HOME TOWN Talk

By R. C. THOMAS

If you haven't registered to vote, there is still time, but very little. Next Wednesday, January 31, is the deadline. If you let that day slip by and have not qualified (unless you happen to be in one of the few exceptional categories) you will have to sit on the sidelines this year and watch other people run your affairs for you; you won't be allowed to voice your opinion and make it stick.

This year is a very important year. There will be elections at all levels: school board, city, precinct, county, state and national—not to mention the possibility of special elections which could mean a lot to your future. But if you're not qualified as a registered voter, you may as well live on another planet, so far as the weight your opinion will carry.

There has been a lot of controversy surrounding the annual registration requirement. Some advocate a permanent registration system, claiming that it is an infringement upon a citizen's rights to require that he register each year in order to qualify. The same thing was said about the now-abolished poll tax system, that he should not be required to pay a special tax in order to vote. Others point out that annual registration provides for a better control of legitimate rolls and prevents "deadwood" voting and illegal manipulation of voter lists.

Regardless of ones thinking along these lines, there still is the basic thought: if one expects to retain and exercise his "right" to vote, he should expect to take the trouble to qualify. There is so little trouble and time involved with registration that no one should be able to find an excuse for not registering. There would be very few instances where it would be absolutely impossible for a person to register, even with the new requirements. We all spend at least that much time dawdling over insignificant things. But there are so many advocates these days of the idea that we all should be "hand-held" and "spoon-fed" from the cradle to the grave that many of us finally get the idea that this is our basic "right," without accepting the fact that we should have responsibilities. If we ever get to the point where we believe our demands should be met without any effort on our own, then we will lose those so-called "rights"—and would deserve to lose them.

Our old friend out on Bluff Creek felt that this would be a good year to pull his powerful Bull Mouse party together and make a bid for some political office. But one thing and another came up, and by the time he got around to starting for town to sign up as a candidate, the rains started and the creek rose. So he settled back in his rope-seat rocking chair and began to make plans for the next time. Said there was an audible sign of relief from The Thinkers who hang around the water trough at Harrison's Auto Parts—they may have split up because of their divided loyalties. But he figgers he's accomplished something, anyway; the word got out that he might be an opponent in some race, and the woods filled up with candidates. Now there will be promises of something for everybody.

BASKETBALL SCHEDULE

Friday, Jan. 26: Anson Boys and Girls here 5:15.
Monday Jan. 29: Lakeview Girls A and B here 6:30.
Tuesday Jan. 30: Colorado City Boys A and B there 6:15.
Thursday, Feb. 1: Coleman 8th girls there 6:00.
Friday, Feb. 2: Stamford Boys A and B here 6:15.

Social Security Representative Schedules Visits

Bob Logan, field representative for the San Angelo Social Security office, has scheduled his February visits to Winters. He will be in the Chamber of Commerce office on Wednesday, February 14, and again Wednesday, February 28, from 9:30 to 11:30 a. m.

JOHN BENTON HOPPER . . . M.O.D. POSTER CHILD

Three-Month-Old John Benton Hopper Is Runnels County MOD Poster Child

John Benton Hopper, three-month-old son of Mr. and Mrs. Johnny Hopper, has been named 1968 Runnels County Poster Child for the March of Dimes.

The annual March of Dimes drive to raise funds to combat birth defects is drawing to a close, after a varied program of activities. Mrs. David Dobbins has been chairman for the drive in Winters, and reports an enthusiastic response to the plea for funds.

The 1968 Poster Child was born Oct. 23, 1967. At the age of 7 weeks—Dec. 16—he was rushed to Children's Medical Center in Dallas as an emergency patient with respiratory distress. A duplication cyst of the upper mediastinum adjacent to the esophagus was excised in an emergency operation December 17.

Dr. Theodore P. Votteler, director of gastro-intestinal birth defects, performed the surgery. Dr. Votteler said that John had a congenital birth defect related to the gastro-intestinal system. Mrs. Dobbins said this is one of the many cases in Runnels County that MOD contributions

are helping to support. She said there are three birth defects centers in Texas: Children's Medical Center in Dallas, Texas Children's Hospital in Houston, and the University of Texas Medical Branch in Galveston.

John Benton's father, Johnny Hopper, graduated from Winters High School in 1964. While in high school, he participated in track and played football. After attending San Angelo College for a semester, Hopper entered the U. S. Army, in 1965, taking his basic training at Fort Polk, La.

He was sent to Frankfurt, Germany, where he was assigned to duty as a medical technician. Specialist 5. There he met Margie Munsell, a WAC, also a medical technician, Specialist 5. They were married in Frankfurt in January, 1967. Mrs. Hopper returned to her home at Manitowick, Wis., where John Benton was born.

Hopper returned to the U. S. in the early fall of 1967, and received his discharge from the service November 8. He is employed at Pan-American Industries in Winters. Mr. and Mrs. Hopper live in Ballinger.

Noble Faubion Gets Conservation Award

Noble Faubion of Route 2, Winters, has been selected to receive this year's Fort Worth Press Outstanding Conservation Farmer award.

The announcement was made a few days ago by Jake Presley, chairman of the board of supervisors of the Runnels Soil and Water Conservation District.

This award is based on the progress the nominee has made in applying his conservation plans and the help he has given the District in promoting its objective in getting every landowner to plan and apply a complete conservation program.

Faubion is a member of the board of directors of the Elm Creek Water Control District, which was formed by the legislature last year.

In other business at the monthly meeting of the RSCD, the board made plans to distribute the new long range program and plan of work. This program plan has been printed and illustrated with pictures and charts in an attractive booklet form. It will be distributed by the board members to public and school libraries, city, county, state and national government officials and other interested groups. Presley said the booklet has 13 sections, including certification of adoption, introduction, reasons for updating program and plan, statement of purpose, new resources and programs available to help in accomplishing objectives, descriptions of the district, history of the district, conditions and problems affecting conservation, land use and

treatment, watershed problems and needs, wildlife and recreation, use of resources in meeting conservation problems, and district policies.

Presley said the board also made plans to dispose of some of their conservation equipment. This has become necessary, he said, because a lot of it was purchased when the district was organized and is pretty well worn out.

Local Hospital Reports Gains In Financial Report

The Winters Municipal Hospital has been gaining a more favorable financial position during the past several months, according to a report made to the City Council Monday night by the hospital superintendent, Mrs. Tommy Rougas.

There has been a heavy patient load at the hospital for some time, it was stated.

Too, the slack in revenue which was experienced at the start of the Medicare program is being reduced. There was a period of time at the beginning of the program when payments were not received for several weeks because of the newness of the program. This slack is being eliminated now, it was said, payments are being received in a shorter period of time following billing.

Dry Mfg. Co. To Exhibit Products In Atlantic City

Dry Manufacturing Co., Winters, will be among the 211 exhibitors displaying their products at the 15th National Air-Conditioning, Heating and Refrigeration Exposition at Atlantic City, N. J., January 29-February 1, 1968.

Visitors from all parts of the United States and from many foreign countries will be on hand—more than 15,000 of them—to view the exhibits of the latest designs in air-conditioning, heating and refrigeration equipment, as well as the components, materials and parts used with them and in their manufacture.

The big national Show, which is sponsored biennially by the Air-Conditioning and Refrigeration Institute of Arlington, Va., is one of the country's largest trade shows, with more than 80,000 square feet of exhibit space. The sponsoring Institute is the national trade association of manufacturers of air-conditioning, heating and refrigeration equipment.

Visitors at the show will include contractors, engineers, wholesalers, chain store buyers, dealers, architects, government buyers and specifiers, and many other classifications responsible for the manufacture, specification, purchasing, installing, servicing and maintenance of cooling and heating equipment.

A number of associations allied with the air-conditioning and refrigeration industry are planning meetings at Atlantic City in connection with the Show. They include the National Warm Air Heating and Air Conditioning Association, Refrigeration Service Engineers Society and possibly some others.

Dry Manufacturing Company will exhibit their complete line of heating and air conditioning Registers, Grilles, Diffusers. Those attending the show will be: John P. Dry, President; Hal S. Dry, Vice President; W. A. McLomere, Sales Manager; Floyd Russell and George Colburn, sales representatives.

Examinations Will Be Called Soon For Applicants For Winters Postmaster

Persons applying for the position of Postmaster in Winters will be given a chance to take examinations after February 20, it has been announced by Postmaster Rankin Pace. Pace announced several weeks ago that he would retire.

Closing date for applying for this position will be February 20, Pace said, and examinations will be given shortly after that date.

Applications may be made to U. S. Civil Service Commission, Washington, D. C. Proper form for making application will be obtained at the Post Office. Applications must be received, or postmarked, not later than the closing date of February 20, 1968.

The Postmaster position is a PFS Level 10 Civil Service, starting at \$8,129 per year. Among the experience and fitness requirements are: Applicant must show he has been engaged for a period of at least three years in progressively responsible occupations which by their nature, extent, and importance have demonstrated applicant's ability to conduct and manage the postal business for the community; that applicant can meet and deal with customers and employees agreeably; have good reputations as to character, habits, morals, honesty, reliability and trustworthiness; study successfully completed in a resident school above high school level may be substituted for part of the required experience at the rate of 1 academic year for each 9 months of experience up to a maximum of 2 years of education for one and one-half years of experience.

