## HOME TOWN Talk

By R. C. THOMAS

Most kids rejoice when school is closed for one or two days for some reason or other. Even though many of them know they will have to make up any shortage, they figure that a "bird in the hand..." and will face the "day of reckoning" when it comes.

Now, the school board will be casting about for that "day of reckoning," even though this is a Leap Year with its extra calendar day.

Ice-covered roads and bitter cold forced the Winters schools to close for two days this week—and used up the last extra day which had been calendared for this school year, plus a day. Requirements are that school be held 175 days each year. Before school started last year, the school board designated 177 days in which school would be held—the two extra days as a backlog to take care of any emergency.

The first emergency arose a couple of weeks before Christmas, when an ice storm forced closing of the schools for one day. (One extra day used, one extra day left.) Then along came the sleet storm on Sunday night—and schools were closed on Monday. (There went that extra day.) Roads still were in bad condition Tuesday morning, so school did not take up. (Another day lost, and none designated to take up the slack.)

Carroll Tatom, superintendent of the Winters Schools, said this week that there are three alternatives to consider in making up this lost day:

—March 8 has been set aside as a school holiday, to permit teachers to attend the Texas State Teachers Association convention. This day could be used to fill in, in an emergency.

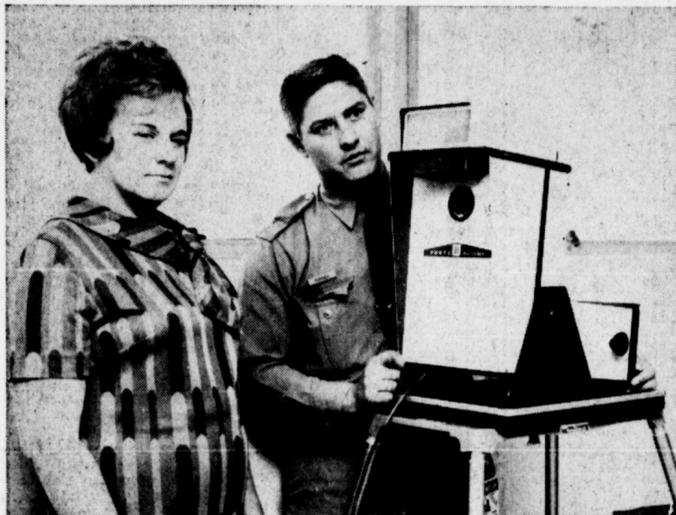

—The calendar calls for school to be dismissed on Wednesday before Easter, for the Easter holidays. School could continue through Thursday, to make up for the lost day.

—According to the original calendar, Wednesday, May 22, will be the last day of regular school for this year, with a teachers' work day on May 23, and students returning to get report cards on Friday, May 24. This could be changed so that the last day of regular school would fall on Thursday, May 23, teachers' work day on Friday, 24th, and students returning the following Monday for report cards.

As of Tuesday of this week, Supt. Tatom didn't know just what would be done about it—what date would be picked for the make-up. But he did mention the fact that this winter is far from over—there could be more ice storms, or heavy snow storms, before spring arrives, and there could be several days to make up before the doors are closed for the summer.

The increase in postage rates, effective over the last weekend, was cause for some consternation. We know of one letter which was stamped with an 8 cent air mail stamp in Abilene, and addressed to Winters. Because air mail had increased to 10 cents from the time the letter was mailed until it was delivered in Winters, the addressee had to pay another 2 cents to get it out of the post office. It started out as an air mail letter, and by golly, it stayed that way... in spite of the fact it was never in the air and rode the 38 miles in a pickup truck.

Seemingly seeking a coveted spot among the fast-changing headlines and perhaps a mention by some syndicated columnist, there are some politicians who are beginning to question the seriousness of the "Tonkin Gulf Incident"—a happening which served to pull the U. S. deeper into the Vietnam situation. Notwithstanding the already well-publicized eyewitness accounts of this particular sea-battle incident. Now we probably can expect to hear claims that Pearl Harbor was a slight misunderstanding, and that the Battle of the Bulge was really only a wintertime frolic by a few thousand soldiers out on a lark.

NEW LICENSE—Mrs. Dorothy B. Bomar was one of the first Winters drivers to apply for renewal of drivers' licenses under the new statute which requires a color photo of the driver to be affixed to the license. Patrolman Kenneth Turner of the Texas Department of Public Safety was the officer in charge of license issuance, and operated the portable color camera. The patrolman was in Winters last Thursday, and will be here on the first, third and fifth Thursdays of each month to give examinations and take pictures for licenses. An eye test also is one of the new requirements when applying for new or renewal of licenses. (Photo by Little)

## Drive Now On To Register Voters, New Laws In Effect For '68 Elections

This week marked the opening of a statewide newspaper campaign organized by Secretary of State John L. Hill to promote voter registration in Texas. One feature of the registration drive is the publication of an application form which voters may cut out and mail to the county tax assessor-collector, who acts as the registrar of voters. The form is printed in this week's Enterprise. The deadline for registration is January 31.

Hill has organized the registration drive in his capacity as chief election officer of the state, a title which the Texas legislature conferred on the Secretary of State last year, along with placing upon him important new responsibilities in the administration of the state's election laws. In commenting on his purposes to publicize new laws affecting voting rights, which otherwise might go unnoticed by the average citizen.

One of the new laws enacted in 1967 makes registration necessary for the first time in Texas history, for persons over 60 years old who live in rural communities and towns under ten thousand population. Heretofore, persons over 60 were required to register only if they lived in a city having more than ten thousand inhabitants. Many tax assessor-collectors have expressed a fear that lack of information concerning this new requirement will bring about disfranchisement of many el-

## Most Telephone Numbers Will Be Changed Feb. 4

All businesses in Winters will have new telephone numbers after February 4. And most residential telephones in this area will have new numbers.

This announcement was made last week by Southwestern States Telephone Company. The number change will become effective at the same time Expanded Direct Distance Dialing (EDDD) will be made available to telephone subscribers in Winters. The change is due to the installation of new central office equipment, the phone company said.

A few residential numbers will remain the same, in Winters and in rural areas serviced by the company, a spokesman for the company said. Subscribers received notice of the change of numbers last week, along with a new number sticker for their telephones. In the notice, the company said that all telephone users in Winters will be able to dial telephone numbers in distant cities direct. The addition of EDDD equipment is a part of the nationwide plan for making long distance service faster and easier.

The company asked subscribers to continue use of their present numbers and the present directory until Sunday, Feb. 4, and after that time use the new number and the new directory. The new directory will include complete EDDD instructions, they said.

