## HOME TOWN Talk

By R. C. THOMAS

For several years the bell atop the Winters First Baptist Church building has been silent. Something had gone wrong with the structure holding the bell many years ago, so that many people probably had forgotten all about it. . . and probably many of the youngsters of the community never realized it existed.

Two weeks ago the bell hanger was repaired, and the heavy iron bell was restored to service, peeling its call to worship on Sunday morning. It probably came as a surprise to many people to hear that bell tolling its call for the first time in many years. It had been silent for so long.

The tempo of the day is set in many families by the tolling of a church bell on Sunday morning. It's a signal to mother to make inspections of ears and necks, and to pop to drop the sports section and get his tie on. Also. . . it's a signal to push the boat trailer out and hook it on the car and get going.

Regardless of the particular message a church bell sends, there is something calming and restful in the ringing of a church bell. There is a sort of clarification that, regardless of all else, things are all right—all is well.

It's nice to hear the First Baptist bell again, joining the peal of the bell in the tower of the St. John Lutheran Church.

We heard recently that the following sign had been posted on the bulletin board of a school in the east: "In case of atomic attack, the Federal regulation against public prayer in the schools is temporarily suspended."

A radio station in another county, as a public service, announces the menu for noon meals to be served in the school cafeteria in a small town in the area. Recently the announcer, in a bored and unconcerned manner, was reading the menu for the week. Suddenly he perked up. . . there was an item which tickled his humor: "Wieners a la Mode." No less! He said he'd heard of "pie a la mode," but who ever heard of wieners with ice cream.

For several days he kept coming back to that "wieners a la mode" bit, and getting a big kick out of it. (Frankly, we chuckled a bit when we heard about it, too). Finally, to set things right again, the school's cafeteria supervisor wrote the announcer a letter, explaining that "wieners a la mode" meant, according to food authorities, wieners with cheese and potatoes—the "a la mode" simply explained there was something else in the dish besides the wieners.

Which proves that if we continually associate a certain phrase or description with a particular subject, it becomes so founded in our thinking we refuse to believe it could have other meanings.

So. . . if the weekly menu for the Winters School Cafeteria one of these days announces that "wieners a la mode" will be served on a certain day, parents should not become concerned and worry about the cafeteria dumping ice cream on the kids' frankfurters.

Our old friend who digs in the red dirt of Bluff Creek is in a disappointed mood. He had read a while back that the mini-skirt was going to be the style. So he rushed with picking his cotton crop, hitched up and hurried into town. . . only to pick up the latest newspaper and read that the mini-skirt was being phased out.

## City Personnel Attended Meeting On Medicare

Mrs. Tommy Rougas, superintendent of Winters Municipal Hospital, and Mrs. Walker Tatum, assistant to the City Secretary, attended a two-day seminar on Medicare accounting procedures Tuesday and Wednesday of this week.

The seminar was held in Abilene, and covered all phases of accounting procedures as called for by Federal regulations covering Medicare patients in hospitals.

## Churches' Thanksgiving Service On Wednesday

### Water Into New Settling Basin Late This Week

Water will be turned into Winters' new water clarifier settling basin some time this week, Mayor W. M. Hays has said.

Work is about completed on the new clarifier, the mayor said. All equipment has been received to put the basin "on the line" with the rest of the water system, with the exception of a re-circulating pump. This pump should be received within a short time, it was said. However, the new basin can be put into use without this pump at the present time.

Because a check must be made to determine if any leaks exist in the new construction, treated water will be used to fill the basin for the first time. This will prevent sediment from clogging possible leaks and preventing an accurate test of the construction.

### Veterans, Families Honored By VFW Auxiliary Friday

Local veterans and their families were honored by the Ladies Auxiliary to Veterans of Foreign Wars, Post 9193, with a surprise buffet dinner in observance of Veterans Day, November 11. The affair was held in the Post Home.

A color motif of red, white and blue was used, with the buffet table covered with white linen cloth. Centerpiece was of red Buddy Poppies, the veterans' flower, flanked by white candle holders and red candles. A regulation size flag was directly behind the center table and miniature flags were used to spell "Veterans" against a white background.

