of their time and influence, included the families of Mr. Lacy, W. E. Puckett, Jesse Ensor, Will Dodgen, Lee Tucker, Jesse Elms, Elgin Davidson, J. J. Hood, E. M. Bond and W. C. Spence. Others who moved in and helped in the community were Douglas and Lonnie Overman, F. E. Berryman, John Heck, John Hudson, Henry Dixon, W. R. Emmert, A. F. Harkins, S. T. Proctor, Bob Enson.

The Mazeland school which now stands was completed in time for the 1924 school year. A. J. Oliver was teacher about that time.

The school was consolidated with Winters about 1947, while Mrs. Mozelle Davidson and Mrs. W. M. Thomas were teachers, and the school building has been moved to Wilmeth, across the road from the Baptist Church, and is used for a barn.

MAZELAND-WILMETH COMMUNITY

The first post office and store that made up the town called Mazeland was located about two miles east and one-half mile south of the village of Wilmeth. It was located about where the H. W. Wright farm home now stands.

The post office was run by an elderly couple, Captain and Mrs. Hutchenson. The store was operated by Mr. and Mrs. Richard Nash and their two small children. It is not known where the name "Mazeland" originated—some old timers think it was named because the area was a very good maize growing area.

In 1908 Mr. and Mrs. Joel Smith built the Wilmeth store near where it now stands. Mrs. Smith was looked upon by the community as a sort of doctor and nurse. Not long after that time, the Nash store of Mazeland was moved to Winters. (Continued on page 8)

Blizzards Will Enter Relays At San Angelo

Winters' high school track team members will participate in the San Angelo Relays Saturday, with full squads to enter all events.

Steve Grissom, who has chalked up the seventh best time in the State in the high hurdles, 14.6, is a doubtful entry for this week. He is suffering from a pulled muscle, and may be out of action.

Events and entries from the Blizzard team include:

Relays: Van Spill, Jerry A-walt, Mike Holloway, Chester Puckett, Jimmy Green, Ronald Kraatz, Donald Parker and W. C. Dunn.

Discus: Mike Patterson, Mike Mitchell, Richard Shade.

Shot: Richard Shade, Johnny Mathis, Fred Dooley.

Pole Vault: Leroy Kettler, Richard Puckett, Glynn Awalt.

High jump: Larry Rives, Chester Puckett.

A. Dooley, Supt. At Wingate, Going To Christoval

A. Dooley, who has been superintendent of schools at Wingate for the last eight years, recently was elected to a similar position at Christoval.

He and his family will move to Christoval July 1.

Dooley holds a B. A. Degree from Howard Payne College, and an M. A. Degree from West Texas University. He did his graduate work at Texas Tech College.

Mrs. Dooley, who has taught second grade at Wingate the last eight years, holds a B. A. degree from Howard Payne College, and also did graduate work at Texas Tech. She will teach second grade at Christoval.

Mr. and Mrs. Dooley have two children, Charlotte, a senior in Winters High School, and Freddy, a sophomore.

VISIT RELATIVES

Mr. and Mrs. Carl Turk and daughters, Martha and Shirley, visited relatives in Cuero the past week end and attended the confirmation of their niece while in Cuero.

Driver Education To Be On Split-Session Basis

Winters Schools plan on a split session for Driver Education classwork in order to give more time for families to plan summer vacations this year. James B. Nevins, superintendent of schools, announced this week.

New state education requirements call for 30 hours of classwork to be given in not less than 21 calendar days which will be followed with six hours of driver training and six hours of observed driving.

Classwork demands a student's presence in each session.

Two-Day Exhibition Will Spotlight Local Industry

A special exhibit of "Made in Winters" products will be displayed in the lobby of the Winters State Bank Friday and Saturday of next week, to coincide this year with Texas Industrial Week. It was learned this week. Texas Industrial Week will be April 1-7.

John O. McAdams, president of the bank, said that officials of Winters' several industrial companies have been contacted and will place samples of their products on display for examination by the general public. The event is being sponsored by the Winters Chamber of Commerce. Last year's exhibit, which was the first of its kind locally, was held in February, and drew favorable response from a wide area, McAdams said.