## MOD Campaign To Include A Football Drawing

Early this month the Dallas Cowboys professional football club donated to the Runnels County March of Dimes a regular, game-size football, autographed by all of the Cowboy players, to be given in a drawing during the current March of Dimes campaign.

Tickets for this drawing are now available locally at Heidenheimer's, Fashion Shop, Winters Flower Shop, Spill Brothers Co., Western Auto, Bahlman Jewelers, Main Drug, West Texas Utilities, Lone Star Gas, and Smith Drug Co. The drawing will be held at KRUN radio station January 25.

Also planned for the March of Dimes campaign will be a county-wide "Coffee Day." Restaurants and drug stores throughout the county will be participating in this project by giving their proceeds from coffee sales to the March of Dimes.

The annual Mothers' March will be held in Winters and throughout the county Tuesday evening, January 23. The women participating in the Mothers' March will go from door to door seeking donations for the March of Dimes. Any woman desiring to join in the March is asked to contact Mrs. Ted Meyer, chairman of the Mothers' March.

Mrs. Luther Minzenmayer, chairman for canvassing business and industry locally, is now contacting merchants and businessmen.

## Teacher Resigns, One Employed By Winters Schools

The school board of the Winters Independent School District Tuesday night accepted the resignation of Mrs. Pauline Frost, seventh grade social studies teacher, and employed Miss Carolyn Schrader as a seventh grade science teacher.

Mrs. Frost has been in the Winters school system for the past one and half years. She will leave Winters to join her husband, Airman Owen Frost at Keesler Air Force Base, Biloxi, Miss. Mrs. Frost has been employed by the Ocean Springs Public Schools in Mississippi as a seventh grade teacher.

Miss Carolyn Schrader, a January graduate of Howard Payne College, has been hired, Superintendent of Schools Carroll Tatom announced. She is a 1964 graduate of Priddy High School, and her parents reside on Route 4, Comanche. She holds a bachelor of science degree in science and will teach seventh grade science in the local school.

## Cold Weather Fails To Chill Interest In Annual Junior Livestock Show Here

Biting cold or wet weather is considered "normal" during the Winters Junior Livestock Show each January.

This year was no exception. Blue-northern conditions and sub-freezing temperatures failed to chill the enthusiasm of exhibitors and spectators alike, and what was described as "one of the biggest and most successful" livestock shows in many years was conducted without a hitch.

In addition to ribbons, trophies and prize money for all entries, winners in the different divisions were awarded bonus payments by individuals and businesses in Winters and Wingate, through the Winters Chamber of Commerce.

The bonus money was presented to exhibitors of the grand champion and reserve champion, plus first place winners in the six categories of the swine division; grand champion, reserve, and first place winners in the six categories of the sheep division.

## James W. Little Awarded Bronze Star For Heroic Action In Vietnam Battle

First Lieutenant James W. Little of Winters has been awarded the Bronze Star with "V" device for heroism in action against the Viet Cong in Vietnam.

The specific action for which Lt. Little was decorated took place on July 12, 1967, near Quan Loi, South Vietnam. He was assigned to Co. C, 1st Battalion, 26th Infantry, at that time.

Lt. Little is the son of Mr. and Mrs. Bud Little of Winters. He graduated from Winters High School in 1961, and enrolled in Texas Technological College at Lubbock. After receiving Reserve Officer Training in college, he was commissioned a Second Lieutenant in May, 1966. He went on active duty with the U. S. Army August 16, 1966, and received further training at Ft. Benning, Ga., where he graduated from mortar school. He received advanced training at Ft. Carson, Colo. He was awarded the Good Conduct Medal and Expert rifle medal while at Ft. Benning.

Lt. Little went to Vietnam June 18, 1967, as a rifle platoon leader of Company C, 1st Battalion, 26th Infantry. He was transferred in October as a fire instructor to Lighthouse Assault Battery, 8th Battalion, 6th Artillery, 1st Infantry Division.

His wife and two small sons, Michael and Matthew, are making their home in Lubbock while he is overseas.

The citation accompanying the Bronze Star was signed by J. H. Hav, Major General, USA, and reads:

"For heroism in connection with military operations against a hostile force: On this date (July 12, 1967), the battalion's night defense position near Quan Loi was subjected to an intense Viet Cong attack. The entire area was raked with enemy mortar, recoilless rifle, and automatic weapons fire. Lieutenant Little unhesitatingly moved through the hail of incoming fire to direct his men's fire on the advancing insurgents. One sector of the perimeter was breached by Viet Cong. With complete disregard for his personal safety, Lt. Little led several of his men to the perimeter and forced the enemy to retreat from this sector. After deploying his men, he ran 50 meters across an open area to direct the fire of a machine gun crew. Through his dynamic leadership the friendly unit soon gained its superiority and routed the Viet Cong. His bold initiative and dauntless courage significantly contributed to the overwhelming defeat of the large hostile force. First Lieutenant Little's outstanding display of aggressiveness, devotion to duty, and personal bravery is in keeping with the finest traditions of the military service and reflects great credit upon himself, the 1st Infantry Division, and the United States Army.

## Hundred 'Shares' Sold For Bonuses In Livestock Show

Sixty-six individuals and businesses purchased 100 "shares" in a plan sponsored by the Winters Chamber of Commerce to provide money for "bonus" payments to winning exhibitors in the Junior Livestock Show here Saturday.

The Chamber of Commerce had pledged \$1,000 to be awarded as bonuses to winners, and then sold the "shares," with the cost of each share to be determined by the number sold. For this year's show, 100 shares were sold, levelling the cost to \$10 per share. According to Chamber of Commerce spokesmen, this was the highest number of shares sold since the plan was adopted three years ago. The plan replaces the auction of winning livestock at the annual show.

The Livestock and Agriculture committee of the Chamber of Commerce sold the shares.

Individuals and businesses purchasing shares in the plan, and the number of shares purchased, were as follows:

Miss Janice Pierce, daughter of Mr. and Mrs. Jack Pierce, was elected sweetheart of the Volunteer Fire Department, and the Rev. Edward H. Otwell, pastor of the First Methodist Church, department chaplain.

Firemen's pension board members elected were: Willie E. (Bob) Wilson, three-year term; James Spill, two-year term; and one-year term, Marvin Bedford.

## Blizzards Play First District Game Here Friday

The Winters Blizzards will open their District 5AA season this Friday night in Blizzards gym against the Colorado City Wolves. The two teams have met once previously in the Lakeview tournament. In that game the Blizzards lost by three points.

