Mules Roll Over Antelopes : 18-13

Energy Conservation Highly Stressed

Around Muleshoe

Several members of the Muleshoe Square Dance Club visited the Starlight Swingers at Portales Monday, Sept. 28 for their special dance.

Jerry Rash, from South Texas was the special caller.

Square dance lessons have been rescheduled for mid-February. The regular Muleshoe Square Dance Club will meet every second and fourth Fridays of every month.

Sammie Ethridge has announced that the Hospital Auxiliary will be sponsoring the Christmas Card project again this year. The project will begin the first part of November.

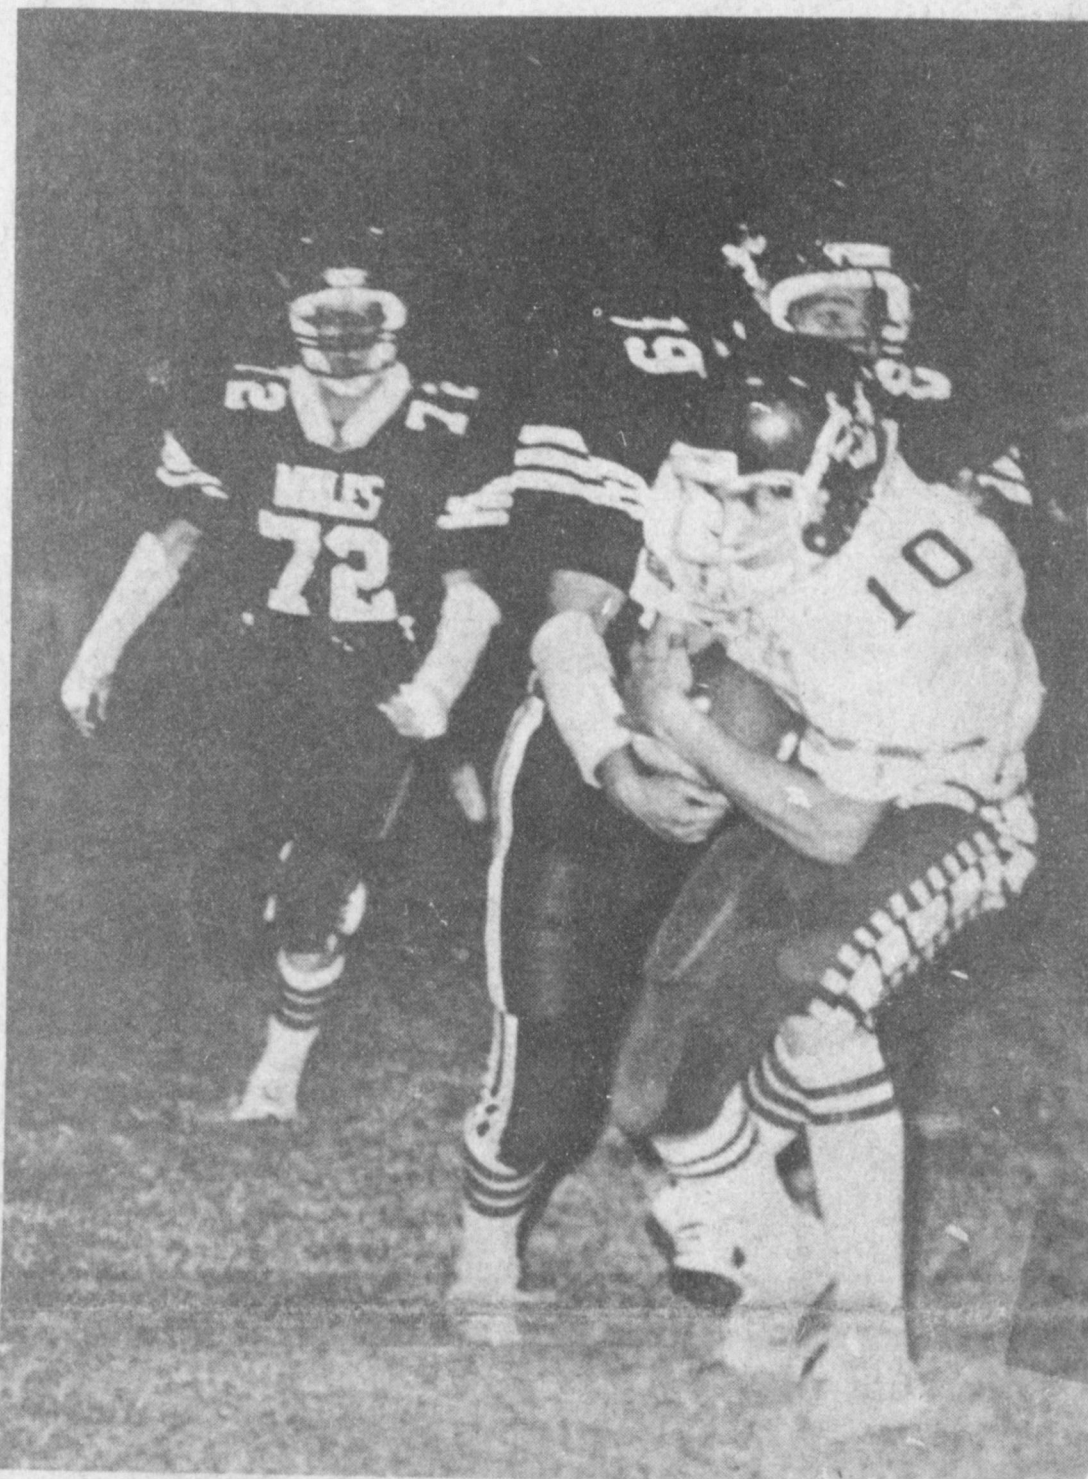

There will be a Board of Directors meeting of the Bailey County Appraisal District October 6 at 7:30 p.m. in the conference room of the Bailey County Appraisal District at 404 East Avenue C, Muleshoe.

Miss Janell Garrett, a junior nursing major, received her cap September 25th, in the West Texas State University School of Nursing Convocation. Attending the Convocation were Janell's parents, Mr. and Mrs. Phil Garrett and grandparents, Mr. and Mrs. Ernest Locker.

BULLETIN

Senator John Tower's office has informed the Journal that a grant had been approved from the United States Department of Agriculture to Bailey County Electric Cooperative Association in the amount of \$944,000 at 5% interest to finance 8 miles of transmission lines and system improvement, including sub station facilities.

GIMMIE THE BALL... Mule Linebacker, George Vela backed up by John Wuerflein seem to be saying to 'Lope Quarterback Riley "OK fell, its our time now." The Mules contained the quarterback well, holding their yardage down.

The Muleshoe Mules came from behind, with all systems go, for a big 18-13 win over the Abernathy Antelopes in Benny Douglas Stadium here Friday night.

Described by Head Coach Windy Williams as "a sweet victory", the Angry Black lived up to their name and hungrily grabbed every bit of glory that came their way.

The Antelopes took the opening kick off on their 15 yard line and began a drive that led nowhere. The pattern of penalties for both teams was set early in the game. The Mules split-six defense managed to contain the 'Lopes well.

With 3:11 left in the first quarter the Mules began a 57 yard drive to the Abernathy goal line where fullback Hector Orozco scooted six yards for the first TD, putting the Mules up 6-0. Angely's try for the extra point failed.

The next few plays were unproductive for both teams with the Mules playing keep-away against Abernathy's QB Max Riley's passes, Riley, however, is a tough scrambler and was able to run the ball for some yardage. But, Mule Spiltend Angely intercepted a 43 yard Riley pass.

