HOME TOWN Talk

If the Christmas season program now being planned by the Chamber of Commerce is to be a success, it will take extra thought and effort of every individual, organization and business concern in Winters. Organizations and clubs are being invited to build and enter floats in the Christmas Parade which has been scheduled for December 3. In this category, the Chamber of Commerce will provide up to \$25 for any club or organization to use in building a float. The organizations will then have a chance to win some of the big cash awards which will be offered. If your club or organization would like to help in this promotion, contact Mrs. Emma Marks at the chamber of commerce office.

Likewise, business and commercial concerns in Winters are being urged to enter floats in the parade. This will be a different category, and nice trophies will be presented to the winners. Judging will be done by out-of-town judges.

Communities in the trading vicinity of Winters are especially being invited to build and enter floats in the Christmas Parade. A big chunk of cash will be awarded to the winning float in this category.

Although we still are having warm weather and the Christmas season seems to be a long way off, it is closer than we think. Now is the time to begin laying plans to help make this the greatest Christmas Program ever for Winters. You'll enjoy it and you'll be doing something to help promote your hometown.

During the Economic Development Clinic which was held in Winters a couple of weeks ago, many suggestions were made regarding the methods which could be used in presenting to out-of-state or out-of-area prospects the advantages of locating in Winters. They were all of merit. They included a concentrated effort to publicize the favorable industrial climate here; a direct mail campaign to further tell the story; and personal contact.

Then, one of the most important truths to be held up for all to see during the Clinic discussions was the necessity of the entire community lending support to the existing industry here. . . industry which has "grown of its own" and which has by that growth caused Winters to become unique in the ranks of the smaller cities of the State of Texas.

So . . . the same methods which would be used in an attempt to attract more industry to Winters could and should be used to promote what we already have. In seeking additional industry, we are fighting a battle against tremendous odds; in promoting what we have, we would be helping to hold the line. Too, by unanimous support and promotion, the picture which we would present to the outside would be more favorable.

There is not much any individual can do to "help" our present industries; they are all well-grounded and progressive, and growing all the time. But perhaps we all, in a small sort of way, could show our recognition by promoting the products they manufacture, using the same methods which were suggested we use in attempting to attract new industry.

Too, there sometimes is too much of a tendency to consider what we call our "industries" as something set apart, not a part of the community. If we do this, we are sadly out of step—because they are part of the community, as much as any
(Continued on page 5)

Tickets On Sale Thursday For Hamlin Game

For those football fans who have not bought season tickets, tickets for the Winters-Hamlin game, to be played here Friday of next week, Oct. 21, will go on sale at 8 a. m. Thursday, Oct. 20, at the school business office. Admission price is \$1.25 per seat. The Winters-Hamlin game will be the annual homecoming game for Winters, with kickoff at 7:30 p. m. It will be the first conference game to be played at home.

MADE IN WINTERS—This building, housing a community "convenience" store now open for business on North Main Street, is a product of Creative Products, Inc. of Winters. The corporation, organized several months ago, will ship one of these pre-fabricated, fully equipped buildings to Denver, Colo., within the next few days. The company has received inquiries from as far away as Peru, and expects to be employing 25 to 30 men within a year, to build and erect the structure, which has built-in freezer and cooler compartments, along with expansive display shelving.

Mr. and Mrs. Jim Morrison, who operate this "Food Mart" in Winters, will hold their grand opening Saturday, Oct. 15, at which time they will serve free ice cream and offer many specialties on groceries and sundry items.

The Food Mart is located on a deep lot, with plenty of off-street parking for customers. Business hours of the Food Mart will be from 7 a. m. until 11 p. m. Mr. and Mrs. Morrison will operate the store, assisted by Mrs. Mozelle Branham. The public is invited to attend the Grand Opening and Open House event to inspect Winters' latest retail business.

Grand Opening Of "Food Mart" Set Here For Saturday, October 15th

The Grand Opening and Open House of the "Food Mart," community grocery on North Main Street, has been planned for Saturday, Oct. 15, the owners, Mr. and Mrs. Jim Morrison, have announced. Refreshments will be served all day during the Grand Opening event, which will begin at 7 a. m. and last until 11 p. m. Located at 204 North Main Street, the new "Food Mart" is housed in an all-metal-covered building which was prefabricated and erected by Creative Products, Inc., a Winters company. A "convenience"

shopping center, the Food Mart will carry many lines of staple groceries, ice, frozen foods, picnic and camping supplies, as well as a large stock of sundry items. The Food Mart is located on a deep lot, with plenty of off-street parking for customers. Business hours of the Food Mart will be from 7 a. m. until 11 p. m. Mr. and Mrs. Morrison will operate the store, assisted by Mrs. Mozelle Branham. The public is invited to attend the Grand Opening and Open House event to inspect Winters' latest retail business.

Merchants Will Hold Drawings During Christmas

No big single drawing will be sponsored by the Winters Chamber of Commerce during the special weeks-long Christmas program being planned by the chamber, as has been the practice in several past years. Instead, merchants will hold their own promotions, holding "Moonlight Sales" November 17 and again December 22. On these dates the individual merchants will have their own drawings for merchandise or cash. Participating merchants are planning to remain open until 8 p. m. on those dates. Merchants are asked to contact the Chamber of Commerce office as soon as they decide what merchandise they will put up for their own drawings, so that a total of retail value may be tabulated.

Winters Industry Now In Pre-Fab Building Field; Expect To Export

Shipment of the first of a new product manufactured by one of Winters' industries is expected to be made October 24, when a completely pre-fabricated and equipped retail store building will be transported to Denver, Colo.

Called the "Food Mart," the metal building, an innovation in "community convenience" stores, will be moved to the erection site by a specially-built truck and put together by a trained crew within one day's time, ready to stock and be opened for business.

The new "Food Mart" building is a product of Creative Products, Inc., of Winters, and is said to be the answer to a demand for a self-contained building unit to house community grocery stores, and to be within a non-prohibitive construction cost range. One of the "Food Mart" buildings was erected in Winters several weeks ago and is now

in operation. Also, officers of the company have reported inquiries about the building from locations as far away as Lima, Peru, and are working with the Texas Industrial Commission in anticipation of entering the foreign export area with the new product. Creative Products, Inc., is a company formed in Winters several months ago. J. P. Dry is president of the corporation. The "Food Mart" building is a "self-contained" unit in every sense of the imagination. The metal-covered sections are so constructed as to enable erectors to complete their work within three hours. The building is made to be erected on a previously-laid concrete slab. Metal sidings and roof are pre-painted. Large glass doors cover the front of the pre-fabricated unit, with built-in freezer units built across the rear. Overall dimensions are: width,

Catholic Church To Have Visiting Speaker Sunday

Father Edward Couch O.M.I. of San Antonio will fill the pulpit at Mount Carmel Catholic Church Sunday, it has been announced by Father Taylor, who is on vacation. Father Couch will hold seven and eleven o'clock masses Sunday morning and will preach a short English sermon.

