

HOME TOWN Talk

By R. C. THOMAS

How many of us can remember when planning a school lunch program meant deciding whether to use country butter to spread with the jelly on two or three slices of bread, or to use peanut butter? Or frying up enough bacon or sausage at breakfast time to go into the three or four home-baked biscuits which would make up the school lunch?

Today, the "school lunch program" is just a bit more involved. In fact, the school lunch program of today is planned many months in advance, and months in advance, and most of the time the menu for, say the third Wednesday in November, can be determined before school actually begins in September. And instead of planning to build two or three sandwiches, the planning now involves a menu consisting of a full meal for several hundred hungry school children.

All this to lead into mention that the week of Oct. 11-17 has been proclaimed by President Johnson as "National School Lunch Week." A week during which the public's attention is directed to the vast school lunch program as it exists today.

Most schools today, however small or large, have school lunch programs whereby the children are provided a wholesome meal in regular lunch rooms or cafeterias. Under the school lunch program, national, state and community efforts are being made to insure that an adequate and nutritious school lunch is available, each day. On each school day some 17 million youngsters now eat well-balanced lunches in more than 68,000 school lunch rooms operated by local people.

Locally, the Winters schools are observing National School Lunch Week in several ways. Elementary pupils are preparing posters to be displayed in the cafeteria; other grades are observing this special week by studying better nutrition.

Back in the kitchen of the Winters School Cafeteria, however, it will be another busy week for the cooks who prepare meals for more than 800 children. Aiming for a "Type A" lunch each day, the cafeteria employees try to give the children a third of their daily nutritional requirements in their noon meals. The staff at the Winters School Cafeteria advise parents to read daily menus which are published each week which will be a big help in preparing evening meals for school children.

Back during World War II, the aircraft carrier Intrepid cruised the Pacific, hitting the Japs. Aboard, flying a propeller-driven Navy Corsair, was then Lt. Wesley M. Hays (now Commander, Naval Reserve), of Winters. Now the Intrepid is part of the Mediterranean Fleet, helping to keep the peace in the Middle East, and Winters still is more or less represented. Assigned as a helicopter pilot aboard the carrier is Lt. (jg) James S. Bourn, son of J. S. Bourn of Winters. Lt. Bourn has just returned to Norfolk, Va., after spending the summer in the Mediterranean, but still is assigned to the Intrepid.

We failed to do deep research on the Texas Western vs. West Texas State game last week, therefore we missed that one. We had picked Western to take West Texas — and that game was the stumbling block which prevented a perfect prediction for last week. Missed one out of ten. This makes a score of nine misses out of 30 picks for the season.

College football is becoming more serious as the season progresses, so it's growing more difficult as the weeks go by to decide who should be the winner each week. But this week, it looks like this:

Arkansas over Baylor
Houston over Tulsa
Rice over Stanford
Texas over Oklahoma (of course!)

Tex. A. and M. over So. Calif.
TCU over Texas Tech
Arizona over Texas Western
Air Force over Notre Dame
Navy over Georgia Tech
Army over Penn State

Dr. J. T. Cook Spoke To RCARC Session Thursday

Dr. James T. Cook of Ballinger met with members of the Runnels County Association for Retarded Children Thursday last week in the district courtroom, and spoke on pre-natal factors that influence retardation. He named nine possible causes of mental retardation in children.

Dr. Cook told the group that much research needs to be done, but that prematurity is a contributing factor to mental retardation. Girls under 16 years of age and women over 39 belong to the "high risk group," he said, and said that "cigarette smoking causes premature deliveries."

The doctor also said that national, state and county organizations for retarded children have made the medical world more suspicious and aware of the problems and causes of the defects.

Walter Adami, Winters, who is a member of the board of directors of the group reported that an air conditioner has been obtained for use in the special education classroom under the direction of Mrs. E. H. Forgye.

Mrs. Buddy Casey, president of the county organization, said that there is a vacancy on the board of directors.

Psychological testing of nine children has been completed in Ballinger, according to Mrs. Casey. Before testing there were seven pupils in the special education class.

Area vice president, Mrs. Walter Adami, reported four more children needing special education. The Winters class is composed of one unit with ten children enrolled at present.

Mrs. Sidney Horton of Norton reported the need of testing nine school children in Bronte, and said that a unit needs to be established in Bronte or Norton.

