HOME TOWN Talk

By R. C. THOMAS

Last year in the United States, 12,200 persons lost their lives in fires. Thousands more were injured. Property damage resulting from fire reached a staggering \$1.7 billion. With care, a huge portion of this shameful waste could have been avoided.

During the week of October 6 to 12, all of us will be asked to redouble our efforts to cut down on this enormous toll of life, limb and property; to check our homes and places of business against hazards which might at some unexpected moment burn us out and threaten our very persons; to remind ourselves that fires can indeed be avoided through the exercise of care.

We should be reminded that Fire Prevention Week is "not just another crusade to be taken lightly." It was conceived, and is repeated at this time every year, as a deadly serious reminder to all Americans that fire prevention is a relatively simple task, but one which must be kept in mind at all times.

How simple it is, for example, to put that cigarette—or match—out before discarding it, rather than tossing it carelessly away, perhaps to kindle a fire with consequences you will never forget.

How simple to clean out that kitchen stove, rather than taking the risk of a badly charred room or gutted home which can be the result of an accumulation of grease.

Fire Prevention Week is a time to think of these things; to throw out old newspapers and other unneeded collections of combustible materials; to check—or have a serviceman check—electrical appliances and wiring and heating equipment. It is time to pledge ourselves to making fire prevention a year-round job.

That is the message Fire Prevention Week seeks to convey.

Can any of us afford not to listen—and act?

One of the most disgusting things about some so-called "hunters"—they can't be called sportsmen—is their irresponsible and don't-care attitude when they're in the field.

Most hunters are sportsmen and gentlemen, mindful of the manner in which they hunt the fields and pastures, taking care to protect livestock and property on the places where they have asked and received permission to hunt. They close gates behind them, do not trample field crops they happen to be hunting through, observe hunting safety rules, and practice conservation toward the game they are hunting. They even report to landowners any unusual circumstances they observe, such as down fences, washed-out water gates, sick or loose livestock, and others. They act as the guests they are, and will be invited and welcomed back on another day or another season.

But then there are some bad apples who seem to enjoy going to lengths to violate all rules of sportsmanship and trespass. They will leave gates open, sometimes they will cut fences when it would be easier to find gates; they shoot toward and into herds of livestock, and shoot and kill and cripple livestock, and leave it to waste, or else sneak it out. They disregard all rules of sportsmanship and conservation, taking

District VFW Meeting Here This Weekend

CLIFFORD T. TEER
... To Speak Here

Winters Post 9193, Veterans of Foreign Wars, and its Ladies Auxiliary will host a District 22 VFW convention in Winters Saturday and Sunday, October 5-6.

Clifford T. Teer, Junior Vice Commander of the Department of Texas VFW, will be principal speaker for the convention.

Other special guests will be Ray Gene Hoelcher, District 22 commander; Mel Stanley, District 22 Auxiliary president; Mrs. Fred Williams, Department Chaplain; and Mrs. Clifford Teer, Department Guard.

The convention will begin at 5 p. m. Saturday with registration at the Winters VFW Post Home, followed by a social at 8 p. m.

The Commander's breakfast will be held at Huffman House at 7:30 a. m. Sunday, with registration and coffee at the Post Home at 9.

A joint meeting of the Veterans of Foreign Wars Posts and units of the Ladies Auxiliary will be held at the Post Home at 10 a. m. Sunday. Mayor Wade W. White of Winters will give a welcome address at this joint meeting.

Those attending the convention will be invited to attend some church at 10:45 Sunday morning. Luncheon will be served at 12 noon at the Post Home.

Closed business meetings will be held Sunday afternoon at 1:30. The VFW will meet at the Post Home, and members of the Ladies Auxiliary will meet at the Winters City Hall.

Following the business meetings, the Winters VFW and Auxiliary will host a hospitality hour at the Post Home.

Commander Teer is a resident of Waco, where he is employed by the Federal Aviation Administration. He is a member of Waco Post 2148, and was elected Junior Vice Commander, Department of Texas, VFW, at the 48th Annual Department Convention in Fort Worth last June. He is a World War II veteran, having joined the U. S. Navy in December of 1938. He saw action in six campaigns including the Battle of McKassar Straights off Borneo, the first surface battle of WWII, and the Battle of Lombok Straits off the island of Bali, the second surface battle of the war. He has held most elective and appointive offices of the VFW, in local posts and districts, and during 1967-68 served as National Deputy Chief of Staff and aided in the organization of new posts at several locations.

Elm Directors, Others, Tour Robert Lee Dam

Several members of the board of directors of Elm Creek Water Control District and others from the county interested in the development of water resources toured the construction site of the new Robert Lee Dam on the Colorado River Friday of last week.

The group was conducted on a guided tour by O. H. Ivey, general manager of the Colorado River Municipal Water Commission. They were shown the dam under construction, and driven over the wide area which will be covered by the lake once the dam is completed and closed. Several thousand acres will be inundated when the lake is filled, it was stated.

It was explained that under normal conditions, it would take about five years for the lake to be filled to capacity. The dam is built in such a manner as to let so much water out during certain periods of the year, and to hold back flood waters. A large pipeline is being built to pump water to as far as Odessa, it was explained.

Some of the sites shown the touring group were the "islands" which are being built to accommodate the oil wells which are located where water will be eventually. The areas around the wells are being built up several feet above the present levels, and islands will be formed once the lake is filled with water. These oil wells will be serviced by boat, it was understood.

Members of the board of directors of Elm Creek Water Control District making the tour included Clarence Ledbetter of Bradshaw, N. L. Faubion, J. E. (Buck) Smith, and W. M. Hays, of Winters; and J. W. Purifoy of Ballinger, secretary of the district.

Others attending were: Winters: Reese Jones; Bradshaw: Herman Brown and Henry Webb; Ballinger: Tom Caudle, James Copeland, Ballinger Mayor Charles Clifton, Claude Gentry, R. E. (Cat) Harris, Woodrow Hoffman, of the Soil Conservation Service, Price Middleton, Francis Perry, County Judge Henry Rampy, H. H. Hamner, Tom McEntire, D. W. Turner, Jr., S. E. Adams, who served as a guide on the tour, and Clifford Cook, Chamber of Commerce manager for Ballinger.

Heart Assn. To Be Established Here Monday

A Rannels County Heart Association, to be affiliated with the Texas Heart Association and the American Heart Association, will be established here next Monday, October 7, at a meeting in the City Hall. The meeting will begin at 7:30 p. m.

Earl R. Palmer, regional director of the Texas Heart Association, will show two films on efforts being made to combat heart disease.

Officers for the new organization will be elected at Monday night's meeting, along with a board of directors. Mrs. Weldon Collins presently is serving as temporary chairman of the local unit.

All those persons interested in the work of the Heart Association are invited to attend this meeting.

State Sales Tax Up 1 Cent From Wednesday

The state sales tax went up from two to three percent in cities without the city sales tax Wednesday and from three to four percent in those which have the tax.

The increase in sales tax is in accordance with an act by the State Legislature earlier in the year. There is no change in the tax law, except for the rate, for ordinary retail merchants. The same things are exempt, and the same things are taxed as under the old law.

Winters does not have a city sales tax. In cities without the city sales tax, retailers will collect the tax on this schedule: no tax on sales up to and including 16 cents, 1 cent on sales of 17 to 49 cents, 2 cents on 50 to 83 cents, 3 cents on 84 cents to \$1.16, 4 cents on \$1.17 to \$1.49 and 5 cents on \$1.50 to \$1.83.

In cities with the city sales tax, collection will begin on sales of 13 cents to 37 cents, 2 cents on 38 to 62 cents, 3 cents on 63 to 87 cents, 4 cents on 88 cents to \$1.12, 5 cents on \$1.13 to \$1.37, 6 cents on \$1.38 to \$1.62, and 7 cents on \$1.63 to \$1.87.

Bradshaw News Out This Week

There is no "Bradshaw News" this week. Opal Hunt, who for many years has reported the happenings of the Bradshaw Community for The Enterprise, this week suspended her column. She is having eye trouble, she said. It is not known when the Bradshaw News will be resumed, but Opal's friends hope she will be back in print before very long.

BIKE BRIDES were married to their motorcyclist husbands during a two-day motorcycle show in Formosa. After the nuptials, the three couples led a parade on their bikes. Two of the young women shyly hid behind their spouses.

C-C Directors Make Plans For Christmas, Fund Drive

Directors of the Winters Chamber of Commerce Tuesday evening approved plans for the annual Christmas program, along with a plan to raise the necessary extra funds to promote the program, and arranged for regular monthly membership luncheons.

Acting on the recommendations of the Retail Trades Committee, which had met Monday evening to draw up a list of suggestions for promotion of a Christmas program the board of directors set December 7 as the date for the annual Christmas parade, and voted to promote late closings of local business houses on December 13, 20 and 23, for the convenience of Christmas shoppers.

Directors approved a plan which has been used in previous years to promote entry of floats in the Christmas parade. They agreed to provide

New Members Winters C. of C.

The following are new members of the Winters Chamber of Commerce, signed up during the current membership drive. Additional members are expected within the next few days, according to the membership committee.

NEW MEMBERS
Sparkle-Lite, Inc., Crowley Trucking Co., Fireside Restaurant, A. N. Blackberry Oil Well Co., Hoppe Mobil Station, Irmal's Beauty Shop, Mac Oil Field Co.

Westerners Square Dancers To Have Dance Here Saturday, Oct. 12

From 200 to 300 square dancers are expected to attend a square dance of the Westerners Square Dance Association in Winters Saturday, October 12.

The square dance will be held in the Dry Manufacturing building on the Wintgate Highway on the west side of Winters, beginning at 8 p. m.

The Westerners square dance club, the "Belles and Beaus," will be host to this dance, which will be attended by square dancers from a wide area of this

Tuesday Breakfast Kicks-Off Scout Fund Drive; This Year's Total \$1500

A breakfast at Huffman House Tuesday morning was the kick-off event for the current drive to raise funds for the Boy Scouts. From the breakfast, workers fanned out over the community to gather donations for the drive.

This year's goal is \$1500. The drive will extend through Saturday.

Nib Shaw of Abilene, chairman of the Chisholm Trail Council, of which Winters is a part in Scouting, spoke to the group at the breakfast, explaining the place the Boy Scout or-

clubs and civic organizations \$25 with which to build floats for the parade. The floats will be judged and winners of first, second and third places will receive \$35, \$25 and \$15, respectively, in prize money. The \$25 per float "building money" will be restricted to the first eight organizations which register.