VISITED PARENTS

Mr. and Mrs. R. D. White and little daughter, Connie, of Arkansas were week end visitors in the home of her parents, Mr. and Mrs. Walter Kraatz.

Organizations And Businesses Will Be Invited To Enter Christmas Parade

Livestock, AG Barbecue Tuesday

The climax of the membership drive of the Winters Livestock and Agricultural Association will be the annual membership barbecue beginning at 7:30, Tuesday, October 18, at the livestock show barn.

The barbecue is included in the price of membership tickets now being sold by officers and directors of the association. Weldon Mills, chairman of the membership committee, along with Chester McBeth and Ed Donica, have said there still are plenty of tickets available and tickets also will be sold at the door the night of the barbecue.

J. T. Sprinkle is in charge of the barbecue, and reports there will be plenty of food for everyone who attends. The barn will be heated should the weather be cold, he said.

The Livestock and Agricultural Association annually sponsors the Junior Livestock Show for students of the Winters and Wingoate school systems who have personally fed and cared for their animals under the supervision of the vocational agriculture teacher, Jimmy Smith, in the Winters school, or the County Agent, C. T. Parker, and his assistant, Robert Reich, under the 4-H Club program.

The show this year will be held Saturday, January 7. Student livestock exhibitors are charged no entry fee for the Junior Livestock Show.

For this year's show, general superintendent will be Paul Michaelis, assisted by Weldon Minzenmayer. Junior assistant will be Stephen Smith.

The Department superintendents will be:

Swine: Douglas Colburn, superintendent, assistant, Ed Donica, junior assistant, Larry Donica.

Steers and heifers: Edwin Schroeder, superintendent; L. L. Chapmond, assistant; Allen Mills, junior assistant.

Fat lambs: Marion Wood, superintendent; Hudon White, assistant; Jim Morrow, junior assistant.

Pat Pritchard is president of the Livestock and Agricultural Association. Weldon Mills is the newly elected vice president, and F. R. (Phil) Anderson is secretary-treasurer. Everyone interested in helping to promote livestock and agricultural projects among the young people of the Winters and Wingoate communities, and sponsoring the annual Junior Livestock Show, is urged to buy memberships in the association. Directors now taking memberships include Neal Oakes, Robert Paschal, F. R. Anderson, Lawrence Chapmond, A. N. Crowley, Raymond Schwartz, B. J. Colburn, Marion Wood, James Brown, Troy McKnight, Dennis Poe, Pat Pritchard, Truett Smith, David Carroll, John Grohman, N. S. Alexander, John McNeill, Walter Spill, Edward Bredemeyer, R. Q. Marks, and Wade White.

Mike Hays, student at North Texas State in Denton, spent the past week end with his parents, Mr. and Mrs. Wes Hays.

First Title Game In Haskell Tonite

The Winters High School Blizzards open 1966 District 5-AA play Friday night, going to Haskell to play the Indians, a team which is in second place in district standings.

All conference games will begin at 7:30 p. m. With five shake-down pre-conference games under their belts, the Blizzards have a 2-2-1 record for non-conference contests this season. Having been listed toward the bottom of the district standings during the pre-district season, the WHS team have been honing their offensive and defense strategy in anticipation of moving up the ladder.

Coach L. G. Wilson has been making a careful study of game films and making changes in lineups and play patterns as weak points in the team have become evident throughout the season. Much work has gone into strengthening the team to add offensive strength for the coming conference sessions. The Blizzards have managed only 30 points for five games this season, with opponents writing up 50 points.

The Haskell Indians have a 3-1-1 record for pre-district play, dropping out of the no-feats column last Friday night when

Onley slipped an 8-7 win over them. The tie on their performance record was a 7-7 stand-off with Seymour the previous week.

In their opener at the start of the season, the Indians handed a one-sided walling to Childress, 27-0. They then continued their winning ways with a 19-6 win over Clyde, and defeated the Munday Moguls 13-6.

The Blizzards opened against Lake View, and took a 30-0 defeat. They then came back and were held to an 8-8 tie by favored Coleman. In a contest which had been pre-game decided in favor of Brady, the Blizzards knocked the 8-AA Bulldogs from their perch with a 16-6 whipping. Old adversary Ballinger took the annual North-South Rannels County contest 6-0. Seymour, which had been touted as a big contender over the state, fell before the Big Blue team from Winters last week at Stamford, 6-0.

Haskell has allowed opponents to score for 27 this season, while marking up 73 for themselves. Winters has allowed 50, while scoring 30.

Both teams have played Seymour—Haskell for a 7-7 tie, and Winters downing the outsiders 6-0, so scouts who saw both games can make comparisons which can be used in this week's contest.

In play against outsiders, Winters has rushed for 386 yards, while Haskell has gained 776 on the ground. Winters has had the edge on passing yardage thus far in the season, with 304 gained, and Haskell has completed for 251 yards. In 96 tries, the Blizzards have completed 27 passes; Haskell has completed 15 of 36 tries. Each team has intercepted five passes for the season. Winters has lost the ball 3 times by fumbling, and Haskell has fumbled six times.

Coach Wilson reports that Donald Wade will be out of the Haskell game because of a strained knee. Otherwise, the Winters squad is in top physical condition for the Haskell meeting.

Probable starters for the game against Indians in Haskell this week are:

OFFENSE
Ends: George Mostad, Johnny Powers.

Tackles: Danny Killough and Lanny Bahman.

Guards: Skip Sheppard, Alan Andrae.

Center: Sam Scott.

FB: John Sims.

HB: Jerry Awalt.

Wingback: Fred Wilder or Randy Boles.

QB: Alvin Dunn.

DEFENSE
Ends: Larry Donica, Danny Killough.

Tackle: Sheppard, or Jimmy Vaughan.

Inside LB: Jerry Awalt, and Steve Smith or Larry Pritchard.

Corner LB: Terry Rives, Walter Morrow.

HB: Ronny Gray and Boles or Wilder.

Safety: Alvin Dunn.

Co-Captains Elected By WHS Blizzards

Terry Rives and Skip Sheppard have been elected by the Winters High School Blizzard football team as co-captains for the remainder of the 1966 football season.

Prior to the district conference games, game captains have been appointed each week.

Rives, a two-year letterman, is working on his third football letter. A senior, he plays defensive linebacker and offensive end. He was a member of the track team, and a member of the mile relay team which went to State competition last spring. He also runs the half-mile.