In pre-season prognostication the Wolves have been picked to win the district crown. They come into the season as the favorites having several starters back from last year and having chalked up an impressive pre-district record.

In the first encounter between these two clubs, the Blizzards held their own for three quarters. A cold fourth quarter spelled defeat for the Winters squad. At the end of three quarters the Blizzards led by the score of 43 to 36. In the fourth quarter the Wolves of C-City hit for 16 points while the Blizzards were able to make only 6.

The Blizzards come into this first district game with a 4 and 18 record. The four wins have been over Lakeview, Robert Lee, Borden County, and Ballinger. Five of the games that were lost by five points or less.

The game promises to be a real battle from the opening whistle as the Blizzards want to avenge the previous three point loss.

## ATTENDED FUNERAL

Frances Campbell, Mr. and Mrs. Mord Tucker attended the funeral of J. C. Duncan in Arlington Thursday of last week. They visited in the home of Mr. and Mrs. Bob Duncan at Arlington while there. Mrs. Duncan is the daughter of the Tuckers.

## Winters Lions Chili Supper On Friday, Jan. 26

The annual chili supper sponsored by the Winters Lions Club will be held Friday night, January 26, in the school cafeteria. Tickets may be obtained from members of the Lions Club, or at the door.

The Winters Blizzards will play a district 5-AA basketball game on the evening of January 26, meeting Anson's A and B teams here.

## Box Supper At Wingate Will Support MOD

A box supper will be held in the Wingate school auditorium Saturday, January 13, beginning at 6:30 p. m. to raise funds for the March of Dimes.

Auctioneer for the box supper will be Clifford Fry of Rowena. Proceeds from the affair will go to the March of Dimes drive.

Also, Dr. James I. Cook of Ballinger will speak on Birth Defects and a film will be shown during the evening. Entertainment will be provided by the Forgotten Patriots. Members of this group are Bill Modsett, Jerry Tischer, Darrell Hill, Danny Reel, Jimmy Fine and Ron Miles.

For the sale, boxes will be divided into age groups: 3-6, 7-10, 11-13, and teenagers-adults. All ladies and girls of the community are being asked to bring boxes.

Those assisting Mrs. L. B. Watkins, chairman of the Wilmeth and Wingate March of Dimes campaign, are Mrs. M. B. Folsom, Mrs. E. F. Albro; James Williams, principal of the Wingate school; the Wilmeth Friendly Helpers Club; Wingate Sew and Sew Club; Wingate Arts and Crafts Club; Wingate 4-H Clubs; Gaters Tops Club; Teenage Helpers.

Everyone in the surrounding communities is invited to attend this box supper.

## Railroads Paid \$16,380 Taxes In Runnels County

Current annual taxes paid to the various government agencies by Texas railroads in Runnels County totaled \$16,380, it has been announced by the Texas Railroad Association.

Of this amount, the City of Winters was paid \$380.70 in taxes by railroads, and the Winters Independent School District received \$1,131.93 from the railroads.

The \$16,380 was Runnels County's share of the more than \$10,000,000 the railroads paid in Texas on their own right-of-way and other property.

## Shooters Ass'n. Wins Award From National Rifle

Winters Shooters Association has received a National Rifle Association Public Service Award for conducting a "Sighting-In Day" to prepare area hunters and their equipment for the 1967 hunting season.

More than nine hunters checked their firearms for safety, "sighted them in" for accuracy, and reviewed the fundamental principles of hunter safety to reduce the possibility of accidents and improve chances of hunting success in the field.

The club is one of hundreds throughout the country that conduct the NRA Sighting-In Day program each year. The NRA-affiliated clubs open their ranges to sportsmen prior to the hunting season as part of the overall hunter safety program that has continually reduced the hunting accident toll and increased hunting skill.

## BABSON'S POINT OF VIEW

### Set-Income Retirees And Inflation

Housewives in all income brackets are acutely aware of the climbing prices in food, clothing, shoes, services, just about whatever they buy. But the ones who really are at the mercy of price inflation are the retirees, those with no extra family income, no raises, no stretch in their budgets. How are they going to make out? How can they keep their expenses down to a reasonable level?

### Planning Ahead Is A Must

With such people — most of them 60 years old and more — there is a real need for meti-

culous health care, including the consumption of foods that are nourishing but within monetary reach. Most people think of meats as the prime source of proteins, and the cost of most meats may be just about prohibitive for many fixed-income older people. But there are ways of having plenty of proteins without laying out \$1.50 a pound or better for fine steaks. The cheaper cuts of many different types of meat are fully as tasty and nutritious even though they usually have to be cooked longer.

Then, too, it should be emphasized that there are many other common sources of protein, such as beans, cheese, milk, and eggs. For those who need help in planning nourishing and thrifty meals, the government has many booklets obtainable. Your local library will help you find plentiful sources of such information. Also on the shelves there will be books on sound nutrition which may open

### AN ELECTRIC WATER HEATER

Needs No Flue or Chimney Connections

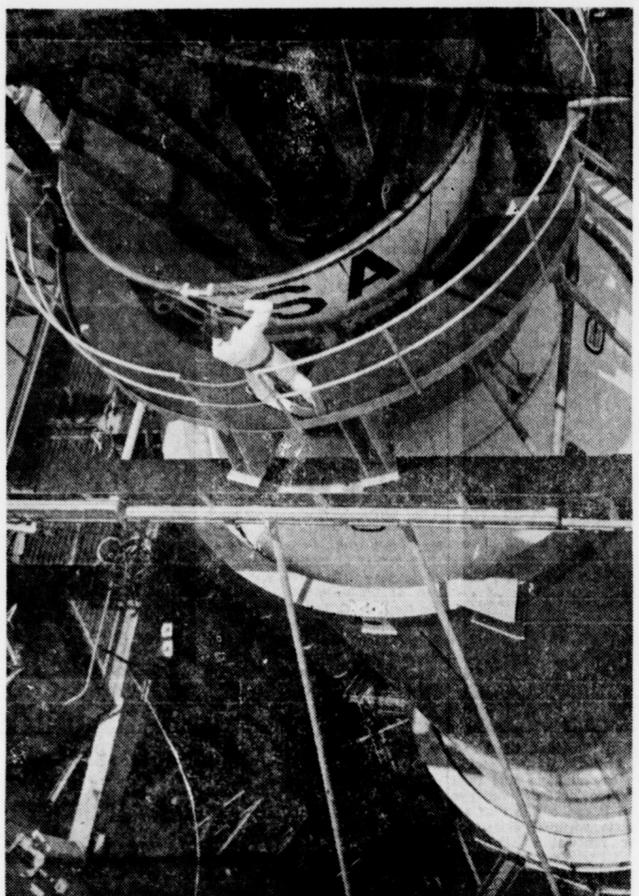

FOR PLENTY OF HOT WATER, GET AN EASY-TO-INSTALL, FLAMELESS ELECTRIC WATER HEATER. YOU CAN INSTALL IT ALMOST ANYWHERE... BECAUSE IT IS FLAMELESS, INSTALL IT IN A CLOSET, IN A CORNER, UNDER A STAIRWAY, ON A SHELF, MOUNT IT ON A WALL BRACKET, OR EVEN PUT IT WHERE AIR CIRCULATION IS POOR. IT NEEDS NO AIR SUPPLY AND NO FLUE OR VENT.

