

HOME TOWN Talk

By R. C. THOMAS

If the weather holds clear and dry, the 1964 wheat harvest for the Winters area will be underway strong within a couple of weeks. Already several farmers have begun cutting their grain... some test cuts, and some to get the real early grain which matured quicker than the general run.

In spite of many pessimistic observations of several weeks ago, this year's grain crop promises to turn out much better than expected. Of course, it all depends on which side of the fence you're on. For instance, in one section the crop may not be as good as it was last year, and in another, much better. Depends on where the rains came at the right—or wrong—times.

But the overall outlook seems to indicate that this year's grain crop will be above average. Grain is in good shape, and that which has been brought in has tested good, according to information from local grain men and farmers.

This is the time of year when anything can happen, too. Farmers keep an eye on building thunderheads, hoping to get their grain ripened and out of the fields before a devastating rain, hail or windstorm puts a final period on their grain harvest. All the while, they keep hoping for rain to come to help the new cotton and maize which is beginning to green-up the countryside. It's the age-old battle against the elements—without which, most will admit, life would get somewhat dull, after all.

Speaking of rain, May is two-thirds gone, and only half an inch of moisture has been recorded for the month. This is considerably less than had been recorded for the same month last year, when a total of 5.9 inches was received through May 22. In 1963, a total of 7.7 inches of rain was received during the month of May, also right at the start of the grain harvest.

This is the time of year when much of our attention is focused on one thing: the end of the school year and the graduation from high school of the students who have completed their allotted time in the public schools.

With all the emphasis placed on recognizing the achievements of those who have gone ahead and finished their high school work, there may be a tendency to overlook one of the most troublesome and important areas concerning education: the "dropout." Much has been said about this problem, but it cannot be over-emphasized.

The problems facing young people in school are many. One is the important question of deciding how much education is enough.

The choice is a hard one, especially for those who find no joy in classwork. Some see no value in what they are studying. They fail to understand the relationship between more schooling now and their own improved chance for life-long job success.

According to the most reliable information available, a million boys and girls, young men and women, each year, make the wrong decision and drop out of school. By doing so, they doom themselves.

For these persons will have trouble finding work since they are able to compete only for the dwindling opportunities in unskilled labor. They are the last to be hired, receive the lowest pay, and are the first to be laid off. Frequently, their jobs can be taken over by machines.

According to the U. S. Department of Health, Education and Welfare, one out of every three young people in the fifth grade now drops out of school before high school graduation. This is a staggering fact, and should be cause for us all to give more thought to the education problems and possibilities facing us.

NEW DAUGHTER

Mr. and Mrs. Marion D. Roper of Irving announce the birth of a daughter, born April 22. The baby weighed 7 pounds 15 ounces, and was named Kerry Lynn. Paternal grandmother is Mrs. M. G. Roper of Winters, and maternal grandparents are Mr. and Mrs. James Bragg of Brownfield.

WINTERS HIGH SCHOOL SENIOR CLASS OF 1964

At City Hall—

Budget Hearing Set for Monday

The annual public hearing to discuss the proposed budget for the City of Winters for the next fiscal year will be held Monday, May 25, Mayor Harvey D. Jones announced this week.

The hearing, required by State statute, will be held in the public meeting room on the second floor of the City Hall building beginning at 8 p. m.

The budget to be discussed in the public hearing will cover all phases of City operations for the fiscal year beginning October 1, 1964, and ending September 30, 1965. The proposed budget which will be submitted for public discussion has been under study by the City Council for some weeks. Each department head in the city prepared and submitted to the Council a recommended operating budget for the next fiscal year. After studying the recommendations of the various departments, and making several changes to conform to the policies and fiscal program of the City administration, the Council approved a final proposed budget for the City. Following next

Monday night's meeting, a final draft will be made to include any changes which might be made as a result of the meeting, and approved by the council.

Mayor Jones and members of the City Council have invited and urged all citizens and property owners to be present for the public hearing Monday night. The mayor indicated that "this is the taxpayers' money which is being spent, and they have a right and a duty to make recommendations as to how it will be spent." He said that fiscal responsibilities of the City are so numerous that the Council needs and invites all the assistance it can get in order to manage the affairs of the City in an economical and progressive manner.

Council Monday night also discussed appointment of a tax equalization board to study the tax structure of the City of Winters and hold public hearings within the next few weeks. Announcement of equalization board members and hearing dates will be made soon.

First Little League Games Next Monday

The first Little League baseball games for the Winters area association will be played next Monday, May 25, according to the game schedule released recently.

Both minor league and major league games will be played, with the minors beginning at 5:30 and the majors beginning at 7:30 p. m.

First games of the season will pit the Dodgers against Wingate, and the Cardinals (Minors) against Wingate minors, at Wingate; Yankees vs. Lawn, and Giants (minors) vs. Lawn, at Lawn; Jets vs. Indians and Pirates (minors) vs. Indians (minors) at Winters.

Other games during the next week will be: Friday: Yankees vs. Wingate; Giants vs. Wingate (minors) at Winters; Indians vs. Lawn and Indian vs. Lawn minors, at Lawn.

Mrs. C. L. Chapman Presented Piano Pupils in Recital

Mrs. Charles Chapman presented her piano pupils in recital in her home Friday evening May 15.

Appearing in the recital were the pupils Beck Brown, Brenda Smith, Melinda Thaxton, Christi Thomas, Beany Bean, Darlene Sims, Deborah Austin, Ann Bean and Betty Knight.

Band Officers Elected For Coming Year

Officers to head the Winters Blizzard Band for the 1964-65 school year were elected recently by the high school music group.

Band Captain and President will be Judy Smith, daughter of Mr. and Mrs. Jim Smith. Tom Griffen, son of Mr. and Mrs. James Griffen, will be vice president and band lieutenant.

Other officers will be Zanette Moore, secretary - treasurer, and Judy Matthews, band historian. Miss Moore is the daughter of Mr. and Mrs. Ellis Zane Moore, and Miss Matthews is the daughter of Mr. and Mrs. Buck Matthews.

The Band Sweetheart for the next school year also was elected by secret ballot, and will be revealed during halftime activities at one of the district football games next fall. All senior band girls were eligible. Candidates were Beth Spill, Mary Young, Sandra Griffen, Louise Adams, Judy Smith, Ginger Gerhart, Judy Matthews and Zanette Moore.