Miss Mayme Ruth Boothe, membership chairman, announced five new members, bringing the total enrollment to 106 members in the organization.

Thirty-five members and guests attended last week's meeting.

Cub Scouts Need Mothers To Help In Organization

Winters Cub Scout Pack is now getting under way with an urgent need for mothers to serve as Den Mothers, according to C. R. Willey, Pack Master.

An open house for all boys, from ages 8 to 10-12, who are interested in cub scouting and for the parents of these boys, will be held at 7:30 p. m. Tuesday, October 13, at the Scout Hut. At this time the Cub Scout program will be explained to parents of interested boys.

Mrs. James West is the den mother for one group and Mrs. Truett Bentley is her helper; Mrs. Joe De La Cruz is den mother for another group and Mrs. Prince will be her helper. Mrs. Mary Kurtz has also been enlisted as a den mother.

Mrs. Willey will assist the Pack Master and the den mother in every way possible.

Winters Boosters Saw Film Of Winters-Anson Tilt

A film of the Winters - Anson football game, played in Anson last Friday night, was shown to members of the Winters Boosters at their regular meeting on Monday night at the City Hall.

A large crowd was present. Coach L. G. Wilson reviewed last week's game and stated that the Blizzards, although losing the game, outdistanced Anson in the statistics column, and stopped Anson's ace, Jerry Andrus, a feat no one else had been able to accomplish this season.

Coach Connor gave a scout report on the Haskell - Colorado City game last week. He told Booster members that Joe Josslet, wearing No. 28 jersey, will be the boy to watch against Winters this week.

Coach Wilson said the Blizzards are in good spirit for this week's game, and Monday's workout was used to correct minor mistakes, better team timing and scoring punch inside the 20-yard line.

Plans Underway For Yule Program

Plans for a Christmas program sponsored by the Winters Chamber of Commerce were adopted by members of the board of directors at their regular meeting Tuesday morning. Plans were presented by Don Oakes, chairman of the retail trades committee.

Thursday, December 4, has been set as a tentative date for the arrival of Santa Claus, to be in a kiddies' parade. Also included in the 1964 Christmas program will be a Best Decorated Home Contest to include homes within a two-mile radius of Winters, with first, second and third prizes of \$25, \$15 and \$10. There will also be other cash prizes in the amount of \$300 given away during the weeks of the Christmas program.

It was also reported at Tuesday's meeting that products from three Winters manufacturers are on display in Abilene at an industrial show of West Texas manufacturers sponsored by the Abilene Savings Association.

Winters - made products from Pan American Industries, Dry Manufacturing Co., and Sparkle - Lite, Inc., are on display, and exhibits may be seen all this week at Fourth and Cedar in Abilene, according to Homer Hodge, chairman of the industrial committee.

A report also was made on the

observance of Fire Prevention Week in the school, sponsored jointly by the Chamber of Commerce and the Winters Volunteer Fire Department. The week will be climaxed with a Fire Prevention poster contest, with prizes of \$10, \$7.50 and \$5 awarded to winners in two divisions at the school. Fire Prevention Week observance in the school has been coordinated by Roger Robinson, chairman of the education committee, and N. D. Waggoner, fire marshal. Other observances of the special week have been in the form of fire drills, display of fire apparatus at the schools.

New members of the Winters Commerce are Willis Jernigan, Smitty's Cafe and Austin's Cafe.

BIRTH OF SON

Mr. and Mrs. Jesse Wuistinger are announcing the birth of a son, Johnny Ray, on Saturday October 3. The maternal grandparents are Mr. and Mrs. Lee Wilson of Lawn and the paternal grandparents are Mr. and Mrs. Albert Wuistinger. Mr. Wuistinger is stationed in Korea with the US Army forces.

Scout Fund Kick-Off Date Reset For October 12; \$389 Already In

Almost half of the \$999.99 goal in the current drive to raise funds for the Winters Boy Scouts had already been collected by Wednesday of this week, while a change in the date for the kick-off breakfast for the general campaign was announced.

The breakfast, originally scheduled for Tuesday, Oct. 13, has been changed to Monday, Oct. 12. The kick-off breakfast will be held in the Winters Home Demonstration Club building, beginning at 6:30. At that time the general campaign will be mapped, with committee heads, team majors and captains receiving their assignments. J. C. Martin is heading the general solicitation campaign.