Sheppard also is working on his third football letter. He is a senior, plays offensive guard and defensive tackle. He is on the track team, and is a shot putter.

VFW Project To Supply Books To VA Hospital

One of the annual projects of the Winters Post of the Veterans of Foreign Wars and its Ladies Auxiliary is to help provide books for patients at the Veterans Administration Hospital in Big Spring.

A section of the library is furnished by the Winters group, and so far this year the local veterans' organizations have sent 251 books. The two organizations also provide a special fund for patients in the VA hospital.

Other projects sponsored by the VFW and Auxiliary include providing clothing, food and toys for local non-VFW member veterans and their families when the need arises. The group also sponsors a fund for the maintenance of the VFW National Home for Widows and Orphans of deceased veterans.

On a local level, the VFW and Auxiliary provide two hospital beds, a wheel chair and several sets of crutches, which are loaned to local people.

FROM ANGELO
Paula and Diana Downing, daughters of Dr. and Mrs. Lloyd L. Downing of San Angelo were week end visitors in Winters.

Winters Blizzards Cap Seymour In Close Game At Stamford Saturday

The Winters High School Blizzards scored a 6-pointer in the third quarter Saturday night and then fought off the Seymour Panthers for the remainder of the game to even their won-lost record at 2-2-1. Seymour, at one time rated in the top ten teams across the state, now has an identical 2-2-1 mark. Their other loss was to 5-AA Stamford.

The contest opened with the Blizzards receiving the kickoff and driving to the Seymour 6-yard line before giving up the ball on downs. The drive included two passes from Alvin Dunn to George Mostad and a 15-yard run by Jerry Awalt.

In the second quarter Seymour completed a pass to the Blizzard 2-yard line and on a first down and goal to go the quarterback was hit by a determined group of Blue defenders. The ball was fumbled into the end zone where it was recovered by Ronnie Gray.

The half ended without either team posing another serious threat.

In the kickoff opening the second half, Robert Guevera made a fine defensive play as he broke through and stopped the Seymour ball carried on the 11-yard line. The Blizzards held and forced Seymour to punt. They took over at midfield.

Dunn passed to Johnny Powers for 15 yards. Jerry Awalt went up the middle for another 20 yards, then plunged off tackle for 10 more. Dunn then scored

the lone TD of the game on a sweep around right end. Fred Gray's attempted kick was low and no good.

The scrapping Blizzards, who were outweighed 20 pounds per man, fought the Panthers to a standstill the remainder of the game.

One Panther drive was stopped on the Winters 5-yard line late in the game.

Leading the defensive charges were Walter Morrow, Skip Sheppard, Terry Rives, Danny Killough and Jimmy Vaughan. Larry Donica recovered a fumble and Larry Pritchard and Randy Boles intercepted passes.

Offensively the Blizzards picked up a total of 197 yards and 13 first downs. Alvin Dunn completed 8 of 14 passes for 89 yards, and Jerry Awalt rushed for 52 yards.

The Blizzards go to Haskell this week to take on the Indians in their opening district encounter.

CARD OF THANKS

I wish to thank the friends, golf partners and those who rendered assistance at the Winters Country Club Golf course when I was taken ill while playing golf recently. My family joins me in expressing thanks to each of you. Paul Gerlach, 1tp.

Clean your finger, before you point at another's spots.

Mr. and Mrs. O. H. Casey To Observe Fiftieth Wedding Anniversary Sunday

Mr. and Mrs. O. H. Casey will observe their fiftieth wedding anniversary Sunday, October 16, at their home, 605 Commerce.

Their children will host open house, from 2 until 5 o'clock in the afternoon.

Friends and relatives of the couple are invited to call during the afternoon.

Mrs. Juanita O'Connor's Weekly Home Demonstration Agent's Column

Little Girls' Shoes For Fall and Winter:

Little girls' leather shoes feature round toes and sharp styling for 1966 fall and winter fashions, says Mrs. O'Connor.

Today's pre-teen is very clothes conscious, especially where shoes are concerned. This season's shoes show gay, inventive designing, new rounder toes, and flexibility of many different leathers. The lightweight leathers are smooth, grained, brushed, suede, patent, waxy or embossed.

The saddle oxford still rides high with saddles showing up in smooth, embossed suede and patent leathers. Oxfords are also featuring sport scalloping, perforations and spat effects.

The dress-casual shoe category is gaining popularity. The shoes serve equally for school or special occasions. Mrs. O'Connor says. These shoes may feature one or two straps, buckle or collars. They are made of smooth, patent, suede or brushed leathers.

The pre-teen's moccasin casts a new idea with the fuller rounded toe. Some feature heavy use of brass hardware, perforations, tassels, and knitties.

Boots are favorite of the girls. They like all lengths and styles, in the classroom or for sports, brushed leather boots with zipper closings and leather trim are seen. Dress boots of suede, smooth, or patent leathers are accented with scallops, bows, lace and braid.

Sewing Machine Thread:

On most sewing machines you can use any thread size from a very fine No. 100 cotton, 90 and 80 silk, or a 900 and 0000 mercerized to a heavier thread such as a No. 40-50 cotton or heavy duty mercerized. Your choice will depend on the fabric used. The size needle should be compatible with the type of thread. For example, a No. 9 needle is used with fine thread, a No. 16 needle with 40-50 cotton or heavy duty mercerized thread is sufficient. Heavier thread and needles are available.

Lutheran Ladies Circle Meeting Held Thursday at Church

Lutheran Ladies Aid Circle met Thursday afternoon at 2 o'clock with the president, Mrs. Walter Kraatz, presiding. Mrs. George Pruser Sr., was program leader for the meeting.

Mrs. W. E. Bredemeyer gave the devotions. The members divided into four groups to study "The Sacrament of Baptism" with Mesdames Walter Kraatz, Raymond Kurtz, Herman Spill and Herman Frick as leaders.

Mrs. Fred Voss sang "How Great Thou Art," accompanied at the piano by Mrs. W. F. Minzenmayer for members having birthdays in October.

Mrs. W. F. Minzenmayer read the minutes of the last meeting and gave the roll call with members answering with Bible verses. Mrs. Robert Gerhart gave the treasurer's report. Mrs. Ellis Ueckert, the secretary of Stewardship reported on clothing to be packed Oct. 12.

Mrs. Monroe Kurtz gave the offering meditation and the meeting closed with the group praying together "The Lord's Prayer."

Hostesses were Mesdames C. H. Stoeker, E. E. Thormeyer, and Ellis Ueckert.

able, but they are usually used for commercial machines.

New Potato Research: Researchers have found that the specific gravity of a potato affects its different uses. High specific gravity potatoes are suitable for baking or making French fries. Low specific gravity potatoes will remain whole when boiled and are excellent for use in salads, stews, casseroles or serving with roasts.