Mrs. Ramon Hudson, president of the Auxiliary, presided at the register, made in the shape of a veteran's cap, white, with red and blue lettering. Thirty-one registered. Decoration committee members were Mmes. W. L. Collins, Don Marks and J. A. Henderson Jr. Food committee, Mmes. M. L. Guy, N. D. Waggoner, Don Marks, J. A. Henderson Jr., Polly Puckett, Bernice Mitchell, Monroe Dodd, Ramon Hudson, Charles Dry, Whitley Smith and Collins.

### Contractor To Begin Work On City's Streets

The street paving contractor employed by the City to work on several small paving projects has moved equipment to Winters, and work will begin some time this week, Mayor W. M. Hays said Wednesday.

The City Council has approved plans to pave the approaches to the new bridge on State Street, one block of Grant Street, between Broadway and Wood, portions of a block on State Street intersecting with a portion of a block on South Arlington Street, and also a block on North Croyer Street, from Truitt north to Pierce, just east of the Municipal Hospital.

The contractor will also do some work for private property owners while equipment is in Winters. Property owners who wish to have streets, parkways or alleys paved are asked to contact the office of the City Secretary for information.

A Community Thanksgiving Service, sponsored by the Winters Ministerial Alliance, will be held at the Southside Baptist Church Wednesday, November 23, at 7 p. m.

The sermon will be brought by the Rev. Walter Probst Sr., pastor of St. John Lutheran Church. Offering taken will be used to help local needy families and others deemed needy by the Alliance.

Churches participating in this Community Thanksgiving Service include the Southside Baptist Church, First Methodist Church, First Presbyterian Church, St. John Lutheran Church, and the First Baptist Church.

The public is invited to attend this service.

### Winters Artist Wins Awards For Paintings

Mrs. Gayle Gardner, Winters artist, was one of the outstanding winners in the Graham Art Guild annual exhibit held at the Woman's Forum there last week.

Mrs. Gardner's four pictures winning blue ribbons included a professional oil portrait entitled "Artist At Work," a portrait of her made by Eddie Little, which she painted with oil; and three pictures done in other mediums. "Display of Oranges," a pastel of fruit; "Girl at Window," a decorative pastel on velvet; and "John's Big Shadow," an oil. The latter was selected to hang in the Graham Public Library.

Mrs. Theima Parks of Fort Worth, well-known artist, headed the panel of three distinguished experts who judged the show.

Five of the 154 entries in the show were submitted by Mrs. Gardner. The four listed won blue ribbons, and the fifth, "Ballarina On Stage," received a white ribbon.

This is the third year for Mrs. Gardner to enter the Graham show. She has received other awards, but this was her most successful year. For some time she has worked with pastels, watercolors, and some oils, but this is her first year to work with oil portraits. Since September she has been associated with Little Studio here as color artist, working first under direction of Ruth Little until recently, when she began working alone, doing professional and artist oils for the studio.

Mrs. Gardner, also a talented musician, received her education at John Tarleton State College and at North Texas State University.

Pictures which won blue ribbons are now hanging at Little Studio and will remain on display there for another week.