With an ELECTRIC WATER HEATER, there are no dangerous fumes, no pilot light to go out, and no odor. And, because only an electric water heater is completely insulated — top, sides and bottom — its surface stays cool to the touch, for safety.

### Illness Prevention Easier Than Cure

While balanced meals are an essential for those in the higher age groups, there are many other considerations that are worth attention in preventing costly and distressing medical outlays. An annual checkup with your regular doctor will make you feel safer from diseases that early detection may make easily curable. Weight-control programs are extremely valuable, although frequently ignored or postponed. Safety features—such as night lights in treacherous parts of the house, hand-bars on bathtubs, and non-slip rugs—may avoid broken bones and hospitalization.

### Many Paying Jobs Handy For Retirees

Many who have long looked forward to their retirement find that they would like to work at least part-time, either through restlessness or from a need for additional income. In practically every part of the country there are openings for such folk, if they will look around a bit. Men can usually find opportunities in fields formerly their forte, and often only when they feel like helping out. Women are often needed as part-timers in selling, typing, receptionist work, baby-sitting, and cooking or cleaning in private homes. Wages are generally high, and even an occasional job can boost income nicely.

### Chasing Skunks From Camp

When skunks are hanging around camp, they can be chased away by throwing several handfuls of mothballs around the camp area. Toss balls in every direction and use as many as possible. If the job is well done the skunks will leave the vicinity.

Social workers usually find that those retirees maintaining their own homes are in better

spirits than those who try to cut back too drastically. Advance planning on the part of those looking toward their retirement should take this into consideration. When a couple is parted by death, there may be a way for the widow or widower to pool resources with a relative or close friend. In this fashion the pain of loneliness and personal loss can be reduced, as well as the expenses of living during price-inflationary times. Here, again, social workers often see better results in contemporaries making a home together than in the elders moving in with young couples or in-laws.

## Blizzardettes Take Second In Trent Tourney

Winters Blizzardettes dropped a two point decision, 50 to 48 to Trent, to take second place in the Trent Girls Basketball Tournament held last weekend. This is the third tournament this year in which the Blizzardettes have taken second honors. It is also the third time that they have lost in the finals to the host team. It would seem that the Blizzardettes have trouble beating the host team in a tourney.

In the final game the Blizzardettes led by four points at the end of the third quarter. A very cold fourth quarter spelled their doom as Trent scored 14 points to the Blizzardettes 8. The girls played an excellent game throughout but it just was not to be their night. Scoring for the Blizzardettes were Carla Walker with 21 points, Dora Snell with 20 and Eileen Faubion with 7.

In their first game of the tournament the Blizzardettes scored an easy 67 to 21 win over Noodle. Seven girls broke into the scoring column as Coach Gardner played every girl she had in coasting to an easy victory.

In their second game the Blizzardettes breezed to a 40 to 28 win over Eula. In this game Dora Snell scored 15 points, Carla Walker hit for 14 and Eileen Faubion scored 11.

Babs Tatum and Mary Lynn Pritchard were chosen to the All-tournament team.

## Conservation Committee Met To Review Plans

The Great Plains Conservation Program County Committee met last Wednesday to make the annual review of the practice list and average cost for practices under the program.

Woodrow Hoffman, SCS technician, working with the Runnels Soil and Water Conservation District, is chairman of the Committee. He said the committee meets every year to make an annual review in order to keep the program current.

Other members of the committee are Barney Puckett, chairman of the Agricultural Stabilization and Conservation Service County Committee; Jake Presley, chairman of the Runnels Soil and Water Conservation District; John Curry, county supervisor of the FHA; and C. T. Parker, Runnels County Agricultural Agent.

Since the program began in December 1957, Hoffman said, 102 farmers and ranchers have signed contracts under the GP-CP with the Soil Conservation Service on 44,639 acres. And 38 have completed their conservation plans under the program on 13,256 acres. During fiscal year 1967, 21 producers signed GPCP contracts on 6,399 acres.

Hoffman stated that some \$57,000 in cost share help was earned by producers in fiscal 1967 for completing certain permanent type conservation practices such as grass seeding, terracing, livestock water facilities, and irrigation field leveling.

Hoffman said more and more farmers and ranchers are finding the Great Plains Conservation Program a faster and less costly way of solving erosion problems and making yields and income more dependable.

## Lutheran Ladies Aid Circle Held Meeting Thursday

First meeting of the new year was held by the Lutheran Ladies Aid circle, Thursday, January 4, with the president, Mrs. Walter Kraatz, presiding. Twenty-nine members and a visitor, Mrs. Lawrence Jacob were present.

Mrs. Ted Hantsche was in charge of the program. The group sang "Praise to the Lord, the Almighty," followed by the devotional given by Mrs. E. E. Thormeyer, using the Scripture reading from Galatians, 3rd verse 16th chapter.

The Bible study period for the new year will be from the Psalms, the first being Psalms 19. Members divided into 4 groups, each with a leader for the first three months. They are Mesdames Walter Gerhart, Mrs. Robert Gerhart, Mrs. Walter Kraatz and Mrs. Ellis Ueckert.

Mrs. Ueckert gave an introduction to the Psalms before the study began. On the program was a surprise number, given by Mrs. Ueckert, in which members were asked to guess the name of a hymn as she described it and a small prize was given to the person answering first, then one verse of the song was sung by the group, with Pastor Probst at the piano.

Mrs. George Pruser read a poem for members having birthdays this month. Mrs. Walter Kruse had the offering meditation and the offering was received.

During the business meeting, the secretary and treasurer, Mrs. Erwin Ueckert and Mrs. Robert Gerhart gave their reports. Mrs. Ellis Ueckert reported on the Stewardship work of the church for the new year.