For the commercial float division, the directors voted to present plaques to the first three places, and urged all commercial businesses in the community to consider entering some type of float in the parade.

A "Kiddie's money scramble" will be added to the activities this year, to be held immediately following the parade. In this event, a thin layer of hay will be spread on the floor of a building or parking lot. Into this hay will be sprinkled money—silver coins. Children from 4 to 8 years of age will then be allowed to search for the money in the hay.

FUND DRIVE

As in previous years, the Chamber of Commerce, in order to promote a Christmas program has had to make special drives to collect the additional funds needed. This year is no exception, directors announced. However, a different method of soliciting the needed extra funds will be attempted this year, said the directors.

In the past, only a relatively few of the members of the Chamber of Commerce were asked to donate to this special fund, it was pointed out. This year every member will be asked

to donate an appropriate share toward the total. This is being done because everyone benefits from the program, and will want to make their fair share contribution, it was pointed out.

Letters will be forwarded within the next few days asking that each member contribute at least 15 percent of their annual dues toward the program, payable with their November dues. If all members respond, directors said, this 15 percent contribution will be enough to raise the necessary \$500 to pay for the Christmas program.

LATE CLOSING

The Chamber of Commerce will promote at least three special sale days, on which businesses will be urged to remain open later than normal closing time for the convenience of Christmas shoppers. These dates will be December 13, 20, and 23. There will be no "drawing" sponsored by the Chamber of Commerce, but merchants will hold their own individual promotions.

The Chamber of Commerce also will arrange to have Santa Claus visit Winters on the day of the Christmas parade, and also on other days during the Christmas season. The directors are making arrangements for Santa to be wearing a brand-new suit, too.

There will be no "home decoration" contest, with prize money given to winners, sponsored by the Chamber of Commerce. Instead, the directors and membership of the Chamber of Commerce will be urging all residents to decorate their homes and businesses out of a sense of civic pride. Also, organizations and individuals will be invited to decorate vacant buildings in the downtown area, as has been done in the past.

MEMBER LUNCHEONS

Many members of the Chamber of Commerce have expressed the desire for a monthly meeting of some type in which the membership as a whole can take part, directors said. The membership luncheon on September 23 was a "pilot" project, and was so well received, directors have planned to hold one such luncheon meeting each month. Directors said these meetings would give each individual member a deeper sense of "belonging" and will serve to help in promotion of the work

(Continued on page 8)

Southside Church Will Vote For Pastor Sunday

The pulpit committee of the Southside Baptist Church is urging all members of the church to be present for service Sunday, October 6, at which time the membership will vote for the call of a pastor for the church. The new pastor to be called will succeed the Rev. Virgil James, who resigned recently as pastor of the church.

First Conference Game

Blizzards Play In Anson Friday

With a win under their belts, and now getting the feel of the game, the Winters High School Blizzards enter the conference season Friday night against the Tigers at Anson.

All teams of District 7-AA will open conference play this week. The Blizzards, who had going in their first two games—

against strong Class A teams—have shifted around and trimmed their sails for the start of league play. They showed up much better and exhibited much more effort against Clyde last week, and have been working toward the Anson game this week.

Anson is the hard luck team of 7-AA so far, having lost three of three this season, but the Blizzards are this week considering the Tigers the "toughest team in the league"—they're the only team in the league the Big Blue will be playing this week, says Coach Jerry Gibson. And that's the kind of training the Blizzards are going through.

Some changes in the line and in the backfield still are being made on the Blizzards' squad, just as had been predicted earlier in the season.

In three outings, the Anson Tigers have lost to league-mate Haskell 27-19, to Aspermont 28-14, and to Albany 15-0. In spite of this record, however, the Tigers are capable of beating any team in the conference, on a given night.

The Tigers are blessed with a quarterback—Jim Rye—who likes to throw, knows how, and does. In one recent game he tossed one for 55 yards, and the Tigers can be expected to try for the big bomb at any time, ripping any game wide open.

Rye is assisted in the backfield by No. 22, Tommy Atkins, the Tigers' favorite running back. Every man in the backfield is a runner, and can get loose at any time.

Injuries have been minor for the Blizzards squad this year. Donald Wade still is a doubtful starter, continuing to have leg trouble.

Some of the changes which will be apparent in the probable starting lineup this week for the Blizzards will be Sam Scott to Center, and Bob Colburn to Tackle. In the offensive backfield will be Robert Moore, Charles Mathis, Arlon Barnes, with Reese McQuestion at the quarterback slot.

Next week, the Blizzards will host Hamlin, Oct. 11.

Benefit Shoot For Rehab Center Scheduled Oct. 13

Winters Shooters Association will sponsor a benefit shoot October 13, with proceeds to go to the West Texas Rehabilitation Center in Abilene.

This shoot is an annual affair sponsored by the Winters Shooters Association. The shoot will consist of matches for high powered rifles, .22 caliber rifles, pistols and trap-shooting for shotguns.

Prizes for the winners of the various matches will be donated by the merchants of Winters. Last year following the annual shoot, the Shooters Association sent \$185.00 to the West Texas Rehabilitation Center.

Fall Festival At Mt. Carmel Church Sunday

The congregation of Mt. Carmel Catholic Church will sponsor an annual "Fall Festival" Sunday, October 6. It will feature a homemade sausage supper starting at 4:30 p. m.

General chairman is Andrew Englert and food committee chairman is Mrs. Evelyn Jacobs.

The festival will be under the direction of the Rev. Patrick Ryan, pastor of the church.

A dance will be held in the parish hall following the supper.

The public is invited to attend this fall festival.

Sight-In Day At Lake Range Set For Sunday

The Winters Shooters Association will hold a sighting-in day for all hunters of the area on Sunday, October 6.

The club range will be open from 1 p. m. until 5 p. m. Members of the club will be on hand to help hunters properly sight-in their rifles and pattern their shotguns.

The club is offering this opportunity as a public service to hunters in this area as part of a nationwide program conducted by the National Rifle Association. Hundreds of NRA affiliated clubs throughout the country are taking part in this program.

A correctly sighted-in rifle and shotgun is an important step in safe and accurate shooting and increases the percentage of clean kills. Familiarization firing and knowledge of the point of impact of the gun being used adds enjoyment and safety to the fine sport of hunting.

Detailed information on sighting-in techniques and firing points for zeroing in will be available at the range. Hunters are requested to have all firearms unloaded and actions open when entering the range area.

TATOM TO AUSTIN

Carroll Tatom, superintendent of Winters Independent School District, attended a meeting of the Texas Association of School Boards and Association of School Administrators in Austin over the week-end.

Winters Hit By Rash of Burglaries, Police Believe All Cases Cleared

September was an unlucky month for several Winters business houses. Burglars hit regularly, taking money and merchandise, and doing considerable damage to vending machines and fixtures.

But Winters police believe they have solved most of the cases reported, with the arrest of four teenagers, two of them 17 years old and two younger. One of the 17-year-olds is in jail at the present time, awaiting further investigation.

Police Chief Joe Stevens said all the reported burglaries during the month followed a pattern, aiding the police in apprehension of suspects.

Main Radio-TV was hit on the night of September 2. An electric clock, a color television set, and a radio were taken in that break-in. The merchandise later was recovered from where the young burglars had stashed it.

Also on September 2, Dot-Dot's Drive-In was burglarized and about \$40 taken from a juke box. On the same date, the Chick-Inn was hit, but nothing was reportedly taken.

The burglars rested a few

days, then hit Hoppe's Mobil Station, September 7, taking approximately \$80 in cash. Police believe this burglary has been cleared with the apprehension of the juveniles.

On September 12, the burglars again hit Dot-Dot's Drive-In, where nothing was taken, and again the Chick-Inn where nothing was taken.

Too, on September 12, McMillan's Laundry on West Dale Street was hit. About \$30 was taken from machines, with the coin machines receiving considerable damage.

On September 9, a car parked at the school was burglarized, a billfold containing some money taken. A juvenile was apprehended and the billfold and money was recovered.

On September 13, burglars broke into the Winters Recreation Club, taking approximately \$80. This case also is supposedly cleared, according to the police. Chief Stevens said that otherwise things were quiet in Winters during September. The usual number of traffic violations were reported, and the usual number of tickets issued, he said.

HOLIDAY SALES PROSPECTS

Wellesley Hills, Mass. — For some weeks now, retailers have been devoting a great deal of time, money and energy to preparations for the pre-Christmas buying season. At this writing, both wholesalers and retailers are generally optimistic and enthusiastic about holiday trade prospects. This confidence has been reflected in large initial orders of merchandise for Yuletide display and sale.

Favorable Barometers

The prevailing buoyant attitude stems from the favorable retail sales performance of the past several months versus a year ago. This happy situation reflects the "never-ending" climb of disposable personal income . . . bolstered by huge wage advances. Indeed the bulge in consumer incomes seems to be almost immune to the depressing influences of the tax surcharge. Then, too, shoppers are boosting their already fat pay-checks by going in greater droves to the banks and finance companies to acquire big-ticket items. Teen-agers are getting into the act more vigorously . . . spending as if there's no tomorrow. Mark it well: The Christmas needs of these teens will account for a substantial portion of this year's total volume.