IN MCKNIGHT HOME

Visitors Sunday in the home of Mr. and Mrs. Troy McKnight and family at Hatchell were Mr. and Mrs. Carrell McKnight of Munday, Mr. and Mrs. C. C. McKnight.

Committee Named To Promote Stock Show, Rodeo; Shares To Be Sold

On Thursday night, May 14, a group of 25 men met at the City Hall and formed a temporary committee to promote membership in an organization that will sponsor a stock show, rodeo and other types of western entertainment in Winters. Officers of this committee are Harvey D. Jones and Jim Williams, co-chairmen, and Henry McCreight, secretary.

It was decided that the proposed organization should be financed by selling voting shares at \$100.00 per share and that a minimum of 105 members would be required. Additional members would be welcomed, however.

This committee is to function for 60 days. All money collected is to be deposited in escrow in the Winters State Bank, according to the committee, and if 105

people have bought voting shares within the 60 days, there will be a general meeting of the members to form a permanent organization, elect officers and a board of directors. If the required number of people have not bought voting shares within the 60 days, all money is to be refunded, it was pointed out.

It was emphasized that neither the members of the temporary committee nor its officers will have any official capacity in the permanent organization unless elected at the general meeting of its members.

Twenty-one people have bought one voting share each, the committee announced this week. Members of the committee have invited all interested people to buy one voting share, and they are asked to contact the members or officers of the committee.

Baptist Youths To Six Flags Festival June 2

Baptist youth from throughout Texas, including some 70 from the Winters Area, will converge at Six Flags Over Texas June 2 for a training union sponsored Baptist Youth Festival.

More than 10,000 Baptist youngsters from throughout the state are expected. Bill Glass, former Baylor University grid star and professional football player, will be among principal speakers. He will speak at the lakeside rally at 10:15 a. m.

Those from Winters who are making the trip will leave by chartered bus and cars at 5 a. m. and will return that night following the days festivities.

Three Christian movie stars will also appear on the program at the all-day festival, which emphasizes values combined with clean fun, and will be designed to help uplift the seventh flag over Texas—the Christian flag.

First and best known of the three movie stars is Gregory Walcott, a Baptist lay preacher who played a leading role in the NBC television series "87th Precinct", and recent leading roles in "Bonanza" and other major network television shows.

Miss Pam Baird, a singer and actress, who was winner of a Walt Disney national contest which gave her a leading role in the musical, "The Land of Me O' My", will sing and give a brief acting program in the Texas section of Six Flags.

Bob Turnbull, a six-foot one-inch actor who is currently president of "Hollywood Life", a Christian fellowship group of actors and actresses, will perform and give his Christian testimony.

Other features will be "The Conversion of Sam Houston" presented by the Hardin-Simmons University players and Linda Loftis, Miss Texas '61, will perform at the Crazy Horse.

Jimmy Roberts Gets Woodrow Wilson Award

Jimmy M. Roberts, son of Mr. and Mrs. Wayne Roberts of Winters, will be one of 1507 graduate students in the United States and Canada who will attend the graduate school of their choice next year, as Woodrow Wilson Fellows, according to an announcement by the president of the Woodrow Wilson National Fellowship Foundation.

Roberts is a student at Harvard University where he will receive his Doctor of Divinity degree at the close of this year. He will remain at Harvard for graduate work next year.

The Woodrow Wilson National Fellowship Foundation, which is dedicated to developing college teachers for tomorrow, is the largest private source of support for advanced studies in the liberal arts in North America. A Woodrow Wilson Fellow is granted full tuition and fees for the first year at the graduate school of his choice, as well as a stipend of \$1,800 and dependency allowances.

Graduation Set Sunday-Monday

Graduation week activities for the 1964 graduating class at Winters High School have been set for next week, with the Baccalaureate services to be held Sunday and commencement Monday.

The Rev. A. W. Holck, pastor of St. John's Lutheran Church, will bring the Baccalaureate message at 8 p. m. Sunday at the First Baptist Church. The invocation will be given by Dick Young and the benediction by Robin Middleton.

Winters Schools Post Closing

Winters schools will dismiss on Monday, May 25 at 3 p. m. Tuesday, May 26, will be a work day for faculty members, and students will return Wednesday, May 27, for report cards.

Buses will run Wednesday in time to reach school at 2 p. m., and will make the last run at approximately 2:45 p. m.

The school cafeteria will serve the last noon meal for the year on Monday, May 25.

Miss Deanna Kozelsky will present a vocal number, accompanied on the piano by Robert R. Gans, high school band director. Mr. Gans will also play for the professional and recreational.

Commencement services will be held at 8 p. m. Monday in the high school auditorium, with Dr. James H. Landes, president of Hardin-Simmons University, as the principal speaker.

The invocation will be given by Alan Benson, senior class vice president. The salutatory address will be given by Russell Bedford, and the valedictory address will be given by Ronald Kraatz.

Dr. Landes will be introduced by Robert F. Christian, principal of Winters High School.

Special awards will be made by Ann Bean, president of the National Honor Society, and Principal Christian.

Superintendent of Schools James B. Nevins will present diplomas to members of the graduating class, and Mike Mitchell, senior class president, will give the benediction.

"Barnstormers" Publicize Big Winters Jamboree

A group of fiddlers and others made a "barnstorming" tour of several towns in the area last week to publicize the big Winters Jamboree, set for June 5 and 6. A group also appeared on the Harry Holt show of an Abilene television station Monday night, to publicize the coming event.

The Jamboree, sponsored by the Winters Chamber of Commerce, will include Old Fiddlers' Contests, Square Dance exhibitions, and a Pony Express Race. The fiddling contests and square dance exhibitions will be held on the lot east of Huffman's Grocery on East Dale Street, and the Pony Express Race will be run from the old Blue Gap post office site 16 miles east of Winters, to Winters.

On the chamber of commerce committee to work out details of the celebration are Don Oakes and James Hinds.

Making the tour to Coleman, Ballinger, Bronte and Sweetwater last week were Lewis Mitchell, Richard Beck, Bill Ivey, Johnny and Pam Beck, Raymond Graves and Marvin Titsworth. Appearing on the television program were Lewis Mitchell, Richard Beck and Johnny and Pam Beck.