Winters' Junior Culture Club won several awards at the fourth annual convention of the Heart of Texas District Federated Women's Clubs in Brownwood Tuesday of last week.

Highlight of the district convention was the presentation of awards, and the Winters club received first place for the best junior department chairman's report, prepared by Mrs. Bobby Rogers. The local club also received second place in the International Affairs department; second in the Conservation Department; second in Council of International Clubs department; and an award for 100 percent subscription to the Texas Club Woman magazine.

The Federation has eight departments in which it works, including education, home life, public affairs, international affairs, conservation, counseling of international clubs, fine arts, and Texas heritage.

Attending the convention and representing the Winters Junior Culture Club were Mrs. James Colburn, Mrs. Lynn Billups and Mrs. Don Oakes.

During the convention, an international affairs luncheon was held on the roof garden of the Brownwood Motor Inn. The luncheon address was given by Dr. Guy Newman, president of Howard Payne College. Miss Sonia Bendfield, from Guatamala, a student at Howard Payne College, spoke on her country.

During the afternoon session, officers for the Heart of Texas District were elected. They included Mrs. J. O. Mills, San Angelo, president; Mrs. Lewis Hals, Christoval, first vice president; Mrs. A. A. Steward, San Saba, second vice president; Mrs. George Parbrough, Brownwood, third vice president; Mrs. W. C. Swart, Christoval, secretary-treasurer; Mrs. Gilbert Heriot, San Angelo, parliamentarian and president's aide, and Mrs. B. J. Colburn, Winters, junior chairman.

VFW and Auxiliary To Dedicate Flags At Local Church

A flag dedication service at the First Presbyterian Church has been planned by the Winters Post, Veterans of Foreign Wars, and its Ladies' Auxiliary, for Sunday, April 5, J. L. Morrow, VFW commander, has announced.

A new 50-star United States flag and a Christian flag were presented to the church recently by the two organizations, as part of their community service program. Dedication services will be at the regular 11 a. m. church service time.

At the regular meeting of the VFW Monday night, Commander Morrow discussed plans for the new VFW year, which begins April 1. Under discussion were the Community Service, Youth Activities and Americanism programs.

Yearly reports were heard for the past year's activities. Present at Monday night's meeting were Mr. and Mrs. J. L. Morrow, Mr. and Mrs. James Crockett, Mr. and Mrs. N. D. Waggoner, Mr. and Mrs. Gordon Boulter, Mr. and Mrs. W. L. Collins, J. A. Henderson, Max Lewis, Calvin Holloway, C. H. Harrell, Mrs. D. W. Giles, Mrs. Fery Fuller, Mrs. Bernice Mitchell, Mrs. La Dola Bates and Mrs. Raymon Hudson.

The bank president, in making the bank lobby available for the exhibit, stressed the point that industrial achievement on a local level must be recognized for the part it plays in the overall economy of the area. Although the products which are manufactured by Winters industry are shipped all over the nation, and throughout the world, it was pointed out that a local display of these items would serve to call attention to the importance of area manufacturing.

Companies and individuals expected to exhibit samples of their products include Dry Manufacturing Co., makers of grilles, louvers and registers and other metal products; Pan-American Industries, manufacturer of a complete line of evaporative air conditioners, desks, lockers, utility cabinets, metal merchandise shelving and other metal products; Alderman-Cave Milling & Grain Co., one of the largest and most modern livestock feed producers in this area; Spill Machine Shop, manufacturers of metal wheels, pulleys and forced-cast items; Sparkle-Lite, Inc., display sign and sign component manufacturers. Also expected to be on exhibit are examples of the work turned out by Kozelsky Cabinet Shop, and the wood musical instruments made by Bill Wilson.

McAdams said that plans are to keep the bank lobby open after banking hours so that the general public will have an opportunity to examine the many displays which will be offered.