Applicants will be required to take a written test which consists of two parts. One part includes questions of general abilities, such as reading comprehension and vocabulary. The second part includes questions on business and office management. To be eligible, competitors must attain a rating of at least 70 (excluding credit for veteran preference) on both subjects of the examination. To meet the residence requirement for the examination applicant must have physically resided for one year next preceding the closing date for this examination within the delivery of the

LYNN NABERS

Lynn Nabers Is Candidate For Representative

Lynn Nabers of Brownwood today announced his candidacy for State Representative from the 64th District, embracing Brown, Coleman, Comanche and Runnels counties. Nabers, a lifelong resident of Brown county, is a graduate of Brownwood High School, Howard Payne College, and Baylor University School of Law. He is presently practicing law in Brownwood.

Between now and May 4, date of the first Democratic Primary, Nabers said he planned to visit every community in the 64th District and contact as many voters as possible to present his position on issues expected to come before the next term of the Legislature.

Nabers said he would support legislation aimed at greater law enforcement and oppose measures which hinder dedicated officers in dispatch of their duties. Obedience of the law is not only based upon the measures enacted but upon respect for those who enforce it. Lawmen need not only compensation commensurate with their responsibilities but co-operation and respect from all good citizens. Perpetuation of a law-abiding society demands nothing less.

City's Financial Status In Excellent Condition

The City of Winters continues to occupy an enviable financial position among the ranks of comparable municipalities in the State, even in face of increases in costs of materials and wages.

Most departments within the City's structure showed an increase in income for the fiscal year ended Sept. 30, 1967, along with an increase in expenses. The waterworks department alone showed a decline in income compared with the previous fiscal year.

Cherry, Eckert & Story, certified public accountants of San Angelo, a firm which has conducted the annual audit for the City of Winters for the past several years, submitted their report to the City Council last week. And the report underlines the sound financial position of the City.

BONDS OUTSTANDING
The City of Winters retired \$46,000 in bonds during the past fiscal year, and as of Sept. 30, 1967, had a total bonded indebtedness of only \$598,000. Requirements for the end of this present fiscal year will be \$48,000 in principal, and \$22,140 in interest.

The audit shows that electric system bonds amount to more than any other single department, totaling \$159,000. Waterworks system revenue bonds total \$110,000 outstanding. Other bonds outstanding include Street Improvement, Water and Sewer Improvement, City Hall and Fire Station, Park Improvement, and two refunding series.

INVESTMENTS
Investments of several funds within the City account for a tidy sum received in interest during the fiscal year just closed, according to the report, with large amounts of cash available to meet periodic requirements of the departments.

Total current funds in investments at the end of the fiscal year totaled \$25,000, the report shows. Tax bond sinking funds total \$85,087.50, (\$75,087 in the previous year), with \$21,500 in the street improvement fund, and \$22,000 in the waterworks interest and sinking fund.

There was an increase in the total of invested in the Waterworks operating fund: \$69,657.50 for the year ended Sept. 30, 1967, against \$55,000 for the previous year.

The amount invested for the Light Plant Investment Fund also increased, from \$18,000 the previous year to \$24,000 for the reported year.

Invested funds are in U. S. Government bonds and in Certificates of Deposit at the Winters State Bank.

Total revenue for the General Fund for the reported fiscal year was slightly higher than the year before, with \$162,585 reported, against \$158,220 for the previous year. A slight decline was noted in ad valorem tax revenue for the year, \$87,428 against \$87,942 for the previous year.

Interest on investments totaled \$5,548.30 for the year.

Total expenses for the year in the General Fund were \$142,690.

WATERWORKS FUND
Operating revenue for the waterworks department was down somewhat from the previous year. Total operating revenue for the fiscal year just past was \$72,870.54; for the previous year, \$79,334.94. A discontinuance of sale of raw water

was said to be the cause for the decline in operating revenue for the year.

Operating expenses for the year in this department totaled \$45,029.57. Non-operating expenses, including depreciation, interest on bonded debt and payment for master city plan, was \$20,152.

Interest on investments was \$3,659.39 for the year.

POWER PLANT FUND
A few dollars marked the difference in operating revenue for the Power Plant for the reported fiscal year, with \$131,699; the previous year saw \$131,408 as operating revenue. Operating expenses also were up to \$83,387, over \$81,238 for the previous year.

Interest on investments also was up for the year, \$4,472, \$4,041 for the previous year. Depreciation, payment for master city plan and interest on bonded debt accounted for \$26,459 in non-operating expenses for this department.

HOSPITAL FUND
Income for the Municipal Hospital also increased the past year, but so did expenses. Total revenue for the year was \$77,175, against \$70,747 for the previous year. Total expenses for the reported year amounted to \$79,126; \$72,815 for the previous year.

Excess of expense over revenue for the hospital for the year was only \$1,951, against \$2,068 for the previous year.

Rifle Shoot Here Sunday Will Benefit WTRC

A benefit rifle shoot, sponsored by the Winters Shooters Association, will be held Sunday, January 28, at the rifle range at the Winters City Lake. The shoot starts at 1 p. m.

Shooters will compete for merchandise prizes which have been donated by Winters merchants. All proceeds from the shoot will be given to the West Texas Rehabilitation Center.

Contestants will be divided into groups of 10 each and will shoot for prizes. Entry fee will be \$1.00 per person.

There will be divisions for 22 rifles, high-powered sporting rifles, and shotgun trap shooting.

RECENT VISITORS

Recent visitors in the home of Mrs. E. L. Marks were her brothers, Mr. and Mrs. W. T. Knight of Tahoka, Mr. and Mrs. Raymond Knight of Tempe, Arizona.

Cage Tournament Here Thursday and Saturday

A "B" team tournament will be held in Blizzard gym on Thursday, January 25 and Saturday, January 27. Eight teams are entered in the tourney including the host Blizzard B team.

Action gets underway at 3:30 p. m. Thursday as Coleman meets Robert Lee. Sweetwater plays Merkel at 5:00 o'clock Thursday, Colorado City tangles

CONG. OMAR BURLESON

Congressman Burleson To Run For Re-Election

Congressman Omar Burleson, who represents the 17th District of Texas in the U. S. House of Representatives, has announced for re-election.

He has filed for a place on the Runnels County ballot in the Democratic Primary Election May 4, 1968.

Burleson was elected to the 80th Congress from the 17th District and has been re-elected to each succeeding Congress.

He is Chairman of the Committee on House Administration in the House of Representatives, and ranks second from the Chairman on the Committee on Foreign Affairs.

Lions Club To Hold Chili Supper Friday Night

The Winters Lions Club will sponsor their annual chili supper at the school cafeteria Friday evening, January 26.

Serving will begin at 5 p. m. and continue until everyone has been served.

Tickets to the chili supper are 75 cents each, for all the chili one can eat.

Money raised through this project will be used to finance one of the several projects of the Winters Lions Club, including purchase of glasses for underprivileged children, helping to pay for the Texas Lions Club Crippled Children's Camp at Kerrville. The club also makes a monthly contribution to the West Texas Rehabilitation Center in Abilene.

izer and Limestone Conference at A&M. Looking on is Dr. M. E. Bloodworth, head of the A&M Soil and Crop Sciences Department. The award is based on academic standing and student activities. Michael is the son of Mr. and Mrs. Fritz F. Deike of Winters.

SCHOLARSHIP—Michael L. Deike of Winters, center, agronomy student at Texas A&M University, receives a \$200 National Plant Food Institute Scholarship from NPFI Board Member Tom Wright, right, during the recent annual Fertil-

Mr. and Mrs. Louis Ernst To Observe Sixtieth Wedding Anniversary Sunday

Mr. and Mrs. Louis Ernst will observe their sixtieth wedding anniversary Sunday, February 4th, with open house at their home 1109 West Parsonage.

Their children will host the open house event, from 2:00 to 5:00 p. m.

All relatives and friends of the family are invited to attend.

Rains Measure Five-Plus In Winters Area

The Winters and North Runnels County areas shared in the general rains which soaked a big portion of the State of Texas last week.

In Winters proper, rainfall was measured at 5 inches, bringing to 5.1 inches the total moisture received during January. The freezing rain on January 3 left 0.6 inch of moisture, as measured unofficially.

The 5 inches of rainfall during the past week is the highest measure received during January since 1961, when the total for the month was measured at 5.3 inches. Since that year, there have been three totally dry Januaries—1962, 1963 and 1967, and light amounts for 1964 through 1966.

Conditions on farm lands and pastures has been described as "excellent" in the North Runnels County area. More rain has been received from September last year through January than was received in the same period

THE WINTERS ENTERPRISE
Winters, Texas
Page 2
Friday, January 26, 1968

Valley Creek Water District Money Report

Valley Creek Water Control District had a balance of \$41,888.99 for operations and bond retirement at the end of calendar year 1966, according to Hugo Vogelsang, chairman of the board of directors of the district.