ON VOYAGE WITH NAVY

Forrest Shade, son of Mr. and Mrs. C. S. Shade, sailed Friday, May 16, for a seven-months tour of the Mediterranean Sea. His first port will be Barcelona, Spain. Forrest is in the navy, but is stationed with the Marine Corps Medical School.

Senior Citizens To Sponsor Game Night Tuesday

Runnels County Senior Citizens organizations is sponsoring a game night Tuesday, May 26, at 7:00 p. m. at the Ballinger Community Center for all ages to raise funds to pay the rent on the building for their monthly meetings.

Tournament in bridge, 42, and dominoes will begin at 7:00 p. m. Partners can be arranged on arrival. Trophies will be awarded to the high individual. Other games will not be awarded.

The Senior Citizens will serve punch and cookies. The games will start promptly at 7:00 p. m.

HONORED—Mrs. O. D. Bradford, third from left in the front row of the above picture, was honored by members of the Winters Garden Club last Thursday for the work she has done in preparation for flower

**State Capital Highlights—
Game and Fish Commission Office
To Be Demolished for Parking Lot**

By—Vern Sanford
Texas Press Association

There is a certain sadness around the capitol. An old friend is about to depart.

That old friend is the majestic Walton building. For many years it was the home of the Game and Fish Commission (now part of the State Parks and Wildlife Commission). The building soon is to be demolished, by order of the 58th Legislature, to make way for a parking lot.

The white limestone building with its fanciful towers and elegant facade is an old-timer. Built in 1875, it was the Travis County Courthouse until 1929, when Gov. Dan Moody and the

Legislature bargained a deal bought the building for the state for \$40,000.

Although the Walton building was best known to sportsmen and conservationists coming to call on the Game and Fish Commission, it also was the home of the vocational education area office of the Texas Education Agency, the Rehabilitation District office, and the Texas Aeronautics Commission.

Just when the Walton building will be demolished is a decision due to be made by the State Building Commission, composed of Gov. John Connally, Atty. Gen. Waggoner Carr, and Charles Coates of Chappell Hill, chairman of the Board of Control.

**SABINE WATERS
PLENTIFUL**

Surface water supplies of "excellent quality" can be developed in the Sabine River Basin of Texas and Louisiana, Texas Water Commission reported.

Average annual basin rainfall ranges from 40 inches in the

GEOMETRIC VIEW—The ever-changing skyline of Chicago is a study in geometry, thanks to the contrasts in architecture shown here. Old Euclid would have jumped for joy and clapped his hands had he lived to see it.

northwest to more than 56 inches in the southeast. Annual runoff averages 13 inches, according to the TWC report.

Water was termed excellent in existing Lake Tawakoni, Greenville Reservoir, Lake Gladewater, Lake Cherokee and Murvaul Lake. Satisfactory to excellent quality water was found at the proposed Kilgore, Cherokee Reservoir No. 2 and Toledo Bend, Big Sandy, Rabbit, Carthage, Staline, Tenaha and Bon Wier Reservoirs.

Additional studies of water quality at the proposed Lake Fork Reservoir were recommended.

**POLLUTION BY
SALT WATER**

At the request of the Railroad Commission Atty. Gen. Waggoner Carr is reconsidering his opinion that the Texas Water Pollution Control Board has jurisdiction and permitting power over oilfield waste disposal.

Oil operators told a special committee reviewing the opinion that much of the oil industry has not accepted the new Board's jurisdiction, and look instead to the Railroad Commission for disposal regulation.

Water conservationists support the Board's authority, claiming that the 1961 Legislature gave the Pollution Control Board jurisdiction over pollution by oil and salt water in Art. 7621d.

TRAVEL WRITERS' TOUR

Texas Tourist Development Agency is looking at West Texas for a repeat of its successful April tour for out-of-state travel writers.

On the first go-round, the agency led the writers from Dallas to San Antonio, Corpus Christi, Houston and several other cities in the eastern half of the state.

In November, they plan to take them to such favorites as Palo Duro Canyon, El Paso and Juarez, Big Bend National Park, Fort Davis and the Davis Mountains, Guadalupe Peak, Fort Clark and Alamo Village at Brackettville.

Feature articles in metropolitan dailies and national magazines already are reflecting the favorable reaction to what the writers saw in Texas on the first tour. Agency spokesmen feel the result of the valuable free publicity should mean more tourist dollars in every Texan's pocket this summer.

HOSPITAL BUDGET DRAWN

State Hospital Board has requested a \$128,600,000 budget for the next two-year fiscal period. It includes a \$28,000,000 increase for operating expenses and \$13,200,000 for new facilities.

These new institutions would be constructed if the budget is approved by the Legislature: Mental hospitals for Dallas and the Gulf Coast area (4,000,000 each); Special schools in West Texas and Corpus Christi (2,500,000 each); and a food service training school (250,000).

HIGHWAY FACTS CITED

State highway spending has grown from \$40,200,000 in 1940 to an expected \$450,000,000 this year, reports State Highway Engineer D. C. Greer.

He also cited these facts: Total Texas highway mileage has increased since 1941 from 20,359 miles to 65,798; autos have increased from 1,700,000 to 5,500,000; Highway Department employment has grown from 7,600 to 16,000.

Greer also noted that while Texas has 22 more metropolitan areas (50,000 or more population) than any other state, it still ranks fourth among all states in rural population.

**RAILROAD-FIREMAN
FIGHT RAGES**

Atty. Ben. Carr said he is going to see how several suits filed against railroads turn out before he decides if he has authority to enter a dispute involving discharge of some locomotive firemen.

Railroad brotherhoods say the state's "full crew law" should be observed although a federal arbitration board award permitted dismissal of firemen on some diesel engines.

Walter Caven, Texas Railroad Association attorney, said several prosecutors have agreed they won't accept complaints involving dismissals of the firemen.

Lubbock and El Paso prosecutors were among those who would not file complaints against the railroads under the full crew law, said E. F. Jergins of the Brotherhood of Locomotive Firemen and Engineers.

**YOUTH CONFERENCE
SCHEDULED**

The second annual Texas Attorney General's Youth Conference will be held here July 10-12. More than 1,600 junior and senior high school students will attend.

Delegates will discuss juvenile juries, vocational training, public awareness projects, church and youth activities and other projects resulting from the 1963 meeting.