Cancer Crusade Will Begin Here On April 6

The annual American Cancer Society Crusade to save more lives through research, education, and service will be launched in Winters on April 6.

Willis Jernigan, who is in charge of the Cancer Society activities in Runnels County, said that preparation for this year's Crusade has already begun and will concentrate on more effective training of volunteers to do the door-to-door bell ringing which is so important in educating the public in ways to protect themselves from cancer and in raising funds needed for research and care, as well as education.

"Against this background," Jernigan said, "we are hoping to exceed last year's \$987.15 raised and (1600) educational leaflets distributed."

Jernigan urged all those wishing to volunteer in the struggle against possible death from cancer to call him at PL4-4282 or PL4-4283 for information about training.

"We need volunteers and we must saturate the community with life-saving information if we are to do the job," he said. "Because of its importance to the community's welfare, I am sure the people will respond."

Jernigan said men and women everywhere are becoming increasingly aware of the urgency of the cancer problem and what they can do about it personally. Last year, he pointed out, more than 44,000 men and women were saved from cancer who would have died had they developed the disease ten years ago.

The American Cancer Society explains that it is now possible to save at least one out of two of those who develop cancer, but only one out of three is actually being saved.

"This means," the chairman said, "Some 90,000 persons will die of cancer simply because they did not get to their doctors in time."

Jernigan continued that "the Society's number one goal in the April Crusade is the saving of those lives that are lost unnecessarily, and "that means getting people to a doctor in time for early detection and prompt treatment. Delay can be fatal. One's best protection against death is an annual health checkup, which should be observed as regularly as a birthday."

The second goal is to raise money for research, education, and service. "The hope of saving the other half of those who develop cancer lies in research," Jernigan said.

April 15 is Last Day For Auto Safety Check

Colonel Homer Garrison Jr., director of the Texas Department of Public Safety, reported today that some 1,500,000 Texas vehicles have only until Wednesday, April 15 to be inspected as required by law.

"In the remaining 3 1-2 weeks of the inspection period, it is possible for the state's 5,100 licensed inspection stations to

handle the last minute inspections only if motorists take their vehicles in immediately so there will be no delayed periods between inspecting one vehicle and the next," he said.

"From now until the deadline, every minute of the inspection station's time will be at a premium, and waiting lines will become general throughout the state as it approaches."

Garrison urged Texans to avoid the inconvenience of waiting in line to get the safety inspection sticker for 1964 by taking immediate action. He said that beginning Thursday, April 16, officers will be obliged to start handing out tickets for non-compliance with the Motor Vehicle Inspection Law which requires an annual inspection of vehicles.

Patricia Ann Neely of Garland and Robert Edgecomb Set June Wedding

A June 13th wedding is planned at the St. Michael and All Angels Episcopal Church in Dallas by Miss Patricia Ann Neely of Garland and Mr. Robert Lee Edgecomb of Dallas.

The bride-elect is the granddaughter of Mrs. John Denton of Winters and the late Mr. Denton. She also is the granddaughter of the late Mr. J. S. Neely. The future bridegroom is the son of Mrs. H. D. Baker of Dallas and the late Mr. James D. Edgecomb.

The bride-elect is a 1956 honor graduate of Garland High School and is a charter member of the Garland Chapter of American Business Women's Association and was elected "Woman of the Year" in 1963, for that chapter. The future bridegroom is a graduate of Highland Park High School and attended Texas A. and M. University.

Portrait of Local Woman Wins 1st In Print Competition

A portrait of Mrs. David Burton of Winters was awarded first place in print competition of the Central and West Texas Professional Photographers Society held in Sweetwater Sunday afternoon at the Sweetwater Country Club.

Eddie Little, local photographer, exhibited the prize-winning photograph of the former Nona Davidson, daughter of Mr. and Mrs. J. P. Davidson. Competition featured portraits of brides.

Second place was won by Henry Cole, Abilene photographer, and third by George Etz of Sweetwater, who hosted the meeting.