Meanwhile, the special gifts committee, headed by J. W. Bahlman, has turned in \$389.00, to almost reach the half-way mark toward the campaign goal. Bahlman said Wednesday that more is expected to be added to the special gifts total before the kick-off breakfast starts the general campaign next Monday morning.

AROUND THE 5-AA FOOTBALL LOOP

As could be expected, the unbeaten, untied records in 5-AA showed some change following last week's first intradistrict games. Hamlin, which had been one of the four teams with unblemished records prior to last week, fell from the record board with a loss to Stamford. Ballinger rested last week, so remains in the unbeaten lineup, though with only four games played this season, and no district play.

One-half of the remaining six unbeaten, untied teams in this area are in District 5-AA: Anson, Haskell and Ballinger.

Although the three winners in 5-AA last week are in the season's unbeaten column, and perhaps should be equal on the standing board, it's Stamford which should be listed as the No. 1 team in the district, conference-wise. A quick glance at the figures shows why: Stamford last Friday defeated Hamlin 31-0 — Hamlin was previously unbeaten. Second must be Anson, because of their 7-6 defeat of Winters; and third, Haskell, with an unbeaten record, hit cellar tenant Colorado City 14-0.

Action was hot and heavy around the circuit last Friday night, as conference chips were shoved to the middle of the table. The Winters Blizzards, following their win over Albany the week before, invaded Anson, and practically trampled the unbeaten Tigers into the turf... but came out with the short end of the stick, 6-7. On the statistics board, Winters chalked up 15 first downs to Anson's 7; rushed for 220 yards to the Tigers' 98. Anson took the honors in the air, with 75 yards to Winters' 26.

There seemed to be an invisible wall along about the 15-20 yardline, into which the Blizzards ran four or five times in threats against the Tigers. Anson connected in the first quarter, and then held their lead against the hard-fighting Blizzards. Fullback Daril Pineda took credit for the Anson TD, with Jerry Andrus toeing the important extra point.

For the Blizzards, the last 49 seconds of the game were the crucial seconds Friday night. Jimmy Adams swept right end for the teepee, but the go-for broke attempt to add the winning two points bogged down in the face of a determined Tiger squad.

This week Winters, with a 0-1 district record, goes against Haskell. This promises to be a tilt to the finish, because on the outcome of this game may rest the district fate of the Blizzards, who have hard-lucked this year.

There's still a chance for the Big Blue in the district, but a loss to Haskell could spell doom. Haskell, too, sees the importance of this game. With a win, they could spell trouble in capital letters to some of the other bidders in 5-AA. They've not had the active press-agentry so prominent with some of the other teams this year, and have not been top-rated by a lot of writers... but they could make someone sweat before the season is over.

Anson plays at Colorado City this week, and this should be a wild romp for the Jones County boys. C-City just has not had it this year, and the Wolves are tasting the bitterness so common to the underdog. They put up a pretty good fight against Haskell last week, but just did not have the stuff. The Wolves got within four yards of pay dirt last Friday night, but could not move the ball over. An over-confident Anson team could lose this one, though — but it's not likely... The Tigers are out for greater glory than they have had in recent years.

Stamford submarined the Hamlin Pied Pipers last week in their initial district game — 31-0. Somebody's got to lose, and it just happened that a team with a 2-2 record found they could out-chase one undefeated team, anyway. The Bulldogs started hot and never let up all evening. Even when they fumbled in Hamlin territory the Stamford game could seem to do no wrong. Hamlin crossed the 50-yard line only one time in the game, and made only six first downs and 55 yards rushing. Stamford tallied 15 firsts, and 246 yards rushing, passed for 58 yards and hawked five of Hamlin's passes.

This week Stamford rests, and scouts the others. Hamlin invites unbeaten Ballinger, as the Bearcats enter district competition for the first time. Ballinger has their eyes set on the district trophy, and even beyond, and they seem to have the wherewithal it takes. In addition to

Blizzards Play At Home Friday

The Winters High School Blizzards will renew their struggle to keep alive in District 5-AA this week as they meet an undefeated Haskell eleven on the local field Friday night beginning at 7:30.

This second district game for the Blizzards finds the Big Blue with an 0-1 district record, and 2-3 season record, going against a team of Indians which has come from the start of the season with an unmarked record, 5-0.