Flies in the Ointment

But even the most optimistic merchants will concede that there are flies in the ointment which could limit the prospective upturn in Christmas sales. They are worried about the federal tax surcharge lest it pack a

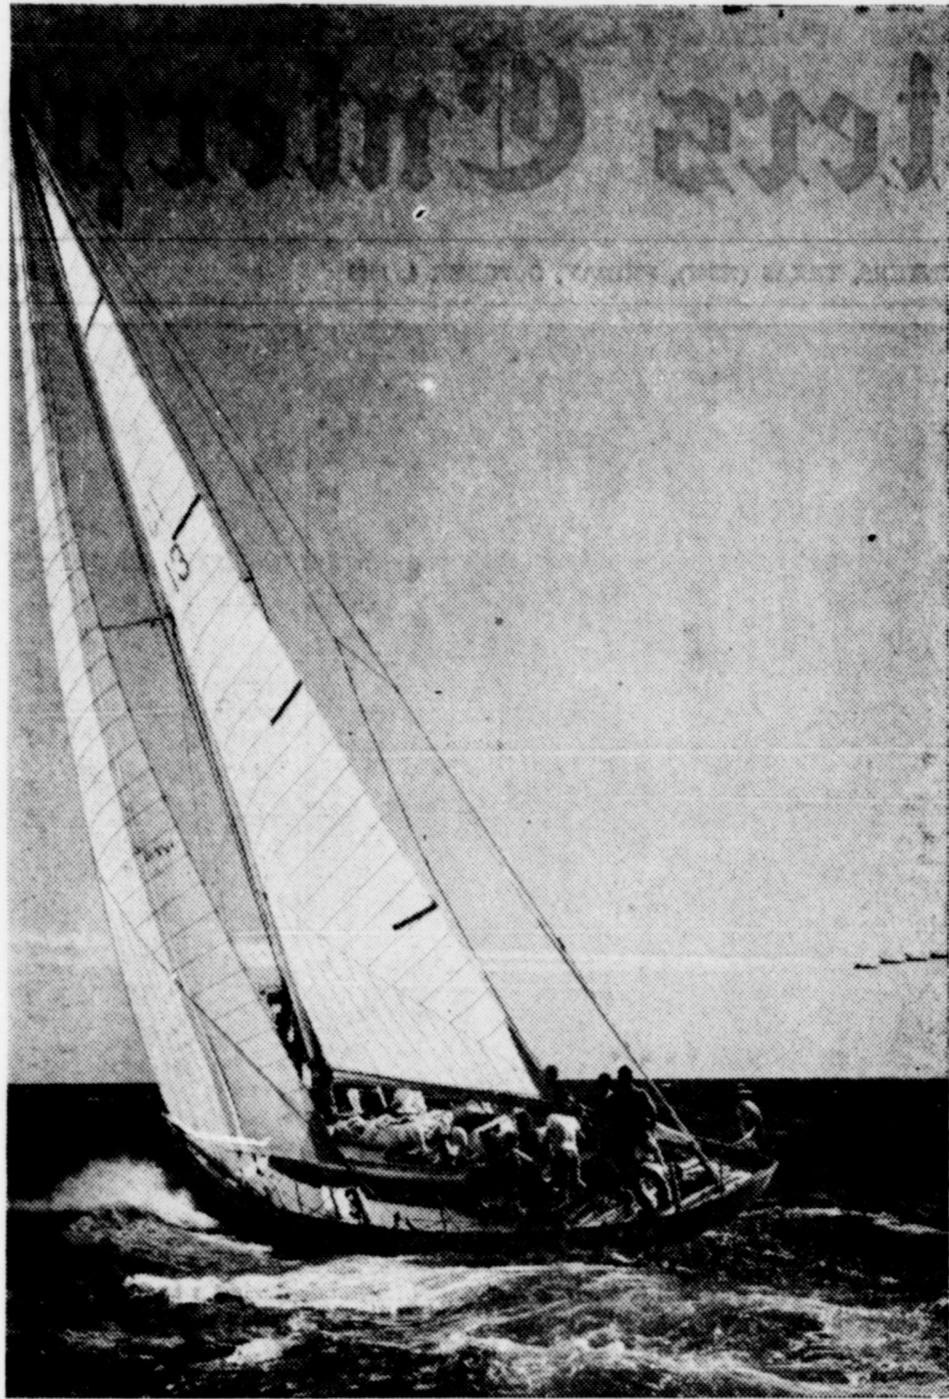

delayed-action wallop that would pare consumer outlays for gifts. They are worried also because installment debt is fairly high and has been rising pretty fast in recent months.

Another factor causing concern is the still rising prices of raw materials, semi-finished goods, and wholesale and retail merchandise. Obviously, this is going to be reflected in higher retail prices between now and Christmas. Toys and dolls have already been marked up and further upward adjustments on tickets will likely be made this fall. Glassware, gifts, and home furnishings also should have substantially higher tags than was the case a year ago. By comparison, the markup on some clothing items should be somewhat less.

High Break-Even Points

At any rate, there seems no doubt that prices in toto will be quite a bit higher than they were last year. This means that merchants are already tying up more money in inventory than at this time in 1967. For some this can be accomplished only by resort to credit, and the cost of that credit must be reckoned into their pricing, selling, and general business policies.

Break-even points in most retail businesses this year will be higher than ever before. If you operate in the retailing field—whether in a large or in a small operation—we advise measuring your costs carefully all along the line, to make the most effective use of display, shelf, and storage space, and to obtain maximum co-operation from

WIND POWER propels the 50-foot yacht "Solution" while a formation of jet-powered airplanes zooms by off the coast of Bermuda. Thousands of years lie between the two modes of transportation, but each has its place in modern living.

your employees. Only thus can you keep a tight control on cost.

1968 To Be Banner Year

Despite the very real uncertainties cited above, as well as the calendar fact that this year's late Thanksgiving leaves retailers with 4 fewer selling days than in 1967 between that holiday and Christmas, we are tremendously impressed with the late-summer consumer buying stampede. Once a surge of this kind gets under way, it is likely to hold its momentum for a few months at least.

Those who look at psychological factors, as well as at purely financial ones, say that the spending spree took place in the face of upped taxes because Mr. and Mrs. J. Q. Public were depressed last spring by assassinations, riots, etc. When the summer turned out to be not so "long and hot" as the sob sisters had forecast, their relief spurred a rush to the stores. All in all, Yuletide spending should top 1967 by 6 to 7 percent. Maybe half will be bigger price tags; but real gain in units should hit 3 to 4 percent . . . perhaps not spectacular, yet still a banner year for retailers. Key your sales pitch to an eager consumer mood . . . and beat the "average"!

Sub Deb Club Met In Awalt Home Monday

The Sub Debs held their weekly meeting Monday night in the home of Mr. and Mrs. Charlie Awalt with Joy Awalt serving as hostess.

Cindy Pinkerton presided and Jean Mostad called the roll. In the business meeting the club voted to hold a dance on October 11. They also discussed the car wash and bake sale to be held this week. Scandal was read and the club was dismissed with the benediction.

Refreshments were served to Joy Awalt, Kei Bedford, Cindy Brown, Judy Hodnett, Sue Hoppe, Gwen Hoppe, Jean Mostad, Janie Paschal, Cindy Pinkerton, Brenda Prime, Beverly Sprinkle, Denise Williams, Judy Foster, Tandy Medford, Troylene McKnight, Mrs. Betty Pinkerton and Mrs. Dianne Davis.

De Onn Deaton Celebrated 4th Birthday Friday

De Onn Deaton, daughter of Mr. and Mrs. E. A. Deaton, celebrated her fourth birthday with a party at the City Park Friday.

Punch and cupcakes were served to Doug and Ket Dobbins, Jody Wearden, Tonya Murray, Julie Funderburg, Susie and Jerry Vinson, Cheryl, Karen and Johnny Krause, Bill and Chuck Black, Wayne and Robert Simpson, MariAnn Mostad, Robbie and Lou Ann Cole, and Mmes. Z. I. Hale, Don Vinson, Bill Simpson, O. J. Murray, David Carroll, Charles Black, David Dobbins, Joyce Krause and E. A. Deaton.

Water Line To Little League Baseball Field

City Water Department workmen this week installed a short water line to the Little League baseball field at the City Park.

The entire field has been planted to grass, and when the water line is completed, the whole area will be watered regularly. A good turf of grass is expected by the time Little League baseball play begins next summer.

The Water Department installed water and sewer connections at the City Park for use of visiting tourists or other people traveling who have campers or trailers and wish to spend the night at the park.

TO HEMISFAIR

Mr. and Mrs. S. T. Anderson visited last week in the home of her niece, Mrs. Harold Watt and Mr. Watt in San Antonio. They also attended the HemisFair while in San Antonio.

husband hunt regularly, and her hunting arsenal consists of shotguns, hunting and target rifles and handguns.

Opening chapter of the book can get young Dan'l off the hook for it adequately covers field dressing and storage. Remember hunters bag the game . . . and they also ruin much of it through improper field dressing, storage and care.

If young Dan'l becomes an expert in field dressing, he can leave most of the stink in the field and eliminate those cold stares and sarcastic words from the better half when he roams into the kitchen with evidence of his hunting skill hanging over his shoulder.

Well prepared game is tasty, but there is no denying that at times some game will cause pungent odors in the kitchen. And, of course, young Dan'l's wife is going to air objections about that.

But if the housewife studies the recipes in the Shooter's Bible Cookbook, she'll discover how she can turn out some real fine game dinners with none of the "gamey" smell hanging like a thundercloud in the kitchen.

The book contains chapters on cooking big and small game, fish, fowl and game soups. Also what to do with all that game "burger." Additional chapters cover the preparation of sauces, stuffings, and side dishes that can turn the game meal into the proverbial seven-course dinner.

This book is the little gem that can bring "peace" within the household of the hunter. And who knows? It might even get the little lady interested in going hunting herself. And that is the opening wedge—a big one—in getting a smiling okay for some additional hunts.

Distributed by the Stoeger Arms Corp., 55 Ruta Court, South Hackensack, New Jersey, the book tells how to take the "gaminess" out of wild game and make every dish a gourmet's delight. This 208-page paperback book (\$3.95) covers the game from hunt to dinner table. And it's written by a woman who appreciates hunting. She and her

Sunflower Club Met In Robert Conner Home

The Sunflower Club met in the home of Mrs. Robert Conner, with LeeOra Foster as hostess.

The hostess gave each member a gift, a hand-painted cup towel and felt carpet slippers. Punch, cookies and ice cream were served to those present, Mrs. Omer Hill, Carrie Lee, Jewel Mitchell, Ila Conner, and LeeOra Foster, the hostess. Minnie Stehle was a visitor.

CARD OF THANKS

We wish to express our sincere appreciation to the friends and neighbors who were so kind and thoughtful during my stay in the hospital in Abilene and since I have returned home. For your prayers, the cards, letters, flowers and visits, we extend our heartfelt thanks. My family joins me in expressing thanks to each of you.

Mrs. Ben Williams. itp.

HOW TO GET THE BEST LOAN

to FINANCE YOUR CAR

FINANCE WITH US . . . COMPARE THE COSTS!

Why is it so many folks take their time selecting a new car, but seldom look around for the best new-car financing plan? Why pay more than necessary? If you are planning to buy a new car, come in and see us. We can save you money. Compare our monthly payments with anyone. Then, you'll agree that there isn't a better financing plan around.

THANK YOU

October First Was Our First Anniversary Date!

During our first year in business in Winters, we have been pleased to make a lot of friends and gain many customers.

We wish to thank our customers for their loyalty and confidence—your patronage has made our business.

We pledge continued good service during our second year and in the years to come.