Program is based on the idea that Texas youth can find solutions to their own problems.

Noting that 40 per cent of Texas crimes are committed by youth under 21, Atty. Gen. Waggoner Carr termed the conference a vital step toward finding new cures to an old problem.

**REDISTRICTING
HEARING SET**

First meeting of the Texas Legislative Council Committee on congressional redistricting is tentatively set here for the weekend of May 30.

Sen. George Moffett of Chillicothe, chairman, said he probably will call an informal session at that time, as most study committee members will be in Austin anyway for President Johnson's address at the University of Texas.

Hearings in major cities over the state, to seek public advice on how to carve up districts on an equal-population basis under court order, will begin after the second primary elections, June 6.

Moffett, Texas' oldest lawmaker in point of legislative service, said he doesn't think the public is nearly as interested in the problem of redistricting as political furor over recent court action indicated. He indicated there will be no revelation of the study committee's final recommenda-

labor is high as measured by manufacturing value added per production worker on U. S. Bureau of Census scales. The Texas figure is \$52.816 per worker for 1962, compared with \$36,572 for Louisiana and \$30,946 for Oklahoma.

SHORT SNORTS

Atomic Energy Commission sponsored a conference here, first of its kind outside Washington, D. C., that attracted representatives from New York, California, Kentucky, Mississippi and Arkansas which like Texas, control their own problems of radio-isotope usage.

Attorney General Carr has notified Willacy County Attorney Miss Edna Cisneros that the county has authority to pay a special prosecutor who assisted her in a murder case.

June 1-15 will be the second enrollment period for the Texas 65 health insurance plan for citizens age 65 and above.

New military draft quota for June calls for 234 men compared with 258 for May in addition to 10 veterinarians to be assigned to the Army.

State Board of Education announced a profit of \$373,648 on a \$10,600,000 sale of municipal bonds.

Thirteen forfeited Veterans Land tracts were resold for \$84,174.

Governor Connally has named Secretary of State Crawford Martin to represent him at the inauguration of Louisiana Gov. John McKeithan.

RELEASED FROM HOSPITAL

George Briley who had major surgery at the Winters Hospital May 6, was released Saturday and is convalescing nicely at his home here.

**MANUFACTURING GROWTH
RAPID**

Value added by manufacture in Texas products for 1962 came to \$6,300,000 of the \$9,700,000 total for the four West South Central States (Louisiana, Arkansas, Oklahoma and Texas).

University of Texas Bureau of Business Research reports total state employment has risen 67 per cent since 1947, and production workers have increased 4 per cent. Automation was cited for the relatively slow growth rate in the latter group. Productivity of Texas

Income May Have Affect On Social Security Benefits

Floyd B. Ellington, District Manager of the San Angelo office, states that the following question is frequently received from people who have applied for benefits: How will my benefits be affected if I later find that I will earn more than I had previously estimated for the year? If you find that you will probably make more during the year than you previously estimated, notify the social security office as soon as you can. If you are eligible for social security payments, the amount of benefits you receive is related to your report of estimated earnings, which you make to the Social Security Administration early in the year. If you are going to earn more than you estimated at the beginning of the year, you can see that it is necessary to report that fact to avoid possible overpayment of benefits. The actual earnings you report at the end of the year serve as the basis for the final adjustment. It is best to avoid any overpayments during the year as these would have to be paid back to the government - or future checks to which the beneficiary is entitled would have to be withheld until the overpayment is satisfied. For these reasons, any beneficiary who has a question about a change in his estimated earnings for the year is urged to get in touch with the social security office as soon as possible. For details, visit the social security office located at 204 Continental Building, San Angelo, telephone 653-6861.

Literary and Service Club Installed New Officers At Dinner

Officers were installed for the Literary and Service Club Tuesday following a dinner at the Fireside Restaurant when the members met in the home of Mr. and Mrs. Loyd Roberson. Mrs. Charles Kruse conducted the installation service and compared the club to an "All Star Production" using a silver star to represent the club. A candle was lighted on the star by each officer. Those installed were Mrs. E. E. Thormeyer, president; Mrs. T. H. Worthington, vice president; Mrs. H. A. Stanford, recording secretary; Mrs. Earl Dorsett, corresponding secretary; Mrs. Max Lewis, treasurer; Mrs. Charles Kruse, Jr., critic - parliamentarian; Mrs. Floyd Sims, historian; Mrs. Loyd Roberson, federation counselor. The nominating committee, Mrs. Earl Dorsett, Mrs. Max Lewis, and Mrs. Martin Middlebrook were personally applauded by Mrs. Kruse for selecting an all-star cast of officers. After acknowledging each member and their work during the year, Mrs. A. W. Holck presented an "Emmie Award" to the president, Mrs. E. E. Thormeyer. Those present were Mesdames Earl Dorsett, A. W. Holck, Charles Kruse, J. C. Jarrell, Max Lewis, M. G. Middlebrook, H. M. Nichols, Boyd Roberson, W. D. Sanders, Floyd Sims, H. A. Stanford, E. E. Thormeyer, T. H. Worthington, Charles Chapman, and a guest, Mrs. J. D. Marshall.

Brother of Winters Woman Died At Portales, N. M.

Henry W. Davis, brother of Mrs. G. E. Shuffield, died Thursday of last week at Portales, New Mexico from burns over 80 percent of his body suffered when a can of gasoline was overturned and ignited in a filling station at Elida, New Mexico. Mr. Davis, 77, and Printiss McArthur, were engaged in a friendly scuffle and accidentally overturned the can of gasoline which caught fire from a kerosene stove in the station. Both men were critically burned and were taken to a hospital at Portales. McArthur had severe burns but was reported to be in satisfactory condition. The two men had visited in the Shuffield home the latter part of March. Funeral for Mr. Davis was held Friday. He is survived by his wife, 9 children and a number of grandchildren.

Mrs. M. B. Myers Is Honored Friday At Pink, Blue Shower

Honoring Mrs. M. B. Myers, a pink and blue shower was given in the home of Mr. and Mrs. Joe Wilson Friday evening.

Hostesses for the party were Mesdames Wilson, Harold Snell, A. R. Spence, and Charles Stephens.

Mrs. Wilson greeted the guests and Mrs. Stephens presided at the register and pinned a corsage of miniature diapers on each guest. Spring flowers and potted ivy decorated the living room.

