

HOME TOWN Talk

By R. C. THOMAS

Winters Lions Club members could eat themselves to Ulcer City. But to say that the Winters Lions Club is a "solemn-occasion" organization and to say that the organization is a contributory factor in ulcer cases is to travel on the outer edge of absurdity!

Except for one thing, perhaps: That would have to be the tension which builds up each Tuesday in waiting for the scheduled program to begin. Especially do members begin to feel knots being tied if they notice someone taking a motion picture projector into the dining room. Then, they begin to worry because they never know just what is going to happen. Even the time a fire extinguishing demonstration filled the room with smoke was mild, accordingly.

When a film is scheduled, the Lion presenting the program usually goes to great lengths in describing it; and, usually, he is wrong and the picture is on an entirely different subject. Or when the projectionist - for - the day gets the reel on the projector, it is likely to be on backward and upside down, or the sound is fast or slow or not at all. Something is bound to happen.

Someone recently suggested that the organization make arrangements to send someone to a special school for motion picture projectionists (so they can untangle the tangle) but the suggestion didn't take. Lions like to be and feel at home Tuesday nights . . . thoroughly confused.

Neal Oakes, who sold his super market recently to "retire" for a few months of work around the house, was trimming his trees this week. The trimmed-off limbs he was putting on and in a Jeep parked at the curb. Wednesday about noon he was seen standing in the street with a bewildered expression on his face, looking at a pile of limbs. He had become so absorbed in his work that he was now trying to figure out just where the Jeep was under that pile of limbs, and trying to remember what direction it was facing when he started work.

Ed Otwell, pastor of the First Methodist Church, is herding his flock to Hord's Creek Lake next Sunday for a "Galilean Service." They'll have dinner-on-the-ground, with preaching later in the afternoon. When the service was first announced, there was a pronounced increase in sales of fishing tackle . . . some of us figured he was bringing the service to us.

Although the calendar will deny it (officially, the first day of autumn is Sept. 23), this summer is about over. If you don't believe it, just take a look at the papers. Football is a "fall" game. And already the papers are beginning to look like the season is already underway, what with the pre-season spreads and pictures plastered all over.

High schoolers have been working out for a couple of weeks now, and have been visited by the writers and predictors . . . observed just enough so that some sort of "prediction" can be made regarding the outcome of the various tussels.

(Although we turned in our "prediction" badge some time ago, we went up to take a look at the Blizzards in practice the other evening . . . and in trying to get a few pictures almost got run down . . . those boys are out to get in shape and become a workable unit, and any outsider who gets in their way - well, they just hadn't oughta. Had it not been for real mastery of the hop-skip-jump technique of evading the issue at hand, we'd have been plastered all over the turf of Blizzard Field.)

When the forecasters put their thoughts down on paper they stick to the age-old code of not going too far - between-the-lines reading always brings out the fact that the writers, when they crawl out on a limb, never take a saw. Because, as they all know, you can't tell anything about schoolboy football until after most of the games are on the scoreboard.

Concerning District 5-AA, place-pickers who predict the outcome already have chosen in this order, Anson, Colorado City, Winters, Stamford, Hamlin, and Haskell. But the limb-cutting saw has not been un-

H. L. Crowe Named "Fireman of the Year At Annual Fireman's Barbecue

Hudie L. Crowe, a veteran of 26 years in the Winters Volunteer Fire Department, was named "Fireman of the Year" during the Annual Firemen's Barbecue in City Park Thursday night of last week.

Mayor Wade White presented Crowe a plaque in recognition of his long years of service in the fire department. The selection was made by secret ballot of the members of the volunteers.

The mayor also awarded service badges to five members of the department. James Spill was given a five year badge, Jerry B. Whitlow, 10 years, Ellis Zane Moore, 20 years, and E. E. Vaughan, a service badge for 25 years of service.

Fire Chief Marvin Bedford made an annual report on the department. He said that in 1966, the Fire Department made 73 reportable fire calls, 31 of which were in the city limits, and 42 in rural areas. Some of the rural calls were some 20 to 25 miles from Winters, he said.

Chief Bedford also said that the volunteers had an 80 to 85 percent attendance record at fire drills in the year, "as good or better than any other department in the area."

Approximately 500 people attended the barbecue, which was served by members of the Volunteer Fire Department. Bill Wilson's band, a local string

Commercial-Industrial Golf Tourney At Winters Country Club Sept. 10

All commercial and industrial business firms of Winters are invited to sponsor one or more four-man teams of golfers to compete in a low-ball partnership - Commercial - Industrial Golf Tournament at the Winters Country Club Sunday, Sept. 10.

Play will cover 27 holes of golf with tee-off time set for 8 a. m. Sunday. All teams entered will tee-off by 11 a. m., with a "sudden death" play-off to be held in the afternoon to determine winners in the event of ties.

Trophies will be awarded the commercial of industrial firm sponsoring the winning team, and to the company with the runner-up team. In addition,

music group, presented country and western music. The food was provided by local businessmen and prepared by members of the Volunteer Fire Department and their wives.

Little Leaguer In Hospital After Receiving Burns

Tony Golson of Novice is in a Coleman hospital suffering from first and second degree burns received when fire damaged the kitchen of his home.

Tony was a member of the Winters Area Senior Little League baseball team which went to the state finals at Fort Worth three weeks ago.

According to reports, the fire in the kitchen of his home was started when he carried gasoline into the house to clean motor oil from a pair of trousers. The gasoline was ignited from a water heater, and Tony's clothing caught fire. He rolled in the grass to extinguish the blaze, and then returned to the burning kitchen and beat out the flames.

Observers said "quick thinking and a cool head" saved the youngster and the two-story residence.

Tony is in room 209 at the Coleman hospital.

Methodists To Hold Galilean Service At Lake

The Methodist Churches of Winters, Wingate and Crews, are planning a church-wide picnic and Galilean Service Sunday evening, August 27, at Hord's Creek Lake, the pastor of the three churches has announced.

Dinner-on-the-ground will be served at 6:30 p. m., with the Galilean worship service to be conducted at the water's edge at 7:30, the Rev. Edward Otwell said.

The service will include singing of old-time gospel hymns, special music, and preaching. The special service will be held near the dam at the lake. The public is invited to attend this Galilean service.

Winters High School Ex-Students Plan Annual Homecoming Sept. 29

The annual homecoming of the Winters High School ex-students will be held Friday September 29 at the Winters-Ballinger game at 8 p. m. Plans were made at a committee meeting Sunday afternoon at the Chamber of Commerce office.

Gayland Robinson, president, presided for the meeting and the same general outline for activities will be followed as in previous years.

A homecoming queen will be crowned in a halftime ceremony and the Golden Anniversary class of 1917 will be featured. Preceding the football game a meal will be served in the school cafeteria during the hours from 5:30 to 7:30 p. m. A nominal fee will be charged for the meal and in addition to former students and their families, anyone wishing to eat at the cafeteria may do so. Registration fee for ex-students will be 25 cents.

Trophies will be awarded to the individual low medalist of the tournament, to each of the two partners scoring the lowest low-ball total for the tourney, and to each of the partners scoring the second lowest total low-ball score for the tournament.

Snacks, sandwiches, coffee and cold drinks will be available at the clubhouse for players, guests and spectators. Firms desiring to sponsor teams in this tournament are asked to contact Jiggs Nichols, Committee man arranging the tournament are Art McLemore, chairman; Jiggs Nichols, Ed Roller, George Hill, Wayne Stone, Jim West, and Clarence Shade.