We have added Smith & Douglas Farm Chemicals and Cotton Defoliate to our line of merchandise. Come by to see us before you buy.

Austin, Tex. — Presidential Campaign 1968 is starting to roll full speed in Texas.

Democrat Hubert Humphrey's official state organization — a political patch-work of two committees representing varying factions — was formed just six weeks before the November 5 election.

Former State Democratic Chairman Will Davis of Austin and Congressman Jim Wright of Fort Worth head Texas Democrats for Humphrey-Muskie. Cecil Burney of Corpus Christi is executive director and National Democratic Committee member Robert Strauss of Dallas is finance chairman.

At its initial meeting in Fort Worth, the group—made up predominantly of Gov. John Connally's and President Johnson's friends—declared the election is yet to be won, and Humphrey has a chance of carrying the state.

U. S. Sen. Ralph Yarborough, leader of Texas liberals, heads a separate Texas Citizens for Humphrey - Muskie, and has formed a 137-member executive committee which met here Monday. Yarborough will work with traditional Democrats, ethnic minorities, independents, Republicans, and "former supporters of Sen. Eugene McCarthy, Sen. George McGovern, Gov. Nelson Rockefeller and of the late Sen. Robert F. Kennedy."

Republican candidate Richard Nixon and American Party candidate George Wallace have had the benefit of months of spadework on behalf of their election efforts.

A recent Texas poll calculated Nixon and Humphrey are running close together (with about a third of the state's votes each) and Wallace is third with a fourth of the votes. Nixon was seen as having "the best potential for carrying the state."

Most observers regarded that as an understatement of as now, although Humphrey's campaign could change the picture dramatically during the next few weeks.

Opinions vary widely as to Wallace's effect on the outcome of the hard-fought state contest. Democrats claim presence of the former Alabama governor on the ballot is hurting Nixon most. Wallace campaign leaders say they are cutting more deeply into traditional Democratic votes that normally would go to Humphrey. Nixon's Texas campaign director, John Hurd of Laredo, sizes up the Wallace candidacy as having "equal impact" on Nixon and Humphrey.

Both the GOP and organized labor (backing Humphrey) are mounting special campaigns aimed at winning back from Wallace votes for Nixon and Humphrey. Success of these efforts might spell the difference on November 5.

UNIVERSITY OF THE NORTH

Staff of the higher-education Coordinating Board has recommended "a multi-campus urban university" for the Dallas-Fort Worth-Denton area to include—at first—North Texas State University, Texas Woman's University and the University of Texas at Arlington.

These schools would be put under a new board of regents for the area and would be joined in a system later by other state-supported colleges and schools to form a university system designed specifically for the area.

Board itself will hold a hearing on the proposal October 11, along with UT's own plan for uniting some of its institutions in the area.

HOMESTEAD CHANGE URGED

Constitutional Revision Commission has suggested tightening the homestead debt exemptions following a member's charge that the present basic state law provides a "haven for swindlers."

In its semi-final meeting, the panel agreed to a ceiling on a homestead exemption from foreclosure for debt should be limited to \$25,000. Present constitution provides exemption for rural homesteads of up to 200 acres and urban homesteads (of any value) on lots of up to \$5,000 maximum valuation.

PARKS BONDS SOLD First \$5.75 million of a \$75 million parks improvement bond issue has been sold at favorable interest rate.

Lehman Brothers and Associates of New York headed an investment syndicate which submitted 3.5846 per cent net interest rate bid, lowest of 16. American National Bank of Austin was selected paying agent for the bonds.

Initial developments are expected to be a 120-mile range of the state's 10 largest population centers. A \$1 per car entrance fee at 30 existing parks and 50 cent per car charge at six others will pay off the bonds.

JUNIOR COLLEGE PLANS Texas' 40 public junior colleges have been given a new and expanded role in the state's educational processes, and now they're going back to the state for help in paying for it.

Long-range master plan of the Coordinating Board, Texas College and University System, says junior colleges should concentrate on (1) preparing some students for transfer to senior colleges and universities for their last two years, (2) setting up body needed technical and vocational programs and (3) continuing education and cultural and public-service programs.

Now, junior colleges get state aid in two forms—a line-item appropriation for each school for direct academic instructional costs (\$26,530,325 this year) plus another \$6,476,000 distributed by the Texas Education Agency for technical-vocational programs.

For the two-year period beginning Sept. 1, 1969, the junior colleges are asking a strong increase in the first figure—\$35,490,803 in 1970 and \$37,577,190 for 1971—and a change, along with an increase, in the second. They want their vocational-technical money allocated via a line item—the same as the academic figure is computed—and increase to \$15,025,375 for fiscal 1970 and \$18,292,142 for 1971.

ANTI-POLLUTION-EXEMPTION CAMPAIGN Houston Rep. Rex Braun plans a one-man campaign against proposed Constitutional Amendment No. 6 to be voted on November 5, to exempt from all property taxes pollution control equipment installed by industry. Braun says the state shouldn't

subsidize the pollution - law breakers and, besides, other states have found that the exemption only costs money and does not encourage the installation of anti-pollution equipment.

He estimates the amendment would cost Texas \$500 million over a five-year period.

ATTORNEY GENERAL SPEAKS

Legislature has no authority to restrict purchase of Department of Public Safety aircraft to rescue work only (and rule out their use for traffic law enforcement), Atty. Gen. Crawford C. Martin has held. At the same time, Martin indicated that Governor Connally has no power to veto the restriction (as he did July 20). In other recent opinions, Martin concluded that:

—Commissioners Court of Dallas County can repair, maintain and operate the courthouse either with its own employees or by contracting with an independent contractor.

—State Board of Dental Examiners may receive merit salary increases during the current fiscal year.

APPOINTMENTS ANNOUNCED

Former State Sen. Franklin S. Spears of San Antonio has been named judge of the 37th District Court of Bexar County to fill the vacancy created by the resignation of Judge Solomon Casseb Jr. Spears is the unopposed Democratic nominee for the post. Connally selected Judge Peter M. Curry of the 166th district court in San Antonio to take over Casseb's extra duties as judge of the fourth administrative district.

On October 1, Harley Pershing, Fort Worth Star-Telegram reporter, took over new duties as research-information specialist at Texas Liquor Control Board.

Dallas Police Capt. Jack Revill was picked as chief of criminal law enforcement division at Department of Public Safety.

Harris County District Attorney Carol Vance is the new executive director of the Texas Law Enforcement Legislative Council, succeeding Lewis Berry of Austin.

SHORT NOTICES

Now available is a revised Spanish-language edition of the Texas Drivers Handbook — including a glossary for quick translation.

Water Quality Board has entered an agreement with the Trinity River Authority to help control pollution in the new Livingston reservoir.

A State Board of Insurance study shows that cars in Texas carrying the legal minimum limits of liability insurance has constantly increased, from 18.2 percent in 1945 to 74.5 per cent in 1967.

New FHA Law Seeks To Abolish Sub Standard Housing

L. J. Chapman, Texas State Director of the Farmers Home Administration, said this week he had been notified by Secretary of Agriculture Orville L. Freeman of the rural housing and rural community planning features of the newly enacted 1968 Housing Act.

The Act was signed into law on August 1 by President Johnson.

Secretary Freeman's statement pointed out the new housing program is part of the President's drive to remove all substandard housing in the nation within a decade, including the 3 million substandard houses that exist today in rural America.

Freeman announced that benefits of the new Housing and Urban Development Act will be channeled into Texas rural areas through the 138 local county offices of the Farmers Home Administration, and thru the rural system of Technical Action Panels.

The Farmers Home Administration, a Department of Agriculture supervised agency for housing, farming, and community facilities, carries on rural housing program, established by the new act and previous legislation, for farmers and for other people in the countryside and in rural towns of up to 5,500 population.

New housing services under the act will include: —Housing loan interest supplement payments for families with incomes too low to meet in full the amortized loan payments on individual rural housing loans.

—Interest supplements on loans to develop nonprofit rental and cooperative housing for low-income people, income families including grants help housing projects for self-help housing projects for the nonprofit organizations for the

development and supervision of "self-help" housing projects and loans to nonprofit organizations to buy and develop land to be used as building sites.

—Housing and training facilities for rural job trainees and their families.

Winters Blizzards Froze Clyde 27-0 In Last Pre-Conference Competition

The Clyde Bulldogs were literally snowed under by an onslaught of Blizzards Friday night of last week, with the Big Blue from Winters taking the honors 27-0.

Although the score was one-sided, coaches, players and fans agree that Clyde, with a zero record for their last twelve games, put out a lot of effort and played a good game. "They were better than they had been in two years," was one coach's comment. "They played good football against the Blizzards."

Most of the scoring action was in the second half, with the count at halftime 7-0 for the Big Blue.

In the first quarter, Blizzard Quarterback Reese McQuiston passed 18 yards to Alton Pierce for a counter, with five minutes

to go in the period. David Harrison kicked the PAT to write down the 7-0 for Winters.

For the rest of the first half, it was spectator football, with both teams battling for position and yardage, and the Bulldogs making a good showing.

In the third quarter, a 40-yard pass play—McQuiston to James Greer—added another 6 points. Harrison's kick was again good: 14-0.

Early in the fourth period, Fullback Robert Moore galloped 19 yards for a crossing, and attempt for extra point was no good, 20-0.

Robert Moore came back for more scoring, splitting the Clyde line from one yard out for the final cross-over of the evening. Harrison again made good on the PAT attempt: 27-0.

Blizzard "B" Team Comes From Behind to Defeat Abilene Cooper 8-7

The Blizzard "B" team came from behind last Thursday night to defeat the Cougars of Abilene Cooper 8-7. The combination "B" and Junior Varsity from Abilene led at halftime 0-7.

The Blizzards came back during the last half behind the running of Joe Pritchard and Hudon White to score, leaving the Cougars with a 6-7 lead. On extra point try, White rolled out to the right and threw a strike to Terry Awalt, who was surrounded by Cougars in the end zone. This made the score 8-7 in favor of the never-give-up Blizzard "B" team.

The remainder of the game was all Winters with the typically tough defense of Coach Jerry Neely's "B" team completely shutting out the Cougar offense. Joe Pritchard, a hard running fullback, proved to be the leading ground gainer with 55 yards. With the loss of Ronnie Wilson to the Varsity squad Monday, the "B" team had trouble finding a quarterback, but the day before the Blizzard-Cougar clash Hudon White stepped in as the new signal caller. White a-

mazingly hit 6 of 8 passes for 73 yards, plus adding 31 more by running.