Games of match and scramble were played with Mrs. Chester McBeth and Sallye Echols winning prizes which were presented to the honoree by Mrs. Wilson.

The dining table, laid with white linen, was centered with an arrangement of dainty pink roses and a stork in crystal container. Green punch in crystal bowl was served with white decorated cake squares, nuts and mints. Mrs. Snell and Mrs. Spence alternated at the tea table and ladeled punch. Miniature baby shoes were plate favors.

Present were Mesdames Joe Wilson, Harold Snell, A. R. Spence, Charles Stephens, John Howard, Bill Richey, Joe Irvin, Will Price, Chester McBeth, Charles Webb, Doyle Hubbard, Winton Milliff, E. E. Mathis, Calvin Hoppe, Cotton Webb, Totsie Hargrove and Miss Sally Echols.

LEGAL NOTICE

CITATION BY PUBLICATION
THE STATE OF TEXAS:

TO: Wm. P. Ford, Ann Ford, Joe Helen Ford; the unknown heirs of each of the following deceased persons: R. A. Martin, Laura Martin, Hoyt Ford, S. P. Martin, Maxie Burris, Henry Martin, Roxie Ford and Pete Ford; and also the unknown heirs and the unknown legal representatives of each of the defendants hereinabove named or otherwise designated as defendants; the unknown guardian of the estate of Eloise Burris, if any has been appointed; and all persons claiming any right, title or interest in the land hereinafter described, under a deed from Montgomery Baggs et ux as Grantors to R. A. Martin, as Grantee, dated December 14, 1906, recorded in Vol. 53, page 111, Deed Records of Runnels County, Texas, and the unknown legal representatives of each of them; who own or may own interests in the hereinafter described land, the places of whose residences are unknown:

GREETINGS:
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 29th day of June, 1964, at or before 10 o'clock A. M., before the Honorable District Court of Runnels County, at the Court House in Ballinger, Texas.

Said plaintiff's petition was filed on the 23rd day of March, 1964, and plaintiff's first amended original petition was filed on May 8, 1964. The file number of said suit being No. 7477.

The names of the parties in said suit are: Maurice Martin, as Plaintiff and all of the above named persons to whom this citation is directed and Mrs. Hoyt Ford, Minnie Belle Beckham, H. N. Ford, Velma Hobbs, and Eloise Burris, as Defendants.

The nature of said suit being substantially as follows, to-wit: Being a suit for partition of the following described land located in Runnels County, Texas, to-wit:

70 acres of land, the North 70 acres of the S. E. 1/4 of the H. & G. N. Ry. Co. Survey No. 18, Abstract No. 745, which 70 acres tract is described by metes and bounds as follows:

BEGINNING at the N. E. corner of a 90 acre tract of land described in deed from R. A. Martin et ux to W. E. Martin dated July 20, 1917, recorded in Vol. 91, page 381, Deed Records, Runnels County, Texas, said point being 534.4 varas N. of the S. E. corner of said Survey No. 18;

THENCE West 950 vrs. to N. W. corner of said 90 acres;

THENCE North 415.6 vrs. to the S. W. corner of the Welcome Boyd 160 acres;

THENCE E. 950 vrs. to S. E. corner of said 160 acres;

THENCE S. 415.6 vrs. to the place of beginning.

Brought by said plaintiff against said defendants, where in the said parties are alleged to own the following interests in said land, to-wit:

This Plaintiff, Maurice H. Martin, owns an undivided 63.3517 acres interest in said tract of land, and the Defendants own the following undivided interests in said tract of land:

1. Wm. P. Ford, Minnie Belle Beckham, and H. N. Ford, in the aggregate, an undivided 1.8056 acre interest; subject to a one-third undivided life estate interest therein in their mother, Mrs. Hoyt Ford;

2. Velma Hobbs, an undivided 1.8056 acre interest;

3. Ann Ford, a minor, an undivided 1.8056 acre interest, subject to a one-third undivided life estate interest therein, in her mother, Joe Helen Ford;

4. Eloise Burris, an undivided 1.2315 acre interest.

Plaintiff also alleges in her petition that said land is of the estimated value of \$7,000.00, that such land is not susceptible of partition in kind, and that it will be to the best interest of all co-owners for the land to be sold by a Receiver and the proceeds distributed among the co-owners in proportion to their respective interests in said land.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 11th day of May, 1964.

Given under my hand and seal of said Court, at office in Ballinger, Texas, this the 11th day of May, 1964.

Carlene Killough, James Wesley Vogler, Announce July Wedding Date

Mr. and Mrs. C. C. Killough of Winters announce the engagement and approaching marriage of their daughter, Carlene, to James Wesley Vogler, son of Mr. and Mrs. Henry Vogler of Winters.

The wedding will be July 11 at the Seventh Street Baptist Church of Ballinger.

Miss Killough, a 1963 graduate of Ballinger High School, is now employed at Smith Drug. Mr. Vogler, a 1956 graduate of Winters High School, is employed at the Furniture Mart in Abilene.

B. J. Joyce Is New Ag Teacher In Local School

B. J. Joyce, formerly of Coleman, has been employed as vocational agriculture teacher in Winters High School, according to an announcement this week by James B. Nevins, superintendent of schools.

The new teacher will assume his duties in Winters July 1.

Mr. and Mrs. Joyce have lived in Coleman the past several years and have one daughter, Ann, a sophomore at McMurry College, and one son, Gene, who is a junior in high school.

Prior to teaching in the Coleman schools, Mr. Joyce taught at Novice and Raymondville.

He received both a bachelor's and master's degree from Texas A. and M. As a member of the Future Farmers of America, Joyce was named Honorary Lone Star Farmer in 1950, Honorary American Farmer in 1957. He was an incorporating officer of the Vocational Agriculture Teachers Association of Texas, and was vice president of that organization in 1951-52.

He was a member of the board of directors for nine years, and received a distinguished service award from the organization in 1962.

During his teaching career he has supervised 62 members of the FFA who have received Lone Star Farmer awards, and 11 who have been named American Farmers. Under his supervision, the FFA chapter received the Gold Emblem, the highest rating, for 11 years. He received the Ford Motor Company Award for Outstanding Service to American Agriculture in 1957.