Following their defeat at the hands of Anson last week, in a

Effort Will Be Made To Reorganize Winters Livestock Show Association

An attempt is being made to reorganize and revitalize the dormant Winters Livestock Show Association, with a meeting scheduled for Monday night, Oct. 12, at 7:30 in the high school agriculture building.

Harvey D. Jones, who was secretary - treasurer of the organization when it became inactive in 1957, explained that it is the feeling of many of the people interested in the promotion of livestock and the agricultural industry in the Winters area that the community is missing an opportunity for real service by not promoting and staging their own livestock show.

It has been pointed out that

game in which the Blizzards outplayed their opponents but failed to convert, the Winters squad has been going through some fairly strenuous workouts, concentrating on offensive play back of the 20-yard line. There will be a few changes in the starting lineup again this week. Skippy Sheppard has been nominated to go in at an offensive guard spot, relieving Mike Patterson. Also on the offensive lineup, Van Spill will move to the halfback spot, replacing Leroy Kettler.

On defense, the lineup will see Riddle go in at end, replacing Mathis, and Johnny Beck going to safety in place of Jerry Awalt. Otherwise, the starting list will remain the same as was used against Anson last week.

Coach L. G. Wilson warned this week that Joe Josslet of Haskell will be the Indian to watch this week. This boy has made an impressive record through five games this season.

Winters and Haskell have had no common opponents thus far in the season. The Indians have played mostly teams north of the Abilene area, and the Blizzards have played teams mostly to the south, in pre-district competition.

The Indians have a slight edge over Winters on the statistics board, as well as in points scored for the season. Haskell has marked up 124 points this season, 14 of which have been in district play, and have allowed opponents to score only 29, including district.

Winters has a total of 46 points for the season, 6 in district, and have seen opponents grab 35 points, 7 in district.

In the first down department Winters has racked up 62 for the season, the largest number, 19, being against Albany two weeks ago. Haskell has 60 first downs for the season, with 14 coming in games against Clyde and Munday.

The Indians have rushed for 1152 yards this season, while Winters has rushed for only 828. However, the Blizzards have 199 yards passing credit, with 16 completions out of 44 attempts. Haskell has completed eight of 29, for 79 yards. The Indians are primarily a ground-play team.

Haskell's biggest kill of the season was against Munday, when they blanked the Mooguls 36-0, and gained 305 yards on the ground. They tried only one pass that trip, but failed in that attempt.

Friday night's game is expected to be performed before a sell-out crowd in Blizzard stadium. Fan interest has remained high for the Winters Blizzards, regardless of the hard luck which has dogged the heels of the Big Blue through the first five games.

PATTERNS FOR PROGRESS

When Industry votes for your community... you are the winner

The campaign WTU is conducting to bring new industry to this service area is based upon a platform of economic advantages. That's because profitable operation is the objective of all industry on the move. But when you come right down to it, local enterprise, local activity, local leadership are the deciding factors in winning the race for new industry. That is why when industry votes for your community, your platform is adopted and YOU are the winner.

MOVIES

"Lady In A Cage"

"Lady In A Cage," a psychological suspense thriller starring Olivia de Havilland, shows Saturday and Sunday at the Fiesta Drive-In Theatre. This tense, exciting film from Paramount Pictures co-stars Ann Sothern, Jeff Corey, James Cagney, Jennifer Billingsley and Rafael Campos.

The film tells of ten tension filled hours of terror in the life of an elegant woman who is trapped in her home elevator when the lead - in electricity wire snaps and cuts off all power.

While in her elevator, nine feet above the floor, this usual summer day becomes a nightmare. At first there is only frustration as pleasure bound holiday travelers drive past her house and ignore her cries for help. Then, unable to escape, her situation becomes desperate as her home is invaded by a wino and a prostitute, followed by three hoodlums who have larceny in their hearts and murder in their souls.

"The Quick Gun"

"The Quick Gun," a hard-hitting, action - packed Western produced by Admiral Pictures for Columbia Pictures release, shows Friday and Saturday at the State Theatre, with World War II hero Audie Murphy in the starring role, the new film reportedly is an exciting and tension - filled frontier adventure vehicle best viewed only on the State Theatre's "big" screen in Techniscope and Technicolor.

"Hey There, It's Yogi Bear!"