With .47 seconds left in the half the Antelopes fought back with a powerful drive and Riley made connections with Wingback Rodney Cannon for the 'Lopes first TD. The PAT by Cannon was good and at the end of the first half, Abernathy led 7-6.

Report Cards Out October 9

The first six weeks period of school ends on Tuesday, October 6. All schools will send report cards home to parents on Friday, October 9. The Junior and Senior High Schools will be using the "carbonized" reports this year. The first six weeks report card will be white, second six weeks cards will be yellow, third six weeks will be pink, fourth six weeks will be white, fifth six weeks will be yellow and sixth six weeks cards will be pink. Parents should expect a report card

Cont. Page 6, Col. 1

Going into the second half both teams continued to make some spirit crushing mistakes as incomplete passes and penalties ate up any gains to be made. Both quarterbacks got a taste of the turf several times as the tough defenses of both teams took their share of the spotlight.

With the clock near the 2 minute mark, Angely once again intercepted a Riley pass as the clock ticked off the last seconds in the third quarter. Penalties once again begin to nibble at both teams.

Closest to 3 minutes into the 4th quarter the Antelopes running back Ruiz picked off a Riley pass and scampered 61 yards for Abernathy's second TD. PAT was no good and the 'Lopes drew a 15 yard penalty on kick-off for unsportsman-like conduct. Score-Lopes 13-Mules 6.

The Mules came back in the next series, copping 3 first downs and their 2nd Cont. Page 6, Col. 1

Pageant Deadline Draws More Entries

Entry deadline date brought with it quite a few more entries in the Miss TriCounty Pageant scheduled for October 17 in the Muleshoe High School Auditorium. On that night, after all the fanfare and hours and minutes of waiting, the new Miss Tri County, Junior Miss, Little Miss and Miss LaPetite will be crowned to reign for the 1981-82 period.

Contestants will join together in a production number arranged around this year's theme of the urban cowboy. Cindy Purdy will direct the girls in this number.

Entered in the Miss Tri County division of the pageant is 14-year old sophomore, Laura Peacock. This brown-haired, brown-eyed miss attends Brown Way High School, where she is very active in sports--basketball in particular. Laura lists reading, sewing and tennis among her hobbies. She is student council secretary, pep club president.