Cooking Squash: A pressure cooker will cut the cooking time to only a few minutes for the hard-shelled squash varieties. The soft texture and delicate flavor of the squash can be enhanced with any one or a combination of these flavors: bacon, sausage, ham or pork chops. Marshmallows, brown sugar, different flavored sirups and honey can sweeten up the flesh. Apple, pineapple or orange will complement the delicate vegetable flavor.

Use Scissors in the Kitchen: If you don't already have a pair of sturdy scissors in the kitchen, better get some soon. You'll find all sorts of uses for them. For example, scissors are a real help in cutting up fruits and marshmallows for dessert. Just dip them into hot water frequently, so they won't get sticky. Also, for chores like snipping parsley or onion tops, or trimming around the edge of a pie crust.

YWA Girls of South Side Baptist Church Met Wednesday

YWA Girls of the Southside Baptist Church held the regular scheduled meeting at the church Wednesday October 5, with Becky Long, presiding.

Those present were the sponsors, Mrs. Roy Rice and Mrs. Elwood Wade, Betty Knight, Becky Long and Venita Sample.

American children who Trick or Treat for UNICEF on Halloween do not only have fun—they fight hunger, misery, disease and ignorance in the underdeveloped world.

Funds Earmarked For FM Road Safety And Betterment

The Texas Highway Commission has approved the spending of \$16,700 for highway safety and betterment and improvement and State Highway Safety and Betterment Program.

A total of 8.2 highway miles in Rannels County will be involved, the engineer said.

Statewide, the program calls for the improvement of 5,587 miles at an estimated construction cost of \$39.9 million and right of way cost of \$161.5 thousand. Work will include 912 projects in 215 of Texas 254 counties. Three hundred and ninety projects are on State and U. S. highways in 170 counties and 522 projects are on farm to market roads in 179 counties.

Herbert C. Petry Jr., chairman of the Highway Commission, called the combined program "a double barreled effort in two vitally important highway areas."

The safety and betterment portion of the program reflects the Commission's continuing concern with making Texas highways safe to prevent traffic fatalities and accidents, Petry said.

He said the program's farm to market provisions protect the investment of Texas taxpayers in their 37-thousand-mile farm and ranch to market road system.

AROUND THE 5-AA LOOP

The five or so games played by each of the members of District 5-AA have been for practice—they didn't count, really. But beginning this Friday night, everything goes down on the district record book. And the picture could change considerably before the middle of the conference season is over. In fact, the season could conceivably go to the wire, almost, before a lasting change could take effect.

During these few weeks of non-conference bouts, members of 5-AA have racked back a few good ball clubs, lost to a few good ball clubs, and played some mediocre ball clubs. They have won 16 games and dropped 10 to outsiders. They have scored 385 points to outsiders' 283. They have tied 4 games with outsiders. They can still be considered strong contenders for whatever honors will fall to bi-district and regional contestants.

Anson still is ahead of the pack in the standings, with Haskell and Stamford at close second. Colorado City is holding down a middle-field, while Winters is one step from the bottom, where Hamlin rests with only one win for five show-ups.

Only two of the six members of Loop 5 carried away winning banners over the last weekend; there was one tie and three losses. Anson took Merkel, as

expected, 41-0; Winters hit Seymour 6-0; Stamford was held by Coleman to a 20-20 tie. Haskell, who had been one of the favorites in this area, let one slip out of their grasp, to Olney-7-8. Hamlin just couldn't get going, and let Clyde outscore 28-0.

So it's for keeps from here on in, with Anson going to Stamford for their first conference contest; Winters visits Haskell; and Colorado City goes to Hamlin. Things may start to happen now that everyone is back home.

All conference games begin at 7:30 p. m.

MOVIES

"Batman"
Following the phenomenal success of the "Batman" television series, executive producer William Dozier, whose Greenlawn Productions produced the series for 20th Century-Fox Television, met with officials of the studio, and the decision was made to bring Batman to the wide screen in full color and in a full-length feature.

"We all agreed on one major point," he explained. "The feature would be a major endeavor and produced with the budget, techniques and range of locations of a major enterprise, not a two-hour television show."

The result is 20th Century-Fox's adventure attraction, "Batman," which shows Thursday, Friday and Saturday afternoon at the State Theatre. It stars Adam West in the dual roles of Batman and Bruce Wayne and Burt Ward as Robin and Dick Grayson.

Instead of one guest villain, as seen in the TV series, there are four in the king-sized feature. Lovely Lee Meriwether, former Miss America, steps into the role of the feline enchantress, Catwoman, and Cesar Romero, Burgess Meredith and Frank Gorshin return in the roles they created, Joker, Penguin and Riddler.

"The Glass Bottom Boat"
Can you picture Doris Day being "fished" out of the waters off Catalina Island sans her mermaid outfit, which she wears for the benefit of tourists on her father's glass bottom boat? The guy who makes this remarkable catch is Rod Taylor, engineering genius of a spacecraft laboratory testing a new rocket, who hires Doris to work at his plant in order to acquire the data to write his biography. The resultant happenings, in which Doris becomes involved in a spy and counter-espionage and counter-counter-espionage, makes Metro-Goldwyn-Mayer's new comedy, "The Glass Bottom Boat," filmed in Panavision and color, one of the dizziest, daftiest, drollest and most delightful romps ever brought to the screen.

SCHOOL STRETCHOUT URGED
Texas children ought to start to school younger and stay in school longer. So concludes the State Board of Education in its 16-point legislative program.

Board proposes schooling for five-year-olds, state-supported summer school for all grades, a study of feasibility of a 10-month school year and seven-hour day, and higher salaries for teachers.

COURTS SPEAK
Texas Court of Criminal Appeals has ordered a new trial for Jack Ruby, who faced a death sentence for the murder of Lee Harvey Oswald, the man the Warren Commission said assassinated President John F. Kennedy on November 22, 1963.

Court said Ruby must be tried elsewhere than Dallas, scene of the crime, and concluded that testimony of a police officer concerning statements indicating premeditation were improperly admitted at Ruby's first trial.

Supreme Court handed down a record 137 orders. Among its decisions were:

WANTED
WANTED: Saleswoman, 25 years or older. Write Box 698, Abilene, giving age, past experience, address and phone number. 29-3tc

WANTED: Scrap Iron, Cables, Metals. BALLINGER SALVAGE COMPANY. 27-tfc

State Capital Highlights—

Governor Connally Giving High Priority To Re-writing Constitution

By—Vern Sanford Texas Press Association
Shape of Gov. John Connally's major legislative goals is beginning to emerge.

