HEIDENHEIMER'S

MEN'S HEAVY SPORT SHIRTS

If you are the kind of two-bit sport that tips the waitress a plugged nickle and a couple of Indianhead pennies, then you are the type who'll go for these unwanted shirts. You'll have to go to the kitchen and get your own food if you buy one of these patterns. One group of \$3.95, \$4.95 and \$7.95 shirts don't look any better for 2 for \$5.00.

MEN'S PENDLETON SHIRTS

We still have them in the original boxes so you couldn't wear out the shirts, but believe me they have been here so long that the boxes are worn out. Your size is not available so why bother looking at these 4, all size small, \$5.00 each.

BOYS' SHIRTS

The last of the "ironing kind" -what woman would buy one that she would have to iron? They are long sleeves but only come in sizes 1 to 6. We are pretty sure that the only way you would buy one is to send in your 1 to 6-year old boy. Maye he would take several at \$1.00 each.

BOYS' SHORT PANTS KNIT SUITS

I honestly think that we would sell the knit pants for \$1.98 but don't know what we could do with the shirts. Why don't you take both for \$1.98?

ROOM SIZE RUGS

They all did want the variegated rugs but why you did not buy ? Frankly they are supposed to be 9x12 but don't bet they are that big. We wonder-will you pay \$8.98?

MEN'S CORDUROY JEANS

I don't see how these big shot manufacturers got so high and mighty-all retail prices must be as preticketed, etc. Nobody can reduce the price. Anyway I'm pretty sure that the only talking that you can understand real good is price . . . how about taking some of these corduroy eans - preticketed \$8.00, say \$4.97!

MEN'S AND BOYS' SWEAT SHIRTS

Flocked, Winters Blizzards! They are as good as ever except 'we bought too many" and the kids all wanted windbreakers! Want a few at \$1.00 each?

BOYS' WRANGLER JACKETS

Again the times were lot fastthan we were-last fall on the Sidewalk Sale we gave you all the little sizes at bargains! We should have included these and then all the worries would have been over. We have stacked so many times since then that they don't have the sharp fresh look they once had. You FFA and 4-H Clubbers - how about a lined or unlined jacket at \$1.98?

JEWELRY

We have a deal with this firm. after our jewelry is here a certain length of time the salesman omes in and remarks it all 1/2 Price! This includes earscrews, pins, bracelets, belts, necklaces nd just all kinds of Jewelry-Want to get the first shot at all this? Come in now . . .

FIELD & STREAM JACKETS

All he-men have heard of this famous line of jackets. We bought the No. 1 selling coat in the country - big plaids - of 85% wool and 15% nylon, rayon lined -We never sold a coat in the 40 to 46 size range until Christmas and then it was returned after the holidays so we have the big sizes left. If you are sport enough to wear big plaids and big enough to wear 40 to 46, you can buy these 24.95 coats for \$10!

ALL-WEATHER COATS Honestly, the last few days we sold quite a few all-weather coats. We had in mind to give you a real bargain at \$5.00. We only have one size 12 left-take it at \$5.00.

WANTED!

Two tall fellows to buy these last two all-weather "Private Eye" coats. These are also pile lined. They will need all the dope I can think about to make 'em sell! One size 40, one 42 tall . . . \$10.00 each!

MEN'S OVERCOATS

The truth is we had these coats in 1965! They are dark colors . . . 1 is a 40 long, the other a 42 regular. Two fellows with iron poor blood should try these-They will keep you warm and cozy! \$15.00 each for \$29.95 coats!

MEN'S SHIRTS

The big argument in the store is that these should have been put in the grab box . but they are too bad to buy sight unseen, so take your pick of these Kitty Velours and Wagon Boss suede shirts - \$1.00 each!

MEN'S SWEATERS

These medium weight sweaters didn't look good the day they arrived and they certainly haven't improved with age . . were about \$10.00 now \$5.00.

One group of regular \$18.95 and \$19.95 jackets that look simply awful and fit like a tent. However 5 out of this fifteen are a funny green color that will be new-and the fabric is so soft they won't last too long anyway. We are going to try \$6.98!

MEN'S BRADCREST TRICOT NYLON DRESS SHIRTS

White, green, blue, tan - the shirt that needs no ironing—the label on this shirt says throw away your iron . . . it might be better to throw away the shirt and keep the iron! Anyway the price is \$1.88.

SPORTSWEAR SETS

After a look at this rack of Bobbie Brooks skirts, slacks and sweaters you'll probably think that Bobbie Brooks is way off or else Heidenheimer's buyers are . maybe both! If you can stand these, take your choice of these \$8.95 items for \$2.98!

WOMEN'S TEXTURED HOSE

If you want people to turn around and stare at you just wear a pair of these textured hose! The hoisery mills will tell people anything to get them to wear these hose - just don't believe a word they say . . \$1.95

WOMEN'S DRESSES

Last fall when our buyers were in market buying dresses salesmen insisted that all styles be shown on models and what a difference that makes! These cuties made us want to buy every dress that was modeled! We went crazy. We didn't know when to stop. Now we have dresses of all descriptions in all sizes for all ages that were 12.98 to 29.95. Next season we will insist on buying all dresses from the racks. Now you can take your pick, \$5, \$7, \$9!

This is the craziest kind of sale you ever heard of. It includes just a conglomeration of odds and ends, slow movers, buyers' mistakes and things you wouldn't even think of buying. If the weather is cold and disagreeable we advise you just to stay home and play with the kids —there is no use wasting your money on this kind of merchandise. If you can raise the cash please pay cash during this sale—then if you don't like what you buy it'll be just too bad . . . once we get the cash . . .

GIRLS' DEPARTMENT

Mothers, remember your little girl has a mind of her own . . . so don't rush down and buy some of these supposed-to-be bargains and then be sorry. You will be taking a big chance without the little miss along because at this price we probably will sell them all the first day of the in size 3 to 6 and 7 to 14 (with pressed shirt, \$1.98 and \$2.98! sale.