On hand was \$25,608.79, and receipts from 1966 ad valorem taxes was \$12,221.79.

Last year the district used \$10,948.61 for office supplies, travel expenses, publications, elections, attorney fees, utilities, telephone, salaries, office rent and easement costs. A \$100,000 bond, voted in 1960, had been lowered by \$12,000 on Dec. 31, 1966, and they have paid some \$25,000 in interest on the bond.

The Valley Creek Water Control District work plan was developed in 1962 for the purpose of controlling flood waters along Valley Creek, which begins in Nolan and Taylor counties, runs through the western part of Runnels County, and empties into the Colorado River near Ballinger.

The program, as approved by congress, provided for 20 flood prevention dams to be erected in the 150,464 acre watershed. Cost of these structures was estimated at \$2 million, according to Vogelsang.

The Soil Conservation Service will provide necessary funds for design, layout and construction of these dams, which will control 70 percent of the flood waters on Valley Creek.

Twelve flood prevention dams have been constructed, one is under construction and four sites have been cleared for construction.

In 1959, Valley Creek Water Control District was created by the Texas Legislature to furnish land rights for the watershed dams and bear maintenance and operations costs after the projects are completed.

A similar district, Elm Creek Water Control District, has been organized for the eastern part of Runnels County and South Taylor County, created by the Texas Water Board, and directors of the district are anticipating that work plans for flood water retarding structures will get underway within the next few months.

FROM DALLAS

Mr. and Mrs. Jack Davis of Dallas, spent the past week end visiting in the home of Mr. and Mrs. Joe Irvin.

FROM INDIANA

Mr. and Mrs. Don Austin left Tuesday for their home in Michigan City, Indiana after a few days visit in the home of her sister, Mrs. Elzie Cox and her brother, Mr. and Mrs. Foster Lett, other relatives in Robert Lee and Ballinger.

in a good many years. Since last September 21.1 inches of rain has been measured for the area, putting a good "season" in the ground and raising water levels of most reservoirs in the section. Winters City Lake was filled and water reported over the spillway following last week's rains.

Mr. and Mrs. Don Austin left Tuesday for their home in Michigan City, Indiana after a few days visit in the home of her sister, Mrs. Elzie Cox and her brother, Mr. and Mrs. Foster Lett, other relatives in Robert Lee and Ballinger.

"Chintz" is a Hindu word meaning "small patterns printed on fine cotton."

Cotton is superior for a wide range of textiles, available in many weaves and finishes.

VOTER BLANK — Use this form to apply for voter registration. Fill in all the blanks on the form, cut it out and mail it to the Runnels County Tax Assessor-Collector if you are a resident of Runnels County. Residents of other counties should mail the form to the tax assessor-collector of the appropriate county of residence.

All Voters Must Register Before End of Month

With the deadline for registration only a few days away, Texas voters over 60 years old have been reminded of a new law which requires every voter to register, regardless of age or place of residence. Heretofore, voters over 60 years old were required to register only if they lived in a city of ten thousand or more inhabitants. Wednesday of next week, January 31, is the last day to apply for a registration certificate.

Texas Secretary of State John L. Hill issued the reminder in a statement summarizing registration requirements. As Secretary of State, Hill also has the title of chief election officer of Texas. He said that anyone who is now eligible to vote or who will become eligible by February 28, 1968, may register at this time. The 1968 voting year begins next March 1 and runs through February of 1969.

Hill emphasized that registration for most voters will close on Wednesday of next week, and they will not be permitted to register after that date. The only persons who may register after the January 31 deadline are new residents who move to Texas after October 1, 1967, and persons who become 21 years old or become naturalized citizens after January 31, 1968.

An application form printed in today's paper may be used to apply for a registration certificate by mail. The law provides that applications by mail must bear a postmark not later than January 31. An application which is mailed too late to be postmarked on that date does not comply with the law, even though it is deposited in a letter box or a post office drop box before the deadline. This reminder is especially important for patrons of small post offices, some of which close as early as 5 o'clock in the afternoon.

Voters may also register in person at the county tax assessor-collector's office or at the registration substation in Winters which will be open for the remainder of the registration period.

Winters Independent Schools SCHOOL MENU (Subject to Change)

Monday, January 29
Beef and potato stew, buttered carrots and peas, tossed green salad, French sticks, strawberry shortcake, milk or chocolate milk.

Blizzardettes Win First District Basketball Game

The Winters Blizzardettes won their first District Basketball Game last Friday by defeating the Haskell girls by the score of 51 to 27.

The Blizzardettes, playing without one starting forward, appeared to be on their way to a first quarter shutout as their defense seemed impregnable and their offense scoring with some degree of ease. A Haskell free throw by Kathy Burson broke the ice and the first quarter ended with the Blizzardettes leading 15 to 3.

The Blizzardettes now own a 15 and 3 record with the three losses coming in the finals of the three tournaments in which they played.

Once again outstanding play was turned in by guards Mary Lynn Pritchard, Babs Tatum,

and Judy McNeill. Good offensive work was done by forwards Eileen Fabion, who was high point girl for the game with 23 points, Carla Walker with 6 points, and substitutes Susan White with 12 points and Debra Carroll with 9 who played the forward position usually filled by Dora Snell who was out with the flu.

The Blizzardettes now stand 1 and 0 in District play. Their next district game is with Hamlin on Tuesday night. Hamlin has one of the strongest teams in the district.

CARD OF THANKS

Words cannot express the appreciation of the kindness shown during our recent sorrow. A special "thank you" to Dr. Rives, the nurses at the hospital and the Merrill Rest Home. The family of Mrs. Fred W. Grohman. Itp.

Lots of Moisture, But Wind Erosion Remains Problem

Harvey Kahlden, Soil Conservationist with the local Soil Conservation Service, assisting the Runnels Soil and Water Conservation District said although moisture conditions are good at the present time, wind erosion may be a problem this spring. He said when the top few inches of soil dries out, the soil will become susceptible to wind erosion. The moisture we have received has melted most of the clods which help protect cropland fields against soil losses by wind erosion.

According to Kahlden, cropland that has a good cover of crop stubble on the surface of the soil will most likely be in very good condition at planting time this spring; but some of

that soil that does not have a protective cover may be in our living rooms if some emergency measures are not taken.

He went on to say that roughening the soil surface by chiseling, listing, or other means will provide temporary protection to cropland against soil losses by wind erosion. The roughening tillage should be done after the soils have dried, but while clod farming soil is still within reach of the equipment used. Kahlden said it should be kept in mind that this is an emergency conservation measure and does not provide long-time benefits.

IN MARKS HOME

Mrs. Lema Rae Bond of Santa Clara, California spent two weeks recently in the home of her mother, Mrs. E. L. Marks. Other visitors in the Marks home were her sons, Mr. and Mrs. Kenneth Marks and children of Midland, Mr. and Mrs. R. Q. Marks and family of Winters.

WHAT'S THE EASIEST WAY TO PAY TELEPHONE BILLS?

Our modern BANK DRAFT PLAN — that's what! And for many reasons.

Winters, Texas

Yuri Zhivago (Omar Sharif) and Lara (Julie Christie) renew old friendship at the front during World War I, in which Zhivago serves as a doctor and Lara as a volunteer nurse. The scene is from David Lean's film of Boris Pasternak's "Doctor

Zhivago." The MGM picture, winner of six Academy Awards, also stars Geraldine Chaplin, Tom Courtenay, Alec Guinness, Siobhan McKenna, Ralph Richardson, Rod Steiger and Rita Tushingham.

WINGATE

Jan. 20 five Wingate Gator Tops members attended the A. R. D. at the Riverside Motel in Brownwood. Mrs. Alpheus Hill, Mrs. George Cave, Mrs. Richard Beck, Mrs. James Williams, and Mrs. Bill Hamilton made the trip. Twenty-eight are in our area with 11 clubs present and 13 KOP members. Guest speaker was Dr. S. Cutbirth, and a question and answer period followed.

January 22 Wingate Gator Tops had their regular meeting at Humble Recreation Hall with seven members present, Mrs. Richard Beck, Mrs. Bill Hamilton, Mrs. Alpheus Hill and Mrs. George Cave, Mrs. Wayne Owens, and Mrs. James Wil-

liams. Meeting called to order by Mrs. Alpheus Hill; roll call, minutes and treasurer's report by Mrs. Wayne Owens. Business was discussed. Queen for the week was Mrs. James Williams. Mrs. W. T. Holder suffered a blood clot early Saturday and she is a patient in Hendrick Memorial Hospital. Her condition is not good.

Mrs. B. H. Denson has the flu and Dessie and family of Brownwood were here Sunday.

Mrs. Irvie Talley has the flu. Visitors in the Edwin Voss home were Mr. and Mrs. Tad Hantsche of Winters, Mr. Erwin Voss, Mr. and Mrs. Worth Voss and Donna, all from San Angelo.

Mr. and Mrs. Voss were visitors in the Henry Vogler home last week and were also visitors with Mr. and Mrs. Garland Briley and their daughter-in-law, of Abilene.