He gave high priority to his proposal for a constitutional convention to rewrite the state's basic laws.

Modernization of local governments is essential to state progress and effective management of local affairs. "Functional government by federal guidelines" is the likely alternative to a "renaissance of local responsibility," Connally warned.

Governor outlined a tough, seven-point traffic safety program including driver education for all youngsters, severe penalties for violations of driving laws and a minimum licensing age of 16.

"Without question," he acknowledged, "the 60th Legislature is looking at a raise in our state taxes, but it is impossible to tell exactly how large or how small."

He also ticked off these subjects from his lists of legislative "essentials":
Revision of the penal code and code of criminal procedure; additional sources of revenue for growing cities; substantial salary raises for state employees; continuation of progress in education, tourist and industrial development, community services for the mentally ill and mentally retarded and park system development and improvement.

In discussing streamlining of local government with county officials, the governor declared:
"We cannot progress on a preconceived notion that modernization is politically impossible."

EPIDEMIC CONTAINED
Texas' screwworm epidemic still is present in the Southwestern and South Central part of the state. However, Dr. S. B. Walker, director of the Texas Animal Health Commission, says the end may be in sight.

Texas' worst infestation since the screwworm eradication program began reached its height two weeks ago. Number of cases levelled off last week. Federal, state and private resources are being used to battle the worm.

MOTION FILE D
Attorneys General for Texas and New Mexico have filed a motion with the U. S. Supreme Court for permission to file a complaint against Colorado for insufficient releases of Rio Grande water.

Motion was filed by Attorneys General Carr of Texas and Boston Witt of New Mexico for alleged violations of Rio Grande Compact providing for releases of water to the two states to the South. Proposed complaint says Colorado has withheld 939,900-acre-feet of water, as of December 31, 1965.

Attorneys General asked the Supreme Court to require Colorado to deliver the agreed upon amounts of water at the Colorado-New Mexico state line, and to eliminate Colorado's accrued debt under the Compact.

Texas Railroad Commission

Openings For Young Men As Game Wardens

The Texas Parks and Wildlife Department is accepting applications for prospective State Game Warden Trainees leading up to competitive examinations at eight key state cities in November.

Successful candidates receive \$397.00 a month while studying and \$453.00 per month after six months on-the-job training. They are requested to contact the nearest Parks and Wildlife Field Office or write to the Personnel Office, Parks and Wildlife Department, John H. Reagan Building, Austin, Texas. Completed applications must be received by the Department's Personnel Office, no later than November 4, 1966.

Applicants qualifying under a rigid selection process involving personal interviews, background and character checks, will be given an extensive training course, including one semester at Texas A & M University.

The Department, seeking to interest qualified young men in a rapidly expanding law enforcement operation, stressed many new opportunities as a field man in this work.

Lately, for example, the usual routine of assisting Biologists with game management techniques and other duties, has been increased to include water safety on the larger lakes.

The last mentioned is one reason the warden staff is being increased. Previously, only one training unit was authorized each year. Now two classes of wardens are commissioned each year and assigned to actual patrol responsibilities.

SON TO BUSHERS
Coach and Mrs. Bud Busher are announcing the birth of a son, Kevin Bud, on Friday, October 7. The grandparents are Mr. and Mrs. Bede England and Mrs. Cullen Busher.

Home Town Talk--

(Continued from page 1)
other concern of individual. There's no separation point, no matter how we look at it. They are a big and important segment of the community, and want to be considered as such.

Headlines tell of strife and poverty in our nation, and there are those who would attempt to capitalize on the presence of what they like to call the "poverty levels." But according to a recent report made by the Chamber of Commerce of the United States, in 1960, only about 7 percent of American dwelling units were dilapidated—a far cry from what some of the do-gooders would have us believe. By 1964, more than 90 percent of American households had television. Four out of every five households had telephones and at least one automobile. Among families, officially classed as "poor," earning \$3,000 or less, there is more material well-being than we might be led to believe. For example, over 75 percent own a television set, about half own both a television set and a telephone, three fourths own a washing machine, 20 percent own a home freezer, 65 percent have a dwelling unit that is not dilapidated, with running water and bathroom facilities for their own use, and APPROXIMATELY ONE IN SEVEN BOUGHT A CAR LAST YEAR.

Admittedly, statistics perhaps are unreliable guides in measuring poverty. However, this information should be of more than passing interest to those who in the end pay the bills for the hand-out programs.

He that falls in love with himself, will have no rivals.

Happiness is made to be shared.

Landa Walker Is Elected President Wingate 4-H Girls

Landa Walker was elected president when the Wingate Junior 4-H Girls met at the Wingate school.

Other officers elected were vice president, Becky Dean; secretary, Marie Smith; reporter, Jan McNeill; treasurer, Janice Stevens.

Mrs. O'Conner was present and helped with the project for the year.

Those present were Mesdames Williams, McNeill, Stevens, O'Dell, Dean, Smith, and the girls, Martha Pritchard, Janice Williams, Janice Stevens, Gwen Smith, Marie Smith, Rebecca Dean, Landa Walker, Jan McNeill, Vickie O'Dell, Pattie and Tracy Williams.

Officers Installed For Mary SS Class At Church Monday

Installation of officers was held when the members of the Mary Sunday School class of the First Baptist Church met Monday evening in the Fellowship Hall for a salad supper.

Mrs. B. T. Shoemaker presided for the installation service. The officers are Mrs. Bobby Rogers, teacher; Mrs. Tommy McDonald, president; Mrs. John Hancock, vice president; Mrs. James Gehrels, secretary; Mrs. Elmer Phillips, reporter. Group captains are Mrs. Wayne Solomon, Mrs. Gayland Robinson, and Mrs. Dale Height.

Present were Mesdames Dennis Rodgers, Bobby Rogers, Gayland Robinson, Bill Buchanan, John Hancock, Elmer Phillips, James Gehrels, and a new member, Mrs. Butch Perry, the guest speaker, Mrs. B. T. Shoemaker.

The meeting closed with prayer by Mrs. Shoemaker.

Dale Sewing Club Held Meeting With Miss Henniger Tues.

Miss Emma Henniger hosted the regular meeting of the Dale Sewing Club Tuesday afternoon when the group spent the time in quilting.

Refreshments were served to Mesdames E. E. Thormeyer, Norbet Ueckert, Carl Baldwin, I. W. Rogers, Ernest Smith, Walter Kruse, August Stoecker, Marvin Traylor, Reese Jones, Jack Whittenberg, Clifford Lehman, Leland Hoppe, a visitor, Mrs. Lera Henniger and the hostess.

The next meeting will be with Mrs. August Stoecker.