Yogi Bear, that brashly unconventional cartoon character who is the delight of visitors to Jellystone National Park, when, that is, he isn't stealing their picnic baskets - makes his motion picture debut on Friday in the Hanna - Barbera production, "Hey There, It's Yogi Bear!" A Columbia Pictures release in color, the full - length cartoon feature also stars Yogi's Jellystone Park friends - Cindy, the demure little lady bear; Boo Boo and Ranger Smith.

"Bedtime Story"

No questions about the superlative talents of the three top stars in Universal's romantic comedy in color, "Bedtime Story," which shows Sunday, Monday and Tuesday at the State Theatre.

Brando was lauded for "On the Waterfront," Niven for "Separate Tables" and Miss Jones for "Elmer Gantry."

In "Bedtime Story" Brando and Niven portray con men who prey on romantically susceptible women, while Miss Jones is seen as an innocently involved winner of a soap queen contest.

Carolyn Scott and Max Tidmore Announce December Wedding Date

Mr. and Mrs. G. W. Scott, Jr., Winters, have announced the engagement of their daughter, Carolyn, to Max Tidmore, son of Mr. and Mrs. Freddie A. Tidmore, Maverick.

The bride-elect is a graduate of Winters High School, attended San Angelo College, and is now employed by Commercial Credit Corporation, Abilene, and attends Hardin-Simmons University.

Tidmore, a graduate of Norton High School, is a senior at Hardin-Simmons University where he is a member of Tau Alpha Phi, social club, Kappa Alpha Psi, business fraternity, and ROTC Officers' Club.

The couple will be married December 19 at the First Baptist Church, Winters, with the Rev. B. T. Shoemaker officiating.

Mrs. P. C. Davis Celebrates Her Seventy-Fourth Birthday Sunday

The children of Mrs. P. C. Davis are holding open house at the City Hall Sunday, October 11, honoring their mother, on her seventy-fourth birthday.

The occasion will also be a family reunion, the first held in twenty years.

Friends of the family are invited to call at the City Hall, from 2 to 5 o'clock.

Lutheran Ladies' Circle Meeting Is Held At Church

Lutheran Ladies Aid circle meeting was held Thursday afternoon at the church with the president, Mrs. Herman Frick, presiding.

Mrs. W. E. Bredemeyer led the opening devotion, reading from Acts 19: 1-7. The group sang the theme song "Breathe on Me, Breath of God" and the hymn "O Zion Haste Thy Mission High Fulfilling."

The circle divided into four small groups for the Bible Study on Acts 19 - 21, under the leadership of Mesdames A. B. Spill, Jack Whittenberg, Robert Gerhart and W. F. Minzenmayer.

For those having birthdays in October the group sang the hymn "Blest Be The Tie That Binds."

Mrs. George Pruser called the roll with members responding by giving Bible verses. Miss Emma Henniger gave the treasurer's report and Mrs. Monroe Kurtz led the offering meditation.

The cause of the month "Charities" was discussed by Mrs. W. W. Ahrens and the secretary of stewardship, Mrs. Walter Kraatz reminded the group of the treasure chest ingathering in November.

The president appointed a committee to plan several booths for the carnival October 30, which is sponsored by the Wednesday Study Circle.

Newly elected officers to serve for a two year term are Mrs. Walter Kraatz, president; Mrs. Walter Kraatz, vice president; Mrs. W. F. Minzenmayer sec-

retary; Mrs. Robert Gerhart, treasurer; Mrs. Fritz Deike, reporter; Mrs. A. W. Stoeker, secretary of education; Mrs. A. B. Spill, secretary of stewardship; Mrs. Carl Weesels, and Mrs. H. F. Bredemeyer, cradle roll.

The circle is participating in the clothing drive and members are urged to bring clothing do-

nations to the church before November 9.

The meeting closed with the group repeating the Lords' Prayer in unison.

Refreshments were served by Mesdames Walter Kruse, Walter Kraatz and Raymond Kurtz.

The orang-utan is not inclined to stand erect.

State Capital Highlights-

Jim McGrew, Top Researcher, Discusses State's Financial Situation

By Vern Sanford
Texas Press Association

A top finance authority on state government is hopeful that the tax bill written by the 1965 Legislature will be smaller than many advance predictions have indicated.

Jim McGrew, research director for Texas Research League, said \$35,000,000 a year in new revenue ought to cover the bulk of Gov. John Connally's higher education program, teacher pay raises and about 40 per cent of the budget increases sought by state agencies.