Mr. and Mrs. Jack Patton, Mr. and Mrs. D. F. Bryan and Mrs. Wheat are guests in the Bill Harman home last week and were entertained by their piano player friend.

Mrs. John Byrd visited Mrs. Wheat last week.

Mrs. Morris is improving. Mrs. Myrtle Allen is able to be up.

Ed Hall, Jr., from Alaska, is visiting his parents, Mr. and Mrs. D. F. Bryan.

The higher the thread count in cotton sheets, the finer and more durable the fabric.

Shirley Heath Is Honored At Bridal Shower Saturday

Complimenting Miss Shirley Heath, daughter of Mrs. Lillie Heath and bride-elect of Mr. Joe Porter of Brownwood, a bridal shower was given Saturday afternoon, from 4 to 6 o'clock, in the home of Mr. and Mrs. W. L. Bean.

Hostesses were Mesdames Bean, C. T. Rives Jr., Ellis Zane Moore, Willis Davis, J. T. Sprinkle, Buck Matthews, Clifford Huffman, Wayne Sims and Z. I. Hale.

Laid in white linen with appointments of crystal, the table was centered with a valen-

tine arrangement of red and silver. Red frosted punch, cookies and mints were served.

Mrs. Z. I. Hale ladeled punch and was assisted in serving the dainty tea plate by Mesdames Moore, Davis and Sims.

Mrs. Bean greeted the guests and presented the honoree, her mother, Mrs. Lillie Heath and the groom's mother, Mrs. Billie Porter of Brownwood. Mrs. Charlie Starkey of San Angelo registered the guests.

Mrs. J. T. Sprinkle showed the gifts to 25 guests who called during the tea hour.

The wedding will take place Saturday February 10, at the First Baptist Church in Winters.

The length of a cotton fiber ranges from one to four thousand times its width.

"Doctor Zhivago"

In bringing Boris Pasternak's novel, "Doctor Zhivago," winner of six Academy Awards, to the screen for MGM, two-time Oscar winning director David Lean had two objectives in mind. The first was to present the love triangle of the story in such a way that audiences would share the depth of emotion which Lean had experi-

enced when he first read the book. The second was to depict this moving story against the tumultuous background of revolutionary Russia without dwarfing its human values.

Depicting the love story itself presented no serious problem to a director skilled at creating such memorable films as "Brief Encounter" and "Summer-time." But in "Doctor Zhivago" the challenge lay in not permitting the film's historical background to overwhelm the personal story of Yuri Zhivago (Omar Sharif), of his happy marriage to Tonya (Geraldine Chaplin) and of his subsequent passionate love affair with Lara (Julie Christie).

Lean was able to accomplish the unique feat of underlying the love situations of "Doctor Zhivago" against some of the most exciting action scenes the screen has ever produced.

Square Dancers Met Saturday

Members of the Bells and Bows Square Dance Club met Saturday in the American Legion hall. Pete Taylor of Brownwood, was teacher, and Mr. and Mrs. Cliff Smith of Snyder, Delton Lovelace of Abilene, and Leon Ivey of Haskell, also called for some of the dances.

Visitors were present from Sweetwater, Haskell, Abilene, Anson, Snyder, Baird, Brownwood and Brady.

A new class started Thursday of this week at the Legion Hall.

LEGAL NOTICE

NOTICE OF INTENTION OF THE CITY OF WINTERS, TEXAS, TO ENTER INTO A COOPERATION AGREEMENT WITH THE HOUSING AUTHORITY OF THE CITY OF WINTERS, TEXAS.

Pursuant to a Resolution duly adopted on January 22, 1968, by the City Council of Winters, Texas, Notice is hereby given of the intention of the City of Winters, Texas, and further:

Notice is hereby given that at the expiration of sixty (60) days from January 26, 1968, the City Council of the City of Winters, Texas, will consider the question of whether or not it will enter into a Cooperation Agreement with the Housing Authority of the City of Winters, Texas. A copy of the proposed Cooperation Agreement is available for the inspection of the public at the office of the City Hall during business hours.

This Notice is given and published pursuant to the Housing Cooperation Law of the State of Texas.

\$1,100 Raised In Fund Campaign For Library

Some \$1,100.00 has been received in a fund raising campaign begun the middle of December for the enlargement of the Winters Public Library was reported at the Board of Directors meeting on Tuesday evening.

Growth of the Winters Public Library since it was moved to its present location on North Main Street four years ago has been a source of pride to the directors and has attracted the attention of library authorities over the state.

Operating strictly as a private organization without federal, state, county or financial assistance in any form, the library presently has 6,492 books on its shelves and books are being read at the rate of 175 per week.

Plans for the expansion project call for incorporating part of the present storage room in the library proper. By this method floor space can be doubled and floor space increased by 40 per cent. Cost of the project will be approximately \$3,500, directors said.

Since the library is a city project, the directors have stressed that they would like for every person in Winters to have a part in the campaign. The library is of special benefit to children.

Beginning next week a list of donors will be published each week.

In addition to the private donations and contributions by civic and service organizations, the library is supported by a \$2 per year family membership. Many people give books to the library as memorials.

"The time has come when space must be expanded," the directors said. This is of concern to all Winters residents.

Fire Auxiliary Met In Dry Home Tuesday Evening

The Firemen's Auxiliary met in the home of Mrs. Charles Dry Tuesday evening of this week, with Mrs. Carson Easterly assisting the hostess. Mrs. Easterly also presided for a short business session.

Annual reports were read and year books presented. Mrs. Marvin Bedford installed officers for the new year. New officers are Mrs. Robert Carey, president; Mrs. Alvin Scates, vice president; Mrs. Marvin Bedford, secretary; Mrs. Charles Dry, treasurer; Mrs. Carson Easterly, reporter; Mrs. Jack Harrison, historian; Mrs. E. Z. Moore, parliamentarian; and Mrs. J. B. Whitlow, chaplain.

Refreshments were served to Mmes. Floyd Sims, Don Emmert, Billy Joe Emmert, Alvin Scates, Ed Ottwell, Marvin Bedford, J. B. Whitlow and Robert Carey.

WCSA Met In Church Parlor Tuesday Morning

Members of the Woman's Society of Christian Service met in the First Methodist Church parlor Tuesday morning at 9:30. The program was opened with a song, and Mrs. Mitchell, president, presided for the business session, followed by prayer by Mrs. Nan Wright.

Mrs. Roy Crawford announced the program, "Africa Seeks a New Identity." Mrs. Nichols, the program, introduced the program theme, "Since Identity is Best Realized in Relationship with Persons and Groups."

Mrs. Yada Mae Babston spoke on "A Search for New Image." Mrs. M. L. Dobbins, who attended the conference at Fort Worth, gave reports on African ideas and progress.

Devotion was given by Mrs. Roy Crawford.

Junior Culture Club Elects New Officers Thursday

New officers were elected when the Junior Culture Club met Thursday last week in the parlor of the First Methodist Church for regular January meeting. Reports were given by department chairman and business discussion was led by the president, Mrs. Oscar Funderburg Jr.

Mrs. Wayne Solomon was elected president; Miss Nancy Grundy, vice president; Mrs. Paul Michaelis, secretary; Mrs. Dennis Rodgers, Communications secretary; Mrs. James Self, treasurer; Mrs. O. O. Funderburg Jr., parliamentarian; Mrs. Billy Joe Colburn, historian; Mrs. Douglas Cole, Federation Counselor.

Mrs. Tommy Russell gave a very interesting program. Mrs. Funderburg welcomed Mrs. Lynn Billups in the club.

Hostesses for the meeting were Mrs. Jim Cox and Mrs. Johnny Weems.

Others present were Mrs. Wayne Solomon, Mrs. W. T. Cox, visitor from San Angelo, Mrs. Cecil Hambright, Mrs. Gayland Robinson, Mrs. Douglas Cole, Mrs. O. J. Murray, Mrs. Lynn Billups, Mrs. Tommy Russell, Mrs. O. O. Funderburg Jr., Miss Nancy Grundy, Mrs. Nelan Bahlman and the hostesses.

Lutheran College Band To Appear Here February 3

The 45-piece Texas Lutheran College Concert Band, under the direction of M. A. Nyquist, will appear February 3 at the Winters High School Auditorium under the sponsorship of St. John Lutheran Church. Concert time is 7:30 p. m.

The concert in Winters is one of 18 performances the band will make on its annual tour through Texas, Oklahoma, Kansas, Nebraska and Colorado from Jan. 23-Feb. 4.

Nyquist has been director of the TLC group since 1957 and has earned a reputation as a guest clinician and director of the oldest and largest band and twirling camps in the Lone Star State.

Prior to coming to Texas Lutheran, Nyquist was the band director at Huron College in South Dakota. He has also spent over 20 years as a band director with public schools in Wyoming and Nebraska.

The good-natured Swede is known for his composing, having had over 50 published compositions, arrangements and transcriptions which include band, choral ensemble and instrumental solos. He earned his music degrees from the Univ. of Wyoming.

Nyquist is a firm believer in presenting concerts which appeal to all types of music listeners. As a result, a varied program of show tunes, classic overtures, concert works, solo selections, marches, and sacred tunes is in store for the citizens of Runtels County.