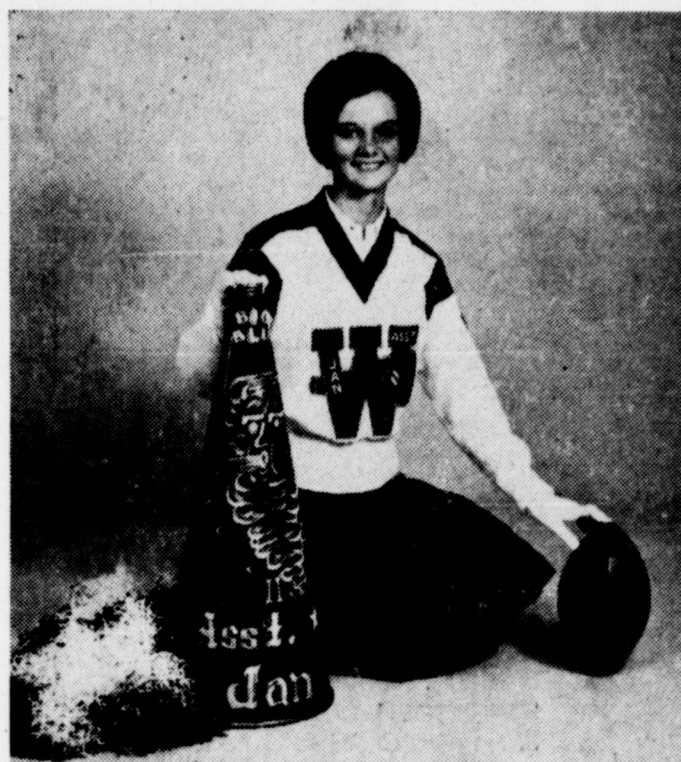

### Cub Scouts Will Hold Cake Sale

Cub Scouts of Pack 49 will hold a cake sale Saturday, November 19. Sales will be held at Piggly Wiggly, Bell's Cashway and Economy Food Store, beginning at 9 a. m.

Funds raised by this sale will go to defray expenses incurred by the Cub Scout program.

JAN MERCK . . . FOOTBALL QUEEN

### Jan Merck, Senior Student, Crowned Football Queen At Halftime Friday

Jan Merck, daughter of Mr. and Mrs. A. O. Merck, was crowned Blizzard Football Queen during halftime ceremonies at the Winters-Anson football game last Friday night.

Miss Merck, a senior in Winters High School, has served as a cheerleader two years. Last year she was sweetheart of the Winters Chapter of the Future Farmers of America, and represented the group at the West Texas Fair.

She was sophomore class sweetheart in 1964-65, is a member of the Future Teachers Association and Future Homemakers of America, and has served as an officer in both organizations. She also is a member of the Goal Diggers Club.

Taking part in the ceremonies Friday night were Terry Rives and Skip Sheppard, co-captains of the 1966 Blizzard football team; Maria Shaw, senior cheerleader; Linda Smith, junior cheerleader; and Jody Hall, freshman cheerleader; Cheryl Beard, sophomore cheerleader.

### Blizzards Close 1966 Grid Season With 14-8 Win Over Anson Tigers

The Winters High School Blizzards closed out the season Friday night by blasting the Anson Tigers 14-8 in a battle for second place in tough District 5-AA.

The win left the Blizzards trailing the Stamford Bulldogs by one one-half game.

The game with Anson was a hard-hitting affair with both teams really getting after each other. Anson was unable to move after taking the opening kickoff and punted to the Blue at their own 40-yard line.

The Blizzards made two quick first downs but saw the ball one yard shy on a fourth down effort at the Anson 12-yard line.

Again the Blue forced a punt and took over in good field position at the Anson 36-yard line. A 33-yard pass from Alvin Dunn to Johnny Powers put the ball on the 3-yard line. Jerry Awalt carried to the one; Dunn carried over on a quarterback sneak. A fake kick and pass try for the two points was no good, when officials ruled Jerry Awalt out of the end zone when he received the pass.

The remainder of the first and all of the second quarter was a slambang defensive battle marred by frustration for the Winters group. Awalt broke open early in the second for an apparent 65-yard touchdown run only to have it called back because he stepped out of bounds. Again, just before the half ended, the Blizzards lost another 6-pointer when linebacker Donald Wade intercepted an Anson pass and ran it back 40 yards for a TD. A holding penalty nullified the score and it remained 6-0 at halftime.

No great gains were made by either team after the half until the last play of the third quarter. Alvin Dunn hit Johnny Powers who made a falling catch at the 8-yard line for a 44-yard gain. On the first play of the fourth period, Dunn circled right end for the score. Randy Boles ran the 2-point play for a 14-0 lead.

Anson came back strong and scored on their next possession

## Big Interest Being Shown In Xmas Parade Dec. 3rd

### Spill Funeral Home Will Continue Ambulance Runs

Ambulance service in Winters will be continued by Spill Funeral Home for the present, but possibly more stringent rules applied by the Fair Labor Standards Act could make the future operation uncertain, a spokesman for the funeral home said this week, following a meeting of area funeral directors.

"Many questions relative to the application of the wage and hour provisions of the Fair Labor Standards Act to funeral homes have been brought up since the publicity given the termination of ambulance service by many funeral homes in other cities," it was said.

The spokesman for the local funeral home stated that they do not believe that it will be necessary at the present to curtail this phase of the operation. However, the application of still more stringent rules to funeral homes is possible. If this happens, it was pointed out, the future of privately-operated ambulance service in Winters and North Runnels County is uncertain.