The meeting closed with prayer and the hostesses serving refreshments were Mesdames Adolph Ernst, Herman Frick, Louis Ernst and Fritz Deike.

## G. L. Dunnam Died in Local Hospital Monday

Grady Louis Dunnam, 70, former grocer and cafe operator, died at 4:30 p. m. Monday, January 8, at Winters Municipal Hospital, following a stroke suffered earlier in the day.

Services were pending Wednesday at Spill Funeral Home.

Grady Louis Dunnam was born Aug. 7, 1897, at Glen Cove. He moved to Nolan County as a young man, later going to Elliasville, where he married Pearl Campbell August 19, 1924. He operated a grocery store for a number of years and later was in the cafe business for eight years.

He was a member of the Baptist Church.

Survivors include the wife; eight sons, R. G. of Big Spring, Bobby Joe of Graham, Dennis Ray of Ballinger, Jerry Wayne of Abilene, Jimmy Lynn of Santa Barbara, Calif., Kenneth, serving with the Armed Forces in Vietnam, J. B. and Ronnie, both of Winters; one sister, Mrs. Anna Booher of Winters; three brothers, W. E. of Hamlin, Rubie H. of Phoenix, Ariz., and Joe of Winters; and 15 grandchildren.

## Art and Craft Club Organized Thursday By Wingate Women

Mrs. Alpheus Hill was named president when a group of women in the Wingate community met in the home of Mr. and Mrs. Jack Pritchard and organized the Wingate Art and Craft Club.

Other officers elected were Mrs. James Williams, vice president; Mrs. Suverne O'Dell, secretary-treasurer and Mrs. O. D. Bradford, reporter.

During the business session the members decided to study feathercraft, decoupage, paper mache and knitting. Other crafts will be added from time to time.

The club will meet the first Thursday of each month, from 1 to 3 p. m.

Refreshments were served to the members Mesdames Alpheus Hill, James Williams, L. B. Watkins, O. D. Bradford, Suverne O'Dell, and Jack Pritchard. Two visitors were Janice Williams and Mrs. E. M. Pritchard. Members not present for the meeting are Mesdames C. D. Burrow, Wayne Owens, and Raymond Lindsey.

The next meeting will be in the L. B. Watkins home February 1.

## Texas Almanac Has Wealth of Information

New information on recreational and historical attractions, election returns by counties, U. S. Census data on agriculture, population estimates and many other features are found in the 1968-'69 edition of the Texas Almanac, just published by The Dallas Morning News.

Published since 1857 and called "The Encyclopedia of Texas," the Texas Almanac is widely used in schools, libraries, business and professional offices and home libraries. Newspapers, county farm agents, chambers of commerce, trade associations and many other Texas individuals and organizations contributed information for the new edition.

New and expanded features listed by Walter B. Moore, editor, in this edition include:

A history of the Texas Highway Department which is observing its 50th anniversary. Descriptions of the principal birds of Texas, prepared by the Audubon Society of Dallas.

Expanded descriptions of Texas State Parks and major museums.

Individual pages devoted to historic attractions in the following counties: Anderson, Austin, Bell, Jefferson, Jeff Davis, Gillespie, Medina, Tom Green, Webb and Young.

Economic pages devoted to the 23 Standard Metropolitan Statistical Areas, the larger cities in which 80 per cent of all Texans live.

Enlarged information on Texas agriculture, including a history of the state's cotton industry.

Election returns, by counties, for two Democratic primaries and the general election of 1966 for the principal contested races.

Text of the Texas Constitution, including 20 amendments approved in 1965 and 1966. Twenty amendments on which Texans are voting in 1967 and 1968 are summarized.

New districts for Texas Senators and Representatives are listed and shown on maps.

Lists include state, municipal and county officials, state boards and commissions, statewide civic and business organizations and many others.

A calendar with phases of the moon, and chapters on weather, geology, plant and animal life, minerals, banking and commerce, service industries and many other topics are found in the 704 pages of the 1968-'69 edition.

Moore said that the descriptions and economic information on all 254 counties are among the most popular features of the publication and expressed appreciation to the thousands of Texans who participated in compiling of the information.

Vision tests and color photographs are a required part of all drivers' licenses being issued this year.

New regulations make it necessary for all drivers to renew licenses in person at a Department of Public Safety Office.

Each applicant will be photographed and given a standard vision test.

DPS Director Homer Garrison Jr. says that all licenses will be renewed to expire on the birthday of the holder. Drivers holding licenses ending in an even number will get new licenses good for four years, and thereafter for four years.

New licenses will be about the size of a standard credit card. About 250 full-time license offices will operate over the state to service renewals.

There are some 5,800,000 licensed drivers in the State and the new requirements will affect some 2,500,000 this year, Colonel Garrison says.

**EDUCATION AIMS**

Performance, rather than spending or teacher pay, should be the basis of a more-efficient school system. So says Glenn H. Ivy, director of the Governor's Committee on Public School Education. His views were expressed to public school administrators at their mid-winter conference here.

Among highlights of Ivy's preview of the most far-reaching inquiry into Texas' education needs ever undertaken were:

To achieve national leadership in education, the state must seek excellence in performance and super-efficiency.

Favored tax status for rural and suburban districts is a "luxury" the state cannot afford.

"Unequal education" — like pre-school training for the non-English speaking and special programs for migrants — is necessary to offset disadvantages faced by many children.

Education must be made "more relevant" to potential dropouts. In particular, those with Spanish-language backgrounds. Obstacles to school attendance must be overcome.

**ELECTION LAW SEMINAR SET**

Officials responsible for conducting elections in Texas will go to school for a day. They will discuss new changes in voting laws.

Secretary of State John Hill, chief state election officer, called the workshop sessions for January 18 here.

Leading the discussions will be: Hill; State Democratic Chairman Will D. Davis; GOP State Chairman Peter O'Donnell Jr.; Mrs. Mary K. Wall of Hill's staff; Midland County Clerk Mrs. Rosanella Cherry; and Dallam County Judge W. D. Henson.

New electronic voting equipment will be displayed at the seminar.

**NEW CANDIDATE FILES**

Gordon B. McLendon, Dallas radio-television executive, true to predictions, jumped into the governor's race by paying his \$1,000 filing fee.

In 1965 he ran unsuccessfully for the U. S. Senate. But he received more than 672,500 votes in his close race with Sen. Ralph Yarborough.

Secretary of State Hill says he plans to announce soon after the January 18 voting law seminar.