The following committees were appointed: Nominating, Frances Campbell, Nell Colburn and Buford Baldwin; Queen Presentation, Mrs. John Gardner and Mrs. George Poe; Registration, Mrs. Willis Davis, Mrs. E. Z. Moore, Mrs. Frank Brown, James Brown, and Student Council members. Buford Baldwin will announce for the class at halftime ceremonies. After game reception, John Gardner, Dennis Poe and Bill Robinson. All committee members will be on hand to greet the homecoming visitors.

"Dateline: Tanzania" "White Fathers" PC Volunteer's Closest Friends During Africa Stay

BY BILL PUMPHREY

One of the greatest assets a person can have at home or abroad is friends. We've been fortunate in having many friends at Chunya and I'm certain that our closest friends are the White Father missionaries.

I "discovered" the White Fathers by accident when I went to a teachers' conference one day in 1965. They invited me for dinner and I was soon a frequent visitor at the mission. We spent our evenings together discussing world events, books and other academic subjects. Father Ryce, a Scotsman, is an avid fan of Sir Winston Churchill and he does a great job of quoting Churchill's speeches—with about the same enthusiasm and vigor they must have had originally. Father Bradley, also a Scotsman, is a sportsman and keeps better informed on U. S. Sports than most Americans. He has a last-minute score for us nearly every time we see him. Father Peter, a French-Swiss missionary, is a hunter and an artist. He is a whirlwind of energy and constantly stays busy painting, drawing or building something. Jim, my fellow Volunteer, is Catholic so I am the only Protestant in the group. The Fathers have a wonderful sense

Student Council Will Host Party For WHS Students

The Winters High School Student Council will host its annual back-to-school coke party Tuesday night, August 29, at 7:30 on Blizzard Field.

Freshmen, new students, and faculty members will be given name tags and students will be able to get acquainted before school starts. Cheerleaders will lead the group in several new yells.

All Winters High School students are invited to attend this informal event.

The Student Council plans an opening assembly for Thursday morning, August 31, to acquaint the student body with its new students, faculty and council members.

Officers of the Student Council for the year are Danny Kilough, president; Randall Boles, vice president; Mike Pumphrey, secretary; Jimmy Vaughan, pianist; and Jean Mostad, song leader.

C. of C. to Sponsor Coffee For Faculty Members Monday

The Winters Chamber of Commerce will sponsor a coffee for members of the school faculty, the school board, school administrators and employees, and other interested school patrons, as a part of the pre-school faculty meeting next Monday, August 28.

The pre-school meeting of the faculty will be held in the cafeteria beginning at 9. Carroll Tatom, school superintendent, said. All members of the Chamber of Commerce have been invited to attend this first meeting of the school faculty and administrators.

Bow Shooters Plan Competition Meet For Sunday

The Runnels County Archery Association is scheduling an unofficial club shoot for Sunday, August 27. The shoot will begin at 2 p. m. on the organization's range south of the Winters Lake dam.

The public is invited to attend the shoot at the 14-target range. Members of the organization are preparing for the State meet which will be held in September.

Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 33, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 33. The Accounting Officers of this State shall neither draw nor pay a warrant upon the Treasury in favor of any person for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust, or profit, under this State, except as prescribed in this Constitution. Provided, that this restriction as to the drawing and paying of warrants upon the Treasury shall not apply to officers of the National Guard or Air National Guard of Texas, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the Air National Guard, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, and the Organized Reserve of the United States, nor to retired officers of the United States Army, Air Force, Navy, and Marine Corps, and retired warrant officers and retired enlisted men of the United States Army, Air Force, Navy, and Marine Corps. It is further provided, until September 1, 1969, and thereafter only if authorized by the Legislature by general law under such restrictions and limitations as the Legislature may prescribe, that a non-elective State officer or employee may hold other non-elective offices or positions of honor, trust, or profit under this State of the United States, if the other offices or positions are of benefit to the State of Texas or are required by State or federal law, and there is no conflict with the original office or position for which he receives salary or compensation. No member of the Legislature of this State may hold

any other office or position of profit under this state, or the United States."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air Force Reserve, and retired members of the Air Force to the list of persons exempted."

"AGAINST the constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air Force Reserve, and retired members of the Air Force to the list of persons exempted."

Helen Simpson Honored With Shower at Church

Miss Helen Simpson, bride-elect of Larry Henrichs of Sweetwater, was honored recently with a gift tea in the Educational Building of St. John Lutheran Church. Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be amended by adding a new Section 13 thereto to read as follows:

"Section 13. Notwithstanding any other section of this article, the Legislature in providing for the creation, establishment, maintenance, and operation of a hospital district, shall not be required to provide that such district shall assume full responsibility for the establishment, maintenance, support, or operation of mental health services or mental retardation services including the operation of any community mental health centers, community mental retardation centers or community mental health and mental retardation centers which may exist or be thereafter established within the boundaries of such district, nor shall the Legislature be required to provide that such district shall assume full responsibility of public health department units and clinics and related public health activities or services, and the Legislature shall not be required to restrict the power of any municipality or political subdivision to levy taxes or issue bonds or other obligations or to expend public moneys for the establishment, maintenance, support, or operation of mental health services, mental retardation services, public health units or clinics or related public health activities or services or the operation of such community mental health or mental retardation centers within the boundaries of the hospital districts; and unless a statute creating a hospital district shall expressly prohibit participation by any entity

other than the hospital district in the establishment, maintenance, or support of mental health services, mental retardation services, public health units or clinics or related public health activities within or partly within the boundaries of any hospital district, any municipality or any other political subdivision or state-supported entity within the hospital district, may participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, public health units and clinics and related public health activities and may levy taxes, issue bonds or other obligations, and expend public moneys for such purposes as provided by law."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, public health units or clinics or related public health activities, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."

"AGAINST the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."

Mrs. Tom Franks Died Sunday, Rites Here On Monday

Mrs. Tom Franks, died in Winters Municipal Hospital at 3:40 Sunday afternoon, August 20, following an illness of one month. At the time of her death she had reached the age of 94 years and 11 months.

Funeral services were held at Spill Memorial Chapel at 4 p. m. Monday, with Dr. Woodrow Wilson of Abilene officiating. Burial was in the Campbell Cemetery in Nolan County under direction of Spill Funeral Home.

Born Mary Isabel Minton Sept. 15, 1872, in Casey County, Ken., she came to Texas in 1886, settling with her family in Nolan County. The following year she moved to New Mexico, and at Magdalena, N. M., she married Tom Franks Nov. 28, 1887.

Following their marriage, Mr. and Mrs. Franks returned to Nolan County where he was engaged in farming and ranching. Mr. Franks died in 1948, and Mrs. Franks continued managing the farms until the time of her recent illness.

Mrs. Franks spent 80 years in the Hylton Community in Nolan County and was active in community affairs. A daughter, Mrs. Rena Arnold, preceded her in death in 1965. A son, Joe Franks, died in 1956, and a grandson, Pete Franks, died in 1966.

Survivors are one daughter, Mrs. George Wash of Wingate; a daughter-in-law, Mrs. Joe Franks of Wingate; three grandchildren; and five great-grandchildren; two great-great-grandsons.

Pallbearers were L. O. Byrd, C. Carpenter, Leon Shedd, E. R. Henson, John Hipp and Duncan Hensley.

CARD OF THANKS

I wish to express my sincere appreciation to all for the lovely cards and letters of good wishes, for the beautiful flowers and gifts during the weeks I spent in the hospital. It was so nice to be remembered. To every one again we say, "Thank You." May God bless each and every one. Judge and Mrs. Rumpy. Itp.

State Capital Highlights—

Changes In State Drivers' License Law Go Into Effect August 28

By—Vern Sanford Texas Press Association

Major changes in state drivers' license law go into effect on August 28.