Beverly Sprinkle Shows Top Lamb In Class at Abilene

It was a close race, but Beverly Sprinkle, 17-year-old daughter of Mr. and Mrs. J. T. Sprinkle of Winters, showed her lamb to the championship in the Intermediate Mutton Breeds division at the Abilene Fat Stock Show Monday.

Miss Sprinkle took her lamb to the show barns in Abilene Sunday, and then attended classes at Winters High School Monday. By the time she arrived in Abilene, her lamb's class was already in the ring to be judged. She made a dash to the pen and led the lamb to the arena—and won the championship ribbon.

The same lamb she showed to honors in Abilene won first place at the Junior Livestock Show in Winters two weeks ago.

Miss Sprinkle is in her fourth year of 4-H work.

In the Swine Division at the Abilene Show Tuesday, James Hogan, Winters FFA showed the No. 1 light Berkshire, Larry Donica, Winters FFA, showed a pen of three Durocs to second place, and John Smith, Winters FFA, had the fifth place Heavy Duroc.

Former Resident Died In Austin Sunday, Jan. 21

Ernest (Shadow) Adams, 72, 612 Bee Caves Road, Austin, Texas, died unexpectedly at his home Sunday January 21, according to information received by relatives here.

Burial was in Memorial Cemetery Tuesday in Houston.

Mr. Adams was born in Winters August 17, 1896. He served in World War I, and was married in Winters to Edna Gallo-way. The couple lived in Oklahoma several years ago.

Surviving are his wife, two children, several grandchildren, one brother, John Adams of Winters and one sister, Mrs. Ella Bennett of Kerrville.

J.O.Y. SS Class Held Meeting In Sims Home

Mrs. Wayne Sims was hostess for the regular monthly business and social meeting of the J.O.Y. Class of the First Baptist Church, in her home Tuesday of last week. Co-hostess was Mrs. Jack Pierce.

Mrs. Tommy Hicks presided for the meeting which was opened with prayer by Mrs. S. B. Parks. Minutes were read by Mrs. Kenneth Sneed and various prospects were discussed.

Mrs. Robert Simpson gave the devotional and Mrs. Loyd Roberson, teacher of the class, closed the meeting with prayer.

Refreshments were served to Mesdames Robertson, Kenneth Sneed, Tommy Hicks, Donald Kruse, Monroe Boles, S. B. Parks, Robert Simpson, W. O. Webb, Jack Pierce, and Wayne Sims.

Gingham gets its name from Ging Gong, a cloth woven by natives in Malaya and Java.

Postmaster--

(Continued from page 1) ing the business part of each day.

Preference benefits based upon honorable separation from the Armed Forces are given under certain conditions in competitive examination for original appointment.

A list of eligible competitors is set up after the examination is completed. Veteran eligibles with a compensable service-connected disability of 10 percent or more are placed first on this list in the order of their rating. Following them, all other eligibles are listed according to grades, including preference points, if any. The names of the top three eligibles on the list are furnished to the Post Office Department for consideration in filling each vacancy. Under the Veterans' Preference Act, the Department cannot pass over a preference eligible and select a non-preference eligible whose name appears lower on the certificate unless reasons for passing over the preference eligible are submitted and found sufficient by the Commission.

The eligible selected must be nominated by the President and confirmed by the Senate before appointment may be effected.

Car Licenses Go On Sale Here Next Thursday

1968 Texas license plates have been delivered to the Winters sub office of the Runnels County Tax Assessor-Collector, and sale will begin next Thursday, February 1.

Mrs. Ted Meyer, deputy in the Winters office, said she has a large supply of tags, for passenger cars and commercial vehicles. Three prefix letter combinations have been assigned to the Winters office, HLF, 950 to 999, HLG, 10 to 999, and HLH, 10 to 999. Commercial prefix at the Winters office will be 3D, Mrs. Meyer said.

Mrs. Meyer said that owners should bring four items to the Tax Collector's office when registering vehicles: certificate of title, 1967 license receipt, current resident address, and zip code.

State law requires each owner to register his vehicle in the county in which he resides and to present his certificate of title as evidence of ownership.

During the 1967 session the Texas Legislature amended the Texas Registration Law by changing passenger car license fees and establishing a minimum fee of \$5.30 for all vehicles, including boat trailers.

The new rates for passenger cars are as follows:

Up to 3,500 pounds, \$12.30.
3,501-4,500 pounds, \$22.30.
4,501-6,000 pounds, \$30.30.
More than 6,000 pounds, 55 cents per 100 pounds.

Mrs. Meyer said that several people have reserved special numbers. There is no charge for this service, she said.

Blizzards Lose To Hamlin Pipers Tuesday Night

Winters Blizzards dropped their fourth straight district game Tuesday night as the Hamlin Pipers defeated them by the score of 76 to 51. The Blizzards played creditable basketball most of the night but it was a case of too much Hamlin. At the end of the first quarter the Blizzards were down by only three points but a cold second quarter dropped them behind by 16 points. In fact that had second quarter was the real difference in the game. In that quarter the Blizzards could account for only one field goal and two out of four free throws which brought their field goal percentage down to 25 per cent. Donny Killough and Ronny Reel shared rebounding honors while Reel was the games high point man with 20.

In the B team game the Blizzards were humiliated by a very good undefeated Hamlin team. The Blizzards were shut out until four minutes of the second quarter and were able to pick up only two field goals all night. The Blizzards had opportunities to score but just could not find the range. The final score was 40 to 19 in favor of Hamlin. Bill Grantz topped the scoring for the Blizzards with 6 points.

In the girls' game, Winters held the first half, while Hamlin took control of the second, winning by the score of 42-43. Carla Walker hit 19 points for Winters.

In district competition the Blizzards are now 0-4. Colorado City leads the pack with a 4-0 record, Hamlin is next with a 3-1 tally, then come Anson and Stamford with 2-2 records, Haskell with 1-3 and Winters with 0-4.

Blizzards Lose Third District Basketball Tilt

Winters Blizzards dropped their third district game to the Haskell Indians Friday night by the score of 63 to 43.

For twelve minutes the Blizzards played the Indians on even terms although they did not take the lead until two minutes and 15 seconds had passed in the second quarter. From that point until mid-way in the second quarter the lead changed hands several times. Four bad passes resulting in eight quick points put the Indians ahead and they were never stopped. It seemed that at that point the Blizzards lost their cool and were never able to get their game going again.

High point man for the game was the Blizzards Dan Killough with 21 points.

The Blizzards are now 0-3 in district play with two more games before they reach the mid-way mark. Colorado City leads the district with a 3-0 record, Hamlin and Anson are next with 2-1 records, Stamford and Haskell follow with 1-2 records, and the Blizzards trail in district competition.

The Blizzards B team won their game by the score of 67 to 37. Coach Grissom played everybody on the bench as the Blizzards coasted to their third district win and their twelfth win in 17 starts. Bob Colburn was high point man with 21 points.

Long Distance Phoning Will Be Easy After Feb. 4

Long distance telephoning? It's Easy as A-B-C!

So state the instructions on the new telephone directories being distributed to Winters subscribers this week. About 1500 of them, according to telephone company spokesmen.

All you do is dial the "access code"—this is explained in the new directory. Then you dial the "area code"—this most of us have become familiar with; then we dial the number we want. In all, 13 numbers!

But we can't do it until Sunday, February 4. That's the date the new "Expanded Direct Distance Dialing" system goes into effect in Winters. That's the date the numbers in the new telephone directory become effective, too. And numbers in Winters (with the exception of a very few) will be new numbers, too.

According to the information in the new telephone directory, if you make a station-to-station call you will not be connected by an operator. Only if you make a person-to-person, or collect call, or use a credit card number, will you have contact with the operator. The new switching and exchange system which has been installed in Winters will take care of all the calls. Even though you may not contact an operator on a long distance call, it's still going to cost—a special machine will record your call.

Mrs. Mollie Sewell Resigns, Miss Breeding Hired

Mrs. Mollie Sewell, who has been a second grade teacher in the Winters school for the past three years, has submitted her resignation to the Winters school board.

Superintendent of Schools Carroll Tatom has announced the appointment of Miss Connie Breeding, a mid-term graduate of Hardin-Simmons University, to the school faculty.

Miss Breeding holds a bachelor's degree in elementary education and will teach in the second grade. She is a graduate of Cross Plains High School, and is the daughter of Mr. and Mrs. A. L. Breeding of Cross Plains.

Mrs. Sewell's resignation is to become effective immediately. She is leaving the school because of health reasons.

Blizzards Lose Third District Basketball Tilt

Winters Blizzards dropped their third district game to the Haskell Indians Friday night by the score of 63 to 43.

For twelve minutes the Blizzards played the Indians on even terms although they did not take the lead until two minutes and 15 seconds had passed in the second quarter. From that point until mid-way in the second quarter the lead changed hands several times. Four bad passes resulting in eight quick points put the Indians ahead and they were never stopped. \$1,100 Raised In Fund Campaign For Library

Some \$1,100.00 has been received in a fund raising campaign begun the middle of December for the enlargement of the Winters Public Library was reported at the Board of Directors meeting on Tuesday evening.