The Blizzard offense gained 183 yards total offense against a stubborn Cougar defense.

The rough "B" defense was led by Joe Ivie, David Carroll, Tommy Jones taking care of the down positions, backed up by Pritchard, Ray Cooper and Mike Emmert as linebackers. Mike Wagner and Von Byrd did an excellent job containing the Cooper passing attack.

The Blizzard "B" team plays Ballinger here this week and the Eagles of Abilene next Thursday. Both games could prove just as exciting as the Cougar game.

VISIT IN WACO

Mr. and Mrs. W. T. Billups visited in Waco over the weekend with their granddaughter, Susan Nichols, a freshman in Baylor University. Miss Nichols had oral surgery while they were there.

Any man worth his salt will stick up for what he believes is right, but it takes a slightly bigger man to acknowledge instantly and without reservation that he is in error.

AROUND THE 7-AA FOOTBALL LOOP

7-AAers played their last "practice" games last Friday night. Everything they do from here on in will be for keeps, with conference contests to begin Friday night of this week.

The district wound up their three-game non-conference schedule with eleven wins and eleven losses to outsiders. One game—Haskell vs. Anson was one loss and one win for the district.

So everything still is up in the air, so far as anyone being able to predict anything. Haskell is the only squad to take every game they have played, and Anson is the cellar bunch, with all three of their games losses thus far. The No. 1 team would have to be Haskell, with Ballinger second with two wins and one loss. Hamlin also has two wins and one loss, as does Merkel—but the teams Ballinger has played and beaten would have to help the Bearcats hold their position.

The Winters Blizzards, after losing their first two games of the season, made a fair comeback Friday night, blanking the Clyde Bulldogs 27-0 to run to 13 the number of games Clyde has lost in a row. In that contest, the Blizzards drew first blood in the first quarter, and then slowed down until after halftime activities, when they came back and ran up to 27-0 before the final.

The Blizzards open the conference Friday night at Anson, against the Tigers, who haven't been able to show a winning hand all season in their three games thus far. They were beaten by Haskell 29-19, by Aspermont 28-14, and by Albany 15 to 0.

The Merkel Badgers, who will be playing their first conference game in the "Little Southwest Conference," have had good showings in their three games so far. They hit Clyde 39-0, then came back and swept Baird under the rug 47-9. But on their third come-out last week, against Aspermont, they stumbled and Aspermont took them 24-14.

Merkel goes against Hamlin this week.

Hamlin has two wins and one

loss for the season. They strung Rotan 31-7 and Clyde 56-0, and then dropped a skinner to Cisco 6-7, last week.

Stamford, the town that eats, sleeps and dreams football, has sent their Bulldogs out three times this season, and have seen them return with only one win. The 'Dogs lost to Quanah 20-0, then slipped by Olney 7-6, and then Jacksboro slapped them 21-12 last week.

Stamford goes against Haskell at Haskell this week.

Haskell is leading the pack so far this season. They've beaten Anson 27-19, Seymour 33-0, and then last week hit the Moguls from Munday 42-13.

Ballinger has come along strong this season, what with only a few returnees to splice up their lines. They lost their first to Brady by a squeaky 6-7, came back to best San Angelo Junior Varsity 27-7. Last week, they tripped up the strong Bronchos from Sonora, 23-21.

Anson is the hard-luck team—if three losses in a row prove anything. They lost every game they entered this year, to Haskell, Aspermont, and then to Albany last Friday night. They could prove hard to handle for the Blizzards this week, getting to play on their own field again for the third time.

Coleman, which just rejoined the bunch in 7-AA this year, has won only one game this year. They beat Eagle Pass 16-6 in the opener, and then dropped their contest to Brady 0-8. Comanche squeezed by the Bluecats last week, 13-12.

Two old rivals will meet on Coleman soil this week, as Ballinger goes over there to play their first conference game. This may be one contest to see which direction the wind is blowing.

But the season will have to be a little older than it will be this week—or even next week—before things start falling into place and anything like an educated guess can be made as to the outcome of the district.

"Atomic World" Lecture At WHS October 24

"This Atomic World," a high school lecture - demonstration program sponsored by the U. S. Atomic Energy Commission, will be presented at Winters High School October 24. This program is being presented at 23 Texas high schools during October.

The program, designed to foster increased awareness and understanding among secondary school students of scientific and technical information relating to atomic energy, consists of a 40-minute assembly presentation followed by classroom sessions with science students.

Units of the demonstration program, operated for the Commission by the Oak Ridge (Tenn.) Associated Universities, will appear in 20 states during the month. Texas A&M University is assisting Oak Ridge Associated Universities with presentations in Texas.

Fred Bedford, Jr. Ill In Chicago

Mr. and Mrs. Marvin Bedford and Boyd Bedford went to Chicago last week to be at the bedside of their brother, Fred Bedford, who is gravely ill in a Chicago hospital.

Word was received Monday night that Mr. Bedford's condition was critical.

Bedford has been flying for United Air Lines since the 1940's, stationed in Chicago.

TO OKLAHOMA

Mr. and Mrs. W. F. Minzenmayer returned from Tulsa, Okla., last week where they had spent the weekend visiting in the home of their children, Mr. and Mrs. Johnnie Frierson and children.

Only 21 Bales Cotton So Far

Winters Warehouse Co. reported Tuesday afternoon that only 21 bales of cotton had been received up to that time, from gins at Winters and Wingate.

All of this first cotton had been hand-pulled, it was stated. Defoliating began several days ago, and continues this week. It is expected that machine-pulled cotton will be coming in to the gins within another week or ten days.

Winters, Norton Masonic Lodges To Get Awards

Two Masonic Lodges in this area will receive awards during a Masonic Workshop meeting to be held Monday, October 14, at the Masonic Lodge Hall in Wingate.

Winters Lodge 743 and Norton Lodge 1070 are being honored during the meeting for outstanding attendance during the Spring series of Masonic Workshops, a project of the Grand Lodge of Texas which is aimed at improving the quality of Lodge officers.

The Workshop being held in Wingate will also have officers of Wingate Lodge 1042 attending.

Dr. James T. Cook of Ballinger, chairman of the seven-county Masonic Workshop Area F-3, will present the awards and conduct the meeting.

He said the Workshop is a part of the semi-annual program held for officers of almost 1,000 Texas Lodges. The Masonic Lodge is the largest fraternal group in the state, with membership of nearly 250,000. The group is noted for its charitable activities.

Receipt Books available at Enterprise office.

Supervisor To Be Elected To Zone 5, RS&WCD

Landowners of Zone 5 of the Runnels Soil and Water Conservation District will elect a supervisor Saturday, October 5, to represent them on the District's board, according to an announcement by Grider Hays, vice chairman of the district.

The election will be held in the Crews Community Center, beginning at 7:30 p. m.

Jake Presley of Route 2, Winters, is the incumbent supervisor for Zone 5. His term of office expires on October 5, 1968. He presently is chairman of the board of the district.

C. T. Parker, Runnels County Agricultural Agent, will be in charge of the election.

Hays said Zone 5 of the District is all that land in Runnels County bounded on the north by the Winters-Novice farm-to-market road, on the east by the Coleman County line, on the south by the Ballinger-Coleman highway, and on the west by

Two Winters Men Complete Navy Training

Navy Seaman Apprentices Domingo D. Aguilar, 18, son of Mr. and Mrs. Miguel Aguilar, and Jimmy Gonzales, 18, son of Mr. and Mrs. Pedro Gonzales, all of Winters, have been graduated from nine weeks of Navy basic training at the Naval Training Center at San Diego, Calif.

In the first weeks of their naval service they studied military subjects and lived and worked under conditions similar to those they will encounter on their first ship or at their first shore station.

In making the transition from civilian life to Naval service, they received instruction under veteran Navy petty officers. They studied seamanship, as well as survival techniques, military drill and other subjects.

Hays said he would urge all landowners of this area to turn out and vote for the man they want to represent them for the next five years.

Sandwich Ingredients:

What constitutes a sandwich? Would you believe easy preparation, delicious flavor, economy and nourishment? Aided by all the convenient fresh, canned and frozen meat and poultry products, and luncheon meats, —sausages, sandwich spreads, cheeses, salad vegetables, salad dressings and breads available today, there's no limit to the tasty sandwich combinations you can concoct in little time. Few other main dishes could offer more variations of color, texture and flavor.

Considering the wide range of processed meat and poultry items, you're offered at the grocery store, it's important to know you're buying safe products. And you can have this assurance if the label on the product carries the round mark of inspection. The U. S. Dept. of Agriculture applies this mark on all labels of products which are produced under its continuous inspection.

This inspection mark is important because it assures you that the product is wholesome—that the meat or poultry came from healthy animals that were processed under USDA's strict standards of sanitation. It also means that the products are not adulterated and that they are truthfully labeled, so you know exactly what you are buying.

With imported items, you can be confident that they have passed USDA's port-of-entry inspection for wholesomeness and truthful labeling. They must also have been produced in plants which meet comparable standards for sanitation and safe processing of meats that are used in domestic plants operating under inspection of USDA's Consumer and Marketing Service.

Sandwich fillings using meat and poultry are simple to make. Even the novice cook doesn't need to use a recipe. Let your taste guide you. With many summer days still ahead, look to sandwiches for refreshingly simple meal preparation. Here are a few interesting ideas:

Combine minced bacon with grated cheese, onion, pickle relish and mayonnaise.

Combine sliced or chopped chicken or turkey with cooked bacon, blue cheese, sour cream and mayonnaise.

Use seasoned butter to add new sparkle to sliced luncheon-meat sandwiches. Season softened butter or margarine with chives, tarragon, parsley, mustard, capers, garlic, onion, chili sauce or cheese.

Give added flavor to sandwiches by making your own French bread. — 2 packages new quick-rising dry yeast, 2 teaspoons salt, 2 cups unsifted white flour, 2 cups hot tap water, and mix dry ingredients together with dry yeast. Add hot water, beat for 2 minutes—scraping the bowl often. Add 1 cup flour and continue beating for 2 minutes. Add additional 2

to 2 1/4 cups of flour to form a smooth dough. Knead until it is very smooth and satiny. Place in greased bowl, turning to grease top. Allow dough to rise in warm place until doubled—about 1 hour. Punch down, divide in half and let rest 10 minutes. Roll each part into a rectangular piece starting at a long side, roll tightly like a jelly roll pinching as you roll. Slash lightly through top of dough with a sharp knife about 1 inch apart. Put on greased sheet seam side down, wet top with water. Sprinkle with poppy or sesame seeds. Let rise until doubled. Bake at 425 degrees about 25 minutes. Makes two loaves.