At the same time, inspection of additional auto equipment will be required, and minimum fee for vehicle inspections will be raised to \$1.75. Inspections for the 1968 sticker will continue until April 15, the usual deadline.

Under the new law, front seat belts will be required on all cars which have belt anchorages as part of original equipment. Steering mechanism, wheels and rims also will be added to inspection items.

Other changes effective next week include: Licensing law raises minimum age to 16 for those who have completed a driver's education course and to 18 for those who have not had approved training.

Minimum age for operating a motor scooter has been raised to 15, and a special examination will be required after January 1 to operate a motorcycle.

All licenses issued to persons under 21 will be stamped "provisional" and may be suspended if the operator is convicted of two traffic law violations in a 12 month period. (This provision effective January 1.)

Motorists convicted of driving without a license will be subject to a fine of up to \$200 for (first offense) are subject to first suspension of 12 months (18 months for later offenses) and may be required to attend a program of rehabilitation for

problem drivers. Driving while license is suspended or revoked is punishable by fine of \$25 to \$500 or a jail sentence of three days to six months.

Stiff penalties are provided for counterfeiting or forging a license.

Department of Public Safety will in the future receive from Department of Public Welfare a list of all Texans receiving aid due to visual defects.

POLITICAL SIGNS EMERGING

First major political indicators of what is expected to be a stormy year ahead began to come into focus here last week.

House Speaker Ben Barnes and Lt. Gov. Preston Smith acknowledged that they sat down together to talk over their plans at length.

Barnes said Smith told him he plans to run for governor and encouraged him to seek the lieutenant governor's office.

Both declined to make any formal announcement of their plans until after Gov. John Connally's return from Africa about September 4.

"I am hoping things work out so there will be no big political turmoil, but I have started repeatedly my plans are not dependent on what anyone else does," commented the lieutenant governor.

"I may announce in the next few weeks, but I have to think about all this," said Barnes. "This is a political decision I am not ready to make yet."

Most observers rate Governor Connally as almost certain to seek a fourth term.

HOSPITAL BUILDING SIGNALLED

Texas Mental Health and Mental Retardation Board has approved \$3,200,000 in construction priorities and set aside \$3,000,000 for the Dallas Neuro-psychiatric Institute.

Major items include \$500,000 for an institute for human growth and development of Austin State School; \$397,828 for a rehabilitation building at Kerrville; \$388,859 for air conditioning at a Terrell unit; and \$290,459 for a recreation building at Abilene.

Grants in aid were approved for these community health centers: Austin-Travis County, \$392,815; Edinburg, \$102,024; Beaumont-Port Arthur, \$305,000. Contracts also were made to assist in developing community centers in Abilene, Amarillo, Brownwood, Harlingen, Texas, Kanna, Dallas, and San Antonio. Contract services were continued with individual physicians or hospitals in Amarillo, Corpus Christi, El Paso, Houston, Lufkin and San Antonio.

ATTORNEY GENERAL SPEAKS

Atty. Gen. Crawford Martin said it is up to each individual school district to decide if it wants to adopt the new "tenure" or "continuing contract" law for its teachers. However, once adopted, the tenure plan (protecting teachers against firing without cause) becomes mandatory.

In other recent opinions, Martin has held that: Insurance issued to an individual under a group policy does not become incontestable under the insurance code until two years from the date the person becomes insured under a master policy.

District judges and district attorneys can claim full reimbursement for official travels out of county of their residence, effective September 1.

Railroad Commission employees representing their agencies at a Texas Historical Survey Committee-sponsored dedication ceremony.

A public weigher may not conduct weighing operations outside the area in which he was elected or appointed; deputy weighers need not be actual residents of the area they serve.

Cities under 185,000 population cannot pay any portion of firemen's personal obligation as contribution to relief and retirement fund.

Texas Employment Commission may contribute state funds to the premiums of its employees' group insurance coverage; but under these conditions, Commission must secure the contract of insurance, be the policy-holder and pay the contributions to the company.

Writ of possession on property sold at a tax sale may be issued to the purchaser after expiration of 20 days from end of redemption period.

State agencies must make purchases of goods manufactured by the prison system through the Board of Control; political subdivisions may purchase directly from prisons but Board must set manufacturing specifications.

OIL OUTPUT REMAINS HIGH

Texas Railroad Commission maintained August's high oil production allowable for September — 54 per cent of potential.

September figure allows for maximum production of 4,075,231 barrels daily, unchanged from August.

Allowable has zoomed following Middle East oil crisis. It was 33.8 per cent in May, 35.9 per cent in June, 42.9 per cent in July and 54 per cent in August.

Nominations to purchase oil from major buyers came to 3,406,451 barrels a day for September, an increase of 383,041 over August. Bureau of Mines predicted the demand for Texas crude in the coming month would be 3,525,000 barrels a day.

SHORT SNORTS

Parks and Wildlife Commission has set goose hunting dates for October 24-January 6; duck and coot season, November 16-January 6 and reduced bag and possession limits for white-fronted and Canada geese.

Lt. Gov. Smith set a special election for November 11 in Cameron County to pick a successor to veteran Rep. Maurice Pipkin of Brownsville who will become executive director of the Judicial Qualifications Commission, effective September 1.

Nine Texas colleges and universities have received more than \$12,700,000 in construction funds over the last three years from the federal government.

Austin Assistant City Attorney Dudley Fowler joins the staff of Attorney General Martin as an assistant in the A. G.'s highway division.

W. Sale Lewis is new State Savings and Loan Commissioner. Miniature citrus plants may soon be legally imported under strict controls — except in citrus-growing Cameron, Hidalgo, Willacy, Starr, Dimmit and Zavala counties.

Bill Cobb, Governor Connally's budget director, has

been elected president of National Association of State Budget Officers at its 23rd annual meeting in Lexington, Ky. Some 73 applications filed by Texas towns for more than \$1,000,000 in matching funds for airport improvements and construction will be considered here September 19 by the Texas Aeronautics Commission.

GOOSE ISLAND PROJECTS UNDERWAY

Contract to dredge and mark a 5,500-foot boat access channel at Goose Island State Recreation Park, 10 miles northeast of Rockport, has been awarded by the Parks and Wildlife Department.

Final plans now are being drawn for a 1,620-foot lighted fishing pier on Goose Island's eastern tip. Channel will extend eastward from the boat ramp near the headquarters building in the park and connect with St. Charles Bay Channel.

Completed channel will be five feet deep, 20 feet wide and will permit users of the boat ramp at Goose Island State Park access to St. Charles Bay Channel and other fishing waters in St. Charles and Aransas Bays.

"The Mummy's Shroud"

"Frankenstein Created Woman"

For fans of horror movies a double bill that should delight—as well as send chills up the spine—is scheduled to show Friday and Saturday at the Fiesta Drive-In Theatre. It consists of the latest Frankenstein adventure which is "Frankenstein Created Woman"—and the latest mummy scare—"The Mummy's Shroud."

Peter Cushing returns for the fourth time as the gifted and indestructible Baron who has a knack for creating monsters. This time he creates an exceptionally beautiful woman—but she too turns out to be destructive. The role is played by glamorous newcomer Susan Denberg.

"The Mummy's Shroud" relates how a group of archaeologists bring forth a curse when they go exploring into forbidden tombs in Egypt. The cast is headed by Andre Morell, John Phillips, David Buck and Elizabeth Sellars.

Both films are in color and are productions of Seven Arts-Hammer released by 20th Century-Fox.