Growth of the Winters Public Library since it was moved to its present location on North Main Street four years ago has been a source of pride to the directors and has attracted the attention of library authorities over the state.

Operating strictly as a private organization without federal, state, county or financial assistance in any form, the library presently has 6,492 books on its shelves and books are being read at the rate of 175 per week.

Plans for the expansion project call for incorporating part of the present storage room in the library proper. By this method shelf space can be doubled and floor space increased by 40 per cent. Cost of the project will be approximately \$3,500, directors said.

Since the library is a city project, the directors have stressed that they would like for every person in Winters to have a part in the campaign. The library is of special benefit to children.

Beginning next week a list of donors will be published each week.

In addition to the private donations and contributions by civic and service organizations, the library is supported by a \$2 per year family membership. Many people give books to the library as memorials.

"The time has come when space must be expanded," the directors said. This is of concern to all Winters residents.

Fire Auxiliary Met In Dry Home Tuesday Evening

The Firemen's Auxiliary met in the home of Mrs. Charles Dry Tuesday evening of this week, with Mrs. Carson Easterly assisting the hostess. Mrs. Easterly also presided for a short business session.

Annual reports were read and year books presented.

Mrs. Marvin Bedford installed officers for the new year. New officers are Mrs. Robert Carey, president; Mrs. Alvin Scates, vice president; Mrs. Marvin Bedford, secretary; Mrs. Charles Dry, treasurer; Mrs. Carson Easterly, reporter; Mrs. Jack Harrison, historian; Mrs. E. Z. Moore, parliamentarian; and Mrs. J. B. Whitlow, chaplain.

Refreshments were served to Meses. Floyd Sims, Don Emmert, Billy Joe Emmert, Alvin Scates, Ed Otwell, Marvin Bedford, J. B. Whitlow and Robert Carey.

WCSA Met In Church Parlor Tuesday Morning

Members of the Woman's Society of Christian Service met in the First Methodist Church parlor Tuesday morning at 9:30. The program was opened with a song, and Mrs. Mitchell, president, presided for the business session, followed by prayer by Mrs. Nan Wright.

Mrs. Roy Crawford announced the program, "Africa Seeks a New Identity." Mrs. Nichols, the program, introduced the program theme, "Since Identity is Best Realized in Relationship with Persons and Groups."

Mrs. Vada Mae Babston spoke on "A Search for New Image." Mrs. M. L. Dobbins, who attended the conference at Fort Worth, gave reports on African ideas and progress.

Devotion was given by Mrs. Roy Crawford.

Former Resident Died In Austin Sunday, Jan. 21

Ernest (Shadow) Adams, 72, 612 Bee Caves Road, Austin, Texas, died unexpectedly at his home Sunday January 21, according to information received by relatives here.

Burial was in Memorial Cemetery Tuesday in Houston.

Mr. Adams was born in Winters August 17, 1896. He served in World War I, and was married in Winters to Edna Gallo-way. The couple lived in Oklahoma several years ago.

Surviving are his wife, two children, several grandchildren, one brother, John Adams of Winters and one sister, Mrs. Ella Bennett of Kerrville.

J.O.Y. SS Class Held Meeting In Sims Home

Mrs. Wayne Sims was hostess for the regular monthly business and social meeting of the J.O.Y. Class of the First Baptist Church, in her home Tuesday of last week. Co-hostess was Mrs. Jack Pierce.

Mrs. Tommy Hicks presided for the meeting which was opened with prayer by Mrs. S. B. Parks. Minutes were read by Mrs. Kenneth Sneed and various prospects were discussed.

Mrs. Robert Simpson gave the devotional and Mrs. Loyd Roberson, teacher of the class, closed the meeting with prayer.

Refreshments were served to Mesdames Robertson, Kenneth Sneed, Tommy Hicks, Donald Kruse, Monroe Boles, S. B. Parks, Robert Simpson, W. O. Webb, Jack Pierce, and Wayne Sims.

Gingham gets its name from Gung Gong, a cloth woven by natives in Malaya and Java.

Junior Culture Club Elects New Officers Thursday

New officers were elected when the Junior Culture Club met Thursday of last week in the parlor of the First Methodist Church for regular January meeting. Reports were given by department chairman and business discussion was led by the president, Mrs. Oscar Funderburg Jr.

Mrs. Wayne Solomon was elected president; Miss Nancy Grundy, vice president; Mrs. Paul Michaelis, secretary; Mrs. Dennis Rodgers, Communications secretary; Mrs. James Self, treasurer; Mrs. O. O. Funderburg Jr., parliamentarian; Mrs. Billy Joe Colburn, historian; Mrs. Douglas Cole, Federation Counselor.

Mrs. Tommy Russell gave a very interesting program. Mrs. Funderburg welcomed Mrs. Lynn Billups in the club.

Hostesses for the meeting were Mrs. Jim Cox and Mrs. Johnny Weems.

Others present were Mrs. Wayne Solomon, Mrs. W. T. Cox, visitor from San Angelo, Mrs. Cecil Hambricht, Mrs. Gayland Robinson, Mrs. Douglas Cole, Mrs. O. J. Murray, Mrs. Lynn Billups, Mrs. Tommy Russell, Mrs. O. O. Funderburg Jr., Miss Nancy Grundy, Mrs. Nelan Bahlman and the hostesses.

Lutheran College Band To Appear Here February 3

The 45-piece Texas Lutheran College Concert Band, under the direction of M. A. Nyquist, will appear February 3 at the Winters High School Auditorium under the sponsorship of St. John Lutheran Church. Concert time is 7:30 p. m.

The concert in Winters is one of 18 performances the band will make on its annual tour through Texas, Oklahoma, Kansas, Nebraska and Colorado from Jan. 23-Feb. 4.

Nyquist has been director of the TLC group since 1957 and has earned a reputation as a guest clinician and director of the oldest and largest band and twirling camps in the Lone Star State.

Prior to coming to Texas Lutheran, Nyquist was the band director at Huron College in South Dakota. He has also spent over 20 years as a band director with public schools in Wyoming and Nebraska.

The good-natured Swede is known for his composing, having had over 50 published compositions, arrangements and transcriptions which include band, choral ensemble and instrumental solos. He earned his music degrees from the Univ. of Wyoming.

Nyquist is a firm believer in presenting concerts which appeal to all types of music listeners. As a result, a varied program of show tunes, classic overtures, concert works, solo selections, marches, and sacred tunes is in store for the citizens of Runnels County.

Beverly Sprinkle Shows Top Lamb In Class at Abilene

It was a close race, but Beverly Sprinkle, 17-year-old daughter of Mr. and Mrs. J. T. Sprinkle of Winters, showed her lamb to the championship in the Intermediate Mutton Breeds division at the Abilene Fat Stock Show Monday.

Miss Sprinkle took her lamb to the show barns in Abilene Sunday, and then attended classes at Winters High School Monday. By the time she arrived in Abilene, her lamb's class was already in the ring to be judged. She made a dash to the pen and led the lamb to the arena—and won the championship ribbon.

The same lamb she showed to honors in Abilene won first place at the Junior Livestock Show in Winters two weeks ago.

Miss Sprinkle is in her fourth year of 4-H work.

In the Swine Division at the Abilene Show Tuesday, James Hogan, Winters FFA showed the No. 1 light Berkshire. Larry Donica, Winters FFA, showed a pen of three Durocs to second place, and John Smith, Winters FFA, had the fifth place Heavy Duroc.

Ernest (Shadow) Adams, 72, 612 Bee Caves Road, Austin, Texas, died unexpectedly at his home Sunday January 21, according to information received by relatives here.

Burial was in Memorial Cemetery Tuesday in Houston.

Mr. Adams was born in Winters August 17, 1896. He served in World War I, and was married in Winters to Edna Gallo-way. The couple lived in Oklahoma several years ago.

Surviving are his wife, two children, several grandchildren, one brother, John Adams of Winters and one sister, Mrs. Ella Bennett of Kerrville.

Mrs. Wayne Sims was hostess for the regular monthly business and social meeting of the J.O.Y. Class of the First Baptist Church, in her home Tuesday of last week. Co-hostess was Mrs. Jack Pierce.

Mrs. Tommy Hicks presided for the meeting which was opened with prayer by Mrs. S. B. Parks. Minutes were read by Mrs. Kenneth Sneed and various prospects were discussed.

Mrs. Robert Simpson gave the devotional and Mrs. Loyd Roberson, teacher of the class, closed the meeting with prayer.

Refreshments were served to Mesdames Robertson, Kenneth Sneed, Tommy Hicks, Donald Kruse, Monroe Boles, S. B. Parks, Robert Simpson, W. O. Webb, Jack Pierce, and Wayne Sims.

Postmaster--

(Continued from page 1) ing the business part of each day.

Preference benefits based upon honorable separation from the Armed Forces are given under certain conditions in competitive examination for original appointment.