UT Students To Discuss Events With President

Radio stations throughout Texas will broadcast a series of informal discussions between students and President Norman Hackerman of The University of Texas at Austin beginning next week (Sept. 30-Oct. 6).

"Insight — Campus '68" will be moderated by Joe Gwathmey, radio production supervisor in UT Austin's Communication Center. The 30-minute programs will have different student guests each week.

Appearing on the first "Insight" broadcast with Dr. Hackerman will be Merry Clark of Austin, editor of the Daily Texan, and Rick Keeton of Houston, vice-president of the Students' Association. Springboard for the discussion will be an examination of the University's efforts to help new students make the transition from high school or a smaller college to a large, heterogeneous campus.

Miss Clark is the daughter of Mr. and Mrs. Ward Clark of 1005-B West 19th, Austin. She is majoring in journalism and has been a member of the varsity debate squad. She had an undergraduate research grant last year for a study of U. S. Senators' attitudes on the Vietnam war in relation to the way they voted.

Keeton is the son of Mrs. E. R. Keeton, Jr., of 5633 Bordley, Houston. He is majoring in business administration and has served on the Business Council. Before his election to the vice-presidency, he served in the Student Assembly and was co-chairman of the Student Housing Commission.

Hot Nail—Hot Potato

To quick-cook potatoes in camp, try this little trick. Put an ordinary six-penny nail almost through the spud. While baking, the steel carries the heat and cooks the potatoes on the inside while the outside is being done.

Fish most suitable for freezing are those which contain the least amount of fat.

POETIC JUSTICE might be the title for this photo of a waterspout that fought back. Actually, the dog was getting a drink from the lawn sprinkler.

WINGATE

Mrs. Virginia Hensley celebrated her birthday Saturday with breakfast in the home of Lena May Wheat. Then she went home to see to her 3600 chickens. She has been raising chickens for market several years. While out doing chores Mrs. Juanita Saunders brought in a beautiful and good tasting cake. Mrs. Duncan Hensley brought cake. She received pillow cases from Edna Rogers, Pyrex from Mrs. Wheat, Ruby Bryan and Kay came by for a visit. She received cards and money from the children and grandchildren and telephone calls, one from Graham from Edwards daughter. Late in the afternoon Mrs. Wheat went for a visit and had dinner with her.

Mrs. Annie Phillips is feeling better the last few days.

Mrs. L. S. Morris has been a patient in Simmons Hospital in Sweetwater.

Visitors in the Edwin Voss home were Mr. and Mrs. Henry Vogler, Miss Leora Foster from Tucson, Ariz., Mrs. J. W. Lindsey, Mr. and Mrs. Vanner Voss were dinner guests. They went to Abilene after dinner to see the Garland Brileys. Mr. and Mrs. Bill Briley were there. They had supper in the Briley home to celebrate Pam's birthday.

Mr. and Mrs. Jack Patton attended the HemiFair last week.

Mr. and Mrs. B. H. Denson and family and Mr. and Mrs. Patty Denson were here visiting their parents, Mr. and Mrs. Boot Denson Sunday, Mr. and

Mrs. J. B. Denson from Wilmett were there also.

Mr. and Mrs. W. N. Bagwell, Mr. and Mrs. L. R. Hancock and Mildred Patton attended church in Winters at the Methodist church Sunday night.

Ed Hall, Jr., is here from Alaska to visit his parents, Mr. and Mrs. David Bryan.

Red Huckaby of Abilene visited his sister, Mrs. Emma Doggett and his father, Miles Huckaby Saturday.

Sol Doggett has been on the sick list. Enoch is about the same.

Mrs. Wheat visited in the Denson home and with Ganny Sliger in the Juanita McIntyre home. Her daughter, Wanda, and a friend, from Houston have been here for a visit.

Mr. and Mrs. Boot Denson and Mrs. Lena Wheat visited the W. T. Holders in Shady Oakes Lodge Monday. Mrs. Holder is about the same.

Jerry Awalt is home for a while and helping with the farm work.

Mrs. Wheat visited the J. E. Virdens and Mrs. Virden is improving.

Eight Wingate Gator Tops club members met Monday for the regular meeting. They were Mrs. Alpheus Hill, Mrs. James Williams, Mrs. E. F. Albro, Mrs. Pat Pritchard, Mrs. Richard Beck, Mrs. Aaron Wells, Mrs. Wayne Owens and Mrs. Joe Bryan.

Mrs. Pat Pritchard is queen this week. Plans were made to attend the ARD in Sweetwater October 19.

A Long Time Lady—It Took A Long Time

Smithville — Howard Tiner, park attendant at Buescher State Park, two miles northwest of Smithville in Bastrop County, says he has received what amounts to a nomination for World Champion Tree Decorator, if such a title exists.

Tiner was moving a picnic area in the park, stopping frequently to pick up Spanish moss from the ground and throw it back into a tree so it wouldn't foul the mower blade.

An out-of-state woman watched Tiner for about an hour and was overwhelmed by the enormity of his job.

Finally she approached him. "How long" she asked, staring in wide-eyed amazement at the moss hanging from almost every tree in the 1,730-acre park. "did it take you to hang all that?"

Anyone want to second the nomination?

CARD OF THANKS

I wish to express my heartfelt thanks to the many friends for their nice cards and letters, flowers, visits and food while I was in the hospital, and since my return home. A special thanks to the club for the gifts you gave me. My family joins me in saying thank you. — Mrs. Emma Doggett.

Hot Water For Shaving

Need some hot water for shaving in camp but you don't want to take the trouble to build a fire? Just run your outboard motor for a few moments, then collect the warmed water coming from the water pump exhaust.

Cape Cod, Massachusetts, provides approximately one-third of the more than a million pounds of cod taken in the state each year.

CREWS

Brother James McClothin, Norton Wednesday night. Mr. and Mrs. Quincy Traylor visited Mr. and Mrs. Dewey Blackmon of Borger last week end.

Mr. N. L. Faubion and Mr. Hazel Dietz attended a field day for the Runnels County Soil Conservation Service last Thursday.

Friday N. L. Faubion attended a guided tour of the Colorado River dam site at Robert Lee, with other members of the Elm Creek Water Control District.

Mr. Jake Presley would like as many farmers as possible to be present at the community meeting at Crews gym Saturday night October 5, to vote for Supervisor of the Sub-division for District No. 5.

Visitors with Mr. and Mrs. Rube Whitley at Church Sunday was her brother, Mr. and Mrs. Doak Martin.

Visitors in the home of Mr. and Mrs. Marion Wood was their daughter and families, Mr. and Mrs. Don Mincey and Darla of San Angelo, and Mr. and Mrs. Malloy Bryant of Abilene.

Our community was saddened by the death of Mr. Will Porter. Our sympathies go out to the family.

Visitors in the Raymond Kurtz home Sunday were their daughter and family, Mr. and Mrs. Bill Villers, Jimmy and Peggy of San Angelo.

Cork Keeps Call Clean

If your game calls get filled up with pieces of dust and tobacco from your pockets, try sticking a cork in the bugle end. Keeps one clean.

BEDFORD INSURANCE AGENCY

General Meeting Of WSCS Tuesday In Church Parlor

The Woman's Society of Christian Service of the First Methodist Church met in the church parlor for a general meeting Tuesday. Mrs. John Schaffrina, president of WSCS presided.

The group sang "My Hope Is Built," and Mrs. M. L. Dobbins gave the meditation.

The program, "Southeast Asia—on Vietnam," was presented with Mrs. Nan Wright as program leader. A film, "A People in Agony," was shown.

Mrs. Nan Wright gave the benediction.

Present were Meses. Sallie Gray, August McWilliams, W. W. Parramore, W. T. Stanley, Garland Shook, J. D. Vinson, W. T. Nichols, Elmo Mayhew, Eva Kelly, Frank Mitchell, M. E. Leeman, E. L. Dobbins, E. H. Crockett, Roy Crawford, Vada Babston, Thad Traylor, Pearl Whitham, John Schaffrina, Nan Wright, M. L. Dobbins, J. P. Dry, W. F. Lange, Alfred Rose, Miss Frances Stricklin, and one visitor, Mrs. D. W. Williams.

Mortality rate of the cottontail rabbit is very high. It has only about one chance in 20 of becoming one year old.

That day is lost on which one has not laughed.

San Souci Club Party Held Thursday Night

The year's season of activities for the San Souci Club began last Thursday night with a dinner party in the home of Mr. and Mrs. W. F. Minzenmayer, with Mr. and Mrs. George Poe as co-hosts.

The seasonal menu was served buffet style from a table laid in imported ecru cutwork linen, centered with an arrangement of yellow and bronze mums with greenery in a low bowl.

Quartet tables were laid in white linen, centered with orange candles surrounded with autumn colored leaves. Place-cards and napkins were of the same design.

After dinner games of 42 were enjoyed by guests, Mr. and Mrs. Woodrow Watts, and members, Messrs and Mesdames J. W. Bahlman, Fred Young, Harry Herman, Bernice Gardner, LaDell Davis, Raymon Lloyd and the co-hosts, Mr. and Mrs. Poe.

Putting-you-firsts:

(A quick tour of some of the thoughtful new features the 1969 Chevrolets offer that other cars in Chevrolet's field don't.)

Headlight washers

You push the windshield washer knob and hold it, and your headlights come clean.

Fluid is diverted to two jet nozzles at each light lens. (Outer lights only on duals.)

The spray removes up to 80% of accumulated dirt.

Heated glass

In a moment your rear window will self-defrost.

Because we've built onto it a network of tiny ceramic strips capable of heating the entire surface.

Fog and frost disappear quickly and quietly. You just flick a switch.

The heated rear window is available on the 1969 Caprice Coupe and Impala Custom Coupe.

Pushbutton tire chains

You press a button on the instrument panel and the rear tires get a shot of "liquid tire chain."

You spin your wheels once, wait a moment, and you're off—with traction you wouldn't believe possible on slick ice, or packed snow.

Available on all 1969 big Chevrolets.

Steering wheel lock

When you own a car as desirable as the 1969 Chevrolet, you don't take chances.

When you leave it, you lock it. Not just the doors.

You lock the ignition, steering wheel and transmission lever, too.

Our new lock on the steering column takes care of all that. Standard on all 1969 Chevrolets, Chevelles, Chevy Novas, Camaros and Corvettes.