"How To Succeed In Business Without Really Trying"

"How To Succeed In Business Without Really Trying," film version of the Pulitzer Prize winning musical comedy, shows in Color by DeLuxe and Panavision Sunday, Monday, and Tuesday, at the Fiesta Drive-In Theatre, through United Artists release. Starring Robert Morse, Michele Lee and Rudy Valle—the movie is a Mirisch Corporation presentation produced, directed and written for the screen by David Swift.

One of the longest running shows on Broadway (1,415 performance) "How To Succeed In Business Without Really Trying" is a multi-award winner that has toured the world before becoming a cinematic package of song, dance and satire aimed at big business mores and manners.

Cautioning audiences to see the picture before their bosses do, United Artists claims it is the only film to guarantee them a better position!

Merrikay Gabbert Of Mart Honored At Bridal Shower

Complimenting Miss Merrikay Gabbert of Mart, bride-elect of Forrest Shade of Winters, a bridal shower was given Saturday evening, from 7:30 to 8:30, in the home of Mr. and Mrs. W. T. Davis, 200 Roselane.

Co-hostesses with Mrs. Davis were Mesdames H. H. McCreight, Walker Tatum, and Charis Matthies.

Colors of pink and white were given emphasis in the decorations for the table laid in pink linen, centered with an artificial tree of net with pink and white hibiscus. A miniature bride and groom beneath the tree completed the center decoration. Coffee and cherry pie supreme were served.

An arrangement of pink and white roses on the stereo and wedding bells decorated the party rooms.

Fire Auxiliary Luncheon In Otwell Home

Mrs. Ed Otwell and Mrs. Bob Hatcher were hostesses for a covered dish luncheon Tuesday for members of the Firemen's Auxiliary, in the Otwell home.

Mrs. Carson Easterly presided, and members discussed a garage sale planned for Sept. 30. Mrs. Charles Dry was appointed chairman of the sale.

Present were Mesdames Hatcher, Easterly, Otwell, Robert Carey, Marvin Bedford, J. B. Whitlow Sr., and Charles Dry.

ATTEND FUNERAL

Mr. and Mrs. R. L. Briley went to Gunnison, Colorado Sunday to attend the funeral of Joe Pat Briley who was killed in a car accident.

"Cast a Giant Shadow"

Spectacular being the word for the life of Col. St. John's Evening Circle Meeting Held In Schroeder Home

Mrs. Ervin Schroeder was hostess Monday for the Evening Circle of the St. John's Lutheran Church at the Schroeder home.

The president, Mrs. Walter Spill presided for the meeting. "He is the Way, the Truth and the Life" taken from John 14, was the topic of the Bible study led by Mrs. Charles Kruse Jr.

The group sang "More Love To Thee" and "O, For a Faith" followed with prayer by Mrs. Kruse.

Mrs. Schroeder gave the offering meditation and a free will offering was collected. Bible verses were repeated as response to roll call. Miss Minnie Belitz, secretary of education and stewardship reported the clothes which have been made and bought, are now ready to be packed and mailed to the Lutheran Indian mission.

The president appointed Mrs. Ervin Schroeder, Ruby Carter and Frances Bredemeyer to serve on the nominating committee for the election of three new officers for next month.

The meeting closed with the Lord's prayer.

Mrs. Schroeder served refreshments to Miss Helen Lisso, Miss Minnie Belitz, Miss Estella Bredemeyer, Mrs. Walter Spill, Mrs. Charles Kruse, Jr., and Mrs. Merle Wright.

FROM HOUSTON

Mr. and Mrs. L. H. Hilton, Vickie and Mike returned Wednesday to their home in Houston after a visit with relatives. They were guests Sunday in the home of Mr. and Mrs. M. E. Donica and family. Other visitors in the Donica home were Mrs. M. S. Donica of Brownwood, Mr. and Mrs. W. L. Burton, Beverly Foster, Mr. and Mrs. Bill Milliron all of Winters, Billy Burton, Bubba and Neal of San Angelo. The Hiltons were guests Tuesday night in the home of Mr. and Mrs. David Burton and Brett in Ballinger. Other relatives present were Mr. and Mrs. W. L. Burton, Mr. and Mrs. Bill Milliron, Mr. and Mrs. Tommy Burton.

Mr. and Mrs. R. H. Baxter of Albuquerque, New Mexico have returned home after a visit with her mother, Mrs. J. C. Lacy and in the Earl Cooper home the past two weeks. They also visited Mr. and Mrs. Lanny Lacy and Lonnie Lacy of Fort Worth. Mrs. J. C. Lacy accompanied them to Fort Worth.

Bridal Shower Is Compliment Given For Ann Bean Sat.

Ann Bean, daughter of Mr. and Mrs. W. L. Bean, and bride-elect of Ronald Kraatz, was complimented at a gift tea Saturday at 3:00 o'clock in the Education Building of St. John Lutheran Church.

In the receiving line Mrs. T. F. Hantsche greeted the guests and presented the honoree, her mother, Mrs. W. L. Bean, and the mother of the groom-to-be, Mrs. Walter Kraatz.

Mrs. Herman Spill arranged the beautifully wrapped gift packages on tables laid in white.

Mrs. Robert Pruser presided at the brides book where approximately fifty guests were registered.

The brides chosen colors of blue and green were featured in the table decorations. A blue flower arrangement was used in the center of the linen laid table. Appointments were of crystal and silver. Arrangements of summer flowers were used at vantage points in the room.

Mrs. Ellis Ueckert ladeled punch and was assisted in serving cookies, mints and salted nuts by Mrs. Charles Matthies.

Mrs. Herman Frick presented Mrs. T. F. Hantsche who gave a reading entitled "What Is A Wife" by Alan Beck.

Miss Bean was assisted in opening the gifts by the groom-to-be, Mr. Ronald Kraatz.

Other hostesses were Mesdames L. W. Kettler, G. W. Pruser, Sr., J. L. Shaw, Walter Spill, Robert Simpson, August Stoecker, and L. Ernst.

CARD OF THANKS

I would like to express my thanks and appreciation to the ones who were so kind and thoughtful to me during my stay in the Hendrick Hospital in Abilene. I would also like very much to really thank Winters Construction for their great kindness and to the ones that have come since I have returned home. My husband and son join me in expressing thanks. Mrs. Bobby Staggs. ltp.

State Capital Highlights—
"Medicaid" Program Scheduled To Begin Functioning September 1st

By—Vern Sanford
 Texas Press Association

State and hospital officials are confident the far-reaching new Medicaid program will begin functioning as scheduled on September 1.

Program will bring medical and hospital benefits to 350,000 needy Texans. It is authorized by the same federal law which provides medicare to old folks.

Texas Department of Public Welfare, which will administer Medicaid, estimates benefits during the first year of operation will total \$125,000,000. Federal funds will match a \$26,700,000 state outlay on a four-to-one basis.

Points to remember: Eligible for benefits are Texans on public welfare assistance rolls—old age assistance, aid to blind, families with dependent children and the totally and permanently disabled, or those eligible for such assistance who are patients at state mental and tuberculosis hospitals. (Coverage is automatic for the latter, with no application as such required.)

Services include in-patient and out-patient hospital care, diagnostic work such as laboratory fees and x-ray costs, doctor

and nursing home charges. Bills will be paid through a "fiscal intermediary." Welfare Department will contract with Blue Cross - Blue Shield to handle doctors' bills (on strict basis of prevailing charges). Hospitals will be paid actual costs as shown by audit. Blue Cross-Blue Shield will be reimbursed by the state and will receive an additional service fee. Eligible welfare enrollees will receive identification cards from the Department of Public Welfare. Cards can be presented to insure care as limited by details of the federal act (Title 19).