On September 24, the Journal ran a story on the proposed school renovations of the Muleshoe School District. At that time, plans were made to consider each plant's or school's proposed renovations in depth. This is the first follow-up article in that series. Since the Muleshoe High School is the first listed priority of the study, that is the first facility discussed.

While there is little plant improvement possible for the Muleshoe Schools without the passage of a bond issue, it can be recognized that there is a definite need for improvements and the voting of passage of a bond issue will be necessary to facilitate these plans.

The first concern of improvement will be towards energy conservation. This will entail closing, sealing and insulating all exterior

windows now in the high school. This may be done by metal closures, stucco closures or brick, which would match existing structures. On the inside of the building, it would be possible to install chalk or tack boards in the areas closed by windows.

Also proposed for the high school would be the removal and sale of the existing forced air heating system. The next step would be to install individual room air conditioning and heating units. A separate thermostat covered and locked will enable faculty to control the temperature.

Another big step in conservation of energy will be the proposed lowering of the ceilings by installing suspended asbestos tile units with bat insulation above the suspended acoustical tile ceiling.

It must be remembered that these are proposed renovations and not all of them will prove feasible for the Muleshoe school system; however, those that offer the most will likely be the ones followed.

Another proposal is the installation of carpet in all Cont. Page 11 Col. 1

Police Report

On September 25, police investigated a vandalism at the Spudnut Shop, where someone had apparently thrown a bottle through the front door, causing breakage. A vandalism involving a residence and auto was also reported on that date.

On Wednesday, September 30, three suspects were arrested in Clovis in connection with two thefts from Muleshoe stores. Lee's Western Wear and St. Clair's Department store suffered the loss of three leather coats. Clovis police arrested the trio and they are now in custody. A \$100,000 bond each has been set on the suspects for the Muleshoe incidents.

National 4-H Week To Be Observed October 4-10

Bailey County 4-Her's would like to join the other 4 million 4-Her's across America as we salute National 4-H Week, October 4-10, 1981.

1981 has been a year of adventure for Bailey County 4-Her's. Over 280 youth from this county have been involved in 4-H this past year.

4-Her's have studied and participated in projects such as Mulligan Stew, Food and Nutrition, Clothing, Photography, Hunter Education and Gun Safety, Beef, Swine, Lambs, Gardening and many others.

Two judging teams qualified to participate in the State 4-H Round-Up. The Livestock judging team placed first at the State Round-Up and qualified to go to Louisville, Kentucky to participate in a national judging contest in November.

Seventeen 4-Her's and 4 leaders traveled to Guthrie Center, Iowa for a week. There we lived with an Iowa family as part of the 4-H Interstate Exchange Program. 30 Iowa 4-Her's will be coming to Bailey County in June of 1982 to complete the second part

of the Exchange Program.

These are only some of the highlights of the 1981 4-H year. There is still more to do and more activities to enjoy.

Bailey County 4-H is alive and growing. Over 50 adults donate their time and energy and talents to give direction to the youth of this county. 4-H is a youth organization which has as its purpose to develop leadership skills and citizenship in the youth of this country. We appreciate the support of Bailey County residents in our 4-H program. The 4-H program is conducted through the Texas Agricultural Extension Service and serves all youth of the county without exception.

Blackwater Valley Election Scheduled

An election for a director to serve in Zone 3 on the Blackwater Valley Soil and Water Conservation District Board is scheduled for October 9, 1981 at the Needmore Gin announced James Wedel, chairman of the board. The election will be held at 9:00 a.m.

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the

Bailey County all of which is in the district and the voter must be 18 year old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in Bailey County all of which is in the district.

Zone 3 of the district includes an area

Shawls, Scarves 'Good' For Fall

Shawls and oversized scarves are great fashion accessories for fall -- and they're easy to make, says Ann Vanderpoorten, a clothing specialist.

To give your wardrobe fall's "fashion flair," select several different fabrics and make your own, she suggests.

Vanderpoorten, on home economics staff of the Texas Agricultural Extension Service, The Texas A&M University System, says choose fabrics that look the same on both the right and wrong sides.

"This allows your shawl to fold or loop any way you want to wear it."

Fabrics for shawls and scarves range from lightweight to bulky -- wool and silk are both popular, or you can use acrylic, polyester and rayon fabrics.

For wearing with coats or winter suits, choose tweed, plaids or bulky knit fabrics.

To complement dresses, select crepe de chine, georgette or lightweight twill weaves, Vanderpoorten says.

Fashion scarves are square, rectangular or triangular in shape -- the fashion secret for fall is size.

Rectangles may be 40x60 inches, while squares can be up to 60 inches and larger.

To "fringe" or not to "fringe" really is a question, Vanderpoorten says.

Fringed edges are classic on shawls of bulky woven fabrics, and they're easy to do.

Decide how deep you want the fringe to be. Measure that distance "in" from the edge and stitch around the scarf. Use a short stitch length and turn at the corners. Do not cross lines of stitching. Then pull threads from the edge until the stitching is reached.

Do not attempt to fringe

bias edges, such as on a triangular scarf. These must be hemmed, the specialist says.