Leo Rorabaugh of Tucuman, N. M., was guest speaker for the meeting and used for his subject, "Photographic Irish Stew—Or General Studio Photography." Rorabaugh is a past president of the New Mexico

Professional Photographers Association and has 22 merits toward his Master of Photography degree. He is one of the few men in the United States who held the National Award, an honor presented by the Professional Photographers of America for outstanding work and service in photography. This award is also held by Little, having been presented to him in San Antonio in 1962.

Rorabaugh was introduced by Mel Thurman of Abilene, vice president of the group.

Frank Brandon of Big Spring, president, presided for the meeting.

SOCIAL SECURITY ...

Many people now have a social security number but the best social security number you can have is the one that will be tacked up over the door of a home of your own. It means a permanent address. It also means comfort, peace of mind and greater happiness.

A systematic plan for accumulation will enable you to make the down payment on a home of your own. Buy it or build it. Have more years to enjoy a place of your own. Many who become home owners regret they did not do so long ago. Money they paid for rent is gone beyond recall. They had shelter but not security.

The best social security is self-won security. Plan to own a home — or possibly a farm. A growing bank account is the first step; the second is to allow us the privilege of financing the balance.

THE "ALL THE WAY HOME" FAMILY—Robert Preston, Jean Simmons and Michael Kearney have the lead roles in David Susskind's production of "All The Way Home" which shows Friday and Saturday at the State Theatre.

Maureen O'Hara and Yvonne De Carlo are the women in the life of John Wayne as "McLintock!" in the comedy-drama of that name opening Friday at the Fiesta Theatre through United Artists release.

MOVIES

"All The Way Home"

David Susskind's long awaited screen production of "All The Way Home" shows Friday and Saturday at the State Theatre. Based on the Pulitzer Prize winning novel by the late James Agee, "A Death In The Family" and Tad Mosel's stage adaptation which also won a Pulitzer Prize—no other work in the 46 year history of the Pulitzer Awards has ever had the distinction of being twice-honored. It can be expected that this fine screen version will also receive its share of awards.

"All The Way Home" is the Bittersweet story of a few crucial days in the lives of a young couple and their little son in the Knoxville, Tennessee of 1915. It is a study in depth of an American family of another era... of their pleasures and problems, and of their personal tragedy that shatters and changes their world. David Susskind and director Alex Segal have cinematically re-created in this distinguished film that poignant blend of realism and poetry which characterized the original Agee work.

"Yellowstone Cubs"

Beautiful Yellowstone National Park, with its two million acres of varicolored forests, mountains, canyons, lakes, streams and geysers, is the spectacular setting for Walt Disney's Technicolor featurette, "Yellowstone Cubs," showing Friday and Saturday at the State Theatre.

Mrs. C. D. Wright Hosted Meeting Of Gleaners SS Class

Mrs. C. D. Wright was hostess Thursday for the regular monthly meeting of the Gleaners Sunday School Class of the Southside Baptist Church.

Mrs. John Grohman brought the devotional.

Those present were Mesdames Virgil James, Bill Hill, Johnie Grohman, and Winford Reel. The program was closed with prayer by Mrs. Bill Hill.

The next meeting will be in the home of Mr. and Mrs. Winford Reel.

"The Prize"

It's not often that you get a motion picture which is a suspense-thriller, a love story and a sophisticated comedy all rolled into one. Metro-Goldwyn-Mayer's "The Prize," with Paul Newman, Edward G. Robinson and the beautiful European actress Elke Sommer heading an all-star cast, is just such a picture and it spells Entertainment with a capital E.

Based on the best-selling novel by Irving Wallace and filmed in Panavision and Metrocolor against arresting backdrops of Stockholm, Sweden, "The Prize" shows Sunday and Monday at the State Theatre, concerns a young American novelist who comes to Stockholm to accept a Nobel Prize and walks into both murderous danger and an uninhibited love affair.

"McLintock!"

"A tough, brawling, romantic story with comedy overtones" is slated to open Friday at the Fiesta Drive In Theatre. It is "McLintock!" Batjac Production's Technicolor - Panavision all-starrer for United Artists release.