Frances Gaby Circle Met In Crawford Home

The Frances Gaby Circle of the Methodist Woman's Society met in the home of Mrs. Roy L. Crawford Tuesday morning at 9:30.

The meeting was called to order by the chairman, Mrs. W. W. Parramore. "Brighten the Corner Where You Are" was sung and a short business meeting was held.

"The Mission School" was discussed by Mesdames Roy Crawford, George Rosson, and W. W. Parramore.

The hostess served pound cake, coffee and fruit juice to Mesdames E. H. Baker, Alma Daniel, D. A. Dobbins, W. W. Parramore, George Rosson, Jasper Drake, and three guests, Mesdames Lena Bahlman, Andrew Belknap and Paul Cozby.

Next Tuesday, October 18, the Woman's Society will meet at the Church parlor at 10:30 a. m. for a program followed by a luncheon. Mrs. M. L. Dobbins, who attended the Woman's Division meeting at Portland, Oregon, in May, will be the speaker bringing a report of that meeting. She will also show slides. All the women of the church are invited to this meeting.

Winters JOY SS Class Met Friday In West Home

The Joy Class of Drasco Baptist Church met Friday, in the home of Mr. and Mrs. R. Q. West for the October class meeting. Mrs. Alpheus Hill, president, presided for business and the roll call was "A Thought For The Day."

Mrs. J. R. Woodfin of Pumphrey, installed the new teacher, Mrs. Dick Bishop, with an impressive installation service. Secret pals exchanged gifts.

Mrs. West served pecan pie, whipped cream and coffee to Mesdames L. Q. Sneed, Lloyd Giles, Albert Lewis, John McMillan, Melvin Ray Williams, Alpheus Hill, Bede England, J. R. Woodfin, Dick Bishop and Judy Sneed, Neva Lewis, Jeff Ruthledge and Kelly McMillan.

Mrs. August Vater Hosted Nan Wright Circle Meet Tuesday

Mrs. August Vater was hostess for the Nan Wright circle of the Womans Society of Christian Service of the First Methodist Church Tuesday morning for the regular meeting.

Mrs. M. L. Dobbins, circle chairman, presided for a short business session and introduced the program.

"The Mission School," was presented as a quiz program by circle members. Mrs. E. W. Bridwell gave the devotion "A Call To Prayer" from the scripture Matthew 28:16-20. Mrs. H. O. Abbott gave a report on "Overseas Schools, a New Strategy." The meeting was dismissed with prayer by Mrs. Ed Ottwell.

Coffee and cookies were served to Mesdames Garland Shook, Carl Baldwin, Ed Ottwell, Elmo Mayhew, George Garrett, W. T. Nichols, H. O. Abbott, M. L. Dobbins, J. D. Vinson and visitors, Mrs. August McWilliams and Mrs. George Lee Garrett of Tyler.

RETURNED HOME

Mr. and Mrs. R. K. Russell have returned home from a several weeks tour of the states to Niagara, the Great Lakes, into Canada to Quebec. They spent five days in Canada and returned home through the Eastern part of the United States. Mrs. M. E. Leeman was also with the party on the trip.

IN BEAN HOME

Week-end visitors in the home of Mr. and Mrs. Bill Bean were their daughter, Ann Bean, student in Texas University; Linda Davis of Baylor University in Waco, Don Minchew and Arno Acker, both students in Texas Tech in Lubbock.

DAUGHTER TO LLOYDS

Mr. and Mrs. Rodney Lloyd of Austin are the parents of a daughter, Lana Mitchell, born Monday, October 10. The baby is the granddaughter of Mr. and Mrs. Raymon Lloyd.

Going on a wild goose chase is a poor way to feather your nest.

Sub Debs Met Monday In Pinkerton Home

The Sub Deb Club met Monday in the home of Mr. and Mrs. Charles Pinkerton with Cindy Pinkerton serving as hostess.

President, Marsha Hays, called the meeting to order. Ida Martin called the roll and Cindy Antilley gave the treasurer's report. The club then had a short business meeting. Refreshments were served and the club closed with the benediction.

Refreshments were served to Cindy Antilley, Gayla Beall, Glenda Cooper, Kathie Dillard, Eileen Faubion, Beverly Foster, Marsha Hays, Sue Hodnett, Gwen Hoppe, Ida Martin, Theresa Meyer, Jean Mostad, Cindy Pinkerton, Brenda Prine, Dianne Snell, Beverly Sprinkle, Babs Tatum, Edna Ruth Self, and Diane Davis.

JOY SS Class Met Friday In West Home

The Joy Class of Drasco Baptist Church met Friday, in the home of Mr. and Mrs. R. Q. West for the October class meeting. Mrs. Alpheus Hill, president, presided for business and the roll call was "A Thought For The Day."

Mrs. J. R. Woodfin of Pumphrey, installed the new teacher, Mrs. Dick Bishop, with an impressive installation service. Secret pals exchanged gifts.

Mrs. West served pecan pie, whipped cream and coffee to Mesdames L. Q. Sneed, Lloyd Giles, Albert Lewis, John McMillan, Melvin Ray Williams, Alpheus Hill, Bede England, J. R. Woodfin, Dick Bishop and Judy Sneed, Neva Lewis, Jeff Ruthledge and Kelly McMillan.

Mrs. August Vater Hosted Nan Wright Circle Meet Tuesday

Mrs. August Vater was hostess for the Nan Wright circle of the Womans Society of Christian Service of the First Methodist Church Tuesday morning for the regular meeting.

Mrs. M. L. Dobbins, circle chairman, presided for a short business session and introduced the program.

L. and Richard Lacy and Frank Salva-to of San Angelo, Abe Lacy of Winters and Robert Vicars of Abilene.

Three out of four of all the world's children need help American boys and girls hold out a friendly hand to them when they Trick or Treat for UNICEF on Halloween.

If you are wrong, you cannot afford to argue—if you are right what's the use?

S. P. Gray, 84, Retired Farmer, Died Monday

Funeral was held Wednesday at 3:30 p. m. in First Baptist Church for Samuel P. Gray, 84, retired Winters area farmer. The Rev. B. T. Shoemaker, pastor of the First Baptist Church, and Glen Gray, minister of the Winters Church of Christ, officiated.

Burial was in Fairview Cemetery under direction of Spill Funeral Home.

Mr. Gray died Monday in Winters Hospital where he had been a patient seven weeks. Born November 2, 1881, in Comanche County, he married Bessie Hughes July 13, 1902, at Blanket. They lived on a farm six miles west of Winters where he resided the past 45 years. He retired in 1961.

Mr. Gray was a member of the Baptist Church.

