Ballinger moved to the 10-yard line where the defensive unit of the Blizzards held. The Bearcats' Johnny Keel then missed an attempted field goal and the ball came back to Winters.

Early in the second quarter the Blizzards, with the wind at their backs, stalled a drive at the Ballinger 15-yard line. Fred (Go Go) Gray's field goal attempt was wide to the left.

The Bearcats took over on their own 20 and after making one first down, Phillip Mata a couple of secondary men, and Dist. Convention outran the rest for a 70-yard scoring jaunt. The point after attempt was no good, and for all practical purposes this was the ball game.

The Blizzards mounted a drive in the third quarter only to see a field goal attempt by Gray once again go wide. Later in the fourth period the Blue team drove to the Ballinger 30, L. Collins. only to have a pass interception stall them.

The Bearcats, not as strong program, and appointed a food this year as usual, were stopped in the third quarter when Skip Sheppard recovered a fumble

Haskell, who has been picked as the No. 1 team in 5-AA, faces Olney this week.

Anson, the other unbeaten 5-AA, team, rolled over Cisco 34-7 Friday night, to keep their name off the beaten column. The two teams were not far apart, according to statistics. The Tigers like the airways, connecting 6 out of 12 attempts for 87 yards; their first TD was made on a pass play. FB Daril Pineda was an Anson standout against Cisco, scoring three touchdowns. Anson hosts Merkel this week.

Colorado City had an unbeaten, untied record when they treked to the Hill Country Friday night. They came away losers 24-14, leaving Brady the masters of the night's contest. Brady stayed in the air for most of the gained yardage against C-City-167 yards, 8 of 12 completed, to C-City's 76 yards, and of 9. On the Ground, C-City racked up 202 yards, with Brady trailing with 138. Each team lost the ball on fumbles 3 times. C-City chalked 19 firsts, with Brady 13. Colorado City hosts Ballinger Saturday night.

Stamford, where they eat, sleep and live high school football, ended the week with a 3-1-0 record, edging Denver City 7-6. Accounts show that the DC Mustangs had control of everything in the game-except the scoreboard. The PAT for Stamford in the first quarter was the real sealer; when Denver came back in the second to score, they failed to make their point after. After the scoreboard was lighted, the teams settled down to defensive football. Stamford invites Coleman this week.

Another game where the figures show that the wrong team won involved Hamlin. The Pied Pipers were "Posted" 14-12 by the Post Antelopes in a game which could have gone any direction Friday night. TDs were made in every quarter, with Post claiming 7 points in each of the first, then Hamlin taking 6 points in the two stanzas following intermission. Sammy Ferguson, tailback for the Pipers, was top ground gainer of the game with 118 yards in 18 carries. Hamlin, now on the bottom of the heap, plays Clyde

Annual Payments

Annual payments will be taken by the annual staff members during the week of October 10th through the 14th.

The annual staff can purchase only the number of annuals ordered so it is important for you to order now if you wish to have a yearbook reserved for you this year.

These payments can be either for the full amount or can be in partial payment with the reyear. Full payment is \$5.50. If you prefer to make it in two payments the first payment will be \$3.50 with \$2.00 to be collected later.

Students will pay according to classes as follows: Seniors-Gary Pinkerton

Juniors-Cindy Antilley Sophomores- Jesse McGal-

made the steal." Young received a "Banner' grade in the Howard Payne game, and also for his play in the opener against East Texas State. A "Banner" grade is over 65 percent, a figure ACC coaches think you must have to win football games.

Despite Young's natural ability his road to success on the football field has not come easy. He came to ACC as a frosh after a brilliant schoolboy career at Class AA Winters. But he came without the aid of a scholarship. Wildcat coaches felt that 155 pounds was too light for college football.

Tommy came out on his own as a freshman, working out every day but playing only a few Junior Varsity games. As a sophomore he showed signs of promise and was awarded a half scholarship. . .but he still

didn't make the starting team. Then last year as a junior he really came into his own, playing brilliantly and climaxing the season by being named to the All-Southland Conference team