Other activity has included a term as president of Coleman Kiwanis Club, 1956; Youth Chairman, Division 12, Kiwanis, 1958; Chairman, Council, Boy Scouts of America, six years.

He is a member of the Masonic Lodge, and has been chairman of the Board of Stewards and Church School Superintendent in the Methodist Church.

The new ag teacher succeeds Lon McDonald, who has resigned.

Demands of Christian Citizenship, is the subject for next Sunday's International Sunday School Lesson. The memory selection is: Render to Caesar the things that are Caesar's, and to God the things that are God's.—Luke 20:25. The following has been selected: "Until God's kingdom is realized, conflict will inevitably arise between Caesar and God. Since Christians and non-Christians

must live together, they will be governed by a power other than the fellowship of believers. All men within the community (city, state, or nation) must give some loyalty to the civil authorities. But Christians have loyalties that go beyond these civil loyalties and at times take precedence over them."

LAST DAYS OF SCHOOL

We are proud of our schools. To teachers and students alike we extend best wishes for a happy and restful vacation.

Students of today will be leaders of tomorrow. The money spent to maintain our schools at their high standard is one of the best investments. It pays dividends in better citizenry, by making a more progressive community and by enabling our young people to compete with others on equal terms in a world where education is a requisite for success.

To teachers, students, parents and all who are most interested in local schools we extend congratulations for a year's work well done — and we shall welcome any opportunity to be of service.

LEAP TO FREEDOM—This is the moment when a caged tiger becomes a jungle beast roaming the streets of a city, in Walt Disney's Technicolor suspense drama, "A Tiger Walks," starring Brian Keith, Vera Miles and Pamela Franklin, showing Friday and Saturday at the State Theatre.

MOVIES

"A Tiger Walks," A Bengal tiger, weighing close to 400 pounds and capable of running down its prey at 30 miles an hour, plays a spectacular, starring role in Walt Disney's unusual feature motion picture, "A Tiger Walks," showing Friday and Saturday at the State Theatre.

About the only time this tiger walks is when he first sees he has been left unattended during a truck repair stop in an unsuspecting small town and gingerly steps out to freedom and one of the wildest most provocative chase situations in the annals of moviedom.

The ensuing battle between man and beast climaxes one of the most suspenseful moments in this, or any other picture.

In color by Technicolor, "A Tiger Walks" stars Brian Keith, Vera Miles and Pamela Franklin. Norman Tokar directed. Bill Anderson co-produced with Walt Disney. Buena Vista releases.

"Love With The Proper Stranger," The new film from the creators of "To Kill a Mockingbird," Alan Pakula and Robert Mulligan, shows Sunday, Monday and Tuesday at the State Theatre. Starring Natalie Wood and Steve McQueen.

"Love With The Proper Stranger," from Paramount, is a comedy drama set in the hustle and bustle of today's New York City.

The film poignantly and amusingly tells the story of Angie, a Macy's salesgirl who craves freedom from the ties of her old-fashioned family and Rocky, a free lance musician with a roving eye and a conviction that marriage is a prison.

Put Cary Grant and Doris Day together, add the ingredients of the richly humorous laugh-lines by the fabulous writer of hilarious successes, Stanley Shapiro, sprinkle freely with deft direction by Delbert Mann, and you have "That Touch of Mink," the most refreshing, rib-tickling comedy ever to adorn the screen of the Fiesta Theatre, showing Saturday and Sunday.

The Granley production, in glorious eye-pleasing color and Panavision, being released by Universal-International, opened there yesterday, with such top performers as Gig Young and Audrey Meadows aiding and abetting Cary and Doris in their rollicking romantic romp that carries them from New York to Bermuda and back again.

CARD OF THANKS
Since I have been hospitalized and during my illness friends have been so wonderful to me and my family that I want to express my sincerest thanks to each of you. For the shower of birthday cards, food, gifts and the cheer boxes contributed by the people of the communities of Moro, Bradshaw, Drasco and Winters. I am deeply grateful. I wish especially to thank Dr. Rives for his services. My family joins me in expressing thanks to each of you. Mrs. A. K. Bullard. ltp

CARD OF THANKS
We would like to express our appreciation to our many friends, neighbors and relatives that have been so kind and good to us while I was in the hospital and since we have been home. The cards, letters and telephone calls were such a joy. For the visits, flowers and prayers we are so grateful, also to the women that brought food and to the men that plowed and planted our crops. We thank each of you so very much and may God richly bless each of you. Edna and Bede England and family. ltp

Texas Waters May Get Walleyed Pike

A broadened experiment to stock Texas waters with walleyed pike, a popular game fish, is underway.

The Parks and Wildlife Department has just successfully flown 160,000 baby walleyes from Iowa for placement in three Texas areas. The Costello Island area of Possum Kingdom Lake received 10,000 of the fry; 30,000 were taken to the Possum Kingdom State Fish Hatchery and 2,000 were placed in the San Marcos State Hatchery.

Marion Toole, coordinator of inland fisheries, said if the latest experiment is successful, further walleye stock-

ing will be made in Texas lakes.

"Walleyed pike are considered a very desirable game fish in northern waters and they also have thrived in some southern areas, particularly the Tennessee Valley Authority chain," said Toole. "They are good fighters and are widely acclaimed for their edible qualities," added Toole.

The latest shipment of the predator species, provided by the Iowa State Conservation Commission, was flown to Texas by Warden Pilot Jim Palmer of the Texas Parks and Wildlife Department staff. He said he encountered turbulent weather but that his aquatic cargo, packaged in seven plastic bags containing water and oxygen, endured the flight without sizable loss.

Cotton Congress Will Meet in Waco

The American Cotton Congress will hold its Silver Anniversary meeting June 5-6 at the Raleigh Hotel in Waco.

Theme of the conference is "Cotton's Past, Present and Future."
Burrus C. Jackson of Hillsboro, Congress chairman, said meetings are divided into three areas—production and marketing, research other than with production problems, and foreign trade and outlook.

Among speakers on Friday will be Dr. M. K. Horne, National Cotton Council economist, who will speak on the current economic status and outlook for the cotton industry. Undersecretary of Agriculture Charles S. Murphy also will be on the Friday program. His subject will be "The New Cotton Program and a Look at the Future."
J. D. Prewitt, associate director of the Texas Agricultural Extension Service at College Station and sub-committee chairman for Saturday's program, said the final session will deal with production and marketing.