McGrew, who addressed Austin's chapter of Sigma Delta Chi, professional journalism fraternity, made these "guess-timates":

— About \$625,000,000 will be available for general revenue spending next biennium, including an \$83,000,000 surplus at the end of the present fiscal period.

That's \$153,000,000 above the present level.

— With no new taxes at all, the Legislature could provide up to \$120,000,000 in additional general revenue spending for higher education and maybe \$45,000,000 more for state departments and agencies.

— An added \$60,000,000 plus in revenue (per biennium) would finance the state's \$74,000,000 share of a \$45-a-month pay raise for public school teachers as well.

Texas Commissioner of Higher Education recommended \$89,000,000 more for higher education from general revenue. Governor's Committee on Education Beyond the High School recommended an increase of \$185,000,000. But it suggested doubling tuition which would reduce the general revenue hike to \$120,000,000. State Hospitals and Special Schools, the judiciary and other state agencies have put in for \$112,000,000 more than the current budget.

Asked where additional money likely would come from, both

McGrew and his boss, League Director Alvin A. Burger, noted that restoration of the \$2.75 corporation franchise tax rate, removal of exemptions in the present sales tax or raising of the rate would be big revenue producers. They made no recommendation.

JOB'S FILLED

Larry Temple, 28, formerly of Plainview, was named by Governor Connally as his executive assistant to succeed Howard Rose, who returned to law practice in Midland.

Connally appointed Edward H. Harte, publisher of the Corpus Christi Caller-Times, to succeed Vann Kennedy, Corpus Christi radio executive, who resigned from the Texas State Historical Survey Committee.

Atty. Gen. Waggoner Carr clarified an earlier opinion and held that a county can spend money on transportation surveys for development of county road systems.

In a torrent of other opinions released recently, Carr held that:

County judges are required to call elections for creating mosquito control districts on petition of 200 voters. . . . A veteran discharged at his own request before termination of his enlistment is not eligible for benefits under the Hazelwood (aid to college students) act. . . . Guadalupe County can accept roads and public works of the Treasure Island subdivision without further dedication. . . . Property option for purchase after January 1 should be listed for taxation authorizing veterans' loans to be prepaid at any time, with interest charged only to date of final payment. . . . Galveston County can pay for gasoline in private boats used by the sheriff for official duties. . . . Salary must be paid to persons serving out the unexpired term of a county school superintendent even though the post has been abolished by vote. . . . Property tax funds can be used for purchase of right-of-way for federal, state and county highways and lateral roads. . . . A sheriff has authority to award commutation of time for good conduct to a county jail prisoner. . . . A corporation is entitled to a license from the Texas Liquor Control Board if 51 per cent of its issued stock is owned by U. S. Citizens and Texas residents for three years and possess other qualifications. . . . Mosquito control tax levies must be part of the 80-cent constitutional limit. Special fuel tax refunds may be made where fuels have been lost by accident.

Blizzards Drop First 5-AA Tilt To Anson

The only thing more unpredictable this fall than the fickle West Texas weather has been the Winters Blizzards. The Big Blue suffered a heartbreaking 6-7 loss to the Anson Tigers in their district opener Friday night.

The Blizzards were in scoring position twice, once to the nine, and once to the six, but lost the ball on downs. It was not until 49 seconds before the end of the game that they were able to claim six points. With Anson ahead 7-6 the Blizzards were faced with very little choice of plays. Larry Awalt, who had averaged almost five yards with each run through the middle of the Anson line, was sent wide to his left, but was stopped cold, and the Blizzards became one of the District 5-AA teams with a conference loss on their record.

Anson had first go at the ball receiving the initial kickoff. After moving from their own 33 to the Winters 49, the Tigers punted on fourth down.

From the Winters 15, Awalt moved to the 24, but Jimmy Adams was stopped cold and Leroy Kettler carried to the 30 for the first down. The first of the Winters six penalties (for a total of 60 yards) was stopped off at this point, giving the Blizzards first and 25 from their own 15.

Spill moved for 12 yards to the 27; however, Awalt and Kettler were unable to move the ball, and Mike Patterson was called on for the punt. A low pass from center and a wobbly boot netted six yards, setting the Tigers up on Winters' 42.

Six plays later the Tigers had their score as Fullback Baril Pineda plunged over from the one yard line. The kick by Anson star Jerry Andrus actually won the game with 1:30 left in the first quarter.