Survivors include his wife; five sons, Pat and Marvin, both of Winters, Brodie and Eldon, both of Littlefield, and Ervin, of Fresno, Calif.; four daughters, Mrs. D. C. Singleton of Winters, Mrs. S. A. Putman of Lubbock and Mrs. Vernon McCartney of Odessa; 23 grandchildren and 30 great-grandchildren.

Mrs. James H. Gill Dies In Dallas, Burial Friday

Funeral services for Mrs. James H. Gill, 69 yrs., 7123 Fisher Road, Dallas, Texas, was held on Friday afternoon at 2 p. m. in Restland Wildwood Chapel with the Rev. Bruce McIver officiating. Interment was in Restland Memorial Park.

Mrs. Gill passed away in a Dallas hospital Wednesday morning. She was born in Nolanville, Texas on May 20, 1897. She had been a Dallas resident for 19 years.

Survivors are her husband, James H. Gill of Dallas, a son, Ben K. Allen of Dallas, and sister, Mrs. S. E. Tinkle of San Antonio, Texas.

Pallbearers were Lynn Eaton, R. L. Powell, W. L. Powell, Claude Arnold, J. D. Harris, and Leonard Lankford.

SEASON OF FRUITFULNESS

The autumn season is the most colorful of all. It is the time when the last crops are gathered. In the air there is the pungent odor of burning leaves. Birds are migrating to sunnier climes. There are many signs that shorter and colder days are here.

It is the season of fruitfulness, for it is now that Nature lavishes her bounties in greater profusion, but it is also a time to look forward to other seasons on ahead. Plans you make will be easier to carry out, if you organize your finances on a sounder basis by working in close co-operation with a strong, dependable bank.

A bank account is a good thing for all. Bank with us and grow with us. You will find a cordial appreciative welcome here.

Bethany SS Class Meeting Held In Tierce Home Tues.

Members of the Bethany Sunday School class of the First Baptist Church held the regular monthly business and social meeting Tuesday evening in the home of Rev. and Mrs. J. S. Tierce.

Mrs. Bill Milliron, president of the class presided for a brief business session.

Officers for the coming year were installed by Rev. Tierce who stressed the importance of "Service to Others" and to serve laborers together with God by being a "Beacon Light" to those in need.

Those installed were teacher, Mrs. J. S. Tierce; assistant teacher, Mrs. W. E. Price; president, Mrs. Bill Milliron; vice president, Mrs. Bill Hamilton; secretary, Mrs. Marvin Bedford; treasurer, Mrs. Joe Irvin; benevolence, Mrs. Jack Harrison; reporter, Mrs. J. F. Priddy Jr.; group leaders, Mrs. J. N. Clark and Mrs. Jack Harrison.

The meeting was dismissed by Mrs. Tierce.

Refreshments of cake, nuts and coffee were served.

Mrs. Willis Davis Hosted Meeting Of Ruth SS Class Tues.

Mrs. Willis Davis was hostess and Mrs. Carson Easterly co-hostess for the regular monthly social and business meeting of the Ruth Sunday School class of the First Baptist Church.

The president, Mrs. R. Q. Marks, presided for the business session and Mrs. David Carroll led the opening prayer.

The devotion on "Mothers" was given by Mrs. Robert Simpson and Mrs. G. K. Beall brought the diversion. The closing prayer was led by Mrs. Pyburn Brown.

Refreshments were served to Mesdames Ray Wilbanks, W. J. Briley, R. Q. Marks, G. K. Beall, Ray Laughon, Pyburn Brown, David Carroll, Kenneth Simpson, Robert Simpson, R. G. Cooper and the hostesses.

Army Worms Are Beginning To Work On Grain

C. T. Parker, Jr., Runnels Agricultural Agent, said Tuesday that army worms are reported to be working on small grain fields in the county.

The county agent advised grain farmers that steps should be taken to eliminate the army worms before widespread damage is suffered, and suggested some chemicals and poisons which could be used to kill them.

Parker emphasized that following application of the poison, it would be extremely dangerous to either harvest or graze the grain which had been sprayed.

These are some of the applications County Agent Parker suggested:

Sevin: 1 pound per acre. He suggested this is the safest agent.

Parathion or methyl parathion: 1-2 to 2 pints per acre.

Mrs. P. C. Davis Honored At Family Reunion In Abilene

A family reunion of the family of Mrs. P. C. Davis of 605 Bowen St. in Winters, and the late P. C. Davis was held in the Odd Fellows Hall at 1909 Pine Street in Abilene, Oct. 9.

The Reunion is scheduled at this time of the year in order to celebrate Mrs. Davis' birthday.

Horace Mitchell, a grandson was master of ceremonies and presided at a business meeting. At which time a Hospitality Committee was elected. Consisting of Mrs. Clifford Davis and Mrs. J. B. Davis of Abilene. Mrs. Johnnie Townsend of Hereford, Texas was elected Secretary-Treasurer.

Mrs. E. J. Lightfoot read the minutes of the previous year's reunion, and gave the names of those of the family that had passed away during the past year, and there was a moment of silence in their memory. They were Mrs. R. C. Davis of Hale Center, Texas and T. B. White of Morton, Texas.

Mrs. Davis' birthday cake was on the center table and flower arrangements were made and furnished by Mrs. E. J. Lightfoot decorated the tables.

Children present were: Ida Stafford, Myrtle Kelly and J. B. Davis of Abilene, P. C. Jr., and L. C. Davis of Odessa. Beulah Allen of Adrian, Texas, Bill Davis of Mission, Jesse Davis of Ovalo and Fannie Pearl Townsend of Hereford, Texas. Mrs. Bertha Mitchell of Winters.

There were 17 grandchildren and 12 great grandchildren present.

FROM MIDLAND

Mrs. Cullen Johnson and little son, Jeffrey of Midland, were visitors last week in the home of her parents, Mr. and Mrs. Raymon Lloyd.

Mrs. Frank Mitchell Hosted Circle Meet At Home Tuesday

Mrs. Frank Mitchell was hostess Tuesday morning for the regular circle meeting of the Womans Society of Christian Service, at her home, 904 Manning.

Mrs. M. E. Leeman presided for the meeting and the Lord's Prayer was repeated in unison. Mrs. Vada Mae Babston read

the scriptures from Matthew 28:16-20.

"The Mission School" was given as a Quiz Program. Those taking part were the missionary, Miss Frances Stricklin; skeptic, Mrs. Marie Neely; readers, Mrs. Connie Mac Gibbs; Mrs. Leeman, Vada Mae Babston, Mrs. Mitchell, Mrs. Pearl Whigham and Mrs. Dick Mayo.

The benediction closed the meeting.

Coffee and nut bread were served to Mesdames M. E. Leeman, Gattis Neely, Connie Mac Gibbs and Tammy, Pearl Whigham, Lillie Marks, A. L. Mayo, Frank Mitchell, Vada Babston and Miss Frances Stricklin.