He said topics and speakers are: "Advanced Technology and What It Means to Efficient Cotton Production" by Dr. Grady B. Crowe, U. S. Department of Agriculture, Stoneville, Miss.; "Contributions of Research," Dr. H. O. Kunkel, associate director, Texas Agricultural Experiment Station, Texas A & M University.

Others are "Contributions of Education," John E. Hutchison, director, Texas Agricultural Extension Service, Texas A & M University; and "Contributions of Processing for Maximum Utilization," Vernon Moore of the United States Cotton Ginning Laboratory, Leland, Mississippi.

SKELETON OF HISTORY—The weathered and ravaged remains of the Civil War gunboat "Windsor" are uncovered by the Mississippi a little more than a century after the side-wheeler gunboat sank near Kimmswick, Mo.

Roger Babson Says—

Sees Reversal of Anti-Business Beliefs To Those of Cooperation

Babson Park, Mass. — There have been a number of periods in our country's history when public distrust of business was strong and bitter. There was such an explosion of popular feeling against business interests during William Jennings Bryan's day in the 1890's. The next surge of indignation—probably the most violent of all—came during and immediately after the depression of the 1930's, fanned into flame by Franklin Roosevelt's accusing implications.

Reversal of Anti-Business Tide
I now feel that the tide is turning. It is no longer fashionable for educated men and women to lambaste business and discredit its social value. Rapidly losing ground is the old belief that business does not care about people as individuals; that business contributes little or nothing to human welfare in our present social order. The public is becoming increasingly aware of the fact that business has founded all kinds of research institutions and has

heavily endowed them; that it has operated more and more for the purpose of developing better products,—and better living conditions.

It was interesting to note how our late President Kennedy grew steadily more pro-business as he became better acquainted with the attitudes of most of today's businessmen. Naturally, he realized that business, like any other human institution, was far from perfect. But it was clear that he also began to see that business was no longer heavily infected by opportunists who would exploit the many for the special benefit of the few. There were numerous indications that President Kennedy recognized that business management was further advanced than the political management that tried to regulate it.

Johnson Continuing The Trend
While President Johnson strives to build his image as a man of the people, he too obviously realizes the essential need for government to work amicably with business. It is evident that he feels business in general is a responsible force having high regard for the welfare of the individual. The next administration, which the voters will decide upon in November, will have to stay with this approach, and I believe that both the Republicans and the Democrats know this.

The marriage of business to the physical sciences brought our nation to its present high pinnacle of technological achievement. From now on, emphasis must be upon a simi-

lar union between business and the social sciences. The depression crisis of the thirties brought about a reluctant engagement between these two forces, but it was accomplished by crucial pressures rather than by mutual desire. There was still distrust, and even hostility, between the common man and the big industrial powers.

Unions Have Helped The Situation

Some of the largest and most responsible labor unions have helped bring about a closer tie between the worker and the employer,—and also between government (representing the people) and industry. Since I do not believe that our nation should be high-handedly dominated by either management or labor, I am always encouraged when I see men in high government places who want equality and justice for both sides. It is my honest opinion that whoever wins the election next November will work wholeheartedly to apply this principle.

As for business itself, it must not only keep up its vigorous interest in technological improvements, but also stress the dignity of the individual and the meaningfulness of life. Probably the most destructive influence of our industrial civilization has been its focus on materialism and the pitiful lack of religious fervor. To change this situation, the social scientists, government authorities, advertising writers, and businessmen must all work together. The party that is carried into power by the voters next November will have a real challenge to develop the type of philosophy and the course of action that will carry us to ever-better human relations,—both within our own country and among the other nations of the world.

"Anti-Poverty War Going On For Years, Estimate Cost \$15.1 Billion"

By Congressman O. C. Fisher

Poverty! Poverty! Poverty! Ah, what sins are committed in thy name!

Anyone who is in favor of poverty should be ashamed of himself. Everyone is against it. And any sensible antidote has a natural and proper appeal. But many remedies recommended for sick patients turn out to be phonies. And that can happen to anti-poverty remedies.

Actually, we have been up to our necks in a so-called anti-poverty war for years. Indeed the combined federal, state and local governments pay out \$40 billion a year now to bolster the income of at least 25 million people, with a wide range of programs.

These include old age assistance, social security, food stamps for the needy, school lunches, WPA projects, retraining and rehabilitation programs for disabled and unemployed, unemployment payments (which cost \$2.8 billion a year); aid for the blind, dependent children, widows, and a multitude of others. And we give the Indians \$150 million.

Now, the Congress is asked to fork up \$1 billion for a down payment on another anti-poverty attack, to be added to the other programs. This includes the Kennedy proposals for a new Youth Employment program, a Domestic Peace Corps, and even more of the WPA projects.

Farmers would get in on this gravy train. Secretary of Agriculture Freeman says half the poverty is on farms. He wants low-interest unsecured loans of up to \$2500 for poverty-stricken farmers who are unsuccessful in farming business, plus up to \$1500 in outright cash gifts to busted farmers.

Total Ultimate Cost of the new drive is estimated at \$15.1 billion—on top of the other welfare programs already going on. The announced goal is to raise personal incomes of married couples up to \$3,000 a year and that of single people to \$1500.

Actually, the most meaningful and logical treatment yet

proposed—and not endorsed by the government—is dissemination of birth control information. At the current rate of increase there will be another 150 million people in the U.S.A. in 36 years, in addition to the present 190 million. This would apply treatment to the cause—not the symptoms—of our problem. Otherwise the stepped up welfare state proposed in the anti-poverty war will go on ad infinitum.

Experience has taught us that make-work programs are not ordinarily useful alternatives to private economic activity. We should learn some lessons from the past.

Biologists Study Gar and Bowfin

Fisheries biologists of the Parks and Wildlife Department are studying the value of the gar and bowfin, commonly called grindle, as predator species of fish.

During the last year the stomachs of 26 gar of three species and 90 bowfin have been examined. Food items have been collected and recorded by number of individual items whenever possible.

Pending conclusion of the investigation, biologists believe these two species of fish may have more value to the angler than has been imagined, because they eat many rough or forage fish.