It was also stated that some adjustments in ambulance service charges must be made to meet the standards set forth by the Fair Labor Act.

### Boy Scouts Will Sponsor Turkey Shoot Sunday

Winters Troop 49, Boy Scouts of America, will sponsor a turkey shoot at the Winters Lake east of the city beginning at 1:30 p. m., Sunday November 20. The shoot will be held at the Sportsman's Club firing range on the west side of the lake.

The shoot will be divided into several categories, for .22 rifles, larger rifles, and skeet shooting.

Awards for winners in the contests will be dressed turkeys.

### More Moonlighters

The Blossom Shop and Bob Loyd, Enco Distributor, were left off the list of merchants who planned to remain open until 8 p. m. Thursday, Nov. 17, which was published last week. These businesses offered free merchandise to persons winning drawings held during the special Moonlight Sale event.

### VISITED PARENTS

Mrs. Patsy Mayo and son Mike of Lubbock were week end visitors with her parents, Mr. and Mrs. Charles Matthies. Mrs. Mayo is a senior student at Texas Tech and will graduate in August. Marcene Matthies of Dallas was also a week end visitor in the Matthies Home.

### Eugene Mathis In McMurry College Stage Production

Eldon Eugene Mathis, graduate of Winters High School and a student in McMurry College, had a part in the college's first full dramatic production of "Antigone," which opened on Thursday, Nov. 10. It was presented both Thursday and Friday nights.

Mathis is the son of E. E. Mathis of Rt. 2, and played the second guard in "Antigone," directed by Ernest Sublett. He is majoring in speech and English, and is a member of Pi Kappa Delta, National Forensics Society, and the debate team.

"Ondine," McMurry's second full production, opens November 18 for a two night run. In this production, Mathis will play Auguste. He has worked on other McMurry productions.

### Winters Schools Close For Holiday Next Wednesday

Winters schools will close at 4 p. m. next Wednesday, November 23, for the Thanksgiving holidays.

School will resume at the regular time on Monday, November 28.

### VISITED BROTHER

Mr. and Mrs. Clyde Spain of Brownwood, Marvin Egger of Houston, accompanied by Mrs. W. J. Yates visited their brother, Alvie Egger at Nolan last Sunday.

With Winters' Big Christmas Parade only two weeks away—December 3—reports indicate that a large amount of interest is being given to this year's Christmas season program, which is being sponsored and promoted by the Winters Chamber of Commerce.

Mrs. Emma Marks, secretary-manager of the Chamber of Commerce, said this week that six organizations have registered to enter floats in the Christmas parade, and others have shown interest in this part

### 9010 Bales Of Cotton To Winters

As of Tuesday night, Winters Warehouse Co. had received 9010 bales of cotton from the 1966 crop. Cotton is received from two Winters gins, two Wingate gins, and one gin at Wilmett.

Some sources estimated that about 80 percent of this year's cotton crop had been gathered in this area. Most has been mechanically stripped after defoliation.

### Spill Life Ins. Co. Has Standardized Rates On Policies

New standardized rates, as dictated by latest regulations of the State Insurance Commission, now are in effect for all life insurance policies written by Spill Life Insurance Co., it was announced this week.

It was said that the Insurance Commission has prorated all life insurance companies in the State, with an increase in premium payments. The Winters company has notified all policy holders, they said.

The local company was organized as the Spill Burial Association in June 1944. In 1962, the company was reorganized, to form the Spill Life Insurance Co., assuming assets and liabilities of the original company.

### VFW and Auxiliary Presented Check To Winters School

Winters Post 9193, Veterans of Foreign Wars, and its Ladies Auxiliary, recently presented a check in the amount of \$86.50 to the Winters schools, to pay for films to be used for the primary, elementary and junior high schools in the American Heritage Program throughout the year.

This program is sponsored each year by the local VFW and Auxiliary.

Making the presentation was Mrs. J. A. Henderson Jr., treasurer of the Auxiliary. George Beard, principal of the elementary school, accepted on behalf of the school.

of the program, which is being merchant-sponsored and financed.

Also, Mrs. Marks said, two commercial firms have announced plans to have floats in the commercial section of the December 3rd Christmas parade. They are Dry Manufacturing Co. and Southwestern States Telephone Co.