**AIR POLLUTION REGULATIONS**

Cities of less than 5,000 population face new regulations relative to the burning of garbage and rubbish. New regulations were adopted by the Texas Air Control Board and became effective January 4.

Municipalities are regulated in the new rules, as well as industrial plants, businesses and individuals.

Rules permit burning wastes: Outdoors, as long as the burning is outside a defined Standard Metropolitan Statistical Area;

Outside a municipality: Between the hours of 9 a. m. and 4 p. m.

Regulations cover emissions of smoke and particulate matter, outdoor burning, sulfur compounds and air pollution from motor vehicles.

Board Chairman Herbert McKee of Houston pointed out that two problems are not regulated by the Board rules — odor and effects of emissions on visibility. City and county health officials will have to rely on the State's General Nuisance Law to control air polluting odors. Nothing can be done about visi-

bility regulations until a Federal study is complete, says McKee.

However, cities and counties will be able to use the Board's regulations to enforce pollution control of other wastes emitted into the air.

**AIRLINES**

Latest in a series of applications for licenses to operate intrastate air lines in Texas is that of King Flight Service of Wichita Falls.

King asked the Texas Aeronautics Commission to let it fly four times a day between Wichita Falls and Dallas.

**MIXED DRINK TAX APPLIED**

State Comptroller Robert S. Calvert stirred the ire of some 1,350 private club operators by ruling that as of January 1 their sales of mixed drinks and related services would be subject to state and local sales taxes.

A delegation led by the Texas Restaurant Association called on Calvert urging him to change his mind.

New ruling applies to private social clubs and veteran and fraternal organizations dispensing mixed alcoholic beverages. It covers set-ups, mixes, ice, service charges for mixing and serving—and even the 15 per cent tip most clubs add to the check.

"The entire charges for mixed drinks will be presumed as a part of the taxable gross receipts," Calvert's ruling states.

**STATE'S SUIT LOOKS GOOD**

Possibility that the State Treasury will be enriched by several million dollars through an anti-trust suit charging price-fixing by five major pharmaceutical companies looked better this week. This after a Federal court jury in New York returned a guilty verdict against American Cyanamid, Bristol-Myers and Charles Pfizer and Company.

Atty. Gen. Crawford Martin filed charges of price conspiracy in Austin against these three firms and Olin Mathieson Chemical and the Upjohn Company. Suit alleged that State schools, hospitals and prisons paid too much for certain drugs because of a conspiracy and asked triple damages.

A Dallas Federal court has ruled that the Texas case can be processed 60 days after the New York decision.

**CIGARETTE AND LIQUOR TAXES**

State Treasurer Jesse James reports that Texans smoked less but drank more in December. Cigarette stamp tax sales were down from the previous month \$282,607 — to \$10,100,000.

Liquor and wine stamp sales were up \$263,635 — to \$1,400,000 total.

**SOUND OF HAMMERS**

State Building Commission has awarded a contract to Lanphier Construction Company of Corpus Christi for \$2,896,100 for first-phase construction at the new Corpus Christi State School for the Severely Mentally Retarded. Project was ordered by the Legislature in 1965.

Commission also awarded a \$108,224 contract to Troup Lumber Company for Tyler State Park improvements. Contract to Troup Lumber Company for Tyler State Park improvements. Contract includes a headquarters building, 20 screen shelters, one group shelter and restrooms and showers. It's a part of this year's program for improving existing state parks.

**LICENSES SUSPENDED**

State Consumer Finance Commissioner Frank Miskell suspended for six days the licenses of Colonial Finance Corporation of San Antonio for making duplicate loans to the same customers as Credit Plan Corporation of San Antonio.

Like suspensions also were ordered in two other offices of the same owner in Corpus Christi and Houston.

State law forbids related firms from making loans to the same borrowers.

**SHORT SNORTS**

Texas Employment Commission is seeking 1,500 employees for work at HemisFair '68 which opens April 6.

William L. Ferguson, assistant administrator of the Texas Liquor Control Board and former Rusk County attorney, announced his resignation to enter private law practice, effective February 1.

House Speaker Ben Barnes appointed Dr. Clifton McKelvey, UT Government professor, and Colin J. Carl, Texas Legislative Council research associate, as directors for Texas Legislative Internship Program. More than 3,000 employers

have had unemployment taxes reduced by a total of \$15,000,000, reports the Texas Employment Commission.

Total of 158 cities containing 70 per cent of the urban population approved the one per cent municipal sales tax during 1967 — 22 rejected the levy.

Austin, Tex.—A massive new realignment of the Texas National Guard will increase its strength by 500 and add a new parachute unit serving the southeast and central parts of the state.

Reorganization will insure better operational capability and improved riot control potential, according to Maj. Gen. Thomas S. Bishop, the adjutant general.

Texas' two Guard divisions—the 36th Infantry and the 49th Armored—will be replaced by the 72nd Mechanized Infantry Brigade and the 71st Airborne Infantry Brigade, plus miscellaneous units.

Headquarters of the 72nd, covering North Texas and the Panhandle, will be in Dallas. Headquarters of the 71st Airborne will be in Houston. Present 36th Infantry Brigade will maintain its headquarters in San Antonio and cover all of South Texas.

Guardsmen from Fort Worth-Dallas and Odessa-Midland areas will form two new types of command units, called "emergency operations headquarters."

Canyon, Clarksville, Belton, Dumas, New Boston and Rusk will lose their guard units in the reorganization. An artillery battalion with headquarters in El Paso and batteries in Odessa, Midland, Pecos, Lamesa and Big Spring will be separate from the three brigades. So will an engineer battalion in Abilene, a tank battalion in the Brownwood-San Angelo area and an armor group in Fort Worth.

Bishop says other specialized units will be placed throughout the state within areas of the brigades, but not as a part of them.

Total authorized strength will be increased to 17,375. Although the number of company-sized units will be reduced from 189 to 122, units will be larger and sometimes divided between two and three cities.

While general recruiting is banned for new Guardsmen with out prior experience, enlistments are wide open for the new airborne brigade with units in Houston, Columbus, Brenham, Orange, Austin, Port Arthur, Beaumont, Port Neches, Waco, Whitney, Stephenville, Clifton, Hillsboro, Cleburne and Corsicana.

**COURTS SPEAK**

State Supreme Court, in reversing a Johnson County district court finding, ruled that a man cannot be held in jail indefinitely if he proves he is unable to pay delinquent child support payments.