It's the story of hard-drinking George Washington McIntock, land and cattle baron played by that redoubtable westerner John Wayne, who meets his match when it comes to tough-mindedness in his own wife!

His wife is played by Maureen O'Hara, who with Wayne, happen to be the same romantic pair that won an Academy Award for the classic "The Quiet Man."

Chevrolet will go to any length to make you happy

Things have changed a lot since a Chevy was only a Chevy. Especially your ideas of what you want a Chevy to be. So now you have the Jet-smooth Chevrolet—17½ feet of pure luxury, bumper to bumper. The size makes it a luxury car. But not the price. Or you can choose the thrifty Chevy II, a 15½-foot family car with all kinds of passenger and luggage space. This year, your choice might be the new 16-foot-plus Chevelle, sized to fit nicely between Chev-

rolet and Chevy II (and between parking meters, with five whole feet left over). Then, too, there's the sporty 15-foot Corvair, so right for so many people (you girls, in particular) that we've never touched an inch of it. And finally, Corvette—still 14½ feet and still too much for any true sports-car lover to say no to. The long and short of it is, you don't have to go to any length to find exactly the kind of car you want. Just see the five different lines of cars at your Chevrolet dealer's.

BRADSHAW

"Our Lord has written the promise of the resurrection, not in books alone, but in every leaf in spring-time."—Martin Luther.

Six o'clock is the meeting time for the sun rise services next Sunday in the Wayne Hunt pasture. Everyone is invited to attend.

Mrs. Donnie Oaks and Susan of Winters were visitors at the morning services at the Methodist Church. For the night services Pastor Jerry Spurlin sang "I Walked Today Where Jesus Walked," with Mrs. Spurlin at the piano.

A weekend Youth Revival was held at the Drasco Baptist Church. David Crooks of Hardin-Simmons delivered the messages. John Hasting was song leader with Burl Bumpus at the piano. These were also from Hardin-Simmons. Visitors at the Sunday morning services were Sue Brown, Donna Wiley, Pam Beasley and Sherry Gibson of Hardin-Simmons. Night visitors were Mr. and Mrs. Barney Sheppard and Maxey of Grassburg.

John Henry Butler of Ballinger was a visitor Sunday morning at the Moro Baptist Church, also Ray and Joe Walters of Loop. For the morning special Mrs. Calwyn Walters and Clyde Reid sang, "He'll Understand And Say Well Done, Mrs. J. W. Allmand" was at the piano. For the night special Sherry Reid of Abilene and Brenda Reid sang "The Lilly of The Valley" with Mrs. Allmand at the piano. Sherry with her dad and mother Mr. and Mrs. Verlon Reid were night visitors.

For the past two Sundays we have missed the report from the Wilmette Baptist Church due to the illness of the pastor's wife, Mrs. Lester Carter who is a patient in the Winters hospital.

Thomas and Mary Magdalena is the subject of next Sunday's International Sunday School Lesson. The scripture is found in John 2:11-18, 24-29. The memory selection is: "Have you believed because you have seen Me? Blessed are those who have not seen and yet believe."—John 20:29.

Someone has said that doubt, honestly faced, can lead to unshakable faith.

Special days next week are for: Tonja Edwards and May Pollock White the 29th; Susan Kay Williams and Margaret Mitchell the 30th; Carrie Garlin, Newt Brewer and a wedding anniversary for Mr. and Mrs. Bruce Webb the 1st; Ida Fra-

zier, Neva Lewis, Katie Pruitt McMillan and Billy Webb the 2nd; Joe Saunders, Lary McMillan, A. T. Williams, Billie Bruce Pearce, Lester Carter, Janice Sanders the 3rd.

Verlin Reid of Abilene had another birthday the 20th, but the celebration took place Sunday at their home. Others helping were daughter Sherry, his mother, Mrs. E. J. Reid, Mr. and Mrs. Bud Hicks and Gary, Mr. and Mrs. Clyde Reid, Brenda and Howard, Mr. and Mrs. Calwyn Walters, Rickey and Donald, Mr. and Mrs. Russell Grun, Marcy and Dwayne of Moro and Mr. and Mrs. J. W. Allmand and James Wayne of Ovalo.