As of Wednesday of this week, four more entries are needed in the organization float division of the Christmas parade. The Chamber of Commerce will provide up to \$25 to each organization to build floats for entry in the parade. Cash awards will be given in this contest.

In the Commercial float division, plaques or trophies will be awarded winning floats.

As yet no entries have been registered for the Community Float division of the parade. This division will be devoted to floats from the several separate communities in North Runnels County in the Winters trade area. A cash award of \$50 will be presented to the winner in this category. Mrs. Marks said, and community leaders are urged to contact the Chamber of Commerce office and register their entries.

The part of the program calling for the decoration of windows of vacant buildings in the business section has been received with some enthusiasm. Organizations which have already notified the Chamber of Commerce office of plans to sponsor decoration include the ladies from the Lutheran Church, ladies of the Presbyterian Church and the Girls Auxiliary of the First Baptist Church. There will be no awards made in this project.

Mrs. Marks said, however, that other organizations and units probably will enter into this project.

No entries have been registered in the Home Decorations section of the Christmas program. The Chamber of Commerce secretary said, however, that more interest probably will be shown here as the Christmas season progresses. There will be two divisions in this part of the program: one for Home Decoration and one for Door Decorations. Cash awards will be given following judging Dec. 20.

The first project of the Christmas season program being promoted by the Chamber of Commerce was the "Moonlight Sale" which was held Thursday night of this week. Most merchants and businesses in Winters took part in this, and have held drawings for merchandise and held special pre-Christmas sales.

Another "Moonlight Sale" will be held December 22. Approximately \$3000 in merchandise and cash will be given away in drawings and in contest awards during the Christmas season program.

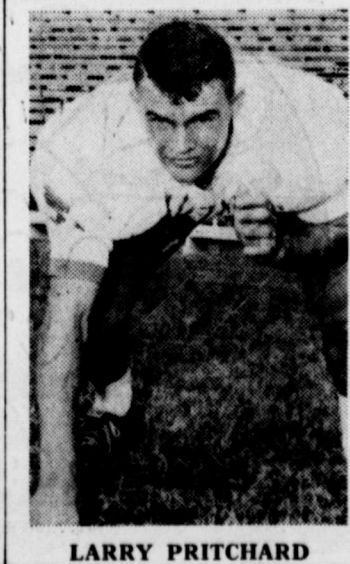

The directors of the Chamber of Commerce have expressed the expectation that this year's Christmas program in Winters will be the biggest such affair ever held in Winters.

## State Capital Highlights—

### Texas' School Teachers Are Asking For \$85 Million A Year Pay Raise

By—Vern Sanford  
Texas Press Association  
School teachers are moving boldly forward with their drive for an \$85,000,000 a year pay raise. This, despite the fact that they don't have the support of the governor's committee on education needs.

Texas State Teachers Association seeks salary increases ranging from \$61 to \$100 a month. This would cost the state \$68,000,000 and local school districts \$17,000,000 annually.

TSTA says it has rounded up considerable support in the Legislature and among education-support groups.

But the governor's committee voted not to make any reports on any phase of its far-reaching study until it has completed its research into all areas of public schools.

Chairman Leon Jaworski expressed confidence that Gov. John Connally will call a special session of the Legislature in 1968 to consider the committee's final recommendations.

A committee resolution recognized that salaries are important to staffing schools but added that other factors are just as vital in determining the effectiveness of teachers and administrators.

Without a committee recommendation, there will be sentiment among lawmakers to tell teachers they will have to wait another year for pay adjustment. Teachers will bring pressure on legislators to act immediately. This will be one of the toughest problems legislators will face during the 1967 session.

Decision is all the more difficult in view of an anticipated tax bill of well over \$100,000,000 that is exclusive of the teacher pay question.

MRS. WILLIAM HENRY HICKS

### First Baptist Church Setting For Pierce-Hicks Wedding Ceremony

Diana Karen Pierce, daughter of Mr. and Mrs. Johnnie W. Pierce, became the bride of William Henry Hicks of Bradshaw when they repeated their marriage vows at the First Baptist Church Friday, November 11, at six-thirty o'clock in the evening. Parents of the bridegroom are Mr. and Mrs. Erwin

Hicks of Bradshaw. The Rev. B. T. Shoemaker, pastor of the church, officiated for the double ring ceremony before the altar decorated with tall floor candelabra entwined with greenery and holding lighted white cathedral tapers forming the background for the wedding party. Floor baskets of white gladioli were at either side.