A list of eligible competitors is set up after the examination is completed. Veteran eligibles with a compensable service-connected disability of 10 percent or more are placed first on this list in the order of their rating. Following them, all other eligibles are listed according to grades, including preference points, if any. The names of the top three eligibles on the list are furnished to the Post Office Department for consideration in filling each vacancy. Under the Veterans' Preference Act, the Department cannot passover a preference eligible whose name appears lower on the certificate unless reasons for passing over the preference eligible are submitted and found sufficient by the Commission.

The eligible selected must be nominated by the President and confirmed by the Senate before appointment may be effected.

RECEIPT BOOKS: Now at The Enterprise Office.

WHY BUY YOUR INSURANCE OUT OF TOWN...
when Winters has its own Insurance Company that does all its business

Car Licenses Go On Sale Here Next Thursday

1968 Texas license plates have been delivered to the Winters sub office of the Runnels County Tax Assessor-Collector, and sale will begin next Thursday, February 1.

Mrs. Ted Meyer, deputy in the Winters office, said she has a large supply of tags, for passenger cars and commercial vehicles. Three prefix letter combinations have been assigned to the Winters office, HLF, 950 to 999, HLG, 10 to 999, and HLH, 10 to 999. Commercial prefix at the Winters office will be 3D, Mrs. Meyer said.

Mrs. Meyer said that owners should bring four items to the Tax Assessor's office when registering vehicles: certificate of title, 1967 license receipt, current resident address, and zip code.

State law requires each owner to register his vehicle in the county in which he resides and to present his certificate of title as evidence of ownership.

During the 1967 session the Texas Legislature amended the Texas Registration Law by changing passenger car license fees and establishing a minimum fee of \$5.30 for all vehicles, including boat trailers.

The new rates for passenger cars are as follows:

Up to 3,500 pounds, \$12.30.
3,501-4,500 pounds, \$22.30.
4,501-6,000 pounds, \$30.30.
More than 6,000 pounds, 55 cents per 100 pounds.

Mrs. Meyer said that several people have reserved special numbers. There is no charge for this service, she said.

Blizzards Lose To Hamlin Pipers Tuesday Night

Winters Blizzards dropped their fourth straight district game Tuesday night as the Hamlin Pipers defeated them by the score of 76 to 51. The Blizzards played creditable basketball most of the night but it was a case of too much Hamlin. At the end of the first quarter the Blizzards were down by only three points but a cold second quarter dropped them behind by 16 points. In fact that had second quarter was the real difference in the game. In that quarter the Blizzards could account for only one field goal and two out of four free throws which brought their field goal percentage down to 35 per cent. Donny Killough and Ronny Reel shared rebounding honors while Reel was the games high point man with 20.

In the B team game the Blizzards were humiliated by a very good undefeated Hamlin team. The Blizzards were shut out until four minutes of the second quarter and were able to pick up only two field goals all night. The Blizzards had opportunities to score but just could not find the range. The final score was 40 to 19 in favor of Hamlin. Bill Grantz topped the scoring for the Blizzards with 6 points.

In the girls' game, Winters held the first half, while Hamlin took control of the second, winning by the score of 42-43. Carla Walker hit 19 points for Winters.

In district competition the Blizzards are now 0-4. Colorado City leads the pack with a 4-0 record. Hamlin is next with a 3-1 tally, then come Anson and Stamford with 2-2 records, Haskell with 1-3 and Winters with 0-4.

Long Distance Phoning Will Be Easy After Feb. 4

Long distance telephoning? It's Easy as A-B-C!

So state the instructions on the new telephone directories being distributed to Winters subscribers this week. About 1500 of them, according to telephone company spokesmen.

All you do is dial the "access code"—this is explained in the new directory. Then you dial the "area code"—this most of us have become familiar with; then we dial the number we want. In all, 13 numbers!

But we can't do it until Sunday, February 4. That's the date the new "Expanded Direct Distance Dialing" system goes into effect in Winters. That's the date the numbers in the new telephone directory become effective, too. And numbers in Winters (with the exception of a very few) will be new numbers, too.

According to the information in the new telephone directory, if you make a station-to-station call you will not be connected by an operator. Only if you make a person-to-person, or collect call, or use a credit card number, will you have contact with the operator. The new switching and exchange system which has been installed in Winters will take care of all the calls. Even though you may not contact an operator on a long distance call, it's still going to cost—a special machine will record your call.

Mrs. Mollie Sewell Resigns, Miss Breeding Hired

Mrs. Mollie Sewell, who has been a second grade teacher in the Winters school for the past three years, has submitted her resignation to the Winters school board.

Superintendent of Schools Carroll Tatom has announced the appointment of Miss Connie Breeding, a mid-term graduate of Hardin-Simmons University, to the school faculty.

Miss Breeding holds a bachelor's degree in elementary education and will teach in the second grade. She is a graduate of Cross Plains High School, and is the daughter of Mr. and Mrs. A. L. Breeding of Cross Plains.

Mrs. Sewell's resignation is to become effective immediately. She is leaving the school because of health reasons.

Blizzards Lose Third District Basketball Tilt

Winters Blizzards dropped their third district game to the Haskell Indians Friday night by the score of 63 to 43.

For twelve minutes the Blizzards played the Indians on even terms although they did not take the lead until two minutes and 15 seconds had passed in the second quarter. From that point until mid-way in the second quarter the lead changed hands several times. Four bad passes resulting in eight quick points put the Indians ahead and they were never stopped. It seemed that at that point the Blizzards lost their cool and were never able to get their game going again.

High point man for the game was the Blizzards Dan Killough with 21 points.

The Blizzards are now 0-3 in district play with two more games before they reach the mid-way mark. Colorado City leads the district with a 3-0 record. Hamlin and Anson are next with 2-1 records, Stamford and Haskell follow with 1-2 records, and the Blizzards trail in district competition.

The Blizzard B team won their game by the score of 67 to 37. Coach Grissom played everybody on the bench as the Blizzards coasted to their third district win and their twelfth win in 17 starts. Bob Colburn was high point man with 21 points.

BABSON'S POINT OF VIEW

Value Of Local Credit Bureaus
Consumer credit is such a natural part of our business life that few recognize how involved

the system actually is, particularly in determining the "risk" rating of customers. If a breadwinner, or his family, is refused credit, it may come as a shock to one who has considered his credit record generally satisfactory.

Here Is Where The Credit Bureau Comes In

Virtually all major cities in the country have credit bureaus, but it is surprising how few consumers know they can find valuable help from these sources. Such knowledge would be especially useful if the time should come when you are turned down in your request for credit. One of the chief responsibilities of the bureaus is to assist individuals and families to build up and maintain healthy credit records. Even more important in some instances is the programs the bureaus can offer for rebuilding a financial reputation that has suffered from unavoidable reverses.

Credit bureaus are not involved with actually making the decision of whether or not you should be accepted as a risk by a retailer or other establishment. Rather, they are concerned with gathering information and providing a reporting service for both buyers and sellers. If you have a black mark against you, your credit bureau may well be able to suggest the best method of working out the problem. In most communities, you will find the agencies listed under "Credit Bureaus" or "Consumer Credit Bureaus" in the yellow pages of the local phone book.

Your Privacy Is Respected

A telephone call to your credit bureau is recommended, with a request for a personal appointment. Credit records are not discussed over the phone and their contents are carefully guarded from those with no legitimate reason for requiring such data. An interview with the trained personnel of your bureau, however, may reveal the cause for your rejection. There need be no worry in reviewing your credit background with these people; it is commonly done all over the map

by a great many honest consumers with such problems.

For example, the Credit Bureau of Greater Houston estimates that its staff interviews and advises as many as 1800-1900 persons with credit dilemmas every month. Other cities report a steady expansion in the need for and use of their services. If you visit such an office, you will be granted a private session with a highly experienced supervisory or management-level adviser. The objective in most straight-forward cases is to reveal the reasons for any periods of faulty payments, so that they may be placed in the files.

Establishing Renewed Solvency

Most people are honest and have every intention of paying their bills in accordance with the original arrangements. But they may overreach in this day of credit cards and the hard sell. Or there may be illness, accident, or loss of a job. Occasionally there will be a case where family assets are completely decimated by a series of unfortunate circumstances. Many bureaus have associated with them some form of counseling service to which those deeply in debt may be referred. In some instances, such family credit counseling is underwritten by local credit granters. The essence of the work of a credit bureau is to rehabilitate

Mrs. Juanita O'Connor's Weekly Home Demonstration Agent's Column

Resins in some garments can cause itching. When chemicals are added at the mill to make fabrics wrinkle-resistant, excess chemicals are sometimes not properly cured and not washed out before the fabric goes to the garment manufacturer. This excess chemical, which is formaldehyde, causes the itching. The resin itself, if

properly cured and applied, causes no problem. Drycleaners advise washing the garment or have your drycleaner wetclean it—if it's wetcleanable. When shopping, sniff the garment to check for telltale formaldehyde odor.

Genuine white suede, made of New Zealand lamb hides that can be hand-washed like fine lingerie, is now sold as yard goods. The manufacturer states that this leather will not become discolored even after numerous sudings, and that it can be finger-pressed or even ironed to eliminate wrinkles after laundering.