A family get-together was held Sunday of last week at the home of Mr. and Mrs. Henry Roberts. The following attended, Mr. and Mrs. Thomas E. Roberts, Mr. and Mrs. Doyl Riddle and daughter Ronda all of Abilene, Mr. and Mrs. W. L. Roberts, Mr. and Mrs. Edwin Roberts all of Tuscola, Mr. and Mrs. Virgil Riddle of Ovalo and Mr. and Mrs. Alton Roberts.

Mrs. John Higgins, at this writing, is still a patient in the Bronte hospital but is improving.

Mrs. Oda Clark of Merkel and Mr. and Mrs. (Peggy) Fiekies of Smith were in town Sunday afternoon. Mrs. Clark reported that her mother, Mrs. Wif Harrington, recently fell at the home of the Hugh Cleavelands at San Angelo, and broke her hip. The first break was in December of '62. She is now in St. John's Hospital at San Angelo. She is 89. Mrs. Clark said that her dad, who will be 92 in June, had had a light stroke.

Sunday afternoon Mrs. Billie McCasland, Mrs. Dock Aldridge, Mrs. Charles Ashby, Mrs. Oda Claxton and Mrs. Barney Gibbs attended a singing in the Ovalo Baptist Church.

Juanita Camfield Candidate For State Senate Seat

Juanita Camfield of San Angelo announced prior to the February filing deadline that she would be a candidate for State Senator, 25th District.

*Miss Camfield is the fifth in a family of six children, born in Thurber February 25, 1917. She moved to San Angelo at an early age, and graduated from San Angelo High School. She then attended San Angelo Business College and San Angelo College, and has completed a real estate law course at SAC, taking night courses.

She is a graduate of Texas Real Estate Association Insti-

MISS JUANITA CAMFIELD
... Candidate for Senate

tute in 1963, the 188th real estate broker in the State to receive the designation of Certified Master Broker (CMB).

Her community service and association activities include:

Three years on City-School tax equalization board, chairman in 1963; appointed by the Attorney General's office to serve as representative from Tom Green County to select outstanding students as delegates to the Youth Conference in Austin in August of 1963; member of the San Angelo Board of Realtors since 1951, as secretary to the board of directors for three years; member of Business and Professional Women's Clubs, Inc., since 1953; past president of the San Angelo Club; served five years on the State board, and currently is serving as State Chairman of Legislative Steering Committee; Family Counseling Service Board of Directors, currently serving as vice president of this board; Service Men's Center Board of Directors, member for four years, secretary for three years; member Downtown Democratic Club of San Angelo, charter member of this organization; member of Unitarian Church; member of Great Books Foundation, 4th year Study Group; member Toast-mistress Club.

Following is her statement of candidacy:

"If elected as your State Senator from the 25th District, I pledge to represent ALL of the people of the district. I will support those measures aimed at raising the educational level in both our public schools and State supported institutions of higher learning.

"I will work to help curb high school dropouts and resulting juvenile delinquency by working to establish technical and vocational schools in conjunction with our high schools. Only 12 to 14 percent of our students are completing college.

"I will support a strengthened mental health program. Will continue to support and work for an amendment to the Constitution providing legal equal-

ty for Texas men and women.

"I will work to continue the program aimed at attracting tourists and industry to Texas, and will support measures which will continue our superior road and highway system and the improvement and maintenance of this system.

"I will support all practical measures designed to promote traffic safety throughout our State, and will support programs to continue conservation of our natural resources.

"I strongly favor fiscal stability and am convinced that it can be achieved and maintained without sacrificing essential governmental services.

"I adhere to the principle that the government which is closest to the people is the best government; according, I favor State action only when local government fails or is unable to meet its obligations.

"If we are to have adequate and just representation, I believe our legislatures must be composed of dedicated men and women from a cross section of the business and professional community.