In other recent decisions, the high court:

—Set February 21 to review a Jim Wells County malpractice suit against an Alice hospital and two doctors. Mrs. C. K. Gravis claims an operation was performed on her without consent and that she suffered ill effects.

—Agreed to hear oral arguments February 21 in the appeal of Otis Elevator Company from a \$50,000 award to a Waco department store employee injured in an escalator accident.

—Upheld lower court decisions denying recovery by a Corpus Christi woman in a suit against the city after her car was struck at an intersection regulated by a faulty traffic signal.

—Sustained lower courts in denying injunction to Bishop R. E. Ranger to prevent his removal as bishop of Texas southwest division of Church of Christ in God.

A divided Court of Criminal Appeals again upheld the death sentence of Alton Charles for the 1966 shotgun slaying of a retired Caddo Lake game warden.

U. S. Supreme Court has given Texas and New Mexico permission to sue Colorado to collect a 939,000 acre-foot water debt under a 1940 Rio Grande inter-state compact. El Paso and Hudspeth County have a big stake in the dispute.

**AIRPORT AID SOUGHT**

Texas Aeronautics Commission will seek \$500,000 in federal aid for airport construction in 1968, an increase of \$50,000 over this year.

Sixty-seven Texas communities are on the waiting list for airports and 23 more are ready to start construction.

**VOTER BLANK** — Use this form to apply for voter registration. Fill in all the blanks on the form, cut it out and mail it to the Runnels County Tax Assessor-Collector if you are a resident of Runnels County. Residents of other counties should mail the form to the tax assessor-collector of the appropriate county of residence.

(1) by persons who move into Texas after October 1, 1967, (2) by persons who become 21 years old after January 31, 1968, and (3) by former aliens who are naturalized after January 31, 1968. The first and second classes may also register during the regular period. Registration certificates issued to persons not yet qualified to vote are marked to show the date on which they will become qualified.

Any person eligible to register may apply for registration by mailing an application form to the county tax assessor-collector of the county of his residence. Registration certificates will be mailed before the beginning of the voting year on March 1 to persons who apply by mail. Voters may also register by

applying in person at the county tax assessor-collector's office or at a registration substation. The substation in Winters is on North Main Street. Mrs. Ted Meyer is deputy assessor-collector in the Winters office.

The husband, wife, father, mother, son, or daughter of a voter may act as the voter's agent in applying for registration if the relative is a qualified voter in the same county. Except for these listed relatives, which do not include those related by marriage, no one may act as agent for another in applying for registration.

Voters who have not already applied for registration are urged to cut out the application form which appears in this issue, fill in all the blanks, and mail it to the county tax assessor-collector without delay. Additional forms may also be obtained from the county tax assessor-collector.

## Herman A. Baker, Peace Justice, Died Saturday

Herman A. Baker Sr., 74, Justice of the Peace in the Winters Precinct of Runnels County for several years, died at 12:10 p. m. Saturday, January 6, in the Veterans Hospital in Kerrville. He had been ill for about three weeks.

Funeral services were held Tuesday at 3 p. m. from Spill Memorial Chapel with the Rev. Harry Grant, pastor of the First Baptist Church, and the Rev. Edward H. Ottwell, pastor of the First Methodist Church, officiating. Burial was in Fairview Cemetery, with military rites conducted by the Winters Post of the American Legion.

Pallbearers were Dr. Z. I. Hale, Rankin Pace, Wilbur Waggoner, Arthur Bates, Ralph Lloyd, Carson Easterly, Joe Emmert, Buster Dillard, Max Lewis, Billy Simpson and Raymond Lloyd. Runnels County officials and law enforcement officers were honorary pallbearers.

Mr. Baker was born at Killen March 11, 1893. In 1916 he moved to Winters, where he operated a confectionery for several years. During World War II he was a deputy U. S. Marshal, and in that capacity transported prisoners of war on several occasions.

Following the war he was elected Constable of the Winters precinct, holding that office for several years. He also was lake-keeper at the Winters Lake for several years, and during construction of the Winters Atlas Missile Site, he was a guard on that project.

In 1963, following the death of Justice of the Peace E. H. Baker was appointed to that office by the Commissioners Court, and held office until the time of his death.

Mr. Baker was a member of Roy Scoggins American Legion Post of Winters, and was Post Commander at the time of his death. He also was a member of the Odd Fellows Lodge and a member of the Baptist Church.

During World War I, Mr. Baker was in the U. S. Army. He married Susie Ella Nelson in September, 1917, at Winters. She preceded him in death in 1931. A daughter also preceded him in death.

Survivors are two sons, Eugene (Skeeter) Baker of Austin, and Herman A. Baker Jr., of San Angelo; three daughters, Mrs. Cecil McDaniel of Canton, Mrs. Victor Burton of Fort Worth, and Mrs. Harold Thornton of Fayetteville, N. C.; six brothers, I. W. of Aspermont, Edwin of Iowa Park, Walter of Brownwood, Raymond of Irwin, Milton of Belton, and Charlie of Dighton, Kans.; 13 grandchildren and five great-grandchildren.

## Bethany SS Class Meeting Held In Hale Home Tuesday

Regular monthly social of the Bethany Sunday School class of the First Baptist Church was held Tuesday night in the home of Mr. and Mrs. Raymond Hale with Mrs. Hale as hostess.

In the absence of the president, Mrs. Lewis Blackmon, the program was conducted by Mrs. Bill Milliron. Mrs. Marvin Bedford gave the devotional and roll call was answered with a Bible verse.

Reports were given by the group leaders. Refreshments were served to Mesdames J. S. Tierce, J. N. Clark, Marvin Bedford, Bill Hamilton, Doyle Newcomb, Bill Milliron and the hostess.

## Blizzards Lose Two Games In Reagan Tourney

In basketball action over the weekend the Winters Blizzards were eliminated from action in the Reagan County Basketball Tournament by dropping their first two games.

In their first game of the tourney the Blizzards ran up against Crane which owns an impressive record to date and averages 64.2 per man. This tremendous height advantage was more than the Blizzards could handle as they hit only 30 per cent of their field goal attempts. The height advantage of the Golden Cranes enabled them to dominate the boards which also was a factor in the outcome of the game. High point man for the Blizzards was Ronny Reel with 15 points as they lost by the score of 89 to 38.

In the second game of the tourney the Blizzards lost to Alpine by the score of 46 to 44. The Blizzards led by five points at the end of the first quarter but then fell behind and had to play catch the remainder of the game. A fourth quarter surge fell short and the Winters team had to absorb a two point defeat. Leading the scoring for the Blizzards were Danny Killough with 17 points and Ronny Reel with 11. Reel topped the rebounders with eleven.