Don't fringe some lightweight woven fabrics and knits -- hem them instead. For these, you can use very narrow hand-rolled or machine stitched hems.

For evening wear, you can use purchased fringe, metallic braid or beaded trim to finish the edges of shawls and scarves. Trim may match the scarf or contrast for emphasis.

Active participation by the armed forces of the United States in the Vietnam conflict ended Jan. 27, 1973, with the signing of the cease-fire agreements, but the so-called "Vietnam Era" did not end until May 7, 1975, according to the Veterans Administration.

JUDGES ATTEND SEMINAR.....Eighty justices of the peace attended a 20-hour Texas Justice of the Peace Training Center seminar Sept. 15-18, 1981 in Amarillo. Among the judges attending were, Left to right, Carl H. Kernell of Morton; Roy D. Tilley of Whiteface; Place 2; Frank Ellis, III, of Muleshoe, Juanita Moore of Denver City, and Tanya Holmes of Muleshoe.

MR. AND MRS. MICHAEL SCOTT DALE
(nee Leslie Elizabeth Cowan)

Miss Cowan, Dale United In Candlelight Ceremony

Miss Leslie Elizabeth Cowan became the bride of Michael Scott Dale in a candlelight ceremony at 7:30 p.m. Sept. 12 in the First United Methodist Church. Mike Hinton, brother in law of the bride, of O'Donnell read the double ring vows.

Parents of the bride are Mr. and Mrs. Harold Cowan of Muleshoe. Dale's parents are Mr. and Mrs. Gary Dale, also of Muleshoe.

The large alter bouquet of white gladiolas, pink carnations, white mums and baby's breath was flanked by a spiral and a seven branch candelabra entwined with greenery and rose colored bows on each side.

Traditional wedding music was by Mrs. Mickey Sowder.

Given in marriage by her father the bride wore a formal length gown of bridal sheer over white satin. The empire bodice featured a Queen Ann collar and scooped neckline accented with Alenceon lace and pearls. The long bis-

hop sleeves were accented with appliqued Alenceon lace and pearls. Matching lace edged the skirt which fell into a chapel length train.

Her fingertip veil was attached to a Juliet cap covered with Alenceon lace and pearls. The gown was designed by the bride and made by her mother.

The bride carried a pink glow bridal bouquet of pink carnations, rose buds, cushion mums, stephanotis, alstemier lilies, baby's breath with lace and satin streamers tied in love knots.

Miss Leslie Wagon served as maid of honor. Bridesmaids were Mrs. Frank Ellis III, sister of the bride, of Muleshoe; Mrs. Mike Hinton, sister of the bride, of O'Donnell; and Monica Dale, sister of the groom, of Muleshoe.

The attendants wore identical full length rose colored quiana dresses featuring a blossom top gathered from a scoop neckline and accented by a self belt tied in the back. They carried nosegays of white

pom pom mums, pink carnations, silk flowers, baby's breath with pink and white streamers tied in love knots.

Christy Hargeas, cousin of the groom, of Wilcox, Arizona was flower girl. She wore a dress identical to that of the other attendants.

Brett Marble of Floydada served as best man. Groomsmen were Brady Phillips of Plains, Todd Ellis and Jeep Shanks, both of Muleshoe.

Ringbearer was Roy Lee Hargess, cousin of the groom, of Wilcox. Candlelighters were Doug Cowan, brother of the bride, and Frank Ellis III, brother in law of the bride, both of Muleshoe.

Ushers were Doug Cowan, Frank Ellis III, and Mike Henry. Wendy Stice of Levelland registered the guests.

For her daughters wedding, Mrs. Cowan chose a mint green dress with a matching orchid corsage. Mrs. Dale, mother of the groom chose a grape colored dress with a matching orchid corsage.

Following the ceremony a reception was held in the fellowship hall of the church. The maid of honor and bridesmaids assisted the members of the house party in serving.

Select Iron Comfortable To Your Hand

Doing a little ironing these days and looking for a "good" iron?

Since they come in various sizes, select one that is comfortable in your hand and one that isn't too heavy, advises Nancy Brown, a clothing specialist.

Some useful features to consider are large water reservoirs with a water level gauge, a shot-of-steam or spray device that applies more moisture when you need it, and self cleaning abilities, the specialist says.

Once you choose an iron, be sure to read and follow the manufacturer's instructions.

Brown is on the home economics staff of the Texas Agricultural Extension Service, The Texas A&M University System.

Pear Avocado Mold Is Refreshing

Creamy Pear Avocado Mold is styled for special occasions. Delicately flavored canned Bartlett pears are diced and set in lime-flavored gelatin blended with pureed avocado, fluffy whipped cream and the tang of fresh lime juice. Pear wedges and thin slices of lime make a picture-pretty garnish for this refreshing mold.

Sweet and juicy canned Bartlett pears can help in many ways to add sunny sparkle to your family meals or special occasions. They are ready just as they come from the can to display their versatility in salads, desserts, meat accompaniments and baked goods. Look for them in a variety of packs and can sizes designed to fit your every need.