"It is in that spirit that I offer myself as candidate for the Texas Senate from the 25th District. I believe that the American concept of democracy demands our best.

"The needs of the 25th Senatorial District—indeed, of all Texas—are legion. Twentieth century problems demand a twentieth century approach. Admittedly, a solution to some of these problems is difficult; to others, elusive; to still others, it can be had for the effort. Let us no longer continue to fail by default; rather, let us forge ahead. Let us begin—and good government begins with you."

it's the
cleanest...

there's just no limit

... to how clean electricity is. With just the flick of a switch or punch of a button—you never see it, or smell it, it's so clean you'd hardly know it was there. With no flame there is no smoke, smudge, film or fumes, no vents to check or burners to adjust—this means less cleaning required for walls, curtains, furniture. If you'll stop and think about it you'll agree that flameless electricity is the easiest, cleanest, most comfortable way to live.

Wilmeth Church--
(Continued from page 1)

land was moved to about where the F. E. Berryman home is located. After a few years it was closed up, the building was sold and the owners moved away.

The name Wilmeth is for a banker from Ballinger, Joe Wilmeth, who was interested in promoting settlement of the county. At one time Wilmeth had a telephone office, barber shop, two stores, garage, blacksmith shop, two churches and a gin.

Some of the very early settlers in the Wilmeth community were Mr. and Mrs. John McNeil, who moved in 1906 to the home where Ira McNeil and family now live. Mr. and Mrs. J. J. Hood moved with their family about one and one-half miles south of Wilmeth in 1906. They cleared the land where the Ethel McNeil farm is, and built a small house. Their daughter, Mrs. W. S. (Clara) Proctor lived in this community and helped with the church and community work for many years.

The Rev. L. Overman and family located a few miles south and west of Wilmeth in September of 1905. He pastored churches at Norton and Mazeland and held revivals in many places for many years. Lonnie, Will and Douglas Overman were his sons. Their families continued active in community and church affairs, and Lonnie is a deacon in the Wilmeth Baptist Church now.

In 1906, Mr. and Mrs. Jesse Enson settled about three miles from Wilmeth. Their daughter, Mrs. W. C. (Nettie) Wright is pianist for the Baptist Church now.

In 1917, Elgin Davidson gave two acres of land for a community cemetery. The first person buried there was Lillian Freeman, daughter of Mr. and Mrs. Jake Freeman, in 1918. She died from influenza.

Riley Helm settled two and one-half miles north of Wilmeth in 1907.

Marta Davidson Listed On Dean's Honor Roll

Marta Davidson, daughter of Mr. and Mrs. J. P. Davidson, 200 East Pierce Street, has been named to the official Dean's List for the fall semester at Hardin-Simmons University. Miss Davidson, a sophomore at H-S-U, earned a grade of A on all courses.

Those weather balloons are more or less common these days . . . but it still does not detract from the fact that an object in the sky is something

Jerry Dunn One Of Fifteen In SAC Who's Who

Jerry Dunn, son of Mr. and Mrs. J. W. (Dude) Dunn of Wingate, a sophomore at San Angelo College, is one of 15 SAC students named to the annual Who's Who list by the dean's committee.

Dunn was a member of last year's Ram basketball team and serves as president of the Student Council. A graduate of Winters High School, he was vice president of the Student Council, member of the National Honor Society and was listed in Who's Who in Basketball in the Glacier, school annual.

Selected on basis of scholarship, leadership and citizenship, the students are nominated by each faculty member. From this list of students and their activities and achievements, the committee makes the final decisions.

Cheerleaders In Junior Hi Named

Winters Junior High School cheerleaders were elected Thursday afternoon, with Cheryl Beard named head cheerleader. She is the daughter of Mr. and Mrs. George M. Beard.

Others named were Joy Awalt, daughter of Mr. and Mrs. Charlie Awalt; Beverly Sprinkle, daughter of Mr. and Mrs. J. T. Sprinkle; Phyllis Smith, daughter of Mr. and Mrs. Truett Smith; and Jolinda Hall, daughter of Mr. and Mrs. Jack Hall.