## Premiums For Medicare Will Increase To \$4

A one-dollar increase—from \$3 to \$4—in the monthly premium to be paid by enrollees in the voluntary medical insurance program of Medicare was announced December 30 by the Department of Health, Education and Welfare.

The \$3 rate, in effect since Medicare began July 1, 1966, will continue for three months, through March 31, 1968. The new \$4 rate is effective April 1. This \$1 premium increase is needed to offset the additional coverage provided for by the 1967 Amendments and the increased cost of services provided for under the Supplementary Medical Insurance portion of Medicare.

## Phone Companies Merge To Become General T. of S.W.

San Angelo, Texas — General Telephone Company of the Southwest and The Southwestern States Telephone Company will be legally merged into one operating organization on January 10, 1968, it has been announced by E. H. Danner, president. The two companies are wholly owned subsidiaries of General Telephone & Electronics Corporation. The surviving corporation will be General Telephone Company of the Southwest with a total plant investment of over \$345,600,000 and gross revenue of more than \$84,000,000.

With the merger, Southwestern States operations, serving 175 exchanges and 241,200 phones in Texas, Oklahoma, Arkansas and Louisiana, will operate under the name of General Telephone Company of the Southwest.

Since 1964, when Southwestern States and its subsidiary were acquired by General Telephone & Electronics Corporation, the companies have functioned as separate legal entities.

The merger will add more than 241,200 telephones to the 464,000 presently served by General of the Southwest and will bring the total number of em-

ployees in the combined companies to nearly 5,300 with annual payroll of approximately \$28,189,000. Combined operations will serve 435 exchanges in Texas, New Mexico, Oklahoma, Arkansas and Louisiana.

"This change also allows further consolidation of operating practices and the integration of areas into a more efficient operation for all concerned," Danner commented. Many of the changes have been announced, Danner said.

Applications to merge the subsidiaries, which have been operating under a combined management structure also have been approved by regulatory commissions.

## Bill Harman Named To Valley Creek Board

Bill Harman of Wingate was elected as a new member of the board of directors of Valley Creek Water Control District in an election of the district Tuesday.

Harman succeeds C. B. Robertson of Norton on the board. Directors re-elected are Hugo Vogelsang of Norton, Frank K. Antilley of Wingate and A. C. Minzenmayer of Winters.

## Old Pickup To Give Emergency Power For Pumps

It doesn't happen very often, but when something happens to the electric motors driving the main water pumps at the Winters City Lake, it creates an emergency. The emergency exists no matter what the weather or the amount of water in storage facilities at the water plant—and motors are likely to go out at times when they are needed the worst.

This kind of emergency will be a thing of the past, however, when Water Superintendent Wilbur Waggoner completes a project he is now working on. The water department needed a pickup to replace one which had seen its best days: the City Council Monday night approved purchase of another pickup, but the trade-in value on the old pickup was so low Waggoner decided to keep it and at least get some good out of it.

He will chop down the frame, but leave the wheels and engine. On one of the drive axles he will mount a special pulley, for a belt to fit the pumps at the lake. During emergencies he will tow the old pickup—an auxiliary power unit—to the lake and hook it up to the pumps until ailing electric motors can be put back in operation.

In other business Monday night, the City Council was informed by Mayor Wade White that the State Highway Department will send appraisers to Winters within the next few days to begin work on appraising property which will be affected in the rebuilding and widening of US 83 through Winters.

Mayor White also said that as soon as weather permits, workers will begin grading and filling of the landing strip southwest of town. After work begins, the mayor said, it should not be long before the strip will be usable. The Council also is making plans to install facilities of some type at the landing strip, which the City purchased last year.

The mayor also said that auditors' report of the City's books probably will be completed within a few days and in the hands of Council members and city officials.

## Seven Bandsters Win Chairs In All-Region Band

Seven members of the Winters High School Blizzard Band won chairs in the All-Region Band in competition in El Dorado Saturday, January 6.

They were Darrell Hill, 7th chair trombone; Jimmy Vaughan, 1st chair, French horn; Theresa Meyer, 5th chair, French horn; Larry Cook, 3rd chair cornet; Glenda Cooper, 5th chair Clarinet; Lenda Fuller, 7th chair clarinet; and Rhanae Hoppe, 15 chair clarinet.

Four students were qualified to try out for the All-Area Band in Dallas January 20. They were Larry Cook, Jimmy Vaughan, Lenda Fuller, and Glenda Cooper.

Students placing in the All-Area Band will automatically be members of the All-State Band in Austin.

### "Up the Down Staircase"

A unique assemblage of award-winning Broadway and Hollywood performers bring their many-faceted talents to bear in Warner Bros.' "Up the Down Staircase," showing Friday, Saturday and Sunday at the State Theater. Recent Academy Award winner Sandy Dennis has the starring role in the screen adaptation of the novel by teacher-authoress Bel Kaufman, whose book has been a bestseller for more than a year, in both hard cover and paperback editions.

In the cast of "Up the Down Staircase," — playing pivotal roles, are hundreds of young amateurs from the New York school system, many of whom have never acted before, but all of whom were type-cast for their roles by their everyday lives. Students Jeff Howard, Jose Rodriguez, Ellen O'Mara and Maria Landa portray students in the film. And Salvatore Raso, who is really the president of his school's student government in the film.

As a lovely, young teacher bubbling over with optimism, Sandy Dennis interplay with pupils, principal and fellow teachers is alternately amusing and agonizing in the film adaptation of the enchanting best-seller. She meets students of every size, type and attitude. She becomes involved with their personal problems, as well as their academic malingering and at the same time, gets entangled in official paperwork. Miss Dennis, buoyed by idealism, tries too hard to reach a particularly bright but incorrigible student, only to fail miserably. Yet, when it seems that all her efforts to realize her ideals have boomeranged, she discovers success in a most unlikely student.

## Norton Lions To Have Chili Supper Friday Night, 12th

The Norton Lions Club will hold a chili supper in the Norton School cafeteria Friday night, January 12, beginning at 5 p. m.

Those attending the supper will have plenty of time to eat and attend the basketball games between the Norton High School boys and girls and the Miles teams, Roger Bryan of the Norton Lions Club, said.

Academy Award winner Sandy Dennis finds herself troubled with trivia-in-triplicate and with bittersweet satisfaction as a teacher in Warner Bros.' "Up the Down Staircase," showing Friday, Saturday and Sunday at the State Theater.