APPOINTMENTS

Major legislative committees have been announced. Lt. Gov. Preston Smith named the Senate General Investigating Committee with Sen. Dorsey Hardeman of San Angelo as chairman. Other members are Sens. David Ratliff of Stamford, V. E. (Red) Berry of San Antonio, Bruce A. Reagan of Corpus Christi and J. P. Word of Meridian. Smith also placed Sens. Charles Herring of Austin and Henry C. Grover of Houston on Committee on Preservation of the Governor's Mansion. House Speaker Ben Barnes

named to Natural Fiber Study committee Charlie Scruggs of Dallas, Charlie Schreiner of Kerrville, Roy Forkner of Lubbock, and Reps. Hilary Doran of Del Rio and Delwin Jones of Lubbock. Barnes put Rep. Raymond Price of Palestine on the House Interim Committee to study the Housing and Physical Care of Criminally insane persons.

Anthony R. Cartledge is new chief enforcement officer of Texas Liquor Control Board, succeeding his former boss, E. A. Gordon, who retired.

Texas Fine Arts Commission elected Ted H. Strauss of Dallas as its new chairman.

W. O. Karpendo, former Federal Aviation Administration district airport engineer, will become chief engineer of Texas Aeronautics Commission on September 21.

L. H. Prodoehl of Austin is the first director of the state-operated information, education and referral service for mentally retarded.

UNDESIRABLE FISH GET STUDY

Texas Parks and Wildlife Commission will hold a hearing Thursday (August 17) to map rules and regulations for importation, sale or release of undesirable tropical fish or fish eggs.

Staff members will present a list of undesirable tropical fish, including 11 species and several members of the snakehead fish genera. Included among "undesirables": the Aruana, three species of Piranha, the electric eel and electric catfish, Gar-pike, Pavan or Peacock bass, two species of South American catfish and the fresh water stingray. Snake-headed fish have teeth, a big mouth and appetite to match and have been known to attack humans.

DRAFT QUOTA SET

Texas' 155 draft boards have received a quota of 1,180 men for September, reports Col. Morris S. Schwartz, state selective service director. Quota compares with 1,421 for August, 974 for July, 975

for June, 885 for May and 675 April.

Draft boards will forward approximately 4,000 men in September, all for the Army.

ATTORNEY GENERAL SPEAKS

Flamingo Isles Municipal Utility District can engage in navigation and reclamation projects along the Texas coast if approved by Texas Water Rights Commission, Atty. Gen. Crawford Martin has held.

In another opinion, Martin concluded that "de-dedication" of a two acre Dallas cemetery tract, its sale to a bank as trustee of a perpetual care endowment fund and subsequent lease to a licensed funeral establishment is legal.

PAID TOO MUCH?

Sabine River Authority employees working on Toledo Bend Project are paid too much money, according to Texas and Louisiana state auditors.

More than \$46,900,000 has been spent by the two states on the giant multiple purpose dam and reservoir at Toledo Bend. Salaries since 1962 have totalled \$623,017, audit report noted.

SHORT SHORTS

Acting Gov. Preston Smith has set a November 11 special election in Harris County to fill the vacancy of Rep. Lee Duggan Jr. of Houston who resigned to accept a judgeship appointment.

New Texas Occupational Safety Board will interview applicants for the \$17,500 per year chief safety engineer's post on September 7.

APPOINTMENTS

Lieutenant Governor Smith has made these appointments: Sens. Henry Grover of Houston, George Parkhouse of Dallas and David Ratliff of Stamford to Interim Committee on State and Local Tax Policy; Sens. Henry Grover of Houston, D. Roy Harrington of Port Arthur and A. R. Schwartz of Galveston to a Special Committee to Study Texas Beaches; and Sens. Chet Brooks of Pasadena, Tom

Creighton of Mineral Wells, Barbara Jordan of Houston, Jim Wade of Dallas and Charles Wilson of Lufkin to the Study Committee on Emergency Hospital Treatment.

House Speaker Ben Barnes has made these appointments: Rep. Richard C. Slack of Pecos to the Legislative Budget Board to succeed Rep. Maurice Pipkin, who resigned from the Legislature to become executive director of the State Judicial Qualifications Commission; Raleigh Brown of Abilene to the Governor's Committee on Interstate Cooperation; Reps. Ben Atwell of Dallas, W. C. Sherman of Fort Worth and Hudson Moyer of Amarillo to the House Concurrent Committee on State and Local Tax Policy; and Reps. Charles Jungmichel of La Grange, Dean Neugent of Texas City and Gus Mutscher of Brenham to the Interim Committee for the Study of Land Uses and Environment Control.

State Finance Commission appointed Francis A. Miskell, Regulatory Loan Commissioner, to serve as Consumer Credit Commissioner, effective October 1. Post was created to administer the Consumer Credit Code passed by the 60th Legislature.

ATTORNEY GENERAL RULES

Attorney General Martin has ruled that: Personal car mileage and meals during travel on official business, office rental and parking space fees are among legal expenses which legislators now can charge to the state under their \$1,000-a-month expense allowance.

Counties now are required to pay the fees of lawyers appointed to represent juveniles in proceedings to determine whether they will be tried as adults.

County tax assessors are not authorized to require a taxpayer to use the tax rendition forms they prescribe.

Guadalupe-Blanco River Authority property, not necessary to business of the district, may be sold to either the original owner or others. But GBRA may not make improvements solely

Ex-Winters Man Killed In Car Crash in Colorado

Joe Pat Briley, 21, a former resident of Winters, was killed Sunday morning in an automobile accident near Gunnison, Colo.

Briley and four other persons died in the two-car accident. Bodies of the other occupants of the two cars were discovered immediately after the accident, but Briley was found alive in one auto as it was about to be towed away.

He was rushed to a Gunnison hospital, but died a short time later.

Briley was a passenger in one of the autos involved in the acci-

dent. No one survived the collision.

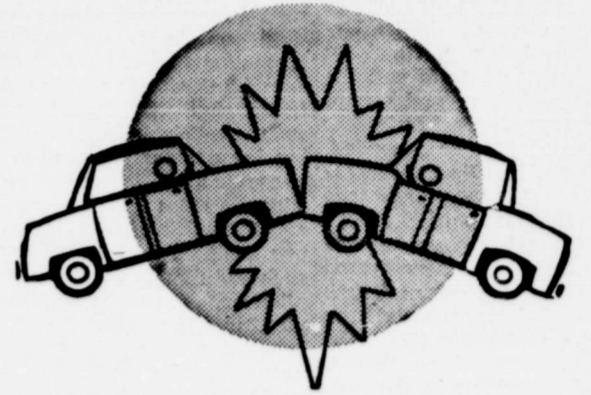

Funeral services were held in Gunnison for Briley, with burial there.

Joe Pat Briley was the son of Mr. and Mrs. George Briley of Gunnison, residents of Winters until about three years ago. His parents are the owners and operators of the Tall Texan Trailer Court and a restaurant in Gunnison.

Briley is survived by several aunts and uncles in the Winters area.

He was a graduate of Winters High School and a member of the First Baptist Church of Winters.

LEGAL NOTICE

An Ordinance to provide for the adoption of the National Electric Code Standard of the National Board of Fire Underwriters for electric wiring and apparatus for the City of Winters, creating the Office of Electrical Inspector, for licensing of electricians and for other purposes and regulating the installation of electric wiring and apparatus and other purposes.