Pear Avocado Mold

- | | |
|---------------------------------------|-------------------------------|
| 1 can (29 oz.) Bartlett pear halves | 1 tablespoon fresh lime juice |
| 1 package (3 oz.) lime-flavor gelatin | 1 medium avocado |
| 1 cup boiling water | 1/2 cup heavy cream, whipped |
| | Thin lime slices |

Drain pears; reserve 3/4 cup pear syrup. Slice 2 pear halves into wedges. Dice remainder and drain again. Dissolve gelatin in boiling water. Add reserved pear syrup and lime juice. Peel and pit avocado; puree in blender or mash with fork. Add to gelatin mixture. Chill until partially set. Fold in whipped cream and diced pears. Pour into 4-cup mold and chill until firm. Unmold on serving platter; garnish with pear wedges and lime slices. Makes 6 servings.

Lazbuddie Young Homemakers Annual Membership Tea

The Lazbuddie Young Homemakers held their annual membership tea Thursday, September 17, in the Lazbuddie school cafeteria. Two new members were accepted. They are Stephanie Foster and Ella Jo Stormes.

A program on making candy was given by Johnnie Battey.

Two of the members were honored for their outstanding contributions to the club and community. Charlotte Redwine was presented a silver platter in appreciation for all the hard work and planning she did for the Lazbuddie school reunion.

Billie Mason received a plaque in appreciation for her many years of service to the young homemaker chapter.

Kim Gregory was voted to be the chapter's junior little sister. She is a junior at Lazbuddie High School.

Reports were given by Vickie Burch, projects chairman; Sheryl Engelking, social chairman; and Marca Morris, program chairman.

Projects planned for the year include: the pecan sales, the community cookbook, a buried treasure booth at the Halloween carnival, the Christmas bazaar, honoring senior citizens, buying coats and glasses for needy children, helping FHA with a style show, buying ribbons and buttons for the elementary track meet, honoring outstanding homemaker, and choosing secret pals.

Two socials are planned for the year. A Christmas social for the entire family in December and a family

barbeque in May is on the schedule.

Programs scheduled for the year include; aerobic dancing in October, quilting in November, restoring antique dolls in December, dieting in January, ladies night out in February, self defense for women in March, style show in April, election of officers in May.

The club also plans to have the senior citizens as special guests at the April meeting.

A spokesman for the group said "The club enjoyed having Myrtle Stein-

bock visit during the meeting. She is one of our honored senior citizens."

TD when Hysinger took the ball over from 10 yards out. The try for two failed.

This proved to be the turning point for the Mules and with the exception of one short Antelope series they maintained possession of the ball in the final minutes. In a last ditch stand, Antelope QB Riley fired a pass to Reynolds that was knocked loose by Angely, giving the Mules Possession.

With 52 seconds left in the game, Kirvin took a Hamilton pitch out and did some fancy stepping to come up with the 3rd TD for the Mules. Going for it all, the Mules tried for the extra 2 and failed.

Although the Antelopes took possession of the ball, with 44 seconds remaining, their tries were thwarted by an interception by Norman and the Mules held the ball as the buzzer sounded.

Lighter heifers means less offspring according to studies recently completed at Kansas State University. The K-State study affirmed that the lightest heifers at weaning were less reproductively efficient because of delayed puberty, resulting in higher death losses of offspring. The study documented feeding low levels of energy during the gestation period lowered pregnancy rates. The study suggests three important management practices to maximize reproductive performance including selection of replacement heifers with the heaviest weaning weight, provision of adequate energy during growth period and during gestation period. Implementation of these three practices, researchers say, should result in maintaining calving on schedule and reducing calving death losses.

Wanted DAIRY QUEEN MANAGER TRAINEE BY 30-UNIT WEST TEXAS CHAIN

Must be mature, willing to work and ready to relocate in the West Texas area after short training period. This job will pay in excess of \$1,500 per month for a good working manager — plus hospitalization insurance and vacation.

You may be qualified and not know it unless you investigate. Many of our best managers doubted they were qualified when they first contacted us. Most important are your own desire and need for success.

Common sense, the ability to do about 20 minutes of book work per day plus doing a good job of cooking and waiting on customers are the only basics to success in this job.

And to encourage you, after we know we have a mutual interest, we will provide you the names of some of our managers to call so they can tell you how any mature person with determination to succeed can do so with our company.

Advancement possible for positions above manager.

Mule Fight Song

Come on you Mules let's go out and win. Rockem, knockem, knockem, soekem, and let's hit em again. We're the team that really plays ball. Hitted once and hitted twice and see how they fall. Oh, yes, we'll go out and fight with all of our might. When we're through they'll know that we're the black and the white. Show how tough a Mule can be. They're gonna lead us to victory.