Power steering plus

The 1969 Caprice, Impala and Camaro are available with a new type of power steering.

Variable-ratio power steering. What it does is give you faster steering with fewer turns of the wheel.

Variable-ratio power steering is particularly helpful in short, full turns.

And parking becomes unbelievably easy. You'll see.

Walk-in wagons

The tailgate swings open like a door on most of our 1969 station wagons.

Which in itself is no big deal. But wait, there's more.

We've built a concealed step into the rear bumper.

You simply step up, over, and in.

(The way we build our wagons, you can do it without bumping your head, and without acrobatics.)

Walk into a wagon soon at your Chevrolet dealer's.

'69 Impala Custom Coupe

Putting you first, keeps us first.

Mr. and Mrs. C. C. Killough Honored On 25th Wedding Anniversary Sunday

Mr. and Mrs. C. C. Killough were honored Sunday at a reception given in the home of their daughter and son-in-law, Mr. and Mrs. Wesley Vogler, 306 North Crayer, on their Twenty-fifth Wedding Anniversary, from 3 to 5 o'clock.

Greeting the guests with Mr. and Mrs. Killough were their children, Bo Killough of Angelo State University, Danny of A & M College, Donny of the home and Mrs. Wesley Vogler. The children of the couple hosted the open house honoring their parents.

The tea table laid with lace and cut glass and silver and centered with an arrangement of white mums, white pom-poms and baby's breath, topped with the numeral "25" in silver.

The three tiered decorated cake with the numeral "25" "Fay and Cletes," beneath an arch topped the cake. Silver bells and mint green leaves decorated the cake which was surrounded by white baby's breath with green centers nestled in fluffs of white net at the base.

Mrs. Henry Vogler served punch, Mrs. Charles Dry served the cake and Mrs. Leroy Chaney assisted in serving the guests.

Brenda Prine presided at the register during the reception hours when 65 guests registered.

Install Officers For Martha SS Class Tuesday

Officers were installed for the new year at a meeting of the Martha Sunday School Class of the First Baptist Church Tuesday in the home of Mrs. Bill Kornegay.

Mrs. Sam Cook installed the new officers, using "bells" as the theme of installation. Installed were Mrs. C. S. Jackson, teacher; Deslie Roper, assistant teacher; Alma Witkowski, president; Effie Kornegay, vice president; Parrie Carwile, secretary and treasurer; Eunice Polk, social secretary.

The closing prayer was led by Mrs. C. S. Jackson, and refreshments were served to Mmes. C. S. Jackson, Eula Cook, Rogers, Worthington, Frierson, Vada Smith, Patee Carwile and Alma Witkowski.

HAD SURGERY

Mrs. W. A. King of Midland, daughter of Mrs. John Knight, underwent major surgery Monday in Shannon Hospital in San Angelo. She is reported to be doing nicely but will probably remain in the hospital for about 10 days.

In order to strengthen our auto liability insurance law in the state we would suggest a resolution to require proof of liability insurance before registering an auto in this state or proof of financial responsibility.

RUNNELS COUNTY FARM BUREAU

My daughter, Mrs. Joe Kozelsky and her family joins me in expressing thanks to our friends and neighbors who were so kind and thoughtful during the time I was a patient in Winters Memorial Hospital and since I have returned home. We are especially grateful to the nurses, staff at the hospital, and to Dr. Rives for their kind attention and care of me, for the cards, letters, flowers and visits which were deeply appreciated. Mrs. Mary Franke. Itc.

CARD OF THANKS

We want to express our thanks to our friends who were so kind and thoughtful during my stay in the hospital and since I have returned home, especially we appreciate the cards, letters, flowers, visits and food. Thanks a million. Emma and Ernest Adams. Itc.

IN CHAPMAN HOME

Mr. and Mrs. J. B. Cody of Benson, Minnesota are visiting in the home of his sister, Mrs. Ellis Chapman and Mr. Chapman. Mr. Cody has recently been discharged from the U. S. Marines after 21 years service. They are enroute to Reno, Nevada where they will make their future home.

BIRTH ANNOUNCED

Mr. and Mrs. Charley C. Starkey of San Angelo are announcing the birth of a son, Monday September 30, at Shannon Hospital in San Angelo. The baby has been named Donald Wesley, and weighed 5 pounds, 12 ounces. The paternal grandparents are Mr. and Mrs. J. R. Starkey of San Angelo. The maternal grandparents are Mr. and Mrs. Buck Matthews of Winters. Mrs. Starkey will be remembered here as Judy Matthews.

ATTENDED FUNERAL

Mr. and Mrs. Rankin Pace and Miss Lucy Kittrell attended the funeral of Dr. J. F. Cox, former president of Abilene Christian College, which was held Tuesday in Abilene. Dr. Cox was a cousin of Mrs. Pace and Miss Kittrell.

The Family Lawyer

GI AND HIS DEBTS
When a young man is inducted into military service, he must leave behind much that he cherishes: his home, his job, his sweetheart. But what about his debts? May he leave those behind?

In proper circumstances, he may indeed. Under the Soldiers' and Sailors' Civil Relief Act he may be relieved of all sorts of obligations — from installment contracts to mortgages, from leases to taxes.

The purpose of the Act is to protect the serviceman from undue financial pressures, partly out of concern for him as an individual, partly out of concern for military morale.

The Act does not go so far as to wipe out his obligations. If it did, merchants would be leery of giving credit to anyone subject to the draft.

But the act does allow a court to either reduce or postpone those obligations, often until after the GI returns to civilian life.

By and large, the relief to be granted lies within the discretion of the court. As a rule a court will not help a serviceman whose troubles are not really due to his military status. Thus:

Lela Mae Wright, Pvt. Howard Lesley Srader of Hico Announce Engagement

Mr. and Mrs. C. D. Wright of Hico, former residents of Winters, are announcing the engagement of their daughter, Lela Mae, to Pvt. E-I Howard Lesley Srader, son of Mr. and Mrs. C. L. Srader of Hico.

The bride-elect is a sophomore of Hico High School where she is serving as a cheer leader, member of the Mirror staff and guard on the basketball team.

Her fiancé also attended Hico High School where he played football as captain of the team, and vice president of his class. He enlisted in the U. S. Army and took basic training at Fort Polk, Louisiana and AIT at Fort Sill, Oklahoma. He is now stationed in Germany.

No definite date has been set for the wedding.

Winners for Tops Club Met Monday

The Winners for Tops Club met Monday night at the Den with Mrs. Bert Humble presiding. Members gave their weekly weight results at roll call.

Mrs. Bert Humble and Mrs. Charles Kruse shared queen honors for the week.

Members present were Mmes. Woodrow Watts, W. M. Bunger, Boyd Bedford, Floyd Sims, W. T. Colburn, Lawrence Jacobs, Charles Kruse, W. M. Hays, Bert Humble, Bill Milliron, Benny Graves and W. J. Briley.

CARD OF THANKS

My daughter, Mrs. Joe Kozelsky and her family joins me in expressing thanks to our friends and neighbors who were so kind and thoughtful during the time I was a patient in Winters Memorial Hospital and since I have returned home. We are especially grateful to the nurses, staff at the hospital, and to Dr. Rives for their kind attention and care of me, for the cards, letters, flowers and visits which were deeply appreciated. Mrs. Mary Franke. Itc.

The club will sponsor a dinner November 1, at the high school cafeteria to help raise money to carry out the projects for the year.

The theme for the year is "Women in Today's World." The Thursday evening program was "The Big Thicket." The state project for the next two years is the preservation of a portion of "The Big Thicket" for a National Park. A movie "The Big Thicket" was presented.

From the movie we learned that "The Big Thicket" is one of the nations most remarkable wilderness areas. It covers about 300,000 acres in deep East Texas. There are 67 species of trees and shrubs in the forest. At least 21 varieties of wild orchids flourish in "The Big Thicket" along with four of the five meat eating plants found in America. Scientist estimate the presence of more than 1,000 species of fungi and algae.

"The Big Thicket" contains a wide range of wild animals such as bear, panther, whitetailed deer, mink, otter, muskrat, and the wild hog, the most interesting creature left, also known as the rooster.

Around 300 species of birds make this their home. Here is one of the last stands of the nearly extinct Ivory-billed Woodpecker—a huge black and white bird; the male having a flaming red crest.

Truly this is one of the nations most remarkable areas, but it is disappearing at an alarming rate. Outright encroachments absorb more than 50 acres per day.

The State Federation of Womens Clubs, with a number of other organizations are seeking to have 100,000 acres of the

virgin "Thicket" preserved for ecological research, for recreational space, and economical boost through tourist dollars.

Ways that individuals can assist in preserving "The Thicket" were discussed.

Members attending the meeting were Mmes. Earl Dorsett, Sallie Gray, Charles Kruse Jr., Max Lewis, Elo Michaelis, Loyd Roberson, Floyd Sims, Harry Grantz, H. M. Nichols, Nadeen Smith, Walter Spill, Carroll Tatum, J. S. Tierce, T. H. Worthington and Charles Chapman.

Larry Rives and Paula Smith, both seniors in University of Texas in Austin, were weekend visitors in the home of Dr. and Mrs. C. T. Rives.

Joy Awalt, Winters FFA Sweetheart, participated in the Sweetheart Contest at the West Texas Fair recently. She was a special guest on Harry Holt's "On the Farm" show.

New Officers Elected By FFA Chapter

Officers for the new year for the Winters Chapter of the Future Farmers of America were elected at a meeting of the chapter September 17.

Elected were: Tommy Antile, president; Charlie Brown, vice president; Randy Brede-meyer, secretary; and Richard Sharpes, treasurer; Michael O'Dell, reporter; and John Smith, sentinel.

A committee was named to work on details of the Parent and Son banquet. They include Johnny Pritchard, chairman, Tommy Chapman and Donny Killough.

Chapter dues were set at \$2.00. Deadline for dues was set at September 30. The Chapter Work Day was planned for October 26.

Candidates were nominated for the FFA Sweetheart contest. Nominees are: Freshmen: Tandy Medford, Kathy Smith and Denise Williams; Sophomores: Madelyn Bryan, Lynanne Hill, Valera Brown; Juniors: Betty Knight, Debra Carroll, Carla Walker; Seniors: Judy McNeill, Kay Lynn Rives, Cindy Pinkerton.

Alan Hart was appointed to take care of the chapter's sow and gilt.

Joy Awalt, Winters FFA Sweetheart, participated in the Sweetheart Contest at the West Texas Fair recently. She was a special guest on Harry Holt's "On the Farm" show.