Be it ordained by the City Council of the City of Winters, Texas:

Section 1. Adoption of Electric Code. That there is hereby adopted an ordinance for the purpose of establishing rules and regulations for the construction, alteration, removal and maintenance of electric wiring and apparatus, including permits and penalties, that certain electric code known as the National Electric Code Standard of the National Board of Fire Underwriters, being particularly the 1963 edition thereof and the whole thereof, save and except such portions as are hereinafter deleted, modified, or amended, of which not less than three (3) copies have been and now are filed in the office of the City Secretary and the same are hereby adopted and incorporated as fully as if set out at length herein, and from the date on which this Ordinance shall take effect, the provisions thereof shall be controlling in the construction, alteration, maintenance or removal of all electric wiring and apparatus within the corporate limits of the City of Winters, Texas.

Section 2. Inspector. There is hereby created the office of Electrical Inspector who shall be appointed by the Mayor, subject to the Confirmation of the City Council. The Electrical Inspector shall be of good moral character, shall be versed in the approved methods of electrical construction for safety of life and property and the National Electrical Code. He shall receive such compensation as the City Council may decide.

Section 3. Duties. The Electrical Inspector shall have the duty and is hereby authorized, empowered and directed to regulate and determine the placing of electric wires or other appliances for electric lighting, heat or power in the City of Winters and to cause all such wires, appliances or apparatus to be placed, constructed and guarded as not to cause fires or accidents, endangering life or property, and to cooperate with the Fire Marshal.

It shall be the duty of the Electrical Inspector to enforce all provisions of this Ordinance and he is hereby granted the authority to enter all buildings in the City of Winters in the performance of his duties between the hours of eight A. M. and five P. M. daily, except that in emergency and within the limits of reason, may enter buildings for such purposes at other than the designated hours.

It shall be the duty of the Electrical Inspector to inspect and/or test all electrical work and equipment or apparatus for compliance with the Code whenever electric wiring, appliances, or apparatus shall be defective or hazardous through improper manufacture of improper or insufficient insulation or for any other reason, he shall at once cause the removal of such defect or defects, at the expense of the owners of such wiring appliance or apparatus.

Section 4. Permits. No installation, alteration, or removal shall be made in/on of the wiring of any building or structure for light, heat or power or to increase the load of energy, carried by such wires or equipment, nor shall any building or structure be wired for electric lights, appliances, motors, apparatus, or heating devices nor alterations made thereto without a written permit therefor being first obtained from the City License Issuing Clerk by the person, firm or corporation having direct charge of such installation.

Section 5. Inspection. Upon the completion of the wiring, installation or alteration of any building or structure for light, heat, power, appliance or apparatus, it shall be the duty of the person, firm or corporation having direct charge of such to notify the Electrical Inspector who shall, as early as possible, inspect such wiring, installation, appliance, and apparatus and if installed, altered and constructed in compliance with the permit in accordance with the requirements of this Ordinance, he shall execute a certificate of satisfactory inspection, which shall contain the date of such inspection and the result of his examination, but no such certificate shall be issued unless such electric wiring, motors, heating devices, appliances, and apparatus be in strict accord with the rules and requirements and the spirit of this Ordinance, nor shall current be turned on such installation, equipment, appliances, motors, heating device, and apparatus until said certificate be issued. The amount of fee or charge to be made for such inspections and certificate shall be \$2.50 per inspection and \$0.25 per circuit.

Section 6. Standards. All electrical construction, all materials, appliances, motors, heating devices, and apparatus used in connection with electrical work and the operation of all electrical apparatus within the City of Winters, shall conform to the rules and requirements of the National Electrical Code current when work is performed or equipment and apparatus installed, however, the necessity, good service and said results often require larger sizes of wire, more branch circuits, and better types of equipment than that the minimum which is specified in the National Electrical Code. Therefore, the Electrical Inspector supervising the enforcement of this code shall have the responsibility and authority for making interpretations of the rules, for deciding upon the approval of equipment, materials, construction and for granting the special permission contemplated in a number of the rules and the Electrical Inspector, where necessary, shall follow the code procedure for securing official interpretations of the code.

Section 7. Licensing of Electricians. Any person, firm or corporation desiring to engage in the business of electrical construction or of the installation of wiring and apparatus for electric lights, appliances, heating or power in the City of Winters shall, before doing so, obtain a license therefor, the fee for which shall be \$5.00 per year which shall be paid into the City Treasury before such license shall become effective.

Section 8. Bond Required. Every person, firm or corporation doing electrical business in the City of Winters shall execute and deliver to the City a bond with a surety bonding company in the sum of \$500.00 to indemnify the City or any Citizen for any damage caused by the failure of such person, firm or corporation doing the electrical work to comply strictly with

the provisions of this Ordinance.

Section 9. Qualification. No license shall be issued until the party applying for same has given satisfactory evidence to the Electrical Inspector of his or their ability to do said electrical work in a safe and satisfactory manner. No permits for installation or alteration of any wiring, heating devices, motors, appliances and apparatus shall be issued until the license and bond herein required have been obtained.

Section 10. Failure to comply. Any person, firm or corporation who shall fail to correct any defects in his or her work to meet the required standards after having been given notice of the unfit condition by the Electrical Inspector, within a reasonable time, shall be refused any other permit until such defect or defects have been corrected and shall be subject to revocation of license for continual defective work or either upon conviction for violation of the provision of this Ordinance.

Section 11. Upon failure to comply with this Ordinance, the Electrical Inspector shall have authority, after due notice, to cut out electric current in the locality concerned.

Section 12. Penalties. Any person, firm or corporation found guilty of violating any of the provisions of this Ordinance shall be subject to a fine or not less than ten (\$10.00) dollars nor more than One Hundred (\$100.00) Dollars together with the costs of such prosecution, or by Imprisonment. Each day during which violation continues shall be a separate offense.

Section 13. License To Individual. Any individual desiring to perform his own electrical work personally shall not be required to make the required bond or to obtain the required license, but shall be required to obtain the regular permit for that particular job. Such work done by an individual must be done by him personally on his own particular job and not be a way of performing a service to the public generally.

Section 14. Conflicting Ordinance Repealed. All ordinances or parts of Ordinances conflicting with any of the provisions of this Ordinance are hereby repealed.

Section 15. Saving Clause. Nothing in this Ordinance or the Code hereby adopted shall be construed to affect any suit or proceeding now pending in any court, or any rights acquired, or liability incurred, nor any cause or causes of action accrued or existing, under any act or Ordinance repealed hereby. Nor shall any right or remedy of any character be lost, impaired, or affected by this Ordinance.

Section 16. Validity. The invalidity of any Section or provision of this Ordinance or of the code hereby adopted shall not invalidate other sections or provisions thereof.

The roll call for the adoption of the foregoing ordinance resulted as follows:

D. 1967, and will between the hours of 10 o'clock A. M. and 4 o'clock P. M., on the first Tuesday in October A. D. 1967, it being the 3rd day of said month, at the Courthouse door of said Rannels County, in the City of Ballinger, proceed to sell at public auction to the highest bidder, for cash in hand, all the right, title and interest which Jim Thomas had on the 27th day of August, A. D. 1965, or at any time thereafter, of, in and to the following described property, to-wit:

Being 115.58 acres of land, more or less, out of the Green Survey No. 490, Abstract 192, and Fitzpatrick Survey No. 492, Abstract 195, being described in two tracts as follows:
Tract No. I — Being 91.92 acres of land, being same land described more fully by metes and bounds in an oil and gas lease from J. P. Davidson et al to Robert B. Cockrell, dated May 8, 1952, recorded in Volume 273, Page 493, Deed Records of Rannels County, Texas, in which lease such tract was called 92 acres.