JV Cheerleaders Highlighted

The JV Cheerleaders are a group of hard working and dedicated girls. Some of their activities this year include Cheerleading Camp at ENMU where they received the spirit stick and two superior and one excellent marks. They have also cheered at one pep rally with the Varsity Cheerleaders, and made posters for the halls. This year there are five cheerleaders:

Sherri Bessire is the head cheerleader of the JV. Her other activities include FCA, FTA, and twirling for the band. Sherri is 15 and a Sophomore at Muleshoe. Her parents are Travis and Sue Bessire. Her comments were, "I really had a blast this year and I am looking forward to the rest of the games."

Tonda Gunstream is also a Sophomore. Her activities include FTA, FCA, and Cheerleading. Her parents are Tommy and Jeanine Gunstream. Her comments were, "We have had a lot of support from the parents and the fans especially in out of town games. So far its been a pretty good year. I hope it will continue."

Keisha Johnson is also a Sophomore. Her activities include FCA, FTA, Basketball and Cheerleading. Her parents are Mr. and Mrs. J.R. Johnson. Her comments were "Cheerleading is a lot of fun and the teams and the fans really have a lot of spirit."

Louise Lopez is the 15 year old daughter of Mr. and Mrs. Trinidad Lopez, and is a Freshman at Muleshoe. Her activities include Student Council, FTA, FHA, and Basketball. Her comments were, "This being my first year as a High School Cheerleader I am looking forward to cheering for both freshman and JV. Our guys are real good and show they will do real well

this year. And the cheerleaders are looking forward on cheering for them and giving them all the spirit we can!"

Lori Ellis is also a Freshman she is 14 years old. Her parents are Joe and Minnie Ellis. Her activities include FTA, Cheerleading and Basketball. Her comments were, "I really had a lot of fun this year cheering with the other girls. They are hard workers and easy to get along with. We will continue to work hard and keep that Mule spirit going!" "Go Angry Black."

We would like to congratulate these fine girls for a job well done!

Cross Country Team Third

The Muleshoe High School Cross Country Team traveled to Plainview last week and came in third out of 110 teams at the meet. Hereford came in first, while Monterrey came in second, and Muleshoe followed with a close third and had 93 points.

Freshman Tony Luna came in third, Martin Mendoza came in 11th, Aldo Almanza 21st, Tony Rojas 25th, Scott Ellard 53rd, and Danny Mata 85th in the overall meet. Coach Brandon stated that the lower the team score, the higher ranking you get.

In the girls division Muleshoe's Jann Wuerflein placed 85th out of 110 girls in the cross country meet.

This is the first year that Muleshoe has had the cross country team. Muleshoe is the only school in the district to suit out as a team. So everyone is encouraged to get out and support the Muleshoe High School Cross Country Team.

A friend is someone who doesn't expect any favors.

Student Council Has Busy Month

The month of September has been a busy month for the Student Council members. Many projects, new and old, have been started while plans for the 1981-82 school year have been discussed also.

Activities began August 26, the first day of school. The Student Council members pinned corsages and boutonnieres on the new teachers of MHS while wishing them a good year. This is a project that has been done for years, hoping to make the new teachers and coaches feel more welcome and at home in Muleshoe.

September 1 and 8 were officer-sponsor meetings for Student Council. Plans were made for Recruit

F.T.A. Officers Attend Conference

On Saturday, Sept. 26, the FTA District and Local officers attended the District Planning and Leadership Conference at Wayland Baptist College in Plainview. District President Wayne Precure called to meeting to order. Jill Turner Dist. Recording Secretary called roll for chapters present. Workshops were conducted by District Officers. Susie Pierce, Dist. Corresponding Secretary, assisted in the secretary workshop.

An election was held for a District Historian. Ronnie Angeley, Local Chapter President and Lavon Rhodes, Local Chapter Chaplain, won the voting delegate from Muleshoe. Mr. Kerry Moore, Dist. Coordinating Advisor, conducted the advisors' workshop and Mr. Stephen Johnson represented the Muleshoe Chapter as Sponsor.

Ronnie Angeley called the Local FTA meeting to order Thursday, Oct. 1, in the auditorium. A good group was in attendance. Members signed up for duties for the Powder Puff game. The Powder Puff game is Monday, Oct. 12. Admission will be \$1.00.

Week, which was September 7-10, and Student Council Sign-Up Day, which was September 10.

Beat tags have been sold every Thursday and Friday before the football game. The ribbons sold to students, teachers, and townspeople are to raise spirit and to help back the Mules.

September 15 was the first meeting with new members. Vice-president Wayne Precure presided over the meeting and formed a Morning Watch Committee, Spirit Committee, and a Constitution Committee.

On September 22 President Jan Whitt called the meeting to order. The morning watch, beat tag sales, spirit bus, and trash problems were discussed.

The last meeting, Sept. 29, Spirit horns were ordered for football games. These will be for the four classes and various clubs and organizations to use.

Also a student spirit bus will be available to go to the out of town games. The fee will be \$4.00 for each person and forty people at least need to sign up for each trip.

A new project started this year is the New Student Program. This is where Student Council members "buddies" with new students while helping them get acquainted with the people at MHS.