Mrs. Kenneth Simpson, organist, played traditional wedding music and accompanied Bennie Brink, vocalist, who sang "I'll Walk Beside You," and "Wedding Prayer."

Candlelighters were Jo White of McMurray College and Ginger Ivie of Ranger Junior College. Renee Pierce, sister of the bride, was flower girl.

Maid of honor was Janice Pierce, sister of the bride, and Donna Gehrels was bridesmaid. They wore yellow wool street-length dresses, fashioned with empire waists and headress of yellow net. They carried long stem carnations. The flower girl's dress was yellow cotton trimmed with lace and she carried a white basket.

Best man was James Baker of Winters and ushers were Alton Pierce and Leon Rose. Groomsman was Jerry McKay of Abilene.

Presented in marriage by her father, the bride wore a floor length wedding gown of white delustrated satin designed with empire bodice and long sleeves extending to a point at the wrist. Lace appliques accented the front panel of the skirt. Her shoulder-length veil of illusion fell from a tiara of seed pearls. She carried an orchid bouquet surrounded by fringed carnations atop a white Bible.

A reception was held in the Fellowship Hall where Mrs. Wade White registered guests. The brides table, laid with white linen, was appointed with crystal and silver. The three-tiered wedding cake was decorated in white and yellow and topped with a miniature bride and groom.

Beverly Briley, Ginger Ivie and Jo White alternated in serving. Others in the house party were Mrs. Kenneth Sneed and Mrs. Chester Campbell.

For a short wedding trip to Brownwood, the bride changed to a white wool suit with black accessories. She wore the orchid corsage from her bridal bouquet.

The bride is a graduate of Winters High School with the class of 1965.

The bridegroom is a graduate of Jim Ned High School and at present is employed with Mead's Bakery in San Angelo. The couple will make their home in Ozona, Texas. The rehearsal dinner was given at the Fireside Restaurant.

### City Will Build Tennis Courts At City Park

Winters' City Council, in a special meeting Tuesday, approved construction of two tennis courts in the City Park area near the municipal swimming pool.

The courts will be constructed of asphalt-rock base, and will be of regulation size. Cost to the City, Mayor W. M. Hays said, will be "about \$500." The courts will be immediately east of the swimming pool.

Construction of the courts is one phase of long range plans to improve the city's recreation facilities, councilmen said.

In other business in the short special session Tuesday, Councilmen discussed plans for leasing the City Farm. No action was taken.

### CARD OF THANKS

We wish to express our sincerest appreciation to the many friends who were so kind and thoughtful during my stay in the hospital and since I have returned home. A special thanks to Dr. Rives, the nurses and the blood donors. My family joins me in expressing our heart felt thanks to each and every one of you who showed so much concern during my illness. Mrs. Garland Shook. Itc

## Bonfire

"Burn the Tigers!" was the objective of a blazing bonfire here, November 10. Following a pep rally and parade downtown, the bonfire was held preceding the game with the Anson Tigers. Our spirited cheerleaders led several cheers in honor of the Blizzards and Coach Wilson made a short speech. After several numbers by the band, and the singing of the school song, the crowd dispersed.

Shortly afterward the freshman game with Coleman began. It ended with a score of 22-18, Coleman's favor.

Friday afternoon, November 11, was the occasion of the last scheduled pep rally previous to the game with Anson that night. The Blizzard Gymnasium, bedecked with signs of "Cage the Tigers," and "Get a Tiger," rang with shouts and cheers of high school and junior high students along with the faculty and numerous visitors. The senior cheerleaders, Maria Shaw and Jan Merck, gave farewell speeches. Coach Wilson, head coach, gave the pep talk and introduced the fifteen graduating senior players.

## A Tribute

The Gale staff would like to honor one of the Winters High School teachers, who in the past years has been responsible for the success of the F.T.A. and Authors Anonymous clubs. This teacher, Mrs. Charles Kruse, has not only been the guiding light of these two organizations, but also of many seniors who have been in her English IV classes.

It is impossible for the Gale staff to enumerate upon the many good works of Mrs. Kruse; all we can possibly say is "Thank You!"