More than 62 percent of the collected stomachs contained food, and at no time did contents reveal more game fish than other items. Bullhead catfish and suckers are abundant in the lakes where the studies were made, so these fishes were the most popular items in the diet. Game fish were found more often in the stomachs of the longnose gar.

Bowfins don't seem to be too discriminating. In two instances the biologists removed gold plated fish hooks from bowfin stomachs.

In 1800 only one of twenty people in the U. S. lived in cities of over 8,000 inhabitants.

Mrs. Bradford Honored By Garden Club

Mrs. O. D. Bradford Sr., was honored by members of the Winters Garden Club at the last meeting of the year in the City Hall on Thursday.

Mrs. E. J. Redman, president of the club, presided for the meeting and Mrs. Bradford was program leader.

"Growing For Arranging" was the topic of the program given by Mrs. Louis Hord. Mrs. Bradford and Mrs. E. L. Bryan brought some lovely flower arrangements.

A garden club member since 1954, Mrs. Bradford was lauded for the work she had done in preparation for flower shows and her care of the shrubs placed in the City Park by the club. Her outstanding exhibits in horticulture and flower arrangements, and her work as a flower show judge were also mentioned by Mrs. Redman, who presented her with a gift from the club.

Mrs. C. T. Rives Sr., a charter member since 1941, was recognized as holding membership longer than any others and was presented a gift.

Mrs. Redman received a gift in appreciation for her loyal and faithful service as president the past year. Mrs. Louis Hord and Mrs. Lora Coupland who had not missed a meeting during the year, were recognized and received gifts for having a perfect attendance at all meetings for the past year.

The club will sponsor the "Gospelaires" Saturday even-

ing May 23rd, at the High School Auditorium, and during the intermission the Winters "Stingrays" will entertain with several numbers.

Refreshments were served to Mesdames E. J. Redman, E. L. Bryan, Jerrell Walker, Louis Hord, O. D. Bradford, Lora Coupland, Jesse Whitley, C. C. Tippet, Alfred Rose and Ralph Osborn.

After the meeting closed the club went in a group to visit Mrs. Rives who was ill and unable to attend the meeting. All officers will be retained for the next year.

Mother of Local Woman Died In Midland Monday

Mrs. J. W. Rhodes, 89, mother of Mrs. Lee Lynn of Winters, died in a Midland hospital Monday afternoon.

She had been ill for three weeks. Funeral was held Wednesday afternoon in Midland, with burial in a Midland cemetery.

Another daughter, Mrs. John Bardwell of Nolan, is among survivors.

THE WINTERS ENTERPRISE

Squalls Only Delay Nesting Of Game Birds

Recent high winds, hail and heavy rains in parts of West Texas have hindered nesting game birds only to a minor degree, according to West Texas game wardens.

Blustery spring blows accompanied by rain and hail have soaked and scattered poorly constructed dove and quail nests, but Mother Nature equipped these important game species to re-nest after such disturbances with nothing more than time being lost.

Bobwhite, scaled quail and mourning doves bend with the elements and bounce back with renewed nesting efforts after early spring storms. Hatches of young may be a week or so later this year because of windy rain storms, but hatches are anticipated non-the-less.

LIBERTY AND LIGHT WAS PROGRAM TOPIC FOR CIRCLE MEETING

"For Liberty and Light" was the topic of the program for the Louette Templeton circle meeting of the First Baptist W.M.U. which met Tuesday in the home of Mr. and Mrs. W. S. Cooke.

Mrs. Cooke, circle chairman, conducted the meeting and Mrs. W. R. Kennedy gave the prayer calendar. The opening prayer was led by Mrs. J. E. Smith.

The Mission Book will be presented at the June 1, meeting of the circle in the home of Mr. and Mrs. B. T. Gardner.

Those on the program were Mesdames Joe Irvin, W. R. Kennedy, W. S. Cooke, J. E. Smith, and W. W. King. Mrs. Grover Davis gave the closing prayer.

Others present were Mrs. Pete Davis and Mrs. M. E. Baines.

Refreshments were served at the close of the program.

NOW... GREAT NEW ENCO EXTRA!

PUT A TIGER IN YOUR TANK!

New Power-formula Enco Extra gasoline boosts power three ways... preserves the power of new engines... restores lost power to many older engines:

1. Cleaning Power! Dirt can clog even a new carburetor in a few months of normal operation—causing hard starting and rough idling. Your very first tankful of New Enco Extra will start to clear away these deposits to improve power and mileage.
2. Firing Power! Spark plug and cylinder deposits can cause misfiring, pre-ignition and hot spots. New Enco Extra neutralizes these harmful deposits to help your engine fire smoothly and efficiently.
3. Octane Power! Octane requirements for new cars are up again this year. New Enco Extra has the high octane that most cars now need for full performance, smooth acceleration and passing power without knocking.

You'll get something extra for your money with New Power-formula Enco Extra—it's like putting a tiger in your tank! *Happy Motoring!*

Friendly Ladies Class Installed New Officers Friday

Friendly Ladies Class met in the Parlor of the Methodist Church Friday night for installation of new officers. Mrs. A. M. Nelson gave the devotion from Philippians and the group repeated the Lord's Prayer.

Mrs. Ray Elliott installed the new officers using the flowers of the garden as symbols in her ceremony. The flowers represented faith, hope, courage, patience, service, work, kindness, thoughtfulness. Above all, it was pointed out, love must be shown and progress must be seen for a fruitful year. The song "In the Garden" was sung in closing.

Officers installed were President Mrs. Sallie Gray; first Vice President Mrs. H. O. Abbott; second Vice President Mrs. Carl Baldwin; Treasurer Hilda Bahlman; in charge of cards is Mrs. J. D. Vinson; in charge of gifts are Mrs. W. T. Stanley and Mrs. Max Lewis; teachers are Mrs. Eva Kelly, Mrs. M. E. Leeman, Mrs. M. G. Middlebrook, Mrs. Max Lewis, and substitute Mrs. W. W. Parramore.

Two quiz games were played and refreshments of pie with ice cream and coffee were served to sixteen members.

CARD OF THANKS

We wish to express our sincerest thanks to the friends for the kindness shown by the visits, cards, flowers and prayers while I was a patient in the Winters Hospital and since I have returned home. To the doctors and the hospital staff, I am deeply grateful for their service and care. My family joins me in saying thanks to every one. George Briley. Itp