Everyone has seemed enthused about the new year and willing to become involved with the Student Council activities. Many plans have been made for the school year and with the interest the members are showing - a good year is bound to be ahead.

The Muleshoe FFA Chapter met at 8:00a.m. September 29, 1981, in the Ag Building. Officers met at 7:00 to prepare for the meeting.

Starla Black, president, called the meeting to order. The officers performed the opening ceremony. Secretary Kay Lynn Prather called the roll and read the minutes from the previous meeting. The minutes were then approved. Several parents attended the meeting as guests.

In discussing money-making projects, the chapter decided to sell sausage two or three times during the year, and not to sell fruit. The first sausage sale began September 30, and will continue through October 9. The chapter is selling Blue and Gold brand sausage this year. Kellie Overman was elected as the Chapter Sweetheart and Kim Farmer was elected as the Chapter Plowgirl.

There were several members that received Chapter Farmer Degrees. In order to receive this degree these students must have received the Greenhand Degree, must have satisfactorily completed at least one semester of vocational agriculture, have a project, knowledge of local constitution and program of activities, and have earned at least \$50.00 or worked 50 hours in an Agricultural Experience Program. Students must also have the ability to lead group discussion for 15 minutes, demonstrate five parliamentary procedure abilities, show progress toward local Proficiency Award, satisfactory scholastic record in an agricultural course, submit application for the Degree for chapter records, and meet other chapter and/or state requirements. The ceremony

was performed by acting officers from the Ag Boosters. The students that received the silver pins and Degrees were: Michael Barrett, Cheyenne Bickel, Starla Black, Scott Branscum, Jamey Chancey, Lynn Copley, Kim Farmer, Alan Fine, Lee Free, Kim Gatewood, Tamara Gilliland, Kevin Harris, Todd Holt, John Houston, Craig Hunt, Eddie Johnson, Lynn Moore, Kellie Overman, Earl Parish, Jay Pearson, Brian Powell, Kay Lynn Prather, Lincoln Saeil, Tyrre Vandiver, and Casey Stewart.

Bronze pins symbolizing the Greenhand Degree were also awarded. The ceremony was performed by the regular Chapter officers. Qualifications for this degree are: one must be enrolled in a vocational education course and have

satisfactory plans for a supervised agriculture occupation program, learn and explain the FFA Creed, Motto, and Salute, describe the FFA emblem, colors and symbols, explain the proper use of the FFA jacket, have satisfactory knowledge of the history of the organization, know the duties and responsibilities of FFA member, own or have access to Official FFA Manual and submit written application for the Degree for chapter records.

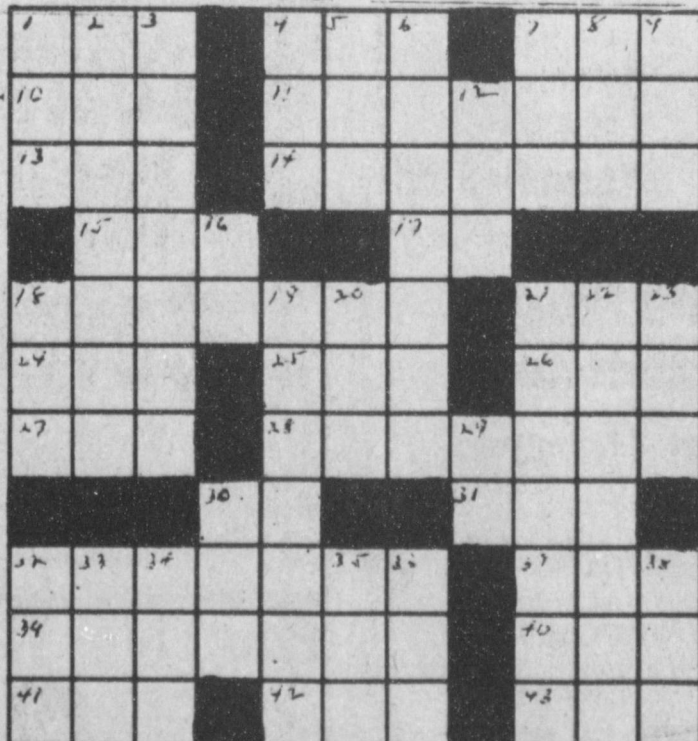

Carlos Carmona, representing the Greenhands, recited the FFA Creed. Those who met the requirements and received the Degree were: Anly Alexander, R.G. Bennett, Carlos Carmona, Joey Chancey, Rudy Cisneros, Jerry Gleason, Chris Hopkins, Todd Jones, Jeff Kline, Jamie LeFebre, and Ray Vinson.

Students Tour Tolk Plant

The Special Education Student enjoyed a tour of the Tolk Station, Friday, September 25. Mr. Ben Green, Plant manager, explained the process of changing fossil energy (coal) into heat; heat into steam; and steam into electricity.