After the ensuing kickoff QB Richard Puckett steered the Blizzards on the ground to the Tiger 25. Kettler and Awalt were the two ball carriers in this series. At the 25, Winters faced a third and 10 situation Adams moved to the 21. With fourth and nine needed, Puckett attempted a pass to Adams, but the ball was wide and the Anson Tigers had stopped the Blizzards' first touchdown attempt.

The Blizzards claimed the ball again when an Anson fumble was recovered by Bo Kilough on the Anson 43. This time using Kettler, Awalt and Adams, R. Puckett again was able to move deep into Tiger territory. With third down and eight needed from the nine-yard line Puckett watched a pass intended for Chip Puckett go incomplete, as did a second pass try by Jerry Awalt. The Tigers took the ball on their own nine, with still seven big points on their side of the scoreboard.

One of the most outstanding plays of the game was the fifth one after the halftime. Anson QB Alan Hunt passed to end Joe McCaleb for a 43-yard pass play, from the Anson 37 to the Winters 19. Jerry Awalt, defensive linebacker, stopped McCaleb. The Winters defense stopped the drive three plays later on the 21.

Late in the third quarter a Puckett - to - Puckett pass was intercepted by the Tigers, but Winters reclaimed the ball on the very next play as Darrell Colburn intercepted an Anson pass on the Winters 46.

In seven plays the Blizzards moved again to the Anson 21, but two Puckett - to - Puckett passes went incomplete and the Tigers took over as the fourth quarter began.

The next ten minutes of play was rough and tough as the Anson team fought to protect their seven points, and the Blizzards fought just as hard for a chance to win. The touchdown drive began on the Albany 38. Awalt on the draw for four, and Adams off left tackle for six to the 28. Kettler for four, then Adams for seven in two tries to the 17. Again Awalt to the 10, Kettler to the 6, and the first down, and goal situation was reached with 2:32 left in the game.

Kettler went to the five, Awalt to the one, but a penalty was imposed on the Blizzards, moving the ball back to the six. Awalt again to the four. With downs used up and time running out, the Blizzards pulled the oldtime reverse out of the hat and Adams scored from the four, with 49 seconds left in the game. An Anson penalty moved the ball from the three to the one and one-half yard line before the extra point try, but as previously stated Awalt's attempt was short and the game was over for the Blizzards.

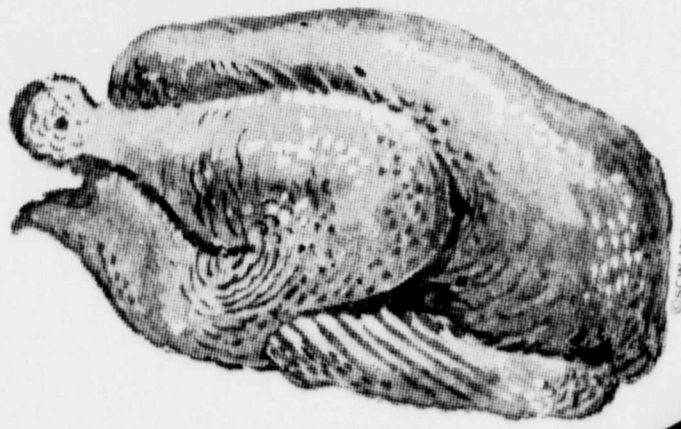

In football, as in every other game, some must win and some must lose. According to statistics, the Blizzards outplayed the Tigers, but it is the scoreboard that counts. One fellow was heard to remark, "Pass it over, boys. Next week is a new game."

ANOTHER SCHOOL YEAR

The community is proud of its schools, and all appreciate the efforts of those who have worked to maintain the highest educational standards.

Many men and women who have attained prominence have said their success was due to the influence of some teacher which shaped their future lives. "Just as the twig is bent so the tree's inclined," and it is our teachers who train our boys and girls to be better citizens in this - the greatest of all nations.

We welcome any opportunity to be helpful to our local teachers, for we are mindful of their great service to the community.

...when you turn a GAS burner off, it's really off!

ELECTRIC—Even though you've turned the control to "off", hangover heat lingers in the coils—can result in over-cooking, boil-overs, hot tempers.

GAS—Turn the flame off, and the heat's off... immediately! No mess, no hangover heat... one reason, maybe, that 99% of the nation's top chefs cook with gas.