Children four and five years old are developing individual tastes and interest. This will reflect in the books and stories they enjoy.

Sooner or later every good cook has to decide: would she rather see the last spoonfuls go to waste or to her waist?

The cotton plant normally sets less than half its squares.

Important date for telephone customers in Winters -

COMING FEBRUARY 4th

EDDDD

EXPANDED DIRECT DISTANCE DIALING

This new concept in long distance service — pioneered by General Telephone — comes to telephone customers in Winters on February 4th, and will also come to telephone customers in Ballinger on February 18th.

Called Expanded Direct Distance Dialing (EDDD) it permits you to dial your own long distance calls to points in the United States and Canada.

The new system enables you to dial your own person-to-person, station-to-station, collect or credit card calls, and calls charged to a third number. This modern convenience will not raise long distance rates from their present low levels.

An instruction booklet for the use of EDDD will be mailed to each customer, and instructions are also contained in your new directory. It is suggested that you read the simple procedure prior to the conversion date.

All telephone customers in Winters and Ballinger will get NEW SEVEN-DIGIT NUMBERS, so be sure to check the numbers you wish to call in your new directory — and DIAL ALL SEVEN DIGITS for best service.

Notice

Seniors are reminded that annual write-ups are due by no later than Wednesday of this week.

Semester Ends

The first semester of academics officially ended with the 8:30 bell Tuesday morning. The test schedule was interrupted by bad weather but resumed last Thursday after a day of review. Students reported to school for tests according to the time and date set aside for each of the academic subjects.

Any individual with a grade average of 95 or more was excused from the test. Those maintaining a 90 or more average who had not more than two absences were excused as were those whose average was 87 or in excess and were accounted for no absences.

Tests were scheduled for two hour sessions three times per day, starting Thursday and ending the following Monday.

Balloting

Ballots were placed in each of the teachers office boxes last Wednesday. The ballots were requests for sponsors to nominate an individual for to be listed

in Who's Who for the various clubs and organizations. Also on the ballots were suggestions for Most Representative Boy and Girl of Winters High School.

Seniors Nominate

The Senior members of the Alpha Chi chapter of Future Teachers of America met during the second period Tuesday in a special closed door meeting.

Following tradition, Senior members acted as a nominating committee for the officers to carry on next years business in their absence. Nominations were not permitted to be revealed until after club wide elections to be held in the near future.

Also discussed was a \$4,000 scholarship to be awarded to some deserving future teacher in the state of Texas.

FTA Seniors Teach

Something happened in WHS which hadn't happened in several years. The Senior members of the Future Teachers of America organization were given the opportunity to substitute teach in Junior High from three o'clock until four o'clock on Monday, the twenty-second. The reason the 17 Seniors were given the opportunity to teach was two fold: to give the Seniors, as future teachers, an opportunity to have some teaching experience while allowing time for the Principal, Mr. Beard, to call for a faculty meeting.

Seniors Meet

The Senior Class of Winters High School met briefly the first period Tuesday morning. The purpose of the meeting was to sign for diplomas to be awarded at the end of the school year.

Mr. Joyce informed the class that they would regretfully, not be able to attend the "Career Day" sponsored by Angelo State College due to transportation shortage.

Around WHS

It seems that things are about to level off to the status quo now that the holidays are over and a new semester has begun. Even the "between period buzz" in the halls has lost some of its sparkle and now seems to have a steady drum to it. Bill Brock, who usually manages this column, has been in the hospital for the past few days. We want to be sure and say HI to him.

Still no word as of this printing on Mrs. Kruse's soon to arrive "bundle of joy." She still maintains that she doesn't care if her second grandchild is a boy or a girl, so long as it doesn't turn out to be twins.

Because of an observation on the baldness of United States Senators, Mr. Ledbetter has lately been mentioned as a Senatorial prospect for Texas. Looks like he would learn not to leave himself open to such observations.

FFA News

The Winters FFA went to Brownwood this last week end on January the 13th, for the annual Brownwood FFA and Brown County 4-H judging contest which was held in the Earl Q. Wilson arena. Twenty-six of the Winters FFA students were there to judge in the contest.

The FFA students left Winters at 10 a. m. on Saturday. The students arrived in Brownwood to register before the judging started at 1:00 p. m. After the contest was over at 4 p. m., the winners were announced. The students then left for Winters at about 5 p. m.

Chat and Sew Club Hosted Tuesday in W. L. Burton Home

Quilt blocks were embroidered for the hostess by members of the Chat and Sew Club when they met Tuesday afternoon in the home of Mrs. W. L. Burton. Eight members were present. They were Mesdames O. D. Bradford Sr., Louis Hord, Carson Easterly, B. D. Jobe, Olga Mizzenmayer, Louis Ernst, and the hostess, Mrs. Burton. Members voted to give \$10.00 to the West Texas Rehabilitation Center in Abilene. The next meeting will be January 30, in the Calvin Cavanaugh home, 403 East Broadway.

Congressman
17th District

The second session of any Congress is usually opened with less fanfare than the beginning of the First Session. This is due to the fact that the tempo is usually set in the First Session and simply continues at about the same stride.

There is, however, in the second session of the 90th Congress a volatile potential resembling a sleeping volcano. It is bound to erupt, but no one is sure just when and where.

Fiscal affairs will hold the center of the stage. Normally, it would not be a dramatic performance, but we are not in normal times.

At least, there is some encouragement to be taken from the appearance of deep concern on the part of many Members of Congress for our economic wellbeing. The feeling is too late in coming but the very fact that many recognize that we must put our financial house in order is an improvement in attitude. As to how it is to be done and the measures used to accomplish it is something else. At the center is the President's call for a partial restoration of the tax decrease voted in 1964.

Present estimates call for a \$20 billion deficit in this fiscal year, ending June 30. Another \$20 billion deficit is expected at the same time in 1969 unless an increase in the surtax is voted to produce approximately \$12 billion. This assumes that spending costs of Vietnam will hold at about the present level.

To meet the threat to the integrity of the dollar in world-wide exchange, the Administration proposes to remove the requirement for 25 per cent backing in gold.

Among the many issues facing the Second Session of the 90th Congress are:

In the field of agriculture the emphasis will be on proposals to establish machinery for farmer's collective bargaining and extending the Poverty Program to rural areas.

Labor Legislation is not likely to be of high interest unless crippling strikes occur in key industries such as in steel. Should big strikes occur it is possible that anti-strike legislation may be enacted. Proposals to overhaul the National Labor Relations Board and substitute in its stead a Labor Court will have hearings.

In matters of education, top priority will be focused on Vocational and higher education measures. Attempts will be made to expand health care, particularly for children in families with working mothers. Intense attention is being given to the rising cost of medical and hospital care.

Numerous proposals on foreign trade were introduced in the last Session which will carry over to the present one. Efforts will be made to expand our exports and more than 100 industries want greater protection from imports.

For the past three years consumer interest has been under

continuous study. In this Session issues such as Truth-in-Lending, Pipeline Safety, Fire Safety and other measures may reach the debate stage.

Crime in the streets and Juvenile Delinquency are high in the Nation's concern. Various proposals to meet this challenge will be considered.

On the side of National Security is, of course, the handling of the conflict in Vietnam. Related to it are measures of National Security which cover a vast area.

Matters relating to natural resources and public works, transportation and Urban Affairs are many and varied.

All in all, it is a big order to be accomplished before the National Political Conventions.

CREWS PASTOR ILL

The Rev. G. C. Henry of Mullin, pastor of the Crews Baptist Church, is a home patient this week with a slight paralytic stroke of the right side. It is reported that he will be unable to fill his regular appointment at Crews next Sunday.

Cotton is the most used fiber.

Lynn Nabers--

less. We must not settle our differences by riots in the streets and by placard-packing persuasion but by the orderly, constitutional process bequeathed to us by God-fearing, law-abiding forefathers, he declared.

Nabers emphasized that he would favor the practice of rigid economy in state government, so long as it does not curtail or restrict stewardship to the aged, dependent children, and to others whom we are morally obligated to support and sustain. He believes in the elimination and consolidation of unnecessary boards and bureaus. He would work for improvement of educational facilities for Texas school children, favor legislation tightening control on narcotics and impose stiff penalties upon those unlawfully engaged in such traffic.

He urges a close investigation of his capabilities and general fitness for this position and invites voter's inquiries on any issue in which they may be particularly interested.

"I desire to be of service to this area," Nabers said, "I have been honored and complimented by those who have encouraged me to offer my services in the capacity of State Representative. However, I must earnestly solicit support from all the people of the district interested in effective energetic representation."

A brief biographical sketch of the candidate follows: He was born in Brownwood March 31,

1940, son of Mrs. Ima Lou Nabers and the late J. D. Nabers. His family consists of his wife, the former Mary Scott of Cross Plains and their three-year-old son, Scott. He is a member of the American Bar Association, the Texas Bar Association, Brown County Bar Association, Phi Delta Phi Legal Fraternity, Baptist Church, Brownwood Jaycees and other civic and professional groups.