Tract No. II — Being 23.66 acres of land and being the same land described more fully by metes and bounds in an oil and gas lease from J. P. Davidson et al to Robert B. Cockrell, dated May 8, 1952, recorded in Volume 273, Page 493, Deed Records of Rannels County, Texas, in which lease such tract was called 92 acres.

ELECTRIC CONDITIONED LIVING • ELECTRIC CONDITIONED LIVING • ELECTRIC CONDITIONED LIVING

What people are saying about... A CLEAN BREAK WITH THE PAST

"Electric heat keeps mother so comfortable," says Mrs. Earl D. Tracy of Junction, Texas. Mrs. Tracy's mother, who is 90 years old, makes her home with the Tracys. Caring for her in an electric comfort-conditioned home is much easier, Mrs. Tracy says. "As you get along in years, drafts and varying temperatures in the winter time are bad. With electric heat, the room stays the same temperature, and there is no dryness like from other heating. And individual room controls allow each of us to select the temperature we like best."

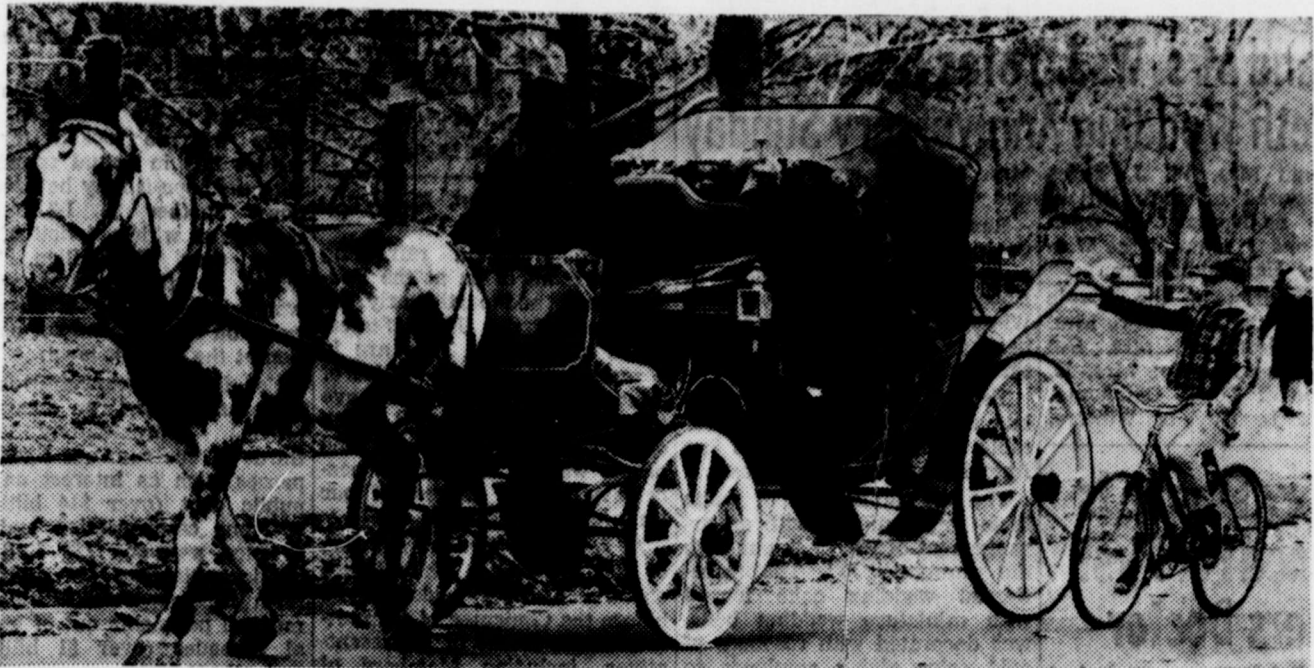

Mr. Tracy is a rancher, and is well known in and around Junction. The Tracys really live in their home—enjoy it themselves and entertain friends. Mrs. Tracy has cooked electrically for 35 years, and the Tracys have lived in total-electric comfort for two years. The cooling system is ducted-in type, the kitchen total-electric, there is an electric home laundry, water heater and two bath heaters in addition to baseboard heating. The home is of brick construction—6 rooms and two baths—and the average per month cost is only \$26.20. "Electric living is so much less expensive than I ever thought," Mrs. Tracy says.

Why don't you convert to total-electric living and see what you have to say about it?

Lois Joan Fuller, Johnny Leon Mathis Married At Hopewell Baptist Church

Lois Joan Fuller, daughter of Mr. and Mrs. L. C. Fuller Jr., became the bride of Johnny Leon Mathis when they recited their marriage vows Friday evening at 8 o'clock in the Hopewell Baptist Church at Crews. Parents of the bridegroom are Mr. and Mrs. E. E. Mathis of Route 2, Winters.

The Rev. Melvin Byrd, officiated for the double ring ceremony before the altar with tall candelabra, entwined with greenery and satin ribbon bows, with lighted cathedral tapers forming the back ground for the wedding party. Baskets of white gladiolus were at either side.

For traveling on her wedding trip to Dallas, the bride changed to a beige suit with brown accessories.

The bride graduated from Winters High School with the class of 1966. She also is a graduate from Durhams Business College in Austin with the class of March 1967. At present she is employed as secretary for Pan American Industries in Winters.

The bridegroom, also a graduate of Winters High School with the class of 1965, will be a junior at McMurry College this fall. He is employed by Uni-Tex Petroleum.

Mr. and Mrs. Mathis will be at home on Route 2, Winters.

Mrs. Carl Pearson, organist, accompanied Benny Brink, soloist.

Jimmy Adams and Richard Puckett, both of Abilene, lighted the candles and served as ushers.

Eugene Mathis was best man for his brother.

Groomsmen were Eugene Mathis, Chester Puckett, LeRoy Jones of Dallas, uncle of the bridegroom, and Johnny Denson of Houston.

Maid of honor was Lenda Fuller, sister of the bride and bridesmaids were Linda Jones of Abilene, Phyllis Ann Giles of Littlefield, cousin of the bride and Linda Schwartz of Winters.

The attendants wore dresses of yellow chiffon and their brief veils were attached to a Dier bow headpiece. They carried cascade bouquets of white feathered carnations in puffs of yellow net tied with yellow satin ribbon.

Presented in marriage by her father, the bride wore a lace wedding gown over peau de soie. The cathedral train was attached at the shoulders by a fabric bow. Her veil of illusion fell from a cluster of rose petals and she carried a bridal bouquet of gardenias and gladiolus.

A reception was held at the church following the ceremony.

The all white bride's table with linen, held the three-tiered decorated bridal cake, crystal punch bowl and floral arrangement of white gladiolus. Mrs. Jimmy Adams presided at the table and ladeled punch.

She was assisted by Mrs. Richard Puckett who served the cake. Others in the house party were Mrs. Harold Snell, Mrs. Chuck Richardson, Mrs. N. L. Faubion and Mrs. Hazel Dietz.

Historical Marker Dedication Planned At Maverick Sunday

Ranger R. R. Rohatsch of San Angelo will be the speaker at the marker dedication honoring W. H. (Billy) Brown at the Maverick Cemetery Sunday afternoon, August 27, at 4 p. m.

The marker, one of a series that record the brave deeds of Texas' lawmen, has been placed at the grave of Brown, a Texas Ranger, and the last man killed by Indians in the county. The old cemetery is a mile west of Maverick, on a country road off Highway 158.

Rannels County Sheriff Don Atkins will also speak on the Texas Rangers and give a brief history of the life and death of Billy Brown.

Herman Giesecke will be master of ceremonies and present the program. He will also introduce relatives of Mr. Brown and pioneers of Rannels and Brown Counties.