## Student Council Convention

By Mike Pumphrey  
 Members of the Winters High School Student Council attended the district convention at Abilene High School, Saturday, November 5.

All in all, it was a happy date for the council. Their nomination of Hamlin as president school won a close race with Ranger. Nominated by Coleman, Winters was selected by acclamation as secretary-treasurer school and host to next

year's convention.

Members attending the general assembly, workshops, and luncheon included Danny Kilough, Randall Boles, Joyce Englert, Jan Johnson, Gary Pinkerton, John Patterson, Anna Holder, Elaine Campbell, Lanny Bahlman, Mike Pumphrey, Donna Benson, Martha Brown, Babs Tatum, Jean Mestad, Randy Pendergrass, Stan Wilson, Glenn Hall, Phyllis Smith, and Brenda Prine and sponsor Mrs. Harrison.

## Southern School Assembly

At 10:00 Friday Mr. Chuck Naidl presented a program about reptiles to the fourth, fifth, sixth and high school students. He lectured and displayed live specimens to the audience.

Mr. Naidl was presented "The Best Performance of the Year Award" for his appearances on "Outdoors Calling." He also lectured about spiders and brought a live trantuailla on the stage.

Mr. Naidl emphasized throughout the assembly that reptiles and spiders attack only when they are frightened or hurt.

## Around The 5-AA Loop

It's all over around the loop—Stamford to be the District's standard bearer going in to extra-conference play. The final guns which sounded last Friday night drew attention to the changes which had been made on the picture which had been painted at the beginning of the season. The whole picture was turned topsy-turvy: Winters had been pre-season picked to end in the cellar—they wound up one-half game behind the league leaders, Stamford; Haskell had been picked as probably the strong squad in the district—they ended up in the last spot without a single win in conference play; Anson had been expected to be a contender for the crown—they are in third place.

Last games of the regular conference season saw Winters take Anson 14-8; Stamford swamping Hamlin 30-0; Colorado City and Haskell in a 12-12 standoff.

Now Stamford will go against Alpine Friday night in Midland in bi-district play. The winner of that contest will play the winner of the Granbury (10-0)-Ballinger (6-3) game, which will be played in Comanche this Friday night. Then on the following weekend, the winners will take on the top team from Phillips vs. Iowa Park, and Memphis vs. Post contests. Stamford will be up against what is purported to be a strong team from Alpine, District 6-AA's flag team, with a season record of 8-1.

In looking back over the season, post-game fan quarter-backs, who every Friday night about 10:30 started rehashing each game, note the change in

favorite teams as the season progressed. The Blizzards got off to a slow start, with a whopping loss to Lake View in the opener—then they got a better foothold and started improving with each game. There were some pretty strong squads facing the Winters bunch throughout the season; but probably the toughest was the Anson team, notwithstanding the fact that the Blizzards were beaten by Stamford two weeks before. And the Winters-Colorado City game was a regular cliff-hanger—it could have gone either direction right up to the final gun.

Probably the Blizzards could be described as the most improved team in the district, from start to finish. And they'll probably take a big quota of the slots when the coaches get together to pick the All-District squads later this year.

## "What Did You Do In The War, Daddy?"

What started out as a simple question by an inquisitive youngster has resulted in one of the screens most off-beat, uproarious World War II comedies, "What Did You Do In The War, Daddy?"

It began one day when that very query was put to producer-director Blake Edwards by his son, Geoffrey. Reflecting upon his own experiences as a Coast Guardsman during the war, the idea for the film germinated and was subsequently shaped into story form by Edwards and Maurice Richlin, his collaborator on the screenplay of an

## MOVIES

### "Texas Across the River"

An uninhibited comedy spoof that is more Tom Jones in spirit than Buck Jones, with a full quotient of horses and horseplay, is Universal's "Texas Across the River," photographed in Technicolor, showing Thursday, Friday and Saturday at the State Theatre.

Starring Dean Martin, Alain Delon, Rosemary Forsyth, Joey Bishop, and co-starring Tina Marquand, Peter Graves, Michael, Ansara, Linden Chiles and Andrew Prine, the comedy western takes a squint-eyed look at the brawling frontier with its picaresque characters. The Harry Keller Technicolor production was directed by Michael Gordon, of "Pillow Talk" fame, from a screenplay by Wells Root & Harold Greene and Ben Starr.