Year's most talked-about new cars

'65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout. And a more serene Jet-smooth ride with a new Full Coil suspension system. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is its Chevrolet price.

'65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.

"Mum" Show Is Slated At Texas State Fair

October 23-25, the last three days of the 1964 State Fair of Texas, has been set for the annual fall Chrysanthemum Show at the Dallas Garden Center.

"Texas Harvest of Mums" will be the theme of the show, presented by the Texas Chrysanthemum Society, Chapter 1, of the National Chrysanthemum Society, in cooperation with the State Fair.

In addition to the flowers at the show there will be some 7,000 pots of chrysanthemums scattered throughout the fairgrounds for the Fair's theme, "Exposition of Lights and Flowers."

The mum harvest will open at 1 p. m. on Oct. 23 and continue through 9 p. m. that evening. Hours on Oct. 24 will be 10 a. m. to 9 p. m. and on Oct. 25, 10 a. m. to 6 p. m.

Competition in the two divisions, horticulture, and artistic, are open to amateurs only. Entries require advance registration and must be received before October 20 at the Dallas Garden Center.

The horticulture division, with the exception of one class, will be open to only specimen blooms exhibited by members of the Texas or National Chrysanthemum Societies.

The one section open to non-members will be for disbudbed collections. Classifications will be for exhibition, incurve and reflex, spiders and quills, anemone, single and semi-double, pompon, decorative and spoon. Sub-classes will be divided into blooms of one varied and blooms of mixed varieties.

Entries should be brought to the East Door of the Garden Center auditorium from 5 p. m. to 10 p. m. Thursday, Oct. 22. Displays may not be removed before 6:30 p. m. Sunday, Oct. 25.

Mrs. W. F. Loutens is general show chairman and Robert J. Scott, president of TCS Chapter 1, is show manager.

IN SON'S HOME Mrs. William Minzenmayer is spending the week in the home of her son, Mr. and Mrs. W. F. Minzenmayer.

with Dry Manufacturing Company and the groom is stationed with Dyess AFB in the U. S. Air Force.

The couple will live at 1750 North 19 in Abilene.

Historical Ass'n Third Annual Meet At Fredericksburg

A tour of Fredericksburg and a drive through the LBJ Ranch will be the entertainment for members of the Edwards Plateau Historical Association in their third annual meeting held Saturday October 17 at the Community Savings Center in Fredericksburg.

Hosts for this meeting will be the Gillespie County Historical Society. They will serve doughnuts and coffee after registration which begins at 9:30 a. m. Organized at Menard in 1962, the Edwards Plateau Association is composed of eight counties which includes Runnels, Gillespie, Schleicher, Mason, Tom Green, Kimble, Concho and Menard. Elton Mims of Water Valley serves as president and Mrs. Edgar Boelsche of Ballinger is treasurer. Judge W. H. Rumpy serves on the advisory committee as a representative of Runnels County.

Beginning at 10 a. m., the program consists of tidbits of Gillespie County given by the speakers, folk singers and dancers. Ella Gold, Esther Mueller and WM. Petmecky are in charge of the program. Guests will be welcomed by Dr. J. Hardin Perry, president of the Gillespie County Historical Society and Mayor Sidney Henke, of Fredericksburg.

Following lunch and the business meeting, the tour of the LBJ Ranch will begin at 2:30 p. m. The tour will cost \$2.50 and will be on buses with Helen Weirich and guides in charge.

All non-members who are interested may attend.

NOTICE Members of the Young Homemakers Club will meet Monday October 12, in the home Economics Cottage, at 7:30 o'clock if has been announced. Each one is asked to bring one skein of 4-ply wool yarn and knitting needles, size 6-8.

a well-machined group of football players — although not a beef trust by any stretch of the imagination — they have the most important ingredient for schoolboy football — the desire and will to win. Without something drastic happening, they are given to end up on top of the heap... providing Winters does not take a notion to take it from here and prove the pre-district pickers right.

Ballinger won't find the Hamlin Pied Pipers a pushover, even though some have already written off that game. The Pipers are in the same boat with Win-

ters, and may shift some weight and capsize the whole kaboodle. Anyway, games around the circuit this week probably will give some indication on the direction of the wind... but prediction cannot be presupposed for another game or two — there are too many things which can happen between times.