He then took the group through the plant explaining the purpose of each department. The students saw the control room; the turbine in various stages of completion; the generator; the boiler in the incomplete stage; and coal dump. Mr. Green explained that the plant will be a clean-air operation. There will be a filtering system that will collect the ash discharge. This discharge will be sold as a bi-product.

Each student enjoyed an informative and pleasant trip.

Freshmen Mules Win Two

The freshman Mules have gotten off to a good start this season. Coaches Jim Pope and Leslie Soto have done a really great job so far. The freshman Mules have won two of their three games, beating Portales 32 to 0, and beating Denver City 14 to 6. They lost only to the big and tough Morton JV team 14 to 0. This week the Mules will be playing the Lockney Longhorns at Lockney.

academic area and office area except in science labs and art rooms. The terrazo floor coverings in the halls would be left as is. Painting and landscaping is to be considered to enhance appearance of the school. New Doors are proposed in the foyer areas to create wind traps to lessen the amount of air coming into the building.

The current restroom facilities also need to be renovated and modernized, as well as adding two more restrooms, as present facilities are inadequate.

The buildings need to be compliant with existing handicap laws. Also to be considered would be the building of bookshelves, installation of new lockers, new plumbing, and adding paneling where needed.

The science lab needs to be completely rebuilt. At present it is a totally "thrown together" and added on to facility.

Also, present office area is in need of remodeling and arranged to make the best use of the areas available.

The high school is in need of a good public address system. This is an item that entails several changes which would allow more efficient use of time for both teachers and office personnel.

The high school auditorium, the band hall and the gymnasium all need renovations such as the basic ones listed for the overall building in the line of energy conservation.

The Vocational agriculture building needs to be expanded to include the auto mechanics shop and at the same time, it is

proposed to construct a new metal building for the auto mechanics. The VoAg farm is in need of extensive renovation.

New athletic facilities are needed. The proposal includes the construction of a new field house, renovation of track and adding all weather surface, and the installation of aluminum seating on present home stands, thereby making way for moving of the existing home stands to the opposite side of the field and construction of new stands utilizing aluminum bleachers and a new press box.

The high school renovation also included the construction of two more tennis courts beside the existing ones.

As was pointed out, these renovations and changes are proposed actions and some may not be

Lions Hold Mop And Broom Sale

The Muleshoe Lions Club annual fall mop and broom sale will be held Wednesday, October 7 from 9 a.m. to 5 p.m. at the Muleshoe State Bank parking lot.

There will be mops, brooms, brushes, miscellaneous kitchen items, and door mats. There will be over fifty different household aids available. All of these items are quality made products by the blind of our Texas Lighthouses for the Blind.

Purchases made help earn funds for the Lions Club local civic projects plus provide a needed outlet for these products made in Texas by the blind.

feasible for the Muleshoe ISD. However, there is definite need for many of these changes and the having of same would enhance the Muleshoe High School tremendously.

The Sandhills Philosopher

Editor's note: The Sandhill Philosopher on his Johnson grass farm on Sandy Creek discusses football rating systems this week, we think.

Dear Editor:
At this time of year a lot of people get interested in which college football team is Number One and others in which TV network is Number One.

With the networks it's not hard to tell, although I can't see what difference it makes as none can come in lower than third. They pretend the rating reflects the number of people tuned in, but a more accurate reflection can be found in what they charge for commercials.

For example, CBS charges \$175,000 for a 30-second commercial, which gives you an idea of how many people there are in this country with false teeth that won't stay in. It has a prime-time ad revenue of \$29.7 million a week. ABC has \$27.7 million a week and NBC \$26 million. With revenue like that,

I'd settle for third anytime.

The college football rating system could learn from this. Like it is, ratings are determined by a bunch of coaches who're too busy worrying about their own team and their job to know much about anybody else's and a bunch of sports writers who didn't play football past the 8th grade.

As a result, one team turns up Number One this week, another next week, although neither has played the other.

There's a better, more accurate way. Like the networks, it should be based on the amount of revenue pulled in.
If a Notre Dame game takes in say \$800,000 Saturday afternoon and a Michigan game takes in only \$750,000, Notre Dame is Number One. At the end of the season the team that grossed the most is Number One, even if it's on probation.

There may be something unreliable about this, but if you've spent the whole week trying to figure out where to cut the National budget in some place where it doesn't hurt you, your thinking naturally becomes a little fuzzy.

Yours faithfully,
J.A.

Optimist Club News

At a recent meeting of the Muleshoe Optimist Club, David Cos, treasurer of the Muleshoe Jr. Babe Ruth League gave a report on the leagues year, just ending. Jr. Babe Ruth base ball in Muleshoe ended their year on a sound note financially, and with enough money to pay off a long standing note of the league made prior to the takeover of the league by the Optimist Club. The Optimist Club of Muleshoe wants to say thanks to the other organizations who helped to clear this debt. They are the Muleshoe Kiwanis Club and the Muleshoe Lions Club.

Thanks are also in order to those individuals who supported the Optimist Club, by attending, and patronizing their various projects, to help the Jr. Babe Ruth League stand on its own feet again.