Mrs. Juanita O'Connor's Weekly Home Demonstration Agent's Column

You need to replenish calories and nutrients at breakfast, Mrs. Juanita O'Connor, county home agent with the Texas Agricultural Extension Service. She points out that even if you've been resting or sleeping all night you are not completely at rest. Your body is at work; breathing, circulating blood, and contracting and relaxing muscles.

While bodies work, they use up calories and make use of nutrients already eaten. By morning, some of the essential nutrients have been used up. If these are not replenished, you feel tired, grumpy, and irritable. Job efficiency lessens and accidents are more frequent. An adequate breakfast is a must if you are to be alert and peppy during the morning.

An adequate breakfast should supply between one-fourth and one-third of the daily nutritive needs. Include some foods from each of the four food groups. Use your imagination; don't let breakfast be monotonous.

Use fresh canned or frozen juice. It's easier to get enough ascorbic acid daily if a citrus fruit is served, reminds Mrs. O'Connor.

From the bread and cereal group, choose from toast, pancakes, waffles, fruit bread, rolls, or cold or hot cereal.

The protein food might be the traditional breakfast egg. But don't forget ham, hamburgers, hot dogs, steaks, chops, Canadian bacon, as well as fish and poultry.

Milk should always be a part of a child's or teen's breakfast. Rather than a glass of milk, serve a cheese omelet, eggs baked in milk and sprinkled with grated cheese, milk nogs, buttermilk, or perhaps even cheese on a hamburger.

Don't hand down children's shoes—

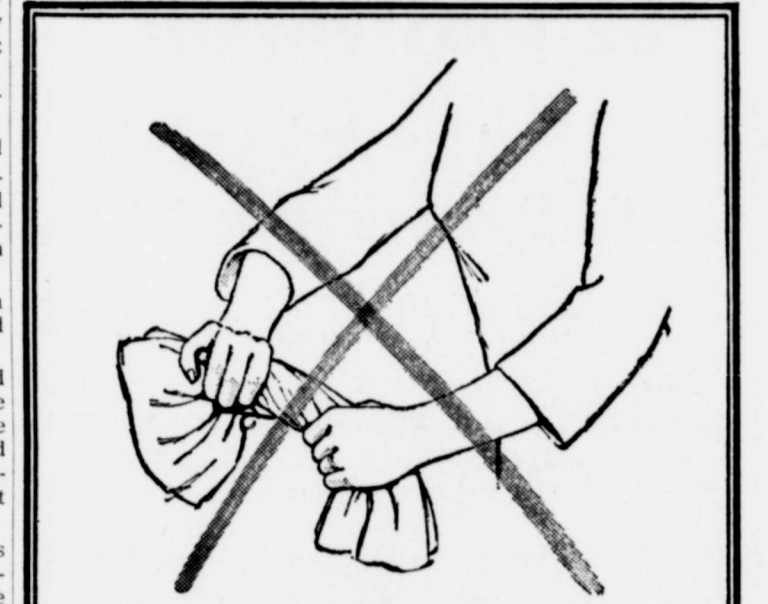

Don't be tempted to hand children's shoes down to the next child. Each child's foot is different. A good leather shoe, when new, will conform to a child's foot. Once the shoe is molded to the foot, it will not change shape. If the shoe is worn by another child, the foot will have to fit into the shoe shape. The second child's foot could be permanently damaged.

Pewter has changed—

Pewter is being shown again this year in accessories for the home. Pewter has changed. Antique pewter darkened because it contained lead, but modern pewter is made without lead. Therefore, it is tarnish-resistant and never needs to be polished. Whether its finish is bright, a soft satin sheen, or somewhere between these extremes, pewter requires only washing with hot soaps and hot rinse water, followed by drying with a soft cloth.

About Bacon—

Had you realized that there is more difference in bacon than just thickness of slice? There are several things to consider. Regular bacon comes from the underside of the hog, is sliced and packed in 1 and 2 pound packages, and is priced in three different ranges. Irregular bacon comes from the ends of the bacon slabs. It's less expensive because the slices are not as uniform and attractive, but the flavor is the same. Bacon square is cut from the jowl of the hog. It is fatter than regular bacon. Leanest of all is Canadian-style bacon, which isn't bacon at all, but one of the most expensive cuts of pork, the loin.