The Rev. N. T. Gault of Miles will give the prayer.

Levy Lee, owner of the property, Commissioner Marvir Sallings of Miles and his helpers along with interested citizens of Maverick and members of the Rannels County Historical Survey Committee have restored the historic cemetery for the marker dedication.

AS IT LOOKS FROM HERE

Omar Bureson, M. C.
17th District, Texas

It would be a refreshing change if all of us at the Federal level, and particularly the President of the United States, would simply say, "We are in a mess and there are a lot of things which are going to have to be done to get out of it. Much of it we don't like, but is necessary in the interest of our Nation."

At 8:30 on Thursday morning of last week at a White House conference, the President layed before the Chairmen of Committees of the House of Representatives, including Members of the Appropriations and Ways and Means Committees, the fiscal situation now immediately facing us.

Unless certain things are done it is estimated there will be a \$29 billion deficit in fiscal year 1968. This is the period from June 30, 1967 to the same time next year.

To reduce the deficit, the President says there must be a 10 percent surtax increase. This simply means that when corporations and individuals determine the amount of tax we now pay under present rates, 10 percent will be added. Those with incomes under \$5,000 will not be affected. As an example, a family of four with a \$10,000 income would pay \$120 extra in taxes if this rate is enacted by the Congress.

This rate is calculated to raise \$7.1 billion. In addition, the President says that Federal employees' salaries should not be raised beyond the 4.1-2 percent recommended in the Budget, and that to raise it to the extent now being proposed in the Congress would cost another billion.

He also recommends the sale of \$2 billion in securities held by those Federal Agencies such as the Farmers Home Administration, Small Business Administration, Veterans Administration, and so forth.

This reduces the total estimated deficit to \$18.1 billion, and ways will be looked for to reduce this in actual spending, with the hope it may be brought down another \$4.1-2 billion, coming up with a deficit of not more than \$14 billion. This would be the amount which would have to be borrowed to carry on the Government operation at the present level.

Non-defense expenditures in Government now run about \$61 billion. Approximately two-thirds of this sum are fixed expenses such as interest on the public debt (over \$14 billion); veterans compensation and insurance pensions (\$5 billion); public assistance (\$4 billion); farm price supports (\$2 billion); medical payments out of general revenues (over \$1 billion), and others.

More than \$15 billion will be spent to complete contracts for obligations entered into in prior years. An additional \$8 billion goes to pay Federal employees' salaries.

If the steps recommended by the President are taken, and the other estimates are about as set out in his recommendations, this leaves only \$12 billion over which he can exercise much discretion in the year ahead.

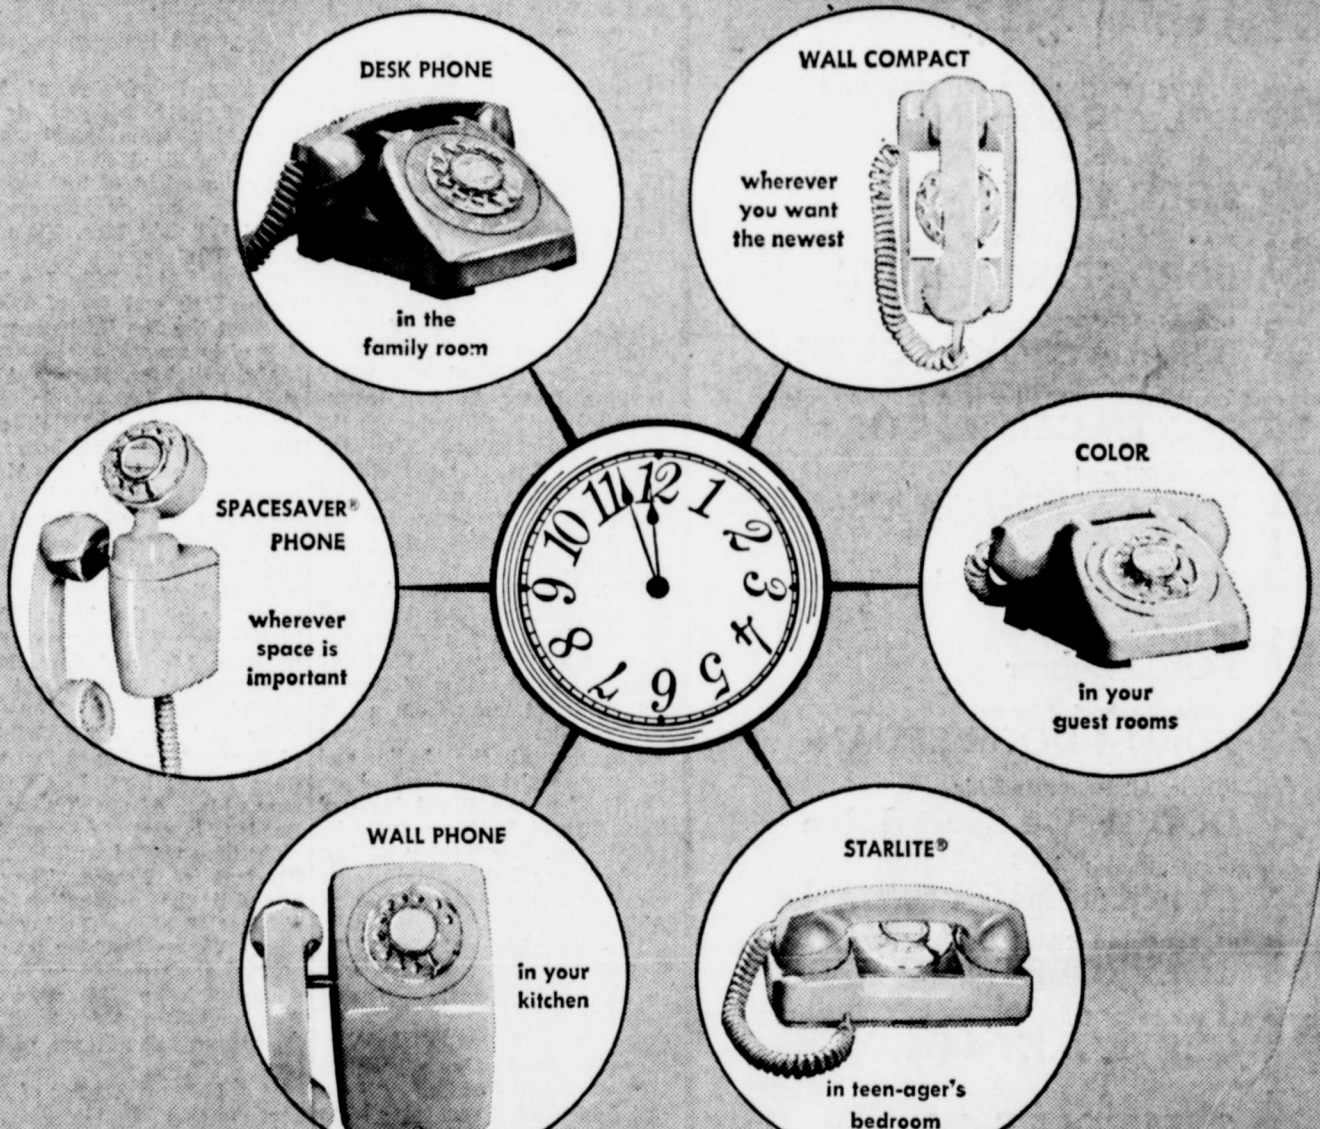

Congress needs to cut to the bone non-defense appropriations. It will have to do so if it sells the American people on a tax increase.