Mother of Local Woman Died In Coleman Monday

Mrs. Charlie F. Parker, 81, of Santa Anna, died Monday evening. Funeral services were held at 3:30 p. m. Wednesday in Stevens Chapel, with the Rev. Vernon Parnel, pastor of Northside Baptist Church of Santa Anna, officiating. Burial was in the Coleman Cemetery.

Mrs. Parker was the mother of Mrs. Walker Tatum of Winters.

Mrs. Parker, a longtime resident of Coleman County, was dead upon arrival at Coleman Hospital Monday evening.

Born July 11, 1887, in Hancock County, Tenn., she married Charlie F. Parker in Sangar May 5, 1907.

She was a member of the Northside Baptist Church of Santa Anna.

She is survived by her husband; one son, Raymond Odom of Phoenix, Ariz.; one daughter, Mrs. Walker (Bonnie Jean) Tatum of Winters; three grandchildren; one niece, Mrs. Myrtle Parker, of Coleman.

Former Resident of Winters, Snyder Girl Announce Nov. Wedding Plans

Mr. and Mrs. Alvin E. Orr, 2105 40th Street, Snyder, have announced the engagement and approaching marriage of their daughter, Pamela Jane, to Mr. Charles Rayburn Nitsch, of Lubbock. He is the son of the late Benjamin F. Nitsch and Mrs. Wesley Burleson of Snyder.

A graduate of Snyder High School, the bride-elect is attending Commercial College of Lubbock. She is employed at Hillcrest Country Club.

Nitsch, a 1964 graduate of Winters High School, is attending Texas Technological College and is employed in Lubbock. A November wedding is planned.

Dale Sewing Club Met In Clifford Lehman Home

Mrs. Clifford Lehman hosted the regular meeting of the Dale Sewing Club in her home Tuesday of last week.

Handwork was made for the hostess.

Refreshments of cake, punch and coffee were served to Mesdames Ernest Thormeyer, Mar-

vin Traylor, Ernest Smith, Leland Hoppe, Charlie Adams, Bill Mayo, Loyd Compton, Clifton Davis, Clarence Hambright, Norbet Ueckert, Carl Baldwin, and Miss Emma Henniger.

The next club meeting will be Tuesday October 8, with Mrs. Marvin Traylor.

Although most hoofed animals have four toes on each foot, the anelope has only two.

MR. AND MRS. BARRY MICHAEL MARKS

Arlene Kay Sublett, Barry Michael Marks Married At El Campo Saturday

Mr. and Mrs. Barry Michael Marks are making their home at 2701 Hancock, Apartment 3, in Austin following their marriage at El Campo and a wedding trip to Houston and Galveston.

Arlene Kay Sublett, daughter of Mrs. Evelyn Sublett of El Campo and Mr. W. R. Sublett of Anchorage, Alaska, and Barry Michael Marks, son of Mrs. Riley Marks of Winters, exchanged wedding vows in the First United Methodist Church in El Campo.

The Rev. Harold Burkhardt

officiated for the double ring ceremony.

Traditional wedding marches were played by Mrs. Walter Brewer.

Arched candelabra with votive lights and greenery flanked the altar and cross. An arrangement of white glads, white stock, Fuji mums, pom mums and large chrysanthemums was on the communion table. The altar railing was adorned with branched candelabra, votive lights and greenery. An aisle cloth led to the satin covered prie dieu where the couple knelt for the benediction. White satin bows and greenery marked family pews.

Presented in marriage by her uncle, John L. Sublett of Midland, the bride wore a floor length gown of ivory silk organza and re-embroidered Alencon lace, styled with a high jeweled neckline, leg - o - mutton sleeves widely cuffed at the wrists and having a "tunnel" effect chapel length train, edged in Alencon lace which was richly appliqued on the skirt, sleeves and on the yoke. A matching Alencon lace open pillow held the bouffant bridal veil of imported silk illusion with two lace medallions studded with pearls on each side of the veil. She carried a nosegay of white butterfly roses and miniature ivy.

Maid of honor was Evelyn Sue Sublett, bridesmaids were Eliza both Ann and Margie Faye Sublett, all sisters of the bride. They wore floor-length dresses of avocado green satin and chiffon with matching lace bodices designed with coat effect of chiffon at the front. They carried nosegays of gardenias tied in foliage green satin ribbon.

Lesmon Blanton of Houston served the bridegroom as best man. Groomsmen were Barton Marks and Wilson Marks, both brothers of the bridegroom. Ushers were John Wallace Sublett, the bride's brother and John Lawrence Sublett, her cousin.

The wedding reception was held in the fellowship hall of the church.

For her wedding trip to Houston the bride changed to a white dress, blue coat and white accessories.

The bride who received her BA degree in sociology in 1967, will continue to work toward her

★ MOVIES ★

"The Bible"

Direct from its roadshow engagement, 20th Century-Fox's presentation of Dino De Laurentiis' motion picture, "The Bible" will show Friday, Saturday and Sunday at the State Theatre.

Directed by John Huston, with a screenplay by Christopher Fry, "The Bible" is the first film to tell in continuous sequence the stories of The Creation, Adam and Eve, Cain and Abel, Noah and the Flood, the Tower of Babel, the Destruction of Sodom and the Saga of Abraham.

The cast of the film includes George C. Scott as Abraham; Ava Gardner as Sarah; Stephen Boyd as Nimrod, King of Babel; Richard Harris as Cain; Peter O'Tool as the Angel of the Lord; John Huston as Noah; Michael Parks as Adam. The film also introduces Ulla Bergryd as Eve.

In bringing the Bible to the screen, De Laurentiis, Huston and Fry were determined from the outset to avoid set patterns of past Biblical films that were conceived only with isolated stories. Their goal was to portray Biblical text and characters with fidelity and in the hope that the story of mankind's beginnings would have significance for people of the modern world.

Home Town Talk--

(Continued from page 1)
more game than is allowed. They hunt without permission, and many have been known to become indignant and even belligerent when found where they do not belong and are asked to leave. They seem to think that regardless of where and whose land they are hunting, they have a right to practice their irresponsibility.

These bad apples are the ones who create conditions which cause many landowners to close land to all hunters alike, which as time goes on causes available hunting space to become more scarce. For nothing can create fury in a farmer or rancher quicker than finding crippled or dead livestock after some of these characters pass through their place.

This is not solely an "attitude of the times" in which we live; it has been going on since the beginning. And the irresponsible "hunters" continue to make the situation more difficult for the true sportsmen. It will continue, too, until some way is found to cull the noods from the ranks of all hunters.

34 People Turn Out For RS&WCD Tour Thursday

Ronald Rugh, range conservationist with the local Soil Conservation Service, reported that 34 people turned out for the Runnels Soil and Water Conservation District range tour Thursday of last week.

Those on the tour were farmers, ranchers and others interested in brush control, reseeding and management practices of grassland. The tour consisted of five stops throughout the Runnels Soil and Water Conservation District.

Rugh said that showings of different types of brush control, range reseeding, deferred grazing and proper grazing use were shown at each stop. Stops were made on the following farms and ranches: Bennie Wilde at Bethel; N. L. Faubion at Crews; Clyde Flanagan at Ballinger; B. T. Gardner at Winters; and Preston Barker northeast of Winters.

Those making the tour were: Grider Hays, Ed Gottschalk, Marian Hays, Jim Copeland, Hugo Vogelsang, Ralph Spreen, Gene Yocham, Fred Spreen, Clyde Flanagan, Ronald Hugh Harvey Kahlden, Woodrow Hoffman, James Fowler, C. T. Parker, Allan Belk, Price Middleton, Bennie Wilde and Doyle Conchall of Ballinger.

Also Steve Stubbsfield, C. J. Robinson, Sr., and C. J. Robinson of Norton.

And Paul Gerhart, A. L. Mitchell, Douglas Cole, W. F. Minzenmayer, W. T. Billups and B. T. Gardner of Winters.

From Crews were N. L. Faubion, W. H. Dietz, and Jake Presley.

From San Angelo, J. L. Richmond and Jim Merritt; from Talpa, Dale Herring; and James Luttrell of Bronte.

Rugh said that anyone interested in setting up plans for brush control, range reseeding or management systems should contact the Runnels County Soil Conservation Office.

master's degree.

The bridegroom is a graduate of Winters High School and received his BS degree in Mechanical Engineering at the University of Texas in August of this year. He is employed in Defense Research Laboratory in Austin.

City Tax Notices Out This Week, Total \$94,520

Tax due notices for 1968 taxes for the City of Winters were put in the mail this week. Taxpayers have until January 31, 1969, to pay their taxes without penalty or interest.

Buford Baldwin, City Secretary, said the collectable taxes this year total \$94,520.99. City taxes are figured at \$1.50 per \$100 valuation.

Thirty-five percent of the taxes collected will go to the sinking fund, to retire bonds; the other 65 percent will go to the General Fund.

Baldwin said the amount needed to pay current bond payments and interest thereon for the next year will be \$33,878.75.

Total evaluation of all taxable property, personal and real, in the City of Winters is \$6,301,399, according to the City Secretary.

Cycle-Pickup Wreck Victim Still Critical

Paul Rodriguez, 17, of Divine, injured in a motorcycle-pickup collision Sunday afternoon in Winters remained in critical condition the first of the week in Hendrick Memorial Hospital in Abilene.

Rodriguez was taken to Hendricks after suffering from head injuries and multiple fractures in the accident, which occurred about 4:30 Sunday afternoon. He was on his uncle's motorcycle at the time.

Driver of the pickup was Ralph Austin of Abilene. Investigating DPS patrolman Robert Sanders of Bronte said the motorcycle and pickup collided on East Truitt Street in Winters.

Damage to the 1967 model motorcycle was extensive while damage to the pickup was light, according to reports. Austin was uninjured in the wreck.

Rodriguez was first taken to Winters Municipal Hospital and then transferred to Hendrick Hospital by Spill Funeral Home ambulance.

Dirt Fill Is Ready At Site Of Com. Center

City employees have completed the dirt fill on the site of the new Community Center Building at the City Park.

It is expected that the contractor will begin actual construction work on the building next week. There is a building deadline of 65 days, at which time the building must be completed, according to the contract.

We don't consider manual work as a curse; or a bitter necessity, not even as a means of making a living. We consider it as a high human function; as a basis of human life; the most dignified thing in the life of the human being, and which ought to be free, creative. Men ought to be proud of it.