In UNICEF-aided countries, the cost of saving a child's life can be less than the price of a postage stamp or an ice cream cone—or candy given at Halloween.

Graveside Rites For Rodriguez Baby Monday

Graveside rites were held Monday afternoon at Wingate Cemetery for Domingo Rodriguez, infant son of Mr. and Mrs. Daniel Rodriguez of Wingate. Officiating was the Rev.

Charles Taylor, pastor of Mount Carmel Catholic Church in Winters. Burial was under direction of Spill Funeral Home.

The child, born Oct. 6, 1966, in Ballinger, died at 8:40 p. m. in Ballinger Memorial Hospital. Survivors include his parents and three sisters of the home.

A UNICEF Halloween "treat" of \$1 provides home treatment for a TB patient for one year.

Open House Held

During National Lunchroom Week, the Winters School Cafeteria had an openhouse in honor of the Winters High School students. This openhouse extended from Tuesday, October 11, to Friday, October 14, from 8:00 to 8:30 a. m., previous to school hours. Refreshments were served and Student Council members welcomed the students.

Tuesday was Senior Day, with senior representatives officiating. Wednesday was Junior Day, with junior members presiding. Thursday was Sophomore Day and Friday was Freshman Day.

An Editorial

By Maria Shaw
 School spirit is a lot more than just yelling at a pep-rally or supporting your team on Fri-

day night. Real school spirit is pride—pride in being a Blizzard all the time—pride in the accomplishments of our school—pride in doing all things a little better than other schools—pride in knowing that win or lose, a Blizzard always does his best. Real spirit doesn't rise or fall with football season—it is a constant thing, accepted, enjoyed, by and part of Winters High student bodies.

Pen Rally

The weekly Blizzard pen rally was held Friday, October 7, 3:30 p. m. in the Blizzard gymnasium, previous to Saturday night's game with Seymour. Leading the student body, faculty, and visitors were the spirited cheerleaders.

"Brass Band" Marker To Be Erected Here

A State historical marker commemorating the "Old Time Brass Band" and its significant role in the history of the area will be placed in Winters sometime in the near future. This announcement was made this week by Truett Latimer, of Austin, executive director of the Texas State Historical Survey Committee.

In a letter to Rankin Pace, chairman of the Runnels County Historical Survey Committee, Latimer said the State Marker Committee has "reached a decision to place a 27-in. by 42-in. State marker commemorating the "Old Time Brass Band" at a location to be designated (by the local county committee) in Winters." He said the Marker Committee had been "interested in articles written by Mrs. George (Charlie) Poe about the Winters Brass Band." Mrs. Poe is a member of the Runnels County Committee.

The marker inscription will tell the story of the Winters Brass Band of many years ago, and of other area town bands, and "should be of wide interest to the state." The historical committee executive director said.

Suggested place to the historical marker commemorating the "Old Time Brass Band" is the vacant area north of the north water tower on Main Street, adjacent to the Boy Scout Hut. The City Council will be asked to designate a site for the marker, which will be a large bronze plaque embedded in an upright stone and concrete monument.

DAUGHTER TO HENRYS

Lt. and Mrs. Larry Henry of Arlington are the parents of a daughter, Barri Lynne, born Tuesday September 27. Mrs. Henry is the former Cynthia Jennings, daughter of Mr. and Mrs. Ernest Jennings. The baby is the great granddaughter of Mrs. T. V. Jennings of Winters.

Mr. and Mrs. Mel Thurman of Abilene were visitors Sunday in the home of Mr. and Mrs. W. E. Little.

 26 feet, including a lean-to which can be utilized as stock storage space; 16 feet deep, with a 10-foot ceiling. Furnished shelving provides 250 lineal feet, 281 square feet, of display space.

The built-in freezer unit has a 125 cubic foot capacity, with two self-closing, glass reach-in doors. These units will maintain temperatures of from 0 degrees to minus 10 degrees. The cooler section, also built in, has 300 cubic feet capacity with five self-closing, glass reach-in doors, to maintain 36 to 40 degrees temperature.

There are built-in storage sections in both the cooler and freezer sections. The refrigeration sections include all necessary refrigerating equipment properly engineered to meet the capacity requirements for each installation.

In-door-out-door carpet is included on the floor.

The "pre-fabricated" "Food Mart" buildings are pre-wired by Swatches Electric Co. of Winters.

J. P. Dry, company president, said the convenience store is not intended to be a super market as such but is designed and arranged so that almost everything that is normally stocked in a super market is stocked in smaller quantities. He said this building is being built to house small community stores which are springing up all over the country as "convenience" shopping centers, in urban and suburban areas, and even in downtown areas in many places. It is ideal for the rapidly-expanding and business centers, as well as for the one-store resort and outdoor recreation areas.

A specially-built truck trailer will be used to move the knock-down building units to all areas of the country. All tools, winch truck and gin poles will be taken to the erection sites.

Dry said four men are now employed in building the "Food Mart," but expectations are that from 25 to 30 will be needed within a year to handle the manufacture and erection of the units.

Mrs. Inez Gonzales Died Monday, Funeral in Abilene

Mrs. Pete (Inez) Gonzales, 52, died at 9:30 p. m. Monday in Winters Municipal Hospital following an extended illness. She had been hospitalized about three weeks.

Funeral was at 2 p. m. Wednesday at Bethel Methodist Church in Abilene with the Rev. Enrique Pequeno of Colorado, and the Rev. Joe Salas, pastor, officiating.

Burial was in Elmwood Memorial Park in Abilene.

Mrs. Gonzales had lived in Abilene 20 years. She married Pete Gonzales in 1940 in California and had at-

Band Mothers Club Met Tuesday In Regular Meeting

Band Mothers Club had its regular meeting Tuesday, Oct. 11. Mrs. Kenneth Cook is to replace Mrs. Dalvin Awalt as chairman of the telephone committee.

The Band will present a concert on October 25, for a meeting of the State Teachers Association. Another concert will be presented in Coleman on December 8 at 10 a. m. On December 10, the Coleman High School will give a concert at the

tended San Antonio public schools.

Survivors include her husband; and three brothers, Jose, Andrew and Ernest Trevino, all of San Antonio.

My Mommy cooks with modern Gas because it's clean

Why is gas cooking so clean? Turn a gas burner off and cooking stops—instantly. There's no hangover heat to make foods burn, stick or boil over. Gas broiling is clean too—because it's smokeless. With gas you broil with the door closed. (The gas flame consumes the smoke.) So if you want to cook clean—get a modern gas range. See them now at gas appliance dealers or Lone Star Gas.
